### Operations:

#### Aircraft Division

##### GippsAero

The year FY 16 was a challenging year for General Aviation Aircraft market resulting in significant reduction in Aircraft Sales for all companies. The Company's step-down subsidiary M/s. GippsAero Pty Ltd (GA) made a number of changes to its market strategy in response to market challenges. To regain momentum, the business re-focussed on a few successful markets plus entry into China and India to take advantage of the growing demand for general aviation aircraft in these regions. The benefits of the changes are expected to be seen in FY17.

Progress on the Airvan 10 continued at a steady pace and most flight safety critical challenges have been overcome and the Certification is expected in the second half of FY17.

##### CNM-5

Following the successful test flights of the prototype CNM5 aircraft in Australia in 2011, the Company and its CNM-5 development partner, National Aerospace Laboratories (NAL) discussed the potential benefits and approach to Type Certify the CNM5 in Australia and collaboratively prepared a detailed project plan for the same. This being a different approach to certification than was originally planned, National Aerospace

Laboratories (NAL) has to obtain a formal clearance from its parent body, Council of Scientific and Industrial Research and other Government bodies as may be required. The Company has been following up for this approval to launch formal certification program in Australia. The Company is awaiting a decision from NAL and appropriate government authorities.

#### Aerostructures Division

During the year, the Company's subsidiary Mahindra Aerostructures Private Limited (MASPL) signed contracts with Tier 1 companies of Airbus located at Germany & UK and started supplying components for a variety of aircraft programs. These contracts are expected to reach peak volumes over the next 18-24 months in a phased manner. The Company is pursuing various opportunities both in India and abroad which are expected to yield results in the coming years.

#### Dividend

In view of the losses, your Directors have not considered dividend for the year under review.

#### Subsidiaries and Associates

During the year under review, your Company incorporated a subsidiary in Australia by the name of Airvan 10 Pty Ltd.

A report on the performance and financial position of each of the subsidiaries and associates of the Company included in the consolidated financial statement, for the year ended 31<sup>st</sup> March, 2016, is given in separate section marked as Annexure I and the same forms part of this report.

## ANNEXURE II TO THE DIRECTORS' REPORT FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016.

### **POLICY FOR REMUNERATION OF DIRECTORS, KEY MANAGERIAL PERSONNEL**

#### **Purpose**

This Policy sets out the approach to compensation of Directors and Key Managerial Personnel in Mahindra Aerospace Private Limited.

#### **Policy Statement**

Our compensation philosophy strives to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in business.

In order to effectively implement this, our compensation structure is developed through external benchmarking as appropriate, with relevant players across the industry we operate in.

#### **Non-Executive Including Independent Directors**

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both Fixed and variable, to the Non-Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and such other factors as the NRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

#### **Key Managerial Personnel (KMPs)**

The terms of remuneration of Chief Executive Officer (CEO), Chief Financial Officer (CFO) and Company Secretary (CS) shall be determined by the Board and revised, from time to time, either by any Director or such other person as may be authorised by the Board. The remuneration shall be consistent with the competitive position of the salary for similar positions in the industry and their Qualifications, Experience, Roles and Responsibilities. Pursuant to the provisions of section 203 of the Companies Act 2013 the Board shall approve the remuneration at the time of their appointment.

The remuneration to directors, KMPs and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

#### **Employees**

We follow a differential approach based on industry benchmarking and statutory requirement, depending upon the level in the organization i.e for all employees from Technician to Senior Management Band, we benchmark with competition from the same industry.

We have a CTC (Cost to Company) concept. In Managerial and Senior Managerial band starting from Grade M3 and above CTC includes a fixed component (Guaranteed Pay) and a variable component (Performance pay). The percentage of the variable component increases with increasing hierarchy levels, as we believe employees at higher positions have a far greater impact and influence on the overall business result. The CTC is reviewed once every year and the compensation strategy for positioning of individuals takes into consideration the following elements:

- Performance
- Potential
- Criticality
- Longevity in grade

Remuneration for the new employees other than KMPs and Senior Management Personnel will be decided by the HR, in consultation with the concerned business unit head at the time of hiring, depending upon the relevant job experience, last compensation and the skill-set of the selected candidate.

The Company may also grant Stock Appreciation Rights and/or Stock Options to Employees and Directors (other than Independent Directors) in accordance with any Scheme of the Company and subject to compliance of the applicable statutes and regulations.

### **POLICY ON APPOINTMENT OF DIRECTORS AND SENIOR MANAGEMENT PERSONNEL**

#### **DEFINITIONS**

The definitions of some of the key terms used in this Policy are given below.

“**Board**” means Board of Directors of the Company.

“**Company**” means Mahindra Aerospace Private Limited

“**Committee(s)**” means Committees of the Board for the time being in force.

“**Key Managerial Personnel**” (KMP) refers to key managerial personnel as defined under the Companies Act, 2013 and includes:

- (i) Managing Director (MD), or Chief Executive Officer (CEO); or Manager; or Whole time Director (WTD)
- (ii) Chief Financial Officer (CFO); and
- (iii) Company Secretary (CS).

“**Nomination and Remuneration Committee**” (NRC) means Nomination and Remuneration Committee of Board of Directors of the Company for the time being in force.

“**Senior Management**” means personnel of the Company who are members of its Core Management Team excluding Board of Directors comprising of all members of management one level below the executive directors including the functional heads.

## I. APPOINTMENT OF DIRECTORS:

- The NRC reviews and assesses Board composition and recommends the appointment of new Directors. In evaluating the suitability of individual Board member, the NRC shall take into account the following criteria regarding qualifications, positive attributes and independence of director:
  1. All Board appointments will be based on merit, in the context of the skills, experience, independence and knowledge, for the Board as a whole to be effective.
  2. Ability of the candidates to devote sufficient time and attention to his professional obligations as Independent Director for informed and balanced decision making.
  3. Adherence to the Code of Conduct and highest level of Corporate Governance in letter and in spirit by the Independent Directors.
- Based on recommendation of the NRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board through the Chairman/Managing Director will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new Director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act 2013 and Rules made thereunder.

### Removal of Directors

If a Director is attracted with any disqualification as mentioned in any of the applicable Act, rules and regulations thereunder or due to non - adherence to the applicable policies of the company, the NRC may recommend to the Board with reasons recorded in writing, removal of a Director subject to the compliance of the applicable statutory provisions.

### Senior Management Personnel

The NRC shall identify persons who may be appointed in senior management team in accordance with the criteria laid down above.

Senior Management personnel are appointed or promoted and removed/relieved with the authority of Chairman based on the business need and the suitability of the candidate. The details of the appointment made and the personnel removed one level below the Key Managerial Personnel during a quarter shall be presented to the Board.

## II. SUCCESSION PLANNING:

### Purpose:

The Talent Management Policy sets out the approach to the development and management of talent in the Mahindra Group to ensure the implementation of the strategic business plans of the Group and the Group Aspiration of being among the Top 50 globally most-admired brands by 2021.

### Board:

The successors for the Independent Directors shall be identified by the NRC at least one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor will be appointed at the earliest but not later than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

The NRC will accord due consideration for the expertise and other criteria required for the successor.

The Board may also decide not to fill the vacancy caused at its discretion.

### Senior Management Personnel:

A good succession-planning program aims to identify high growth individuals, train them and feed the pipelines with new talent. It will ensure replacements for key job incumbents in KMPs and senior management positions in the organization.

Significantly, we have a process of identifying Hi-pots and critical positions. Successors are mapped for these positions at the following levels:

1. Emergency successor
2. Ready now
3. Ready in 1 to 2 years
4. Ready in 2 to 5 years
5. Ready in more than 5 years

in order to ensure talent readiness as per a laddered approach.

### Policy Statement:

The Talent Management framework of the Mahindra Group has been created to address three basic issues:

- 1) Given the strategic business plans, do we have the skills and competencies required to implement them? If not, how do we create them – by developing them internally or through lateral induction from outside?
- 2) For critical positions, what is the succession pipeline?
- 3) What are the individual development plans for individuals both in the succession pipeline as well as others?

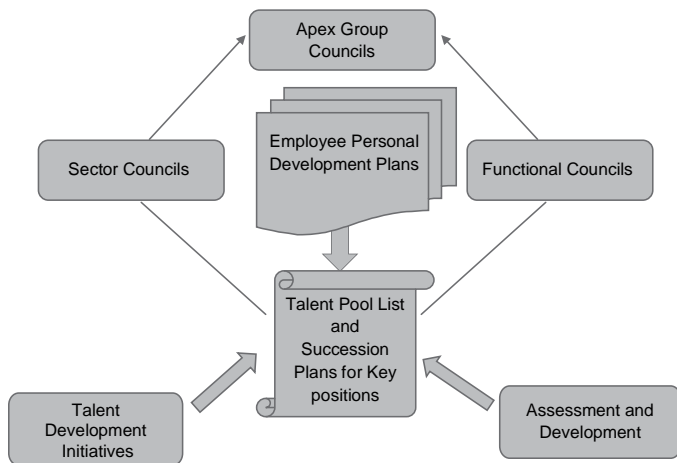

The framework lays down an architecture and processes to address these questions using the **3E** approach:

- a) **Experience** i.e. both long and short-term assignments. This has 70% weightage
- b) **Exposure** i.e. coaching and mentoring – 20% weightage
- c) **Education** i.e. learning and development initiatives – 10% weightage

The Talent Management process is applicable to all employees. Over the years, the Talent Management framework has become a well-structured and process-oriented system

which is driven by an interactive and collaborative network of Talent Councils at the Group and Sector Levels. These Talent Councils, which consist mainly of senior business leaders supported by HR, are a mix of Sector (Business) and Functional Councils coordinated by an Apex Talent Council, headed by the Group Chairman. The Apex Council reviews the work done by the Talent Councils and facilitates movement of talent across Sectors. The Sector / Functional Councils meet regularly throughout the year and the Apex Council interacts with each one of them separately once a year, and in addition conducts an integrated meeting where the Chairpersons of all the Councils are present.

The Talent Management process can be represented pictorially as under:

The talent pipeline is maintained and developed so as to ensure that there is a seamless flow of talent. An important part of this exercise is drawing up and implementing IDAPs (Individual Development Action Plans) for every Executive concerned using the 3E approach mentioned above.

## INDEPENDENT AUDITOR'S REPORT

### To the Members of MAHINDRA AEROSPACE PRIVATE LIMITED

#### Report on the Standalone Financial Statements

1. We have audited the accompanying standalone financial statements of **Mahindra Aerospace Private Limited ("the Company")**, which comprise the balance sheet as at 31<sup>st</sup> March, 2016, and the statements of profit and loss and cash flow for the period from 1<sup>st</sup> April, 2015 to 31<sup>st</sup> March, 2016, and a summary of the significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

3. Our responsibility is to express an opinion on these standalone financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment

of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

#### Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and its loss and cash flows for the year ended on that date.

#### Emphasis of Matter

9. We draw attention to Note no. 22 of the financial statements wherein management has detailed the status of the commercial launch of the prototype developed of the 5 seater aircraft jointly with NAL on which Rs. 2098.63 lakhs have been incurred in respect of which the approvals from Government and other statutory authorities is pending/delayed but will not impact the technical or commercial feasibility of the project. Being a technical matter we have relied on such representation.

Our opinion is not qualified in respect of this matter.

#### Report on Other Legal and Regulatory Requirements

10. As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure I a statement on the matters specified in paragraphs 3 and 4 of the Order.
11. As required by Section 143(3) of the Act, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - b. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

- c. The Balance Sheet, the Statement of Profit and Loss and Cash Flow dealt with by this Report are in agreement with the books of account;
- d. The matter described in the paragraph 9 under Emphasis of Matter, in our opinion, may impact the operations of the Company;
- e. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);
- f. With respect to the adequacy of internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure II;
- g. On the basis of written representations received from the directors as on 31<sup>st</sup> March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2016, from being appointed as a director in terms of Section 164(2) of the Act.
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 23 to the financial statements.
  - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any on long-term contracts. The Company did not have any derivative contracts.

## ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF MAHINDRA AEROSPACE PRIVATE LIMITED

### Report on the Internal Financial Control sunder Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Mahindra Aerospace Private Limited** ("the Company") as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the period from April 1, 2015 to March 31, 2016.

#### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the Institute of Chartered Accountants of India ("ICAI") and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

## Notes to Financial Statements for the year ended 31<sup>st</sup> March, 2016

### 1. Company Overview:

Mahindra Aerospace Private Limited (the 'Company') was incorporated on 28<sup>th</sup> February, 2008 with an objective of exploring various opportunities available in the Aerospace Sector. Presently the Company is engaged in design and development of 5 seat aircraft in technical collaboration with National Aerospace Laboratories (NAL). Also the company is exporting design services.

### 2. Significant Accounting Policies:

#### A. Basis for preparation of financial statements:

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act 2013 read with Rule 7 of the Company (Accounts) Rules, 2014. The Financial Statements have been prepared on accrual basis based on the historical cost.

All assets and liabilities have been classified as current and non – current as per the Company's normal operating cycle and other criteria set out in the Revised Schedule III of the Companies Act, 2013. Based on the nature of services/operations, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities

#### B. Use of estimates:

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities (including contingent liabilities) as on the date of financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in the preparation of the financial statement are prudent and reasonable. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

#### C. Cash flow statement:

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated.

#### D. Fixed Assets:

Tangible Fixed Assets:

- All Fixed Assets are stated at cost less depreciation. Cost of acquisition is inclusive of purchase price, levies and any directly attributable cost of bringing the assets to its working condition for the intended use.
- Exchange difference arising on payment of liabilities for purchase of fixed assets in foreign currency and year end conversion of such liabilities are charged/credited to the Statement of Profit and Loss.
- When an asset is scrapped or otherwise disposed of, the cost and related depreciation are removed from the books of accounts and resultant profit or loss, if any, is reflected in the Statement of Profit and Loss.
- Items of fixed assets that have been retired from active use and are held for disposal are stated at the lower of their net book value and estimated net realizable value and are disclosed separately in the financial statements as current assets.

Intangible Assets:

- All intangible assets comprising of computer software are initially measured at cost and amortized so as to reflect the pattern in which the assets' economic benefits are consumed or license period whichever is lower.

#### E. Depreciation:

- The Company has provided for depreciation using straight line method over the useful life of the assets as prescribed under part C of Schedule II of the Companies Act, 2013 except in the case of following assets which are depreciated based on the Company's usage pattern supported by technical assessment.
- Assets costing less than Rs. 5000/- are fully depreciated in the period of purchase.

#### F. Investments:

Investments that are readily realizable and are intended to be held for not more than one year from the date, on which such investments are made, are classified as current investments. All other investments are classified as long term investments. Current investments are carried at cost or fair value, whichever is lower. Long-term investments are carried at cost. However, provision for diminution is made to recognize a decline, other than temporary, in the value of the investments, such reduction being determined and made for each investment individually.

#### G. Employee Benefits:

- Defined Contribution Plans:

Company's contributions paid/payable during the year to Provident Fund are charged to the Statement of Profit and Loss on accrual basis

- Gratuity:

Liabilities with regard to the gratuity benefit payable in future are determined by actuarial valuation at each balance sheet date using the projected unit credit method and contributions are made to employee gratuity fund managed by Life Insurance Corporation of India. Actuarial gains and losses arising from changes in actuarial assumptions are recognized in the Statement of profit and loss in the period in which they arise.

- Leave encashment/compensated absences:

The Company provides for the encashment of leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment/availment. The liabilities provided based on the number of days of unutilized leave at each balance sheet date on the basis of an independent actuarial valuation.

#### H. Foreign Currency Transactions:

- The Company's reporting currency is Indian Rupee (INR). Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.
- As at the Balance Sheet date non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.
- In the case of monetary assets and liabilities denominated in foreign currency, the exchange rate prevalent on the Balance Sheet date is applied to restate such assets and liabilities. Exchange differences arising on restatement of foreign currency assets and liabilities are recognized as income or expenditure in Statement of Profit and Loss.
- Exchange differences on forward exchange contracts, entered into for hedging foreign exchange fluctuation risk in respect of an underlying asset/liability, are recognised in the Statement of Profit and Loss in the reporting period in which the exchange rate changes. Premium/Discount on forward exchange contracts are recognised as an expense/income over the life of the contract.

**I. Revenue Recognition:**

a. Income from Services:

In contracts involving the rendering of services, revenue is recognized pro-rata over the period of contract as and when services are rendered.

b. Interest:

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable

**J. Taxes on income:**

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax is measured based on the tax rates and tax laws enacted or substantively enacted at the balance sheet date. Deferred tax is recognized, subject to consideration of prudence, on timing differences, being the difference between taxable incomes and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses shall be recognized only when there is a virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realized.

**K. Provisions and Contingencies:**

a. Provisions are recognized in accounts in respect of present probable obligations, the amount of which can be reliably estimated.

b. Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company.

**L. Leases:**

a. Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals under operating leases are recognised in the Statement of Profit and Loss on a straight-line basis over the lease period.

b. Lease income on an operating lease is recognized in the statement of profit and loss on a straight-line basis over the lease period.

**M. Borrowing costs:**

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use or sale. Ancillary expenditure incurred in connection with the arrangement of borrowings is amortised over the tenure of the respective borrowings.

**N. Segment Reporting:**

The Company is operating in a single segment viz. designing and commercial production of aircraft and providing related support services and hence no separate disclosure is made under Accounting Standard (AS) 17, Segment Reporting.

**O. Earnings per Share:**

a. Basic earnings' per share is computed by dividing net income by the weighted average number of equity shares outstanding during the period.

b. The number of shares used in computing diluted earnings per share comprises the weighted average shares considered for deriving basic earnings per share, and also the weighted average number of equity shares that could have been issued

on the conversion of all dilutive potential equity shares. The diluted potential equity shares are adjusted for the proceeds receivable, had the shares been actually issued at fair value (i.e., the average market value of the outstanding shares). Diluted potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date.

**P. Impairment of assets:**

Management periodically, but at least annually, assesses using external and internal indicators whether there is an indication that an asset may be impaired. Impairment occurs where the carrying amount exceeds the present value of future cash flows expected to arise from the continuing use of the asset or its eventual disposal. The impairment loss to be expensed is determined as the excess of the carrying amount over the higher of the asset's net present value or sale price as determined above.

**Additional Disclosures**

**22. NM5 Project:**

During November 2008, erstwhile M/S. Plexion Technologies India Pvt. Ltd., which was later on merged with Mahindra Engineering Services Limited (MESL), had entered into a Collaboration Agreement with Council of Scientific Industrial Research (CSIR), represented by National Aerospace Laboratories (NAL) for Joint Development, Commercial Production and Marketing of a 4-Seater Aircraft (**NM 5 Project**). By virtue of a Deed of Assignment dated 28<sup>th</sup> May, 2008, signed between MESL, the Company and Council of Scientific Industrial Research (CSIR), the rights, obligations and benefits of MESL under the said Collaboration Agreement was assigned to the Company by MESL and duly affirmed by CSIR. As per the Collaboration Agreement, the Company jointly owns the Intellectual Property Rights arising from joint development of the aircraft. Such Intellectual Property Rights arising from joint development of the aircraft will be a jointly held intangible asset.

The Company has built a prototype of the aircraft which has carried out a successful test flight. The Company is in the process of obtaining the required certification.

The Company had so far incurred an expenditure of Rs. 20,98.63 Lakhs (till 2015: Rs. 20,98.63 Lakhs) towards the design & development and building one prototype aircraft.

Techno-commercial feasibility has been established and therefore this asset is being carried in the books of accounts. On receipt of certification, which would enable the Company to commence commercial sale, these assets would be depreciated/amortized.

**23. Contingent Liabilities:**

- a. Corporate Guarantees issued in respect of borrowings availed by subsidiary companies and others – Rs. 104,00.00 Lakhs (2015: Rs. 104,00.00 Lakhs):
- b. Guarantee given to Banks in consideration of the Standby Letter of Credit (SBLC) opened by them in favor of certain overseas banks as security for loan granted by such overseas banks to the Australian subsidiaries of the Company – Rs. 2,411.10 Lakhs (2015: Rs. 9,075 Lakhs) [equivalent to AUD 4.75 mn (2015: AUD 18.75 mn)].
- c. Service tax matter of Rs. 98.96 lakhs (2015: Rs. 98.96 lakhs).

**24. Investment in Subsidiary company:**

During the year the Company has invested Rs. 381.84 lakhs (2015: 3,618.29 lakhs) in its wholly owned subsidiary Mahindra Aerospace Australia Pty. Limited (MAAPL) which in turn has invested in various downstream subsidiaries. The subsidiary companies have been incurring losses and are dependent on financial support from the Company. Such investments are, long term and strategic in nature and management based on future business plans and independent valuation of the subsidiaries determined that no provision for diminution other than temporary in the value of these investments is required at 31<sup>st</sup> March, 2016.

**25. Impairment:**

During the year, the company's wholly owned subsidiary, M/s. Mahindra Aerospace Australia Pty Ltd, Australia, had impaired its investments in step down subsidiaries to the extent of AUD 27.421 Mn. Consequently, the Company's investment in Mahindra Aerospace Australia Pty Ltd is impaired by an amount of Rs. 13917.52 Lakhs. (2015: NIL)

**26. TDS Refund:**

During the year, the overseas subsidiary M/s. Gippsaero Pty Ltd, Australia, has remitted Rs. 90.17 Lakhs (2015: Rs. NIL) [equivalent to AUD 182,897 (2015: AUD NIL)] towards refund of withholding tax deducted on the services rendered by the Company since FY 2011. These amounts were charged off to the statement of Profit and Loss in earlier years as the Company could not take credit for the same.

**27. Employee Benefits.**

**Defined Benefit Plans.**

## ANNEXURE I TO THE DIRECTORS' REPORT FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016

### POLICY FOR REMUNERATION OF DIRECTORS KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES

#### Purpose

This Policy sets out the approach to compensation of Directors and Key Managerial Personnel in Mahindra Aerostructures Private Limited.

#### Policy Statement

Our compensation philosophy strives to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in business.

In order to effectively implement this, our compensation structure is developed through external benchmarking as appropriate, with relevant players across the industry we operate in.

#### Non-Executive Including Independent Directors

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both Fixed and variable, to the Non-Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and such other factors as the NRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

#### Key Managerial Personnel (KMPs)

The terms of remuneration of Chief Executive Officer (CEO), Chief Financial Officer (CFO) and Company Secretary (CS) shall be determined by the Board and may be revised, from time to time, either by any Director or such other person as may be authorised by the Board. The remuneration shall be consistent with the competitive position of the salary for similar positions in the industry and their Qualifications, Experience, Roles and Responsibilities. Pursuant to the provisions of section 203 of the Companies Act 2013 the Board shall approve the remuneration at the time of their appointment.

The remuneration to directors, KMPs and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

#### Employees

We follow a position and level based approach for compensation benchmarking with companies in the steel/ steel service centre and related engineering industries.

We have a CTC (Cost to Company) concept which includes a fixed component (guaranteed pay) and a variable component (performance pay). The percentage of the variable component increases with increasing hierarchy levels as employees at higher positions have a greater impact and influence on the company's overall business result. CTC is reviewed once every year and the compensation strategy for positioning of individuals takes into consideration the following elements:

- Performance
- Potential
- Criticality
- Longevity in grade

Remuneration for new employees other than KMPs and senior management will be decided by HR, and approved by the Managing Director, based on factors such as relevant job experience, last compensation drawn, skill-set of the selected candidate, internal equity and related parameters.

The Company may also grant Stock Appreciation Rights and/ or Stock Options to Employees and Directors (other than Independent Directors) in accordance with any Scheme of the Company and subject to compliance of the applicable statutes and regulations.

### POLICY ON APPOINTMENT OF DIRECTORS AND SENIOR MANAGEMENT PERSONNEL

#### DEFINITIONS

The definitions of some of the key terms used in this Policy are given below.

“**Board**” means Board of Directors of the Company.

“**Company**” means Mahindra Aerostructures Private Limited

“**Committee(s)**” means Committees of the Board for the time being in force.

“**Key Managerial Personnel**” (KMP) refers to key managerial personnel as defined under the Companies Act, 2013 and includes:

- (i) Managing Director (MD), or Chief Executive Officer (CEO); or Manager; or Whole time Director (WTD)
- (ii) Chief Financial Officer (CFO); and
- (iii) Company Secretary (CS).

“**Nomination and Remuneration Committee**” (NRC) means Nomination and Remuneration Committee of Board of Directors of the Company for the time being in force.

“**Senior Management**” means personnel of the Company who are members of its Core Management Team excluding Board of Directors comprising of all members of management one level below the executive directors including the functional heads.

## I. APPOINTMENT OF DIRECTORS

- The NRC reviews and assesses Board composition and recommends the appointment of new Directors. In evaluating the suitability of individual Board member, the NRC shall take into account the following criteria regarding qualifications, positive attributes and independence of director:
  1. All Board appointments will be based on merit, in the context of the skills, experience, independence and knowledge, for the Board as a whole to be effective.
  2. Ability of the candidates to devote sufficient time and attention to his professional obligations as Independent Director for informed and balanced decision making
  3. Adherence to the Code of Conduct and highest level of Corporate Governance in letter and in spirit by the Independent Directors
- Based on recommendation of the NRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board through the Chairman/ Managing Director will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new Director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act 2013 and Rules made thereunder.

### Removal of Directors

If a Director is attracted with any disqualification as mentioned in any of the applicable Act, rules and regulations thereunder or due to non - adherence to the applicable policies of the company, the NRC may recommend to the Board with reasons recorded in writing, removal of a Director subject to the compliance of the applicable statutory provisions.

### Senior Management Personnel

The NRC shall identify persons who may be appointed in senior management team in accordance with the criteria laid down above.

Senior Management personnel are appointed or promoted and removed/relieved with the authority of Chairman based on the business need and the suitability of the candidate. The details of the appointment made and the personnel removed one level below the Key Managerial Personnel during a quarter shall be presented to the Board.

## II. SUCCESSION PLANNING:

### Purpose

The Talent Management Policy sets out the approach to the development and management of talent in the Mahindra Group to ensure the implementation of the strategic business plans of the Group and the Group Aspiration of being among the Top 50 globally most-admired brands by 2021.

### Board:

The successors for the Independent Directors shall be identified by the NRC at least one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor will be appointed at the earliest but not later than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

The NRC will accord due consideration for the expertise and other criteria required for the successor.

The Board may also decide not to fill the vacancy caused at its discretion.

### Senior Management Personnel:

A good succession-planning program aims to identify high growth individuals, train them and feed the pipelines with new talent. It will ensure replacements for key job incumbents in KMPs and senior management positions in the organization.

Significantly, we have a process of identifying Hi-pots and critical positions. Successors are mapped for these positions at the following levels:

1. Emergency successor
2. Ready now
3. Ready in 1 to 2 years
4. Ready in 2 to 5 years
5. Ready in more than 5 years

in order to ensure talent readiness as per a ladder approach.

### Policy Statement

The Talent Management framework of the Mahindra Group has been created to address three basic issues:

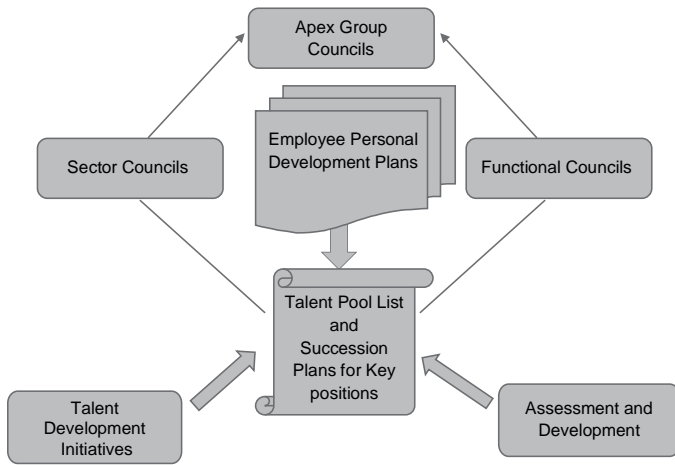

- 1) Given the strategic business plans, do we have the skills and competencies required to implement them? If not, how do we create them – by developing them internally or through lateral induction from outside?
- 2) For critical positions, what is the succession pipeline?
- 3) What are the individual development plans for individuals both in the succession pipeline as well as others?

The framework lays down an architecture and processes to address these questions using the **3E** approach:

- a) **Experience** i.e. both long and short-term assignments. This has 70% weightage
- b) **Exposure** i.e. coaching and mentoring – 20% weightage
- c) **Education** i.e. learning and development initiatives – 10% weightage

The Talent Management process is applicable to all employees. Over the years, the Talent Management framework has become a well-structured and process-oriented system which is driven by an interactive and collaborative network of Talent Councils at the Group and Sector Levels. These Talent Councils, which consist mainly of senior business leaders supported by HR, are a mix of Sector (Business) and Functional Councils coordinated by an Apex Talent Council, headed by the Group Chairman. The Apex Council reviews the work done by the Talent Councils and facilitates movement of talent across Sectors. The Sector/Functional Councils meet regularly throughout the year and the Apex Council interacts with each one of them separately once a year, and in addition conducts an integrated meeting where the Chairpersons of all the Councils are present.

The Talent Management process can be represented pictorially as under:

The talent pipeline is maintained and developed so as to ensure that there is a seamless flow of talent. An important part of this exercise is drawing up and implementing IDAPs (Individual Development Action Plans) for every Executive concerned using the 3E approach mentioned above.

## ANNEXURE II TO THE DIRECTORS' REPORT FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016 - Report of the Secretarial Auditors

Form No. MR-3

### SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2016

*[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]*

To,  
The Members,  
Mahindra Aerostructures Private Limited  
Mumbai

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Mahindra Aerostructures Private Limited (hereinafter called the "Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on March 31, 2016 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2016 according to the applicable provisions of:

- (i) The Companies Act, 1956 (the Old Act) and the rules made thereunder; and
- (ii) The Companies Act, 2013 (the Act) and the rules made thereunder.
- (iii) The SEBI Act and/or Rules/Regulations made thereunder, Depositories Act and FEMA are not applicable to the Company and
- (iv) As confirmed by the management, there are no other laws specifically applicable in relation to the business of the Company.

Other major Statutes, Acts, Laws, Rules, Regulations, Guidelines and Standards etc., as applicable to the Company are given below:

- (i) Labour Laws and other incidental laws related to employees and labour appointed by the Company either on its payroll or on contractual basis as related to wages, gratuity, provident fund, ESIC, compensation etc.;

- (ii) Acts as prescribed under Direct Tax and Indirect Tax;
- (iii) Land revenues Act;
- (iv) Labour Welfare Act; and
- (v) Such other Local laws etc. as may be applicable in respect of office and factory premises of the Company.

We have also examined compliance with the applicable clauses of the following:

1. Secretarial Standards issued by The Institute of Company Secretaries of India, w.e.f. July 1, 2015; and
2. The Company is an unlisted Company and therefore compliance with listing agreement is not applicable.

During the period under review the Company has complied with the provisions of the Act, Old Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. ## INDEPENDENT AUDITOR'S REPORT

### To the Members of Mahindra Aerostructures Private Limited

#### Report on the Standalone Financial Statements

1. We have audited the accompanying standalone financial statements of **Mahindra Aerostructures Private Limited ("the Company")**, which comprise the balance sheet as at March 31, 2016, and the statements of profit and loss and cash flow for the period from April 1, 2015 to March 31, 2016, and a summary of the significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

3. Our responsibility is to express an opinion on these standalone financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment

of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

#### Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2016, and its loss and cash flows for the year ended on that date.

#### Report on Other Legal and Regulatory Requirements

9. ## **ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF MAHINDRA AEROSTRUCTURES PRIVATE LIMITED**

### **Report on the Internal Financial Control sunder Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **Mahindra Aerostructures Private Limited** ("the Company") as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the period from April 1, 2015 to March 31, 2016.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the Institute of Chartered Accountants of India ("ICAI") and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on ...Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

## NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

### 1. Company Overview:

Mahindra Aerostructures Private Limited (the 'Company') was incorporated on 27<sup>th</sup> January, 2011 with an objective of manufacturing and sale of aircraft components, assemblies and Aerostructures.

### 2. Significant Accounting Policies:

#### A. Basis for preparation of financial statements:

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act 2013 read with Rule 7 of the Company (Accounts) Rules, 2014. The Financial Statements have been prepared on accrual basis based on the historical cost.

All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle and other criteria set out in the Revised Schedule III of the Companies Act, 2013. Based on the nature of services/operations, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities

#### B. Use of estimates:

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities (including contingent liabilities) as on the date of financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in the preparation of the financial statement are prudent and reasonable. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

#### C. Cash flow statement:

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated.

#### D. Fixed Assets:

##### a. Tangible Fixed Assets:

- i. All Fixed Assets are stated at cost less depreciation. Cost of acquisition is inclusive of purchase price, levies and any directly attributable cost of bringing the assets to its working condition for the intended use.
- ii. Exchange difference arising on payment of liabilities for purchase of fixed assets in foreign currency and year end conversion of such liabilities are charged/credited to the Statement of Profit and Loss.
- iii. When an asset is scrapped or otherwise disposed of, the cost and related depreciation are removed from the books of accounts and resultant profit or loss, if any, is reflected in the Statement of Profit and Loss.
- iv. Items of fixed assets that have been retired from active use and are held for disposal are stated at the lower of their net book value and estimated net realizable value and are disclosed separately in the financial statements as current assets

##### b. Intangible Assets

All intangible assets comprising of computer software are initially measured at cost and amortized so as to reflect the pattern in which the assets' economic benefits are consumed or license period whichever is lower.

#### E. Depreciation

- i. The Company has provided for depreciation using straight line method over the useful life of the assets as prescribed under part C of Schedule II of the Companies Act, 2013 except in the case of following assets which are depreciated based on the Company's usage pattern supported by technical assessment.

Asset Type	Useful Life
Buildings – Roads, Compound Wall	5 Years
Certain Plant & Machinery	2 Yrs, 5 Yrs, 10 Yrs, 15 Yrs
Production & Assembly Tools	3 Years
Vehicles	5 Years

- ii. Assets costing less than Rs. 5000/- are fully depreciated in the period of purchase.
- iii. Capital assets (customer specific tools), the ownership of which does not vest with the company are depreciated over the estimated period of their utility.
- iv. Capital Work-in-Progress includes the cost of assets that are not ready for intended use at the Balance sheet date.

#### F. Investments

Investments that are readily realizable and are intended to be held for not more than one year from the date, on which such investments are made, are classified as current investments. All other investments are classified as long term investments. Current investments are carried at cost or market value, whichever is lower. Long-term investments are carried at cost. However, provision for diminution is made to recognize a decline, other than temporary, in the value of the investments, such reduction being determined and made for each investment individually.

#### G. Inventories:

Inventories are stated at lower of cost or net realizable value, net of necessary provision for obsolescence. Cost of raw materials, stores & spares and packing materials are determined on weighted average basis. Cost of finished goods and work in progress comprises raw material, direct labour, other direct cost and related production overheads.

#### H. Employee Benefits

##### a. Defined Contribution Plans:

Company's contributions paid/payable during the year to Provident Fund are charged to the Statement of Profit and Loss on accrual basis

##### b. Gratuity:

Liabilities with regard to the gratuity benefit payable in future are determined by actuarial valuation at each balance sheet date using the projected unit credit method and contributed to employee gratuity fund managed by Life Insurance Corporation of India. Actuarial gains and losses arising from changes in actuarial assumptions are recognized in the Statement of profit and loss in the period in which they arise.

c. Leave encashment/compensated absences –

The Company provides for the encashment of leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment/availment. The liabilities provided based on the number of days of unutilized leave at each balance sheet date on the basis of an independent actuarial valuation.

**I. Foreign Currency Transactions:**

- a. The Company's reporting currency is Indian Rupee (INR). Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.
- b. As at the Balance Sheet date non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.
- c. In the case of monetary assets and liabilities denominated in foreign currency, the exchange rate prevalent on the Balance Sheet date is applied to restate such assets and liabilities. Exchange differences arising on restatement of foreign currency assets and liabilities are recognized as income or expenditure in the statement of Profit and Loss.
- d. Exchange differences on forward exchange contracts, entered into for hedging foreign exchange fluctuation risk in respect of an underlying asset/liability, are recognized in the Statement of Profit and Loss in the reporting period in which the exchange rate changes. Premium/Discount on forward exchange contracts are recognized as an expense/income over the life of the contract.

**J. Revenue Recognition**

- a. Domestic sales are recognized at the point of dispatch/delivery of goods to the customers as per terms of the contract, when the significant risks and rewards of ownership passes to the customers and are stated at net of value added tax and excise duty.
- b. Export sales are recognized as per the terms of contract, when the significant risks and rewards of ownership passes to the customers.
- c. Income from NRC charges for Toolings etc., is recognized based on the contractual terms with the customers.
- d. Revenue from service is recognized on rendering of services.
- e. Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.
- f. Income from duty drawback under scheme of All India brand rate is recognized on actual basis.

**K. Taxes on income**

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax is measured based on the tax rates and tax laws enacted or substantively enacted at the balance sheet date. Deferred tax is recognized, subject to consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses

shall be recognized only when there is a virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realized.

**L. Provisions and Contingencies**

- a. Provisions are recognized in accounts in respect of present probable obligations, the amount of which can be reliably estimated.
- b. Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company.

**M. Leases:**

- a. Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals under operating leases are recognised in the Statement of Profit and Loss on a straight-line basis over the lease period
- b. Lease income on an operating lease is recognized in the statement of profit and loss on a straight-line basis over the lease period.

**N. Borrowing costs**

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use or sale. Ancillary expenditure incurred in connection with the arrangement of borrowings is amortised over the tenure of the respective borrowings.

**O. Segment Reporting**

The company is operating under single segment being manufacture and sale of aircraft component and assemblies and hence disclosures under Accounting Standard 17, Segment Reporting are not applicable to the Company.

**P. Earnings per Share**

- a. Basic earnings' per share is computed by dividing net income by the weighted average number of common stock outstanding during the period.
- b. The number of shares used in computing diluted earnings per share comprises the weighted average shares considered for deriving basic earnings per share, and also the weighted average number of equity shares that could have been issued on the conversion of all dilutive potential equity shares. The diluted potential equity shares are adjusted for the proceeds receivable, had the shares been actually issued at fair value (i.e., the average market value of the outstanding shares). Diluted potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date.

**Q. Impairment of assets**

Management periodically, but at least annually, assesses using external and internal indicators whether there is an indication that an asset may be impaired. Impairment occurs where the carrying amount exceeds the present value of future cash flows expected to arise from the continuing use of the asset or its eventual disposal. The impairment loss to be expensed is determined as the excess of the carrying amount over the higher of the asset's net present value or sale price as determined above.

## **INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF AEROSTAFF AUSTRALIA PTY LTD**

We have audited the accompanying financial report, being a special purpose financial report of Aerostaff Australia Pty Ltd, which comprises the statement of financial position as at 31 March 2016, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration of the company.

### **Directors' Responsibility for the Financial Report**

The directors are responsible for the preparation and fair presentation of the financial report and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the needs of the members.

The directors' responsibility also includes such internal control as the directors determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit

procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Independence**

In conducting our audit, we have complied with APES 110 *Code of Ethics for Professional Accountants*.

### **Opinion**

In our opinion, the financial report of Aerostaff Australia Pty Ltd presents fairly, in all material respects, the company's financial position as at 31 March 2016 and its performance and its cash flows for the year ended on that date in accordance with the accounting policies described in Note 1 to the financial report.

### **Basis of Accounting**

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist Aerostaff Australia Pty Ltd to meet the financial reporting responsibilities under the Constitution. As a result, the financial report may not be suitable for another purpose.

## NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2016

### NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared for use by the directors and members of the company. The directors have determined that the company is not a reporting entity. Aerostaff Australia Pty Ltd is a for-profit entity for the purpose of preparing the financial statements.

The financial report was approved by the directors as at the date of the directors' report.

The financial report has been prepared in accordance with all applicable Accounting Standards, with the exception of:

AASB 7:	Financial Instruments: Disclosures
AASB 101:	Presentation of Financial Statements
AASB 107:	Cash Flow Statements
AASB 112:	Income Taxes
AASB 124:	Related Party Disclosures

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report:

#### (a) Basis of preparation of the financial report

##### Historical Cost Convention

The financial report has been prepared under the historical cost convention, as modified by revaluations to fair value for certain classes of assets as described in the accounting policies.

#### (b) Going concern

The financial report has been prepared on a going concern basis.

The company incurred a loss from ordinary activities of \$216,017 (Rs: 8,379,357) during the year ended 31 March 2016, and as at that date the company's total liabilities exceeded total assets by \$581,512 (Rs: 26,325,161).

The company is dependent on the ongoing financial support at of its ultimate parent entity to meet its financial obligations 31 March 2016. At this time, the directors believe that the ongoing financial support of the ultimate parent entity will be continued.

#### (c) Foreign currency translations and balances

##### Functional and presentation currency

The financial statements of the entity are measured using the currency of the primary economic environment in which that entity operates (the functional currency). The financial statements are presented in Australian dollars which is the entity's functional and presentation currency.

The functional currency of the company is measured using the currency of the primary economic environment in which the company operates. For disclosure purposes at year end this has been converted into the currency of the ultimate parent company, Indian Rupees, at a pre-determined 'convenient rate'. This is displayed as comparative balances for both the current and prior years.

All foreign currency amounts, including comparatives are translated for convenience into Indian Rupees at the exchange rate of Rs 49.10 = AUD\$1.00 as advised by the ultimate parent entity.

##### Transactions and Balances

Transactions in foreign currencies of the company are translated into functional currency at the rate of exchange ruling at the date of the transaction.

Foreign currency monetary items that are outstanding at the reporting date (other than monetary items arising under foreign currency contracts where the exchange rate for that monetary items is fixed in the contract) are translated using the spot rate at the end of the financial year.

All resulting exchange differences arising on the settlement or re-statement are recognised as revenues and expenses for the financial year.

#### (d) Revenue

Revenue from sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer and the costs incurred or to be incurred in respect of the transaction can be measured reliably. Risks and rewards of ownership are considered passed to the buyer at the time of delivery of the goods to the customer.

Interest revenue is recognised when it becomes receivable on a proportional basis taking in to account the interest rates applicable to the financial assets.

All revenue is stated net of the amount of goods and services tax (GST).

#### (e) Income tax

Current income tax expense or revenue is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities.

Deferred tax assets and liabilities are recognised for temporary differences at the applicable tax rates when the assets are expected to be recovered or liabilities are settled. No deferred tax asset or liability is recognised in relation to temporary differences if they arose in a transaction, other than a business combination, that at the time of the transaction did not affect either accounting profit or taxable profit or loss.

Deferred tax assets are recognised for deductible temporary differences and unused tax losses only if it is probable future taxable amounts will be available to utilise those temporary differences and losses.

Current and deferred tax balances attributable to amounts recognised directly in equity are also recognised directly in equity.

#### (f) Cash and cash equivalents

Cash and cash equivalents include cash on hand and at banks, short-term deposits with an original maturity of three months or less held at call with financial institutions, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the statement of financial position.

#### (g) Inventories

Inventories are measured at the lower of cost and net realisable value. The cost of manufactured products includes direct material, direct labour and a proportion of manufacturing overheads based on normal operating capacity. Inventories include raw materials, work in progress and finished goods.

#### (h) Work in progress

Work in progress is valued at cost, which includes both variable and fixed costs relating to specific items, and those costs that are attributable to the WIP activity in general that can be allocated on a reasonable basis.

#### (i) Plant and equipment

Each class of plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and any accumulated impairment losses.

##### Plant and equipment

Plant and equipment is measured on a cost basis.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to present values in determining recoverable amounts.

##### Depreciation

The depreciable amount of all fixed assets is depreciated over their estimated useful lives commencing from the time the asset is held ready for use.

Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

Class of fixed asset	Depreciation rates	Depreciation basis
Leasehold improvements at cost	4%	Diminishing value
Plant and equipment at cost	10-40%	Diminishing value
Motor vehicles at cost	22.5%	Diminishing value
Office equipment at cost	10-50%	Diminishing value

**(j) Provisions**

Provisions are recognised when the company has a legal or constructive obligation, as a result of past events, for which it is probable that an out flow of economic benefits will result and that outflow can be reliably measured.

**(k) Leases**

Leases are classified at their inception as either operating or finance leases based on the economic substance of the agreement so as to reflect the risks and benefits incidental to ownership.

**Finance leases**

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the company are classified as finance leases. Finance leases are capitalised, recording an asset and a liability equal to the present value of the minimum lease payments, including any guaranteed residual values. The interest expense is calculated using the interest rate implicit in the lease and is included in finance costs in the statement of comprehensive income. Leased assets are depreciated on a straight line basis over their estimated useful lives where it is likely that the company will obtain ownership of the asset, or over the term of the lease. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

**Operating leases**

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are recognised as an expense on a straight line basis over the term of the lease.

Lease incentives received under operating leases are recognised as a liability and amortised on a straight line basis over the life of the lease term.

**(l) Employee benefits****(i) Short-term employee benefit obligations**

Liabilities arising in respect of wages and salaries, annual leave and any other employee benefits expected to be settled within twelve months of the reporting date are measured at their nominal amounts based on remuneration rates which are expected to be paid when the liability is settled. The expected cost of short-term employee benefits in the form of compensated absences such as annual leave is recognised in the provision for employee benefits. All other short-term employee benefit obligations are presented as payables.

**(ii) Long-term employee benefit obligations**

Liabilities arising in respect of long service leave and annual leave which is not expected to be settled within twelve months of the reporting date are measured at the present value of the estimated future cash outflow to be made in respect of services provided by employees up to the reporting date.

Employee benefit obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting date, regardless of when the actual settlement is expected to occur.

**(m) Borrowing costs**

Borrowing costs including interest expense calculated using the effective interest method, finance charges in respect of finance leases, and exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs.

Borrowing costs are expensed as incurred, except for borrowing costs incurred as part of the cost of the construction of a qualifying asset are capitalised until the asset is ready for its intended use or sale.

**(n) Goods and services tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the statement of cash flows on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

**(o) Comparatives**

Where necessary, comparative information has been reclassified and repositioned for consistency with current year disclosures.

**NOTE 2: ACCOUNTING STANDARDS AND INTERPRETATIONS ISSUED BUT NOT OPERATIVE AT 31 MARCH 2016**

The following standards and interpretations have been issued at the reporting date but are not yet effective. The directors' assessment of the impact of these standards and interpretations is set out below.

**AASB 9 Financial Instruments**

Significant revisions to the classification and measurement of financial assets, reducing the number of categories and simplifying the measurement choices, including the removal of impairment testing of assets measured at fair value. The amortised cost model is available for debt assets meeting both business model and cash flow characteristics tests. All investments in equity instruments using AASB 9 are to be measured at fair value.

Amends measurement rules for financial liabilities that the entity elects to measure at fair value through profit and loss. Changes in fair value attributable to changes in the entity's own credit risk are presented in other comprehensive income.

The effective date is annual reporting periods beginning on or after 1 January 2018.

**AASB 15 Revenue from Contracts with Customers**

AASB 15 introduces a five step process for revenue recognition with the core principle being for entities to recognise revenue to depict the transfer of goods or services to customers in amounts that reflect the consideration (that is, payment) to which the entity expects to be entitled in exchange for those goods or services. The five step approach is as follows:

Step 1: Identify the contracts with the customer;

Step 2: Identify the separate performance obligations;

Step 3: Determine the transaction price;

Step 4: Allocate the transaction price; and

Step 5: Recognise revenue when a performance obligation is satisfied.

