## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF MAHINDRA SUSTEN PRIVATE LIMITED (FORMERLY MAHINDRA EPC SERVICES PRIVATE LIMITED)

#### Report on the Financial Statements

1. We have audited the accompanying financial statements of **Mahindra Susten Private Limited** (formerly Mahindra EPC Services Private Limited) ("the Company"), which comprise the balance sheet as at March 31, 2016, and the statements of profit and loss and cash flow for the year ended March 31, 2016 and a summary of significant accounting policies and other explanatory information thereon.

#### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial

statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2016, and its profit and its cash flows for the year ended March 31, 2016.

#### Emphasis of matter

9. We draw attention to Note 14 to the financial statements in respect of trade receivables from a customer aggregating Rs 46.24 crores at March 31, 2016 which management believes is fully recoverable in view of the actions initiated by it. We have relied on management representation in respect of recoverability of this amount.

Our opinion is not modified in respect of this matter.

#### Report on Other Legal and Regulatory Requirements

10. As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in terms of Sub-section (11) of Section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure I a statement on the matters specified in paragraphs 3 and 4 of the Order.
11. As required by Section 143(3) of the Act, we report that:
  - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c. the Balance Sheet, the Statement of Profit and Loss and Cash Flow dealt with by this Report are in agreement with the books of account;
  - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);

- e. on the basis of written representations received from the directors as on December 31, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on December 31, 2015, from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure II.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Notes 36 and 32 to the financial statements.
  - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any on long-term contracts. The Company did not have any derivative contracts.

## ANNEXURE I TO THE AUDITOR'S REPORT

Referred to in paragraph 10 of our report of even date on the financial statements of Mahindra Susten Private Limited for the year ended March 31, 2016

1. (i) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (ii) The Company has a phased programme for physical verification of its fixed assets designed to cover all the items over a period of two years, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. A portion of the fixed assets have been physically verified by the management during the year in accordance with the program. The discrepancies reported on such verification have been properly dealt in the books of account.
- (iii) The Company's fixed assets do not include any immovable property and hence the provisions of para 3(i) (c) of the Order are not applicable to the Company.
2. The inventory has been physically verified by management during the year. In our opinion the frequency of verification is reasonable. The discrepancies noticed on physical verification of inventory as compared to book records were not material.
3. The Company had in the prior year granted an unsecured loan to a subsidiary listed in the register maintained under Section 189 of the Act which has been repaid by that subsidiary during the year. Other than this the Company has not granted any loans to any parties listed in the register maintained under Section 189 of the Act and accordingly the provisions of paragraph 3(iii) of the Order are not applicable.
4. In our opinion and according to the information and explanations given to us, the provisions of Section 185 and 186 of the Act, have been complied with in respect of the loans granted, investments made, guarantees given and security provided as at March 31, 2016. We are informed that the Company has not given any security during the year.
5. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits within the meaning of Sections 73 to 76 the Act, and the rules framed thereunder and hence the provisions of para 3(v) of the Order are not applicable to the Company.
6. In our opinion, and according to the information and explanations given to us, the Central Government of India has not specified the maintenance of cost records under Sub-section (1) of Section 148 of the Act for any of the products of the Company.
7. (i) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing the undisputed statutory dues, including provident fund, employees' state insurance, income-tax, sales-tax, wealth tax, service tax, duty of customs, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts in respect of the above were outstanding, as on March 31, 2016 for a period of more than 6 months from the date they became payable.
- (ii) According to the information and explanations given to us and the records of the Company examined by us, except Income tax matters, there are no dues of

sales-tax, wealth-tax, service-tax, duty of customs, and duty of excise or value added tax or cess which have not been deposited on account of any dispute.

The statement of disputed dues towards Income Tax matters is as listed below:

Name of the statute	Nature of dues	Amount (Rs.)	Period to which the amount relates	Forum
Income Tax Act, 1961	Additions on account of disallowance	27,560,340	Financial Year 2012/13	CIT (Appeals)

8. According to the information and explanations given to us the Company did not have any borrowings from any financial institution, bank or Government nor has it issued any debentures during the year and hence the provisions of para 3(viii) of the Order are not applicable to the Company.
9. The Company has neither raised any money by way of initial public offer, further public offer (including debt instruments) nor has it availed of any term loan during the year and hence the provisions of para 3 (ix) of the Order are not applicable to the Company.
10. During the course of our examination of the books and records of the Company, carried out in accordance with generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither noticed any instance of material fraud by the Company or by the officers or employees on the Company nor has any such instance been reported.
11. According to the information and explanations given to us the Company has not paid any remuneration to managerial personnel as defined in the Act and accordingly the provisions of para 3(xi) of the Order are not applicable to the Company.
12. According to the information and explanations given to us the Company is not a nidhi company and hence the provisions of para 3(xii) of the Order are not applicable to the Company.
13. According to the information and explanations given to us the related party transactions entered into by the Company are in accordance with the provisions of 177 and 188 of the Act.
14. According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or of fully or partly convertible debentures during the year and hence the provisions of para 3(xiv) of the Order are not applicable.
15. According to the information and explanations given to us, the Company has not entered into any non-cash transactions with directors or persons connected with them and accordingly, the provisions of para 3(xv) of the Order are not applicable.
16. According to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934 and hence the provisions of para 3(xiv) of the Order are not applicable.

## **ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF MAHINDRA SUSTEN PRIVATE LIMITED**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Mahindra Susten Private Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended March 31, 2016.

### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016

### 1. Nature of Operations

Mahindra Susten Private Limited ('the Company'), a subsidiary of Mahindra Holdings Limited, is engaged in Engineering, Procurement and Construction of power plants in renewable energy and water management sector and related operations and maintenance activity.

### 2. Significant Accounting Policies

#### a) Basis of Preparation of Financial Statements

The financial statements are prepared and presented under the historical cost convention, on the accrual basis of accounting and in accordance with the provisions of the Companies Act, 2013 ('the Act'). Pursuant to Section 133 of the Act and read with Rule 7 of the Companies (Accounts) Rules, 2014 till the standards of accounting or any addendum thereto as prescribed by the Central Government in consultation and recommendation of the National Financial Reporting Authority, the existing Accounting Standards notified under the Companies Act 1956, [Companies (Accounting Standards) Rules, 2006], and other relevant provisions of the Companies Act 2013, shall continue to apply to the extent applicable.

The financial statements are prepared and presented in the form set out in Schedule III of the Act, so far as they are applicable thereto. All assets and liabilities have been classified as current/noncurrent as per the Company's normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of services and their realisation in cash and cash equivalents, the company has ascertained its operating cycle as twelve months for the purpose of current/noncurrent classification of assets and liabilities.

These financial statements are presented in Indian rupees.

#### b) Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles in India (Indian GAAP) requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements, which in management's opinion are prudent and reasonable. Actual results may differ from the estimates used in preparing the accompanying financial statements. Any revision to accounting estimates is recognised prospectively in current and future periods.

#### c) Tangible and Intangible Assets:

##### (i) Tangible Fixed Assets:

Tangible fixed assets are carried at cost of acquisition less accumulated depreciation. Cost includes all incidental expenses related to acquisition and installation. Borrowing costs relating to acquisition of fixed asset, which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use

When an asset is scrapped or otherwise disposed off, the cost and related depreciation are removed from the books of account and resultant profit (including capital profit) or loss, if any, is reflected in the Statement of Profit and Loss. Depreciation on assets is calculated on Straight Line Method at the rates and in the manner prescribed in Schedule II to the Companies Act, 2013.

##### (ii) Intangible Assets

Intangible assets are initially measured at cost and amortised on a straight line basis over their estimated useful lives not exceeding ten years.

Software are equally amortised over their estimated useful lives of three years from the year in which they are put to use.

##### (iii) Impairment

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the Company makes a reasonable estimate of the value in use.

#### d) Inventories:

Inventories are stated at lower of cost and net realisable value.

Cost of raw materials includes all costs of purchase, conversion and other direct attributable costs incurred for bringing the items to their present location and condition and is determined using the weighted average cost method.

The cost of contracts work in progress comprises costs directly attributable to the specific contracts and related overheads.

Land considered as stock-in-trade is valued at lower of cost or net realizable value. Cost comprises of all cost attributable to the acquisition of land.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

#### e) Foreign Exchange Transactions

Transactions in foreign currencies are initially recorded at the exchange rates prevailing on the date of transaction. Monetary items are translated at the year-end rates. The exchange difference between the rate prevailing on the date of transaction and on the date of settlement as also on translation of monetary items at the end of the year is recognized as income or expense, as the case may be.

The Company uses foreign currency forward contracts to hedge its risk associated with the foreign currency fluctuations relating to firm commitments. In respect of forward exchange contracts covered under AS 11, "The effect of changes in foreign exchange rates", any premium or discount rising at the inception of a forward exchange contract is recognized as income or expense over the life of the contract. Any profit or loss arising on cancellation or renewal of such forward exchange contract is recognised as income or expense for the year.

Pursuant to the announcement made by the Institute of Chartered Accountants of India (ICAI) regarding "Accounting for Derivatives", provision for losses in respect of forward exchange contracts classified as derivatives is made on mark to market valuation of such contracts. Gains on mark to market valuation, if any, on such derivatives are not recognised in financial statements.

#### f) Revenue Recognition:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

##### (i) EPC Contracts

Revenue from fixed price EPC contracts is recognized on percentage of completion method measured on the basis of stage of completion determined on the basis of certifications done internally or by external consultants or customers as well as on the basis of billing schedule agreed.

##### (ii) Sales of goods

Revenue from sale of goods is recognized on transfer of all significant risks and rewards of ownership to the buyer. Sales are stated net of trade discount, duties and sales tax.

##### (iii) Service Income

Service income is recognised as per the terms of the contract when the related services are rendered. It is stated net of service tax.

##### (iv) Interest income

Interest income is recognized on time proportion basis.

##### (v) Dividend Income

Dividend income is recognized when the right to receive dividend is established.

##### (vi) Insurance claim

Insurance claims are accounted for on the basis of claims admitted/expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

#### g) Investments

Investments are classified under Non-current and Current categories.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016

'Non-current Investments' are carried at acquisition/amortized cost. A provision is made for diminution, other than temporary, on an individual basis.

'Current Investments' are carried at the lower of cost or fair value on an individual basis.

### h) Employee Benefits:

#### (i) Short term employee benefit

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. These benefits include short term compensated absences such as paid annual leave. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognized as an expense during the period. Benefits such as salaries and wages, etc. and the expected cost of the bonus/ex-gratia are recognized in the period in which the employee renders the related service. Provision for short term compensated absences is made on arithmetic basis.

#### (ii) Post employment employee benefits

##### a) Defined Contribution schemes

The Company's contributions to the Provident Fund and Employee's State Insurance Fund are charged to the Statement of Profit and Loss of the year when the contributions to the respective funds are due.

##### b) Defined benefits plans

The Company provides for gratuity, a defined benefit plan (the "Gratuity Plan") covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/gains are recognised in the Statement of Profit and Loss in the year in which they arise.

### i) Employee Stock Option Scheme:

Stock options granted under the employee stock option schemes (ESOS) are accounted by intrinsic value method in accordance with the Guidance Note on accounting for employee share based payments issued by ICAI. Accordingly, the excess of fair value of shares over the exercise price is recognised as deferred employee compensation and is charged to the Statement of Profit and Loss on a straight line basis over the vesting period.

The number of options expected to vest is based on the best available estimate and are revised, if necessary, if subsequent information indicates that the number of stock options expected to vest differs from previous estimates.

### j) Taxes on Income:

Current tax is determined as the amount of tax payable in respect of taxable income for the year. Deferred tax is recognised, subject to consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised.

At each balance sheet date the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually

certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

### k) Provisions and Contingent Liabilities:

- (i) The Company provides for warranty obligation on substantial completion of contracts based on technical evaluation.
- (ii) Contingent liabilities are disclosed by way of note to the financial statements, after careful evaluation by the management of the facts and legal aspects of the matter involved.

### l) Cash and Cash Equivalents

Cash and cash equivalents for the purpose of Cash Flow Statements include cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

### m) Earnings Per Share

Basic and diluted earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

**Note no. 38: Employee Stock Option Scheme**

In the 3rd Annual General Meeting held on 6th August, 2013, the shareholders approved the issue of Employee Stock Options under the Scheme titled MEPC – Key Executives Stock Option Scheme, 2013.

The ESOS is approved to grant options to Eligible Employees of the Company and Beneficiaries of Mahindra Partners Employee Options Trust.

The Exercise Price in respect of the Options granted under this Plan shall be decided by the Committee, provided however, that the Exercise Price shall not be less than the par value of the Shares of the Company and shall not be more than the fair market value of the equity shares of the Company as on the date of Grant of Options or such other date not earlier than six months before the date of Grant.

The options granted vest in a graded manner over a period as determined by the Committee which shall not exceed seven years. The options can be exercised from the date on which the shares of the Company get listed on a recognized stock exchange but not later than three years from the date of listing and in certain other conditions as detailed in the Scheme.

The Company has issued the ESOS in tranches on 22nd May, 2013 via ESOP Committee and 21st January, 2016 via Board Meeting at an exercise price of Rs. 17 per share and Rs. 35.81 per share respectively.

Since there is no difference between the fair value of the share underlying the options granted on the date of grant of option and the exercise price of the option, there is no adjustment required for the same in the Profit and Loss account.

Employee stock options details for ESOS as on the Balance Sheet date as are follows:

## ANNEXURE I TO THE DIRECTORS' REPORT

### Form No. MR-3 SECRETARIAL AUDIT REPORT

For the Financial Year ended March 31, 2016

Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the  
Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014

To  
The Members,  
Mahindra Renewables Private Limited  
Mahindra Towers Limited, P. K. Kurne Chowk, Worli  
Mumbai-400018

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Mahindra Renewables Private Limited (hereinafter called the Company) incorporated on August 24, 2007 having CIN U40300MH2010PTC205946 and Registered Office at Mahindra Towers Limited, P. K. Kurne Chowk, Worli, Mumbai-400018. Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by Mahindra Renewables Private Limited and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2016 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by Mahindra Renewables Private Limited ("the Company") for the financial year ended on March 31, 2016 according to the provisions of:

- (i) The Companies Act, 2013 ("the Act") and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder; Not applicable during the year
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder; Not applicable
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; Not applicable during the year

(v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-

- (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011; Not applicable during the year
- (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992; Not applicable
- (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; Not applicable
- (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
- (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; Not applicable
- (f) The Securities and Exchange Board of India (Registrars to Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; Not applicable
- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; Not applicable
- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998: Not applicable

We have relied on the representation made by the Company and its officers for the systems and the mechanism formed by the Company for the compliances under the applicable Acts/laws and regulations to the Company. The list of major head/groups of Acts/laws and regulations applicable to the Company is enclosed and marked as Annexure A.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India: Applicable with effect from July 1, 2015
- (ii) The Listing Agreements entered into by the Company with Stock Exchanges: Not applicable as the securities of the Company are not listed.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that:

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes-All the resolutions were passed unanimously.

I further report that based on review of compliance mechanism established by the Company and on the basis of the Compliance Certificate(s) issued by the Company Secretary and taken on record by the Board of Directors at their meeting(s), we are of the opinion that the Company has adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period:

- 1) Name of the Company was changed from "Mahindra Offgrid Services Private Limited" to "Mahindra Renewables Private Limited" and the Registrar of Companies, Maharashtra issued the fresh certificate of incorporation on September 10, 2015 in this regard.

- 2) The shareholders of the Company at the Extra Ordinary General Meeting held on March 31, 2016 approved the amendment the following:

- i) Borrowing not exceeding Rs. 500 crore in addition to the aggregate of paid up capital and reserves of the Company and creation of charge on the assets of the Company pursuant to the provisions of Section 180(1)(a) and 180(1)(c) of Companies Act, 2013
- ii) Investments/disinvestments of funds not exceeding Rs. 500 crore in addition to 60% of paid up capital, security premium and free reserves pursuant to the provisions of Section of Companies Act, 2013

## INDEPENDENT AUDITORS' REPORT

### To the Members of Mahindra Renewable Private Limited

#### Report on the Financial Statements

1. We have audited the accompanying financial statements of Mahindra Renewable Private Limited ("the Company"), which comprise the balance sheet as at March 31, 2016, and the statements of profit and loss and cash flow for the year ended March 31, 2016 and a summary of significant accounting policies and other explanatory information thereon.

#### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial

statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2016, and of its profit and cash flows for the year ended March 31, 2016.

9. As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in terms of Sub-section (11) of Section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure I a statement on the matters specified in paragraphs 3 and 4 of the Order.
10. As required by Section 143(3) of the Act, we report that:
  - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c. the Balance Sheet, the Statement of Profit and Loss and Cash Flow dealt with by this Report are in agreement with the books of account;
  - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);
  - e. On the basis of written representations received from the directors as on March 31, 2016 taken on record by the Board of Directors, none of the directors

- is disqualified as on March 31, 2016, from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure II.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

## ANNEXURE I TO THE AUDITOR'S REPORT

Referred to in paragraph 10 of our report of even date on the financial statements of Mahindra Renewables Private Limited for the year ended March 31, 2016

1. (i) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.  
(ii) The Company has a rotational programme for verification of its fixed asset Mahindra Renewables Private Limited. A portion of the fixed assets have been physically verified by the management during the period from April 1, 2015 to March 31, 2016 in accordance with the program. In our opinion, the frequency of verification is reasonable having regard to the size of the Company and the nature of its assets. The discrepancies reported on such verification have been properly dealt in the books of account.
2. (i) The management has conducted physical verification of inventory at reasonable intervals during the period from April 1, 2015 to March 31, 2016.  
(ii) The procedures of physical verification of inventory followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.  
(iii) The Company is maintaining proper records of inventory and no material discrepancies were noticed on physical verification.
3. The Company has not granted any loans, secured or unsecured to companies, firms or other parties covered in the register maintained under Section 189 of the Act. Accordingly, the provisions of para 3(iii) of the Order are not applicable to the Company.
4. In our opinion and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the Company and the nature of its business, for the purchases of inventory, fixed assets and for the sale of goods and services. In our opinion and according to the information and explanations given to us, there is no continuing failure to correct major weaknesses in internal control system.
5. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from the public within the meaning of Section 73 to 76 the Act, and the rules framed thereunder.
6. As informed to us, the maintenance of cost records has been prescribed by the Central Government under Section 148(1) of the Companies Act, 2013, in respect of the activities carried on by the Company. We have broadly reviewed the books of account relating to materials, labour and other items of cost maintained by the company pursuant to the Rules made by the Central Government for the maintenance of cost records under Section and we are of the opinion that prima facie the prescribed accounts and records have been made and maintained.
7. (i) According to the records of the Company, the Company is generally regular in depositing with the appropriate authorities undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Wealth Tax, Excise Duty, Service Tax, Customs Duty, value added tax, and other statutory dues applicable to it.  
(ii) According to the information and explanations given to us, there are no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income tax, Sales Tax, Wealth Tax, Excise Duty, Service Tax, Customs Duty and Value Added Tax that were outstanding, at the year-end for a period of more than six months from the date they became payable.  
(iii) According to the information and explanations given to us, there are no cases for which dues of income-tax, sales tax, service tax, excise duty, customs duty and work contract tax not been deposited on account of any dispute.
8. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
9. The Company does not have any accumulated losses at the end of the financial year and it has not incurred any cash losses in the current year and in the immediately preceding financial year.
10. According to the information and explanations given to us and based on the documents and records produced before us, the Company has not defaulted in repayment of dues to a financial institution, banks or debenture holders.
11. In our opinion, and according to the information and explanation given to us, there is no outstanding guarantee for loans taken by others from banks and financial institutions at balance sheet date.
12. In our opinion and according to the information and explanations given to us the term loans were applied for the purposes for which they were obtained.
13. Based on the audit procedures performed and as per the information and explanations given to us by management, no fraud on or by the Company has been noticed or reported during the period ended April 31, 2015 to March 31, 2015.

## **ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF MAHINDRA RENEWABLES PRIVATE LIMITED**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Mahindra Renewables Private Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended March 31, 2016.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016

### 1. Company Information

**Mahindra Renewables Private Limited** ('the Company') was incorporated in India on 26th July, 2010, having registered office at Mahindra Towers, Dr. G. M. Bhosale Marg, P. K. Kurne Chowk, Worli, Mumbai – 400018 Maharashtra, INDIA to carry on business as a producer and distributor of solar power by using solar cells, photo voltaic cells, wafers, photo voltaic solar modules, photo voltaic solar system/sub system, tracker or fixed tilt, concentrated solar power and to provide related services.

The holding company is Mahindra Susten Private Limited.

### 2. Significant Accounting Policies

#### a) Basis of Preparation of Financial Statements

The financial statements of the Company have been prepared in accordance with the historical cost convention and on accrual basis in accordance with Generally Acceptable Accounting Principles (Indian GAAP) in India. These financial statements have been prepared to comply in all material aspects with the Accounting Standards specified under Section 133 of the Companies Act, 2013 ("the Act") read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended) and other relevant provisions of the Companies Act 2013.

All Assets and Liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of products/services and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current-non-current classification of assets and liabilities.

#### b) Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements, which in management's opinion are prudent and reasonable. Actual results may differ from the estimates used in preparing the accompanying financial statements. Any revision to accounting estimates is recognised prospectively in current and future periods.

#### c) Tangible fixed assets

Fixed assets, are stated at their historical cost of acquisition or construction, less accumulated depreciation. Cost includes all costs incurred to bring the assets to their present location and condition. The expenditure incurred on start-up and commissioning of project, test runs and experimental production is treated as an indirect element of the construction cost.

#### d) Depreciation

Depreciation on Plant & Machinery is provided on straight line method considering the rates as provided in the Central Electricity Regulatory Commission (Terms and Conditions for Tariff determination from Renewable Energy Sources) Regulations, 2012.

#### e) Impairment

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/ external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the Company makes a reasonable estimate of the value in use.

#### f) Taxes on Income:

Current tax is determined as the amount of tax payable in respect of taxable income for the year. Deferred tax is recognised, subject to consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred

tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised.

At each balance sheet date the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become virtually certain that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes virtually certain that sufficient future taxable income will be available.

#### g) Investments

Investments are classified under Non-current and Current categories.

'Non-current Investments' are carried at acquisition/amortized cost. A provision is made for diminution, other than temporary, on an individual basis.

'Current Investments' are carried at the lower of cost or fair value on an individual basis..

#### h) Cash and Cash Equivalents

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF MARVEL SOLREN PRIVATE LIMITED

#### Report on the Financial Statements

1. We have audited the accompanying financial statements of **Marvel Solren Private Limited** ("the Company"), which comprise the balance sheet as at March 31, 2016, and the statements of profit and loss and cash flow for the period from incorporation on October 10, 2015 to March 31, 2016 and a summary of significant accounting policies and other explanatory information thereon.

#### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment

of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Opinion

8. ## **ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF MARVEL SOLREN PRIVATE LIMITED**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Marvel Solren Private Limited ("the Company") as of December 31, 2015 in conjunction with our audit of the standalone financial statements of the Company for period from incorporation on October 10, 2015 to March 31, 2016.

### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and

evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria

established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

According to the information and explanations given to us, the Company was incorporated during the year and other than infusion of incorporation capital by the parent company and certain administrative expenses did not have any transactions during the year. Accordingly, as at March 31, 2016, the internal financial controls over financial reporting have been directly supervised by the Board of Directors for the purposes of preparation of the financial statements for the year ended 31 March 2016.

We have considered the matter reported above in determining the nature, timing, and extent of audit tests applied in our audit of the internal controls over financial reporting of the Company, and this does not affect our opinion on the financial statements of the Company.

## NOTES ON ACCOUNTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016

### Note 1. Company Information:

Marvel Solren Private Limited ('the Company') was incorporated in India on 10<sup>th</sup> October, 2015, having registered office at Mahindra Towers, Dr. G. M. Bhosale Marg, P. K. Kurne Chowk, Worli, Mumbai – 400018 Maharashtra, INDIA to carry on business as a producer and distributor of solar power by using solar cells, photo voltaic cells, wafers, photo voltaic solar modules, photo voltaic solar system/sub system, tracker or fixed tilt, concentrated solar power and to provide related services.

The holding company is Mahindra Renewables Private Limited.

### Note 2. Significant Accounting Policies:

#### a) Basis of Preparation of Financial Statements:

The financial statements of the Company have been prepared in accordance with the historical cost convention and on accrual basis in accordance with Generally Acceptable Accounting Principles (Indian GAAP) in India. These financial statements have been prepared to comply in all material aspects with the Accounting Standards specified under Section 133 of the Companies Act, 2013 ("the Act") read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended) and other relevant provisions of the Companies Act 2013.

All Assets and Liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of products/services and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current-non-current classification of assets and liabilities.

#### b) Use of estimates:

The preparation of financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements, which in management's opinion are prudent and reasonable. Actual results may differ from the estimates used in preparing the accompanying financial statements. Any revision to accounting estimates is recognised prospectively in current and future periods.

#### c) Taxes on Income:

Current tax is determined as the amount of tax payable in respect of taxable income for the year. Deferred tax is recognised, subject to consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised.

At each balance sheet date the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become virtually certain that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes virtually certain that sufficient future taxable income will be available.

#### d) Cash and Cash Equivalents:

Cash and cash equivalents for the purpose of Cash Flow Statements include cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

#### e) Earnings Per Share:

Basic and diluted earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

#### f) Provisions and Contingent Liabilities:

Contingent liabilities are disclosed by way of note to the financial statements, after careful evaluation by the management of the facts and legal aspects of the matter involved.

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF NEO SOLREN PRIVATE LIMITED

#### Report on the Financial Statements

1. We have audited the accompanying financial statements of **NEO SOLREN PRIVATE LIMITED** ("the Company"), which comprise the balance sheet as at March 31, 2016, and the related statements of profit and loss and cash flow for the period from incorporation on July 1, 2015 to March 31, 2016 and a summary of significant accounting policies and other explanatory information thereon.

#### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment

of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2016, and its loss and cash flows for the period from incorporation on July 1, 2015 to March 31, 2016

#### Report on Other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure I a statement on the matters specified in paragraphs 3 and 4 of the Order.
10. As required by Section 143(3) of the Act, we report that:
  - (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - (b) in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - (c) the Balance Sheet, the Statement of Profit and Loss and Cash Flow dealt with by this Report are in agreement with the books of account;
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);
  - (e) On the basis of written representations received from the directors as on March 31, 2016 taken on record

by the Board of Directors, none of the directors is disqualified as on March 31, 2016, from being appointed as a director in terms of Section 164(2) of the Act.

- (f) With respect to the adequacy of internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in **Annexure II**.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014(as amended), in our opinion and to the best of our information and according to the explanations given to us:

## **ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF NEO SOLREN PRIVATE LIMITED**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Neo Solren Private Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for period from incorporation on July 1, 2015 to March 31, 2016.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally

accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

According to the information and explanations given to us, the Company was incorporated during the year and other than infusion of incorporation capital by the parent company and certain administrative expenses did not have any transactions during the year. Accordingly, as at March 31, 2016, the internal financial controls over financial reporting have been directly supervised by the Board of Directors for the purposes of preparation of the financial statements for the year ended 31 March 2016.

We have considered the matter reported above in determining the nature, timing, and extent of audit tests applied in our audit of the internal controls over financial reporting of the Company, and this does not affect our opinion on the financial statements of the Company.

## NOTES ON ACCOUNTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016

### 1. Company Information:

**Neo Solren Private Limited** ('the Company') was incorporated in India on 1<sup>st</sup> July, 2015, having registered office at Mahindra Towers, Dr. G. M. Bhosale Marg, P. K. Kurne Chowk, Worli, Mumbai – 400018 Maharashtra, INDIA to carry on business as a producer and distributor of solar power by using solar cells, photo voltaic cells, wafers, photo voltaic solar modules, photo voltaic solar system/sub system, tracker or fixed tilt, concentrated solar power and to provide related services.

The holding company is Mahindra Renewables Private Limited.

### 2. Significant Accounting Policies:

#### a) Basis of Preparation of Financial Statements:

The financial statements of the Company have been prepared in accordance with the historical cost convention and on accrual basis in accordance with Generally Acceptable Accounting Principles (Indian GAAP) in India. These financial statements have been prepared to comply in all material aspects with the Accounting Standards specified under Section 133 of the Companies Act, 2013 ("the Act") read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended) and other relevant provisions of the Companies Act, 2013.

All Assets and Liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of products/services and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current-non-current classification of assets and liabilities.

#### b) Use of estimates:

The preparation of financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements, which in management's opinion are prudent and reasonable. Actual results may differ from the estimates used in preparing the accompanying financial statements. Any revision to accounting estimates is recognised prospectively in current and future periods.

#### c) Tangible fixed assets:

Fixed assets, are stated at their historical cost of acquisition or construction, less accumulated depreciation. Cost includes all costs incurred to bring the assets to their present location and condition. The expenditure incurred on start-up and commissioning of project, test runs and experimental production is treated as an indirect element of the construction cost.

#### d) Impairment:

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the Company makes a reasonable estimate of the value in use.

#### e) Taxes on Income:

Current tax is determined as the amount of tax payable in respect of taxable income for the year. Deferred tax is recognised, subject to

consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised.

At each balance sheet date the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become virtually certain that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes virtually certain that sufficient future taxable income will be available.

#### f) Investments:

Investments are classified under Non-current and Current categories.

'Non-current Investments' are carried at acquisition/amortized cost. A provision is made for diminution, other than temporary, on an individual basis.

'Current Investments' are carried at the lower of cost or fair value on an individual basis.

#### g) Cash and Cash Equivalents:

Cash and cash equivalents for the purpose of Cash Flow Statements include cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

#### h) Earnings Per Share:

Basic and diluted earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

#### i) Revenue Recognition:

##### Interest income

Interest income is recognised on time proportion basis.

##### Dividend Income:

Dividend income is recognised when the right to receive dividend is established.

#### j) Provisions and Contingent Liabilities:

Contingent liabilities are disclosed by way of note to the financial statements, after careful evaluation by the management of the facts and legal aspects of the matter involved.

## INDEPENDENT AUDITORS' REPORT

### TO THE MEMBERS OF

### ASTRA SOLREN PRIVATE LIMITED

#### Report on the Financial Statements

1. We have audited the accompanying financial statements of Astra Solren Private Limited ("the Company"), which comprise the balance sheet as at March 31, 2016, and the statements of profit and loss and cash flow for the period from incorporation on October 14, 2015 to March 31, 2016 and a summary of significant accounting policies and other explanatory information thereon.

#### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment

of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2016, and its loss and cash flows for the period from incorporation on October 14, 2015 to March 31, 2016.

#### Report on Other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure I a statement on the matters specified in paragraphs 3 and 4 of the Order.
10. As required by Section 143(3) of the Act, we report that:
  - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c. the Balance Sheet, the Statement of Profit and Loss and Cash Flow dealt with by this Report are in agreement with the books of account;
  - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);

- e. On the basis of written representations received from the directors as on March 31, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016, from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure II.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company does not have any pending litigations as at March 31, 2016 which would have impact on financial position.

## **ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF ASTRA SOLREN PRIVATE LIMITED**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Astra Solren Private Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for period from incorporation on October 14, 2015 to March 31, 2016.

### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing

the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial

reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

According to the information and explanations given to us, the Company was incorporated during the year and other than infusion of incorporation capital by the parent company and certain administrative expenses did not have any transactions during the year. Accordingly, as at March 31, 2016, the internal financial controls over financial reporting have been directly supervised by the Board of Directors for the purposes of preparation of the financial statements for the year ended March 31, 2016.

We have considered the matter reported above in determining the nature, timing, and extent of audit tests applied in our audit of the internal controls over financial reporting of the Company, and this does not affect our opinion on the financial statements of the Company.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD FROM 14<sup>TH</sup> OCTOBER, 2015 TO 31<sup>ST</sup> MARCH, 2016

### 1. Company Information:

Astra Solren Private Limited ('the Company') was incorporated in India on 14<sup>th</sup> October, 2015, having registered office at Mahindra Towers, Dr. G. M. Bhosale Marg, P. K. Kurne Chowk, Worli, Mumbai – 400018 Maharashtra, INDIA to carry on business as a producer and distributor of solar power by using solar cells, photo voltaic cells, wafers, photo voltaic solar modules, photo voltaic solar system/sub system, tracker or fixed tilt, concentrated solar power and to provide related services.

The holding company is Mahindra Renewables Private Limited.

### 2. Significant Accounting Policies:

#### a) Basis of Preparation of Financial Statements:

The financial statements of the Company have been prepared in accordance with the historical cost convention and on accrual basis in accordance with Generally Acceptable Accounting Principles (Indian GAAP) in India. These financial statements have been prepared to comply in all material aspects with the Accounting Standards specified under Section 133 of the Companies Act, 2013 ("the Act") read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended) and other relevant provisions of the Companies Act 2013.

All Assets and Liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of products/services and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current-non-current classification of assets and liabilities.

#### b) Use of estimates:

The preparation of financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements, which in management's opinion are prudent and reasonable. Actual results may differ from the estimates used in preparing the accompanying financial statements. Any revision to accounting estimates is recognised prospectively in current and future periods.

#### c) Taxes on Income:

Current tax is determined as the amount of tax payable in respect of taxable income for the year. Deferred tax is recognised, subject to consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised.

At each balance sheet date the Company re-assesses unrecognised deferred tax assets. It recognizes unrecognised deferred tax assets to the extent that it has become virtually certain that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes virtually certain that sufficient future taxable income will be available.

#### d) Cash and Cash Equivalents:

Cash and cash equivalents for the purpose of Cash Flow Statements include cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

#### e) Earnings Per Share:

Basic and diluted earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

#### f) Provisions and Contingent Liabilities:

Contingent liabilities are disclosed by way of note to the financial statements, after careful evaluation by the management of the facts and legal aspects of the matter involved.

## INDEPENDENT AUDITORS' REPORT

### To the Members of Brightsolar Renewable Energy Private Limited

#### Report on the Financial Statements

1. We have audited the accompanying financial statements of **Brightsolar Renewable Energy Private Limited** ("the Company"), which comprise the balance sheet as at March 31, 2016, and the related statements of profit and loss and cash flow for the year ended March 31, 2016 and a summary of significant accounting policies and other explanatory information thereon.

#### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment

of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2016, and its profit and its cash flows for the year ended March 31, 2016.

#### Report on Other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in terms of Sub-Section (11) of Section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure I a statement on the matters specified in paragraphs 3 and 4 of the Order.
10. As required by Section 143(3) of the Act, we report that:
  - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c. the Balance Sheet, the Statement of Profit and Loss and Cash Flow dealt with by this Report are in agreement with the books of account;
  - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);
  - e. on the basis of written representations received from the directors as on March 31, 2016 taken on record by the Board of Directors, none of the directors

is disqualified as on March 31, 2016, from being appointed as a director in terms of Section 164(2) of the Act.

- f. With respect to the adequacy of internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure II.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014(as amended), in our opinion and to the best of our information and according to the explanations given to us:
  - i. According to the information and explanations given to us and to the best of our knowledge and belief, the Company does not have any pending litigations as at March 31, 2016 which would have impact on financial position;

- ii. The Company has a long term contract as at March 31, 2016. ## **ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF BRIGHTSOLAR RENEWABLE ENERGY PRIVATE LIMITED**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Brightsolar Renewable Energy Private Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended March 31, 2016

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## Notes on Accounts for the year ended 31<sup>st</sup> March, 2016

### 1. Company Information

**Brightsolar Renewable Energy Private Limited** (‘the Company’) was incorporated in India on 3rd December, 2013, having registered office at Mahindra Towers, Dr. G. M. Bhosale Marg, P. K. Kurne Chowk, Worli, Mumbai – 400018 Maharashtra, INDIA to carry on business as a producer and distributor of solar power by using solar cells, photo voltaic cells, wafers, photo voltaic solar modules, photo voltaic solar system/sub system, tracker or fixed tilt, concentrated solar power and to provide related services.

The holding company is Mahindra Renewables Private Limited.

### 2. Significant Accounting Policies

#### (a) Basis of Preparation of Financial Statements

The financial statements of the Company have been prepared in accordance with the historical cost convention and on accrual basis in accordance with Generally Acceptable Accounting Principles (Indian GAAP) in India. These financial statements have been prepared to comply in all material aspects with the Accounting Standards specified under Section 133 of the Companies Act, 2013 (“the Act”) read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended) and other relevant provisions of the Companies Act 2013.

All Assets and Liabilities have been classified as current or non-current as per the Company’s operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of products/services and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current-non-current classification of assets and liabilities.

#### (b) Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon management’s evaluation of the relevant facts and circumstances as of the date of financial statements, which in management’s opinion are prudent and reasonable. Actual results may differ from the estimates used in preparing the accompanying financial statements. Any revision to accounting estimates is recognised prospectively in current and future periods.

#### (c) Tangible fixed assets

Fixed assets, are stated at their historical cost of acquisition or construction, less accumulated depreciation. Cost includes all costs incurred to bring the assets to their present location and condition. The expenditure incurred on start-up and commissioning of project, test runs and experimental production is treated as an indirect element of the construction cost.

#### (d) Depreciation

Depreciation on Plant & Machinery is provided on straight line method considering the rates as provided in the Central Electricity Regulatory Commission (Terms and Conditions for Tariff determination from Renewable Energy Sources) Regulations, 2012.

#### (e) Impairment

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/ external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset’s net selling price and value in use. In assessing value in use, the Company makes a reasonable estimate of the value in use.

#### (f) Foreign Exchange Transactions

Transactions in foreign currencies are initially recorded at the exchange rates prevailing on the date of transaction. Monetary items are translated at the year-end rates. The exchange difference between the rate prevailing on the date of transaction and on the

date of settlement as also on translation of monetary items at the end of the year is recognized as income or expense, as the case may be.

The Company uses foreign currency forward contracts to hedge its risk associated with the foreign currency fluctuations relating to firm commitments. In respect of forward exchange contracts covered under AS 11, “The effect of changes in foreign exchange rates”, any premium or discount rising at the inception of a forward exchange contract is recognized as income or expense over the life of the contract. Any profit or loss arising on cancellation or renewal of such forward exchange contract is recognised as income or expense for the year.

Pursuant to the announcement made by the Institute of Chartered Accountants of India (ICAI) regarding “Accounting for Derivatives”, provision for losses in respect of forward exchange contracts classified as derivatives is made on mark to market valuation of such contracts. Gains on mark to market valuation, if any, on such derivatives are not recognised in financial statements.

#### g) Taxes on Income:

Current tax is determined as the amount of tax payable in respect of taxable income for the year. Deferred tax is recognised, subject to consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realized.

At each balance sheet date the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become virtually certain that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes virtually certain that sufficient future taxable income will be available.

#### h) Investments

Investments are classified under Non-current and Current categories. ‘Non-current Investments’ are carried at acquisition/amortized cost. A provision is made for diminution, other than temporary, on an individual basis.

‘Current Investments’ are carried at the lower of cost or fair value on an individual basis.

#### i) Cash and Cash Equivalents

Cash and cash equivalents for the purpose of Cash Flow Statements include cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

#### j) Earnings Per Share

Basic and diluted earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

#### k) Revenue Recognition:

##### Service Income

Services are recognized when the services are rendered.

##### Interest income

Interest income is recognized on time proportion basis.

##### Dividend Income

Dividend income is recognized when the right to receive dividend is established.

**l) Provisions and Contingent Liabilities:**

Contingent liabilities are disclosed by way of note to the financial statements, after careful evaluation by the management of the facts and legal aspects of the matter involved.

## INDEPENDENT AUDITORS' REPORT

### TO THE MEMBERS OF CLEANSOLAR RENEWABLE ENERGY PRIVATE LIMITED

#### Report on the Financial Statements

1. We have audited the accompanying financial statements of Clean Solar Renewable Energy Private Limited ("the Company"), which comprise the balance sheet as at March 31, 2016, and the related statements of profit and loss and cash flow for the year ended March 31, 2016 and a summary of significant accounting policies and other explanatory information thereon.

#### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation

of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2016, and its loss and cash flows for the year ended March 31, 2016.

#### Report on Other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure I a statement on the matters specified in paragraphs 3 and 4 of the Order.
10. As required by Section 143(3) of the Act, we report that:
  - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c. the Balance Sheet, the Statement of Profit and Loss and Cash Flow dealt with by this Report are in agreement with the books of account;
  - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);
  - e. On the basis of written representations received from the directors as on March 31, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016, from being appointed as a director in terms of Section 164(2) of the Act.
  - f. With respect to the adequacy of internal financial controls over financial reporting of the Company and

the operating effectiveness of such controls, refer to our separate report in Annexure II.

- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014(as amended), in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations as at March 31, 2016 which would have an impact on its financial position.

## **ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF CLEANSOLAR RENEWABLE ENERGY PRIVATE LIMITED**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Cleansolar Renewable Energy Private Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended March 31, 2016.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system

over financial reporting.

#### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## Notes on Accounts for the year ended 31st March, 2016

### 1. Company Information

**Cleansolar Renewable Energy Private Limited** ('the Company') was incorporated in India on 3rd December, 2013, having registered office at Mahindra Towers, Dr. G. M. Bhosale Marg, P. K. Kurne Chowk, Worli, Mumbai – 400018 Maharashtra, INDIA to carry on business as a producer and distributor of solar power by using solar cells, photo voltaic cells, wafers, photo voltaic solar modules, photo voltaic solar system/sub system, tracker or fixed tilt, concentrated solar power and to provide related services.

The holding company is Mahindra Renewables Private Limited.

### 2. Significant Accounting Policies

#### a) Basis of Preparation of Financial Statements

The financial statements of the Company have been prepared in accordance with the historical cost convention and on accrual basis in accordance with Generally Acceptable Accounting Principles (Indian GAAP) in India. These financial statements have been prepared to comply in all material aspects with the Accounting Standards specified under Section 133 of the Companies Act, 2013 ("the Act") read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended) and other relevant provisions of the Companies Act 2013.

All Assets and Liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of products/services and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current-non-current classification of assets and liabilities.

#### b) Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements, which in management's opinion are prudent and reasonable. Actual results may differ from the estimates used in preparing the accompanying financial statements. Any revision to accounting estimates is recognised prospectively in current and future periods.

#### c) Tangible fixed assets

Fixed assets, are stated at their historical cost of acquisition or construction, less accumulated depreciation. Cost includes all costs incurred to bring the assets to their present location and condition. The expenditure incurred on start-up and commissioning of project, test runs and experimental production is treated as an indirect element of the construction cost.

#### d) Impairment

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the Company makes a reasonable estimate of the value in use.

#### e) Foreign Exchange Transactions

Transactions in foreign currencies are initially recorded at the exchange rates prevailing on the date of transaction. Monetary items are translated at the year-end rates. The exchange difference between the rate prevailing on the date of transaction and on the date of settlement as also on translation of monetary items at the end of the year is recognized as income or expense, as the case may be.

The Company uses foreign currency forward contracts to hedge its risk associated with the foreign currency fluctuations relating to firm

commitments. In respect of forward exchange contracts covered under AS 11, "The effect of changes in foreign exchange rates", any premium or discount rising at the inception of a forward exchange contract is recognized as income or expense over the life of the contract. Any profit or loss arising on cancellation or renewal of such forward exchange contract is recognised as income or expense for the year.

Pursuant to the announcement made by the Institute of Chartered Accountants of India (ICAI) regarding "Accounting for Derivatives", provision for losses in respect of forward exchange contracts classified as derivatives is made on mark to market valuation of such contracts. Gains on mark to market valuation, if any, on such derivatives are not recognised in financial statements.

#### f) Taxes on Income:

Current tax is determined as the amount of tax payable in respect of taxable income for the year. Deferred tax is recognised, subject to consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realized.

At each balance sheet date the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become virtually certain that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes virtually certain that sufficient future taxable income will be available.

#### g) Investments

Investments are classified under Non-current and Current categories.

'Non-current Investments' are carried at acquisition/amortized cost. A provision is made for diminution, other than temporary, on an individual basis.

'Current Investments' are carried at the lower of cost or fair value on an individual basis.

#### h) Cash and Cash Equivalents

Cash and cash equivalents for the purpose of Cash Flow Statements include cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

#### i) Earnings Per Share

Basic and diluted earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

#### j) Revenue Recognition:

##### Interest income

Interest income is recognized on time proportion basis.

##### Dividend income

Dividend income is recognized when the right to receive dividend is established.

#### k) Provisions and Contingent Liabilities

Contingent liabilities are disclosed by way of note to the financial statements, after careful evaluation by the management of the facts and legal aspects of the matter involved.

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF DIVINE SOLREN PRIVATE LIMITED

#### Report on the Financial Statements

1. We have audited the accompanying financial statements of **DIVINE SOLERN PRIVATE LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2016, and the Statements of Profit and Loss and Cash Flow for the period from incorporation on May 8, 2015 to March 31, 2016 and a summary of significant accounting policies and other explanatory information thereon.

#### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial

statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2016, and its loss and cash flows for the period from incorporation on May 8, 2015 to March 31, 2016.

## **ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF DIVINE SOLREN PRIVATE LIMITED**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Divine Solren Private Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for period from incorporation on May 8, 2015 to March 31, 2016

### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD FROM 8<sup>TH</sup> MAY, 2015 TO 31<sup>ST</sup> MARCH, 2016**

**Note 1. Company Information**

**Divine SolrenPrivate Limited** ('the Company') was incorporated in India on 8<sup>th</sup> May, 2015, having registered office at Mahindra Towers, Dr. G. M. Bhosale Marg, P. K. Kurne Chowk, Worli, Mumbai – 400018 Maharashtra, INDIA to carry on business as a producer and distributor of solar power by using solar cells, photo voltaic cells, wafers, photo voltaic solar modules, photo voltaic solar system/sub system, tracker or fixed tilt, concentrated solar power and to provide related services. The holding company is Mahindra Renewables Private Limited.

**Note 2. Significant Accounting Policies**

**a) Basis of Preparation of Financial Statements**

The financial statements of the Company have been prepared in accordance with the historical cost convention and on accrual basis in accordance with Generally Acceptable Accounting Principles (Indian GAAP) in India. These financial statements have been prepared to comply in all material aspects with the Accounting Standards specified under Section 133 of the Companies Act, 2013 ("the Act") read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended) and other relevant provisions of the Companies Act 2013.

All Assets and Liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of products/services and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current-non-current classification of assets and liabilities.

