INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF,
MAHINDRA HEAVY ENGINES LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of **Mahindra Heavy Engines Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit and total comprehensive income, its changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the 'Auditors' Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Information Other than the Standalone Financial Statements and Auditors' Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Directors Report and the related annexures, but does not include the Financial Statements and our Auditors' Report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current year and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in Annexure B, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
   (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
   (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
   (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this report are in agreement with the books of account.
   (d) In our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act.
   (e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
   (f) With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure A. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Financial Statements.
   (g) In our opinion, the managerial remuneration for the year ended March 31, 2023 has been paid / provided by the Company to its directors in accordance with the provisions of Section 197 read with Schedule V to the Act.
   (h) With respect to the other matters to be included in the Auditors' Report in accordance with the requirements of Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
      (i) The Company has disclosed the impact of pending litigations on its financial position in its Financial Statements – Refer Note 29 to the Financial Statements;
      (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
      (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
      (iv) (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or

invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

(v) The dividend declared and paid during the year by the Company is in compliance with Section 123 of the Act.

(vi) As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 relating to audit trail feature of the Company's accounting software is applicable to the Company only with effect from financial year beginning April 1, 2023, the reporting under Clause (g) of Rule 11 of the Companies (Audit and Auditors) Rules, 2014 is not applicable for the current year.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

[Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date]

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of sub-section (3) of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of **Mahindra Heavy Engines Limited** ("the Company") as of March 31, 2023 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based on the criteria for internal financial control with reference to financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

1) i) A) According to the information and explanations given to us, the Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment and investment properties.

B) According to the information and explanations given to us, the Company has maintained proper records showing full particulars of intangible assets.

ii) The Company has a regular programme for physical verification of its property, plant and equipment and investment properties by which the property, plant and equipment and investment properties are verified by the management according to a phased programme designed to cover all the items over a period of 3 years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its property, plant and equipment and investment properties. During the year, no physical verification was conducted by the management.

iii) According to the information and explanations given to us, the Company has no immovable properties registered in its name. Accordingly, the reporting under Clause 3(i)(c) of the Order is not applicable to the Company.

iv) According to the information and explanations given to us, the Company has not revalued any of its property, plant, and equipment (including Right of use assets) or intangible assets or both during the year.

v) Based on the audit procedures performed by us and according to the information, explanations and representations given to us, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

2) i) According to the information and explanations given to us, the inventory comprising of raw materials, work-in-progress, finished goods, stores and spares has been physically verified at reasonable intervals by the management during the year. In our opinion, coverage and procedure of such verification is appropriate and no discrepancies of 10% or more in the aggregate for each class of inventory were noticed on such verification between the physical inventory and the book records.

ii) According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from HDFC Bank Ltd on the basis of security of Stock and Book Debts during the year. The Stock statement filed by the Company with bank on a quarterly basis are materially in agreement with unaudited books of account as certified by the management.

3) a) According to the information and explanations given to us, the Company has not made investments in or provided any guarantee or security or secured or unsecured loans to companies, firms, Limited Liability Partnerships, or any other parties during the year. Accordingly, the reporting under Clauses 3(iii)(a) to 3(iii)(f) of the Order is not applicable to the Company.

4) According to the information and explanations given to us, the Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Section 185 and 186 of the Act. Accordingly, the reporting under Clause 3(iv) of the Order is not applicable to the Company.

5) According to the information and explanations given to us, the Company has not accepted deposits under the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder. Accordingly, the reporting under Clause 3(v) of the Order is not applicable to the Company.

6) The maintenance of cost records has been specified by the Central Government under sub-section (1) of Section 148 of the Act for the products of the Company. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended, specified by the Central Government under sub-section (1) of Section 148 of the Act and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

7) i) According to the information and explanations given to us and on the basis of our examination of records of the Company, the amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Goods and Services tax, Provident Fund, Employees' State Insurance, cess and other material statutory dues have been regularly deposited during the year by the Company with the appropriate authorities. According to the information and explanations given to us and on the basis of our examination of records of the Company, there were no undisputed statutory dues payable in respect of Sales tax, Service tax, Duty of Customs, Duty of Excise and Value Added Tax.

ii) According to the information and explanations given to us and on the basis of our examination of records of the Company, there were no arrears of undisputed statutory dues in respect of Goods and Services tax, Provident fund, Employees' State Insurance, Income-tax, Sales tax, Service tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and other material statutory dues as on the last day of the year for a period of more than six months from the date they became payable.

iii) According to the information and explanation given to us and on the basis of our examination of records of the Company, there are no statutory dues in respect of Goods and Service Tax, Income Tax, Provident Fund, Employees State Insurance, Duty of Customs, Duty of Excise, Value added tax, Cess and any other material statutory dues as at 31 March 2023, which have not been deposited on account of any dispute. The statutory dues in respect of Sales Tax and Service Tax as at 31 March 23 which have not been deposited with the appropriate authorities on account of a dispute are as under

Name of the statute	**Nature of the dues**	**Amount (Rs in Lakhs)**	**Period to which the amount relates**	**Forum where dispute is pending**
Finance Act, 1994	Service Tax	21.74	Financial Year 2012-13 to 2016-17	Commissioner of Customs and Central Excise (Appeals)- Pune
Central Sales Tax Act, 1956 and MVAT Act, 2002	Central sales tax and Value added Tax	438.20	Financial Year 2015-16	VAT/CST Tribunal
Central Sales Tax Act, 1956 and MVAT Act, 2002	Central sales tax and Value added Tax	400.17	Financial Year 2016-17	Joint commissioner of state tax
Central Sales Tax Act, 1956 and MVAT Act, 2002	Central sales tax and Value added Tax	189.75	Financial Year 2017-18	Joint commissioner of state tax

8) According to the information and explanations given to us, there are no transactions not recorded in the books of account which have been surrendered or disclosed as income during the year in the tax assessments under the Income-tax Act, 1961. Accordingly, the reporting under Clause 3(viii) of the Order is not applicable to the Company.

9) a) According to the information and explanations given to us and based on the audit procedures performed by us, the Company has not availed any loans or other borrowings during the year. Accordingly, the reporting under Clause 3(ix) (a) of the Order is not applicable to the Company.

b) According to the information and explanations given to us, the Company has not been declared a wilful defaulter by any bank or financial institution or any other lender till the date of our audit report.

c) According to the information and explanation given to us, Company has not obtained any term loan during the year. Hence the reporting under clause (ix) (c) is not applicable.

d) In our opinion and according to information and explanations given to us and on overall examination of the Balance sheet of the Company, we report that company has not raised any short term or long-term loan during the year. Hence reporting under clause (ix) (d) is not applicable to company.

e) According to the information and explanations given to us and on an overall examination of the Financial Statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates, or joint ventures.

f) According to the information and explanations given to us and based on the audit procedures performed by us, we report that the Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures, or associate companies. Accordingly, the reporting under Clause 3(ix)(f) of the Order is not applicable to the Company.

10) a) According to the information and explanations given to us, the Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under Clause 3(x)(a) of the Order is not applicable to the Company.

b) According to the information and explanation given to us, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially, or optionally convertible) during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.

11) a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the management.

b) There has been no report filed by us under sub-section (12) of Section 143 of the Act in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government. Accordingly, the reporting under Clause 3(xi)(b) of the Order is not applicable to the Company.

c) We have taken into consideration a whistle blower complaint received by the Company during the year and shared with us for reporting under this clause.

12) According to the information and explanations given to us, the Company is not a Nidhi company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, the reporting under Clause 3(xii) of the Order is not applicable to the Company.

13) In our opinion and according to the information and explanations given to us, the Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required by Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified under Section 133 of the Act.

14) a) In our opinion and according to the information and explanations given to us and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.

b) We have considered the Internal Audit reports of the Company issued till date for the period under audit.

15) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or directors of its holding company or persons connected with them during the year and hence the provisions of Section 192 of the Act are not applicable to the Company. Accordingly, the reporting under Clause 3(xv) of the Order is not applicable to the Company.

16) a) According to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under Clause 3(xvi) of the Order is not applicable to the Company.

b) In our opinion and according to the information and explanations given to us, the Company has not conducted any Non-Banking Financial or Housing finance activities Accordingly, the reporting under Clause 3(xvi)(b) of the Order is not applicable to the Company.

c) In our opinion and according to the information and explanations given to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under Clauses 3(xvi)(c) and 3(xvi)(d) of the Order is not applicable to the Company.

d) Based on the information and explanations given to us, we report that the Group has six Core Investment Companies.

17) In our opinion and according to the information and explanations given to us, the Company has not incurred cash losses in the current financial year as well as in the immediately preceding financial year. Accordingly, the reporting under Clause 3(xvii) of the Order is not applicable to the Company.

18) There has been no resignation of the statutory auditors during the year. Accordingly, the reporting under Clause 3(xviii) of the Order is not applicable to the Company.

19) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of Balance Sheet as and when they fall due within a period of one year from the Balance Sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the Balance Sheet date, will get discharged by the Company as and when they fall due.

20) a) According to the information and explanations given to us, in respect of other than ongoing projects, the Company has no unspent amount that needs to be transferred to a Fund specified in Schedule VII to the Act in compliance with second proviso to sub-section (5) of Section 135 of the Act.

b) According to the information and explanations given to us, in respect of ongoing projects, the Company has no unspent amount which needs to be transferred to a special account in compliance with sub-section (6) of Section 135 of the Act.

Notes to the financial statements for the year ended March 31, 2023

Mahindra Heavy Engines Limited is subsidiary of Mahindra & Mahindra Limited having Corporate Identity Number U35914MH2007PLC169753, having it's registered office at Mahindra Towers, Dr. G.M. Bhosale Marg, P.K. Kurne Road, Worli, Mumbai 400 018. The Company is in manufacturing and sales of Engines and other auto components for vehicles and Genset applications.

Note No. 1 - Significant Accounting Policies:

1.1 Statement of compliance:

The financial statements have been prepared in accordance with Ind AS as notified under the Companies (Indian Accounting Standards) Rules, 2015 read with Section 133 of the Companies Act, 2013 (the "Act").

1.2 Basis of preparation and presentation:

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

In addition, for the financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to fair value measurement in its entirety, which are described as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability.

1.3. Property, Plant & Equipment:

Property, Plant & Equipment are carried at cost less depreciation. Cost is the amount of cash or cash equivalents paid or the fair value of the other consideration given to acquire an asset at the time of its acquisition and financing cost relating to borrowed funds attributable to the construction or acquisition of qualifying tangible assets upto the date the assets are ready for use.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in statement of profit or loss.

Depreciation is provided on straight-line basis for property, plant and equipment so as to expense the depreciable amount, i.e. the cost less estimated residual value, over its estimated useful lives. The estimated useful lives and residual values are reviewed annually and the effect of any changes in estimate is accounted for on a prospective basis.

The management's estimate of useful lives are in accordance with Schedule II to the Companies Act, 2013, other than the following asset classes, based on the Company's expected usage pattern supported by technical assessment:, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.:

Plant and Machinery	2 years, 5 years, 7 years, 8 years and 10 years
Vehicles	5 years
Roads	15 years
Assets below Rs. 5,000/-	1 year

1.4. Intangible Assets

Intangible assets acquired separately:

Intangible assets are initially recognised at cost.

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Intangible assets under development

The Company expenses costs incurred during research phase to profit or loss in the year in which they are incurred. Eligible development phase expenses are initially recognised as intangible assets under development until the development phase is complete. Once the development phase is complete, the eligible development phase expenses are capitalised as intangible asset.

Technical Know-how fees:

The expenditure incurred on technical services and other project/product related expenses are amortised over the estimated period of benefit, not exceeding six years.

Software Expenditure:

The expenditure incurred is amortised over three financial years equally commencing from the year in which the expenditure is incurred.

Internally-generated intangible assets - Research and Development expenditure:

Expenditure on research activities are recognised as an expense in the period in which they are incurred.

An internally-generated intangible asset arising from development (or from the development phase of an internal project) is recognised if, and only if, all of the following have been demonstrated:

- the technical feasibility of completing the intangible asset so that it will be available for use or sale;
- the intention to complete the intangible asset and use or sell it;
- the ability to use or sell the intangible asset;
- how the intangible asset will generate probable future economic benefits;
- the availability of adequate technical, financial and other resources to complete the development and to use or sell the intangible asset; and
- the ability to measure reliably the expenditure attributable to the intangible asset during its development.

The amount initially recognised for internally-generated intangible assets is the sum of the expenditure incurred from the date when the intangible asset first meets the recognition criteria listed above. Where no internally-generated intangible asset can be recognised, development expenditure is recognised in profit or loss in the period in which it is incurred.

Subsequent to initial recognition, internally-generated intangible assets are reported at cost less accumulated amortisation and accumulated impairment losses, on the same basis as intangible assets that are acquired separately.

Product Development Expenditure:

The expenditure incurred on product development expenditure expenses are amortised over the estimated period of benefit, not exceeding five years.

Derecognition of intangible assets:

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in profit or loss when the asset is derecognised.

Notes to the financial statements for the year ended March 31, 2023

1.5. Impairment:

The carrying amounts of assets are reviewed at each balance sheet date to determine whether there is any indication of impairment based on internal/ external factors. Impairment loss is provided to the extent the carrying amount of assets exceeds their recoverable amount. Recoverable amount is the higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. Net selling price is the amount obtainable from the sale of an asset in an arm's length transaction between knowledgeable, willing parties, less the cost of disposal.

1.6. Inventories:

Inventories are stated at the lower of cost and net realisable value after providing for obsolescence and other losses, where considered necessary. In determining the cost of purchased materials moving average method is used. Stores, spares and tools are carried at cost or estimated net realisable value, whichever is lower.

1.7. Cash and cash equivalents (for purposes of Cash Flow Statement):

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition).

1.8. Investments:

Investments, which are readily realisable and intended to be held for not more than one year from the date on which such investments are made are classified as current investments. All other investments are classified as non-current investments.

1.9. Financial Instruments:

Financial assets and financial liabilities are recognised when a Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial Assets:

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place. All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Financial assets at Fair value through profit or loss are measured at fair value at the end of each reporting period, with any gains or losses arising on re measurement recognised in profit or loss, The net gain or loss recognised in profit or loss incorporates any dividend or interest earned on the financial asset and is included in 'Other income'.

Financial liabilities and equity instruments:

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

1.10. Revenue Recognition:

Revenue on satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract.

Ind AS 115- Revenue from Contracts with Customers:

Company adopted IND AS 115 - Revenue from contracts with customers w.e.f. 1st April 2018. In view of that, Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services. To recognize revenues, Company apply the following five step approach:

(1) identify the contract with a customer

(2) identify the performance obligations in the contract

(3) determine the transaction price

(4) allocate the transaction price to the performance obligations in the contract

(5) recognize revenues when a performance obligation is satisfied.

The Company applies judgement to determine whether each product or services promised to a customer are capable of being distinct, and are distinct in the context of the contract, if not, the promised product or services are combined and accounted as a single performance obligation. The Company allocates the arrangement consideration to separately identifiable performance obligation based on their selling price.

Interest income:

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding.

Trade Receivables:

Trade receivables are initially measured at their transaction price, unless those contain a significant financing component determined in accordance with Ind AS 115 (or when the entity applies the practical expedient in accordance with para 63 of Ind AS 115).

1.11. Goods and Services Tax:

GST duty payable on finished goods is accounted for upon transfer of goods to the customers.

1.12. Custom Duty:

Custom duty payable on imported goods is accounted for when the goods enter the Indian shores.

1.13. Government Grants and Other Incentives:

The Company, directly or indirectly through a consortium of Mahindra Group Companies, is entitled to various incentives from Government Authorities in respect of manufacturing unit located in developing region. The company accounts for it's entitlement on an accrual basis.

Government grants related to acquisition of depreciable assets are recognised as deferred revenue in the financial statements and are transferred to statement of Profit and Loss on a systematic and rational basis over the useful lives of the related assets.

1.14. Export Benefits:

Export benefits under various schemes of Government of India are accounted on accrual basis except when there is an uncertainty in respect of the entitlement.

1.15. Foreign exchange transactions:

Transactions in foreign currencies (Other than company's functional currency) are recorded at the exchange rates prevailing on the date of transaction. Monetary items are translated at the year-end rates. The exchange difference between the rate prevailing on the date of transaction and on the date of settlement as also on translation of Monetary items at the end of the year, is recognised as income or expense, as the case may be.

Notes to the financial statements for the year ended March 31, 2023

1.16. Employee Benefits:

(i) Defined Contribution Plan:

The Company's contributions paid/payable during the year to Provident Fund and Superannuation Fund are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees.

(ii) Defined Benefit Plan / Leave encashment:

The Company's liability towards gratuity and leave encashment is determined using the projected unit credit method which considers each period of service as giving rights to an additional unit of benefit entitlement and measure each unit separately to build up the final obligation. Past services are recognised on straight line basis over the average period until the benefits become vested. Actuarial gains and losses are recognised immediately in the Statement of other comprehensive income as income or expense. Obligation is measured at the present value of estimated future cash flow using discounted rate i.e. determined by reference to the market yield at the Balance Sheet date on Government Bonds where the currency and terms of the Government Bonds are consistent with the currency and estimated terms of the defined benefit obligation.

(iii) Other Benefits:

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognised during the period when the employee renders the service.

1.17. Borrowing Costs:

Borrowing costs that are attributable to the acquisition or construction of a qualifying asset are capitalised as part of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognised as an expense in the period in which they are incurred.

1.18. Taxes on Income:

Current tax:

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Financial statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax:

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Current and deferred tax for the year:

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

1.19. Warranty:

Provision for warranty represents present value of management's best estimate of the future outflow of economic benefits that will be required in respect of sale of certain products, the estimated cost of which is accrued at the time of sale. Management estimates the related provision for future warranty claims based on historical warranty claim information and is adjusted regularly to reflect new information.

1.20. Segment Reporting:

The Company's business activity falls within a primary business segment namely manufacturing of Engines and other auto components and there is no reportable geographical segment.

1.21. Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognised when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that the company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Contingent liabilities are not recognised but are disclosed in the notes. Contingent assets are neither recognised nor disclosed in the financial statements.

1.22. Critical accounting judgements and key sources of estimation uncertainty:

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses etc. at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

Key source of estimation of uncertainty at the date of the financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of useful lives of property, plant and equipment, obligations relating to employee defined benefits etc. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

1.23. Ind AS 116 Leases:

Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on balance sheet lessee accounting model for lessees. A lessee recognises right-of-use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. The standard also contains enhanced disclosure requirements for lessees.

1.24. Recent Accounting Pronouncements :

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, applicable from April 1, 2023, as below:

(i) Ind AS 1 – Material accounting policies :

The amendments mainly related to shifting of disclosure of erstwhile "significant accounting policies" in the notes to the financial statements to material accounting policy information requiring companies to reframe their accounting policies to make them more "entity specific. This amendment aligns with the "material" concept already required under International Financial Reporting Standards (IFRS).

Notes to the financial statements for the year ended March 31, 2023

(ii) Ind AS 8 – Definition of accounting estimates:

The amendments specify definition of 'change in accounting estimate' replaced with the definition of 'accounting estimates'.

(iii) Ind AS 12 – Annual Improvements to Ind AS (2021):

The amendment clarifies that in cases of transactions where equal amounts of assets and liabilities are recognised on initial recognition, the initial recognition exemption does not apply. Also, If a company has not yet recognised deferred tax asset and deferred tax liability on right-of-use assets and lease liabilities or has recognised deferred tax asset or deferred tax liability on net basis, that company shall have to recognise deferred tax assets and deferred tax liabilities on gross basis based on the carrying amount of right-of-use assets and lease liabilities existing at the beginning of 1 April 2022.

The Company is currently assessing the impact of application of these amendments on its financial statements.

*** Note:**

Represents cost reimbursed by the company towards ESOP's granted by the holding company, Mahindra & Mahindra Limited;

Certain employees of the Company are covered by Employee Stock Option Scheme (ESOP scheme) offered by Holding Company, Mahindra & Mahindra Limited. Under the scheme, eligible employees are granted an option to purchase shares of Mahindra & Mahindra Limited, in accordance with the terms and conditions of the scheme.

The Company recognises this scheme as an equity settled share based payments arrangement in accordance with IND AS 102 - Share Based Payment. Options granted under Parent's ESOP scheme vests in

i) 5 equal instalments on the expiry of 12 Months, 24 Months, 36 Months, 48 Months and 60 Months from the date of grant. OR

ii) 4 instalments bifurcated as 20% on the expiry of 18 months, 20% on the expiry of 30 months, 30% on the expiry of 42 months and 30% on the expiry of 54 months. OR

iii) 3 instalments bifurcated as 33.33% on the expiry of 12 months, 33.33% on the expiry of 24 months and 33.34% on the expiry of 36 months.

The options may be exercised on any day over a period of 5 years from the date of vesting. Number of vested options exercisable is subject to a minimum of 50 or number of options vested whichever is lower.

Such ESOP expense in respect of employees of the Company is charged by the Ultimate Holding Company over the vesting period. The charge is based on fair value of options calculated using Black and Scholes Option Pricing Model. The fair value charge is recognized as share based payment expenses under Employee Benefit Expenses.

Capital management

The company's capital management objectives are:

- to ensure the company's ability to continue as a going concern
- to provide an adequate return to shareholders by pricing products commensurately with the level of risk.

The company monitors capital on the basis of the carrying amount of equity less cash and cash equivalents as presented on the face of the statement of financial position.

The company sets the amount of capital in proportion to its overall financing structure, i.e. equity and financial liabilities. The company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

The Concentration of credit risk is limited due to the fact that the customer base comprises largely of Mahindra group entities.

LIQUIDITY RISK

(i) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Company's short, medium and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

(ii) Maturities of financial liabilities

The following table details the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The amount disclosed in the table have been drawn up based on the non-discounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The table includes both interest and principal cash flows.

To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rate curves at the end of the reporting period. The contractual maturity is based on the earliest date on which the Company may be required to pay.

Rs. In Lakhs

Particulars	Less than 1 year	1 year to 3 years	3 years to 5 years	5 years and above

Fixed interest rate instruments	85.06	63.48	56.25	205.52
	25,038.21	126.96	112.50	411.04

(iii) Maturities of financial assets

The following table details the Company's expected maturity for its non-derivative financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets. The inclusion of information on non-derivative financial assets is necessary in order to understand the Company's liquidity risk management as the liquidity is managed on a net asset and liability basis.

Rs. In Lakhs

Particulars	Less than 1 year	1 year to 3 years	3 years to 5 years	5 years and above
Non-derivative financial assets				
As at March 31, 2023				
Non-interest bearing	**46,581.13**	**9,311.55**	**–**	**5.25**
Variable interest rate instruments	**6,848.92**	**–**	**–**	**–**
Fixed interest rate instruments	**742.60**	**11.06**	**11.21**	**24.18**
Total	**54,172.65**	**9,322.62**	**11.21**	**29.43**
As at March 31, 2022				
Non-interest bearing	35,399.62	12,142.00	–	5.25
Variable interest rate instruments	8,605.88	–	–	–
Fixed interest rate instruments	3,968.69	436.31	32.63	3.68
	47,974.19	12,578.32	32.63	8.93

The amounts included above for variable interest rate instruments for both non-derivative financial assets and liabilities is subject to change if changes in variable interest rates differ to those estimates of interest rates determined at the end of the reporting period.

MARKET RISK

Currency Risk

The Company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise. The Company's exposure to currency risk relates primarily to the Company's operating activities when transactions are denominated in a different currency from the Company's functional currency.

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows.

Rs. In Lakhs

Particulars	Currency	As at March 31, 2023	As at March 31, 2022
Trade Receivables	USD	**0.04**	–
	INR	**3.28**	–
Trade Payables	USD	**7.10**	3.05
	INR	**583.33**	230.68
	EUR	**–**	0.57
	INR	**–**	47.89
	KRW	**–**	141.13
	INR	**–**	8.83
	JPY	**69.10**	4.50
	INR	**42.75**	2.79

Notes to the financial statements for the year ended March 31, 2023

Of the above foreign currency exposures, the following exposures are not hedged by a derivative:

Rs. In Lakhs

Particulars	Currency	As at March 31, 2023	As at March 31, 2022
Trade Receivables	USD	0.04	–
	INR	3.28	–
Trade Payables	USD	7.10	3.05
	INR	583.33	230.68
	EUR	–	0.57
	INR	–	47.89
	KRW	–	141.13
	INR	–	8.83
	JPY	69.10	4.50
	INR	42.75	2.79

Foreign Currency Sensitivity

The following tables demonstrate the sensitivity to a reasonably possible change in USD, EUR, and KWR exchange rates, with all other variables held constant. The impact on the Company's profit before tax is due to changes in the fair value of monetary assets and liabilities including non-designated foreign currency derivatives and embedded derivatives.

Rs. In Lakhs

Particulars	Currency	Change in rate	Effect on profit/(loss) before tax
As at March 31, 2023	**USD**	**10%**	**(58.01)**
		(10%)	**58.01**
	JPY	**10%**	**(4.28)**
		(10%)	**4.28**
As at March 31, 2022	USD	10%	(23.07)
		(10%)	23.07
	EUR	10%	(4.79)
		(10%)	4.79
	KRW	10%	(0.88)
		(10%)	0.88
	JPY	10%	(0.28)
		(10%)	0.28

In management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

Interest rate risk

Interest rate sensitivity

The sensitivity analyses below have been determined based on exposure to interest rate for non-derivative instruments at the end of reporting period. For floating rate liabilities, analysis is prepared assuming the amount of liability outstanding at the end of the reporting period was outstanding for the whole year.

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate loans and borrowings, as follows:

Rs. In Lakhs

Particulars	Currency	Increase/ (decrease) in basis points	Effect on profit/(loss) before tax
31-Mar-23	**INR**	**100**	**–**
	INR	**(100)**	**–**
31-Mar-22	INR	100	–
	INR	(100)	–

The assumed movement in basis points for the interest rate sensitivity analysis is based on the currently observable market environment, showing a significantly higher volatility than in prior years.

(a) Defined Contribution Plan

The Company makes Provident Fund and Superannuation Fund contributions to defined contribution plans for qualifying employees. Under the Schemes, the Company is required to contribute a specified percentage of the payroll costs to fund the benefits. Amount recognised as an expense in the Statement of Profit and Loss is Rs. 129.46 Lakhs. (Previous year Rs. 131.28 Lakhs).

(b) Defined Benefit Plans:

Gratuity

The Company operates a gratuity plan covering qualifying employees. The benefit payable is the greater of the amount calculated as per the Payment of Gratuity Act, 1972 or the Company scheme applicable to the employee. The benefit vests upon completion of five years of continuous service and once vested it is payable to employees on retirement or on termination of employment. In case of death while in service, the gratuity is payable irrespective of vesting. The Company makes annual contribution to the group gratuity scheme administered by the Life Insurance Corporation of India through its Gratuity Trust Fund.

Through its defined benefit plans the Company is exposed to a number of risks, the most significant of which are detailed below:

1) Liability Risks

a. Asset-Liability Mismatch Risk:

Risk which arises if there is a mismatch in the duration of the assets relative to the liabilities. By matching duration with the defined benefit liabilities, the company is successfully able to neutralize valuations wings caused by interest rate movements. Hence companies are encouraged to adopt asset-liability management.

b. Discount Rate Risk:

Variations in the discount rate used to compute the present value of the liabilities may seem small, but in practise can have a significant impact on the defined benefit liabilities.

c. Future Salary Escalation and Inflation Risk:

Since price inflation and salary growth are linked economically, they are combined for disclosure purposes. Rising salaries will often result in higher future defined benefit payments resulting in a higher present value of liabilities especially unexpected salary increases provided at management's discretion may lead to uncertainties in estimating this increasing risk.

2) Asset Risks

All plan assets are maintained in a trust fund managed by a public sector insurer viz; LIC of India. LIC has a sovereign guarantee and has been providing consistent and competitive returns over the years.

The company has opted for a traditional fund where in all assets are invested primarily in risk averse markets. The company has no control over the management of funds but this option provides a high level of safety for the total corpus. A single account is maintained for both the investment and claims settlement and hence 100% liquidity is ensured. Also interest rate and inflation risk are taken care of.

The significant actuarial assumptions used for the purposes of the actuarial valuations were as follows:

	As per March 31, 2023	As per March 31, 2022
Discount rate	**7.50%**	7.30%
Expected rate of salary increase		
Officers	**9.00%**	9.00%
Associates	**7.00%**	7.00%

Defined benefit plans as per actuarial valuation on 31st March, 2023

- Actual Return on plan assets in excess of the expected return	**0.71**	0.08
5. Contributions by employer (including benefit payments recoverable)	**11.00**	40.00
6. Benefit payments	**(21.61)**	(16.06)
7. Fair value of plan assets at the end of the year	**29.91**	37.46
IV. The Major categories of plan assets		
Fund managed by insurer	**100%**	100%
V. Actuarial assumptions		
1. Discount rate	**7.50%**	7.30%
2. Expected rate of return on plan assets	**7.30%**	6.90%
3. Attrition rate		
Officers	**12.50%**	10.00%
Associates	**0.00%**	0.00%
4. Medical premium inflation	**NA**	NA

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

Rs. In Lakhs

Principal assumption	Year ended	Changes in assumption	Impact on defined benefit obligation: Increase in assumption	Impact on defined benefit obligation: Decrease in assumption
Discount rate	As at March 31, 2023	1%/-1%	(406.97)	506.45
	As at March 31, 2022	1%/-1%	(399.28)	504.59
Salary growth rate	As at March 31, 2023	1%/-1%	501.13	410.52
	As at March 31, 2022	1%/-1%	499.04	(402.89)
Withdrawal rate	As at March 31, 2023	1%/-1%	451.84	454.30
	As at March 31, 2022	1%/-1%	(444.90)	450.41

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the Balance sheet.

The methods and types of assumptions used in preparing the sensitivity analyses did not change compared to previous period.

The Company expects to contribute Rs.20 Lakhs to the gratuity trusts during the next financial year ending March 31, 2024.

Mortality : It is assumed that the active members of the scheme will experience in-service mortality in accordance with the Indian Assured Lives Mortality (2012-14) ultimate (IALM ult). A sample pick from this table is given below:

Age	Mortality rate
21	0.093%
22	0.094%
23	0.094%
24	0.093%
25	0.093%

Age of the members at the valuation date is taken as their nearest age at that date.

Maturity profile of defined benefit obligation:

Rs. In Lakhs

Particulars	As at March 31, 2023	As at March 31, 2022
Within 1 year	**36.85**	28.28
1 - 2 year	**40.11**	32.52
2 - 3 year	**42.55**	36.65
3 - 4 year	**44.66**	40.33
4 - 5 year	**52.97**	44.31
5 - 10 years	**294.08**	320.57

Plan Assets

The fair value of Company's pension plan asset as of 31st Mar 2023 is as follows:

Particulars	As at March 31, 2023	As at March 31, 2022
Asset category:		
Cash and cash equivalents	**0%**	0%
Debt instruments (quoted)	**0%**	0%
Debt instruments (unquoted)	**0%**	0%
Equity instruments (quoted)	**0%**	0%
Deposits with Insurance companies	**100%**	100%
Total	**100%**	100%

Notes to the financial statements for the year ended March 31, 2023

VIII. Experience Adjustments :

Rs. In Lakhs

Particulars	Gratuity as at **As at March 31, 2023**	As at March 31, 2022	As at March 31, 2021	As at March 31, 2020	As at March 31, 2019
1. Defined Benefit Obligation	**452.19**	447.04	413.60	421.78	325.01
2. Fair value of plan assets	**29.91**	37.46	11.80	16.49	21.72
3. Surplus/(Deficit)	**(422.28)**	(409.58)	(401.80)	(405.29)	(303.29)
4. Experience adjustment on plan liabilities [(Gain)/Loss]	**(44.82)**	(15.59)	(85.80)	74.18	(12.26)
5. Experience adjustment on plan assets [Gain/(Loss)]	**(0.58)**	(0.07)	(0.05)	0.06	(1.99)

The expected rate of return on plan assets is based on the average long term rate of return expected on investments of the fund during the estimated term of obligation.

The estimate of future salary increases, considered in actuarial valuation, takes account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF MAHINDRA ELECTRIC AUTOMOBILE LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Mahindra Electric Automobile Limited** (the "Company") which comprise the balance sheet as at 31 March 2023, and the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the period beginning from 25 October 2022 to 31 March 2023 ("the period"), and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2023, and its loss and other comprehensive loss, changes in equity and its cash flows for the period ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Management's and Board of Directors' Responsibilities for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit/ loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of

accounting in preparation of financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2 A. As required by Section 143(3) of the Act, we report that:

a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

c. The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.

d. In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.

e. On the basis of the written representations received from the directors as on 31 March 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2023 from being appointed as a director in terms of Section 164(2) of the Act.

f. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

a. The Company does not have any pending litigations which would impact its financial position.

b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

d (i) The management has represented that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(ii) The management has represented that, to the best of their knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(iii) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.

e. The Company have neither declared nor paid any dividend during the period.

f. As proviso to rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable for the Company only with effect from 1 April 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is not applicable.

C. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration payable by the Company to its directors during the current period is in accordance with the provisions of Section 197 of the Act. The remuneration payable to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS OF MAHINDRA ELECTRIC AUTOMOBILE LIMITED FOR THE PERIOD ENDED 31 MARCH 2023

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

(i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.

(B) The Company does not have any intangible assets. Accordingly clause 3(i)(a)(B) of the Order is not applicable.

(i) (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment by which all property, plant and equipment are verified every year. In accordance with this programme, all property, plant and equipment were verified during the period. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No discrepancies noticed on such verification.

(c) The Company does not have any immovable property (other than immovable properties where the Company is the lessee and the leases agreements are duly executed in favour of the lessee). Accordingly, clause 3(i)(c) of the Order is not applicable.

(d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.

(e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.

(ii) (a) The Company does not hold any physical inventories. Accordingly, clause 3(ii)(a) of the Order is not applicable.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been sanctioned any working capital limits in excess of five crore rupees in aggregate from banks and financial institutions on the basis of security of current assets at any point of time of the period. Accordingly, clause 3(ii)(b) of the Order is not applicable to the Company.

(iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any investments, provided guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the period. Accordingly, provisions of clauses 3(iii)(a) to 3(iii)(f) of the Order are not applicable to the Company.

(iv) According to the information and explanations given to us and on the basis of our examination of records of the Company, the Company has neither made any investments nor has it given loans or provided guarantee or security and therefore the relevant provisions of Sections 185 and 186 of the Companies Act, 2013 ("the Act") are not applicable to the Company. Accordingly, clause 3(iv) of the Order is not applicable.

(v) The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable.

(vi) According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act for the products manufactured by it. Accordingly, clause 3(vi) of the Order is not applicable.

(vii) (a) The Company does not have liability in respect of Service tax, Duty of excise, Sales tax and Value added tax during the period since effective 1 July 2017, these statutory dues has been subsumed into GST.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Goods and Service Tax, Income-Tax or other statutory dues have been regularly deposited by the Company with the appropriate authorities.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, no undisputed amounts payable in respect of Goods and Service Tax, Income-Tax or other statutory dues were in arrears as at 31 March 2023 for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no statutory dues relating to Goods and Service Tax ,Income-Tax or other statutory dues, which have not been deposited with the appropriate authorities on account of any dispute.

(viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the period.

(ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company did not have any loans or borrowings from any lender during the period. Accordingly, clause 3(ix)(a) of the Order is not applicable to the Company.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.

(c) According to the information and explanations given to us by the management, the Company has not obtained any term loans during the period. Accordingly, clause 3(ix)(c) of the Order is not applicable.

(d) The Company has not raised any funds on short-term basis. Accordingly, clause 3(ix)(d) of the Order is not applicable.

(e) The Company does not hold any investment in any subsidiaries, associates or joint ventures (as defined under the Act) during the period ended 31 March 2023. Accordingly, clause 3(ix)(e) is not applicable.

(f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the period on the pledge of securities held in its subsidiaries, joint ventures or associate companies (as defined under the Act).

(x) (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any private placement of shares or fully or partly convertible debentures during the period. In our opinion, in respect of preferential allotment of preference shares made during the period, the Company has duly complied with the requirements of Section 42 and Section 62 of the Act. The funds raised during the year have not been utilised because funds were raised towards the end of the year.

(xi) (a) Based on examination of the books and records of the Company and according to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the course of the audit.

(b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government.

(c) Based on the information and explanations provided to us, the Company does not have a vigil mechanism and is not required to have a vigil mechanism as per the Act or SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

(xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.

(xiii) The Company was incorporated during the year and accordingly the requirements as stipulated by the provisions of Section 177 of the Act are not applicable to the Company for the year. In our opinion and according to the information and explanations given to us and on the basis of our examination of records of the Company, transactions with the related parties are in compliance with Section 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.

(xiv) (a) In our opinion and based on the information and explanations provided to us, the Company does not have an Internal Audit system and is not required to have an internal audit system as per Section 138 of the Act.

(b) In our opinion and based on the information and explanations provided to us, the Company does not have an internal audit system and is not required to have an internal audit system as per Section 138 of the Act. Accordingly, clause 3(xiv)(b) of the Order is not applicable.

(xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Act are not applicable to the Company.

(xvi) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Order is not applicable.

(b) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(b) of the Order is not applicable.

(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.

(d) According to the information and explanations provided to us, the Group (as per the provisions of the Core Investment Companies (Reserve Bank) Directions, 2016) has more than one CIC as part of the Group. The Group has four CICs as part of the Group

(xvii) The Company has incurred cash losses of Rs 0.35 crores in the current financial period

(xviii) There has been no resignation of the statutory auditors during the period. Accordingly, clause 3(xviii) of the Order is not applicable.

(xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) The requirements as stipulated by the provisions of Section 135 are not applicable to the Company. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS OF MAHINDRA ELECTRIC AUTOMOBILE LIMITED FOR THE PERIOD ENDED 31 MARCH 2023

Report on the internal financial controls with reference to the aforesaid financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

(Referred to in paragraph 2(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls with reference to financial statements of **Mahindra Electric Automobile Limited** ("the Company") as of 31 March 2023 in conjunction with our audit of the financial statements of the Company for the period ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2023, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's and Board of Directors' Responsibilities for Internal Financial Controls

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH, 2023

1 General information

Mahindra Electric Automobile Limited ('the Company') is a limited Company incorporated in India. The address of its registered office and principal activities of the Company are disclosed in the introduction to the Annual Report.

2 Significant Accounting Policies

a) Statement of compliance and basis of preparation and presentation

These financial statements of Mahindra Electric Automobile Limited have been prepared in accordance with Indian Accounting Standards as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under Section 133 of the Companies Act, 2013 (the 'Act') and other relevant provisions of the Act.

These financial statements were approved by the Company's Board of Directors and authorised for issue on 12th May, 2023.

b) Basis of measurement

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values.

c) Measurement of fair values

A number of Companies accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has established policies and procedures with respect to the measurement of fair values.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

– Level 1: Quoted prices (unadjusted) in active markets for identical assets and liabilities.

– Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.

– Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

d) Use of estimates and judgments

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses etc. at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are included in the following notes:

Note No.2 (e) Property, plant & equipment

i) Useful lives of property, plant and equipment and other intangible assets

The Company reviews the useful lifes of property, plant and equipment and other intangible assets at the end of each reporting period. This re-assessment may result in change in depreciation and amortisation expense in future periods.

ii) Fair value of financial assets and liabilities and investments

The Company measures certain financial assets and liabilities on fair value basis at each balance sheet date or at the time they are assessed for impairment. Fair value measurement that are based on significant unobservable inputs (Level 3) requires estimates of operating margin, discount rate, future growth rate, terminal values, etc. based on management's best estimate about future developments.

e) Property, plant and equipment

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation less accumulated impairment, if any. Cost includes financing cost relating to borrowed funds attributable to the construction or acquisition of qualifying tangible assets up to the date the assets are ready for use. The estimated useful lives, residual values, are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Depreciation is calculated on Straight Line method over the estimated useful life of all assets. These lives are in accordance with Schedule II to the Companies Act, 2013, other than the following asset class, based on technical advise which has considered estimated uses and operating condition of the assets:

(a) Vehicles : 3 years

f) Intangible assets under development

The Company expenses costs incurred during research phase to profit or loss in the year in which they are incurred. Development phase expenses are initially recognised as intangible assets under development until the development phase is complete, upon which the amount is capitalised as intangible asset. Acquired intangible assets under development are reflected at the acquisition cost.

g) Impairment of Assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount, which is the higher of the value in use or fair value less cost to sell, of the asset or cash-generating unit, as the case may be, is estimated and impairment loss (if any) is recognised and the carrying amount is reduced to its recoverable amount.

When an impairment loss subsequently reverses, the carrying amount of the asset or a cash-generating unit is increased to the revised estimate of its recoverable amount, so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) earlier.

NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH, 2023

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

h) Financial assets and Financial liabilities:

Financial instruments: Financial assets and financial liabilities are recognised when a Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit or Loss.

Financial assets: All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace. All recognised financial assets are subsequently measured at either amortised cost or fair value depending on their respective classification.

Financial liabilities and equity instruments: Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instrument: An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all its liabilities. Equity instrument issued by the Company are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instrument is recognised and deducted directly in equity. No gain or loss is recognised in the Statement of Profit or Loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

Financial liabilities: All the financial liabilities are subsequently measured at amortised cost using the effective interest method or at fair value through profit and loss.

i) Revenue Recognition

Interest income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

Mutual Fund Income

Mutual Fund income is accounted as and when the right to receive such income arises and it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

j) Income taxes

Current tax

Current tax is determined as the amount of tax payable in respect of taxable income for the year. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax assets and liabilities are recognised for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets are recognised to the extent that it is probable that future taxable income will be available against which the deductible temporary differences could be utilised. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

3 Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Rules, 2015 by issuing the Companies (Indian Accounting Standards) Amendment Rules, 2023, applicable from April 1, 2023, as below:

a) **Ind AS 1 – Presentation of Financial Statements**

The amendments require companies to disclose their material accounting policies rather than their significant accounting policies. Accounting policy information, together with other information included in an entity's financial statements, is material when it can reasonably be expected to influence decisions of primary users of general purpose financial statements. The Company does not expect this amendment to have any significant impact in its financial statements.

b) **Ind AS 37 – Onerous Contracts - Costs of Fulfilling a Contract**

The amendments specify that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts. The amendment is essentially a clarification and the Group does not expect the amendment to have any significant impact in its financial statements.

c) **Ind AS 12 – Income Taxes**

The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences. The Company does not expect this amendment to have any significant impact in its financial statements.