AASB 15 will also result in enhanced disclosures about revenue, provide guidance for transactions that were not previously addressed comprehensively (for example, service revenue and contract modifications) and improve guidance for multiple-element arrangements.

The effective date is annual reporting periods beginning on or after 1 January 2017.

The changes in revenue recognition requirements in AASB 15 may cause changes to the timing and amount of revenue recorded in the financial statements as well as additional disclosures. The impact of AASB 15 has not yet been quantified.

## **INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF AIRVAN FLIGHT SERVICES PTY LTD**

We have audited the accompanying financial report, being a special purpose financial report of Airvan Flight Services Pty Ltd, which comprises the statement of financial position as at 31 March 2016, the statement of comprehensive income and statement of changes in equity for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration of the company.

### **Directors' responsibility for the financial report**

The directors are responsible for the preparation and fair presentation of the financial report and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the needs of the members.

The directors' responsibility also includes such internal control as the directors determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

### **Auditors' responsibility**

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair

presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Independence**

In conducting our audit, we have complied with APES 110 *Code of Ethics for Professional Accountants*.

### **Opinion**

In our opinion, the financial report of Airvan Flight Services Pty Ltd presents fairly, in all material respects, the company's financial position as at 31 March 2016 and its performance for the year ended on that date in accordance with the accounting policies described in Note 1 to the financial report.

### **Basis of Accounting**

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist Airvan Flight Services Pty Ltd to meet the financial reporting responsibilities under the Constitution. As a result, the financial report may not be suitable for another purpose.

## NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2016

**NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES**

This financial report is a special purpose financial report prepared for use by the directors and members of the company. The directors have determined that the company is not a reporting entity. Airvan Flight Services Pty Ltd is a for profit entity for the purpose of preparing the financial statements.

The financial report was approved by the directors as at the date of the directors' report.

The financial report has been prepared in accordance with all applicable Accounting Standards, with the exception of:

AASB 101: Presentation of Financial Statements

AASB 112: Income Taxes

AASB 124: Related Party Disclosures

AASB 139: Financial Instruments: Recognition and Measurement

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report:

**(a) Basis of preparation of the financial report***Historical Cost Convention*

The financial report has been prepared under the historical cost convention, as modified by revaluations to fair value for certain classes of assets as described in the accounting policies.

**(b) Going concern**

The financial report has been prepared on a going concern basis.

The company incurred a loss from ordinary activities of \$3,850 (Rs. 189,035) during the year ended 31 March 2016, and as at that date the company's total liabilities exceeded total assets by \$3,848 (Rs. 188,937).

The company is dependent on the ongoing financial support of its ultimate parent entity to meet its financial obligations at 31 March 2016. At this time, there is no reason for the directors to believe that the ongoing financial support of the ultimate parent entity will not be continued.

**(c) Foreign currency translations and balances***Functional and presentation currency*

The financial statements are measured using the currency of the primary economic environment in which that entity operates (the functional currency). For disclosure purposes at period end this has been converted into the currency of the ultimate parent company, Indian Rupees, at a pre determined 'convenient rate'. This is displayed as comparative balances for both the current and prior years.

Foreign currency amounts are translated for convenience into Indian Rupees at the exchange rate of Rs. 49.10 = \$1 AUD as advised by the ultimate parent entity.

**(d) Comparatives**

Where necessary, comparative information has been reclassified and repositioned for consistency with current year disclosures.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 MARCH 2016

### NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared for use by the directors and members of the company. The directors have determined that the company is not a reporting entity. Airvan 10 TC Pty Ltd is a for profit entity for the purpose of preparing the financial statements.

The financial report was approved by the directors as at the date of the directors' report.

The financial report has been prepared in accordance with all applicable Accounting Standards, with the exception of:

AASB 101:	Presentation of Financial Statements
AASB 112:	Income Taxes
AASB 124:	Related Party Disclosures
AASB 139:	Financial Instruments: Recognition and Measurement

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report:

#### (a) Basis of preparation of the financial report

Historical Cost Convention

The financial report has been prepared under the historical cost convention, as modified by revaluations to fair value for certain classes of assets as described in the accounting policies.

#### (b) Going concern

The financial report has been prepared on a going concern basis.

The company incurred a loss from ordinary activities of \$3,850 (Rs. 189,035) during the year ended 31 March 2016, and as at that date the company's total liabilities exceeded total assets by \$3,840 (Rs. 188,544).

The company is dependent on the ongoing financial support of its ultimate parent entity to meet its financial obligations at 31 March 2016. At this time, there is no reason for the directors to believe that the ongoing financial support of the ultimate parent entity will not be continued.

#### (c) Foreign currency translations and balances

Functional and presentation currency

The financial statements are measured using the currency of the primary economic environment in which that entity operates (the functional currency). For disclosure purposes at period end this has been converted into the currency of the ultimate parent company, Indian Rupees, at a pre determined 'convenient rate'. This is displayed as comparative balances for both the current and prior years.

Foreign currency amounts are translated for convenience into Indian Rupees at the exchange rate of Rs. 49.10 = \$1 AUD as advised by the ultimate parent entity.

#### (d) Comparatives

The company was incorporated on 10 December 2015. As a result these financial statements do not contain comparative figures and represent the period for 10 December 2015 to 31 March 2016.

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GIPP AERO INVESTMENTS PTY LTD – INDIAN STAT

We have audited the accompanying financial report, being a special purpose financial report of Gipp Aero Investments Pty Ltd, which comprises the statement of financial position as at 31 March 2016, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

### *Directors' Responsibility for the Financial Report*

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the Corporations Act 2001 and to meet the needs of the members.

The directors' responsibility also includes such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

### *Auditor's Responsibility*

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the company's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances,

but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Independence*

In conducting our audit, we have complied with the independence requirements of the *Corporations Act 2001*.

### *Opinion*

In our opinion, the financial report of Gipp Aero Investments Pty Ltd is in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the company's financial position as at 31 March 2016 and of its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards to the extent described in Note 1 and the *Corporations Regulations 2001*.

### *Basis of Accounting*

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the directors' financial reporting responsibilities under the *Corporations Act 2001*. As a result, the financial report may not be suitable for another purpose.

## NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2016

### NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared for use by the directors and members of the company. The directors have determined that the company is not a reporting entity. Gipp Aero Investments Pty Ltd is a for profit entity for the purpose of preparing the financial statements.

The financial report was approved by the directors as at the date of the directors' report.

The financial report has been prepared in accordance with all applicable Accounting Standards, with the exception of:

AASB 7:	Financial Instruments: Disclosures
AASB 10:	Consolidated Financial Statements
AASB 101:	Presentation of Financial Statements
AASB 107:	Cash Flow Statements
AASB 112:	Income Taxes
AASB 124:	Related Party Disclosures
AASB 136:	Impairments of Assets

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report:

#### (a) Basis of preparation of the financial report

##### *Historical Cost Convention*

The financial report has been prepared under the historical cost convention, as modified by revaluations to fair value for certain classes of assets as described in the accounting policies.

#### (b) Going concern

The financial report has been prepared on a going concern basis, which contemplated continuity of normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business.

The company incurred a loss from ordinary activities of \$19,711,367 (Rs. 967,828,120) during the year ended 31 March 2016.

The company is dependent on the ongoing financial support of the ultimate parent entity to meet its financial obligations at 31 March 2016. As at the date of signing the company has received confirmation of ongoing financial support from its ultimate parent company.

At this time, the directors believe that the ongoing financial support of the ultimate parent entity will be continued.

#### (c) Foreign currency translations and balances

##### *Functional and presentation currency*

The functional currency of the company is measured using the currency of the primary economic environment in which the company operates. For disclosure purposes at year end this has been converted into the currency of the ultimate parent company, Indian Rupees, at a pre determined 'convenient rate'. This is displayed as comparative balances for both the current and prior years.

All Foreign currency amounts, including comparatives are translated for convenience into Indian Rupees at the exchange rate of Rs. 49.10 = AUD\$1.00 as advised by the ultimate parent entity.

#### (d) Revenue

Interest revenue is recognised when it becomes receivable on a proportional basis taking in to account the interest rates applicable to the financial assets.

All revenue is stated net of the amount of goods and services tax (GST).

#### (e) Cash and cash equivalents

Cash and cash equivalents include cash on hand and at banks, short-term deposits with an original maturity of three months or less held at call with financial institutions, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the statement of financial position.

#### (f) Investments in subsidiaries

Non-current investments are recorded at cost. The carrying amount of the investments is reviewed annually by directors to ensure it is not in excess of the recoverable amount of these investments.

#### (g) Impairment of non financial assets

An impairment loss is recognised where the carrying amount of the asset exceeds its recoverable amount. The recoverable amount of an asset is defined as the higher of its fair value less costs to sell and value in use.

The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to present values in determining recoverable amounts.

For an asset measured at cost, an impairment loss is recognised in profit or loss where the carrying amount of the asset exceeds its recoverable amount.

#### (h) Comparatives

Where necessary, comparative information has been reclassified and repositioned for consistency with current year disclosures.

### NOTE 2: ACCOUNTING STANDARDS AND INTERPRETATIONS ISSUED BUT NOT OPERATIVE AT 31 MARCH 2016

The following standards and interpretations have been issued at the reporting date but are not yet effective.

#### AASB 9 Financial Instruments

Significant revisions to the classification and measurement of financial assets, reducing the number of categories and simplifying the measurement choices, including the removal of impairment testing of assets measured at fair value. The amortised cost model is available for debt assets meeting both business model and cash flow characteristics tests. All investments in equity instruments using AASB 9 are to be measured at fair value.

Amends measurement rules for financial liabilities that the entity elects to measure at fair value through profit and loss. Changes in fair value attributable to changes in the entity's own credit risk are presented in other comprehensive income.

The effective date is annual reporting periods beginning on or after 1 January 2018.

#### AASB 15 Revenue from Contracts with Customers

AASB introduces a five step process for revenue recognition with the core principle being for entities to recognise revenue to depict the transfer of goods or services to customers in amounts that reflect the consideration (that is, payment) to which the entity expects to be entitled in exchange for those goods or services. The five step approach is as follows:

Step 1: Identify the contracts with the customer;

Step 2: Identify the separate performance obligations;

Step 3: Determine the transaction price;

Step 4: Allocate the transaction price; and

Step 5: Recognise revenue when a performance obligation is satisfied.

AASB 15 will also result in enhanced disclosures about revenue, provide guidance for transactions that were not previously addressed comprehensively (for example, service revenue and contract modifications) and improve guidance for multiple element arrangements.

The effective date is annual reporting periods beginning on or after 1 January 2017.

The changes in revenue recognition requirements in AASB 15 may cause changes to the timing and amount of revenue recorded in the financial statements as well as additional disclosures. The impact of AASB 15 has not yet been quantified.

**NOTE 3: CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS**

Certain accounting estimates include assumptions concerning the future, which, by definition, will seldom represent actual results. Estimates and assumptions based on future events have a significant inherent risk, and where future events are not as anticipated there could be a material impact on the carrying amounts of the assets and liabilities discussed below:

(a) *Investment in Subsidiaries*

All investments in subsidiaries are assessed for impairment by evaluating whether indicators of impairment exist in relation to their carrying values.

For the purposes of impairment assessment, the investments in subsidiaries are regarded as a single cash generating unit (CGU), relating primarily to the manufacturing and sale of aircraft.

A formal valuation has also been completed by management for the investments in the subsidiary companies which has used in its assessments of impairment. In performing their valuation management have engaged a qualified business valuer to prepare an indicative estimate of the discount rate for the CGU. The recoverable amount of the CGU is based on management's projected cashflows covering a period of 10 years.

The present value of the future cashflows has been calculated using the following key assumptions:

- average growth rate between 0% and 3% for the sale price of aircraft (2015: 3%-3.5%);
- average cost of sales growth rate between 2.8% to 4.1% (2015: -0.5%-4.1%);
- terminal value growth rate of 2.5% (2015: 2.5%);
- the USD/AUD exchange rate to be at 0.80 throughout the projection period (2015: 1.00);
- discount rate to be 15%, (2015: 15%-17%) and;
- sales volumes as anticipated by management following its analysis of the aerospace industry.

The recoverable amount of the carrying value of investment in subsidiaries has been assessed on the basis of projected cash flows approved by management

covering a period of 10 years. The present value of the future cash flows has been calculated using the following key assumptions:

- average growth rate between 0% and 3% for the sale price of aircraft (2015: 3%-3.5%);
- average cost of sales growth rate between;
- terminal value growth rate of 2.5% (2015: 2.5%);

A formal valuation has also been completed by management for the investments in the subsidiary companies which has used in its assessment of impairment. In performing their valuation management have engaged a qualified business valuer to prepare an indicative estimate of the discount rate for the CGU.

The estimated recoverable amount of the CGU exceeded its carrying amount by approximately \$19,346,028 (Rs. 949,889,974) which resulted in impairment loss recognised at 31 March 2016.

## INDEPENDENT AUDITORS' REPORT

### To the Members of GA8 Airvan Pty Ltd

We have audited the accompanying financial report, being a special purpose financial report of GA8 Airvan Pty Ltd and controlled entities, which comprises the statement of financial position as at 31 March 2016, the statement of comprehensive income and statement of changes in equity for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration of the company.

### Directors' responsibility for the financial report

The directors are responsible for the preparation and fair presentation of the financial report and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the needs of the members.

The directors' responsibility also includes such internal control as the directors determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

### Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair

presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Independence

In conducting our audit, we have complied with APES 110 *Code of Ethics for Professional Accountants*.

### Opinion

In our opinion, the financial report of GA8 Airvan Pty Ltd and controlled entities presents fairly, in all material respects, the company's financial position as at 31 March 2016 and its performance for the year ended on that date in accordance with the accounting policies described in Note 1 to the financial report.

### Basis of accounting

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist GA8 Airvan Pty Ltd and controlled entities to meet the financial reporting responsibilities under the Constitution. As a result, the financial report may not be suitable for another purpose.

## NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2016

### NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared for use by the directors and members of the company. The directors have determined that the company is not a reporting entity. GA8 Airvan Pty Ltd is a for profit entity for the purpose of preparing the financial statements.

The financial report was approved by the directors as at the date of the directors' report.

The financial report has been prepared in accordance with all applicable Accounting Standards, with the exception of:

AASB 101: Presentation of Financial Statements  
 AASB 112: Income Taxes  
 AASB 124: Related Party Disclosures  
 AASB 139: Financial Instruments: Recognition and Measurement

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report:

#### (a) Basis of preparation of the financial report

Historical Cost Convention

The financial report has been prepared under the historical cost convention, as modified by revaluations to fair value for certain classes of assets as described in the accounting policies.

#### (b) Going concern

The financial report has been prepared on a going concern basis.

The company incurred a loss from ordinary activities of \$3,850 (Rs. 189,035) during the year ended 31 March 2016, and as at that date the company's total liabilities exceeded total assets by \$3,847 (Rs. 188,888).

The company is dependent on the ongoing financial support of its ultimate parent entity to meet its financial obligations at 31 March 2016. At this time, there is no reason for the directors to believe that the ongoing financial support of the ultimate parent entity will not be continued.

#### (c) Foreign currency translations and balances

Functional and presentation currency

The financial statements are measured using the currency of the primary economic environment in which that entity operates (the functional currency). For disclosure purposes at period end this has been converted into the currency of the ultimate parent company, Indian Rupees, at a pre determined 'convenient rate'. This is displayed as comparative balances for both the current and prior years.

Foreign currency amounts are translated for convenience into Indian Rupees at the exchange rate of Rs. 49.10 = \$1 AUD as advised by the ultimate parent entity.

#### (d) Comparatives

Where necessary, comparative information has been reclassified and repositioned for consistency with current year disclosures.

## NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2016

### NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared for use by the directors and members of the company. The directors have determined that the company is not a reporting entity. GA 200 Pty Ltd is a for profit entity for the purpose of preparing the financial statements.

The financial report was approved by the directors as at the date of the directors' report.

The financial report has been prepared in accordance with all applicable Accounting Standards, with the exception of:

AASB 101: Presentation of Financial Statements

AASB 112: Income Taxes

AASB 124: Related Party Disclosures

AASB 139: Financial Instruments: Recognition and Measurement

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report:

#### (a) Basis of preparation of the financial report

Historical Cost Convention

The financial report has been prepared under the historical cost convention, as modified by revaluations to fair value for certain classes of assets as described in the accounting policies.

#### (b) Going concern

The financial report has been prepared on a going concern basis.

The company incurred a loss from ordinary activities of \$3,850 (Rs: 189,035) during the year ended 31 March 2016, and as at that date the company's total liabilities exceeded total assets by \$3,847 (Rs: 188,888).

The company is dependent on the ongoing financial support of its ultimate parent entity to meet its financial obligations at 31 March 2016. At this time, there is no reason for the directors to believe that the ongoing financial support of the ultimate parent entity will not be continued.

#### (c) Foreign currency translations and balances

Functional and presentation currency

The financial statements are measured using the currency of the primary economic environment in which that entity operates (the functional currency). For disclosure purposes at period end this has been converted into the currency of the ultimate parent company, Indian Rupees, at a pre determined 'convenient rate'. This is displayed as comparative balances for both the current and prior years.

Foreign currency amounts are translated for convenience into Indian Rupees at the exchange rate of Rs. 49.10 = \$1 AUD as advised by the ultimate parent entity.

#### (d) Comparatives

Where necessary, comparative information has been reclassified and repositioned for consistency with current year disclosures.

## INDEPENDENT AUDITORS' REPORT

### TO THE MEMBERS OF GIPPSAERO PTY LTD

We have audited the accompanying financial report, being a special purpose financial report of GippsAero Pty Ltd, which comprises the statement of financial position as at 31 March 2016, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

#### *Directors' Responsibility for the Financial Report*

The directors are responsible for the preparation and fair presentation of the financial report and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the needs of the members.

The directors' responsibility also includes such internal control as the directors determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

#### *Auditor's Responsibility*

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair

presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### *Independence*

In conducting our audit, we have complied with APES 110 *Code of Ethics for Professional Accountants*.

#### *Opinion*

In our opinion, the financial report of GippsAero Pty Ltd presents fairly, in all material respects, the company's and consolidated entity's financial positions as at 31 March 2016 and its performance and its cash flows for the year ended on that date in accordance with the accounting policies described in Note 1 to the financial report.

#### *Basis of Accounting*

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist GippsAero Pty Ltd to meet the financial reporting responsibilities under the Constitution. As a result, the financial report may not be suitable for another purpose.

## NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH 2016

### NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared for use by the directors and members of the company. The directors have determined that the company is not a reporting entity. GippsAero Pty Ltd is a for profit entity for the purpose of preparing the financial statements.

The financial report was approved by the directors as at the date of the directors' report.

The financial report has been prepared in accordance with all applicable Accounting Standards, with the exception of:

AASB 7:	Financial Instruments: Disclosures
AASB 101:	Presentation of Financial Statements
AASB 107:	Cash Flow Statements
AASB 112:	Income Taxes
AASB 124:	Related Party Disclosures
AASB 137:	Provisions, Contingent Liabilities and Contingent Assets
AASB 138:	Intangible Assets

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report:

#### (a) Basis of preparation of the financial report

##### *Historical Cost Convention*

The financial report has been prepared under the historical cost convention, as modified by revaluations to fair value for certain classes of assets as described in the accounting policies.

#### (b) Going concern

The financial report has been prepared on a going concern basis, which contemplated continuity of normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business.

The company incurred a loss from ordinary activities of \$14,174,275 (Rs 695,956,903) during the year ended 31 March 2016, and as at that date the company's current liabilities exceeded current assets by \$8,981,033 (Rs 440,968,720).

The company is dependant on the ongoing financial support of its ultimate parent entity at 31 March 2016. As at the date of signing the company has received confirmation of on going financial support from its ultimate parent company.

The going concern basis above assumes the continued support of its ultimate parent entity, the ability to source alternative finance if required, and the Company's ability to generate sufficient cash flows from future trading. If the going concern basis is found to no longer be appropriate the recoverable amounts of the assets shown in the Statement of Financial Position are likely to be significantly less than the amounts disclosed and the extent of the liabilities may differ significantly from those reflected.

At this time, directors believe that the ongoing financial support of the ultimate parent entity will be continued.

#### (c) Foreign currency translations and balances

##### *Functional and presentation currency*

The functional currency of the company is measured using the currency of the primary economic environment in which the company operates. The financial statements are presented in Australian dollars which is the entity's functional and presentation currency. For disclosure purposes at year end this has been converted into the currency of the ultimate parent company, Indian Rupees, at a pre determined 'convenient rate'. This is displayed as comparative balances for both the current and prior years.

All Foreign currency amounts, including comparatives are translated for convenience into Indian Rupees at the exchange rate of Rs 49.10 = AUD\$1.00 as advised by the ultimate parent entity.

##### *Transactions and balances*

Transactions in foreign currencies of the company are translated into functional currency at the rate of exchange ruling at the date of the transaction.

Foreign currency monetary items that are outstanding at the reporting date (other than monetary items arising under foreign currency contracts where the exchange rate for that monetary item is fixed in the contract) are translated using the spot rate at the end of the financial year.

All resulting exchange differences arising on settlement or re statement are recognised as revenues and expenses for the financial year.

#### (d) Revenue

Revenue from sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer and the costs incurred or to be incurred in respect of the transaction can be measured reliably. Risks and rewards of ownership are considered passed to the buyer at the time of delivery of the goods to the customer.

Revenue from the rendering of services is recognised upon the delivery of the service to the customers.

Revenue from sale and lease back transactions is deferred and amortised over the term of the lease.

Interest revenue is recognised when it becomes receivable on a proportional basis taking in to account the interest rates applicable to the financial assets.

All revenue is stated net of the amount of goods and services tax (GST).

#### (e) Income tax

Current income tax expense or revenue is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities.

Deferred tax assets and liabilities are recognised for temporary differences at the applicable tax rates when the assets are expected to be recovered or liabilities are settled. No deferred tax asset or liability is recognised in relation to temporary differences if they arose in a transaction, other than a business combination, that at the time of the transaction did not affect either accounting profit or taxable profit or loss.

Deferred tax assets are recognised for deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Current and deferred tax balances attributable to amounts recognised directly in equity are also recognised directly in equity.

#### (f) Cash and cash equivalents

Cash and cash equivalents include cash on hand and at banks, short term deposits with an original maturity of three months or less held at call with financial institutions, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the statement of financial position.

#### (g) Inventories

Inventories are measured at the lower of cost and net realisable value. The cost of manufactured products includes direct material, direct labour and a proportion of manufacturing overheads based on normal operating capacity. Inventories include raw materials, work in progress and finished goods.

#### (h) Work in progress

Work in progress is valued at cost, which includes both variable and fixed costs relating to specific items, and those costs that are attributable to the WIP activity in general that can be allocated on a reasonable basis.

#### (i) Plant and equipment

Each class of plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and any accumulated impairment losses.

##### *Plant and equipment*

Plant and equipment is measured on a cost basis.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from those

assets. The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets employment and subsequent disposal.

#### *Depreciation*

The depreciable amount of all fixed assets is depreciated over their estimated useful lives commencing from the time the asset is held ready for use.

<b>Class of fixed asset</b>	<b>Depreciation rates</b>	<b>Depreciation basis</b>
Hangar at cost	5-20%	Straight line
Leasehold improvements at cost	9-11%	Straight line
Plant and equipment at cost	6-21%	Straight line
Aircraft under lease	10-16%	Straight line
Aircraft at cost	10%	Straight line
Motor vehicles at cost	5-13%	Straight line
Computer equipment at cost	22-100%	Straight line

#### **(j) Intangibles**

##### *Goodwill*

Goodwill is recognised initially at the excess over the aggregate of the consideration transferred, the fair value of the non controlling interest, and the acquisition date fair value of the acquirer's previously held equity interest (in case of step acquisition), less the fair value of the identifiable assets acquired and liabilities assumed.

Goodwill is not amortised, but is tested for impairment annually, or more frequently if events or changes in circumstances indicate that it might be impaired, and is carried at cost less accumulated impairment losses.

##### *Patents*

Patents are recognised at cost and are not amortised. Patents are carried at cost less any impairment losses.

#### **(k) Research and development expenditure**

Expenditure on research activities is recognised as an expense when incurred.

Development costs are capitalised when it is probable that the project will be a success considering its commercial and technical feasibility; the entity is able to use or sell the asset; the entity has sufficient resource; and intent to complete the development and its costs can be measured reliably. Capitalised development expenditure is stated at cost less accumulated amortisation. Amortisation is calculated using the straight line method to allocate the cost of its estimated useful life commencing when the intangible asset is available for use.

Other development expenditure is recognised as an expense when incurred.

Project expenses are capitalised as incurred once identified as relating to a project that will deliver future economic benefits than can be measured reliably.

#### **(l) Impairment of non financial assets**

Goodwill, intangible assets not yet ready for use and intangible assets that have an indefinite useful life are not subject to amortisation and are therefore tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired.

An impairment loss is recognised where the carrying amount of the asset exceeds its recoverable amount. The recoverable amount of an asset is defined as the higher of its fair value less costs to sell and value in use.

#### **(m) Provisions**

Provisions are recognised when the company has a legal or constructive obligation, as a result of past events, for which it is probable that an out flow of economic benefits will result and that outflow can be reliably measured.

#### **(n) Leases**

Leases are classified at their inception as either operating or finance leases based on the economic substance of the agreement so as to reflect the risks and benefits incidental to ownership.

#### *Finance Leases*

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the company are classified as finance leases. Finance leases are capitalised, recording an asset and a liability equal to the fair value or, if lower, the present value of the minimum lease payments, including any guaranteed residual values. The interest expense is calculated using the interest rate implicit in the lease and is included in finance costs in the statement of comprehensive income. Leased assets are depreciated on a straight line basis over their estimated useful lives where it is likely that the company will obtain ownership of the asset, or over the term of the lease. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

#### *Operating leases*

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are recognised as an expense on a straight line basis over the term of the lease.

Lease incentives received under operating leases are recognised as a liability and amortised on a straight line basis over the life of the lease term.

#### **(o) Employee benefits**

##### *(i) Short term employee benefit obligations*

Liabilities arising in respect of wages and salaries, annual leave and any other employee benefits expected to be settled within twelve months of the reporting date are measured at their nominal amounts based on remuneration rates which are expected to be paid when the liability is settled. The expected cost of short term employee benefits in the form of compensated absences such as annual leave is recognised in the provision for employee benefits. All other short term employee benefit obligations are presented as payables.

##### *(ii) Long term employee benefit obligations*

Liabilities arising in respect of long service leave and annual leave which is not expected to be settled within twelve months of the reporting date are measured at the present value of the estimated future cash outflow to be made in respect of services provided by employees up to the reporting date.

Employee benefit obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting date, regardless of when the actual settlement is expected to occur.

#### **(p) Borrowing costs**

Borrowing costs including interest expense calculated using the effective interest method, finance charges in respect of finance leases, and exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs.

Borrowing costs are expensed as incurred, except for borrowing costs incurred as part of the cost of the construction of a qualifying asset are capitalised until the asset is ready for its intended use or sale.

#### **(q) Goods and services tax (GST)**

Revenues, expenses and purchased assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the statement of cash flows on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

#### **(r) Comparatives**

Where necessary, comparative information has been reclassified and repositioned for consistency with current year disclosures.

**NOTE 2: SIGNIFICANT ACCOUNTING ESTIMATES AND JUDGEMENTS**

Certain accounting estimates include assumptions concerning the future, which, by definition, will seldom represent actual results. Estimates and assumptions based on future events have a significant inherent risk, and where future events are not as anticipated there could be a material impact on the carrying amounts of the assets and liabilities discussed below:

**(a) Intangible assets**

All intangible assets are assessed for impairment by evaluating whether indicators of impairment exist in relation to their carrying values.

For the purposes of impairment assessment, all of the company's intangible assets are regarded as a single cash generating unit (CGU), relating primarily to the manufacturing and sale of aircraft.

A formal valuation has also been completed by management for the investments in the subsidiary companies which has used in its assessments of impairment. In performing their valuation management have engaged a qualified business valuer to prepare an indicative estimate of the discount rate for the CGU. The recoverable amount of the CGU is based on management's projected cashflows covering a period of 10 years.

The present value of the future cashflows has been calculated using the following key assumptions:

- average growth rate between 0% and 3% for the sale price of aircraft (2015: 3%–3.5%);
- average cost of sales growth rate between –2.8% to 4.1% (2015: –0.5%–4.1%);
- terminal value growth rate of 2.5% (2015: 2.5%);
- the USD/AUD exchange rate to be at 0.80 throughout the projection period (2015: 1.00);
- discount rate to be 15%, (2015: 15%–17%) and;
- sales volumes as anticipated by management following its analysis of the aerospace industry.

**NOTE 3: ACCOUNTING STANDARDS AND INTERPRETATIONS ISSUED BUT NOT OPERATIVE AT 31 MARCH 2016**

A number of accounting standards and interpretations have been issued at the reporting date but are not yet effective.

**AASB 9 Financial Instruments**

Significant revisions to the classification and measurement of financial assets, reducing the number of categories and simplifying the measurement choices, including the removal of impairment testing of assets measured at fair value. The amortised cost model is available for debt assets meeting both business model and cash flow characteristics tests. All investments in equity instruments using AASB 9 are to be measured at fair value.

Amends measurement rules for financial liabilities that the entity elects to measure at fair value through profit and loss. Changes in fair value attributable to changes in the entity's own credit risk are presented in other comprehensive income.

**AASB 15 Revenue from Contracts with Customers**

AASB 15 introduces a five step process for revenue recognition with the core principle being for entities to recognise revenue to depict the transfer of goods or services to customers in amounts that reflect the consideration (that is, payment) to which the entity expects to be entitled in exchange for those goods or services. The five step approach is as follows:

- Step 1: Identify the contracts with the customer;
- Step 2: Identify the separate performance obligations;
- Step 3: Determine the transaction price;
- Step 4: Allocate the transaction price; and
- Step 5: Recognise revenue when a performance obligation is satisfied.

AASB 15 will also result in enhanced disclosures about revenue, provide guidance for transactions that were not previously addressed comprehensively (for example, service revenue and contract modifications) and improve guidance for multiple element arrangements.

The effective date is annual reporting periods beginning on or after 1 January 2017.

The changes in revenue recognition requirements in AASB 15 may cause changes to the timing and amount of revenue recorded in the financial statements as well as additional disclosures. The impact of AASB 15 has not yet been quantified.

All intangible assets are assessed for impairment by evaluating whether indicators of impairment exist in relation to their carrying values.

For the purposes of impairment assessment, intangible assets are regarded as a single cash generating unit (CGU), relating primarily to the manufacturing and sale of aircraft.

The recoverable amount of the carrying value of investment in subsidiaries has been assessed on the basis of projected cash flows approved by management covering a period of 10 years. The present value of the future cash flows has been calculated using the following key assumptions:

- average growth rate between 0% and 3% for the sale price of aircraft (2015: 3%–3.5%);
- average cost of sales growth rate between –2.8% to 4.1% (–0.5%–4.1%);

A formal valuation has also been completed by management for the investments in the subsidiary companies which has used in its assessment of impairment. In performing their valuation management have engaged a qualified business valuer to prepare an indicative estimate of the discount rate for the CGU.

**INDEPENDENT AUDITORS' REPORT**  
**TO THE MEMBERS OF MAHINDRA AEROSPACE**  
**AUSTRALIA PTY LTD – INDIAN STAT**

We have audited the accompanying financial report, being a special purpose financial report of Mahindra Aerospace Australia Pty Ltd, which comprises the statement of financial position as at 31 March 2016, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

*Directors' Responsibility for the Financial Report*

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the *Corporations Act 2001* and to meet the needs of the members.

The directors' responsibility also includes such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

*Auditor's Responsibility*

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers

internal control relevant to the company's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

*Independence*

In conducting our audit, we have complied with the independence requirements of the *Corporations Act 2001*.

*Opinion*

In our opinion, the financial report of Mahindra Aerospace Australia Pty Ltd is in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the company's financial positions as at 31 March 2016 and of its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards to the extent described in Note 1 and the *Corporations Regulations 2001*.

*Basis of Accounting*

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the directors' financial reporting responsibilities under the *Corporations Act 2001*. As a result, the financial report may not be suitable for another purpose.

## NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2016

### NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared for use by the directors and members of the company. The directors have determined that the company is not a reporting entity. Mahindra Aerospace Australia Pty Ltd is a for-profit entity for the purpose of preparing the financial statements.

The financial report was approved by the directors as at the date of the directors' report.

The financial report has been prepared in accordance with all applicable Accounting Standards, with the exception of:

AASB 7:	Financial Instruments: Disclosures
AASB 10:	Consolidated Financial Statements
AASB 101:	Presentation of Financial Statements
AASB 107:	Cash Flow Statements
AASB 108:	Accounting Policies, Changes in Accounting Estimates and Errors
AASB 112:	Income Taxes
AASB 124:	Related Party Disclosures
AASB 136:	Impairments of Assets

The following specific accounting policies have been adopted in the preparation of this report:

#### (a) Basis of preparation of the financial report

##### *Historical Cost Convention*

The financial report has been prepared under the historical cost convention, as modified by revaluations to fair value for certain classes of assets as described in the accounting policies.

#### (b) Foreign currency translations and balances

##### *Functional and presentation currency*

The functional currency of the company is measured using the currency of the primary economic environment in which the company operates. For disclosure purposes at year end this has been converted into the currency of the ultimate parent company, Indian Rupees, at a pre-determined 'convenient rate'. This is displayed as comparative balances for both the current and prior years.

All Foreign currency amounts, including comparatives are translated for convenience into Indian Rupees at the exchange rate of Rs. 49.1 = AUD\$1.00 as advised by the ultimate parent entity.

#### (c) Going concern

The financial report has been prepared on a going concern basis, which contemplated continuity of normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business.

The company incurred a loss from ordinary activities of \$27,440,617 (Rs. 1,347,334,295) during the year ended 31 March 2016, however this was primarily due to a non-cash write back of deferred consideration (note 12).

The company is dependant on ongoing financial support of the ultimate parent entity to meet its financial obligations at 31 March 2016. As at the date of signing the company has received confirmation of ongoing financial support from its ultimate parent company.

At this time, the directors believe that the ongoing financial support of the ultimate parent entity will be continued.

#### (d) Revenue

Interest revenue is recognised when it becomes receivable on a proportional basis taking in to account the interest rates applicable to the financial assets.

All revenue is stated net of the amount of goods and services tax (GST).

#### (e) Cash and cash equivalents

Cash and cash equivalents include cash on hand and at banks, short-term deposits with an original maturity of three months or less held at call with financial institutions, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the statement of financial position.

#### (f) Investments in subsidiaries

Non-current investments are recorded at cost. The carrying amount of the investments is reviewed annually by directors to ensure it is not in excess of the recoverable amount of these investments.

#### (g) Impairment of non-financial assets

An impairment loss is recognised where the carrying amount of the asset exceeds its recoverable amount. The recoverable amount of an asset is defined as the higher of its fair value less costs to sell and value in use.

The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to present values in determining recoverable amounts.

For an asset measured at cost, an impairment loss is recognised in profit or loss where the carrying amount of the asset exceeds its recoverable amount.

#### (h) Comparatives

Where necessary, comparative information has been reclassified and repositioned for consistency with current period disclosures.

### NOTE 2: ACCOUNTING STANDARDS AND INTERPRETATIONS ISSUED BUT NOT OPERATIVE AT 31 MARCH 2016

The following standards and interpretations have been issued at the reporting date but are not yet effective.

#### AASB 9 Financial Instruments

Significant revisions to the classification and measurement of financial assets, reducing the number of categories and simplifying the measurement choices, including the removal of impairment testing of assets measured at fair value. The amortised cost model is available for debt assets meeting both business model and cash flow characteristics tests. All investments in equity instruments using AASB 9 are to be measured at fair value.)

Amends measurement rules for financial liabilities that the entity elects to measure at fair value through profit and loss. Changes in fair value attributable to changes in the entity's own credit risk are presented in other comprehensive income.

The effective date is annual reporting periods beginning on or after 1 January 2018.

#### AASB 15 Revenue from Contracts with Customers

AASB 15 introduces a five step process for revenue recognition with the core principle being for entities to recognise revenue to depict the transfer of goods or services to customers in amounts that reflect the consideration (that is, payment) to which the entity expects to be entitled in exchange for those goods or services. The five step approach is as follows:

- Step 1: Identify the contracts with the customer;
- Step 2: Identify the separate performance obligations;
- Step 3: Determine the transaction price;
- Step 4: Allocate the transaction price; and
- Step 5: Recognise revenue when a performance obligation is satisfied.

AASB 15 will also result in enhanced disclosures about revenue, provide guidance for transactions that were not previously addressed comprehensively (for example, service revenue and contract modifications) and improve guidance for multiple-element arrangements.

The effective date is annual reporting periods beginning on or after 1 January 2018.

The changes in revenue recognition requirements in AASB 15 may cause changes to the timing and amount of revenue recorded in the financial statements as well as additional disclosures. The impact of AASB 15 has not yet been quantified.

### NOTE 3: SIGNIFICANT ACCOUNTING ESTIMATES AND JUDGEMENTS

Certain accounting estimates include assumptions concerning the future, which, by definition, will seldom represent actual results. Estimates and assumptions based on future events have a significant inherent risk, and where future events

are not as anticipated there could be a material impact on the carrying amounts of the assets and liabilities discussed below:

(a) *Investment in Subsidiaries*

All investments in subsidiaries are assessed for impairment by evaluating whether indicators of impairment exist in relation to their carrying values.

For the purposes of impairment assessment, the investments in subsidiaries are regarded as a single cash generating unit (CGU), relating primarily to the manufacturing and sale of aircraft.

A formal valuation has also been completed by management for the investments in the subsidiary companies which has used in its assessments of impairment. In performing their valuation management have engaged a qualified business valuer to prepare an indicative estimate of the discount rate for the CGU. The recoverable amount of the CGU is based on management's projected cashflows covering a period of 10 years.

The present value of the future cashflows has been calculated using the following key assumptions:

- average growth rate between 0% and 3% for the sale price of aircraft (2015: 3% - 3.5%);
- average cost of sales growth rate between -2.8% to 4.1% (2015: - 0.5% -4.1%);
- terminal value growth rate of 2.5% (2015: 2.5%);
- the USD/AUD exchange rate to be at 0.80 throughout the projection period (2015: 1.00);
- discount rate to be 15%, (2015: 15%-17%) and;
- sales volumes as anticipated by management following its analysis of the aerospace industry.

Write-back of deferred consideration (i)	-	-	1,112,000	54,599,200

(i) The write-back of deferred consideration in the prior year relates to consideration of the purchase of Gipp Aero Investments Pty Ltd to cover the cost of warranty claims and liabilities not recognised at the date of purchase.

During the 2015 year, the entity settled the amount of unrecognised claims with the previous shareholders. An amount of \$488,000 was paid to the previous owners, and an amount of \$1.112m was written back to the statement of comprehensive income.

A formal valuation has also been completed by management for the investments in the subsidiary companies which has used in its assessment of impairment. In performing their valuation management have engaged a qualified business valuer to prepare an indicative estimate of the discount rate for the CGU.

The estimated recoverable amount of the CGU exceeded its carrying amount by approximately \$27,421,000 (Rs 1,346,371,100) which resulted in impairment loss recognised at 31 March 2016.

## INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF NOMAD TC PTY LTD

We have audited the accompanying financial report, being a special purpose financial report of Nomad TC Pty Ltd, which comprises the statement of financial position as at 31 March 2016, the statement of comprehensive income and statement of changes in equity for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration of the company.

### *Directors' Responsibility for the Financial Report*

The directors are responsible for the preparation and fair presentation of the financial report and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the needs of the members.

The directors' responsibility also includes such internal control as the directors determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

### *Auditor's Responsibility*

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit

procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Independence*

In conducting our audit, we have complied with APES 110 *Code of Ethics for Professional Accountants*.

### *Opinion*

In our opinion, the financial report of Nomad TC Pty Ltd presents fairly, in all material respects, the company's financial position as at 31 March 2016 and its performance for the year ended on that date in accordance with the accounting policies described in Note 1 to the financial report.

### *Basis of Accounting*

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist Nomad TC Pty Ltd to meet the financial reporting responsibilities under the Constitution. As a result, the financial report may not be suitable for another purpose.

## NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2016

### NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared for use by the directors and members of the company. The directors have determined that the company is not a reporting entity. Nomad TC Pty Ltd is a for-profit entity for the purpose of preparing the financial statements.

The financial report was approved by the directors as at the date of the directors' report.

The financial report has been prepared in accordance with all applicable Accounting Standards, with the exception of:

AASB 101: Presentation of Financial Statements

AASB 112: Income Taxes

AASB 124: Related Party Disclosures

AASB 139: Financial Instruments: Recognition and Measurement

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report:

#### (a) Basis of preparation of the financial report

##### *Historical Cost Convention*

The financial report has been prepared under the historical cost convention, as modified by revaluations to fair value for certain classes of assets as described in the accounting policies.

#### (b) Going concern

The financial report has been prepared on a going concern basis.

The company incurred a loss from ordinary activities of \$5,500 (Rs: 270,050) during the year ended 31 March 2016, and as at that date the company's total liabilities exceeded total assets by \$5,500 (Rs: 270,050).

The company is dependent on the ongoing financial support of its ultimate parent entity to meet its financial obligations at 31 March 2016. At this time, there is no reason for the directors to believe that the ongoing financial support of the ultimate parent entity will not be continued.

#### (c) Foreign currency translations and balances

##### *Functional and presentation currency*

The financial statements are measured using the currency of the primary economic environment in which that entity operates (the functional currency). For disclosure purposes at period end this has been converted into the currency of the ultimate parent company, Indian Rupees, at a pre-determined 'convenient rate'. This is displayed as comparative balances for both the current and prior years.

Foreign currency amounts are translated for convenience into Indian Rupees at the exchange rate of Rs 49.10 = \$1 AUD as advised by the ultimate parent entity.

#### (d) Comparatives

Where necessary, comparative information has been reclassified and repositioned for consistency with current year disclosures.

**STATE OF THE COMPANY'S AFFAIRS**

India is the world's third-largest producer of crude steel and is expected to become the second-largest producer by next few years. The growth in the Indian steel sector has been driven by domestic availability of raw materials such as iron ore and cost-effective labour. Consequently, the steel sector has been a major contributor to India's manufacturing output. Amidst subdued demand and the spectre of China flooding global markets with cheaper products, analysts predict a tough 2016 for the industry worldwide but expect India to remain more profitable than its Asian peers helped by higher domestic economic growth and rising demand.

During the year under review, due to lower demand for the steel products, and slow economic growth, the sales volume of the Company was lower than the Budgeted figures for FY 2016. Due to decrease in demand there was intense competitive pressure on pricing in the special steel market and low realisation coupled with the increase in input cost and devaluation in Dollar. The Sale of Rings products was also lower due to reduction in overseas demand. The devaluation of Euro has resulted in reduction in the contribution on sales of Rings products.

The major challenges which the Company had to face during the year under review were:

- a) Lower off-take from customer due to fall in demand for Steel.
- b) Lower realisation due to worldwide drop in commodity prices. Pricing pressure due to intense competition.
- c) Increase in Power tariff during the year, which was offset through price renegotiation with private Power produces.

The Company is striving to improve its quality to reduce the rejection of products, improvement in process efficiency & productivity, reduction in power consumption and at the same time continue to initiate steps towards deployment of optimum resources available, reduction of cost of production & improvement of overall performance. The efforts are also being made to develop new grades and regaining lost Customers. The Company is focussing on the growth in sales in Auto and premium bearing sectors, Rings Business in FY 2017.

With the technical support from our joint venture partners, management continues to undertake initiatives for increasing margin by way of rationalisation of product mix and processes and further improvements in operating efficiencies and yield.

**SUMMARY OF OPERATIONS:**

During the year under review company had registered sales volume of 116 KT, i.e. growth of (-) 6.45% over previous year level of 124 KT.

The Company recorded Sales revenue of Rs. 758 Crores during the year, i.e. growth of (-) 17.70% over previous year level of Rs. 921 Crores.

Earnings before Interest, Depreciation, Tax & Amortization for the year under review was Rs. (-) 7.25 Crores against Rs. (-) 18.66 Crores for the previous year.

  - Besides, the unit has signed an agreement for energy procurement from TATA wind power.

#### **Water:**

In comparison to FY'15 the company recorded an improvement of 6% on the water consumption front in the year FY'16. This was however, short of the budgeted targets due to poor rainfall received in the region during the reporting year.

#### **Waste to Wealth:**

A major breakthrough is expected with initiation of metal from slag recovery project. The project would help to recover the metal present in slag and the rest would be sold for road building process. Until now the slag so generated goes for landfill.

#### **Resource Intensity:**

The cross functional team for the aspect is working in the direction to improve the % of the recycled input material in the steel melting shop as one of its target. Which means more

and more of raw materials are being brought in as recycled material and not through natural resource exploitation. This has helped achieve an increase of yield by 2%.

#### **Social Sustainability:**

The company participated in Roundtable for Product Social Metrics.

This was an industry led initiative of developing, verifying and testing a methodology for assessing product Social impact Assessment through product social life cycle assessment.

The company conducted a case Study as pilot project in collaboration with BMW Germany in the value chain for the impact assessment of the steel ring that goes as bearing in BMW 1 series.

The handbook and methodology so developed is now available in public domain for testing and is being pursued further for an ISO standardisation.

#### **Other Recognitions/Collaborations:**

- The unit bags Mahindra Rise award 2015 in category of "Game Changer Award" for the E-LCA study conducted on 23 of its product representing 70% volume.
- The unit bagged the Mahindra Rise 2015 "Innovation Award" for developing a new grade of high carbon steel.
- The company released its TUV assured GRI G4 checked sustainability report for 2014-2015.
- The company has joined Steel Stewardship Council Australia. The association is trying to develop a certificate on sustainability standards for the entire steel value chain.
- The company also presented its study paper about Life cycle assessment of the steel products at the International Life Cycle Management Conference (ILCM) held on Sept 2015 at Bordeaux (Paris).

#### **POLICY FOR PREVENTION OF SEXUAL HARASSMENT:**

The Company has rolled out a Policy for prevention of sexual harassment in which it formalized a free and fair enquiry process with clear time line. The Company has also constituted an internal complaints committee to which employees can write their complaints. There was no case/complaint reported under the Act during the financial year 2015-16.

#### **INDUSTRIAL RELATIONS:**

The relations with the workers and their respective unions remained cordial.

#### **SAFETY, HEALTH AND ENVIRONMENTAL PERFORMANCE:**

Your Company has a defined policy on general health, safety and environmental conservation through which every employee is responsible for the observance of the measures designed to prevent accidents, damage to health and to avoid environmental pollution.

The Safety committee members comprising representatives of workers and executives from various departments meet periodically to review the situation.