**b) Use of estimates**

The preparation of financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements, which in management's opinion are prudent and reasonable. Actual results may differ from the estimates used in preparing the accompanying financial statements. Any revision to accounting estimates is recognised prospectively in current and future periods.

**c) Tangible fixed assets**

Fixed assets, are stated at their historical cost of acquisition or construction, less accumulated depreciation. Cost includes all costs incurred to bring the assets to their present location and condition. The expenditure incurred on start-up and commissioning of project, test runs and experimental production is treated as an indirect element of the construction cost.

**d) Impairment**

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the Company makes a reasonable estimate of the value in use.

**e) Taxes on Income:**

Current tax is determined as the amount of tax payable in respect of taxable income for the year. Deferred tax is recognised, subject to consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured based on the tax rates and the tax

laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realized.

At each balance sheet date the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become virtually certain that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes virtually certain that sufficient future taxable income will be available.

**f) Investments**

Investments are classified under Non-current and Current categories.

'Non-current Investments' are carried at acquisition/amortized cost. A provision is made for diminution, other than temporary, on an individual basis.

'Current Investments' are carried at the lower of cost or fair value on an individual basis.

**g) Cash and Cash Equivalents**

Cash and cash equivalents for the purpose of Cash Flow Statements include cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

**h) Earnings Per Share**

Basic and diluted earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

**i) Revenue Recognition:**

**Interest income**

Interest income is recognized on time proportion basis.

**Dividend Income**

Dividend income is recognized when the right to receive dividend is established.

**j) Provisions and Contingent Liabilities:**

Contingent liabilities are disclosed by way of note to the financial statements, after careful evaluation by the management of the facts and legal aspects of the matter involved.

To  
The Members,  
Mahindra Engineering and Chemical Products Limited  
Gateway Building  
Apollo Bunder  
Mumbai-400 001

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Mahindra Engineering and Chemical Products Limited** (hereinafter called the company) incorporated on June 7, 1954 having CIN U74999MH1954PLC019908 and Registered Office at Gateway Building, Apollo Bunder, Mumbai-400001. Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by **Mahindra Engineering and Chemical Products Limited** and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2016 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by **Mahindra Engineering and Chemical Products Limited** ("the Company") for the financial year ended on March 31, 2016 according to the provisions of:

- (i) The Companies Act, 2013 ("the Act") and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder (during the year under review not applicable to the Company);
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder (during the year under review not applicable to the Company, as the shares of the Company are not in dematerialized form);
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings (during the year under review not applicable to the Company);

(v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):

- (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 (during the year under review not applicable to the Company);
- (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 (during the year under review not applicable to the Company);
- (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 (during the year under review not applicable to the Company);
- (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 (during the year under review not applicable to the Company);
- (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 (during the year under review not applicable to the Company);
- (f) The Securities and Exchange Board of India (Registrars to Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; (during the year under review not applicable to the Company)
- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 (during the year under review not applicable to the Company); and
- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 (during the year under review not applicable to the Company);

We have relied on the representation made by the Company and its officers for the systems and the mechanism formed by the Company for the compliances under the applicable Acts/laws and regulations to the Company. The list of major head/groups of Acts/laws and regulations applicable to the Company is enclosed and marked as **Annexure I**.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India: Applicable with effect from July 1, 2015
- (ii) The Listing Agreement entered into by the Company with BSE Limited and National Stock Exchange of India Ltd. (upto 30<sup>th</sup> November, 2015) and the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (w.e.f 1<sup>st</sup> December, 2015): Not applicable as the securities of the Company are not listed on any stock exchange.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Non-Executive Directors and Independent Directors, except as mentioned above. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent in advance as per the requirement of the regulations, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

## INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF  
MAHINDRA ENGINEERING AND CHEMICAL PRODUCTS LIMITED

### Report on the Financial Statements

We have audited the accompanying financial statements of **MAHINDRA ENGINEERING AND CHEMICAL PRODUCTS LIMITED** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act, as applicable.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under Section 143(11) of the Act.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the

information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and its loss and its cash flows for the year ended on that date.

### Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards prescribed under Section 133 of the Act, as applicable.
  - e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2016 from being appointed as a director in terms of Section 164(2) of the Act.
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements. Refer Note 20 to the financial statements.
    - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
    - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("CARO 2016") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

**ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT**

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date to the members of Mahindra Engineering And Chemical Products Limited on the financial statements for the year ended 31<sup>st</sup> March, 2016)

**Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Mahindra Engineering And Chemical Products Limited (“the Company”) as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditor’s Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## Notes forming part of the Financial Statements

### 1. Corporate information:

Mahindra Engineering and Chemical Products Limited is a public limited company incorporated on 7th June, 1954 under the Companies Act, 1956. The Company's main activity is carrying on the business of offering services and trading/distributing, etc. of boats and yachts of all kinds and engines.

### 2. Significant Accounting Policies followed by the Company:

#### 2.1 Basis of accounting and preparation of financial statements:

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 (The Act). The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

All assets and liabilities are classified as current if it is expected to realise or settle within 12 months after the Balance Sheet date.

#### 2.2 Use of estimates:

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates, are recognized in the periods in which the results are known/materialize.

#### 2.3 Cash and cash equivalents (for purposes of Cash Flow Statement):

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

#### 2.4 Cash flow statement:

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

#### 2.5 Fixed Assets:

(a) Fixed Assets are stated at cost less accumulated depreciation. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses. Borrowing costs that are attributable to the acquisition, construction or production of a qualifying asset are included in the cost of asset upto the date the asset is ready for its intended use.

(b) Depreciation on fixed assets is calculated on Straight Line Method as per the useful life prescribed in Schedule II to the Companies Act, 2013. (Refer Note no. 27)

#### 2.6 Revenue Recognition:

Sale of products are recognized, when the significant risks and rewards of ownership are transferred to the Buyer.

Sale of services are recognised when services are rendered.

#### 2.7 Other Income:

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive the dividend is established.

#### 2.8 Foreign Currency Transactions and Translations:

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. All foreign currency monetary items

outstanding at the year end (excluding long term liability) are translated at the relevant rates of exchange prevailing at the year end and the resulting exchange differences arising on transactions/translations are recognised as income or expense in the Statement of Profit and Loss.

#### 2.9 Investments:

Long term Investments are valued at cost less provision, if any, for decline other than temporary, in value of such investments. Current investments are valued at the lower of cost and fair value determined by category of investment.

#### 2.10 Earnings Per Share:

Basic earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year.

#### 2.11 Taxes on Income:

Tax expense comprises current and deferred tax. Current Tax is determined as either (i) the amount of tax payable in respect of taxable income after considering usual allowances and disallowances under the Income-tax Act, 1961 or (ii) Minimum Alternate Tax for the year. Credit in respect of Minimum Alternate Tax paid is recognised only if there is convincing evidence of realisation of the same.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses, deferred tax assets are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

#### 2.12 Impairment of assets:

The carrying values of assets/cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss.

#### 2.13 Provisions and contingencies:

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes.

## ANNEXURE III TO THE DIRECTORS' REPORT

### POLICY ON APPOINTMENT OF DIRECTORS AND SENIOR MANAGEMENT AND SUCCESSION PLANNING FOR ORDERLY SUCCESSION TO THE BOARD AND THE SENIOR MANAGEMENT

#### DEFINITIONS

The definitions of some of the key terms used in this Policy are given below.

“**Board**” means Board of Directors of the Company.

“**Company**” means Mahindra Retail Private Limited

“**Committee(s)**” means Committees of the Board for the time being in force.

“**Employee**” means employee of the Company whether employed in India or outside India including employees in the Senior Management Team of the Company.

“**HR**” means the Human Resource department of the Company.

“**Key Managerial Personnel**” (KMP) refers to key managerial personnel as defined under the Companies Act, 2013 and includes:

- (i) Managing Director (MD), or Chief Executive Officer (CEO); or Manager; or Whole time Director (WTD)
- (ii) Chief Financial Officer (CFO); and
- (iii) Company Secretary (CS).

“**Nomination and Remuneration Committee**” (NRC) means Nomination and Remuneration Committee of Board of Directors of the Company for the time being in force.

“**Senior Management**” means personnel of the Company who are members of its Core Management Team excluding Board of Directors comprising of all members of management one level below the executive directors including the functional heads.

#### I. APPOINTMENT OF DIRECTORS

- The NRC reviews and assesses Board composition and recommends the appointment of new Directors. In evaluating the suitability of individual Board member, the NRC shall take into account the following criteria regarding qualifications, positive attributes and independence of director:
  1. All Board appointments will be based on merit, in the context of the skills, experience, independence and knowledge, for the Board as a whole to be effective.
  2. Ability of the candidates to devote sufficient time and attention to his professional obligations as Independent Director for informed and balanced decision making.
  3. Adherence to the Code of Conduct and highest level of Corporate Governance in letter and in spirit by the Independent Directors.

- Based on recommendation of the NRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board through the Chairman & Managing Director will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new Director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act 2013 and Rules made thereunder.

#### REMOVAL OF DIRECTORS

If a Director is attracted with any disqualification as mentioned in any of the applicable Act, rules and regulations thereunder or due to non-adherence to the applicable policies of the company, the NRC may recommend to the Board with reasons recorded in writing, removal of a Director subject to the compliance of the applicable statutory provisions.

#### SENIOR MANAGEMENT PERSONNEL

The NRC shall identify persons who are qualified to become directors and who may be appointed in senior management team in accordance with the criteria laid down above.

Senior Management personnel are appointed or promoted and removed/relieved with the authority of Chairman & Managing Director based on the business need and the suitability of the candidate. The details of the appointment made and the personnel removed one level below the Key Managerial Personnel during a quarter shall be presented to the Board.

#### II. SUCCESSION PLANNING:

##### Purpose

The Talent Management Policy sets out the approach to the development and management of talent in the Mahindra Group to ensure the implementation of the strategic business plans of the Group and the Group Aspiration of being among the Top 50 globally most-admired brands by 2021.

##### Board:

The successors for the Independent Directors shall be identified by the NRC atleast one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor will be appointed at the earliest but not later than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

The successors for the Executive Director(s) shall be identified by the NRC from among the Senior Management or through external source as the Board may deem fit.

The NRC will accord due consideration for the expertise and other criteria required for the successor.

The Board may also decide not to fill the vacancy caused at its discretion.

**Senior Management Personnel:**

A good succession-planning program aims to identify high growth individuals, train them and feed the pipelines with new talent. It will ensure replacements for key job incumbents in KMPs and senior management positions in the organization.

Significantly, we have a process of identifying Hi-pots and critical positions. Successors are mapped for these positions at the following levels:

1. Emergency successor
2. Ready now
3. Ready in 1 to 2 years
4. Ready in 2 to 5 years
5. Ready in more than 5 years

in order to ensure talent readiness as per a laddered approach.

**Policy Statement**

The Talent Management framework of the Mahindra Group has been created to address three basic issues:

- 1) Given the strategic business plans, do we have the skills and competencies required to implement them? If not, how do we create them – by developing them internally or through lateral induction from outside?
- 2) For critical positions, what is the succession pipeline?
- 3) What are the individual development plans for individuals both in the succession pipeline as well as others?

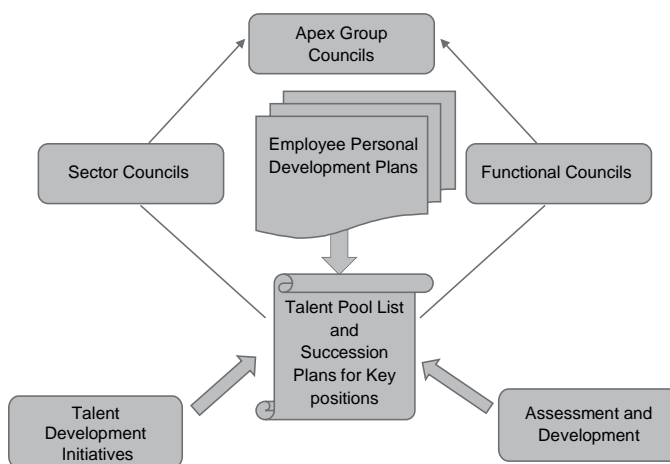

The framework lays down an architecture and processes to address these questions using the **3E** approach:

- a) **Experience** i.e. both long and short-term assignments. This has 70% weightage
- b) **Exposure** i.e. coaching and mentoring – 20% weightage
- c) **Education** i.e. learning and development initiatives – 10% weightage

The Talent Management process is applicable to all employees. Over the years, the Talent Management framework has become a well-structured and process-oriented system which is driven by an interactive and collaborative network of Talent Councils at the Group and Sector Levels. These Talent Councils, which consist mainly of Senior business leaders supported by HR, are a mix of Sector (Business) and Functional Councils coordinated by an Apex Talent Council, headed by the Group Chairman. The Apex Council reviews the work done by the Talent Councils and facilitates movement of talent across Sectors. The Sector / Functional Councils meet regularly throughout the year and the Apex Council interacts with each one of them separately once a year, and in addition conducts

an integrated meeting where the Chairpersons of all the Councils are present.

The Talent Management process can be represented pictorially as under:

The talent pipeline is maintained and developed so as to ensure that there is a seamless flow of talent. An important part of this exercise is drawing up and implementing IDAPs (Individual Development Action Plans) for every Executive concerned using the 3E approach mentioned above.

**POLICY FOR REMUNERATION OF THE DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES**

**Purpose**

This Policy sets out the approach to Compensation of Directors, Key Managerial Personnel and other employees in Mahindra Retail Private Limited.

**Policy Statement**

We have a well-defined Compensation policy which is in line with our parent company Mahindra & Mahindra Ltd. for Managing Director, Manager, Key Managerial Personnel and all employees, of the Company. The overall compensation philosophy which guides us is that in order to achieve global leadership and dominance in domestic markets, we need to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in the business.

In order to effectively implement this, we have built our Compensation structure by a regular annual benchmarking over the years with relevant players across the industry we operate in.

**NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS:**

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both Fixed and variable, to the Non-Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as

director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and such other factors as the NRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

#### **Executive Directors:**

The remuneration to Chairman & Managing Director and Executive Director(s) shall be recommended by NRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of their appointment, the variable compensation will be determined annually by the NRC based on their performance.

#### **Key Managerial Personnel (KMPs)**

The terms of remuneration of Chief Financial Officer (CFO) and Company Secretary (CS) & other Key Management personnel, if any, shall be determined by the NRC from time to time. The remuneration shall be consistent with the competitive position of the salary for similar positions in the industry and their Qualifications, Experience, Roles and Responsibilities. Pursuant to the provisions of section 203 of the Companies Act, 2013 the Board shall approve the remuneration at the time of their appointment.

The remuneration to directors, KMPs and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

#### **Employees**

We follow a differential approach in choosing the comparator basket for benchmarking, depending upon the level in the organization:

- a. For all employees from Operational to Executive Band, we benchmark with a set of comparators from the same industry.
- b. For Strategic band and above, we have a position-based approach and the comparator basket includes benchmarks from across relevant industries.

We have a CTC (Cost to Company) concept which includes a fixed component (Guaranteed Pay) and a variable component (Performance pay). The percentage of the variable component increases with increasing hierarchy levels, as we believe employees at higher positions have a far greater impact and influence on the overall business result. The CTC is reviewed once every year and the compensation strategy for positioning of individuals takes into consideration the following elements:

- Performance
- Potential
- Criticality
- Longevity in grade

Remuneration for the new employees other than KMPs and Senior Management Personnel will be decided by the HR, in consultation with the concerned business unit head at the time of hiring, depending upon the relevant job experience, last compensation and the skill-set of the selected candidate.

The Company may also grant Stock Options to the Employees and Directors (other than Independent Directors and Promoter) in accordance with the ESOP Scheme of the Company and subject to the compliance of the applicable statutes and regulations.

## INDEPENDENT AUDITOR'S REPORT

To the Members of **MAHINDRA RETAIL PRIVATE LIMITED**

### Report on the Standalone Financial Statements

1. We have audited the accompanying standalone financial statements of **Mahindra Retail Private Limited** ("the Company"), which comprise the balance sheet as at March 31, 2016, and the statements of profit and loss and cash flow for the period from April 1, 2015 to March 31, 2016, and a summary of the significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

3. Our responsibility is to express an opinion on these standalone financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making

those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2016, and its loss and its cash flows for the period from April 1, 2015 to March 31, 2016.

### Emphasis of Matter

9. We draw attention to Note no. 39 of the accompanying financial statements regarding the financial statements having been prepared on the assumption that the Company will continue as a going concern based on Management's turnaround strategy and continued financial support from the holding company.

Our opinion is not qualified in respect of this matter.

### Report on Other Legal and Regulatory Requirements

10. As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in terms of Sub-Section (11) of Section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure I a statement on the matters specified in paragraphs 3 and 4 of the Order.
11. As required by Section 143(3) of the Act, we report that:
  - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c. the Balance Sheet, the Statement of Profit and Loss and Cash Flow dealt with by this Report are in agreement with the books of account;
  - d. in our opinion, the aforesaid standalone financial statements comply with the Accounting standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);

- e. on the basis of written representations received from the directors as on March 31, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016, from being appointed as a director in terms of Section 164(2) of the Act.
- f. with respect to the adequacy of internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure II.

**ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF MAHINDRA RETAIL PRIVATE LIMITED**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Mahindra Retail Private Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the period from April 1, 2015 to March 31, 2016.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the Institute of Chartered Accountants of India ("ICAI") and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

## NOTES TO ACCOUNTS FOR THE FINANCIAL YEAR ENDED 31<sup>ST</sup> MARCH 2016

### SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Corporate Information:

Mahindra Retail, incorporated in 2007, marks the entry of the Mahindra group into the organized retail segment. Mahindra Retail operates in the niche M&C retail segment with its Mom & Me branded stores. In the year 2015, Mahindra Retail acquired the Babyoye ecommerce operation including the brand. During the year ended 31 March 2016 rebranded its existing 'Mom & Me' stores as 'Babyoye'. The Categories of product includes Toys and games, Baby wellness, Kids Accessories, Food, Kids Footwear, Kids Apparel, Maternity Wear, Nursery, and Mother Wellness & Gifts.

#### 1. (a) Basis for Preparation of Financial Statements

The financial statements of the company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards notified under Section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year, except for the change in accounting policy explained below.

Assets and Liabilities are classified as Current or Non Current as per the provisions of Schedule III to the Companies Act, 2013 and Company's Normal Operating Cycle. Based on the nature of business, the Company has ascertained its operating cycle as 12 months for the classification of assets and liabilities.

#### b) Use of estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles requires the management to make estimates and assumptions that affect the reported balances of assets and liabilities as of the date of financial statements and reported amounts of income and expenses during the period. Management believes that the estimates used in the preparation of financial statements are prudent and reasonable. Actual results could differ from those estimates. Difference between the actual results and estimates are recognized in the year in which the results are known/materialized.

#### c) Fixed Assets and Depreciation

##### Tangible Assets

Fixed assets are stated at their original cost of acquisition less accumulated depreciation and impairment losses. Cost includes all incidental expenses related to acquisition and installation and other pre-operative expenses.

Depreciation is provided, pro rata for the period of use, by the straight line method (SLM), based on management's estimate of useful lives of the fixed assets at the following annual rates which are higher than the SLM rates prescribed in Schedule II to the Companies Act 2013.

	(%)
Furniture & Fixtures	20.00
Office Equipments	20.00
Computers & Peripherals	33.34
Motor Vehicles	25.00

Leasehold improvements are depreciated over the total period of the lease, (including the renewal periods), or 5 years, whichever is lower.

#### Intangible Assets

Intangible assets other than software are stated at their cost of acquisition, less accumulated amortisation and impairment losses thereon. An intangible asset is recognized, where it is probable that the future economic benefits attributable to the asset will flow to the enterprise and where its cost can be reliably measured.

The depreciable amount of intangible assets other than software is allocated over the best estimate of its useful life on a straight-line basis.

The company capitalizes software and related implementation costs where it is reasonably estimated that the software has an enduring useful life. Software is depreciated over management estimate of its useful life of 3 years.

#### d) Impairment of assets

The carrying amount of cash generating units/assets is reviewed at the balance sheet date to determine whether there is any indication of impairment. If such indication exists, the recoverable amount is estimated as the net selling price or value in use, whichever is higher. Impairment loss, if any, is recognised whenever carrying amount exceeds the recoverable amount.

The Management of the Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the management estimates the recoverable amount of the asset. If such recoverable amount of the asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and recognised in the Statement of Profit and Loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

#### e) Inventories

Inventories are valued at the lower of cost and net realisable value. Cost of inventories comprises of all costs of purchase and other costs incurred in bringing the inventories to their present condition and location. Cost is determined by the weighted average cost method.

Packing Material and Consumables are valued at cost.

#### f) Revenue recognition

##### Sales

Sales and revenues are recognised on delivery of the merchandise to the customer, when significant risks and rewards have been transferred for consideration and it is not unreasonable to expect ultimate collection. Sales are stated net of Discounts. Sales Tax and Value Added Tax are reduced from Turnover.

In respect of gift vouchers and point award schemes operated by the Company, sales are recognised when the gift vouchers or points are redeemed and the merchandise is sold to the customer.

**Services**

Revenues from services rendered are recognised as and when the services are rendered.

**Interest**

Interest income is accounted on an accrual basis taking into account the amount outstanding and the rate applicable except where there is uncertainty of ultimate collection.

**g) Investment**

All long-term investments are valued at cost. Provision for diminution, if any in the value of each long term investments is made to recognize a decline, other than of a temporary nature.

Current investments are carried individually at lower of cost and fair value and the resultant decline, if any, is charged to revenue.

**h) Employee Retirement Benefits**

**(i) Defined contribution Plans**

Company's contributions paid/payable during the year to Provident Fund, Superannuation Fund are recognised in the Profit and Loss Account.

**(ii) Defined Benefit Plan**

Company's liabilities towards gratuity and leave encashment are determined on actuarial basis using the projected unit credit method, which consider each period of service as giving rise to an additional unit of benefit and measure each unit separately to build up the final obligation. Past services are recognised on straight-line basis over the average period until the amended benefits become vested. Actuarial gain and losses are recognised immediately in the Statement of Profit and Loss Account as income or expense. Obligation is measured at the present value of estimated future cash flow using a discount rate that is determined by reference to market yields at the Balance Sheet date on government bonds where the currency and terms of the government bonds are consistent with the currency and estimated terms of the defined benefit obligation.

**i) Foreign currency transactions**

Foreign currency transactions are recorded at the exchange rates prevailing on the date of the transaction. Monetary foreign currency assets and liabilities are translated into Indian Rupees at the exchange rate prevailing at the balance sheet date. All exchange differences are dealt with in the profit and loss account.

Exchange differences on forward exchange contracts, entered into for hedging foreign exchange fluctuation risk in respect of an underlying asset/liability, are recognised in the Statement of Profit and Loss in the reporting period in which the exchange rate changes. Premium/Discount on forward exchange contracts are recognised as an expense/income over the life of the contract.

**j) Income Tax**

Tax expense comprises both current and deferred tax.

Current tax is measured at the amount expected to be paid to the tax authorities, using the applicable tax rates and tax laws.

Deferred tax assets and liabilities are recognised for future tax consequences attributable to the timing differences between taxable income and accounting income that are capable of reversal in one or more subsequent periods and are measured using tax rates enacted or substantively enacted as at the Balance Sheet date. Deferred Tax assets are not recognised

unless, in the management judgment, there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. The carrying amount of deferred tax is reviewed at each balance sheet date.

**k) Earnings per Share**

The company reports basic and diluted Earnings Per Share (EPS) in accordance with Accounting Standard 20 on Earnings Per Share.

Basic EPS is computed by dividing net profit or loss for the year by the weighted average number of Equity shares outstanding during the year.

**l) Borrowing costs**

Borrowing costs, if any, directly attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of qualifying assets. Other borrowing costs are expensed as incurred.

**m) Operating Lease**

Operating Lease payments are recognized as an expense in the Profit & Loss Account on a straight-line basis, which is representative of the time pattern of the user's benefit.

**n) Cash Flow statement**

The Cash Flow Statement is prepared by the indirect method set out in Accounting Standard 3 on Cash Flow Statements and presents the cash flows by operating, investing and financing activities of the company.

**o) Provisions and Contingent Liabilities**

Provisions are recognized in the accounts in respect of present probable obligations, the amount of which can be reliably estimated.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

## INDEPENDENT AUDITORS' REPORT

To  
**The Members of  
Mahindra Internet Commerce Private Limited**

### Report on the Financial Statements

1. We have audited the accompanying financial statements of **MAHINDRA INTERNET COMMERCE PRIVATE LIMITED** ("the Company"), which comprise the balance sheet as at March 31, 2016, and the statements of profit and loss and cash flow for the period from April 1, 2015 to March 31, 2016, and a summary of the significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment

of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2016, and its loss and its cash flows for the period from April 1, 2015 to March 31, 2016.

## ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF MAHINDRA INTERNET COMMERCE PRIVATE LIMITED

### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Mahindra Internet Commerce Private Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date

### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

#### 2.1 SIGNIFICANT ACCOUNTING POLICIES

##### a) Use of estimates

The preparation of financial statements in conformity with Generally Indian Accepted Accounting Principles requires the management to make estimates and assumptions that affect the reported balances of assets and liabilities as of the date of financial statements and reported amounts of income and expenses during the period. Management believes that the estimates used in the preparation of financial statements are prudent and reasonable. Actual results could differ from those estimates. Difference between the actual results and estimates are recognized in the year in which the results are known/materialized.

##### b) Fixed Assets and Depreciation

###### (i) Tangible Assets.

Fixed assets are stated at their original cost of acquisition less accumulated depreciation and impairment losses. Cost includes all incidental expenses related to acquisition and installation and other pre-operative expenses.

Depreciation is provided, pro rata for the period of use, by the straight line method (SLM), based on management's estimate of useful lives of the fixed assets at the following annual rates which are higher than the SLM rates prescribed in Schedule II to the Companies Act 2013.

Assets	(%)	Useful lives (years)
Furniture & Fixtures	09.50	10 Years
Office equipment's	19.00	5 Years
Computers & Peripherals	31.67	3 Years

###### (ii) Intangible Assets

Intangible assets are stated at their cost of acquisition, less accumulated amortisation and impairment losses thereon. An intangible asset is recognized, where it is probable that the future economic benefits attributable to the asset will flow to the enterprise and where its cost can be reliably measured.

The company capitalizes software and related implementation costs where it is reasonably estimated that the software has an enduring useful life. Software is depreciated over management estimate of its useful life of 3 years.

##### c) Impairment of assets

The carrying amount of cash generating units/assets is reviewed at the balance sheet date to determine whether there is any indication of impairment. If such indication exists, the recoverable amount is estimated as the net selling price or value in use, whichever is higher. Impairment loss, if any, is recognised whenever carrying amount exceeds the recoverable amount.

##### d) Inventories

Inventories are valued at the lower of cost and net realisable value. Cost of inventories comprises of all costs of purchase and other costs incurred in bringing the inventories to their present condition and location. Packing Material and Consumables are valued at cost. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs necessary to make the sale.

##### e) Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

###### Sales of goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually when invoice is generated in the system. The company collects sales taxes and value added taxes (VAT) on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue.

###### Income from Services

Revenues from services rendered are recognised as and when the services are rendered.

###### Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

##### f) Foreign currency transactions

Foreign currency transactions are recorded at the exchange rates prevailing on the date of the transaction. Monetary foreign currency assets and liabilities are translated into Indian Rupees at the exchange rate prevailing at the balance sheet date. All exchange differences are dealt with in the profit and loss account.

##### g) Retirement and other employee benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The company has no obligation, other than the contribution payable to the provident fund. The company recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre payment will lead to, for example, a reduction in future payment or a cash refund.

##### h) Income Tax

Tax expense comprises both current and deferred tax.

Current tax is measured at the amount expected to be paid to the tax authorities, using the applicable tax rates and tax laws.

MAHINDRA INTERNET COMMERCE PRIVATE LIMITED  
(FORMERLY KNOWN AS MAHINDRA UNITED FOOTBALL CLUB PRIVATE LIMITED)

Deferred tax assets and liabilities are recognised for future tax consequences attributable to the timing differences between taxable income and accounting income that are capable of reversal in one or more subsequent periods and are measured using tax rates enacted or substantively enacted as at the Balance Sheet date. Deferred Tax assets in respect of accumulated losses/unabsorbed depreciation are not recognised unless, in the management judgment, there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. The carrying amount of deferred tax is reviewed at each balance sheet date.

**i) Earnings per Share**

The company reports basic and diluted Earnings Per Share (EPS) in accordance with Accounting Standard 20 on Earnings Per Share.

Basic EPS is computed by dividing net profit or loss for the year by the weighted average number of Equity shares outstanding during the year.

**j) Borrowing costs**

Borrowing costs, if any, directly attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of qualifying assets. Other borrowing costs are expensed as incurred.

**k) Operating Lease**

Operating Lease payments are recognized as an expense in the Profit & Loss Account on a straight-line basis, which is representative of the time pattern of the user's benefit.

**l) Cash Flow statement**

The Cash Flow Statement is prepared by the indirect method set out in Accounting Standard 3 on Cash Flow Statements and presents the cash flows by operating, investing and financing activities of the company.

**m) Provisions and Contingent Liabilities**

Provisions are recognized in the accounts in respect of present probable obligations, the amount of which can be reliably estimated.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

**2.2 EXPLANATORY NOTES**

**(I) SEGMENT REPORTING**

The Company is primarily in the business of retailing of baby and mothercare products through its own website, which in the context of Accounting Standard 17 on 'Segment Reporting' constitutes a single reporting segment.

## INDEPENDENT AUDITORS' REPORT

To  
**The Members of  
Mahindra Internet Commerce Private Limited**

### Report on the Financial Statements

1. We have audited the accompanying financial statements of **MAHINDRA INTERNET COMMERCE PRIVATE LIMITED** ("the Company"), which comprise the balance sheet as at March 31, 2016, and the statements of profit and loss and cash flow for the period from April 1, 2015 to March 31, 2016, and a summary of the significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment

of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2016, and its loss and its cash flows for the period from April 1, 2015 to March 31, 2016.

## ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF MAHINDRA INTERNET COMMERCE PRIVATE LIMITED

### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Mahindra Internet Commerce Private Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date

### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

# NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH 2016

## 1. CORPORATE INFORMATION

Mahindra Internet Commerce Private Limited (the company) is a private limited company domiciled in India and was incorporated on 3rd November 2008 as Mahindra United Football Club Private Limited (MUFC). On 17th December, 2014, MUFC had discontinued its earlier business of operating professional football club in June 2010. The Company has changed its name and Object clause and started business operations in the area trading on E-Commerce platform from 20th December 2014. Pursuant to issue of shares to Mahindra Retail during the year, the Company has become subsidiary of Mahindra Retail Private Limited and is engaged in business of retailing baby and mother care product on E-Commerce platform (www.babyoye.com).

The company had acquired the assets of Moms Supplies Private Limited and Nest Childcare Private Limited on 20th December 2014 vide Asset Transfer Agreements of even date.

## 2. BASIS OF PREPARATION

The financial statements of the company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year, except for the change in accounting policy explained below.

### 2.1 SIGNIFICANT ACCOUNTING POLICIES

#### a) Use of estimates

The preparation of financial statements in conformity with Generally Indian Accepted Accounting Principles requires the management to make estimates and assumptions that affect the reported balances of assets and liabilities as of the date of financial statements and reported amounts of income and expenses during the period. Management believes that the estimates used in the preparation of financial statements are prudent and reasonable. Actual results could differ from those estimates. Difference between the actual results and estimates are recognized in the year in which the results are known/materialized.

#### b) Fixed Assets and Depreciation

##### (i) Tangible Assets.

Fixed assets are stated at their original cost of acquisition less accumulated depreciation and impairment losses. Cost includes all incidental expenses related to acquisition and installation and other pre-operative expenses.

Depreciation is provided, pro rata for the period of use, by the straight line method (SLM), based on management's estimate of useful lives of the fixed assets at the following annual rates which are higher than the SLM rates prescribed in Schedule II to the Companies Act 2013.

Assets	(%)	Useful lives (years)
Furniture & Fixtures	09.50	10 Years
Office equipment's	19.00	5 Years
Computers & Peripherals	31.67	3 Years

##### (ii) Intangible Assets

Intangible assets are stated at their cost of acquisition, less accumulated amortisation and impairment losses thereon. An intangible asset is recognized, where it is probable that the future economic benefits attributable to the asset will flow to the enterprise and where its cost can be reliably measured.

The company capitalizes software and related implementation costs where it is reasonably estimated that the software has an enduring useful life. Software is depreciated over management estimate of its useful life of 3 years.

#### c) Impairment of assets

The carrying amount of cash generating units/assets is reviewed at the balance sheet date to determine whether there is any indication of impairment. If such indication exists, the recoverable amount is estimated as the net selling price or value in use, whichever is higher. Impairment loss, if any, is recognised whenever carrying amount exceeds the recoverable amount.

#### d) Inventories

Inventories are valued at the lower of cost and net realisable value. Cost of inventories comprises of all costs of purchase and other costs incurred in bringing the inventories to their present condition and location. Packing Material and Consumables are valued at cost. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs necessary to make the sale.

#### e) Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

##### Sales of goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually when invoice is generated in the system. The company collects sales taxes and value added taxes (VAT) on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue.

##### Income from Services

Revenues from services rendered are recognised as and when the services are rendered.

##### Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

#### f) Foreign currency transactions

Foreign currency transactions are recorded at the exchange rates prevailing on the date of the transaction. Monetary foreign currency assets and liabilities are translated into Indian Rupees at the exchange rate prevailing at the balance sheet date. All exchange differences are dealt with in the profit and loss account.

#### g) Retirement and other employee benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The company has no obligation, other than the contribution payable to the provident fund. The company recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre payment will lead to, for example, a reduction in future payment or a cash refund.

#### h) Income Tax

Tax expense comprises both current and deferred tax.

Current tax is measured at the amount expected to be paid to the tax authorities, using the applicable tax rates and tax laws.

MAHINDRA INTERNET COMMERCE PRIVATE LIMITED  
(FORMERLY KNOWN AS MAHINDRA UNITED FOOTBALL CLUB PRIVATE LIMITED)

Deferred tax assets and liabilities are recognised for future tax consequences attributable to the timing differences between taxable income and accounting income that are capable of reversal in one or more subsequent periods and are measured using tax rates enacted or substantively enacted as at the Balance Sheet date. Deferred Tax assets in respect of accumulated losses/unabsorbed depreciation are not recognised unless, in the management judgment, there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. The carrying amount of deferred tax is reviewed at each balance sheet date.

**i) Earnings per Share**

The company reports basic and diluted Earnings Per Share (EPS) in accordance with Accounting Standard 20 on Earnings Per Share.

Basic EPS is computed by dividing net profit or loss for the year by the weighted average number of Equity shares outstanding during the year.

**j) Borrowing costs**

Borrowing costs, if any, directly attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of qualifying assets. Other borrowing costs are expensed as incurred.

**k) Operating Lease**

Operating Lease payments are recognized as an expense in the Profit & Loss Account on a straight-line basis, which is representative of the time pattern of the user's benefit.

**l) Cash Flow statement**

The Cash Flow Statement is prepared by the indirect method set out in Accounting Standard 3 on Cash Flow Statements and presents the cash flows by operating, investing and financing activities of the company.

**m) Provisions and Contingent Liabilities**

Provisions are recognized in the accounts in respect of present probable obligations, the amount of which can be reliably estimated.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

**2.2 EXPLANATORY NOTES**

**(I) SEGMENT REPORTING**

The Company is primarily in the business of retailing of baby and mothercare products through its own website, which in the context of Accounting Standard 17 on 'Segment Reporting' constitutes a single reporting segment.

### OPERATIONS:

Your company recorded gross income of ₹2,027.35 crores for the year under review as against gross income of ₹1,924.18 crores in the previous year registering a growth of 5.36%. The net profit after tax (after accounting of deferred tax income of ₹1.89 crores) is ₹37.30 crores as compared to ₹41.09 crores (after accounting of deferred tax income of ₹1.36 crores) registering a decline of 9.22%.

The slowdown in the automotive industry which is one of the major industry segment which your company serves resulted in subdued revenue growth and resultant pressure on the

margins. In line with Company's strategy of building world class 3PL business, the Company engaged a global consulting firm which is helping the Company to achieve operational and execution excellence. The significant investment made by the Company towards this initiative also impacted the profitability of the Company. The company hopes to reap the benefits of this initiative in the years to come. As a part of the continued diversification of industry verticals served, the Company has successfully established a significant ecommerce logistics business during the year and is in the process of establishing itself in pharma logistics as well. Several world class processes and practices – like transportation control towers, warehouse model accounts and clean sheet costing tools – have also been established and a strong focus on digitization of business processes has been undertaken.

The Non-Mahindra Group Supply Chain business continues to grow year after year and grew by over 40% in the current year. The company grew its supply chain business by winning new customer accounts as well as by way of penetration in major supply chain management customers in the focus industry verticals served. In all verticals marquee customers are served by the company and business relationship with each has widened and enhanced significantly in the period.

The consolidated gross income of the year is at ₹2,096.67 crores with a net profit of ₹36.44 crores.

**DIVIDEND:**

Your Directors have not recommended dividend with a view to conserve resources for the future growth of your Company.

**SUBSIDIARIES:**

**1) Lords Freight (India) Private Limited ('Lords')**

Lords has recorded gross income of ₹75.02 crores for the year under review as against gross income of ₹69.46 crores in the previous year registering a growth of 8.00%. The net loss after tax (after accounting of deferred tax income of ₹0.08 crores) stood at ₹1.37 crores as compared to ₹2.71 crores (after accounting of deferred tax expense of ₹0.18 crores) registering a decrease in loss by 49.45% over previous year.

The gross margin in Air Export business increased significantly by 22% over last year, in spite of reduction in revenue by 6.4%, due to focus on working with profitable assignments. The Air import business was another major contributor to growth, growing 76% over previous year. With the focus on working with profitable assignments, the

company hopes to improve its performance significantly in the coming years.

**2) 2X2 Logistics Private Limited ('2X2')**

During the year 2X2 has purchased 86 car carriers and also engaged market vehicles to increase the business in automotive logistics services. 2X2 has recorded gross income of ₹16.00 crores and Net loss after Tax of ₹0.07 crores for the year under review. Higher depreciation burden due to acquisition of car carriers throughout the year resulted in minor loss for the year and company hopes to turn profitable during the next financial year.

**CONSOLIDATED FINANCIAL STATEMENT:**

In accordance with Section 134(7) of the Companies Act, 2013 and Accounting Standard (AS) - 21, the audited consolidated financial statement of your Company forms part of this Annual Report.

A Report on the performance and financial position of each of the subsidiaries included in the Consolidated Financial Statement is provided in Form AOC-1 and forms part of this Annual Report.

## ANNEXURE I TO THE DIRECTORS' REPORT

### A. POLICY ON APPOINTMENT OF DIRECTORS AND SENIOR MANAGEMENT PERSONNEL

#### DEFINITIONS

The definitions of some of the key terms used in this Policy are given below.

“**Board**” means Board of Directors of the Company.

“**Company**” means Mahindra Logistics Limited.

“**Employee**” means employee of the Company including employees in the Senior Management Team of the Company.

“**Key Managerial Personnel**” (**KMP**) refers to key managerial personnel as defined under the Companies Act, 2013 and includes:

- (i) Chief Executive Officer (CEO);
- (ii) Chief Financial Officer (CFO); and
- (iii) Company Secretary (CS).

“**Nomination and Remuneration Committee**” (**NRC**) means Nomination and Remuneration Committee of Board of Directors of the Company for the time being in force.

“**Senior Management**” means personnel of the Company who are members of its Core Management Team excluding Board of Directors comprising of all members of management including the functional heads.

#### I. APPOINTMENT OF DIRECTORS

- The NRC reviews and assesses Board composition and recommends the appointment of new Directors. In evaluating the suitability of individual Board member, the NRC shall take into account the following criteria regarding qualifications, positive attributes and independence of director:
  1. All Board appointments will be based on merit, in the context of the skills, experience, independence and knowledge, for the Board as a whole to be effective.
  2. Ability of the candidates to devote sufficient time and attention to his professional obligations as Independent Director for informed and balanced decision making.
  3. Adherence to the Code of Conduct and highest level of Corporate Governance in letter and in spirit by the Independent Directors.
- Based on recommendation of the NRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board through the Chairman will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new Director will be co-opted by the Board in accordance with the applicable provisions of

the Companies Act 2013 and Rules made thereunder.

#### REMOVAL OF DIRECTORS

If a Director is attracted with any disqualification as mentioned in any of the applicable Act, rules and regulations thereunder or due to non-adherence to the applicable policies of the company, the NRC may recommend to the Board with reasons recorded in writing, removal of a Director subject to the compliance of the applicable statutory provisions.

#### SENIOR MANAGEMENT PERSONNEL

Senior Management Personnel are appointed or promoted and removed/relieved with the authority of CEO based on the business need and the suitability of the candidate. The details of the appointment made and the personnel removed one level below the Key Managerial Personnel during a quarter shall be presented to the Board.

### II. SUCCESSION PLANNING:

#### Board:

The successors for the Independent Directors shall be identified by the NRC at least one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor will be appointed at the earliest but not later than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

The NRC will accord due consideration for the expertise and other criteria required for the successor.

The Board may also decide not to fill the vacancy caused at its discretion.

#### Senior Management Personnel:

A good succession-planning program aims to identify high growth individuals, train them and feed the pipelines with new talent. It will ensure replacements for key job incumbents in KMPs and senior management positions in the organization.

We have a process of identifying Hi-pots and critical positions. Successors are mapped for these positions at the following levels:

1. Ready now
2. Ready in 1 to 2 years
3. Ready in 2 to 5 years
4. Ready in more than 5 years

in order to ensure talent readiness as per a ladder approach.

**B. Remuneration Policy for Directors, Key Managerial Personnel and other Employees.**

**Overall Intent of Compensation Policy**

At Mahindra Logistics Ltd. (MLL), we want our employees to understand and appreciate their role in providing value to the business. On its part, the organization recognizes that its success depends upon the skills, competencies and performance of its employees. We also believe that the way in which we compensate, reward and recognize as well as promote our employees is a crucial factor in achieving our business and financial objectives. Towards achievement of these objectives, we promote an entrepreneurial, team-based performance and result oriented culture.

**Objectives of the Compensation Policy-**

- To attract, motivate and retain employees by compensating them competitively, based on periodic comparison with other companies in relevant industries.
- To provide an overall package of remuneration and benefits which addresses the normal requirements of employees and their families.
- To align levels of compensation with the expected output of employees in terms of role responsibility, skills and experience.
- To link elements of compensation with performance of each individual as well as the business.

**Compensation Strategy**

- We will regularly track market trends in terms of compensation levels and practices in relevant industries through participation in structured surveys and informal consultation with a select group of comparable organizations. This information will be used to internally review our compensation policies and levels.
- Our package of remuneration and benefits will be designed to provide a degree of flexibility to individual employee officers to structure key benefits in a way that best suits individual personal and family requirements.
- Recognizing the need for long-term security, the compensation will include all statutory and other retirement benefits.

- Broad bands of compensation levels will be equitably defined for each grade to reflect levels of responsibility and provide a template when recruiting new employees.
- A pre-determined portion of remuneration will be linked directly to the annual performance of each individual and the business. This proportion will vary for each grade in keeping with the levels of responsibility.

**Compensation Structure**

The compensation structure consists of two categories of elements, summarized below. The details of each are given in subsequent parts.

- A. Total Cost to Company
- B. Reimbursements & Benefits

**Current Levels & Designations**

Level	Title
01	CEO

**Fixed Term Contract (FTC) Employees**

Based on Customer requirement, Fixed Term Contract (FTC) employees are recruited mainly for Operations. The Employment Term of these employees is for one year and it is renewed based on the Customer Agreement for further period. In case of closure of the Customer Agreement, we try to accommodate these employees in other projects based on the requirement else their services are terminated as per the clause mentioned in their appointment letter.

Compensation structure and components of compensation for FTC employees depends on the Location and Customer requirement.

Basic Salary, Provident Fund and Bonus are the mandatory components of the compensation structure, whereas House Rent Allowance, Conveyance Allowance, Child Education Allowance, Supplementary Allowance, Canteen Allowance, Skill Allowance, Attendance Bonus, Production Incentive are paid on the basis of available budgets for the respective customer.

FTC employees are covered under:

1. Employee State Insurance (ESI) or Workmen Compensation (WC) based on the location.
2. Group Medclaim (Hospitalization) insurance policy.
3. Group Personal Accident insurance policy.
4. Group Term Life policy.

For annual increments for FTC's we have 2 cycles of annual increment – 1<sup>st</sup> October and 1<sup>st</sup> April depending on the customer agreement contracts.

**Policy for Non-Executive Directors including Independent Directors:**

The Nomination and Remuneration Committee shall decide the basis for determining the compensation, both fixed and variable, to the Non-Executive Directors including Independent Directors whether as commission or otherwise. The Committee shall take into consideration various factors such as director's

participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Companies Act, 2013 and such other factors as the committee may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the shareholders resolution.

## INDEPENDENT AUDITOR'S REPORT

To the Members of **MAHINDRA LOGISTICS LIMITED**

### Report on the Standalone Financial Statements

1. We have audited the accompanying standalone financial statements of **MAHINDRA LOGISTICS LIMITED** ("the Company"), which comprise the balance sheet as at 31<sup>st</sup> March, 2016, and the statements of profit and loss and cash flow for the period from 1<sup>st</sup> April, 2015 to 31<sup>st</sup> March, 2016, and a summary of the significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

3. Our responsibility is to express an opinion on these standalone financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.
7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and its profit and its cash flows for the period from 1<sup>st</sup> April, 2015 to 31<sup>st</sup> March, 2016.

**ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE  
STANDALONE FINANCIAL STATEMENTS OF MAHINDRA LOGISTICS LIMITED**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **Mahindra Logistics Limited** ("the Company") as of 31<sup>st</sup> March, 2016 in conjunction with our audit of the standalone financial statements of the Company for the period from 1<sup>st</sup> April, 2015 to 31<sup>st</sup> March, 2016.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the Institute of Chartered Accountants of India ("ICAI") and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

#### E) Shares reserved for issue under Stock Options (For details of shares issued under Key Executive Stock Option Scheme 2012, Refer Note B (11)).