Current investments	**28,034.95**
Cash and Bank Balances	**54,759.23**
Net Debt	**(82,794.18)**
Total Capital deployed	**64,099.07**

21 Financial instruments

Financial Risk Management Framework

In the course of its business, the Company is exposed to a certain financial risks namely credit risk, market risk & liquidity risk. The Company's primary focus is to achieve better predictability of financial markets and seek to minimize potential adverse effects on its financial performance.

The financial risks are managed in accordance with the risk management policy as approved by Board of Directors of the Company.

(a) Market Risk Management

Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates etc. could affect the Company's income or the value of its holdings of financial instruments including cash flow. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while maximising the return.

(b) Credit Risk Management

Credit Risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company usually deals with creditworthy counterparties and obtain sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults. The exposure is continuously monitored.

(c) Liquidity risk management - Maturity profile of non - derivative financial liabilities

The following table details the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The table has been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The table includes both interest and principal cash flows.

All the transactions are at an arm length's price and approved by the board of directors of the Company.

23 Issue of Compulsory Convertible Preference Shares

Mahindra and Mahindra Limited (M&M), the holding Company, executed a Securities Subscription Agreement and Shareholders' Agreement with British International Investment Plc ('BII'), whereby M&M and BII have agreed to invest upto Rs. 1,92,500.00 lakhs each in tranches subject to the terms and conditions as stipulated in the aforesaid agreement(s). Of this, the Company and BII have invested Rs. 40,000.00 lakhs each in equity shares and Compulsorily Convertible Preference Shares ('CCPS') respectively, by 31st March 2023.

CCPS is convertible compulsorily and automatically into such number of equity shares determined as per a pre-determined formula at the conversion date, as per terms and conditions of the agreement(s) entered between the Company and BII. Since the CCPS is convertible into variable number of equity shares of MEAL, it has been classified as financial liability at fair value through profit or loss in the financial statements of the Company. The fair value of CCPS issued as at 31 March 2023 is Rs. 40,000.00 lakhs.

INDEPENDENT AUDITOR'S REPORT

To the Members of NBS International Limited

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of NBS International Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Change in Equity and the Statement of Cash Flows for the year then ended and notes to the Ind AS financial statements, including summary of significant accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2023, its profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our Report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Information Other than the Financial Statements and Auditor's report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements, that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to the financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, based on our audit we report that:
   a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
   b) In our opinion, proper books of account as required by law have been kept by the Company so far, it appears from our examination of those books.
   c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Change in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
   d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
   e) On the basis of written representations received from the directors as on 31 March 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2023, from being appointed as a director in terms of Section 164(2) of the Act.
   f) With respect to the adequacy of the internal financial controls with reference to the financial statements and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
3. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
   a) The Company has disclosed the impact of pending litigations on its financial position in its financial statements - Refer Note 32 to the financial statements.
   b) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
   c) There were no amounts required to be transferred to the Investor Education and Protection Fund by the Company.
   d) (i) The management has represented that, to the best of it's knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

      (ii) The management has represented, that, to the best of it's knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

      (iii) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.

e) The Company has not declared or paid any dividend during the year and has not proposed final dividend for the year.

f) Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from 1 April 2023 and accordingly reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended 31 March 2023.

4. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the Company has not paid or provided remuneration to its directors during the year. Accordingly, compliance with the provision of Section 197(16) read with schedule V of the Act is not required.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS OF NBS INTERNATIONAL LIMITED FOR THE YEAR ENDED 31 MARCH 2023

(Referred to in paragraph 1 under the heading "Report on Other Legal and Regulatory Requirements" of our report of even date)

1) (a) (A) The Company has maintained proper records showing full particulars including quantitative details and situation of its Property, Plant and Equipment and relevant details of Right of Use Assets.

(B) The Company has maintained proper records showing full particulars of its Intangible assets.

(b) The Company has a program of physical verification of its Property, Plant and Equipment (including Right of Use Assets) in a phased manner over a period of three years, which in our opinion, is reasonable having regard to size of the Company and nature of its assets. Pursuant to the program, certain Property, Plant and Equipment have been verified by the Management during the year and no material discrepancies have been noticed on such verification.

(c) According to information and explanations given to us, and on the basis of our examination of the records of the Company, the Company does not have any immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee). Accordingly, reporting under clause 3(i)(c) of the Order is not applicable.

(d) The Company has not revalued its Property, Plant and Equipment (including Right of Use Assets) and Intangible assets during the year.

(e) According to information and explanations given to us, no proceedings have been initiated or are pending against the Company for holding any benami property under the "Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

2) (a) According to information and explanations given to us, the inventory has been physically verified by the management at reasonable intervals during the year and in our opinion the coverage and procedure of such verification is appropriate and no discrepancies of 10% or more in aggregate for each class of inventory were noticed on such verification by the Management.

(b) The Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets at any point of time during the year. Accordingly, the provision of clause 3(ii)(b) of the Order is not applicable to the Company.

3) According to information and explanations given to us, the Company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, reporting under clause 3(iii) of the Order are not applicable.

4) According to information and explanations given to us, the Company has not granted any loan, secured or unsecured, or provided any guarantee or security to the parties covered under section 185 of the Act during the year. With respect to investments provision of Section 186 of the Act have been complied with.

5) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits or amounts which are deemed to be deposits within the meaning of Sections 73 to 76 of the Act and the rules made thereunder. Accordingly, reporting under clause 3(v) of the Order are not applicable to the Company.

6) According to the information and explanations given to us, the requirement for maintenance of cost records specified by the Central Government under Section 148(1) of the Act is not applicable to the Company during the year.

7) (a) According to the information and the explanations given to us, the Company has been generally regular in depositing undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income tax, sales tax, service tax, duty of custom, duty of excise, value added tax, cess and other statutory dues with the appropriate authorities. No undisputed amounts payable in respect of aforesaid statutory dues were outstanding as on the last day of the financial year for a period of more than six months from the date they became payable.

(b) According to information and explanations given to us, and record of the Company examined by us, there were no statutory dues referred to in sub-clause (a) that have not been deposited on account of any dispute except following:

Name of the Statue	Nature of dues	Amount* (Rs. in lakhs)	Period to which the amounts relate	Forum where dispute is pending
Income Tax Act, 1961	Income tax	93.43	FY 2011-2012	Commissioner of Income tax (Appeals)

* net of amount paid under protest Rs. 50.00 lakhs

8) According to information and explanations given to us, no unrecorded transactions have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

9) (a) According to information and explanations given to us, the Company has not defaulted in repayment of dues to any lender. Accordingly, reporting under clause 3(ix)(a) of the Order is not applicable.

(b) According to information and explanations given to us, the Company is not a declared willful defaulter by any bank or financial institution or other lender.

(c) According to information and explanations given to us, the Company has not obtained any term loan and there are no unutilised term loans at the beginning of the year. Accordingly, reporting under clause 3(ix)(c) of the Order is not applicable.

(d) According to information and explanations given to us, and overall examination of the financial statements of the Company, we report that no funds raised on short term basis have been used for long term purposes by the Company.

(e) According to information and explanations given to us, the Company did not have any subsidiary or associate or joint venture during the year. Accordingly, reporting under clause 3(ix)(e) of the Order is not applicable.

(f) According to information and explanations given to us, the Company has not raised loans during the year. Accordingly, reporting under clause 3(ix)(f) of the Order is not applicable.

10) (a) According to the information and explanations given to us, the Company has not raised moneys by way of public offer (including debt instruments) during the year. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable.

(b) According to information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Accordingly, reporting under clause 3(x)(b) of the Order is not applicable.

11) (a) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanation given to us, we report that no fraud by the Company or on the Company has been noticed or reported during the year.

(b) According to information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed in Form ADT- 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules 2014 with the Central Government, during the year and upto the date of this report.

(c) As represented to us by the management, there were no whistle blower complaints received by the Company during the year.

12) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, reporting under clause 3(xii) of the Order is not applicable.

13) According to the information and explanations given to us, in our opinion, transactions with related parties are in compliance with Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.

14) (a) In our opinion, the Company has an internal audit system commensurate with the size and nature of its business.

(b) We have considered the internal audit reports of the Company for the period under audit.

15) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with directors or persons connected with them during the year. Accordingly, provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.

16) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934). Accordingly, reporting under clause 3(xvi)(a) of the Order is not applicable.

(b) According to the information and explanations given to us, the Company has not conducted any Non-Banking Financial or Housing Finance activities.

(c) According to the information and explanations given to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.

(d) According to the information and explanations given to us, the Group has 4 CICs.

17) According to the information and explanations given to us, the Company has not incurred any cash losses in the financial year and in the immediately preceding financial year.

18) There has been no resignation of the statutory auditors during the year. Accordingly reporting under clause 3(xviii) of the Order is not applicable.

19) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

20) According to the information and explanations given to us, the provisions of Section 135 of the Act are not applicable to the Company during the year. Accordingly, reporting under clause 3(xx) of the Order is not applicable.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS OF NBS INTERNATIONAL LIMITED FOR THE YEAR ENDED 31 MARCH 2023

(Referred to in paragraph 2(f) under the heading 'Report on Other Legal and Regulatory Requirements' of our report of even date)

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of NBS International Limited ("the Company") as of 31 March 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal financial controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls With Reference to Financial Statements

A Company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls With Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2023, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by Institute of Chartered Accountants of India.

STATEMENT OF CHANGES IN EQUITY FOR THE YEAR ENDED 31 MARCH 2023

(Currency: Indian Rupees in Lakhs)

a. Equity share capital (ESC)

Particulars	Opening balance	Changes in ESC due to prior period errors	Restated balance	Changes in ESC during the year	Closing balance
For the year ended 31 March 2022	4,455.05	–	–	–	4,455.05
For the year ended 31 March 2023	**4,455.05**	**–**	**–**	**–**	**4,455.05**

b. Other Equity

Particulars	Reserves and surplus	Items of other comprehensive income	
	Retained earnings	Remeasurement of the defined benefit plan	Total
Balance as at 1 April 2021	**(4,165.11)**	**(6.92)**	**(4,172.03)**
Profit for the year	122.82	–	122.82
Other comprehensive income / (loss)	–	(1.70)	(1.70)
Total Comprehensive Income for the year	**122.82**	**(1.70)**	**121.12**
Balance as at 31 March 2022	**(4,042.29)**	**(8.62)**	**(4,050.91)**
Balance as at 1 April 2022	**(4,042.29)**	**(8.62)**	**(4,050.91)**
Profit for the year	558.38	–	558.38
Other comprehensive income / (loss)	–	3.83	3.83
Total comprehensive income for the year	**558.38**	**3.83**	**562.21**
Balance as at 31 March 2023	**(3,483.91)**	**(4.79)**	**(3,488.70)**

Description of the nature and purpose of Other Equity:

i) **Retained earnings:** Retained earnings comprises of accumulated balance of profits/(losses) of current and prior years including transfers made to / from other reserves from time to time. The reserve can be utilized or distributed by the Company in accordance with the provisions of the Companies Act, 2013.

ii) **Remeasurement of defined benefit plan:** Remeasurement gain Rs. 3.83 lakhs (2022: Loss of Rs. 1.70 lakhs) has been recognised during the year.

Notes to the financial statements for the year ended 31 March 2023

1. **Nature of Operations:**

NBS International Limited ('the Company'), a wholly owned subsidiary of Mahindra & Mahindra Limited engaged in the business of sales & servicing of motor vehicles.

2. **Significant Accounting Policies:**

a) **Statement of compliance and basis of preparation and presentation**

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended and notified under section 133 of the Companies Act, 2013 (the Act) and other relevant provisions of the Act.

The financial statements have been prepared on accrual and going concern basis. The accounting polices are applied consistently to all the periods presented in the financial statements. All assets and liabilities have been classified as current or non-current as per the Companies normal operating cycle and other criteria set out in the Division II of Schedule III of the Act.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when:

— It is expected to be realised or intended to be sold or consumed in normal operating cycle

— It is held primarily for the purpose of trading

— It is expected to be realised within twelve months after the reporting period, or

— It is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is treated as current when:

— It is expected to be settled in normal operating cycle; or

— It is held primarily for the purpose of trading; or

— It is due to be settled within twelve months after the reporting period; or

— There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

These financial statements of the Company were approved by the Company's Board of Directors and authorised for issue on 24 April 2023.

The financial statements are presented in Indian Rupees (Rs.) which is also the Company's functional currency. All values are rounded to the nearest lakhs, unless otherwise indicated.

b) **Basis of measurement**

The financial statements have been prepared on the historical cost basis except for certain financial instruments which are measured at fair value or amortised cost at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

c) **Measurement of fair value**

A number of Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has established policies and procedures with respect to the measurement of fair values.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

— Level 1: Quoted prices (unadjusted) in active markets for identical assets and liabilities.

— Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.

— Level 3: Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

d) **Use of estimates and judgements.**

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

In the process of applying the Company's accounting policies, management has made the following judgements, estimates and assumptions which have significant risk of causing a material adjustment to the carrying amounts recognised in the financial statements:

(i) **Useful lives of property, plant and equipment and intangible assets**

The Company reviews the useful lives of property, plant and equipment and intangible assets at the end of each reporting period. This re-assessment may result in change in depreciation and amortisation expense in future periods.

(ii) **Provision for doubtful trade receivables**

The Company is not significantly exposed to credit risk. At present, the Company provides for credit loss/ doubtful receivables as required under Ind AS 109 'Financial Instrument' on the basis of ageing of receivables and judgement about recoverability of amount on evaluation of individual receivables.

(iii) **Deferred tax assets**

Deferred tax assets are recognised to the extent there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets in respect of carry forward of unused tax losses or unused tax credit have been recognised to the extent of available taxable temporary differences.

(iv) **Fair value measurement of financial instruments**

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using appropriate valuation techniques. The inputs for these valuations are taken from observable sources where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of various inputs including liquidity risk, credit risk, volatility etc. Changes in assumptions/judgements about these factors could affect the reported fair value of financial instruments.

(v) **Defined benefit plans**

The determination of Company's liability towards defined benefit obligation to employees is made through independent actuarial valuation including determination of amounts to be recognised in the Statement of Profit and Loss and in other comprehensive income. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increase and mortality rates, etc. Due to complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to change in these assumptions. All assumptions are assumed at each reporting date.

e) <u>Property, plant & equipment and intangibles</u>

Property, plant & equipment and intangible assets are carried at cost of acquisition or construction less accumulated depreciation/ amortisation and accumulated impairment losses, if any.

Cost includes the purchase price (including duties & non-refundable taxes) borrowing cost, any directly attributable cost of bringing the asset to its working condition and location for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

Depreciation/amortisation is provided on straight-line basis so as to expense the depreciable amount, i.e. the cost less estimated residual value, over its estimated useful life. The estimated useful lives and residual values are reviewed annually and the effect of any changes in estimate is accounted for on a prospective basis.

When an asset is scrapped or otherwise disposed off the cost and relevant depreciation are removed from the books of accounts and resultant profit or loss, if any, is reflected in statement of profit and loss.

Assets costing less than or equal to Rs. 5,000 are depreciated fully in the year of purchase.

The management's estimate of useful lives are in accordance with Schedule II of the Companies Act, 2013, other than the following asset classes, based on the Company's expected usage pattern supported by technical assessment:

Asset Class		Useful lives
(i)	Certain items of plant and machinery	1 - 15 years
(ii)	Office equipment	1 - 5 years
(iii)	Vehicles	5 years
(iii)	Intangibles – computer software	5 years

Leasehold Improvements are amortized over the period of lease or estimated period of useful life of such improvement, whichever is lower.

f) <u>Impairment of assets</u>

At the end of each reporting period, the management reviews the carrying amounts of its property, plant & equipment and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the management estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in profit or loss.

g) <u>Inventories</u>

Inventories are measured at the lower of cost or net realisable value. The cost of inventory comprise of all costs of purchase and other costs incurred in bringing the inventories to their present location and condition. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale. Finished goods (vehicles) cost is determined using specific identification of cost. Spare parts & accessories cost is determined using weighted average cost formula.

h) <u>Revenue from contract with customer</u>

The Company derives revenues primarily from sale and servicing of motor vehicles.

Ind AS 115 "Revenue from Contracts with Customers" provides a control-based revenue recognition model and provides a five step application approach to be followed for revenue recognition.

- Identify the contract(s) with a customer;
- Identify the performance obligations;
- Determine the transaction price;
- Allocate the transaction price to the performance obligations; and
- Recognise revenue when or as an entity satisfies performance obligation.

Revenue from contract with customer is recognised when control of the goods or services are transferred to the customer at an amount that reflect the consideration to which the Company expects to be entitled in exchange of the goods and services. Revenue excludes amount collected on behalf of the third parties. Revenue is net of discounts, duties and GST. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract.

<u>Sales of goods:</u>

The Company recognizes revenue from sale of goods measured at the fair value of the consideration received or receivable, upon satisfaction of performance obligation which is at a point in time when control of the goods is transferred to the customer, generally on delivery of the goods.

<u>Sale of services:</u>

Service income is recognized as per the terms of the contract on satisfaction of performance obligation towards rendering of such services.

<u>Interest income:</u>

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

i) <u>Leases</u>

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116 and this may require significant judgment. The Company also uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend or terminate the lease if the Company is reasonably certain based on relevant facts and circumstances that the option to extend or terminate will be exercised. If there is a change in facts and circumstances, the expected lease term is revised accordingly.

The discount rate is generally based on the interest rate specific to the lease being evaluated or if that cannot be easily determined the incremental borrowing rate for similar term is used.

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

The Company as a lessee

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and restoration cost, less any lease incentives received.

The right-of-use assets are subsequently depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. In addition, the right-of-use asset is reduced by impairment losses, if any.

The lease liability is initially measured at amortised cost at the present value of the future lease payments. When a lease liability is remeasured, the corresponding adjustment of the lease liability is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

j) <u>Employee Benefits</u>

Short term employee benefits

Short term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid, if the Company has a present obligation and the amount can be estimated reliably.

Defined contribution plans – Provident fund, ESIC and Labour welfare fund

The Company's contribution paid/payable during the year to Provident fund, ESIC and Labour welfare fund are recognised in profit or loss.

Defined benefit plan - Gratuity

Company's liability towards gratuity are determined by independent actuaries, using the projected unit credit method. Past services are recognised at the earlier of the plan amendment/curtailment and the recognition of related restructuring costs/termination benefits.

Long - term compensated absences

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of expected future payments to be made in respect of services provided by employees up the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation.

Remeasurement gains/losses

Remeasurement of defined benefit plans, comprising of actuarial gains or losses are recognised immediately in balance sheet with corresponding debit or credit to other comprehensive income. Remeasurements are not reclassified to profit or loss in subsequent period.

k) <u>Cash and Cash Equivalents</u>

Cash and cash equivalent comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to insignificant risk of changes in value.

l) <u>Borrowing costs</u>

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

m) <u>Taxation</u>

Tax expense for the period comprise of current and deferred tax. Tax expense is recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

(i) <u>Current Tax</u>

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

(ii) <u>Deferred Tax</u>

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities

n) <u>Provisions and Contingencies</u>

A provision is recognized when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made of the amount of the obligations. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed. Provisions are not recognised for future operating losses.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent liabilities are disclosed in respect of possible obligations that have arisen from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of future events not wholly within the control of the Company.

o) Financial Instruments

Financial assets and financial liabilities are recognized when the company became a party to the contractual provisions of the instrument.

i) Financial Assets

Initial recognition and measurement

All financial assets are recognised initially at fair value (purchase value plus transaction costs that are attributable to the acquisition of the financial asset). Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset. However, trade receivables that do not contain a significant financing component are measured at transaction price.

On initial recognition, a financial asset is classified as – measured at:

- Amortised cost; or
- Fair Value through Other Comprehensive Income (FVTOCI) – debt instruments; or
- Fair Value through Other Comprehensive Income (FVTOCI) – equity instruments; or
- Fair Value through Profit or Loss (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

All financial assets not classified as measured at amortised cost or FVTOCI are measured at FVTPL.

Subsequent measurement

Financial assets at amortised cost are subsequently measured at amortised cost using effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment expenses are recognised in profit or loss. Any gain and loss on derecognition is also recognised in profit or loss.

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Debt investment at FVTOCI are subsequently measured at fair value. Interest income under effective interest method, foreign exchange gains and losses and impairment are recognised in profit or loss. Other net gains and losses are recognised in Other Comprehensive Income (OCI). On derecognition, gains and losses accumulated in OCI are reclassified to profit or loss.

For equity investments, the Company makes an election on an instrument-by-instrument basis to designate equity investments as measured at FVTOCI. These elected investments are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the reserves. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments. These investments in equity are not held for trading. Instead, they are held for medium or long-term strategic purpose. Dividend income received on such equity investments are recognised in profit or loss. Equity investments that are not designated to be measured at FVTOCI are designated to be measured at FVTPL. Subsequent changes in fair value are recognised in profit or loss.

Financial liabilities and equity instruments

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company is recognised at the proceeds received, net of directly attributable transaction costs.

Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all of the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for the amount it may have to pay. If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised and the proceeds received are recognised as a collateralised borrowing.

Impairment of financial assets

The Company applies the Expected Credit Loss (ECL) model for recognising impairment loss on financial assets. With respect to trade receivables and loans, the Company measures the loss allowance at an amount equal to lifetime expected credit losses. Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets. For debt securities at FVTOCI, the loss allowance is recognised in OCI and is not reduced from the carrying amount of the financial asset in the balance sheet.

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write- off. However, financial assets that are written off could still be subject to enforcement activities under the Company's recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognised in profit or loss.

ii) Financial liabilities

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading or it is a derivative (that does not meet hedge accounting requirements) or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss.

Derecognition of financial liabilities:

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

p) **Earnings per share**

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

q) **Segment**

Segment information is prepared in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole. The Company's business activity primarily falls within a single business segment, i.e., Automative as primarily segment. There is no geographical segment, thus there are no additional disclosures to be provided under Ind AS 108 - "Operating Segments". There have been no other reportable segments identified by chief operating decision makers.

r) **New amendments issued but not effective**

The Ministry of Corporate Affairs has vide notification dated 31 March 2023 notified Companies (Indian Accounting Standards) Amendment Rules, 2023 which amends certain accounting standards. These amendments are effective from 1 April 2024. These amendments are not expected to have a material impact on the Company's financial statements.

(a) Defined contribution plan

The Company's contribution to provident fund aggregating Rs.67.78 lakhs (31 March 2022 : Rs.63.90 lakhs) has been recognised in the statement of profit or loss under the head employee benefits expense.

(b) Defined benefit plans:

Gratuity

The Company operates a defined benefit final salary gratuity plan which is open to new entrants. The gratuity benefits payable to the employees are based on the employee's service and last drawn salary at the time of leaving. The employees do not contribute towards this plan and the full cost of providing these benefits are met by the Company. There are no minimum funding requirements for a gratuity plan in India. The Company has chosen not to fund the gratuity liabilities of the plan but instead carry a provision based on actuarial valuation in its books of accounts. The only regulatory framework which applies to such plans is if the company is covered by the Payment of Gratuity Act, 1972 then the Company is bound to pay the statutory minimum gratuity as prescribed under this Act. The plan is of a final salary defined benefit in nature which is sponsored by the Company and hence it underwrites all the risks pertaining to the plan. In particular, there is a risk for the Company that any adverse salary growth or demographic experience can result in an increase in cost of providing these benefits to employees in future. Since the benefits are lump sum in nature the plan is not subject to any longevity risks.

Defined benefit plans – as per actuarial valuation on 31 March, 2023

Note No. 28 - Financial Instruments

Capital management

The Company's capital management objectives are:

– to ensure the company's ability to continue as a going concern

– to provide an adequate return to shareholders by pricing products and services commensurately with the level of risk.

The Company monitors capital on the basis of the carrying amount of equity and borrowings as presented on the face of the statement of financial position.

The Company sets the amount of capital in proportion to its overall financing structure, i.e. equity and financial liabilities. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

Financial risk management framework

The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk and market risk. In order to manage the aforementioned risks, the Company operates a risk management policy and a program that performs close monitoring of and responding to each risk factors.

Market risk

(i) Market risk is the risk that changes in market prices – such as interest rates will affect the entity's income. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. There has been no significant changes to the entity's exposure to market risk or the methods in which they are managed or measured.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's current debt obligations with floating interest rates.

Interest rate sensitivity

The sensitivity analyses below have been determined based on exposure to interest rate for both derivative and non-derivative instruments at the end of reporting period.

Particulars	Increase / decrease in basis points	Effect on profit / (loss) for the year
31-Mar-23	**+100**	**(2.00)**
	-100	**2.00**
31-Mar-22	+100	–
	-100	–

The assumed movement in basis points for the interest rate sensitivity analysis is based on the currently observable market environment, showing a significantly higher volatility than in prior years.

Credit risk

(i) The Company's exposure to credit risk is limited to the carrying amount of financial assets recognised at the balance sheet date.

(ii) The Company continuously monitors defaults of customers and the other counterparties, identified either individually or by company and incorporates this information into its credit risk controls.

(iii) The Company's management considers that all the financial assets are not impaired for each of the reporting date under review, are of good credit quality, including those that are past due.

(iv) In respect of trade and other receivables, the company is not exposed to any significant credit risk exposure to any single counterparty or any group of counterparties having similar characteristics. Concentration of credit risk to any counterparty did not exceed 10% of gross monetary assets at any time during the year.

(v) The Company applies the simplified approach to providing for expected credit losses prescribed by Ind AS 109, which permits the use of the lifetime expected loss provision for all trade receivables. The company has computed expected credit losses based on a provision matrix which uses historical credit loss experience of the Company and individual receivable specific provision where applicable. Forward-looking information (including macroeconomic information) has been incorporated into the determination of expected credit losses. Due to immateriality company has decided not to provide for any credit losses.

Liquidity Risk

(i) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Company's short-, medium- and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

(ii) Maturities of financial liabilities

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows.

To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rate curves at the end of the reporting period. The contractual maturity is based on the earliest date on which the Company may be required to pay.

(Currency: Indian Rupees in Lakhs)

Particulars	Less than 1 Year Rs.	1-3 Years Rs.	3 Years to 5 Years Rs.	5 years and above Rs.
Non-derivative financial liabilities				
31-Mar-23				
-Non-interest bearing	2,137.51	553.49	169.13	26.94
-Fixed interest rate instruments	–	–	–	–
-Variable interest rate instruments	2,804.74	–	–	–
Total	**4,942.25**	**553.49**	**169.13**	**26.94**
31-Mar-22				
-Non-interest bearing	2,860.85	35.72	43.46	–
-Fixed interest rate instruments	–	–	–	–
-Variable interest rate instruments	–	–	–	–
Total	**2,860.85**	**35.72**	**43.46**	**–**

(iii) Financing arrangements

The Company had access to following undrawn borrowing facilities at the end of the reporting period:

(Currency: Indian Rupees in Lakhs)

Particulars	As at 31 March 2023 Rs.	As at 31 March 2022 Rs.
Unsecured bank overdraft facility		
- Expiring within one year	**695.26**	1,500.00
- Expiring beyond one year	**–**	–
	695.26	1,500.00

(iv) Maturities of financial assets

The following table details the Company's expected maturity for its non-derivative financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets. The inclusion of information on non-derivative financial assets is necessary in order to understand the Company's liquidity risk management as the liquidity is managed on a net asset and liability basis.

(Currency: Indian Rupees in Lakhs)

Particulars	Less than 1 Year Rs.	1-3 Years Rs.	3 Years to 5 Years Rs.	5 years and above Rs.
Non-derivative financial assets				
31-Mar-23				
Non-interest bearing	1,336.16	51.95	–	–
31-Mar-22				
Non-interest bearing	1,221.82	49.57	–	–

The amounts included above for variable interest rate instruments for both non-derivative financial assets and liabilities is subject to change if changes in variable interest rates differ to those estimates of interest rates determined at the end of the reporting period.

Note No. 29 - Fair Value Hierarchy

(i) Financial instruments measured at fair value and fair value hierarchy is as under:

Financial assets/Financial liabilities	Financial assets/ Financial liabilities	Fair Value Category	As at 31 March 2023	As at 31 March 2022	Fair value hierarchy	Fair value
Investment in Mutual Funds	Financial Asset	Financial instrument measured at FVTPL	–	41.94	Level 1	Net asset Value

As at 31 March 2023 and 31 March 2022 there are no other financial instruments that are measured at fair value

Note No. 30 - Segment information

(a) The Company's business activity falls within a single operating business segment viz. 'Automotive'.

This operating segment is reported in a manner consistent with the internal reporting provided to the Chief Executive Officer of the Company regarded as the Chief Operating Decision Maker ("CODM").

The CODM evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by operating segment. The CODM reviews revenue and gross profit as the performance indicator for this segment. All other activities of the Company revolve around this operating segment. Hence there are no separate reportable primary segments. Company deals into trading and servicing of vehicles.

(b) All the non-current assets of the Company are located in India.

(c) Revenue from major products and services

(Currency: Indian Rupees in Lakhs)

Particulars	As at 31 March 2023	As at 31 March 2022
Sale & service of vehicles and other operating income	**40,073.21**	21,816.78

(d) Revenues from transactions with a single external customer does not amount to 10% or more of an entity's revenues during the year.

(e) Since there is single segment there is no difference in measurement of profit & loss and measurement of assets and liabilities.

INDEPENDENT AUDITOR'S REPORT

To the members of Mahindra Automotive Australia Pty Ltd

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Mahindra Automotive Australia Pty Ltd (the Company), which comprises the statement of financial position as at 31 March 2023, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial report, including a summary of significant accounting policies, and the directors' declaration.

In our opinion the accompanying financial report of Mahindra Automotive Australia Pty Ltd, is in accordance with the *Corporations Act 2001*, including:

(i) Giving a true and fair view of the Company's financial position as at 31 March 2023 and of its financial performance for the year ended on that date; and

(ii) Complying with Australian Accounting Standards – Simplified Disclosures and the *Corporations Regulations 2001*.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the Financial Report* section of our report. We are independent of the Company in accordance with the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

The directors are responsible for the other information. The other information obtained at the date of this auditor's report is information included in the directors' report but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the directors for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Simplified Disclosures and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website (http://www.auasb.gov.au/Home.aspx) at: http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf

This description forms part of our auditor's report.

BDO Audit Pty Ltd

Randall Bryson

Director

Brisbane, 24th May, 2023

DIRECTORS' DECLARATION FOR THE YEAR ENDED 31 MARCH 2023

In the directors' opinion:

- the attached financial statements and notes comply with the Corporations Act 2001, the Australian Accounting Standards - Simplified Disclosures, the Corporations Regulations 2001 and other mandatory professional reporting requirements;
- the attached financial statements and notes give a true and fair view of the company's financial position as at 31 March 2023 and of its performance for the financial year ended on that date; and
- there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

Signed in accordance with a resolution of directors made pursuant to section 295(5)(a) of the Corporations Act 2001.

On behalf of the directors

Sachin Arolkar

Director

The above statement of cash flows should be read in conjunction with the accompanying notes.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

Note 1. Significant accounting policies

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

New or amended Accounting Standards and Interpretations adopted

Mahindra Automotive Australia Pty Ltd (the company) has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

The adoption of these Accounting Standards and Interpretations did not have any significant impact on the financial performance or position of the company.

The following Accounting Standards and Interpretations are most relevant to the company:

Conceptual Framework for Financial Reporting (Conceptual Framework)

The company has adopted the revised Conceptual Framework from 1 July 2021. The Conceptual Framework contains new definition and recognition criteria as well as new guidance on measurement that affects several Accounting Standards, but it has not had a material impact on the company's financial statements.

AASB 1060 General Purpose Financial Statements - Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities

The company has adopted AASB 1060 from 1 July 2021. The standard provides a new Tier 2 reporting framework with simplified disclosures that are based on the requirements of IFRS for SMEs. The entity previously prepared General Purpose Financial Statements with 'Reduced disclosure requirements'. Accordingly, the application of Australian Accounting Standards – Simplified Disclosures has not affected the reported financial position, financial performance and cash flows of the company, but has impacted the disclosures included in these financial statements.

Basis of preparation

These general purpose financial statements have been prepared in accordance with the Australian Accounting Standards - Simplified Disclosures issued by the Australian Accounting Standards Board ('AASB') and the Corporations Act 2001, as appropriate for for-profit oriented entities.

The company does not have 'public accountability' as defined in AASB 1053 Application of Tiers of Australian Accounting Standards and is therefore eligible to apply the 'Tier 2' reporting framework under Australian Accounting Standards.

Historical cost convention

The financial statements have been prepared under the historical cost convention.

Critical accounting estimates

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note 2.

Revenue recognition

The company recognises revenue as follows:

Revenue from contracts with customers

Revenue is recognised at an amount that reflects the consideration to which the company is expected to be entitled in exchange for transferring goods or services to a customer. For each contract with a customer, the company: identifies the contract with a customer; identifies the performance obligations in the contract; determines the transaction price which takes into account estimates of variable consideration and the time value of money; allocates the transaction price to the separate performance obligations on the basis of the relative stand-alone selling price of each distinct good or service to be delivered; and recognises revenue when or as each performance obligation is satisfied in a manner that depicts the transfer to the customer of the goods or services promised.

Variable consideration within the transaction price, if any, reflects concessions provided to the customer such as discounts, rebates and refunds, any potential bonuses receivable from the customer and any other contingent events. Such estimates are determined using either the 'expected value' or 'most likely amount' method. The measurement of variable consideration is subject to a constraining principle whereby revenue will only be recognised to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur. The measurement constraint continues until the uncertainty associated with the variable consideration is subsequently resolved. Amounts received that are subject to the constraining principle are recognised as a refund liability.

(i) <u>Sale of goods</u>

Revenue from the sale of agricultural equipment, motor vehicles and parts and accessories is recognised at the point in time when the customer obtains control of the goods, which is generally at the time of delivery.

Other revenue

Other revenue is recognised when it is received or when the right to receive payment is established.

All other revenue is recognised in accordance with AASB 15 Revenue from contracts with customers (AASB 15), when performance obligation is satisfied and control is transferred. All revenue is stated net of the amount of goods and services tax (GST).

Other income

The company recognises other income as follows:

Interest

Interest revenue is recognised on a time proportional basis, taking into account the effective interest rates applicable to the financial assets.

Income tax

The income tax expense or benefit for the period is the tax payable on that period's taxable income based on the applicable income tax rate for each jurisdiction, adjusted by the changes in deferred tax assets and liabilities attributable to temporary differences, unused tax losses and the adjustment recognised for prior periods, where applicable.

Deferred tax assets and liabilities are recognised for temporary differences at the tax rates expected to be applied when the assets are recovered or liabilities are settled, based on those tax rates that are enacted or substantively enacted, except for:

- When the deferred income tax asset or liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and that, at the time of the transaction, affects neither the accounting nor taxable profits; or
- When the taxable temporary difference is associated with interests in subsidiaries, associates or joint ventures, and the timing of the reversal can be controlled and it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax assets are recognised for deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

The carrying amount of recognised and unrecognised deferred tax assets are reviewed at each reporting date. Deferred tax assets recognised are reduced to the extent that it is no longer probable that future taxable profits will be available for the carrying amount to be recovered. Previously unrecognised deferred tax assets are recognised to the extent that it is probable that there are future taxable profits available to recover the asset.

Deferred tax assets and liabilities are offset only where there is a legally enforceable right to offset current tax assets against current tax liabilities and deferred tax assets against deferred tax liabilities; and they relate to the same taxable authority on either the same taxable entity or different taxable entities which intend to settle simultaneously.

Current and non-current classification

Assets and liabilities are presented in the statement of financial position based on current and non-current classification.

An asset is classified as current when: it is either expected to be realised or intended to be sold or consumed in the company's normal operating cycle; it is

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

held primarily for the purpose of trading; it is expected to be realised within 12 months after the reporting period; or the asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period. All other assets are classified as non-current.

A liability is classified as current when: it is either expected to be settled in the company's normal operating cycle; it is held primarily for the purpose of trading; it is due to be settled within 12 months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current.

Deferred tax assets and liabilities are always classified as non-current.

Cash and cash equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Trade and other receivables

Trade receivables are initially recognised at transaction price, less any allowance for expected credit loss. The average credit period on sales of goods is 60 days. No interest is charged on outstanding trade receivables.

The company has applied the simplified approach to measuring expected credit losses, which uses a lifetime expected loss allowance. To measure the expected credit losses, trade receivables have been grouped based on days overdue.

Other receivables are recognised at amortised cost, less any allowance for expected credit losses.

Inventories

New vehicles

New vehicles are valued at the lower of cost and net realisable value on a unit by unit basis.

Spare parts and accessories

Vehicle spare parts and accessories and agriculture equipment are valued at the lower of cost and net realisable value.

Costs for vehicles comprises of purchase and delivery costs, net of rebates and discounts received or receivable.

Stock in transit is stated at the lower of cost and net realisable value. Cost comprises of purchase and delivery costs, net of rebates and discounts received or receivable.

Property, plant and equipment

Plant and equipment is stated at historical cost less accumulated depreciation and impairment. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Depreciation is calculated on a straight-line or diminishing value basis to write off the net cost of each item of property, plant and equipment (excluding land) over their expected useful lives as follows:

Plant and equipment	10-20%
Computer equipment	20-40%
Furniture and fittings	10-20%
Motor vehicles	20-30%

The residual values, useful lives and depreciation methods are reviewed, and adjusted if appropriate, at each reporting date.

Leasehold improvements are depreciated over the unexpired period of the lease or the estimated useful life of the assets, whichever is shorter.

An item of property, plant and equipment is derecognised upon disposal or when there is no future economic benefit to the company. Gains and losses between the carrying amount and the disposal proceeds are taken to profit or loss.

Right-of-use assets

A right-of-use asset is recognised at the commencement date of a lease. The right-of-use asset is measured at cost, which comprises the initial amount of the lease liability, adjusted for, as applicable, any lease payments made at or before the commencement date net of any lease incentives received, any initial direct costs incurred, and, except where included in the cost of inventories, an estimate of costs expected to be incurred for dismantling and removing the underlying asset, and restoring the site or asset.

Right-of-use assets are depreciated on a straight-line basis over the unexpired period of the lease or the estimated useful life of the asset, whichever is the shorter. Where the company expects to obtain ownership of the leased asset at the end of the lease term, the depreciation is over its estimated useful life. Right-of use assets are subject to impairment or adjusted for any remeasurement of lease liabilities.

The company has elected not to recognise a right-of-use asset and corresponding lease liability for short-term leases with terms of 12 months or less and leases of low-value assets. Lease payments on these assets are expensed to profit or loss as incurred.

Extension options on leases where appropriate are included in the useful life of the right-of-use asset. These are used to maximise operational flexibility in terms of managing the assets used in the company's operations. The extension and termination options held are exercisable only by the company and not by the respective lessor. Extension options are only included in the lease term if the lease is reasonably certain to be extended.

Trade and other payables

These amounts represent liabilities for goods and services provided to the company prior to the end of the financial year and which are unpaid. Due to their short-term nature they are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition, except for related party payables which are on terms of between 60 and 180 days.

Borrowings

Loans and borrowings are initially recognised at the fair value of the consideration received, net of transaction costs. They are subsequently measured at amortised cost using the effective interest method.

Loans and borrowings are removed from the statement of financial position when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount and any consideration paid is recognised in profit or loss.

Lease liabilities

A lease liability is recognised at the commencement date of a lease. The lease liability is initially recognised at the present value of the lease payments to be made over the term of the lease, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the company's incremental borrowing rate. Lease payments comprise of fixed payments less any lease incentives receivable, variable lease payments that depend on an index or a rate, amounts expected to be paid under residual value guarantees, exercise price of a purchase option when the exercise of the option is reasonably certain to occur, and any anticipated termination penalties. The variable lease payments that do not depend on an index or a rate are expensed in the period in which they are incurred.

Lease liabilities are measured at amortised cost using the effective interest method. The carrying amounts are remeasured if there is a change in the following: future lease payments arising from a change in an index or a rate used; residual guarantee; lease term; certainty of a purchase option and termination penalties. When a lease liability is remeasured, an adjustment is made to the corresponding right-of use asset, or to profit or loss if the carrying amount of the right-of-use asset is fully written down.

Provisions

Provisions are recognised when the company has a present (legal or constructive) obligation as a result of a past event, it is probable the company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the reporting date, taking into account the risks and uncertainties surrounding the obligation. If the time value of money is material, provisions are discounted using a current pre-tax rate specific to the liability. The increase in the provision resulting from the passage of time is recognised as a finance cost.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

Employee benefits

Short-term employee benefits

Liabilities for wages and salaries, including non-monetary benefits, annual leave and long service leave expected to be settled wholly within 12 months of the reporting date are measured at the amounts expected to be paid when the liabilities are settled.

Other long-term employee benefits

The liability for annual leave and long service leave not expected to be settled within 12 months of the reporting date are measured at the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the projected unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service.

Fair value measurement

When an asset or liability, financial or non-financial, is measured at fair value for recognition or disclosure purposes, the fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date; and assumes that the transaction will take place either: in the principal market; or in the absence of a principal market, in the most advantageous market.

Fair value is measured using the assumptions that market participants would use when pricing the asset or liability, assuming they act in their economic best interests. For non-financial assets, the fair value measurement is based on its highest and best use. Valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, are used, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

Issued capital

Ordinary shares are classified as equity.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

Dividends

Dividends are recognised when declared during the financial year and no longer at the discretion of the company.

Goods and Services Tax ('GST') and other similar taxes

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the tax authority. In this case it is recognised as part of the cost of the acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the tax authority is included in other receivables or other payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the tax authority, are presented as operating cash flows.

Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, the tax authority.

Note 2. Critical accounting judgements, estimates and assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below.

Revenue from contracts with customers involving sale of goods

When recognising revenue in relation to the sale of goods to customers, the key performance obligation of the company is considered to be the point of delivery of the goods to the customer, as this is deemed to be the time that the customer obtains control of the promised goods and therefore the benefits of unimpeded access.