**DETAILS CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO:**

**STATEMENT PARTICULARS OF THE DIRECTORS' REPORT UNDER RULES 8(3) OF THE COMPANIES (ACCOUNTS) RULES 2014 AND FORMING PART OF THE DIRECTORS' REPORT FOR THE PERIOD ENDED 31<sup>ST</sup> MARCH, 2016.**

**A. CONSERVATION OF ENERGY:**

**(a) Energy conservation measures taken:**

**(i) The steps taken or impact on conservation of energy:**

1. Power reduction in Steel Melting Shop through optimization in scrap mix, reduction in operational and maintenance delays.
2. Reducing the ladle furnace power through process improvement in ladle management.
3. Up gradation of Blooming Mill Chamber Furnace No. 5 & 6 with Oxy-Fuel Technology. This has led to reduction in power and oil consumption by better combustion process.
4. Right sizing of water pumps in the cold well plant through trimming of impellers. This has led to reduction in plant power consumption for water pumping.
5. Completion of furnace revamping through refractory work, changing heating coils, door packing and heat resistive painting.
6. Procurement of energy efficient equipment like 5 Star AC's, IE 3 Motors & T5 energy saving lamps.
7. Power saving through installation of transparent sheets on plant roof tops.
8. Improvement in productivity at BAR Mill through increased input weight which has led to reduction in Oil & Power.
9. Reduction in power of Blooming Mill water pumps through pipeline modification of scale pit pumps.
10. Reduction of power through best practices and wastage reduction.

**(ii) The steps taken by the company for utilizing alternate sources of energy:**

1. Installation of 20 KW solar rooftop on admin building.
2. Procurement of 27.8 MW clean energy through wind power to fulfil Renewable Power Obligation (Started from 1<sup>st</sup> Mar'16).

**(iii) The capital investment on energy conservation equipments:**

1. Oxy-fuel technology for Chamber furnaces in Blooming Mill.

**(b) Impact of the measures taken at (a) & (b) above for reduction of energy consumption and consequent impact on the cost of production of goods:**

There has been overall energy saving of around 7.09 MU during the year due to various energy saving initiatives and measures taken by the company as stated above. This has resulted in energy cost to the company.

**B. TECHNOLOGY ABSORPTION:**

**i) The efforts made on Technology absorption and benefits derived as result of the same:-**

Sr. No.	Product, process improvement, Product development & cost reduction	Benefits derived
<b>A New Products developed</b>		
1	Commercial order started for H13(EFS) grade.	Superior properties over existing H13 grade and import substitution. Won the Mahindra Innovation award 2015.
2	Developed 10 grades for Engineering Sector, 6 grades for Auto sector, 5 for Bearing sector, 2 for Tool and Die sector and 1 for Oil and gas sector.	New grade developed to enhance business.
3	Developed 38MnSiVS6 Mod. grade for special application of M&M Crankshafts.	Customer requirement is of higher Yield Strength which is successfully achieved. Material under testing at MRV.
4	Developed new grade DIN100Cr6 for Schaffler special application.	Ultra clean steel developed.
<b>B Process Improvement</b>		
1	Tempering furnace modified by fan arrangement and trolley modification.	To achieve uniformity in temperature to get the uniform hardness after heat treatment.
2	Modification in Mold Design for RWF.	Improvement in internal soundness and reduced central looseness.

Sr. No.	Product, process improvement, Product development & cost reduction	Benefits derived
3	Installation of automatic grinding machine.	To get the superior surface quality after rolling.
4	Installation of automatic chamfering machine.	To remove the cutting burrs and imperfections at the edges.
5	Melting practice improved for bearing steel.	Oxygen content below 9ppm achieved consistently for bearing steels.
<b>C Enhancement in Testing Capability</b>		
1	Installation of Auto UST machine in Heat Treatment shop.	More accurate internal defect detection in steel and improvement in productivity.
2	Installed XRF equipment in QA lab.	Precise raw material analysis and improved analytical ability. Use of hazardous chemicals has been eliminated.
3	Installed the Carbon Sulphur analyzer.	Enabled inspection of carbon and Sulphur content accurately.

**ii) Future Plan of action:**

- Installation of advanced AMLC in line with available technology for continuous casting process modernization and CC bloom quality improvement.
- Installation of casting trolley for quality improvement of bottom pouring route products.
- Procurement of auto polishing machine for microstructure sample preparation.
- Procurement of auto HRC machine for testing Jominy sample.

**iii) Expenditure on R&D:**

	2015-16 (Rs. in lacs)	2014-15 (Rs. in lacs)
a) Capital	-	53
b) Recurring	107.36	141
c) Total	107.36	194

**iv) Technology Absorption, Adaptation:**

(Efforts in brief towards technology absorption, adaptation and benefits derived as a result of the above efforts.)

Sr. No.	Technology	Benefits
1.	Modification in tempering furnace.	This will help to achieve homogeneity in structure and properties.
2.	Installation of automatic ultrasonic testing set up.	For enhancement in capacity and quality of ultrasonic testing.

Sr. No.	Technology	Benefits
3.	Auto grinding and chamfering.	Improvement in surface quality.
4.	XRF and C-S Analyser.	Accurate analysis of raw material and finished products.

**V Import of Technology for the last five years:**

1. Oxy fuel technology to reduce oil consumption.
2. Auto UST machine for internal defect detection and improving productivity.
3. XRF equipment for raw material testing.

**C. FOREIGN EXCHANGE EARNINGS AND OUTGO:**

The Company continues to strive to improve its export earnings. Further details in respect of exports are set out elsewhere in the Report.

Particulars with regard to Foreign Exchange Earnings and outgo are given in the notes to Accounts.

## ANNEXURE - 3

### A. POLICY ON APPOINTMENT OF DIRECTORS AND SENIOR MANAGEMENT

#### DEFINITIONS

The definitions of some of the key terms used in this Policy are given below.

“**Board**” means Board of Directors of the Company.

“**Company**” means Mahindra Sanyo Special Steel Private Limited.

“**Committee(s)**” means Committees of the Board for the time being in force.

“**Employee**” means employee of the Company whether employed in India or outside India including employees in the Senior Management Team of the Company.

“**HR**” means the Human Resource department of the Company.

“**Key Managerial Personnel**” (KMP) refers to key managerial personnel as defined under the Companies Act, 2013 and includes:

- (i) Managing Director (MD), or Chief Executive Officer (CEO); or Manager; or Whole Time Director (WTD).
- (ii) Chief Financial Officer (CFO); and
- (iii) Company Secretary (CS).

“**Nomination and Remuneration Committee**” (NRC) means Nomination and Remuneration Committee of Board of Directors of the Company for the time being in force.

“**Senior Management**” means personnel of the Company who are members of its Core Management Team excluding Board of Directors comprising of all members of management one level below the executive directors including the functional heads.

#### I. APPOINTMENT OF DIRECTORS:

- The NRC reviews and assesses Board composition and recommends the appointment of new Directors. In evaluating the suitability of individual Board member, the NRC shall take into account the following criteria regarding qualifications, positive attributes and independence of director:
  1. All Board appointments will be based on merit, in the context of the skills, experience, independence and knowledge, for the Board as a whole to be effective.
  2. Ability of the candidates to devote sufficient time and attention to his professional obligations as Independent Director for informed and balanced decision making.
  3. Adherence to the Code of Conduct and highest level of Corporate Governance in letter and in spirit by the Independent Directors.
- Based on recommendation of the NRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board through the Chairman and/or Managing Director will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new Director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act 2013 and Rules made thereunder.

#### REMOVAL OF DIRECTORS

If a Director is attracted with any disqualification as mentioned in any of the applicable Act, rules and regulations thereunder

or due to non - adherence to the applicable policies of the company, the NRC may recommend to the Board with reasons recorded in writing, removal of a Director subject to the compliance of the applicable statutory provisions.

#### SENIOR MANAGEMENT PERSONNEL

The NRC shall identify persons who are qualified to become directors and who may be appointed in senior management team in accordance with the criteria laid down above.

Senior Management personnel are appointed or promoted and removed/relieved with the authority of Chairman and/or Managing Director based on the business need and the suitability of the candidate. The details of the appointment made and the personnel removed one level below the Key Managerial Personnel during a quarter shall be presented to the Board.

#### II. SUCCESSION PLANNING:

##### Purpose:

The Talent Management Policy sets out the approach to the development and management of talent in the Mahindra Group to ensure the implementation of the strategic business plans of the Group and the Group Aspiration of being among the Top 50 globally most-admired brands by 2021.

##### Board:

The successors for the Independent Directors shall be identified by the NRC at least one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor will be appointed at the earliest but not later than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

The successors for the Executive Director(s) shall be identified by the NRC from among the Senior Management or through external source as the Board may deem fit.

The NRC will accord due consideration for the expertise and other criteria required for the successor.

The Board may also decide not to fill the vacancy caused at its discretion.

##### Senior Management Personnel:

A good succession-planning program aims to identify high growth individuals, train them and feed the pipelines with new talent. It will ensure replacements for key job incumbents in KMPs and senior management positions in the organization.

Significantly, we have a process of identifying Hi-pots and critical positions. Successors are mapped for these positions at the following levels:

1. Emergency successor
2. Ready now
3. Ready in 1 to 2 years
4. Ready in 2 to 5 years
5. Ready in more than 5 years

in order to ensure talent readiness as per a ladder approach.

##### Policy Statement:

The Talent Management framework of the Mahindra Group has been created to address three basic issues:

- 1) Given the strategic business plans, do we have the skills and competencies required to implement them? If not,

how do we create them – by developing them internally or through lateral induction from outside?

- 2) For critical positions, what is the succession pipeline?
- 3) What are the individual development plans for individuals both in the succession pipeline as well as others?

The framework lays down an architecture and processes to address these questions using the **3E** approach:

- a) **Experience** i.e. both long and short-term assignments. This has 70% weightage
- b) **Exposure** i.e. coaching and mentoring – 20% weightage
- c) **Education** i.e. learning and development initiatives – 10% weightage

The Talent Management process is applicable to all employees. Over the years, the Talent Management framework has become a well-structured and process-oriented system which is driven by an interactive and collaborative network of Talent Councils at the Group and Sector Levels. These Talent Councils, which consist mainly of senior business leaders supported by HR, are a mix of Sector (Business) and Functional Councils coordinated by an Apex Talent Council, headed by the Group Chairman. The Apex Council reviews the work done by the Talent Councils and facilitates movement of talent across Sectors. The Sector/Functional Councils meet regularly throughout the year and the Apex Council interacts with each one of them separately once a year, and in addition conducts an integrated meeting where the Chairpersons of all the Councils are present.

## **B. POLICY FOR REMUNERATION OF THE DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES:**

### **Purpose:**

This Policy sets out the approach to Compensation of Directors, Key Managerial Personnel and other employees in Mahindra Sanyo Special Steel Private Limited.

### **Policy Statement:**

We have a well-defined Compensation policy for Directors, Key Managerial Personnel and all employees, including the Chairman, Managing Director and other Members of Executive Committee who are employees of the Company. The overall compensation philosophy which guides us is that in order to achieve global leadership and dominance in domestic markets, we need to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in the business.

In order to effectively implement this, we have built our Compensation structure by a regular annual benchmarking over the years with relevant players across the industry we operate in.

### **Non - executive including Independent Directors:**

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both Fixed and variable, to the Non-Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and such other factors as the NRC may consider deem fit for determining the compensation to Non-executive Directors within the overall limits specified in the Shareholders resolution.

### **Executive Directors:**

The remuneration to Managing Director/Executive Director(s) shall be recommended by NRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of their appointment, the variable compensation will be determined annually by the NRC based on their performance.

### **Key Managerial Personnel (KMPs):**

The terms of remuneration of KMPs including Managing Director (MD), Chief Financial Officer (CFO), Company Secretary shall be determined by the NRC from time to time. The terms of remuneration of the Company Secretary shall be finalised/ revised either by any Director or such other person as may be authorised by the Board from time to time. The remuneration shall be consistent with the competitive position of the salary for similar positions in the industry and their Qualifications, Experience, Roles and Responsibilities. Pursuant to the provisions of Section 203 of the Companies Act 2013 the Board shall approve the remuneration at the time of their appointment.

The remuneration to directors, KMPs and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

### **Employees:**

We follow a differential approach in choosing the comparator basket for benchmarking, depending upon the level in the organization:

- a. For all employees from Operational to Executive Band, we benchmark with a set of comparators from the same industry.
- b. For Strategic band and above, we have a position-based approach and the comparator basket includes benchmarks from across relevant industries.

We have a CTC (Cost to Company) concept which includes a fixed component (Guaranteed Pay) and a variable component (Performance pay). The percentage of the variable component increases with increasing hierarchy levels, as we believe employees at higher positions have a far greater impact and influence on the overall business result. The CTC is reviewed once every year and the compensation strategy for positioning of individuals takes into consideration the following elements:

- Performance
- Potential
- Criticality
- Longevity in grade

Remuneration for the new employees other than KMPs and Senior Management Personnel will be decided by the HR of the Department of the Company, in consultation with the concerned business unit head at the time of hiring, depending upon the relevant job experience, last compensation and the skill-set of the selected candidate.

## MANAGEMENT DISCUSSION AND ANALYSIS (MDA)

### COMPANY OVERVIEW

Mahindra Sanyo Special Steel Private Limited (MSSSPL), is a subsidiary of Mahindra & Mahindra Ltd. (M&M). The Company is a manufacturer of Alloy steel products and rings at its plant, located in Khopoli, District Raigad, Maharashtra.

### ANALYSIS OF STEEL BUSINESS

#### OVERVIEW

The Company produces special alloy steel through Electric Furnace (EAF) route where steel scrap is the main raw material. The company caters steel requirements for capital goods industries mainly in Automotive, Engineering, Oil & Gas, Tool & Die, Power Generation & Bearing sectors.

The Ring Rolling business is forward integration for Steel business. It caters to the Bearing industry (especially antifriction bearings) and also Auto parts manufacturing industries both in “as forged” and/or “green machined condition”. The company manufactures rings through closed die forging as well as seamless ring rolling processes.

#### INDUSTRY STRUCTURE & DEVELOPMENT

The Steel Industry, as covered by Value Line, is broken into two groups, the Steel (General) and the Steel (Integrated) Industries. The former is largely a collection of recyclers, manufacturing semi-finished carbon steel from scrap (which is found principally in discarded auto bodies), steel processors, and steel distributors. In the so-called nonintegrated steel manufacturing process, ferrous scrap is melted down to produce semi-finished steel in electric arc furnaces. The Steel (Integrated) Industry consists of companies that use iron ore and coal, as well as scrap, to produce carbon, semi-finished steel. This is an older process that has undergone many refinements over the past quarter century.

Within these two parts of the same aggregate industry, one will find stocks for growth and income, speculative growth, and well-defined growth. As for the individual companies, investors will, as noted, come across producers, processors, and distributors, as well as providers of raw materials, such as iron ore. Steel companies are, by nature, capital and labor intensive. The older, integrated mills are also, in most cases, encumbered by burdensome legacy costs, notably pensions and retiree health care tabs.

Alloy steel is used in specialized area like Automotive, Engineering, Defence, Railways and Textile sectors. Some of the end uses of the Alloy Steel is in making of Transmission parts, Bearings, Axles, Gears, Crankshafts, Fuel Injection pumps etc. Alloy steel is also used in the Oil & Gas and Power generation sectors. India is fast becoming a global hub for Automobile industry.

India is the world's third-largest producer of crude steel and is expected to become the second-largest producer by next few years. The growth in the Indian steel sector has been driven by domestic availability of raw materials such as iron ore and cost-effective labour. Consequently, the steel sector has been a major contributor to India's manufacturing output. Amidst

subdued demand and the spectre of China flooding global markets with cheaper products, analysts predict a tough 2016 for the industry worldwide but expect India to remain more profitable than its Asian peers helped by higher domestic economic growth and rising demand.

During the year under review, due to lower demand for the steel products, and slow economic growth, the sales volume of the Company was lower than the Budgeted figures for FY 2016. Due to decrease in demand there was intense competitive pressure on pricing in the special steel market and low realisation coupled with the increase in input cost and devaluation in Dollar. The Sale of Rings products was also lower due to reduction in overseas demand. The devaluation of Euro has resulted in reduction in the contribution on sales of Rings products.

The major challenges which the Company had to face during the year under review were:

- a) Lower off-take from customer due to fall in demand for Steel.
- b) Lower realisation due to worldwide drop in commodity prices. Pricing pressure due to intense competition.
- c) Increase in Power tariff during the year, which was offset through price renegotiation with private Power produces.

The Company is striving to improve its quality to reduce the rejection of products, improvement in process efficiency & productivity, reduction in power consumption and at the same time continue to initiate steps towards deployment of optimum resources available, reduction of cost of production & improvement of overall performance. The efforts are also being made to develop new grades and regaining lost Customers.

#### SUSTAINABILITY & ENVIRONMENT REFORMS

As part of sustainability initiatives the Company has undertaken several measures to optimum use of available natural resources and achieved the following results:

- Reduction in consumption of power.
- Use of oxyfuel technology as alternate source of energy for furnace oil.
- Able to reduce the Green House Gas (GHG) emission.
- Switch over its 20% of the total energy consumption as renewable energy. Has set up solar power panels for 20 KW for its office building.
- Improved in water consumption level.
- The cross functional team for the aspect is working in the direction to improve the % of the recycled input material in the steel melting shop as one of its target. Which means more and more of raw materials are being brought in as recycled material and not through natural resource exploitation. This has helped achieve an increase of yield by 2%.

#### FINANCIAL PERFORMANCE

Summary of financial performance of the Company is presented below:

(Rs in millions)		
Particulars	FY 2015-16	FY 2014-15
Sales Volume (MT)	115,716	124,020
Sales	7,580	9,212
Other Income	30	65
Total Income	7,610	9,277
EBIDTA	(73)	(187)
Loss before Tax	(521)	(633)
Loss after Tax	(521)	(633)

During the year under review company had registered sales volume of 116 KT, i.e. growth of (-) 6.45% over previous year.

The Company recorded Sales revenue of Rs. 758 Crores during the year, i.e. growth of (-) 17.7% over previous year.

Earnings before Interest, Depreciation, Tax & Amortization for the year was Rs. (-) 7.3 Crores against Rs. (-) 18.7 Crores for the previous year. Loss after Tax for the year was Rs. (-) 52.1 Crores against Rs. (-) 63.3 Crores for the previous year.

The major challenges which the Company had to face during the year under review were:

- a) Lower realisation due to lower demand for the products. Pricing pressure due to intense competition.
- b) During the last quarter, the raw material cost has seen firming up which result in lower contribution margin.
- c) Power tariff has seen at higher level than expected.
- d) Sudden devaluation of rupee against dollar impacted imported raw material cost.

The Company is striving to improve its quality to reduce the rejection of products, improvement in process efficiency & productivity, reduction in power consumption and at the same time continue to initiate steps towards deployment of optimum resources available, reduction of cost of production & improvement of overall performance. The efforts are also being made to develop new grades and regaining lost Customers. The Company is focussing on the growth in sales in Auto and premium bearing sectors, Rings Business in FY 2017.

With the technical support of our joint venture partners, management continue to undertake initiatives for increasing margin by way of rationalisation of product mix and processes and further improvements in operating efficiencies and yield.

#### OPPORTUNITIES & STRATEGIC OUTLOOK

The outlook for the global economy is mostly positive with growth picking up in the US, India and Southeast Asia, while several emerging markets are experiencing a deceleration in growth. However, the structural shift in the transitioning Chinese economy could help cap this momentum.

The Countries and businesses are becoming increasingly interdependent through trade, investment and financial systems across the world. The risks and opportunities in the steel business are getting larger in scale and impact, with their sources becoming more diverse and global.

In order to survive and thrive, in a sector in constant transition, steel makers need to transform themselves. Globalisation is no longer a matter of choice, steel businesses long term success depends on it. The businesses that ride the next wave of growth will be those that understand the trends and refine their strategies, business models and portfolios according to a truly global mind set.

While the Chinese steel sector turns introspective over the next decade to deal with its excess capacity, pollution, low market concentration and lack of profitability, this is the window of opportunity to build competitive advantage now before supersized, more efficient Chinese steel makers emerge in the global market.

The main factors that led to a previously significant increase in demand for steel are new infrastructure developments and the growing needs of the increasing middle class in the developing countries. The construction, automobile, and white goods industries will attract a high demand for steel over the next decade. Steel companies that embrace globalisation (in their strategy, supply chains, knowledge and information, process, talent, and financial flows) while balancing with customization (of their products, marketing, and stakeholders' relationships) will emerge as sector leaders in the long term.

Stiff competition from cheaper imports especially from China and from domestic producers with new or expanded facilities continues to result in significant oversupply of steel compared to demand. Global economy forecast to grow 3.3% in 2015 and 3.9% in 2016.

The overall scenario is expected to improve in near future. India demand will pick up pace. After two years of contraction, steel demand is likely to improve thanks to a rise in demand from the automobile sector and recovery in the construction sector. Overall, with the global economy gradually on the mend and activities picking up in automotive and construction industries, prospects look brighter for the steel industry in the years to come.

#### THREATS & RISKS

While the global outlook for steel is mildly positive as there are increasing signs of momentum in parts of the world, there are still risks to global growth and a number of these evolve around China.

To prosper in the globally integrated environment requires constant refinement of global business strategies. The businesses that will ride the next wave of growth will be those that understand the significance of globalization and tailor their strategies based on that understanding.

The pressure on the steel sector to globalize is evident in the following specific challenges being faced by the sector:

- Over capacity of production.
- Customers, financiers and suppliers of the sector becoming increasingly Globalized.
- Low market concentration leading to increased competition.
- Global demand for universal products to increase the multilateral trade agreements.

- Increased competition in what have been isolated markets.
- Imbalance between resource availability and finished product demand in most markets.
- Vibrant emerging markets and multi-speed regional growth.
- Shifts in global competitiveness of the steel sector Regulations driving resource availability, technology, product mix, cost and margins.
- Risks and opportunities becoming more diversified and often global in their sources of impact.
- Increased volatility, uncertainty complexity and ambiguity.

The challenges for the steel industry are diverse and complex. The risks and opportunities are getting larger in scale and impact. The sources or external drivers and their influences are also increasingly global and diverse. In such environment, there are imperatives for the industry to globalize. By embracing the opportunities presented by globalization, the steel industry can move towards a far more efficient, competitive and profitable business. This will entail transformation of the business strategy, people, processes and technology. There are some globalized players in the steel industry who are adopting new approaches to address this challenge, while many other are yet to adapt well and fully leverage the opportunity. Several of these steps need to be implemented by the stakeholders of the industry in the interest of overall economic growth.

The competitive pressures on steel product pricing both from domestic and overseas market also are threats for the alloy steel industry. Availability of efficient manpower is the biggest hurdle in the development of Indian steel industry. Adoption of new eco-friendly technologies in the production process for improving efficiency and quality, recycling of steel etc., to sustain in a longer run, is also a challenge. The steel business is susceptible to the inherent risk of volatile foreign exchange as bulk of the major raw materials is imported.

The company has identified several initiatives towards mitigation of emerging risks and threats initiatives like increasing its exposure to non-auto sector in domestic market, focusing on Oil & Gas and Renewable energy sector, Power Generation sector in India and overseas. With the support of joint venture partners the company is expected to receive the technical expertise to improve process, quality and efficiency and reduction cost. This will make the steel products more competitive. The marketing strategies and reach of the steel business is also expected to receive a thrust due to the expertise of the joint venture partners.

The complete dependence on outsourced machining vendors in the ring business continues to be a risk in the supply chain. The in house machining facility through third party Vendor at the premises of the steel business being installed.

### **SAFETY, HEALTH AND ENVIRONMENT**

## ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

### Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **MAHINDRA SANYO SPECIAL STEEL PRIVATE LIMITED** (“the Company”) as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the company’s assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' Section of our report of even date)

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The fixed assets were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us, the title deeds comprising all the immovable properties of land and buildings thereon have been pledged as security for cash credit and working capital demand loans and are held in the name of the Company based on the confirmation directly received by us from the lending bank.
- (ii) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals and no material discrepancies were noticed on physical verification.
- (iii) The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Companies Act, 2013 ("the Act").
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 186 of the Act in respect of making investments. According to the information and explanations given to us, the Company has not granted any loans or provided guarantees and hence reporting under clause 3(iv) of the Companies (Auditor's Report) Order, 2016 ("CARO 2016"), to the extent it relates to loans and guarantees, is not applicable.
- (v) According to the information and explanations given to us, the Company has not accepted any deposit and the provisions of Sections 73 to 76 of the Act are not applicable and hence reporting under clause 3(v) of CARO 2016 is also not applicable.
- (vi) The maintenance of cost records has been specified by the Central Government under Section 148(1) of the Act. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended, prescribed by the Central Government under sub-section (1) of Section 148 of the Act, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) According to the information and explanations given to us, in respect of statutory dues:
- (a) The Company has been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, cess and other material statutory dues applicable to it, to the appropriate authorities.
- (b) There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, cess and other material statutory dues in arrears as at March 31, 2016 for a period of more than six months from the date they became payable.
- (c) Details of dues of Service tax which have not been deposited as on March 31, 2016 on account of disputes are given below:

Name of Statute	Nature of Dues	Forum where Dispute is Pending	Period to which the Amount Relates	Amount Involved (Rs. in Lakhs)	Amount Unpaid (Rs. in Lakhs)
Chapter V of the Finance Act, 1994	Service Tax	Commissioner of Central Excise (Appeals)	July 2012 to November 2013	71.70	64.13

There are no dues of Income tax, Sales tax, Customs Duty, Excise Duty and Value Added Tax as at March 31, 2016 on account of disputes.

- (viii) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings to financial institutions and banks. The Company has not issued any debentures and has not taken any loans or borrowings from government.
- (ix) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under clause 3(ix) of CARO 2016 is not applicable.
- (x) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company by its officers or employees has been noticed or reported during the year.
- (xi) In our opinion and according to the information and explanations given to us, the Company has paid/provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

- (xii) The Company is not a Nidhi Company and hence reporting under clause 3(xii) of CARO 2016 is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us, the Company is in compliance with Sections 188 and 177 of the Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under clause 3(xiv) of CARO 2016 is not applicable.
- (xv) In our opinion and according to the information and explanations given to us, during the year, the Company has not entered into any non-cash transactions with its directors or persons connected with him and hence provisions of Section 192 of the Act are not applicable.
- (xvi) The Company is not required to be registered under Section 45-I of the Reserve Bank of India Act, 1934.

original cost as residual value for each class of asset, except in respect of machineries used at Steel Melting Shop, Blooming Mill, Continuous Mill, Rolling Mill and Rings where useful life has been considered at 20 years based on an independent technical evaluation of such machineries.

The depreciation charge for the assets used on double and triple shift basis during the year is increased by 50% and 100% respectively.

- When an asset is scrapped or otherwise disposed off, the cost and the related depreciation are removed from the books of account and the resultant profit (including capital profit) or loss is reflected in the Statement of Profit and Loss.

### ii. Intangible Assets:

Software expenditure incurred is amortised over the period of 36 months equally commencing from the year in which the expenditure is incurred.

### d) Investments:

Investments, all of which are non-current investments, are valued at cost. Provision for diminution is made to recognise a decline, other than temporary, in the value of non-current investments.

### e) Inventories:

Inventories are valued at cost or net realisable value whichever is lower. Cost of inventories is arrived at a weighted average basis and is inclusive of overheads and duties, where appropriate.

### f) Foreign exchange transactions:

Foreign exchange transactions are initially recognised at the exchange rate prevailing on the transaction date. At each balance sheet date foreign currency monetary items are translated at the relevant rates of exchange prevailing at the date. In respect of forward contracts, the premium or discount arising at the inception of such a contract is amortised as expense or income over the life of the contract.

In case of monetary items, the exchange differences are recognised in the Statement of Profit and Loss.

### g) Revenue recognition:

Sales of products are recognised when the products are shipped or on transfer of significant risks and rewards of ownership to the buyer depending upon the terms agreed with customers. Sales of services are recognised when the services are rendered.

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the applicable rate of interest.

### h) Employee benefits:

#### i. Provident fund:

The Company's contribution to the recognised provident fund, paid/payable during the year, is debited to the Statement of Profit and Loss.

#### ii. Superannuation and other funds/schemes:

Company's contributions paid/payable during the year to officer's superannuation fund, employees' pension scheme, employees' state insurance scheme and labour welfare fund are recognised in the Statement of Profit and Loss.

#### iii. Gratuity and compensated absences:

Company's liability towards gratuity and compensated absences is determined using the projected unit credit method which considers each period of service as giving rights to an additional unit of benefit entitlement and measure each unit separately to build up the final obligation. Past services are recognised on straight line basis over the average period until the benefits become vested. Actuarial gains and losses are recognised immediately in the Statement of Profit and Loss as income or expense. Obligation is measured at the present value of estimated future cash flow using discounted rate i.e.

determined by reference to market yield at the balance sheet date on government bonds where the currency and terms of the government bonds are consistent with the currency and the estimated terms of the defined benefit obligation.

### i) Borrowing costs:

Borrowing costs that are directly attributable to the acquisition of qualifying assets are capitalised for the period until the asset is ready for its intended use. A qualifying asset is an asset that necessarily takes substantial period of time to get ready for its intended use. Other borrowing costs are recognised as an expense in the period in which they are incurred. No borrowing costs are eligible for capitalisation during the year.

### j) Earnings per share:

Basic earnings per share are computed by dividing the profit/(loss) after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit/(loss) after tax as adjusted for dividend, interest and other changes to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit or increase the net loss per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits/reverse share splits and bonus shares, as appropriate.

### k) Taxes on income:

Current tax is determined as the amount of tax payable in respect of taxable income for the year.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the balance sheet when it is probable that future economic benefit associated with it will flow to the Company.

Deferred tax assets and liabilities are recognised, subject to consideration of prudence, on timing differences, being the difference between taxable income and accounting income, that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of losses under tax laws are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets on account of other timing differences are recognised to the extent that there is a reasonable certainty of its realisation.

### l) Research and development expenditure:

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products are also charged to the Statement of Profit and Loss unless a product's technological feasibility has been established, in which case such expenditure is capitalised. The amount capitalised comprises expenditure that can be directly attributed or allocated on a reasonable and consistent basis to creating, producing and making the asset ready for its intended use. Fixed assets utilised for research and development are capitalised and depreciated in accordance with the policies stated for tangible fixed assets.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016

### m) Leases:

The Company's significant leasing arrangements are in respect of operating leases for machineries. These leasing arrangements are cancellable. The aggregate lease rentals payables are charged as rent.

### n) Impairment of assets:

The carrying values of assets/cash generating units at each balance sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets.

### o) Provisions and contingencies:

A provision is recognised when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present values and are determined based on management estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current management estimates. Contingent liabilities are disclosed in the financial statements.

## DIRECTORS' REPORT

### Dear Shareholders,

Your Directors are pleased to present their Twentieth Report together with the audited financial statements of your Company for the year ended March 31, 2016.

#### 1. Operations and Financial Overview

During 2015-16, your Company performed creditably in spite of a subdued consumer sentiment, especially towards high-value discretionary spend categories. It added around 16,200 new members to its vacation ownership business, taking the total membership to close to two lakh at the end of the year. The new member addition was higher as compared to the previous year, and reflects the successful execution of Company's strategy to focus on high quality leads from pull-based channels such as referrals and digital. During the year, the Company added 87 new room units, taking the total inventory to 2,879 units as of March 31, 2016.

The Company, during the month of September 2015, had increased its stake in Holiday Club Resorts Oy, Finland (HCR) from 23.3 per cent to 85.6 per cent resulting in HCR becoming a subsidiary company of the Company.

Your Company's total income (including other income) grew from ₹ 80,756 lakh in 2014-15 to ₹ 96,261 lakh in 2015-16. Profit after taxes (PAT) grew from ₹ 7,902 lakh in 2014-15 to ₹ 11,735 lakh in 2015-16. Diluted earnings per share (EPS) for 2015-16 stood at ₹ 13.29, up from ₹ 8.98 in the previous year.

Your Company's consolidated total income (including other income) during 2015-16 was ₹ 1,60,382 lakh. The consolidated PAT was ₹ 9,906 lakh and the diluted EPS was ₹ 11.22. The consolidated numbers include results of HCR subsequent to its becoming a subsidiary of your Company.

There are no audit qualifications in the standalone or in the consolidated financial statements by the Statutory Auditors for the year under review.

## ANNEXURE 4 TO THE DIRECTORS' REPORT FOR THE YEAR ENDED MARCH 31, 2016

### Policy on Appointment of Directors and Senior Management

#### Appointment of Directors

- The Nomination and Remuneration Committee (NRC) reviews and assesses Board composition and recommends the appointment of new Directors. In evaluating the suitability of individual Board member, the NRC shall take into account the following criteria regarding qualifications, positive attributes and independence of director:
  - All Board appointments will be based on merit, in the context of the skills, experience, independence and knowledge, for the Board as a whole to be effective.
  - Ability of the candidates to devote sufficient time and attention to his/her professional obligations as Independent Director for informed and balanced decision making.
  - Adherence to the Code of Conduct and highest level of Corporate Governance in letter and in spirit by the Independent Directors.
- Based on recommendation of the NRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board through the Chairman will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new Director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act, 2013 and Rules made thereunder.

#### Removal of Directors

If a Director is attracted with any disqualification as mentioned in any of the applicable Acts, Rules and Regulations thereunder or due to non - adherence to the applicable policies of the Company, the NRC may recommend to the Board with reasons recorded in writing, removal of a Director subject to the compliance of the applicable statutory provisions.

#### Senior Management Personnel

The NRC shall identify persons who are qualified to become directors and who may be appointed in senior management cadre in accordance with the criteria laid down above.

Senior Management personnel are appointed or promoted and removed/relieved with the authority of Managing Director & CEO based on the business need and the suitability of the candidate. ## ANNEXURE 5A TO THE DIRECTORS' REPORT FOR THE YEAR ENDED MARCH 31, 2016

### Policy on Remuneration of Directors

This Policy shall be effective from the financial year 2014 - 15.

#### Objective

The objective of the Remuneration Policy of Directors of Mahindra Holidays & Resorts India Limited ("the Company") is to focus on enhancing the value, to attract, retain and motivate Directors for achieving objectives of the Company and to place the Company in leading position.

The Nomination and Remuneration Committee (NRC) of the Board shall, while formulating the policy ensure that –

- the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate Directors of the quality required to run the Company successfully;
- relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- remuneration to Directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.

While deciding the policy on remuneration of Directors the Committee may consider amongst other things, the duties and responsibilities cast by the Companies Act, 2013, the Listing

Agreement, various Codes of Conduct, Articles of Association, restrictions on the remuneration to Directors as also the remuneration drawn by Directors of other companies in the industry, the valuable contributions and inputs from Directors based on their knowledge, experience and expertise in shaping the destiny of the Company etc. The Policy is guided by a reward framework and set of principles and objectives as more fully and particularly envisaged under Section 178 of the Companies Act, 2013 and principles pertaining to qualifications, positive attributes, integrity and independence of Directors, etc.

#### Directors

The Managing Director & Chief Executive Officer is an executive of the Company and draws remuneration from the Company. The Non-Executive Chairman and Independent Directors receive sitting fees for attending the meeting of the Board and the Committees thereof, as fixed by the Board of Directors from time to time subject to statutory provisions. The Non-Executive Chairman and Independent Directors would be entitled to the remuneration under the Companies Act, 2013. A Non-Executive Non-Independent Director who receives remuneration from the holding company is not paid any sitting fees or any remuneration. In addition to the above the Directors are entitled for reimbursement of expenses incurred in discharge of their duties.

Pursuant to Employee Stock Option Scheme 2006 (ESOS 2006), the Company has granted Stock Options to Directors including Independent Directors. The vesting and exercise of these Options shall continue to be governed by ESOS 2006 and terms of grant. However, as per Section 149(9) of the Companies Act, 2013, henceforth the Independent Directors will not be entitled to fresh grant of any Stock Options.

The NRC while designing the remuneration shall ensure that the level and composition of remuneration to be reasonable and sufficient to attract, retain and motivate the person to ensure the quality required to run the Company successfully. While considering a remuneration, the NRC shall also ensure a balance between fixed and performance linked variable pay reflecting short and long term performance objectives appropriate to the working of the Company and its goals.

The NRC shall consider that a successful Remuneration Policy must ensure that some part of the remuneration is linked to the achievement of corporate performance targets.

### **Managing Director and Executive Directors**

The term of office and remuneration of Managing Director and Executive Directors are subject to the approval of the Board of Directors, shareholders, and Central Government, as may be required and the limits laid down under the Companies Act, 2013 from time to time.

If, in any financial year, the Company has no profits or its profits are inadequate, the Company shall pay, subject to the requisite approvals, remuneration to its Managing Director and Executive Directors in accordance with the provisions of Schedule V of the Companies Act, 2013.

If any Managing Director and Executive Directors draws or receives, directly or indirectly by way of remuneration any such sums in excess of the limits prescribed under the Companies Act, 2013 or without the prior sanction of the Central Government, where required, he/she shall refund such sums to the Company and until such sum is refunded, hold it in trust for the Company. The Company shall not waive recovery of such sum refundable to it unless permitted by the Central Government.

Remuneration of the Managing Director and Executive Directors reflects the overall remuneration philosophy and guiding principle of the Company. While considering the appointment and remuneration of Managing Director and Executive Directors, the NRC shall consider the industry benchmarks, merit and seniority of the person and shall ensure that the remuneration proposed to be paid is commensurate with the remuneration packages paid to similar senior level counterpart(s) in other companies.

Remuneration for Managing Director and Executive Directors are designed subject to the limits laid down under the Companies Act, 2013 to remunerate them fairly and responsibly. The remuneration to the Managing Director and Executive Directors comprises of salary, perquisites and performance based incentive apart from retirement benefits like P.F., Superannuation, Gratuity, Leave Encashment, etc. as per Rules of the Company. Salary is paid within the range approved by the Shareholders.

Annual increments are effective from 1st April each year, as recommended/approved by the Remuneration Committee/Board.

The fixed component of remuneration will have a flexible component with a bouquet of allowances to enable the Managing Director and Executive Directors to choose the allowances as well as the quantum based on laid down limits as per Company policy. The flexible component can be varied only once annually after the salary increment exercise.

The actual pay-out of variable component of the remuneration will be a function of individual performance as well as business performance. Business performance is evaluated using a Balanced Score Card (BSC) while individual performance is evaluated on Key Result Areas (KRA). Both the BSC and KRAs are evaluated at the end of the fiscal to arrive at the BSC rating of the business and performance rating of the individual.

Remuneration also aims to motivate personnel to deliver Company's key business strategies, create a strong performance-oriented environment and reward achievement of meaningful targets over the short and long-term.

The Managing Director and Executive Directors are entitled to customary non-monetary benefits such as company cars, health care benefits, leave travel, communication facilities, etc. as per policies of the Company. The Managing Director and Executive Directors are entitled for grant of Stock Options as per the approved Stock Options Schemes of the Company from time to time.

### **Non-executive Directors**

The Non-Executive Directors (NEDs) are paid remuneration by way of Commission and Sitting Fees. In terms of the shareholders' approval, the Commission is paid at a rate not exceeding 1% (one percent) per annum of the profits of the Company computed in accordance with the applicable provisions of the Companies Act, 2013. The distribution of Commission amongst the NEDs shall be placed before the Board.

At present, the Company pays sitting fees to the NEDs for attending the meetings of the Board and the Committees constituted by the Board from time to time.

The Directors who are members of the Corporate Social Responsibility (CSR) Committee of the Board have voluntarily waived the receipt of sitting fees for attending the CSR Committee meetings.

### **Disclosures**

Information on the total remuneration of members of the Company's Board of Directors, Managing Director and Executive Directors and KMP/senior management personnel may be disclosed in the Board's report and the Company's annual report/website as per statutory requirements in this regard.

## ANNEXURE 5B TO THE DIRECTORS' REPORT FOR THE YEAR ENDED MARCH 31, 2016

### POLICY ON REMUNERATION FOR KEY MANAGERIAL PERSONNEL AND EMPLOYEES

#### Applicability

This Policy shall be effective from the financial year 2014 - 15.

#### Objective

To establish guidelines for remunerating employees fairly and in keeping with Statutes.

#### Standards

- All employees, irrespective of contract, are to be remunerated fairly and the remuneration is to be externally competitive and internally equitable. The remuneration will be paid in accordance with the laid down Statutes.
- Remuneration for on-roll employees will include a fixed or guaranteed component payable monthly; and a variable component for eligible employees, which is based on performance and paid annually.
- The fixed component of remuneration will have a flexible component with a bouquet of allowances based on laid down limits as per Company policy. The flexible component can be varied only once annually.
- The variable component of the remuneration for eligible employees, will vary from 15% to 25% of the Cost-to-Company (CTC) and will be a function of the employee's grade.
- The actual pay-out of variable component of the remuneration will be a function of individual performance as well as business performance. Business performance is evaluated using a Balanced Score Card (BSC) while

individual performance is evaluated on Key Result Areas (KRA). Both the BSC and KRAs are evaluated at the end of the fiscal to arrive at the BSC rating of the business and Performance rating of the individual.

- An annual compensation survey is carried out to ensure that the Company's compensation is externally competitive and is around 60th percentile. Based on the findings of the survey and the business performance, the CEO along with the CHRO & CFO decides:
  - o The increment that needs to be paid for different performance ratings as well as grades.
  - o The increment for promotions and the total maximum increment.
  - o The maximum increase in compensation cost in % and absolute.
- Compensation corrections are made in few relevant cases to keep it in tune with the market.
- Mid-term compensation correction, if any, are made on a case-to-case basis.
- Remuneration to the Managing Director/CEO, Whole-time Directors & KMP's are subject to the approval of the Remuneration Committee/Board.

Mr. Dinesh Shetty, General Counsel & Company Secretary	12.0%

@ became director with effect from August 27, 2014

# appointed w.e.f. November 3, 2014

### 3. The Percentage increase in the median remuneration of employees in the financial year:

The percentage increase in the median remuneration of the employees in the financial year was around 13%. The calculation of percentage increase in median remuneration is done based on comparable employees and for this purpose, we have excluded employees who were not eligible for any increment.

### 4. The number of permanent employees on the rolls of the Company: 3,784

### 5. The explanation on the relationship between average increase in remuneration and company performance:

On an average, employees received an annual increase of around 10.37%. While recommending the increase in remuneration of its employees the Company considered overall organisation performance, industry benchmarking, cost of living adjustment/inflation apart from individual performance on the basis of Balanced Scorecard approach.

The total compensation is a prudent mix of fixed and variable pay in the form of performance pay. The proportion of variable pay to total compensation is higher at senior level and lower at middle level.

The increase in remuneration is a function of the factors outlined above. The performance of the Company has bearing on the quantum of variable pay declared for employees across senior and middle levels.

### 6. Comparison of the remuneration of the Key Managerial Personnel against the performance of the company:

The Total remuneration of Key Managerial Personnel in the FY 2015-2016 was at ₹ 507 lakh, which represent 0.53 % of the Total Income of the Company and 2.95% of the Profit Before Tax (PBT) for the year ended March 31, 2016.

### 7. Variations in the market capitalization of the company, price earnings ratio as at the closing date of the current financial year and previous financial year and percentage increase or decrease in the market quotations of the shares of the company in comparison to the rate at which the company came out with the last public offer:

The Market capitalization of the Company was increased from ₹ 2,28,877 lakh as of March 31, 2015 to ₹ 3,43,182 lakh as of March 31, 2016. Over the same period, the Price to Earnings Ratio moved from 28.71 to 28.99. The Company's stock price as at March 31, 2016 was increased by 51.59% to ₹ 386.55 over the last public offering, i.e. Institutional Placement Programme (IPP) in April 2013 at the price of ₹ 255 per share.

### 8. Average percentile increase already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and any exceptional circumstances for increase in the managerial remuneration:

The average percentage increase made in the salaries of total employees other than the Key Managerial Personnel during the FY2015-16 was around 10.17%, while the average increase in the remuneration of

the Key Managerial Personnel was around 17.7%. For Mr. Kavinder Singh, there was no increase applicable as he joined the Company during the third quarter of the previous financial year. Increase in Key Managerial Personnel remuneration is in line with the factors outlined in point (5) above.

**9. Comparison of the remuneration of each of the Key Managerial Personnel against the performance of the company:**

The comparison of remuneration paid of each of the Key Managerial Personnel against the performance of the Company is as under

Designation	% of PBT for the year ended March 31, 2016
Managing Director & Chief Executive Officer	1.59%
Chief Financial Officer & Executive Director	0.98%
General Counsel & Company Secretary	0.37%

**10. The key parameters for any variable component of remuneration availed by the directors:**

In respect of Non-Executive Directors (NED) the shareholders, at the 19<sup>th</sup> AGM held on July 28, 2015 have approved the payment of commission upto ceiling of 1% of the net profits of the Company as computed under the provisions of the Act. The said commission is decided each

year by the Board of Directors and distributed amongst the NEDs considering the various factors as well as the time spent on strategic matters other than at Meetings.

The following are the broad factors and guidelines considered for the Variable Pay in respect of whole-time Directors:

- a. Overall Organisation performance including revenue growth and profitability of the Company; and
- b. Annual Performance Review based on the Company's Balanced Scorecard.

**11. The ratio of the remuneration of the highest paid director to that of the employees who are not directors but receive remuneration in excess of the highest paid director during the year:**

Not Applicable

**12. Affirmation that the remuneration is as per the remuneration policy of the Company.**

It is hereby affirmed that the remuneration paid is as per the policy for Remuneration of the Directors, Key Managerial Personnel and Employees.

## Management Discussion and Analysis

Mahindra Holidays & Resorts India Limited ('Mahindra Holidays' or 'the Company') is a leading player in the leisure hospitality industry. Founded in 1996, it has established vacation ownership in India, and is the market leader in the business. It offers holidays to its customers that are designed for the discerning and differentiated needs of families. Apart from providing quality rooms in the form of furnished apartments and cottages at resorts in unique and popular destinations, Mahindra Holidays offers its members family-friendly amenities including dining, holiday activities, spa and wellness facilities for a complete holiday experience.

This chapter presents an overview of the markets and opportunities as well as the operational and financial performance of the Company during 2015-16. It also highlights Mahindra Holidays' strategy, and discusses important initiatives taken by the Company during the year to achieve its growth and performance objectives.

### Introduction and Key Achievements

Mahindra Holidays' focus during 2015-16 was to achieve continued success in its strategic objective: ensuring that its growing membership gets the best holiday experience. Although the macroeconomic environment witnessed steady improvement, consumer confidence and disposition towards high-value discretionary spends were relatively weak. Despite this, Company's focus on unique family vacation experiences, generating referrals from existing members and focus on digital lead generation, deployment of technology and execution yielded significant improvement in results.

The key highlights are:

- **Mahindra Holidays added around 16,200 members to its vacation ownership business in 2015-16 — taking the total membership base to close to two lakh at the close of 2015-16.** This performance is creditable given the subdued consumer sentiment and was made possible by the Company's successful execution of its marketing strategy, brand building initiatives and a responsive sales organisation. These are discussed in greater detail in the sections on 'Markets and Opportunities' and 'Business Performance'.
- **Mahindra Holidays added 87 new units to its room inventory. Total room inventory touched 2,879 units across its 45 resorts.** Pace of room inventory growth is expected to increase in the near future in line with its long-term strategy for expansion, primarily through own projects and acquisitions. Four projects that are in the pipeline alone are expected to add around 500 units in the next two years. Further details are provided in the section on 'Properties and New Projects'.
- **Mahindra Holidays increased its stake in Holiday Club Resorts Oy, Finland (HCR), to 85.6 per cent. HCR is a leading vacation ownership company in Europe with around 50,000 members and 31 resorts in Finland, Sweden and Spain.** This investment is in line with the Company's vision to widen its international footprint and

opens up growth opportunities in Europe and Middle East. Besides, 'Club Mahindra' members will now also have the option of visiting HCR's resorts in Europe.