#### F) Terms/rights attached to equity shares

The Company has only one class of equity shares having a par value of Rs.10/- per share. Each holder of equity shares is entitled to one vote per share. The dividend proposed by the board of directors and approved by the shareholders in the annual general meeting is paid in Indian rupees. In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

#### G) Terms/rights attached to 0.001% Non Cumulative fully paid Compulsorily Convertible Preference Shares ("CCPS")

- Each CCPS is issued at subscription price of Rs. 122.29 having a par value of Rs. 50 each.
- Each CCPS shall convert into one equity share of Rs. 10/- each subject to the terms provided under the agreement with the holder of CCPS.
- CCPS shall be convertible into equity share (a) at any time at the option of the holders, or (b) at the option of the Company on and after completion of 5 (five) years from the date of investment by holder of CCPS i.e. 19<sup>th</sup> March, 2014.
- Each CCPS shall be entitled to a preferred dividend of 0.001% (zero point zero zero one percent) per annum, in priority to the holders of the equity shares. In any given financial year the Company may not declare any dividend or other distribution to its holders of equity shares unless it has first declared the preferential dividend of such financial year to the holders of the CCPS. If the Company declares any dividend or other distribution to its holders of equity shares, in cash or otherwise, each holder of the CCPS shall have right, in priority to the holders of the equity shares, to receive the aggregate amount of dividend or other distribution which such holder of CCPS would have received if, on the record date for each distribution made during the financial year during which the dividend or other distribution is made (including the record date for the dividend or distribution at stake), it were the holder of the maximum number of equity shares representing deemed shareholding into which its CCPS can be converted on the record date for such distribution.

**Note A & B – Summary of Significant Accounting Policies and Notes to Financial Statements for the year ended 31<sup>st</sup> March, 2016.**

**Note A – Summary of Significant Accounting Policies**

**Corporate Information**

Mahindra Logistics Limited is a public limited company incorporated on 24<sup>th</sup> August, 2007 under the Companies Act, 1956. The Company's main activities are transportation, 3PL services such as warehousing, cargo logistics, supply chain solution, people logistics and trading of goods.

**1. Basis for Preparation of Financial Statements:**

The financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India (GAAP) under the historical cost convention as a going concern and on accrual basis and in accordance with the provisions of the Companies Act, 2013 (the Act) and the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended).

Assets and Liabilities are classified as Current or Non Current as per the provisions of Schedule III to the Companies Act, 2013 and Company's Normal Operating Cycle. Based on the nature of business, the Company has ascertained its operating cycle as 12 months for the classification of assets and liabilities.

The financial statements are presented in Indian Rupees denominated in Lakhs.

**2. Use of Estimates:**

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities (Including Contingent Liabilities) as on the date of financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Any revision to accounting estimates is recognized prospectively in current and future periods.

**3. Fixed Assets:**

- i. All Fixed Assets are carried at their cost of acquisition less accumulated depreciation and impairment losses, if any. Cost of acquisition is inclusive of purchase price, levies and any directly attributable cost of bringing the assets to its working condition for the intended use.
- ii. When an asset is scrapped or otherwise disposed off, cost and related depreciation are removed from books of accounts and resultant profit/loss, if any, is reflected in the Statement of Profit and Loss.
- iii. Intangible assets are stated at cost less accumulated amortization and impairment loss, if any.

**4. Depreciation:**

Depreciation on tangible assets is charged by the Straight Line Method (SLM) in accordance with the useful lives specified in Part – C of Schedule II of the Companies Act, 2013 on a pro-rata basis except in the case of:

- i. Certain items of Plant & Machinery individually costing more than Rs. 5,000 - over their useful lives ranging from 5 years to 10 years as determined by the company and also based on the contractual arrangements wherever applicable.
- ii. Assets capitalised which are attached to the leasehold office premises shall be depreciated upto 75% of its value over the lease period assuming a realisable value of 25% after the end of original lease period. In case of an extension of a lease period, the remaining 25% will be depreciated over the extended period of lease.

**5. Intangible Assets:**

All Intangible Assets are initially measured at cost /fair value and amortised so as to reflect the pattern in which the asset's economic benefits are consumed.

**i. Software Expenditure:**

The expenditure incurred is amortised over three financial years equally commencing from the year in which the expenditure is incurred.

**ii. Congeries of Rights:**

The expenditure incurred is amortised over the estimated period of benefit, not exceeding four financial years equally commencing from the year in which the expenditure is incurred.

**iii. Goodwill:**

The expenditure incurred is amortised over the estimated period of benefit, not exceeding four financial years equally commencing from the year in which, the expenditure is incurred.

**6. Inventories:**

Inventories are valued at the lower of cost and net realisable value. Cost of inventories comprises of all costs of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined by the First in First Out (F.I.F.O.) method.

**7. Revenue Recognition:**

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Incomes from logistics services rendered are recognised on the completion of the services as per the terms of contract.

Sale of products are recognised when the products are despatched which coincides with the transfer of risk and rewards to the buyer of products. Sales are exclusive of sales tax & sales returns.

Interest income is accounted on accrual basis at the contracted rate. Dividend income is recognised when right to receive is established.

**8. Investments:**

All long-term investments are valued at cost. However provision for diminution in value is made to recognise a decline other than temporary in the value of investments. Current investments are valued at the lower of cost and fair value, determined by category of investment.

**9. Foreign exchange transactions and translations:**

**i. Initial recognition:**

Transactions in foreign currencies are recognised at the exchange rate between the reporting currency and the foreign currency prevailing on the transaction dates.

**ii. Conversion:**

- a. Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of Profit and Loss.
- b. Non-monetary items, if any are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

**iii. Exchange differences**

The Company accounts for exchange differences arising on translation/settlement of foreign currency monetary items as below:

- a. Realized gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.
- b. Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of Profit and Loss.

**10. Employee Benefits:**

**i. Defined Contribution Plan:**

Company's contributions paid/payable during the year to the Superannuation Fund, ESIC, Provident Fund and Labour Welfare Fund are recognised in the Statement of Profit and Loss.

- ii. **Defined Benefits:**  
Company's liability towards gratuity and long term compensated absences are determined by independent actuaries, using the projected unit credit method. Past services are recognised on a straight line basis over the average period until the benefits become vested. Actuarial gains and losses are recognised immediately in the Statement of Profit and Loss as income or expense. Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to the market yields at the Balance Sheet date on Government Bonds where the currency and terms of the Government Bonds are consistent with the currency and estimated terms of the defined benefit obligation.
- 11. Borrowing Cost:**  
Borrowing Cost that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use or sale. All other borrowing costs are charged to revenue in the year of incurrence.
- 12. Segment Reporting:**  
Accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the segment. Revenues and expenses, which relate to the enterprise as a whole and are not allocable to segments on a reasonable basis, have been included under "Unallocated Corporate Expenses".
- 13. Operating Leases:**  
The Company's significant operating leasing arrangements are in respect of office premises, warehouse, warehouse equipments and IT related equipments. Lease rentals are recognised as per the terms of lease.
- 14. Earnings Per Share:**  
Basic and diluted earnings per share is computed by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of Equity Shares outstanding during the year.
- 15. Income Tax:**  
Income taxes are accounted for in accordance with the Accounting Standard 22 on "Accounting for Taxes on Income". Taxes comprises of Current tax and Deferred tax.  
Current tax is determined as the amount of tax payable in respect of taxable income for the year using the applicable tax rates and tax laws.  
Deferred tax assets and liabilities are recognized for future tax consequences attributable to the timing differences between taxable income and accounting income that are capable of reversal in one or more subsequent periods and are measured using the tax rates enacted or substantively enacted as at the Balance Sheet date. Deferred tax assets are not recognised unless in the management judgment, there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized except in case of deferred tax assets arising from brought forward tax losses wherein deferred tax assets is only recognized when there is virtual certainty. Deferred tax assets are reviewed for the appropriateness of their respective carrying values at each balance sheet date.
- 16. Impairment of Assets:**  
The Management of the Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the management estimates the recoverable amount of the asset. If such recoverable amount of the asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and recognised in the Statement of Profit and Loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.
- 17. Provisions, Contingent Liabilities and Contingent Assets:**  
Provisions are recognised when there is a present obligation as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.  
Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.  
Contingent assets are neither recognised nor disclosed in the financial statements.
- 18. Employee Stock Options:**  
The Company follows Intrinsic Value Method of accounting for accruing compensation cost arising from issue of Employee Stock Options. Compensation cost is amortised over the vesting period of the option on a straight line basis.
- Note B – Notes to the Financial Statements:**
- 1. Change in accounting policy:**  
The Company has changed its policy of depreciating the non-movable assets or the assets which are attached to the lease-hold premises as stated in the Summary of Significant accounting policies under Note A4.  
Management believes that this change will result in more appropriate presentation and will give a systematic basis of depreciation charge, representative of the time pattern in which the economic benefits will be derived from the use of these assets.  
Accordingly, excess depreciation on account of change in the method of depreciation net of residual value of assets as on 1<sup>st</sup> April, 2015 amounting to Rs. 14.69 lakhs/- is debited to the Statement of Profit and Loss.
- 2. Loans:**  
Credit Facilities from Banks are secured by a *pari-passu* charge on the Company's entire present and future book debts, outstanding monies, receivables, claims, and bills in terms of the Letter of hypothecation executed by the Company.  
Cash Credit facilities are repayable on demand and carry interest based on applicable rate plus agreed spreads and/or negotiated rates. The rates of interest during the year ranged between 11.55 % to 12.25%.
- 3. Tangible Assets:**  
During the financial year 2011-2012 cost of land situated at Sembiya Manali Village, Ponneri taluka, Tiruvallore District, amounting to Rs. 189.42 Lakhs and related development costs of the land amounting to Rs. 1.48 Lakhs was transferred to Current Assets as it is held for sale.
- 4.** Based on the information available with the Company, no trade payables have been registered as 'supplier' within the meaning of 'Micro Small & Medium Enterprises Development Act, 2006 as on 31<sup>st</sup> March 2016.
- 5.** Trade Receivables, Loans and Advances and Trade Payables are subject to confirmation and Reconciliations. Provision is however made for doubtful debt based on decided policy.
- 6. Corporate Social Responsibility:**  
During the year, the Company has incurred an aggregate expenditure of Rs. 102.74 lakhs equivalent to 2% of average net profits of three immediately preceding financial years on various Corporate Social Responsibility (CSR) activities as per the requirements of Section 135 of the Companies Act, 2013. The said aggregate expenditure represents contributions/donations made to trusts which are engaged in activities prescribed under the said section read with Schedule VII to the Act and certain CSR activities undertaken by the Company as per the requirements of the Act.

The plan provides that eligible employees and the Mahindra Partners Employees Options Trust (the Trust) as defined in the Plan are granted options to acquire equity shares of the Company that vests in a graded manner. The vested options can be exercised within a specified period from the date on which the shares of the Company get listed on a recognized stock exchange or on happening of an event as specified in the Plan.

The details of options granted under the plan are as follows:

Year of grant	No. of options	Exercise price
2012-13	51,02,791	13.90
2013-14	4,30,952	23.88
2015-16	5,45,866	44.30

Since the exercise price is equal to fair value of shares based on valuation by an independent valuer as on the date of the grant, no compensation costs is recorded in the books of account.

Information in Respect of Options Outstanding:

Particulars	Tranche I
No. of Options outstanding as on 1 <sup>st</sup> April 2015	15,44,163
No. of Options granted during the year	5,45,866
No. of Options forfeited during the year	1,60,140
No. of Options exercised during the year	-
No. of Options outstanding as on 31 <sup>st</sup> March 2016	19,29,889

- Fair value of options

The fair value of options used to compute proforma net profit and earnings per share have been estimated on the date of grant using the black-scholes model. The key assumptions used in black-scholes model for calculating fair value as on the date of grant are:

**Grants covered under Scheme 2012:**

Variables	25-Jun-12	02-Nov-12	14-Oct-13	27-Oct-15
1) Risk free interest rate	8.12%	8.54%	9.14%	8.19%
2) Expected life	9.02 years	8.66 years	7.69 years	5.83 years
3) Expected volatility	38.88%	38.88%	52.62%	54.03%
4) Dividend yield	0.00%	0.00%	0.00%	0.00%

- Earnings Per Share

As per the Guidance Note on "Accounting for Employee Share Based Payments" issued by the Institute of Chartered Accountants of India the Company has calculated the compensation cost using intrinsic value method. Had the Company used fair value method, the net profit after tax and basic and diluted earnings per share would have been as follows:

Particulars		Intrinsic Value Method		Fair Value Method *	
		Mar. 2016	Mar. 2015	Mar. 2016	Mar. 2015
Net profit after tax (Rs. in Lakhs)	Rs. in Lakhs	3,730.00	4,108.92	3,641.60	4,022.49
Weighted average number of equity shares of Rs.10/- each - Basic	No. in Lakhs	598.22	591.13	598.22	591.13
Weighted Average number of equity shares of Rs.10/- each - Diluted	No. in Lakhs	698.38	614.88	698.38	614.88
Basic Earnings Per Share (Rs.)	in Rs.	6.24	6.95	6.09	6.80
Diluted Earnings Per Share # (Rs.)	in Rs.	5.34	6.68	5.21	6.54

# Dilution in Earnings per share is on account of 19,29,889 options (March 2015: 15,44,163 options) outstanding under the Employees Stock Option Scheme and 81,77,184 convertible preference shares (March 2015: 81,77,184 convertible preference shares).

\* Earnings Per Share under fair value method is computed on proforma net profit after tax after adjusting for employee compensation costs under fair value method. Employee compensation cost under fair value method as compared to intrinsic value method is higher by Rs. 88.40 Lakhs (March 2015: Rs. 86.43 Lakhs).

12. Earnings Per Share:

## INDEPENDENT AUDITOR'S REPORT

To the Members of **LORDS FREIGHT (INDIA) PRIVATE LIMITED**

### Report on the Financial Statements

1. We have audited the accompanying financial statements of **LORDS FREIGHT (INDIA) PRIVATE LIMITED** ("the Company"), which comprise the balance sheet as at March 31, 2016, and the statements of profit and loss and cash flow for the period from April 1, 2015 to March 31, 2016, and a summary of the significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.
7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2016, and its profit and its cash flows for the period from April 1, 2015 to March 31, 2016.

### Report on Other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure I a statement on the matters specified in paragraphs 3 and 4 of the Order.
10. As required by Section 143(3) of the Act, we report that:
  - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c. the Balance Sheet, the Statement of Profit and Loss and Cash Flow dealt with by this Report are in agreement with the books of account;
  - d. in our opinion, the aforesaid financial statements comply with the Accounting standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);
  - e. on the basis of written representations received from the directors as on March 31, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016, from being appointed as a director in terms of Section 164(2) of the Act.
  - f. with respect to the adequacy of internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure II.
  - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014(as amended), in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company does not have any pending litigations which would impact its financial position.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the Institute of Chartered Accountants of India ("ICAI") and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

## NOTE A & B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICY & NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016.

### Note A – Summary of Significant Accounting Policy

#### Corporate Information

LORDS Freight (India) Private Limited is a deemed public limited company incorporated on 25<sup>th</sup> April, 2011 under the Companies Act, 1956. The Company's main activities are freight forwarding including transportation of goods via sea & air.

#### 1. Basis for Preparation of Financial Statements:

The financial statements have been prepared in accordance with the Generally Accepted Accounting Principles (IGAAP) under the historical cost convention, as a going concern and on accrual basis and in accordance with the provisions of the Companies Act, 2013 and the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended).

Assets and Liabilities are classified as Current or Non-current as per the provisions of Schedule III to the Companies Act 2013 and Company's Normal Operating Cycle. Based on the nature of business, the Company has ascertained its operating cycle as 12 months for the classification of assets and liabilities.

The Financial Statements are presented in Indian Rupees denominated in Lakhs.

#### 2. Use of Estimates:

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities (including Contingent liabilities) as on the date of financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in the preparation of the financial statement are prudent and reasonable. Any revision to accounting estimates is recognized prospectively in current and future periods.

#### 3. Fixed Assets:

- i. All Fixed Assets are carried at their cost of acquisition less accumulated depreciation and impairment losses, if any. Cost of acquisition is inclusive of purchase price, levies and any directly attributable cost of bringing the assets to its working condition for the intended use.
- ii. When an assets is scrapped or otherwise disposed off, the cost and related depreciation are removed from books of accounts and resultant profit/loss, if any, is reflected in the Statement of Profit and Loss.
- iii. Intangible assets are stated at cost less accumulated amortization and impairment loss, if any.

#### 4. Depreciation and Amortisation:

Depreciation on tangible assets is charged by the Straight Line Method (SLM) in accordance with the useful lives specified in Part – C of Schedule II of the Companies Act, 2013 on a pro-rata basis except in the case of:

- assets costing less than Rs.5000/- which are fully depreciated in the year of purchase.

Intangible assets mainly comprises of computer software which is amortized over the estimated useful life. The maximum period for such amortization is ten years which is considered as available for use by the management. The amortization period and the amortization method are reviewed periodically as required by relevant Accounting Standards.

#### 5. Revenue Recognition:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Revenue from freight forwarding income, warehousing and custom clearance is recognised as and when service is performed on contractual terms.

#### 6. Investments:

All long-term investments are valued at cost. However provision for diminution in value is made to recognise a decline other than temporary in the value of investments. Current investments are valued at the lower of cost and fair value, determined by category of investment.

#### 7. Foreign exchange transactions and translations:

##### (i) Initial recognition

Transactions in foreign currencies are recognised at the exchange rates between the reporting currency and the foreign currency prevailing on the transaction dates.

##### (ii) Conversion

- a. Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of profit and loss.
- b. Non-monetary items, if any are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

##### (iii) Exchange differences

The Company accounts for exchange differences arising on translation/settlement of foreign currency monetary items as below:

- a. Realized gains and losses on settlement of foreign currency transactions are recognised in the Statement of profit and loss.
- b. Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of profit and loss.

#### 8. Employee Benefits:

##### i. Defined Contribution Plan:

Company's contributions paid/payable during the year to the Superannuation Fund, ESIC, Provident Fund and Labour Welfare Fund are recognised in the Statement of Profit and Loss.

##### ii. Defined Benefits:

Company's liability towards gratuity and long term compensated absences are determined by independent actuaries, using the projected unit credit method. Past services are recognised on a straight line basis over the average period until the benefits become vested. Actuarial gains and losses are recognised immediately in the Statement of Profit and Loss as income or expense. Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to the market yields at the Balance Sheet date on Government Bonds where the currency and terms of the Government Bonds are consistent with the currency and estimated terms of the defined benefit obligation.

#### 9. Borrowing Cost:

Borrowing cost that is attributable to the acquisition or construction of qualifying assets is capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use or sale. All other borrowing costs are charged to revenue in the year of incurrence.

#### 10. Segment Reporting:

Accounting policies adopted for segment reporting are in line with the accounting policies of the Company. On the applicability of segment

reporting, revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the segment. Revenues and expenses, which relate to the enterprise as a whole and are not allocable to segments on a reasonable basis, have been included under "Unallocated Corporate Expenses".

#### 11. Operating Leases:

The Company's significant operating leasing arrangements are in respect of office premises, warehouse. Lease rentals are recognised as per the terms of lease.

#### 12. Earning Per Share:

Basic and diluted earnings per share is computed by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of Equity Shares outstanding during the year.

#### 13. Income Tax:

Income taxes are accounted for in accordance with the Accounting Standard 22 on "Accounting for Taxes on Income". Taxes comprise of Current tax and deferred tax.

Current tax is determined as the amount of tax payable in respect of taxable income for the year using the applicable tax rates and tax laws.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

Deferred tax assets and liabilities are recognized for future tax consequences attributable to the timing differences between taxable income and accounting income that are capable of reversal in one or more subsequent periods and are measured using the tax rates enacted or substantively enacted as at the Balance Sheet date. Deferred Tax assets are not recognised unless in the management judgment, there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized except in case of deferred tax assets arising from brought forward tax losses wherein deferred tax assets is only recognized when there is virtual certainty. Deferred tax assets are reviewed for the appropriateness of their respective carrying values at each balance sheet date.

#### 14. Impairment of assets:

The Management of the Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the management estimates the recoverable amount of the asset. If such recoverable amount of the asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and recognised in the Statement of Profit and Loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

#### 15. Provisions, contingent liabilities and contingent assets:

Provisions are recognised when there is a present obligation as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent assets are neither recognised nor disclosed in the financial statements.

#### Note B – Notes to the financial statements:

##### 1. Loans:

Credit Facilities from Banks are secured by a *pari-passu* charge on the Company's entire present and future book debts, outstanding monies, receivables, claims, and bills in terms of the Letter of hypothecation executed by the Company.

Cash Credit facilities are repayable on demand and carry interest based on applicable rate plus agreed spreads and/or negotiated rates. The rates of interest during the year ranged between 12.50% to 13.00%.

2. Based on the information available with the Company, no trade payables have been registered as 'supplier' within the meaning of 'Micro Small & Medium Enterprises Development Act, 2006 as on 31<sup>st</sup> March, 2016.

3. Trade Receivables, Loans and Advances and Trade Payables are subject to confirmation and reconciliations.

## INDEPENDENT AUDITOR'S REPORT

To the Members of **2 X 2 LOGISTICS PRIVATE LIMITED**

### Report on the Financial Statements

1. We have audited the accompanying financial statements of **2 X 2 LOGISTICS PRIVATE LIMITED** ("the Company"), which comprise the balance sheet as at March 31, 2016, and the statements of profit and loss and cash flow for the period from April 1, 2015 to March 31, 2016, and a summary of the significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial

control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2016, and its profit and its cash flows for the period from April 1, 2015 to March 31, 2016.

### Report on Other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in terms of Sub-section (11) of Section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure I a statement on the matters specified in paragraphs 3 and 4 of the Order.
10. As required by Section 143(3) of the Act, we report that:
  - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c. the Balance Sheet, the Statement of Profit and Loss and Cash Flow dealt with by this Report are in agreement with the books of account;
  - d. in our opinion, the aforesaid financial statements comply with the Accounting standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);
  - e. on the basis of written representations received from the directors as on March 31, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016, from being appointed as a director in terms of Section 164(2) of the Act.
  - f. with respect to the adequacy of internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure II.

- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

## ANNEXURE I TO THE AUDITOR'S REPORT

Referred to in paragraph 9 of our report of even date on the financial statements of **2 X 2 Logistics Private Limited** for the year ended March 31, 2016.

### Annexure to the Auditor's Report referred to in our report of even date:

- I. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets.
  - (b) These fixed assets were physically verified by the Management during the year at reasonable intervals and discrepancies noticed during the verification were not material and have been properly dealt with in the books of accounts.
  - (c) The Company does not own any immovable properties. Therefore, the provisions of Clause 3(i)(c) of the said Order are not applicable to the Company.
- II. The Company is in the business of logistics services and consequently, does not hold any inventory. Therefore, the provisions of Clause 3(ii) of the said order are not applicable to the Company.
- III. The Company has not granted any loans to parties covered in the register maintained under Section 189 of Companies Act, 2013. Therefore, Clause 3(iii) (a), (b) & (c) of the Companies (Auditor's Report) Order, 2016 is not applicable to the company.
- IV. The Company has not granted any loans or made any investments, or provided any guarantees or security to the parties covered under Section 185 and 186. Therefore, the provisions of Clause 3(iv) of the said Order are not applicable to the Company.
- V. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from the public. Consequently, no order has been passed by the Company Law Board or National Company Law Commission or Reserve Bank of India or any court or any other tribunal on the Company. The Clause 3(v), therefore is not applicable to the company.
- VI. The Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act, for any of the services rendered by the Company.
- VII. (a) According to the records of the Company and information and explanations given to us, the Company is generally regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and other applicable statutory dues with the appropriate authorities.
  - (b) According to the information and explanations given to us and records of the Company examined by us, there are no dues of income tax, sales tax, wealth tax, service tax, duty of excise, duty of customs, value added tax, and cess which have not been deposited on account of any dispute.
- VIII. According to the records of the Company examined by us and the information and explanation given to us, the Company has not defaulted in repayment of loans or borrowings to any financial institution or bank or Government or dues to debenture holders as at the balance sheet date.
- IX. In our opinion, and according to the information and explanations given to us, moneys raised term loans have been applied for the purposes for which they were obtained.
- X. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the Management.
- XI. On the basis of examination of relevant records and according to the information and explanations given to us, the Company has paid or provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Companies Act, 2013.
- XII. The Company is not a 'Nidhi Company'. Therefore, Clause 3(xii) of the Companies (Auditor's Report) Order, 2016 is not applicable to the Company.
- XIII. On the basis of examination of relevant records and according to the information and explanations given to us, all transactions with the related parties are in compliance with Sections 177 and 188 of Companies Act, 2013 where applicable. The Company has disclosed the details of transactions with related parties in the Financial Statements as required by the applicable accounting standards.
- XIV. The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under audit; therefore, Clause 3(xiv) of the Companies (Auditor's Report) Order, 2016 is not applicable to the company.
- XV. On the basis of examination of relevant records and according to the information and explanations given to us, in our opinion, the Company has not entered into any non-cash transactions with directors or persons connected with them.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the Institute of Chartered Accountants of India ("ICAI") and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for

our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

**Note A: Summary of Significant Accounting Policies****Corporate Information**

2 X 2 Logistics Private Limited is a deemed public limited company incorporated on 22nd October, 2012 under the Companies Act, 1956. The Company is engaged in providing logistics services to its Customers.

**1. Basis for Preparation of Financial Statements:**

The financial statements have been prepared in accordance with the Generally Accepted Accounting Principles (GAAP) under the historical cost convention as a going concern and on accrual basis and in accordance with the provisions of the Companies Act, 2013 and the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended).

Assets and Liabilities are classified as Current or Non-current as per the provisions of Schedule III to the Companies Act, 2013 and Company's Normal Operating Cycle. Based on the nature of business, the Company has ascertained its operating cycle as 12 months for the classification of assets and liabilities.

The Financial Statements are presented in Indian Rupees denominated in Lakhs.

**2. Use of Estimates:**

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities (including Contingent liabilities) as on the date of

financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in the preparation of the financial statement are prudent and reasonable. Any revision to accounting estimates is recognized prospectively in current and future periods.

**3. Fixed Assets:**

- All Fixed Assets are carried at their cost of acquisition less accumulated depreciation and impairment losses. Cost of acquisition is inclusive of purchase price, levies and any directly attributable cost of bringing the assets to its working condition for the intended use.
- When an asset is scrapped or otherwise disposed-off, the cost and related depreciation are removed from books of accounts and resultant profit/loss, if any, is reflected in the Statement of Profit and Loss.
- All Intangible Assets are initially measured at cost/fair value and amortised so as to reflect the pattern in which the asset's economic benefits are consumed. Intangible assets are stated at cost less accumulated amortization and impairment loss, if any.

**4. Depreciation and Amortisation:**

Depreciation on tangible assets is charged on Straight Line Method (SLM) in accordance with the useful lives specified Part – C of Schedule II to the Companies Act, 2013 on a pro-rata basis except for following assets in order to reflect the actual usage of the assets:

- Horse portion of a Vehicle is depreciated over five years based on the management experience of handling similar kind of asset.

Software expenditure incurred is amortised over three financial years equally commencing from the year in which the expenditure is incurred.

**5. Revenue Recognition:**

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Income from logistics services rendered are recognised on the completion of the services as per the terms of contract. Interest Income is accounted on accrual basis at the contracted rate.

**6. Investments:**

All long-term investments are valued at cost. However provision for diminution in value is made to recognise a decline other than temporary in the value of investments. Current investments are valued at the lower of cost and fair value, determined by category of investment.

**7. Borrowing Cost:**

Borrowing Cost that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use or sale. All other borrowing costs are charged to revenue in the year of incurrence.

**8. Segment Reporting:**

The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. On the applicability of segment reporting, revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the segment. Revenues and expenses, which relate to the enterprise as a whole and are not allocable to segments on a reasonable basis, have been included under "Unallocated Corporate Expenses".

**9. Operating Leases:**

The Company's significant operating leasing arrangements are in respect of office premises, warehouse and IT related equipments. Lease rentals are recognised as per the terms of lease.

**10. Earnings Per Share:**

Basic and diluted earnings per share is computed by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of Equity Shares outstanding during the year.

**11. Income Tax:**

Income taxes are accounted for in accordance with the Accounting Standard 22 on "Accounting for Taxes on Income". Taxes comprises of Current tax and deferred tax.

Current tax is determined as the amount of tax payable in respect of taxable income for the year using the applicable tax rates and tax laws.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay income tax as per normal provision. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefits associated with it will flow to the Company.

Deferred tax assets and liabilities are recognized for future tax consequences attributable to the timing differences between taxable income and accounting income that are capable of reversal in one or more subsequent periods and are measured using the tax rates enacted or substantively enacted as at the Balance Sheet date. Deferred Tax assets are not recognised unless in the management judgment, there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized except in case of deferred tax assets arising from brought forward tax losses wherein deferred tax assets is only recognized when the virtual certainty is established. Deferred tax assets are reviewed for the appropriateness of their respective carrying values at each balance sheet date.

## 12. Impairment of Assets:

The Management of the Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the management estimates the recoverable amount of the asset. If such recoverable amount of the asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and recognised in the Statement of Profit and Loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

## 13. Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognised when there is a present obligation as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent assets are neither recognised nor disclosed in the financial statements.

No material changes and commitments have occurred after the close of the year till the date of this Report which affect the financial position of your Company.

### 2) Operations

During the year your Company has sold 1,62,577 vehicles registering a de-growth of 8% as compared to previous year. In domestic Scooter segment the Company has registered a growth of 81% while motorcycle segment registered de-growth of 49%. All players in 100-110 cc saw substantial de-growth (~18%) against previous year. Bajaj re-launched "CT-100" model with lowest prices in the industry starting at Rs.31000. Besides this, monsoon deficit is showing its impact on rural economy. This is more evident in motorcycles with reduction in demand and shift towards low priced vehicles and languishing secondary network.

Your Company has been hit by multiple challenges in each of export market. The crash in crude and other commodities' prices has led to alarming levels of currency depreciation in African countries, making imports very expensive. For example Nigerian Naira has depreciated more than 100% in 2 years. The situation in other African markets is also not encouraging. In countries like Ethiopia and Nigeria, foreign currency is

being rationed for priority sectors. In Bangladesh and Sri Lanka, regulatory changes to duty structure and financing norms have shrunk overall market, unrest in Nepal impacted business adversely. In spite of this, exports showed remarkable growth over previous year by 53%, which is the second best growth across all the OEMs, after Suzuki.

**MOJO Launch:** In growing market of premium motorcycles (above 250cc), your Company launched indigenously built 300cc motorcycle "Mahindra MOJO" on 16th October, 2015. Taking an unconventional Go-To-Market approach for Mojo, Company launched it in 4 cities of Bangalore, Mumbai, Delhi & Pune in Phase I. It got encouraging response from these markets.

The unconventional go-to-market approach had a strong focus on digital and social platforms to create a viral impact and amplify the customer experiences. Mojo Tribes, the owners' group of Mahindra Mojo features exciting trails to enhance promise of riders' bonding and helped to establish a unique image for Mojo. Q1 of F16 (Phase II), Mojo will be launched in additional 15 cities.

**Arro XT:** Arro XT, 110cc motorcycle was launched in January'2016 specifically for exports in African market. This vehicle will be used for commercial application in

African market. The market currently is dominated by Bajaj Boxer. Arro XT has got encouraging response.

**Gusto 125cc:** Gusto 125cc launched on 17th March, 2016 in Tamilnadu & Kerala; Plan is to expand in other major scooter selling cities across India.

### 3) Outlook for the current year

As per the research report published by Nomura, Scooter industry is expected to grow at a CAGR of 20% over next 5 years based on prediction of higher GDP growth, higher urbanisation and woman empowerment. Motor cycle industry seeing polarisation between low cost entry level products and premium motor cycles, is expected to grow in range of 0%-6% over next 5 years. The Company is working towards containing losses by improving efficiencies, focussed market approach & cost management. The Company will focus on improving sales based on newly launched Gusto 125 cc & MOJO. Your Company is working on synergy benefit with Peugeot Motocycle ("PMTC").

### 4) Dividend

In view of losses, your Directors do not recommend any dividend.

## ANNEXURE II

### POLICY ON APPOINTMENT OF DIRECTORS AND SENIOR MANAGEMENT AND SUCCESSION PLANNING FOR ORDERLY SUCCESSION TO THE BOARD AND THE SENIOR MANAGEMENT

#### DEFINITIONS

The definitions of some of the key terms used in this Policy are given below.

“**Board**” means Board of Directors of the Company.

“**Company**” means Mahindra Two Wheelers Limited.

“**Committee(s)**” means Committees of the Board for the time being in force.

“**Employee**” means employee of the Company whether employed in India or outside India including employees in the Senior Management Team of the Company.

“**HR**” means the Human Resource department of the Company.

“**Key Managerial Personnel**” (**KMP**) refers to key managerial personnel as defined under the Companies Act, 2013 and includes:

- (i) Managing Director (MD), or Chief Executive Officer (CEO); or Manager; or Whole time Director (WTD)
- (ii) Chief Financial Officer (CFO); and
- (iii) Company Secretary (CS).

“**Nomination and Remuneration Committee**” (**NRC**) means Nomination and Remuneration Committee of Board of Directors of the Company for the time being in force.

“**Senior Management**” means personnel of the Company who are members of its Core Management Team excluding Board of Directors comprising of all members of management one level below the executive directors including the functional heads.

#### I. APPOINTMENT OF DIRECTORS

- The NRC reviews and assesses Board composition and recommends the appointment of new Directors. In evaluating the suitability of individual Board member, the NRC shall take into account the following criteria regarding qualifications, positive attributes and independence of director:
  1. All Board appointments will be based on merit, in the context of the skills, experience, independence and knowledge, for the Board as a whole to be effective.
  2. Ability of the candidates to devote sufficient time and attention to his professional obligations as Independent Director for informed and balanced decision making.
  3. Adherence to the Code of Conduct and highest level of Corporate Governance in letter and in spirit by the Independent Directors.

- Based on recommendation of the NRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board through the Chairman & Managing Director will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new Director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act 2013 and Rules made thereunder.

#### REMOVAL OF DIRECTORS

If a Director is attracted with any disqualification as mentioned in any of the applicable Act, rules and regulations thereunder or due to non - adherence to the applicable policies of the Company, the NRC may recommend to the Board with reasons recorded in writing, removal of a Director subject to the compliance of the applicable statutory provisions.

#### SENIOR MANAGEMENT PERSONNEL

The NRC shall identify persons who are qualified to become directors and who may be appointed in senior management team in accordance with the criteria laid down above.

Senior Management personnel are appointed or promoted and removed/relieved with the authority of Chairman & Managing Director based on the business need and the suitability of the candidate. The details of the appointment made and the personnel removed one level below the Key Managerial Personnel during a quarter shall be presented to the Board.

#### II. SUCCESSION PLANNING:

##### Purpose

The Talent Management Policy sets out the approach to the development and management of talent in the Mahindra Group to ensure the implementation of the strategic business plans of the Group and the Group Aspiration of being among the Top 50 globally most-admired brands by 2021.

##### Board

The successors for the Independent Directors shall be identified by the NRC atleast one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor will be appointed at the earliest but not later than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

The successors for the Executive Director(s) shall be identified by the NRC from among the Senior Management or through external source as the Board may deem fit.

The NRC will accord due consideration for the expertise and other criteria required for the successor.

The Board may also decide not to fill the vacancy caused at its discretion.

**Senior Management Personnel**

A good succession-planning program aims to identify high growth individuals, train them and feed the pipelines with new talent. It will ensure replacements for key job incumbents in KMPs and senior management positions in the organization.

Significantly, we have a process of identifying Hi-pots and critical positions. Successors are mapped for these positions at the following levels:

1. Emergency successor
2. Ready now
3. Ready in 1 to 2 years
4. Ready in 2 to 5 years
5. Ready in more than 5 years

in order to ensure talent readiness as per a laddered approach.

**Policy Statement**

The Talent Management framework of the Mahindra Group has been created to address three basic issues:

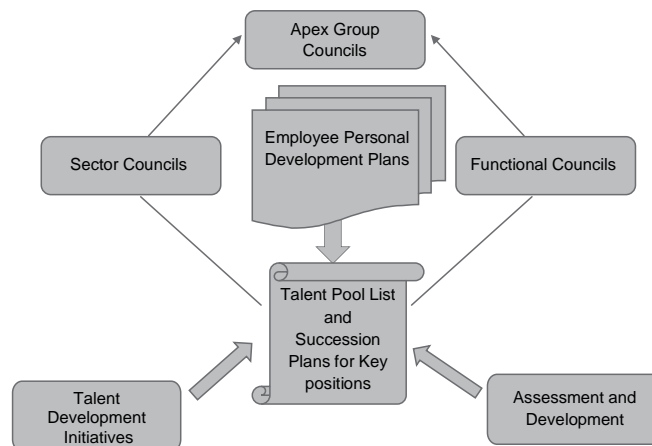

- 1) Given the strategic business plans, do we have the skills and competencies required to implement them? If not, how do we create them – by developing them internally or through lateral induction from outside?
- 2) For critical positions, what is the succession pipeline?
- 3) What are the individual development plans for individuals both in the succession pipeline as well as others?

The framework lays down an architecture and processes to address these questions using the **3E** approach:

- a) **Experience** i.e. both long and short-term assignments. This has 70% weightage
- b) **Exposure** i.e. coaching and mentoring – 20% weightage
- c) **Education** i.e. learning and development initiatives – 10% weightage

The Talent Management process is applicable to all employees. Over the years, the Talent Management framework has become a well-structured and process-oriented system which is driven by an interactive and collaborative network of Talent Councils at the Group and Sector Levels. These Talent Councils, which consist mainly of Senior business leaders supported by HR, are a mix of Sector (Business) and Functional Councils coordinated by an Apex Talent Council, headed by the Group Chairman. The Apex Council reviews the work done by the Talent Councils and facilitates movement of talent across Sectors. The Sector/Functional Councils meet regularly throughout the year and the Apex Council interacts with each one of them separately once a year, and in addition conducts an integrated meeting where the Chairpersons of all the Councils are present.

The Talent Management process can be represented pictorially as under:

The talent pipeline is maintained and developed so as to ensure that there is a seamless flow of talent. An important part of this exercise is drawing up and implementing IDAPs (Individual Development Action Plans) for every Executive concerned using the 3E approach mentioned above.

**POLICY FOR REMUNERATION OF THE DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES**

**Purpose**

This Policy sets out the approach to Compensation of Directors, Key Managerial Personnel and other employees in Mahindra Two Wheelers Limited.

**Policy Statement**

We have a well-defined Compensation policy for Directors, Key Managerial Personnel and all employees, including the Chairman, Presidents and other Members of the Group Executive Board who are employees of the Company. The overall compensation philosophy which guides us is that in order to achieve global leadership and dominance in domestic markets, we need to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in the business.

In order to effectively implement this, we have built our Compensation structure by a regular annual benchmarking over the years with relevant players across the industry we operate in.

**NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS:**

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both Fixed and variable, to the Non-Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as director’s participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in

carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and Clause 49 of the Listing Agreement with Stock Exchanges and such other factors as the NRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders' resolution.

#### **Executive Directors:**

The remuneration to Chairman & Managing Director and Executive Director(s) shall be recommended by NRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders' resolution. While the fixed compensation is determined at the time of their appointment, the variable compensation will be determined annually by the NRC based on their performance.

#### **Key Managerial Personnel (KMPs)**

The terms of remuneration of Chief Executive Officer (CEO), Chief Financial Officer (CFO), Manager of the Company & the Company Secretary shall be determined by the NRC shall decide from time to time. The remuneration shall be consistent with the competitive position of the salary for similar positions in the industry and their Qualifications, Experience, Roles and Responsibilities. Pursuant to the provisions of section 203 of the Companies Act 2013 the Board shall approve the remuneration at the time of their appointment.

The remuneration to directors, KMPs and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.

#### **Employees**

We follow a differential approach in choosing the comparator basket for benchmarking, depending upon the level in the organization:

- a. For all employees from Operational to Executive Band, we benchmark with a set of comparators from the same industry.

- b. For Strategic band and above, we have a position-based approach and the comparator basket includes benchmarks from across relevant industries.

We have a CTC (Cost to Company) concept which includes a fixed component (Guaranteed Pay) and a variable component (Performance pay). The percentage of the variable component increases with increasing hierarchy levels, as we believe employees at higher positions have a far greater impact and influence on the overall business result. The CTC is reviewed once every year and the compensation strategy for positioning of individuals takes into consideration the following elements:

- Performance
- Potential
- Criticality
- Longevity in grade

Remuneration for the new employees other than KMPs and Senior Management Personnel will be decided by the HR, in consultation with the concerned business unit head at the time of hiring, depending upon the relevant job experience, last compensation and the skill-set of the selected candidate.

The Company may also grant Stock Options to the Employees and Directors (other than Independent Directors and Promoter) in accordance with the ESOP Scheme of the Company and subject to the compliance of the applicable statutes and regulations.

## INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF MAHINDRA TWO WHEELERS LIMITED

### Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of Mahindra Two Wheelers Limited ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act, as applicable.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under Section 143(11) of the Act.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and

give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and its loss and its cash flows for the year ended on that date.

### Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards prescribed under Section 133 of the Act, as applicable.
  - (e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2016 from being appointed as a director in terms of Section 164(2) of the Act.
  - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 44 to the financial statements.
    - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
    - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

## ANNEXURE “A” TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in paragraph (f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

### Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Mahindra Two Wheelers Limited (“the Company”) as of 31<sup>st</sup> March 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2016 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTE 27  
STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES**

**1. CORPORATE INFORMATION**

**Company details**

The Mahindra Two Wheelers Ltd. (MTWL) is subsidiary of Mahindra Vehicle Manufacturers Limited (w.e.f 17<sup>th</sup> February, 2016). The MTWL is engaged in the business of manufacturing & selling motorised two wheeler vehicles.

MTWL has a manufacturing plant located at Pithampur near Indore and an assembly unit at SUPA near Ahemadnagar. MTWL also has state of the art R&D centre at Chinchwad, Pune.

## 2. SIGNIFICANT ACCOUNTING POLICIES

### 2.1 Basis of accounting and preparation of financial statements

The financial statements of the Company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act 2013 read with Rule 7 of Companies (Accounts) Rules, 2014 and the relevant provision of the Companies Act, 2013 ("the 2013 Act)/Companies Act, 1956 ("the 1956 Act") as applicable. The financial statements have been prepared on accrual basis under the historical cost convention except for categories of fixed assets that are carried at revalued amounts. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

### 2.2 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialise.

### 2.3 Revenue Recognition

The principles of revenue recognition are as set out below:

- a) Revenue from operations is recognised, net of returns and trade discounts, when the risk and rewards of ownership are passed on to the customers. Revenue from operation includes Excise Duty but excludes Sales Tax and Value Added Tax.
- b) Benefit on account of entitlement of export benefits like Duty drawback scheme & Focus Market scheme is accounted in the year of export.
- c) Interest income is accounted on accrual basis. Dividend Income is accounted for when the right to receive it is established.

### 2.4 Fixed Assets (Tangible and Intangible)

Fixed assets are carried at cost less accumulated depreciation/amortisation and impairment losses, if any. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses.

### 2.5 Depreciation and Amortisation

Depreciable amount for assets is the cost of an asset, less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under (which is lower than the useful life prescribed in Schedule II to the Companies Act, 2013 based on technical advice:

- i) Plant and machinery - 5 years/7 years/8 years/10 years
- ii) Vehicles - 3 years
- iii) Office equipment - 2 years
- iv) Assets costing less than Rs 5000 each - 1 year
- v) Leasehold land is amortised over the duration of the lease.

Intangible assets are amortised over their estimated useful life on straight line method as follows:

- i) Technical know how - 5 years
- ii) Product development expenditure - 5 years
- iii) Software - 3 years

### 2.6 Foreign Currency Transactions

Transactions in foreign currencies are recorded at the exchange rates prevailing on the date of the transaction. Monetary assets and liabilities are translated at year end exchange rates and the profit/loss so determined and also the realised exchange gains/losses are recognised in the Statement of Profit and Loss.

### 2.7 Product Warranty Expenses

The estimated liability for product warranties is accounted for when products are sold. These estimates are established using historical information on the nature, frequency and average cost of warranty claims and management estimates regarding possible future incidence based on corrective actions on product failures.

### 2.8 Inventories

Inventories are stated at the lower of cost and net realizable value after providing for obsolescence and other losses, where considered necessary. In determining the cost of inventories the moving weighted average method is used in respect of "raw materials", "stores and spares" and "spares for resale". Cost of work-in-progress and manufactured finished goods include material cost, labour and manufacturing overheads on the basis of full absorption costing. Excise duty in respect of inventory of finished goods manufactured is shown separately as an item of expense and included in valuation of inventory of finished goods.

### 2.9 Employee Benefits

Employee benefits include gratuity, provident fund, superannuation and leave encashment benefits under the approved schemes of the company.

#### Provident fund

The eligible employees of the Company are entitled to receive benefits under the provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employee's salary. The contributions as specified under the law are paid to the Central Government Provident Fund and the Family Pension Fund and the same is charged to the Statement of Profit and Loss of the year when the contributions to the respective funds are due and when services are rendered by the employees.

#### Gratuity

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides for a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15/26 days salary payable for each completed year of service. Vesting occurs upon completion of five years of service. The Company accounts for the liability for gratuity benefits payable in future based on an independent actuarial valuation. The Company has taken a Group Gratuity cum Life Assurance Scheme with Reliance Life Insurance Co. Ltd. for future payment of gratuity to the eligible employees. The contribution payable for the year is charged to the Statement of Profit and Loss.

#### Compensated absences

The Company provides for the encashment of compensated absences with pay subject to certain rules. The employees are entitled to accumulate compensated absences subject to certain limits, for future encashment. Accumulated leave, which is expected to be utilized within the next twelve months, is treated as short-term employee benefit and the accumulated leave expected to be carried forward beyond twelve month is treated as long-term employee benefit which are provided based on the number of days of unutilized compensated absence on the basis of an independent actuarial valuation.

### 2.10 Investments

Long term investments are valued at cost less diminution in value, if any, other than of temporary nature. Current investments are valued at lower of cost and fair value. Cost of investment includes acquisition charges such as brokerage, fees and duties.

## 2.11 Taxes on Income

Current tax is determined as the amount of tax payable in respect of taxable income for the year. Deferred tax is recognized, subject to consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognized only to the extent that there is virtual certainty supported by convincing evidence that sufficient future tax income will be available against which such deferred tax assets can be realised.

## 2.12 Impairment of Assets

The carrying values of assets/cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists.

