EI - Exceptional Items

Highlights of the financial results are:

- Commodity inflation, shortage of semi-conductors impacting operating margin which stands at 11.9%
- Continued growth in exports both for Auto and Farm
- Improved group company performances at Mahindra Finance and Mahindra Lifespaces

Automotive

- Very healthy booking pipeline and buoyant demand for Company's products
- 155k plus total open bookings out of which 70K plus are for XUV7OO
- Highest ever quarterly sales of Treo Auto and Treo Zor in the EV 3-wheeler segment
- Stringent cost control measures have helped partially mitigate margin impact of commodity inflation
- Global shortage of semi-conductors / ECUs impacted production and sales for yet another quarter
- However, supplies improved over Q2 F22 reflecting in higher volumes in Q3 F22 QoQ

Farm Equipment

- Farm Business delivered excellent performance with second highest Q3 in terms of (a) PBIT (b) domestic volumes
- Healthy growth of 1.4% in Q3 market share for M&M
- Code by Swaraj: A revolutionary farm machine launched on 11th Nov'21 with industry first features of (a) Adjustable Ground Clearance (b) Bi-directional Driving. It can be used for weeding, spraying, earthing up for Horticulture crops; and for Harvesting of Grain crops

Commenting on Q3 FY22 performance...

Dr. Anish Shah, Managing Director & CEO, M&M Ltd, said, "We have seen improved performance across multiple businesses as reflected in our consolidated performance. Our Auto business has done well despite supply side challenges while our Farm business has shown market share increase despite a slowdown in the market."

Mr. Rajesh Jejurikar, Executive Director, M&M Ltd, said, "Demand for the entire automotive product portfolio remains strong. The order book for XUV 700 and Thar reflects the customer and market success of these new launches. With better availability of semi-conductors, we hope to build the volume growth

momentum in Q4 F22 in our journey to being No 1 in core SUVs. FES gained 140 basis points market share

YOY in Q3 F22 and delivered robust financial metrics despite market slowdown and steep commodity

inflation".

Mr. Manoj Bhat, Group Chief Financial Officer, M&M Ltd, said, "Our focus on capital allocation and

profitability has led to a steady increase in RoE over the last few quarters. We remain committed to delivering

on our growth and return objectives."