Allowance for expected credit losses

The allowance for expected credit losses assessment requires a degree of estimation and judgement. It is based on the lifetime expected credit loss, grouped based on days overdue, and makes assumptions to allocate an overall expected credit loss rate for each group. These assumptions include recent sales experience and historical collection rates.

Net realisable value of inventories

The provision for impairment of inventories assessment requires a degree of estimation and judgement. The level of the provision is assessed by taking into account the recent sales experience, the ageing of inventories and other factors that affect inventory obsolescence.

Estimation of useful lives of assets

The company determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated lives, or technically obsolete or non-strategic assets that have been abandoned or sold will be written off or written down.

Income tax

The company is subject to income taxes in the jurisdictions in which it operates. Significant judgement is required in determining the provision for income tax. There are many transactions and calculations undertaken during the ordinary course of business for which the ultimate tax determination is uncertain. The company recognises liabilities for anticipated tax audit issues based on the company's current understanding of the tax law. Where the final tax outcome of these matters is different from the carrying amounts, such differences will impact the current and deferred tax provisions in the period in which such determination is made.

Employee benefits provision

As discussed in note 1, the liability for employee benefits expected to be settled more than 12 months from the reporting date are recognised and measured at the present value of the estimated future cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

Warranty provision

In determining the level of provision required for warranties the company has made judgements in respect of the expected performance of the vehicles, the number of customers who will actually claim under the warranty and how often, and the costs of fulfilling the conditions of the warranty. The provision is based on estimates made from historical warranty data associated with similar products and services.

Note 3. Revenue

	2023 $	2022 $

Later than five years	**–**	197,147
	2,337,467	1,633,948

Significant leasing arrangements

Lease liabilities are secured by the assets leased and represent the discounted future rentals payable by the company. Leased assets include property, plant and equipment. These leases are negotiated for an average term of 10 years and are fixed for an average of 5 years with an option to extend for a further 5 years at the then prevailing market rate.

Note 16. Provisions

	2023 $	2022 $
Current liabilities		
Annual leave	**170,970**	145,563
Lease make good	**150,000**	100,000

	2023 $	2022 $
Non-current liabilities		
Long service leave	**110,948**	129,867
	3,684,447	1,984,204

Marketing

The provision represents the estimated costs of marketing the company's new products. The marketing costs are allocated to profit or loss.

Lease make good

The provision represents the present value of the estimated costs to make good the premises leased by the company at the end of the respective lease terms.

Dealer support

The provision represents the present value of the estimated costs that will be incurred with respect to supporting the dealers as per the current dealer agreements. This provision covers a reimbursement to the dealers of registration and third party insurance costs, the estimated costs of signage to be installed at the dealers premises and other general incentives estimated to be payable to the dealers. Each dealer support provision is estimated based on current stock held with the dealers at the end of the period.

Warranties

The provision represents the estimated warranty claims in respect of vehicles sold which are still under warranty at the reporting date. The provision is estimated based on historical warranty claim information, sales levels and any recent trends that may suggest future claims could differ from historical amounts.

Movements in provisions

Movements in each class of provision during the current financial year, other than employee benefits, are set out below:

2023	**Lease make good** $	**Warranties** $	**Dealer support- obsolete stock** $	**Dealer support- registration** $	**Marketing** $	**Dealer support- signage** $	**Other** $
Carrying amount at the start of the year	100,000	716,875	176,000	280,307	100,000	–	335,592
Additional provisions recognised	50,000	4,130	140,500	924,206	–	270,000	304,919
Carrying amount at the end of the year	150,000	721,005	316,500	1,204,513	100,000	270,000	640,511

Note 17. Issued capital

	2023 Shares	**2022 Shares**	**2023 $**	**2022 $**
Ordinary shares - fully paid	4,575,000	4,575,000	4,575,000	4,575,000

Ordinary shares

Ordinary shares entitle the holder to participate in dividends and the proceeds on the winding up of the company in proportion to the number of and amounts paid on the shares held. The fully paid ordinary shares have no par value and the company does not have a limited amount of authorised capital.

Note 18. Dividends

There were no dividends paid, recommended or declared during the current or previous financial year.

Note 19. Key management personnel disclosures

Compensation

The aggregate compensation made to members of key management personnel of the company is set out below:

	2023 $	**2022 $**
Aggregate compensation	375,120	350,227

In addition to this other directors and key management of the entity are paid compensation at ultimate parent level.

Note 20. Remuneration of auditors

During the financial year the following fees were paid or payable for services provided by BDO Audit Pty Ltd, the auditor of the company, and its network firms:

	2023 $	**2022 $**
Audit services - BDO Audit Pty Ltd		
Audit of the financial statements	33,000	25,685
Other services - BDO Services Pty Ltd		
Preparation of the financial statements and tax return	9,800	8,565

Note 21. Contingent assets

At 31 March 2023, the company has no contingent assets (2022: $Nil).

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

Note 22. Contingent liabilities

In the opinion of the directors, the company did not have any contingent liabilities at 31 March 2023 (2022: $Nil).

Note 23. Commitments

At 31 March 2023, the entity had not entered into any contractual capital commitments (2022: $Nil).

Note 24. Related party transactions

Parent entity

Mahindra & Mahindra Limited is the ultimate parent entity, a publically listed company based in Mumbai, India.

Key management personnel

Disclosures relating to key management personnel are set out in note 19.

Transactions with related parties

The following transactions occurred with related parties:

	2023 $	2022 $
Payment for goods and services:		
Purchase of goods from controlling entity and it's subsidiaries	54,858,829	17,326,244
Payment for other expenses:		
Other expenses paid to other related party	101,405	24,000

Receivable from and payable to related parties

The following balances are outstanding at the reporting date in relation to transactions with related parties:

	2023 $	2022 $
Current receivables:		
Trade receivables from controlling entity and it's subsidiaries	426,150	69,245
Current payables:		
Trade payables to controlling entity and it's subsidiaries	29,510,497	4,554,131

Loans to/from related parties

There were no loans to or from related parties at the current and previous reporting date.

Terms and conditions

All transactions were made on normal commercial terms and conditions and at market rates.

Note 25. Events after the reporting period

No matter or circumstance has arisen since 31 March 2023 that has significantly affected, or may significantly affect the company's operations, the results of those operations, or the company's state of affairs in future financial years.

Note 26. Non-cash investing and financing activities

	2023 $	2022 $
Addition to the right-of-use assets	880,556	–

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF MAHINDRA TWO WHEELERS LIMITED

To the members of Mahindra Two Wheelers Limited

Report on the audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of **Mahindra Two Wheelers Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit and total comprehensive income, its changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the 'Auditors' Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Information Other than the Standalone Financial Statements and Auditors' Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Directors Report and the related annexures, but does not include the Financial Statements and our Auditors' Report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current year and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in Annexure B, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

   (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

   (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

   (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this report are in agreement with the books of account.

   (d) In our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act.

   (e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164(2) of the Act.

   (f) With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure A. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Financial Statements.

   (g) In our opinion, the managerial remuneration for the year ended March 31, 2023 has been paid/provided by the Company to its directors in accordance with the provisions of Section 197 read with Schedule V to the Act.

(h) With respect to the other matters to be included in the Auditors' Report in accordance with the requirements of Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

(i) The Company has disclosed the impact of pending litigations on its financial position in its Financial Statements – Refer Note 40 to the Financial Statements;

(ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and

(iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

(iv) (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

(v) The dividend declared and paid during the year by the Company is in compliance with Section 123 of the Act.

(vi) As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 relating to audit trail feature of the Company's accounting software is applicable to the Company only with effect from financial year beginning April 1, 2023, the reporting under Clause (g) of Rule 11 of the Companies (Audit and Auditors) Rules, 2014 is not applicable for the current year.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

[Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date]

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of sub-section (3) of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of **Mahindra Two Wheelers Limited** ("the Company") as of March 31, 2023 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based on the criteria for internal financial control with reference to financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

1) i) According to the information and explanations given to us, the Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment and investment properties.

ii) The Company has a regular programme for physical verification of its property, plant and equipment and investment properties by which the property, plant and equipment and investment properties are verified by the management according to a phased programme designed to cover all the items over a period of 3 years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its property, plant and equipment and investment properties. In accordance with the programme, the Company has physically verified certain property, plant and equipment and investment properties during the year and no material discrepancies were noticed on such verification.

iii) According to the information and explanations given to us, the Company has no immoveable properties registered in its name. Accordingly, the reporting under Clause 3(i)(c) of the Order is not applicable to the Company.

iv) According to the information and explanations given to us, the Company has not revalued any of its property, plant and equipment (including Right of use assets) or intangible assets or both during the year.

v) Based on the audit procedures performed by us and according to the information, explanations and representations given to us, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

2) i) According to the information and explanations given to us, the inventory comprising of traded goods, packing materials and stores and spare parts has been physically verified at reasonable intervals by the management during the year. In our opinion, coverage and procedure of such verification is appropriate and no discrepancies of 10% or more in the aggregate for each class of inventory were noticed on such verification between the physical inventory and the book records.

ii) According to the information and explanations given to us, the Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate from banks or financial institutions on the basis of security of current assets at any point of time during the year.

3) a) According to the information and explanations given to us, the Company has not made investments in or provided any guarantee or security or secured or unsecured loans to companies, firms, Limited Liability Partnerships. During the year, the company has granted loans to other party, the details of which are as under –

Particulars	**Loans given during the year Rupees**
Aggregate amount during the year:	
- Subsidiaries	Nil
- Joint ventures	Nil
- Associates	Nil
- Limited liability partnership firm	Nil
- Other party	Rs 16 Crores
Balance outstanding as at the Balance Sheet date	
- Subsidiaries	Nil
- Joint ventures	Nil
- Associates	Nil
- Limited liability partnership firm	Nil
- Other party	Nil

b) According to the information and explanation given to us, the terms and conditions of the loans granted by the Company to other party is not prejudicial to the company's interest

c) According to the information and explanations given to us, the other party has been regular in repayment of principal amounts and payments of interest as per the stipulated terms.

d) According to the information and explanations given to us, loan given to other party as mentioned in paragraph (c) above, there is no amount overdue for more than 90 days.

e) According to the information and explanations given to us, the loans granted to the parties mentioned in paragraph (a) above have fallen due during the year but have not been renewed or extended nor fresh loans were granted to settle any overdues of existing loans given to the same parties.

f) According to the information and explanations given to us, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment.

4) According to the information and explanations given to us, the Company has not granted any loans or made any investments or provided any guarantees or security to the

parties covered under Section 185 and 186 of the Act. Accordingly, the reporting under Clause 3(iv) of the Order is not applicable to the Company.

5) According to the information and explanations given to us, the Company has not accepted any deposits under the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under. Accordingly, the reporting under Clause 3(v) of the Order is not applicable to the Company.

6) The Central Government has not prescribed the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company. Accordingly, the reporting under Clause 3(vi) of the Order is not applicable to the Company.

7) i) According to the information and explanations given to us and on the basis of our examination of records of the Company, the amounts deducted/accrued in the books of account in respect of undisputed statutory dues including Goods and Services tax, Provident Fund, Employees' State Insurance, cess and other material statutory dues have been regularly deposited during the year by the Company with the appropriate authorities. The amounts deducted/accrued in the books of account in respect of undisputed statutory dues of Income-tax have generally been regularly deposited during the year by the Company with the appropriate authorities, though there have been slight delays in a few cases. According to the information and explanations given to us and on the basis of our examination of records of the Company, there were no undisputed statutory dues payable in respect of Sales tax, Service tax, Duty of Customs, Duty of Excise and Value Added Tax.

ii) According to the information and explanations given to us and on the basis of our examination of records of the Company, there were no arrears of undisputed statutory dues in respect of Goods and Services tax, Provident fund, Employees' State Insurance, Income-tax, Sales tax, Service tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and other material statutory dues as on the last day of the year for a period of more than six months from the date they became payable.

iii) According to the information and explanation given to us and on the basis of our examination of records of the Company, there are no statutory dues in respect of Goods and Service Tax, Provident Fund, Employees State Insurance, Sales Tax, Service Tax , Duty of Customs, Duty of Excise, Value added tax, Cess and any other material statutory dues as at 31 March 2023, which have not been deposited on account of any dispute. The statutory dues in respect of Income tax and other tax as at 31 March 23 which have not been deposited with the appropriate authorities on account of a dispute are as under

Name of the statute	Nature of dues	Amount (Rs in lakhs)	Financial year to which is it pertains	Forum where the disputes is pending
Income Tax Act, 1961	Income tax including interest	146	2014-15	DCIT
Income Tax Act 1961	Income tax including interest	441	2018-19	DCIT
Central sales tax act	C form and F form liability	778	2016-17	DC of state tax
Central sales tax Act	C Form liability	60	2017-18 Q1	Jt Commissioner appeal
West Bengal E Tax	Entry Tax demand	5	2016-17	Jt Commissioner Revisionary appeal
West Bengal CST	C form liability	153	2015-18	Jt Commissioner Appeal

8) According to the information and explanations given to us, there are no transactions not recorded in the books of account which have been surrendered or disclosed as income during the year in the tax assessments under the Income-tax Act, 1961. Accordingly, the reporting under Clause 3(viii) of the Order is not applicable to the Company.

9) a) According to the information and explanations given to us and based on the audit procedures performed by us, the Company has not availed any loans or other borrowings during the year. Accordingly, the reporting under Clause 3(ix) (a) of the Order is not applicable to the Company.

b) According to the information and explanations given to us, the Company has not been declared a willful defaulter by any bank or financial institution or any other lender till the date of our audit report.

c) According to the information and explanation given to us, Company has not obtained any term loan during the year. Hence reporting under clause (ix) (c) is not applicable.

d) In our opinion and according to information and explanations given to us and on overall examination of the Balance sheet of the Company, we report that company has not raised any short term or long term loan during the year. Hence reporting under clause (ix) (d) is not applicable to company.

e) According to the information and explanations given to us and on an overall examination of the Financial

Statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures

10) a) According to the information and explanations given to us, the Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under Clause 3(x)(a) of the Order is not applicable to the Company.

b) According to the information and explanation given to us, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.

11) a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the management.

b) There has been no report filed by us under sub-section (12) of Section 143 of the Act in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government. Accordingly, the reporting under Clause 3(xi)(b) of the Order is not applicable to the Company.

c) As represented to us by the management, no whistle blower complaints were received by the Company during the year.

12) According to the information and explanations given to us, the Company is not a Nidhi company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, the reporting under Clause 3(xii) of the Order is not applicable to the Company.

13) In our opinion and according to the information and explanations given to us, the Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required by Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified under Section 133 of the Act.

14) a) In our opinion and according to the information and explanations given to us and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.

b) We have considered the Internal Audit reports of the Company issued till date for the period under audit.

15) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or directors of its holding company or persons connected with them during the year and hence the provisions of Section 192 of the Act are not applicable to the Company. Accordingly, the reporting under Clause 3(xv) of the Order is not applicable to the Company.

16) a) According to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under Clause 3(xvi) of the Order is not applicable to the Company.

b) In our opinion and according to the information and explanations given to us, the Company has not conducted any Non-Banking Financial or Housing finance activities. Accordingly, the reporting under this clause is not applicable to the Company.

c) In our opinion and according to the information and explanations given to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under Clauses 3(xvi)(c) and 3(xvi)(d) of the Order is not applicable to the Company.

d) Based on the information and explanations given to us, we report that the Group has six core Investment companies

17) In our opinion and according to the information and explanations given to us, the Company has not incurred cash losses in the current financial year as well as in the immediately preceding financial year. Accordingly, the reporting under Clause 3(xvii) of the Order is not applicable to the Company.

18) There has been no resignation of the statutory auditors during the year. Accordingly, the reporting under Clause 3(xviii) of the Order is not applicable to the Company.

19) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of Balance Sheet as and when they fall due within a period of one year from the Balance Sheet date. We, however, state that this is not an assurance as to the future viability of the

company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the Balance Sheet date, will get discharged by the Company as and when they fall due.

20) a) According to the information and explanations given to us, in respect of other than ongoing projects, the Company has no unspent amount that needs to be transferred to a Fund specified in Schedule VII to the Act in compliance with second proviso to sub section(5) of section 135 of the Act.

b) According to the information and explanations given to us, in respect of ongoing projects, the Company has no unspent amount which needs to be transferred to a special account in compliance with sub-section (6) of Section 135 of the Act.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

Note no. 1. GENERAL INFORMATION

Mahindra Two Wheelers Limited is in the business of trading in spare parts and accessories. It deals in parts required for the range of Two wheelers, passenger light motor vehicle and commercial vehicles manufactured and sold by its Holding Company, Mahindra & Mahindra Limited. The Company undertakes procurement, warehousing management, logistics and sale of spare parts and accessories. It has a network of dealers spread across India to ensure timely availability of spare parts to customers.

The Company has elected not to prepare consolidated financial statements, as Mahindra & Mahindra Limited being the Holding Company prepares consolidated financial statements at Group Level. Copies of the annual report of the Mahindra & Mahindra Limited can be obtained from the Company Secretary, Mahindra & Mahindra Limited, Mahindra Towers, Dr. G. M. Bhosale Marg, Worli, Mumbai, 400 018, India.

Note no. 2. SIGNIFICANT ACCOUNTING POLICIES

2.1 Statement of compliance:

The financial statements of the Company ('financial statements') have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act), Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and other relevant provisions of the Act.

2.2 Basis of preparation and presentation:

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

1. Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
2. Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
3. Level 3 inputs are unobservable inputs for the asset or liability

2.3 Revenue Recognition:

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts, incentives, volume rebates, and outgoing taxes on sales.

2.4 Leases:

Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on balance sheet lessee accounting model for lessees. A lessee recognises right-of-use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. The standard also contains enhanced disclosure requirements for lessees.

2.5 Foreign exchange transactions:

Transactions in foreign currencies (other than company's functional currency) are recorded at the exchange rates prevailing on the date of transaction. Monetary items are re-translated at the year-end rates. The exchange difference between the rate prevailing on the date of transaction and on the date of settlement as also on re-translation of Monetary items at the end of the year, is recognised as income or expense, as the case may be.

2.6 Employee Benefits:

2.6.1 Defined contribution plan

The Company's contributions paid/payable during the year to Provident Fund are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees.

2.6.2 Defined benefit plan/leave encashment

The Company's liability towards gratuity and leave encashment is determined using the projected unit credit method which considers each period of service as giving rights to an additional unit of benefit entitlement and measure each unit separately to build up the final obligation. Past services are recognised on straight line basis over the average period until the benefits become vested. Actuarial gains and losses are recognised immediately in the statement of other comprehensive income as income or expense. Obligation is measured at the present value of estimated future cash flow using discounted rate i.e. determined by reference to the market yield at the Balance Sheet date on Government Bonds where the currency and terms of the Government Bonds are consistent with the currency and estimated terms of the defined benefit obligation.

2.6.3 Other benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognised during the period when the employee renders the service.

2.7 Taxes on Income:

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and applicable tax laws. Deferred tax is recognised on temporary differences between the carrying amounts assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

2.8 Property Plant & Equipment:

Property Plant & Equipments are carried at cost less depreciation. Cost comprises the purchase price and other attributable costs.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Depreciation on assets is calculated on Straight Line Method at the rates and in the manner prescribed in Schedule II to the Companies Act, 2013, except in respect of the following categories of assets, in whose case the useful life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc. :

Vehicles	5 years
Plant & Machinery	7 years

2.9 Impairment:

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. Impairment loss is provided to the extent the carrying amount of assets exceeds their recoverable amount. Recoverable amount is the higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. Net selling price is the amount obtainable from the sale of an asset in an arm's length transaction between knowledgeable, willing parties, less the cost of disposal.

2.10 Inventories:

Inventories comprise all costs of purchase and other costs incurred in bringing the inventories to their present location and condition. Stock -in -trade are valued at lower of cost or net realisable value after provision for obsolescence and other losses, where considered necessary. Cost is determined on the basis of weighted average method.

2.11 Product Warranty:

In respect of warranties given by the Company on sale of certain products, the estimated costs of these warranties are accrued at the time of sale on the basis of technical estimate. These estimates are established using historical information on the nature, frequency and average cost of warranty claims. The estimates for accounting of warranties are reviewed and revisions are made as required.

2.12 Financial Instruments:

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value plus or minus transaction costs, as appropriate, unless they are financial assets in the form of trade receivables that do not contain a significant financing component. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial Assets:
All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace. All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Financial liabilities and equity instruments: Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

<u>Investments in equity instruments at FVTOCI</u>

A financial asset is held for trading if:

1. It has been acquired principally for the purpose of selling it in the near term; or
2. on initial recognition it is part of a portfolio of identified financial instruments or a financial guarantee
3. it is a derivative that is not designated and effective as a hedging instrument or a financial guarantee

The Company has equity investments in one entity which are not held for trading. The company has elected the FVTOCI irrevocable option for this investment (see note no 4). Fair value is determined in the manner described in note no 30. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to profit and loss on disposal of the investment.

Dividends on this investment in equity instruments is recognised in profit or loss when the company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably. Dividends recognised in profit or loss are included in the 'Other Income' line item.

Trade Receivable: Trade receivables are initially measured at their transaction price, unless those contain a significant financing component determined in accordance with Ind AS 115 (or when the entity applies the practical expedient in accordance with para 63 of Ind AS 115). They are subsequently measured at amortized cost using the effective interest method, less provision for impairment.

2.13 Critical accounting judgements and key sources of estimation uncertainty:

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses etc. at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

Key source of estimation of uncertainty at the date of the financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of useful lives of property, plant and equipment, obligations relating to employee defined benefits etc. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialise."

2.14 Cash and cash equivalents (for purposes of Cash Flow Statement):

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.15 Investments:

Investments, which are readily realisable and intended to be held for not more than one year from the date on which such investments are made are classified as current investments. All other investments are classified as non current investments.

2.16 Segment Reporting:

The Company has single reportable business segment namely Automotive vehicles-related spare parts. The Company has only one reportable geographical segment.

2.17 Recent Accounting Pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, applicable from April 1, 2023, as below:

i. Ind AS 1 – Material accounting policies - The amendments mainly related to shifting of disclosure of erstwhile "significant accounting policies" in the notes to the financial statements to material accounting policy information requiring companies to reframe their accounting policies to make them more "entity specific. This amendment aligns with the "material" concept already required under International Financial Reporting Standards (IFRS).

ii. Ind AS 8 – Definition of accounting estimates - The amendments specify definition of 'change in accounting estimate' replaced with the definition of 'accounting estimates'.

iii. Ind AS 12 – Annual Improvements to Ind AS (2021) - The amendment clarifies that in cases of transactions where equal amounts of assets and liabilities are recognised on initial recognition, the initial recognition exemption does not apply. Also, If a company has not yet recognised deferred tax asset and deferred tax liability on right-of-use assets and lease liabilities or has recognised deferred tax asset or deferred tax liability on net basis, that company shall have to recognise deferred tax assets and deferred tax liabilities on gross basis based on the carrying amount of right-of-use assets and lease liabilities existing at the beginning of 1 April 2022.

The Company is currently assessing the impact of application of these amendments on its financial statements.

Capital management

The company's capital management objectives are:

– to ensure the company's ability to continue as a going concern

– to provide an adequate return to shareholders by pricing products and services commensurately with the level of risk.

The company monitors capital on the basis of the carrying amount of equity less cash & cash equivalent as presented on the face of the statement of financial position.

The company sets the amount of capital in proportion to its overall financing structure, i.e. equity and financial liabilities. The company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

	As at March 31, 2023	As at March 31, 2022

CREDIT RISK

(i) Credit risk management

Credit risk arises when a counterparty defaults on its contractual obligations to pay resulting in financial loss to the Company . The Company has adopted a policy of only dealing with creditworthy counterparties, where appropriate, as a means of mitigating the risk of financial loss from defaults. The Company's exposure and credit ratings of its counterparties are continuously monitored and the aggregate value of transactions concluded is spread amongst approved counterparties. Credit exposure is controlled by counterparty limits that are reviewed and approved by the management as and when required. The Company does not have significant credit risk exposure to any single counterparty.

The loss allowance provision is determined as follows:

As at March 31, 2023 — **Rupees in Lakhs**

Balance at end of the year	**316.79**	461.47

LIQUIDITY RISK

(i) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Company's short-, medium- and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

(ii) Maturities of financial liabilities

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

Total	**5,969.11**	**–**	**–**	**–**

(iii) Maturities of financial assets

The following table details the Company's expected maturity for its non-derivative financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets. The inclusion of information on non-derivative financial assets is necessary in order to understand the Company's liquidity risk management as the liquidity is managed on a net asset and liability basis.

Currency Risk

The Company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise. The Company's exposure to currency risk relates primarily to the Company's operating activities when transactions are denominated in a different currency from the Company's functional currency.

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows.

Particulars	Currency	As at March 31, 2023	As at March 31, 2022
Trade Receivables	USD	**331.65**	10,790.08
	INR (Rupees Lakhs)	**0.12**	8.17
	EUR	**–**	(2,244.61)
	INR (Rupees Lakhs)	**–**	(1.89)
Trade Payables	USD	**1,980.00**	27,792.83
	INR (Rupees Lakhs)	**1.63**	21.05
	EUR	**102,914.04**	28,471.64
	INR (Rupees Lakhs)	**92.27**	24.07

Of the above foreign currency exposures, the following exposures are not hedged by a derivative:

Particulars	Currency	As at March 31, 2023	As at March 31, 2022
Trade Receivables	USD	**331.65**	10,790.08
	INR (Rupees Lakhs)	**0.12**	8.17
	EUR	**–**	(2,244.61)
	INR (Rupees Lakhs)	**–**	(1.89)
Trade Payables	USD	**1,980.00**	27,792.83
	INR (Rupees Lakhs)	**1.63**	21.05
	EUR	**102,914.04**	28,471.64
	INR (Rupees Lakhs)	**92.27**	24.07

Foreign Currency Sensitivity

The following tables demonstrate the sensitivity to a reasonably possible change in USD and EURO exchange rates, with all other variables held constant. The impact on the Company's profit before tax is due to changes in the fair value of monetary assets and liabilities . The Company's exposure to foreign currency changes for all other currencies is not material.

Rupees in Lakhs

For the year ended	Currency	Change in rate	Effect on profit before tax	Effect on pre-tax equity
March 31, 2023	**USD/EURO**	**+10%**	**(9.38)**	**(9.38)**
	USD/EURO	**-10%**	**9.38**	**9.38**
March 31, 2022	USD/EURO	+10%	(3.88)	(3.88)
	USD/EURO	-10%	3.88	3.88

1. The amount outstanding is unsecured and will be settled in cash. No guarantee has been given or received. No expense has been recognised in current or prior years for bad and doubtful debts in respect of the amounts owed by the related party.
2. Related party transactions for the period are at arm's length.

Note no. 32 - Employee benefits

(a) Defined Contribution Plan

The Company makes Provident Fund contributions to defined contribution plans for qualifying employees. Under the schemes, the Company is required to contribute a specified percentage of the payroll costs to fund the benefits. The Company recognised Rs.8.08 Lakhs (2022: Rs.7.11 Lakhs) for Provident Fund contributions in the Statement of Profit and Loss. The contributions payable to these plans by the Company are at rates specified in the rules of the schemes.

(b) Defined Benefit Plans:

Gratuity

The Company operates a gratuity plan covering qualifying employees. The benefit payable is the greater of the amount calculated as per the Payment of Gratuity Act, 1972 or the Company scheme applicable to the employee. The benefit vests upon completion of five years of continuous service and once vested, it is payable to employees on retirement or on termination of employment. In case of death while in service, the gratuity is payable irrespective of vesting. The Company makes annual contribution to the group gratuity scheme administered by the Life Insurance Corporation of India through its Gratuity Trust Fund.

Through its defined benefit plans the Company is exposed to a number of risks, the most significant of which are detailed below:

1) Liability Risks

a. Asset-Liability Mismatch Risk-

Risk which arises if there is a mismatch in the duration of the assets relative to the liabilities. By matching duration with the defined benefit liabilities, the company is successfully able to neutralize valuation wings caused by interest rate movements. Hence, companies are encouraged to adopt asset-liability management.

b. Discount Rate Risk-

Variations in the discount rate used to compute the present value of the liabilities may seem small, but in practise can have a significant impact on the defined benefit liabilities.

c. Future Salary Escalation and Inflation Risk -

Since price inflation and salary growth are linked economically, they are combined for disclosure purposes. Rising salaries will often result in higher future defined benefit payments resulting in a higher present value of liabilities especially unexpected salary increases provided at management's discretion may lead to uncertainties in estimating this increasing risk.

2) Asset Risks

All plan assets are maintained in a trust fund managed by a public sector insurer viz; LIC of India.LIC has a sovereign guarantee and has been providing consistent and competitive returns over the years.

The company has opted for a traditional fund wherein all assets are invested primarily in risk averse markets. The company has no control over the management of funds but this option provides a high level of safety for the total corpus. A single account is maintained for both the investment and claims settlement and hence 100% liquidity is ensured. Also, interest rate and inflation risk are taken care of.

The significant actuarial assumptions used for the purposes of the actuarial valuations were as follows:

	Valuation as at 31-Mar-23	**Valuation as at 31-Mar-22**
Discount rate(s)	**7.30%**	6.30%
Expected rate(s) of salary increase	**9.00%**	9.00%

Fund managed by insurer	**100.00%**	100.00%

V. Actuarial assumptions		
1. Discount rate	**7.30%**	6.30%
2. Expected rate of return on plan assets	**6.30%**	5.60%
3. Attrition rate	**20.00%**	20.00%
4. Medical premium inflation	**NA**	NA

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

Rupees in Lakhs

Principal assumption	Changes in assumption	March 31, 2023 Impact on defined benefit obligation Increase in assumption	March 31, 2023 Impact on defined benefit obligation Decrease in assumption	March 31, 2022 Impact on defined benefit obligation Increase in assumption	March 31, 2022 Impact on defined benefit obligation Decrease in assumption
Discount rate	-1.00%		58.60		51.53
	1.00%	53.88		47.10	
Salary growth rate	-1.00%		54.39		47.57
	1.00%	58.01		50.98	
Withdrawal rate	-1.00%		56.32		49.47
	1.00%	55.98		48.98	

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as and when calculating the defined benefit liability recognised in the Balance sheet.

The methods and types of assumptions used in preparing the sensitivity analyses did not change compared to previous period.

Mortality : It is assumed that the active members of the scheme will experience in-service mortality in accordance with the Indian Assured Lives Mortality (2012-14) ultimate (IALM ult). A sample pick from this table is given below:

Age	**Mortality rate**
21	0.000934
22	0.000937
23	0.000936
24	0.000933
25	0.000931

Age of the members at the valuation date is taken as their nearest age at that date.

Maturity profile of defined benefit obligation:

Particulars	**March 31, 2023**	March 31, 2022
Within 1 year	**11.51**	9.67
1 - 2 year	**15.24**	9.15
2 - 3 year	**11.54**	12.06
3 - 4 year	**8.02**	9.28
4 - 5 year	**7.46**	6.32
5 - 10 years	**29.89**	25.75

Plan Assets

The fair value of Company's pension plan asset as of March 31, 2023 is as follows:

Particulars	**March 31, 2023**	March 31, 2022
Asset category:		
Cash and cash equivalents	**0%**	0%
Debt instruments (quoted)	**0%**	0%
Debt instruments (unquoted)	**0%**	0%
Equity instruments (quoted)	**0%**	0%
Deposits with Insurance companies	**100%**	100%
Total	**100%**	100%

The expected rate of return on plan assets is based on the average long term rate of return expected on investments of the fund during the estimated term of obligation.

The estimate of future salary increases, considered in actuarial valuation, takes account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

Note no. 33 - Segment Reporting

The Company has single reportable business segment namely Automotive vehicles-related spare parts. All other activities of the Company revolve around its main business. Hence there are no separate reportable primary segments. The Company deals into trading of Spare parts. The Company has only one reportable geographical segment.

Geographic information	**As at March 31, 2023**	Rupees in Lakhs As at March 31, 2022
Revenue from external customers		
India	**34,079.19**	26,674.59
Outside India	**71.16**	673.35
Total revenue per statement of profit or loss	**34,150.35**	27,347.94

All the non-current assets of the Company are located in India.

Revenue from major products and service

The following is an analysis of the company's revenue from its major products and services:

		Rupees in Lakhs
Particulars	**As at March 31, 2023**	As at March 31, 2022
Sale of spares	34,150.35	27,347.94
Total	34,150.35	27,347.94

Revenues from transactions with a single external customer does not amounts to 10% or more of a Company's revenues during the year.

Since there is single segment there is no difference in measurement of profit & loss and measurement of assets and liabilities.

Note no. 43 - Employee stock option

Certain employees of the Company are covered by Employee Stock Option Scheme (ESOP scheme) offered by holding Company, Mahindra & Mahindra Limited. Under the scheme, eligible employees are granted an option to purchase shares of Mahindra & Mahindra Limited, in accordance with the terms and conditions of the scheme.

The Company recognises this scheme as an equity settled share based payments arrangement in accordance with IND AS 102 - Share Based Payment. Options granted under Parent's ESOP scheme vests in 4/5 instalments on expiry of 12 months, 24 months, 36 months, 48 months and 60 months from the date of grant. The options may be exercised subject to condition of minimum number of option vesting, on specified day over a period of 4/5 years from the date of vesting. Such ESOP expense in respect of employees of the Company is charged by the holding Company over the vesting period. The charge is based on fair value of options calculated using Black and Scholes Option Pricing Model. The fair value charge is recognised as share based payment expenses under Employee Benefit Expenses.

THE INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS AT 31 MARCH 2023

PURSUANT TO ARTICLE 14 OF LEGISLATIVE DECREE 39/2010

TO THE SHAREHOLDER OF MAHINDRA EUROPE S.R.L.

Report on the audit of the financial statements

Opinion

We have audited the accompanying Financial Statements of Mahindra Europe S.r.l. ("the Company"), which comprises the Balance Sheet as at March 31st, 2023, and the Statement of Profit and Loss (including other comprehensive income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended.

In our opinion, the annual Financial Statements at 31 March 2023 comply with the provisions which discipline the criteria for the drafting of the same; they have been drawn up clearly and give a true and correct representation of the Company's equity and financial situation and economic result.

Basis of opinion

We carried out the audit in accordance with international auditing standards (ISA Italy). Our responsibilities under these standards are further described in the Responsibilities of the independent auditors for auditing the financial statements section of this report. We are independent of the Company in accordance with the rules and principles in matters of ethics and independence applicable in the Italian legal system to the auditing of balance. We believe that we have obtained sufficient appropriate audit evidence upon which to base our opinion.

Disclosure reminders

The automotive market, as set out in the Explanatory Notes to which reference is made, continues to experience a significant change linked to European legislation which continues to favor engines that use renewable energy over traditional fuels. In this context, the Company had communicated to the sales network, made up of distributors and concessionaires, the termination of the commercial relations with 24 months' notice which expire during the next financial year. The Company justified this decision with the need to modify its business model in relation to the changed market conditions. From the information collected, the Company will continue to support customer needs as required by European and national legislation, therefore, through adequate support from the Shareholder and with the confirmation of current credit lines, it is possible to maintain the assumption of going concern also in this particular moment of transition.

Responsibility of the Directors and of the Statutory auditor for the financial statements

The Directors are responsible for preparing the financial statements that provide a true and fair view in compliance with the Italian regulations governing the accounting criteria, preparation and, within the terms established by law, for that part of the internal control they deem necessary to enable the preparation of financial statements that do not contain material errors due to fraud or unintentional behavior or events. The Directors are responsible for assessing the Company's ability to continue operate as a going concern and, in preparing the financial statements, for the appropriateness of the use of the going concern assumption, as well as for an adequate information on the subject. The Directors use the going concern assumption in preparing the financial statements unless they have assessed that the conditions exist for the liquidation of the Company or for the interruption of the activity or they have no realistic alternatives to such choices.

The Statutory auditor is responsible for supervising, within the terms established by law, the process of preparing the Company's financial information.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to acquire reasonable assurance that the financial statements as a whole do not contain significant errors, due to fraud or unintentional behavior or events, and to issue an audit report that includes our opinion. Reasonable certainty means a high level of certainty which, however, does not provide the guarantee that an audit carried out in accordance with international auditing standards (ISA Italy) will always identify a significant error, if any. Errors may derive from fraud or from unintentional behavior or events and are considered significant if it can reasonably be expected that they, individually or as a whole, are able to influence the economic decisions taken by users on the basis of the financial statements. As part of the audit performed in accordance with international auditing standards (ISA Italy), we exercised professional judgment and maintained professional skepticism throughout the duration of the audit. Furthermore,

- we have identified and assessed the risks of significant errors in the financial statements, due to fraud or unintentional behavior or events; we have designed and performed audit procedures in response to these risks; we have obtained sufficient appropriate audit evidence on which to base our opinion. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting a material misstatement resulting from unintentional behavior or events, as fraud may involve the existence of collusion, forgery, intentional omissions, misrepresentations or overrides of internal control;
- we have acquired an understanding of the internal control relevant for the purposes of the audit in order to define appropriate audit procedures in the circumstances and not to express an opinion on the effectiveness of the Company's internal control;

- we have reached a conclusion on the appropriateness of the use by the directors of the going concern assumption and, based on the audit evidence obtained, on the possible existence of a significant uncertainty regarding events or circumstances that may give rise to significant doubts on the ability of the Company to continue to operate as a going concern. In the presence of a material uncertainty, we are required to draw attention in the audit report to the related disclosures in the financial statements or, if such disclosures are inadequate, to reflect this circumstance in the formulation of our opinion. Our conclusions are based on the audit evidence obtained up to the date of this report. However, subsequent events or circumstances may cause the Company to cease to operate as a going concern;
- we have evaluated the presentation, structure and content of the financial statements as a whole, including the information, and whether the financial statements represent the underlying transactions and events in order to provide a correct representation.

We have communicated to those charged with governance, identified at an appropriate level as required by the Italy ISAs, among other matters, the planned scope and timing of the audit and significant findings, including any significant deficiencies in internal control identified in the course of the audit.

Report on other laws and regulations

Judgment pursuant to art. 14, paragraph 2, letter e), of Legislative Decree 39/2010

The Directors of Mahindra Europe S.r.l. are responsible for preparing the management report of Mahindra Europe S.r.l. as at 31 March 2023, including its consistency with the related financial statements and its compliance with the law. We have carried out the procedures indicated in the auditing standard (SA Italia) n° 720B in order to express an opinion on the consistency of the management report with the financial statements of Mahindra Europe S.r.l. as at 31 March 2023 and on its compliance with the law, as well as to issue a statement on any material misstatements.

In our opinion, the management report is consistent with the financial statements of Mahindra Europe S.r.l. as at 31 March 2023 and is drawn up in compliance with the law. With reference to the declaration referred to in Article 14, paragraph 2, letter e), of Legislative Decree 39/2010, issued on the basis of the knowledge and understanding of the company and the related context acquired during the auditing activity, we have nothing to report.

"EURO amounts are translated for convenience into Indian Rupees at the exchange rate of Rs 89.639 = Euro 1 which is the average of the telegraphic transfer buying and selling rates quoted by the Mumbai Branch of State Bank of India on 31st March 2023".

A lakh is a unit in the Indian numering system equal to one hundred thousand (100.000).

This Financial Statement is in agreement with results of accountant records.

For The Board of Directors:

Sachin Arolkar

Chairman

Mumbai, 08th May 2023

Notes to the financial statements at 31/03/2023

Indian Rupees at the exchange rate of INR 89,639 = Eur 1

A lakh is a unit in the Indian numeric system equivalent to one hundred thousand (100.000).

Introduction

Dear Quotaholder,

The financial statements for the fiscal year ended 31/03/2023 is submitted for your verification and approval. The fiscal year FY2023 ended with a profit equal to Euro 205.162 / INR 183,91 Lakhs, net of taxes and after amortization and depreciation for a total of Euro 56.501 / INR 50,65 Lakhs

Area of Business

Your company carries out its activities in the sector of distribution of motor vehicles and spare parts, as official importer of Mahindra vehicles in the European markets like Italy, Spain, & other Eastern Europe countries.

Major events occurred during the company's fiscal year

The significant events that occurred during the year are as follows:

The Company obtained the necessary type-approval extensions with related waivers from the Ministry of Transport for its entire range of vehicles, in line with the requirements of the applicable regulations. The Company obtained the renewal of the existing credit lines with Intesa Sanpaolo and Bank of America Merrill Lynch. The credit lines are mainly used to finance the import of vehicles and spare parts and to finance short-term cash flow. All credit lines are settled at market conditions and guarantee the Company adequate financial resources to run its business. The Company has renewed its agreement with Fiditalia to offer its customers retail financing options to support the sales of vehicles. During the financial year, the Company managed trade credit through the factoring company Ifitalia of the BNP Paribas Group.

The automobile market continues to experience a significant change linked to emerging European market preferences which continues to favour vehicles that use renewable energy source over traditional fuels. Various studies & analysis done by major trade associations, have not yet been able to identify a single consumer preference. Hence your company is required to re-evaluate and restructure its business model more relevant to the current circumstances and those that are emerging in the medium term. As part of the business model restructuring process, a letter of termination of the distribution relationship was sent to distributors and dealers with two years notice, which expires next year. This residual period will allow the Company to continue exploring the possibilities of developing a business model suited to the new circumstances and capable of facing the new challenges in the market and enables Mahindra Europe to move towards its new goals.

In Financial Year 2022, the country finally overcame the difficulties resulting from the spread of the SARS Covid-19 infection and the resulting restrictions on activities, gaining a strong recovery. It must also be said that during the year major problems arose related to the supply of energy sources and the consequent strong growth in the inflation rate in Italy and in all European countries.

All this led to difficulties for our company in the initial period of the financial year but subsequently, thanks to the constant production of the Kuv100 model and the adjustment of the sales lists, the company achieved a good result in terms of sales and profit.

The Russian-Ukrainian conflict, which broke out in the middle of Europe in February 2022, has not had a negative impact on sales for our company.

