Registers 5% growth in Utility Vehicles

Mumbai, January 1, 2021: Mahindra & Mahindra Ltd. (M&M Ltd.), a part of the USD 19.4 billion Mahindra Group, today announced that its overall auto sales (passenger vehicles+ commercial vehicles+ exports) for the month of December 2020 stood at **35,187** vehicles, compared to **39,230** in December 2019.

In the Utility Vehicles segment, Mahindra sold **16,050** vehicles in December 2020, compared to **15,225** vehicles in December 2019, registering a growth of 5%. The Passenger Vehicles segment (which includes UVs, Cars and Vans) sold **16,182** vehicles in December 2020, a growth of 3% over same period last year.

According to Veejay Nakra, Chief Executive Officer, Automotive

Division, M&M Ltd. “At Mahindra we have witnessed a growth of 5% in Utility Vehicles in the month of December. Our overall sales have been affected due to the continuing supply chain challenges related to the constantly changing global environment, more specifically the supply shortage of micro-processors (semiconductors) used in Electronic Control Unit (ECUs). Demand continues to remain strong even after the festive

season and as we get into the new year.”
