Mumbai, August 2, 2021: Mahindra & Mahindra Ltd.'s Farm Equipment Sector (FES), part of the Mahindra Group, today announced its tractor sales numbers for July 2021.

Domestic sales in July 2021 were at 25,769 units, as against 24,463 units during July 2020.

Total tractor sales (Domestic + Exports) during July 2021 were at **27,229** units, as against **25,402** units for the same period last year.

Exports for the month stood at **1,460** units.

Commenting on the performance, **Hemant Sikka, President - Farm Equipment Sector, Mahindra & Mahindra Ltd.**, said, "We have sold 25,769 tractors in the domestic market during July 2021 with a growth of 5 per cent over last year. Demand remained buoyant in July as crop sowing operations gained traction, with monsoon picking up pace across all the regions. The easing of Covid curbs and robust farm incomes on record Rabi crop procurement has bode well for the rural economy. We continue to stay bullish on tractor demand in the coming months owing to revival of monsoon, hike in MSP of key Kharif crops and upcoming festival season. In the exports market, we have sold 1,460 tractors with a growth of 55 per cent."

Farm Equipment Sector (FD+SD+Gromax)									
	July			Cumulative July					
	F22	F21	%Change	F22	F21	%Change