- **Occupancy rates remained stable around 81 per cent and member satisfaction improved considerably, both in terms of member services and the holiday experience at the resorts.** These are reflected in improved customer-as-promoter and post-holiday feedback scores. A more exhaustive discussion on the initiatives carried out by the Company and their impact can be found in the sections on 'Member Relations' and 'Resort Operations'.
- **Information technology (IT) continued to actively contribute to the Company's growth and performance. During the year, improvement in online services contributed to significant increase in usage by members — online bookings increased from 52 per cent in 2014-15 to 66 per cent in 2015-16.** Better integration and deployment of advanced lead analytics solutions have improved the conversion of digital and referral leads, increasing their contribution to over 50 per cent of sales during the year. More information on important technology-driven initiatives can be found in the section on 'Information Technology'.

**Mahindra Holidays markets a high-value discretionary product. In a milieu of subdued consumer spending and sentiment, the Company registered creditable results. The key financial results (standalone) for 2015-16 are given below:**

- **Total income (including other income) grew by 19.2 per cent from ₹ 80,756 lakh in 2014-15 to ₹ 96,261 lakh in 2015-16.**
- **Profit before Taxes (PBT), before considering the exceptional item in the previous year, grew by 35.7 per cent from ₹ 12,684 lakh in 2014-15 to ₹ 17,209 lakh in 2015-16.**
- **Profit after Taxes (PAT) grew by 48.5 per cent from ₹ 7,902 lakh in 2014-15 to ₹ 11,735 lakh in 2015-16.**
- **Diluted EPS for the standalone entity increased from ₹ 8.98 in 2014-15 to ₹ 13.29 in 2015-16.**

The rest of this chapter provides details of markets and opportunities, operational and financial performance of the Company, initiatives in the areas of quality, CSR, sustainable development, and key functional areas such as human resources and information technology. The chapter ends with a discussion on risks and concerns, and the Company's outlook for the future.

### Markets and Opportunities

Mahindra Holidays is a leading player in the leisure hospitality industry in India. Built on the vacation ownership model, the Company's principal business is to offer vacation ownership products that provide holiday entitlements to its members over the life of the product.

India's macroeconomic scenario witnessed a steady improvement in 2015-16. According to the advance estimates released by the Central Statistical Organisation (CSO), India's GDP growth is expected to be 7.6 per cent in 2015-16, as compared to 7.2 per cent recorded in the previous year. Inflation and fiscal balance of the government, too, remained stable during the year — prompting the RBI to reduce the policy rate by 100 basis points in the course of the year. However, lending rates of banks did not come down by as much, and improvement in consumer sentiment has been comparatively muted. To that extent, the environment for large discretionary spend categories and consumer confidence to commit resources continued to be relatively weak.

The Indian travel and tourism industry is worth USD 112 billion or roughly 7.5 per cent of India's GDP. This is expected to increase to USD 244 billion by 2024, and 81 per cent of this is expected to be contributed by domestic tourism. As far as the vacation ownership industry in India is concerned, the market penetration is still very low. If one compares the Indian vacation ownership industry with the US in terms of its share in the hospitality sector, the scope for growth in India is around five times of its current size. Similar conclusions can be drawn if one considers other surrogates for the size of the opportunity for the Company's products such as ownership and sales of cars.

Clearly, there is a significant headroom for growth of the business. More so, as holidays have become an essential element in the discretionary spend budget of households. Besides, emerging trends in holidaying preferences are also encouraging from the Company's perspective. For instance, holidays with extended families, short breaks and the demand for variety in experiences and destinations are things that the Company is well placed to offer to its customers.

**Business Performance**

'Club Mahindra' is the Company's flagship product in the vacation ownership business, which entitles its members a week's holiday every year for a period of 10 or 25 years depending upon the membership. Mahindra Holidays has recorded a fair growth in its membership over the last few years despite the challenging environment. It believes that there is a significant potential for further growth of the business, especially with the Indian economy witnessing a revival in its growth prospects.

Buoyed by early gains of the Company's pull-based marketing strategy — comprising non-intrusive sales channels such as alliances, digital and referrals — implemented in the previous year, the focus during 2015-16 was on expanding its coverage and reach with greater vigour. The main objective was to generate high quality leads, prioritise prospects and increase conversion. Several activities were carried out during the year to support this, some of which are outlined below:

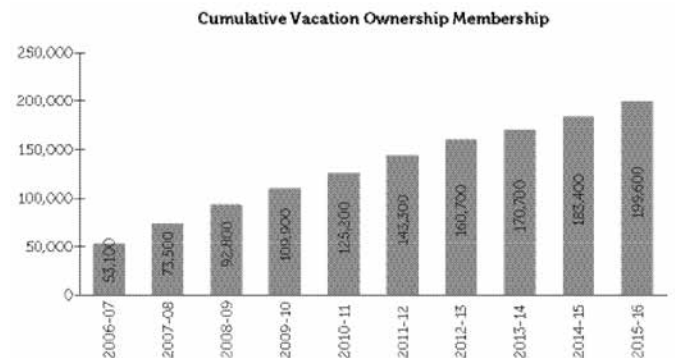

- The Company launched **'Heart-to-Heart'**, a member engagement initiative in their hometowns. Events and activities are being carried out where members and their families meet other members to enjoy various leisure activities. This helps in creating a strong sense of belonging to the 'Club Mahindra' community. This also provides an opportunity to update members, seek referrals and solve any issues they might be facing.

- In another initiative to expand the choices available to members in terms of new vacation experiences, the Company made available house boats in Kashmir and sea-facing luxury tents at 'Festa De Diu' — the longest beach festival in Asia. Encouraged by the success, it is actively considering expansion of the bouquet of such unique experiences to its members.
- **'India Travelogue'**, a 40 episode weekly TV travel-series is being aired on CNBC Awaaz since September 2015. The series showcases the Company's resorts and the experiences that they offer in the backdrop of the destination's points of interest. It has garnered positive word of mouth for Club Mahindra and generated considerable interest among prospective vacation ownership customers.
- Other engagement and brand building initiatives during the year included setting-up of a mini Club Mahindra resort facility within 'Kidzania', the kids edutainment centre inside R City Mall in Mumbai, to give children a sense of what it would be like to work in the hospitality industry.

To support these initiatives, the Company also carried out extensive advertising and brand-building campaigns in print and television. **'Club Mahindra' was selected as a 'Super Brand' for the year 2015 by SuperBrand Council in India.**

As a result of these efforts, digital and referral leads contributed Considerably to sales and now accounts for over 50 per cent of sales during the year. The Company was also successful in expanding its sales network during the year. At the end of 2015-16, it was present in 137 locations in India, versus 124 in the previous year. Its focus on international markets with sizeable Indian population also saw significant progress, with deepening of its presence in the Middle East by way of two new locations. Contribution of international markets to sales, which was negligible a few years back, also increased to 4 per cent during the year. Going forward, focus will be to expand the footprint, both in India and abroad, as well as to explore alternate channels that are in line with the Company's strategy.

**During 2015-16, the Company added around 16,200 members, taking the total membership to close to two lakh as on March 31, 2016.** The chart provides details of the growth in membership in the last 10 years.

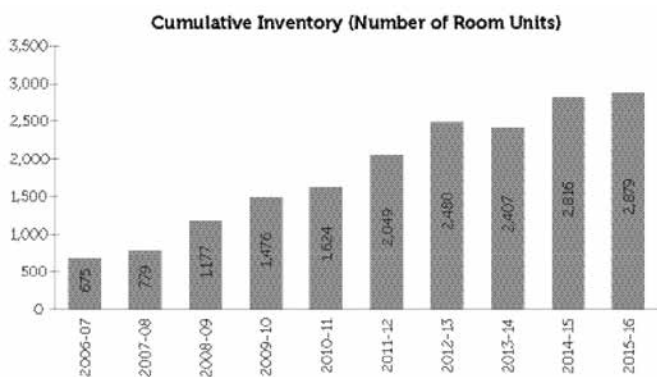

The Company also markets a corporate product called 'Club Mahindra Fundays', which allows enrolled organisations to offer holiday entitlements to its employees or group vacations either as a part of their reward and recognition programme or as an employment perquisite or compensation. During the year, this product performed satisfactorily. New clients were added and there was an increase in the number of room nights utilised under the ambit of this product.

During the year, the Company introduced '**Xperience Breaks**', which offers one week of holiday each in India and international destinations within a year of purchase. It is designed to provide customers a first-hand experience of Club Mahindra membership and is aimed at younger audience in large towns and cities. It is conceived as an exclusively online product and is being marketed through online partnerships.

**Properties and New Projects**

Mahindra Holidays currently has a pan-India presence through its extensive network of resorts across destinations including hill stations, beaches, backwaters, wildlife sanctuaries, forts and heritage. It is also present in international destinations such as Bangkok, Innsbruck (Austria), Kuala Lumpur and Dubai. In addition, with the increase of the Company's stake in Holiday Club Resorts Oy, Finland (HCR), members will now have a choice to visit HCR's 31 resorts in Europe.

During the year, Mahindra Holidays added 87 room units to its inventory. This included 12 units in Kanha, 51 in Munnar and 24 in Kashmir. After accounting for inventory retired, the net addition during the year was **63 units — taking the total inventory to 2,879 units across its 45 resorts by the end of 2015-16**. The chart provides information on growth in inventory over the last 10 years.

In addition, the Company looks for opportunities to provide unique holiday experiences to its members. During the year, it made available luxury tents in Diu and opportunities to experience holidays in multiple locations by virtue of its tie-up with a leading hotel chain.

In line with the Company's strategy, majority of the total inventory is owned by it. In cases where resorts are under long-term lease arrangements, it manages the resorts to ensure delivery of complete range of services to its members. Even in resorts where rooms/units are made available to members

through inventory arrangements, sufficient measures are implemented to give members the best holiday experience.

Increasing room inventory in line with membership additions continues to be a key focus area. **The Company is currently undertaking four projects: Naldhera (Shimla), Assanora (Goa), Ashtamudi (Kerala) and expansion at Kandaghat (Shimla), which are in different stages of planning and development.** Besides, it is also considering acquisition opportunities in different parts of the country. It is expected that these initiatives would eventually add around 700 units to the Company's inventory over the next few years.

Apart from this, the Company also has land bank at nine destinations across six states. Efforts are on to expand this further. Some of its existing resorts also have additional land that can be utilised for further expansion. This will provide the flexibility to build such destinations and add room inventory on an ongoing basis.

**Resort Operations**

Efficient resort operations are central to delivering a holiday experience that meets the expectations of the members. This encompasses three key areas: infrastructure and facilities, holiday activities, and food and beverage (F&B).

As a Company marketing long duration products and services, Mahindra Holidays ensures that quality of infrastructure and facilities are well maintained and upgraded regularly to meet customer expectations. During the year, investments were made to upgrade rooms and common areas across multiple locations. At the same time, focus was also on deploying sustainable and environment friendly technologies such as installation of compost machines and upgrading sewage treatment plants. Spa facilities, which are on offer in 26 resorts, saw introduction of new concepts, therapies and amenities during the year.

Holiday activities continue to be an important focus area. All resorts have activities built around the themes of learning, adventure, relaxation and local experiences, depending on the terrain and type of holiday the destination offers. New activities introduced during the year included cricket simulators, virtual golf and wall climbing. These, along with other activities such as archery and trampoline, will be extended to other resorts in the future. In another important initiative, the Company is upgrading soft-play areas for children across all its resorts. These measures will also contribute to greater resort revenues for the Company.

**With four of the Company's resorts upgraded to Gold Crown during 2015-16, it has a unique distinction of having 26 RCI Gold Crown and 2 Silver Crown resorts in India, which bears testimony to the high standards of resort facilities, amenities and services that its resorts offer. During the year, five resorts won the Platinum Award from RCI. In addition, the resort at Gangtok received the prestigious 'Best Resort (Hospitality)' award from Government of Sikkim.**

Several of your Company's resorts have received awards from Trip Advisor and Holiday IQ in various categories over the years. During the year, the resort in Coorg received '2016 Traveller's Choice Hotel Award' under the category 'Top Hotels for Families – both Asia and India'; resort in Munnar received '2016 Traveller's Choice Hotel Award' under the category 'Top Hotels for Families – India'; and resort in Thekkady received 'Holiday IQ Award' for 'Top Hotel Chain' and 'Top Excellent Services'.

In the area of food and beverage (F&B), efforts are continuously made to increase the variety and make the dining experience more exciting. During the year, the Company launched new dining concepts and restaurants. One new concept is the extension of 'Fun Dining' by bringing together dining with entertainment, music and games for the whole family in an exciting ambience. New restaurants included those featuring cuisines such as Italian, BBQ and Seafood. The Company also introduced 'live counters' and 'regional speciality menus' in selected resorts, besides carrying out unique food promotions. 'Gourmet Express', the Company's innovative in-room dining offering introduced during the previous year, was rolled-out in all its resorts and has been received well by the members.

**Ten of your Company's resorts have the NABCB Branch Hygiene Code (BHC) certification. This certification is awarded upon meeting prescribed standards of hygiene in all activities related to F&B — from procurement of raw materials to preparation and serving it to the customers.**

Mahindra Holidays has institutionalised 'post-holiday feedback' (PHF), which encompasses all key areas of resort operations. This serves as the measure of its success in delivering quality holiday experience to the members as well as identifying and addressing their concerns. **PHF scores have shown consistent improvement since the inception of the programme. During 2015-16, the overall PHF score stood at 4.2 compared to 4.1 in the previous year.**

#### Member Relations – Vacation Ownership

As an enterprise that markets what is essentially a long-duration discretionary product, member satisfaction is the key to Vacation Ownership business of the Company. During 2015-16, the Company took significant strides on its path towards excellence in member services. Deployment of technology based solutions has been an important element of its strategy, which continued to contribute tangible results.

Online services is one such area. During the year, the Company moved its website to an advanced architecture and added a host of features, which have been detailed further in the section on IT. **Consequently, the percentage of online bookings increased to 66 per cent in 2015-16, up from 52 per cent in the previous year. In absolute terms, online bookings increased by over 75,000 during the year.** Better online services have increased the transparency and efficiency of booking process, thereby contributing to a superior member experience. Reservation and payment related grievances also came down significantly.

Occupancy rate remained stable around 81 per cent. The Company also achieved significant success in member on-

boarding process, with the service level in making the first contact of nearly 100 percent. In addition, the Company reaches out proactively to assist new members in booking their first holiday.

The Company has institutionalised a feedback generation mechanism to continuously improve its internal processes. During 2015-16, there has been a steady increase in the loyalty scores based on feedback received through both the Company's internal feedback generation mechanisms as well as external surveys. **Customer-as-promoter score (CAPS), which is determined by IMRB, increased from 31 per cent in 2014-15 to 42 per cent in 2015-16.** At the same time, substantial increase in referrals from members and appreciation in social media are testimony to the improvement in member satisfaction levels.

#### Human Resources (HR)

Given the highly specialised nature of the Company's business and the large number of locations where it operates, attracting and nurturing the right talent is at the core of your Company's strategy for success and growth. Accordingly, the HR function at Mahindra Holidays is organised into three key areas: customer acquisition, resort operations and corporate functions.

During the year, focus was on building capabilities through a structured approach to drive the Company's performance. This encompassed implementing changes across all components of the HR function: recruitment, employee engagement, reward and recognition, skill upgrading, talent management, organisational culture and employee relations. Key developments are discussed below.

In the area of customer acquisition, the Company introduced 'I-ExCEL', a sales training workshop for front-line sales executive, which covered 100 percent of eligible employees, and a mentoring programme where around 80 managers underwent extensive training to build capability as mentors. Over 200 executives have subsequently been identified to be trained by these mentors.

In the area of resort operations, the Company introduced a comprehensive skills training and certification programme for all key functions: F&B, food preparation, front office and housekeeping. It also rolled-out a fast track programme for top performers, with the objective of grooming supervisory and managerial talent from within the organisation for new resorts. During the year, the Company also carried out a scientific benchmarking exercise to optimise and redeploy people across functions and resorts.

On the corporate and organisational development front, the Company regularly nominates executives to participate in development programmes and workshops to enhance their skills. During the year, customised workshops were prepared to align the employees with the culture and business goals of the organisation.

Apart from the specific programmes introduced during the year, the Company continues to provide induction and operational training to its employees. **During the year, the Company provided 30,000 man days and 35,000 man days of training in the areas of customer acquisition and resort operations respectively. Overall, each employee received an average**

**of 11.1 man days of training in 2015-16, up from 7.5 man days in the previous year.**

2015-16 was an important year where the Company transitioned to a new learning and development paradigm based on assessing and building competencies in a structured manner. Going forward, focus will be on institutionalising these initiatives across the organisation. As on March 31, 2016, there were 3,784 people on the rolls of the Company. Industrial and employee relations remained cordial throughout the year.

**Quality**

Mahindra Holidays has adopted the principles of Total Quality Management (TQM) under the banner of 'The Mahindra Way' (TMW) — the Mahindra Group's integrated approach to promote excellence in all spheres of its operations. The Company has successfully institutionalised quality systems in all critical business functions. During the year, the Company witnessed a focussed approach to TMW with participation from all functions and sections of employees. Some of the key developments during the year are discussed below.

One of the biggest achievements in the area of business excellence and quality during the year was the propagation of the Kaizen culture. In December 2015, the Company launched a Kaizen festival to sensitise employees on quality tools and techniques. Participation in the festival went beyond the customer facing functions — such as member relations (MR), resort operations and customer acquisition — and included finance, purchase, legal, marketing and HR. **As a result, the number of Kaizen projects increased over five-fold from 1,000 in 2014-15 to around 6,400 in 2015-16.** The Daily Work Management (DWM) and the plan-do-check-act (PDCA) cycle approach continue to help the MR function to reduce complaints and improve customer satisfaction. Also, resorts have been consistently able to retain and improve upon their PHF scores.

The skills of the Business Excellence (BE) team, which is responsible for in-house training and development of employees, was enhanced by conducting specialised program in quality tools such as 7QC. During the year, participants from MR function underwent training on the QC story methodology and have successfully completed improvement projects. Failure Mode and Effects Analysis (FMEA) tools continue to be utilised for proactive identification of gaps and implementation of suitable preventive actions.

The standardisation process by way of Standard Operating Procedures (SOPs) have already been actively deployed across the resorts. During the year, SOPs were created and adopted for two important support functions, viz. purchase and projects.

Audits are an integral part of process improvements. DWM and ISO audits are conducted regularly. With an increased focus on internal audits, the frequency and coverage has also increased significantly. During the year under review, the BE team had created a centralised dashboard for resorts, enabling access to hard data for preventive and corrective action. Several modules were added to the dashboard during the year, increasing its utilisation and efficacy. Overall, TMW practices are getting increasingly integrated in the business functions, and have started contributing to the Company's performance.

**Information Technology (IT)**

Mahindra Holidays believes that technology today plays an active role in providing a competitive edge in the market and contributes directly to meeting business goals. The Company has invested significant resources in upgrading its IT architecture and is benefiting in all key spheres of its operations — be it customer acquisition, resort operations, member relations or internal controls.

As mentioned earlier, online services continue to be a key focus area for the Company. During 2015-16, the Company launched an upgraded website on a cloud-based architecture, which increased availability, speed, and peak load handling capacity. For members, a host of features were added: online payments using NEFT and e-wallets, waitlisted bookings, online referral and exclusive online offers. From the point of view of prospects, the new website simplified the process of getting information about products and resorts as well as raising membership related enquiries with the Company. These measures have considerably increased online usage and operational efficiencies.

The Company also launched a micro-site for its new one-year product 'Xperience breaks', which allows customers to view and buy the product online. Seamless integration with the Company's payment gateway as well as the inventory and reservation engine has ensured that customers have a smooth experience while purchasing the product and in making reservations. As an exclusively online product, features were built into the website to enable channel partners to access information and increase the visibility of the product.

During the year, the Company made significant progress in its bid to integrate its CRM, Web and SAP-based systems — with the ultimate aim of having a unified view of the customer throughout his engagement with the Company. This will help in designing and implementing customer-centric processes, and improving the overall efficiency of operations. For instance, this integration has paved the way for the Company to develop a full-feature mobile app for its members, which is expected to be launched in 2016-17.

The previous year's report discussed initiatives in the area of business analytics. During 2015-16, the Company implemented advanced models to value and prioritise leads generated from its marketing efforts, referrals and digital channels. These have now been institutionalised in the customer acquisition function resulting in better targeting of effort, and have contributed significantly to sales performance. Another area where the IT infrastructure and analytical prowess has been put to use is the increase in coverage and quality of real-time MIS and dashboards. This has resulted in considerable strengthening of controls in areas of finance, procurement and material management.

**Corporate Social Responsibility (CSR)**

As a part of the Mahindra Group, the Company has been at the forefront of taking affirmative action and seeks to contribute to the socio-economic well-being of the communities that it interacts with in carrying out its business.

Apart from working with NGOs, foundations and trusts, and contributing resources for socially relevant projects, the

Company also encourage community service by its employees by involving them through its 'Employee Social Options Programme'. **During the year, 1,682 employees volunteered 9,987 man hours on CSR initiatives. Overall, the Company carried out around 200 different initiatives, which directly benefitted over 18,000 people during the year.**

Some of the key CSR initiatives undertaken by the Company during 2015-16 are mentioned below:

- **Education, Skill Development and Livelihood:** The Company sponsored the education of 4,531 girls through the 'Nanhi Kali' project. In another major initiative to promote education called 'Gyandeept', 44 projects involving provisioning and upgrading of infrastructure and amenities at government schools were carried out across multiple locations. As a part of 'Hunnar', vocational skill training was carried out at eight locations. Another important initiative of the Company is supporting skill development and generating livelihood opportunities through self-help groups (SHGs). During the year, it supported four SHGs of women across three resort locations in areas such as poultry, fish and goat farming.
- **Environment:** 31,000 trees were planted across 33 locations during the year as a part of 'Mahindra Hariyali' — an initiative of Mahindra Group for tree plantation — taking the total trees planted to 249,468 since the beginning of the project in 2010-11. Initiatives under the aegis of 'Swachh Bharat Abhiyaan' included building of 16 toilets in three schools, cleanliness drives across several resort locations and distribution of 600 dustbins in the vicinity of its resort in Mahabaleshwar, in collaboration with the Municipal Council. In other important projects, 50 solar lights were installed in a village near Kanha and a sparrow conservation initiative was carried out in nine villages around Munnar.
- **Health and Community Welfare:** The Company regularly carries out blood donation and medical check-up camps, awareness sessions in the areas of health, natural remedies, and HIV/AIDS to benefit the local communities in which it operates. During the Chennai floods, the Company, in its first response, provided eight metric tonnes of relief material to 269 families; school bags and stationery were also provided to 108 students. It also adopted four hamlets and disbursed relief material to another 329 families in collaboration with NGOs. In other initiatives during the year, the Company supported palliative care in Mumbai and Poovar, and organised road safety campaigns.

## Sustainability

Sustainable development aims at achieving economic growth and improvement in well-being while preserving the natural resources and ecosystem for future generations. As a part of the Mahindra Group ('the Group'), the Company recognises the importance of sustainability, and is committed to conserve the ecological integrity of its locations through responsible business practices, accountability and transparency.

During the year, the Group's Sustainability Apex Council set the following long term goals for sustainability:

- Carbon neutral by 2030
- Water secure by 2030
- Zero waste by 2030
- EP 100 – double energy productivity by 2030
- RE 100 – increase renewable energy by 100 per cent by 2030

Mahindra Holidays' initiatives in this area are carried out in line with these long term objectives. Accordingly, the Company has set a roadmap that identifies the key areas of focus and parameters that are monitored to measure progress in its sustainability journey. The Company believe that practicing sustainable development makes good business sense and it considers the impact of its actions in making business decisions, thereby demonstrating its commitment to the global sustainable development effort.

Some of the key areas that have been identified for implementing sustainable practices include carbon footprint measurement, conservation of biodiversity and assessment, environment, energy and water, sourcing and community development. During the year, a number of activities were carried out across resort locations. These include use of solar power; environment-friendly energy and water saving equipment; timers and motion sensors for lighting of common areas and other loads where continuous power is not required; eco-friendly bio-block sewage treatment plants and organic waste compost machine for wet garbage process. Across the Company's resorts, all CFLs are being replaced by LED lamps.

Other than these, awareness drives were conducted for the employees and members at resorts about climate change, environment and biodiversity. Training programmes for segregation of waste were successfully implemented at several resort locations. Holidaying members also participated in various activities aimed at generating awareness on water scarcity and pollution.

The Company actively participates in the Mahindra Group's journey for Corporate Sustainability Reporting. The 'Sustainability Report' of the Group is prepared in accordance with the internationally accepted framework specified by the Global Reporting Initiative (GRI). This framework sets out the principles and indicators that should be used to measure and report economic, environmental, and social performance. During 2015-16, the number of resorts that participated in sustainability reporting of the Group increased from 7 to 14.

Here are the key highlights of the financial performance of the Company:

### Standalone Financial Results

The standalone results for 2015-16 include the financial performance of three (erstwhile) wholly owned subsidiary companies, which got amalgamated with the Company with effect from March 31, 2016, with an appointed date from April 1, 2015. These are: Competent Hotels Private Limited, Divine Heritage Hotels Private Limited and Holiday on Hills Resorts Private Limited.

- Total standalone income, which includes both operating and other income, grew by 19.2 per cent from ₹ 80,756 lakh in 2014-15 to ₹ 96,261 lakh in 2015-16. Income from sale of vacation ownership products, which is the largest component of the Company's operating income, grew at 21.4 per cent to ₹ 53,911 lakh. Resort income, which includes revenues from F&B, resort activities and rooms, grew at 31 per cent to ₹ 17,273 lakh.
- Total expenditure for the standalone entity grew by 16.1 per cent from ₹ 68,072 lakh in 2014-15 to ₹ 79,052 lakh in 2015-16. Employee and Sales & Marketing expenses, which account for around half of the Company's expenditure, grew at 18.5 per cent from ₹ 33,661 lakh in 2014-15 to ₹ 39,894 lakh in 2015-16. Financial expenses remained negligible. Depreciation grew by 9.1 per cent from ₹ 6,541 lakh in 2014-15 to ₹ 7,133 lakh in 2015-16.

- The Company registered a substantially higher profitability during the year. Profit before Taxes (PBT) for the standalone entity, even before considering the exceptional item in the previous year, grew at 35.7 per cent from ₹ 12,684 lakh in 2014-15 to ₹ 17,209 lakh in 2015-16. Profit after Taxes (PAT) of the standalone entity increased from ₹ 7,902 lakh in 2014-15 to ₹ 11,735 lakh in 2015-16 — representing an increase of 48.5 per cent over the previous year. Accordingly, diluted EPS for the standalone entity increased from ₹ 8.98 in 2014-15 to ₹ 13.29 in 2015-16.
- The liquidity situation of the Company remained comfortable during the year and the Company has no long-term debt.

### Consolidated Financial Position

As on March 31, 2016, for the purpose of consolidated financial results of the Company, 41 Subsidiaries, 1 Joint Venture and 4 Associates were considered. This includes results of Holiday Club Resorts Oy, Finland (HCR) with effect from September 2015, which became a subsidiary after the acquisition of a majority stake by the Company through its subsidiary Covington S.à.r.l, Luxembourg. Prior to this, HCR was an Associate of the Company and the Share of Profit of Associate pertaining to HCR is for the period before September 2015.

As a consolidated entity, your Company's total income (including other income) stood at ₹ 1,60,382 lakh in 2015-16. During the year, the consolidated PAT was ₹ 9,906 lakh and the Diluted EPS was ₹ 11.22.

### Internal Controls

The Company has an adequate internal control system, commensurate with the size and nature of its business. The system is supported by documented policies, guidelines and procedures to monitor business and operational performance which are aimed at ensuring business integrity and promoting operational efficiency. During the year under review, the Company engaged a reputed firm specialising in implementation of internal controls to test the effectiveness of existing controls (both manual and system-based) and to fix any issues related to financial reporting and key non-financial processes.

The Company has an Internal Auditor who oversees the entire internal audit function. However, given the size of its operations in terms of number of resort locations and nature of its business, it also uses services of independent audit firms to conduct periodic internal audits in line with an audit plan that is drawn at the beginning of the year. This audit plan, prepared by the Internal Auditor, is approved by the Audit Committee and the Board of Directors. The scope of the exercise includes ensuring adequacy of internal control systems, adherence to management policies and compliance with the laws and regulations of the country. The Internal Auditor also reports on the implementation of the audit recommendations.

The Company's ERP system has appropriate controls embedded in its processes and systems to reduce the need and reliance for compensating manual controls. These have also been strengthened from time to time, and the

standardisation has been a significant source of comfort given the number of locations in which the Company operates.

Internal audit reports are placed periodically before the Audit Committee of the Board of Directors, which reviews the adequacy and effectiveness of the internal control systems and suggests improvements for strengthening them.

### **Threats, Risks and Concerns**

Mahindra Holidays' risk management framework consists of identification of risks, assessment of their nature, severity and potential impact, and measures to mitigate them. This framework is in place for adequate and timely reporting and monitoring. Risks are reviewed periodically and updated to reflect the business environment and change in the size and scope of the Company's operations.

#### **Economic Risks**

Although the macroeconomic situation appears to be stable, cyclical downturns may continue to resurface in the future. Besides, even with the current environment of stable growth and benign inflation, interest rates continue to be relatively high. As a result, consumer confidence to commit resources continue to be relatively weak. As a material portion of the Company's revenue comes from discretionary spending of consumers, this can adversely impact the Company's ability to generate sales and affect its growth prospects.

The Company recognises these risks and has measures in place to mitigate the impact of adverse macroeconomic situation. This includes focusing on pull-based strategy for customer acquisition through referrals and targeted digital marketing, which allows it to reach the right segments and at the same time ensures higher conversion to sales. The Company is also in the process of ramping up its international marketing network to increase their contribution to the sales mix. Another initiative taken during the year was introduction of a one year product 'Xperience Breaks', which allows the Company to reach out to younger prospects who are not ready to commit themselves for the longer duration offerings.

#### **Operational Risks**

Operational risks mainly relate to meeting customer expectations in terms of quality of service and maintaining a balance between the inventory of resorts and growth of customers. These assume significance given the long service duration of the key products. As there are multiple choices, both in terms of location and dates, there could be occasions where the first choice of holiday requested by the customers may not be available, which may result in dissatisfaction. Another operational risk is in the ability to consistently attract, retain and motivate managerial talent and other skilled personnel, especially in a high growth industry with unique characteristics. Further, some of the Company's resorts are located in remote areas and natural calamities such as earthquake, flood, landslide etc. may affect the accessibility of the resort to members as well as online connectivity.

The Company has invested significant resources in systems and processes to mitigate these risks. Customer satisfaction continues to be favourable and on an upward trend.

Regarding room inventory, the Company will continue to be judicious in the use of different options — greenfield projects, expanding inventory at existing locations, lease and inventory arrangements — to meet the expectations of its customers and at the same time maintain a balance between demand and supply. Regarding talent management and retention, the management believes that its HR practices enhance employee engagement and satisfaction to effectively mitigate this risk.

#### **Financial Risks**

The Company's business involves significant investments in building resorts for its operations. These expose it to risks in terms of timely and adequate availability of funds at competitive rates to finance its growth. Besides, the Company offers its customers schemes to finance the purchase of the vacation ownership and similar products, which exposes it to credit risks. Another financial risk that the Company is exposed to is potential non-payment or delayed payment of membership instalments and/or the annual subscription fee by members resulting in higher outstanding receivables.

Currently, Mahindra Holidays has no long-term debt on a standalone basis, and has a strong and stable capital structure to raise money for further expansion, if needed. The Company undertakes comprehensive assessment of the profile of its customers and carefully monitors its exposure to credit risk. Besides, several improvements in control and monitoring mechanisms have been made to reduce risks of potential leakages and aid the management in this process.

#### **Regulatory and Legal Risks**

Mahindra Holidays is exposed to regulatory and legal risks. These include cumbersome processes and risks relating to land acquisition, conversion of land for commercial usage and development of properties, environmental clearances, approvals and activities related to development of new resorts. There are also other regulatory and legal risks pertaining to tax proceedings, legal proceedings on properties, customer complaints, non-compliance of regulations including environmental regulations and those pertaining to the hospitality sector. Further, as the Company has investments and operations in different countries, it is also exposed to political and regulatory risks that emanate from its international presence.

The Company has systems and controls in place to mitigate these risks and minimise instances of non-compliance. It also believes that its proactive stance on sustainability will hold it in good stead for future development and growth.

#### **Outlook**

Mahindra Holidays performed creditably in 2015-16. The Company's strategy to generate more pull-based business and efficiencies in execution has been instrumental in delivering superior performance during the year, even as the Company faced headwinds in the form of low consumer disposition towards high-value discretionary spends.

At a fundamental level, the Company believes that penetration of vacation ownership in India is low and there is considerable room for growth. Consistent improvements in member satisfaction and ability to deliver family-friendly experiences on

a larger scale have validated the Company's investments in technology and processes, and at the same time improved its competitive positioning in the leisure travel industry.

The Company's wide presence with 45 resorts offering a variety of experiences for its members provides it with an unmatched opportunity in the vacation ownership business in India. Four of its greenfield projects currently under execution are on schedule and expected to add another 500 units over the next few years.

Equally, the acquisition of HCR opens up growth opportunities in Europe and Middle East besides allowing 'Club Mahindra' members to visit HCR's resorts in Europe. Improvement in the macroeconomic performance expected in 2016-17, is likely to provide a further boost to the Company's prospects. All of these should augur well for the Company's performance in the future.

### **Cautionary Statement**

*Certain statements in the Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectations or predictions may be "forward-looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ from those expressed or implied. Important factors that could make a difference to the Company's operations include poor macroeconomic growth and consumer confidence, inability to add resorts and increase the inventory of room, cyclical demand and pricing in the Company's principal markets, changes in tastes and preferences, government regulations, tax regimes, economic development within India and the countries in which the Company conduct its business and other incidental factors.*

The Committee met four times during the year under review on: May 18, 2015, July 28, 2015, October 27, 2015 and January 22, 2016. All the members of the Committee attended all the meetings, except Mr. Vineet Nayyar and Mr. Rohit Khattar who have attended one meeting held during 2015-16.

#### **Performance Evaluation of the Board**

The Act and SEBI Listing Regulations stipulate the performance evaluation of the Directors including Chairperson, Board and its Committees. Considering the said provisions, the Company has devised the process and the criteria for the performance evaluation which had been recommended by the Nomination and Remuneration Committee and approved by the Board.

The performance of the Board, its committees and of every Director was evaluated by the Board and Nomination and Remuneration Committee based on a structured questionnaire duly prepared and circulated amongst the Directors, covering various aspects of the evaluation such as adequacy of the size and composition of the Board and Committee thereof with regard to skill, experience, independence, diversity, attendance and adequacy of time given by the Directors to discharge their duties, preparedness on the issues to be discussed, meaningful and constructive contributions, inputs in the meetings, Corporate Governance practices etc. Evaluation of Independent Directors was also carried out by the entire Board of Directors, excluding the Director being evaluated. The Nomination and Remuneration Committee expressed their satisfaction with the evaluation process.

#### **Remuneration to Directors**

##### **Remuneration Policy**

The Company has formulated a policy on remuneration of Directors and Senior Management Employees. While deciding on the remuneration for Directors, the Board and the Nomination and Remuneration Committee consider the performance of the Company, the current trends in the industry, the qualifications of the appointee(s), their experience, past performance and other relevant factors. The Board and the Nomination and Remuneration Committee regularly track the market trends in terms of compensation levels and practices in relevant industries through participation in structured surveys. This information is used to review the Company's remuneration policies.

The Company's Remuneration Policy for Directors, Key Managerial Personnel and other employees is annexed and forms part of this Annual Report.

The Company's remuneration policy is directed towards rewarding performance based on review of achievements periodically. The remuneration policy is in consonance with the existing industry practice.

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MAHINDRA HOLIDAYS & RESORTS INDIA LIMITED

### Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **Mahindra Holidays & Resorts India Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under section 133 of the Act, as applicable.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under section 143(11) of the Act.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements

give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016, its profit and its cash flows for the year ended on that date.

### Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards prescribed under section 133 of the Act, as applicable.
  - (e) On the basis of the written representations received from the directors as on March 31, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
  - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
    - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
    - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

## ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

### Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Mahindra Holidays & Resorts India Limited (“the Company”) as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing whether a risk material weakness exists, testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

### 1. Corporate Information

The Company was incorporated on September 20, 1996, and is in the business of selling vacation ownership and providing holiday facilities.

### 2. Significant Accounting Policies

#### (i) Basis for preparation of financial statements:

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

#### (ii) Use of estimates:

The preparation of financial statements in conformity with Indian GAAP requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the years in which the results are known/materialise.

#### (iii) Inventories:

Inventories are carried at lower of cost and net realisable value. Cost is determined on First-in-First-out basis. Cost includes the purchase price, non refundable taxes and delivery handling cost. Net realisable value is determined at the expected selling price less cost of sales.

#### (iv) Cash and cash equivalents:

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

#### (v) Cash flow statements:

Cash flows are reported using the indirect method, whereby profit before extra-ordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flow from operating, investing and financing activities of the Company are segregated based on the available information.

#### (vi) Depreciation and amortisation:

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.

- Leasehold land and buildings are amortised over the period of lease.
- Floating cottages grouped under building are depreciated over the useful life of 25 years.
- Furniture and Fixtures in 'Club Mahindra Holiday World' are amortised over a period of 36 months.
- Motor vehicles/other assets provided to employees are depreciated over a period of 48/60 months respectively.
- Assets individually costing less than ₹ 5000 each are fully depreciated in the year of capitalisation.

#### Intangible assets:

- Expenditure incurred towards software is amortised over a period of 36 months.

The estimated useful life of the intangible assets and the amortisation period are reviewed at the end of the each financial year and the amortisation method is revised to reflect the changed pattern, if any.

#### (vii) Revenue recognition:

- The Company's business is to sell Vacation ownership and provide holiday facilities to members for a specified period each year, over a number of years, for which membership fee is collected either in full upfront, or on a deferred payment basis. Admission fee, which is non-refundable, is recognized as income on admission of a member. Entitlement fee (disclosed under Deferred income – Entitlement fee), which entitles the vacation ownership members for the vacation ownership facilities is recognized as income equally over the tenure of membership (33 years / 25 years / 10 years or any other tenure applicable to the respective member), commencing from the year of admission of each member. Requests for cancellation of membership are accounted for when it is accepted by the Company. In respect of installments considered doubtful of recovery by the management, the membership is treated as cancelled and related revenues are de-recognised.
- Annual subscription fee dues from members are recognised as income over the period of subscription as per terms agreed with the members. Subscription pertaining to the period beyond the date of the Balance Sheet is grouped under Deferred Income- Annual subscription fee.
- Interest on installment sales is recognised as income on an accrual basis.
- Income from resorts includes income from room rentals, food and beverages, etc. and is recognised when services are rendered.
- Securitised assets are derecognised as the contractual rights therein are transferred to the third party. On being derecognised, the excess of consideration received over the principal amounts of receivable from members (net of reversals in respect of cancelled members) is recognised as income from Securitisation.
- Income from travel services includes commission on tickets/ hotel booking, service charges from customers, etc. and is recognised when services are rendered.

#### (viii) Other Income:

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive it is established.

#### (ix) Fixed assets – Tangible and intangible:

Fixed assets are carried at cost less accumulated depreciation/ amortisation and impairment losses, if any. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use. Subsequent expenditure on fixed assets after its purchase / completion is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

#### Capital work-in-progress:

Projects under which tangible fixed assets are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest. Revenue expenses incurred in connection with construction of resorts insofar as such expenses relate to the period prior to the date the resort is put to use are treated as part of project cost and capitalised.

**(x) Foreign currency transactions and translations:**

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction. Exchange differences arising on settlement/restatement of foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss. Foreign currency monetary items of the Company, outstanding at the balance sheet date are restated at the year-end rates. Non-monetary items of the Company are carried at historical cost.

**(xi) Investments:**

Long-term investments are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties.

**(xii) Employee benefits:**

Employee benefits include provident fund, superannuation fund, employee state insurance scheme, gratuity fund and compensated absences.

Defined contribution plans:

The Company's contribution to provident fund, superannuation fund and employee state insurance scheme are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

Defined benefit plans:

For defined benefit plans in the form of gratuity fund, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

Short-term employee benefits:

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

The cost of short-term compensated absences is accounted as under:

- (a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (b) in case of non-accumulating compensated absences, when the absences occur.

Long-term employee benefits:

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the balance sheet date.

Employee Stock Option Scheme:

The compensation cost of stock option granted to employees is measured by Intrinsic Value method, which is the excess of market price of the underlying equity shares as of the date of grant over the exercise price of the option. This is recognised and amortised on straight line basis over the vesting period.

**(xiii) Borrowing Cost:**

Borrowing cost that are attributable to the acquisition, construction or production of qualifying asset are capitalised as part of cost of such asset till such time as the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognised as expenses in the period in which they are incurred.

**(xiv) Segment reporting:**

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure.

**(xv) Leases:**

Assets leased by the Company in its capacity as a lessee, where substantially all the risks and rewards of ownership vest in the Company are classified as finance leases. Such leases are capitalised at the inception of the lease at the lower of the fair value and the present value of the minimum lease payments and a liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each year.

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals under operating leases are recognised in the Statement of Profit and Loss on a straight-line basis over the lease term.

**(xvi) Earnings per share:**

Basic earnings per share is computed by dividing the profit after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits/reverse share splits and bonus shares, as appropriate.

**(xvii) Taxes on income:**

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses and items relating to capital losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet

date for their realisability. Current and deferred tax relating to items directly recognised in reserves are recognised in reserves and not in the Statement of Profit and Loss.

**(xviii) Impairment of assets:**

The carrying values of assets/cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists. If the carrying amount of the assets exceed the estimated recoverable amount, an impairment is recognised for such excess amount. The impairment loss is recognised as an expense in the Statement of Profit and Loss.

The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss.

**(xix) Provision and contingencies:**

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to

settle the obligation at the Balance sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent Liabilities are disclosed in the notes.

**(xx) Share issue expenses:**

Share issue expenses are adjusted against the Securities Premium Account as permissible under Section 52 of the Companies Act, 2013, to the extent any balance is available for utilisation in the Securities Premium Account. Share issue expenses in excess of the balance in the Securities Premium Account is expensed in the Statement of Profit and Loss.

**(xxi) Insurance claims:**

Insurance claims are accounted for on the basis of claims admitted/expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

**(xxii) Service tax input credit:**

Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is reasonable certainty in availing/utilising the credits.

**(xxiii) Operating cycle:**

Based on the nature of services/activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

# Out of the above 90,000 shares has been issued out of lapsed options.

## Out of the above 86,500 shares has been issued out of lapsed options.

- v) In accordance with the Guidance Note issued by the Institute of Chartered Accountants of India, the shares allotted to ESOP Trust including bonus shares but not exercised by the employees have been reduced from the share capital by ₹ 7,224,380 (previous year ₹ 7,546,050) and securities premium account reduced by ₹ 136,136,140 (previous year 145,180,792). The said shares will be added to the issued share capital as and when ESOP Trust issues the shares to the concerned persons on their exercising the option and till such shares are issued the amount received from ESOP Trust is disclosed under “other current liabilities”.
- vi) The Company has adopted the intrinsic value method in accounting for employee cost on account of ESOS for Grant I (ESOS 2006), Grant II (ESOS 2006), Grant III (ESOS 2006) and Grant V (ESOS 2006) and for all the other grants, the fair value method has been adopted. The intrinsic value of the shares granted under Grant I (ESOS 2006), Grant II (ESOS 2006), Grant III (ESOS 2006) and Grant V (ESOS 2006) based on the valuations obtained from an independent valuer is ₹ 16 per equity share as on 31st March, 2006, ₹ 52 per equity share as on 1st January, 2007, 31st August, 2008 and 1st November 2008, based on the Discounted Cash Flow Method. The fair value of the shares granted under Grant VI (ESOS 2006), Grant VII (ESOS 2006), Grant VIII (ESOS 2006), Grant IX (ESOS 2006)

and Grant III (ESOS 2014) based on the fair value market price is ₹ 370, ₹ 323, ₹ 323, ₹ 253 and ₹ 370 per share respectively. As the difference between the intrinsic value/fair value and the exercise price per share is ₹ Nil, no employee compensation cost has been charged.

vii) In respect of the options granted under the Grant I (ESOS 2014) and Grant II (ESOS 2014) of Employee Stock Option Plan, in accordance with guidelines issued by SEBI, the accounting value of the options is accounted as deferred employee compensation, which is amortised on a straight line basis over the period between the date of grant of options and the date of vesting. Consequently, employee compensation cost include ₹ 1,745,456 (previous year ₹ 238,374) being the amortisation of deferred employee compensation.

viii) Fair Value of options based on Black Scholes option pricing model:

(a) The fair value of options based on the valuation of the independent valuer for Grant I (ESOS 2006), Grant II (ESOS 2006), Grant III (ESOS 2006) and Grant V (ESOS 2006) as of the respective dates of grant i.e. 15th July 2006, 30th March 2007, 1st November 2007 and 1st November 2008 is ₹ 4.28, ₹ 16.36, ₹ 16.55 and ₹ 16.04 respectively.

(b) The fair value of options based on the valuation of the independent valuer as of the respective dates of grant i.e. 21st February 2012 is ₹ 113.81 for Grant VI (ESOS 2006), ₹ 129.93 for Grant VII (ESOS 2006), 21st February 2013 is ₹ 94.43 for Grant VIII (ESOS 2006), 29th January 2014 is ₹ 83.75 for Grant IX (ESOS 2006), 22nd January 2015 is ₹ 97.24 for Grant I (ESOS 2014), 27th October 2015 is ₹ 158.85 for Grant II (ESOS 2014), 18th February 2016 is ₹ 126.91 for Grant III (ESOS 2014).

(c) Had the Company adopted the fair value method in respect of options granted, the total amount that would have been amortised over the vesting period is ₹ 118,351,450 and the impact on the financial statements would be:

(D) Other matters under appeal:

(i) Property Related:

- (a) The Government of Kerala through the Sub Collector, District of Devikulam issued an Order dated July 3, 2007 cancelling the assignment of land underlying the Munnar resort and directed repossession of land on the ground that it is agricultural land and cannot be used for commercial purposes. The Company has filed an appeal before the Commissioner of Land Revenue, Trivandrum against the said Order stating that the Patta issued does not specify that the land should be used only for agricultural purpose. The Commissioner of Land Revenue, Trivandrum vide his Order dated November 22, 2007 dismissed the appeal filed by the Company and cancelled the assignment of land underlying the Munnar Resort and further directed repossession of land on the ground that it is agricultural land and cannot be used

for commercial purposes. The Company has filed a writ petition before the Kerala High Court against the said Order and on December 13, 2007, the Court granted an interim stay of all further proceedings.