If the carrying amount of the assets exceeds the estimated recoverable amount, an impairment is recognized for such excess amount. The impairment loss is recognized as an expense in the Statement of Profit and Loss.

## 2.13 Research and development expenses

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products are also charged to the Statement of Profit and Loss unless a product's technical feasibility has been established, in which case such expenditure is capitalised. The amount capitalised comprises expenditure that can be directly attributed or allocated on a reasonable and consistent basis to creating, producing and making the asset ready for its intended use. Fixed assets utilized for research and development are capitalised and depreciated in accordance with the policies stated for Fixed Assets.

## 2.14 Borrowing Cost

Interest and other costs incurred in connection with the borrowing of the funds are charged to revenue on accrual basis except those borrowing costs which are directly attributable to the acquisition or construction of those Qualifying assets, which necessarily take a substantial period of time to get ready for their intended use. Such costs are capitalised with the Qualifying assets.

## 2.15 Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements.

## 2.16 Earnings per share

The Company reports basic and diluted earnings per share in accordance with Accounting Standard 20 on Earnings per Share. Basic earnings per share are computed by dividing the net profit or loss for the period by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit or loss for the period by the weighted average number of equity shares outstanding during the period as adjusted for the effects of all diluted potential equity shares except where the results are anti-dilutive.

## 2.17 Cash Flow Statement

The Cash Flow Statement is prepared by the indirect method set out in Accounting Standard 3 on Cash Flow Statements and presents cash flows by operating, investing and financing activities of the Company.

## 2.18 Business Segments

The Company is engaged mainly in the business of Two Wheeler Manufacturing. This is in the context of Accounting Standard 17 on Segment Reporting is considered to constitute one single reportable primary segment. Secondary segment is based on the geography and Company's business activity is materially operated in a single geographical segment.

### NOTE 29

During the current year the Company has continued to incur losses and as at the year end its net-worth is substantially eroded with the accumulated losses aggregating to Rs. 239,593.23 Lacs. However, the Company is able to operate uninterruptedly with the continued support from the holding company with infusion of funds by way of equity. Also, based on the future business plans and the turnaround strategy adopted, in the opinion of the management, the Company will be able to generate profits in the future in excess of its accumulated losses and continue to operate as a going concern.

### NOTE 30

On 8<sup>th</sup> December, 2014, the Company had incorporated its wholly owned subsidiary Mahindra Two Wheelers Europe Holdings S.à r.l. (MTWL Europe). On 19<sup>th</sup> January, 2015, MTWL Europe had acquired 51% stake in Peugeot Motorcycles S.A.S., Mandeure, for consideration of Euro 28.2 million.

Out of the said consideration, Euro 16.90 million was paid upfront on 19<sup>th</sup> January, 2015 and the balance consideration of Euro 11.3 million to be payable by MTWL Europe on or before 30<sup>th</sup> June, 2016, for which a bank guarantee has been provided.

During the year MTWL has received the refund of equity contribution of Euro 2.1 million (Rs. 157.29 million) from Mahindra Two Wheelers Europe Holdings S.à r.l. (Wholly Owned Subsidiary) on account of closing adjustment clause 4.5 of Purchase and Investment agreement entered with Peugeot S.A. for the acquisition of 51% stake in Peugeot Motorcycles S.A.S., Mandeure

The total investment of the Company in MTWL Europe (wholly owned subsidiary) as on 31<sup>st</sup> March, 2016 amounts to Euro 14.75 million (Rs. 1,175.63 million), Previous Year Euro 16.90 million (Rs. 1,332.91 million).

Further as per the terms of the agreement with Peugeot SA (PSA), the Company

- has been granted a call option to acquire further stake upto 24% thereby increasing its shareholding in PMTC; upto 75% of the share capital and voting rights, before 31<sup>st</sup> December, 2017 for a price to be determined as per terms of the agreement; and
- committed to acquire all the balance shares held by PSA in Peugeot Motorcycles, SAS at the end of the 7 years from the date of initial acquisition of 51% stake therein as indicated above, for a price based on fair market value to be determined as per terms of the agreement.

Mahindra and Mahindra Limited (ultimate parent company) has provided a corporate guarantee of Euro 70 million to PSA towards the said commitment.

## REPORT FROM THE PRESIDENT ON THE YEAR ENDING 31 DECEMBER 2015

Dear Shareholders,

According to the law and the articles of association of the Company, we report on the state of the Company, its activity during the accounting period ending on the 31 December 2015 and we present the financial statements of that period as they have been established.

The Auditors of the Company shall provide all required explanations on the annual financial statements as far as the accuracy and compliance with accounting rules are concerned.

We remain available for any precision or additional question you may have related to the legal documents which have been made available to you within the prescribed timeline.

### I. Activity of the Company for the period 2015

#### 1. Markets and market shares evolution during the financial period

European markets of the 6 major countries saw volumes rise by 2% compared to 2014. The situation is contrasted between countries and displacements. The less than 50cc segment falls by 4.6% (to be compared with a drop of 8% in 2014) while the more than 50cc segment increase reaches 4,8%.

France is the first market in Europe to declines 5.6% because of the high proportion of less than 50cc. Italy wins 2.9% while Germany loses 2.9%. Strong recovery is brought by Spain with a more than 16.5% growth compared to last year.

In the less than 50cc category, all markets are oriented downwards, except Spain and The Netherlands earning 9.9% and 3.9% respectively. The upturn comes from the above than 50cc category, especially from Spain and Italy while France and Germany markets are flattening.

In that context Peugeot Scooters' volumes are down by 2.9%, owing to the highest share of the less than 50cc segment in the Peugeot Sales. Globally the market shares declines 8.9%.

#### 2. Key events during the financial period

##### **Mahindra acquisition of the majority of the company's share capital:**

The shareholding of the company Mahindra Two Wheelers S.à.r.l Europe, up to 51% of the share capital of Peugeot Motorcycles SAS, became effective on 19 January 2015. This was achieved by:

- A share buyback from the company Peugeot SA,

## INDEPENDENT AUDITORS' REPORT

### Peugeot Motocycles

Year ended December 31, 2015

Statutory auditors' report  
on the financial statements

To the Shareholders,

In compliance with the assignment entrusted to us by your annual general meeting, we hereby report to you, for the year ended December 31, 2015, on:

- the audit of the accompanying financial statements of Peugeot Motocycles;
- the justification of our assessments;
- the specific verifications and information required by law.

These financial statements have been approved by the president. Our role is to express an opinion on these financial statements based on our audit.

#### I. Opinion on the financial statements

We conducted our audit in accordance with professional standards applicable in France; those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit involves performing procedures, using sampling techniques or other methods of selection, to obtain audit evidence about the amounts and disclosures in the financial statements. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made, as well as the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

In our opinion, the financial statements give a true and fair view of the assets and liabilities and of the financial position of the company as at December 31, 2015 and of the results of its operations for the year then ended in accordance with French accounting principles.

#### II. Justification of our assessments

In accordance with the requirements of article L. 823-9 of the French Commercial Code (code de commerce) relating to the justification of our assessments, we bring to your attention the following matters:

- Based on our work and the information communicated to us to date, and as part of our assessment of the accounting policies followed by the company, we believe that the notes to the financial statements provide appropriate information on the situation of your company under the going concern assumption.
- Your company has recorded impairment of assets as described in item 7 of note 2 to the financial statements. Our work consisted in assessing the data and assumptions on which the company's estimates are based, reviewing the calculations made by the company, comparing the accounting estimates of prior periods with the corresponding results and examining approval procedures of these estimates by management. As part of our assessments, we verified the reasonableness of these estimates.

These assessments were made as part of our audit of the financial statements taken as a whole, and therefore contributed to the opinion we formed which is expressed in the first part of this report.

#### III. Specific verifications and information

We have also performed, in accordance with professional standards applicable in France, the specific verifications required by French law.

We have no matters to report as to the fair presentation and the consistency with the financial statements of the information given in the management report of the president and in the documents addressed to the shareholders with respect to the financial position and the financial statements.

## NOTES

The information below forms the Notes to the Balance Sheet for the year ended 31 December, 2015 which amounts to Euros 5,11,17,335.00, INR 38,322.67 lacs, and to the Profit and Loss account that present a loss of Euros 2,40,37,811.00, INR 18,021.15 lacs.

The financial statements cover the 12-month period from 1 January to 31 December, 2015.

The notes and tables below form an integral part of the company accounts.

These financial accounts were closed by the President.

### 1) ACCOUNTING RULES AND METHODS

The general accounting conventions below have been applied in accordance with the principle of prudence, and in compliance with legal and regulatory requirements in France and the basic assumptions that are intended to provide an accurate picture of the company's assets and liabilities, financial position and results:

- going concern,
- consistency of accounting methods from one period to the next,
- matching of costs and revenues.

The financial statements were established in compliance with the general rules for preparing and presenting annual financial statements.

The basic method used to value accounting entries is the historic cost method.

The functional currency of the company is measured using the currency of the economic environment in which the company operates. For disclosure purpose at the year end this has been converted into the currency of the ultimate parent company, Indian Rupees, at a pre-determined 'convenient rate'. This is displayed as comparative balances for both the current and prior years.

All foreign currency amounts, including comparatives are translated for convenience into Indian Rupees at the exchange rate of Rs. 74.97 = Euro 1.00 as advised by the ultimate parent entity.

The main accounting rules and methods used are the following:

#### a) Tangible Fixed Assets:

Tangible fixed assets are assessed at their acquisition cost (purchase price and incidental expenses), or at their production cost.

Interest on loans specifically for the production of fixed assets is not include in the assets production cost.

Depreciation is recognized as an expense on a straight-line basis, based on the estimated useful life of each component, as described here below:

• Heavy component of industrial plants	40 years
• Buildings improvement	16 years
• Industrial equipment of production	16 years
• Machinery and equipment	16 years
• Special machine-tool	16 years
• Specific tooling	6 years
• Die cast moulds	3 years

#### b) Participating interests, other long-term investments, short-term investments:

The gross book value of long-term investments is their acquisition price, net of acquisition expenses. When their balance sheet value is less than their cost of acquisition, a provision for depreciation is set aside for the amount of the difference. The economic value of these Stocks is estimated according to the relevant share acquired of the carrying value of net assets of the subsidiary.

#### c) Inventories

Inventories are measured using the FIFO method.

The gross value of goods and supplies includes the purchase price and the incidental expenses.

Manufactured goods are valued at production cost including supplies consumed, direct and indirect production expenses and allowances to depreciation of assets used in production. Idle capacity costs are excluded from inventories valuation.

Financial interests are always excluded from inventories valuation.

A provision for impairment is recorded when the book value is higher than the market value or the liquidation value.

#### d) Receivables

Receivables are stated at their nominal value. A provision for impairment is recorded when the fair value is lower than the net book value.

#### e) Transactions in foreign currencies

Expenses and incomes in foreign currencies are accounted for their amount in euros to the date of the transaction.

Payables, receivables and cash in foreign currencies, are accounted at their fair value at closing date or at the guaranteed exchange rate if hedged.

#### f) Research and development expenses

Expenses of research and development that are related to the development of new products or to the improvement of previously existing products, are included in the general expenses. In 2015, these expenses amount to Euros 86,75,900.00, INR 6,504.32 lacs.

The market for “mopeds” has decreased this year by recording, compared to 2014, 3,332 units less; it follows that the two-wheeler sector continues to lose in terms of generational change. The signs are not good, but the industry also believe that this segment will be able to stabilize.

The economic environment remains complex even if you can identify some positive factors such as increasing the climate of consumer confidence and the decrease in fuel prices remain weak even if the recovery in industrial production and employment recovery.

The high cost of insurance continues to be an important brake on sales of scooters (especially the 50 cc.).

And ‘now necessary to reactivate replacement demand to modernize the fleet that still has 60% of vehicles, amounting to 5 million vehicles, with over 10 years of life.

The Company has seen an improvement in market share compared to 2014 thanks to the volumes developed by Tweet that somehow managed to compensate for the shortcomings in terms of the range due to the lack of certain strategic products that recorded interesting volumes (ex. LXR and Geopolis).

Their combined market share increased from 3.3% in 2014 to 3.4% in 2015 (+ 0.1 percentage points).

With regard to the 50 cc. the Company has recorded a positive result, despite the great difficulties encountered by this segment continuously decrease, falling from 4.6% in 2014 to 4.7% in 2015 (+ 0.1 percentage points).

As for the registered of the market, the Company has recorded a slight increase from 2.9% in 2014 to 3.2% in 2015 (+0.3 percentage points), an increase which sees among the factors to highlight the already Tweet performance quoted model and the ability of your company to counter with an offer of unique services and exclusive strong promotional pressure and mass communication in progress by major competing brands.

A better description of the financial position are shown in the table below certain financial ratios, compared with the same index of the previous year's budget.

	31/12/2015	31/12/2014
primary liquidity	1.04	1.03
secondary liquidity	1.06	1.04
indebtedness	18.38	20.39
Rate of coverage of fixed assets	1.85	1.57

The primary liquidity index of 1.04. The financial situation of the company is to be considered good.

The secondary liquidity index of 1.06. The absolute value of the net working capital is certainly adequate in relation to the amount of current debts.

The debt ratio is equal to 18.38. The amount of debts assumed very significant dimensions in relation to the existing equity, but there was still a slight improvement compared to the indebtedness of the previous year.

The rate of coverage of fixed assets, equal to 1.85, shows that the amount of own funds and consolidated debts is considered appropriate in relation to the amount of fixed assets. Shareholders' equity together with the consolidated debts are to be considered the appropriate amount in relation to the amount of fixed assets.

#### Own shares and shares/units of holding companies

Your company does not own, nor has purchased or sold during the year, treasury shares or shares of the parent, either directly or indirectly.

#### Information regarding the risks and uncertainties pursuant to art. 2428, paragraph 2, to the point 6-bis of the Italian Civil Code

Under Article. 2428, paragraph 2, to the point 6-bis of the Italian Civil Code is provided below information regarding the

use of financial instruments, as relevant to the assessment of the financial position.

The following are, then, a series of quantitative information, designed to provide information about the size of exposure to the risks of the enterprise.

#### Financial risk

For the type of activity, the Company does not handle complex financial risks and does not use derivative financial instruments.

The Company, following what are the decisions taken by the parent PEUGEOT MOTOCYCLES S.A. in relation to financial indebtedness, does not resort to the financial market on its own, but cover their needs by using forms of coverage with the only shareholder who use corporate credit lines and lines of credit with financial institutions and manages its liquidity by means a centralized treasury system.

#### Credit risk

Credit risk represents the Company's exposure to potential losses arising from non-fulfillment of commercial obligations by counterparties.

In order to limit this risk, the Company constantly monitors the individual customer positions, analyzes the expected cash flows and those that actually do to engage promptly any recovery actions.

In addition, the Company entered into a credit insurance policy to further limit the risk of the same.

The Impairment losses on receivables are calculated on the basis of the risk of counterparty default, determined considering the information available on the solvency of the counterparty, the historical data and the coverage provided by credit insurance policy. The book value of receivables is reduced indirectly by setting up a fund.

Single significant positions, for which there is objective evidence of partial or total uncollectibility are written down individually. The amount of depreciation is calculated taking into account the information available on the solvency of the counterparty, the historical data, the estimated recoverable future cash flows and the date of collection, and the burden and cost of recovery.

The positions that are not written down individually are included in groups with similar characteristics in terms of credit risk written down on a collective basis according to percentage that increases the overdue period.

#### Liquidity risk

Liquidity risk is the risk that available financial resources are not sufficient to meet financial and commercial obligations in the terms and due dates.

Specifically, the Company manages this risk through corporate credit facilities and manages its liquidity through a centralized treasury system that deals with the centralized management of treasury and finance.

#### Market risk

##### *Price risk*

The Company is not exposed to price risk.

#### **Other significant events during the year**

The company is being sued by the competitor company PIAGGIO S.P.A. for alleged violations of patents owned by the same. In this quote the competitor Company requires to ascertain the fact, inhibit the continuation of the same, proceed with the withdrawal of the "Metropolis" model from the market, as well as to proceed with the request for financial penalties.

During the year 2015, the Company, supported by its legal counsel, has rejected all applications for PIAGGIO S.P.A. as it deemed unfounded in fact and in law, by requiring the provision of an expert witness in order to provide its technical opinion on the possible validity and the possible infringement of patents owned by Piaggio.

Technical consultant of the Court was appointed in October 2015. The next hearing will then be held in the month of November 2016.

At present it is not expected to evaluate the outcome of the litigation currently in progress and have not made any provisions for risks.

## **AUDITORS REPORT INDEPENDENT UNDER ARTICLE 14 OF LEGISLATIVE DECREE NO. JANUARY 27, 2010, 39**

Shareholder of Peugeot Motocycles Italia S.p.A.

### **Report on the financial statements**

We have audited the financial statements of the Annex Peugeot Motocycles S.p.A., comprising the balance sheet at 31 December 2015, income statement for the year then ended and the notes.

### **Responsibility of directors for the financial statements**

The directors are responsible for the preparation of financial statements that give a true and fair view in accordance with the Italian regulations governing their preparation.

### **Responsibility of the auditing company**

And our responsibility is to express an opinion on the financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing (ISA Italy) established pursuant to art. 11, paragraph 3, of Legislative Decree no. 27 January 2010, n. 39. Those standards require that we comply with ethical principles and the PLANNING and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

The audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement in the financial statements due to fraud or to conduct or unintentional events. In making those risk assessments, the auditor considers internal control relevant to the preparation of the company's financial statements that give a true and fair view in order to design audit procedures appropriate to the circumstances and not to express an opinion on effectiveness of the entity's internal control. Also the audit includes evaluating the appropriateness of accounting policies

used and the reasonableness of accounting estimates made by management, as well as evaluating the presentation of the financial statements as a whole.

We believe we have obtained sufficient appropriate audit evidence on which to base our judgment.

### **Judgment**

In our opinion, the financial statements give a true and fair view of the financial position of Peugeot Motocycles Italy S.p.A. December 31, 2015 and net income for the year ended on that date, in accordance with the Italian regulations governing their preparation.

### **Report on other legal and regulatory requirements**

#### **Opinion on the consistency of the management report with the financial statements**

We have performed the procedures required in ISA (SA Italy) n. 720B the purpose of expressing, as required by law, an opinion on the consistency of the management report, whose responsibility lies with the administrators of Peugeot Motocycles Italy S.p.A., with the financial statements of Peugeot Motocycles Italy S.p.A. December 31, 2015. In our opinion, the management report is consistent with the financial statements of Peugeot Motocycles Italy S.p.A. December 31, 2015.

## PEUGEOT MOTOCYCLES ITALIA S.P.A.

Company subject to the direction and coordination of PEUGEOT MOTOCYCLES S.A.

Registered Office VIA GALLARATE 199 - 20100 MILANO - Fully paid up share capital  
Euros 2,64,000.00, INR 197,92 lacs

### Notes to the accounts for the year ended 31 December 2015

#### Introduction

Dear Shareholders,

These financial statements, submitted for your examination and approval, highlight a profit for the year of Euros 16,933.00, INR 12.95 lacs.

#### Activities performed and membership of a Group

As you know, your Company works in the sector of motorcycles and, more generally, two-wheeled vehicles.

#### Important events that occurred during the financial year

On 20 January 2015, the PEUGEOT S.A. Company stopped carrying on direction and coordination because, following reorganization of the PSA Group, PEUGEOT S.A. no longer holds the majority of shares in PEUGEOT MOTOCYCLES S.A.

In fact, following a capital increase of PEUGEOT MOTOCYCLES S.A. and transfer of part of the shares held by PEUGEOT S.A., the new majority shareholder of your holding company is the Company established under Luxembourg MAHINDRA TWO WHEELERS EUROPE HOLDING S.A.R.L.

Consequently, the company that currently carries on your direction and coordination is PEUGEOT MOTOCYCLES S.A.

#### Reporting criteria

The following financial statements comply with the provisions of article 2423 and following of the Italian Civil Code, as shown in these Notes to the Accounts, drawn up under article 2427 of the Civil Code, which, under and for the purposes of article 2423, are an integral part of these financial statements.

The financial statement values are in Euro units, and the relevant amounts are rounded to the nearest Euro. Any differences from rounding off have been indicated in the "Euro Rounding Reserve" item included in the Equity items and "Euro rounding" under "Exceptional income and charges" in the Profit and Loss Account (Income Statement).

Pursuant to article 2423, fifth para., Civil Code, the notes to the accounts have been drawn up in Euro units.

The functional currency of the company is measured using the currency of the economic environment in which the company operates. For disclosure purpose at the year end this has been converted into the currency of the ultimate parent company, Indian Rupees, at a pre-determined 'convenient rate'. This is displayed as comparative balances for both the current and prior years.

All foreign currency amounts, including comparatives are translated for convenience into Indian Rupees at the exchange rate of Rs. 74.97 = Euro 1.00 as advised by the ultimate parent entity.

#### Valuation bases

The bases used to draw up the financial statements for the year ended 31 December 2015 do not deviate from those used to draw up the financial statements for the previous year, in particular in the valuations and in the continuity of the same principles.

The financial statement items have been valued following general criteria of prudence and accruals-based accounting, on a going concern basis, and also bearing in mind the economic function of the considered asset or liability item.

Application of the principle of prudence involved individual valuation of the elements making up the single items of the assets or liabilities, to avoid compensations between losses that had to be recognised and profits that are not to be recognised because they have not been realised.

In compliance with the accruals concept, the effect of transactions and other events has been entered in the books and attributed to the financial year to which such transactions and events refer, and not to the year in which the relevant cash transfers physically took place (receipts and payments).

The continuity of application of the valuation bases over time is a necessary element for the purposes of comparability of the company's financial statements in the various financial years.

The valuation took into account the economic function of the considered asset or liability item that expresses the principle of substance over form - mandatory where not expressly in conflict with other specific financial statement regulations - and therefore allowed representation of transactions according to the economic situation underlying the formal aspects.

#### Derogations

No exceptional events occurred during the year which required recourse to the derogations referred to in art. 2423 para 4 of the Italian Civil Code.

#### Fixed assets

##### Tangible assets

These are entered at their purchase cost reduced by permanent impairments in value and adjusted by the corresponding sinking funds.

The value entered in the financial statements considers the incidental expenses and costs incurred for the use of the fixed asset, with the cost reduced by trade discounts and large cash discounts.

The depreciation expenses, charged to the profit and loss account (income statement), have been calculated according to the expected use, destination and economic and technical life of the assets, on the basis of the criterion of their remaining useful lives, a criterion held to be well-represented by the following rates, which are unchanged from the previous financial year:

- signs:	10%
- office machinery:	20%
- computer machinery:	20%
- furniture and fittings:	12%
- equipment materials:	15%
- Cost of office fixtures:	20%

If, irrespective of the depreciation already recorded, there is a permanent impairment in value, the fixed asset is correspondingly written down. If in subsequent financial years, the conditions for the write-down cease to exist, the original value will be restored, adjusted by the depreciation alone.

Fixed assets acquired at no cost are entered at their likely market value plus the costs incurred or to be incurred for including the assets permanently and profitably in the production process.

#### Long-term investments

Long-term investments are valued at cost and are entered at purchase or subscription cost, adjusted where necessary, for permanent impairments in value.

#### Receivables

These are presented at the likely realisable value. Adjustment of the face value of receivables to the estimated realisable value is obtained through the entering of a special provision for bad debts, taking into consideration the general economy, the financial situation of the sector and also the country risk.

#### Payables

These are entered at their face value, modified on the occasion of returns or invoicing adjustments.

#### Accruals and deferrals

These have been determined on an accruals basis for the financial year.

**Left-over stock**

Left-over stock is entered at the lower value between purchase cost, determined with the weighted average cost method, and the realisable value deducible from the state of the market.

As regards the cost configuration adopted for each individual category of goods in stock, we point out that:

- new vehicles have been entered at the specific purchase cost;
- demonstration vehicles have been entered at the specific purchase cost, possibly adjusted to market value deducible from Eurotax.

**Holdings**

Holdings in other companies have been entered at purchase cost.

**Provisions for risks and charges**

Allocations for risks and charges are allocated to cover losses or payables of certain or probable existence, the amount or timing of which could not however be determined at the end of the financial year.

The valuation of such provisions has been made in compliance with the general criteria of prudence and accruals-based accounting, and no provisions without economic justification have been set up for generic risks.

The potential liabilities have been entered in the balance sheet and entered in the funds because they were deemed probable and the amount of the relevant charge could be reasonably estimated.

**Severance pay fund**

This is the actual accrued amount payable to employees in compliance with the law and labour contracts in force, considering all forms of permanent remuneration.

The fund corresponds to the total of the individual indemnities accrued for all employees at the closing date of the financial statements, net of any payments on account, and is equal to the amount which would have had to be paid to employees in the event of termination of employment on that date.

**Income tax**

Taxes are allocated according to the accruals-based accounting system; they therefore represent the provisions for taxes paid or to be paid for the financial year, determined according to current tax rates and regulations.

The expected payable, net of payments made on account, is entered in the "Tax payables" item, while any net receivable is entered in the "Tax receivables" item. Future tax effects regarding temporary differences between the value attributed to an asset or liability according to statutory criteria and the value attributed to these assets or liabilities for tax purposes are determined on the basis of the foreseeable charge/benefit in tax terms, calculated considering the taxable amount and the tax rates expected for the financial year in which the aforesaid differences will be cancelled. The tax effects thus determined are reviewed in each financial year on the basis of new events or more reliable forecasts. The assets for prepaid taxes, where necessary, are entered in compliance with the principle of prudence and only if there is reasonable certainty that, in the financial years into which the deductible temporary differences that led to the entry of prepaid taxes will be carried over, there will be a taxable income no lower than the amount of the differences that will be cancelled out. The prepaid taxes are recorded in the balance sheet (statement of financial position) in the "Receivables for prepaid taxes" item, while the deferred taxes payable, where they exist, are recorded in "Provisions for risks and charges".

**Recognition of revenues**

Revenues from sales of products are recognised at the time of transfer of ownership, which is normally identified with delivery or dispatch of the goods.

Financial revenues and those derived from the supply of services are recognised on an accruals basis.

Revenues and income, costs and charges regarding transactions in foreign currency are calculated at the exchange rate prevailing on the date of the relevant transaction.

**Costs for Research & Development**

These are charged entirely to the profit and loss account (income statement) when incurred.

**Criteria for conversion of values expressed in foreign currency**

The receivables and payables originally expressed in foreign currency, entered according to the exchange rates prevailing at the time they arose, are aligned with the exchange rates prevailing on the balance sheet date.

**Information on financial instruments issued by the company**

Pursuant to art. 2427-bis of the Italian Civil Code, we point out that the company has not issued financial instruments.

**Suspense accounts**

The commitments and risks undertaken by the company have been indicated in the suspense accounts at face value.

Although not affecting the size of the consignee company's equity, third party assets located on the company's premises involve safekeeping, with connected charges, and are indicated at the value deduced from the relevant documentation.

**Employment figures**

There were the following changes in the average number of staff employed by the company, divided by category, compared to the previous financial year.

## MANAGEMENT REPORT FOR THE FINANCIAL YEAR 2015

### 1. Basis of the company

The PEUGEOT MOTOCYCLES DEUTSCHLAND GmbH (Peugeot Motocycles or PMD) is a subsidiary of PEUGEOT MOTOCYCLES S.A. (PMTC), Valentigney/France. The German subsidiary was set up on 1<sup>st</sup> September, 1997 and sells two-wheeled cycles as well as parts and accessory products through a network of authorized dealers.

As at 31<sup>st</sup> December 2015, PMD employed a total workforce of 18 employees in three departments:

- Sales, marketing, finance & administration
- Customer service, parts & accessories
- Field service: The five regional managers live within their respective sales regions, where they serve approx. 400 dealers altogether.

Peugeot Motocycles operates the following website in Germany:

[www.peugeot-scooters.de](http://www.peugeot-scooters.de)

In January 2015, a long-term strategic partnership agreement was signed between the brand Peugeot Scooters and the Indian corporation Mahindra & Mahindra. This has also resulted in a change in our shareholder relations. Mahindra & Mahindra now holds 51% of our share capital, while Automobiles Peugeot holds 49%. This new cooperation assures the required international expansion of our brand Peugeot Scooters (e.g. in India).

The vehicles sold on the German market are built by PMTC in France as well as by our partner Qingqi and by the joint venture company with Qingqi in China. The scooters are transported by GEFCO Deutschland GmbH. The vehicles are delivered directly to the dealers from the central warehouse in France without interim storage by PMD.

As a rule, the prices at which PMD purchases the scooters are defined by the parent company once per year. The same applies to the selling prices for customers (recommended retail price – RRP) which are normally defined by headquarters for the entire year in consultation with the German subsidiary.

### 2. Overall economic and branch-conditioned framework

All in all, the German economy proved stable on average over the year 2015. According to the Federal Statistical Office, gross domestic product after adjustment for price changes was 1.7% higher than in the prior year. The German economy was able above all to profit from a high level of domestic demand. Unemployment totalled 6,4% in Germany in 2015.

Competitive pressure in the German market in which Peugeot Motocycles operates has been considerable in recent years, due to the large number of new products.

This market can be broken down into the following segments (refer to the below mentioned table of market shares as per December 2015):

- Motorized two-wheeled cycles < = 50 cc

According to the industry association Industrierverband Motorrad e.V (IVM), the sales of motorized cycles (altogether 32,648) are 4.5% less than in the prior year.

- Scooters > 50 cc for which licensing is mandatory

With a total of 29,119 vehicles sold, the market volume was 3.0% higher in 2015 than in the prior year.

At first, PMD grew rapidly after being founded in 1997. In recent years, however, the number of units sold has declined considerably. This decline in sales volume was halted for the first time in 2014 – but in 2015 the number of invoices decreased again (TOTAL: 10,022 units).

The brand Peugeot Scooters continues to rank **first** among the brand suppliers in the 50 cc segment in Germany.

The market as a whole is shrinking, as this special sales channel for so-called “cheap scooters” is dwindling more and more. Most of the large brand manufacturers, on the other hand, have been able to increase their market share in this segment.

With regard to the light motor cycles (scooters) for which licensing is mandatory, Peugeot Scooters was not able to reach the same volumes as 2014 – the year of the launch of the new three-wheeled model “Metropolis”.

But the results of PMD in the segment of 125cc scooters were successful – the MAS is going up (+0.2% points).

In addition, PMD realized a TO of € 4,338, INR 3.25 lacs with bicycles including e-bikes of the brand Peugeot Cycles (prior year: € 57,667, INR 43.23 lacs) – the bikes were sold to the motorized two-wheelers dealers in 2015. The company Cycleurope is licensee here and responsible for producing the bicycle collection on behalf of the French parent.

The scooter-business of PMD in generally is lightly behind the good results of 2014.

**3. Position of assets, finance and profit**

Due to the slightly lower sales volume, sales revenue in the 2015 financial year were lower than in 2014, decreasing 5.1% to € 16.0 million, INR 11,995.20 lacs.

The financial year's profit was € 8.8k, INR 6.60 lacs lower than the prior year. A net profit of € 58,385.96, INR 43.77 lacs is reported.

The financial statements are reflected in the following key figures:

- EBIDTA: € 103.1k, INR 77.29 lacs (prior year: € 163.2k, INR 122.35 lacs)
- EBIT: € 100.6k, INR 75.42 lacs (prior year: € 158.5k, INR 118.83 lacs)

- The turnover rate calculated as the ratio of sales to trade receivables equals 55.9 (prior year: 8.1). Receivables management has again improved considerably as a result.
- The return on sales, calculated as the ratio of sales to earnings from current operations, reached a value of 0.48% in 2015 and was lower than the prior year's value (0.57%).

Total assets of PMD amounted to € 1,170k, INR 0.88 lacs in 2015 (prior year: € 3,767k, INR 2,824.12 lacs). Shareholders' equity now totals € 470.7k, INR 352.88 lacs (prior year: € 412.3k, INR 309.10 lacs). The capital ratio, calculated as the ratio of shareholders' equity to total capital, has increased from 10.9% in 2014 to 40.2% in 2015.

At € 286.2k, INR 214.56 lacs, trade receivables are € 1,799.9k, INR 1,349.39 lacs lower than in the prior year; they now account for 24.5% of total assets (prior year: 55.4%).

Of the total assets, 0.0% comprise sums payable to affiliated companies (prior year: 63.1%). These have decrease by € 2,375.8k, INR 1,781.14 lacs.

Our company's liquidity is assured through the provision of funds by the parent company.

The cashflow (net income for the year + depreciation) decreased by € 11.0k, INR 8.25 lacs from € 71.9k, INR 53.90 lacs (prior year) to € 60.9k, INR 45.66 lacs. This development has not affected our liquidity position.

All in all the business development in 2015 is satisfactorily.

**4. Workforce**

On average, the company employed 18 men and women in the financial year 2015 (prior year: 18).

In the financial year 2015, the company provided and realized regular information and further training programmes, such as the following:

- Internal computer training courses
- Product training on new models
- Weekly ZM conference call
- Monthly team discussions
- Quarterly staff meetings

## 5. Risk management, opportunities and risks of future development

Both the motorcycle industry association Industrieverband Motorrad e.V. (IVM) and Peugeot Motocycles Deutschland GmbH expect the year 2016 to develop as follows:

- 50 cc segment: continuing (slight) decrease
- Scooters > 50 cc: same level as in 2015.

PMD increased its recommended retail prices and the transport costs beginning 2016, among other things to take into account higher costs. Several new models like the new sport scooter Speedfight4 and the retro-style scooter Django will become a major source of sales for PMD.

With these new, mostly strong-selling models, Peugeot Motocycles expects to continue to enlarge its share of the <= 50 cc market, as well as in the segment where licensing is mandatory.

From March 2016 onwards, PMD will be the exclusive reseller of "Peugeot Cycle"-bikes in Germany. Reason: The automotive division of Peugeot Cars will stop all commercial activities with the bikes they had before.

Financial risks exist as a matter of principle due to the low capital base. Here, PMD is reliant on support from the parent company PMTC when necessary.

PMD's receivables management is designed and organized in such a way that there are no significant unsecured risks in this sector. With only a few exceptions, receivables from dealers are secured against risk of default through the

SANTANDER Consumer Bank. A standardized dunning process is not implemented, as the control system in combination with weekly direct debits ensures that PMD is always in a position to identify potential solvency problems among the dealers before they arise.

With regard to the future development of our business and company, we do not see any risks threatening the company's survival, nor risks with a major impact on its position of assets, finance and profit.

## 6. Outlook 2016

Taking into account the first market results, we expect a sales volume of around 10,000 units for the whole year 2016.

The first results of the markets shows a more stable 50cc-market than expected; the +50cc-market is at the beginning of the year in line with forecast.

Even there is a commercial focus on high margin scooters, like Speedfight, Django and Metropolis.

The net profit before taxes is expected to reach around € 70k with sales volumes on the level of 2015 and an expected TO of € 16.5 million, INR 12,370.05 lacs (+3%) as a result of the improved model mix and stronger focus on margins and discounts.

## NOTES FOR THE FINANCIAL YEAR 2015

**1. General declarations**

The PEUGEOT Motocycles Deutschland GmbH fulfils the size criteria for a small corporation. The available annual financial statements have been prepared in accordance with §§ 242 et seq. and §§ 264 et seq. of the German Commercial Code (HGB), as well as with the relevant regulations pursuant to the German Limited Liability Companies Act.

The financial year is identical to the calendar year.

The income statement has unchanged been prepared according to the nature of expense method.

To make the presentation clearer, we have reported the remaining term of receivables and accounts payable in the notes instead of in the balance sheet.

The functional currency of the company is measured using the currency of the economic environment in which the company operates. For disclosure purpose at the year end this has been converted into the currency of the ultimate parent company, Indian Rupees, at a pre-determined 'convenient rate'. This is displayed as comparative balances for both the current and prior years.

All foreign currency amounts, including comparatives are translated for convenience into Indian Rupees at the exchange rate of Rs. 74.97 = Euro 1.00 as advised by the ultimate parent entity.

**2. Accounting and valuation principles**

As in the prior year, the following accounting and valuation principles were applied when preparing the annual financial statements.

**2.1. Fixed assets**

**Tangible assets** are balanced at acquisition cost less scheduled depreciation. They are amortized in accordance with their expected useful life.

Since the financial year 2008, minor-value assets with acquisition cost of between INR 0.11 lacs, Euros 150.00 and INR 0.75 lacs, Euros 1,000.00 have been capitalized and written off at 20% of their acquisition cost p.a. over a period of five years. Minor-value assets with acquisition cost of less than INR 0.11 lacs, Euros 150.00 are expensed in the year of purchase.

In the case of financial assets, the profit participation rights are valued at the lower of acquisition cost or fair value.

**2.2. Inventories**

Merchandise are balanced at acquisition cost. Write-downs to the lower market value have been made where necessary.

**2.3. Receivables, other assets and liquid funds**

Receivables, other assets and liquid funds are balanced at face value. Default risks associated with trade accounts receivable have been duly taken into account through individual valuation allowances as at the balance sheet date.

**2.4. Accruals**

The accruals take account of all identifiable risks and uncertain liabilities; they are formed on the basis of anticipated requirements according to reasonable commercial judgement. There are no pension commitments and pre-retirement part-time working agreements.

**2.5. Liabilities**

Accounts payable are shown at their repayment value.

**2.6. Currency translation**

There are no accounts receivable and payable in foreign currency as at the balance sheet date. No transactions were undertaken in foreign currencies during the financial year.

**3. Notes to the balance sheet****3.1. Fixed assets**

Development of the individual asset items with indication of write-downs over the financial year can be seen from the enclosed schedule of fixed asset movements (appended to the Notes).

**3.2. Receivables and other assets**

As in the prior year, all receivables and other assets have a remaining term of less than one year.

Receivables from affiliated companies exist only towards the shareholder. These receivables don't include trade receivables.

**3.3. Accruals**

Other accruals in the amount of INR 439.32 lacs, 586 thousands in euros (prior year: INR 488.80 lacs, 652 thousands in euros) primarily comprise the following:

– Volume and loyalty bonuses for the dealership: INR 350.11 lacs, 467 thousands in euros (prior year: INR 338.11 lacs, 451 thousands in euros)

– Recycling costs, batteries: INR 33.74 lacs, 45 thousands in euros (prior year: INR 33.74 lacs, 45 thousands in euros)

– Holidays not yet taken: INR 9 lacs, 12 thousands in euros (prior year: INR 6 lacs, 8 thousands in euros)

– Other personnel costs: INR 24.74 lacs, 33 thousands in euros (prior year: INR 24.74 lacs, 33 thousands in euros)

– Unpaid invoices: INR 21 lacs, 28 thousands in euros (prior year: INR 32.24 lacs, 43 thousands in euros)

**3.4. Liabilities**

As in the prior year, all accounts payable have a remaining term of less than one year. The liabilities are not secured.

Accounts payable to affiliated companies include trade payables in the amount of INR 866.65 lacs, 1,156 thousands in euros.

**4. Notes to the income statement****4.1. Sales revenue**

The sales (INR 11,990.70 lacs, 15,994 thousands in euros) are essentially attributable to the sale of scooters to dealers (INR 10,734.95 lacs, 14,319 thousands in euros), as well as to the sale of spare parts (INR 838.91 lacs, 1,119 thousands in euros) and bicycles (INR 3 lacs, 4 thousands in euros).

**4.2. Other operating income**

Other operating income in the amount of INR 319.37 lacs, 426 thousands in euros primarily comprises guarantee costs charged to the parent company PEUGEOT Motocycles S.A. ("PMTC") (INR 177.68 lacs, 237 thousands in euros), insurance compensation (INR 15.74 lacs, 21 thousands in euros) and income from the reversal of accruals (INR 11.25 lacs, 15 thousands in euros).

**4.3. Income/expenses relating to other periods**

The result for the financial year 2015 includes income from reversing accruals in the amount of INR 11.25 lacs, 15 thousands in euros.

**5. Other declarations****5.1 Other financial commitments and contingent liabilities**

The company has concluded leases and leasing arrangements. These commitments total INR 201.67 lacs, 269 thousands in euros as at the balance sheet date. A bank guarantee in the amount of INR 17.24 lacs, 23 thousands in euros exists to the benefit of the landlord. The advantage of leases and leasing arrangements lies in the optimization of liquidity. There are no identifiable significant risks.

**5.2 Workforce**

On average, the company employed 17 women and men in the financial year (prior year: 18).

**5.3. Management**

The company's managing directors in the financial year 2015 were:

- Mr. Volker Klein (Diplom-Ingenieur (graduate in engineering science)), Oppenheim
- Mr. Xavier Delpech de Saint Guilhem (Finance Director, Peugeot Motocycles S.A.), Mandure (France)

Concerning the remuneration of the management the option permitted by § 286 (4) of the German Commercial Code (HGB) is exercised.

**5.4. Parent company**

PMD is a wholly owned (100%) subsidiary of **Peugeot Motocycles S.A., Valentigney Mandure/France**, and included in their (sub-) consolidated financial statements. The company belongs to the group **Mahindra & Mahindra Limited, Mumbai/India**, which prepares the top-level consolidated financial statements.

These consolidated financial statements are available at the companies' head office.

## INDEPENDENT AUDITORS' REPORT

### TO THE MEMBERS OF MAHINDRA DEFENCE SYSTEMS LIMITED

#### Report on the Financial Statements

We have audited the accompanying financial statements of **MAHINDRA DEFENCE SYSTEMS LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under Section 143(11) of the Act.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016, and its loss and its cash flows for the year ended on that date.

#### Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards prescribed under Section 133 of the Act.
  - (e) On the basis of the written representations received from the directors as on March 31, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016 from being appointed as a director in terms of Section 164(2) of the Act.
  - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure "A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company does not have any pending litigations which would impact its financial position.
    - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses- Refer Note 36 to the financial statements.
    - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in Annexure "B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

## ANNEXURE “A” TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in paragraph 1 (f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

### Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **MAHINDRA DEFENCE SYSTEMS LIMITED** (“the Company”) as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit

opinion on the Company’s internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

**ANNEXURE “B” TO THE AUDITORS’ REPORT**

**(Referred to in paragraph 2 under ‘Report on Legal and Regulatory Requirements’ section of our report of even date)**

- (i) In respect of its fixed assets:
- (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets.
- (b) The fixed assets were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
- (c) The Company does not have any immovable properties of freehold or leasehold land and building and hence reporting under clause 3(i)(c) of the Order is not applicable.
- (ii) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals other than for inventories lying with third party at the end of the year for which confirmation have been obtained and no material discrepancies were noticed on physical verification.
- (iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Companies Act, 2013.
- (iv) According to the information and explanations given to us, the Company has complied with the provisions of Section 186 of the Companies Act, 2013 in respect of making investments during the year. The Company has not granted any loans or provided guarantees and securities during the year.
- (v) According to the information and explanations given to us, the Company has not accepted any deposits during the year. Therefore, the provisions of the clause 3(v) of the Order are not applicable to the Company.
- (vi) According to the information and explanations given to us, the maintenance of cost records under Section 148(1) of the Companies Act, 2013 is not applicable to the Company.
- (vii) According to the information and explanations given to us, in respect of statutory dues:
- (a) The Company has generally been regular in depositing undisputed statutory dues, including Provident fund, Income-tax, Sales Tax, Service Tax, Customs Duty, Value Added Tax, cess and other material statutory dues applicable to it with the appropriate authorities. As explained to us, statutory dues on account of Employees’ State Insurance and Excise Duty are not applicable to the Company. There were no undisputed amounts payable in respect of Provident fund, Income-tax, Sales Tax, Service Tax, Customs Duty, Value Added Tax, cess and other material statutory dues in arrears as at March 31, 2016 for a period of more than six months from the date they became payable.
- (b) There are no dues of Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty and Value Added Tax as on March 31, 2016 on account of disputes.
- (viii) In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of borrowings to bank. The Company has not taken any loans or borrowings from financial institutions and government and has not issued any debentures during the year.
- (ix) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under clause 3(ix) of the Order is not applicable.
- (x) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company by its officers or employees has been noticed or reported during the year.
- (xi) According to the information and explanations given to us, there is no managerial remuneration payable during the year and hence reporting under clause 3(xi) of the Order is not applicable.
- (xii) The Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under clause 3(xiv) of Order is not applicable to the Company.
- (xv) In our opinion and according to the information and explanations given to us, during the year, the Company has not entered into any non-cash transactions with its directors or persons connected with him and hence provisions of Section 192 of the Companies Act, 2013 are not applicable.
- (xvi) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

## Notes forming part of the financial statements

### 1.1 Corporate information

Mahindra Defence Systems Limited is a Public Limited Company incorporated on July 30, 2012 under the Companies Act, 1956. The Company is a wholly owned subsidiary of Mahindra & Mahindra Limited. The Company is engaged in design, development, manufacture, supply, dealing, operating, trading, overhaul, repair, maintenance and service of all kinds of defence vehicle and other defence equipment including training to armed forces people through specific equipments. The Company is also engaged in business of consultancy, training, implementation, management and audit in the areas of information security, physical security, homeland security, critical infrastructure security, IT systems & network security, applications security, web & software security, change management & training, business continuity, disaster recovery, governance, loss prevention, fraud risk management, forensics, third party assessment and other allied areas with the objective of derisking the business and mitigation of loss arising from such security Risks.

### 1.2 Significant accounting policies

#### i Basis of accounting and preparation of financial statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, as applicable and the relevant provisions of the Companies Act, 2013 ("the 2013 Act")/Companies Act, 1956 ("the 1956 Act"), as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

#### ii Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialise.

#### iii Inventories

Inventories are valued at the lower of cost and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads and, where applicable, excise duty.

#### iv Depreciation and amortization

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.:

Vehicles – 5 years

Two wheeler – 5 years

Mobiles – 2 years

Humidity Monitor – 7 years

Any asset of less than Rs. 5000 – In the year of purchase

Depreciation on additions to fixed assets is provided on pro-rata basis from the month the assets are put to use. Depreciation on sale/deduction from fixed assets is provided for up to the date of sale, deduction, and discardment as the case may be.

Intangible assets comprising of technical knowledge and development expenditure, etc. are amortised over a period of three years or less depending on the estimated useful life of the assets remaining as at balance sheet date.

The estimated useful life of the intangible assets and amortization period are reviewed at the end of each financial year and the amortisation period is revised to reflect the changed pattern.

#### v Revenue recognition

Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the dispatch of goods to customers. Sales include excise duty but exclude sales tax, value added tax and service tax.