Layout criteria

The criteria adopted for the preparation of the financial statements at 31/03/2022 take into account the changes introduced into Italian legislation by legislative decree 139/2015, through which EU Directive 2013/34 was implemented. As a result Legislative decree 139/2015 amended the Italian accounting principles issued by the Italian Accounting Body OIC (*Organismo Italiano di Contabilità*).

It was not feasible to calculate the cumulative past effects of the change in accounting principle and the determination of the past effects was too burdensome and therefore the new accounting principle OIC 15 and OIC 19 was not applied.

The financial statements have been drawn up in accordance with arts. 2423 of the Italian Civil Code, as appears from these Notes, which have been prepared pursuant to art. 2427 of the Italian Civil Code and are an integral part of the financial statements within the meaning and for the purposes of art. 2423.

Financial statement figures are expressed in whole Euro and INR/Lakhs by rounding off the relevant amounts to the nearest whole number. Any rounding-off differences were recorded under the item "INR/Lakhs Rounding-off reserve" included among the Shareholders' equity. Pursuant to article 2423(6) of the Italian civil code, the notes were drawn up in units of thousands of Euro and INR/Lakhs/(in whole Euro and INR/Lakhs).

The explanatory note presents the information of the balance sheet and income statement items in the order in which the related items are indicated in the respective financial statements .

Valuation criteria

(article 2427(1)(1) of the Civil Code, OIC 12)

The valuation of the items in the financial statements was made based on general criteria of prudence and competence, on going-concern basis.

The application of the prudence principle involved the individual valuation of the elements making up the individual items or items of the assets or liabilities, to avoid offsetting between losses that should have been recognized and profits that should not be recognized as unrealized.

In compliance with the accrual principle, the effect of transactions and other events has been recognized and attributed to the year to which these transactions and events refer, and not to the year in which the related cash movements take place (collections and payments).

In application of the principle of relevance, the obligations regarding recognition, evaluation, presentation and disclosure were not respected when their observance had irrelevant effects in order to give a true and correct representation.

The consistent application of accounting principles over time ensures the comparability of the company's financial statements drawn up in different fiscal years.

The recognition and presentation of the balance sheet items was made taking into account the substance of the transaction or contract.

The Company has not made use of the right to exempt from the ordinary rules relating to business continuity.

Exceptional cases pursuant to art. 2423, fifth paragraph, of the Civil Code

(article 2423 (5) of the Civil Code)

There have been no exceptional cases that have made it necessary to resort to exceptions pursuant to art. 2423 paragraph 5 of the Civil Code.

Changes in accounting principles

The Company has not changed the accounting principles.

As regards the application of the national accounting standards OIC 15 (credits) and OIC 19 (debts), relatively the application of the amortized cost criterion and the discounting of the expected cash flow of the correspondent nominal value of the credit / debit, the company makes use of the relevant presumptions of irrelevance for credits and debts with a maturity of less than twelve months, the effects being irrelevant with respect to the results that would be obtained with the pre-reform criteria, since the sale and purchase transactions are negotiated with deferred payments at market rates and with a negligible amount of transaction costs.

Problems of comparability and adaptation

The evaluation criteria adopted in the preparation of the financial statements closed on 31/03/2022 were the same used for the preparation of the financial statements for the previous fiscal year, therefore it was not necessary to calculate the previous cumulative effect of the change in principle.

Appraisal criteria applied

(Ref. Art. 2426, first paragraph, Civil Code)

Fixed assets

Intangible assets

These have been recorded at their historical purchase cost net of the relevant yearly amortisation charged to the individual items.

The costs relating to industrial patent rights and intellectual property rights, licenses, concessions and trademarks whose effects regard several different years are depreciated over a period of 5 business years, while the costs for the approval of vehicles are amortized over a period of 3 business years.

Software licenses were recorded in the assets and are amortized over a period of 2 business years.

Improvements to third party assets are amortized with rates depending upon the duration of the contract.

In the event that, regardless of the depreciation booked, a permanent loss of value occurs, the asset is written down accordingly. If in the following years the reasons for the write-down cease to exist, the original value, adjusted by depreciation, is restored.

The Company has not made use of the right to suspend the depreciation rates for the 2020 financial year provided for in Article 60, paragraphs 7-bis to 7-quinquies of Law Decree 104/2020 (converted by Law 126/2020).

The Company has not made use of the right to revalue intangible assets as required by Article 110 of the Law Decree 104/2020 (converted by Law 126/2020).

Tangible assets

These have been recorded at their purchase cost and are adjusted by the relevant accumulated depreciation.

The book value includes any ancillary costs and the costs incurred for the use of the asset, less any trade discounts and any significant cash discounts.

The depreciation charged to profit and loss account has been calculated on the basis of the remaining useful life of the assets, taking into account their use, destination and economic-technical life, which we believe are well reflected by the following rates, unchanged compared to the previous fiscal year and halved in the year in which the asset has entered operation:

Type of Asset	**% Depreciation**
Specific Plants & Equipments	15%
Generic Systems	10%
Electronic Machines	20%
Passenger Vehicles	25%
Commercial Vehicles	20%
Office furniture & equipments	12%
Others	10%

In the event that, regardless of the depreciation booked, a permanent loss of value occurs, the fixed assets are written down accordingly. If in the following years the reasons for the write-down cease to exist, the original value, adjusted by depreciation, is restored.

The company has not made use of the right to suspend the depreciation rates for the 2020 financial year provided for in Article 60, paragraphs 7-bis to 7-quinquies of Law Decree 104/2020.

The company has not made use of the right to revalue tangible fixed assets as required by Article 110 of Law Decree 104/2020 (converted by Law 126/2020).

Finance lease transactions

Finance lease transactions are shown in the financial statements using the net asset method, by charging the lease payments to the profit and loss account on an accruals basis. The additional information required by the law on the representation of finance lease agreements under the financial method is contained in a specific section of the notes.

The Company did not take advantage of the suspension of the payment of leasing fees as provided for in Article 56, paragraph 2, letter c), of Law Decree no. 18/2020 (converted by law no.27 of 24 April 2020), therefore the Company has not rescheduled the duration of the financial lease.

Accounts receivable

The amortised cost method was not applied since its effects are immaterial for the purpose of giving a true and fair view. Therefore, accounts receivable have been recorded at their presumed realisable value, without prejudice for the possibility to apply time discounting. The adjustment of the nominal value of receivables to the assumed realizable value is obtained through a reserve for bad debts, taking into consideration the general and industrial economic conditions and country risk.

Accounts receivable recorded in the financial statements before the fiscal year starting 1 January 2016 have been recorded at their presumed realisable value since, as provided by accounting principle OIC 15, it was decided not to apply the amortised cost method and time discounting.

The nominal value of the accounts receivable was adjusted to the presumed realisable value by a bad debt reserve, having regard also to any indicators of permanent impairment.

Accounts receivable originally due within one year and subsequently transformed into long-term receivables were recorded in the balance sheet among financial assets.

Accounts receivable are written off when the contractual rights to receive the relevant cash flows have been extinguished or when the risks in connection with the payment of the receivables have been transferred.

Accounts payable

The amortised cost method was not applied since its effects are immaterial for the purpose of giving a true and fair view. Therefore, accounts payable have been recorded at their nominal value, without prejudice for the possibility to apply time discounting.

Accounts payable recorded in the financial statements before the fiscal year starting 1 January 2016 have been recorded at their nominal value since, as provided by accounting principle OIC 19, it was decided not to apply the amortised cost method and time discounting.

Accrued income/liabilities – pre payments / deferred income

These have been determined on an accruals basis.

With regard to accrued income / liabilities and prepayments/deferred income of a duration exceeding one year, we checked the conditions for their original entry and adopted any necessary changes.

Inventory

Raw materials, auxiliary materials and finished products have been recorded at the lower of purchase or manufacturing cost and realisable value as inferred from market trend, applying the weighted average cost method for spare parts and the specific cost method for vehicles.

Production cost includes the direct and indirect costs incurred during production, which are necessary for stocks to be in the current place and conditions.

On 31/03/2022 the company has not goods-in-process and work-in-progress goods.

The value thus obtained is then adjusted by the “provision for stock obsolescence” in order to take into account those goods which are expected to be realised at a value lower than cost.

Any stocks which were written down but in respect of which in subsequent years the reasons for the write-down to their realisation value ceased to exist, were restored to their original value.

Securities

The company does not hold any securities.

Shareholdings

The company does not hold any shareholdings in subsidiary and affiliated.

The shareholdings included among current assets, which do not represent a long-term investment, have been valued at the lower of purchase cost and realisable value as inferred from market trend.

Treasury shares

The company does not hold any treasury shares.

Derivative financial instruments

The company does not hold any derivative financial instruments.

Provisions for contingent liabilities and charges

These provisions are set aside for the coverage of losses or liabilities that are certain or likely to arise, but whose amount or date of occurrence could not be determined at the year-end.

The provisions have been measured on a prudential and accruals basis and no generic funds without economic justification were created.

Any potential liabilities were carried to the financial statements and recorded in the relevant provisions as they were considered likely to arise and their amount could be reasonably estimated.

Provision for employees’ leaving indemnity (TFR)

This consists of the amounts actually accrued in favour of the employees pursuant to the law and the current collective bargaining agreements, taking into account any elements of remuneration paid on a continuous basis.

The provision includes the total payments accrued for employees at the year-end net of any advances paid, and assuming termination of their employment relationship at such date.

The provision does not include any amounts accrued starting from 1 January 2007 that have been paid into complementary pension schemes pursuant to legislative decree no. 252 dated 5 December 2005 (or transferred to the special-purpose fund managed by the Italian social security authority - INPS).

Income taxes

The provision for taxes has been set aside on an accruals basis and includes the following:

- accruals in respect of the taxes paid or to be paid for the year, determined at the current rates and in accordance with the rules in force;
- the amount of deferred tax assets or liabilities in respect of temporary differences which arose or were written off in the year;
- any adjustments to the balance of deferred taxes to account for changes in the tax rates occurred/for the introduction of the new tax during the year.

Deferred IRES assets and liabilities are calculated on the temporary differences between the assets and liabilities determined in accordance with civil code principles and the corresponding tax values, solely with regard to the company.

Current IRAP and any deferred IRAP assets and liabilities are determined solely with regard to the company.

Recognition of income

Proceeds from sales are recognised at the time of the transfer of ownership which usually coincides with the delivery or forwarding of the goods;

Financial income and income from the provision of services is recognised on an accruals basis.

Revenue and proceeds, costs and charges related to transactions in foreign currency are determined at the exchange rate in force at the date when the relevant transaction takes place.

Only the accrued portion of the income and costs related to buy/sell-back transactions, including the difference between the spot price and the forward price, is recognised.

Adjustment criteria

The company not applied the adjustment criteria.

Criteria for the translation of accounts in foreign currency

Accounts payable and receivable denominated in foreign currency and recorded at the exchange rates in force on the date of the transaction, are retranslated at the exchange rates ruling at the year-end as determined by Bank of Italy.

In particular, assets and liabilities which constitute assets and liabilities in foreign currency are recorded at the spot exchange rate ruling at the year-end and the relevant exchange gains and losses have been taken to the Profit and Loss Account under item 17bis "Exchange gains and losses".

Any net gain deriving from the adjustment of the items in foreign currency to the year-end exchange rates is included in the result for the year and, at the time of the financial statements approval and appropriation of the operating result to the legal reserve, the part which is not offset against the loss for the year, if any, is apportioned to a reserve which is not distributable until the gain is realised.

Non-current assets and liabilities in foreign currency are recorded at the exchange rate ruling at the time of purchase.

No significant effects of the changes to the exchange rates occurred between the year-end and the financial statements preparation date. (article 2427(1)(6-bis) of the Civil Code).

Commitments, guarantees and potential liabilities

Commitments, which are not recorded in the balance sheet, consist of obligations assumed by the company vis-à-vis third parties and arising from legal arrangements with mandatory effects but not yet implemented by either party. Commitments include both commitments in respect of which both the relevant execution and amount is known (for instance, on buy/sell-back transactions) and commitments which are definitely going to be executed but whose amount is unknown (for example, agreement with a price adjustment clause). The amount of the commitments is their nominal value as inferred from the relevant documentation.

The company didn't provide guarantees include personal guarantees and collaterals.

Securities

The securities recorded among financial fixed assets constitute a long-term strategic investment for the company.

The securities in other companies are recorded at the purchase or subscription cost.

The securities recorded at purchase cost have not been written down as a result of a permanent value impairment and no cases occurred in which the original value of a written-down securities was restored.

The company don’t has securities in controlled or affiliated companies.

No destination of securities under fixed assets was changed.

No restrictions are put by any investing company on securities recorded under fixed assets, nor pre-emptive or preferential rights exist thereupon.

No significant transaction was carried out with companies belonging to CONAI, CONOU and Ecotyre Groups.

No fixed equity investments have undergone a change of destination.

Variations and Accounts Receivables

EUR

	Other companies	**Total accounts receivable**
Opening balance	130	130
Changes during the year	10.425	10.425
Closing balance	10.555	10.555
Due within one year		
Due after more than one year	10.555	10.555

INR

	Other companies	**Total accounts receivable**
Opening balance	0,12	0,12
Changes during the year	9,34	9,34
Closing balance	9,46	9,46
Due within one year		
Due after more than one year	9,46	9,46

No revaluations, write-downs and write-backs were made.

Receivables of a commercial nature have been entered in the item receivables from others for an amount of Euro 130 / INR 0.12 Lakhs refer to the caution deposits made to Italian suppliers of Electricity, Water & Gas, originally collectable at the end of the existing contract according to the conditions normally applied on the market.

The changes that occurred during the year are as follows.

EUR

	31/03/2022	**Changes**	**31/03/2023**
Other companies	130	10.425	10.555
Total	**130**	**10.425**	**10.555**

INR

	31/03/2022	**Changes**	**31/03/2023**
Other companies	0,12	9,34	9,46
Total	**0,12**	**9,34**	**9,46**

The increase of Eur 10,425 / INR 9,34 refers to the payment of a security deposit of sums potentially owed at the Social Court of Madrid.

The company has not signed a centralized group Treasury contract to optimize the use of financial resources (cash pooling contract).

Breakdown of the accounts receivable by geographical area

The following table shows a breakdown of the accounts receivable at 31/03/2023 by geographical area (article 2427(1)(6) of the Civil Code).

INR

Description	Opening balance	Changes during the year	Closing balance
Finished products and goods	2.543,51	2.903,82	5.447,33
Total	**2.543,51**	**2.903,82**	**5.447,33**

Accounting policies have been applied consistently with the prior year as explained in the introduction to these notes.

The adopted assessment does not significantly differ from the one using the current cost approach.

The increase in vehicles in stock is majorly due to sales of the KUV100 model.

The item vehicles in stock refers to cars in storage at the Ariccia headquarters and at the depository company located in Livorno.

There are no commitments contractually undertaken for works and services still to be performed at year end.

The Company has not used its stock obsolescence provision. It should be noted that the Company has not recorded the inventory obsolescence provision but has written down the obsolete spare parts inventory items (not moved for more than five years) whose realizable value is lower than cost, adjusting the inventory value over the course of the financial year for approximately Euro 110,000 INR/Lakhs 98,60 which add up to the previous write-down carried out in 2021.

Any contractual undertakings in respect of works and services to be carried out at the year-end.

II. Accounts receivable

EUR

Balance at 31/03/2023	Balance at 31/03/2022	Difference
1.703.667	1.580.895	122.772

1.527,15	1.417,10	110,05

Changes and expiration of receivables entered in the circulating assets

EUR

Description	Opening balance	Changes during the year	Closing balance	Due within one year	Due after more than one year
From customers	957.577	412.638	1.370.215	1.370.215	
From controlling companies	298.880	(211.466)	87.414	87.414	
Tax credits	71.647	(27.430)	44.217	44.217	
Deferred tax assets	200.468	(47.860)	152.608		
Other accounts receivable	52.323	(3.110)	49.213	826	48.387
Total	1.580.895	122.772	1.703.667	1.502.672	48.387

INR

Description	Opening balance	Changes during the year	Closing balance	Due within one year	Due after more than one year
From customers	858,36	369,88	1228,25	1228,25	
From controlling companies	267,91	(189,56)	78,36	78,36	
Tax credits	64,22	(24,59)	39,64	39,64	
Deferred tax assets	179,70	(42,90)	136,80	0,00	
Other accounts receivable	46,90	(2,79)	44,11	0,74	43,37
Total	1417,10	110,05	1527,15	1346,98	43,37

The company took advantage of the possibility not to follow the amortised cost method and not to time discount accounts receivable.

Therefore, accounts receivable have been recognised at their presumed realisable value.

The item “Credits towards the Controlling company” includes the credit for repairs and services rendered on behalf or to the benefit of the parent company.

The deferred tax assets of INR/Lakhs 136.80 Eur 152.608 are in connection with tax loss carryovers in an amount of INR/Lakhs 569.98 Eur 635.867. For a description of the reasons which make it possible to recognise the potential tax benefit in connection with the losses, please refer to the relevant paragraph of these notes.

Break-down of the accounts receivable by geographical area

The following table shows a break-down of the accounts receivable at 31/03/2023 by geographical area (article 2427(1)(6) of the Civil Code):

EUR

Accounts receivable by geographical area	From customers	Deffered Tax Assets	Other accounts receivable	Total
ITALY	44.217	152.608	49.213	1.605.396
INDIA				87.414
SPAIN				9.404
AUSTRIA				1.453
TOTAL	**44.217**	**152.608**	**49.213**	**1.703.667**

INR

Accounts receivable by geographical area	From customers	Deffered Tax Assets	Other accounts receivable	Total
ITALY	39,64	136,80	44,11	1,439,06
INDIA				78,36
SPAIN				8,43
SERBIA				1,30
TOTAL	**39,64**	**136,80**	**44,11**	**1.527,15**

The nominal value of the accounts receivable has been adjusted by a bad debts reserve that during the year changed as follows:

EUR

Description	Bad debt reserve pursuant to article 2426 of the civil code	Total
Balance at 31/03/2022	62.196	62.196
Amount used in the year		
Amount accrued in the year		
Balance at 31/03/2023	**62.196**	**62.196**

INR

Description	Bad debt reserve pursuant to article 2426 of the civil code	Total
Balance at 31/03/2022	55,75	55,75
Amount used in the year		
Amount accrued in the year		
Balance at 31/03/2023	**55,75**	**55,75**

No account receivable with significant amount, not transferred with recourse and not accounts receivable put up as collateral of own accounts payable or commitments.

There are not receivables sold “with recourse” as at 31/03/2023.

IV. Cash-in-hand, cash-at-bank and cash equivalents

EUR

Balance at 31/03/2023	Balance at 31/03/2022	Difference
631.534	866.127	(234.593)

INR

Balance at 31/03/2023	Balance at 31/03/2022	Difference
566,10	776,39	(210,29)

EUR

Description	Opening balance	Changes during the year	Closing balance
Bank and postal deposits	856.080	(229.876)	**856.080**
Cash and cash equivalents	10.047	(4.717)	**5.330**
Total	866.127	(234.593)	**631.534**

INR

Description	Opening balance	Changes during the year	Closing balance
Bank and postal deposits	767,38	(206,06)	**561,32**
Cash and cash equivalents	9,01	(4,23)	4,78
Total	776,39	(210,29)	**566,10**

The balance reflects the cash-in-hand, cash-at-bank and cash equivalents at the year-end.

D) Accrued income/prepayments

EUR

Balance at 31/03/2023	Balance at 31/03/2022	Difference
80.816	208.768	(127.952)

INR

Balance at 31/03/2023	Balance at 31/03/2022	Difference
72,44	187,14	(114,69)

They constitute the adjustment to costs and income pertaining to more than one fiscal year, incurred and earned before actual payment or collection and calculated on an accrual basis.

The criteria adopted for the recognition and translation of items in foreign currency have been reported in the first part of these notes.

At 31/03/2023, there were no accrued income/prepayments of a duration exceeding five years.

EUR

	Prepayments	Total
Opening balance	208.768	**208.768**
Changes during the year	(127.952)	**(127.952)**
Closing balance	80.816	**80.816**

INR

	Prepayments	Total
Opening balance	187,14	**187,14**
Changes during the year	(114,69)	**(114,69)**
Closing balance	72,44	**72,44**

This item can be broken down as follows (article 2427(1)(7) of the Civil Code):

EUR

Description	Amount
Insurance and road tax	**6.467**
Prepaid rate for lease	**58.970**
multifunction copier rental	**324**
Software maintanance	**5.562**
Maintenance expenses	**5.619**
Others	**3.325**
Advertisement expenses	**549**
TOTAL	**80.816**

INR

Description	Amount
Insurance and road tax	**5,80**
Prepaid rate for lease	**52,86**
multifunction copier rental	**0,29**
Software maintanance	**4,99**
Maintenance expenses	**5,04**
Others	**2,98**
Advertisement expenses	**0,49**
TOTAL	**72,44**

The maxi rent paid equal to INR 215,26 / Euro 254.745 relates to the financial leasing contract of the industrial building contract in 2009, for which reference should be made to the relevant paragraph of these notes to accounts.

At the current year-end	1273,91	31,41	0	183,91	1489,2

The share capital amounts to Euro 1.421.151 - INR/Lakhs 1273,91 and is made up of quotas with a nominal value of 1 Euro, held by and fully available to the sole shareholder as no burdens exist on them. At year-end the shares subscribed are paid in as the total amount of the share capital was fully paid-up.

B) Provision for contingent liabilities and charges

(article 2427(1)(4) of the Civil Code)

EUR

Balance at 31/03/2023	Balance at 31/03/2022	Difference
27.863	27.863	

INR

Balance at 31/03/2023	Balance at 31/03/2022	Difference
24,98	24,98	

EUR

	Provision for pension and similar benefits	Provision for taxes, including deferred taxes	Derivative financial instruments	Other provisions companies	Total
Value at the beginning of the year				27.863	27.863
Changes in the year:					
Increases as a result of changes in the fair value					
Decreases as a result of changes in the fair value					
Total changes					
Value at the end of the year				27.863	27.863

INR

	Provision for pension and similar benefits	Provision for taxes, including deferred taxes	Derivative financial instruments	Other provisions companies	Total
Value at the beginning of the year				24,98	24,98
Changes in the year:					
Increases as a result of changes in the fair value					
Decreases as a result of changes in the fair value					
Total changes					
Value at the end of the year				24,98	24,98

The increases are in connection with the accrual for the year, while decreases consist of amounts used in the year.

The item "Other provisions" at 31/03/2023, of INR/Lakhs 24,98 Eur 27.863 is composed as follows: (article 2427(1)(7) of the civil code).

EUR

Description	As at 31/03/2023
Fund for warranties	27.863
TOTAL	27.863

INR

Description	As at 31/03/2023
Fund for warranties	24,98
TOTAL	24,98

The accrual to these provisions was justified by the fact that (i) the other provisions were made to the Warranty fund, because it has been considered not adequate to cover contract discrepancies between what has been acknowledged by the Company and what has been received by the Parent company.

During the year, the value of the provision for warranty was reinstated for a value deemed appropriate.

C) Indemnity for Employees leaving the Company
(article 2427(1)(4) of the Civil Code)

EUR

Balance at 31/03/2023	Balance at 31/03/2022	Difference
148.613	174.820	(26.207)

INR

Balance at 31/03/2023	Balance at 31/03/2022	Difference
133,22	156,71	(23,49)

The difference can be described as follows.

EUR

	Indemnity for Employees leaving company
Value at the beginning of the year	174.820
Changes in the year:	18.350
Decrease for utilization	44.557
Total changes	(26.207)
Value at the end of the year	148.613

INR

	Indemnity for Employees leaving company
Value at the beginning of the year	156,71
Changes in the year:	16,45
Decrease for utilization	39,94
Total changes	(23,49)
Value at the end of the year	133,22

The provision consists of the amounts payable at 31/03/2023 to the employees on the company's payroll at that date, net of any advances paid.

This consists of the amounts actually accrued in favour of the employees pursuant to the law and the current collective bargaining agreements, taking into account any elements of remuneration paid on a continuous basis.

The provision includes the total amounts accrued at 31 December 2006 for employees at the year-end, net of any advances paid, and assuming termination of their employment relationship at such date.

The provision does not include any amounts accrued starting from 1 January 2007 that have been paid into complementary pension schemes pursuant to legislative decree no. 252 dated 5 December 2005 (or transferred to the special-purpose fund managed by the Italian social security authority - INPS).

During the year, the company accrued € 42.121 INR/Lakhs 37,76 for this indemnity, of which € 23.771 INR/Lakhs 16,45 transferred to the complementary pension fund and € 18.350 INR/Lakhs 13.21 to the TFR fund.

The use of Euro 44.557/ INR/Lakhs 39,94 refers to the liquidation of four employees who left the job during the year.

In the year after 31/03/2023 employees are not expected to receive a estimated employees' leaving indemnity as a result of incentivised dismissals and corporate reorganisation plans.

D) Accounts payable

(article 2427(1)(4) of the Civil Code)

EUR

Balance at 31/03/2023	Balance at 31/03/2022	Difference
6.771.652	4.024.991	2.746.661

INR

Balance at 31/03/2023	Balance at 31/03/2022	Difference
6070,04	3607,96	2462,08

The balance can be broken down by due date as follows (article 2427(1)(6) of the Civil Code):

EUR

	Value at the beginning of the year	Changes in the year	Value at the end of the year	Falling due within one year
Accounts payable to banks	1.666	902.366	904.032	904.032
Accounts payable to suppliers	823.635	608.038	1.431.673	1.431.673
Accounts payable to controlling companies	2.863.748	1.199.959	4.063.707	4.063.707

Total	**3607,96**	**2462,08**	**6070,04**	**6070,04**

The balance of the accounts payable to banks at 31/03/2023, in an amount of INR/Lakhs 810,37 / Eur 904.032 total amount debit for credit card, corresponds to the full payable including principal amount, interest and ancillary charges which have come to maturity and can be collected.

The item “Advances” includes any advances from customers on goods and services not yet supplied or rendered; this item includes advance payments, as earnest money or otherwise, received in connection with the sale of tangible, intangible and financial fixed assets.

Accounts payable from suppliers are recognised at their nominal value of net of trade discounts; cash discounts are recorded upon payment. The nominal value of these payables has been adjusted in case of returns or allowances (invoice adjustments) by the corresponding amount agreed with the other party.

The company took advantage of the possibility not to follow the amortised cost method and/or not to time discount accounts payable since 2016.

The company adopted the following accounting policies: no time discounting of accounts payable due within one year; no time discounting of accounts payable if the effective interest rate does not significantly differ from market rate; no adoption of the amortised cost method for accounts payable due within one year, no adoption of the amortised cost method if transaction costs, commission fees and any other difference between initial value and value on expiry are of negligible amount.

With regard to the accounts payable to controlled companies and undertakings under control by the controlling companies, we note that they refer to vehicles’ and spare parts’ supplies under normal market conditions.

The item “Tax liabilities” only includes the actual taxes payable, while any likely tax liabilities or tax liabilities whose amount or date of occurrence is doubtful or deferred tax liabilities, are recorded in item B.2 of the liabilities section of the balance sheet (Provision for taxes).

The accounts payable falling due within one year not include accounts payable backed by covenants.

No significant changes occurred in the amount of Tax liabilities.

In the tax payables item are registered IVA debt € 190.218 INR/Lakhs 170,51 and WHT € 5.240 INR/Lakhs 4,70

They constitute the adjustment to costs and income calculated on an annual basis.

The criteria adopted for the recognition and translation of items in foreign currency have been reported in the first part of these notes.

At 31/03/2023, there were no accrued liabilities/deferred income of a duration exceeding five years.

Profit and loss account

For the purposes of the correct interpretation of the financial statements as at 03/31/2023 and assessment of the possible comparability of the same with the financial statements relating to the previous year, it should be noted that the emergency situation deriving from the SARS Covid-19 infection had made it necessary in the previous year, the adoption of specific measures to support the activity and the workers involved that can no longer be repeated in the year ended 03/31/2023 with a consequent effect on the data in the Income Statement.

In particular, in the previous year the Company had resorted to social safety nets to deal with the drop in demand, a situation that was not necessary during the year ended 03/31/2023.

Costs of raw materials, subsidiary materials, consumables and goods and costs of services

They are closely related to the information provided in the Directors' report and to point A (Revenue) of the Profit and loss account.

Personnel costs

This item includes all employee costs, including bonuses, promotions, cost-of-living increases, untaken holidays and the provisions made pursuant to the law and the national collective bargaining agreements.

During the financial year the Company has not used help from Government to mitigate the adverse economic effect related to Covid-19 like extraordinary redundancy fund (C.I.G.S.).

The reduction in personnel costs is due to the leaving of 2 human resources.

Depreciation of tangible assets

Depreciation has been calculated on the basis of the useful life of the assets and their contribution to the production process.

The Company accrued the depreciation related the financial year closed as at 31/03/2023.

Other write-downs of fixed assets

The item is not reflected in the present financial statements.

Write-downs of accounts receivable included among current assets and of liquid assets

The item is not reflected in the present financial statements.

Accruals to provisions for contingent liabilities and charges

The item is not reflected in the present financial statements.

Other accruals

The item is not reflected in the present financial statements.

Miscellaneous running costs

They refer to taxes other than income tax, subscriptions and other charges.

The company has not entered expenses for exceptional amount or incidence.

Pursuant to article 2427(1)(14) of the civil code, we set out below the required information on deferred tax assets and liabilities:

Deferred tax assets and liabilities

Deferred tax assets have been recorded since in the years in which the underlying deductible temporary differences are going to be reversed there is reasonable certainty that taxable income not lower than the amount of the differences to be reversed is going to be realized.

The main temporary differences that have given rise to deferred tax assets and liabilities and their effects are shown in the following table.

Recording of deferred tax assets and liabilities and relevant effects:

Total tax losses	584,66			748,74		
tax losses carried forward recoverable with reasonable certainty	569,98	24	136,80	748,74	24	179,70

Pre-paid taxes were not recognized for provisions for warranties, due to the elimination of the temporary reabsorb able differences in subsequent years.

Deferred tax assets in connection with tax losses for the year or loss carryovers of prior years have been recorded since the conditions required by the accounting principles for the recognition of the future benefit were met, with particular regard to the reasonable certainty that in future the company will generate sufficient taxable income to offset the losses.

On the basis of the information available also taking into account the contents of the budget for the next financial year being approved, the directors consider the assumption of going concern to be appropriate.

Employee information

(article 2427(1)(15) of the Civil Code)

Compared to the previous year the personnel broken down by category has changed as shown below:

Staff	31/03/2023	31/03/2022	Change
Executives	**1**	1	
Middle Manager	**1**	2	(1)
Employees	**6**	7	(1)
Labourers	**4**	4	
Others	**0**	0	
Total	**12**	**14**	**(2)**

The national collective bargaining agreement for companies in the commercial sector applies.

The decrease is due to the leaving of two employees.

Industrial relations are good and there are no litigations with employees still working or dismissed.

	Executives	Quadri	Employees	Labourers	Others	Total
Average	1	1	6	4	0	**12**

Information concerning the Auditor's fees

(article 2427(1)(16-bis) of the civil code)

As required by law, we set out below the amount of fees charged for services rendered by the audit company firm and by entities that are members of its network:

EUR

Description	Fee
Audit of annual accounts	9.936
Total fees due to the auditor or audit company	9.936

Description	INR Fee
Audit of annual accounts	8,91
Total fees due to the auditor or audit company	8,91

The members of the Board of Directors renounced the remuneration due for the position held in the Mahindra group companies.

The independent Director's fee is Eur 5.469 INR/Lakhs 4,90.

Information on significant events which occurred after the end of the financial year

Overcome the emergency situation from the SARS Covid-19 infection, during 2022 the problems inherent in the Russian-Ukrainian military conflict and the explosion in the inflation rate arose at an international level, in particular as regards energy supply costs. Our company was not affected by the conflict, not being involved in the markets referred to, while the increase in the costs of raw materials and international transport were absorbed with adjustments to the sales price lists.

The Company has entered into commercial agreements with leading Italian rental companies to maintain and strengthen its position on the market.

In light of the information provided in these notes and in the Directors' Report, the Board of Directors believes that the adverse events will not affect the Company's ability to continue as a going concern over the next 12 months.

Information on the company which prepares the consolidated financial statements for the larger/smaller set of companies which the company is a member of in a capacity as controlled undertaking

As required by law, we set out below the information pursuant to article 2427(1)(22-quinquies and sexies) of the civil code.

Description	Larger set	Smaller set

We hereby suggest that the QuotaHolder allocate the profit of the year Eur 205.162 INR/Lakhs 183,91 to legal reserve for Eur 10.258 INR/Lakhs 9,20 and extraordinary reserve for Eur 194.904 INR/Lakhs 174,71.

Final considerations

These financial statements, composed of the balance sheet, profit and loss account and notes, are a true and fair view of the company's state of affairs and economic result for the year and are in accordance with the underlying accounting records.

We invite the Quota Holder to approve the financial statements in their current form and all the single items, year.

The Chairman of the Board of Directors
Sachin Arolkar

INDEPENDENT AUDITORS' REPORT

Report on the Financial Statements to the shareholder of Mahindra and Mahindra South Africa Proprietary Limited

Opinion

We have audited the annual financial statements of Mahindra and Mahindra South Africa Proprietary Limited (the company) set out on pages herein, which comprise the statement of financial position as at 31 March 2023, and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the annual financial statements, comprising a summary of significant accounting policies and other explanatory information.

In our opinion, the annual financial statements present fairly, in all material respects, the financial position of Mahindra and Mahindra South Africa Proprietary Limited as at 31 March 2023, and its financial performance and cash flows for the year then ended in accordance with International Financial Reporting Standards and the requirements of the Companies Act of South Africa.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the annual financial statements section of our report. We are independent of the company in accordance with the Independent Regulatory Board for Auditors' Code of Professional Conduct for Registered Auditors (IRBA Code) and other independence requirements applicable to performing audits of annual financial statements in South Africa. We have fulfilled our other ethical responsibilities in accordance with the IRBA code and in accordance with other ethical requirements applicable to performing audits in South Africa. The IRBA Code is consistent with the corresponding sections of the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards). We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

The directors are responsible for the other information. The other information comprises the information included in the document titled 'Mahindra and Mahindra South Africa Proprietary Limited annual financial statements for the year ended 31 March 2023', which includes the Directors' Report as required by the Companies Act of South Africa. The other information does not include the annual financial statements and our auditor's report thereon.

Our opinion on the annual financial statements does not cover the other information and we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the annual financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the annual financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the directors for the Annual Financial Statements

The directors are responsible for the preparation and fair presentation of the annual financial statements in accordance with International Financial Reporting Standards and the requirements of the Companies Act of South Africa, and for such internal control as the directors determine is necessary to enable the preparation of annual financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the annual financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so

Auditors' responsibilities for the audit of the Annual Financial Statements

Our objectives are to obtain reasonable assurance about whether the annual financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual financial statements.

As part of an audit in accordance with International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the annual financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the annual financial statements, including the disclosures, and whether the annual financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the annual financial information of the entity or business activities to express an opinion on the annual financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTES TO THE ANNUAL FINANCIAL STATEMENTS

ACCOUNTING POLICIES

1. Significant accounting policies

The principal accounting policies applied in the preparation of these annual financial statements are set out below.

1.1 Basis of preparation

The annual financial statements have been prepared on the going concern basis in accordance with, and in compliance with, International Financial Reporting Standards ("IFRS") and International Financial Reporting Standards Interpretations Committee ("IFRS IC") interpretations issued and effective at the time of preparing these annual financial statements and the Companies Act of South Africa, as amended.

These annual financial statements comply with the requirements of the SAICA Financial Reporting Guides as issued by the Accounting Practices Committee and the Financial Reporting Pronouncements as issued by the Financial Reporting Standards Council.

The annual financial statements have been prepared on the historic cost convention, unless otherwise stated in the accounting policies which follow and incorporate the principal accounting policies set out below. They are presented in Rands, which is the company's functional currency.

These accounting policies are consistent with the previous period.

1.2 Significant judgements and sources of estimation uncertainty

The preparation of annual financial statements in conformity with IFRS requires management, from time to time, to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. These estimates and associated assumptions are based on experience and various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

Critical judgements in applying accounting policies

The critical judgements made by management in applying accounting policies, apart from those involving estimations, that have the most significant effect on the amounts recognised in the financial statements, are outlined as follows:

Lease classification

The company is party to leasing arrangements, both as a lessee and as a lessor. The treatment of leasing transactions in the annual financial statements is mainly determined by whether the lease is considered to be an operating lease or a finance lease. In making this assessment, management considers the substance of the lease, as well as the legal form, and makes a judgement about whether substantially all of the risks and rewards of ownership are transferred.

Key sources of estimation uncertainty

Impairment testing

The company reviews and tests the carrying value of assets when events or changes in circumstances suggest that the carrying amount may not be recoverable. When such indicators exist, management determine the recoverable amount by performing value in use and fair value calculations. These calculations require the use of estimates and assumptions.

Useful lives and depreciation of property, plant and equipment

Management assess the appropriateness of the useful lives of property, plant and equipment at the end of each reporting period. The useful lives of all assets are determined based on company replacement policies for the various assets. Individual assets within these classes, which have a significant carrying amount are assessed separately to consider whether replacement will be necessary outside of normal replacement parameters.

Contract liabilities

The fair value of contract liabilities from service plans is management's best estimate of the company's future income and cost based on the estimated service cost that would occur for the selected models over a period of three to five years adjusted for inflation and possible price increases in parts and labour used in the service of the selected model.

Provision for warranties

Warranty provisions are management's best estimate of the company's liability (after the expected reimbursement from the manufacturer) on vehicles under two, three or five year warranties based on the current year warranty claims occurred. The cost per day calculated on those claims is used to estimate the future cost for the remaining warranty days under consideration.

The warranty provision has been discounted to present value and the incremental amount pertaining to the current financial year has been adjusted in cost of sales.

Fair value estimation

The fair values of financial instruments measured at amortised cost are disclosed should it be determined that the carrying value of these instruments do not reasonably approximate their value at each reporting date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability; or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities; or
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable; or
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

Recoverability of receivables

The company makes use of a provision matrix as a practical expedient to the determination of expected credit losses on trade and other receivables. The provision matrix is based on historic credit loss experience, adjusted for factors that are specific to the debtors, general economic conditions and an assessment of both the current and forecast direction of conditions at the reporting date, including the time value of money, where appropriate. Management has incorporated the effect of COVID-19 into the assessment of the recoverability of trade receivables.

NOTES TO THE ANNUAL FINANCIAL STATEMENTS (Contd.)

Determination of net realisable value of inventory

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale. The write down is included in cost of sales.

1.3 Property, plant and equipment

An item of property, plant and equipment is recognised as an asset when it is probable that future economic benefits associated with the item will flow to the company, and the cost of the item can be measured reliably.

Property, plant and equipment is initially measured at cost. Cost includes all of the expenditure which is directly attributable to the acquisition or construction of the asset, including the capitalisation of borrowing costs on qualifying assets and adjustments in respect of hedge accounting, where appropriate.

Property, plant and equipment is subsequently stated at cost less accumulated depreciation and any accumulated impairment losses.

Depreciation of an asset commences when the asset is available for use as intended by management. Depreciation is charged to write off the asset's carrying amount over its estimated useful life to its estimated residual value, using a method that best reflects the pattern in which the asset's economic benefits are consumed by the company. Leased assets are depreciated in a consistent manner over the shorter of their expected useful lives and the lease term. Depreciation is not charged to an asset if its estimated residual value exceeds or is equal to its carrying amount. Depreciation of an asset ceases at the earlier of the date that the asset is classified as held for sale or derecognised.

The useful lives of items of property, plant and equipment have been assessed as follows:

Item	Depreciation method	Average useful life
Computer equipment	Straight line	4 years
Computer software	Straight line	5 years
Furniture and fixtures	Straight line	3 years
Leasehold improvements	Straight line	3 years
Motor vehicles	Straight line	4 years
Motor vehicles - Held for rental	Straight line	4 years
Office equipment	Straight line	6 years
Plant and machinery	Straight line	3 years

The residual value, useful life and depreciation method of each asset are reviewed at the end of each reporting year. If the expectations differ from previous estimates, the change is accounted for prospectively as a change in accounting estimate.

Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item is depreciated separately.

The depreciation charge for each year is recognised in profit or loss unless it is included in the carrying amount of another asset.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its continued use or disposal. Any gain or loss arising from the derecognition of an item of property, plant and equipment, determined as the difference between the net disposal proceeds, if any, and the carrying amount of the item, is included in profit or loss when the item is derecognised.

1.4 Financial instruments

Financial instruments held by the company are classified in accordance with the provisions of IFRS 9 Financial Instruments. Broadly, the classification possibilities, which are adopted by the company ,as applicable, are as follows:

Financial assets which are debt instruments:

- Amortised cost. (This category applies only when the contractual terms of the instrument give rise, on specified dates, to cash flows that are solely payments of principal and interest on principal, and where the instrument is held under a business model whose objective is met by holding the instrument to collect contractual cash flows); or
- Fair value through other comprehensive income. (This category applies only when the contractual terms of the instrument give rise, on specified dates, to cash flows that are solely payments of principal and interest on principal, and where the instrument is held under a business model whose objective is achieved by both collecting contractual cash flows and selling the instruments); or
- Mandatorily at fair value through profit or loss. (This classification automatically applies to all debt instruments which do not qualify as at amortised cost or at fair value through other comprehensive income); or
- Designated at fair value through profit or loss. (This classification option can only be applied when it eliminates or significantly reduces an accounting mismatch).

Financial liabilities:

- Amortised cost; or
- Mandatorily at fair value through profit or loss. (This applies to contingent consideration in a business combination or to liabilities which are held for trading); or
- Designated at fair value through profit or loss. (This classification option can be applied when it eliminates or significantly reduces an accounting mismatch; the liability forms part of a group of financial instruments managed on a fair value basis; or it forms part of a contract containing an embedded derivative and the entire contract is designated as at fair value through profit or loss).

Note 28 Financial instruments and risk management presents the financial instruments held by the company based on their specific classifications.

Trade and other receivables

Classification

Loans receivable (note 7) are classified as financial assets subsequently measured at amortised cost.

They have been classified in this manner because the contractual terms of these loans give rise, on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding, and the company's business model is to collect the contractual cash flows on these loans.

