Commenting on the performance, **Hemant Sikka, President - Farm Equipment Sector, Mahindra & Mahindra Ltd.** said, "We have sold **45,588** tractors between both our Mahindra & Swaraj brands in the domestic market during October 2020, a growth of 2% over last year. We continue to witness unprecedented retail demand which is likely to be higher than wholesale numbers on back of expectations of a higher Kharif output and good cash flow in the market. Auspicious festival days ahead, coupled with mechanization requirements for ongoing Kharif harvesting and impending Rabi sowing season augurs well for the industry. In the exports market, we have sold 970 tractors, a growth of 23% over last year."