- (b) With respect to the land underlying the resort at Tungli:

The Collector Pune, vide his order, has cancelled the Non-Agricultural ("NA") status of the land. Against this order, the Company has filed an appeal before the Additional Divisional Commissioner (ADC), Pune challenging the cancellation of the NA status of the land. The matter is pending for orders. The Company has also filed a Civil Suit at Civil Court, Pune against the State of Maharashtra and others, inter alia, seeking declaration that the proceedings and orders in respect of the cancellation of the NA status of the land underlying the resort property at Lonavala are not enforceable and sought other reliefs. An ad-interim stay has been granted against the State of Maharashtra and the Collector, Pune, not to give effect to the orders of NA cancellation and the matter is pending for further hearing;

In respect of certain claims of a neighboring property owner, the Company has filed a suit in the Civil Court, Pune seeking inter-alia permanent injunction against him disturbing the possession of the Company's resort property at Lonavala, Maharashtra and obtained an ad-interim stay. In another development, notwithstanding these proceedings, the neighboring property owner obtained an order from the local Mamlatdar's Court for alleged access to his property through the resort property. The Company obtained a stay against the said order of the Mamlatdar. All matters with respect to the neighboring property owner are currently pending before the Civil Court, Pune.

- (c) Pursuant to a "public interest litigation" filed before the Gujarat High Court, the officials of the Forest and Revenue departments undertook an inspection of all resorts (including the Company's resort) at Gir in March 2015. Consequently, the Forest Department has alleged certain irregularities and sealed some structures/rooms in April 2015. The Company has denied the alleged violations and made its representations before a Committee constituted by the Gujarat High Court and the matter is pending hearing.

None of the matters contained in (a) to (c) above affect the routine operations of the resorts.

(ii) Others:

- (a) The Company had engaged a building contractor for construction of a resort. As the construction did not proceed as per agreed timelines the Company terminated the contract. The contractor has claimed ₹ 125,614,668 as damages for termination of the Contract. The Company has made a counter claim of ₹ 200,356,002 towards liquidated damages and other losses. The matter is pending before the Arbitrator.
- (b) The Regional Provident Fund Commissioner, Chennai had issued Summons initiating proceedings under Section 7A of the Employees Provident Fund Act for failing to remit contributions on allowances relating to employees for the period from March 2011 to Feb 2013 in respect of Indian employees and from April 2010 to Feb 2013 in respect of international employees. The PF Authorities have made a claim of ₹ 18,993,169. The Company has filed a Writ Petition No. 2408/2014 before the Madras High Court and the Court has granted an Interim stay of the above proceedings.
- (c) With respect to member complaints pending before various consumer fora and other matters: Estimated amount of claims ₹ 94,901,717/- (previous year: ₹ 82,650,033/-).

## AUDITOR'S REPORT

To the Annual General Meeting of HCR Management Oy

I have audited the accounting records, the financial statements, the report of the Board of Directors, and the administration of HCR Management Oy for the financial period 1.10.2015-31.3.2016. The financial statements comprise of the balance sheet, the income statement, the cash flow statement and notes to the financial statements

### Responsibility of the Board of Directors and the Managing Directors

The Board of Directors and the Managing Director are responsible for the preparation of financial statements and report of the Board of Directors that give a true and fair view in accordance with the laws and regulations governing the preparation of the financial statements and the report of the Board of Directors in Finland. The Board of Directors is responsible for the appropriate arrangement of the control of the company's accounts and finances, and the Managing Director shall see to it that the accounts of the company are in compliance with the law and that its financial affairs have been arranged in a reliable manner.

### Auditor's responsibility

My responsibility is to express an opinion on the financial statements and on the report of the Board of Directors based on my audit. The Auditing Act requires that I comply with the requirements of professional ethics. I conducted my audit in accordance with good auditing practice in Finland. Good auditing practice requires that I plan and perform the audit to obtain reasonable assurance about whether the financial statements and the report of the Board of Directors are free from material misstatement, and whether the members of the Board of Directors or the Managing Director are guilty of an act or negligence which may result in a liability in damages towards the company or have violated the Limited Liability Companies Act or the articles of association of the company.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements and the report of the Board of Directors. The procedures selected depend on the auditor's judgement, including the assessment of the risk of material misstatement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements and the report of the Board of Directors that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements and the report of the Board of Directors.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### Opinion

In my opinion, the financial statements and the report of the Board of Directors give a true and fair view of the financial performance and financial position of the company in accordance with laws and regulations governing the preparation of the financial statements and the report of Board of Directors in Finland. The information in the report of the Board of Directors is consistent with the information in the financial statements.

### Financial Highlights

The results for the financial period and financial position of the Group are as shown in the annexed Financial Statements.

During the period under review (1.10.2014-31.3.2016) the Group has earned a revenue of Euro 183.4 million (INR 13,749,498,000) and made a loss of Euro -7.2 million (INR -539,784,000). The parent company revenue for the same period was Euro 151.4 million (INR 11,350,458,000) and loss Euro -3.7 million (INR -277,389,000).

As part of its yearly processes the management conducted an assessment of assets, liabilities and financial items appearing on the balance sheet. This assessment was advanced to take effect on August 31, 2015 prior to the transfer of shares and consequent change of control of the Company to a single majority shareholder in September 2015. Based on this work a write off consisting Euro 3.6 million (INR 269,892,000) from the inventory and receivables and Euro 5.3 million (INR 397,341,000) from fixed assets and financial items was done.

### Dividends

The parent company's assets eligible for distribution are Euro 42,915,179.38 (INR 3,217,350,998.12). The parent's company's assets for profit distribution are Euro 3,520,004.74 (INR 263,894,755.36) of which loss for the financial period Euro -3,707,700.12 (INR -277,966,278.00) and retained earnings Euro 7,227,704.86 (INR 541,861,033.35).

The Board proposes to the Annual General Meeting that the assets eligible for profit distribution be appropriated as follows:

0.30 Euro/share, distributed as dividends	950,532.60	Euro
Retained in equity	2,569,472.14	Euro
	3,520,004.74	Euro

22.49 INR/share, distributed as dividends	71,261,429.02	INR
Retained in equity	192,633,326.34	INR
	263,894,755.36	INR

The financial standing of the company has not changed significantly after the end of the financial year. The company's liquidity is good and, according to Board, the proposed distribution of profit does not jeopardize the company's solvency.

## AUDITOR'S REPORT

To the Annual General Meeting of Holiday Club Resorts Oy

I have audited the accounting records, the financial statements, the report of the Board of Directors, and the administration of Holiday Club Resorts Oy for the financial period 1.10.2014-31.3.2016. The financial statements comprise consolidated balance sheet, the income statement, the cash flow statement and notes to the financial statements, as well the parent company's balance sheet, income statement, cash flow statement and notes to the financial statements.

### **Responsibility of the Board of Directors and the Managing Directors**

The Board of Directors and the Managing Director are responsible for the preparation of financial statements and report of the Board of Directors that give a true and fair view in accordance with the laws and regulations governing the preparation of the financial statements and the report of the Board of Directors in Finland. The Board of Directors is responsible for the appropriate arrangement of the control of the company's accounts and finances, and the Managing Director shall see to it that the accounts of the company are in compliance with the law and that its financial affairs have been arranged in a reliable manner.

### **Auditor's responsibility**

My responsibility is to express an opinion on the financial statements, on the consolidated financial statements and on the report of the Board of Directors based on my audit. The Auditing Act requires that I comply with the requirements of professional ethics. I conducted my audit in accordance with good auditing practice in Finland. Good auditing practice requires that I plan and perform the audit to obtain reasonable assurance about whether the financial statements and the report of the Board of Directors are free from material misstatement, and whether the members of the Board of Directors of the parent company or the Managing Director are guilty of an act or negligence which may result in a liability in damages towards the company or have violated the Limited Liability Companies Act or the articles of association of the company.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements and the report of the Board of Directors. The procedures selected depend on the auditor's judgement, including the assessment of the risk of material misstatement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements and the report of the Board of Directors that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements and the report of the Board of Directors.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### **Opinion**

In my opinion, the financial statements and the report of the Board of Directors give a true and fair view of both the consolidated and parent company's financial performance and financial position of the company in accordance with laws and regulations governing the preparation of the financial statements and the report of Board of Directors in Finland. The information in the report of the Board of Directors is consistent with the information in the financial statements.

## ACCOUNTING PRINCIPLES FOR THE CONSOLIDATED FINANCIAL STATEMENTS

### Basic information

Holiday Club Resorts Oy offers leisure and travel services by selling and renting timeshare weeks and Villas apartments, The group also operates in the Spa hotel business in Finland and in Sweden. Group has activities in four countries.

Holiday Club Resorts Oy is a parent company for the Group, having its registered domicile in Helsinki at Hitsaajankatu 22, 00810 Helsinki.

Holiday Club Resorts Oy is a subsidiary of Covington The Company's registered domicile is in Luxembourg.

Covington S.a.r.l owns 85.6% of the company's shares (4.2% of ownership coming through HCR Management Oy). Covington S.a.r.l is a subsidiary of MHR Holdings (Mauritius) Limited and in turn Mahindra Holidays & Resorts India Limited (domicile in India) and in turn subsidiary of the ultimate holding company Mahindra & Mahindra Limited (domicile in India).

### Accounting principles for the consolidated financial statements

The group's financial statements have been prepared in accordance with the Finnish accounting act and ordinance and other statutes regulating the preparation of financial statements (Finnish Accounting Standards, FAS). The estimates and assumptions made during the preparation of financial statements are based on the latest and on the best knowledge available at the time.

### Comparability of the previous financial year

The group's financial statements are presented for the extended 18 months financial period 1.10.2014-31.3.2016. Comparative financial year is for 12 months 1.10.2013-30.9.2014. As a result, proceeding accounting periods are not comparable with regard to the income statement.

### Consolidation principles

#### Intra company ownership

Subsidiaries are consolidated using the acquisition method. The subsidiaries' acquisition cost and the corresponding share of the difference in shareholder's equity has been allocated partly to fixed assets, partially presented as goodwill and as group reserve. The acquired subsidiaries are consolidated from the moment the control has been obtained and divested subsidiaries until the day that the control has ceased to exist.

The consolidated financial statements include the parent company, Holiday Club Resorts Oy and all the subsidiaries in which it holds, directly or indirectly, over 50% of the voting rights or over which it otherwise has control. This does not include timeshare and Villas apartment companies as they are represented in the current assets. Also, according to the Finnish Accounting Act's chapter six, companies which do not have a material impact on the group's result and financial position, have been left out of the consolidated financial statements.

Intra-group transactions, unrealized internal margin, receivables, liabilities and dividends between group companies are eliminated in consolidation.

The subsidiaries' financial statements are prepared in correspondence of the accounting principles used by the group.

#### Associated companies

Associated companies are consolidated using the one-line consolidation method in accordance with the instructions of the Finnish Accounting Board. The group's share of the results of the associated companies are shown under other operating income.

All timeshare and Villas apartment companies, including the ones of which the group owns more than 20%, are presented in the current assets as they are actively traded.

#### Transactions in foreign currencies

Items in the group companies' financial statements are valued in the currency, which is used in each subsidiary's main operating environment (functional currency). The consolidated financial statements are presented in euros, which is the functional and presentation currency of the group. Assets and liabilities are translated into euros at the closing rate of the balance sheet date. Exchange differences resulting from sales and purchases are recorded as adjustments to the corresponding items above the operating profit. At the company level, exchange

gains and losses from foreign currency denominated loans are presented in the accrued expenses according to the principle of prudence. At the group level, exchange gains and losses are recognized in equity as retained earnings.

Foreign subsidiaries' income statements are translated into euros using the average exchange rates for the period. All balance sheet items, except profit for the period, are translated into euros using the closing exchange rates. The translation differences arising from the translation of income statement and balance sheet at different exchange rates and from eliminating the foreign subsidiaries equity is recognized in the group's equity. When a subsidiary is divested entirely or partially, the cumulative translation difference is recognized in the income statement as a part of the gain or loss from the sale.

### Valuation and depreciation of non-current assets Intangible assets

#### Goodwill

Goodwill represents the excess of the acquisition cost and the acquired company's net assets at the fair value at the date of the acquisition. Goodwill is allocated to cash-generating units, if such can be designated. As a main rule, goodwill is depreciated in 10 years and if the expected future operating cash flow is lower than the carrying amount of the goodwill, an impairment loss is recognized as an expense in the income statement.

#### Other intangible assets

Intangible assets are recorded in the balance sheet at their original acquisition cost, if the cost can be measured reliably and if it is probable that the expected benefits of the asset will benefit the company. Intangible assets include trademarks, patents, copyrights and software licenses.

#### Tangible assets

The group companies' tangible assets have been valued in the balance sheet at historical cost less accumulated, straight line depreciations and possible impairment losses. Land areas are not depreciated.

Residual values and useful lifetimes are reviewed at each balance sheet date and, if necessary, adjusted to reflect the changes of expected economic benefits.

Ordinary repair and maintenance costs are expensed as they incur. Significant renovations or additional investments are capitalized and depreciated over the remaining useful life of the asset, if it is probable that the future benefits associated with the asset will benefit the company. Capital gains are presented in other operating income and losses under other operating expenses. The interest expenses related to the acquisition of the asset are expensed.

#### Fixed asset depreciation periods

The useful lives of the different asset categories are as follows:

Intangible rights	5-10 years
Goodwill and group goodwill	10 years
Long-term expenses	5-10 years
Buildings	50-60 years
Other constructions	10 years
Machinery and equipment	5-10 years
Renovations	5-10 years
Other tangible assets	10 years

The group goodwill is depreciated in 10 years, since the useful life of the acquired operations are considered to be at least 10 years.

The group reserve is allocated, in accordance with the share of ownership, to those assets and liabilities of the subsidiary that the group reserve is considered to derive from. The unallocated portion is recognized in the group's balance sheet as a separate item before liabilities. The group reserve is recognized as income when the corresponding expenditure or loss is recorded as an expense in the income statement of the subsidiary or where it corresponds to a realized return. The unallocated group reserve is recognized as income over time. These procedures are in accordance with the Finnish Accounting Act.

**Received grants**

Grants received by the company are recorded as other operating income in the income statement during the periods in which the related expenses are incurring. Investment grant for the acquisition of fixed assets is recorded in the balance sheet as accrued expense and recognized in the income statement as revenue over the asset's systematical depreciation period.

**Write downs**

The values of the assets in the balance sheet are continuously assessed for possible impairment. Impairment is recognized when the asset's carrying amount is greater than its recoverable amount. Impairment losses are recognized in the income statement. Impairment loss related to tangible fixed assets and intangible assets other than goodwill, is reversed if conditions change or if the recoverable amount of the asset changes from the day that the impairment loss was recognized. Impairment is not reversed over the balance sheet value that existed before the write-downs of the previous financial years. Impairment losses on goodwill are not reversed.

**Inventory**

Inventory is valued at the original acquisition cost or the lower net realizable value. Net realizable value is the estimated selling price less the estimated costs of completion and selling in the ordinary course of business. The cost of finished and unfinished products comprises of raw materials, direct labor costs and other direct costs. The costs of selling and financing are not allocated to the acquisition cost.

**Revenue recognition**

Revenue from services is recognized as income when the service is rendered to the customer. Revenue from the sale of goods is recognized when the significant risks and rewards of ownership have been transferred to the buyer. At that time, the group has no longer any supervision or control power over the good sold.

Rental income from holiday homes and revenue from hotels are recognized when the customer has accommodated. Income from restaurants and from other services related to hotel activities are recognized as revenue when the service is rendered. Rental income from retail premises are recognized on a straight-line basis over the rental period. Sales of timeshare weeks are recognized at the closing of the deal, so that the company will record a so-called cancellation provision in case of future cancellation of deals. This is done based on previous experience and statistics on customer behavior. Statutory cancellation time is 14 days from the moment the deal was signed.

In this annual report, FC amounts are translated for convenience into Indian Rupees at the exchange rate of Rs. 74.97 = FC1 which is the average of the telegraphic transfer buying and selling rates quoted by the Mumbai Branch of State Bank of India.

Income from Villas apartments is recognized by using the stage of completion method in accordance with the guidelines of the Confederation of Finnish Construction Industries and the Finnish Accounting Board.

Timeshare weeks have a 14-day cancellation right stated by the Consumer Protection Act. The cancellation policy is taken into account in profit recognition by taking advantage of the experience and statistics on customer behavior.

**Financial instruments**

**Financial assets** The group's cash and cash equivalents consist of cash, bank deposits and other short-term highly liquid investments. Cash and cash equivalents have a maximum maturity of three months from the acquisition date. Financial assets are recognized on the settlement date and derecognized when the group has lost its contractual rights to the cash flows or when it has transferred substantial part of all the risks and rewards of ownership to parties outside the group.

**Financial liabilities** Financial liabilities are initially recognized at fair value. Transaction costs are expensed as incurred. Financial liabilities are included in long- and short-term liabilities and they can be interest-bearing or non-interest bearing.

**Deferred tax assets and liabilities** Deferred tax assets and liabilities are calculated with a current tax rate as temporary differences between taxation and financial statements. Deferred tax assets are recognized at the probable amount in the balance sheet.

**Use of estimates and assumptions** The preparation of financial statements requires management to make estimates and assumptions regarding future events. Actual results may differ from these estimates and assumptions. In addition, management must exercise judgment in applying accounting principles. Estimates are based on management's best knowledge at the time. Possible changes in estimates and assumptions are recognized during the period in which the estimates or assumptions are adjusted and in all subsequent financial periods

The key assumptions and uncertainties concerning the future, which may cause significant changes in the carrying values of assets and liabilities within the next financial year are as follows:

**Impairment losses** The group reviews fixed assets annually and evaluates indications of impairment as set out above in the accounting policies.

**Receivables** From uncertain loans and any permanent impairments, the group recognizes a credit loss in accordance with the principle of prudence.

Holiday Club Resorts Oy has committed to purchase back the shares of the company named Kiinteistö Oy Iso-Ylläksentie 42 from the mutual insurance company Ilmarinen no later than 31.3.2022. The buyback price on 31.3.2022 has been agreed to be 4,750,000 euros (Rs. 356,107,500).

Related to the above mentioned agreement Holiday Club Resorts Oy sold the business operations of Ylläs Saaga to Lapland Hotels Oy in October 2014. The lessor, mutual insurance company Ilmarinen, required that Holiday Club Resorts Oy stays in joint liability for fulfillment of the obligations of rental and buyback agreements. If the lessor makes claims towards Holiday Club Resorts Oy due to this obligation, has Holiday Club Resorts Oy a retroactive right of recourse from Lapland Hotels Oy and its parent company North European Invest Oy.

Holiday Club Resorts Oy gave 5.4.2011 a surety for Fastighets Aktiebolaget Åre Properties (Capman) to ensure the fulfillment of Holiday Club Spa Hotels AB's lease obligations regarding Holiday Club Åre spa hotel. Holiday Club Spa Hotels AB sold the business operations of Holiday Club Åre to Holiday Club Sport and Spa Hotels AB by a deed signed on 12.11.2015. One of the terms in order to fulfill the sale was to transfer the lease agreement to Holiday Club Sport and Spa Hotels AB. In order to transfer the lease agreement Holiday Club Resorts Oy gave a commitment to Fastighets Aktiebolaget Åre Properties by which the surety given on 5.4.2011 was transferred to apply to the obligations of the new lessee Holiday Club Sport And Spa Hotels AB. The transfer was executed by a confirmation given on 18.11.2015. The surety equates the lease obligation of 12 months.

In the course of the asset sale it was agreed that the commitment given by Lapland Invest AB, part of the same group of companies as Holiday Club Spa Hotels AB, towards Holiday Club Resorts Oy will cease.

In the course of the Holiday Club Åre asset deal the commitment given by Holiday Club Spa Hotels AB to purchase a multi-purpose arena from Åre Kongress AB in 2023, if Åre Kongress AB has not sold the arena before that, transferred to Holiday Club Sport And Spa Hotels AB. Holiday Club Resorts Oy and Holiday Club Sport And Spa Hotels AB are jointly responsible for the sales price of the arena (1.7 million euros (Rs. 127,449,000)) towards Åre Kongress AB.

### OTHER COMMITMENTS

Holiday Club Resorts Oy has agreed in the customer financing agreement made between Holiday Club Resorts Oy and Pohjola Pankki Oyj (Pohjola Financing) the following:

The customer's inability to pay, or if the customer otherwise is in breach with contract, gives Pohjola Financing the right to call in the financing or to terminate the financing contract. If Pohjola Financing claims, Holiday Club Resorts Oy has committed to redeem the financing with the amount that corresponds 50% of the current financing agreement balance between customer and Pohjola Financing related to the purchase of the timeshare week. Redemption price may be at maximum 50% of the original purchase price of the timeshare week. The financing agreement between Holiday Club Resorts Oy and Pohjola Pankki Oyj has been amended on 2.11.2014 and by this amendment the 50% redemption in question has been renounced with regard to new sales. This amendment does not apply to those timeshares that Holiday Club Resorts Oy finances on its own risk and of which Holiday Club Resorts Oy has in 2012 signed a 100% buyback commitment.

Holiday Club Resorts Oy has agreed in the customer financing agreement made between Holiday Club Resorts Oy and Danske Bank Oyj (Sampo Financing) the following:

If Sampo Financing terminates the customer's financing contract for timeshare purchase based on the terms of contract, the following risk distribution contract applies: If Sampo Financing claims, Holiday Club Resorts Oy is committed to purchase the timeshare which has been given as a collateral for a financing agreement. The purchase price is 30% of the timeshare's original purchase price. If the purchase price, calculated by the foregoing way, is more than the financier's financed part based on the sale agreement issue, the purchase price will be the amount of financed part of the sale agreement at issue. For the timeshares Holiday Club Resorts Oy has financed on its own risk, 100% buyback commitment is applied.

According to the agreement made between Holiday Club Resorts Oy, Sunborn Oy and Sunborn Saga Oy, Holiday Club Resorts Oy is obliged to sell annually 150 Sunborn timeshares. If Holiday Club Resorts Oy doesn't achieve its yearly target, Holiday Club is obliged to purchase the missing amount of timeshares with a price related to the agreement until 30.9.2018

Holiday Club Resorts Oy has given completion commitments to Fennia and Veritas in relation to the land areas sold to them. If the completion commitments are not met, Fennia and Veritas have the right to cancel the deal. Holiday Club Resorts Oy has guaranteed the land lease payments until apartments have been build on the plots.

Group company Kiinteistö Oy Himoksen Tähti 2 has given the city of Jämsä completion commitments regarding land areas. If the company fails to meet the completion commitments, the parent company has committed to pay the city of Jämsä a contractual penalty of 127,408.60 euros (Rs. 9,551,822.74).

Group company Holiday Club Golf Saimaa Oy is obliged to annually review the tax deductions made from the real estate investment for 10 years after the completion of the investment, in so far as the VAT taxable use of the property decreases during the ten-year time period. The maximum amount of the obligation was 800,416.86 euros (Rs. 60,007,251.99) on 31.3.2016.

Group company Kiinteistö Oy Rauhan Liikekiinteistöt 1 is obliged to annually review the tax deductions made from the real estate investment for 10 years after the completion of the investment, in so far as the VAT taxable use of the property decreases during the ten-year time period. The maximum amount of the obligation was 2,377,090.80 euros (Rs. 178,210,497.28) on 31.3.2016.

Sallan Tunturipalvelut Oy (merged into Holiday Club Resorts Oy on 31.3.2016) and the municipality of Salla have agreed that Holiday Club Resorts will make at least four million euros (Rs 299,880,000) worth of investments to Salla by the end of year 2018. If the investments of at least four million euros (Rs 299,880,000) are made, the municipality of Salla has an obligation to buy the shares of Kiinteistö Oy Sallan kylpylä -named company with the purchase price equating the equity investment made in the Kiinteistö Oy Sallan kylpylä. If the made investments are less than two millions (Rs 149,940,000), has Holiday Club Resorts Oy an obligation to buy the shares of Kiinteistö Oy Sallan kylpylä owned by the municipality with the purchase price equating the equity investment. These purchase obligations will be executed only if the selling party requires the purchase.

Holiday Club Resorts Oy has committed to a framework agreement with the city of Kuusamo according to which 10 million euros (Rs. 749,700,000) worth of investments will be made.

Holiday Club Sweden AB has regarding Holiday Club Sport And Spa Hotels AB committed to a shareholders' agreement with terms of put and call options by which Holiday Club Sweden AB could be obliged to purchase other shareholders' shares in the companies. These options may actualize no sooner than 2021.

Holiday Club Resorts Oy has committed to purchase back the shares of Kiinteistö Oy Salla Star -named company from the buyer no later than 17.9.2022 with the buyback price of 382,000 euros (Rs. 28,638,540).

Group company Saimaa Gardens Arena Oy has leased a multi-purpose hall called Rauhan Monitoimihalli from the city of Lappeenranta. Holiday Club Resorts Oy guarantees the lessees obligations towards the city of Lappeenranta for the duration of the lease contract.

Holiday Club Resorts Oy and Skanska Talonrakennus Oy signed a cooperation agreement on 31.3.2016. By this agreement Holiday Club Resorts Oy committed to purchase the shares of Kiinteistö Oy Kelotähti I -named company no later than 1.5.2018. The debt-free purchase price for the shares is 3.1 million euros (Rs. 232,407,000). Furthermore, Holiday Club Resorts Oy committed to purchase the shares of Kiinteistö Oy Kelotähti II -named company. These shares give the right to control an unfinished building. If certain requirements are fulfilled, Kiinteistö Oy Kelotähti II will finish the construction of the building. In this case Holiday Club Resorts Oy will buy the shares with a purchase price of 8,666.46 euros (Rs. 649,724.51) and Kiinteistö Oy Kelotähti will be liable for the contract price towards Skanska Talonrakennus Oy (5 million euros (Rs. 374,850,000)). Furthermore, Holiday Club Resorts Oy sold Skanska Talonrakennus Oy the shares of companies Kiinteistö Oy Jalomella, Kiinteistö Oy Ulkuvuoma, Kiinteistö Oy Outapalas and Kiinteistö Oy Lovinoita. The purchase price of the shares was 1.2 million euros (Rs. 89,964,000). Holiday Club Resorts Oy has the obligation to purchase these shares back for the same price.

Holiday Club Resorts Oy has committed to purchase the shares of Kiinteistö Oy HC Villas Katinkulta Spa 1 Lodge -named company from their current owners. Half of the shares (50%) will be purchased by 31.12.2016 and the rest (50%) by 30.4.2017. The sales price of the shares is 850,000 euros (Rs. 63,724,500) total.

Holiday Club Resorts Oy has committed to purchase the shares of Kiinteistö Oy Saimaa Villas Spa Lodge 2 -named company from their current owners. 25% of the shares were purchased on 8.4.2016 and the rest will be purchased by 15.10.2016. ## INDEPENDENT AUDITORS' REPORT

### TO THE MEMBERS OF Gables Promoters Private Limited

We have audited the accompanying Financial Statements of **Gables Promoters Private Limited ("the Company")**, which comprise of Balance Sheet as at March 31, 2016 and the Statement of Profit and Loss, Cash flow Statement for the year ended on that date, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the preparation of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments; the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate

internal financial control system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016, and its loss and its cash flows for the year ended on that date.

### Report on Other Legal and Regulatory Requirements:-

As required by 'the Companies (Auditor's Report) Order, 2016', as amended, issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act (hereinafter referred to as the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the "Annexure" a statement on the matters specified in paragraphs 3 and 4 of the Order.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on March 31, 2016 and taken on record by the Board of Directors, we report that none of the directors is disqualified as on March 31, 2016 from being appointed as director in terms Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

(g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

## **“ANNEXURE A” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF GABLES PROMOTERS PRIVATE LIMITED**

### **Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

I have audited the internal financial controls over financial reporting of Gables Promoters Private Limited (“the Company”) as of March 31, 2016 in conjunction with my audit of the financial statements of the Company for the year ended on that date.

### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors’ Responsibility**

My responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

My audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. My audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit

opinion on the Company’s internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In my opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

## NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

### 1 SIGNIFICANT ACCOUNTING POLICIES & NOTES TO ACCOUNTS AS AT AND FOR THE YEAR ENDED MARCH 31, 2016

(In Rs.)

**Company Information:** Gables Promoters Private Limited is incorporated in January, 2012 under the provisions of Companies Act, 1956. The Company is a private limited company incorporated and domiciled in India and has its registered office at Chandigarh. The Company is a 100% subsidiary of Mahindra Holidays and Resorts India Limited. The Company is in the business of running Hotels and Resorts. However the Company has not started its operations as the project is still under construction at Village Naldehra, Himachal Pradesh.

#### Significant Accounting Policies

##### a) Accounting Convention:

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified under the Companies Act, 1956 ("the 1956 Act") (which continue to be applicable in respect of Section 133 of the Companies Act, 2013 ("the 2013 Act") in terms of General Circular 15/2013 dated 13 September, 2013 of the Ministry of Corporate Affairs) and the relevant provisions of the 1956 Act/2013 Act, as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

##### b) Fixed Assets:

Fixed assets are capitalized at acquisition cost, including directly attributable cost of bringing the assets to working condition for its intended use.

##### c) Use of Estimates and Judgements:

In preparation of the financial statements, the Company is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and the associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and the underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected. Significant judgements and estimates about the carrying amount of assets and liabilities include useful lives of tangible and intangible assets, impairment of tangible assets, intangible assets including goodwill, investments, employee benefits and other provisions and recoverability of deferred tax assets.

##### d) Revenue Recognition:

The company had not commenced commercial operations during the year ended March 31, 2016.

##### e) Inventories:

The company did not have inventories during the year ended March 31, 2016.

##### f) Retirement Benefits:

The company has one employee on rolls during the year ended March 31, 2016.

##### g) Taxes on Income:

Since the company did not have any commercial operations during the year, the question of income tax/deferred tax does not arise.

##### h) Earnings per share:

Since the company did not have any commercial operations during the year ended March 31, 2016 the Accounting Standard ('AS') 20 on Earnings Per Share, issued by the Institute of Chartered Accountants of India would not be applicable to the Company.

##### i) Preliminary Expenses:

Preliminary Expenses include all expenses incurred in connection with registration of the company. However the Company has transferred its all Preliminary and Misc. Expenditure amounting to Rs. 797,303/- (relates to earlier years), transferred to Profit and loss during the year audit.

##### j) Borrowing Cost:

Borrowing cost includes interest. Such costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the respective asset.

## REPORT OF INDEPENDENT AUDITOR

To the Shareholders of **Infinity Hospitality Group Company Limited**

I have audited the accompanying financial statements of **Infinity Hospitality Group Company Limited**, which comprise the statements of financial position as at 31<sup>st</sup> March 2016, and the related statement of income and changes in shareholders' equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Thai Financial Reporting Standards for Non-Publicly Accountable Entities, Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audits. I conducted my audit accordance with Thai Standards on Auditing. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies

used and the reasonableness of accounting estimates made by management as well as evaluating the overall Presentation of the financial statements.

I believe that the audit evidence I has obtained is sufficient and appropriate to provide a basis for my audit opinion.

### Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Infinity Hospitality Group Company Limited as at 31<sup>st</sup> March 2016, and its financial performance for the year then ended in accordance with Thai Financial Reporting Standards for Non-Publicly Accountable Entities.

### Emphasis of Matter

Without qualifying my opinion, I draw attention to notes 11 and 12 to the financial statements describing the change in accounting policy. The corresponding figures presented are based on the financial statements as at and for the year ended 31<sup>st</sup> March 2015 after making the adjustments described in notes 11 and 12.

### Other matter

The financial statement of Infinity Hospitality Group Company Limited for the year ended 31<sup>st</sup> March 2015 have been audited by other auditor, whose was expressed an unqualified opinion on those financial statement which audited report dated 4<sup>th</sup> April, 2015.

### Auditor's Responsibility:

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### Opinion:

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016, and its loss and its cash flows for the year ended on that date.

### Report on Other Legal and Regulatory Requirements

## ANNEXURE B TO THE AUDITORS' REPORT

### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of M/s MAHINDRA HOTELS AND RESIDENCES INDIA LIMITED ("the Company") as of 31<sup>st</sup> March, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## INDEPENDENT AUDITOR'S REPORT

To

The Board of Directors  
Covington S.A.R.L

### Report on Financial Statements

We have audited the accompanying financial statements of Covington S.A.R.L. Luxembourg (hereinafter referred to as "Company") the Balance Sheet as at 31<sup>st</sup> March, 2016, and Statement of Profit & Loss for the year then ended and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

The Company's Board of Directors are responsible for the preparation of these financial statements in terms of the requirements of Indian Companies Act, 2013 to the extent applicable (hereinafter referred to as "the Act") that give a true and fair view of the financial position, financial performance and cash flows of the Company accordance with the accounting principles generally accepted in India, including the Accounting Standards Specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) rules 2014. The Board of Directors of the Company are responsible for maintenance of adequate accounting records in line with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the financial statements by the Directors of the Company, as aforesaid.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due

to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Company has an adequate internal financial controls system over financial reporting in place and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Board of Directors, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, in the case of Balance sheet of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and the Statements of Profit and Loss of the loss for the year ended on that date.

### Other Matters

## NOTES FORMING PART OF FINANCIAL STATEMENTS

### 1 Corporate Information

Covington S.a.r.l. hereinafter the "Company" was incorporated on 27<sup>th</sup> November, 2013. The principal activity of the company is to hold investments.

### 2 Significant Accounting Policies

#### (i) Basis for preparation of financial statements:

The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

#### (ii) Use of estimates:

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the years in which the results are known/materialise.

#### (iii) Cash and cash equivalents:

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

#### (iv) Investments:

Long-term investments are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties.

#### (v) Provision and contingencies:

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent Liabilities are disclosed in the notes.

## Report of Independent Auditor

To the Shareholders of MH Boutique Hospitality Limited

I have audited the accompanying financial statements of **MH Boutique Hospitality Limited**, which comprise the statements of financial position as at 31<sup>st</sup> March, 2016, and the related statement of Income and changes in shareholders' equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Thai Financial Reporting Standards for Non-Publicly Accountable Entities, Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audits. I conducted my audit accordance with Thai Standards on Auditing. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor

considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management as well as evaluating the overall Presentation of the financial statements.

I believe that the audit evidence I had obtained is sufficient and appropriate to provide a basis for my audit opinion.

### Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of MH Boutique Hospitality Limited as at 31<sup>st</sup> March 2016, and its financial performance for the year then ended in accordance with the Thai Financial Reporting Standards for Non-Publicly Accountable Entities.

### Other matter

The financial statement of MH Boutique Hospitality Limited for the year ended 31<sup>st</sup> March 2016 have been audited by other auditor, whose was expressed an unqualified opinion on those financial statement which audited report dated 4<sup>th</sup> April, 2015.

## DIRECTORS' REPORT

The directors hereby submit their report together with the audited financial statements of the Company for the financial year ended March 31, 2016.

### Principal Activity

The Company's principal activities are holding of investment and leasing of properties.

There have been no significant changes in the nature of the principal activities during the financial year under review.

### Financial Results

	RM	INR
Net loss before taxation	(74,722)	(1,276,999)
Taxation	(5,100)	(87,159)
Net loss for the year	(79,822)	(1,364,158)

### Dividends

No dividends was proposed during the financial year under review.

### Reserves and Provisions

There were no material transfers to or from reserves or provisions during the financial year under review.

### Issue of Shares and Debentures

The Company did not issue any shares and debentures during the financial year.

### Options

No option has been granted during the financial year under review to take up unissued shares in the Company.

### Directors

The names of the directors of the Company who held office since the date of the last report and at the date of this report are:-

Ravindera Nath Khanna

Koh Yeow York

Koh Tong Ngee

Ajay Agarwal

Dinesh Shivanna Shetty

### Directors' Interest

According to the register of directors' shareholding, none of the directors in office at the end of the financial year had interest in the ordinary shares of the Company.

### Directors' Benefits

During and at the end of the financial year, no arrangements subsisted to which the Company is a party, with the object or objects of enabling directors of the Company to acquire

benefits by means of the acquisition of shares or debentures of the Company or any other body corporate.

No director has, since the end of the previous financial year, received or become entitled to receive a benefit (other than a benefit included in the aggregate amount of emolument received or due and receivable by directors as shown in the financial statements, or the fixed salary of a full-time employee of the Company or a related corporation) by reason of a contract made by the Company or a related corporation with the director or with a firm of which the director is a member, or with a company in which the director has a substantial financial interest.

### Bad and Doubtful Debts

Before the income statement and the balance sheet were made out, the directors took reasonable steps to ascertain that action has been taken in relation to the writing off of and the making of provision for doubtful debts, and have satisfied themselves that all known bad debts have been written off and that adequate provision has been made for doubtful debts.

At the date of this report, the directors are not aware of any circumstances which would render the amounts written off for bad debts or the amount of the provision for doubtful debts in the financial statements of the Company inadequate to any substantial extent.

### Current Assets

Before the income statement and the balance sheet were made out, the directors took reasonable steps to ensure that any current assets, other than debts, which were unlikely to realise in the ordinary course of business their values as shown in the accounting records of the Company have been written down to an amount which they might be expected to realise.

At the date of this report, the directors are not aware of any circumstances which would render the values attributed to current assets in the financial statements of the Company misleading.

### Valuation Methods

At the date of this report, the directors are not aware of any circumstances which have arisen which render adherence to the existing method of valuation of assets or liabilities of the Company misleading or inappropriate.

### Contingent and Other Liabilities

At the date of this report, there does not exist:

- a) any charge on the assets of the Company which has arisen since the end of the financial year which secures the liabilities of any other person; or
- b) any contingent liability of the Company which has arisen since the end of the financial year.

No contingent or other liability has become enforceable or is likely to become enforceable within the period of twelve

months after the end of the financial year which, in the opinion of the directors, will or may affect the ability of the Company to meet its obligations when they fall due.

**Change of Circumstances**

At the date of this report, the directors are not aware of any circumstances not otherwise dealt with in this report or the financial statements which would render any amounts stated in the financial statements misleading.

**Items of an Unusual Nature**

The results of the operations of the Company for the financial year under review were not, in the opinion of the directors, substantially affected by any item, transaction or event of a material and unusual nature.

**Events Subsequent to Balance Sheet Date**

There has not arisen in the interval between the end of the financial year and the date of this report any item, transaction or event of a material and unusual nature likely, in the opinion of the directors, to affect substantially the results of the operations of the Company for the financial year in which this report is made.

**Holding Company**

The holding company is Mahindra Holidays & Resorts India Ltd., a company incorporated in India, which holds the entire issued and paid up capital of the Company.

**Auditors**

The auditors, Messrs. Lloyds.Earle.Panicker, Chartered Accountants, have intimated their willingness to continue in office in accordance with Section 172(2) of the Companies Act, 1965.

Signed on behalf of the board of directors in accordance with a resolution of the directors.

## **INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF HERITAGE BIRD (M) SDN. BHD.**

### **Report on the Financial Statements**

We have audited the financial statements of Heritage Bird (M) Sdn. Bhd., which comprise the balance sheet as at 31<sup>st</sup> March 2016, and the income statement, statement of changes in equity and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory notes, as set out on herein.

### **Directors' Responsibility for the Financial Statements**

The directors of the Company are responsible for the preparation and fair presentation of these financial statements in accordance with Financial Reporting Standards and the Companies Act 1965 in Malaysia. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with approved standards on auditing in Malaysia. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgement, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements have been properly drawn up in accordance with Private Entity Reporting Standards and the Companies Act 1965 in Malaysia so as to give a true and fair view of the financial position of the Company as of 31<sup>st</sup> March 2016 and of its financial performance and cash flows for the year then ended.

### **Emphasis of matter**

Without qualifying our opinion, we wish to draw attention to Note 14 of the notes to the financial statements. The Company has incurred losses which exceed the issued and fully paid-up capital of the Company. However, the financial statements have been prepared on a going concern basis, which is dependent upon the future profitable operations and additional finance sufficient to sustain such operations.

### **Report on Other Legal and Regulatory Requirements**

In accordance with the requirements of the Companies Act 1965 in Malaysia, we also report that in our opinion the accounting and other records and the registers required by the Act to be kept by the Company have been properly kept in accordance with the provisions of the Act.

### **Other Matters**

This report is made solely to the members of the Company, as a body, in accordance with Section 174 of the Companies Act 1965 in Malaysia and for no other purpose. We do not assume responsibility to any other person for the content of this report.

## NOTES TO THE FINANCIAL STATEMENTS 31 MARCH, 2016

### 1. PRINCIPAL ACTIVITIES

The Company's principal activities are holding of investment properties and provision of time-sharing services.

### 2. BASIS OF PREPARATION

The financial statements have been prepared in accordance with applicable approved accounting standards in Malaysia and the provisions of the Companies Act, 1965.

### 3. FINANCIAL RISK MANAGEMENT POLICIES

The Company's financial risk management policy seeks to ensure that adequate financial resources are available for the development of the Company's business whilst managing its risks. The Company operates within clearly defined guidelines that are approved by the Board and the Company's policy is not to engage in speculative transactions.

The main areas of financial risks faced by the Company and the policy in respect of the major areas of treasury activity are set out as follows:-

#### a) Liquidity and cash flow risks

The Company ensures that there are adequate funds to meet all their obligations in a timely and cost-effective manner.

#### b) Foreign currency risk

The Company is exposed to foreign currency risk as a result of its normal trading activities where the currency denomination differs from the local currency, Ringgit Malaysia (RM). The Company manages its exposure to foreign currency risk by monitoring fluctuations in foreign exchange and by timing its payments in foreign currencies accordingly.

Apart from the above, the Company does not face any material financial risks in other areas such as credit risk, interest rate risk, market risk, etc.

### 4. ACCOUNTING POLICIES

#### a) Basis of accounting

The financial statements of the Company have been prepared under the historical cost convention, unless otherwise indicated.

#### b) Cash and cash equivalents

Cash comprises cash at bank and in hand including bank overdraft and deposits. Cash equivalents comprises investments maturing within three months from the date of acquisition and which are readily convertible to known amount of cash which are subject to an insignificant risk of change in value.

#### c) Income tax

Income tax on the profit or loss for the year comprises current and deferred taxes. Current tax is the expected amount of income taxes payable in respect of the taxable profit for the year. It is measured using the tax rates that have been enacted at the balance sheet date.

Deferred tax is recognised using the liability method for all temporary differences between the carrying amounts of assets and liabilities and their tax bases at the balance sheet date. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for all deductible temporary differences, unused tax losses and unused tax credits to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences, unused tax losses and unused tax credits can be utilised. Deferred tax assets and liabilities are not recognised on temporary differences arising from goodwill or negative goodwill or from the initial recognition of an asset or liability in a transaction which is not a business combination and at the time of the transaction, affects neither accounting profit nor taxable profit.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the assets are realised or the liabilities are settled. The carrying amount of a deferred tax asset is reviewed at each balance sheet date and is reduced to the extent that it becomes probable that sufficient future taxable profit will be available.

Deferred tax is recognised in the income statement, except when it arises from a transaction which is recognised directly in equity. In

this case the deferred tax is charged or credited directly in equity. When the deferred tax arises from a business combination that is an acquisition, it is included in the resulting goodwill or negative goodwill.

#### d) Financial instruments

Financial instruments carried on the balance sheet include cash and bank balances, trade and other receivables and payables and borrowings. The accounting policies on recognition and measurement of these items are disclosed in the individual accounting policies with each item.

Financial instruments are classified as liabilities or equity in accordance with the substance of the respective contractual arrangements. Interest, dividends, gains and losses relating to a financial instrument classified as a liability, are reported as expense or income. Distributions to holders of financial instruments classified as equity are charged directly to equity. Financial instruments are offset when the Company has a legally enforceable right to offset and intends to settle either on a net basis or to realise the asset and settle the liability simultaneously.

#### e) Provisions

Provisions are recognised when the Company has a present legal and constructive obligation as a result of a past events, when it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and when a reliable estimate can be made of the amount of the obligation.

#### f) Foreign currency transactions and balances

Transaction in foreign currencies are recorded in Ringgit Malaysia at rates of exchange ruling at the time of the transaction. Foreign currency monetary assets and liabilities are translated at the exchange rate ruling at the balance sheet date.

#### g) Trade receivables

Trade receivables are carried at anticipated realisable value. Bad debts are written off in the period in which they are identified. An estimate is made for doubtful debts based on a review of all outstanding amount at the period end.

#### h) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and less any impairment losses.

Depreciation is provided on the straight line method to write off each asset over its estimated useful life. The principal rates used are as follows:

Furniture and fittings	10%
Freehold building	2%

#### i) Impairment of assets

The carrying values of assets are reviewed for impairment when there is an indication that the assets might be impaired. Impairment is measured by comparing the carrying values of the assets with their recoverable amounts. The recoverable amount is the higher of an asset's net selling price and its value in use, which is measured by reference to discounted future cash flows. Recoverable amounts are estimated for individual assets, or if it is not possible, for the cash-generating unit.

An impairment loss is charged to the income statement immediately, unless the asset is carried at revalued amount. Any impairment loss of a revalued asset is treated as a revaluation decrease to the extent of previously recognised revaluation surplus for the same asset.

Subsequent increase in the recoverable amount of an asset is treated as reversal of the previous impairment loss and is recognised to the extent of the carrying amount of the asset that would have determined (net of amortisation and depreciation) had no impairment loss been recognised. The reversal is recognised in the income statement immediately, unless the asset is carried at revalued amount. A reversal of an impairment loss on a revalued asset is credited directly to revaluation surplus. However, to the extent that an impairment loss on the same revalued asset was previously recognised as an expense in the income statement, a reversal of that impairment loss is recognised as income in the income statement.

**j) Revenue recognition**

Revenue is recognised on invoiced value of sales, less credit notes issued.

**14. GOING CONCERN**

The Company has net current liabilities and deficiency in shareholders' funds amounting to MYR 4,609,153 (INR 78,770,425) (2015: MYR 4,628,153 (INR 79,095,135) and MYR 4,58,629 (INR 78,37,970) (2015:MYR 378,807 (INR 6,473,812) respectively.

However, the financial statements have been prepared on a going concern basis, as the directors are of the opinion that the efficiency in shareholders' fund may be overcome by appreciation in the market value of the Company's freehold land and building. The management will be actively pursuing any investment and business opportunities in the foreseeable future that will reduce and gradually eliminate the said deficiencies.

The financial statements of the Company do not include any adjustments relating to amounts and classifications of assets and liabilities that might be necessary should the Company be unable to continue as going concern.

## COMMENTARY OF THE DIRECTORS FOR THE YEAR ENDED MARCH 31, 2016

The Directors present the Audited Financial Statements of MHR Holdings (Mauritius) Ltd, the “Company”, for the year ended March 31, 2016.

### PRINCIPAL ACTIVITY

The principal activity of the Company is to hold investments.

### RESULTS

The results for the year are shown in the statement of comprehensive income and related notes.

### DIRECTORS

The present membership of the Board are Mr. Zakir Hussein Niamut, Mr Teemulsing Luchowa and Mr. Dinesh Shivanna Shetty. There was no change during the year under review.

### STATEMENT OF DIRECTORS’ RESPONSIBILITIES IN RESPECT OF THE FINANCIAL STATEMENTS

Company law requires the Directors to prepare Financial Statements for each financial year, which present fairly the financial position, financial performance and cash flows of the Company. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors have confirmed that they have complied with the above requirements in preparing the financial statements.