Revenues from contracts priced on a time and material basis are recognised when services are rendered and related costs are incurred. Revenues from turnkey contracts, which are generally time bound fixed price contracts, are recognised over the life of the contract using the proportionate completion method, with contract costs determining the degree of completion. Foreseeable losses on such contracts are recognised when probable.

Revenues from maintenance contracts are recognised pro-rata over the period of the contract.

Interest income is accounted on accrual basis, dividend income is accounted for when right to receive it is established. Other income is accounted on accrual basis.

#### vi Fixed assets (Tangible/Intangible)

Fixed assets are carried at cost less accumulated depreciation and impairment losses, if any. The cost of fixed assets comprises its purchase price, including any import duties and other taxes (other than those subsequently recoverable from the taxing authorities), and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates. Subsequent expenditure relating to fixed assets is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

#### vii Foreign currency transactions and translations

Foreign currency transactions are recorded at the rates of exchange prevailing on the date of the transactions. Exchange differences on translation of foreign currency assets and liabilities and realised gains and losses on foreign exchange transactions are recognised in the Statement of profit and loss.

Premium/discount on forward exchange contracts, which are not intended for trading or speculation purposes, are amortised over the period of the contracts if such contracts relate to monetary items as at the Balance Sheet date. Any Profit or loss arising on cancellation or renewal of such a forward exchange contract is recognized as income or as expenses in the period in which such cancellation or renewal is made.

#### viii Investments

Long-term investments are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Costs of investment include acquisition charges such as brokerage, fees and duties.

#### xi Employee benefits

Employee benefits include provident fund, post-retirement medical benefit, gratuity and compensated absences.

#### Defined contribution plans

The Company's contribution to provident fund is considered as defined contribution plans and is charged as an expense as it fall due based on the amount of contribution required to be made and when services are rendered by the employees.

Defined benefit plans

For defined benefit plans in the form of gratuity and post-retirement medical benefit, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each Balance Sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation.

Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits includes performance, incentives and compensated absences which are expected to accrue within twelve months after the end of the period in which the employee rendered the related services.

Long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the Balance Sheet date.

**x Earnings per share**

Basic earnings per share is computed by dividing the profit/(loss) after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit/(loss) after tax as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations.

**xi Taxes on income**

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and tax provisions of the Income Tax Act, 1961.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

**xii Provisions and contingencies**

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognized in the financial statements.

**xiii Service tax Input credit**

Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is reasonable certainty in availing/utilising the credits.

**xiv Lease**

Assets leased by the Company in its capacity as a lessee, where substantially all the risks and rewards of ownership vest in the Company are classified as finance leases. Such leases are capitalised at the inception of the lease at the lower of the fair value and the present value of the minimum lease payments and a liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each year.

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals under operating leases are recognised in the Statement of Profit and Loss as per the lease terms.

**xv Cash and Cash equivalent**

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

**xvi Cash flow statement**

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

**xvii Operating Cycle**

Based on the nature of products/activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

**xviii Impairment of assets**

The carrying values of assets/cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss.

**27 Segment reporting**
**A Business segments**

Based on the guiding principles given in Accounting Standard (AS) - 17 'Segment Reporting' prescribed under Section 133 of the Companies Act, 2013, the Company's business segments include : Defence products and service, Non-defence products and services.

**B Geographical segments**

Since the Companies activities/operations are primarily within the country and considering the nature of products/services it deals in, the risks and returns are same and as such there is only one geographical segment.

**C Segment accounting policies**

In addition to the significant accounting policies applicable to the business segment as set out in note A above, the accounting policies in relation to segment accounting are as under:

**a Segment assets and liabilities**

Segment assets include all operating assets used by a segment and consist principally of operating cash, debtors, inventories, investments and fixed assets, net of allowances and provisions which are reported as direct offsets in the balance sheet. Segment liabilities include all operating liabilities and consist principally of creditors and accrued liabilities. Segment assets and liabilities do not include share capital, reserves and surplus, income-tax (current and deferred tax) and certain other assets and liabilities not allocable to the segments on a reasonable basis. While most of the assets/liabilities can be directly attributed to individual segments, the carrying amount of certain assets/liabilities pertaining to two or more segments are allocated to the segments on a reasonable basis.

**b Segment revenue and expenses**

Joint revenue and expenses of segments are allocated amongst them on a reasonable basis. All other segment revenue and expenses are directly attributable to the segments.

**c Unallocated expenses**

Unallocated expenses represent general administrative expenses, head-office expenses and other expenses that arise at the Company level and relate to the Company as a whole. As such, these expenses have not been considered in arriving at the segment results.

## ANNEXURE I TO THE DIRECTORS' REPORT

### I. POLICY FOR REMUNERATION OF THE DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES

#### Purpose

This Policy sets out the approach to Compensation of Directors, Key Managerial Personnel and other employees in Defence Land Systems India Limited.

#### Policy Statement

We have a well-defined Compensation policy for Directors, Key Managerial Personnel and all employees, including the Chairman, Presidents and other Members of the Group Executive Board who are employees of the Company. The overall compensation philosophy which guides us is that in order to achieve global leadership and dominance in domestic markets, we need to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in the business.

In order to effectively implement this, we have built our Compensation structure by a regular annual benchmarking over the years with relevant players across the industry we operate in.

#### NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS:

The Governance, Nomination and Remuneration Committee (GNRC) shall decide the basis for determining the compensation, both Fixed and variable, to the Non Executive Directors, including Independent Directors, whether as commission or otherwise. The GNRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and Clause 49 of the Listing Agreement with Stock Exchanges and such other factors as the GNRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

#### Executive Directors:

The remuneration to Chairman & Managing Director and Executive Director(s) shall be recommended by GNRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of their appointment, the variable compensation will be determined annually by the GNRC based on their performance.

#### Key Managerial Personnel (KMPs)

The terms of remuneration of Chief Financial Officer (CFO) shall be determined by the Audit Committee from time to time. The terms of remuneration of the Company Secretary shall be finalised/revised either by any Director or Mr. Rajeev Dubey or Mr. V. S. Parthasarathy or Mr. S. Durgashankar or such other person as may be authorised by the Board from time to time. The remuneration shall be consistent with the competitive position of the salary for similar positions in the industry and their Qualifications, Experience, Roles and Responsibilities. Pursuant to the provisions of Section 203 of the Companies Act 2013 the Board shall approve the remuneration at the time of their appointment.

The remuneration to directors, KMPs and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

#### Employees

We follow a differential approach in choosing the comparator basket for benchmarking, depending upon the level in the organization:

- For all employees from Operational to Executive Band, we benchmark with a set of comparators from the same industry.
- For Strategic band and above, we have a position-based approach and the comparator basket includes benchmarks from across relevant industries.

We have a CTC (Cost to Company) concept which includes a fixed component (Guaranteed Pay) and a variable component (Performance pay). The percentage of the variable component increases with increasing hierarchy levels, as we believe employees at higher positions have a far greater impact and influence on the overall business result. The CTC is reviewed once every year and the compensation strategy for positioning of individuals takes into consideration the following elements:

- Performance
- Potential
- Criticality
- Longevity in grade

Remuneration for the new employees other than KMPs and Senior Management Personnel will be decided by the HR, in consultation with the concerned business unit head at the time of hiring, depending upon the relevant job experience, last compensation and the skill-set of the selected candidate.

The Company may also grant Stock Options to the Employees and Directors (other than Independent Directors and Promoter) in accordance with the ESOP Scheme of the Company and subject to the compliance of the applicable statutes and regulations.

## II. POLICY ON APPOINTMENT OF DIRECTORS AND SENIOR MANAGEMENT AND SUCCESSION PLANNING FOR ORDERLY SUCCESSION TO THE BOARD AND THE SENIOR MANAGEMENT

### DEFINITIONS

The definitions of some of the key terms used in this Policy are given below:

“**Board**” means Board of Directors of the Company.

“**Company**” means DEFENCE LAND SYSTEMS INDIA LIMITED.

“**Committee(s)**” means Committees of the Board for the time being in force.

“**Employee**” means employee of the Company whether employed in India or outside India including employees in the Senior Management Team of the Company.

“**HR**” means the Human Resource department of the Company.

“**Key Managerial Personnel**” (KMP) refers to key managerial personnel as defined under the Companies Act, 2013 and includes:

- (i) Managing Director (MD), or Chief Executive Officer (CEO); or Manager; or Whole time Director (WTD);
- (ii) Chief Financial Officer (CFO); and
- (iii) Company Secretary (CS).

“**Governance Nomination and Remuneration Committee**” (GNRC) means Governance Nomination and Remuneration Committee of Board of Directors of the Company for the time being in force.

“**Senior Management**” means personnel of the Company who are members of its Core Management Team excluding Board of Directors comprising of all members of management one level below the executive directors including the functional heads.

### I. APPOINTMENT OF DIRECTORS

- The GNRC reviews and assesses Board composition and recommends the appointment of new Directors. In evaluating the suitability of individual Board member, the GNRC shall take into account the following criteria regarding qualifications, positive attributes and independence of director:
  1. All Board appointments will be based on merit, in the context of the skills, experience, independence and knowledge, for the Board as a whole to be effective.
  2. Ability of the candidates to devote sufficient time and attention to his professional obligations as Independent Director for informed and balanced decision making.
  3. Adherence to the Code of Conduct and highest level of Corporate Governance in letter and in spirit by the Independent Directors.

- Based on recommendation of the GNRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board through the Chairman & Managing Director will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new Director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act 2013 and Rules made thereunder.

### REMOVAL OF DIRECTORS

If a Director is attracted with any disqualification as mentioned in any of the applicable Act, rules and regulations thereunder or due to non-adherence to the applicable policies of the company, the GNRC may recommend to the Board with reasons recorded in writing, removal of a Director subject to the compliance of the applicable statutory provisions.

### SENIOR MANAGEMENT PERSONNEL

The GNRC shall identify persons who are qualified to become directors and who may be appointed in senior management team in accordance with the criteria laid down above.

Senior Management personnel are appointed or promoted and removed/relieved with the authority of Chairman & Managing Director based on the business need and the suitability of the candidate. The details of the appointment made and the personnel removed one level below the Key Managerial Personnel during a quarter shall be presented to the Board.

## II. SUCCESSION PLANNING:

### Purpose

The Talent Management Policy sets out the approach to the development and management of talent in the Mahindra Group to ensure the implementation of the strategic business plans of the Group and the Group Aspiration of being among the Top 50 globally most-admired brands by 2021.

### Board:

The successors for the Independent Directors shall be identified by the GNRC at least one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor will be appointed at the earliest but not later than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

The successors for the Executive Director(s) shall be identified by the GNRC from among the Senior Management or through external source as the Board may deem fit.

The GNRC will accord due consideration for the expertise and other criteria required for the successor.

The Board may also decide not to fill the vacancy caused at its discretion.

### Senior Management Personnel:

A good succession-planning program aims to identify high growth individuals, train them and feed the pipelines with new talent. It will ensure replacements for key job incumbents in KMPs and senior management positions in the organization.

Significantly, we have a process of identifying Hi-pots and critical positions. Successors are mapped for these positions at the following levels:

1. Emergency successor
2. Ready now
3. Ready in 1 to 2 years
4. Ready in 2 to 5 years
5. Ready in more than 5 years

in order to ensure talent readiness as per a laddered approach.

### Policy Statement

The Talent Management framework of the Mahindra Group has been created to address three basic issues:

- 1) Given the strategic business plans, do we have the skills and competencies required to implement them? If not, how do we create them – by developing them internally or through lateral induction from outside?
- 2) For critical positions, what is the succession pipeline?
- 3) What are the individual development plans for individuals both in the succession pipeline as well as others?

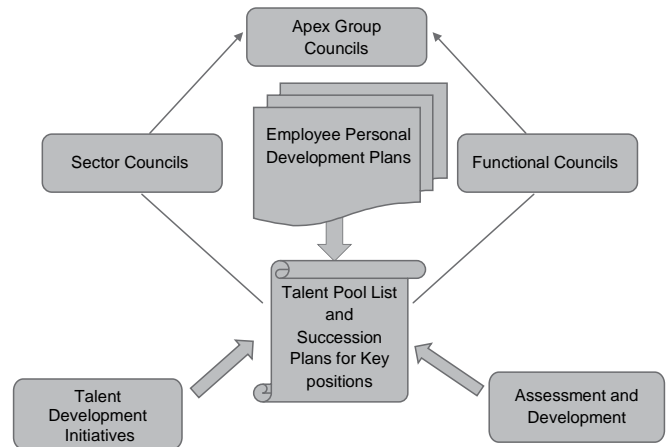

The framework lays down an architecture and processes to address these questions using the 3E approach:

- a) **Experience** i.e. both long and short-term assignments. This has 70% weightage
- b) **Exposure** i.e. coaching and mentoring – 20% weightage
- c) **Education** i.e. learning and development initiatives – 10% weightage

The Talent Management process is applicable to all employees. Over the years, the Talent Management framework has become a well-structured and process-oriented system which is driven by an interactive and

collaborative network of Talent Councils at the Group and Sector Levels. These Talent Councils, which consist mainly of Senior business leaders supported by HR, are a mix of Sector (Business) and Functional Councils coordinated by an Apex Talent Council, headed by the Group Chairman. The Apex Council reviews the work done by the Talent Councils and facilitates movement of talent across Sectors. The Sector/Functional Councils meet regularly throughout the year and the Apex Council interacts with each one of them separately once a year, and in addition conducts an integrated meeting where the Chairpersons of all the Councils are present.

The Talent Management process can be represented pictorially as under:

The talent pipeline is maintained and developed so as to ensure that there is a seamless flow of talent. An important part of this exercise is drawing up and implementing IDAPs (Individual Development Action Plans) for every Executive concerned using the 3E approach mentioned above.

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF DEFENCE LAND SYSTEMS INDIA LIMITED

#### Report on the Financial Statements

We have audited the accompanying financial statements of **DEFENCE LAND SYSTEMS INDIA LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act, as applicable.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under Section 143(11) of the Act.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the

Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016, and its loss and its cash flows for the year ended on that date.

#### Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards prescribed under Section 133 of the Act, as applicable.
  - (e) On the basis of the written representations received from the directors as on March 31, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016 from being appointed as a director in terms of Section 164(2) of the Act.
  - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in **Annexure "A"**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in

our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 27 (i) of the financial statements.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses- Refer Note 43 to the financial statements.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company- Refer Note 44 to the financial statements.

2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in **Annexure "B"** a statement on the matters specified in paragraphs 3 and 4 of the Order.

## ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

### **Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **DEFENCE LAND SYSTEMS INDIA LIMITED** (“the Company”) as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditor’s Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit

opinion on the Company’s internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

## ANNEXURE TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2 under "Report on Other Legal and Regulatory Requirements" section of our report of even date)

- (i) In respect of its fixed assets:
- (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets.
- (b) The fixed assets were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and the records examined by us and based on the examination of the registered sale deed provided to us, we report that, the title deed, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the balance sheet date.
- (ii) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals other than for inventories lying with third parties at the end of the year for which confirmations have been obtained in most of the cases.
- (iii) The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the Register maintained under Section 189 of the Act.
- (iv) The Company has not granted any loans, made investments or provided guarantees and securities under Section 185 and 186 of the Companies Act, 2013 and hence reporting under clause (iv) of the CARO 2016 Order is not applicable.
- (v) According to the information and explanations given to us, the Company has not accepted any deposit during the year within the meaning of Section 73 to 76 or any other relevant provisions of the Act.
- (vi) The maintenance of cost records has not been specified by the Central Government under Section 148(1) of the Act.
- (vii) According to the information and explanations given to us in respect of statutory dues:
- (a) Apart from Service Tax dues of Rs. 70.28 lacs which for reasons explained in detail in note 36 of the financial statement are outstanding for a period exceeding six months as at the year end, the Company has generally been regular in depositing all undisputed statutory dues, including Provident Fund, Employees State Insurance, Income-Tax, Sales

Tax, Customs Duty, Excise Duty, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities. There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Customs Duty, Excise Duty, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2016 for a period of more than six months from the date they became payable.

- (b) There are no disputed dues in respect of Income-tax, Sales Tax, Service Tax, Customs Duty and Value Added Tax which have not been deposited. Details of dues of Excise Duty which have not been deposited as on March 31, 2016 on account of disputes are given below:

Name of Statute	Nature of Dues	Forum where dispute is pending	Amount (in Rs.)*	Amount Paid under protest (in Rs.)	Period to which the amount relates
Central Excise Act	Excise Duty	CESTAT	104,549,611	22,533,137	2010-2014

\* Amount as per demand orders including interest and penalty wherever indicated in the order.

- (viii) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of dues to bank. The Company has neither taken any loans or borrowings from financial institutions and government nor has it issued any debentures during the year.
- (ix) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under clause (ix) of the CARO 2016 Order is not applicable.
- (x) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no fraud on the Company by its officers or employees has been noticed or reported during the year.
- (xi) In our opinion and according to the information and explanations given to us, the Company has paid managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act, 2013.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the CARO 2016 Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us the Company is in compliance with Section 188 and 177 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.

(xiv) During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under clause (xiv) of CARO 2016 is not applicable to the Company.

(xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with him and hence provisions of section 192 of the Companies Act, 2013 are not applicable.

(xvi) The Company is not required to be registered under Section 45-I of the Reserve Bank of India Act, 1934.

## Notes forming part of the financial statements

### 1. Corporate Information

Defence Land Systems India Limited (the Company) is engaged in the manufacturing of bulletproof and other special application vehicles meant for defence purposes which are primarily used by Defence forces, State Police forces, VIP and VVIP security. The registered office of the Company is in Mumbai and manufacturing facility in Palwal.

### 2. Significant accounting policies

#### 2.1 Basis of accounting and preparation of financial statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act"). The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

#### 2.2 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialise.

#### 2.3 Inventories

Inventories are valued at the lower of cost and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads and, where applicable, excise duty.

#### 2.4 Cash flow statement

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

#### 2.5 Depreciation and amortisation

Depreciable amount for assets is the cost of an asset, less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, etc.:

- Certain items of plant and machinery – 1 to 8 years
- Vehicles – 5 years.
- Assets costing less than 5,000 each are fully depreciated in the year of capitalization.

Intangible assets are amortised over their estimated useful life as follows:

- Computer Software: 3 years
- Designs and prototypes: 5 years

Depreciation on addition to fixed assets is provided on pro-rata basis from the month the assets are put to use. Depreciation on sale/deduction from fixed assets is provided for up to the date of sale, deduction, discardment as the case may be.

The estimated useful life of the intangible assets and the amortisation period are reviewed at the end of each financial year and the amortisation period is revised to reflect the changed pattern.

#### 2.6 Revenue recognition

Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the dispatch of goods to customers. Sales include excise duty but exclude sales tax, value added tax and service tax. Income on service contracts is recognized as per the terms of contracts on an accrual basis.

#### 2.7 Other income

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive it is established.

#### 2.8 Fixed Assets (Tangible/Intangible)

Fixed assets are carried at cost less accumulated depreciation/amortization and impairment losses, if any. The cost of fixed assets includes incidental expenses incurred up to that date. Subsequent expenditure relating to fixed assets is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Fixed assets acquired and put to use for project purpose are capitalised and depreciation thereon is included in the project cost till commissioning of the project.

#### Capital work-in-progress

Projects under which assets are not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost and related incidental expenses.

#### Intangible assets under development

Expenditure on Research and development (Refer Note 34) eligible for capitalisation are carried as Intangible assets under development where such assets are not yet ready for their intended use.

#### 2.9 Foreign currency transactions and translations

Transactions denominated in foreign currencies are recorded at the exchange rates prevailing on the date of the transaction.

Monetary items denominated in foreign currencies at the year-end are translated at the exchange rates prevailing on the Balance Sheet date. Non-monetary items denominated in foreign currencies are carried at cost. Any income or expense on account of exchange differences either on settlement or on translation of transactions are charged to the Statement of Profit and Loss.

#### 2.10 Investments

Current investments are carried individually, at the lower of cost and fair value. Costs of investments include acquisition charges such as brokerage, fees and duties.

#### 2.11 Employee benefits

Employee benefits include provident fund, employee state insurance scheme, gratuity, compensated absences and post-employment medical benefits.

## Notes forming part of the financial statements

### Defined contribution plans

The Company's contribution to provident fund, employee state insurance scheme, etc are considered as defined contribution plans and are charged as an expense as they fall due based on the amount of contribution required to be made and when services are rendered by the employees.

### Defined benefit plans

For defined benefit plans in the form of gratuity and Post-retirement medical benefits, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each Balance Sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation.

### Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service.

### Long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the Balance Sheet date.

### 2.12 Leases

Lease rentals in respect of assets that are in the nature of operating leases are expensed with reference to lease terms.

### 2.13 Earnings per share

Basic earnings per share is computed by dividing the profit/(loss) after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit/(loss) after tax as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

### 2.14 Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws

and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

### 2.15 Research and development expenses

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products are also charged to the Statement of Profit and Loss unless a product's technical feasibility has been established, in which case such expenditure is capitalised. The amount capitalised comprises expenditure that can be directly attributed or allocated on a reasonable and consistent basis to creating, producing and making the asset ready for its intended use. Fixed assets utilised for research and development are capitalised and depreciated in accordance with the policies stated for Fixed Assets.

### 2.16 Impairment of assets

The carrying values of assets/cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss.

### 2.17 Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes.

### 2.18 Provision for warranty

The estimated liability for product warranties is recorded when products are sold. These estimates are established using historical information on the nature, frequency and average cost of warranty claims and management estimates regarding possible future incidence based on corrective actions on product failures.

### 2.19 Operating Cycle

Based on the nature of products/activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

36. The Company, inter alia, is into the business of bullet proofing and fabrication of vehicles. It carries out such work on vehicles that are either registered in the name of its customers or which are yet to be registered in the name of customers and hence are unregistered.

Up to 31st December 2011, the Company treated the work carried out on registered vehicles as job work and paid Works Contract tax on them while in respect of unregistered vehicles, since work was performed by the Company prior to their sales, it was considered as manufacture and excise duty was paid on them. However, in the year 2012, the Company was legally advised that the determination of the taxes payable should not to be based on whether the work is carried out on registered or unregistered vehicles, but on the basis of the actual nature of work performed on the vehicles. On this basis, the Company was advised, that certain activities of the company are classifiable as 'Services' which will attract Service tax and certain others as 'Manufacture' on which Excise duty is payable. Although, the Company had good reasons to believe that its practices as above were right, as a matter of abundant caution, it had changed over to a revised method of paying Excise duty and Service tax with effect from 1st January 2012. Further, based on its revised practice, it had provided for the possible exposure of service tax amounting to Rs. 70.28 lacs for the period upto 31st December 2011 as per the revised method to be deposited on receipt of clarification sought from the concerned authorities.

In the year 2013, the concerned tax authorities had taken up the matter and after reviewing the activities carried out by the Company, had concluded that all the activities are in the nature of Manufacture and raised an excise duty demand cum show cause notice on the Company. Based thereon, the Company is paying except in case of one product where it has, based on legal advice, submitted to the concerned authorities that the activity performed by it is not in the nature of manufacturing activity and involves rendering of services on which service tax is payable. The management is confident of matter being resolved in its favor and has decided not to pay service tax amounting to Rs. 70.28 lacs pertaining to the period till 31st December 2011 provided for in the year 2012 till further response is received from the concerned tax authorities. The amount is fully provided in the books of accounts including interest for delayed payments.

37. The details of disputed excise duty as on March 31, 2016 which have not been deposited are as follows:

## ANNEXURE I TO THE DIRECTORS' REPORT

### I. POLICY FOR REMUNERATION OF THE DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES

#### Purpose

This Policy sets out the approach to Compensation of Directors, Key Managerial Personnel and other employees in Mahindra Defence Naval Systems Private Limited.

#### Policy Statement

We have a well-defined Compensation policy for Directors, Key Managerial Personnel and all employees, including the Chairman, Presidents and other Members of the Group Executive Board who are employees of the Company. The overall compensation philosophy which guides us is that in order to achieve global leadership and dominance in domestic markets, we need to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in the business.

In order to effectively implement this, we have built our Compensation structure by a regular annual benchmarking over the years with relevant players across the industry we operate in.

#### NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS:

The Governance, Nomination and Remuneration Committee (GNRC) shall decide the basis for determining the compensation, both Fixed and variable, to the Non Executive Directors, including Independent Directors, whether as commission or otherwise. The GNRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and Clause 49 of the Listing Agreement with Stock Exchanges and such other factors as the GNRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

#### Executive Directors:

The remuneration to Chairman & Managing Director and Executive Director(s) shall be recommended by GNRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of their appointment, the variable compensation will be determined annually by the GNRC based on their performance.

#### Key Managerial Personnel (KMPs)

The terms of remuneration of Chief Financial Officer (CFO) shall be determined by the Audit Committee from time to time. The terms of remuneration of the Company Secretary shall be finalised/revised either by any Director or Mr. Rajeev Dubey or Mr. V. S. Parthasarathy or Mr. S. Durgashankar or such other person as may be authorised by the Board from time to time. The remuneration shall be consistent with the competitive position of the salary for similar positions in the industry and their Qualifications, Experience, Roles and Responsibilities. Pursuant to the provisions of Section 203 of the Companies Act 2013 the Board shall approve the remuneration at the time of their appointment.

The remuneration to directors, KMPs and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

#### Employees

We follow a differential approach in choosing the comparator basket for benchmarking, depending upon the level in the organization:

- a. For all employees from Operational to Executive Band, we benchmark with a set of comparators from the same industry.
- b. For Strategic band and above, we have a position-based approach and the comparator basket includes benchmarks from across relevant industries.

We have a CTC (Cost to Company) concept which includes a fixed component (Guaranteed Pay) and a variable component (Performance pay). The percentage of the variable component increases with increasing hierarchy levels, as we believe employees at higher positions have a far greater impact and influence on the overall business result. The CTC is reviewed once every year and the compensation strategy for positioning of individuals takes into consideration the following elements:

- Performance
- Potential
- Criticality
- Longevity in grade

Remuneration for the new employees other than KMPs and Senior Management Personnel will be decided by the HR, in consultation with the concerned business unit head at the time of hiring, depending upon the relevant job experience, last compensation and the skill-set of the selected candidate.

The Company may also grant Stock Options to the Employees and Directors (other than Independent Directors and Promoter) in accordance with the ESOP Scheme of the Company and subject to the compliance of the applicable statutes and regulations.

## II. POLICY ON APPOINTMENT OF DIRECTORS AND SENIOR MANAGEMENT AND SUCCESSION PLANNING FOR ORDERLY SUCCESSION TO THE BOARD AND THE SENIOR MANAGEMENT

### DEFINITIONS

The definitions of some of the key terms used in this Policy are given below.

The details of the appointment made and the personnel removed one level below the Key Managerial Personnel during a quarter shall be presented to the Board.

### II. SUCCESSION PLANNING:

#### Purpose:

The Talent Management Policy sets out the approach to the development and management of talent in the Mahindra Group to ensure the implementation of the strategic business plans of the Group and the Group Aspiration of being among the Top 50 globally most-admired brands by 2021.

#### Board:

The successors for the Independent Directors shall be identified by the GNRC atleast one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor will be appointed at the earliest but not later than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

The successors for the Executive Director(s) shall be identified by the GNRC from among the Senior Management or through external source as the Board may deem fit.

The GNRC will accord due consideration for the expertise and other criteria required for the successor.

The Board may also decide not to fill the vacancy caused at its discretion.

**Senior Management Personnel:**

A good succession-planning program aims to identify high growth individuals, train them and feed the pipelines with new talent. It will ensure replacements for key job incumbents in KMPs and senior management positions in the organization.

Significantly, we have a process of identifying Hi-pots and critical positions. Successors are mapped for these positions at the following levels:

1. Emergency successor
2. Ready now
3. Ready in 1 to 2 years
4. Ready in 2 to 5 years
5. Ready in more than 5 years

in order to ensure talent readiness as per a ladder approach.

**Policy Statement**

The Talent Management framework of the Mahindra Group has been created to address three basic issues:

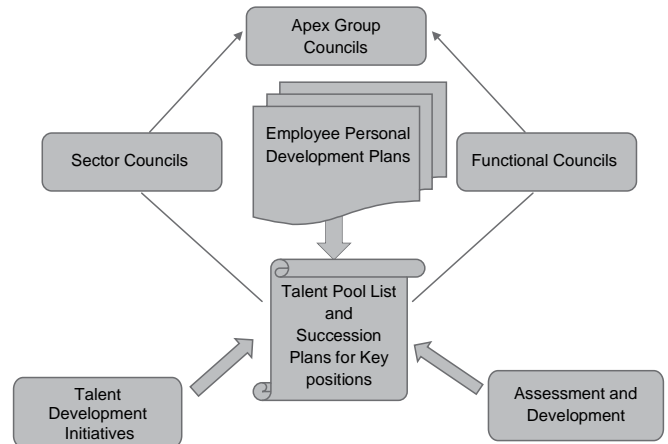

- 1) Given the strategic business plans, do we have the skills and competencies required to implement them? If not, how do we create them – by developing them internally or through lateral induction from outside?
- 2) For critical positions, what is the succession pipeline?
- 3) What are the individual development plans for individuals both in the succession pipeline as well as others?

The framework lays down an architecture and processes to address these questions using the **3E** approach :

- a) **Experience** i.e. both long and short-term assignments. This has 70% weightage
- b) **Exposure** i.e. coaching and mentoring – 20% weightage
- c) **Education** i.e. learning and development initiatives – 10% weightage

The Talent Management process is applicable to all employees. Over the years, the Talent Management framework has become a well-structured and process-oriented system which is driven by an interactive and collaborative network of Talent Councils at the Group and Sector Levels. These Talent Councils, which consist mainly of Senior business leaders supported by HR, are a mix of Sector (Business) and Functional Councils coordinated by an Apex Talent Council, headed by the Group Chairman. The Apex Council reviews the work done by the Talent Councils and facilitates movement of talent across Sectors. The Sector/Functional Councils meet regularly throughout the year and the Apex Council interacts with each one of them separately once a year, and in addition conducts an integrated meeting where the Chairpersons of all the Councils are present.

The Talent Management process can be represented pictorially as under:

The talent pipeline is maintained and developed so as to ensure that there is a seamless flow of talent. An important part of this exercise is drawing up and implementing IDAPs (Individual Development Action Plans) for every Executive concerned using the 3E approach mentioned above.

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF

### MAHINDRA DEFENCE NAVAL SYSTEMS PRIVATE LIMITED

#### Report on the Financial Statements

We have audited the accompanying financial statements of **MAHINDRA DEFENCE NAVAL SYSTEMS PRIVATE LIMITED** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act, as applicable.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under Section 143 (11) of the Act.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the

auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and its loss and its cash flows for the year ended on that date.

#### Report on Other Legal and Regulatory Requirements

- 1) As required by Section 143 (3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards prescribed under Section 133 of the Act, as applicable.
  - (e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
  - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of

the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company disclosed the impact of pending litigations on its financial position in its financial statements- Refer note 25 to the financial statements.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

- 2) As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

## ANNEXURE “A” TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in Paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

### Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **MAHINDRA DEFENCE NAVAL SYSTEMS PRIVATE LIMITED** (“the Company”) as of 31<sup>st</sup> March, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## ANNEXURE “B” TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in paragraph 2 under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

- (i) In respect of its fixed assets:
- (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The fixed assets were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
- (c) The Company does not have any immovable properties of freehold or leasehold land and building and hence reporting under clause 3(i)(c) of the Order is not applicable.
- (ii) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals and no material discrepancies were noticed on physical verification.

## Notes forming part of the financial statements

### 1. Corporate Information:

Mahindra Defence Naval Systems Private Limited ("the Company") was incorporated on 18<sup>th</sup> May, 2012. The Company is in the business of manufacturing products of Underwater Armament applications for Indian Navy in addition to supporting indigenisation efforts of Ordnance Factories and providing R&D support to Defence Research and Development Organisation in the fields of Composites, Mechanical and Electronics.

The Company is 100% subsidiary of the Mahindra Defence Systems Limited.

### 2. Statement of Significant accounting policies:

#### (a) Basis of Accounting

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

#### (b) Operating Cycle

Based on the nature of products/activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

#### (c) Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialise.

#### (d) Inventories:

Inventories are valued at the lower of cost and the net realisable value. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. In determining the cost of raw materials, components, stores and spares and loose tools the moving weighted average cost method is used. Cost of work in progress and manufactured finished goods include the combined cost of material, labour and production overheads.

#### (e) Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

#### (f) Cash flow statement

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

#### (g) Depreciation and amortisation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

Assets costing less than Rs. 5,000 each are fully depreciated in the year of capitalization.

#### (h) Revenue Recognition

**Sale of goods:** Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Sales include excise duty but exclude sales tax and value added tax.

**Sale of Services:** Income from services rendered is accounted for when services are rendered as per contract terms.

#### (i) Other Income

Dividend income is accounted for when the right to receive it is established. Interest Income is accounted on accrual basis.

#### (j) Fixed Assets (Tangible)

Fixed assets are carried at cost less accumulated depreciation and impairment losses, if any. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use.

#### (k) Foreign Currency transactions

Transactions in foreign currencies are recorded at the exchange rates prevailing on the date of the transaction. Monetary assets and liabilities are translated at year end exchange rates and the profit/loss so determined and also the realised exchange gains/losses are recognised in the Statement of Profit and Loss.

#### (l) Investments

Current investments are carried individually, at the lower of cost and fair value.

#### (m) Employee Benefits:

Employee benefits include gratuity, provident fund, post employment medical benefits and compensated absences under the approved scheme of the company.

**Defined Contribution Plan:** The Company's contribution to provident fund is considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

**Defined Benefit Plan:** For defined benefit plans in the form of gratuity fund and post-employment medical benefits, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur.

**Short-term employee benefits:** The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

**Long term employee benefits:** Compensated absences which are not expected to occur within twelve months after the end

of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the balance sheet date less the fair value of the plan assets out of which the obligations are expected to be settled. Long Service Awards are recognised as a liability at the present value of the defined benefit obligation as at the balance sheet date.

**(n) Earnings per share**

Basic earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

**(o) Taxes on Income:**

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets are reviewed at each balance sheet date for their realisability.

Current and deferred tax relating to items directly recognised in reserves are recognised in reserves and not in the Statement of Profit and Loss.

**(p) Provisions and contingencies**

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements.

**(q) Provision for warranty**

The estimated liability for product warranties is recorded when products are sold. These estimates are established using historical information on the nature, frequency and average cost of warranty claims and management estimates regarding possible future incidence based on corrective actions on product failures.

As per the terms of the contracts, the Company provides post-contract services/warranty support to some of its customers. The Company accounts for the post-contract support/provision for warranty on the basis of the information available with the Management duly taking into account the current and past technical estimates.

**Note 30 - CHANGE IN THE METHOD OF DEPRECIATION**

During the previous year, pursuant to the notification of Schedule II to the Companies Act, 2013 with effect from April 1, 2014, the Company changed its method of depreciation for certain categories of fixed assets from written down value (WDV) method to straight line method (SLM). Consequent to this change, all assets are now being depreciated under SLM. The Company also revised the estimated useful life of some of its assets to align the useful life with those specified in Schedule II. Further, assets individually costing Rs. 5,000/- or less that were depreciated fully in the year of purchase are now depreciated based on the useful life considered by the Company for the respective category of assets. The details of previously applied depreciation method, rates/useful life are as follows:

Asset	Previous depreciation method	Previous useful life	Revised useful life based on SLM
Computers and Data Processing Equipment	SLM	6.2 years	3 years
General Plant and Machinery	SLM	21 years	15 years
Furniture and Fixtures	SLM	15.9 years	10 years
Office Equipment	SLM	5 years	5 years
Vehicles	SLM	6.8 years	5 years

Pursuant to the transition provisions prescribed in Schedule II to the Companies Act, 2013, the Company has fully depreciated the carrying value of assets (determined after considering the change in the method of depreciation from WDV to SLM), net of residual value, where the remaining useful life of the asset was determined to be nil as on April 1, 2014, and has adjusted an amount of Rs. 4,98,197/- (net of deferred tax of Rs. 153,943/-) against the opening Surplus balance in the Statement of Profit and Loss under Reserves and Surplus.

The depreciation expense in the Statement of Profit and Loss for the previous year is higher by Rs. 877,084/- consequent to the above change in the useful life of the assets.

## ANNEXURE I TO THE DIRECTORS' REPORT

### I. POLICY FOR REMUNERATION OF THE DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES

#### Purpose

This Policy sets out the approach to Compensation of Directors, Key Managerial Personnel and other employees in Mahindra Telephonics Integrated Systems Limited ("MTIS").

#### Policy Statement

The Mahindra Group has a well-defined Compensation policy for Directors, Key Managerial Personnel and all employees, including the Chairman, Presidents and other Members of the Group Executive Board who are employees of the Company. The overall compensation philosophy which guides us is that in order to achieve global leadership and dominance in domestic markets, we need to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in the business.

In order to effectively implement this, we have built our Compensation structure by a regular annual benchmarking over the years with relevant players across the industry we operate in.

#### Non-executive including Independent Directors

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both Fixed and variable, to the Non-Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and Clause 49 of the Listing Agreement with Stock Exchanges (where applicable) and such other factors as the NRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

#### Executive Directors

The remuneration to Chairman &/or Managing Director and Executive Director(s) shall be recommended by NRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of their appointment, the variable compensation will be determined annually by the NRC based on their performance.

#### Key Managerial Personnel (KMPs)

The terms of remuneration of Chief Financial Officer (CFO) shall be determined by the NRC from time to time. The terms of remuneration of the Company Secretary shall be finalised/ revised either by any Director or such other person as may be authorised by the Board from time to time. The remuneration shall be consistent with the competitive position of the salary for similar positions in the industry and their Qualifications, Experience, Roles and Responsibilities. Pursuant to the provisions of Section 203 of the Companies Act 2013 the Board shall approve the remuneration at the time of their appointment.

The remuneration to directors, KMPs and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

#### Employees

We follow a differential approach in choosing the comparator basket for benchmarking, depending upon the level in the organization:

- a. For all employees from Operational to Executive Band, we benchmark with a set of comparators from the same industry.
- b. For Strategic band and above, we have a position-based approach and the comparator basket includes benchmarks from across relevant industries.

We have a CTC (Cost to Company) concept which includes a fixed component (Guaranteed Pay) and a variable component (Performance pay). The percentage of the variable component increases with increasing hierarchy levels, as we believe employees at higher positions have a far greater impact and influence on the overall business result. The CTC is reviewed once every year and the compensation strategy for positioning of individuals takes into consideration the following elements:

- Performance
- Potential
- Criticality
- Longevity in grade

Remuneration for the new employees other than KMPs and Senior Management Personnel will be decided by the HR, in consultation with the concerned business unit head at the time of hiring, depending upon the relevant job experience, last compensation and the skill-set of the selected candidate.

Subject to approval by the Board and Shareholders, as may be applicable, the Employees and Directors (other than Independent Directors) may also be granted Stock Options or equivalent benefits in accordance with the ESOP Scheme or similar scheme as may be approved and subject to the compliance of the applicable statutes and regulations.

## II. POLICY ON APPOINTMENT OF DIRECTORS AND SENIOR MANAGEMENT AND SUCCESSION PLANNING FOR ORDERLY SUCCESSION TO THE BOARD AND THE SENIOR MANAGEMENT

### DEFINITIONS

The definitions of some of the key terms used in this Policy are given below.

“**Board**” means Board of Directors of the Company.

“**Company**” means Mahindra Telephonics Integrated Systems Limited.

“**Committee(s)**” means Committees of the Board for the time being in force.

“**Employee**” means employee of the Company whether employed in India or outside India including employees in the Senior Management Team of the Company.

“**HR**” means the Human Resource department of the Company.

“**Key Managerial Personnel**” (KMP) refers to key managerial personnel as defined under the Companies Act, 2013 and includes:

- (i) Managing Director (MD), or Chief Executive Officer (CEO); or Manager; or Whole time Director (WTD)
- (ii) Chief Financial Officer (CFO); and
- (iii) Company Secretary (CS).

“**Nomination and Remuneration Committee**” (NRC) means Nomination and Remuneration Committee of Board of Directors of the Company for the time being in force.

“**Senior Management**” means personnel of the Company who are members of its Core Management Team excluding Board of Directors comprising of all members of management one level below the executive directors including the functional heads.

### I. APPOINTMENT OF DIRECTORS

- The NRC reviews and assesses Board composition and recommends the appointment of new Directors. In evaluating the suitability of individual Board member, the NRC shall take into account the following criteria regarding qualifications, positive attributes and independence of director:
  1. All Board appointments will be based on merit, in the context of the skills, experience, independence and knowledge, for the Board as a whole to be effective.
  2. Ability of the candidates to devote sufficient time and attention to his professional obligations as Independent Director for informed and balanced decision making
  3. Adherence to the Code of Conduct and highest level of Corporate Governance in letter and in spirit by the Independent Directors

- Based on recommendation of the NRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board through the Chairman &/or Managing Director will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new Director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act 2013 and Rules made thereunder.

### REMOVAL OF DIRECTORS

If a Director is attracted with any disqualification as mentioned in any of the applicable Act, rules and regulations thereunder or due to non - adherence to the applicable policies of the company, the NRC may recommend to the Board with reasons recorded in writing, removal of a Director subject to the compliance of the applicable statutory provisions.

### SENIOR MANAGEMENT PERSONNEL

The NRC shall identify persons who are qualified to become directors and who may be appointed in senior management team in accordance with the criteria laid down above.

Senior Management personnel are appointed or promoted and removed/relieved with the authority of Chairman &/ or Managing Director based on the business need and the suitability of the candidate. The details of the appointment made and the personnel removed one level below the Key Managerial Personnel during a quarter shall be presented to the Board.

## II. SUCCESSION PLANNING

### Purpose

The Talent Management Policy sets out the approach to the development and anagement of talent in the Mahindra Group to ensure the implementation of the strategic business plans of the Group and the Group Aspiration of being among the Top 50 globally most-admired brands by 2021.

### Board

The successors for the Independent Directors shall be identified by the NRC atleast one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor will be appointed at the earliest but not later than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

The successors for the Executive Director(s) shall be identified by the NRC from among the Senior Management or through external source as the Board may deem fit.

The NRC will accord due consideration for the expertise and other criteria required for the successor.

The Board may also decide not to fill the vacancy caused at its discretion.

**Senior Management Personnel**

A good succession-planning program aims to identify high growth individuals, train them and feed the pipelines with new talent. It will ensure replacements for key job incumbents in KMPs and senior management positions in the organization.

Significantly, we have a process of identifying Hi-pots and critical positions. Successors are mapped for these positions at the following levels:

1. Emergency successor
2. Ready now
3. Ready in 1 to 2 years
4. Ready in 2 to 5 years
5. Ready in more than 5 years

in order to ensure talent readiness as per a ladder approach.

**Policy Statement**

The Talent Management framework of the Mahindra Group has been created to address three basic issues:

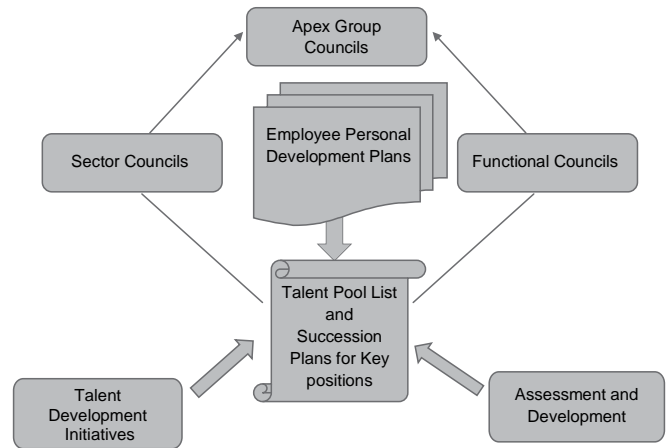

- 1) Given the strategic business plans, do we have the skills and competencies required to implement them? If not, how do we create them – by developing them internally or through lateral induction from outside?
- 2) For critical positions, what is the succession pipeline?
- 3) What are the individual development plans for individuals both in the succession pipeline as well as others?

The framework lays down an architecture and processes to address these questions using the 3E approach:

- a) **Experience** i.e. both long and short-term assignments. This has 70% weightage
- b) **Exposure** i.e. coaching and mentoring – 20% weightage
- c) **Education** i.e. learning and development initiatives – 10% weightage

The Talent Management process is applicable to all employees. Over the years, the Talent Management framework has become a well-structured and process-oriented system which is driven by an interactive and collaborative network of Talent Councils at the Group and Sector Levels. These Talent Councils, which consist mainly of Senior business leaders supported by HR, are a mix of Sector (Business) and Functional Councils coordinated by an Apex Talent Council, headed by the Group Chairman. The Apex Council reviews the work done by the Talent Councils and facilitates movement of talent across Sectors. The Sector/Functional Councils meet regularly throughout the year and the Apex Council interacts with each one of them separately once a year, and in addition conducts an integrated meeting where the Chairpersons of all the Councils are present.

The Talent Management process can be represented pictorially as under:

The talent pipeline is maintained and developed so as to ensure that there is a seamless flow of talent. An important part of this exercise is drawing up and implementing IDAPs (Individual Development Action Plans) for every Executive concerned using the 3E approach mentioned above.

## INDEPENDENT AUDITOR'S REPORT

### To the Members of Mahindra Telephonics Integrated Systems Limited

#### Report on the Financial Statements

We have audited the accompanying financial statements of **MAHINDRA TELEPHONICS INTEGRATED SYSTEMS LIMITED** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2016, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the

information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, its loss, and its cash flows for the year ended on that date.

#### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Sub-section (11) of Section 143 of the Act, we give in the Annexure 1 a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

### Re: Mahindra Telephonics Integrated Systems Limited (‘the Company’)

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) All fixed assets have not been physically verified by the management during the year but there is a regular programme of verification which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given by the management, the title deeds of immovable properties included in fixed assets are held in the name of the Company.
- (ii) (a) The Company’s business does not involve inventories and, accordingly, the requirements under paragraph 3(ii) of the Order are not applicable to the Company.
- (iii) (a) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Companies Act, 2013. Accordingly, the provisions of clause 3(iii)(a), (b) and (c) of the Order are not applicable to the Company and hence not commented upon.
- (iv) In our opinion and according to the information and explanations given to us, there are no loans, investments, guarantees, and securities granted in respect of which provisions of Sections 185 and 186 of the Companies Act, 2013 are applicable and hence not commented upon.
- (v) The Company has not accepted any deposits from the public.
- (vi) To the best of our knowledge and as explained, the Central Government has not specified the maintenance of cost records under clause 148(1) of the Companies Act, 2013, for the services of the Company.
- (vii) (a) The Company is generally regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees’ state insurance, income-tax, sales-tax, wealth-tax, service tax, customs duty, excise duty, value added tax, cess and other material statutory dues applicable to it.
- (b) According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees’ state insurance, income-tax, wealth-tax, service tax, sales-tax, customs duty, excise duty, value added tax, cess and other material statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.
- (c) According to the information and explanations given to us, there are no dues of income tax, sales-tax, wealth tax, service tax, customs duty, excise duty and cess which have not been deposited on account of any dispute.
- (viii) The Company has no outstanding dues to banks, financial institution and debenture holders.
- (ix) According to the information and explanations given by the management, the Company has not raised any money way of initial public offer/further public offer/debt instruments and term loans hence, reporting under clause (ix) is not applicable to the Company and hence not commented upon.
- (x) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given by the management, we report that no fraud by the company or no fraud on the company by the officers and employees of the Company has been noticed or reported during the year.
- (xi) According to the information and explanations given by the management, the provisions of Section 197 read with Schedule V of the Act is not applicable to the company and hence reporting under clause 3(xi) are not applicable and hence not commented upon.
- (xii) In our opinion, the Company is not a nidhi company. Therefore, the provisions of clause 3(xii) of the order are not applicable to the Company and hence not commented upon.
- (xiii) According to the information and explanations given by the management, transactions with the related parties are in compliance with Sections 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards.
- (xiv) According to the information and explanations given by the management the Company has complied with provisions of Section 42 of the Companies Act, 2013 in respect of the private placement of shares during the year. According to the information and explanations given by the management, we report that the amount raised is yet to be used for the purposes for which the funds were raised and the idle/surplus funds amounting to Rs. 179,941,168 which were not required for immediate utilization have been invested in fixed deposits with banks payable on demand. ## ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF MAHINDRA TELEPHONICS INTEGRATED SYSTEMS LIMITED

### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

#### To the Members of Mahindra Telephonics Integrated Systems Limited

We have audited the internal financial controls over financial reporting of Mahindra Telephonics Integrated Systems Limited ("the Company") as of 31<sup>st</sup> March, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016

### 1. Corporate Information

Mahindra Telephonics Integrated Systems Limited (the company) is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The company is formed to develop, manufacture and provide service support for Radar Systems and various kinds of defence electronics systems.

### 2. Basis of preparation

The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards notified under the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

### 2.1 Summary of significant accounting policies

#### a. Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

#### b. Tangible fixed assets

Fixed assets are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gains or losses arising from derecognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

#### c. Depreciation on tangible fixed assets

Depreciation on fixed assets is calculated on a straight-line basis using the rates arrived at based on the useful lives estimated by the management. The company has used the following rates to provide depreciation on its fixed assets.

	Useful Lives estimated by management (years)
Plant and Machinery:	15 years
Office Equipment:	5 years
Computers:	3 years
Furniture and Fixtures:	10 years
Vehicles:	5 years
Mobile Phones:	2 years
Leasehold Improvements:	Shorter of estimated useful life of individual asset or the lease period
Electric Installation & Equipment:	10 years

The management has estimated supported by technical assessment done by professionals employed by the Company the useful lives of following classes of assets:

- i) The useful lives of vehicles are estimated as 5 years. These lives are lower than those indicated in Schedule II.
- ii) The useful lives of mobile phones are estimated as 2 years. These lives are lower than those indicated in Schedule II.

#### d. Leases

Where the company is lessee:

Finance leases, which effectively transfer to the company substantially all the risks and benefits incidental to ownership of the leased item, are capitalized at the inception of the lease term at the lower of the fair value of the leased property and present value of minimum lease payments. Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognized as finance costs in the statement of profit and loss. Lease management fees, legal charges and other initial direct costs of lease are capitalized.

A leased asset is depreciated on a straight-line basis over the useful life of the asset. However, if there is no reasonable certainty that the company will obtain the ownership by the end of the lease term, the capitalized asset is depreciated on a straight-line basis over the shorter of the estimated useful life of the asset or the lease term.

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

#### e. Impairment of tangible assets

The company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

The company bases its impairment calculation on detailed budgets and forecast calculations which are prepared separately for each of the company's cash-generating units to which the individual assets are allocated. These budgets and forecast calculations are generally covering a period of five years. For longer periods, a long term growth rate is calculated and applied to project future cash flows after the fifth year.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

An assessment is made at each reporting date as to whether there is any indication that previously recognized impairment losses may no longer exist or may have decreased. If such indication exists, the company estimates the asset's or cash-generating unit's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the statement of profit and loss unless the asset is carried at a revalued amount, in which case the reversal is treated as a revaluation increase.

**f. Revenue recognition**

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

**Income from services**

Revenue from job-work contract is recognized on completion of service in accordance with terms of service agreement when services are rendered.

**Interest**

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

**g. Foreign currency translation**

Foreign currency transactions and balances

**i) Initial recognition**

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

**ii) Conversion**

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

**iii) Exchange Differences**

Exchange differences arising on the settlement of monetary items, or on reporting such monetary items of company at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

**h. Retirement and other employee benefits**

**i) Provident Fund**

Retirement benefit in the form of provident fund (Contributed to the Regional PF Commissioner) is a defined contribution scheme. The company recognizes contribution payable to the provident fund scheme as expenditure, when an employee renders related service. There are no other obligations other than contribution payable.

**ii) Defined Benefit Plans**

The company operates two defined benefit plans for its employees, viz., and gratuity and post-employment medical benefit liability. The costs of providing benefits under these plans are determined on the basis of actuarial valuation at each year-end. Separate actuarial valuation is carried out for each plan using the projected unit credit method. Actuarial gains and losses for both defined benefit plans are recognized in full in the period in which they occur in the statement of profit and loss.

**iii) Compensated Absences**

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

The company treats accumulated leave expected to be carried forward beyond twelve months, as long term employee benefit for measurement purposes. Such long-term compensated

absences are provided for based on the actuarial valuation using the projected unit credit method at the year-end.

Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred. The company presents the leave as a current liability in the balance sheet; to the extent it does not have an unconditional right to defer its settlement for 12 months after the reporting date. Where company has the unconditional legal and contractual right to defer the settlement for a period 12 months, the same is presented as non-current liability.

**i. Income tax**

Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each reporting date, the company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date. The company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

**j. Earnings Per Share**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

**k. Provisions**

A provision is recognized when the company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle

the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

#### I. Contingent Liability

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

#### m. Cash and Cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short term investments with an original maturity of three months or less.

**20. Deferred Tax Asset/(Liability)**

The Company follows Accounting Standard(AS 22) "Accounting for Taxes on Income" as notified by Companies Accounting Standard Rules,2006. Due to losses, the Company has deferred tax asset with loss and unabsorbed depreciation as a major component. However, deferred tax asset has been recognised only to the extent of deferred tax liability since there is no convincing evidence which demonstrates virtual certainty of realization of such deferred tax asset in the near future accordingly company has prudently decided not to recognise deferred tax asset on such timing differences.

## INDEPENDENT AUDITOR'S REPORT

To the Shareholders  
Mahindra Emirates Vehicle Armouring FZ-L.L.C.  
Ras Al Khaimah, UAE

### Report on the financial statements

We have audited the accompanying financial statements of **Mahindra Emirates Vehicle Armouring FZ-L.L.C. (the "Company")**, which comprise the statement of financial position as at 31 March 2016, and the statements of comprehensive income, changes in equity and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### *Management's responsibility for the financial statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards and their preparation in compliance with the applicable provisions of the UAE Federal Law No. (2) of 2015, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### *Auditor's responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### *Opinion*

In our opinion, the financial statements present fairly, in all material respects, the financial position of **Mahindra Emirates Vehicle Armouring FZ-L.L.C.** as at 31 March 2016 and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards.

#### *Emphasis of matter*

Without qualifying our opinion, we draw attention to Note 2.3 to the financial statements, the INR Amounts in the accompanying financial statements are presented as supplementary information solely for the convenience of users. Such supplementary information does not form part of the financial statements. We have not audited this supplementary information and, accordingly, we do not express an opinion on this supplementary information.

### Report on other legal and regulatory requirements

Further, as required by the UAE Federal Law No. (2) of 2015, we report that:

- i) we have obtained all the information we considered necessary for the purposes of our audit;
- ii) the financial statements have been prepared and comply, in all material respects, with the applicable provisions of the UAE Federal Law No. (2) of 2015;
- iii) the Company has maintained proper books of account;
- iv) the Company has not purchased or invested in any shares during the financial year ended 31 March 2016;
- vi) note 13 to the financial statements discloses material related party transactions, and the terms under which they were conducted; and
- vii) based on the information that has been made available to us, nothing has come to our attention which causes us to believe that the company has contravened during the financial year ended 31 March 2016 any of the applicable provisions of the UAE Federal Law No. (2) of 2015 or of its Articles of Association which would materially affect its activities or its financial position as at 31 March 2016;

### 2. Application of new and revised International Financial Reporting Standards (“IFRSs”)

#### 2.1 New and revised IFRSs applied with no material effect on the financial statements

The following new and revised IFRSs, which became effective for annual periods beginning on or after 1 January 2015, have been adopted in these financial statements. The application of these revised IFRSs has not had any material impact on the amounts reported for the current and prior years but may affect the accounting for future transactions or arrangements.

- Annual Improvements to IFRSs 2010 – 2012 Cycle that includes amendments to IFRS 2, IFRS 3, IFRS 8, IFRS 13, IAS 16, IAS 24 and IAS 38.
- Annual Improvements to IFRSs 2011 – 2013 Cycle that includes amendments to IFRS 1, IFRS 3, IFRS 13 and IAS 40.
- Amendments to IAS 19 Employee Benefits to clarify the requirements that relate to how contributions from employees or third parties that are linked to service should be attributed to periods of service.

#### 2.2 New and revised IFRS in issue but not yet effective

The Company has not yet applied the following new and revised IFRSs that have been issued but are not yet effective:

New and revised IFRSs	Effective for annual periods beginning on or after
IFRS 14 Regulatory Deferral Accounts	1 January 2016
Amendments to IAS 1 <i>Presentation of Financial Statements</i> relating to Disclosure initiative	1 January 2016

IFRS 9 Financial Instruments (revised versions in 2009, 2010, 2013 and 2014)

1 January 2018

IFRS 9 issued in November 2009 introduced new requirements for the classification and measurement of financial assets. IFRS 9 was subsequently amended in October 2010 to include requirements for the classification and measurement of financial liabilities and for derecognition, and in November 2013 to include the new requirements for general hedge accounting. Another revised version of IFRS 9 was issued in July 2014 mainly to include a) impairment requirements for financial assets and b) limited amendments to the classification and measurement requirements by introducing a ‘fair value through other comprehensive income’ (FVTOCI) measurement category for certain simple debt instruments.

A finalised version of IFRS 9 which contains accounting requirements for financial instruments, replacing IAS 39 Financial Instruments: Recognition and Measurement. The standard contains requirements in the following areas:

- **Classification and measurement:** Financial assets are classified by reference to the business model within which they are held and their contractual cash flow characteristics. The 2014 version of IFRS 9 introduces a ‘fair value through other comprehensive income’ category for certain debt instruments. Financial liabilities are classified in a similar manner to under IAS 39, however there are differences in the requirements applying to the measurement of an entity’s own credit risk.
- **Impairment:** The 2014 version of IFRS 9 introduces an ‘expected credit loss’ model for the measurement of the impairment of financial assets, so it is no longer necessary for a credit event to have occurred before a credit loss is recognised
- **Hedge accounting:** Introduces a new hedge accounting model that is designed to be more closely aligned with how entities undertake risk management activities when hedging financial and non-financial risk exposures.
- **Derecognition:** The requirements for the derecognition of financial assets and liabilities are carried forward from IAS 39.

### New and revised IFRSs

IFRS 15 *Revenue from Contracts with Customers*

Effective for annual periods beginning on or after

1 January 2018

In May 2014, IFRS 15 was issued which established a single comprehensive model for entities to use in accounting for revenue arising from contracts with customers. IFRS 15 will supersede the current revenue recognition guidance including IAS 18 *Revenue*, IAS 11 *Construction Contracts* and the related interpretations when it becomes effective.

The core principle of IFRS 15 is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Specifically, the standard introduces a 5-step approach to revenue recognition:

- Step 1: Identify the contract(s) with a customer.
- Step 2: Identify the performance obligations in the contract.
- Step 3: Determine the transaction price.
- Step 4: Allocate the transaction price to the performance obligations in the contract.
- Step 5: Recognise revenue when (or as) the entity satisfies a performance obligation.

Under IFRS 15, an entity recognises when (or as) a performance obligation is satisfied, i.e. when 'control' of the goods or services underlying the particular performance obligation is transferred to the customer. Far more prescriptive guidance has been added in IFRS 15 to deal with specific scenarios. Furthermore, extensive disclosures are required by IFRS 15.

1 January 2018

IFRS 16 *Leases*

1 January 2019

IFRS 16 specifies how an IFRS reporter will recognise, measure, present and disclose leases. The standard provides a single lessee accounting model, requiring lessees to recognise assets and liabilities for all leases unless the lease term is 12 months or less or the underlying asset has a low value. Lessors continue to classify leases as operating or finance, with IFRS 16's approach to lessor accounting substantially unchanged from its predecessor, IAS 17.

Amendments to IFRS 10 *Consolidated Financial Statements* and IAS 28 *Investments in Associates and Joint Ventures* (2011) relating to the treatment of the sale or contribution of assets from and investor to its associate or joint venture

Effective date deferred indefinitely

Management anticipates that these new and revised standards, interpretations and amendments will be adopted in the Company's financial statements for the year beginning 1 April 2016 or as and when they are applicable and adoption of these new standards, interpretations and amendments, may have no material impact on the financial statements of the Company in the period of initial application.

### 2.3 Convenience translation

In addition to presenting the financial statements in AED, supplementary information in INR has been prepared for the convenience of users of the financial statements.

All amounts are translated from AED to INR at the closing exchange rate at 31 March 2016 INR 18.03 to 1 AED (31 March 2015: INR 16.97).

### 3. Summary of significant accounting policies

#### 3.1 Statement of compliance

The financial statements have been prepared in accordance with International Financial Reporting Standards (IFRS).

#### 3.2 Basis of preparation

The financial statements have been prepared on the historical cost basis, except for the revaluation of certain financial instruments. Historical cost is generally based on the fair value of consideration given in exchange for assets.

The principal accounting policies adopted are set out below.

#### 3.3 Revenue recognition

Revenue represents the invoiced value of goods sold during the year, net of discounts and returns.

Revenue from the sale of goods is recognised when all the following conditions are satisfied:

- the Company has transferred to the buyer the significant risks and rewards of ownership of the goods;
- the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- the amount of revenue can be measured reliably;
- it is probable that the economic benefits associated with the transaction will flow to the entity; and
- the costs incurred or to be incurred in respect of the transaction can be measured reliably.

#### 3.4 Property and equipment

Property and equipment are stated at cost less accumulated depreciation and impairment (if any).

The cost of property and equipment is their purchase cost, together with any incidental expenses of acquisition.

Depreciation is charged as to write off the cost of property and equipment, on a straight line basis over the expected useful economic lives of the assets concerned. The useful lives used for this purpose are:

Leasehold improvements	10 years
Machinery and equipment	7-8 years
Prototype	4 years
Motor vehicles	4 years
Furniture and equipment	4 years

The estimated useful lives, residual values and depreciation method are reviewed at each year end, with the effect of any changes in estimate accounted for on a prospective basis.

The gain or loss arising on the disposal or retirement of an asset is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the profit or loss.

#### 3.5 Impairment of tangible assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash generating units, or otherwise they are allocated to the smallest group of cash generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2016 (CONTINUED)

If the recoverable amount of an asset (or cash generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Where an impairment loss subsequently reverses, the carrying amount of the asset (or cash generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

### 3.6 Inventories

Inventories are valued at the lower of cost and net realisable value. Cost is determined on an average cost basis and includes invoiced cost, freight and handling costs. Net realisable value represents the estimated selling price less all estimated costs to be incurred in marketing, selling and distribution.

### 3.7 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the reporting date, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

### 3.8 Employee benefits

#### *Annual leave and leave passage*

An accrual is made for estimated liability for employees' entitlement to annual leave and leave passage as a result of services rendered by eligible employees up to the reporting date.

#### *Provision for employee's end of services benefits*

Provision is made for the full amount of end of service benefits due to employees in accordance with the U.A.E. Labour Law, for their period of service up to the reporting date.

The provision relating to annual leave and leave passage is disclosed as a current liability, while that relating to end of service benefits is disclosed as a non-current liability.

### 3.9 Foreign currency

For the purpose of these financial statements U.A.E Dirhams (AED) is the functional and the presentation currency of the Company.

Transactions in currencies other than AED (foreign currencies) are recorded at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences are recognised in the profit or loss in the period in which they arise.

### 3.10 Leasing

Operating lease payments are recognised as an expense on a straight line basis over the lease term, except where another systematic basis

is more representative of the time pattern in which economic benefits from the leased asset are consumed. Contingent rentals arising under operating leases are recognised as an expense in the period in which they are incurred.

### 3.11 Financial assets

The Company has the following financial assets: Cash and cash equivalents and trade and other receivables (other than prepaid expenses and advance to suppliers). These financial assets are classified as "loans and receivables". The classification depends on the nature and purpose of the financial assets and is determined at the time of initial recognition.

The effective interest method is a method of calculating the amortised cost of a financial asset and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset, or, where appropriate, a shorter period.

#### *Cash and cash equivalents*

Cash and cash equivalents comprise of cash on hand and balance with banks in current accounts, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value.

#### *Loans and receivables*

Loans and other receivables that have fixed or determinable payments that are not quoted in an active market are classified as loans and receivables. Loans and receivables are initially measured at fair value plus transaction costs and subsequently measured at amortised cost, using the effective interest method, less any impairment. Interest income is recognised by applying the effective interest rate, except for short-term receivables when the recognition of interest would be immaterial.

#### *Impairment of financial assets*

Financial assets are assessed for indicators of impairment at the end of each reporting period. Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows of the financial asset have been impacted.

For certain categories of financial asset, such as trade receivables, assets that are assessed not to be impaired individually are subsequently assessed for impairment on a collective basis. Objective evidence of impairment for a portfolio of receivables could include the Company's past experience of collecting payments, an increase in the number of delayed payments in the portfolio past the average credit period, as well as observable changes in national or local economic conditions that correlate with default on receivables.

The carrying amount of the financial asset is reduced by the impairment loss directly for all financial assets with the exception of trade receivables, where the carrying amount is reduced through the use of an allowance account.

When a trade receivable is considered uncollectible, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against the allowance account. Changes in the carrying amount of the allowance account are recognised in profit or loss.

If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed through profit or loss to the extent that the carrying amount of the financial asset at the date the impairment is reversed does not exceed what the amortised cost would have been had the impairment not been recognised.

#### *Derecognition of financial assets*

The Company derecognises a financial asset only when the contractual rights to the cash flows from the asset expire; or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2016 (CONTINUED)

### 3.12 Financial liabilities and equity instruments issued by the Company

#### Classification as debt or equity

Debt and equity instruments are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangement and the definitions of financial liabilities and an equity instruments.

#### Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recorded at the proceeds received, net of direct issue costs.

#### Financial liabilities

Trade and other payables (other than advance from customers) are classified as 'other financial liabilities.'

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability or where appropriate, a shorter period.

#### Other financial liabilities

Other financial liabilities are initially measured at fair value, net of transaction costs and are subsequently measured at amortised cost using the effective interest method, with interest expense recognised on an effective yield basis, except for the short term payable when the recognition of interest would be immaterial.

#### De-recognition of financial liabilities

The Company de-recognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire.

### 4. Critical accounting judgements and key sources of estimation uncertainty

While applying the accounting policies as stated in Note 3, management of the Company has made certain judgements, estimates and assumptions that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognised in the period of the revision in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

#### Critical judgments in applying the accounting policies

In the process of applying Company's accounting policies, the management is of the opinion that there is no instance of application of judgements which is expected to have a significant effect on the amounts recognised in the financial statements, apart from those involving estimations described below.

#### Key sources of estimation uncertainty

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

#### Allowance for slow moving inventories

Management has considered the requirement for an allowance for slow moving inventories. Management estimate the allowance for slow moving and obsolete inventories on the basis of prior experience, physical condition and expected future use of such inventory. Management has determined that there is no slow moving inventory except for provision created as at 31 March 2016.

#### Allowance for doubtful debts

Allowance for doubtful debts is determined using a combination of factors to ensure that the trade receivables are not overstated due to uncollectibility. The allowance for doubtful debts for all customers is

based on a variety of factors, including the overall quality and aging of the receivables, continuing credit evaluation of the customers' financial conditions.

#### Useful lives and residual values of property and equipment

As described in note 3, the Company reviews the estimated useful lives of property and equipment at the end of each annual reporting period. Management has determined that these expectations do not differ from estimates.

The average credit period ranges between 60-90 days. Trade receivables more than 90 days are provided for based on estimated irrecoverable amounts, determined by reference to past default experience in addition to specific provision made on identified customers.

Before accepting any new customer, the Company assesses the potential customer's credit quality and defines credit limits by customer.

Trade receivables disclosed above include amounts that are past due at the end of the reporting period but against which the Company has not recognised an allowance for doubtful receivables because there has not been a significant change in credit quality and the amounts (the receivable is more than 90 days outstanding) are still considered recoverable. The Company does not hold any collateral or other credit enhancements over these balances nor does it have a legal right of offset against any amounts owed by the Company to the counterparty.

The Company have not utilised the facility during the year.

**16. Capital risk management**

The Company manages its capital to ensure that the Company will be able to continue as a going concern while maximising the return to the Shareholder.

The capital structure of the Company consists of cash and cash equivalents and equity, comprising share capital and accumulated losses.

**17. Financial instruments**
**17.1 Significant accounting policies**

Details of the significant accounting policies and methods adopted, including the criteria for recognition, the basis of measurement and the basis on which income and expenses are recognised, in respect of each class of financial asset, financial liability and equity instrument are disclosed in Note 3 to the financial statements.

**17.2 Categories of financial instruments**

Management considers that the carrying amounts of the financial assets and financial liabilities recorded in the financial statements approximate their fair values.

**17.3 Financial risk management objectives**

The Company's Finance Department, co-ordinates access to domestic financial markets, monitors and manages the financial risks relating to the operations of the Group through internal risk reports. These risks include market risk (including currency risk, fair value interest rate risk and price risk), credit risk and liquidity risk.

**17.4 Market risk**

The Company's activities expose it primarily to the financial risks of changes in foreign currency exchange rates and interest rates.

Market risk exposures are measured using sensitivity analysis.

There has been no change to the Company's exposure to market risks or the manner in which it manages and measures the risk.

**17.5 Foreign currency risk management**

There are no significant exchange rate risks as substantially all financial assets and financial liabilities are denominated in Arab Emirates Dirhams or US Dollars to which the Dirham is fixed.

**17.6 Interest rate risk management**

The Company's exposure to interest rate risk is limited to call and short term deposits with banks at fixed interest rates linked to LIBOR. At 31 March 2016 bank deposits carried an interest rate in the range of 0.4% to 0.75% per annum (31 March 2015: 0.5% to 0.75% per annum).

**17.7 Credit risk**

Credit risk refers to the risk that a counter party will default on its contractual obligations resulting in financial loss to the Company, and arises principally from the Company's accounts receivables. The Company has adopted a policy of only dealing with creditworthy counterparties.

The Company attempts to control credit risk by monitoring credit exposures, limiting transactions with specific non-related counter-parties, and continually assessing the creditworthiness of such non-related counter-parties.

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. Approximately 48% (31 March 2015: 57%) of the Company's revenue is attributable to sales transactions with a single customer. The credit risk on liquid funds is limited because the counterparties are banks registered in the United Arab Emirates.

The carrying amount of financial assets recorded in the financial statements represents the Company's maximum exposure to credit risk.

**17.8 Liquidity risk management**

Liquidity risk refers to the risk that an entity will encounter difficulty in meeting obligations associated with its financial liabilities at maturity date.

The Company manages the liquidity risk by maintaining adequate reserves, sufficient cash and cash equivalent and arranging the contributions from the Shareholders to ensure that the funds are available to meet its commitments for liabilities as they fall due. All financial assets and liabilities are expected to be matured within one year from the end of the reporting period.

**18 Approval of the financial statements**

The financial statements were approved by the Directors and authorised for issue 16 May 2016.

We have audited the accompanying financial statements of Mahindra Telecommunications Investment Private Limited ("the Company"), which comprise the balance sheet as at 31 March, 2016, and the statements of profit and loss and cash flow for the year then ended, and a summary of the significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making

those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31 March, 2016, and its profit and its cash flows for the year ended on that date.

#### Report on Other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure I a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
10. As required by Section 143(3) of the Act, we report that:
  - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c. the Balance Sheet, the Statement of Profit and Loss and Cash Flow dealt with by this Report are in agreement with the books of account;
  - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);
  - e. On the basis of written representations received from the directors as on 31 March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2016, from being appointed as a director in terms of Section 164(2) of the Act.

- f. With respect to the adequacy of internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure II.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014(as amended), in our opinion and to the best of our information and according to the explanations given to us:

## ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF MAHINDRA TELECOMMUNICATIONS INVESTMENT PRIVATE LIMITED

### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Mahindra Telecommunications Investment Private Limited ("the Company") as of 31 March, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date

#### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial

statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTES TO ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2016**
**Note 1 Summary of Significant accounting policies:**
**a) Basis of preparation:**

The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The accounts have been prepared on the basis that the Company is regarded as a going concern, and to comply Accounting Standards specified under Section 133 of the Companies Act, 2013, read with rule 7 of the Companies (Accounts) Rules, 2014.

**b) Revenue Recognition:**

Income in the nature of interest is recognized on time proportion basis.

**c) Investments:**

Investments are classified under Non-current and current categories.

'Non-current Investments' are carried at acquisition/amortized cost. A provision is made for diminution other than temporary on an individual basis.

'Current Investments' are carried at the lower of cost or fair value on an individual basis

**d) Taxes on Income:**

Income taxes are accounted for in accordance with Accounting Standard 22 (AS 22) on "Accounting for Taxes on Income" issued by the Institute of Chartered Accountants of India. Tax expense comprises both current and deferred tax.

Current tax is measured at the amount expected to be paid to/recovered from the tax authorities using the applicable tax rates.

Deferred tax assets and liabilities are recognised for future tax consequences attributable to timing differences between taxable income and accounting income that are capable of reversing in one or more subsequent periods and are measured using the relevant enacted tax rates. At each Balance Sheet date, the Company reassesses unrecognised deferred tax assets to the extent they have become reasonably certain or virtually certain of realisation, as the case may be.

Deferred tax assets in respect of accumulated tax losses are not recognised to the extent that there is no virtual certainty or reasonable certainty, as the case may be, supported by convincing evidence that sufficient future tax income will be available against which such deferred tax assets can be realised.

No material changes and commitments have occurred after the closure of current financial year till the date of this report which would affect the financial position of the Company.

**OPERATIONS**

Your Company continues to be the leader in multi brand servicing space with significant lead over the closest competitor. Income during the year under review stood at Rs. 60.6 Crores which is 20% higher as compared to the previous year.

Your Company's Franchise program, which was launched only last year with a strong Franchisee Value Proposition, has issued Letter of Intent ("LOIs") to 288 Franchisees in this year (cumulatively 367) and made 66 Franchisees Operational (cumulatively 102). The Franchise program has been received well by a diverse set of entrepreneurs varying from Original Equipment Manufacturers dealers and independent workshops to partners from non-auto background. Your Company has further strengthened the hub and spoke based spare parts distribution network in financial year 2016 by making 12 hubs operational (22 cumulatively) which has ensured timely availability of spare parts at all its workshops.

With overall network crossing 100 workshops your Company has launched its first ever marketing campaign 'Free Ke Baad First Choice' for improving the brand awareness. This campaign has been very well received by customers, market place, prospective franchisees and suppliers. With increase in scale and increased brand awareness your Company is now being approached by prospective suppliers, insurance companies and fleet companies among others to establish a successful alliance as your Company is the only multi-brand Company with such a wide network coverage.

Owing to all the support provided by your Company, the franchisee partners have been improving their performance with a healthy growth in revenue and customer footfalls month on month. 6 of your Company's franchisee partners own more than one franchisee outlets proving their confidence in the Franchisee Value Proposition.

During the year under review, your Company has closed down 11 Company Owned Company Operated ("COCOs") outlets and transferred 3 COCOs to Franchisees which are now being run as Franchisee Owned Franchisee Operated ("FOFOs") outlets. Your Company's Franchisee partners are expressing keen interest in taking over COCOs and discussions are on for transferring 4 more existing COCOs to prospective franchisee partners.

**DIVIDEND**

In view of the losses, your Directors do not recommend dividend for the year under review.

**OUTLOOK FOR THE CURRENT YEAR**

The Company's strategic focus area in Financial Year 2017 will be:-

- Expand network rapidly through FOFOs and supporting cluster warehouses
- Increasing spare parts sales to Franchisees
- Increasing sales and margins for Private Label Business.
- Innovate in digital space to create value through initiatives like multi brand parts catalogue, Service Estimator and CarworkZ.
- Further strengthen the Pillars of Brand, Spares, Training and Processes through Innovation.

Your Company has plans to start 306 franchisees in financial year 2017. It already has a strong head-start with an opening balance of 251 Franchisee LOIs which are currently under various stages of construction and will become operational this year. Your Company will also focus on improving margins and profitability and focus on steps to improve customer satisfaction. With the above plans your Company is set to cross a revenue of 100 crores in the Financial Year 2017.

### SHARE CAPITAL

During the year under review, the Authorized Share Capital of your Company was increased from Rs. 200 crore to Rs. 250 crore. Further, 4,24,00,000 equity shares of Rs. 10/- each, aggregating Rs. 42,40,00,000 were issued and allotted on rights basis to its Holding Company viz., Mahindra & Mahindra Limited (M&M) and consequently, the paid-up share capital of the Company has increased to Rs. 234.3 crore, divided into 23,43,00,000 Equity Shares of Rs. 10 each.

### SUBSIDIARY COMPANY

Pursuant to the investment/purchase/acquisition of the entire Share Capital of Auto Digitech Private Limited ("the said Company") by your Company, the said Company has consequently become the wholly owned subsidiary of your Company with effect from 29<sup>th</sup> April, 2016.

## ANNEXURE I TO THE DIRECTORS' REPORT

### POLICY ON APPOINTMENT OF DIRECTORS AND SENIOR MANAGEMENT AND SUCCESSION PLANNING FOR ORDERLY SUCCESSION TO THE BOARD AND THE SENIOR MANAGEMENT

#### DEFINITIONS

The definitions of some of the key terms used in this Policy are given below.

“**Board**” means Board of Directors of the Company.

“**Company**” means Mahindra First Choice Services Ltd.

“**Committee(s)**” means Committees of the Board for the time being in force.

“**Employee**” means employee of the Company whether employed in India or outside India including employees in the Senior Management Team of the Company.

“**HR**” means the Human Resource department of the Company.

“**Key Managerial Personnel**” (**KMP**) refers to key managerial personnel as defined under the Companies Act, 2013 and includes:

- (i) Managing Director (MD), or Chief Executive Officer (CEO); or Manager; or Whole time Director (WTD)
- (ii) Chief Financial Officer (CFO); and
- (iii) Company Secretary (CS).

“**Nomination and Remuneration Committee**” (NRC) means Nomination and Remuneration Committee of Board of Directors of the Company for the time being in force.

“**Senior Management**” means personnel of the Company who are members of its Core Management Team excluding Board of Directors comprising of all members of management one level below the executive Directors including the functional heads.

#### I. APPOINTMENT OF DIRECTORS

- The NRC reviews and assesses Board composition and recommends the appointment of new Directors. In evaluating the suitability of individual Board member, the NRC shall take into account the following criteria regarding qualifications, positive attributes and independence of Director:
  1. All Board appointments will be based on merit, in the context of the skills, experience, independence and knowledge, for the Board as a whole to be effective.
  2. Ability of the candidates to devote sufficient time and attention to his professional obligations as Independent Director for informed and balanced decision making.

3. Adherence to the Code of Conduct and highest level of Corporate Governance in letter and in spirit by the Independent Directors.

- Based on recommendation of the NRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board through the Chairman or the Managing Director or any other Director will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new Director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act, 2013 and Rules made thereunder.

#### REMOVAL OF DIRECTORS

If a Director is attracted with any disqualification as mentioned in any of the applicable Act, rules and regulations thereunder or due to non-adherence to the applicable policies of the Company, the NRC may recommend to the Board with reasons recorded in writing, removal of a Director subject to the compliance of the applicable statutory provisions.

#### SENIOR MANAGEMENT PERSONNEL

The NRC shall identify persons who are qualified to become Directors and who may be appointed in senior management team in accordance with the criteria as enumerated above.

Senior Management personnel are appointed or promoted and removed/relieved with the authority of Chairman or Managing Director based on the business need and the suitability of the candidate. The details of the appointment made and the personnel removed one level below the Key Managerial Personnel during a quarter shall be presented to the Board.

#### II. SUCCESSION PLANNING:

##### Purpose

The Talent Management Policy sets out the approach to the development and management of talent in the Mahindra Group to ensure the implementation of the strategic business plans of the Group and the Group Aspiration of being among the Top 50 globally most-admired brands by 2021.

##### Board:

The successors for the Independent Directors shall be identified by the NRC atleast one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor will be appointed at the earliest but not later than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

The successors for the Executive Director(s) shall be identified by the NRC from among the Senior Management or through external source as the Board may deem fit.

The NRC will accord due consideration for the expertise and other criteria required for the successor.

The Board may also decide not to fill the vacancy caused at its discretion.

**Senior Management Personnel:**

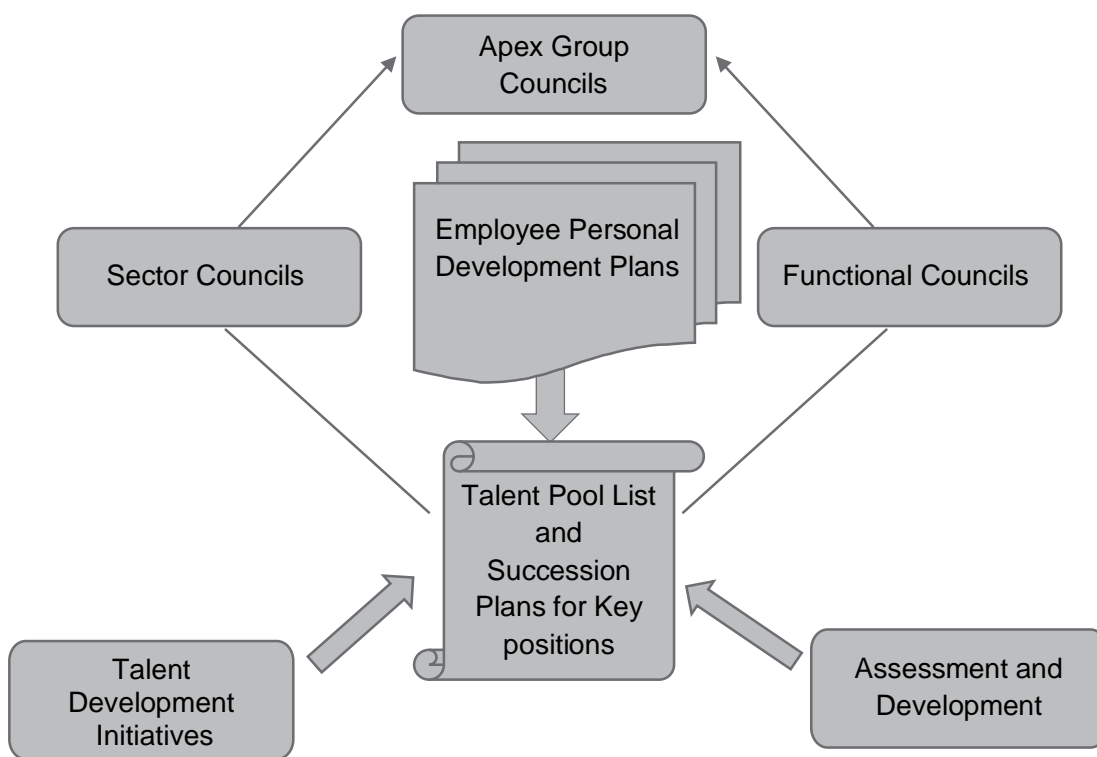

A good succession-planning program aims to identify high growth individuals, train them and feed the pipelines with new talent. It will ensure replacements for key job incumbents in KMPs and senior management positions in the organization.

Significantly, we have a process of identifying Hi-pots and critical positions. Successors are mapped for these positions at the following levels:

1. Emergency successor
2. Ready now
3. Ready in 1 to 2 years
4. Ready in 2 to 5 years
5. Ready in more than 5 years

in order to ensure talent readiness as per a ladder approach.

The Talent Management process can be represented pictorially as under:

The talent pipeline is maintained and developed so as to ensure that there is a seamless flow of talent. An important part of this exercise is drawing up and implementing IDAPs (Individual Development Action Plans) for every Executive concerned using the 3E approach mentioned above.

**POLICY FOR REMUNERATION OF THE DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES**

**Purpose**

This Policy sets out the approach to Compensation of Directors, Key Managerial Personnel and other employees in Mahindra First Choice Services Ltd.

**Policy Statement**

We have a well-defined Compensation policy which is in line with our parent Company Mahindra & Mahindra Ltd. for Managing Director, Manager, Key Managerial Personnel and all employees, of the Company. The overall compensation philosophy which guides us is that in order to achieve global leadership and dominance in domestic markets, we need to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in the business.

**NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS:**

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both fixed and variable, to the Non-Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as Director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and such other factors as the NRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

**Executive Directors:**

The remuneration to Managing Director and Executive Director(s) shall be recommended by NRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of their appointment, the variable compensation will be determined annually by the NRC based on their performance.

**Key Managerial Personnel (KMPs)**

The terms of remuneration of Chief Executive Officer (CEO), Chief Financial Officer (CFO) & Company Secretary (CS) shall be finalised/revised either by any Director or such other person as may be authorized by the Board from time to time. The remuneration shall be consistent with the competitive position of the salary for similar positions in the industry and their Qualifications, Experience, Roles and Responsibilities. Pursuant to the provisions of Section 203 of the Companies Act, 2013 the Board shall approve the remuneration at the time of their appointment.

The remuneration to Directors, KMPs and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.

**Employees**

We follow a differential approach in choosing the comparator basket for benchmarking, depending upon the level in the organization:

- a. For all employees from Operational to Executive Band, we benchmark with a set of comparators from the same industry.
- b. For Strategic band and above, we have a position-based approach and the comparator basket includes benchmarks from across relevant industries.

We have a CTC (Cost to Company) concept which includes a fixed component (Guaranteed Pay) and a variable component (Performance pay). The percentage of the variable component increases with increasing hierarchy levels, as we believe employees at higher positions have a far greater impact and influence on the overall business result. The CTC is reviewed once every year and the compensation strategy for positioning of individuals takes into consideration the following elements:

- Performance
- Potential
- Criticality
- Longevity in grade

Remuneration for the new employees other than KMPs and Senior Management Personnel will be decided by the HR, in consultation with the concerned business unit head at the time of hiring, depending upon the relevant job experience, last compensation and the skill-set of the selected candidate.

The Company may also grant Stock Options to the Employees and Directors (other than Independent Directors and Promoter) in accordance with the ESOP Scheme of the Company and subject to the compliance of the applicable statutes and regulations.

For and on behalf of the Board

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF MAHINDRA FIRST CHOICE SERVICES LIMITED

#### Report on the Financial Statements

We have audited the accompanying financial statements of **MAHINDRA FIRST CHOICE SERVICES LIMITED** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act, as applicable.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under Section 143(11) of the Act.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the

Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and its loss and its cash flows for the year ended on that date.

#### Emphasis of Matter

We draw attention to the following matter in the Notes to the financial statements:

Note 23 in the financial statements which indicates that, the Company has accumulated losses of Rs. 2,257,017,707 and its net worth has been substantially eroded, the Company has incurred a net cash loss during the current and previous years and, the Company's current liabilities exceeded its current assets as at the balance sheet date. These conditions, along with other matters set forth in Note 23, indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. However, the financial statements of the Company have been prepared on a going concern basis for the reasons stated in the said Note.

Our opinion is not modified in respect of this matter.

#### Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards prescribed under Section 133 of the Act, as applicable.
  - (e) The going concern matter described under the Emphasis of Matter paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.

- (f) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2016 from being appointed as a director in terms of Section 164(2) of the Act.
- (g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure A”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.
- (h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 36 of the financial statements.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor’s Report) Order, 2016 (“the CARO 2016”) issued by the Central Government in terms of Section 143(11) of the Act, we give in “Annexure B” a statement on the matters specified in paragraphs 3 and 4 of the Order.

## ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

**(Referred to in paragraph 1 under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)**

### **Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Mahindra First Choice Services Limited (“the Company”) as of 31<sup>st</sup> March, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditor’s Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS

### 1) Corporate Information:

Mahindra First Choice Services Limited (MFCSL) is a wholly owned subsidiary of Mahindra and Mahindra Limited and is part of its group after market sector. MFCSL has service centers across all major cities in India. MFCSL has presence in 18 states/Union Territories namely Andhra Pradesh, Bihar, Chhatisghad, Gujarat, Haryana, Himachal Pradesh, Karnataka, Kerala, Madhya Pradesh, Maharashtra, Pondichery, Punjab, Rajasthan, Tamilnadu, Telangana, Uttar Pradesh, Uttarakhand and West Bengal. The service network includes both Company owned Company operated (COCO) and franchise owned franchise operated outlets.

### 2) Significant Accounting Policies:

#### a) Basis of accounting and preparation of financial statements:

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards prescribed under Section 133 of the Companies Act, 2013 ("the 2013 Act") and the relevant provisions of the 2013 Act. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

#### b) Use of Estimates:

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialise.

#### c) Fixed Assets:

All Tangible fixed assets are stated at cost less depreciation and impairment losses. Costs comprise purchase price net of any trade discounts and rebates and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use and other incidental expenses directly attributable to acquisition of fixed assets up to the date the asset is ready for its intended use.

Intangible Assets are recognized as per criteria specified in Accounting Standard 26 – Intangible Assets.

Fixed assets retired from active use and held for sale are stated at the lower of their net book value and net realisable value and are disclosed separately.

#### Capital work-in-progress:

Projects under which tangible fixed assets are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

#### Intangible assets under development:

Expenditure on Research and development eligible for capitalisation are carried as Intangible assets under development where such assets are not yet ready for their intended use.

#### d) Depreciation:

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated

technological changes, manufacturers warranties and maintenance support, etc.:

Sr. No	Category of assets	Life
(i)	Plant and Machinery	
	– Machinery	10 Years
	– Electrical equipments and tools	06 Years
	– Mobile handsets	02 Years
	– Barcode system & equipment	05 Years
(ii)	Furniture and fittings – movable in nature	06 Years
(iii)	Vehicles	06 Years and 8 months

Leasehold improvements on premises and furniture and fixtures (Immovable in nature) are amortised over the duration of lease.

Assets costing less than Rs. 5,000/- are depreciated at the rate of 100% per annum.

Electronic data processing software are amortised over a period of three years on Straight line Method.

The estimated useful life of the intangible assets and the amortisation period are reviewed at the end of each financial year and the amortisation method is revised to reflect the changed pattern.

#### e) Inventories:

Inventories are valued at the lower of cost and net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Cost is arrived at on weighted average basis.

#### f) Unbilled Revenue:

Unbilled revenue is recognised at the cost of material issued on the job card opened, pending completion of service and hence not billed at the year end.

#### g) Revenue Recognition:

Revenue (income) is recognised when no significant uncertainty as to its measurability and collectability exists.

#### Sale of Goods:

Revenue from sale of spare parts is recognised when spare parts are dispatched or fitted to the vehicle and all significant risks and rewards of ownership of the spare parts are transferred to the customers. Sales are stated net of taxes on sales, sales returns and applicable trade discounts.

#### Income from Services:

Income from services is recognised when services are rendered and related costs are incurred.

#### Franchise Income:

(i) One-time fees is recognised when services are rendered and related costs are incurred prior to the commencement of operations by Franchise.

(ii) Monthly fees are recognised when services are rendered and related costs are incurred after the commencement of operations by Franchise.

#### h) Other Income:

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive is established.

#### i) Employee Benefits:

Employee benefits include provident fund, superannuation fund, employee state insurance scheme, gratuity fund, compensated absences, long service awards and post-employment medical benefits.

##### 1. Short Term Employee Benefits:

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentive

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS

and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

The cost of short-term compensated absences is accounted as under:

- (a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (b) in case of non-accumulating compensated absences, when the absences occur.

### 2. Long Term Benefits:

#### a. Defined Contribution Plan

The Company's contribution to provident fund, superannuation fund and employee state insurance scheme are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

##### i. Provident and Family Pension Fund

The eligible employees of the Company are entitled to receive post-employment benefits in respect of provident and family pension fund, in which both employees and the Company makes monthly contribution at a specified percentage of the employees' eligible salary (currently 12% of employees' eligible salary). The contributions are made to Regional Provident Fund Commissioner. Provident Fund and Family Pension Fund are classified as Defined Contribution Plans as the Company has no further obligations beyond making the contribution. The Company's contribution to Defined Contribution Plans is charged to the Statement of Profit and Loss as incurred.

##### ii. Superannuation

The eligible employees of the Company are entitled to receive post-employment benefits in respect of superannuation fund in which the Company makes yearly contribution at a specified percentage of the employees' eligible salary (currently 15% of employees' eligible salary). The contributions are made to the Life Insurance Corporation of India. Superannuation is classified as Defined Contribution Plan as the Company has no further obligations beyond making the contribution. The Company's contribution to Defined Contribution Plans are charged to the Statement of Profit and Loss as incurred.

#### b. Defined Benefit Plan

For defined benefit plans in the form of gratuity fund, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

##### i. Gratuity

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible

employees. The plan provides a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 days salary payable for each completed year of service or part thereof in excess of six months. Vesting occurs upon completion of five years of service. The Company has obtained insurance policies with the Life Insurance Corporation of India (LIC) and makes an annual contribution to LIC. The Company accounts for gratuity benefits payable in future based on an independent actuarial valuation. Actuarial gains and losses are recognised in the Statement of Profit and Loss.

