Mumbai, October 7, 2021: Mahindra XUV700 today clocked **25,000 bookings** in **57 minutes** of its booking commencement which is an unprecedented milestone in the Indian automotive industry. The volume of 25,000 XUV700s made available today at the launch prices reflects up to six months of production depending on the variant. It also makes the XUV700 the first four-wheeler in India to hit this milestone.

Bookings will now reopen starting 10am on 8th October. Customers can book their preferred XUV700 via dealerships or digital platforms, at its new yet highly attractive price points applicable for the next 25000 bookings (details below), after which prices at the time of delivery will prevail.

Veejay Nakra, CEO, Automotive Division, M&M Ltd., said, “We opened bookings at 10am this morning. We are humbled and grateful for the response, in fact thrilled that we have received 25000 XUV700 bookings in a record time of 57 minutes from its commencement. This constitutes up to six months of production depending on the variant at the committed launch prices. While we had anticipated the traffic and prepared our system with added server capacity, the overwhelming response could have regrettably

led to a slow user experience by some our customers.”

Since its name reveal, the XUV700 social media handles have been abuzz with a huge activity surge, creating a new benchmark in the Passenger Vehicle social media landscape. We received more than 223 million gross video views, 142 million reach, 6.48 million website visitors, 4.2 million social media engagement. The XUV700 has also received more than 2.6 lakh enquiries during this period.

More about the new XUV700

Packing an unmissable presence, sci-fi technology, spirited performance, world class safety and a tough yet sophisticated drive experience, the disruptive XUV700 is set to redefine benchmarks. With several first and best in class features, its owners are sure to experience a rush like never before! Available with multiple powertrain options and seating configurations, customers can choose from the widest range of offerings in this segment. The XUV700 comes with crafted looks, premium interiors and exceptional ride comfort. It is available in variants that include diesel and petrol, manual and automatic transmissions and with 5 and 7 seater capacity. It is also available in an optional All-Wheel-Drive (AWD) spec.