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time

the financial position of the Company and to enable them to ensure that the financial statements are prepared in accordance with International Financial Reporting Standards as modified by the exemption from consolidation in the Mauritius Companies Act 2001 for companies holding a Category 1 Global Business Licence and in compliance with the requirements of the Mauritius Companies Act 2001. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### AUDITORS

The auditors, Grant Thornton, have indicated their willingness to continue in office until the next Annual Meeting.

### CERTIFICATE FROM THE SECRETARY UNDER SECTION 166 (d) OF THE MAURITIUS COMPANIES ACT 2001

We certify, to the best of our knowledge and belief, that we have filed with the Registrar of Companies all such returns as are required of MHR Holdings (Mauritius) Ltd under the Mauritius Companies Act 2001 for the year ended March 31, 2016.

## **INDEPENDENT AUDITORS' REPORT TO THE MEMBER OF MHR HOLDINGS (MAURITIUS) LTD**

### **Report on the Financial Statements**

We have audited the accompanying financial statements of MHR Holdings (Mauritius) Ltd, the "Company", which comprise the statement of financial position as at 31 March 2016, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### **Directors' Responsibilities for the Financial Statements**

The directors are responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards as modified by the exemption from consolidation in the Mauritius Companies Act 2001 for companies holding a Category 1 Global Business Licence and in compliance with the requirements of the Mauritius Companies Act 2001, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements give a true and fair view of the financial position of the Company as at 31 March 2016, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards as modified by the exemption from consolidation in the Mauritius Companies Act 2001 for companies holding a Category 1 Global Business Licence and the requirements of the Mauritius Companies Act 2001.

### **Report on Other Legal and Regulatory Requirements**

In accordance with the requirements of the Mauritius Companies Act 2001, we report as follows:

- we have no relationship with, or any interests in, the Company other than in our capacity as auditors;
- we have obtained all the information and explanations we have required; and
- in our opinion, proper accounting records have been kept by the Company as far as appears from our examination of those records.

### **Other Matters**

This report is made solely to the member of the Company as a body in accordance with Section 205 of the Mauritius Companies Act 2001. Our audit work has been undertaken so that we might state to the Company's member those matters we are required to state to it in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's member as a body, for our audit work, for this report, or for the opinion we have formed.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2016

### 1 GENERAL INFORMATION AND STATEMENT OF COMPLIANCE WITH INTERNATIONAL FINANCIAL REPORTING STANDARDS ("IFRS")

MHR Holdings (Mauritius) Ltd, the "Company", was incorporated in the Republic of Mauritius under the Mauritius Companies Act 2001 on 26 June 2014 as a private company with liability limited by shares and holds a Category 1 Global Business Licence issued by the Financial Services Commission. The Company's registered office is IFS Court, Bank Street, TwentyEight, Cybercity, Ebene 72201, Republic of Mauritius.

The principal activity of the Company is to hold investments.

The financial statements of the Company have been prepared in accordance with International Financial Reporting Standards ("IFRS") as modified by the exemption from consolidation in the Mauritius Companies Act 2001 for companies holding a Category 1 Global Business Licence.

### 2 APPLICATION OF NEW AND REVISED INTERNATIONAL FINANCIAL REPORTING STANDARDS

#### 2.1 New and revised standards that are effective for the annual year beginning on 01 April 2015

In the current year, the Company has applied the following new and revised standards issued by the International Accounting Standards Board ("IASB") that are mandatory for the first time for the financial year beginning on 01 April 2015:

IAS 19	Defined Benefit Plans: Employee Contributions (Amendments to IAS 19)
Various	Annual Improvements to IFRSs 2010-2012 cycle and 2011-2013 cycle

The directors have assessed the impact of these revised standards and amendments and concluded that only IAS 24, *Related Party Disclosures* as defined in Annual Improvements to IFRSs 2010-2012 cycle has an impact on the disclosure of these financial statements.

#### 2.2 Standards, amendments and interpretations to existing standards that are not yet effective and have not been adopted early by the Company

At the date of authorisation of these financial statements, certain new standards, amendments and interpretations to existing standards have been published but are not yet effective, and have not been adopted early by the Company.

Management anticipates that all of the relevant pronouncements will be adopted in the Company's accounting policies for the first year beginning after the effective date of the pronouncements. Information on new standards, amendments and interpretations is provided below.

### 3 SUMMARY OF ACCOUNTING POLICIES

#### 3.1 Overall considerations

The financial statements have been prepared using the significant accounting policies and measurement bases summarised below.

#### 3.2 Revenue

Interest income is recognised on the accrual basis using the effective interest method, unless collectability is in doubt.

#### 3.3 Expenses

All expenses are accounted for in the statement of comprehensive income on the accrual basis.

#### 3.4 Taxation

Tax expense recognised in the statement of comprehensive income comprises of deferred tax and current tax not recognised in other comprehensive income or directly in equity.

Current income tax assets and/or liabilities comprise of those obligations to, or claims from, fiscal authorities relating to the current period, that are unpaid at the reporting date. Current tax is payable on taxable profit, which differs from profit or loss in the financial statements. Calculation of current tax is based on tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting date.

Deferred income taxes are calculated using the liability method on temporary differences between the carrying amounts of assets and liabilities and their tax bases.

#### 3.5 Financial instruments

##### Recognition, initial measurement and derecognition

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instruments and are measured initially at fair value adjusted by transaction costs. Subsequent measurement of financial assets and financial liabilities are described below.

Financial assets are derecognised when the contractual rights to the cash flows from the financial asset expire, or when the financial asset and all substantial risks and rewards are transferred. A financial liability is derecognised when it is extinguished, discharged, cancelled or expires.

##### Classification and subsequent measurement of financial assets

For the purpose of subsequent measurement, the Company's financial assets are classified into the category of loans and receivables upon initial recognition.

All financial assets are subject to review for impairment at least at each reporting date. Financial assets are impaired when there is any objective evidence that a financial asset or a group of financial assets is impaired.

All income and expenses relating to financial assets are recognised in the statement of comprehensive income.

**Loans and receivables**

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. After initial recognition, these are measured at amortised cost using the effective interest method, less provision for impairment. Discounting is omitted where the effect of discounting is immaterial. The Company's cash and cash equivalents and loans fall into this category of financial instruments.

Individually significant receivables are considered for impairment when they are past due or when other objective evidence is received that a specific counterparty will default.

**Classification and subsequent measurement of financial liabilities**

The Company's financial liabilities consist of borrowings and accruals.

Financial liabilities are measured subsequently at amortised cost using the effective interest method.

All interest-related charges are reported in the statement of comprehensive income.

**Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount reported in the statement of financial position when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

**3.6 Consolidated financial statements**

The financial statements are separate financial statements which contain information about MHR Holdings (Mauritius) Ltd as an individual company and do not contain consolidated financial information as the parent of a group.

The Company holds a Category 1 Global Business Licence issued by the Financial Services Commission and has taken advantage of the exemption given in Section 12 of Part 1 of the Fourteenth Schedule of the Mauritius Companies Act 2001 from the requirement to prepare consolidated financial statements as it is a wholly-owned subsidiary of a quoted company incorporated in the Republic of India, Mahindra Holidays and Resorts India Limited.

**3.7 Investment in subsidiary**

A subsidiary is an entity over which the Company has control. The Company controls an entity when the Company is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity.

Investment in subsidiary is initially shown at cost. Where an indication of impairment exists, the recoverable amount of the investment is assessed. Where the carrying amount of an investment is greater than its estimated recoverable amount, it is written down immediately to its recoverable amount and the difference is charged to the statement of comprehensive income.

On disposal of an investment, the difference between the net disposal proceeds and the carrying amount is charged or credited to the statement of comprehensive income.

**3.8 Cash and cash equivalents**

Cash and cash equivalents comprise cash at bank. Cash equivalents are short term, highly liquid investments maturing within 90 days from the date of acquisition that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

**3.9 Equity**

Stated capital represents the value of shares that have been issued.

Accumulated losses includes current period and previous period results as disclosed in the statement of comprehensive income.

**3.10 Provisions**

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation and the amount can be estimated reliably.

Provisions are measured at the estimated expenditure required to settle the present obligation based on the most reliable evidence available at the reporting date, including the risks and uncertainties associated with the present obligation. The increase in the provision due to passage of time is recognised as interest expense in the statement of comprehensive income.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole.

**3.11 Related parties**

A related party is a person or company where that person or company has control or joint control of the reporting company; has significant influence over the reporting company; or is a member of the key management personnel of the reporting company or of a parent of the reporting company.

**3.12 Foreign currency translation***Functional and presentation currency*

The financial statements are presented in Euro ("EUR"), which is the Company's functional and presentation currency.

*Foreign currency transactions and balances*

Foreign currency transactions are translated into the functional currency of the Company using the exchange rates prevailing at the dates of the transactions (spot exchange rate). Foreign exchange gains and losses resulting from the settlement of such transactions and from the remeasurement of monetary items denominated in foreign currency at year-end exchange rates are recognised in the statement of comprehensive income.

Non-monetary items are not retranslated at year-end and are measured at historical cost (translated using the exchange rates at the transaction date), except for non-monetary items measured at fair value which are translated using the exchange rates at the date when fair value was determined.

**3.13 Impairment of assets**

At each reporting date, the Company reviews the carrying amounts of its assets to determine whether there is any indication that those assets have suffered any impairment loss. When an indication of impairment loss exists, the carrying amount of the asset is assessed and written down to its recoverable amount.

**3.14 Borrowings**

Borrowings are recognised initially at fair value, net of transaction costs incurred. Borrowings are subsequently carried at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised in profit or loss over the year of the borrowings using the effective interest method.

Fees paid on loan facilities are recognised as transaction costs and are deducted from borrowings and amortised over the period of the facility to which it relates.

**3.15 Derivative financial instruments**

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting date. The resulting gain or loss is recognised in profit or loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in profit or loss depends on the nature of the hedge relationship. The Company has not designated the derivative contracts (interest rate swaps) as a hedging instrument.

**3.16 Comparatives**

Where necessary, comparative figures have been adjusted to conform to changes in presentation in the current year.

**4 SIGNIFICANT MANAGEMENT JUDGEMENTS IN APPLYING ACCOUNTING POLICIES AND ESTIMATION UNCERTAINTY**

When preparing the financial statements, management undertakes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses.

**Significant management judgement**

The following is the significant management judgement in applying the accounting policies of the Company that have the most significant effect on the financial statements.

*Determination of functional currency*

The determination of the functional currency of the Company is critical since recording of transactions and exchange differences arising therefrom are dependent on the functional currency selected. The directors have considered those factors and have determined that the functional currency of the Company is the EUR.

**Estimation uncertainty**

Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may be substantially different.

*Impairment of investments in subsidiary*

In assessing impairment, management estimates the recoverable amount of each asset based on expected future cash flows and uses an interest rate to discount them. Estimation uncertainty relates to assumptions about

future operating results and the determination of a suitable discount rate. The directors have assessed the recoverable amount of the investments and confirmed that the carrying amounts have not suffered any impairment in value at the reporting date.

*Impairment of loans to subsidiary*

The Company reviews its significant loans and advances at each reporting date to assess whether an impairment loss should be recorded in the statement of comprehensive income. In particular, management judgment is required in the estimation of the amount and timing of future cash flows when determining the impairment loss. These estimates are based on assumptions about a number of factors and actual results may differ, resulting in future changes to the allowance.

*Fair value of derivative financial instruments*

The fair value of the derivative financial instruments is determined based on valuation performed by an independent valuer. The assumptions used to value the derivative financial instruments are given in Note 13. In applying the valuation techniques the independent valuer makes maximum use of market inputs, and uses estimates and assumptions that are, as far as possible, consistent with observable data that market participants would use in pricing the instrument.

**5 FINANCIAL INSTRUMENT RISK****Risk management objectives and policies**

The Company is exposed to various risks in relation to its financial instruments. The main types of risks are market risk (foreign currency risk and interest rate risk), credit risk and liquidity risk.

The Company's financial assets and financial liabilities by category are summarised below.

The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company's risk management policies are established to identify and analyse the risks faced by the Company to set appropriate measures and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and in the Company's activities.

The Company does not actively engage in the trading of financial assets and derivatives for speculative purposes. The most significant financial risks to which the Company is exposed to are described below.

## 5.1 Market risk analysis

The Company is exposed to market risk through its use of financial instruments. Market risk is comprised specifically of currency risk and interest rate risk, which result from both its operating and investing activities.

### (i) Foreign currency sensitivity

The Company is not exposed to any currency risk as most of its financial assets and financial liabilities are denominated in the Euro which is the functional currency of the Company.

The currency profile of its financial assets and liabilities is as follows:

	Financial assets 2016		Financial liabilities 2016		Financial assets 2015		Financial liabilities 2015	
	EUR	INR	EUR	INR	EUR	INR	EUR	INR
<b>Long term exposure</b>

<b>Short term exposure</b>								
Euro (EUR)	3,880,431	290,915,912	350,504	26,277,285	58,147	4,359,281	74,562	5,589,913
United States Dollar (USD)	-	-	230,568	17,285,683	-	-	44,166	3,311,125
	<b>20,867,601</b>	<b>1,564,444,047</b>	<b>45,134,390</b>	<b>3,383,725,218</b>	<b>3,770,067</b>	<b>282,641,923</b>	<b>10,968,728</b>	<b>822,325,538</b>

### (ii) Interest rate sensitivity

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

The Company has interest bearing financial assets and liabilities in the form of loans and borrowings.

The Company's interest bearing financial assets are in the form of loans to the subsidiary at a fixed rate of interest and therefore are not subject to market fluctuations.

The Company has interest bearing financial liabilities in the form of bank loans from HSBC Bank (Mauritius) Limited and AXIS BANK LIMITED.

The Company's interest rate risk arises principally from part of the bank borrowings from AXIS BANK LIMITED which are at variable interest rates. The Company manages its cash flow interest rate risk by using floating to fixed interest rate swaps. Such interest swaps have the economic effect of converting borrowings from floating rates to fixed rates.

The Company has taken the following loans from HSBC Bank (Mauritius) Limited and AXIS BANK LIMITED:

#### Loans from HSBC Bank (Mauritius) Limited

##### Loan of EUR 6,850,000 (INR 513,544,500)

The bank loan of EUR 6,850,000 (INR 513,544,500) from HSBC Bank (Mauritius) Limited bears interest at Fixed EUR Interest Rate Swap ("IRS") 5 year plus a margin of 2.75% per annum on fixed basis (Note 11 (ii) to these financial statements). The all-inclusive rate of interest is fixed at 3.45%. The loan is repayable at the end of 5 years with an option to repay in full on any interest reset date. The interest is payable at the end of every 6 months. Since the interest rate is fixed, the Company is therefore not exposed to interest rate risk on this loan.

##### Loan of EUR 4,000,000 (INR 299,880,000)

The bank loan of EUR 4,000,000 (INR 299,880,000) from HSBC Bank (Mauritius) Limited carries interest at EURIBOR 6 months plus Margin of 1.95% on floating basis (Note 11 (ii) to these financial statements) and was fully repaid the year.

#### Loans from AXIS BANK LIMITED

##### Loan of EUR 47,000,000 (INR 3,523,590,000)

The Company has contracted a loan of EUR 47,000,000 (INR 3,523,590,000) from AXIS BANK LIMITED which carries interest at EURIBOR 3 - 6 months plus Margin of 1.50% per annum (Note 11 (ii) to these financial statements). The loan is repayable at the end of 5 years. As at 31 March 2016, the Company has received an amount of EUR 37,088,511 (INR 2,780,525,670) out of the EUR 47,000,000 (INR 3,523,590,000). The remaining amount is expected to be received in the next financial year.

The Company has entered into interest swaps for an amount EUR 34,600,000 (INR 2,593,962,000) by using floating to fixed interest rate swap. Such interest rate swap has the economic effect of converting borrowings from floating rate to fixed rate and protecting the Company from potential future interest rate hikes. Therefore the Company is not affected by interest rate fluctuations of these amounts. The Company is only marginally affected by interest rate fluctuations on its remaining balance of EUR 4,000,000 (INR 299,880,000) from AXIS BANK LIMITED.

## 5.2 Credit risk analysis

Credit risk is the risk that a counterparty fails to discharge an obligation to the Company.

The Company's maximum exposure to credit risk is limited to the carrying amount of financial assets recognised at the reporting date, as summarised below:

	2016		2015	
	EUR	INR	EUR	INR
<b>ASSETS</b>				
<b>Non-current</b>				
Loans	16,987,170	1,273,528,135	3,711,920	278,282,642

	2016	2016	2015	2015
	EUR	INR	EUR	INR
<b>Current assets</b>				
Loans	3,774,685	282,988,134	–	–
Cash and cash equivalents	105,746	7,927,778	58,147	4,359,281
	<u>3,880,431</u>	<u>290,915,912</u>	<u>58,147</u>	<u>4,359,281</u>
<b>Total</b>	<u>20,867,601</u>	<u>1,564,444,047</u>	<u>3,770,067</u>	<u>282,641,923</u>

- (i) The Company has given loans to its subsidiary, which are unsecured, carry interest at 4% per annum and the repayment terms are disclosed in Note 11. Since the loans are contractual, the directors consider that no credit risk is associated with these loans.
- (ii) The credit risk for the bank balance is considered negligible, since the counterparty is a reputable bank with high quality external credit ratings.
- (iii) The carrying amounts disclosed above are the Company's maximum possible credit risk exposure in relation to these instruments.
- (iv) None of the Company's financial assets are secured by collateral or other credit enhancements. The borrowings taken are secured against an Unconditional and Irrevocable Corporate Guarantee from Mahindra Holidays and Resorts India Limited, the parent company.

### 5.3 Liquidity risk analysis

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due.

The Company's approach to managing liquidity risk is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The following are the contractual maturities of financial liabilities, including interest payments:

	Less than 1 year	Less than 1 year	More than 1 year	More than 1 year
	EUR	INR	EUR	INR
Borrowings	350,504	26,277,285	44,060,810	3,303,238,926
Derivative financial instrument	–	–	492,508	36,923,325
Accruals	230,568	17,285,683	–	–
<b>Total</b>	<u>581,072</u>	<u>43,562,968</u>	<u>44,553,318</u>	<u>3,340,162,250</u>

### 5.4 Concentration risk

The Company has invested in an unlisted company whose security is considered to be illiquid. Such illiquidity may adversely affect the ability of the Company to acquire or dispose of such investments. These investments may be difficult to value and to sell or otherwise liquidate and the risk of investing in such companies is much greater than the risk of investing in publicly traded securities. On account of the inherent uncertainty of valuation, the estimated values may differ significantly from the values that would be used had a ready market for the investments existed. However the directors consider these investments to be strategic and the concentration risk in manageable.

## 6 FAIR VALUE MEASUREMENT

### 6.1 Fair value measurement of financial instruments

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly; and

Level 3: unobservable inputs for the asset or liability.

The following table shows the Levels within which the hierarchy of financial liabilities measured at fair value on a recurring basis at 31 March 2016:

	Level 1	Level 1	Level 2	Level 2	Level 3	Level 3	Total	Total
	EUR	INR	EUR	INR	EUR	INR	EUR	INR
<b>Liabilities</b>								
Interest rate swap	–	–	492,508	36,923,325	–	–	492,508	36,923,325

The fair value of financial instruments that are not traded in an active market (interest rate swap derivative) is determined by using valuation techniques. These valuation techniques maximise the use of observable market data where it is available and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

The fair value of interest rate swaps is calculated as the present value of the estimated future cash flows based on observable yield curves.

The Company's other financial assets and liabilities are measured at their carrying amounts, which approximate their fair values.

**6.2 Fair value measurement of non-financial instruments**

The Company's non-financial assets consist of investment in subsidiary and prepayments for which fair value measurement is not applicable since these are not measured at fair value on a recurring or non-recurring basis in the statement of financial position. At the reporting date, the Company did not have any non-financial liabilities.

**7 CAPITAL MANAGEMENT POLICIES AND PROCEDURES**

The Company's objectives when managing capital are to safeguard the Company's ability to continue as a going concern in order to provide returns to its member.

In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to its member, buy back shares or issue new shares.

The Company monitors capital on the basis of the gearing ratio. This ratio is calculated as net debt divided by total capital. For the year/period ended 31 March 2016 and 31 March 2015, the Company was fully geared since it relies on external borrowing to finance its operations.

**8 TAXATION****(i) Income tax**

The Company is liable to pay tax in the Republic of Mauritius on its chargeable income at the rate of 15%. As a holder of a Category 1 Global Business Licence, it is entitled to a credit in respect of foreign tax equivalent to the higher of actual foreign tax suffered or a deemed credit equivalent to 80% of the Mauritius income tax liability on foreign source income. The maximum effective tax rate is 3%.

Gains or profits arising from sale of units or securities are tax-exempt in the hands of the Company in the Republic of Mauritius. Dividends and redemption proceeds paid by the Company to its shareholder do not attract withholding tax.

(iii) Pursuant to a Share Sale and Purchase Agreement dated 17 July 2014 between the Company (the "Purchaser") and D.LAW (the "Seller"), the Company purchased 12,500 shares without nominal value corresponding to 100% of the share capital of Covington S.à.r.l, a private limited company incorporated in Luxembourg, from the Seller for a total consideration of EUR 17,500 (INR 1,311,975).

(iv) Pursuant to Contribution Agreements dated 31 July 2014, 10 November 2014 and 18 August 2015 between the Company and Covington S.à.r.l (the "Receiver"), the Company contributed EUR 3,165,000 (INR 237,280,050), EUR 4,000,000 (INR 299,880,000) and EUR 16,000,000 (INR 1,199,520,000) respectively to the Receiver.

(v) The directors have assessed the recoverable amount of the investments (equity and non-equity) and confirmed that the carrying amount of these investments have not suffered any impairment in value at the reporting date.

The foregoing is based on current interpretation and practice and is subject to any future changes in tax laws and in the double tax treaty between the Republic of India and the Republic of Mauritius.

The Company has received tax residence certificates from the Mauritian authorities that it is a tax resident of the Republic of Mauritius, which is renewable on an annual basis subject to meeting certain conditions and which is eligible to obtain benefits under the double tax treaty between the Republic of Mauritius and the Republic of India.

At 31 March 2016, the Company has accumulated tax losses of EUR 368,718 (INR 27,642,788) (2015: EUR 123,295 (INR 9,243,426)) which will be carried forward and available for set off against future taxable profit as follows:

	EUR	INR
Up to the year ending 31 March 2020	123,295	9,243,426
Up to the year ending 31 March 2021	245,423	18,399,362
<b>Total</b>	<b>368,718</b>	<b>27,642,788</b>

**(ii) Deferred tax**

Deferred income tax is calculated on all temporary differences under the liability method at the rate of 3%. At 31 March 2016, no deferred tax has been recognised in respect of the tax losses carried forward as it is not probable that taxable profit will be available in the foreseeable future.

**(iii) Income tax reconciliation**

The income tax on the Company's loss before tax differs from the theoretical amount that would arise using the effective tax rate of the Company as follows:

	2016	2016	2015	2015
	EUR	INR	EUR	INR

- (vi) The Company has 100% shareholding in Covington S.à.r.l and is therefore considered as the Company's subsidiary since it has control over the subsidiary through its 100% voting rights. The Company holds a Category 1 Global Business Licence issued by the Financial Services Commission and has therefore taken advantage of Section 12 of Part 1 of the Fourteenth Schedule of the Mauritius Companies Act 2001 which dispenses it from presenting consolidated financial statements as it is a wholly-owned subsidiary of a company incorporated in the Republic of India.
- (vii) The non-equity investment in Covington S.à.r.l represents funds invested as "capital contribution" and settlement is not likely within one year. Repayment would be agreed between the Company and its investee company.

(ii) **Bank loans**

**HSBC Bank (Mauritius) Limited****Loan of EUR 6,850,000 (INR 513,544,500)**

The Company (the "Borrower") entered into a Facility Agreement with HSBC Bank (Mauritius) Limited ("the Lender") on 31 July 2014 whereby the loan is repayable on 04 August 2019. The loan bears interest at Fixed EUR Interest Rate Swap ("IRS") 5 year plus a margin of 2.75% per annum on fixed basis. The all-inclusive rate of interest is fixed at 3.45%. The loan is repayable at the end of 5 years with an option to repay in full on any interest reset date. The interest is payable at the end of every 6 months and interest accrued on the loan outstanding at the reporting date amounted to EUR 36,105. (INR 2,706,792).

**Loan of EUR 4,000,000 (INR 299,880,000)**

The bank loan of EUR 4,000,000 (INR 299,880,000) from HSBC Bank (Mauritius) Limited carries interest at EURIBOR 6 months plus Margin of 1.95% on floating basis and was fully repaid the year.

**AXIS BANK LIMITED****Loan of EUR 47,000,000 (INR 3,523,590,000)**

The Company (the "Borrower") entered into a Facility Agreement with AXIS BANK LIMITED which carries interest at EURIBOR 3 - 6 months plus Margin of 1.50% per annum. The interest is payable at the end of every 6 months and interest accrued on the loan outstanding at the reporting date amounted to EUR 40,796 (INR 3,058,476).

The above loans are secured against an Unconditional and Irrevocable Corporate Guarantee from Mahindra Holidays and Resorts India Limited (the "Guarantor"). In that respect, an annual commission of 0.53% on the Corporate Guarantee (EUR 48,550,000) (INR 3,639,793,500) should be paid to the Guarantor until the loans are fully repaid. At 31 March 2016, an amount of EUR 185,362 (INR 13,896,589) was charged as commission.

(iii) During the year under review, the Company borrowed a loan of EUR 250,000 (INR 18,742,500) from Mahindra Holdings & Resorts India Limited bearing interest of 9.5% per annum and repayable on demand.

	EUR	INR	EUR	INR
Interest rate swaps	<u>492,508</u>	<u>36,923,325</u>	-	-

The Company had entered into interest rate swap agreements to manage interest rate risk exposures.

The interest rate swap effectively modified the Company's exposure to interest rate risk by converting the Company's floating rate debt to a fixed rate basis for the entire term of the debt, thus reducing the impact of interest rate changes on future interest expense. This agreement involves the receipt of floating rate amounts in exchange for fixed rate interest payments over the life of the agreement without an exchange of the underlying principal amount.

The full fair value of the hedging derivative is classified as non-current liability since the maturity of the hedged item is more than one year.

The notional principal amount of the outstanding interest rate swap at 31 March 2016 was EUR 33,600,000 (INR 2,518,992,000).

At 31 March 2016, the fixed interest rate and fair value based on the interest rate swap are as follows:

## AUDITOR'S REPORT

To the annual meeting of the shareholders of Holiday Club Sweden AB, corporate identity number 556683-0385.

### Report on the annual accounts

We have audited the annual accounts of Holiday Club Sweden AB for the financial year 2014.10.01-2016.03.31.

### Responsibilities of the Board of Directors and the Managing Director for the annual accounts

The Board of Directors and the Managing Director are responsible for the preparation and fair presentation of these annual accounts in accordance with the Annual Accounts Act, and for such internal control as the Board of Directors and the Managing Director determine is necessary to enable the preparation of annual accounts that are free from material misstatement, whether due to fraud or error.

### Auditor's responsibility

Our responsibility is to express an opinion on these annual accounts based on our audit. We conducted our audit in accordance with International Standards on Auditing and generally accepted auditing standards in Sweden. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the annual accounts are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the annual accounts. The procedures selected depend on the auditors judgment, including the assessment of the risks of material misstatement of the annual accounts, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the company's preparation and fair presentation of the annual accounts in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Directors and the Managing Director, as well as evaluating the overall presentation of the annual accounts.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### Opinions

In our opinion, the annual accounts have been prepared in accordance with the Annual Accounts Act and present fairly, in all material respects, the financial position of Holiday Club Sweden AB as of March 31, 2016 and of its financial performance for the year then ended in accordance with the Annual Accounts Act. The statutory administration report is consistent with the other parts of the annual accounts.

We therefore recommend that the annual meeting of shareholders adopt the income statement and balance sheet.

### Report on other legal and regulatory requirements

In addition to our audit of the annual accounts, we have also audited the proposed appropriations of the company's profit or loss and the administration of the Board of Directors and the Managing Director of Holiday Club Sweden AB for the year the financial year 2014.10.01-2016.03.31.

### Responsibility of the Board of Directors and Managing Director

The Board of Directors is responsible for the proposal for appropriations of the company's profit or loss, and the Board of Directors and the Managing Director are responsible for administration under the Companies Act.

### Auditor's responsibility

Our responsibility is to express an opinion with reasonable assurance on the proposed appropriations of the company's profit or loss and on the administration based on our audit. We conducted the audit in accordance with generally accepted auditing standards in Sweden.

As a basis for our opinion on the Board of Directors' proposed appropriations of the company's profit or loss, we examined whether the proposal is in accordance with the Companies Act.

As a basis for our opinion concerning discharge from liability, in addition to our audit of the annual accounts, we examined significant decisions, actions taken and circumstances of the company in order to determine whether any member of the Board of Directors or the Managing Director is liable to the company. We also examined whether any member of the Board of Directors or the Managing Director has, in any other way, acted in contravention of the Companies Act, the Annual Accounts Act or the Articles of Association.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinions.

### Opinions

We recommend to the annual meeting of shareholders that the profit be appropriated in accordance with the proposal in the statutory administration report and that the members of the Board of Directors and the Managing Director be discharged from liability for the financial year.

## AUDITOR'S REPORT

To the Annual General Meeting of Kiinteistö Oy Himos Gardens

We have audited the accounting records, the financial statements, the report of the Board of Directors and the administration of Kiinteistö Oy Himos Gardens for the year ended March 31, 2016. The financial statements comprise the consolidated balance sheet, income statement and the notes to the consolidated financial statements, as well as the parent company's balance sheet, income statement and notes to the financial statements.

### Responsibility of the Board of Directors and the Managing Director

The Board of Directors and the Managing Director are responsible for the preparation of financial statements and report of the Board of Directors that give a true and fair view in accordance with the laws and regulations governing the preparation of the financial statements and the report of the Board of Directors in Finland. The Board of Directors is responsible for the appropriate arrangement of the control of the company's accounts and finances, and the Managing Director shall see to it that the accounts of the company are in compliance with the law and that its financial affairs have been arranged in a reliable manner.

### Auditor's Responsibility

Our responsibility is to express an opinion on the financial statements, on the consolidated financial statements and on the report of the Board of Directors based on our audit. The Auditing Act requires that we comply with the requirements of professional ethics. We conducted our audit in accordance with good auditing practice in Finland. Good auditing practice requires that we plan and perform the audit to obtain reasonable assurance about whether the financial statements and the report of the Board of Directors are free from material misstatement, and whether the members of the Board of Directors of the parent company or the Managing Director are guilty of an act or negligence which may result in liability in damages towards the company or whether they have violated the Limited Liability Companies Act or the articles of association of the company.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements and the report of the Board of Directors. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements and report of the Board of Directors that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements and the report of the Board of Directors.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements and the report of the Board of Directors give a true and fair view of both the consolidated and the parent company's financial performance and financial position in accordance with the laws and regulations governing the preparation of the financial statements and the report of the Board of Directors in Finland. The information in the report of the Board of directors is consistent with the information in the financial statements.

We have audited the enclosed accounting statements of Holiday Club Resorts Rus Limited Liability Company consisting of the Balance Sheet and profit and Loss Account, Statement of changes in equity, Statement of cash flows as of December 31, 2015.

#### Responsibility of the Entity Subject to Audit for the Accounting Statements

The management of the entity subject to audit is responsible for the drawing-up and accuracy of the mentioned accounting statements in accordance with the established accounting rules and procedures, and for the internal control system necessary for the drawing up of accounts free of material misstatements as result of negligent act or error.

#### Responsibility of the Auditor

Our responsibility is to express an opinion, based on our audit, on the reliability of the financial statements. We conducted our

audit in accordance with the federal standards for the audit activity. The said federal standards require adherence to established ethic rules, and planning the audit in such a way to obtain reasonable assurance about whether the financial (accounting) statements are free of material misstatement.

The audit included audit procedures aimed at audit findings supporting the numerical data in the accounting statements and disclosure of its information. The choice of audit procedures is a subject of our judgement based on the assessment of risk of material misstatements made as a result of negligent act or error. While assessing the said risk, we examined the internal control system (securing the drawing-up and accuracy of the accounting statements) with the purpose of choosing the appropriate audit procedures and not expressing an opinion on efficiency of the internal control system.

Also the audit included assessment of appropriateness of the applied accounting policy and the reasonableness of the estimated figures obtained by the management of the entity subject to audit, as well as assessment of the accounting reporting overall.

We believe that the audit findings obtained in the course of audit provide sufficient basis for expressing an opinion on the reliability of the accounting statements.

#### The Opinion

In our opinion, the accounting statements of <<Holiday Club Resorts Rus>> Limited Liability Company reflect fairly, in all material respects, the financial situation of the company as of December 31, 2015 and the results of its financial and economic activity in accordance with established rules for accounting statements.

We have audited the accounting records, the financial statements, the report of the Board of Directors and the administration of Suomen Vapaa –aikakiinteistöt Oy LKV for the year ended 31<sup>st</sup> March, 2016. The financial statements comprise the consolidated balance sheet, income statement and the notes to the consolidated financial statements, as well as the parent company's balance sheet, income statement and notes to the financial statements.

### Responsibility of the Board of Directors and the Managing Director

The Board of Directors and the Managing Director are responsible for the preparation of financial statements and report of the Board of Directors that give a true and fair view in accordance with the laws and regulations governing the preparation of financial statements and the report of the Board of Directors in Finland. The Board of Directors is responsible for the appropriate arrangement of the control of the company's accounts and finances, and the Managing Director shall see to it that the accounts of the company are in compliance with the law and that its financial affairs have been arranged in a reliable manner.

### Auditor's Responsibility

Our responsibility is to express an opinion on the financial statements, on the consolidated financial statements and on the report of the Board of Directors based on our audit. The Auditing Act requires that we comply with the requirements of professional ethics. We conducted our audit in accordance with good auditing practice in Finland. Good auditing practice requires that we plan and perform the audit to obtain reasonable assurance about whether the financial statements and the report of the Board of Directors are free from material misstatement, whether the members of the Board of Directors of the parent company or the Managing Director are guilty of an act or negligence which may result in liability in damages towards the company or whether they have violated the Limited Liability Companies Act or the articles of association of the company.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements and the report of the Board of Directors. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements and report of the Board of Directors that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements and the report of the Board of Directors.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements and the report of the Board of Directors give a true and fair view of both the consolidated and the parent company's financial performance and financial position in accordance with the laws and regulations governing the preparation of the financial statements and the report of the Board of Directors in Finland. The information in the report of the Board of directors is consistent with the information in the financial statements.

## AUDITOR'S REPORT

To the Annual General Meeting of Kiinteistö Oy Himoksen Tähti 2

We have audited the accounting records, the financial statements, the report of the Board of Directors and the administration of Kiinteistö Oy Himoksen Tähti 2 for the year ended 31 March, 2016. The financial statements comprise the consolidated balance sheet, income statement and the notes to the consolidated financial statements, as well as the parent company's balance sheet, income statement and notes to the financial statements.

### Responsibility of the Board of Directors and the Managing Director

The Board of Directors and the Managing Director are responsible for the preparation of financial statements and report of the Board of Directors that give a true and fair view in accordance with the laws and regulations governing the preparation of the financial statements and the report of the Board of Directors in Finland. The Board of Directors is responsible for the appropriate arrangement of the control of the company's accounts and finances, and the Managing Director shall see to it that the accounts of the company are in compliance with the law and that its financial affairs have been arranged in a reliable manner.

### Auditor's Responsibility

Our responsibility is to express an opinion on the financial statements, on the consolidated financial statements and on the report of the Board of Directors based on our audit. The Auditing Act requires that we comply with the requirements of professional ethics. We conducted our audit in accordance with good auditing practice in Finland. Good auditing practice requires that we plan and perform the audit to obtain reasonable assurance about whether the financial statements and the report of the Board of Directors are free from material misstatement, and whether the members of the Board of Directors of the parent company or the Managing Director are guilty of an act or negligence which may result in liability in damages towards the company or whether they have violated the Limited Liability Companies Act or the articles of association of the company.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements and the report of the Board of Directors. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements and report of the Board of Directors that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements and the report of the Board of Directors.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements and the report of the Board of Directors give a true and fair view of both the consolidated and the parent company's financial performance and financial position in accordance with the laws and regulations governing the preparation of the financial statements and the report of the Board of Directors in Finland. The information in the report of the Board of directors is consistent with the information in the financial statements.

## AUDITOR'S REPORT

To the Annual General Meeting of Kiinteistö Oy Vanha Ykköstii

We have audited the accounting records, the financial statements, the report of the Board of Directors and the administration of Kiinteistö Oy Vanha Ykköstii for the year ended 31<sup>st</sup> March, 2016. The financial statements comprise the consolidated balance sheet, income statement and the notes to the consolidated financial statements, as well as the parent company's balance sheet, income statement and notes to the financial statements.

### Responsibility of the Board of Directors and the Managing Director

The Board of Directors and the Managing Director are responsible for the preparation of financial statements and report of the Board of Directors that give a true and fair view in accordance with the laws and regulations governing the preparation of financial statements and the report of the Board of Directors in Finland. The Board of Directors is responsible for the appropriate arrangement of the control of the company's accounts and finances, and the Managing Director shall see to it that the accounts of the company are in compliance with the law and that its financial affairs have been arranged in a reliable manner.

### Auditor's Responsibility

Our responsibility is to express an opinion on the financial statements, on the consolidated financial statements and on the report of the Board of Directors based on our audit. The Auditing Act requires that we comply with the requirements of professional ethics. We conducted our audit in accordance with good auditing practice in Finland. Good auditing practice requires that we plan and perform the audit to obtain reasonable assurance about whether the financial statements and the report of the Board of Directors are free from material misstatement, whether the members of the Board of Directors of the parent company or the Managing Director are guilty of an act or negligence which may result in liability in damages towards the company or whether they have violated the Limited Liability Companies Act or the articles of association of the company.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements and the report of the Board of Directors. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements and report of the Board of Directors that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements and the report of the Board of Directors.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements and the report of the Board of Directors give a true and fair view of both the consolidated and the parent company's financial performance and financial position in accordance with the laws and regulations governing the preparation of the financial statements and the report of the Board of Directors in Finland. The information in the report of the Board of directors is consistent with the information in the financial statements.

## AUDITOR'S REPORT

To the Annual General Meeting of Kiinteistö Oy Katinnurkka

We have audited the accounting records, the financial statements, the report of the Board of Directors and the administration of Kiinteistö Oy Katinnurkka for the year ended March 31, 2016. The financial statements comprise the consolidated balance sheet, income statement and the notes to the consolidated financial statements, as well as the parent company's balance sheet, income statement and notes to the financial statements.

### Responsibility of the Board of Directors and the Managing Director

The Board of Directors and the Managing Director are responsible for the preparation of financial statements and report of the Board of Directors that give a true and fair view in accordance with the laws and regulations governing the preparation of the financial statements and the report of the Board of Directors in Finland. The Board of Directors is responsible for the appropriate arrangement of the control of the company's accounts and finances, and the Managing Director shall see to it that the accounts of the company are in compliance with the law and that its financial affairs have been arranged in a reliable manner.

### Auditor's Responsibility

Our responsibility is to express an opinion on the financial statements, on the consolidated financial statements and on the report of the Board of Directors based on our audit. The Auditing Act requires that we comply with the requirements of professional ethics. We conducted our audit in accordance with good auditing practice in Finland. Good auditing practice requires that we plan and perform the audit to obtain reasonable assurance about whether the financial statements and the report of the Board of Directors are free from material misstatement, and whether the members of the Board of Directors of the parent company or the Managing Director are guilty of an act or negligence which may result in liability in damages towards the company or whether they have

violated the Limited Liability Companies Act or the articles of association of the company.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements and the report of the Board of Directors. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements and report of the Board of Directors that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements and the report of the Board of Directors.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements and the report of the Board of Directors give a true and fair view of both the consolidated and the parent company's financial performance and financial position in accordance with the laws and regulations governing the preparation of the financial statements and the report of the Board of Directors in Finland. This information in the report of the Board of directors is consistent with the information in the financial statements.

## AUDITOR'S REPORT

To the Annual General Meeting of Kiinteistö Oy Tenetinlahti

We have audited the accounting records, the financial statements, the report of the Board of Directors and the administration of Kiinteistö Oy Tenetinlahti for the year ended 31<sup>st</sup> March, 2016. The financial statements comprise the consolidated balance sheet, income statement and the notes to the consolidated financial statements, as well as the parent company's balance sheet, income statement and notes to the financial statements.

### **Responsibility of the Board of Directors and the Managing Director**

The Board of Directors and the Managing Director are responsible for the preparation of financial statements and report of the Board of Directors that give a true and fair view in accordance with the laws and regulations governing the preparation of financial statements and the report of the Board of Directors in Finland. The Board of Directors is responsible for the appropriate arrangement of the control of the company's accounts and finances, and the Managing Director shall see to it that the accounts of the company are in compliance with the law and that its financial affairs have been arranged in a reliable manner.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on the financial statements, on the consolidated financial statements and on the report of the Board of Directors based on our audit. The Auditing Act requires that we comply with the requirements of professional ethics. We conducted our audit in accordance with good auditing practice in Finland. Good auditing practice requires that we plan and perform the audit to obtain reasonable assurance about whether the financial statements and the report of the Board of Directors are free from material misstatement, and whether the members of the Board of Directors of the parent company or the Managing Director are guilty of an act or negligence which may result in liability in damages towards the company or whether they have violated the Limited Liability Companies Act or the articles of association of the company.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements and the report of the Board of Directors. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements and report of the Board of Directors that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements and the report of the Board of Directors.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements and the report of the Board of Directors give a true and fair view of both the consolidated and the parent company's financial performance and financial position in accordance with the laws and regulations governing the preparation of the financial statements and the report of the Board of Directors in Finland. The information in the report of the Board of directors is consistent with the information in the financial statements.

## AUDITOR'S REPORT

To the Annual General Meeting of Kiinteistö Oy Mällösniemi

We have audited the accounting records, the financial statements, the report of the Board of Directors and the administration of Kiinteistö Oy Mällösniemi for the year ended 31<sup>st</sup> March, 2016. The financial statements comprise the consolidated balance sheet, income statement and notes to the consolidated financial statements, as well as the parent company's balance sheet, income statement and notes to the financial statements.

### Responsibility of the Board of Directors and the Managing Director

The Board of Directors and the Managing Director are responsible for the preparation of financial statements and report of the Board of Directors that give a true and fair view in accordance with the laws and regulations governing the preparation of the financial statements and the report of the Board of Directors in Finland. The Board of Directors is responsible for the appropriate arrangement of the control of the company's accounts and finances, and the Managing Director shall see to it that the accounts of the company are in compliance with the law and that its financial affairs have been arranged in a reliable manner.

### Auditor's Responsibility

Our responsibility is to express an opinion on the financial statements, on the consolidated financial statements and on the report of the Board of Directors based on our audit. The Auditing Act requires that we comply with the requirements of professional ethics. We conducted our audit in accordance with good auditing practice in Finland. Good auditing practice requires that we plan and perform the audit to obtain reasonable assurance about whether the financial statements and the report of the Board of Directors are free from material misstatement, and whether the members of the Board of Directors of the parent company or the Managing Director are guilty of an act or negligence which may result in liability in damages towards the company or whether they have violated the Limited Liability Companies Act or the articles of association of the company.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements and the report of the Board of Directors. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements and report of the Board of Directors that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements and the report of the Board of Directors.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements and the report of the Board of Directors give a true and fair view of both the consolidated and the parent company's financial performance and financial position in accordance with the laws and regulations governing the preparation of the financial statements and the report of the Board of Directors in Finland. The information in the report of the Board of directors is consistent with the information in the financial statements.

## AUDITOR'S REPORT

To the Annual General Meeting of Kiinteistö Oy Rauhan Ranta 1

We have audited the accounting records, the financial statements, the report of the Board of Directors and the administration of Kiinteistö Oy Rauhan Ranta 1 for the year ended March 31, 2016. The financial statements comprise the consolidated balance sheet, income statement and the notes to the consolidated financial statements, as well as the parent company's balance sheet, income statement and notes to the financial statements.

### Responsibility of the Board of Directors and the Managing Director

The Board of Directors and the Managing Director are responsible for the preparation of financial statements and report of the Board of Directors that give a true and fair view in accordance with the laws and regulations governing the preparation of the financial statements and the report of the Board of Directors in Finland. The Board of Directors is responsible for the appropriate arrangement of the control of the company's accounts and finances, and the Managing Director shall see to it that the accounts of the company are in compliance with the law and that its financial affairs have been arranged in a reliable manner.

### Auditor's Responsibility

Our responsibility is to express an opinion on the financial statements, on the consolidated financial statements and on the report of the Board of Directors based on our audit. The Auditing Act requires that we comply with the requirements of professional ethics. We conducted our audit in accordance with good auditing practice in Finland. Good auditing practice requires that we plan and perform the audit to obtain reasonable assurance about whether the financial statements and the report of the Board of Directors are free from material misstatement, and whether the members of the Board of Directors of the parent company or the Managing Director are guilty of an act or negligence which may result in liability in damages towards the company or whether they have

violated the Limited Liability Companies Act or the articles of association of the company.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements and the report of the Board of Directors. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements and report of the Board of Directors that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements and the report of the Board of Directors.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements and the report of the Board of Directors give a true and fair view of both the consolidated and the parent company's financial performance and financial position in accordance with the laws and regulations governing the preparation of the financial statements and the report of the Board of Directors in Finland. The information in the report of the Board of directors is consistent with the information in the financial statements.

## AUDITOR'S REPORT

To the Annual General Meeting of Kiinteistö Oy Rauhan Ranta 2

We have audited the accounting records, the financial statements, the report of the Board of Directors and the administration of Kiinteistö Oy Rauhan Ranta 2 for the year ended March 31, 2016. The financial statements comprise the consolidated balance sheet, income statement and notes to the consolidated financial statements, as well as the parent company's balance sheet, income statement and notes to the financial statements.

### Responsibility of the Board of Directors and the Managing Director

The Board of Directors and the Managing Director are responsible for the preparation of financial statements and report of the Board of Directors that give a true and fair view in accordance with the laws and regulations governing the preparation of the financial statements and the report of the Board of Directors in Finland. The Board of Directors is responsible for the appropriate arrangement of the control of the company's accounts and finances, and the Managing Director shall see to it that the accounts of the company are in compliance with the law and that its financial affairs have been arranged in a reliable manner.

### Auditor's Responsibility

Our responsibility is to express an opinion on the financial statements, on the consolidated financial statements and on the report of the Board of Directors based on our audit. The Auditing Act requires that we comply with the requirements of professional ethics. We conducted our audit in accordance with good auditing practice in Finland. Good auditing practice requires that we plan and perform the audit to obtain reasonable assurance about whether the financial statements and the report of the Board of Directors are free from material misstatement, and whether the members of the Board of Directors of the parent company or the Managing Director are guilty of an act or negligence which may result in liability in damages towards the company or whether they have violated the Limited Liability Companies Act or the articles of association of the company.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements and the report of the Board of Directors. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements and report of the Board of Directors that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements and the report of the Board of Directors.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements and the report of the Board of Directors give a true and fair view of both the consolidated and the parent company's financial performance and financial position in accordance with the laws and regulations governing the preparation of the financial statements and the report of the Board of Directors in Finland. The information in the report of the Board of directors is consistent with the information in the financial statements.