##### ii. Compensated absences

The Company provides for encashment of leave or leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits, for future encashment/availment. The liability is provided based on the number of days of unutilised leave at each balance sheet date on the basis of an independent actuarial valuation.

##### j) Taxes on Income:

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses, deferred tax assets are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

##### k) Impairment of Assets:

The carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal/external factors. Impairment loss is provided to the extent the carrying amounts of assets exceed their recoverable amount. The impairment loss is recognised as an expense in the Statement of Profit and Loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a revaluation decrease to the extent a revaluation reserve is available for that asset. Recoverable amount is the higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. Net selling price is the amount obtainable from the sale of an asset in an arm's length transaction between knowledgeable, willing parties, less the cost of disposal.

##### l) Provisions and Contingencies:

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed

**NOTES FORMING PART OF THE FINANCIAL STATEMENTS**

in the Notes. Contingent assets are not recognised in the financial statements.

**m) Leases:**

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased assets, are classified as operating leases. Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

**n) Earnings per Share:**

Basic earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits/reverse share splits and bonus shares, as appropriate.

**o) Employee Share Based Payments:**

The Company has constituted an Employee Stock Option Plan by way of Stock Appreciation Rights. Employee Stock Options granted on or after 1st April, 2005 are accounted under the 'Intrinsic Value Method' stated in the Guidance Note on Employee Share Based Payments issued by the Institute of Chartered Accountants of India.

Notes:

- \*Includes numerous items of diverse nature.
- Figures in brackets are the corresponding figures in respect of the previous year.

**34) The company has framed an Employee Benefit scheme which contains "Stock Appreciation Rights" (SAR) for its employees and directors. It is cash-settled scheme. The Board of Director's of the Company has constituted a Remuneration Committee which inter alia will be responsible for the effective implementation and monitoring of SAR.**

During the year, the Company has issued 5,579,048 SARs at an exercise price of Rs. 13/- on 1st August, 2015. The SARs granted shall vest in full after 4 years (1st August, 2019) with an exercise period of 2 years from the date of vesting.

The details of the SARs are as under:

Particulars	Year ended 31st March, 2016	Year ended 31st March, 2015
SARs outstanding at the beginning of the year	22,230,639	19,888,475
SARs granted during the year	5,579,048	4,713,372
SARs lapsed during the year	1,359,355	2,371,208
SARs surrendered & cancelled during the year	-	-
SARs exercised during the year	-	-
SARs vested but not exercised at the end of the year	-	-

The compensation cost of SARs granted to employees is accounted by the Company using the intrinsic value method as below-

Number of SARs	Grant Date	Vesting Date	Reporting date	Intrinsic Value	Exercise Value	Employee compensation cost
14,998,421	1-Aug-12	1-Aug-16	31-Mar-16	11	10	13,735,720
2,010,343	1-Aug-13	1-Aug-17	31-Mar-16	11	10	1,338,853
3,862,520	1-Aug-14	1-Aug-18	31-Mar-16	11	10	1,607,401
5,579,048	1-Aug-15	1-Aug-19	31-Mar-16	11	13	-*
<b>Total</b>						<b>16,681,974</b>

\* The Intrinsic price of the SARs granted on 1st August, 2015, being lower than exercise price, employee compensation cost of SARs granted is NIL.

Had the Company adopted the fair value method of valuing SARs, the employee compensation cost till 31st March 2016 would have been Rs. 65,683,989 (previous year Rs. 5,258,015) and loss for the year would have been higher by Rs. 60,425,973 (previous year Rs. 4,454,942).

The fair value has been calculated using the Black Scholes Merton Model and the significant assumption made in this regards are :

Particulars	Relation
Current Value of Shares	Rs. 11
Exercise Price for SARs granted on 1st August, 2012	Rs. 10
Exercise Price for SARs granted on 1st August, 2013	Rs. 10

Net Worth	7,252.86	8,310.62

No material changes and commitments have occurred after the closure of current financial year till the date of this report which would affect the financial position of the Company.

### OPERATIONS

During the year under review, the Company registered a growth in Revenue of 42% over the previous year. This growth was driven mainly by Franchise business which grew by about 17% by increasing penetration in smaller cities and towns. The channel continues to exhibit a healthy growth in revenues through its offerings like warranty, road side assistance, vehicle procurement assistance services etc. However, planned spends in marketing and sales promotion with an eye on the future have resulted in the Company incurring a loss of Rs. 1,057.76 lakhs during the year.

The Company's online business also witnessed growth during the financial year. While the used vehicle valuation services have been well received by the market, the online price guide too has gained significant acceptance from leading market players. New technology driven products like YMS have added momentum to revenue growth. During the year the Company acquired the Contracts, Intellectual Property and Trade marks of a Delhi based Company engaged in vehicle insurance pre-inspection space.

The IBB website continues to receive tremendous traction and the Company is focused on improving customer experience on the website through calibrated marketing spends.

The Company continues to focus on driving synergies between its online and physical business for long term sustainable growth through hybrid business model.

### DIVIDEND

In view of the accumulated losses and need to conserve resources, your Directors do not recommend dividend for the year under review.

## ANNEXURE I TO THE DIRECTORS' REPORT

### POLICY ON APPOINTMENT OF DIRECTORS AND SENIOR MANAGEMENT AND SUCCESSION PLANNING FOR ORDERLY SUCCESSION TO THE BOARD AND THE SENIOR MANAGEMENT

#### DEFINITIONS

The definitions of some of the key terms used in this Policy are given below.

“**Board**” means Board of Directors of the Company.

“**Company**” means Mahindra First Choice Wheels Ltd.

“**Committee(s)**” means Committees of the Board for the time being in force.

“**Employee**” means employee of the Company whether employed in India or outside India including employees in the Senior Management Team of the Company.

“**HR**” means the Human Resource department of the Company.

“**Key Managerial Personnel**” (KMP) refers to key managerial personnel as defined under the Companies Act, 2013 and includes:

- (i) Managing Director (MD), or Chief Executive Officer (CEO); or Manager; or Whole time Director (WTD)
- (ii) Chief Financial Officer (CFO); and
- (iii) Company Secretary (CS).

“**Nomination and Remuneration Committee**” (NRC) means Nomination and Remuneration Committee of Board of Directors of the Company for the time being in force.

“**Senior Management**” means personnel of the Company who are members of its Core Management Team excluding Board of Directors comprising of all members of management one level below the executive directors including the functional heads.

#### I. APPOINTMENT OF DIRECTORS

- The NRC reviews and assesses Board composition and recommends the appointment of new Directors. In evaluating the suitability of individual Board member, the NRC shall take into account the following criteria regarding qualifications, positive attributes and independence of Director:
  1. All Board appointments will be based on merit, in the context of the skills, experience, independence and knowledge, for the Board as a whole to be effective.
  2. Ability of the candidates to devote sufficient time and attention to his professional obligations as Independent Director for informed and balanced decision making

3. Adherence to the Code of Conduct and highest level of Corporate Governance in letter and in spirit by the Independent Directors

- Based on recommendation of the NRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board through the Chairman or the Managing Director or any other Director will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new Director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act 2013 and Rules made thereunder.

#### REMOVAL OF DIRECTORS

If a Director is attracted with any disqualification as mentioned in any of the applicable Act, rules and regulations thereunder or due to non-adherence to the applicable policies of the Company, the NRC may recommend to the Board with reasons recorded in writing, removal of a Director subject to the compliance of the applicable statutory provisions.

#### SENIOR MANAGEMENT PERSONNEL

The NRC shall identify persons who are qualified to become Directors and who may be appointed in senior management team in accordance with the criteria as enumerated above.

Senior Management personnel are appointed or promoted and removed/relieved with the authority of Chairman or Managing Director based on the business need and the suitability of the candidate. The details of the appointment made and the personnel removed one level below the Key Managerial Personnel during a quarter shall be presented to the Board.

#### II. SUCCESSION PLANNING

##### Purpose

The Talent Management Policy sets out the approach to the development and management of talent in the Mahindra Group to ensure the implementation of the strategic business plans of the Group and the Group Aspiration of being among the Top 50 globally most-admired brands by 2021.

##### Board:

The successors for the Independent Directors shall be identified by the NRC at least one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor will be appointed at the earliest but not later

than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

The successors for the Executive Director(s) shall be identified by the NRC from among the Senior Management or through external source as the Board may deem fit.

The NRC will accord due consideration for the expertise and other criteria required for the successor.

The Board may also decide not to fill the vacancy caused at its discretion.

**Senior Management Personnel:**

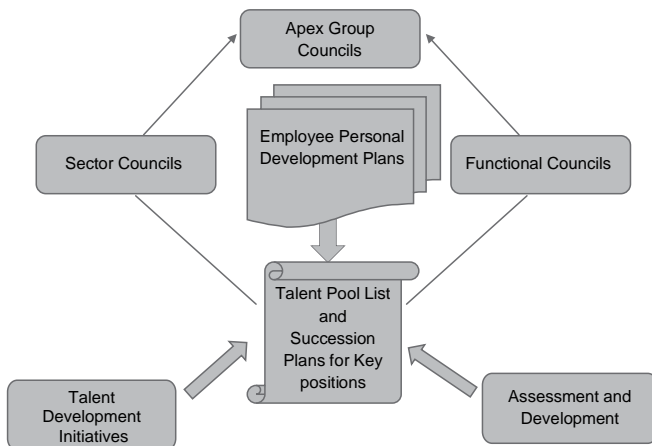

A good succession-planning program aims to identify high growth individuals, train them and feed the pipelines with new talent. It will ensure replacements for key job incumbents in KMPs and senior management positions in the organization.

Significantly, we have a process of identifying Hi-pots and critical positions. Successors are mapped for these positions at the following levels:

1. Emergency successor
2. Ready now
3. Ready in 1 to 2 years
4. Ready in 2 to 5 years
5. Ready in more than 5 years

in order to ensure talent readiness as per a laddered approach.

The Talent Management process can be represented pictorially as under:

The talent pipeline is maintained and developed so as to ensure that there is a seamless flow of talent. An important part of this exercise is drawing up and implementing IDAPs (Individual Development Action Plans) for every Executive concerned using the 3E approach mentioned above.

**POLICY FOR REMUNERATION OF THE DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES**

**Purpose**

This Policy sets out the approach to Compensation of Directors, Key Managerial Personnel and other employees in Mahindra First Choice Wheels Ltd.

**Policy Statement**

We have a well-defined Compensation policy which is in line with our parent Company Mahindra & Mahindra Ltd. for Managing Director, Manager, Key Managerial Personnel and all employees, of the Company. The overall compensation philosophy which guides us is that in order to achieve global leadership and dominance in domestic markets, we need to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in the business.

In order to effectively implement this, we have built our Compensation structure by a regular annual benchmarking over the years with relevant players across the industry we operate in.

**NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS**

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both Fixed and variable, to the Non-Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as Director’s participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and such other factors as the NRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

**Executive Directors**

The remuneration to Managing Director and Executive Director(s) shall be recommended by NRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of their appointment, the variable compensation will be determined annually by the NRC based on their performance.

**Key Managerial Personnel (KMPs)**

The terms of remuneration of Managing Director, Chief Financial Officer (CFO), Company Secretary (CS) & other Key Management personnel, if any, shall be finalised/revised either

by any Director or such other person as may be authorized by the Board from time to time. The remuneration shall be consistent with the competitive position of the salary for similar positions in the industry and their Qualifications, Experience, Roles and Responsibilities. Pursuant to the provisions of section 203 of the Companies Act 2013 the Board shall approve the remuneration at the time of their appointment.

The remuneration to Directors, KMPs and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.

#### **Employees**

We follow a differential approach in choosing the comparator basket for benchmarking, depending upon the level in the organization:

- a. For all employees from Operational to Executive Band, we benchmark with a set of comparators from the same industry.
- b. For Strategic band and above, we have a position-based approach and the comparator basket includes benchmarks from across relevant industries.

We have a CTC (Cost to Company) concept which includes a fixed component (Guaranteed Pay) and a variable component (Performance pay). The percentage of the variable component increases with increasing hierarchy levels, as we believe employees at higher positions have a far greater impact and

influence on the overall business result. The CTC is reviewed once every year and the compensation strategy for positioning of individuals takes into consideration the following elements:

- Performance
- Potential
- Criticality
- Longevity in grade

Remuneration for the new employees other than KMPs and Senior Management Personnel will be decided by the HR, in consultation with the concerned business unit head at the time of hiring, depending upon the relevant job experience, last compensation and the skill-set of the selected candidate.

The Company may also grant Stock Options to the Employees and Directors (other than Independent Directors and Promoter) in accordance with the ESOP Scheme of the Company and subject to the compliance of the applicable statutes and regulations.

**INDEPENDENT AUDITORS' REPORT  
TO THE MEMBERS OF  
MAHINDRA FIRST CHOICE WHEELS LIMITED**

**Report on the Financial Statements**

We have audited the accompanying financial statements of **MAHINDRA FIRST CHOICE WHEELS LIMITED** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

**Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act, as applicable.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

**Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under Section 143(11) of the Act.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required

and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and its loss and its cash flows for the year ended on that date.

**Report on Other Legal and Regulatory Requirements**

1. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards prescribed under Section 133 of the Act, as applicable.
  - (e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2016 from being appointed as a director in terms of Section 164(2) of the Act.
  - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 23 of the financial statements.
    - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
    - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the CARO 2016") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the CARO 2016.

## ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

**(Referred to in paragraph 1 under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)**

**Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Mahindra First Choice Wheels Limited (“the Company”) as of 31st March, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on, the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditor’s Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit

opinion on the Company’s internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## Notes forming part of the financial statements

### 1. Background of the company:

The Company, Mahindra First Choice Wheels Limited, incorporated in 1994, is a subsidiary of Mahindra & Mahindra Limited. It is currently engaged in the business of facilitating trading in used vehicles through its franchise network and electronic platform and providing allied products and services, including online pricing guidance and used vehicle inspection and valuation services.

### 2. Significant Accounting Policies:

#### a. Basis of accounting and preparation of financials statements:

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013 and the relevant provisions of the 2013 Act. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those followed in the previous year.

#### b. Use of estimates:

The preparation of the financial statements, in conformity with the generally accepted accounting principles, requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Differences between actual results and estimates are recognised in the period in which the results are known/ materialised.

#### c. Revenue Recognition:

Revenue from various services are recognised in following manner.

- (i) Franchise fee – On activation of the dealer's account.
- (ii) Commission Income – Recognised on receipt of seller's confirmation for auctions.
- (iii) Vehicle valuation fee – Recognised on release of valuation report.
- (iv) Inspection Fee – Recognised on release of inspection report.
- (v) Other Operating Income:
  - Warranty income – Warranty income is recognized on sale of warranty product of a third party warranty service provider, with no obligations to the company.
  - Other – Occurrence of relevant event or agreement.

#### d. Other Income:

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive it is established.

#### e. Fixed Assets:

##### (i) Tangible Assets:

Tangible Assets are stated at cost less accumulated depreciation and impairment, if any. Costs comprise of purchase price and any directly attributable costs incurred for making the asset ready for its intended use.

##### (ii) Intangible Assets:

Intangible Assets are recognized as per criteria specified in Accounting Standard 26 – Intangible Assets.

##### (iii) Capital work-in-progress:

Capital work-in-progress, including projects under commissioning, are carried at cost comprising direct cost, related incidental expenses and attributable interest.

#### f. Operating Lease:

Assets taken on lease under which, all the risks and rewards of ownership are effectively retained by the lessor are classified as operating leases. Lease rentals under operating leases are recognised in the Statement of Profit and Loss on a straight-line basis.

#### g. Impairment of Assets:

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/ external factors. Impairment loss is provided to the extent the carrying amount of assets exceeds their recoverable amount. Recoverable amount is the higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. Net selling price is the amount obtainable from the sale of an asset in an arm's length transaction between knowledgeable, willing parties, less the cost of disposal.

When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets.

#### h. Depreciation/Amortisation:

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes etc.

- (a) Vehicles which are depreciated over a period of 3 years.
- (b) Telephone and mobile instruments are depreciated over a period of two years based on the estimated useful life.
  - (i) Depreciation on leasehold improvements made in respect of premises taken on lease is provided over the period of the lease.
  - (ii) Cost of Website is amortised over a period of 3-5 years.
  - (iii) Cost of Software is amortised over a period of 5 years from the year of implementation.
  - (iv) Cost of Acquisitions of service contract, Intellectual Property and Non-compete fee amortised over a period of 3 years.

#### i. Investments:

Current investments are carried individually at lower of cost and fair value. Long Term investments (excluding investment property) are carried individually at cost less provision to recognise a decline, other than temporary, in the carrying amount of Long Term investments. Cost of investments includes acquisition charges such as brokerage, fees and duties.

#### j. Inventories:

Trading goods are valued at lower of cost and net realisable value. The cost is determined on a specific identification basis and includes purchase price and incidental expenses i.e. commission/ brokerage, refurbishment cost, etc.

#### k. Foreign Currency Transactions:

Transactions in foreign currencies are recorded at the exchange rates prevailing on the date of transaction. Monetary items are translated at the year-end rates. The exchange difference between the rate prevailing on the date of transaction and on the date of settlement as also on translation of Monetary items at the end of the year, is recognised as income or expense, as the case may be.

#### l. Employee Benefits:

A) Short term employee benefits are recognised as an expense at the undiscounted amount in the Statement of profit and loss of the year in which the related service is rendered.

B) Post employment benefits:

- i) Defined Contribution Plan: Provident and Family Pension Fund

The eligible employees of the Company are entitled to receive post employment benefits in respect of provident and family pension fund, in which both employees and the Company make monthly contributions at a specified percentage of the employees' eligible salary (currently 12% of employees' eligible salary). The contributions are made to Regional Provident Fund Commissioner. Provident Fund and Family Pension Fund are classified as Defined Contribution Plans as the Company has no further obligations beyond making the contribution. The Company's contributions to Defined Contribution Plan are charged to the statement of profit and loss as incurred.

- ii) Defined Benefit Plan: Gratuity (unfunded)

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 days salary payable for each completed year of service or part thereof in excess of six months. Vesting occurs upon completion of five years of service. The

Company accounts the gratuity benefits payable in future based on an independent external actuarial valuation carried out at the end of the year which is determined using the Projected Unit Credit method. Actuarial gains and losses are recognised in the statement of profit and loss. Past service cost is recognised immediately to the extent that the benefits are already vested.

C) Other long-term employment benefits – Compensated Absences

The Company provides for encashment of leave or leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment/availment. The Company makes provision for compensated absences based on an independent external actuarial valuation carried out at the end of the year. Actuarial gains and losses are recognised in the statement of profit and loss.

m. Employee share based payments:

The Company has constituted an Employee Stock Option Plan. Employee Stock Options granted on or after 1 April, 2005 are accounted under the 'Intrinsic Value Method' stated in the Guidance Note on Employee Share Based Payments issued by the Institute of Chartered Accountants of India.

n. Earnings per share:

Basic earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date.

o. Income taxes:

Tax expense comprises of current tax and deferred tax. Current tax is measured at the amount expected to be paid to/ recovered from the tax authorities, using the applicable tax rates, the provisions of income tax Act, 1961 and other applicable tax laws. Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses and items relating to capital losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

Current and deferred tax relating to items directly recognised in reserves are recognised in reserves and not in the Statement of Profit and Loss.

p. Provisions and contingencies:

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements.

<b>24. The Company has framed an Equity settled "Employee Stock Option Scheme" (ESOS) for its employees. It has a trust viz. Mahindra First Choice Wheels Limited Employees' Stock Option Trust" (ESOS trust), which would hold the shares for the benefit of the eligible employees, including Directors of the Company and its subsidiaries. The Company had issued and allotted 3,261,937 Equity Shares of ₹ 10/- each to the ESOS trust in earlier years. In terms of the said Plan, the Trust had granted options to the employees, which vest in three equal installments – i.e. one third each at the expiry of 36 months, 48 months and 60 months respectively from the date of the grant. The options can be exercised over a period of 5 years from the date of vesting. The exercise price for all options granted is Rs 10/- per option. During the year 2015-16, the Company granted on 30<sup>th</sup> July, 2015 and 27<sup>th</sup> January, 2016, 8,85,798 options and 61,468 options respectively to eligible employees, aggregating to 9,47,266 options. With this, all the options covered under the Trust have been granted. As at 31<sup>st</sup> March, 2016, the total number of options subsisting (net of lapsed and cancelled options) was 1,152,465. During the year ended 31<sup>st</sup> March, 2016, 24,571 options have lapsed while no options have been exercised.</b>				

The details of the options under the above scheme are as under:

Particulars	(In ₹)	
	Year Ended 31st March, 2016	Year Ended 31st March, 2015
Options outstanding at the beginning of the year	2,249,611	3,167,397
Options granted during the year	947,266	-
Options lapsed during the year	24,571	203,649
Options surrendered and cancelled during the year	-	480,267
Options exercised during the year	-	233,870
Options vested but not exercised at the end of the year	1,152,465	685,430

The Company follows the intrinsic value method for computing the compensation cost of stock options granted to employees. The intrinsic value being lower the exercise price at the time of grant, the employee compensation cost of the options granted in previous years is NIL.

The Guidance Note on Accounting for Employee Share based Payments issued by the Institute of Chartered Accountants of India requires that shares allotted to a Trust for the purpose of subsequent transfer to the employees, as per the terms of the scheme, be disclosed as a reduction from Share Capital and Reserves. Accordingly the Company has disclosed the reduction from Share Capital by Rs 30,280,670/- (30,28,067 Equity shares of ₹ 10/- each), (Previous Year – ₹ 30,280,670/- (30,28,067 Equity shares of ₹ 10/- each)) and reduced from Securities Premium by ₹ 15,87,115/- (Previous Year – ₹ 15,87,115/-) in respect of 317,423 Equity Shares having face value of ₹ 10 each issued at a premium in earlier years, held by ESOS Trust as per the ESOS.

During the year, the Shareholders have approved the issue of 1,849,162 options by the Company under its "Employee Stock Option Scheme" for its eligible employees. In terms of the said Plan, the options granted by the Company to the employees would vest in three equal installments – i.e. one third each at the expiry of 36 months, 48 months and 60 months respectively from the date of the grant. The options can be exercised over a period of 5 years from the date of vesting. The exercise price for all options granted is ₹ 10/- per option. During the year 2015-16, the Company granted on 30<sup>th</sup> July, 2015 and 27<sup>th</sup> January, 2016, 7,90,904 options and 53,889 options respectively to eligible employees, aggregating to 8,44,793 options.

The Company follows the intrinsic value method for computing the compensation cost of stock options granted to employees. The intrinsic value being lower the exercise price at the time of grant, the employee compensation cost of the options granted in previous years is NIL.

Had the Company adopted the fair value method of valuing options, the employee compensation cost during the year would have been ₹ 11,69,000 and loss of the year higher by ₹ 11,69,000.

The fair value has been calculated using the Black Scholes Merton Model and the significant assumptions made in this regard are:

Current Value of Shares	: ₹ 5/-
Exercise Price	: ₹ 10/-
Expected Volatility	: 0.5
Risk free interest rate	: 8%
Expected Dividend Yield	: 5%

## INDEPENDENT AUDITOR'S REPORT

To the Members of Mahindra eMarket Limited

### Report on the Financial Statements

1. We have audited the accompanying financial statements of Mahindra eMarket Limited ("the Company"), which comprise the balance sheet as at March 31, 2016, and the statements of profit and loss and cash flow for the year then ended, and a summary of the significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial

statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2016, and its loss and its cash flows for the year ended on that date.

### Report on Other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure I a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
10. As required by Section 143(3) of the Act, we report that:
  - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c. the Balance Sheet, the Statement of Profit and Loss and Cash Flow dealt with by this Report are in agreement with the books of account;
  - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);
  - e. On the basis of written representations received from the directors as on March 31, 2016 taken on record

- by the Board of Directors, none of the directors is disqualified as on March 31, 2016, from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure II.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations on its financial position that requires disclosure in its financial statements.

## ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF MAHINDRA eMARKET LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Mahindra eMarket Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date

### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNTS

### Notes forming part of Balance Sheet & Profit & Loss Account

#### Notes I

##### i. Significant Accounting Policies:

###### Business Background

During the year the Mriyalguda Farm Solutions Limited was renamed as Mahindra eMarket Limited from 07/04/2016. During the year the company has diversified its activities into e-commerce business by establishing an online marketplace for Mahindra Group products and services.

###### Basis of Preparation of Financial Statements:

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act"). The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of financial statement are consistent with those of the previous year.

###### Use of Estimates:

The preparation of the financial statements, in conformity with the generally accepted accounting principles, requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Differences between actual results and estimates are recognised in the period in which the results are known/materialise.

###### Taxes on Income:

Tax expense comprises of both current and deferred tax only.

Provision for Current tax is measured at the amount computed under the Income Tax Act, 1961, or Book Profit computed under section 115JB, whichever is higher, and correspondingly set-off available under section 115JAA is credited to the Statement of Profit & Loss of the financial year.

MAT credit is recognised as an asset only when, and to the extent, there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of credit to the Statement of Profit and Loss and shown as MAT Credit Entitlement. The Company reviews the same at each Balance Sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent that there is no longer convincing evidence to the effect that Company will pay normal income tax during the specified period.

Deferred tax assets and liabilities are recognised for future tax consequences attributable to the timing differences between taxable income and accounting income that are capable of reversal in one or more subsequent periods and are measured using tax rates enacted or substantively enacted as at the Balance Sheet date. Deferred Tax assets are not recognised unless, in the management judgment, there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. The carrying amount of Deferred Tax is reviewed at each Balance Sheet date. (Refer Note v below).

###### Contingent Liabilities:

These, if any, are disclosed in the Notes on accounts, Provisions is made in the accounts in respect of those contingencies which are likely to materialize into liabilities after the year and till the finalisation of accounts and have material effect on the positions stated in the Balance Sheet.

##### ii. Payment to Auditors:

a. Net profit/(loss for the year (in Rupees)	(406,899)	(40,450)
b. Weighted average number of Equity Shares Basic and Diluted	7,99,700	7,99,700
c. Nominal value of Equity Shares (in Rs.)	10	10
d. Earnings per Share (in Rs.)	(0.51)	(0.05)

##### iv. Related Party Disclosure:

Related Party where the control exits:

###### a. Holding Company:

Mahindra Holdings Limited

###### b. Ultimate Holding Company:

Mahindra and Mahindra Limited

###### c. The related party transactions with Associates are as under:

Sr. No.	Nature of Transactions	Fellow Subsidiary 2015-16 Rupees	Fellow Subsidiary 2014-15 Rupees
-	-	-	-

###### d. The related party transactions are as under:

Sr. No.	Nature of Transactions	Ultimate Holding 2015-16 Rupees	Ultimate Holding 2015-16 Rupees
1.	Purchase: Services	1,87,500	-
2.	Outstanding: Payable	6,15,000	-
	Receivable	-	-

##### v. No provision for current income tax under the provision of the Income-tax Act, 1961 is made since in the opinion of the Company there will be no taxable income in view of the deductions available under the provisions of the said Act.

In accordance with the Accounting Standard 22 on "Accounting for Taxes on Income" (AS 22), issued by the Institute of Chartered Accountants of India, Deferred tax assets and liabilities should be recognized for all timing differences in accordance with the said standard. However, considering the present financial position and the requirement of the accounting standard regarding certainty/virtual certainty, the same is not provided for as an asset (net). However, the same will be reassessed at a subsequent balance sheet date and will be accounted for in the year of certainty/virtual certainty in accordance with the aforesaid accounting standard.

##### vi. No interest has been provided in the books of account on inter-company borrowings, which has been shown under the head unsecured loans - Current Year Rs. Nil and Previous year Rs. Nil.

##### vii. During the year Company has diversified into e-Commerce business. Considering the potential in the business, the Company expects to grow further in the coming years in sales volume, profitability and net-worth. Accordingly the accounts of the company has been prepared on a going concern basis.

## DRAFT INDEPENDENT AUDITORS' REPORT

### To the Members of Mahindra Namaste Private Limited

#### Report on the Financial Statements

1. We have audited the accompanying financial statements of **Mahindra Namaste Private Limited** ("the Company"), which comprise the balance sheet as at March 31, 2016, and the statements of profit and loss and cash flow for the period from April 1, 2015 to March 31, 2016, and a summary of the significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal

financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2016, and its loss and its cash flows for the period from April 1, 2015 to March 31, 2016.

#### Emphasis of Matter

9. We draw attention to Note 1(a) to the financial statements which describes the discontinuation of existing business by the Company during the year and resolution passed by the Board of Directors for transfer of tangible fixed assets to Naandi Foundation. The financial statements have been prepared on a going concern basis considering the plans of the holding company to restart the business of the Company. Our opinion is not qualified in respect of this matter.

#### Report on Other Legal and Regulatory Requirements

10. As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure I a statement on the matters specified in paragraphs 3 and 4 of the Order.
11. As required by Section 143(3) of the Act, we report that:
  - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c. the Balance Sheet, the Statement of Profit and Loss and Cash Flow dealt with by this Report are in agreement with the books of account;
  - d. in our opinion, the aforesaid financial statements comply with the Accounting standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);

- e. on the basis of written representations received from the directors as on March 31, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016, from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in **Annexure II**.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014(as amended), in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company does not have any pending litigations which would impact its financial position.
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

## ANNEXURE I TO THE AUDITORS' REPORT

Referred to in paragraph 10 of our report of even date on the financial statements of Mahindra Namaste Private Limited for the year ended March 31, 2016.

### Annexure to the Auditor's Report referred to in our report of even date:

- i. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets.
- (b) The fixed assets are physically verified by the Management according to a programme of phased verification, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the Management during the year and no material discrepancies have been noticed in respect of assets verified during the year.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- ii. The company is engaged in the business of Training and Skilling Services and accordingly does not hold any inventories. Hence, Clause 3(ii) of the Companies (Auditor's Report) Order, 2016 is not applicable to the company.
- iii. The Company has not granted any loans to parties covered in the register maintained under section 189 of Companies Act, 2013. Therefore, clause 3(iii) (a), (b) & (c) of the Companies (Auditor's Report) Order, 2016 is not applicable to the company.
- iv. The provisions of Section 185 of the Act are not applicable to the Company. The Company has complied with the provisions of Section 186 of the Act to the extent applicable.
- v. In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of Sections 73, 74, 75 and 76 or any other relevant provisions of the Act and the Rules framed there under to the extent notified, with regard to the deposits accepted from the public. According to the information and explanations given to us, no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal on the Company in respect of the aforesaid deposits.
- vi. The Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act, for any of the services rendered by the Company.
- vii. (a) According to the records of the Company and information and explanations given to us, the Company is generally regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and other applicable statutory dues with the appropriate authorities.
- (b) there are no disputed dues of income tax or sales tax or service tax or duty of customs or duty of excise or value added tax which have not been deposited with the relevant authority.
- viii. On the basis of examination of relevant records and according to the information and explanations given to us, the Company has not borrowed any money from financial institution or bank or debenture holders as at the Balance Sheet date.
- ix. On the basis of examination of relevant records and according to the information and explanations given to us, the Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) and term loans during the year, and accordingly, Para 3(ix) of the Order is not applicable to the Company.
- x. We have neither come across any instances of frauds by the Company nor any fraud on the Company by its officers or employees have been noticed or have been reported during the year.
- xi. On the basis of examination of relevant records and according to the information and explanations given to us, the Company has paid or provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Companies Act, 2013.
- xii. The Company is not a 'Nidhi Company', therefore, clause 3(xii) of the Companies (Auditor's Report) Order, 2016 is not applicable to the Company.
- xiii. On the basis of examination of relevant records and according to the information and explanations given to us, all transactions with the related parties are in compliance with Sections 177 and 188 of Act, where applicable. The Company has disclosed the details of transactions with related parties in the Financial Statements as required by the applicable accounting standards.
- xiv. The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under audit; therefore, clause 3(xiv) of the Order is not applicable to the company.
- xv. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the provisions of Clause 3(xv) of the Order are not applicable to the Company.
- xvi. On the basis of examination of relevant records and according to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

**ANNEXURE II TO THE INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF MAHINDRA NAMASTE PRIVATE LIMITED**

**Report on the Internal Financial Control sunder Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **Mahindra Namaste Private Limited** ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the period from April 1, 2015 to March 31, 2016.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the Institute of Chartered Accountants of India ("ICAI") and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of

material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively during the year when the business operations of the Company were ongoing, based on the internal control over financial reporting criteria established by the Company considering the essential components of

MAHINDRA NAMASTE LIMITED  
(Formerly known as Mahindra Namaste Private Limited)

internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

According to the information and explanation given to us and as stated in note 1 (a) to the financial statements, the Company has discontinued its existing business during the current year and does not have any employees as at March 31, 2016. Accordingly, as at March 31, 2016, the internal financial controls over financial reporting have been directly supervised by the Board of Directors for the purposes of preparation of the financial statements for the year ended March 31, 2016.

We have considered the matter reported above in determining the nature, timing, and extent of audit tests applied in our audit

of the financial statements of the Company, and this does not affect our opinion on the financial statements of the Company.

## Notes to the Financial Statements as at and for the year ended 31<sup>st</sup> March 2016

### Note No. 1: Statement of Significant Accounting Policies

#### a. Basis of preparation:

The financial statements of the Company have been prepared in accordance with the historical cost convention and on accrual basis in accordance with generally acceptable accounting principles in India. These financial statements have been prepared to comply in all material aspects with the Accounting Standards specified under Section 133 of the Companies Act, 2013 ("the Act") read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended) and other relevant provisions of the Companies Act 2013.

All Assets and Liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of products/services and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current-non-current classification of assets and liabilities.

The Company has discontinued its current business operations during the year. Further, the Board of Directors has passed a resolution for donation of tangible assets to Naandi Foundation at a nominal value of Re. 1. The Company does not have any employees as at 31 March 2016 on its payroll.

The financial statements for the year have been prepared on going concern basis, considering acquisition of equity share capital of the Company by Mahindra Consulting Engineers Limited and future plans to re-start the manpower skilling and training business.

#### b. Use of estimates

The preparation of financial statements in conformity with Indian Generally Accepted Accounting Principles requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

#### c. Revenue recognition:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Fees, net of discounts and the portion attributable to placement of students are recognised in the income statement over the period over which service is rendered (course duration).

The portion of fees attributable to placement to be provided by the Company to students are recognized on the completion of the company's obligation.

Scholarships are booked as revenue once the requisite number of students are trained and placed and the donor accepts that the scholarships have been completely utilized.

#### d. Tangible Fixed Assets:

Fixed assets are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises the purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for intended use.

#### e. Depreciation:

Depreciation is provided on a Straight Line Basis over the estimated useful lives of the assets as estimated by management & as per the Schedule II of the Companies Act, 2013. Lease Hold improvements are depreciated over Lease Period.

#### f. Intangible Assets:

Intangible assets are stated at acquisition cost less accumulated amortization. Amortization is calculated by reference to their costs on the straight-line basis over the expected future period, for which the assets are expected to generate economic benefit.

#### g. Operating Leases:

Leases in terms of which the substantial risks and rewards of ownership remain with the lessor are classified as operating leases. Payments made under operating leases are recognized in profit or loss on a straight-line basis over the term of the lease.

#### h. Employee Benefits:

##### Provident fund:

The Company's contribution to provident fund, a defined contribution scheme, paid/payable during the year, is debited to the Statement of Profit and Loss.

##### Superannuation and other funds/schemes:

Company's contributions paid/payable during the year to officer's superannuation fund, employees' pension scheme, employees' state insurance scheme and labour welfare fund, where applicable, are recognised in the Statement of Profit and Loss.

##### Gratuity and compensated absences:

As mentioned the Company has discontinued the business during the year. Accordingly, there are no employees on payroll as at 31st March 2016. Accordingly, the Gratuity & Leave Encashment Provision has been reversed as at 31st March 2016.

In respect of gratuity, the employee benefit cost is accounted for, based on an independent actuarial valuation obtained as at the Balance Sheet date. Actuarial gains and losses are recognized in the Statement of Profit and Loss.

#### i. Income Tax:

Income taxes are accounted for in accordance with the Accounting Standard 22 on "Accounting for Taxes on Income". Taxes comprise of current tax and deferred tax.

Current tax is determined as the amount of tax payable in respect of taxable income for the period using the applicable tax rates and tax laws.

Deferred tax asset has not been recorded considering movement of assets out of the Company and limited forecast of profitable operations in the future.

Deferred tax assets and liabilities are recognised, subject to consideration of prudence, on timing differences, being the difference between taxable incomes and accounting income, that originate in one period and are capable of reversal in one or more subsequent periods and are measured using tax rates enacted or substantively enacted as at the balance sheet date.

#### j. Earnings Per share:

The Company reports basic and diluted Earnings Per Share (EPS) in accordance with Accounting Standard 20 on Earnings Per Share.

Basic EPS is computed by dividing the net profit or loss for the period by the weighted average number of Equity Shares outstanding during the year.

#### k. Grants:

Grants are recognized when there is reasonable assurance that the Company will comply with the conditions attached to them and the grants/subsidy will be received.

The portion of the grant whose primary condition is that the Company should purchase, construct or otherwise acquire capital assets is adjusted to the carrying value of the assets.

Grants in the nature of equity contribution are taken directly to Reserves within Shareholders' Funds. Other grants are taken to the Statement of Profit and Loss.

i. Previous year's figures have been regrouped/reclassified wherever necessary to correspond with the current year's classification/disclosure.

### POLICY FOR REMUNERATION OF THE DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES

#### Purpose

This Policy sets out the approach to Compensation of Directors, Key Managerial Personnel and other employees in Mahindra Holdings Limited.

#### Policy Statement

We have a well-defined Compensation policy for Directors, Key Managerial Personnel and employees of the Company. The overall compensation philosophy which guides us is that we need to attract and retain high performers by compensating them at levels that are broadly comparable with the competitors while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in the business.

In order to effectively implement this, we have built our Compensation structure by benchmarking with relevant players across the industry we operate in.

### **Non-Executive including Independent Directors**

The Nomination and Remuneration Committee (“Committee”) shall decide the basis for determining the compensation, both fixed and variable, to the Non-Executive Directors, including Independent Directors, whether as commission or otherwise. The Committee shall take into consideration various factors such as director’s participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act, 2013 and such other factors as the Committee may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

### **Executive Directors**

The remuneration to Executive Director(s) shall be recommended by the Committee to the Board. The remuneration shall consist of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of their appointment, the variable compensation will be determined annually by the Committee based on their performance.

### **Key Managerial Personnel (KMPs)**

The terms of remuneration of the Chief Executive Officer(CEO), Chief Financial Officer (CFO) and Company Secretary shall be determined by the Board of Directors or by any Director as may be authorized by the Board from time to time. The remuneration shall be consistent with the competitive position of the salary for similar positions in the industry and their Qualifications, Experience, Roles and Responsibilities. Pursuant to the provisions of section 203 of the Companies Act, 2013 the Board shall approve the remuneration at the time of their appointment.

The remuneration to directors, KMPs and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals. The relationship of their

remuneration to performance shall be clear and shall meet the appropriate performance benchmarks.

### **Employees**

We shall benchmark the Compensation structure with relevant players across the industry we operate in depending upon the level in the organization.

We shall have a CTC (Cost to Company) concept which includes a fixed component (Guaranteed Pay) and a variable component (Performance pay). The percentage of the variable component increases with increasing hierarchy levels, as we believe employees at higher positions have a far greater impact and influence on the overall business result. The CTC may be reviewed once a year. The compensation strategy for positioning of individuals takes into consideration the following elements:

- Performance
- Potential
- Criticality
- Longevity in grade

Remuneration for the new employees other than KMPs will be decided by any Director of the Company, depending upon the relevant job experience, last compensation and the skill-set of the selected candidate.

The Company may also grant Stock Options to the Employees and Directors (other than Independent Directors and Promoter) in accordance with the ESOP Scheme that may be formulated by the Company and subject to the compliance of the applicable statutes and regulations.

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MAHINDRA HOLDINGS LIMITED

### Report on the Financial Statements

We have audited the accompanying financial statements of **MAHINDRA HOLDINGS LIMITED** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act, as applicable.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under Section 143 (11) of the Act.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements

give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and its loss and its cash flows for the year ended on that date.

### Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards prescribed under Section 133 of the Act, as applicable.
  - e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - (i) The Company did not have any pending litigations which would impact its financial position in its financial statements in accordance with the generally accepted accounting practice;
    - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
    - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

## ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph (f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

### Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **MAHINDRA HOLDINGS LIMITED** (“the Company”) as of 31<sup>st</sup> March, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016**

**NOTE 1**

**SIGNIFICANT ACCOUNTING POLICIES:**

**(a) Basis of accounting and preparation of financial statements**

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, and the relevant provisions of the Companies Act, 2013 ("the 2013 Act")/Companies Act, 1956 ("the 1956 Act"), as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of financial statement are consistent with those of the previous year.

**(b) Use of estimates:**

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known materialise.

**(c) Cash Flow statement:**

Cash flows are reported using the indirect method, whereby profit (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

**(d) Revenue recognition:**

- (i) Income is accounted on accrual basis.
- (ii) Dividend income is accounted for when the right to receive payment is established.

**(e) Investments:**

Long term investments are valued at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of investments. Current investments other than units of unquoted mutual fund are valued at cost or fair value whichever is lower, while units of unquoted mutual funds are valued at Net Asset Value declared by the mutual fund.

**(f) Taxes on income:**

Current tax is determined as the amount of tax payable in respect of taxable income for the year. Deferred tax is recognised, subject to consideration of prudence, on the timing differences, being the differences between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future tax income will be available against which such deferred tax assets can be realised.

Minimum Alternative Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax against which the MAT paid will be adjusted.

## COMMENTARY OF THE DIRECTORS FOR THE YEAR ENDED 31 MARCH 2016

The directors present the audited financial statements of Mahindra Overseas Investment Company (Mauritius) Ltd (the "Company") for the year ended 31 March 2016.

### PRINCIPAL ACTIVITY

The principal activity of the Company is to hold investments.

### RESULTS

The results for the year are shown in the statement of comprehensive income and related notes.

### DIRECTORS

The present membership of the Board is set out in this Report. All directors served in office during the year.

### STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE FINANCIAL STATEMENTS

Company law requires the directors to prepare financial statements for each financial year, which present fairly the financial position, financial performance and cash flows of the Company. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors have confirmed that they have complied with the above requirements in preparing the financial statements.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements are prepared in accordance with International Financial Reporting Standards as modified by the exemption from consolidation in the Mauritius Companies Act 2001 for companies holding a Category 1 Global Business

Licence and in compliance with the requirements of the Mauritius Companies Act 2001. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### **CONSOLIDATION**

Consolidated financial statements have not been presented since the Company took advantage of the requirements of Section 12 Part 1 of the Fourteenth Schedule of the Mauritius Companies Act 2001 as the Company is a wholly-owned subsidiary of Mahindra & Mahindra Ltd, a company incorporated in the Republic of India.

#### **AUDITORS**

The auditors, **Grant Thornton**, have indicated their willingness to continue in office until the next Annual Meeting.

#### **CERTIFICATE FROM THE SECRETARY UNDER SECTION 166 (d) OF THE MAURITIUS COMPANIES ACT 2001**

We certify, to the best of our knowledge and belief, that we have filed with the Registrar of Companies all such returns as are required of **Mahindra Overseas Investment Company (Mauritius) Ltd** under the Mauritius Companies Act 2001 during the financial year ended 31 March 2016.

## INDEPENDENT AUDITORS' REPORT

### TO THE MEMBER OF MAHINDRA OVERSEAS INVESTMENT COMPANY (MAURITIUS) LTD

#### Report on the Financial Statements

We have audited the accompanying financial statements of **MAHINDRA OVERSEAS INVESTMENT COMPANY (MAURITIUS) LTD**, the "Company", which comprise the statement of financial position as at 31 March 2016, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### Directors' Responsibilities for the Financial Statements

The directors are responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards as modified by the exemption from consolidation in the Mauritius Companies Act 2001 for companies holding a Category 1 Global Business Licence and in compliance with the requirements of the Mauritius Companies Act 2001, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the separate financial statements on pages herein give a true and fair view of the financial position of the Company as at 31 March 2016, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards as modified by the exemption from consolidation in the Mauritius Companies Act 2001 for companies holding a Category 1 Global Business Licence and the requirements of the Mauritius Companies Act 2001.

#### Emphasis of matter

Without qualifying our opinion, we draw attention on the recoverable amount of investments held in several unquoted companies as described in Note 25 to the financial statements. These investments are stated at their carrying amounts of USD 68,462,913 as the fair values cannot be reliably measured. However, based on available valuation models, the directors have assessed the recoverable amounts of these investments and concluded that no sign of impairment has been identified and hence no provision is required at the reporting date.

#### Report on Other Legal and Regulatory Requirements

In accordance with the requirements of the Mauritius Companies Act 2001, we report as follows:

- we have no relationship with, or any interest in, the Company other than in our capacity as auditors;
- we have obtained all the information and explanations that we have required; and
- in our opinion, proper accounting records have been kept by the Company as far as appears from our examination of those records.

#### Other Matters

This report is made solely to the member of the Company as a body in accordance with Section 205 of the Mauritius Companies Act 2001. Our audit work has been undertaken so that we might state to the Company's member those matters we are required to state to it in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's member as a body, for our audit work, for this report, or for the opinion we have formed.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2016

### 1. GENERAL INFORMATION AND STATEMENT OF COMPLIANCE WITH INTERNATIONAL FINANCIAL REPORTING STANDARDS ("IFRS")

Mahindra Overseas Investment Company (Mauritius) Ltd (the "Company") was incorporated in the Republic of Mauritius under the Mauritius Companies Act 2001 on 7 December 2004 as a private Company with liability limited by shares and holds a Category 1 Global Business Licence issued by the Financial Services Commission. The Company's registered office is IFS Court, Bank Street, TwentyEight, Cybercity, Ebene 72201, Republic of Mauritius. The principal purpose of the Company is to act as an investment holding company. The Company holds property, plant and equipment in the Republic of South Africa. In accordance with South African tax regulations, the Company has been registered as an external company.

The financial statements have been prepared in accordance with and comply with International Financial Reporting Standards ("IFRS") as modified by the exemption from consolidation in the Mauritius Companies Act 2001 for companies holding a Category 1 Global Business Licence.

Indian Rupee ("INR") amounts are included solely for convenience. These transactions should not be construed as representations that the USD amounts actually represent, or have been or could be converted into INR. As the amounts shown in INR are for convenience only, the rate of 1 USD = INR66.345 has been used for the purpose of presentation of the INR amounts in the accompanying financial statements for the two years ended 31 March 2015 and 31 March 2016.

