Operations

During the period ended September 30, 2020, the Company's customer base has crossed **6.9 Million**.

The **Total value of assets financed** for the half year ended September 30, 2020, was **Rs.8,888 Crores**.

The rural market has remained sufficiently insulated from the COVID-19 pandemic and is recovering from its impact. Almost all the Company's branches are up and running, except in the major metros. After a few months of disruption due to COVID-19 pandemic and subsequent lockdown, we see that markets are now beginning to look up and the sentiments are turning positive. Businesses are returning back to normal and customer footfalls at the dealerships and our branches have substantially improved. Agri demand continues to be strong on the back of a good monsoon and harvest. We expect demand to further pick-up in the upcoming festival season. The Government focus on infrastructure and mining sectors is likely to further shore up demand, going forward.

Tractors, passenger cars and Light Commercial Vehicles (LCVs) are seeing healthy demand. Pre-owned vehicles will continue to be a growth driver. The Company also expects to see an increase in digitally enabled lending and collections in rural and semi-urban markets. The Company had already embarked on a digital strategy and is equipped to facilitate financing as well as repayment of installments, via the digital route.

Impairment provisioning is done as per Expected Credit Loss (ECL) method in Ind AS, which requires provisioning in three stages. The **Gross Stage 3** levels stood at **7.0%** as at September 30, 2020, against 7.9% as at corresponding reporting date last year. The **Net Stage 3** levels stood at **4.7%** as at September 30, 2020, against 6.4% as at corresponding reporting

date last year. The Stage 3 provisioning **coverage ratio** stood at **35.1%** as at September 30, 2020, against 19.5% as at corresponding reporting date last year. The Company has complied with the prudential guidelines issued by the Reserve Bank of India and has been making accelerated provision.

During the quarter ended September 30, 2020, the Company has considered an additional charge of Rs.433 Crores (half year ended September 30, 2020: Rs.910 Crores) due to a management overlay, to reflect deterioration in the macroeconomic outlook. As at September 30,2020, the cumulative amount of management overlay provisions stood at Rs. 1,484 Crores.

The Company has initiated various cost rationalization measures and expects a benefit from the same in the future.

The standalone **Assets Under Management (AUM)** stood at **Rs.81,682 Crores** as on September 30, 2020, as against Rs.72,732 Crores as on the corresponding reporting date last year, registering a **growth of 12%**.

The Company maintains a very healthy capital adequacy of 25.1% and has adequate Capital and Financial Resources to run its business.

The Company's capital and debt position is strong and the ALM position is well balanced.
