Mumbai, March 8, 2022: As a tribute to International Women's Day, Mahindra Finance today shared a special

video message for people all over India. The idea behind this video is to urge Indian citizens to #BreakTheBias

when it comes to women driving skills.

The video attempts to break this myth by showing few interesting situations which are drawn from sharp

consumer insights. This as, there seems to be a pre-conceived notion or myth that women cannot drive cars

impeccably as compared to men.

The uniqueness of this video is that it has been conceived, scripted, acted (Mahindra Finance employees) &

directed in-house by Marketing team of Mahindra Finance. The video being curated and conceptualised by the

Mahindra Finance employees; the team firmly believes that the nation now needs to change their stereotypical

perception towards women drivers.