Recognition and measurement

Loans receivable are recognised when the company becomes a party to the contractual provisions of the loan. The loans are measured, at initial recognition, at fair value plus transaction costs, if any.

They are subsequently measured at amortised cost.

The amortised cost is the amount recognised on the loan initially, minus principal repayments, plus cumulative amortisation (interest) using the effective interest method of any difference between the initial amount and the maturity amount, adjusted for any loss allowance.

Application of the effective interest method

Interest income is calculated using the effective interest method, and is included in profit or loss in investment income (note 20).

The application of the effective interest method to calculate interest income on a loan receivable is dependent on the credit risk of the loan as follows:

- The effective interest rate is applied to the gross carrying amount of the loan, provided the loan is not credit impaired. The gross carrying amount is the amortised cost before adjusting for a loss allowance.
- If a loan is purchased or originated as credit-impaired, then a credit-adjusted effective interest rate is applied to the amortised cost in the determination of interest. This treatment does not change over the life of the loan, even if it is no longer credit-impaired.
- If a loan was not purchased or originally credit-impaired, but it has subsequently become credit-impaired, then the effective interest rate is applied to the amortised cost of the loan in the determination of interest. If, in subsequent periods, the loan is no longer credit impaired, then the interest calculation reverts to applying the effective interest rate to the gross carrying amount.

NOTES TO THE ANNUAL FINANCIAL STATEMENTS (Contd.)

Impairment

The company recognises a loss allowance for expected credit losses on all loans receivable measured at amortised cost. The amount of expected credit losses is updated at each reporting date to reflect changes in credit risk since initial recognition of the respective loans.

The company measures the loss allowance at an amount equal to lifetime expected credit losses (lifetime ECL) when there has been a significant increase in credit risk since initial recognition. If the credit risk on a loan has not increased significantly since initial recognition, then the loss allowance for that loan is measured at 12 month expected credit losses (12 month ECL).

Lifetime ECL represents the expected credit losses that will result from all possible default events over the expected life of a loan. In contrast, 12 month ECL represents the portion of lifetime ECL that is expected to result from default events on a loan that are possible within 12 months after the reporting date.

In order to assess whether to apply lifetime ECL or 12 month ECL, in other words, whether or not there has been a significant increase in credit risk since initial recognition, the company considers whether there has been a significant increase in the risk of a default occurring since initial recognition rather than at evidence of a loan being credit impaired at the reporting date or of an actual default occurring.

Significant increase in credit risk

In assessing whether the credit risk on a loan has increased significantly since initial recognition, the company compares the risk of a default occurring on the loan as at the reporting date with the risk of a default occurring as at the date of initial recognition.

The company considers both quantitative and qualitative information that is reasonable and supportable, including historical experience and forward-looking information that is available without undue cost or effort. Forward-looking information considered includes the future prospects of the industries in which the counterparties operate, obtained from economic expert reports, financial analysts, governmental bodies, relevant think-tanks and other similar organisations, as well as consideration of various external sources of actual and forecast economic information.

Irrespective of the outcome of the above assessment, the credit risk on a loan is always presumed to have increased significantly since initial recognition if the contractual payments are more than 30 days past due, unless the company has reasonable and supportable information that demonstrates otherwise.

By contrast, if a loan is assessed to have a low credit risk at the reporting date, then it is assumed that the credit risk on the loan has not increased significantly since initial recognition.

The company regularly monitors the effectiveness of the criteria used to identify whether there has been a significant increase in credit risk and revises them as appropriate to ensure that the criteria are capable of identifying significant increases in credit risk before the amount becomes past due.

Definition of default

For purposes of internal credit risk management purposes, the company consider that a default event has occurred if there is either a breach of financial covenants by the counterparty, or if internal or external information indicates that the counterparty is unlikely to pay its creditors in full (without taking collateral into account).

Irrespective of the above analysis, the company considers that default has occurred when a loan instalment is more than 90 days past due unless there is reasonable and supportable information to demonstrate that a more lagging default criterion is more appropriate.

Write off policy

The company writes off a loan when there is information indicating that the counterparty is in severe financial difficulty and there is no realistic prospect of recovery, e.g. when the counterparty has been placed under liquidation or has entered into bankruptcy proceedings. Loans written off may still be subject to enforcement activities under the company recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognised in profit or loss.

Measurement and recognition of expected credit losses

The measurement of expected credit losses is a function of the probability of default, loss given default (i.e. the magnitude of the loss if there is a default) and the exposure at default, taking the time value of money into consideration.

The assessment of the probability of default and loss given default is based on historical data adjusted by forward-looking information as described above. The exposure at default is the gross carrying amount of the loan at the reporting date.

Lifetime ECL is measured on a collective basis in cases where evidence of significant increases in credit risk are not yet available at the individual instrument level. Loans are then grouped in such a manner that they share similar credit risk characteristics, such as nature of the loan, external credit ratings (if available), industry of counterparty etc.

The grouping is regularly reviewed by management to ensure the constituents of each group continue to share similar credit risk characteristics.

If the company has measured the loss allowance for a financial instrument at an amount equal to lifetime ECL in the previous reporting period, but determines at the current reporting date that the conditions for lifetime ECL are no longer met, the company measures the loss allowance at an amount equal to 12 month ECL at the current reporting date, and visa versa.

An impairment gain or loss is recognised for all loans in profit or loss with a corresponding adjustment to their carrying amount through a loss allowance account. The impairment loss is included in other operating expenses in profit or loss as a movement in credit loss allowance (note 19).

Credit risk

Details of credit risk related to loans receivable are included in the specific notes and the financial instruments and risk management (note 28).

Derecognition

Refer to the "derecognition" section of the accounting policy for the policies and processes related to derecognition.

Any gains or losses arising on the derecognition of a loan receivable is included in profit or loss in derecognition gains (losses) on financial assets at amortised cost.

Trade and other payables

Classification

Trade and other receivables, excluding, when applicable, VAT and prepayments, are classified as financial assets subsequently measured at amortised cost.

They have been classified in this manner because their contractual terms give rise, on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding, and the company's business model is to collect the contractual cash flows on trade and other receivables.

Recognition and measurement

Trade and other receivables are recognised when the company becomes a party to the contractual provisions of the receivables. They are measured, at initial recognition, at fair value plus transaction costs, if any.

They are subsequently measured at amortised cost.

The amortised cost is the amount recognised on the receivable initially, minus principal repayments, adjusted for any loss allowance.

Application of the effective interest method

For receivables which contain a significant financing component, interest income is calculated using the effective interest method, and is included in profit or loss in finance income.

NOTES TO THE ANNUAL FINANCIAL STATEMENTS (Contd.)

The application of the effective interest method to calculate interest income on trade receivables is dependent on the credit risk of the receivable as follows:

- The effective interest rate is applied to the gross carrying amount of the receivable, provided the receivable is not credit impaired. The gross carrying amount is the amortised cost before adjusting for a loss allowance.
- If a receivable is a purchased or originated as credit-impaired, then a credit-adjusted effective interest rate is applied to the amortised cost in the determination of interest. This treatment does not change over the life of the receivable, even if it is no longer credit-impaired.
- If a receivable was not purchased or originally credit-impaired, but it has subsequently become credit-impaired, then the effective interest rate is applied to the amortised cost of the receivable in the determination of interest. If, in subsequent periods, the receivable is no longer credit impaired, then the interest calculation reverts to applying the effective interest rate to the gross carrying amount.

Trade and other receivables denominated in foreign currencies

When trade and other receivables are denominated in a foreign currency, the carrying amount of the receivables are determined in the foreign currency. The carrying amount is then translated to the Rand equivalent using the spot rate at the end of each reporting period. Any resulting foreign exchange gains or losses are recognised in profit or loss in other operating gains (losses).

Details of foreign currency risk exposure and the management thereof are provided in the financial instruments and risk management note.

Impairment

The company recognises a loss allowance for expected credit losses on trade and other receivables, excluding VAT and prepayments. The amount of expected credit losses is updated at each reporting date.

The company measures the loss allowance for trade and other receivables at an amount equal to lifetime expected credit losses (lifetime ECL), which represents the expected credit losses that will result from all possible default events over the expected life of the receivable.

Measurement and recognition of expected credit losses

The company makes use of a provision matrix as a practical expedient to the determination of expected credit losses on trade and other receivables. The provision matrix is based on historic credit loss experience, adjusted for factors that are specific to the debtors, general economic conditions and an assessment of both the current and forecast direction of conditions at the reporting date, including the time value of money, where appropriate.

An impairment gain or loss is recognised in profit or loss with a corresponding adjustment to the carrying amount of trade and other receivables, through use of a loss allowance account. The impairment loss is included in other operating expenses in profit or loss as a movement in credit loss allowance.

Write off policy

The company writes off a receivable when there is information indicating that the counterparty is in severe financial difficulty and there is no realistic prospect of recovery, e.g. when the counterparty has been placed under liquidation or has entered into bankruptcy proceedings. Receivables written off may still be subject to enforcement activities under the company recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognised in profit or loss.

Credit risk

Details of credit risk are included in the trade and other receivables note and the financial instruments and risk management note.

Derecognition

Refer to the derecognition section of the accounting policy for the policies and processes related to derecognition.

Any gains or losses arising on the derecognition of trade and other receivables is included in profit or loss in the derecognition gains (losses) on financial assets at amortised cost line item.

Trade and other payables

Trade payables are initially measured at fair value, and are subsequently measured at amortised cost, using the effective interest rate method.

Classification

Trade and other payables, excluding VAT and amounts received in advance, are classified as financial liabilities subsequently measured at amortised cost.

Recognition and measurement

They are recognised when the company becomes a party to the contractual provisions, and are measured, at initial recognition, at fair value plus transaction costs, if any.

They are subsequently measured at amortised cost using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the amortised cost of a financial liability.

If trade and other payables contain a significant financing component, and the effective interest method results in the recognition of interest expense, then it is included in profit or loss in interest expense.

Trade and other payables expose the company to liquidity risk and possibly to interest rate risk. Refer to note 28 for details of risk exposure and management thereof.

Trade and other payables denominated in foreign currencies

When trade payables are denominated in a foreign currency, the carrying amount of the payables are determined in the foreign currency. The carrying amount is then translated to the Rand equivalent using the spot rate at the end of each reporting period. Any resulting foreign exchange gains or losses are recognised in profit or loss in the other operating gains (losses).

Details of foreign currency risk exposure and the management thereof are provided in the financial instruments and risk management note.

Derecognition

Refer to the "derecognition" section of the accounting policy for the policies and processes related to derecognition.

Cash and cash equivalents

Cash and cash equivalents are stated at carrying amount which is deemed to be fair value and are subsequently measured at amortised cost.

Cash and cash equivalents comprise cash on hand and demand deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value. These are initially and subsequently recorded at fair value.

NOTES TO THE ANNUAL FINANCIAL STATEMENTS (Contd.)

Bank overdrafts

Bank overdrafts are initially measured at fair value, and are subsequently measured at amortised cost, using the effective interest rate method.

Derecognition

Financial assets

The company derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the company retains substantially all the risks and rewards of ownership of a transferred financial asset, the company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

Financial liabilities

The company derecognises financial liabilities when, and only when, the company obligations are discharged, cancelled or they expire. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss.

1.5 Tax

Current tax assets and liabilities

Current is based on taxable profit for the year.

Current tax for current and prior periods is, to the extent unpaid, recognised as a liability. If the amount already paid in respect of current and prior periods exceeds the amount due for those periods, the excess is recognised as an asset.

Current tax liabilities (assets) for the current and prior periods are measured at the amount expected to be paid to (recovered from) the tax authorities, using the tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and liabilities

A deferred tax liability is recognised for all taxable temporary differences, except to the extent that the deferred tax liability arises from the initial recognition of an asset or liability in a transaction which at the time of the transaction, affects neither accounting profit nor taxable profit (tax loss).

A deferred tax asset is recognised for all deductible temporary differences to the extent that it is probable that taxable profit will be available against which the deductible temporary difference can be utilised. A deferred tax asset is not recognised when it arises from the initial recognition of an asset or liability in a transaction at the time of the transaction, affects neither accounting profit nor taxable profit (tax loss).

No transactions giving rise to the exceptions relating to the recognition of deferred tax liabilities and assets were concluded.

A deferred tax asset is recognised for the carry forward of unused tax losses and unused tax credits to the extent that it is probable that future taxable profit will be available against which the unused tax losses and unused tax credits can be utilised.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Tax expenses

Current and deferred taxes are recognised as income or an expense and included in profit or loss for the period, except to the extent that the tax arises from:

- a transaction or event which is recognised, in the same or a different period, to other comprehensive income, or
- a business combination.

Current tax and deferred taxes are charged or credited to other comprehensive income if the tax relates to items that are credited or charged, in the same or a different period, to other comprehensive income.

Current tax and deferred taxes are charged or credited directly to equity if the tax relates to items that are credited or charged, in the same or a different period, directly in equity.

1.6 Leases

The company assesses whether a contract is, or contains a lease, at the inception of the contract.

A contract is, or contains a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

In order to assess whether a contract is, or contains a lease, management determine whether the asset under consideration is "identified", which means that the asset is either explicitly or implicitly specified in the contract and that the supplier does not have a substantial right of substitution throughout the period of use. Once management has concluded that the contract deals with an identified asset, the right to control the use thereof is considered. To this end, control over the use of an identified asset only exists when the company has the right to substantially all of the economic benefits from the use of the asset as well as the right to direct the use of the asset.

In circumstances where the determination of whether the contract is or contains a lease requires significant judgement, the relevant disclosures are provided in the significant judgments and sources of estimation uncertainty section of these accounting policies.

Company as lessee

A lease liability and corresponding right-of-use asset are recognised at the lease commencement date, for all lease agreements for which the company is a lessee, except for short-term leases of 12 months or less, or leases of low value assets. For these leases, the company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

Details of leasing arrangements where the company is a lessee are presented in the Lease liability note.

Lease liability

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted by using the rate implicit in the lease. If this rate cannot be readily determined, the company uses its incremental borrowing rate.

Lease payments included in the measurement of the lease liability comprise the following:

- fixed lease payments, including in-substance fixed payments, less any lease incentives;
- variable lease payments that depend on an index or rate, initially measured using the index or rate at the commencement date;
- the amount expected to be payable by the company under residual value guarantees;
- the exercise price of purchase options, if the company is reasonably certain to exercise the option;
- lease payments in an optional renewal period if the company is reasonably certain to exercise an extension option; and
- penalties for early termination of a lease, if the lease term reflects the exercise of an option to terminate the lease.

Variable rents that do not depend on an index or rate are not included in the measurement of the lease liability (or right-of-use asset). The related payments are recognised as an expense in the period incurred and are included in operating expenses.

The lease liability is presented as a separate line item on the Statement of Financial Position.

NOTES TO THE ANNUAL FINANCIAL STATEMENTS (Contd.)

The lease liability is subsequently measured by increasing the carrying amount to reflect interest on the lease liability (using the effective interest method) and by reducing the carrying amount to reflect lease payments made. Interest charged on the lease liability is included in interest expense.

The company remeasures the lease liability (and makes a corresponding adjustment to the related right-of-use asset) when:

- there has been a change to the lease term, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate;
- there has been a change in the assessment of whether the company will exercise a purchase, termination or extension option, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate;
- there has been a change to the lease payments due to a change in an index or a rate, in which case the lease liability is remeasured by discounting the revised lease payments using the initial discount rate (unless the lease payments change is due to a change in a floating interest rate, in which case a revised discount rate is used);
- there has been a change in expected payment under a residual value guarantee, in which case the lease liability is remeasured by discounting the revised lease payments using the initial discount rate;
- a lease contract has been modified and the lease modification is not accounted for as a separate lease, in which case the lease liability is remeasured by discounting the revised payments using a revised discount rate.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of- use asset, or is recognised in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

Right-of-use assets

Right-of-use assets are presented as a separate line item on the Statement of Financial Position.

The right-of-use asset is initially measured at cost which comprise the following:

- the initial amount of the corresponding lease liability;
- any lease payments made at or before the commencement date;
- any initial direct costs incurred;
- any estimated costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, when the company incurs an obligation to do so, unless these costs are incurred to produce inventories; and
- less any lease incentives received.

Right-of-use assets are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated over the shorter period of lease term and useful life of the underlying asset. However, if a lease transfers ownership of the underlying asset or the cost of the right-of-use asset reflects that the company expects to exercise a purchase option, the related right-of-use asset is depreciated over the useful life of the underlying asset. Depreciation starts at the commencement date of a lease.

For right-of-use assets which are depreciated over their useful lives, the useful lives are presented in the following table:

Item	Depreciation method	Average useful life
Buildings and infrastructure	Straight line	Over the lease term

The residual value, useful life and depreciation method of each asset are reviewed at the end of each reporting year. If the expectations differ from previous estimates, the change is accounted for prospectively as a change in accounting estimate. Each part of a right-of-use asset with a cost that is significant in relation to the total cost of the asset is depreciated separately.

The depreciation charge for each year is recognised in profit or loss unless it is included in the carrying amount of another asset.

Company as lessor

Leases for which the company is a lessor are classified as finance or operating leases. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. Lease classification is made at inception and is only reassessed if there is a lease modification.

Operating leases

Lease payments from operating leases are recognised on a straight-line basis over the term of the relevant lease, or on another systematic basis if that basis is more representative of the pattern in which the benefits form the use of the underlying asset are diminished. Operating lease income is included in other operating income.

Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and are expensed over the lease term on the same basis as the lease income.

Modifications made to operating leases are accounted for as a new lease from the effective date of the modification. Any prepaid or accrued lease payments relating to the original lease are treated as part of the lease payments of the new lease.

1.7 Inventories

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

The cost of inventories comprises of all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition.

The cost of inventories is assigned using the weighted average cost formula. The same cost formula is used for all inventories having a similar nature and use to the entity.

1.8 Impairment of assets

The company assesses at each end of the reporting period whether there is any indication that an asset may be impaired. If any such indication exists, the company estimates the recoverable amount of the asset.

Irrespective of whether there is any indication of impairment, the company also:

- tests intangible assets with an indefinite useful life or intangible assets not yet available for use for impairment annually by comparing its carrying amount with its recoverable amount. This impairment test is performed during the annual period and at the same time every period.
- tests goodwill acquired in a business combination for impairment annually.

If there is any indication that an asset may be impaired, the recoverable amount is estimated for the individual asset. If it is not possible to estimate the recoverable amount of the individual asset, the recoverable amount of the cash-generating unit to which the asset belongs is determined.

The recoverable amount of an asset or a cash-generating unit is the higher of its fair value less costs to sell and its value in use.

If the recoverable amount of an asset is less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. That reduction is an impairment loss.

An impairment loss of assets carried at cost less any accumulated depreciation or amortisation is recognised immediately in profit or loss.

An entity assesses at each reporting date whether there is any indication that an impairment loss recognised in prior periods for assets other than

NOTES TO THE ANNUAL FINANCIAL STATEMENTS (Contd.)

goodwill may no longer exist or may have decreased. If any such indication exists, the recoverable amounts of those assets are estimated.

The increased carrying amount of an asset other than goodwill attributable to a reversal of an impairment loss does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset in prior periods.

A reversal of an impairment loss of assets carried at cost less accumulated depreciation or amortisation other than goodwill is recognised immediately in profit or loss.

1.9 Share capital and equity

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.

Ordinary shares are classified as equity.

1.10 Employee benefits

Short-term employee benefits

The cost of short-term employee benefits, (those payable within 12 months after the service is rendered, such as paid vacation leave and sick leave, bonuses, and non-monetary benefits such as medical care), are recognised in the period in which the service is rendered and are not discounted.

The expected cost of compensated absences is recognised as an expense as the employees render services that increase their entitlement or, in the case of non-accumulating absences, when the absence occurs.

The expected cost of profit sharing and bonus payments is recognised as an expense when there is a legal or constructive obligation to make such payments as a result of past performance.

Defined contribution plans

Payments to defined contribution retirement benefit plans are charged as an expense as they fall due.

1.11 Provisions and contingencies

Provisions are recognised when:

- the company has a present obligation as a result of a past event;
- it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- a reliable estimate can be made of the obligation.

The amount of a provision is the present value of the expenditure expected to be required to settle the obligation.

Where some or all of the expenditure required to settle a provision is expected to be reimbursed by another party, the reimbursement shall be recognised when, and only when, it is virtually certain that reimbursement will be received if the entity settles the obligation. The reimbursement shall be treated as a separate asset. The amount recognised for the reimbursement shall not exceed the amount of the provision.

Provisions are not recognised for future operating losses.

If an entity has a contract that is onerous, the present obligation under the contract shall be recognised and measured as a provision.

A constructive obligation to restructure arises only when an entity:

- has a detailed formal plan for the restructuring, identifying at least:
  - the business or part of a business concerned;
  - the principal locations affected;
  - the location, function, and approximate number of employees who will be compensated for terminating their services;
  - the expenditures that will be undertaken; and
  - when the plan will be implemented; and
- has raised a valid expectation in those affected that it will carry out the restructuring by starting to implement that plan or announcing its main features to those affected by it.

After their initial recognition contingent liabilities recognised in business combinations that are recognised separately are subsequently measured at the higher of:

- the amount that would be recognised as a provision; and
- the amount initially recognised less cumulative amortisation.

Contingent assets and contingent liabilities are not recognised.

1.12 Revenue from contracts with customers

Revenue comprises consideration received or receivable on contracts entered into with customers for the sale of goods and services in the ordinary course of the entities' activities. The performance obligation is identified as the distinct goods and services as agreed in the contract(s). Revenue is shown net of trade discounts, volume rebates and value added tax and is recognised when the entity satisfies its' performance obligations as set out in the contracts entered into with its customers. Revenue is recognised at the amount of the transaction price that is allocated to each performance obligation and this is determined at the amount as depicted in the contract for the exchange of the goods and services. Where a contract has multiple performance obligations, the transaction price is allocated to the performance obligations in the contract by reference to their relative standalone selling prices.

The principles of IFRS 15 are applied using the following five-step model:

- Identify the contract(s) with a customer
- Identify the performance obligations in the contract
- Determine the transaction price
- Allocate the transaction price to the performance obligations in the contract
- Recognise revenue when (or as) the entity satisfies a performance obligation.

Revenue streams

- Sale of spares
- Sales of vehicles
- Sale of service plan
- Sale of agricultural produce
- Sale of construction equipment
- Commission income and recoveries

Revenue is recognised when an entity satisfies a performance obligation as control is passed, either over time or at a point in time. The above revenue is recognised at a point in time, except for Service plans which is recognised over time. Service Plan is recognised by reference to the stage of completion of the transaction at the end of the reporting period.

Contract liabilities relates to Service Plan Revenue and is reflected under Liabilities in the Statement of Financial Position. Amounts not yet invoiced, for which revenue has been recognised are reflected under trade and other receivables.

Costs incurred on assembly of vehicles which do not yet meet the revenue recognition criteria are capitalised to inventories as work-in-progress and are expensed when the five principles of IFRS 15 are met.

Interest is recognised, in profit or loss, using the effective interest rate method.

1.13 Cost of sales

When inventories are sold, the carrying amount of those inventories is recognised as an expense in the period in which the related revenue is recognised. The amount of any write-down of inventories to net realisable value and all losses of inventories are recognised as an expense in the period the write-down or loss occurs. The amount of any reversal of any write-down of inventories, arising from an increase in net realisable value, is recognised as a reduction in the amount of inventories recognised as an expense in the period in which the reversal occurs.

The related cost of providing services recognised as revenue in the current period is included in cost of sales.

NOTES TO FINANCIAL STATEMENTS (Contd.)

1.14 Borrowing costs

Borrowing costs are recognised as an expense in the period in which they are incurred. No borrowing costs were capitalised to any assets during the financial year.

1.15 Translation of foreign currencies

Foreign currency transactions

A foreign currency transaction is recorded, on initial recognition in Rands, by applying to the foreign currency amount the spot exchange rate between the functional currency and the foreign currency at the date of the transaction.

At the end of the reporting period:

- foreign currency monetary items are translated using the closing rate;
- non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction; and
- non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined.

Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous annual financial statements are recognised in profit or loss in the period in which they arise.

Cash flows arising from transactions in a foreign currency are recorded in Rands by applying to the foreign currency amount the exchange rate between the Rand and the foreign currency at the date of the cash flow.

1.16 Levies

IFRIC 21 addresses the issue of when to recognise a liability to pay a levy. The Interpretation defines a levy, and specifies that the obligating event that gives rise to the liability is the activity that triggers the payment of the levy, as identified by legislation. The Interpretation provides guidance on how different levy arrangements should be accounted for, in particular, it clarifies that neither economic compulsion nor the going concern basis of financial statements preparation implies that an entity has a present obligation to pay a levy that will be triggered by operating in a future period. The company has inventory stored in a bonded warehouse where duties, levies and taxes are due once the inventory leaves the bonded warehouse, or 24 months, whichever are earlier.

2. New Standards and Interpretations

2.1 Standards and interpretations effective and adopted in the current year

In the current year, the company has adopted the following standards and interpretations that are effective for the current financial year and that are relevant to its operations:

Standard/ Interpretation:	Effective date: Years beginning on or after	Expected impact:
• Annual Improvement to IFRS Standards 2018-2020: Amendments to IFRS 1	01 January 2022	The impact of the amendments is not material.
• Reference to the Conceptual Framework: Amendments to IFRS 3	01 January 2022	The impact of the amendments is not material.
• Annual Improvement to IFRS Standards 2018-2020: Amendments to IFRS 9	01 January 2022	The impact of the amendments is not material.
• Property, Plant and Equipment: Proceeds before Intended Use: Amendments to IAS 16	01 January 2022	The impact of the amendments is not material.

2.2 Standards and interpretations not yet effective

The company has chosen not to early adopt the following standards and interpretations, which have been published and are mandatory for the company's accounting periods beginning on or after 01 April 2023 or later periods:

Standard/ Interpretation:	Effective date: Years beginning on or after	Expected impact:
• Lease liability in a sale and leaseback	01 January 2024	Unlikely there will be a material impact
• Deferred tax related to assets and liabilities arising from a single transaction - Amendments to IAS 12	01 January 2023	Unlikely there will be a material impact
• Disclosure of accounting policies: Amendments to IAS 1 and IFRS Practice Statement 2.	01 January 2023	Unlikely there will be a material impact
• Definition of accounting estimates: Amendments to IAS 8	01 January 2023	Unlikely there will be a material impact
• Classification of Liabilities as Current or Non-Current - Amendment to IAS 1	01 January 2023	Unlikely there will be a material impact

3. Property, plant and equipment

4. Right-of-use assets

The company leases various buildings as the need arises. Lease contracts are typically made for fixed periods between 3 years to 5 years. Lease contracts are negotiated on an individual basis and contain a wide range of different terms and conditions.

The lease contracts do not impose any covenants.

Details pertaining to leasing arrangements, where the company is lessee are presented below:

	2023			2022		
	Gross carrying amount	Accumulated depreciation	Net carrying amount	Gross carrying amount	Accumulated depreciation	Net carrying amount
Buildings and infrastructure	**7,475,668**	**(5,058,355)**	**2,417,313**	10,316,018	(5,311,160)	5,004,858

Reconciliation of right-of-use assets - 2023

	Opening balance	Additions	Modification	Other adjustments	Depreciation	Total
Buildings and infrastructure	**5,004,858**	**122,775**	**(894,268)**	**–**	**(1,816,052)**	**2,417,313**

Reconciliation of right-of-use assets - 2022

	Opening balance	Additions	Modification	Other adjustments	Depreciation	Total
Buildings and infrastructure	6,583,398	1,028,655	–	5,714	(2,612,909)	5,004,858

5. Retirement benefits

Defined contribution plan

It is the policy of the company to provide retirement benefits to all its employees. A defined contribution provident fund which is subject to the Pensions Fund Act exists for this purpose. The scheme is funded by company and employee contributions only, which are charged to the income statement as they are incurred. The total company contributions to such scheme in 2023 was R2 718,398 (2022: R2 273,134).

The company is under no obligation to cover any unfunded benefits.

6. Deferred tax

Deferred tax asset

	2023	2022
Deferred revenue less Section 24C allowance	**1,287,338**	994,581
Lease liabilities	**1,066,329**	1,266,213
Prepaid expenses	**(216,340)**	(69,659)
Property, plant and equipment	**–**	633,661
Provisions	**33,496,984**	28,338,469
Right-of-use assets	**(652,674)**	(1,087,131)
Total deferred tax asset	**34,981,637**	30,076,134

Reconciliation of deferred tax asset

	2023 R	2022 R
At beginning of year	**30,076,134**	25,144,769
Taxable / (deductible) temporary difference on interest on deferred revenue	**292,757**	(106,074)
Taxable / (deductible) temporary difference on lease liabilities	**(199,884)**	(475,107)
Taxable / (deductible) temporary difference on prepaid expenses	**(146,681)**	(143,435)
Taxable / (deductible) temporary difference on property, plant and equipment	**(633,661)**	(252,333)
Taxable / (deductible) temporary difference on provisions	**5,158,515**	5,430,845
Taxable / (deductible) temporary difference on right-of-use assets	**434,457**	477,469
	34,981,637	30,076,134

The deferred tax assets and the deferred tax liability relate to income tax in the same jurisdiction, and the law allows net settlement. Therefore, they have been offset in the statement of financial position.

Management expects sufficient future taxable income in the company to enable the company to realise the deferred tax asset.

7. Loans receivable

Loans receivable are presented at amortised cost, which is net of loss allowance, if any, as follows:

Supplier enterprise development loan	2,665,000

The loan is unsecured, interest free and repayable on demand.

Exposure to credit risk

Loans receivable inherently exposes the company to credit risk, being the risk that the company will incur financial loss if counterparties fail to make payments as they fall due.

Fair value of loans receivable

The fair value of loans receivable approximates their carrying amounts.

8. Inventories

	2023 R	2022 R
Agricultural produce	**4,017,643**	3,638,842
Goods in transit	**21,868,840**	118,398,481
Motor vehicles	**1,318,979,385**	350,654,101
Spares	**152,467,090**	66,990,291
	1,497,332,958	539,681,715
Provision for write down of inventories to net realisable value - motor vehicles, spares and agricultural produce	**(17,799,573)**	(12,834,719)
	1,479,533,385	526,846,996

Inventory pledged as security

Inventories were pledged as security for overdraft facilities of the company. Refer to note 29 for full details on the facilities granted to the company.

9. Trade and other receivables

	2023 R	2022 R
Financial instruments:		
Trade receivables	**130,046,156**	68,960,954
Deposits	**1,106,275**	3,503,159
Non-financial instruments:		
Prepayments	**3,198,872**	6,523,004
VAT	**–**	12,254,749
Total trade and other receivables	**134,351,303**	91,241,866

NOTES TO FINANCIAL STATEMENTS (Contd.)

Financial instrument and non-financial instrument components of trade and other receivables

	2023	2022
	R	R
At amortised cost	**131,152,431**	72,464,113
Non-financial instruments	**3,198,872**	18,777,753
	134,351,303	91,241,866

Trade and other receivables pledged as security

Trade and other receivables were pledged as security for overdraft facilities of the company. Refer to note 29 for full details on the facilities granted to the company.

Exposure to credit risk

Trade receivables inherently expose the company to credit risk, being the risk that the company will incur financial loss if customers fail to make payments as they fall due.

In order to mitigate the risk the company deals with reputed banks and customers and also demands bank guarantees or purchase credit insurance where applicable.

There have been no significant changes in the credit risk management policies and processes since the prior reporting period.

The average credit period on trade receivables is 9 days (2022: 9 days). No interest is charged on outstanding trade receivables.

The Company makes use of a provision matrix as a practical expedient to the determination of expected credit losses on trade and other receivables. The provision matrix has been applied to appropriate groupings of receivables based on shared credit risk characteristics. There is no material expected credit losses on application of the provision matrix for the businesses.

Furthermore, the company writes off a receivable where there is information indicating that the counterparty is in severe financial difficulty and there is no realistic prospect of recovery. Receivables written off may still be subject to enforcement activities under the company recovery procedure, considering legal advice where appropriate. In the current year there has been no receivables that have been written-off.

Fair value of trade and other receivables

The fair value of trade and other receivables approximates their carrying amounts.

10. Cash and cash equivalents

	2023	2022
	R	R
Cash and cash equivalents consist of:		
Cash on hand	**51,956**	122,752
Bank balances	**76,864,619**	214,399,372
Bank overdraft	**(5,305,271)**	–
	71,611,304	214,522,124
Current assets	**76,916,575**	214,522,124
Current liabilities	**(5,305,271)**	–
	71,611,304	214,522,124

There is a cession amounting to R125 139 (2022: R125 139) relating to the First National Bank Account (Account number: 74865277774).

The carrying amount of cash and cash equivalents reasonably approximates its fair value.

All cash balances are placed with reputable financial institutions which have positive credit ratings. Therefore, there is no significant credit risk associated with cash and cash equivalents.

11. Share capital

	2023	2022
	R	R
Authorised		
70,000,000 Ordinary shares with no par value	**70,000,000**	70,000,000
Reconciliation of number of shares issued:		
Reported as at 01 April 2022	**52,000,000**	52,000,000
Issued		
52,000,000 Ordinary shares with no par value	**52,000,000**	52,000,000

12. Foreign currency translation reserve

The Kenya Branch operations in Shilling has been translated to ZAR based on the exchange rate. The foreign currency reserve is a result of the foreign currency translation.

	2023	2022
	R	R
Kenya Branch operations	**(17,447,252)**	(16,599,699)

13. Lease liabilities

	2023	2022
	R	R
The maturity analysis of lease liabilities is as follows:		
- within one year	**2,189,769**	2,373,580
- in second to fifth year inclusive	**1,763,933**	3,353,498
	3,953,702	5,727,078
The lease liability classification at year end is as follows:		
Non-current liabilities	**1,763,933**	3,353,498
Current liabilities	**2,189,769**	2,373,580
	3,953,702	**5,727,078**

The lease liability relates to the right-of-use assets disclosed under note 4.

The company leases various buildings as the need arises under operating leases. Lease contracts are typically made for fixed periods between 3 years and 5 years.

Interest is based on the incremental borrowing rate of 10.25% for the South African Office and the training centre leases.

Interest is based on the incremental borrowing rate of 9% for the basement parking rental.

	2023	2022
	R	R
Analysis of movement in lease liabilities		
Balance on 01 April	**5,727,078**	7,291,522
New leases	**122,775**	1,028,655
Terminations	**(333,888)**	–
Foreign Currency Translation Reserve	**–**	(15,700)

- Lease payments	**(1,994,923)**	(3,163,509)
- Interest charges	**432,660**	586,110
Balance on 31 March	**3,953,702**	5,727,078

For details of the exposure to liquidity risk related to finance lease liabilities, as well as the maturity analysis of the gross amounts payable, refer to note 28.

14. Contract liabilities

	2023	2022
	R	R
Summary of contract liabilities		
Service plan	**238,395,968**	151,991,770
Reconciliation of contract liabilities		
Opening balance	**151,991,770**	116,583,415
Raised in current year	**151,815,700**	85,447,159
Revenue in current year	**(65,411,502)**	(50,038,804)
	238,395,968	151,991,770
Split between non-current and current portions		
Non-current liabilities	**163,824,013**	101,381,860
Current liabilities	**74,571,955**	50,609,910
	238,395,968	**151,991,770**

NOTES TO FINANCIAL STATEMENTS (Contd.)

Nature: Certain vehicles are sold with a service plan. This service plan then covers certain services for a predetermined number of years and kilometres travelled. The income from these service plans is deferred and recognised as these services are performed.

Assumptions: The fair value of contract liabilities from service plans is management's best estimate of the company's future income and cost based on the estimated service cost that would occur for the selected models over a period of three to five years adjusted for inflation and possible price increases in parts and labour used in the service of the selected model.

15. Provisions

Reconciliation of provisions – 2023

	Opening balance	Additions	Utilised during the year	Change in discount factor	Total
Provision for warranty claims	**99,001,649**	**29,477,042**	**(18,896,134)**	**6,558,574**	**116,141,131**

Reconciliation of provisions – 2022

	Opening balance	Additions	Utilised during the year	Change in discount factor	Total
Provision for warranty claims	76,955,238	67,298,216	(51,559,761)	6,307,956	99,001,649
Non-current liabilities				97,087,749	54,025,159
Current liabilities				19,053,382	44,976,490
				116,141,131	99,001,649

Nature: This provision is raised due to the fact that certain vehicles, Gensets and Tractors sold are sold under a warranty, thus this provision estimates cost that would occur in the future for repairs under warranties.

Assumptions: Warranty provisions are managements best estimate of the company's liability (after the expected reimbursement from the manufacturer) on vehicles under two or three year warranties based on three years actual historical sales and warranty claims occurred. The warranty period for Gensets and Tractors being a twelve month period from date of sale.

Further, the warranty provision has been discounted to present value and the incremental amount pertaining to the current financial year has been adjusted in cost of sales.

16. Trade and other payables

	2023 R	2022 R
Financial instruments:		
Accrued expenses	**72,008,053**	43,302,861
Accrued leave pay	**3,388,774**	2,903,031

Local income tax – current period	**29,670,277**	29,271,981
Deferred		
Deferred income tax – current period	**(4,905,503)**	(6,045,296)
Reduction in tax rate	**–**	1,113,931
	(4,905,503)	(4,931,365)
	24,764,774	24,340,616

Reconciliation of the tax expense

Reconciliation between accounting profit and tax expense.

	2023 R	2022 R
Accounting profit	**90,700,926**	82,376,630
Tax at the applicable tax rate of 28% (20221: 28%)	**24,489,250**	23,065,456
Tax effect of adjustments on taxable income		
Non deductible expenses*	**429,075**	503,161
Non taxable operations Kenya	**(153,551)**	(341,932)
Change in tax rate from 28% to 27% relating to deferred tax	**–**	1,113,931
	24,764,774	24,340,616

Non-deductible expenses* include foreign travel expenses, donations and deprecation on leasehold improvements.

In February 2022, numerous changes to the tax law were enacted in South Africa, including a decrease in the corporate tax rate from 28% to 27% for years of assessment ending on or after 31 March 2023. The entity therefore, recognised the deferred tax balance at 27% in the prior year.

In the current year, the current and deferred tax is recognised at 27%.

23. Cash generated from operations

	2023 R	2022 R
Profit before taxation	**90,700,926**	82,376,630
Adjustments for non-cash items:		
Depreciation and amortisation	**8,033,023**	8,261,694
Profit on sale of assets	**(3,048,928)**	(956,663)
Movements in provisions	**17,139,482**	22,046,411
Adjust for items which are presented separately:		
Interest income	**(11,676,287)**	(8,980,516)
Interest expense	**16,775,034**	5,844,992
Changes in working capital:		
(Increase) decrease in inventories	**(952,686,389)**	(381,013,416)
(Increase) decrease in trade and other receivables	**(37,275,086)**	(38,577,893)
Increase (decrease) in trade and other payables	**716,559,979**	294,779,271
Increase (decrease) in contract liabilities	**86,404,198**	35,408,355
	(69,074,048)	19,188,865

24. Tax paid

	2023 R	2022 R
Balance at beginning of the year	**(8,153,529)**	(4,884,562)
Current tax for the year recognised in profit or loss	**(29,670,277)**	(29,271,981)
Balance at end of the year	**4,475,748**	8,153,529
	(33,348,058)	(26,003,014)

25. Commitments

Short term leases

	2023 R	2022 R
Minimum lease payments due		
first year	**573,680**	822,088

Operating lease payments represents rentals payable by the company for short term leases of its premises (residential and office properties). Short term leases are leases with a lease term of 12 months or less. No contingent rent is payable.

Capital risk management

The company's capital management objectives are:

- to ensure the company's ability to continue as a going concern
- to provide an adequate return to shareholders by pricing products and services commensurately with the level of risk.

The company monitors capital on the basis of the carrying amount of equity less cash and cash equivalents as presented on the face of the statement of financial position.

The company sets the amount of capital in proportion to its overall financing structure, i.e. equity and financial liabilities. The company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

Financial risk management

Credit risk

Credit risk is the risk of financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations.

The company's exposure to credit risk is limited to the carrying amount of financial assets recognised at the balance sheet date.

The maximum exposure to credit risk is presented in notes 7, 9 and 10.

Liquidity risk

The company manages its liquidity needs by carefully monitoring scheduled debt servicing payments for long-term financial liabilities as well as

NOTES TO FINANCIAL STATEMENTS (Contd.)

cash-outflows due in day-to-day business. Liquidity needs are monitored in various time bands, on a day- to-day and week-to-week basis, as well as on the basis of a rolling 30-day projection. Short-term liquidity needs for a 120-day or less are identified monthly.

Funding in regards to long-term liquidity needs is additionally secured by an adequate amount of committed credit facilities.

The company has contractual maturities which are summarised below:

31 March 2023	Current	Within 6 months	Within 1 year	2 - 5 years
Trade and other payables	**1,202,655,984**	**1,200,114,404**	**–**	**–**
Lease liabilities contractual maturities	**–**	**–**	**2,189,769**	**1,763,933**
	1,202,655,984	**1,200,114,404**	**2,189,769**	**1,763,933**

31 March 2022	Current	Within 6 months	Within 1 year	2 - 5 years
Trade and other payables	485,995,113	483,817,840	–	–
Lease liabilities contractual maturities	–	–	2,225,980	3,837,684
	485,995,113	483,817,840	2,225,980	3,837,684

The above contractual maturities reflect the gross cash flows, which may differ to the carrying values of the liabilities at the reporting date.

Foreign currency risk

Most of the company's transactions are carried out in Rands. Exposure to currency exchange rates arise from the operations in Kenya, as well as the company's overseas purchases and sea freight, which are primarily denominated in US Dollars.