## Auditor's Report

To the Annual General Meeting of Kiinteistö Oy Tiurunniemi

We have audited the accounting records, the financial statements, the report of the Board of Directors and the administration of Kiinteistö Oy Tiurunniemi for the year ended March 31, 2016. The financial statements comprise the consolidated balance sheet, income statement and notes to the consolidated financial statements, as well as the parent company's balance sheet, income statement and notes to the financial statements.

### Responsibility of the Board of Directors and the Managing Director

The Board of Directors and the Managing Director are responsible for the preparation of financial statements and report of the Board of Directors that give a true and fair view in accordance with the laws and regulations governing the preparation of the financial statements and the report of the Board of Directors in Finland. The Board of Directors is responsible for the appropriate arrangement of the control of the company's accounts and finances, and the Managing Director shall see to it that the accounts of the company are in compliance with the law and that its financial affairs have been arranged in a reliable manner.

### Auditor's Responsibility

Our responsibility is to express an opinion on the financial statements, on the consolidated financial statements and on the report of the Board of Directors based on our audit. The Auditing Act requires that we comply with the requirements of professional ethics. We conducted our audit in accordance with good auditing practice in Finland. Good auditing practice requires that we plan and perform the audit to obtain reasonable assurance about whether the financial statements and the report of the Board of Directors are free from material misstatement, and whether the members of the Board of Directors of the parent company or the Managing Director are guilty of an act or negligence which may result in liability in damages towards the company or whether they have violated the Limited Liability Companies Act or the articles of association of the company.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements and the report of the Board of Directors. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements and report of the Board of Directors that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements and the report of the Board of Directors.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements and the report of the Board of Directors give a true and fair view of both the consolidated and the parent company's financial performance and financial position in accordance with the laws and regulations governing the preparation of the financial statements and the report of the Board of Directors in Finland. The information in the report of the Board of directors is consistent with the information in the financial statements.

## AUDITOR'S REPORT

To the Annual General Meeting of Kiinteistö Oy Rauhan liikekiinteistöt 1.

We have audited the accounting records, the financial statements, the report of the Board of Directors and the administration of Kiinteistö Oy Rauhan liikekiinteistöt 1 for the year ended 31<sup>st</sup> March, 2016. The financial statements comprise the consolidated balance sheet, income statement and the notes to the consolidated financial statements, as well as the parent company's balance sheet, income statement and notes to the financial statements.

### Responsibility of the Board of Directors and the Managing Director

The Board of Directors and the Managing Director are responsible for the preparation of financial statements and report of the Board of Directors that give a true and fair view in accordance with the laws and regulations governing the preparation of the financial statements and the report of the Board of Directors in Finland. The Board of Directors is responsible for the appropriate arrangement of the control of the company's accounts and finances, and the Managing Director shall see to it that the accounts of the company are in compliance with the law and that its financial affairs have been arranged in a reliable manner.

### Auditor's Responsibility

Our responsibility is to express an opinion on the financial statements, on the consolidated financial statements and on the report of the Board of Directors based on our audit. The Auditing Act requires that we comply with the requirements of professional ethics. We conducted our audit in accordance with good auditing practice in Finland. Good auditing practice requires that we plan and perform the audit to obtain reasonable assurance about whether the financial statements and the report of the Board of Directors are free from material misstatement, and whether the members of the Board of Directors of the parent company or the Managing Director are guilty of an act or negligence which may result in liability in damages towards the company or whether they have violated the Limited Liability Companies Act or the articles of association of the company.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements and the report of the Board of Directors. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements and report of the Board of Directors that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements and the report of the Board of Directors.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements and the report of the Board of Directors give a true and fair view of both the consolidated and the parent company's financial performance and financial position in accordance with the laws and regulations governing the preparation of the financial statements and the report of the Board of Directors in Finland. The information in the report of the Board of directors is consistent with the information in the financial statements.

## AUDITOR'S REPORT

To the Annual General Meeting of Supermarket Capri Oy

We have audited the accounting records, the financial statements, the report of the Board of Directors and the administration of Supermarket Capri Oy for the year ended 31 March, 2016. The financial statements comprise the consolidated balance sheet, income statement and notes to the consolidated financial statements, as well as the parent company's balance sheet, income statement and notes to the financial statements.

### Responsibility of the Board of Directors and the Managing Director

The Board of Directors and the Managing Director are responsible for the preparation of financial statements and report of the Board of Directors that give a true and fair view in accordance with the laws and regulations governing the preparation of the financial statements and the report of the Board of Directors in Finland. The Board of Directors is responsible for the appropriate arrangement of the control of the company's accounts and finances, and the Managing Director shall see to it that the accounts of the company are in compliance with the law and that its financial affairs have been arranged in a reliable manner.

### Auditor's Responsibility

Our responsibility is to express an opinion on the financial statements, on the consolidated financial statements and on the report of the Board of Directors based on our audit. The Auditing Act requires that we comply with the requirements of professional ethics. We conducted our audit in accordance with good auditing practice in Finland. Good auditing practice requires that we plan and perform the audit to obtain reasonable assurance about whether the financial statements and the report of the Board of Directors are free from material misstatement, and whether the members of the Board of Directors of the parent company or the Managing Director are guilty of an act or negligence which may result in liability in damages towards the company or whether they have violated the Limited Liability Companies Act or the articles of association of the company.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements and the report of the Board of Directors. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements and report of the Board of Directors that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements and the report of the Board of Directors.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements and the report of the Board of Directors give a true and fair view of both the consolidated and the parent company's financial performance and financial position in accordance with the laws and regulations governing the preparation of the financial statements and the report of the Board of Directors in Finland. The information in the report of the Board of Directors is consistent with the information in the financial statements.

## ACCOUNTING PRINCIPLES

### Non-current assets

In this balance sheet, capital assets are listed as the difference between purchase price and accumulated planned depreciation.

Planned depreciation is calculated as a straight-line depreciation based on the useful life of the object.

The indicative useful lives on which the planned depreciation is based are as follows:

- machines and equipment	3-5 yrs
- other tangible assets	5 yrs

### Current assets

Receivables and liabilities have been valued at the nominal value.

FC amounts are translated for convenience into Indian Rupees at the exchange rate of Rs. 74.97 = FC 1 which is the average of the telegraphic transfer buying and selling rates quoted by the Mumbai Branch of State Bank of India.

## AUDITOR'S REPORT

To the Annual General Meeting of Kiinteistö Oy Kylpyläntorni 1

We have audited the accounting records, the financial statements, the report of the Board of Directors and the administration of Kiinteistö Oy Kylpyläntorni 1 for the year ended 31<sup>st</sup> March, 2016. The financial statements comprise the consolidated balance sheet, income statement and the notes to the consolidated financial statements, as well as the parent company's balance sheet, income statement and notes to the financial statements.

### Responsibility of the Board of Directors and the Managing Director

The Board of Directors and the Managing Director are responsible for the preparation of financial statements and report of the Board of Directors that give a true and fair view in accordance with the laws and regulations governing the preparation of financial statements and the report of the Board of Directors in Finland. The Board of Directors is responsible for the appropriate arrangement of the control of the company's accounts and finances, and the Managing Director shall see to it that the accounts of the company are in compliance with the law and that its financial affairs have been arranged in a reliable manner.

### Auditor's Responsibility

Our responsibility is to express an opinion on the financial statements, on the consolidated financial statements and on the report of the Board of Directors based on our audit. The Auditing Act requires that we comply with the requirements of professional ethics. We conducted our audit in accordance with good auditing practice in Finland. Good auditing practice requires that we plan and perform the audit to obtain reasonable assurance about whether the financial statements and the report of the Board of Directors are free from material misstatement, and whether the members of the Board of Directors of the parent company or the Managing Director are guilty of an act or negligence which may result in liability in damages towards the company or whether they have violated the Limited Liability Companies Act or the articles of association of the company.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements and the report of the Board of Directors. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements and report of the Board of Directors that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements and the report of the Board of Directors.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements and the report of the Board of Directors give a true and fair view of both the consolidated and the parent company's financial performance and financial position in accordance with the laws and regulations governing the preparation of the financial statements and the report of the Board of Directors in Finland. The information in the report of the Board of directors is consistent with the information in the financial statements.

## AUDITOR'S REPORT

To the Annual General Meeting of Kiinteistö Oy Spa Lofts 2

We have audited the accounting records, the financial statements, the report of the Board of Directors and the administration of Kiinteistö Oy Spa Lofts 2 for the year ended 31<sup>st</sup> March, 2016. The financial statements comprise the consolidated balance sheet, income statement and the notes to the consolidated financial statements, as well as the parent company's balance sheet, income statement and notes to the financial statements.

### Responsibility of the Board of Directors and the Managing Director

The Board of Directors and the Managing Director are responsible for the preparation of financial statements and report of the Board of Directors that give a true and fair view in accordance with the laws and regulations governing the preparation of financial statements and the report of the Board of Directors in Finland. The Board of Directors is responsible for the appropriate arrangement of the control of the company's accounts and finances, and the Managing Director shall see to it that the accounts of the company are in compliance with the law and that its financial affairs have been arranged in a reliable manner.

### Auditor's Responsibility

Our responsibility is to express an opinion on the financial statements, on the consolidated financial statements and on the report of the Board of Directors based on our audit. The Auditing Act requires that we comply with the requirements of professional ethics. We conducted our audit in accordance with good auditing practice in Finland. Good auditing practice requires that we plan and perform the audit to obtain reasonable assurance about whether the financial statements and the report of the Board of Directors are free from material misstatement, and whether the members of the Board of Directors of the parent company or the Managing Director are guilty of an act or negligence which may result in liability in damages towards the company or whether they have violated the Limited Liability Companies Act or the articles of association of the company.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements and the report of the Board of Directors. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements and report of the Board of Directors that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements and the report of the Board of Directors.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements and the report of the Board of Directors give a true and fair view of both the consolidated and the parent company's financial performance and financial position in accordance with the laws and regulations governing the preparation of the financial statements and the report of the Board of Directors in Finland. The information in the report of the Board of directors is consistent with the information in the financial statements.

## AUDITOR'S REPORT

To the Annual General Meeting of Kiinteistö Oy Spa Lofts 3

We have audited the accounting records, the financial statements, the report of the Board of Directors and the administration of Kiinteistö Oy Spa Lofts 3 for the year ended 31 March, 2016. The financial statements comprise the consolidated balance sheet, income statement and notes to the consolidated financial statements, as well as the parent company's balance sheet, income statement and notes to the financial statements.

### Responsibility of the Board of Directors and the Managing Director

The Board of Directors and the Managing Director are responsible for the preparation of financial statements and report of the Board of Directors that give a true and fair view in accordance with the laws and regulations governing the preparation of financial statements and the report of the Board of Directors in Finland. The Board of Directors is responsible for the appropriate arrangement of the control of the company's accounts and finances, and the Managing Director shall see to it that the accounts of the company are in compliance with the law and that its financial affairs have been arranged in a reliable manner.

### Auditor's Responsibility

Our responsibility is to express an opinion on the financial statements, on the consolidated financial statements and on the report of the Board of Directors based on our audit. The Auditing Act requires that we comply with the requirements of professional ethics. We conducted our audit in accordance with good auditing practice in Finland. Good auditing practice requires that we plan and perform the audit to obtain reasonable assurance about whether the financial statements and the report of the Board of Directors are free from material misstatement, and whether the members of the Board of Directors of the parent company or the Managing Director are guilty of an act or negligence which may result in liability in damages towards the company or whether they have violated the Limited Liability Companies Act or the articles of association of the company.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements and the report of the Board of Directors. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements and report of the Board of Directors that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements and the report of the Board of Directors.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements and the report of the Board of Directors give a true and fair view of both the consolidated and the parent company's financial performance and financial position in accordance with the laws and regulations governing the preparation of the financial statements and the report of the Board of Directors in Finland. The information in the report of the Board of directors is consistent with the information in the financial statements.

## AUDITOR'S REPORT

To the Annual General Meeting of Kiinteistö Oy Kuusamon Pulkkejärvi 1.

We have audited the accounting records, the financial statements, the report of the Board of Directors and the administration of Kiinteistö Oy Kuusamon Pulkkejärvi 1 for the year ended 31<sup>st</sup> March, 2016. The financial statements comprise the consolidated balance sheet, income statement and the notes to the consolidated financial statements, as well as the parent company's balance sheet, income statement and notes to the financial statements.

### Responsibility of the Board of Directors and the Managing Director

The Board of Directors and the Managing Director are responsible for the preparation of financial statements and report of the Board of Directors that give a true and fair view in accordance with the laws and regulations governing the preparation of the financial statements and the report of the Board of Directors in Finland. The Board of Directors is responsible for the appropriate arrangement of the control of the company's accounts and finances, and the Managing Director shall see to it that the accounts of the company are in compliance with the law and that its financial affairs have been arranged in a reliable manner.

### Auditor's Responsibility

Our responsibility is to express an opinion on the financial statements, on the consolidated financial statements and on the report of the Board of Directors based on our audit. The Auditing Act requires that we comply with the requirements of professional ethics. We conducted our audit in accordance with good auditing practice in Finland. Good auditing practice requires that we plan and perform the audit to obtain reasonable assurance about whether the financial statements and the report of the Board of Directors are free from material misstatement, and whether the members of the Board of Directors of the parent company or the Managing Director are guilty of an act or negligence which may result in liability in damages towards the company or whether they have violated the Limited Liability Companies Act or the articles of association of the company.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements and the report of the Board of Directors. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements and report of the Board of Directors that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements and the report of the Board of Directors.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements and the report of the Board of Directors give a true and fair view of both the consolidated and the parent company's financial performance and financial position in accordance with the laws and regulations governing the preparation of the financial statements and the report of the Board of Directors in Finland. The information in the report of the Board of directors is consistent with the information in the financial statements.

## ACCOUNTING PRINCIPLES

### Valuation principles

Tangible and intangible assets have been entered under acquisition costs and financial assets under nominal value. Revenues and expenses are amortised on an accruals basis.

4% of the buildings were written off during the financial year.

### Comparability of the previous financial year data

The reference figures used are from the 1.10.2013-30.9.2014 financial period, i.e. a twelve-month period. This shall be taken into account when comparing financial years.

The company belongs to the Holiday Club Resorts Oy group.

The parent company is Holiday Club Resorts Oy. Copies of the consolidated financial statements are available at the Holiday Club Resorts Group headquarters, Hitsaajankatu 22, 00810 Helsinki.

FC amounts are translated for convenience into Indian Rupees at the exchange rate of Rs. 74.97 = FC 1 which is the average of the telegraphic transfer buying and selling rates quoted by the Mumbai Branch of State Bank of India.

### Responsibility of the Board of Directors and the Managing Director

The Board of Directors and the Managing Director are responsible for the preparation of financial statements and report of the Board of Directors that give a true and fair view in accordance with the laws and regulations governing the preparation of the financial statements and the report of the Board of Directors in Finland. The Board of Directors is responsible for the appropriate arrangement of the control of the company's accounts and finances, and the Managing Director shall see to it that the accounts of the company are in compliance with the law and that its financial affairs have been arranged in a reliable manner.

### Auditor's Responsibility

Our responsibility is to express an opinion on the financial statements, on the consolidated financial statements and on the report of the Board of Directors based on our audit. The Auditing Act requires that we comply with the requirements of professional ethics. We conducted our audit in accordance with good auditing practice in Finland. Good auditing practice requires that we plan and perform the audit to obtain reasonable assurance about whether the financial statements and the report of the Board of Directors are free from material misstatement, and whether the members of the Board of Directors of the parent company or the Managing Director are guilty of an act or negligence which may result in liability in damages towards the company or whether they have violated the Limited Liability Companies Act or the articles of association of the company.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements and the report of the Board of Directors. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements and report of the Board of Directors that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements and the report of the Board of Directors.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements and the report of the Board of Directors give a true and fair view of both the consolidated and the parent company's financial performance and financial position in accordance with the laws and regulations governing the preparation of the financial statements and the report of the Board of Directors in Finland. The information in the report of the Board of directors is consistent with the information in the financial statements.

## AUDITOR'S REPORT

**To the annual meeting of the shareholders of Ownership Service Sweden AB, corporate identity number 556676-0327.**

Report on the annual accounts

We have audited the annual accounts of Ownership Services Sweden AB for the financial year 2014.10.01-2016.03.31.

### **Responsibilities of the Board of Directors and the Managing Director for the annual accounts**

The Board of Directors and the Managing Director are responsible for the preparation and fair presentation of these annual accounts in accordance with the Annual Accounts Act, and for such internal control as the Board of Directors and the Managing Director determine is necessary to enable the preparation of annual accounts that are free from material misstatement, whether due to fraud or error.

### **Auditor's responsibility**

Our responsibility is to express an opinion on these annual accounts based on our audit. We conducted our audit in accordance with International Standards on Auditing and generally accepted auditing standards in Sweden. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the annual accounts are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the annual accounts. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the annual accounts, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the company's preparation and fair presentation of the annual accounts in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Directors and the Managing Director, as well as evaluating the overall presentation of the annual accounts.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### **Opinions**

In our opinion, the annual accounts have been prepared in accordance with the Annual Accounts Act and present fairly, in all material respects, the financial position of Ownership Service Sweden AB as of March 31, 2016 and of its financial performance for the year then ended in accordance with the Annual Accounts Act. The statutory administration report is consistent with the other parts of the annual accounts.

We therefore recommend that the annual meeting of shareholders adopt the income statement and balance sheet.

### **Report on other legal and regulatory requirements**

In addition to our audit of the annual accounts, we have also audited the proposed appropriations of the company's profit or loss and the administration of the Board of Directors and the Managing Director of Ownership Service Sweden AB for the year the financial year 2014.10.01-2016.03.31.

### **Responsibilities of the Board of Directors and the Managing Director**

The Board of Directors is responsible for the proposal for appropriations of the company's profit or loss, and the Board of Directors and the Managing Director are responsible for administration under the Companies Act.

### **Auditor's responsibility**

Our responsibility is to express an opinion with reasonable assurance on the proposed appropriations of the company's profit or loss and on the administration based on our audit. We conducted the audit in accordance with generally accepted auditing standards in Sweden.

As a basis for our opinion on the Board of Directors' proposed appropriations of the company's profit or loss, we examined whether the proposal is in accordance with the Companies Act.

As a basis for our opinion concerning discharge from liability, in addition to our audit of the annual accounts, we examined significant decisions, actions taken and circumstances of the company in order to determine whether any member of the Board of Directors or the Managing Director is liable to the company. We also examined whether any member of the Board of Directors or the Managing Director has, in any other way, acted in contravention of the Companies Act, the Annual Accounts Act or the Articles of Association.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinions.

### **Opinions**

We recommend to the annual meeting of shareholders that the profit be appropriated in accordance with the proposal in the statutory administration report and that the members of the Board of Directors and the Managing Director be discharged from liability for the financial year.

## PRACTITIONER'S REVIEW REPORT

### To the Board of Directors of Holiday Club Resorts Oy

I have reviewed the financial statements of Holiday Club Canarias Investment S.L.U. for the financial period 1.4.2015-31.3.2016. The financial statements comprise balance sheet, the income statement and notes to the financial statements.

### Responsibility of the Board of Directors and the Managing Director

The Board of Directors and the Managing Director are responsible for the preparation of financial statements that give a true and fair view in accordance with the local laws and regulations governing the preparation of the financial statements. The Board of Directors is responsible for the appropriate arrangement of the control of the company's accounts and finances.

### Practitioner's responsibility

My responsibility is to express a conclusion on the financial statements. I conducted my review in accordance with International Standard on Review Engagements (ISRE) 2400 revised. ISRE 2400 (revised) requires me to conclude whether anything has come to my attention that causes me to believe that the financial statements, taken as a whole, are not prepared in all material respects in accordance with the local laws and regulations governing the preparation of the financial statements. The Auditing Act requires that I comply with the requirements of professional ethics.

A review of financial statements in accordance with ISRE 2400 (revised) is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity as appropriate, and applies analytical procedures, and evaluates the evidence obtained.

The procedures performed are substantially less than those performed in an audit conducted in accordance with auditing standards. Accordingly, I do not express an audit opinion on the financial statements.

### Conclusion

Based on my review, nothing has come to my attention that causes me to believe that these financial statements do not give true and fair view of the financial performance and financial position in accordance with local laws and regulations governing the preparation of the financial statements.

The above review has been conducted at the request of Holiday Club Resort Oy's management for the purpose of consolidation of the company's financial statements with that of Holiday Club Resort Oy.

## 2015/2016 ABRIDGED FINANCIAL REPORT

### 1. THE COMPANY'S BUSINESS

HOLIDAY CLUB CANARIAS INVESTMENT, S.L.U. was set up as a limited corporation on December 9, 2010, before the Notary Public Valentín Concejo Arranz, Member of the Guild of Notaries of the Canary Islands, whose offices are located in Maspalomas, under his Protocol Number 1522.

On March 3, 2011, it acquired its current status as a Sole Proprietor Limited Liability Company and on July 22nd, 2011, a corporate decision was notarised in which the accounting year initially established in the Corporate By-Laws was changed to the current system.

The main corporate mission comprises the acquisition, promotion, construction, urbanisation, management, operation, holding, use, enjoyment of, yielding of, business management of any type, or property, buildings, tourist complexes, hotels, and /or agricultural land in the country or urban areas and personal rights or rights in rem of real-estate property including its conveyance, whether in its entirety or partially, per apartment or by means of the sale of or assignment of rotational enjoyment rights, timeshare or any other kind of rights to use.

The Corporate offices are located at Avenida Ministra Anna Lindh 1, Urb. Amadores, in the municipality of Mogán (Gran Canaria).

### 2. BASIS USED FOR THE PRESENTATION OF THE ANNUAL ACCOUNTS

The figures contained in the balance sheet, in the Profit & Loss Account and in this Report are expressed in Euros, which, upon being rounded out, cause small differences in their presentation.

Foreign Currency amounts are translated for convenience into Indian Rupees at the exchange rate of Rs. 74.97 = FC: EUR1 which is the average of the telegraphic transfer buying and selling rates quoted by the Mumbai Branch of State Bank of India on 31st March 2016.

#### True and Fair View

The attached Annual Accounts, obtained from the Company's corporate accounts, are presented according to Spanish Royal Decree 1514/2007 in which the General Accounting Plan of Spain was approved, reflecting, therefore, a faithful view of the equity, the financial situation and the Company's Profit & Loss, according to the generally accepted accounting practices and regulations.

#### Non-Mandatory Accounting Principles Applied:

During this Financial Year, only those Accounting Principles mandatory according to the Spanish Business Code and the Small & Medium Companies General Accounting Plan have been applied.

The Administrative Body has formulated these Annual Accounts, taking into account all mandatory accounting regulations and principals which carry a significant effect.

There is no principle which, if mandatory, has not been applied.

#### Critical Aspects in the Valuation and Judgement of Uncertainty

In the drafting of Annual Accounts for the financial year ending on March 31, 2016, it was not necessary for the Corporate Administrative Body to use any estimates to appraise assets, liabilities and expenses.

On the other hand, the Administrative Body is not aware of any uncertainties relative to conditions from which any doubts could arise, regarding the fact that the company is still operating normally. Therefore, the Annual Accounts have been prepared by the Administrative Body following the principals of a functioning company.

#### Comparison of the Information

For the purposes of the obligation established in Article 35.6 of the Spanish Business Code and to those effects derived from the application of the principles of uniformity and the requirement of comparability in Abridged Annual Accounts, not only do the data reflect the Financial Period ending on March 31, 2016, but the figures corresponding to the previous Financial Period ending on September 30, 2015.

However, it is important to point out that the figures corresponding to the Financial Year ending on September 30, 2015 will not be comparable, since the Financial Period ending on March 31, 2016 only covered 6 months and the previous period covered twelve months. This is due to the fact that the shareholders passed a resolution in which they decided to modify the Financial Period, in order for it to start every April 1 of each year. This is why the Financial Period 2015/2016 only covered 6 months.

Said accounting balances were drafted according to the regulations established in Royal Decree 1514/2007, in which the Spanish General Accounting Plan was approved, therefore they need not be standardised to compare them.

#### Elements gathered in several headings

There are no assets or liabilities included under two or more headings on the Corporate Balance.

#### Changes to Accounting Criteria

During the financial period, no changes in accounting criteria significant to those applied in the previous financial period have occurred, and there is no impact at all to the net assets and liabilities of the company.

#### Correction of inaccuracies

During the financial period, no adjustments have been made to correct any errors.

#### Currency exchange rate

Foreign Currency amounts are translated for convenience into Indian Rupees at the exchange rate of Rs. 74.97 = FC: EUR1 which is the average of the telegraphic transfer buying and selling rates quoted by the Mumbai Branch of State Bank of India on 31<sup>st</sup> March 2016.

### 3. APPLICATION OF EARNINGS

The company's Administrators will propose at the Annual General Meeting, not to distribute results, due to the losses incurred in the financial year ending on March 31, 2016 of the amount of 1,263 Euros (94,687 Rupees). Said losses shall be compensated by the company's future profits.

#### Dividends on Account

The Company has not agreed to distribute dividends on account in the current financial period.

#### Limitations to the distribution of Dividends.

The distribution of earnings complies with requirements and limitations established in the company's By-laws and current legal regulations in effect.

### 4. RECOGNITION AND MEASUREMENT

The main rules used by the company for the drafting of their financial period Annual Accounts, according to those established in the Spanish General Accounting Plan were the following:

#### Intangible Assets

In general, intangible assets are valued initially at their acquisition price or production cost. Thereafter, they are valued at their cost adjusted by the corresponding accrued amortization and, if the case, by depreciation due to any wear and tear they could have suffered.

#### Fixed Assets

Fixed assets are valued at the purchase price, net of its corresponding accrued amortisation and if the case, by depreciation due to any wear and tear they could have suffered.

In addition to the price paid for the acquisition of each element, the acquisition cost includes the finance charges accrued during construction periods directly attributable to the acquisition or construction of the asset, as long as more than one year was needed to put it into usable condition.

Conservation and maintenance costs incurred during the financial year shall be charged to the Profit & Loss account.

Enlargement or improvements that extend the useful life of the assets are capitalised as an increased value of it.

The company depreciates its fixed assets following the straight-line method, distributing the cost of assets amongst the years of its estimated useful life.

#### Real-estate Investments

The heading "Real-estate Investments" of the Balance sheet, includes the value of land and buildings which are being maintained for their management and lease or to obtain profit from their sale as a consequence of increases produced in future in their respective market prices.

The company depreciates its Real-estate investments following the straight-line method, distributing the cost of assets amongst the years of useful life.

#### Financial Assets

Those assets consisting of cash, equity instruments in other companies or contracted rights to receive cash or other financial assets have been considered financial assets. Contractual rights to exchange financial assets or liabilities with third parties in potentially favourable conditions have also been included.

Financial assets, for their valuation, have been classified in the following categories:

- Financial assets at amortised cost: the category of financial assets includes on one hand, loans for trade receivables from the sale of goods and services provided for the company's trade operations and on the other hand, other financial assets which, while they are not equity instruments or derivatives, did not arise from trade and their collection is for specific or specifiable amounts. The financial assets included in this category have been valued initially by their cost which equals the reasonable value of the compensation delivered plus transaction costs.
- Financial assets held for negotiation: The Company has included in this section, those financial assets which arose from or were acquired for the purpose of reselling them short-term, or financial assets that are part of a portfolio of financial instruments for the purpose of achieving profits in the short-term. Derivative financial assets without contractual financial guarantee and without having been designated as a hedging instrument, have also been included
- Financial assets at amortised cost: In this category, investment in the equity of companies in the group, multi-group and affiliated companies have been included, as well as other equity instruments not included in the category "Financial Assets held for trading". These financial assets were initially valued at cost, that is, the reasonable value of the compensation delivered plus transaction costs directly attributable to them.

The criteria applied to determine the existence of impairment were different according to the category of each financial asset:

- Financial assets at amortised cost: At least at the closing of the financial period, the existence of objective evidence that the value of a financial asset or a group of financial assets with similar risk characteristics, were impaired as a result of one or more events that occurred after their initial recognition and that have caused a reduction in estimated future cash-flow. The loss by impairment of the value of these financial assets have been the difference between the book-value and the current value of the future estimated cash-flow generated. The current values of the cash-flows have been substituted, where the case may be, for the market value of the asset, where it is sufficiently reliable. Value corrections due to impairment, as well as its reversal, have been recognised as an expense or income in the profit and loss account.
- Financial assets held for trade: Following their initial assessment, this type of assets have been valued at their reasonable value without deducting transaction costs which may have been incurred during their conveyance. Any changes to the reasonable value have been attributed to the financial period's Profit & Loss Account.
- Financial Assets at cost: at least at the closing of the financial period, the existence of objective evidence was verified, that the book-value of some investments has not been recoverable. The amount of the value correction was the difference between the book-value and the recoverable amount. Assessment corrections for impairment and their reversal have been recorded as an expense or income in the period's profit and loss account.

The company has derecognised financial assets when they or a part of them reached their termination or the contractual rights were assigned as long as the grantor had relinquished the risks and profits inherent in the ownership of said asset. In the assignment operations in which the financial asset has not been derecognised, an additional financial liability derived from the amounts received, has been recorded.

Investments which have complied with the requirements established in Regulation 11 of the drafting of the Annual Accounts have been recorded in the category "Group Company Investments". This type of investments have been initially recorded at their cost value and later also at the cost, less where applicable, the amount accrued in value corrections due to impairment.

At least at the end of the financial period, the necessary value adjustments were made, as long as objective evidence existed that the book-value of an investment was not recoverable. The amount of the value adjustment shall be the difference between book-value and the recoverable amount. Value adjustments for impairment and any reversal have been recorded as an expense or income respectively, in the Profit & Loss Account. The reversal of the impairment is limited by the book-value of the investment which shall be recognised at the date of reversal if the impairment of the value had not been recorded.

Financial asset interest and dividends after the moment of their acquisition have been recognised as income in the Profit & Loss Account. Interest has been recognized using the effective interest method and dividends where the shareholder's right to collect them was declared.

#### Financial Liabilities

Those liabilities that have meant a direct or indirect contractual obligation for the company, for the delivery of cash or any other financial assets or the exchange of financial assets or liabilities with third parties in potentially unfavourable conditions or which grant the holder the right to demand the issuer to redeem them at a certain date and for a certain amount, have been classified as Financial liabilities.

Financial liabilities, for the purpose of their appraisal, have been classified in the following categories:

- Financial liabilities at amortised cost: debits for trade operations which originated in the purchase of goods and services for the company's business transaction and debits for non-commercial operations which are not derivative instruments and do not originate in trade, have been included as financial liabilities, and were initially assessed at their cost, which equals the reasonable value for the compensation received, adjusted by the transaction expenses directly attributable to them.
- Financial liabilities held for trade: the company has included in this section, derivative financial instruments as long as they are not financial warrantee contracts nor have been designated as hedging instruments. These finance liabilities have been assessed originally at their cost, which is equivalent to the reasonable value of the compensation received, adjusted by the transaction costs directly attributable to them.

The Company has derecognised financial liabilities or a part of them, when the obligation has been terminated. Those financial liabilities acquired by the Company, even with the intention of relocating them in future have also been derecognised. The difference between the book-value of liabilities and the compensation paid, including attributable transaction expenses, have been recognised in the profit and loss account of the period in which they took place.

#### Inventories

The assets comprising Inventory have been valued according to their acquisition price, understanding such to be the one established on the invoice plus all additional costs produced until the moment said goods reach the storage room, comprising transportation, customs fees etc. Any value corrections made at the end of the financial year should the corresponding market or any other value is lower than that of the purchase price, have also been taken into consideration.

Where a value has been assigned to specific items that are part of an inventory of goods exchangeable amongst themselves, the Company has opted to, as a general rule, apply the average

price method or the weighted average price. The FIFO method has also been accepted by the Company.

When the net realizable value of the inventories is lower than its purchase price, the Company has carried out the appropriate value corrections, recognising them as an expense on the Profit & Loss account. Once the circumstances that caused the value correction to said stock have ceased to exist, the amount of the correction shall be reversed, recognising it as income into the Profit & Loss account.

#### Tax on Profits

In general, a liability has been recognised as a deferred tax on all taxable temporary differences. Deferred tax assets, according to the precautionary principle, have been recognised as such insofar as it seems probable that the Company has used future tax earnings which allow the application of these assets. If the preceding condition were fulfilled, in general terms it would be considered a deferred tax asset when: there have been deductible temporary differences, rights to off-set in subsequent years, tax losses and deductions and other tax advantages not used, which are pending application for tax purposes.

Deferred Tax Assets and Liabilities have been valued according to the expected taxation types at the moment of their reversal, according to the regulations current or approved and pending publication at the time the financial year comes to a close and according to the manner in which the recovery or payment of the asset or liability has rationally been foreseen.

#### Income and Expenses

Income has been recognised as a consequence of an increase in the Company's resources, as long as its amount has been determined reliably. Expenses have been recognized as a consequence of a decrease in the Company's resources, as long as their amount has also been reliably appraised or estimated.

Income for services rendered have been recognised when the result of the transaction has been reliably estimated, considering the percentage of the service carried out at the closing of the financial period. Only income for services rendered under the following conditions have been accounted for: when the amount of the income has been reliably appraised, as long as the Company has obtained profits or performance from the transaction and it has been reliably assessed at the closing of the period and lastly, when the expenses incurred in the rendering of the service, including those to be incurred, have been reliably assessed.

#### Provisions and Contingencies

The Company has recognised as provisions those liabilities which, complying with the definition and accounting records and the criteria of accounting records within the conceptual framework of accounting, that have resulted undetermined with regard to their amount or the date on which they shall be cancelled. Said provisions have been determined by a legal, contractual precept or an implicit or tacit obligation.

Provisions have been valued on the date of closing the financial period, at the current value or the highest possible

estimate of the amount required to cancel or transfer the obligation to a third party, recording the provision as a finance charge as it has been accrued. In cases of provisions with an expiry of a year or less, no type of discount has been made.

#### Transactions between related parties

The Company has valued trade and financial operations carried out with related parties or companies at market rates. In addition, transfer prices have been adequately borne, therefore the Administrative body does not consider there to be any significant risks derived from this matter, from which liabilities or any consideration may arise in the future.

### **5. INTANGIBLE AND TANGIBLE FIXED ASSETS AND REAL ESTATE INVESTMENTS**

#### Tangible Fixed Assets

There is no amount accounted for under this heading.

#### Intangible Fixed Assets

There is no amount accounted for under this heading.

#### Real-estate Investments

At the beginning of the period closing on March, 31st 2016, the Company had not recorded any real-estate investments.

#### Financial Lease

At the closing of the period, there is no provision for this heading.

### **6. FINANCIAL ASSETS**

#### Values and types of Assets

Financial instruments have been classified according to the nature and function they fulfil in Company. The Company's financial assets have shown the following book values:

Notwithstanding the aforesaid, the Company is taxed within a group in which it is the parent company, subject to the special tax system of consolidated taxation. The generated taxable income that would be offset in future periods is compensated with positive taxable bases generated in the Group.

Loans between companies in the Group to cover negative taxable bases, have been recorded in the Company's accounting.

As per current legislation, taxes cannot be considered to have been settled until the returns presented have been inspected by the Revenue Service or the four-year statute of limitations has passed.

Therefore, at the date of closing, the Company has all taxes applicable corresponding to the last four years, including its Corporate Tax for the period 2015/2016, available for inspection.

The Administrative body of the Company considers that the abovementioned taxes have all been adequately settled, for which, even in the event of discrepancies in the interpretation of current regulations in the fiscal treatment practised on the operations, possible resulting liabilities, in the event they should materialise, would not significantly affect the attached abridged yearly accounts.

#### Profits or Tax Incentives

In the settlement of Corporate Taxes corresponding to the period 2015/2016, the Company has not applied any tax incentives.

## AUDITOR'S REPORT

**To the annual meeting of the shareholders of Holiday Club Sport and Spa Hotels AB, corporate identity number 559032-5733.**

Report on the annual accounts

We have audited the annual accounts of Holiday Club Sport and Spa Hotels AB for the financial year 2015.10.29-2016.03.31.

### **Responsibilities of the Board of Directors and the Managing Director for the annual accounts**

The Board of Directors and the Managing Director are responsible for the preparation and fair presentation of these annual accounts in accordance with the Annual Accounts Act, and for such internal control as the Board of Directors and the Managing Director determine is necessary to enable the preparation of annual accounts that are free from material misstatement, whether due to fraud or error.

### **Auditor's responsibility**

Our responsibility is to express an opinion on these annual accounts based on our audit. We conducted our audit in accordance with International Standards on Auditing and generally accepted auditing standards in Sweden. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the annual accounts are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the annual accounts. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the annual accounts, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the company's preparation and fair presentation of the annual accounts in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Directors and the Managing Director, as well as evaluating the overall presentation of the annual accounts.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### **Opinions**

In our opinion, the annual accounts have been prepared in accordance with the Annual Accounts Act and present fairly, in all material respects, the financial position of Holiday Club Sport and Spa Hotels AB as of March 31, 2016 and of its financial performance for the year then ended in accordance with the Annual Accounts Act. The statutory administration report is consistent with the other parts of the annual accounts.

We therefore recommend that the annual meeting of shareholders adopt the income statement and balance sheet.

### **Report on other legal and regulatory requirements**

In addition to our audit of the annual accounts, we have also audited the proposed appropriations of the company's profit or loss and administration of the Board of Directors and the Managing Director of Holiday Club Sport and Spa Hotels AB for the year the financial year 2015.10.29-2016.03.31.

### **Responsibilities of the Board of Directors and the Managing Director**

The Board of Directors is responsible for the proposal for appropriations of the company's profit or loss, and the Board of Directors and the Managing Director are responsible for administration under the Companies Act.

### **Auditors Responsibility**

Our responsibility is to express an opinion with reasonable assurance on the proposed appropriations of the company's profit or loss and on the administration based on our audit. We conducted the audit in accordance with generally accepted auditing standards in Sweden.

As a basis for our opinion on the Board of Director's proposed appropriations of the company's profit or loss, we examined whether the proposal is in accordance with the Companies Act.

As a basis for our opinion concerning discharge from liability, in addition to our audit of the annual accounts, we examined significant decisions, actions taken and circumstances of the company in order to determine whether any member of the Board of Directors or the Managing Director is liable to the company. We have also examined whether any member of the Board of Directors or the Managing Director has, in any other way, acted in contravention of the Companies Act, the Annual Accounts Act or the Articles of Association.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinions.

### **Opinions**

We recommend to the annual meeting of shareholders that the profit be appropriated in accordance with the proposal in the statutory administration report and that the members of the Board of Directors and the Managing Director be discharged from liability for the financial year.

## INDEPENDENT AUDITOR'S REPORT ON FINANCIAL STATEMENTS

Translation of a report originally in Spanish based on our work performed in accordance with the audit regulations in force in Spain and prepared in accordance with the regulatory financial reporting framework applicable to the Company in Spain (see Note 2). In the event of a discrepancy, the Spanish language version prevails.

**To the shareholder of HOLIDAY CLUB CANARIAS SALES & MARKETING, S.L.U.:**

### Report on the Financial Statements

We have audited the accompanying financial statements of HOLIDAY CLUB CANARIAS SALES & MARKETING, S.L.U. ("the Company"), which comprise the balance sheet as at 31<sup>st</sup> March 2016, and the income statement, statement of cash flows and notes to the financial statements for the year then ended.

### Director's Responsibility for the Financial Statements

The Director is responsible for preparing the accompanying financial statements so that they present fairly the equity, financial position and results of HOLIDAY CLUB CANARIAS SALES & MARKETING, S.L.U. in accordance with Financial Reporting Standards applicable to the Company in Spain, identified in Note 2.1 to the accompanying financial statements, and for such internal control as the director determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on the financial statements based on our audit. We conducted our audit in accordance with the audit regulations in force in Spain. Those regulations require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the preparation by the Company's director of the financial statements in order to design audit

procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the accompanying financial statements presents fairly, in all material respects, the equity and financial position of HOLIDAY CLUB CANARIA SALES & MARKETING, S.L.U. as at 31<sup>st</sup> March 2016, and its results and its cash flows for the year then ended in accordance with Financial Reporting Standards as applicable to the Company in Spain.

### Report on Other Legal and Regulatory Requirements

The accompanying director's report for 2015-2016 contains the explanations which the Company's directors consider appropriate about the Company's situation, the evolution of its business and other matters, but is not an integral part of the financial statements. We have checked that the accounting information in the directors' report is consistent with that contained in the financial statements for 2015-2016. Our work as auditors was confined to checking the directors' report with the aforementioned scope, and did not include a review of any information other than that drawn from the accounting records of HOLIDAY CLUB CANARIAS SALES & MARKETING, S.L.U.

# ANNUAL REPORT CORRESPONDING TO THE FINANCIAL PERIOD ENDING MARCH 31, 2016

## 1. THE COMPANY'S BUSINESS ACTIVITY

- 1.1. HOLIDAY CLUB CANARIAS SALES & MARKETING, S.L.U. was founded as a limited corporation on December 9th, 2010, before the Notary Public of the Guild of the Canary Islands, whose office is located in Maspalomas, Mr. Valentín Concejo Arranz, under his Protocol number 1524. On March, 3, 2011, the Company acquired its current condition as a Sole Proprietor Limited Liability Company.
- 1.2. Its main corporate mission comprises the acquisition, promotion, construction, urbanisation, management, operation, holding, use, enjoyment of, yielding of, business management of any type, or property, buildings, tourist complexes, hotels, and /or agricultural land in the country or urban areas and personal rights or rights in rem of real-estate property including its conveyance, whether in its entirety or partially, per apartment or by means of the sale of or assignment of rotational enjoyment rights, timeshare or any other kind of rights to use. The main activity is the sale of rotational enjoyment rights of holiday units in the five resorts called Playa Amadores, Sol Amadores, Vista Amadores, Jardín Amadores and Puerto Calma, as well as the management of a theme park in the municipality of Mogán, in Gran Canaria.
- 1.3. The Corporate offices are located at Avenida Anna Lindh, número 1, Urbanización Amadores, in the municipality of Mogán (Gran Canaria).
- 1.4. The financial year, between April 1st until March 31st of the following year, has been fixed according to the Group that belongs to, explained in the following note. However, during this financial year has been a change of financial year as indicated in the note 2.3 of this document.
- 1.5. The Company is a part of a Group whose parent Company is HOLIDAY CLUB CANARIAS INVESTMENT, S.L.U., headquartered at Avenida Ministra. Anna Lindh, number 1, Urbanización Amadores, in the municipality of Mogán (Gran Canaria). Said company does not present yearly consolidated accounts, because it is not mandatory for it to do so. This Spanish Group is integrated in a higher one, which the parent company is Holiday Club Resorts Oy, located in Finland, which presents yearly consolidated accounts.
- 1.6. On April 6<sup>th</sup>, 2011 the Public Deed was signed, by means of which the Company, together with its related company HOLIDAY CLUB CANARIAS RESORT MANAGEMENT, S.L.U., acquired the business of the five tourist complexes which they are currently operating. In said acquisition, the Company was assigned the unsold weeks, which were recorded in the inventory for the amount of 3,730,000 Euros (279,638,100 Rupees); the rights to client's' loans recorded as financial assets for the amount of 2,251,656 Euros (168,806,650 Rupees), and the Goodwill corresponding to the main business of "Timeshare" for the amount of 1,967,742 Euros (147,521,617 Rupees). The remaining assets (real-estate property and goodwill from the administration and maintenance business) was assigned to the abovementioned related Company. On June 1<sup>st</sup>, 2012 a public Deed was also signed comprising a series of agreements related to the purchase of the business described above, which caused amongst other things, goodwill to be adjusted to 1,807,995 Euros (135,545,385 Rupees).

## 2. BASIS USED FOR THE PRESENTATION OF THE ANNUAL ACCOUNTS

The figures contained in the balance sheet, in the Profit & Loss Account, in the Statement of Changes to Equity, in the Cash-flow Statement and in this Report are expressed in Euros, which, upon being rounded out, cause small differences in their presentation.

Foreign Currency amounts are translated for convenience into Indian Rupees at the exchange rate of Rs. 74.97 = FC: EUR1 which is the average of the telegraphic transfer buying and selling rates quoted by the Mumbai Branch of State Bank of India on 31st March 2016.

These annual accounts are presented for approval to the Ordinary General Meeting of Members.

## 2.1. True and Fair View

The annual accounts are obtained from the Company's accounting records and have been presented according to the regulations set out in Law 16/2007 of July 4, on the revised and adapted mercantile accounting legislation to harmonise it internationally on the basis of the European Union and by Royal Decree 1514/2007 of November 16, in which the General Accounting Plan was approved, in order to reflect a true and fair view of the Equity, the financial situation and the Company's Profit & Loss as well as the veracity of the streams incorporated into the Cash-flow, according to generally accepted accounting practices and regulations.

## 2.2. Critical Aspects in the Valuation and Judgement of Uncertainty

At the closing of the financial period, estimations were used in the drafting of the annual accounts such as: calculation of the impairment of assets, estimations of the useful life of the assets, amongst others. Due to future events, it is possible that additional information to that existing at the time the annual accounts were drafted require modifying these estimations in future periods.

There are no significant uncertainties relating to events or conditions which would raise significant doubts about the possibility of the Company continuing to operate normally.

## 2.3. Comparing Information

On February 1st, 2016 General Meeting of the Company in which it was agreed to modify the start and end dates of the financial year in the by-laws, establishing April 1 to March 31 of each year. Exceptionally, with respect to this financial period beginning on October 1, 2015, it was agreed to finalize on March 31, 2016.

However, it is important to point out that the figures corresponding to the Financial Year ending on September 30, 2015 will not be comparable, since the Financial Period ending on March 31, 2016 only covered 6 months (October 2015 to March 2016) and the previous period covered twelve months (October 2014 to September 2015). This is due to the fact that the shareholders passed a resolution in which they decided to modify the Financial Period, in order for it to start every April 1 of each year. This is why the Financial Period 2015/2016 only covered 6 months.

Foreign Currency amounts are translated for convenience into Indian Rupees at the exchange rate of Rs. 74.97 = FC: EUR1 which is the average of the telegraphic transfer buying and selling rates quoted by the Mumbai Branch of State Bank of India on 31st March 2016.

## 3. APPLICATION OF RESULTS

The proposal for the application of the results of the financial period ending March 31st, 2016 which the Administrators shall draw up for approval by the Members, together with the distribution approved for the period ending on September 30<sup>th</sup>, 2015, is as follows:

#### 4. RECOGNITION AND MEASUREMENT REGULATIONS

The main accounting principles and practices applied in the drafting of the Annual Accounts follow current legislation, highlighting as most important the principles of company operation, accrual, consistency, prudence, non-compensation and relative importance.

The most significant accounting criteria applied in the drafting of the Annual Accounts is the following ones:

##### 4.1. Intangible Fixed Assets

The intangible fixed assets are comprised of Goodwill and Computer applications which are valued at their acquisition price, including necessary additional expenses to get them up and running. The computer applications are amortised at 33 per cent according to their useful lives.

