Mumbai: Mahindra & Mahindra Ltd. (M&M), one of India's leading auto brands, today announced the launch of the After-Market Sector, a new business vertical which will consolidate the entire gamut of its after-market initiatives in the automotive space. This Sector will comprise the following business units:

- Mahindra First Choice Services Ltd. (Multi-brand service chain)
- Mahindra First Choice Ltd. (for purchase and sale of pre-owned vehicles)
- Mahindra Spares Business (for both Mahindra and non-Mahindra spares)

This Sector will be headed by Mr. Rajeev Dubey, who will also continue with his current responsibilities. He is designated President (HR, After-Market & Corporate Services) & Member of the Group Management Board, Mahindra & Mahindra Ltd.

The CEOs of these three verticals i.e. Mr. R. Subramani, Mr. Vinay Sanghi and Mr. Rajendra Bhurat will report to Mr. Rajeev Dubey.

'With the growing population of vehicles in India (6 million cars currently, expected to grow to 17 million by 2015), there is vast untapped potential in

the after-market space covering multi-brand pre-owned vehicles, servicing, spares, and the financial instruments and exchange platforms which support this value chain.

In order to create, in the organized sector, a business ecosystem which replicates the ecosystem for new vehicles, I am happy to announce the formation of the After-Market Sector,' said Mr. Anand Mahindra, Vice Chairman & Managing Director, Mahindra Group.

'In India, the car servicing market mainly comprises authorized repairers and independent garages. Our market research has shown that car owners would prefer a service outlet such as ours with a value proposition built on trust, customer experience and convenience,' said Mr. Rajeev Dubey, President (HR, After-Market & Corporate Services) & Member of the Group Management Board Mahindra & Mahindra Ltd.

'The integration of the multi-brand pre-owned car business with the multi-brand service chain business & the spare parts business will help M&M create a distinct niche for itself in the after –market space,' added Mr. Dubey