Foreign currency denominated financial assets and liabilities, translated in Rands at the closing rate, are as follows:

Foreign currency exposure at the end of the reporting period

	2023 R	2022 R
Assets (Included in Trade and other receivables and Cash and cash equivalents)		
Ameriworld International Limited (2023: USD 0; 2022: USD 41 579)	**–**	602,836
Bank balance (2023: USD 49 400 EGP 6 853 KES 4 671 298; 2022: USD 170 232 EGP 280 000 KES 1 217 113)	**892,424**	2,841,850
Mahindra and Mahindra Limited (2023: USD 529 763; 2022: USD 490 822).	**9,519,735**	7,116,134
Liabilities (Included in Trade and other payables)		
Bidvest Panalpina (2023: USD 0; 2022: USD 829 769)	**–**	12,030,323
Deloitte India (2023: USD 0; 2022: USD 10 200)	**–**	147,884
Erkunt (2023: Euro 19 792; 2022: Euro 98 798)	**386,851**	1,595,126
Hoegh Autoliners (2023: USD 313 692; 2022: USD 318 637)	**5,636,988**	4,619,733
Mahindra and Mahindra Limited (2023: USD 198 575; INR 4 809 152; 2022: USD 443 531)	**4,618,265**	6,430,499

Foreign currency sensitivity

The following table illustrates the sensitivity of the net result for the year and equity in regards to the company's financial assets and financial liabilities and the US Dollar Rand exchange rate.

It assumes a +11.8% and 7.6% change of the Rand / US Dollar exchange rate for the year ended 31 March 2023 (2022: +6.8% and 6.4%). This has been determined based on the average market volatility in exchange rates in the previous 12 months. The sensitivity analysis is based on the company's foreign currency financial instruments held at balance sheet date and also takes into account forward exchange contracts that offset effects from changes in currency exchange rates.

If the Rand had weakened against the US Dollar by 7.6% (2022: 6.8%) then this would have had the following impact:

	2023 R	2022 R
Net results for the year	**17,466**	974,838

If the Rand had strengthened against the US Dollar by 11.8% (2022: 6.4%) then this would have had the following impact:

	2023 R	2022 R
Net results for the year	**(27,096)**	**(913,175)**

Exposure to foreign exchange rates vary during the year depending on the volumes of overseas transactions. Nonetheless, the analysis above is considered to be representative of the company's exposure to currency risk.

Interest rate risk

The following table illustrates the sensitivity of the net result for the year and equity to a reasonably possible change in interest rates of +2% and -2% (2022: +2% and -2%), with effect from the beginning of the year. These changes are considered to be reasonably possible based on observation of current market conditions. The calculations are based on the company's financial instruments held at each balance sheet date. All other variables are held constant.

	2023	2023	2022	2022
Net results for the year	**2,905,311**	**(2,905,311)**	1,426,137	(1,426,137)

29. Banking facilities

The company avails credit facilities from First National Bank Limited which has sanctioned a ZAR facility of R 100 million (2022: R 100 million with ICICI Bank) for working capital borrowings. At the year end, the company has utilised R 5 305 272 of the facility from First National Bank. (2022: R Nil). The ICICI Bank facility was terminated in the current year.

The above facility has been secured as follows:

- General notarial bond over inventory.
- Cession of debtors.

30. Going concern

The annual financial statements have been prepared on the basis of accounting policies applicable to a going concern. This basis presumes that funds will be available to finance future operations and that the realisation of assets and settlement of liabilities, contingent obligations and commitments will occur in the ordinary course of business. The entity has maintained a net asset position and holds sufficient funds to finance future operations. The directors are not aware of any new material changes that may adversely impact the company. The directors are also not aware of any material non-compliance with statutory or regulatory requirements or of any pending changes to legislation which may affect the company.

31. Events after the reporting period

The directors are not aware of any material event which occurred after the reporting date and up to the date of this report.

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Mahindra North American Technical Center, Inc.

Opinion

We have audited the accompanying financial statements of Mahindra North American Technical Center, Inc. ('the Company') which comprise the balance sheets as of March 31, 2023, and March 31, 2022, the related statements of loss, stockholder's (deficit) equity and cash flows for the years then ended and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of March 31, 2023, and March 31, 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of matter

As discussed in Note-B to the financial statements, the Company has suffered losses from operations has generated negative cashflows from operations. The Company also has an accumulated stockholders' deficit. Management's evaluation of the events and conditions and management's plans to mitigate these matters are also described in Note-B. Our opinion is not qualified with respect to this matter.

Emphasis of matter

As discussed in Note-B to the financial statements, the Company has suffered losses from operations and has generated negative cash flows from operations. The Company also has an accumulated stockholders' deficit. Management's evaluation of the events and conditions and management's plans to mitigate these matters are also described in Note-B. Our opinion is not qualified with respect to this matter.

Other matter

The presentation of financial information in Indian rupees in the financial statements is not a required part of the basic financial statements. We have verified the arithmetic accuracy of the presentation based upon the exchange rate provided by the Company's management. We did not audit and do not express an opinion on such information. Our opinion is not modified with respect to this matter.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a period of twelve months from the date the financial statements are issued.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

NOTES TO FINANCIAL STATEMENTS

NOTE A – ORGANIZATION AND NATURE OF OPERATIONS

Mahindra North American Technical Center, Inc. (hereinafter referred to as the "Company") was incorporated in the state of Delaware on December 18, 2013 and is a wholly owned subsidiary of Mahindra Automotive North America, Inc. ("MANA"). The Company engineers, designs, develops, assembles, and delivers parts and vehicles to the global automotive market, both for on and off-road use, as an Original Equipment Manufacturer ("OEM") headquartered in Auburn Hills, MI.

Ownership of the Company changed on April 30, 2017, when 100% of its stock was acquired by MANA from Mahindra USA, Inc. ("MUSA").

In Michigan, when engaged in automotive manufacturing activities, the Company does business as ("d/b/a") Mahindra Automotive North America Manufacturing ("MANAM"). MANAM produces ROXOR, an off-road side-by-side vehicle. MANAM shipped 1,935 vehicles during the fiscal year ended March 31, 2023.

The Company was engaged in litigation with FCA US, LLC over FCA's claims relating to unregistered "trade dress" of FCA's Jeep branded vehicles both at the International Trade Commission ("ITC") and at the United States District Court, Eastern District of Michigan. The ITC in its ruling dated June 11, 2020, stated that the Company's ROXOR off-road utility vehicle violated the "trade dress" of FCA's Jeep branded vehicle. The ITC then issued a limited exclusion order prohibiting sale or import of the infringing vehicles and parts, as well as a cease-and desist order to the Company. The cease and desist order was effective from August 11, 2020.

The cease-and desist order related to the prohibition of marketing, sale, importation, and manufacturing of the model year 2018, 2019 and erstwhile 2020 ROXOR off-road vehicle by the Group in the United States of America ("US"). The impact of the order on the operations of the Company was significant. The Company was unable to market, import, build or sell ROXORs in the US beginning on or about August 12, 2020. However, the Company could sell ROXORs in Canada since the limited exclusion order prohibited the Company from sale of its vehicles only in the US. Given the impact of the ruling on the operations, the Company did not pursue most of the opportunities since the cost incurred to sell the product would have been too high. Due to the pause in the business along with the onset of COVID-19, the Company furloughed employees and also terminated relationships with few other stakeholders. Per the cease-and desist order since the Company could not carry out marketing activities as well, it had to engage in significant efforts to modify its website and notify its marketing partners for not honoring few contracts.

During the year ended March 31, 2021, the Company performed and prepared expedited proceedings to allow a significantly re-designed ROXOR to be excluded from the cease-and desist order. On October 20, 2020, the Administrative Law Judge ("ALJ") found that the re-designed ROXOR does not violate any trade dress and recommended that the re-designed ROXOR be excluded from the cease-and desist order. On December 22, 2020, the ITC agreed with the ALJ and ruled that the re-designed ROXOR is excluded from the cease-and desist order. FCA in February 2021, shared the "notice to appeal" to the court for review of the final determination of the ITC's exclusion of re-designed ROXOR from the cease-and-desist order. FCA's appeal did not prevail per a decision from the Federal Circuit Court of Appeals on March 09, 2022. Therefore, the ITC's decisions for allowing the sale of redesigned ROXOR remains valid.

In the concurrent Eastern District of Michigan case, FCA requested the Court to enjoin the redesigned post-2020 ROXOR based on the "safe distance rule". The Court denied the request on May 17, 2021. FCA appealed to the Sixth Circuit Court of Appeals. On September 20, 2022, the Sixth Circuit Court of Appeals issued an opinion indicating the original trial court judge in the Eastern District of Michigan committed an error in failing to properly consider application of the "safe-distance rule" when assessing the current redesigned ROXOR to determine if it sufficiently departs from the original 2018, 2019 and erstwhile 2020 design. That court of appeals remanded the matter and issue to be re-considered. The parties submitted their arguments (and replies) in writing. A hearing on the issue is set before the judge for June 1, 2023. It is expected that an opinion on this matter will be issued by the end of 2nd quarter of 2023.

During the year ended March 31, 2022, the Company launched the redesigned ROXOR and started selling the redesigned ROXOR from November 2021 in the United States and Canada. Before the cease-and-desist order, the Company used to sell and distribute parts and vehicles to the distributors and dealers (collectively "dealerships") through its affiliate company Mahindra Vehicle Sales and Services, Inc ("MVSS") to its customers. However, effective September 01, 2021, the Company entered into the Distribution Agreement ("the agreement") with Mahindra USA Inc. ("MagNA") to distribute the ROXOR as well as its parts and accessories and services relating thereto (collectively with the ROXOR, the "Products") under the brand name Mahindra and/or ROXOR through MagNA's dealership network.

Pursuant to the terms of the agreement, the Company will act as a principal in the sale transaction and the agreement includes the following provisions.

- The distribution agreement is applicable throughout the United States and Canada ("the Territory").
- The Company agrees to sell to MagNA all of the products, as forecasted and ordered by MagNA at prices as determined in the terms of the agreement.
- MagNA shall promote, advertise, merchandise, sell and service the products in the territory in a manner consistent with the current sales efforts utilized by MagNA and in connection therewith.
- All products shall be sold ex-works by the Company to a destination identified by MagNA.
- The parties acknowledge that the Company is the exclusive owner of all Mahindra Trademarks. The Company granted MagNA a non-transferable, royalty-free license to use Mahindra Trademarks solely in connection with the sale and distribution of the products. MagNA shall use Mahindra Trademarks only in accordance with the directions, standards and requirements established by the Company from time to time. MagNA shall not be entitled to use Mahindra Trademarks on any products other than products sold under the agreement.
- The Company warrants the product through limited warranties that are ultimately provided to the end customer purchaser of the product.

The Company continues to supply the accessories and service parts to its affiliate, MVSS to honor the warranty or product liability on sales made through MVSS before the cease-and-desist order.

NOTE B – GOING CONCERN EVALUATION

Due to the cease-and desist order, the Company could not conduct any sale of ROXOR along with its kit and assemblies in the US from August 12, 2020 and had to redesign the ROXOR. The Company started selling the redesigned ROXOR effective November 2021. The Company has reported loss amounting to USD 8,422,964 (INR 692,283,411) and USD 14,270,141 (INR 1,172,862,889) for the years ended March 31, 2023, and March 31, 2022, respectively. This has resulted in an accumulated deficit of USD 70,270,570 (INR 5,775,538,148) as at March 31, 2023 and USD 61,847,606 (INR 5,083,254,737) as at March 31, 2022. Although, these events and condition cast significant doubt on the Company's ability to continue as a going concern, in view of the continued support from the ultimate parent company, the management considers that it is appropriate to prepare these financial statements on a going concern basis, which assumes that the Company will continue in operational existence for the foreseeable future. The Company has received funding from its parent company amounting to USD 500,000 (INR: 41,095,000) and USD 6,350,000 (INR 521,906,500) during the years ended March 31, 2023, and March 31, 2022, respectively, for meeting the cash flow requirements. To revive its operations, through the sale of redesigned ROXOR, the Company has entered into the agreement with MagNA to sell and distribute ROXOR and its parts through MagNA's dealership network. Additionally, the other plans of the management to mitigate the adverse effects, inter alia are as follows:

1) Reviving its business operations through organizational restructuring and right sizing.
2) New business development plans for the marketing of redesigned ROXOR and to make the Company business profitable.
3) Obtain capital financing from 'Mahindra Overseas Investment Company Mauritius Limited', parent of parent company, to meet near term working capital requirements.
4) Obtain a commitment from the parent company to continue to provide financial support and honor the Company's future obligations.

Based on the above mitigating factors, the financial statements have been prepared on the basis that the Company is a going concern and that no adjustments are required to the carrying value of assets and liabilities.

NOTE C – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies are detailed below:

1. *Basis of preparation*

   a. The accompanying financial statements are prepared on the accrual basis of accounting in accordance with the accounting and reporting requirements of generally accepted accounting principles in the United States of America ("US GAAP") to reflect the financial position, results of operation and cash flows of the Company.

   b. The financial statements are for the fiscal years ended March 31, 2023, and March 31, 2022.

   c. Financial information in this report is in US dollars ("USD") and in Indian rupees ("INR"). For the fiscal years ended March 31, 2023, and March 31, 2022, dollar amounts are translated for convenience into Indian rupees at an exchange rate of 82.19 INR per dollar as on March 31, 2023. Within the notes to the financial statements, Indian rupee amounts are shown parenthetically following the U.S. dollar amounts.

   d. Certain reclassifications, regroupings and reworking have been made in the financial statements of prior year to conform to the classifications used in the current year. These changes had no impact on previously reported net loss or stockholder's (deficit) equity.

2. *Use of estimates*

   The preparation of financial statements in accordance with US GAAP requires management to make estimates and assumptions that affects the amounts reported in the financial statements. Significant items subject to such estimates and assumptions include the useful lives of plant, property and equipment, provision for inventory obsolescence, slow moving and non-moving items, valuation allowance for deferred tax assets and other contingencies. Management believes that the estimates used in the preparation of the financial statements are reasonable. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Any changes in estimates are adjusted prospectively in the financial statements.

3. *Cash and cash equivalents*

   The Company considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. Cash balances in bank accounts are insured by the Federal Deposit Insurance Corporation up to an aggregate per bank of USD 250,000 (INR 20,547,500). The Company believes it is not exposed to any significant risk on cash and cash equivalents.

4. *Inventories*

   Raw materials, work in progress and finished goods inventories are stated at the lower of cost and net realizable value, with cost being determined on a weighted average basis. The measurement of inventories includes the direct cost of materials and labor as well as indirect costs (variable and fixed). A provision is made for obsolete and slow-moving raw materials, finished goods, spare parts and other supplies based on their expected future use and realizable value. Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs for sale and distribution.

   The Company makes additional adjustments to its inventory reserves based on the identification of specific situations and increases its inventory reserves accordingly. As further changes in future economic or industry conditions occur, the Company will revise the estimates that were used to calculate its inventory reserves.

5. *Income taxes*

   Income taxes are provided for the tax effects of transactions reported in the financial statements and consist of taxes currently due, plus deferred taxes related primarily to differences between the basis of certain assets and liabilities for financial and tax reporting. The deferred taxes represent the future tax return consequences of those differences, which will either be taxable or deductible when the assets and liabilities are recovered or settled, respectively.

The Company has determined whether any tax positions have met the recognition threshold and has measured the Company's exposure to those tax provisions. Management believes that the Company has adequately addressed all relevant tax positions and that there are no unrecorded tax liabilities. Federal and state taxing authorities generally have the right to examine and audit the previous three years of tax returns filed. Any interest or penalties from federal and state taxing authorities were recorded in the accompanying financial statements.

6. *Revenue recognition*

<u>*Sale of manufactured goods*</u>

The Company recognizes revenues from sale of manufactured ROXOR off-road side by side vehicles and their related accessories.

Revenue is recognized when control of the vehicles, parts or accessories have been transferred and the Company's performance obligation to the customer have been satisfied. Revenue is measured as the amount of consideration the Company expects to receive in exchange for transfer of goods. The timing of when the Company transfers the goods to the customer may differ from the timing of the customer's payment.

When the Company gives the customer the right to return eligible goods, the Company estimates the expected returns based on an analysis of historical experiences.

During the year ended March 31, 2021, the Company sold vehicles and service parts to its customers through its affiliate company. Transfer of control, and therefore revenue recognition, generally corresponds to the date when the vehicles or service parts were made available to the customer, or when the vehicles or service parts were released to the carrier responsible for transporting them to the customer. This was also the point at which invoices were issued, with payment terms for vehicles and for service parts. For component part sales, revenue recognition was consistent with that of service parts.

However, after the launch of redesigned 2020 ROXOR, the Company decided to sell the redesigned ROXOR vehicle and its parts to the dealership through its affiliate, Mahindra USA LLC ("MAgNA") in the United States and Canada. Per the distribution agreement with MAgNA, the Company acts as a principal in the sale transaction. Pursuant to the agreement the Company will deliver the ROXOR on MAgNA's direction on ex-works basis. Transfer of control, and therefore revenue recognition, generally corresponds to the date when the vehicles or service parts were released to the carrier responsible for transporting them to the customer. This is also the point at which invoices are issued, with payment terms for vehicles and for service parts. For component part sales, revenue recognition is consistent with that of service parts.

The Company sponsors certain sales incentive programs and accrues liabilities for estimated sales promotion expenses when products are sold to the dealerships to the extent that it is probable. The cost of incentives, if any, is estimated at the inception of a contract at the expected amount that will ultimately be paid. Sales promotion incentive programs include volume incentives, cash discounts, retail financing programs, and co-operative advertising programs. Sales promotions and incentives are recognized as a reduction to sales at the time of sale to the dealership. If the estimate of the incentive changes following the sale to the customer, the change in estimate is recognized as an adjustment to revenue in the period of the change.

7. *Product warranty*

The Company provides a limited warranty for redesigned ROXOR for a period of two years or 12,000 miles whichever is lesser. The warranty reserve is established at the time of sale to the distributorship based on management's best estimate using historical rates and trends. These amounts are recorded as a liability in the balance sheet until they are ultimately paid. Accrued warranty liability was USD 872,624 (INR 71,720,967) as on March 31, 2023 (March 31, 2022: USD 177,157 (INR 14,560,534)).

8. *Product liability*

The Company is subject to product liability claims in the normal course of business. Adequate insurance coverage is carried for catastrophic product liability claims. The Company self-insures product liability claims up to the purchased catastrophic insurance coverage. The estimated costs resulting from uninsured losses are charged to operating expenses when it is probable a loss has been incurred and the amount of the loss is reasonably determinable.

9. *Property, plant and equipment*

Property, plant, and equipment are stated at cost less accumulated depreciation and impairment. Cost of items of property, plant and equipment comprise cost of purchase and other costs necessarily incurred to bring it to the condition and location necessary for its intended use.

The Company depreciates property, plant and equipment over the estimated useful life using the straight-line method except for production tools. Upon retirement or disposal of assets, the cost and accumulated depreciation will be eliminated from the accounts and the resulting gain or loss will be credited or charged to operations.

The estimated useful life used to determine depreciation is:

Particulars	**Useful life**
Computers	3-5 years
Furniture	5-7 years
Leasehold improvements	7-15 years
Machinery & equipment	3-5 years
Tooling	2-5 years

The cost of property, plant and equipment not ready for use before such date are disclosed under capital work-in-progress.

The Company expenses all capital expenses below USD 5,000. Expenditures for maintenance and repairs are charged to expense. Property, plant and equipment is reviewed for impairment whenever events or changes in circumstances indicate the carrying value of the asset may not be recoverable.

10. *Intangible assets*

Intangible assets are comprised of computer software which has been recognized at cost and amortized over a period of 3 years or its estimated useful life. Subsequent expenditure is capitalized only when it increases the future economic benefit from the specific assets to which it relates.

11. *Government incentives*

The Company receives incentives from the Michigan Economic Development Corporation ("MEDC") in the form of business development grants. These grants are recognized at their fair values in the statement of loss where there is a reasonable assurance that all grant conditions have been complied with and the grant will be received.

12. *Fair value measurements and financial instruments*

Assets and liabilities recorded at fair value in the financial statements are categorized based upon the level of judgment associated with the inputs used to measure their fair value. Hierarchical levels which are directly related to the amount of subjectivity associated with the inputs to the valuation of these assets or liabilities are as follows:

Level 1 – unadjusted quoted prices in active markets for identical assets or liabilities that the Company has the ability to access as of the measurement date.

Level 2 – inputs other than quoted prices included within Level 1 that are directly observable for the asset or liability or indirectly observable through corroboration with observable market data.

Level 3 – unobservable inputs for the asset or liability only used when there is little, if any, market activity for the asset or liability at the measurement date.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, the level in the fair value hierarchy within which the fair value measurement in its entirety falls is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

This hierarchy requires the Company to use observable market data, when available, and to minimize the use of unobservable inputs when determining fair value.

Some of Company's financial instruments, including cash and cash equivalents, accounts receivable and accounts payable are not measured at fair value on a recurring basis but are recorded at amounts that approximate fair value due to their liquid or short-term nature.

13. *Leases*

Accounting Standard Update ("ASU") 2016-02, Leases

The Company adopted Accounting Standards Codification 842 and all the related amendments ("new lease standard") using the modified retrospective method.

The new lease standard requires all leases to be reported on the balance sheet as operating lease right-of-use assets and lease obligations. The Company elected the practical expedients permitted under the transition guidance of the new standard that retained the lease classification and initial direct costs for any leases that existed prior to adoption of the standard.

Right-of-use assets and lease liabilities are recognized based on the present value of the future minimum lease payments over the lease term at the commencement date for leases exceeding 12 months. Minimum lease payments include only the fixed lease component of the agreement, as well as any variable rate payments that depend on an index, initially measured using the index at the lease commencement date. Lease terms may include options to renew when it is reasonably certain that the Company will exercise that option.

Certain leases include options to purchase the office equipment. The depreciable life of assets are limited by the expected lease term, unless there is a transfer of title or purchase option reasonably certain of exercise.

The Company has entered into noncancelable operating lease agreements related to facility, office equipment, machinery and equipment and vehicles with varying terms

Leases that contain non-lease components are accounted for as a single component and recorded on the balance sheet for certain asset classes including equipment. Non-lease components include, but are not limited to, common area maintenance and service arrangements

The Company estimates its incremental borrowing rate for each lease based on the respective weighted average term of the agreements. This estimation considers the market rates of the Company's outstanding collateralized borrowings and interpolations of rates outside of the terms of the outstanding borrowings, including comparisons to comparable borrowings of similarly rated companies with longer term borrowings.

Operating lease expense is recognized on a straight-line basis over the lease term and is included in cost of revenue or general and administrative expense. Amortization expense for finance leases is recognized on a straight-line basis over the lease term and is included in cost of revenue. Interest expense for finance leases is recognized using the effective interest method. Leases with a lease term of 12 months or less from the commencement date that do not contain a purchase option are recognized as an expense on a straight-line basis over the lease term.

14. *Accounts receivable & allowance for doubtful debts*

Accounts receivable represent amounts due related to sale of goods and services. Accounts receivables are reduced by an estimate of the amount that will ultimately be uncollectible. Management determines the allowance for doubtful accounts by a review of the outstanding amounts on a monthly basis. The allowance is determined by identifying troubled accounts, by using historical experience applied to an aging of accounts. Allowance for doubtful accounts is included in selling, general and administrative expenses in the consolidated statement of loss. The Company charges off uncollectable amounts against the reserves in the period in which it determines they are uncollectable.

15. *Commitments and contingencies*

Liabilities for loss contingencies arising from claims, assessments, litigation, fines, and penalties and other sources are recorded when it is probable that a liability has been incurred and the amount can be reasonably estimated. Legal costs incurred in connection with loss contingencies are expensed as incurred. Contingent liabilities are not recognized but are disclosed in the notes. Contingent assets are neither recognized nor disclosed in the financial statements.

NOTE D – CASH AND CASH EQUIVALENTS

The cash and cash equivalents of the Company comprise of:

	USD		INR

Total	**–**	–	**–**	–

In assessing the realization of deferred tax assets, the likelihood of whether it is more likely than not that some portion or all the deferred tax assets will not be realized must be considered. The ultimate realization of deferred tax assets is dependent on the generation of future taxable income during the periods in which temporary difference becomes deductible. Management considers the projected future taxable income and tax planning strategies in making this assessment. The management believes that it is more likely than not that the deferred tax assets may not be realized and accordingly, a valuation allowance of USD 18,096,991 (INR 1,487,391,690) is recognized as at March 31, 2023 (March 31, 2022 USD 16,354,350 (INR 1,344,164,029).

The Company has federal net operating losses ("NOLs") carryforwards of USD 58,649,556 (INR 4,820,406,989) and USD 56,582,451 (INR 4,650,511,648) as at March 31, 2023 and March 31, 2022, respectively. Out of the total NOLs of USD 58,649,556 (INR 4,820,406,989), if unutilized, NOLs of USD 29,355,508 (INR 2,410,087,206) will begin to expire from the year 2035, whereas the remaining NOLs will be carried forward indefinitely.

The Company has state NOLs of USD 21,067,451 (INR 1,731,533,768) and USD 22,136,594 (INR 1,819,406,661) as at March 31, 2023 and March 31, 2022, respectively which if unutilized will begin to expire from the year 2026.

The Company recognizes the financial statement impact of a tax position when it is more likely than not that the position will be sustained upon examination.

The tax years 2019, 2020 and 2021 remains subject to examination by the taxing authorities.

NOTE O – COMMITMENTS AND CONTINGENCIES

Litigation

The Company was engaged in litigation over violation of “trade dress” of FCA’s Jeep branded vehicles with FCA US, LLC both at the International Trade Commission (“ITC”) and at the United States District Court, Eastern District of Michigan. The ITC in its ruling dated June 11, 2020, stated that the Company’s ROXOR off-road utility vehicle violated the “trade dress” claimed by FCA. The ITC then issued a limited exclusion order prohibiting sale or import of the infringing vehicles and parts, as well as a cease-and desist order to the Company. The cease-and desist order was effective from August 11, 2020.

In December 2020, the Company received confirmation that they can proceed with selling the post-2020 ROXOR model (redesigned ROXOR). The ITC’s decision for allowing the Company to sell post-2020 ROXOR was appealed by FCA and, FCA did not prevail per a decision from the Court of Appeals on March 9, 2022. Therefore, the ITC’s decisions for allowing the sale of post-2020 ROXOR remains valid. There is also a federal action which remains pending in which FCA US, LLC is seeking disgorgement of profits and a claim for false advertising relating to one commercial that displayed a military style vehicle. The matter is ongoing. The Company believes it has a strong defense against the claims. At this time, no liability has been incurred and the amount of any future loss or award associated with the Eastern District of Michigan matter cannot be estimated reasonably.

Also in the Eastern District of Michigan case, FCA requested the Court to enjoin the post-2020 ROXOR based on the “safe distance rule”. The Court denied the request on May 17, 2021. FCA appealed to the Sixth Circuit Court of Appeals. On September 20, 2022, the Sixth Circuit Court of Appeals issued an opinion indicating the original trial court judge in the Eastern District of Michigan committed an error in failing to properly consider application of the “safe-distance rule” when assessing the current ROXOR design to determine if it sufficiently departs from the original 2018/2019 design. That court of appeals remanded the matter and issue to be re-considered. The parties submitted their arguments (and replies) in writing. A hearing on the issue is set before the judge for June 1, 2023. It is expected that an opinion on this matter will be issued by the end of Q2 of 2023. Once such decision is reached, the Eastern District of Michigan action may continue with resolution of the final claims.

NOTE P – EMPLOYEE BENEFIT PLANS

The Company has voluntary 401(k) retirement plans. The Company may make annual contributions to the plans equal to a uniform percentage of participant compensation. The cost of the Company's contributions charged to expense related to 401(k) contributions was USD 37,677 (INR 3,096,673) and USD 20,663 (INR 1,698,292) for the years ended March 31, 2023, and March 31, 2022, respectively.

NOTE Q – COMMON STOCK

Common stock

The authorized share capital of the Company as of March 31, 2023, and March 31, 2022, was 5,000,000 shares, respectively of $ 25 each and 100,000 shares of $ 0.10 each. As at March 31, 2023 and March 31, 2022, total shares issued and outstanding was 2,581,709 and 2,561,709 shares, respectively.

The Company issued 20,000 shares and 254,000 shares for USD 25 each for years ended March 31, 2023, and March 31, 2022, respectively.

Voting

Each holder of common stock is entitled to one vote in respect of each share held by him in the records of the Company for all matters submitted to a vote.

Liquidation

In the event of liquidation of the Company, the holder of common stock shall be entitled to receive all the remaining assets of the Company.

NOTE R – GOVERNMENT INCENTIVE AND CREDITS

Michigan Economic Development Incentive (MEDC)

The Company, during the year ended March 31, 2019, had recorded government grant incentive income received from MEDC amounting to USD 531,250 (INR 40,226,250). The Company had received this incentive on account of creation of 50 qualified jobs in State of Michigan. During the year 2022, the Company had additionally received USD 318,750 (INR 24,135,750). However, due to the onset of COVID and cease-and-desist order, the Company had furloughed approximately 86 employees and even terminated few employees during the year ended March 31, 2021. The Company terminated and furloughed few other employees in the current year as well on account of its plan of rightsizing and restructuring. Due to these uncertain circumstances, the management believes that it could have potentially violated the conditions stipulated based on which the Company had received the grant in FY 2018-19 and FY 2021-22. The Company is currently evaluating its exposure and is in continuous discussions with the MEDC authorities. The Company has therefore recognized an accrual amounting to USD 850,000 (INR 69,861,500) and USD 850,000 (INR 69,861,500) as at March 31, 2023 and March 31, 2022 for MEDC incentive received in FY 2018-19 and FY 2021-22.

Deferral of employment taxes

Section 2302 of the CARES Act provides that employers may defer the deposit and payment of the employer's portion of Social Security taxes. The payroll tax deferral period commenced on March 27, 2020 and ended on December 31, 2020. Section 2302(a)(2) of the CARES Act provides that the deferred deposits of the employer's share of social security tax must be 50 percent deposited by December 31, 2021, and the remaining amount must be deposited by December 31, 2022. The Company in the previous year has repaid all the payroll tax deferral amounting to USD 77,529 (INR 6,372,109). The Company has deferred the employment taxes amounting to USD NIL (INR NIL) and USD NIL (INR NIL) as on March 31, 2023, and March 31, 2022, respectively.

Employee retention credit

During the year ended March 31, 2021, the Company availed the benefit under the ERC (employee retention credit) scheme, a benefit given by the Federal government under the COVID stimulus package which allows businesses to take credit of the wages paid to employees on furlough and not working. The total ERC credit received by the Company during year ended March 31, 2023, amounts to USD NIL (INR NIL) and for year ended March 31, 2022, amounts to USD 165,407 (INR 13,594,801). The Company in the previous year has repaid all the credits availed to the IRS amounting to USD 280,280 (INR: 23,036,213). The balance outstanding as on March 31, 2023, and March 31, 2022, is USD NIL (INR NIL) and USD NIL (INR NIL) respectively.

NOTE S – RISK AND UNCERTANITIES

The Company's future results of operations involve several risks and uncertainties. Factors that could affect the Company's future operating results and cause actual results to vary materially from expectations include, competitive factors, including but not limited to pricing pressures; deterioration in general economic conditions; the Company's ability to effectively manage operating costs and increase operating efficiencies; declines in revenues; technological and market changes; the ability to attract and retain qualified employees and the Company's ability to execute on its business plan

NOTE T – SUBSEQUENT EVENTS

The Company evaluated all events and transactions that occurred after March 31, 2023, through the date the financial statements were issued. Based on the evaluation, the Company is not aware of any events or transactions that would require recognition or disclosure in the financial statements.

INDEPENDENT AUDITOR'S REPORT

Board of Directors

Mahindra Automotive North America, Inc.

Qualified opinion

We have audited the accompanying separate parent company financial statements of Mahindra Automotive North America, Inc. ("the Company") which comprise the balance sheets as of March 31, 2023, and March 31, 2022, the related statements of profit and loss, stockholder's equity and cash flows for the years then ended, and the related notes to the separate parent company financial statements.

In our opinion, except for the effects of not consolidating the wholly owned subsidiaries and except for the possible effects of the impairment adjustments to the carrying amounts as discussed in the Basis of qualified opinion paragraph, the separate parent company financial statements referred to above present fairly, in all material respects, the financial position of the Company as of March 31, 2023 and March 31, 2022 and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis of qualified opinion

As discussed in Note D. 1 a, to the separate parent company financial statements, the Company reports investment in its wholly owned subsidiaries, Mahindra North American Technical Center, Inc. and Mahindra Vehicle Sales and Service, Inc., on cost basis.

a) Accounting principles generally accepted in the United States of America require that all majority owned subsidiaries be accounted for as consolidated subsidiaries. If the financial statements of these subsidiaries had been consolidated with those of the Company, total assets would have decreased by USD 137,947,507 (INR: 11,337,905,602) and USD 131,550,756 (INR 10,812,156,636) as on March 31, 2023 and March 31, 2022, respectively; total liabilities would have increased by USD 24,363,666 (INR 2,002,449,707) and USD 20,149,262 (INR 1,656,067,844) as on March 31, 2023 and March 31, 2022, respectively; stockholder's equity would have decreased by USD 162,311,173 (INR 13,340,355,309) and USD 151,700,018 (INR 12,468,224,479) as on March 31, 2023 and March 31, 2022, respectively and net loss would have been reported as USD 8,321,471 (INR 683,941,702) and USD 17,190,224 (INR 1,412,864,511) for each of the years then ended.

b) The Company has not reviewed its investments in Mahindra North American Technical Center, Inc. and Mahindra Vehicle Sales and Services, Inc as of March 31, 2023, and March 31, 2022, for impairment. We have not been able to obtain sufficient and appropriate evidence over the recoverable amounts of those investments as of March 31, 2023, and March 31, 2022. Consequently, we were unable to determine whether any adjustments to these amounts were necessary.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the separate parent company financial statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of matter

As discussed in Note-B to the financial statements, the Company has suffered losses from operations has generated negative cashflows from operations. The Company also has an accumulated stockholders' deficit. Management's evaluation of the events and conditions and management's plans to mitigate these matters are also described in Note-B. Our opinion is not qualified with respect to this matter.

Other matter

The presentation of financial information in Indian rupees in the separate parent company financial statements is not a required part of the basic separate parent company financial statements. We have verified the arithmetic accuracy of the presentation based upon exchange rate provided by the Company's management. We did not audit and do not express an opinion on such information, and our opinion is not modified with respect to this matter.

Responsibilities of management for the separate parent company financial statements

Management is responsible for the preparation and fair presentation of these separate parent company financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of separate parent company financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the separate parent company financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a period of twelve months from the date the separate parent company financial statements are issued.

Auditor's responsibilities for the audit of the separate parent company financial statements

Our objectives are to obtain reasonable assurance about whether the separate parent company financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the separate parent company financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the separate parent company financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the separate parent company financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the separate parent company financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO SEPARATE PARENT COMPANY FINANCIAL STATEMENTS

NOTE A- ORGANIZATION AND NATURE OF OPERATIONS

Mahindra Automotive North America, Inc. (hereinafter referred to as the "Company") was incorporated in the state of Delaware on March 27, 2017 and is a wholly owned subsidiary of Mahindra Overseas Investment Company Mauritius, Limited ("MOICML"). Both, the Company and MOICML are subsidiaries of Mahindra and Mahindra Limited ("M&M"). The Company engineers, designs, develops, assembles and delivers parts and vehicles to the global automotive market for off-road use, as an Original Equipment Manufacturer ("OEM") headquartered in Auburn Hills, MI.

The Company owns 100% of two separate business units ("Group"); Mahindra Vehicle Sales and Service, Inc. ("MVSS") which was previously engaged in the sales of off-road recreational vehicles and Mahindra North American Technical Centre, Inc. ("MNATC") which is involved in the manufacture of off-road vehicles as well as the development of prototype on road vehicles. The Company's vehicle brand, ROXOR, is an off-road side-by-side vehicle.

NOTE B- SUBSIDIARIES OPERATIONS

On April 30, 2017, the Company acquired all the stock of MNATC from Mahindra USA, Inc., another wholly owned subsidiary of M&M.

On January 15, 2018, MNATC began producing ROXOR vehicles from its facility in Auburn Hills, MI. In Michigan, when engaged in automotive manufacturing activities, MNATC does business as "d/b/a" Mahindra Automotive North America Manufacturing ("MANAM").

MVSS was formed on May 13, 2017 to function as the sales and distribution business unit for ROXOR. MVSS used to purchase the ROXORs manufactured by MANAM and wholesale them to MVSS's 363 dealerships.

The Group was engaged in litigation with FCA US, LLC over FCA's claims relating to unregistered "trade dress" of FCA's Jeep branded vehicles both at the International Trade Commission ("ITC") and at the United States District Court, Eastern District of Michigan. The ITC in its ruling dated June 11, 2020, stated that the Company's ROXOR off-road utility vehicle violated the "trade dress" of FCA's Jeep branded vehicle. The ITC then issued a limited exclusion order prohibiting sale or import of the infringing vehicles and parts, as well as a cease-and desist order to the Group. The cease and desist order was effective from August 11, 2020.

The cease-and desist order related to the prohibition of marketing, sale, importation, and manufacturing of the model year 2018, 2019 and 2020 erstwhile ROXOR off-road vehicle by the Group in the United States of America ("US"). The impact of the order on the operations of the Company was significant. The Company was unable to market, import, build or sell ROXORs in the US beginning on or about August 11, 2020. However, the Group could sell ROXORs in Canada since the limited exclusion order prohibited the Group from sale of its vehicles only in the US. Given the impact of the ruling on the operations, the Company did not pursue most of the opportunities since the cost incurred to sell the product would have been too high. Due to the pause in the business along with the onset of COVID-19, the Group furloughed employees and also terminated relationships with few other stakeholders. Per the cease-and desist order since the Group could not carry out marketing activities as well, it had to engage in significant efforts to modify its website and notify its marketing partners for not honoring few contracts.

During the year ended March 31, 2021, the Company performed and prepared expedited proceedings to allow a significantly re-designed ROXOR to be excluded from the cease-and desist order. On October 20, 2020, the Administrative Law Judge ("ALJ") found that the re-designed ROXOR does not violate any trade dress and recommended that the re-designed ROXOR be excluded from the cease-and desist order. On December 22, 2020, the ITC agreed with the ALJ and ruled that the re-designed ROXOR is excluded from the cease-and desist order. FCA in February 2021, shared the "notice to appeal" to the court for review of the final determination of the ITC's exclusion of re-designed ROXOR from the cease-and-desist order. FCA's appeal did not prevail per a decision from the Federal Circuit Court of Appeals on March 09, 2022. Therefore, ITC's decisions for allowing the sale of redesigned ROXOR stands.

In the concurrent Eastern District of Michigan case, FCA requested the Court to enjoin the post-2020 ROXOR based on the "safe distance rule". The Court denied the request on May 17, 2021. FCA appealed to the Sixth Circuit Court of Appeals. On September 20, 2022, the Sixth Circuit Court of Appeals issued an opinion indicating the original trial court judge in the Eastern District of Michigan committed an error in failing to properly consider application of the "safe-distance rule" when assessing the current ROXOR design to determine if it sufficiently departs from the 2018, 2019 design and erstwhile 2020 design. That Court of Appeals remanded the matter and issue to be re-considered. The parties submitted their arguments (and replies) in writing. A hearing on the issue is set before the judge for June 1, 2023. It is expected that an opinion on this matter will be issued by the end of Q2 of 2023.

During the year ended March 31, 2022, the Group launched the redesigned ROXOR and started selling the redesigned ROXOR from November 2021, in the United States and Canada. Before the cease-and-desist order, MANAM used to sell and distribute parts and vehicles to the distributors and dealers (collectively "dealerships") through MVSS to its customers. However, effective September 01, 2021, the Group entered into the Distribution Agreement ("the agreement") with Mahindra USA Inc. ("MAgNA") to distribute ROXOR as well as its parts and accessories and services relating thereto (collectively with the ROXOR, the "Products") under the brand name Mahindra and/or ROXOR through MAgNA's dealership network.

Pursuant to the terms of the agreement, MANAM is the principal in the sale transaction and the agreement includes the following provisions.

- The distribution agreement is applicable throughout the United States and Canada ("the Territory").
- MANAM agrees to sell to MAgNA all of the Products, as forecasted and ordered by MAgNA at prices as determined in the terms of the agreement.
- MAgNA shall promote, advertise, merchandise, sell and service the Products in the Territory in a manner consistent with the current sales efforts utilized by MAgNA and in connection therewith.
- All Products shall be sold ex-works by MANAM to a destination identified by MAgNA.
- The parties acknowledge that the Group is the exclusive owner of all Mahindra Trademarks. The Group hereby granted MAgNA a non-transferable, royalty-free license to use Mahindra Trademarks solely in connection with the sale and distribution of the Products. MAgNA shall use Mahindra Trademarks only in accordance with the directions, standards and requirements established by the Group from time to time. MAgNA shall not be entitled to use Mahindra Trademarks on any Products other than Products sold under the agreement.
- The Group warrants the Product through limited warranties that are ultimately provided to the end customer purchaser of the Product.

NOTE C- GOING CONCERN EVALUATION

Due to the cease-and desist order, the Group could not conduct any sale of ROXOR along with its kit and assemblies in the US from August 11, 2020 and had to redesign the ROXOR. The Group started selling the redesigned ROXOR effective November 2021. There is an accumulated deficit of USD 19,796,046 (INR 1,627,037,021) as at March 31, 2023 and USD 22,085,730 (INR 1,815,226,149) as at March 31, 2022. Although, these events and condition cast significant doubt on the Company's ability to continue as a going concern, in view of the continued support from the ultimate parent company, the management considers that it is appropriate to prepare these financial statements on a going concern basis, which assumes that the Company will continue in operational existence for the foreseeable future. The Company has received funding from its parent company amounting to USD 8,900,000 (INR 731,491,000) and USD 15,000,000 (INR 1,232,850,000) during the years ended March 31, 2023, and March 31, 2022, respectively, in the form of equity contribution, for meeting the cash flow requirements. To revive its operations, through the sale of redesigned ROXOR, the Company has entered into the agreement with MAgNA to sell and distribute ROXOR and its parts through MAgNA's dealership network. Additionally, the other plans of the management to mitigate the adverse effects, inter alia are as follows:

1) Reviving its business operations through organizational restructuring and right sizing.
2) New business development plans for the marketing of redesigned ROXOR and to make the Company business profitable.
3) Obtain capital financing from 'Mahindra Overseas Investment Company Mauritius Limited', the parent company, to meet near term working capital requirements.
4) Obtain a commitment from the parent company to continue to provide financial support and honor the Company's future obligations.