At the closing of the financial period, goodwill has been measured and no impairment has been identified, as it has been estimated that the recoverable value is higher than the accounting value.

##### 4.2. Tangible Fixed Assets

These have been appraised at their acquisition cost, including those additional costs necessary to put the assets into operation.

Maintenance and repair costs which do not improve the use of or extend the useful life of the assets are charged to the Profit and Loss account when they occur.

It is depreciated linearly depending on the useful life of assets and their residual value, according to the normal depreciation experienced during its operation, use and enjoyment, using as a reference point, the regulations contained in Law 27/2014 of November 27th, in which the Regulation of Corporate Taxes was approved, without prejudice to taking into consideration the technical or commercial obsolescence which could affect it. The percentages applied are the following:

Buildings	11.76%
Machinery	10.53 – 25%
Other installations	10.53 – 12%
Furniture	10 – 20 – 25%
IT Equipment	12.5 – 25%
Vehicles	11.76 – 16%
Other intangible assets	10 – 15%

The Company's administrators consider that the accounting value of these assets does not exceed their recoverable value.

##### 4.3. Financial Instruments

The Company's financial instruments are classified as:

- a) Loans and accounts receivable, including those loans for commercial or non-commercial operations. Those who's maturity is no longer than one year are valued at their face-value, because they do not have any contractual interest rate and the effect of not up-dating the cash-flow is not significant. Those whose maturity is over one year are measured at their reasonable value, equal to the value of the compensation delivered plus directly attributable transaction costs. Interests accrued are accounted for in the Profit & Loss Account, applying the Effective Interest Rate method.

Loss due to impairment of the value of these financial assets is the difference between their book value and the real value of future cash-flow estimated to be generated by them, less the effective interest rate calculated at the time of their initial recognition. The reversal of the impairment shall be limited by the loan's book value.

- b) Investments held until their maturity: The financial assets that the Company means to hold until their maturity has been included in this category. Their initial valuation is their reasonable value, which saving evidence to the contrary, shall be the price of the transaction plus those transaction costs directly attributable to them. Their subsequent valuation shall be measured at amortised cost. Interest shall be applied to the Profit and Loss Account at an effective interest rate. No corrections have been applied to their values.
- c) Debits and accounts payable, including debits from commercial operations and the amounts owed by non-commercial operations: They will initially be measured by their reasonable value, except

those debits which are for trade operations with a maturity of no more than one year and which do not bear any contractual interest, the amount of which is expected to be paid off short term, which are valued at their face value. Interest accrued is accounted for in the Profit and Loss Account, applying the effective interest rate method.

Financial instruments are classified as short and long-term, according to whether their maturity is less than or more than twelve months, respectively.

The Company has complied with requirements set out in the regulations relating to governing, recording and measurement of financial instruments.

##### 4.4. Inventories

The Company's commercial stocks correspond to rotational enjoyment rights of rooms in the possession of the Company and are valued at acquisition price.

The Company's Administrators consider that the book value of the inventories does not exceed their recoverable value.

##### 4.5. Transactions in Foreign Currency

The accounts mentioned in foreign currency are measured at the exchange rate in effect at the time of the transaction. Positive or negative differences occurring at the time of payment or collection as a consequence of monetary fluctuations are carried over to the Profit and Loss Account. At closing of the period, differences both positive and negative that did not occur are carried over to the Profit and Loss Account.

##### 4.6. Profit Tax

The Company pays tax under the Tax Consolidation System, according to what is set out in Chapter 7 of Royal Legislative Decree 4/2004 of March 5, in which the Revised Text of the Corporate Tax Law was approved. Holiday Club Canarias Investment is the parent Company which presents the correspondent settlement.

Following the Accrual Principle, profit tax has been charged as an income during the period. Current tax has been calculated per the financial results before taxes, adjusted by permanent differences and consolidation and decreased by applying deductions, as set out in the tax regulations in effect.

Income has also been accrued from deferred tax by activating tax credits at different times, originated in part by a fiscally non-deductible amortisation.

##### 4.7. Income and Expenses

Income and expenses are charged according to the actual stream of goods and services which they represent and regardless of when the monetary or financial flow deriving there from arises.

Revenue from sales and services performed will be measured at the fair value of the consideration received or receivable; the amount of any discount deducted, reduction in the price or other similar items that the company might grant. They are recognized when all the risks and significant benefits inherent in the ownership of the property have been transferred to the buyer.

Purchases and services incorporate taxes levied on the operation, with the exception of the VAT when deductible status is had.

##### 4.8. Provisions and Contingencies

Provisions are present obligations on the date of the balance sheet that have arisen as a result of past events; the amount and timing of cancellation are undetermined. Provisions are recorded at the current value of the estimated amount that the company will have to pay to settle the obligation in the future.

Contingent liabilities are potential liabilities arising as a result of past events, whose realization is contingent upon that happening or not, one or more future events independent of the will of the Company. Contingent liabilities, as well as the Provisions whose amount cannot be estimated reliably or it is not very likely that the Company must dispose of resources embodying profits, for their cancellation are not recognized for accounting purposes but are broken down in the Report.

##### 4.9. Personnel Expenses

Personnel expenses are recognised on the basis of their accrual, considering that bonus payments are accrued on a yearly basis. There are no commitments for pensions nor retirement bonuses in the Company.

4.10. Grants, Donations and Legacies

Capital grants, which are non-refundable, are recorded directly in Equity as revenue, excluding the tax effect and are attributed to the Financial Period's results in proportion to the allocation of depreciation in the period for the assets pertaining to the grant.

4.11. Criteria used in transactions between related parties

Transactions between related parties are accounted for, in general, by their reasonable value.

5. **INTANGIBLE FIXED ASSETS**

8.6. Information Regarding the Nature and Level of Risk from Financial Assets:

Due to its normal activity, the Company is exposed to different financial risks, essentially, credit risk, liquidity risk and market risk, the latter referring to the rate of exchange; of interest rates and other price risks.

Credit Risks:

This basically refers to sales on credit to clients and debtors. To prevent possible effects, credit granted to clients and debtors are granted based on a preliminary solvency study and strict follow-up of loans and receivables. The client base is quite diversified.

Liquidity Risk:

The Company tries to keep an adequate liquidity ratio at all times to be able to honour its commitments, ensuring that current assets not including inventories, shall reasonably cover the current payables.

Market Rate Risk:

Due to the Company's activity and scope, it is subject to exchange rate risks of the sales made in foreign currency, depending on the volatility of the exchange rates.

Interest rate risks are minimum, because the Company grants loans at a fixed interest rate.

9.2. Classification by Maturity:

Furthermore, on the occasion of the initial investment for the launch of the Angry Birds Park on November 1, 2013, jobs have been created which have determined an increase of the average total number of staff. This has resulted in the realization of the reserve due to the creation of jobs.

In particular, the increase to the average amount of staff pursuant to Article 27.4.C of Law 19/1994, July 6 and Article 10 of the Royal Decree of 1758/2007, was 10,56 employees.

During the financial period 2014/2015, the amount of 24,136 Euros (1,809,476 Rupees) is the average cost of the gross wages and compulsory social contributions of employees connected to the Park. Consequently, in accordance with Article 27.6 of Law 19/1994, the materialization of the reserve due to the increase of the number of employees at the initial investment, is 254,879 Euros (19,108,279 Rupees).

This investment, due to the creation of jobs materializes part of the reserve allocated in the Financial Period 2012/2013.

During the financial period 2015/2016, the Company has carried out the following investments: using the Reserve on the following assets and on the dates indicated in the following table. This table shows the Financial Period for which the provisions were materialised by type of asset is indicated:

Finally, it must be reported that the Company has not carried out investments prior the provision and it has not been benefited from any other tax benefit accrued at the time of the Investments made as a result of the realization of the RIC.

13.8. Financial Periods Open to the Possibility of a Tax Inspection

As set forth in current legislation, taxes cannot be considered definitively settled until the tax returns presented have been inspected by the tax authorities or the four-year statute of limitations has run out.

At the closing date, the company is also open to inspection of all the taxes that are applicable to it, corresponding to the last four years.

The Board of Directors of the Company considered that liquidations of the mentioned taxes have been properly settled, so, even though discrepancies could arise in the interpretation or the existing tax regulations by the handling of tax granted to the operations, the eventual resulting liabilities in case of materialisation would not significantly affect the annual accounts.

## **INDEPENDENT AUDITOR'S REPORT ON FINANCIAL STATEMENTS**

Translation of a report originally in Spanish based on our work performed in accordance with the audit regulations in force in Spain and prepared in accordance with the regulatory financial reporting framework applicable to the company in Spain (see Note 2). In the event of a discrepancy, the Spanish language version prevails.

To the shareholder of HOLIDAY CLUB CANARIAS RESORT MANAGEMENT, SLU:

### **Report on the Financial Statements**

We have audited the accompanying financial statements of HOLIDAY CLUB CANARIAS RESORT MANAGEMENT, SLU ("the company"), which comprise the balance sheet as at 31<sup>st</sup> March 2016, and the income statement, statement of cash flows and notes to the financial statements for the year then ended.

### **Director's Responsibility for the Financial Statements**

The Director is responsible for preparing the accompanying financial statements so that they present fairly the equity, financial position and results of HOLIDAY CLUB CANARIAS RESORT MANAGEMENT, SLU in accordance with Financial Reporting Standards applicable to the company in Spain, identified in Note 2.1 to the accompanying financial statements, and for such internal control as the director determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on the financial statements based on our audit. We conducted our audit in accordance with the audit regulations in force in Spain. Those regulations require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's

judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the preparation by the Company's director of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the accompanying financial statements presents fairly, in all material respects, the equity and financial position of HOLIDAY CLUB CANARIA RESORT MANAGEMENT, SLU as at 31<sup>st</sup> March 2016, and its results and its cash flows for the year then ended in accordance with Financial Reporting Standards, as applicable to the Company in Spain.

### **Report on Other Legal and Regulatory Requirements**

The accompanying director's report for 2015-2016 contains the explanations which the company's directors consider appropriate about the company's situation, the evolution of its business and other matters, but is not an integral part of the financial statements. We have checked that the accounting information in the directors' report is consistent with that contained in the financial statements for 2015-2016. Our work as auditors was confined to checking the directors' report with the aforementioned scope, and did not include a review of any information other than that drawn from the accounting records of HOLIDAY CLUB CANARIAS RESORT MANAGEMENT, SLU.

# ANNUAL REPORT CORRESPONDING TO THE FINANCIAL PERIOD ENDING MARCH 31, 2016

## 1. THE COMPANY'S BUSINESS ACTIVITY

- 1.1. HOLIDAY CLUB CANARIAS RESORT MANAGEMENT, S.L.U. was founded as a limited corporation on December 9, 2010, before the Notary Public of the Guild of the Canary Islands, whose office is located in Maspalomas, Mr. Valentín Concejo Arranz, under his Protocol number 1525. On March, 3, 2011, the Company acquired its current condition as a Sole Proprietor Limited Liability Company.
- 1.2. Its main corporate mission comprises the acquisition, promotion, construction, urbanisation, management, operation, holding, use, enjoyment of, yielding of, business management of any type, of property, buildings, tourist complexes, hotels, farms and/or agricultural land in the country or urban areas and personal rights or rights in rem of real-estate property including its conveyance, whether in its entirety or partially, per apartment or by means of the sale of or assignment of rotational enjoyment rights, timeshare or any other kind of rights to use. The main activity is the management of five hotel complexes (Playa Amadores, Sol Amadores, Vista Amadores, Jardín Amadores and Puerto Calma, as well as the lease of commercial premises.
- 1.3. The Corporate offices are located at Avenida Anna Lindh, number 1, Urbanización Amadores, in the municipality of Mogán in Gran Canaria.
- 1.4. The financial year, between 1st April until 31st March of the following year, has been fixed according to the Group that belongs to, explained in the following note. However, during this financial year has been a change of financial year as indicated in the note 2.3 of this document.
- 1.5. The Company is a part of a Group whose parent Company is HOLIDAY CLUB CANARIAS INVESTMENT, S.L.U., headquartered at Avenida Ministra. Anna Lindh, number 1, Urbanización Amadores, in the municipality of Mogán (Gran Canaria). Said company does not present yearly consolidated accounts, because it is not mandatory for it to do so. This Spanish Group is integrated in a higher one, which the parent company is Holiday Club Resorts Oy, located in Finland, which presents yearly consolidated accounts.
- 1.6. On April 6, 2011 the Public Deed was signed, by means of which the Company, together with its related company HOLIDAY CLUB CANARIAS SALES & MARKETING, S.L.U., acquired the business of the five tourist complexes which they are currently operating. In said acquisition, the Company was assigned property for the amount of 3,170,602 Euros (237,700,032 Rupees) and the administration and maintenance operations' Goodwill valued at 1,700,000 Euros (127,449,000 Rupees). The remaining assets (unsold weeks, customers' loan rights and goodwill corresponding to the main business of Timeshare) was assigned to the abovementioned related Company. On June 1, 2012 a public Deed was also signed comprising a series of agreements related to the purchase of the business described above.

## 2. BASIS USED FOR THE PRESENTATION OF THE ANNUAL ACCOUNTS

The figures contained in the Balance Sheet, in the Profit & Loss Account, in the Statement of Changes to Equity, in the Cash-flow Statement and in this Report are expressed in Euros, which, upon being rounded out, cause small differences in their presentation.

Foreign Currency amounts are translated for convenience into Indian Rupees at the exchange rate of Rs. 74.97 = FC: EUR1 which is the average of the telegraphic transfer buying and selling rates quoted by the Mumbai Branch of State Bank of India on 31st March 2016.

These annual accounts are presented for approval to the Annual General Meeting of Members.

### 2.1. True and Fair View

The annual accounts are obtained from the Company's accounting records and have been presented according to the regulations set out in Law 16/2007 of July 4, on the revised and adapted mercantile accounting legislation to harmonise it internationally on the basis of the European Union and by Royal Decree 1514/2007 of November 16, in which the

General Accounting Plan was approved, in order to reflect a true and fair view of the Equity, the financial situation and the Company's Profit & Loss as well as the veracity of the streams incorporated into the Cash-flow, according to generally accepted accounting practices and regulations.

### 2.2. Critical Aspects in the Valuation and Judgement of Uncertainty

At the closing of the financial period, estimations were used in the drafting of the annual accounts such as: calculation of the impairment of assets and estimations of the useful life of the assets, amongst others. Due to future events, it is possible that additional information to that existing at the time the annual accounts were drafted require modifying these estimations in future financial periods.

There are no significant uncertainties relating to events or conditions which would raise significant doubts about the possibility of the Company continuing to operate normally.

### 2.3. Comparing Information

On February 1, 2016 General Meeting of the Company in which it was agreed to modify the start and end dates of the financial year in the bylaws, establishing April 1 to March 31 of each year. Exceptionally, with respect to this financial period beginning on October 1, 2015, it was agreed to finalize on March 31, 2016.

However, it is important to point out that the figures corresponding to the Financial Year ending on September 30, 2015 will not be comparable, since the Financial Period ending on March 31, 2016 only covered 6 months (October 2015 to March 2016) and the previous period covered twelve months (October 2014 to September 2015). This is due to the fact that the shareholders passed a resolution in which they decided to modify the Financial Period, in order for it to start every April 1 of each year. This is why the Financial Period 2015/2016 only covered 6 months.

Foreign Currency amounts are translated for convenience into Indian Rupees at the exchange rate of Rs. 74.97 = FC: EUR1 which is the average of the telegraphic transfer buying and selling rates quoted by the Mumbai Branch of State Bank of India on 31st March 2016.

## 3. APPLICATION OF RESULTS

The proposal for the application of the results of the financial period ending March 31, 2016 which the Administrators shall draw up for approval by the Members, together with the distribution approved for the period ending on September 30, 2015, is as follows:

## 4. RECOGNITION AND MEASUREMENT REGULATIONS

The main accounting principles and practices applied in the drafting of the Annual Accounts, follow current legislation, highlighting the principles of company operation, accrual, consistency, prudence, non-compensation and relative importance as most significant.

The most significant accounting criteria applied in the drafting of the Annual Accounts are the following ones:

**4.1. Intangible Fixed Assets**

The intangible fixed assets are comprised of Goodwill.

At the closing of the financial period, goodwill has been measured and no impairment has been identified, as it has been estimated that the recoverable value is higher than the accounting value.

**4.2. Tangible Fixed Assets**

These have been measured at their acquisition cost, including those additional costs necessary to put the assets into operation.

Maintenance and repair costs which do not improve the use of or extend the useful life of the assets are charged to the Profit and Loss account when they occur.

It is depreciated linearly depending on the useful life of assets and their residual value, according to the normal depreciation experienced during operation, use and enjoyment, using as a reference point, the regulations contained in Law 27/2014 of November 27, in which the Regulation of Corporate Taxes was approved, without prejudice to taking into consideration the technical or commercial obsolescence which could affect it. The percentages applied are the following:

Buildings	3%
Machinery	12-50%
Other installations	8-12%
Furniture	10%
IT Equipment	25%
Other intangible assets	12-15%

The Company's administrators consider that the accounting value of these assets does not exceed their recoverable value.

**4.3. Real-estate Investments**

The Company classifies as Real-estate Investments, those buildings which are not being used for the production process and the profits from which are obtained through revenue from leases. The recording and measurement criteria are the same as applied to intangible fixed assets. They are amortised linearly and the percentage applied is 3 per cent.

The Company's administrators consider that the accounting value of these assets do not exceed their recoverable value.

**4.4. Financial Instruments**

The Company's financial instruments are classified as:

- a) Loans and accounts receivable, including those loans for commercial or non-commercial operations. Those whose maturity is no longer than one year are valued at their face-value, because they do not have any contractual interest rate and the effect of not up-dating cash-flow is not significant. Those whose maturity is over one year are measured at their reasonable value, which is equal to the value of the compensation delivered plus directly attributable transaction costs. Interest accrued is accounted for in the Profit & Loss Account, applying the Effective Interest Rate method.

Loss due to impairment of the value of these financial assets is the difference between their book value and the real value of future cash-flow estimated to be generated by them, less the effective interest rate calculated at the time of their initial recognition. The reversal of the impairment shall be limited by the loan's book value.

- b) Debits and accounts payable, including debits from commercial operations and the amounts owed by non-commercial operations: They will initially be measured by their reasonable value, except those debits which are for trade operations with a maturity of no more than one year and which do not bear any contractual interest, the amount of which is expected to be paid off short term, which are measured at their face value. Interest accrued is accounted for in the Profit and Loss Account, applying the Effective Interest Rate method.

Financial instruments are classified as short and long-term, according to whether their maturity is less than or more than twelve months, respectively.

The Company has complied with requirements set out in the regulations governing recording and measurement relating to financial instruments.

**4.5. Transactions in Foreign Currency**

Accounts mentioned in foreign currency are measured at the exchange rate in effect at the time of the transaction. Positive or negative differences occurring at the time of payment or collection as a consequence of monetary fluctuations are carried over to the Profit and Loss Account. At closing of the period, both positive and negative differences that did not occur are carried over to the Profit and Loss Account.

**4.6. Profit Tax**

The Company pays tax under the Tax Consolidation System, according to what is set out in Chapter 7 of Royal Legislative Decree 4/2004 of March 5, in which the Revised Text of the Corporate Tax Law was approved. Holiday Club Canarias Investment is the parent Company, which presents the correspondent settlement.

Following the Accrual Principle, profit tax has been charged as an expense during the period. Current tax has been calculated per the financial results before taxes, adjusted by permanent differences and consolidation and decreased by applying deductions, as set out in the tax regulations in effect.

Income and expense have also been accrued from deferred tax by activating tax credits at different times, originated in part by a fiscally non-deductible amortisation and short term provisions allocated in previous financial periods and which are respectively, tax deductible.

**4.7. Provisions and Contingencies**

Provisions are present obligations on the date of the balance sheet that have arisen as a result of past events; the amount and timing of cancellation are undetermined. Provisions are recorded at the current value of the estimated amount that the company will have to pay to settle the obligation in the future.

Contingent liabilities are potential liabilities arising as a result of past events, whose realization is contingent upon that happening or not, one or more future events independent of the will of the Company. Contingent liabilities, as well as the Provisions whose amount cannot be estimated reliably or it is not very likely that the Company must dispose of resources embodying profits, for their cancellation are not recognized for accounting purposes but are broken down in the Report.

**4.8. Income and Expenses**

Income and expenses are charged according to the actual stream of goods and services which they represent and regardless of when the monetary or financial flow deriving therefrom arises.

Revenue from sales and services performed will be measured at the fair value of the consideration received or receivable; the amount of any discount deducted, reduction in the price or other similar items that the company might grant. They are recognized when all the risks and significant benefits inherent in the ownership of the property have been transferred to the buyer.

Purchases and services incorporate taxes levied on the operation, with the exception of the VAT when deductible status exists.

**4.9. Personnel Expenses**

Personnel expenses are recognised on the basis of their accrual, considering that bonus payments are accrued on a yearly basis. There are no commitments for pensions nor retirement bonuses in the Company.

**4.10. Criteria used in transactions between related parties**

Transactions between related parties are accounted for, in general, by their reasonable value.

**5. INTANGIBLE FIXED ASSETS**

5.1. As indicated in Note 1.6, during the 2011 financial period the Company acquired the goodwill corresponding to the business of administration and maintenance for the amount of 1,700,000 Euros (127,449,000 Rupees). There were no transactions during the financial periods 2014/15 and 2015/16.

5.2. There is no evidence of impairment through March 31, 2016 on any of the elements in the Intangible Fixed Assets.

**Other Information**8.6 Reasonable Value

The book value of the financial assets is an acceptable approximation to the reasonable value.

Equity Instruments not being traded on an active market according to what is provided for in the 9th Rule of Recognition and Measurement of the Spanish New General Accounting Plan are valued at their cost.

8.7 Information Regarding the Nature and Level of Risk from Financial Assets

Due to its normal activity, the Company is exposed to different financial risks, essentially, credit risk, liquidity risk and market risk, the latter referring to the rate of exchange; of interest rates and other price risks.

Credit Risks:

This basically refers to sales on credit to clients and debtors. To prevent possible effects, credit to clients and debtors are granted based on a preliminary solvency study and strict follow-up of credits and receivables. The client base is quite diversified.

Liquidity Risk:

The Company tries to keep an adequate liquidity ratio at all times to be able to honour its commitments, ensuring that current assets not including inventories, shall reasonably cover the current payables.

Market Rate Risk:

Due to the Company's activity and scope, it is subject to exchange rate risks of the sales made in foreign currency, depending on the volatility of the exchange rates.

Interest rate risks are minimum, because the Company grants loans at a fixed interest rate.

The Company has not carried out investments prior to the provision and it has not been benefited from grants or any other tax benefit accrued at the time of the investment made as a result of the realization of the RIC.

#### 11.8 Financial Periods Open to the Possibility of a Tax Inspection

As set forth in current legislation, taxes cannot be considered definitively settled until the tax returns presented have been inspected by the tax authorities or the four-year statute of limitations has run out.

At the closing date, the company is also open to inspection of all the taxes that are applicable to it, corresponding to the last four years.

The Board of Directors of the Company considered that liquidations of the mentioned taxes has been properly settled, so, even though discrepancies could arise in the interpretation or the existing tax regulations by the handling of tax granted to the operations, the eventual resulting liabilities in case of materialisation would not significantly affect the annual accounts.

## AUDITOR'S REPORT

To the Annual General Meeting of Kiinteistö Oy Tunturinrivi.

We have audited the accounting records, the financial statements, the report of the Board of Directors and the administration of Kiinteistö Oy Tunturinrivi for the year ended March 31, 2016. The financial statements comprise the consolidated balance sheet, income statement and notes to the consolidated financial statements, as well as the parent company's balance sheet, income statement and notes to the financial statements.

### Responsibility of the Board of Directors and the Managing Director

The Board of Directors and the Managing Director are responsible for the preparation of financial statements and report of the Board of Directors that give a true and fair view in accordance with the laws and regulations governing the preparation of the financial statements and the report of the Board of Directors in Finland. The Board of Directors is responsible for the appropriate arrangement of the control of the company's accounts and finances, and the Managing Director shall see to it that the accounts of the company are in compliance with the law and that its financial affairs have been arranged in a reliable manner.

### Auditor's Responsibility

Our responsibility is to express an opinion on the financial statements, on the consolidated financial statements and on the report of the Board of Directors based on our audit. The Auditing Act requires that we comply with the requirements of professional ethics. We conducted our audit in accordance with good auditing practice in Finland. Good auditing practice requires that we plan and perform the audit to obtain reasonable assurance about whether the financial statements and the report of the Board of Directors are free from material misstatement, and whether the members of the Board of Directors of the parent company or the Managing Director are guilty of an act or negligence which may result in liability in damages towards the company or whether they have violated the Limited Liability Companies Act or the articles of association of the company.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements and the report of the Board of Directors. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements and report of the Board of Directors that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements and the report of the Board of Directors.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements and the report of the Board of Directors give a true and fair view of both the consolidated and the parent company's financial performance and financial position in accordance with the laws and regulations governing the preparation of the financial statements and the report of the Board of Directors in Finland. The information in the report of the Board of directors is consistent with the information in the financial statements.

## AUDITOR'S REPORT

For the general meeting of Caribia Service Oy, which is in liquidation.

We have audited the books and records, the financial statements, and administration of Caribia Service Oy, which was placed into liquidation on 4 January 2016, for the accounting period from 1 October 2014 to 31 March 2016. The financial statements include the statement of financial position, income statement and notes.

### Liquidator's responsibility

The liquidator is responsible for drawing up the final account and ensuring that it gives true and fair information in accordance with the regulations on drawing up a final account valid in Finland. The liquidator is responsible for organising the appropriate monitoring of the books and records and financial management, and for ensuring that the books and records are legal and that the financial management is organised in reliable manner.

### Auditor's Responsibility

It is our responsibility to provide an opinion on the financial statements and items required by the Limited Liability Companies Act based on the audit we have conducted. The Auditing Act requires us to adhere to the principles of professional ethics. We conducted the audit according to the good accounting practice observed in Finland. Good accounting practice requires us to plan and conduct an audit in order to obtain reasonable assurance of whether the financial statements or annual report contain material misstatements and whether members of the board, the chief executive officer or liquidator have perpetrated acts or derelictions that might result in indemnity liability to the company or have violated the Limited Liability Companies Act or the articles of association.

The audit involves procedures to obtain audit evidence on the figures and other information presented in the financial statements and annual report. The procedures are chosen

based on the auditor's judgement, which includes the assessment of the risks of material misstatement due to fraud or error. In the assessment of these risks, the auditor considers internal control that is significant to the company for the drawing up of financial statements and an annual report that give true and fair information. The auditor assesses the internal control in order to be able to plan audit procedures that are appropriate for the situation, but not for the purpose of giving an opinion on the effectiveness of the company's internal control. The audit also involves assessment of the appropriateness of the accounting policies applied, the reasonableness of the accounting estimates drawn up by the liquidator and the general presentation of the financial statements and annual report.

It is our understanding that we have obtained the necessary amount of appropriate audit evidence on which to base our opinion.

Opinion on the financial statements and annual report.

As our opinion, we present that the financial statements give true and fair information about the company's result and financial position in accordance with the regulations on drawing up financial statements valid in Finland.

Other statutory opinions.

It is our opinion that the liquidation has not been needlessly prolonged and that the liquidator has otherwise acted appropriately.

## PRACTITIONER'S REVIEW REPORT

### To the Board of Directors of Holiday Club Resorts Oy

I have reviewed the financial statements of Are Semesterby A AB for the financial period 1.1.2015 - 31.12.2015. The financial statements comprise balance sheet, the income statement and notes to the financial statements.

### Responsibility of the Board of Directors and the Managing Director

The Board of Directors and the Managing Director are responsible for the preparation of financial statements that give a true and fair view in accordance with the local laws and regulations governing the preparation of the financial statements. The Board of Directors is responsible for the appropriate arrangement of the control of the company's accounts and finances.

### Practitioner's responsibility

My responsibility is to express a conclusion on the financial statements. I conducted my review in accordance with International Standard on Review Engagements (ISRE) 2400 revised. ISRE 2400 (revised) requires me to conclude whether anything has come to my attention that causes me to believe that the financial statements, taken as a whole, are not prepared in all material respects in accordance with the local laws and regulations governing the preparation of the financial statements. The Auditing Act requires that I comply with the requirements of professional ethics.

A review of financial statements in accordance with ISRE 2400 (revised) is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity as appropriate, and applies analytical procedures, and evaluates the evidence obtained.

The procedures performed are substantially less than those performed in an audit conducted in accordance with auditing standards. Accordingly, I do not express an audit opinion on the financial statements.

### Conclusion

Based on my review, nothing has come to my attention that causes me to believe that these financial statements do not give true and fair view of the financial performance and financial position in accordance with local laws and regulations governing the preparation of the financial statements.

The above review has been conducted at the request of Holiday Club Resort Oy's management for the purpose of consolidation of the company's financial statements with that of Holiday Club Resort Oy.

## PRACTITIONER'S REVIEW REPORT

### To the Board of Directors of Holiday Club Resorts Oy

I have reviewed the financial statements of Are Semesterby B AB for the financial period 1.1.2015-31.12.2015. The financial statements comprise balance sheet, the income statement and notes to the financial statements.

### Responsibility of the Board of Directors and the Managing Director

The Board of Directors and the Managing Director are responsible for the preparation of financial statements that give a true and fair view in accordance with the local laws and regulations governing the preparation of the financial statements. The Board of Directors is responsible for the appropriate arrangement of the control of the company's accounts and finances.

### Practitioner's responsibility

My responsibility is to express a conclusion on the financial statements. I conducted my review in accordance with International Standard on Review Engagements (ISRE) 2400 revised. ISRE 2400 (revised) requires me to conclude whether anything has come to my attention that causes me to believe that the financial statements, taken as a whole, are not prepared in all material respects in accordance with the local laws and regulations governing the preparation of the financial statements. The Auditing Act requires that I comply with the requirements of professional ethics.

A review of financial statements in accordance with ISRE 2400 (revised) is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity as appropriate, and applies analytical procedures, and evaluates the evidence obtained.

The procedures performed are substantially less than those performed in an audit conducted in accordance with auditing standards. Accordingly, I do not express an audit opinion on the financial statements.

### Conclusion

Based on my review, nothing has come to my attention that causes me to believe that these financial statements do not give true and fair view of the financial performance and financial position in accordance with local laws and regulations governing the preparation of the financial statements.

The above review has been conducted at the request of Holiday Club Resort Oy's management for the purpose of consolidation of the company's financial statements with that of Holiday Club Resort Oy.

## PRACTITIONER'S REVIEW REPORT

### To the Board of Directors of Holiday Club Resorts Oy

I have reviewed the financial statements of Are Semesterby C AB for the financial period 1.1.2015-31.12.2015. The financial statements comprise balance sheet, the income statement and notes to the financial statements.

### Responsibility of the Board of Directors and the Managing Director

The Board of Directors and the Managing Director are responsible for the preparation of financial statements that give a true and fair view in accordance with the local laws and regulations governing the preparation of the financial statements. The Board of Directors is responsible for the appropriate arrangement of the control of the company's accounts and finances.

### Practitioner's responsibility

My responsibility is to express a conclusion on the financial statements. I conducted my review in accordance with International Standard on Review Engagements (ISRE) 2400 revised. ISRE 2400 (revised) requires me to conclude whether anything has come to my attention that causes me to believe that the financial statements, taken as a whole, are not prepared in all material respects in accordance with the local laws and regulations governing the preparation of the financial statements. The Auditing Act requires that I comply with the requirements of professional ethics.

A review of financial statements in accordance with ISRE 2400 (revised) is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries

of management and others within the entity as appropriate, and applies analytical procedures, and evaluates the evidence obtained.

The procedures performed are substantially less than those performed in an audit conducted in accordance with auditing standards. Accordingly, I do not express an audit opinion on the financial statements.

### Conclusion

Based on my review, nothing has come to my attention that causes me to believe that these financial statements do not give true and fair view of the financial performance and financial position in accordance with local laws and regulations governing the preparation of the financial statements.

The above review has been conducted at the request of Holiday Club Resort Oy's management for the purpose of consolidation of the company's financial statements with that of Holiday Club Resort Oy.

## PRACTITIONER'S REVIEW REPORT

### To the Board of Directors of Holiday Club Resorts Oy

I have reviewed the financial statements of Are Semesterby D AB for the financial period 1.1.2015-31.12.2015. The financial statements comprise balance sheet, the income statement and notes to the financial statements.

### Responsibility of the Board of Directors and the Managing Director

The Board of Directors and the Managing Director are responsible for the preparation of financial statements that give a true and fair view in accordance with the local laws and regulations governing the preparation of the financial statements. The Board of Directors is responsible for the appropriate arrangement of the control of the company's accounts and finances.

### Practitioner's responsibility

My responsibility is to express a conclusion on the financial statements. I conducted my review in accordance with International Standard on Review Engagements (ISRE) 2400 revised. ISRE 2400 (revised) requires me to conclude whether anything has come to my attention that causes me to believe that the financial statements, taken as a whole, are not prepared in all material respects in accordance with the local laws and regulations governing the preparation of the financial statements. The Auditing Act requires that I comply with the requirements of professional ethics.

A review of financial statements in accordance with ISRE 2400 (revised) is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries

of management and others within the entity as appropriate, and apply analytical procedures, and evaluates the evidence obtained.

The procedures performed are substantially less than those performed in an audit conducted in accordance with auditing standards. Accordingly, I do not express an audit opinion on the financial statements.

### Conclusion

Based on my review, nothing has come to my attention that causes me to believe that these financial statements do not give true and fair view of the financial performance and financial position in accordance with local laws and regulations governing the preparation of the financial statements.

The above review has been conducted at the request of Holiday Club Resort Oy's management for the purpose of consolidation of the company's financial statements with that of Holiday Club Resort Oy.

## AUDITOR'S REPORT

**To the annual meeting of the shareholders of Åre Villa 1 AB, corporate identity number 556996-2177.**

Report on the annual accounts

We have audited the annual accounts of Åre Villa 1 AB for the financial year 2014.12.16-2016.03.31.

### **Responsibilities of the Board of Directors and the Managing Director for the annual accounts**

The Board of Directors and the Managing Director are responsible for the preparation and fair presentation of these annual accounts in accordance with the Annual Accounts Act, and for such internal control as the Board of Directors and the Managing Director determine is necessary to enable the preparation of annual accounts that are free from material misstatement, whether due to fraud or error.

### **Auditor's responsibility**

Our responsibility is to express an opinion on these annual accounts based on our audit. We conducted our audit in accordance with International Standards on Auditing and generally accepted auditing standards in Sweden. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the annual accounts are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the annual accounts. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the annual accounts, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the company's preparation and fair presentation of the annual accounts in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Directors and the Managing Director, as well as evaluating the overall presentation of the annual accounts.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### **Opinions**

In our opinion, the annual accounts have been prepared in accordance with the Annual Accounts Act and present fairly, in all material respects, the financial position of Åre Villa 1 AB as of 31<sup>st</sup> March, 2016 and of its financial performance for the year then ended in accordance with the Annual Accounts Act. The statutory administration report is consistent with the other parts of the annual accounts.

We therefore recommend that the annual meeting of shareholders adopt the income statement and balance sheet.

Reports on other legal and regulatory requirements

In addition to our audit of the annual accounts, we have also audited the proposed appropriations of the company's profit or loss and the administration of the Board of Directors and the Managing Director of Åre Villa 2 AB for the year the financial year 2014.12.16-2016.03.31

### **Responsibilities of the Board of Directors and the Managing Director**

The Board of Directors is responsible for the proposal for appropriations of the company's profit or loss, and the Board of Directors and the Managing Director are responsible for administration under the Companies Act.

### **Auditor's Responsibility**

Our responsibility is to express an opinion with reasonable assurance on the proposed appropriations of the company's profit or loss and on the administration based on our audit. We conducted the audit in accordance with generally accepted auditing standards in Sweden.

As a basis for our opinion on the Board of Directors' proposed appropriations of the company's profit or loss, we examined whether the proposal is in accordance with the Companies Act.

As a basis for our opinion concerning discharge from liability, in addition to our audit of the annual accounts, we examined significant decisions, actions taken and circumstances of the company in order to determine whether any member of the Board of Directors or the Managing Director is liable to the company. We also examined whether any member of the Board of Directors or the Managing Director has, in any other way, acted in contravention of the Companies Act, the Annual Accounts Act or the Articles of Association.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinions.

### **Opinions**

We recommend to the annual meeting of shareholders that the profit be appropriated in accordance with the proposal in the statutory administration report and that the members of the Board of Directors and the Managing Director be discharged from liability for the financial year.

<b>Total</b> .....	<b>1,736,475</b>	<b>14,187,001</b>

The Board of Directors is authorised to resolve on the day of settlement.

#### Board of Directors' statement concerning the proposed distribution of profits

The proposed dividend reduces the Company's equity/assets ratio to 76.9 percent. Considering that the Company's operations continue to be run with profitability, the Company's equity/assets ratio is satisfactory. Liquidity in the Company is deemed to be maintainable on a similarly satisfactory level.

The Board's opinion is that the proposed dividend will not prevent the Company from fulfilling its short and long-term obligations, nor from making necessary investments. The proposed dividend can thereby be justified with reference to the provisions of the Swedish Companies Act, Chapter 17, Section 3, paragraphs 2-3 (the precautionary principle).

## AUDITOR'S REPORT

To the annual meeting of the shareholders of Åre Villa 2 AB, corporate identity number 556996-2250.

### Report on the annual accounts

We have audited the annual accounts of Åre Villa 2 AB for the financial year 2014.12.16-2016.03.31.

### Responsibilities of the Board of Directors and the Managing Director for the annual accounts

The Board of Directors and the Managing Director are responsible for the preparation and fair presentation of these annual accounts in accordance with the Annual Accounts Act, and for such internal control as the Board of Directors and the Managing Director determine is necessary to enable the preparation of annual accounts that are free from material misstatement, whether due to fraud or error.

### Auditor's responsibility

Our responsibility is to express an opinion on these annual accounts based on our audit. We conducted our audit in accordance with International Standards on Auditing and generally accepted auditing standards in Sweden. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the annual accounts are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the annual accounts. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the annual accounts, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the company's preparation and fair presentation of the annual accounts in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Directors and the Managing Director, as well as evaluating the overall presentation of the annual accounts.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### Opinions

In our opinion, the annual accounts have been prepared in accordance with the Annual Accounts Act and present fairly, in all material respects, the financial position of Åre Villa 2 AB as of 31st March 2016 and of its financial performance for the year then ended in accordance with the Annual Accounts Act. The statutory administration report is consistent with the other parts of the annual accounts.

We therefore recommend that the annual meeting of shareholders adopt the income statement and balance sheet.

### Reports on other legal and regulatory requirements

In addition to our audit of the annual accounts, we have also audited the proposed appropriations of the company's profit or loss and the administration of the Board of Directors and the Managing Director of Åre Villa 2 AB for the year the financial year 2014.12.16-2016.03.31

### Responsibilities of the Board of Directors and the Managing Director

The Board of Directors is responsible for the proposal for appropriations of the company's profit or loss, and the Board of Directors and the Managing Director are responsible for administration under the Companies Act.

### Auditors Responsibility

Our responsibility is to express an opinion with reasonable assurance on the proposed appropriations of the company's profit or loss and on the administration based on our audit. We conducted the audit in accordance with generally accepted auditing standards in Sweden.

As a basis for our opinion on the Board of Directors' proposed appropriations of the company's profit or loss, we examined whether the proposal is in accordance with the Companies Act.

As a basis for our opinion concerning discharge from liability, in addition to our audit of the annual accounts, we examined significant decisions, actions taken and circumstances of the company in order to determine whether any member of the Board of Directors or the Managing Director is liable to the company. We have also examined whether any member of the Board of Directors or the Managing Director has, in any other way, acted in contravention of the Companies Act, the Annual Accounts Act or the Articles of Association.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinions.

### Opinions

We recommend to the annual meeting of shareholders that the profit be appropriated in accordance with the proposal in the statutory administration report and that the members of the Board of Directors and the Managing Director be discharged from liability for the financial year.

The Board of Directors proposes that the available profits be appropriated as follows:

Dividend to shareholders .....	1,432,475	11,703,321
<b>Total</b> .....	<b>1,432,475</b>	<b>11,703,321</b>

The Board of Directors is authorised to resolve on the day of settlement.

#### Board of Director's statement concerning the proposed distribution of profits

The proposed dividend reduces the Company's equity/assets ratio to 76.9 percent.

Considering that the Company's operations continue to be run with profitability, the Company's equity/assets ratio is satisfactory. Liquidity in the Company is deemed to be maintainable on a similarly satisfactory level.

The Board's opinion is that the proposed dividend will not prevent the Company from fulfilling its short and long-term obligations, nor from making necessary investments. The proposed dividend can thereby be justified with reference to the provisions of the Swedish Companies Act, Chapter 17, Section 3, paragraphs 2-3 (the precautionary principle).

### OPERATIONS OF THE COMPANY

During the current fiscal, the Company revenues crossed the Rs. 1000 Cr. milestone (Almost twice of the FY15 revenues) on the back of an increased project execution volume. The Company posted a (PAT) Profit After Tax of Rs. 21 crores in FY16, Y-o-Y increase of 38%. During the year the Company also undertook construction of a 120 MW solar power project at a single location, the previous milestone was a 50 MW at a single location. The capacity target and allocation announcements by the Central and State Governments for further enhancing the solar contribution to the energy mix is encouraging and gives us confidence that the market and the Company should continue to post a robust growth in the coming years.

Although the market potential shows an upswing, the intense competition and high margin pressure in the space remains a challenge. The Company is taking various measures to counter competition and adapt to the market conditions. The Company continued to focus on innovation, product development – (Single axis tracker, Combiner box, Cleaning robot, DG – PV hybrid etc), business & operational excellence and achieving higher customer satisfaction to maintain its position as one of the leading players in the solar EPC space in India and thus become a preferred choice for developers.

During the year, the Company also leveraged the adjacencies from the Solar power project construction experience, to establish presence in the sustainable infrastructure construction space. To create bigger growth opportunities Machinepulse division of Mahindra Susten Pvt. Ltd. was incorporated as a separate Company and is now a wholly owned subsidiary of the Company w.e.f. 5<sup>th</sup> January 2016.

## ANNEXURE I TO THE DIRECTORS' REPORT

### A. POLICY ON APPOINTMENT OF DIRECTORS AND SENIOR MANAGEMENT

#### DEFINITIONS

The definitions of some of the key terms used in this Policy are given below.

“**Board**” means Board of Directors of the Company.

“**Company**” means Mahindra Susten Private Limited (formerly known as Mahindra EPC Services Private Limited).

“**Employee**” means employee of the Company including employees in the Senior Management Team of the Company.

“**Key Managerial Personnel**” (KMP) refers to key managerial personnel as defined under the Companies Act, 2013 and includes:

- (i) Chief Executive Officer (CEO);
- (ii) Chief Financial Officer (CFO); and
- (iii) Company Secretary (CS).

“**Nomination and Remuneration Committee**” (NRC) means Nomination and Remuneration Committee of Board of Directors of the Company for the time being in force.

“**Senior Management**” means personnel of the Company who are members of its Core Management Team excluding Board of Directors comprising of all members of management including the functional heads.

### I. APPOINTMENT OF DIRECTORS

- The NRC reviews and assesses Board composition and recommends the appointment of new Directors. In evaluating the suitability of individual Board member, the NRC shall take into account the following criteria regarding qualifications, positive attributes and independence of Director:
  - All Board appointments will be based on merit, in the context of the skills, experience, independence and knowledge, for the Board as a whole to be effective.
  - Ability of the candidates to devote sufficient time and attention to his professional obligations as Independent Director for informed and balanced decision making
  - Adherence to the Code of Conduct and highest level of Corporate Governance in letter and in spirit by the Independent Directors
- Based on recommendation of the NRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board through the Chairman will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new Director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act 2013

and Rules made thereunder.

### REMOVAL OF DIRECTORS

If a Director is attracted with any disqualification as mentioned in any of the applicable Act, rules and regulations thereunder or due to non - adherence to the applicable policies of the company, the GNRC may recommend to the Board with reasons recorded in writing, removal of a Director subject to the compliance of the applicable statutory provisions.

### SENIOR MANAGEMENT PERSONNEL

Senior Management personnel are appointed or promoted and removed/relieved with the authority of CEO based on the business need and the suitability of the candidate. The details of the appointment made and the personnel removed one level below the Key Managerial Personnel during a quarter shall be presented to the Board.

### II. SUCCESSION PLANNING:

#### Board:

The successors for the Independent Directors shall be identified by the NRC at least one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor will be appointed at the earliest but not later than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

The NRC will accord due consideration for the expertise and other criteria required for the successor.

The Board may also decide not to fill the vacancy caused at its discretion.

#### Senior Management Personnel:

A good succession-planning program aims to identify high growth individuals, train them and feed the pipelines with new talent. It will ensure replacements for key job incumbents in KMPs and senior management positions in the organization.

We have a process of identifying Hi-pots and critical positions. Successors are mapped for these positions at the following levels:

1. Ready now
2. Ready in 1 to 2 years
3. Ready in 2 to 5 years
4. Ready in more than 5 year

in order to ensure talent readiness as per a ladder approach.

### B. Remuneration Policy for Directors, Key Managerial Personnel and Employees.

#### Overall Intent of Compensation Policy

At Mahindra Susten Private Limited (Susten) we want our employees to understand and appreciate their

role in providing value to the business. On its part, the organization recognizes that its success depends upon the skills, competencies and performance of its employees. We also believe that the way in which we compensate, reward and recognize as well as promote our employees is a crucial factor in achieving our business and financial objectives. Towards achievement of these objectives, we promote an entrepreneurial, team-based performance and result oriented culture.

**Objectives of the Compensation Policy-**

- To attract, motivate and retain employees by compensating them competitively, based on periodic comparison with other companies in relevant industries.
- To provide an overall package of remuneration and benefits which addresses the normal requirements of employees and their families.
- To align levels of compensation with the expected output of employees in terms of role responsibility, skills and experience.
- To link elements of compensation with performance of each individual as well as the business.

**Compensation Strategy**

- We will regularly track market trends in terms of compensation levels and practices in relevant industries through participation in structured surveys and informal consultation with a select group of comparable organizations. This information will be used to internally review our compensation policies and levels.
- Our package of remuneration and benefits will be designed to provide a degree of flexibility to individual

officers to structure key benefits in a way that best suits individual personal and family requirements.

- Recognizing the need for long-term security, the compensation will include all statutory and other retirement benefits.
- Broad bands of compensation levels will be equitably defined for each grade to reflect levels of responsibility and provide a template when recruiting new employees.
- A pre-determined portion of remuneration will be linked directly to the annual performance of each individual and the business. This proportion will vary for each grade in keeping with the levels of responsibility.

**Employees and Key Management Personnel**

The company has a comprehensive HR policy manual which covers remuneration, employee benefits, special employee benefits, reimbursements, administrative policies etc.

**Policy for Non- Executive Directors including Independent Directors:**

The Nomination and Remuneration Committee shall decide the basis for determining the compensation, both fixed and variable, to the Non-Executive Directors including Independent Directors whether as commission or otherwise. The Committee shall take into consideration various factors such as Director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Companies Act 2013 and such other factors as the committee may consider deem fit for determining the compensation.