### 2. APPLICATION OF NEW AND REVISED INTERNATIONAL FINANCIAL REPORTING STANDARDS

#### 2.1 New and revised standards that are effective for the annual year beginning on 01 April 2015

In the current year, the Company has applied the following new and revised standards issued by the International Accounting Standards Board ("IASB") that are mandatory for the first time for the financial year beginning on 01 April 2015:

IAS 19	Defined Benefit Plans: Employee Contributions (Amendments to IAS 19)
Various	Annual Improvements to IFRSs 2010-2012 cycle and 2011-2013 cycle

The directors have assessed the impact of these revised standards and amendments and concluded that only IAS 24, *Related Party Disclosures* as defined in Annual Improvements to IFRSs 2010-2012 cycle has an impact on the disclosure of these financial statements.

#### 2.2 Standards, amendments and interpretations to existing standards that are not yet effective and have not been adopted early by the Company

At the date of authorisation of these financial statements, certain new standards, amendments and interpretations to existing Standards have been published by the IASB but are not yet effective, and have not been adopted early by the Company.

Management anticipates that all of the relevant pronouncements will be adopted in the Company's accounting policies for the first year beginning after the effective date of the pronouncements. Information on new standards, amendments and interpretations is provided below.

Various	Annual Improvements to IFRSs 2012-2014 Cycle

### 3. SUMMARY OF ACCOUNTING POLICIES

#### (a) Overall considerations

The significant accounting policies that have been used in the preparation of these financial statements are summarised below.

#### (b) Revenue

Dividend income is recognised when the Company's right to receive such dividend is established.

Interest income is recognised on the accrual basis unless collectability is in doubt.

#### (c) Expenses

All expenses are accounted for in the statement of comprehensive income on the accrual basis.

#### (d) Taxation

Tax expense recognised in the statement of comprehensive income comprises the sum of deferred tax and current tax not recognised in other comprehensive income or directly in equity.

Current income tax assets and/or liabilities comprise those obligations to, or claims from, fiscal authorities relating to the current or prior reporting periods, that are unpaid at the reporting date. Current tax is payable on taxable profit, which differs from profit or loss in the financial statements. Calculation of current tax is based on tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting date.

Deferred income taxes are calculated using the liability method on temporary differences between the carrying amounts of assets and liabilities and their tax bases.

#### (e) Property, plant and equipment

Building and furniture and fittings are initially recognised at acquisition cost, including any costs directly attributable to bringing the assets to the location and condition necessary for it to be capable of operating in the manner intended by the Company's management. Building and furniture and fittings are subsequently measured using the cost model, cost less subsequent depreciation and impairment losses.

Depreciation is recognised on a straight-line basis to write down the cost less estimated residual values.

The following average useful lives are applied:

Buildings: 60 years

Furniture and fittings: 10 years

Where the carrying amount of an asset is greater than its estimated amount, it is written down immediately to its recoverable amount.

The assets' residual values, useful lives and methods of depreciation are reviewed and adjusted, if appropriate, at each reporting date. Repairs and maintenance costs are expensed as incurred.

The gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset. The gain or loss on disposal is credited or charged to the statement of comprehensive income.

#### (f) Consolidated financial statements

The financial statements are separate financial statements which contain information about Mahindra Overseas Investment Company (Mauritius) Ltd as an individual company and do not contain consolidated financial information as the parent of a group.

The Company holds a Category 1 Global Business Licence issued by the Financial Services Commission and has taken advantage of the exemption given in Section 12 of Part 1 of the Fourteenth Schedule of the Mauritius Companies Act 2001 from the requirement to prepare consolidated financial statements as it is a wholly-owned subsidiary of a quoted company incorporated in the Republic of India, Mahindra & Mahindra Ltd.

**(g) Investment in subsidiary**

A subsidiary is an entity over which the Company has control. The Company controls an entity when the Company is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity.

Investment in subsidiary is initially shown at cost. Where an indication of impairment exists, the recoverable amount of the investment is assessed. Where the carrying amount of an investment is greater than its estimated recoverable amount, it is written down immediately to its recoverable amount and the difference is charged to the statement of comprehensive income.

On disposal of an investment, the difference between the net disposal proceeds and the carrying amount is charged or credited to the statement of comprehensive income.

**(h) Investment in associate and joint venture**

An associate is an entity over which the Company has significant influence but not control, generally accompanying a shareholding of between 20% and 50% of the voting rights.

The existence of significant influence by an entity is usually evidenced in one or more of the following ways: (a) representation on the board of directors or equivalent governing body of the investee; (b) participation in policy-making processes, including participation in decisions about dividends or other distributions; (c) material transactions between the investor and the investee; (d) interchange of managerial personnel; or (e) provision of essential technical information.

A joint venture is an arrangement that the Company controls jointly with one or more other investors, and over which the Company has rights to a share of the arrangement's net assets rather than direct rights to underlying assets and obligations for underlying liabilities.

Investment in associate and joint venture are initially shown at cost in these separate financial statements in accordance with IAS 28, *Investments in Associates and Joint Ventures*. Where an indication of impairment exists, the recoverable amount of the investment is assessed. Where the carrying amount of an investment is greater than its estimated recoverable amount, it is written down immediately to its recoverable amount and the difference is charged to the statement of comprehensive income.

On disposal of an investment, the difference between the net disposal proceeds and the carrying amount is charged or credited to the statement of comprehensive income.

**(i) Financial instruments**

**Recognition, initial measurement and derecognition**

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instruments and are measured initially at fair value adjusted by transactions costs, where appropriate. Subsequent measurement of financial assets and financial liabilities are described below.

Financial assets are derecognised when the contractual rights to the cash flows from the financial asset expire, or when the financial asset and all substantial risks and rewards are transferred. A financial liability is derecognised when it is extinguished, discharged, cancelled or expires.

**Classification and subsequent measurement of financial assets**

For the purpose of subsequent measurement, the Company's financial assets are classified into the category of loans and receivables and available-for-sale financial assets upon initial recognition.

All financial assets are subject to review for impairment at least at each reporting date. Financial assets are impaired when there is any objective evidence that a financial asset or a group of financial assets is impaired. Different criteria to determine impairment are applied for each category of financial assets which are described below.

All income and expenses relating to financial assets are recognised in the statement of comprehensive income.

**Loans and receivables**

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. After initial recognition, these are measured at amortised cost using the effective interest method, less provision for impairment. Discounting is omitted where the effect of discounting is immaterial. The Company's loans and cash and cash equivalents fall into this category of financial instruments.

**Available-for-sale financial assets**

Available-for-sale financial assets are non-derivative financial assets that are either designated to this category or do not qualify for inclusion in any of the other categories of financial assets.

The Company's available-for-sale financial assets comprise of minority shareholding investments in an unquoted company, preference shares/common stock in several unquoted companies and funds invested in film productions (as disclosed in Note 13 to these financial statements).

These financial assets are stated at cost less impairment charges as their fair values cannot be estimated reliably since they are neither traded in an active market nor reliable inputs are available to fair value these instruments using fair valuation models. Impairment charges are recognised in the statement of comprehensive income. On disposal of these investments, the difference between the net disposal proceeds and the carrying amount is charged or credited to the statement of comprehensive income.

**Classification and subsequent measurement financial liabilities**

The Company's financial liabilities consist of borrowings, payables and accruals.

Financial liabilities are measured subsequently at amortised cost using the effective interest method.

All interest-related charges are reported in the statement of comprehensive income.

**Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount reported in the statement of financial position when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

**(j) Cash and cash equivalents**

Cash and cash equivalents comprise cash at bank. Cash equivalents are short term, highly liquid investments maturing within 90 days from the date of acquisition that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

**(k) Equity**

Stated capital is determined using the value of shares that have been issued.

Accumulated losses include all current and prior years' results as disclosed in the statement of comprehensive income.

**(l) Related parties**

A related party is a person or company where that person or company has control or joint control of the reporting company; has significant influence over the reporting company; or is a member of the key management personnel of the reporting company or of a parent of the reporting company.

**(m) Foreign currency translation**

**(i) Functional and presentation currency**

The financial statements are presented in United States Dollars ("USD"), which is the Company's functional and presentation currency. The Company has also presented the financial statements in Indian Rupee ("INR") for the convenience of users of financial statements.

(ii) *Foreign currency transactions and balances*

Foreign currency transactions are translated into the functional currency of the Company using the exchange rates prevailing at the dates of the transactions (spot exchange rate). Foreign exchange gains and losses resulting from the settlement of such transactions and from the remeasurement of monetary items denominated in foreign currency at year-end exchange rates are recognised in the statement of comprehensive income.

Non-monetary items are not retranslated at year-end and are measured at historical cost (translated using the exchange rates at the transaction date), except for non-monetary items measured at fair value which are translated using the exchange rates at the date when fair value was determined.

(n) **Provisions**

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation and the amount can be estimated reliably.

Provisions are measured at the estimated expenditure required to settle the present obligation based on the most reliable evidence available at the reporting date, including the risks and uncertainties associated with the present obligation. The increase in the provision due to passage of time is recognised as interest expense in the statement of comprehensive income.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole.

(o) **Impairment of assets**

At each reporting date, the Company reviews the carrying amounts of its assets to determine whether there is any indication that those assets have suffered any impairment loss. When an indication of impairment loss exists, the carrying amount of the asset is assessed and written down to its recoverable amount.

(p) **Borrowings**

Borrowings are recognised initially at fair value, net of transaction costs incurred. Borrowings are subsequently carried at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised in profit or loss over the year of the borrowings using the effective interest method.

Fees paid on loan facilities are recognised as transaction costs.

(q) **Derivative financial instruments**

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting date. The resulting gain or loss is recognised in profit or loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in profit or loss depends on the nature of the hedge relationship.

The Company has not designated the derivative contracts (interest rate swaps) as a hedging instrument.

(r) **Comparatives**

Where necessary, comparatives figures have been adjusted to conform with changes in presentation in the current year.

4. **SIGNIFICANT MANAGEMENT JUDGEMENT IN APPLYING ACCOUNTING POLICIES AND ESTIMATION UNCERTAINTY**

When preparing the financial statements, management undertakes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses.

**Significant management judgement**

The following is the significant management judgement in applying the accounting policies of the Company that has the most significant effect on the financial statements.

*Determination of functional currency*

The determination of the functional currency of the Company is critical since recording of transactions and exchange differences arising therefrom are dependent on the functional currency selected. The directors have considered those factors and have determined that the functional currency of the Company is the USD.

*Investment in associate*

The directors have assessed the level of influence that the Company has on CIE Automotive S.A. and determined that it has significant influence even though the shareholding is below 20% due to the representation on the board of directors and participation in policy-making processes. Consequently, this investment has been classified as an associate.

*Investment in joint venture*

The Company holds 51% of the shares in its joint arrangement. The Company has joint control over this arrangement as under the contractual agreements, unanimous consent is required from all parties to the arrangements for all relevant activities.

The Company's joint arrangement is structured as a limited company (Mahindra Yueda (Yancheng) Tractor Co., Ltd) and the parties to the agreements with rights to the net assets of the limited company under the arrangements. Therefore, the arrangement is classified as joint venture.

**Estimation uncertainty**

Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities income and expenses is provided below. Actual results may be substantially different.

*Fair value of derivative financial instruments*

The fair value of the derivative financial instruments is determined based on valuation performed by an independent valuers. The assumptions used to value the derivative financial instruments are given in Note 17. In applying the valuation techniques the independent valuers maks maximum use of market inputs, and uses estimates and assumptions that are, as far as possible, consistent with observable data that market participants would use in pricing the instrument.

*Impairment of investment in associate, joint venture, subsidiaries and available-for-sale financial assets*

In assessing impairment, management estimates the recoverable amount of each asset based on expected future cash flows and uses an interest rate to discount them. Estimation uncertainty relates to assumptions about future operating results and the determination of a suitable discount rate. The directors have assessed the recoverable amount of the investments and confirmed that the carrying amounts have not suffered any impairment in value at the reporting date.

*Impairment losses on loans to third parties*

The Company reviews its loans to third parties at each reporting date to assess whether an impairment loss should be recorded in the statement of comprehensive income. In particular, management judgment is required in the estimation of the amount and timing of future cash flows when determining the impairment loss. These estimates are based on assumptions about a number of factors and actual results may differ, resulting in future changes to the allowance.

*Useful lives and residual values of property, plant and equipment*

Management reviews its estimate of the useful lives of depreciable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical obsolescence that may change the utility of certain software and IT equipment.

5. **FINANCIAL INSTRUMENT RISK**

**Risk management objectives and policies**

The Company is exposed to various risks in relation to its financial instruments. The main types of risks are market risk, credit risk and liquidity risk.

The Company's financial assets and financial liabilities by category are summarised below.

The Company's risks are managed by its Board of Directors and the focus is on securing the Company's short to medium term cash flows by minimising the exposure to financial risks. The Company's investments are managed to generate lasting returns.

The Company does not actively engage in the trading of financial assets and derivatives for speculative purposes. The most significant financial risks to which the Company is exposed to are described below.

#### (a) Market risk analysis

Market risk is specifically comprised of currency risk and interest rate risk, which result from both its operating and investing activities. The Company is exposed to market risk through its use of financial instruments.

#### (i) Foreign currency sensitivity

Foreign currency risk, as defined in IFRS 7: *Financial Instruments: Disclosures*, arises as the value of future transactions, recognised monetary assets and monetary liabilities denominated in other currencies fluctuate due to changes in foreign exchange rates.

The currency profile of the Company's financial assets and financial liabilities is as follows:

	Financial assets 2016 USD	Financial liabilities 2016 USD	Financial assets 2015 USD	Financial liabilities 2015 USD
United States Dollar (USD)	6,699,702	144,485,302	5,431,212	143,675,496
Euro (EUR)	1,023	-	796	-

South African Rand (ZAR)	640,128	-	621,684	-
	1,499,632,490	9,777,998,748	1,415,441,017	9,744,922,050

The Company's transactions are carried out in the United States Dollar (USD), Euro (EUR), Great Britain Pound (GBP) and South African Rand (ZAR). Consequently, the Company is exposed to foreign currency risk on its financial assets denominated in EUR, GBP and ZAR except for the available-for-sale financial assets which are measured at cost and therefore not retranslated at the reporting date.

The table below illustrates the sensitivity of profit and equity in regards to the Company's financial instruments and the USD/EUR, USD/GBP, and USD/ZAR exchange rates "all other things being equal".

It assumes the following percentage changes in the exchange rates:

	2016 % change	2015 % change
EUR	5%	21.86%
GBP	3%	11.33%
ZAR	18%	15.29%

These percentages have been determined based on the average market volatility in exchange rates in the previous 12 months. The sensitivity analysis is based on the Company's foreign currency financial instruments held at each reporting date.

If the foreign currencies had strengthened by the above percentages, then this would have the following impact on loss and equity:

	Loss 2016		Loss 2015	
	USD	INR (Note 1)	USD	INR (Note 1)
EUR .....	(51)	(3,384)	(174)	(11,544)
GBP .....	86,874	5,763,656	(1,800,697)	(119,467,243)
ZAR.....	(1,738)	(115,308)	(1,433)	(95,072)
	Equity 2016		Equity 2015	
	USD	INR (Note 1)	USD	INR (Note 1)
EUR .....	51	3,384	174	11,544
GBP .....	(86,874)	(5,763,656)	1,800,697	119,467,243
ZAR.....	1,738	115,308	1,433	95,072

If the foreign currencies had weakened by the above percentages, then this would have the same reverse impact on loss and equity.

#### (ii) Interest rate sensitivity

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

The Company is not exposed to changes in market interest rates as its interest bearing financial assets and financial liabilities have fixed interest rates.

The bank borrowings which are at variable interest rates indexed to the LIBOR have been converted into fixed interest bearing financial liabilities since the Company entered into fixed interest rate swap arrangements. Details of the interest rate swap arrangements are disclosed in Note 17.

**(b) Credit risk analysis**

Credit risk is the risk that a counterparty fails to discharge an obligation to the Company.

The Company's exposure to credit risk is limited to the carrying amount of financial assets recognised at the reporting date, as summarised below:

	2016		2015	
	USD	INR (Note 1)	USD	INR (Note 1)
<b>ASSETS</b>				
<b>Non-current</b>

<b>Total assets</b>	<u>22,603,554</u>	<u>1,499,632,490</u>	<u>21,334,559</u>	<u>1,415,441,017</u>

As detailed in Note 13 to these financial statements, the Company holds investments in several unquoted companies and these investments are stated at cost since the fair values cannot be reliably measured. The directors have assessed the recoverable amount of these investments and confirmed that the carrying amounts have not impaired at the reporting date.

During the year under review, the Company has given loans to third parties and the directors believe that these receivables are not exposed to any credit risk.

The credit risk for the bank balances is considered negligible, since the counterparties are reputable banks with high quality external credit ratings.

The disposal of the investments is subject to some restrictions as described in Note 13 (v) to these financial statements.

**(c) Liquidity risk analysis**

Liquidity risk is the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities. Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding from the shareholder.

The Company's main cash inflows are in the form of dividend, interest on loans and proceeds from issue of shares. The main cash outflows relate to repayment of loans and interest and capital investments.

The Company's liquidity risk is managed by securing credit facilities from financial institutions and also through shares issue. The Company also seek financial support of its parent company where necessary.

The Company also manages its liquidity needs by carefully monitoring cash inflows and cash outflows due in day-to-day business as well as scheduled debt servicing payments for long-term financial liabilities.

At 31 March 2016, the Company has contractual maturities which are summarised below:

	Current		Non-current	
	Within 1 year	Within 1 year	Over 1 year	Over 1 Year
	USD	INR (Note 1)	USD	INR (Note 1)
Derivative financial instruments .....	161,689	10,727,257	-	-
Borrowings .....	130,703,733	8,671,539,166	15,092,107	1,001,285,839
Payables and accruals .....	1,423,566	94,446,486	-	-
<b>Total</b>	<u>132,288,988</u>	<u>8,776,712,909</u>	<u>15,092,107</u>	<u>1,001,285,839</u>

This compares to the maturity of the Company's financial liabilities in the previous reporting year as follows:

	Current		Non-current	
	Within 1 year	Within 1 year	Over 1 Year	Over 1 Year
	USD	INR (Note 1)	USD	INR (Note 1)
Derivative financial instruments .....	-	-	557,762	37,004,720
Borrowings .....	3,289,692	218,254,616	142,300,800	9,440,946,576
Payables and accruals .....	734,285	48,716,138	-	-
<b>Total .....</b>	<u>4,023,977</u>	<u>266,970,754</u>	<u>142,858,562</u>	<u>9,477,951,296</u>

**(d) Concentration risk**

The Company has invested in unlisted companies whose securities are considered to be illiquid. Such illiquidity may adversely affect the ability of the Company to acquire or dispose of such investments. These investments may be difficult to value and to sell or otherwise liquidate and the risk of investing in such companies is much greater than the risk of investing in publicly traded securities. On account of the inherent uncertainty of valuation, the estimated values may differ significantly from the values that would be used had a ready market for the investments existed. However the directors consider these investments to be strategic and the concentration risk in manageable.

**6. FAIR VALUE MEASUREMENT**
**6.1 Fair value measurement of financial instruments**

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly; and
- Level 3: unobservable inputs for the asset or liability.

The following table shows the Levels within which the hierarchy of financial liabilities measured at fair value on a recurring basis at 31 March 2016:

	Level 1	Level 2	Level 3	Level 4
	USD	USD	USD	USD
<b>Liabilities</b>				
Interest rate swaps	-	161,689	-	161,689

The following table shows the Levels within which the hierarchy of financial liabilities measured at fair value on a recurring basis at 31 March 2015:

	Level 1	Level 2	Level 3	Level 4
	USD	USD	USD	USD
<b>Non-current liabilities</b>				
Interest rate swaps	-	557,762	-	557,762

The fair value of financial instruments that are not traded in an active market (interest rate swap derivative) is determined by using valuation techniques. These valuation techniques maximise the use of observable market data where it is available and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2. The fair value of interest rate swaps is calculated as the present value of the estimated future cash flows based on observable yield curves.

The Company's financial assets and liabilities are measured at their carrying amounts, which approximate their fair values.

## 6.2 Fair value measurement of non-financial assets and non-financial liabilities

The Company's non-financial assets consist of property, plant and equipment, investment in associate, investments in subsidiaries, investment in joint venture and prepayments, for which fair value measurement is not applicable since these are not measured at fair value on a recurring or non-recurring basis in the statement of financial position. At the reporting date, the Company did not have any non-financial liabilities.

## 7. CAPITAL MANAGEMENT POLICIES AND PROCEDURES

The Company's objectives when managing capital are to safeguard its ability to continue as a going concern in order to provide returns to its member.

In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to its member, buy back shares or issue new shares.

The Company monitors capital on the basis of the gearing ratio. This ratio is calculated as net debt divided by total capital.

The details of the gearing ratio are disclosed as follows:

	2016	2016	2015	2015
	USD	INR	USD	INR
		(Note 1)		(Note 1)
Total borrowings <sup>(i)</sup> .....	145,795,840	9,672,825,005	145,590,492	9,659,201,192

Gearing ratio(%).....	63%	63%	67%	67%

- (i) Borrowings include all short-term and long-term borrowings as detailed in Note 18.
- (ii) Equity includes capital and reserves.
- (iii) The Company has a gearing ratio of 63% (2015: 67%) at the reporting date and the directors consider that this level of gearing is reasonable taking into account the Company's business activities.

## 8. TAXATION

### (i) Income tax

The Company is liable to pay tax in the Republic of Mauritius on its chargeable income at the rate of 15%. As a holder of a Category 1 Global Business Licence, it is entitled to a credit in respect of foreign tax equivalent to the higher of actual foreign tax suffered or a deemed credit equivalent to 80% of the Mauritius income tax liability on foreign source income. The maximum effective tax rate is 3%.

Gains or profits arising from sale of units or securities are tax-exempt in the hands of the Company in Republic of Mauritius. Dividends and redemption proceeds paid by the Company to its shareholders do not attract withholding tax.

The foregoing is based on the taxation laws and practices currently in force in the Republic of Mauritius and may be subject to change.

The Company has received tax residence certificates from the Mauritian authorities that it is a tax resident of the Republic of Mauritius, which is renewable on an annual basis subject to meeting certain conditions and under which the Company is eligible to obtain benefits under the double tax treaties between the Republic of Mauritius and the Republic of India, the Republic of Mauritius and the People's Republic of China, the Republic of Mauritius and the Republic of Singapore and the Republic of Mauritius and the Republic of South Africa.

At 31 March 2016, the Company had no income tax liability due to accumulated tax losses of USD 2,815,837 (INR: 186,816,706) which will be carried forward and available for set off against future taxable profits as follows:

	USD	INR
		(Note 1)
Up to the year ending 31 March 2017.....	424,485	28,162,457
Up to the year ending 31 March 2018.....	521,774	34,617,096

Up to the year ending 31 March 2021.....	319,527	21,199,019

### (ii) Deferred tax

Deferred tax is calculated on all temporary differences under the liability method at the rate of 3%. At 31 March 2016, the Company utilised part of prior year losses to be netted off against this year's chargeable income and the balance of tax losses have been carried forward to be netted off against any future taxable profits.

### (iii) Income tax reconciliation

The income tax on the Company's loss before tax differs from the theoretical amount that would arise using the effective tax rate of the Company as follows:

<b>Total</b>	<b>161,689</b>	<b>10,727,257</b>	<b>557,762</b>	<b>37,004,720</b>

The Company had entered into interest rate swap agreements to manage interest rate risk exposure.

The interest rate swap effectively modified the Company's exposure to interest rate risk by converting the Company's floating rate debt to a fixed rate basis for the entire term of the debt, thus reducing the impact of interest rate changes on future interest expense. This agreement involves the receipt of floating rate amounts in exchange for fixed rate interest payments over the life of the agreement without an exchange of the underlying principal amount.

As at the reporting date, the full fair value of the hedging derivative has been reclassified from non-current liability to current liability since the maturity of the hedged item is less than one year.

The notional principal amounts of the outstanding interest rate swaps at 31 March 2016 were USD 130,000,000.

At 31 March 2016, the fixed interest rates and fair values based on the interest rate swaps are as follows:

Details	Notional amount	Fixed interest rate	Start date	Maturity date	Fair Value 2016	Fair Value 2015
	USD				USD	USD
Barclays Bank Plc, London	65,000,000	0.78%	02 October 2013	03 October 2016	(61,773)	(233,980)

## INDEPENDENT AUDITOR'S REPORT

To the Members of  
**Mahindra Integrated Business Solutions Private Limited**

### Report on the Financial Statements

1. We have audited the accompanying financial statements of **Mahindra Integrated Business Solutions Private Limited** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of

material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and its profit and cash flows for the year ended on that date.

### Report on other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in term of Sub-section (11) of Section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure a statement on the matters specified in the paragraphs 3 and 4 of the Order.
10. As required by Section 143(3) of the Act, we report that:
  - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b. In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
  - c. the Balance Sheet, the Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
  - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - e. On the basis of written representations received from the directors as on 31<sup>st</sup> March, 2016, taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2016, from being appointed as a director in terms of Section 164(2) of the Act.

- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- g. With respect to the other matters included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended) in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position.
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
11. As required by the Companies (Auditor's Report) Order, 2016 ("the order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

## **ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF MAHINDRA INTEGRATED BUSINESS SOLUTIONS PRIVATE LIMITED**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Mahindra Integrated Business Solutions Private Limited (“the Company”) as of 31<sup>st</sup> March, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

(i) Sale of services is recognized when the services are rendered.  
(ii) Revenues on time & material contracts are recognized as the related services are performed and revenues from the end of the last billing to the Balance sheet date is recognized as Unbilled revenues. The unbilled revenues primarily consists of cost which needs to be billed to client on cost plus margin basis where there is no uncertainty as to measurement or collectability of consideration.  
(iii) Fee based income is accounted for on achieving specified milestones as per mutual agreement.  
(iv) Further, revenue is recognised when there is no uncertainty as to the measurement or collectability of consideration.
- G) Employee Benefits:  
Retirement benefit in respect of gratuity at retirement/cessation are provided for based on valuations as at the balance sheet date, made by independent actuaries.  
i) Defined Contribution Plan:  
Company's contribution paid/payable during the year to Superannuation Fund, ESIC and Labour Fund are recognized in the Profit and Loss Account.  
Contributions to Provident Fund are made to Regional Provident Fund Commissioner Trust administered by Central Government of India and are charged to Profit and Loss Account as incurred.  
ii) Defined Contribution Plan:  
Company's liability towards gratuity, long term compensated absences, are determined by Independent Actuaries, using unit credit method. Past services are recognized on a straight line basis over the average period until the benefits become vested. Actuarial gain & losses are recognized immediately in the statement of Profit & Loss as income or expenses. Obligation is measured at the present

value of estimated future cash flows using a discounted rate that is determined by reference to the market yields at the Balance Sheet date on Government Bonds, where the currency and the terms of the Government Bonds are consistent with the currency and estimated terms of the defined benefit obligation.

**NOTE XXI**

**Taxes on Income:**

Tax expense comprises of both current and deferred tax only.

Provision for Current tax is measured at the amount computed under the Income Tax Act, 1961, or Book Profit computed under Section 115JB, whichever is higher, and correspondingly set-off available under Section 115JAA is credited to the Statement of Profit & Loss of the financial year.

MAT credit is recognised as an asset only when, and to the extent, there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of credit to the Statement of Profit and Loss and shown as MAT Credit Entitlement. The Company reviews the same at each Balance Sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent that there is no longer convincing evidence to the effect that Company will pay normal income tax during the specified period.

Deferred tax assets and liabilities are recognised for future tax consequences attributable to the timing differences between taxable income and accounting income that are capable of reversal in one or more subsequent periods and are measured using tax rates enacted or substantively enacted as at the Balance Sheet date. Deferred Tax assets are not recognised unless, in the management judgment, there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. The carrying amount of Deferred Tax is reviewed at each Balance Sheet date.

## AUDITOR'S REPORT

### TO THE SHAREHOLDERS OF MAHINDRA RACING S.P.A.

1. We have audited the annual accounts for the business year of Mahindra Racing S.p.A. as at 31 March 2016. It is the responsibility of the directors of Mahindra Racing S.p.A. to draw-up the annual accounts. It is our responsibility to express our professional opinion on the annual accounts based on our auditing.
2. Our audit was made according to the CONSOB principles and criteria for auditing. In conformity with the aforesaid principles and criteria, the audit was planned and carried out to acquire every element necessary to control if the annual accounts were invalidated by important errors and if they, on the whole, result as reliable. Auditing procedures include the examination, by spot checking, of the elements supporting the totals and the information contained in the annual accounts, as well as an evaluation of the adequacy and correctness of the accounting criteria used and the reasonableness of the estimates made by the directors. We believe that the work carried

out supplies us a reasonable basis on which to express our professional opinion.

For the opinion on the previous year's annual accounts, the data for which were presented for comparison according to the legal requisites, we would refer you to our report issued on 30th April 2015.

3. In our opinion, the annual accounts of Mahindra Racing S.p.A. at 31 March 2016 conform to the regulations governing the criteria for their drawing-up; they have therefore been drawn-up with clarity and represent the financial situation and the economic result of the Company in a true and correct manner.

## MAHINDRA RACING S.P.A.

Registered office in VIA DELLA MERCEDE, 11 - 00187 ROMA (RM) Share Capital Euro 801.000,00 i.v.  
Notes to the financial statements at 31/03/2016

### Introduction

Dear Partners/Shareholders,

The present financial statement, presented to your attention for examination and approval, shows an operating profit equal to Euro 1,762.

### General

Your company is engaged in the field of management and organization of technical and race teams for the participation in sports competition in the motorcycle sector, at professional level, in national and international competitions. Your company is also active in the field of promotion and management of the brand and merchandising activities.

### Basis of Preparation of Financial Statements

These financial statements have been drawn up in accordance with articles 2423 ff of the Italian Civil Code, as appears from these Notes, which have been prepared pursuant to articles. 2427 of the Italian Civil Code and are an integral part of the financial statements within the meaning and for the purposes of articles 2423.

The financial statements' values are represented in units of Euro by rounding of the related amounts. Any rounding difference has been indicated under the heading "Reserve rounding Euro" between the items "Quota-holders capital" and "Rounding in Euro" under the item "extraordinary income and charges" in the Profit and Loss Account.

### Basis of Accounting

The criteria used for drawing up the financial statements at March 31, 2016 do not differ from those used for the drafting of the financial statements of the previous financial year, particularly in terms of evaluations and in the continuity of the same principles.

The evaluation of the financial statements' items has been carried out on the basis of the general criteria of prudence and accrual, on a continuative basis of the activities, by evaluating the economic function of the assets as well as of the liabilities taken into account. The application of the prudential basis of the accounting resulted in the evaluation of the single components of each value or asset or liability, in order to avoid any offset between losses that should have been recognized and/or profits that should have not been recognised if not realised.

In compliance to the accruals method, the effects of the transactions and of the other events have been reflected on the accounts and attributed to the fiscal year to which the transactions and the events refer, and not to the one in which the related collections and payments have occurred.

The fact that the evaluations considers the economic function of the assets or liabilities taken into account, which expresses the principle of prevalence of the substance over the form - mandatory where not conflicting with other specific rules governing the financial statements - makes it possible to represent the transactions according to the economic reality underlying the formal aspects.

In particular, the following accounting policies have been applied:

### Fixed assets

#### Tangible assets

The Tangible Assets have been recorded at their purchase cost and are adjusted by the relevant accumulated depreciation funds.

The book value includes the ancillary costs as well as the costs incurred for the use of the fixed tangible asset, less any trade discounts and any significant cash discounts.

The depreciation charged to the Profit and Loss Account has been calculated on the basis of the remaining "useful life" of the assets, taking into account their use, destination and economic-technical life, and we believe that this is well reflected by the following rates, in the year in which the asset has been put to use:

- Computers : 25%

### Accounts receivable

The Account receivables have been recorded at their presumed realisable value.

### Misc. Expenditure to the extent not written off.

The start-up and expansion costs, having a utility that stretches over the years, have been recorded as assets with the approval of the Board of Statutory Auditors and are to be written off over 4 years.

### Accounts payable

Accounts payable have been recorded at their nominal value, adjusted by any returns of goods or credit notes.

### Accrued liabilities/income – prepayments/deferred income

These have been determined on an actual accruals basis of the financial period.

For long term accruals have been verified the conditions that led to its original registration, adopting, if necessary, appropriate changes.

The Accrued Incomes measure the income and expenses which competence is anticipated or delayed with respect to the numeracy and/or documental evidence; said incomes are independent from the date of payment or collection of the connected income and expenses, related to two or more financial years and divisible on a time basis.

### Income taxes

The income taxes are accrued in accordance with the competence principle and include as following indicated:

- the accruals for the taxes paid or to be paid in the financial year, determined according to the current rates and regulation;

### Recognition of income

The financial revenues and those deriving from the carrying out of services are acknowledged on an accrual basis.

## Directors' Report to the Shareholders

Dear Shareholders

Your Directors present their Second Report together with the audited accounts of your Company for the year ended 31<sup>st</sup> March 2016.

### DIRECTORS' RESPONSIBILITIES STATEMENT

The Directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

Select suitable accounting policies and then apply them consistently;

Make judgments and accounting estimates that are reasonable and prudent;

Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of

## AUDITORS' REPORT

### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MAHINDRA RACING UK LIMITED

We have audited the financial statements of Mahindra Racing UK Limited for the period ended 31 March 2016, which comprise the Profit and Loss Account, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and the Financial Reporting Standard for Smaller Entities (effective January 2015) (United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities).

This report is made solely to the company's shareholders, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's shareholders those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's shareholders as a body, for our audit work, for this report, or for the opinions we have formed.

### RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITOR

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

### SCOPE OF THE AUDIT OF THE FINANCIAL STATEMENTS

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Directors' Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

### OPINION ON FINANCIAL STATEMENTS

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2016 and of its loss for the period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### OPINION ON OTHER MATTER PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion the information given in the Directors' Report for the financial period for which the financial statements are prepared is consistent with the financial statements.

### MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and to take advantage of the small companies' exemption from the requirement to prepare a Strategic Report or in preparing the Directors' Report.

## Notes to the financial statements at 31/03/2016

### 1. ACCOUNTING POLICIES

#### 1.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015). The financial statements have also been prepared on the going concern basis which is dependent upon the financial support of the company's ultimate parent undertaking.

#### 1.2 Turnover

Turnover comprises revenue recognised by the company in respect of sponsorship income receivable in the period.

#### 1.3 Intangible fixed assets and amortization

Intangible fixed assets represents intellectual property rights.

#### 1.4 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Office equipment - 33% straight line

#### 1.5 Deferred taxation

Full provision is made for deferred tax assets and liabilities arising from all timing differences between the recognition of gains and losses in the financial statements and recognition in the tax computation.

A net deferred tax asset is recognised only if it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax assets and liabilities are calculated at the tax rates expected to be effective at the time the timing differences are expected to reverse.

Deferred tax assets and liabilities are not discounted.

#### 1.6 Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at rates of exchange ruling at the balance sheet date.

Transactions in foreign currencies are translated into sterling at the rate ruling on the date of the transaction.

Exchange gains and losses are recognised in the Profit and Loss Account.

#### 1.7 Research and development

The company incurs costs in developing cars for racing. The degree of technological change and constant revisions to cars for these purposes means that the company has adopted a policy of charging all such costs to the Profit and Loss Account as they are incurred.

### 2. RELATED PARTY TRANSACTIONS

During the period the company received sponsorship income amounting to £4,440,001 (2015 :£3,224,498) from Mahindra & Mahindra Limited, its ultimate parent undertaking. At the balance sheet date there was an amount of £38,970 (2015 :£199,540 ) owed by this company and an amount of £221,068 (2015 : £144,443) owed to that same company.

### 3. ULTIMATE PARENT UNDERTAKING AND CONTROLLING PARTY

The company's immediate parent undertaking is Mahindra Overseas Investment Company (Mauritius) Limited, a company incorporated in Mauritius. The ultimate parent undertaking is Mahindra & Mahindra Limited, a company incorporated in India.

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF MAHINDRA "ELECTORAL TRUST" COMPANY

#### Report on the Financial Statements

We have audited the accompanying financial statements of MAHINDRA "ELECTORAL TRUST" COMPANY ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2016, the Statement of Income and Expenditure for the year then ended, and a summary of the significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements

give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and its deficit for the period ended on that date.

#### Report on Other Legal and Regulatory Requirements

The Company is licensed to operate under section 8 of Companies Act, 2013. Therefore on facts, the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (the "Order"), is not applicable to the Company.

As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet and the Statement of Income and Expenditure dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure I.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - a. As there are no pending litigations as on the date of financial statements by or against the Company, the Company is not required to disclose the impact of pending litigations on its financial position in its financial statements,.
  - b. The Company has not entered into any long-term contracts including derivative contract, hence no provision for foreseeable losses on such contracts is required to be made in the financial statements;
  - c. There are not amounts which are required to be transferred to Investor Education and Protection Fund.

## ANNEXURE I TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF MAHINDRA "ELECTORAL TRUST" COMPANY

### REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

We have audited the internal financial controls over financial reporting of **Mahindra "Electoral Trust" Company** ("the Company") as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit

opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES TO THE FINANCIAL STATEMENTS FOR PERIOD ENDED 31<sup>ST</sup> MARCH, 2016

(Currency: Indian Rupees)

### NOTE 1: Significant Accounting Policies

#### Nature of Operations

Mahindra 'Electoral Trust' Company, a subsidiary of Mahindra & Mahindra Ltd, was incorporated in India as a section 25 Company (under Companies Act, 1956) on 30<sup>th</sup> December, 2013. The main object of the company is to distribute, allocate or solely utilize the contributions, payments, funds or donations received or gathered by the company to/for the use of the political parties which are registered under section 29A of the Representation of People Act, 1951.

#### 1. Significant Accounting Policies

##### a) Basis of Preparation of Financial Statements

The financial statements are prepared and presented under the historical cost convention, on the accrual basis of accounting and in accordance with the provisions of the **Companies Act, 2013** ('the Act'), and the accounting principles generally accepted in India and comply with the accounting standards prescribed in the Companies (Accounting Standards) Rules, 2006 issued by the Central Government, in consultation with the National Advisory Committee on Accounting Standards, to the extent applicable.

The financial statement are prepared and presented in the form set out in Schedule III of the Act, so far as they are applicable thereto.

These financial statements are presented in Indian rupees.

##### b) Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles in India (Indian GAAP) requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements which in management's opinion are prudent and reasonable. Actual results may differ from the estimates used in preparing the accompanying financial Statements. Any revision to accounting estimates is recognised prospectively in current and future periods.

##### c) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

- *Interest income*

Interest income is recognized on time proportion basis.

##### d) Taxation

###### *Current tax*

Provision for current tax is made for the tax liability payable on taxable income after considering tax allowances, deductions and exemptions determined in accordance with the prevailing tax laws.

##### e) Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share are calculated after adjusting effects of potential equity shares (PES). PES are those shares which will convert into equity shares at a later stage. Profit/loss is adjusted by the expenses incurred on such PES. Adjusted profit/loss is divided by the weighted average number of ordinary plus potential equity shares.

##### f) Provisions and Contingencies

A provision is recognised when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present values and are determined based on management estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that have arisen from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of future events not wholly within the control of the Company.

When there is an obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

#### 2. Notes to Accounts

- a) The company has not received any intimation, from "suppliers" regarding their status under the Micro, Small and Medium Enterprises Development Act, 2006 and hence disclosures, if any, relating to amounts unpaid as at the year-end together with interest paid/ payable as required under the said Act have not been given.
- b) Previous year figures have been regrouped/reclassified wherever applicable.

## INDEPENDENT AUDITOR'S REPORT

To the Members of **GATEWAY HOUSING COMPANY LIMITED**  
(formerly known as **Orizonte Solutions Limited**).

### Report on the Financial Statements

We have audited the accompanying financial statements of **Gateway Housing Company Limited (formerly known as Orizonte Solutions Limited)** ("the Company"), which comprise the balance Sheet as at March 31, 2016 and the Statement of Profit and Loss for the year then ended, cash flow statement for the year then ended and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('The Act') with respect to the preparation of these financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the company in accordance with the Accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and Auditing standards and matters which are required to be included in the Audit report under the provisions of the Act and the rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under the Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the company has in place an adequate internal financial controls system over financial reporting and the operating of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India: of the state of affairs of the Company as at March 31, 2016, and its Profit and its cash flows for the year ended on that date.

### Report on Other Legal and Regulatory Requirements

## **ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF Gateway Housing Company Limited (formerly known as Orizonte Solutions Limited)**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (The Act)**

We have audited the internal financial controls over financial reporting of Gateway Housing Company Limited (formerly known as Gateway Housing Finance Corporation Limited) ("the Company") as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES FORMING PART OF THE ACCOUNTS AS AT 31 MARCH 2016

### Note 1 Significant Accounting Policies:

#### a) Basis for preparation of accounts:

The accounts have been prepared to comply in all material aspects with the applicable accounting principles in India, the Accounting Standards issued by the Institute of Chartered Accountants of India and relevant provisions of the Indian Companies Act, 1956.

#### b) Investments:

Long term investments are valued at cost or lower, if written down in case of permanent diminution in value.

#### c) Revenue Recognition:

Dividend from investments is recognised in the statement of Profit and Loss when the right to receive payment is established.

#### d) Income Taxes:

Income taxes are accounted for in accordance with Accounting Standard 22 on "Accounting for taxes on income" (AS-22) issued by the Institute of Chartered Accountants of India. Tax expense comprises both current and deferred tax.

Current tax is determined as the amount of tax payable in respect of taxable income for the period using the applicable tax rates and tax laws. Deferred tax assets and liabilities are recognised, subject to consideration of prudence, on timing differences, being the difference between taxable income and accounting income, that originate in one period and are capable of reversal in one or more subsequent periods and are measured using tax rates enacted or substantively enacted as at the Balance Sheet date. The carrying amount of deferred tax assets and liabilities are reviewed at each balance sheet date.

### Note 2 Preference Share Capital:

- a) 120,000 - 7% non-cumulative redeemable preference shares issued during the year ended 31st March, 2004, are redeemable at par at the option of the Company at any time after 2 years but before twenty years from the date of allotment of the preference shares.
- b) 51,000 - 7% non-cumulative redeemable preference shares issued during the year ended 31st March, 2005 are redeemable at par at the option of the Company or Shareholders at any time after 18th January, 2006. The shares remaining outstanding will be compulsorily redeemed on 23rd September, 2019.

## INDEPENDENT AUDITOR'S REPORT

To the Members of

**Orizonte Business Solutions Limited**

### Report on the Financial Statements

1. We have audited the accompanying financial statements of Orizonte Business Solutions Limited ("the Company"), which comprise the balance sheet as at 31<sup>st</sup> March, 2016, and the statements of profit and loss and cash flow for the year then ended, and a summary of the significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making

those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and its profit and its cash flows for the year ended on that date.

### Report on Other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure I a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
10. As required by Section 143(3) of the Act, we report that:
  - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c. the Balance Sheet, the Statement of Profit and Loss and Cash Flow dealt with by this Report are in agreement with the books of account;
  - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);
  - e. On the basis of written representations received from the directors as on 31<sup>st</sup> March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2016, from being appointed as a director in terms of Section 164(2) of the Act.

- f. With respect to the adequacy of internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure II.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

## ANNEXURE I TO THE AUDITOR'S REPORT

Referred to in paragraph 9 of our report of even date on the financial statements of Orizonte Business Solutions Limited for the year ended 31<sup>st</sup> March, 2016.

1. (i) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
  - (ii) The fixed assets are physically verified by the Management according to a programme of phased verification, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the Management during the year and no material discrepancies have been noticed in respect of assets verified during the year.
  - (iii) The title deeds of immovable properties, as disclosed in Note on fixed assets to the financial statements, are held in the name of the Company.
2. The Company is in the business of providing digital services and consequently, does not hold any inventory. Therefore, the provisions of Clause 3(ii) of the said order are not applicable to the Company.
  3. There are no parties covered in the register maintained under sec 189 of the Act. Accordingly the provisions of clause (iii), (iii)(a), (iii)(b) and (iii)(c) of the order are not applicable to the company.
  4. The Company has not granted any loans or made any investments, or provided any guarantees or security to the parties covered under Section 185 and Section 186. Therefore the provisions of Clause 3(iv) of the Order are not applicable to the company.
  5. The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified. Therefore the provisions of Clause 3(v) of the Order are not applicable to the company.
  6. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company.
  7. (i) According to the records of the Company and information and explanations given to us, the Company is generally regular in depositing with the appropriate authorities undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Sales Tax,, Excise Duty, Service Tax, Customs Duty, value added tax, and other statutory dues applicable to it with the concerned authorities.
  - (ii) According to the information and explanations given to us, there are no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income tax, Sales Tax, Wealth Tax, Excise Duty, Service Tax, Customs Duty and Value Added Tax that were outstanding, at the year-end for a period of more than six months from the date they became payable.
  - (iii) According to the information and explanations given to us and records of the Company examined by us, there are no dues of income-tax, sales tax, service tax, excise duty, customs duty and value added tax and cess which have not been deposited on account of any dispute.
8. As the Company does not have any loans or borrowings from any financial institution or bank or Government, nor has it issued any debentures as at the balance sheet date, the provisions of Clause 3(viii) of the Order are not applicable to the Company.
  9. The Company has not raised any moneys by way of initial public offer, further public offer (including debt instruments) and term loans. Accordingly, the provisions of Clause 3(ix) of the Order are not applicable to the Company.
  10. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the Management
  11. The Company has not paid/provided any managerial remuneration covered by the provisions of Section 197. Therefore provisions of clause 3(xi) are not applicable to the Company.
  12. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the provisions of Clause 3(xii) of the Order are not applicable to the Company.
  13. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required under Accounting Standard (AS) 18, Related Party Disclosures specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  14. The Company has made a preferential allotment during the year under review, in compliance with the requirements of Section 42 of the Act. The amounts raised have been used for the purpose for which funds were raised
  15. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the provisions of Clause 3(xv) of the Order are not applicable to the Company.
  16. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the provisions of Clause 3(xvi) of the Order are not applicable to the Company.

## ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF ORIZONTE BUSINESS SOLUTIONS LIMITED

### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Orizonte Business Solutions Limited ("the Company") as of 31<sup>st</sup> March, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date

### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