Based on the above mitigating factors, the separate parent company financial statements have been prepared on the basis that the Company is a going concern and that no adjustments are required to the carrying value of assets and liabilities.

NOTE D- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies are detailed below:

1. ***Basis of preparation***

a. The accompanying separate parent company financial statements are prepared under the historical cost convention on the accrual basis of accounting in accordance with the accounting and reporting requirements of generally accepted accounting principles in the United States of America ('US GAAP') to reflect the financial position, results of operations and cash flows of the Company. The Company reports investment in its wholly owned subsidiary, Mahindra North American Technical Center, Inc. and Mahindra Vehicle Sales and Service, Inc., on cost basis. Accounting principles generally accepted in the United States of America require that all majority owned subsidiaries be accounted for as consolidated subsidiaries. If the financial statements of these subsidiaries had been consolidated with those of the Company, total assets would have decreased by USD 137,947,507 (INR: 11,337,905,602) and USD 131,550,756 (INR 10,812,156,636) as on March 31, 2023 and March 31, 2022, respectively; total liabilities would have increased by USD 24,363,666 (INR 2,002,449,707) and USD 20,149,262 (INR 1,656,067,844) as on March 31, 2023 and March 31, 2022, respectively; stockholder's equity would have decreased by USD 162,311,173 (INR 13,340,355,309) and USD 151,700,018 (INR 12,468,224,479) as on March 31, 2023 and March 31, 2022, respectively and net loss would have been reported as USD 8,321,471 (INR 683,941,702) and USD 17,190,224 (INR 1,412,864,511) for each of the years then ended.

b. The separate parent company financial statements are for the years ended March 31, 2023, and March 31, 2022.

c. Financial information in the separate parent company financial statements is shown in U.S. dollars ("USD") and in Indian rupees ("INR"). For the fiscal years ended March 31, 2023, and March 31, 2022, dollar amounts are translated for convenience into Indian rupees at an exchange rate of 82.19 INR per dollar on March 31, 2023. Within the notes to the financial statements, Indian rupee amounts are shown parenthetically following the U.S. dollar amounts.

d. Certain reclassifications, regroupings and reworking have been made in the separate parent company financial statements of prior year to conform to the classifications used in the current year. These changes had no impact on previously reported separate parent company net profit or stockholder's equity.

2. ***Use of estimates***

The preparation of separate parent company financial statements in accordance with US GAAP requires management to make estimates and assumptions that affect the amounts reported in the separate parent company financial statements. Significant items subject to such estimates and assumptions include the useful lives of property and equipment, valuation allowance for deferred tax assets, and other contingencies. Management believes that the estimates used in the preparation of the separate parent company financial statements are reasonable. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Any changes in estimates are adjusted prospectively in the separate parent company financial statements.

3. ***Revenue recognition***

Revenue of the Company comprise of fees for services rendered to its ultimate parent company and its subsidiaries. These fees have been accrued as the related services have been performed.

Revenue is recognized upon transfer of control of services promised to customers in an amount that reflects the consideration the Company expects to receive in exchange for these products or services.

4. ***Cash and cash equivalents***

The Company considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. Cash balances in bank accounts are insured by the Federal Deposit Insurance Corporation up to an aggregate per bank of USD 250,000 (INR 20,547,500). The Company believes it is not exposed to any significant risk on cash and cash equivalents.

5. ***Property and equipment***

Property and equipment are stated at cost less accumulated depreciation. Cost of items of property and equipment comprises cost of purchase and other costs necessarily incurred to bring it to the condition and location necessary for its intended use.

The Company depreciates property and equipment over the estimated useful life using the straight-line method. Upon retirement or disposal of assets, the cost and accumulated depreciation are eliminated from the accounts and the resulting gain or loss is credited or charged to statements of profit and loss.

The estimated useful life used to determine depreciation is:

Buildings	39-40 years
Leasehold improvements	7 years or the lease period
Furniture	5-7 years
Computer equipment	2 years

Expenditures for maintenance and repairs are charged to statement of loss. Property and equipment is reviewed for impairment whenever events or changes in circumstances indicate the carrying value of the asset may not be recoverable.

The cost of property and equipment not ready for use before such date are disclosed under capital work-in-progress.

6. ***Intangible assets***

Intangible assets comprise of computer software which has been recognized at cost and amortized over a period of estimated useful life. Subsequent expenditures are capitalized only when it increases the future economic benefit from the specific assets to which it relates.

Category	Useful life
Software	3 years

7. ***Income taxes***

Income taxes are provided for the tax effects of transactions reported in the separate parent company financial statements and consist of taxes currently due plus deferred taxes related primarily to differences between the basis of certain assets and liabilities for financial and tax reporting. The deferred taxes represent the future tax return consequences of those differences, which will either be taxable or deductible when the assets and liabilities are recovered or settled, respectively.

The Company has determined whether any tax positions have met the recognition threshold and has measured the Company's exposure to those tax provisions. Management believes that the Company has adequately addressed all relevant tax positions and that there are no unrecorded tax liabilities. Federal and state taxing authorities generally have the right to examine and audit the previous three years of tax returns filed. Any interest or penalties from federal and state taxing authorities were recorded in the accompanying separate parent company financial statements.

8. ***Investments***

Investments are carried at fair value and any upward and downward adjustments are adjusted through statement of profit and loss. Acquisition related expenditure if any, is expensed in the year of incurring the same.

9. ***Unbilled receivables***

Unbilled receivables represent value of services performed in accordance with the contract terms but not billed.

10. ***Leases***

Accounting Standard Update ("ASU") 2016-02, Leases

The Company adopted Accounting Standards Codification 842 and all the related amendments ("new lease standard") using the modified retrospective method.

The new lease standard requires all leases to be reported on the balance sheet as operating lease right-of-use assets and lease obligations. The Company elected the practical expedients permitted under the transition guidance of the new standard that retained the lease classification and initial direct costs for any leases that existed prior to adoption of the standard.

Right-of-use assets and lease liabilities are recognized based on the present value of the future minimum lease payments over the lease term at the commencement date for leases exceeding 12 months. Minimum lease payments include only the fixed lease component of the agreement, as well as any variable rate payments that depend on an index, initially measured using the index at the lease commencement date. Lease terms may include options to renew when it is reasonably certain that the Company will exercise that option.

Certain leases include options to purchase the office equipment. The depreciable life of assets are limited by the expected lease term, unless there is a transfer of title or purchase option reasonably certain of exercise.

The Company has entered into noncancelable operating lease agreements related to facility, office equipment, machinery and equipment and vehicles with varying terms.

Leases that contain non-lease components are accounted for as a single component and recorded on the balance sheet for certain asset classes including equipment. Non-lease components include, but are not limited to, common area maintenance and service arrangements.

The Company estimates its incremental borrowing rate for each lease based on the respective weighted average term of the agreements. This estimation considers the market rates of the Company's outstanding collateralized borrowings and interpolations of rates outside of the terms of the outstanding borrowings, including comparisons to comparable borrowings of similarly rated companies with longer term borrowings.

Operating lease expense is recognized on a straight-line basis over the lease term and is included in cost of revenue or general and administrative expense. Amortization expense for finance leases is recognized on a straight-line basis over the lease term and is included in cost of revenue. Interest expense for finance leases is recognized using the effective interest method. Leases with a lease term of 12 months or less from the commencement date that do not contain a purchase option are recognized as an expense on a straight-line basis over the lease term.

11. Commitments and contingencies

Liabilities for loss contingencies arising from claims, assessments, litigation, fines, and penalties and other sources are recorded when it is probable that a liability has been incurred and the amount can be reasonably estimated. Legal costs incurred in connection with loss contingencies are expensed as incurred. Contingent liabilities are not recognized but are disclosed in the notes. Contingent assets are neither recognized nor disclosed in the separate parent company financial statements.

12. Fair value measurements and financial instruments

Assets and liabilities recorded at fair value in the financial statements are categorized based upon the level of judgment associated with the inputs used to measure their fair value. Hierarchical levels which are directly related to the amount of subjectivity associated with the inputs to the valuation of these assets or liabilities are as follows:

Level 1 – unadjusted quoted prices in active markets for identical assets or liabilities that the Company has the ability to access as of the measurement date.

Level 2 – inputs other than quoted prices included within Level 1 that are directly observable for the asset or liability or indirectly observable through corroboration with observable market data.

Level 3 – unobservable inputs for the asset or liability only used when there is little, if any, market activity for the asset or liability at the measurement date.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, the level in the fair value hierarchy within which the fair value measurement in its entirety falls is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

This hierarchy requires the Company to use observable market data, when available, and to minimize the use of unobservable inputs when determining fair value.

Some of Company's financial instruments, including cash and cash equivalents, accounts receivable and accounts payable are not measured at fair value on a recurring basis but are recorded at amounts that approximate fair value due to their liquid or short-term nature.

NOTE E- CASH AND CASH EQUIVALENTS

The cash and cash equivalents of the Company comprise:

	USD		INR	
	As at March 31,		As at March 31,	
Particulars	**2023**	**2022**	**2023**	**2022**
Bank balances	**10,187,000**	5,258,537	**837,269,530**	432,199,156
Total	**10,187,000**	5,258,537	**837,269,530**	432,199,156

NOTE F- PREPAID EXPENSES AND OTHER CURRENT ASSETS

Prepaid expenses and other current assets comprise the following:

	USD		INR	
	As at March 31,		As at March 31,	
Particulars	**2023**	**2022**	**2023**	**2022**
Prepaid software license fee	**111,272**	30,451	**9,145,446**	2,502,768
Prepaid insurance	**212,491**	153,286	**17,464,635**	12,598,576
Advance to supplier	**7,252**	875	**596,042**	71,916
Total	**331,015**	184,612	**27,206,123**	15,173,260

NOTE G- INVESTMENT IN SUBSIDIARIES

Investments comprise the following:

	USD		INR	
	As at March 31,		As at March 31,	
Particulars	**2023**	**2022**	**2023**	**2022**
Investment in MNATC, Inc.	**64,527,729**	64,027,729	**5,303,534,047**	5,262,439,047
Investment in MVSS, Inc.	**88,735,770**	86,865,770	**7,293,192,936**	7,139,497,636
Total	**153,263,499**	150,893,499	**12,596,726,983**	12,401,936,683

NOTE H- INVESTMENT

Financial asset	**Fair value as at March 31, 2023 USD**	**Fair value as at March 31, 2022 USD**	**Fair value as at March 31, 2023 INR**	**Fair value as at March 31, 2022 INR**	**Fair value hierarchy**
Investment	1,050,000	1,080,000	86,299,500	88,765,200	Level 3

	USD		INR	
	As at March 31,		As at March 31,	
Particulars	**2023**	**2022**	**2023**	**2022**
Opening balance	**1,080,000**	750,000	**88,765,200**	61,642,500
Fair value through earnings	**(30,000)**	330,000	**(2,465,700)**	27,122,700
Closing balance	**1,050,000**	1,080,000	**86,299,500**	88,765,200

Valuation technique(s) used and key input(s): Discounted cash flow method.

Key inputs-financial projections - These include forecasts of balance sheet, statement of profit and loss along with underlying assumptions.

Significant unobservable input(s): Financial projections and discount rates to discount future cash flows.

Relationship of unobservable inputs to fair value: Any change in the discount factor, financial projections, etc. would entail corresponding change in valuation of equity component.

NOTE I- PROPERTY AND EQUIPMENT, NET

Property and equipment comprise the following:

	USD		INR

NOTE M- INCOME TAXES

Deferred income taxes reflect the net tax effects of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for income tax purposes. The Company is subject to taxation in the United States and the State of Michigan. The income tax expense is as follows:

	USD		INR	
	Year ended March 31,		Year ended March 31,	
	2023	2022	2023	2022
Current and deferred tax expense	**–**	–	**–**	–
Income tax expense	**–**	–	**–**	–

The tax effects of significant temporary differences that resulted in deferred tax assets and liabilities and a description of the items that create such differences is as follows:

	USD		INR	
	Year ended March 31,		Year ended March 31,	
	2023	2022	2023	2022
Deferred tax asset (liability)				
Net operating loss – Federal	**4,048,163**	4,473,879	**332,718,517**	367,708,115
Net operating loss – State (Michigan)	**247,258**	288,343	**20,322,135**	23,698,911
Accrued vacation	**25,705**	33,788	**2,112,694**	2,777,036
Accrued merit pay	**79,117**	49,629	**6,502,626**	4,079,008
Revaluation of investment	**(67,569)**	–	**(5,553,496)**	–
163 (j) interest limitation adjustment	**179,396**	215,010	**14,744,557**	17,671,672
Lease assets	**22,736**	28,131	**1,868,672**	2,312,087
Prepaid expenses	**(72,921)**	(57,509)	**(5,993,377)**	(4,726,665)
Fixed assets	**(23,407)**	(32,508)	**(1,923,821)**	(2,671,833)
Total	**4,438,478**	4,998,763	**364,798,507**	410,848,331
Less: valuation allowance	**(4,438,478)**	(4,998,763)	**(364,798,507)**	(410,848,331)
Total deferred tax assets	**–**	–	**–**	–

In assessing the realization of deferred tax assets, the likelihood of whether it is more likely than not that some portion or all the deferred tax assets will not be realized must be considered. The ultimate realization of deferred tax assets is dependent on the generation of future taxable income during the periods in which temporary difference become deductible. Management considers the projected future taxable income and tax planning strategies in making this assessment. The management believes that it is more likely than not that the deferred tax assets may not be realized and accordingly, a valuation allowance of USD 4,438,478 (INR 364,798,507) is recognized as at March 31, 2023 (March 31, 2022 USD 4,998,763 (INR 410,848,331)).

The Company has federal net operating losses (“NOLs”) carryforwards of USD 19,276,967 (INR 1,584,373,918) and USD 21,304,183 INR (1,750,990,801) as at March 31, 2023, and March 31, 2022, which if unutilized, will be carried forward indefinitely.

The Company has state NOLs carryforwards of USD 5,216,412 (INR 428,736,902) and USD 6,083,177 (INR 499,976,318) as at March 31, 2023 and March 31, 2022, which if unutilized will begin to expire from the year 2028.

The Company recognizes the financial statement impact of a tax position when it is more likely than not that the position will be sustained upon examination.

The tax years 2019, 2020 and 2021 remain subject to examination by the taxing authorities.

NOTE O- COMMITMENTS AND CONTINGENCIES

Long term purchase commitment

On September 24, 2019, the Company signed a Vendor Subscription Agreement(“VSA”) with Icon International Inc.(“ICON”), a subsidiary of Omnicom Media Group, for purchase of certain media advertising for 5 years in an amount not less than USD 2,263,022 (INR: 185,997,778) each year. In addition, the Company signed an indemnity bond amounting to USD 1,600,000 (INR: 131,504,000) with Atlantic Specialty Insurance Company which bound Mahindra Automotive North America, Inc., and its subsidiaries to purchase media advertising through ICON. If the Company fails to place the minimum amount of advertising spend on the contract anniversary each year it will be assessed a penalty of 15% of the shortfall. ICON provides composition and consultation services at no charge for media placements. ICON’s placement services include broadcast, digital, and print media advertising which will be billed to the Company at a competitive market rate. During the term of the agreement the Company agreed to provide ICON with the right of first refusal on any media being placed.

Due to the cease-and desist order, the Company was prohibited to sell, market, import and manufacture the model year 2018, 2019 and 2020 ROXOR off-road vehicle in the US. Since the Company’s operations were paused and it could not carry out marketing activities, the management decided to opt out of long-term contracts and commitments entered by the Company. During the year ended March 31, 2021, the Company believed that it would be able to terminate the VSA by paying the penalty and thus created an accrual of USD 625,000 (INR: 51,368,750) was created in the books of MVSS, erstwhile sales and distribution arm of ROXOR as at March 31, 2021.

However, during the year ended March 31, 2022, the Company renegotiated the VSA with ICON and extended the agreement till March 31, 2025. Based on the revised budget spend of the Company for next financial years it believes that it may not be able to meet the minimum amount of advertising spend at the end of the contract term. Thus, MVSS continues to carry the accrual amounting to USD 1,062,319 (INR 87,311,999) and USD 690,814 (INR 56,778,003) as at March 31, 2023 and March 31, 2022 as its best estimate for penalty liability mentioned in the VSA.

Litigation

The Company was engaged in litigation over violation of “trade dress” of FCA’s Jeep branded vehicles with FCA US, LLC both at the International Trade Commission (“ITC”) and at the United States District Court, Eastern District of Michigan. The ITC in its ruling dated June 11, 2020, stated that the Company’s ROXOR off-road utility vehicle violated the “trade dress” claimed by FCA. The ITC then issued a limited exclusion order prohibiting sale or import of the infringing vehicles and parts, as well as a cease-and desist order to the Company. The cease-and desist order was effective from August 11, 2020.

In December 2020, the Company received confirmation that they can proceed with selling the post-2020 ROXOR model. The ITC’s decision for allowing the Company to sell post-2020 ROXOR was appealed by FCA and, FCA did not prevail per a decision from the Court of Appeals on March 9, 2022. Therefore, the ITC’s decisions for allowing the sale of post-2020 ROXOR remains valid. There is also a federal action which remains pending in which FCA US, LLC is seeking disgorgement of profits and a claim for false advertising relating to one commercial that displayed a military style vehicle. The matters is ongoing. The Company believes it has strong defense against the claims. At this time, no liability has been incurred and the amount of any future loss or award associated with the Eastern District of Michigan matter cannot be estimated reasonably.

In the concurrent Eastern District of Michigan case, FCA requested the Court to enjoin the post-2020 ROXOR based on the “safe distance rule”. The Court denied the request on May 17, 2021. FCA appealed to the Sixth Circuit Court of Appeals.

On September 20, 2022, the Sixth Circuit Court of Appeals issued an opinion indicating the original trial court judge in the Eastern District of Michigan committed an error in failing to properly consider application of the "safe-distance rule" when assessing the current ROXOR design to determine if it sufficiently departs from the 2018, 2019 design and 2020 erstwhile design. That Court of Appeals remanded the matter and issue to be re-considered. The parties submitted their arguments (and replies) in writing. A hearing on the issue is set before the judge for June 1, 2023. It is expected that an opinion on this matter will be issued by the end of Q2 of 2023. Once such decision is reached, the Eastern District of Michigan action may continue with resolution of the final claims.

NOTE P- STOCKHOLDER'S EQUITY

Common stock

The authorized share capital of the Company as of March 31, 2023 and March 31, 2022 was 8,000,000 shares and 8,000,000 shares, respectively, of $ 25 each. As at March 31, 2023 and March 31, 2022 total shares issued and outstanding was 7,773,737 and 7,417,737 shares, respectively.

The Company issued shares 356,000 shares and 600,000 shares for USD 25 each for years ended March 31, 2023, and March 31, 2022, respectively.

Voting

Each holder of common stock is entitled to one vote in respect of each share held by him in the records of the Company for all matters submitted to a vote.

Liquidation

In the event of liquidation of the Company, the holder of common stock shall be entitled to receive all the remaining assets of the Company.

NOTE Q- RISKS AND UNCERTAINITIES

The Company's future results of operations involve several risks and uncertainties.

Factors that could affect the Company's future operating results and cause actual results to vary materially from expectations include, competitive factors, including but not limited to pricing pressures; deterioration in general economic conditions; the Company's ability to effectively manage operating costs and increase operating efficiencies; declines in revenues; technological and market changes; the ability to attract and retain qualified employees and the Company's ability to execute on its business plan.

<u>*Contract assets*</u>

The Company's contracts with customers with dealer agreements and purchase orders. These contracts with customers typically consist of sale of products which represent performance obligations that are satisfied upon transfer of control of the product to the customer at a point in time.

The following table provides information about contract assets as at March 31, 2023 and March 31, 2022:

	USD		INR	
	As at March 31, 2023	**As at March 31, 2022**	**As at March 31, 2023**	**As at March 31, 2022**
Accounts receivable, related parties	**3,344,035**	1,712,745	**274,846,237**	140,770,512

NOTE S- EMPLOYEE BENEFIT PLANS

The Company has voluntary 401(k) retirement plans. The Company may make annual contributions to the plans equal to a uniform percentage of participant compensation. The cost of the Company's contributions charged to expense related to 401(k) contributions was USD 45,821 (INR 3,766,028) and USD 32,050 (INR 2,634,190) for the years ended March 31, 2023 and March 31, 2022, respectively.

NOTE T- GOVERNMENT INCENTIVE AND CREDITS

Employee retention credit

During the year ended March 31, 2022, the Company availed the benefit under the ERC (employee retention credit) scheme, a benefit given by the Federal government under the COVID stimulus package which allows businesses to take credit of the wages paid to employees on furlough and not working. The total ERC credit received by the Company for the year ended March 31, 2023, and March 31, 2022, amounts to USD NIL (INR NIL) and USD 464,217 (INR 38,153,995), respectively.

The Company has repaid all the credits that is believed to be owed to the IRS amounting to USD 106,283 (INR 8,735,400) and USD 928,532 (INR 76,316,045) during the years ended March 31, 2023, and year ended March 31, 2022, respectively. The Company has recorded an accrual to pay back any remaining credits and penalties that may be owed amounting to USD NIL (INR NIL) as of March 31, 2023, and USD 106,283 (INR 8,735,400) as of March 31, 2022.

Deferral of employment taxes

Section 2302 of the CARES Act provides that employers may defer the deposit and payment of the employer's portion of social security taxes. The payroll tax deferral period began on March 27, 2020, and ended on December 31, 2020. Section 2302(a)(2) of the CARES Act provides that the deferred deposits of the employer's share of social security tax must be 50 percent deposited by December 31, 2021, and the remaining amount must be deposited December 31, 2022. The Company in the previous year has repaid all the payroll tax deferral amounting to USD 113,684 (INR 9,343,688). The Company has deferred the employment taxes amounting to USD NIL (INR NIL) and USD NIL (INR NIL) as on March 31, 2023, and March 31, 2022, respectively.

NOTE U- ADVERTISING AND MARKETING EXPENSE

Advertising costs are presented as part of selling, general and administrative expenses in the statement of loss. Advertising costs are expensed as incurred. The amount of advertising and marketing cost incurred by the Company for the year ended March 31, 2023 and March 31, 2022 is USD 9,259 (INR 760,997) and USD 46,084 (INR 3,787,644), respectively.

NOTE V- SUBSEQUENT EVENTS

The Company evaluated all events or transactions that occurred after March 31, 2023, up to the date of the separate parent company financial statements were issued. Based on this evaluation, the Company is not aware of any events or transactions that should require recognition or disclosure in the financial statements.

INDEPENDENT AUDITOR'S REPORT

Board of Directors

Mahindra Vehicle Sales and Services, Inc.

Opinion

We have audited the accompanying financial statements of Mahindra Vehicle Sales and Services, Inc. ('the Company') which comprise the balance sheets as of March 31, 2023, and March 31, 2022, and the related statements of loss, stockholder's deficit, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of March 31, 2023, and March 31, 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note-B to the financial statements, the Company has suffered losses from operations has generated negative cashflows from operations. The Company also has an accumulated stockholders' deficit. Management's evaluation of the events and conditions and management's plans to mitigate these matters are also described in Note-B. Our opinion is not qualified with respect to this matter.

Other matter

The presentation of financial information in Indian rupees in the financial statements is not a required part of the basic financial statements. We have verified the arithmetic accuracy of the presentation based upon the exchange rate provided by the Company's management. We did not audit and do not express an opinion on such information. Our opinion is not modified with respect to this matter.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a period of twelve months from the date the financial statements are issued.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

NOTE A - ORGANIZATION AND NATURE OF OPERATIONS

Mahindra Vehicle Sales and Services, Inc. (hereinafter referred to as the “Company”) was incorporated in the state of Delaware on April 19, 2017 and is a wholly owned subsidiary of Mahindra Automotive North America, Inc. (“MANA”). The Company’s original purpose was to delivers parts and vehicles primarily to the North American automotive market for off-road use.

During the year ended March 31, 2022, the Company sells and distributes parts and vehicles to distributors and dealers (collectively “dealerships”), the majority of which are independently owned. As at March 31, 2022, the Company has contractual relationships in North America with approximately 363 dealerships. Throughout the year ended March 31, 2023, many such dealers voluntarily terminated their dealership relationship with the Company. The only vehicle sold by the Company to dealerships is ROXOR, an off-road side-by-side vehicle manufactured by Mahindra North American Technical Center, Inc. d/b/a Mahindra Automotive North America Manufacturing (“MANAM”). During the ~~current~~ year ended March 31, 2022, the parent company MANA, redesigned the ROXOR and launched it in the month of November 2021. However, the management decided to sell the redesigned ROXOR through its affiliate Mahindra USA LLC (“MAgNA”). During the current year, the Company conducted the transactions of catering of warranty services for the previously sold ROXOR. It also made the sales of accessory and service parts of ROXOR under warranty.

During the year ended March 31, 2021, the Company was engaged in litigation with FCA US, LLC over FCA’s claims relating to unregistered “trade dress” of FCA’s Jeep branded vehicles both at the International Trade Commission (“ITC”) and at the United States District Court, Eastern District of Michigan. The ITC in its ruling dated June 11, 2020, stated that the Company’s ROXOR off-road utility vehicle violated the “trade dress” of FCA’s Jeep branded vehicle. The ITC then issued a limited exclusion order prohibiting sale or import of the infringing vehicles and parts, as well as a cease-and desist order to the Company. The cease and desist order was effective from August 11, 2020.

The cease-and desist order related to the prohibition of marketing, sale, importation, and manufacturing of the model year 2018, 2019 and erstwhile 2020 ROXOR off-road vehicle by the Group in the United States of America (“US”). The impact of the order on the operations of the Company was significant. The Company was unable to market, import, build or sell ROXORs in the US beginning on or about August 11, 2020. However, the Company could sell ROXORs in Canada since the limited exclusion order prohibited the Company from sale of its vehicles only in the US. Given the impact of the ruling on the operations, the Company did not pursue most of the opportunities since the cost incurred to sell the product would have been too high. Due to the pause in the business along with the onset of COVID-19, the Company furloughed employees and also terminated relationships with few other stakeholders. Per the cease-and desist order as the Company could not carry out marketing activities, it had to engage in significant efforts to modify its website and notify its marketing partners for not honoring few contracts.

During the year ended March 31, 2021, the Company performed and prepared expedited proceedings to allow a significantly re-designed ROXOR to be excluded from the cease-and desist order. On October 20, 2020, the Administrative Law Judge (“ALJ”) found that the re-designed ROXOR does not violate any trade dress and recommended that the re-designed ROXOR be excluded from the cease-and desist order. On December 22, 2020, the ITC agreed with the ALJ and ruled that the re-designed ROXOR is excluded from the cease-and desist order. FCA in February 2021, shared the “notice to appeal” to the court for review of the final determination of the ITC’s exclusion of re-designed ROXOR from the cease-and-desist order. FCA’s appeal did not prevail per a decision from the Federal Circuit Court of Appeals on March 09, 2022. Therefore, the ITC’s decisions for allowing the sale of redesigned ROXOR remains valid.

In the concurrent Eastern District of Michigan case, FCA requested the Court to enjoin the post-2020 ROXOR based on the “safe distance rule”. The Court denied the request on May 17, 2021. FCA appealed to the Sixth Circuit Court of Appeals. On September 20, 2022, the Sixth Circuit Court of Appeals issued an opinion indicating the original trial court judge in the Eastern District of Michigan committed an error in failing to properly consider application of the “safe-distance rule” when assessing the current ROXOR design to determine if it sufficiently departs from the original 2018, 2019 and erstwhile 2020 design. That court of appeals remanded the matter and issue to be re-considered. The parties submitted their arguments (and replies) in writing. A hearing on the issue is set before the judge for June 1, 2023. It is expected that an opinion on this matter will be issued by the end of Q2 of 2023.

During the year ended March 31, 2022, MANAM launched the redesigned ROXOR and started selling the redesigned ROXOR from November 2021 in the United States and Canada. Before the cease-and-desist order, the Company used to sell and distribute parts and vehicles to the distributors and dealers (collectively “dealerships”) to its customers. However, effective September 01, 2021, MANAM entered into the Distribution Agreement (“the agreement”) with Mahindra USA Inc. (“MAgNA”) to distribute the ROXOR as well as its parts and accessories and services relating thereto (collectively with the ROXOR, the “Products”) under the brand name Mahindra and/or ROXOR through MAgNA’s dealership network.

During the current year, the Company continued catering its services of warranty and selling the accessory & service parts under the warranty agreement of ROXOR previously sold.

NOTE B - GOING CONCERN

There were no sales of redesigned ROXOR in the current year by the Company. In the month of November 2021, the parent company, Mahindra Automotive North America, Inc. (“MANA”), launched the redesigned ROXOR, and management decided to sell ROXOR through its affiliate Mahindra USA LLC (“MAgNA”). However, the Company continued catering its services of warranty and selling the accessory & service parts under the warranty agreement with its dealerships pertaining to the ROXORs previously sold. The Company has an accumulated deficit of USD 3,414,947 (INR (280,674,496)) as at March 31, 2023. Although, these events and condition cast significant doubt on the Company’s ability to continue as a going concern, in view of the continued support from the ultimate parent company, the management considers that it is appropriate to prepare these financial statements on a going concern basis, which assumes that the Company will continue to be in operational existence for the foreseeable future. The Company has received funding from its parent company amounting to USD 1,870,000 (INR 153,695,300) during the current year in the form of capital contribution.

Even though the parent company has started selling redesigned ROXOR through its affiliate MAgNA, the Company will still remain in existence because of the dealership obligations and the warranty services to be honored. Based on the above factors, the financial statements have been prepared on the basis that the Company is a going concern and that no adjustments are required to the carrying value of assets and liabilities.

NOTE C - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies are detailed below:

1. *Basis of preparation*
   a. The accompanying financial statements are prepared on the accrual basis of accounting in accordance with the accounting and reporting requirements of generally accepted accounting principles in the United States of America (“US GAAP”) to reflect the financial position, results of operation and cash flows of the Company.
   b. The financial statements are for the fiscal years ended March 31, 2023, and March 31, 2022.
   c. Financial information in this report is in U.S. dollars (“USD”) and in Indian rupees (“INR”). For the fiscal year ended March 31, 2023, and March 31, 2022, dollar amounts are translated for convenience into Indian rupees at an exchange rate of 82.19 INR per dollar on March 31, 2023. Within the notes to the financial statements, Indian rupee amounts are shown parenthetically following the U.S. dollar amounts.
   d. Certain reclassifications, regroupings and reworking have been made in the financial statements of prior year to conform to the classifications used in the current year. These changes had no impact on previously reported net loss or statement of stockholder’s deficit.

2. *Use of estimates*

   The preparation of financial statements in accordance with US GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements. Significant items subject to such estimates and assumptions include the useful lives of property and equipment, warranties, volume incentives, rebates, and co-operative advertising programs, valuation allowance for deferred tax assets and other contingencies. Management believes that the estimates used in the preparation of the financial statements are reasonable. Although these estimates are based upon management’s best knowledge of current events and actions, actual results could differ from these estimates. Any changes in estimates are adjusted prospectively in the financial statements.

3. *Operating leases*

   Accounting Standard Update (“ASU”) 2016-02, Leases

   The Company adopted Accounting Standards Codification 842 and all the related amendments (“new lease standard”) using the modified retrospective method.

NOTES TO FINANCIAL STATEMENTS

The new lease standard requires all leases to be reported on the balance sheet as operating lease right-of-use assets and lease obligations. The Company elected the practical expedients permitted under the transition guidance of the new standard that retained the lease classification and initial direct costs for any leases that existed prior to adoption of the standard.

Right-of-use assets and lease liabilities are recognized based on the present value of the future minimum lease payments over the lease term at the commencement date for leases exceeding 12 months. Minimum lease payments include only the fixed lease component of the agreement, as well as any variable rate payments that depend on an index, initially measured using the index at the lease commencement date. Lease terms may include options to renew when it is reasonably certain that the Company will exercise that option.

Certain leases include options to purchase the office equipment. The depreciable life of assets is limited by the expected lease term unless there is a transfer of title or purchase option reasonably certain of exercise.

The Company has entered into noncancelable operating lease agreements related to facility, office equipment, machinery and equipment and vehicles with varying terms.

Leases that contain non-lease components are accounted for as a single component and recorded on the balance sheet for certain asset classes including equipment. Non-lease components include, but are not limited to, common area maintenance and service arrangement.

The Company estimates its incremental borrowing rate for each lease based on the respective weighted average term of the agreements. This estimation considers the market rates of the Company's outstanding collateralized borrowings and interpolations of rates outside of the terms of the outstanding borrowings, including comparisons to comparable borrowings of similarly rated companies with longer term borrowings.

Operating lease expense is recognized on a straight-line basis over the lease term and is included in cost of revenue or general and administrative expense. Amortization expense for finance leases is recognized on a straight-line basis over the lease term and is included in cost of revenue. Interest expense for finance leases is recognized using the effective interest method. Leases with a lease term of 12 months or less from the commencement date that do not contain a purchase option are recognized as an expense on a straight-line basis over the lease term.

4. *Revenue recognition*

Sale of manufactured goods

The Company recognizes revenues from sale of manufactured ROXOR off-road side by side vehicles and their related accessories.

Revenue is recognized when control of the vehicles, parts or accessories have been transferred and the Company's performance obligation to the customers have been satisfied. Revenue is measured as the amount of consideration the Company expects to receive in exchange for transfer of goods. The timing of when the Company transfers the goods to the customer may differ from the timing of the customer's payment.

When the Company gives the customers the right to return eligible goods, the Company estimates the expected returns based on an analysis of historical experiences.

For the year ended March 31, 2021, the Company sponsored certain sales incentive programs and accrues liabilities for estimated sales promotion expenses when products were sold to the dealerships to the extent that it was probable. The cost of incentives, if any, estimated at the inception of a contract was the expected amount that would ultimately be paid. Sales promotion incentive programs included volume incentives, cash discounts, retail financing programs, and co-operative advertising programs. Sales promotions and incentives were recognized as a reduction to sales at the time of sale to the dealership. If the estimate of the incentive changed following the sale to the customer, the change is recognized as an adjustment to revenue in the period of the change.

During the year ended March 31, 2022, Mahindra North American Technical Center, Inc. d/b/a Mahindra Automotive North America Manufacturing ("MANAM") launched and started selling the redesigned ROXOR from November 2021 in the United States of America and Canada. Before the cease-and-desist order, MANAM used to sell and distribute parts and vehicles to the distributors and dealers (collectively "dealerships") through the Company to its customers. However, effective September 01, 2021, MANAM entered into the Distribution Agreement ("the agreement") with Mahindra USA Inc. ("MAgNA") to distribute the redesigned ROXOR as well as its parts and accessories and services relating thereto (collectively with ROXOR, the "Products") under the brand name Mahindra and/or ROXOR through MAgNA's dealership network. Effective September 01, 2021, and onwards, the Company continues to honor the services of warranty and selling the accessory & service parts under the warranty agreement of the ROXORs previously sold.

The Company has determined that the customers from the sale of vehicles and service parts are generally dealers and distributors. Transfer of control, and therefore revenue recognition, generally corresponds to the date when the vehicles or service parts are made available to the customer, or when the vehicles or service parts are released to the carrier responsible for transporting them to the customer. This is also the point at which invoices are issued, with payment terms for vehicles and for service parts vary with the dealers. For component part sales, revenue recognition is consistent with that of service parts.

The Company sponsors certain sales incentive programs and accrues liabilities for estimated sales promotion expenses when products are sold to the dealerships to the extent that it is probable. The cost of incentives, if any, is estimated at the inception of a contract at the expected amount that will ultimately be paid. Sales promotion incentive programs include volume incentives, cash discounts, retail financing programs, and co-operative advertising programs. Sales promotions and incentives are recognized as a reduction to sales at the time of sale to the dealership. If the estimate of the incentive changes following the sale to the customer, the change in estimate is recognized as an adjustment to revenue in the period of the change.

Shipping and handling services

The Company also performs shipping and handling activities for its customers which is treated as a separate performance obligation as these activities are performed after the customer obtains control of the goods. The Company acts as an agent for shipping and handling services and recognizes revenue on net basis.

5. *Other income*

The Company records the following in the other income; (a) interest income and (b) liabilities written back. During the year ended March 31, 2023 and March 31, 2022, the Company has recorded USD NIL (INR NIL) and USD 359,309 (INR 29,531,606) respectively as other income on account of liabilities written back.

6. *Product warranty*

The Company provides a limited warranty for ROXOR for a period of two years or 12,000 miles whichever is lesser. The warranty reserve is established at the time of sale to the distributorship based on management's best estimate using historical rates and trends. These amounts are recorded as a liability in the balance sheet until they are ultimately paid. Accrued warranty liability was USD 1,092,043 (INR: 89,755,014) at March 31, 2023 (March 31, 2022: USD 1,093,502 (INR: 89,874,929)).

7. *Product liability*

The Company is subject to product liability claims in the normal course of business. Adequate insurance coverage is carried for catastrophic product liability claims. The Company self-insures product liability claims up to the purchased catastrophic insurance coverage. The estimated costs resulting from uninsured losses are charged to operating expenses when it is probable a loss has been incurred and the amount of the loss is reasonably determinable.

8. *Cash and cash equivalents*

The Company considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. Cash balances in bank accounts are insured by the Federal Deposit Insurance Corporation up to an aggregate per bank of USD 250,000 (INR: 20,547,501). The Company believes it is not exposed to any significant risk on cash and cash equivalents.

9. *Property and equipment*

Property and equipment are stated at cost less accumulated depreciation. Cost of items of property and equipment comprises cost of purchase and other costs necessarily incurred to bring it to the condition and location necessary for its intended use.

The Company depreciates property and equipment over the estimated useful life using the straight-line method. Upon retirement or disposal of assets, the cost and accumulated depreciation are eliminated from the accounts and the resulting gain or loss is credited or charged to operations.

NOTES TO FINANCIAL STATEMENTS

The estimated useful life used to determine depreciation is:

Computers	3 years
Vehicles	5 - 10 years

Expenditures for maintenance and repairs are charged to expense. Property and equipment is reviewed for impairment whenever events or changes in circumstances indicate the carrying value of the asset may not be recoverable.

10. *Intangible assets*

Intangible assets are comprised of computer software which has been recognized at cost and amortized over a period of 3 years or its estimated useful life. Subsequent expenditure is capitalized only when it increases the future economic benefit from the specific assets to which it relates

11. *Government incentives*

The Company receives incentives from the Michigan Economic Development Corporation in the form of business development grants. These grants are recognized at their fair values in the statement of loss where there is a reasonable assurance that all grant conditions have been complied with and the grant will be received.

12. *Accounts receivable & allowance for doubtful debts*

Accounts receivable represent amounts due related to sale of goods and services. Accounts receivable are reduced by an estimate of the amount that will ultimately be uncollectible. Management determines the allowance for doubtful accounts by a review of the outstanding amounts on a monthly basis. The allowance is determined by identifying troubled accounts, by using historical experience applied to an aging of accounts. Allowance for doubtful accounts is included in selling, general and administrative expenses in the statement of loss. The Company charges off uncollectable amounts against the reserves in the period in which it determines they are uncollectable.

13. *Income taxes*

Income taxes are provided for the tax effects of transactions reported in the financial statements and consist of taxes currently due plus deferred taxes related primarily to differences between the basis of certain assets and liabilities for financial and tax reporting. The deferred taxes represent the future tax return consequences of those differences, which will either be taxable or deductible when the assets and liabilities are recovered or settled, respectively.

The Company has determined whether any tax positions have met the recognition threshold and has measured the Company's exposure to those tax provisions. Management believes that the Company has adequately addressed all relevant tax positions and that there are no unrecorded tax liabilities. Federal and state taxing authorities generally have the right to examine and audit the previous three years of tax returns filed. Any interest or penalties from federal and state taxing authorities were recorded in the accompanying financial statements.

14. *Fair value measurements and financial instruments*

Assets and liabilities recorded at fair value in the financial statements are categorized based upon the level of judgment associated with the inputs used to measure their fair value. Hierarchical levels which are directly related to the amount of subjectivity associated with the inputs to the valuation of these assets or liabilities are as follows:

Level 1 – unadjusted quoted prices in active markets for identical assets or liabilities that the Company has the ability to access as of the measurement date.

Level 2 – inputs other than quoted prices included within Level 1 that are directly observable for the asset or liability or indirectly observable through corroboration with observable market data.

Level 3 – unobservable inputs for the asset or liability only used when there is little, if any, market activity for the asset or liability at the measurement date.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, the level in the fair value hierarchy within which the fair value measurement in its entirety falls is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

This hierarchy requires the Company to use observable market data, when available, and to minimize the use of unobservable inputs when determining fair value.

Some of Company's financial instruments, including cash and cash equivalents, accounts receivable and accounts payable are not measured at fair value on a recurring basis but are recorded at amounts that approximate fair value due to their liquid or short-term nature.

15. *Commitments and contingencies*

Liabilities for loss contingencies arising from claims, assessments, litigation, fines, and penalties and other sources are recorded when it is probable that a liability has been incurred and the amount can be reasonably estimated. Legal costs incurred in connection with loss contingencies are expensed as incurred. Contingent liabilities are not recognized but are disclosed in the notes. Contingent assets are neither recognized nor disclosed in the financial statements.

NOTE D - CASH AND CASH EQUIVALENTS

The cash and cash equivalents of the Company comprise:

	USD		INR	
	As at March 31,		As at March 31,

NOTE J - LEASES

The Company has entered various facility and equipment operating leases with varying terms. In most circumstances, management expects that in the normal course of business, leases will be renewed or replaced by other leases.

The table below presents the classification of leasing assets and liabilities as reported on the balance sheet as of March 31, 2023 and March 31, 2022.

Particulars	USD As at March 31, 2023	USD As at March 31, 2022	INR As at March 31, 2023	INR As at March 31, 2022
Assets				
Operating lease right-of-use assets	**4,354**	18,193	**357,855**	1,495,283
Total lease assets	**4,354**	18,193	**357,855**	1,495,283
Liabilities				
Current				
Operating lease liabilities	**3,517**	13,677	**289,062**	1,124,113
Long term				
Operating lease liabilities	**–**	3,517	**–**	289,062
Total lease liabilities	**3,517**	17,194	**289,062**	1,413,175

The table below presents the classification of lease related expenses as reported in the statements of income.

Particulars	USD Year ended March 31, 2023	USD Year ended March 31, 2022	INR Year ended March 31, 2023	INR Year ended March 31, 2022
Operating lease expense*	**123,558**	215,790	**10,155,232**	17,735,780
Total lease expense	**123,558**	215,790	**10,155,232**	17,735,780

* Operating lease expenses are included in selling, general and administrative expenses in the statements of loss. Operating lease expense includes short-term leases, variable lease costs and leases which do not meet the capitalization requirement of the Company.

Future minimum lease payments as of March 31, 2023, for operating leases having an initial or remaining non-cancellable lease term in excess of one year are as follows.

Year ended March 31	Amount (USD)	Amount (INR)
2024	3,540	290,953
Total minimum lease payments	**3,540**	**290,953**
Less: interest imputed	(23)	(1,891)
Present value of lease payments	**3,517**	**289,062**

The following table presents the weighted-average remaining lease term and discount rates as of March 31, 2023.

Weighted-average remaining lease term (years)	
Operating leases	0.33
Weighted-average discount rate	
Operating leases	4.51%

The following table presents supplemental information for operating leases for the year ended March 31, 2023 and March 31, 2022.

Canada	**80,787**	156,529	**6,639,883**	12,865,119
Total revenue by geography	**105,118**	766,363	**8,639,648**	62,987,375

Contract balance

The Company's contracts with customers are comprised of dealer agreements and purchase orders. These contracts with customers typically consist of sale of products which represent performance obligations that are satisfied upon transfer of control of the product to the customer at a point in time.

The following table provides information about contract assets and liability balances as of March 31, 2023 and March 31, 2022:

	USD		INR	
	As at March 31,		As at March 31,	
Particulars	**2023**	**2022**	**2023**	**2022**
Accounts receivable	**11,102**	10,473	**912,473**	860,776

NOTE L - INCOME TAXES

Deferred income taxes reflect the net tax effects of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for income tax purposes. The Company is subject to taxation in the United States of America and the State of Michigan. The Company is a member of the federal consolidated tax group of its parent company, MANA.

The provision for income tax expense (benefit) for the year ended March 31, 2023 and March 31, 2022 is USD NIL and USD NIL, respectively.

The tax effects of significant temporary differences that resulted in deferred tax assets and liabilities and a description of the items that create such differences is as follows:

	USD		INR	
	As at March 31,		As at March 31,	
	2023	**2022**	**2023**	**2022**
Deferred tax asset (liability)				
Net operating loss - Federal	**18,223,270**	17,732,162	**1,497,770,561**	1,457,406,395
Net operating loss - MI	**1,084,714**	1,078,180	**89,152,644**	88,615,614
Interest expense limitation	**707,625**	734,765	**58,159,699**	60,390,335
Accrued warranty	**245,962**	255,758	**20,215,617**	21,020,750
Bad debts	**2,069**	2,125	**170,051**	174,654
Contributions	**8,013**	8,321	**658,588**	683,903
Lease assets	**(189)**	(234)	**(15,534)**	(19,232)
Previous year incentive accrual	**162,963**	182,260	**13,393,929**	14,979,949
Flooring interest accrual	**–**	468	**–**	38,465
Prepaid expenses	**(25)**	(993)	**(2,055)**	(81,615)
Property and equipment	**(1,021)**	(432)	**(83,916)**	(35,506)
Valuation allowance	**(20,433,381)**	(19,992,380)	**(1,679,419,584)**	(1,643,173,712)
Total	**–**	–	**–**	–

In assessing the realization of deferred tax assets, the likelihood of whether it is more likely than not that some portion or all the deferred tax assets will not be realized must be considered. The ultimate realization of deferred tax assets is dependent on the generation of future taxable income during the periods in which temporary difference becomes deductible. Management considers the projected future taxable income and tax planning strategies in making this assessment. The management believes that it is more likely than not that the deferred tax assets may not be realized and accordingly, a valuation allowance of USD 20,433,381 (INR 1,679,419,584) is recognized as at March 31, 2023 (March 31, 2022 USD 19,992,380 (INR 1,643,173,712)).

The Company has federal net operation loss ("NOLs") carry forwards of USD 86,777,477 (INR: 7,132,240,835) as at March 31, 2023 (March 31, 2022: USD 84,438,867 (INR: 6,940,030,479). Out of the total NOLs of USD 86,777,477 (INR: 71,322,408,922), if unutilized, NOLs of USD 6,721,616 (INR: 552,449,619) will begin to expire from the year 2037, whereas the remaining NOLs will be carried forward indefinitely.

The Company has state net operating losses carry forwards of USD 22,884,257 (INR: 1,880,857,083) as at March 31, 2023 (March 31, 2022: USD 22,746,408 (INR: 1,869,527,274), which if unutilized will begin to expire from the year 2027.

The Company recognizes the financial statement impact of a tax position when it is more likely than not that the position will be sustained upon examination.

The tax years 2019, 2020 and 2021 remain subject to examination by the taxing authorities.

NOTE N - COMMITMENT AND CONTINGENCIES

Long term purchase commitment

On September 24, 2019, the Company signed a Vendor Subscription Agreement ("VSA") with Icon International Inc.("ICON"), a subsidiary of Omnicom Media Group, for purchase of certain media advertising for 5 years in an amount not less than USD 2,263,022 (INR: 185,997,778) each year. In addition, the Company signed an indemnity bond amounting to USD 1,600,000 (INR: 131,504,000) with Atlantic Specialty Insurance Company which bound Mahindra Automotive North America, Inc., and its subsidiaries to purchase media advertising through ICON. If the Company fails to place the minimum amount of advertising spend on the contract anniversary each year it will be assessed a penalty of 15% of the shortfall. ICON provides composition and consultation services at no charge for media placements. ICON's placement services include broadcast, digital, and print media advertising which will be billed to the Company at a competitive market rate. During the term of the agreement the Company agreed to provide ICON with the right of first refusal on any media being placed.

Due to the cease-and desist order, the Company was prohibited to sell, market, import and manufacture the model year 2018, 2019 and 2020 ROXOR off-road vehicle in the US. Since the Company's operations were paused and it could not carry out marketing activities, the management decided to opt out of long-term contracts and commitments entered by the Company. During the year ended March 31, 2021, the Company believed that it would be able to terminate the VSA by paying the penalty and thus created an accrual of USD 625,000 (INR: 51,368,750) as at March 31, 2021.

However, during the year ended March 31, 2022, the Company renegotiated the VSA with ICON and extended the agreement till March 31, 2025. Based on the revised budget spend of the Company for next financial years it believes that it may not be able to meet the minimum amount of advertising spend at the end of the contract term. Thus, the Company continues to carry the accrual amounting to USD 1,062,319 (INR 87,311,999) and USD 690,814 (INR 56,778,003) as at March 31, 2023 and March 31, 2022 as its best estimate for penalty liability mentioned in the VSA.

Litigation

The Company was engaged in litigation over violation of "trade dress" of FCA's Jeep branded vehicles with FCA US, LLC both at the International Trade Commission ("ITC") and at the United States District Court, Eastern District of Michigan. The ITC in its ruling dated June 11, 2020, stated that the Company's ROXOR off-road utility vehicle violated the "trade dress" claimed by FCA. The ITC then issued a limited exclusion order prohibiting sale or import of the infringing vehicles and parts, as well as a cease-and desist order to the Company. The cease-and desist order was effective from August 11, 2020.

In December 2020, the Company received confirmation that they can proceed with selling the post-2020 ROXOR model. The ITC's decision for allowing the Company to sell post-2020 ROXOR was appealed by FCA and, FCA did not prevail per a decision from the Court of Appeals on March 9, 2022. Therefore, the ITC's decisions for allowing the sale of post-2020 ROXOR remains valid. There is also a federal action which remains pending in which FCA US, LLC is seeking disgorgement of profits and a claim for false advertising relating to one commercial that displayed a military style vehicle. The matter is ongoing. The Company believes it has strong defense against the claims. At this time, no liability has been incurred and the amount of any future loss or award associated with the Eastern District of Michigan matter cannot be estimated reasonably. Also, a final determination is yet to be made relating to a legal issue FCA has raised with the Sixth Circuit Court of appeals. Once such decision is reached, the Eastern District of Michigan action may continue with resolution of the final claims.

Also, in the concurrent Eastern District of Michigan case, FCA requested the Court to enjoin the post-2020 ROXOR based on the "safe distance rule". The Court denied the request on May 17, 2021. FCA appealed to the Sixth Circuit Court of Appeals. On September 20, 2022, the Sixth Circuit Court of Appeals issued an opinion indicating the original trial court judge in the Eastern District of Michigan committed an error in failing to properly consider application of the "safe-distance rule" when assessing the current ROXOR design to determine if it sufficiently departs from the original 2018, 2019 and erstwhile 2020 design. That court of appeals remanded the matter and issue to be re-considered. The parties submitted their arguments (and replies) in writing. A hearing on the issue is set before the judge for June 1, 2023. It is expected that an opinion on this matter will be issued by the end of Q2 of 2023. Once such decision is reached, the Eastern District of Michigan action may continue with resolution of the final claims.

NOTE O - RISK AND UNCERTANITIES

The Company's future results of operations involve several risks and uncertainties. Factors that could affect the Company's future operating results and cause actual results to vary materially from expectations include, competitive factors, including but not limited to pricing pressures; deterioration in general economic conditions; the Company's ability to effectively manage operating costs and increase operating efficiencies; declines in revenues; technological and market changes and the Company's ability to execute on its business plan. Also, there was a significant decline in revenue in the current year as there were no sale of ROXOR through the Company which limits the operations of the Company.

NOTES TO FINANCIAL STATEMENTS

NOTE P - ADVERTISING AND MARKETING EXPENSE

Advertising costs are presented as part of selling, general and administrative expenses in the statements of loss. Advertising costs are expensed as incurred. The amount of advertising and marketing cost incurred by the Company for the year ended March 31, 2023 and March 31, 2022 is USD 2,003,620 (INR: 164,677,528) and USD 1,208,502 (INR: 99,326,779), respectively.

NOTE Q - COMMON STOCK

Common stock

The authorized share capital of the Company as of March 31, 2023, and March 31, 2022, was 5,000,000 shares of $ 25 each. As at March 31, 2023 and March 31, 2022 total shares issued and outstanding was 3,549,431 and 3,474,631 shares, respectively.

The Company issued 74,800 shares and 174,000 shares for USD 25 each during the years ended March 31, 2023, and March 31, 2022, respectively.

Voting

Each holder of common stock is entitled to one vote in respect of each share held by him in the records of the Company for all matters submitted to a vote.

Liquidation

In the event of liquidation of the Company, the holder of common stock shall be entitled to receive all the remaining assets of the Company.

NOTE R - EMPLOYEE BENEFIT PLANS

The Company has voluntary 401(k) retirement plans covering substantially all employees. The Company may make annual contributions to the plans equal to a uniform percentage of participant compensation. The cost of the Company's contributions charged to expense related to 401(k) contributions was USD NIL (INR NIL) and USD 11,959 (INR: 982,910) for the year ended March 31, 2023, and year ended March 31, 2022, respectively.

NOTE S - GOVERNMENT INCENTIVE AND CREDITS

Employee retention credit

During the previous year, the Company availed the benefit under the ERC (employee retention credit) scheme, a benefit given by the Federal government under the COVID stimulus package which allows businesses to take credit of the wages paid to employees on furlough and not working. The total ERC credit received by the Company for the year ended March 31, 2023, amounts to USD NIL (INR NIL) and USD 237,578 (INR 19,526,536) for the year ended March 31, 2022. The Company has currently repaid all the credits that is believed to be owed to the IRS amounting to USD 1,232 (INR 101,258) and USD 588,328 (INR 48,354,678) during the year ended March 31, 2023, and year ended March 31, 2022, respectively. The Company has recorded an accrual to pay back any remaining credits and penalties that may be owed amounting to USD NIL (INR NIL) as of March 31, 2023, and USD 1,232 (INR 101,258) as of March 31, 2022.

Deferral of employment taxes

Section 2302 of the CARES Act provides that employers may defer the deposit and payment of the employer's portion of Social Security taxes. The payroll tax deferral period commenced on March 27, 2020, and ended on December 31, 2020. Section 2302(a)(2) of the CARES Act provides that the deferred deposits of the employer's share of social security tax must be 50 percent deposited by December 31, 2021, and the remaining amount must be deposited December 31, 2022. The Company in the previous year has repaid all the payroll tax deferral amounting to USD 112,587 (INR 9,253,525). The Company has deferred the employment taxes amounting to USD NIL (INR NIL) as on March 31, 2023, and USD NIL (INR NIL) as on March 31,2022, respectively.

NOTE T - SUBSEQUENT EVENTS

The Company evaluated all events and transactions that occurred after March 31, 2023 through the date the financial statements were available to be issued. Based on the evaluation, the Company is not aware of any events or transactions that would require recognition or disclosure in the financial statements.

INDEPENDENT AUDITOR'S REPORT

To the Automobili Pininfarina GmbH, Munich

Audit Opinions

We have audited the annual financial statements of Automobili Pininfarina GmbH, Munich, which comprise the balance sheet as at 31 March 2023, and the statement of profit and loss for the financial year from 1 April 2022 to 31 March 2023, and notes to the financial statements, including the presentation of the recognition and measurement policies. In addition, we have audited the management report of Automobili Pininfarina GmbH, Munich, for the financial year from 1 April 2022 to 31 March 2023. In accordance with the German legal requirements, we have not audited the content of the statement on corporate governance pursuant to section 289f paragraph 4 HGB [Handelsgesetzbuch: German Commercial Code] (disclosures on the quota for women on executive boards).

In our opinion, on the basis of the knowledge obtained in the audit,

- the accompanying annual financial statements comply, in all material respects, with the requirements of German commercial law applicable to business corporations and give a true and fair view of the assets, liabilities and financial position of the Company as at 31 March 2023 and of its financial performance for the financial year from 1 April 2022 to 31 March 2023 in compliance with German Legally Required Accounting Principles, and
- the accompanying management report as a whole provides an appropriate view of the Company's position. In all material respects, this management report is consistent with the annual financial statements, complies with German legal requirements and appropriately presents the opportunities and risks of future development. Our audit opinion on the management report does not cover the content of the statement on corporate governance referred to above.

Pursuant to section 322 paragraph 3 sentence 1 HGB, we declare that our audit has not led to any reservations relating to the legal compliance of the annual financial statements and of the management report.

Basis for the Audit Opinions

We conducted our audit of the annual financial statements and of the management report in accordance with section 317 HGB and in compliance with German Generally Accepted Standards for Financial Statement Audits promulgated by the Institut der Wirtschaftsprüfer [Institute of Public Auditors in Germany] (IDW). Our responsibilities under those requirements and principles are further described in the "Auditor's Responsibilities for the Audit of the Annual Financial Statements and of the Management Report" section of our auditor's report. We are independent of the Company in accordance with the requirements of German commercial and professional law, and we have fulfilled our other German professional responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions on the annual financial statements and on the management report.

Responsibilities of the Executive Director for the Annual Financial Statements and the Management Report

The executive director is responsible for the preparation of the annual financial statements that comply, in all material respects, with the requirements of German commercial law applicable to business corporations and that the annual financial statements give a true and fair view of the assets, liabilities, financial position and financial performance of the Company in compliance with German Legally Required Accounting Principles. In addition, the executive director is responsible for such internal control as they, in accordance with German Legally Required Accounting Principles, have determined necessary to enable the preparation of annual financial statements that are free from material misstatement, whether due to fraud (i.e., fraudulent financial reporting and misappropriation of assets) or error.

In preparing the annual financial statements, the executive director is responsible for assessing the Company's ability to continue as a going concern. They also have the responsibility for disclosing, as applicable, matters related to going concern. In addition, they are responsible for financial reporting based on the going concern basis of accounting, provided no actual or legal circumstances conflict therewith.

Furthermore, the executive director is responsible for the preparation of the management report that as a whole provides an appropriate view of the Company's position and is, in all material respects, consistent with the annual financial statements, complies with German legal requirements, and appropriately presents the opportunities and risks of future development. In addition, the executive director is responsible for such arrangements and measures (systems) as they have considered necessary to enable the preparation of a management report that is in accordance with the applicable German legal requirements, and to be able to provide sufficient appropriate evidence for the assertions in the management report.

Auditor's Responsibilities for the Audit of the Annual Financial Statements and of the Management Report

Our objectives are to obtain reasonable assurance about whether the annual financial statements as a whole are free from material misstatement, whether due to fraud or error, and whether the management report as a whole provides an appropriate view of the Company's position and, in all material respects, is consistent with the annual financial statements and the knowledge obtained in the audit, complies with the German legal requirements and appropriately presents the opportunities and risks of future development, as well as to issue an auditor's report that includes our audit opinions on the annual financial statements and on the management report.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with section 317 HGB and in compliance with German Generally Accepted Standards for Financial Statement Audits promulgated by the Institut der Wirtschaftsprüfer (IDW) will always detect a material misstatement. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual financial statements and this management report.

We exercise professional judgment and maintain professional secpticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual financial statements and of the management report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our audit opinions. The risk of not detecting a material misstatement resulting from fraud is higher than the risk of not detecting a material misstatement resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls
- Obtain an understanding of internal control relevant to the audit of the annual financial statements and of arrangements and measures (systems) relevant to the audit of the management report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an audit opinion on the effectiveness of these systems of the Company.
- Evaluate the appropriateness of accounting policies used by the executive director and the reasonableness of estimates made by the executive director and related disclosures.
- Conclude on the appropriateness of the executive director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditor's report to the related disclosures in the annual financial statements and in the management report or, if such disclosures are inadequate, to modify our respective audit opinions. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to be able to continue as a going concern.
- Evaluate the overall presentation, structure and content of the annual financial statements, including the disclosures, and whether the annual financial statements present the underlying transactions and events in a manner that the annual financial statements give a true and fair view of the assets, liabilities, financial position and financial performance of the Company in compliance with German Legally Required Accounting Principles.
- Evaluate the consistency of the management report with the annual financial statements, its conformity with German law, and the view of the Company's position it provides.
- Perform audit procedures on the prospective information presented by the executive director in the management report. On the basis of sufficient appropriate audit evidence we evaluate, in particular, the significant assumptions used by the executive director as a basis for the prospective information, and evaluate the proper derivation of the prospective information from these assumptions. We do not express a separate audit opinion on the prospective information and on the assumptions used as a basis. There is a substantial unavoidable risk that future events will differ materially from the prospective information.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Munich, 12 May 2023

NOTES TO THE FINANCIAL STATEMENTS

General details relating to the financial statements

The company was formed based on the articles of association dated 05 February 2018.

The financial statements have been prepared in accordance with the provisions of the German Commercial Code [*Handelsgesetzbuch - HGB*] applicable to business corporations and the Limited Liability Companies Act [*GmbH-Gesetz - GmbHG*].

According to the size classes defined in Sec. 267 Commercial Code [*Handelsgesetzbuch - HGB*] the company falls into the category of a medium-sized corporation.

As in the prior year, the statement of profit and loss for the financial year 2022/2023 is prepared according to the nature of expense method pursuant to Section 275 (2) HGB.

The exemption options for medium-sized corporations pursuant to Sections 286 and 288 (2) HGB were exercised in part.

At the end of the financial year, there was a deficit of EUR 8,057,286.36 not covered by equity, which was offset by the contributions of EUR 8,400,000.00 made to implement the resolved capital increase.

Details relating to the identification of the company according to the Court of Registration

Business name acc. to Court of Registration:	Automobili Pininfarina GmbH
Registered office acc. to Court of Registration:	Munich
Register entry:	Commercial Register
Registrar of Companies:	Munich Local Court
Register number:	HRB 239596

Details relating to accounting policies

Accounting and valuation principles

Purchased intangible fixed assets are recognised at acquisition cost and, if they have a limited life, are amortized subject to straight-line depreciation.

Internally generated assets are valued at manufacturing cost according to Sec. 255 (2a) HGB, i.e. included as assets in the balance sheet with the expenses incurred as of development. After completion and from the beginning of sales, they are amortised over the expected useful life using the straight-line method. The expected useful life is determined based on the sales period of the developed vehicles. The Company did not make use of the option regarding the capitalisation of costs according to Sec. 255 (2) sentence 3 HGB.

The Company does not engage in basic research. Hence, a separation of research and development is not required. Occasionally, feasibility studies are conducted before the development of a vehicle which are not capitalised. After completion of the feasibility study, development costs recorded if the following criteria are fulfilled:

- It is very probable that the planned intangible asset is created
- The development costs can be attributed reliably to the specific intangible asset
- No prohibition within the sense of Sec. 248 (2) sentence 2 HGB

The Company starts capitalising the development costs as soon as these criteria are met.

Property plant and equipment were recognised at acquisition costs subject to straight-line depreciation. Straight-line regular depreciation was applied pro rata temporis in accordance with the expected useful life.

Low-value assets with acquisition costs of up to EUR 800 are expensed as incurred in the year of their acquisition, assuming that it is disposed of in the year of acquisition.

Financial assets were valued at acquisition cost.

If the value of fixed assets as determined based on the principles mentioned above is expected to exceed the fair value as of reporting date permanently, this is taken into account by an impairment.

Inventories were recognised at manufacturing costs in conformity with the lower of cost or market principle.

Receivables and other assets are valued at nominal value and reflect all identifiable risks.

Prepayments and accrued income include expenditures before the reporting date representing costs for a certain time after this date.

The option for recognising an asset for deferred tax assets according to Sec. 274 (1) sentence 2 HGB was not exercised.

Other provisions were created for all identifiable risks and contingent liabilities and are recognised at the settlement amount required, according to prudent commercial judgement.

Assets and liabilities denominated in foreign currencies are translated at the closing rate on the reporting date in accordance with Sec. 256a HGB.

Liabilities were reported at the settlement amount.

NOTES TO THE FINANCIAL STATEMENTS

Notes to the balance sheet

Development of assets for individual fixed assets items.

The depreciation applicable to the individual items for the financial year can be derived from the development of assets.

Research and development

The development expenditure incurred in the financial year was capitalised. It concerns the internally generated intangible assets described in the following. In the financial year, no research costs incurred.

Internally generated intangible assets

Expenses for internally generated intangible assets were capitalised at their manufacturing costs in the amount of EUR 5,653,706.66. The manufacturing costs amount to a total of EUR 120,784,497.25 (prior year: EUR 115,130,790.59).

Due to a permanent impairment within the sense of Sec. 253 (3) sentence 5 HGB as of reporting date, in addition to regular depreciation (EUR 363,218.22), an extraordinary amortization of internally generated intangible assets in the amount of EUR 5,290,488.44 were recognised.

Other liabilities - Customer advances

Payments by customers are recognised predominantly as other liabilities. The contributions do not constitute advances within the sense of German Commercial Law as they do not relate to a binding order. Advances made amount to a total of EUR 1,770,000.00 of which EUR 570,000.00 is reported under other liabilities (prior year: EUR 939,574.00). Other liabilities include liabilities to affiliated companies in the amount of EUR 1,354,192.23 (prior year: EUR 1,005,578.49) and are attributable to deliveries and services.

Share capital

The Company's share capital registered in the Commercial Register and fully paid up as of 31/03/2022 amounts to EUR 190,000,000.00. EUR 20,000,000.00 of an additional capital increase in the amount of EUR 8,400,000.00 in the past financial year were already paid in but not yet registered into the commercial register.

Authorized capital

The nominal amount of authorized capital (resolution of the shareholders' meeting of September 13, 2021; Authorized Capital 2022/I) was EUR 25,000,000.00 and an additional EUR 5,000,000.00 (resolution of the shareholders' meeting of August 30, 2022; Authorized Capital 2022/II). As of March 31, 2023, Authorized Capital 2022/I has been used up to EUR 5,000,000.00, while Authorized Capital 2022/II has not yet been used as of March 31, 2023. As of March 31, 2023, EUR 8,400,000 had already been paid in but not entered in the commercial register, and EUR 1,600,000 had been resolved but not yet paid in.

Notes on provisions

Other provisions amount to a total of EUR 5,884,130.03 (prior year: EUR 4,226,054.31). They mainly include provisions for outstanding invoices and provisions for personnel.

Remaining maturities

Payable due within one year amount to EUR 15,262,255.52 (prior year: EUR 10,442,788.17). Trade receivables and other assets have a remaining maturity of up to one year (EUR 1,883,974.90, prior year: EUR 1,934,405.09).

Notes to the income statement

Notes on income and expenses in exceptional amounts or of exceptional incidence

Expenses in exceptional amounts or of exceptional incidence significant within the meaning of Sec. 285 No. 31 HGB include in detail:

- Event expenses in the amount of EUR 2,668,838.71 (prior year: EUR 1,560,546.24)
- External services in the amount of EUR 4,907,383.37 (prior year: EUR 2,315,682.61)
- Impairment of internally generated intangible assets in the amount of EUR 5,290,488.44 (prior year: EUR 40,530,790.59)

Income from currency translation is recorded in the statement of profit and loss under "Gross profit" in the amount of EUR 145,299.52 (prior year: EUR 53,018.13,). Expenses from currency translation are recorded separately under "Other operating expenses" in the amount of EUR 357,631.08 (prior year: EUR 63,743.43) shown separately. In addition, the item "Other operating expenses" includes expenses relating to other periods in the amount of EUR 99,232.90 (previous year: EUR 0), while "Gross profit" includes income relating to other periods in the amount of EUR 2,672.00 (previous year: EUR 0).

Other disclosures

Average number of staff employed in the financial year

The average number of staff employed by the company during the financial year was 117 (prior year: 105).

	2023	2022
DESIGN & ENIGNEERING	**58**	77
OTHER DEPARTMENTS	**59**	28
Total	**117**	105

Other financial obligations

Other financial obligations within the meaning of Section 285 no. 3a HGB result from leasing contracts in the amount of EUR 180,776.67 and rent payments from long-term contracts in the amount of EUR 225,652.00.

Names of the managing directors

During the reporting year, the management of the company was in the hands the following persons:

Director: Svantesson, Per Erland, CEO *19.05.1960 (until 03.02.2023)

Director: Dellacha, Paolo, CEO, *01.01.1975 (from 03.02.2023)

In accordance with Sec. 286 (4) HGB, the Company did not disclose the information pursuant to section 285 No. 9 characters a) and b) HGB.

Information on shareholding in other companies of at least 20 percent of the shares

In accordance with Sec. 285 No. 11 HGB, the following companies are included:

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors

Automobili Pininfarina Americas Inc.

Opinion

We have audited the accompanying financial statements of Automobili Pininfarina Americas Inc. (the "Company"), which comprise of the balance sheets as of March 31, 2023 and March 31, 2022, and the related statements of profit (loss), stockholder's equity and cash flows for the years then ended and the related notes to the financial statements.

In our opinion, financial statements referred to above present fairly, in all material respects, the financial position of the Company, as of March 31, 2023 and March 31, 2022, and the results of its operations and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the financial statements' section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

KNAV P.A.

Notes to Financial Statements

NOTE A – NATURE OF OPERATIONS

Automobili Pininfarina Americas Inc. (hereinafter referred to as "APA" or "the Company") was converted to a Delaware corporation on January 23, 2019 through the conversion of a Delaware Limited Liability Company, under the name of Harkey Acquisition, LLC. The Company is a wholly owned subsidiary of Automobili Pininfarina GmbH (hereinafter referred to as "the Parent Company").

The Parent Company acquired 100% membership interest of Harkey Acquisition, LLC (hereinafter referred to as "the LLC") on January 15, 2019 from Oakland Standard Co., LLC ("the Seller"). No capital contribution was made by the Seller in the LLC. Post acquisition, a plan of conversion to a Corporation was adopted and the LLC was converted and renamed as "Automobili Pininfarina Americas Inc.".

The Company is in the start-up phase. The Parent Company plans to manufacture and distribute, directly or indirectly, to retail customers, a luxury vehicle known as the Battista.

Automobili Pininfarina Americas Inc. provides business support services to the Parent Company.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies are detailed below:

1. *Basis of preparation*

   a) The accompanying financial statements are prepared under the historical cost convention on the accrual basis of accounting in accordance with the accounting and reporting requirements of generally accepted accounting principles in the United States of America ('US GAAP') to reflect the financial position, results of operations and cash flows of the Company.

   b) The financial statements are for the years ended March 31, 2023 and March 31, 2022. All amounts are stated in United States Dollars, unless specified otherwise.

2. *Use of estimates*

   The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. The management's estimates for recognition of deferred tax assets and accruals at the balance sheet date represent certain of these particularly sensitive estimates. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Any revision in accounting estimates are recognized prospectively in the current and future periods.

3. *Cash and cash equivalents*

   Cash equivalents consist of highly liquid investments with a maturity of three months or less on the date of purchase. The carrying value of cash and cash equivalents approximates fair value because of the short maturities of those financial instruments. Cash balances in bank accounts are insured by the Federal Deposit Insurance Corporation up to $ 250,000 for each insured bank for each account per depositor.

4. *Leases*

   Lease rent expenses on operating leases are charged to expense over the lease term. Certain operating lease agreements may provide for scheduled rent increases over the lease term. Rent expense for such leases is recognized on a straight-line basis over the lease term.

5. *Income taxes*

   In accordance with the provisions of Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 740 "Income Taxes," income taxes are accounted for using the asset and liability method. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases and operating loss carry-forwards. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date. The deferred tax asset is reduced by a valuation allowance if it is more likely than not that some portion or all of the asset will not be realized. . All deferred tax assets and liabilities, along with any related valuation allowance, are classified as noncurrent on the balance sheet.

6. *Revenue recognition*

   The Company provides business support services to the Parent Company. The Company determines the standalone prices using the expected cost-plus a margin approach. Cost includes specific direct costs like professional charges and other charges like bank charges. Margin is computed using data related to historical margins and prevalent market conditions. Revenues from business support services are recognized over a period of time as the services are performed.

7. *Fair value measurements and financial instruments*

   Assets and liabilities recorded at fair value in the financial statements are categorized based upon the level of judgment associated with the inputs used to measure their fair value. Hierarchical levels, which are directly related to the amount of subjectivity, associated with the inputs to the valuation of these assets or liabilities are as follows:

Notes to Financial Statements

Level 1 – unadjusted quoted prices in active markets for identical assets or liabilities that the Company has the ability to access as of the measurement date.

Level 2 – inputs other than quoted prices included within Level 1 that are directly observable for the asset or liability or indirectly observable through corroboration with observable market data.

Level 3 – unobservable inputs for the asset or liability only used when there is little, if any, market activity for the asset or liability at the measurement date.

This hierarchy requires the Company to use observable market data, when available, and to minimize the use of unobservable inputs when determining fair value.

The Company's financial instruments consist of cash and cash equivalents and other current liabilities. The estimated fair value of cash and cash equivalents and other current liabilities approximate their carrying amounts due to the short-term nature of these instruments. None of these instruments is held for trading purposes.

8. *Commitments and contingencies*

Liabilities for loss contingencies arising from claims, assessments, litigations, fines, penalties and other sources are recorded when it is probable that a liability has been incurred and the amount can be reasonably estimated. Legal costs incurred in connection with loss contingencies are expensed as incurred.

NOTE C – ADVANCES FROM CUSTOMERS

The Company has entered into contracts with multiple customers, wherein the Company will sell a luxury vehicle Batistta ("the vehicle") to the customers. The vehicle will be manufactured by the Parent Company and sold to the customers. Pursuant to the aforesaid arrangement the customer will pay advances on milestone basis to the Company which will then be transferred to the Parent Company. As of March 31, 2023, the aggregate advances received from the customers amounted to $ 11,029,975 (March 31, 2022: $ 7,579,910).

NOTE D – OTHER CURRENT LIABILITIES

Other current liabilities include the following:

	As of	
	March 31, 2023	March 31, 2022
Professional fees	**10,000**	4,150
Accured taxes	**300**	1,025
Bank service fees	**1,000**	550
Accrued expenses	**1,325**	–
Total	**12,625**	5,725

NOTE E – INCOME TAXES

For the year ended March 31, 2023, the Company will file federal and state tax returns as per regulations applicable to Chapter C corporations in the United States.

The components of the provision for income taxes are as follows:

	Year ended	
	March 31, 2023	March 31, 2022
Current taxes		
Federal tax benefit	–	(155)
State tax	**720**	800
Provision for income taxes	**720**	645

Deferred income taxes reflect the net tax effects of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the amounts used for income tax purposes. Significant components of the Company's net deferred income taxes are as follows:

	As of	
	March 31, 2023	March 31, 2022
Non-current deferred tax assets		
Net operating losses	580	563
Startup costs	**5,776**	5,975
Total deferred tax assets	**6,356**	6,538
Net deferred taxes	**6,356**	**6,538**
Less: deferred tax asset valuation allowance	**(6,356)**	(6,538)
Total	**–**	–

Realization of net deferred tax assets is dependent upon generation of sufficient taxable income in future years, benefit from the reversal of taxable temporary differences and tax planning strategies. Management assesses the available positive and negative evidence to estimate whether sufficient future taxable income will be generated to permit use of the existing deferred tax assets. The amount of net deferred tax assets considered realizable is subject to adjustment in future periods if estimates of future taxable income change.

Based on the current year and previous year losses, the management believes that it is more likely that not that the deferred tax assets may not be realized during forseeable future and accordingly, a valuation allowance of $ 6,356 and $ 6,538 has been recorded as of March 31, 2023 and March 31, 2022, resepctively.

No deferred tax assets were recognized as of March 31, 2023 and March 31, 2022.

The Company has federal net operating losses of $ 2,760 and $ 2,679 as of March 31, 2023 and March 31, 2022, respectively.

Notes to Financial Statements

Accounting for uncertain tax position

The Company recognizes the benefit of a tax position only after determining that the relevant tax authority would more likely than not sustain the position following an audit. For tax positions meeting the more-likely-than-not threshold, the amount recognized in the financial statements is the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement with the relevant tax authority. The Company has no unrecognized tax positions as of March 31, 2023 and March 31, 2022.

The tax years of 2019 and 2021 remain subject to examination by the taxing authorities.

NOTE F – RELATED PARTY TRANSACTION

Related party with whom transactions have taken place during the year:

- Automobili Pininfarina GmbH- the Parent Company

Particulars	**March 31, 2023**	March 31, 2022
Transaction for the year		
Purchase of the vehicle	**7,957,565**	–
Purchase of the extended warranty	**115,722**	–
Amounts transferred to the Parent Company during the year	**8,397,708**	**520,000**
Balance		
Receivable from related party	1,444,381	1,119,960

NOTE G – COMMON STOCK

Common stock authorized, issued and outstanding

The authorized share capital of the Company consists of 2,000 common shares of par value $ 25 each as of March 31, 2023 and March 31, 2022.

During the year ended March 31, 2022 the Company issued 560 common shares of par value $ 25 each.

Common stock issued as of March 31, 2023 and March 31, 2022 was 1,600 shares of $ 25 each.

Voting

Each holder of common stock is entitled to one vote in respect of each share held by him in the records of the Company for all matters submitted to a vote.

Liquidation

In the event of liquidation of the Company, the holders of common stock shall be entitled to receive all of the remaining assets of the Company, after distribution of all preferential amounts, if any. Such amounts will be in proportion to the number of equity shares held by the shareholders.

NOTE H – REVENUE, NET

The following table presents revenue disaggregated by source of revenue and classification:

Particulars	**For the year ended March 31, 2023**	**March 31, 2022**
Business support services		
Agency revenue	**25,759**	–
	25,759	–

NOTE I – FAIR VALUE MEASUREMENT

Financial assets and liabilities held by the Company are not measured at fair value on a recurring basis but are recorded at amounts that approximate fair value due to their liquid or short-term nature.

NOTE J – RISK AND UNCERTAINTIES

The Company's future results of operations involve several risks and uncertainties. Factors that could affect the Company's future operating results and cause actual results to vary materially from expectations include, competitive factors, including but not limited to pricing pressures; deterioration in general economic conditions; the Company's ability to effectively manage operating costs and increase operating efficiencies; declines in revenues; technological and market changes and the Company's ability to execute on its business plans.

NOTE K – SUBSEQUENT EVENTS

Subsequent events have been evaluated through the date the financial statements were available to be issued. Based on the evaluation, the Company is not aware of any events or transactions that would require recognition or disclosure in the financial statements.

INDEPENDENT AUDITORS' REPORT

To

The Members of

GROMAX AGRI EQUIPMENT LIMITED

Report on the audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of **Gromax Agri Equipment Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its loss and total comprehensive income, its changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the 'Auditors' Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Information other than the Financial Statements and Auditors' Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Directors Report and the related annexures, but does not include the Financial Statements and our Auditors' Report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and contents of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
   (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
   (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
   (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this report are in agreement with the books of account.
   (d) In our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act.
   (e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
   (f) With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure B. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Financial Statements.

(g) The Company has not paid/provided any remuneration to managerial personnel as defined in the Act. Accordingly, the provisions of Section 197 of the Act related to the managerial remuneration are not applicable to the Company.

(h) With respect to the other matters to be included in the Auditors' Report in accordance with the requirements of Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

(i) The Company has disclosed the impact of pending litigations on its financial position in its Financial Statements – Refer Note 36 to the Financial Statements;

(ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

(iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company;

(iv) (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clauses (a) and (b) contain any material misstatement; and

(v) The Company has not declared/paid/declared and paid any dividend during the year.

(vi) As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 relating to audit trail feature of the Company's accounting software is applicable to the Company only with effect from financial year beginning April 1, 2023, the reporting under Clause (g) of Rule 11 of the Companies (Audit and Auditors) Rules, 2014 is not applicable for the current year.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

[Referred to in paragraph 1 under 'Report on other Legal and Regulatory Requirements' section of our report of even date]

1. (a) (A) According to the information and explanations given to us, the Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.

   (B) According to the information and explanations given to us, the Company has maintained proper records showing full particulars of intangible assets.

   (b) The Company has a regular programme for physical verification of its property, plant and equipment by which the property, plant and equipment are verified by the management once in a period of three years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its property, plant and equipment. In accordance with the programme, the Company has physically verified property, plant and equipment during the current year and no material discrepancies were noticed on such verification.

   (c) According to the information and explanations given to us, the title deeds of immovable properties are held in the name of the Company.

   (d) According to the information and explanations given to us, the Company has not revalued any of its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.

   (e) Based on the audit procedures performed by us and according to the information, explanations and representations given to us, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

2. (a) According to the information and explanations given to us, the inventory comprising of raw materials, work-in-progress, finished and semi-finished goods, stores and spares, loose tools and stock-in-trade has been physically verified at reasonable intervals by the management during the year. In our opinion, the coverage and procedure of such verification by the management is appropriate and no discrepancies of 10% or more in the aggregate for each class of inventory were noticed on such verification between the physical inventory and the book records.

   (b) According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from Axis Bank Limited on the basis of security of inventory and trade receivables during the year. The statements of inventory and trade receivables filed by the Company with Axis Bank Limited on a monthly basis are materially in agreement with the unaudited books of account as certified by the management.

3. According to the information and explanations given to us, the Company has not made investments in or provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year. Accordingly, the reporting under Clauses 3(iii)(a) to 3(iii)(f) of the Order is not applicable to the Company.

4. According to the information and explanations given to us, the Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186 of the Act. Accordingly, the reporting under Clause 3(iv) of the Order is not applicable to the Company.

5. According to the information and explanations given to us, the Company has not accepted deposits under the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder. Accordingly, the reporting under Clause 3(v) of the Order is not applicable to the Company.

6. The Central Government has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company. Accordingly, the reporting under Clause 3(vi) of the Order is not applicable to the Company.

7. (a) According to the information and explanations given to us and on the basis of our examination of records of the Company, the amounts deducted/accrued in the books of account in respect of undisputed statutory dues including Goods and Services Tax, Provident Fund, Employees' State Insurance, Income-tax, Cess and other material statutory dues have been regularly deposited during the year by the Company with the appropriate authorities. According to the information and explanations given to us and on the basis of our examination of records of the Company, there were no undisputed statutory dues payable in respect of Sales tax, Service tax, Duty of Customs, Duty of Excise and Value Added Tax.

   According to the information and explanations given to us and on the basis of our examination of records of the Company, there were no arrears of undisputed statutory dues in respect of Goods and Services Tax, Provident fund, Employees' State Insurance, Income-tax, Sales tax, Service tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and other material statutory dues as on the last day of the financial year for a period of more than six months from the date they became payable.

   (b) According to the information and explanations given to us and on the basis of our examination of records of the Company, there are no statutory dues in respect of Goods and Services Tax, Provident Fund, Employees' State Insurance, Sales tax, Service tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and any other material statutory dues as at March 31, 2023, which have not been deposited with the appropriate authorities on account of any dispute. The statutory dues in respect of Income-tax as at March 31, 2023, which have not been deposited with the appropriate authorities on account of a dispute, are as under:

Name of Statute	Nature of dues	Amount (Rs. in lakhs)	Period to which amount relates	Forum where pending
The Income Tax Act, 1961	Income Tax	190.95	Assessment year 2014-2015	Income Tax Appellate Tribunal

8. According to the information and explanations given to us, there are no transactions not recorded in the books of account which have been surrendered or disclosed as income during the year in the tax assessments under the Income-tax Act, 1961. Accordingly, the reporting under Clause 3(viii) of the Order is not applicable to the Company.

9. (a) According to the information and explanations given to us and based on the audit procedures performed by us, the Company has not availed any loans or other borrowings during the year. Accordingly, the reporting under Clause 3(ix)(a) of the Order is not applicable to the Company.

   (b) According to the information and explanations given to us, the Company has not been declared a wilful defaulter by any bank or financial institution or any other lender till the date of our audit report.

   (c) According to the information and explanations given to us and based on the audit procedures performed by us, the Company has not availed any term loans during the year. Accordingly, the reporting under Clause 3(ix)(c) of the Order is not applicable to the Company.

   (d) In our opinion and according to the information and explanations given to us and on an overall examination of the Balance Sheet of the Company, we report that funds raised on short-term basis have not been utilised for long- term purposes as at the Balance Sheet date.

   (e) The Company does not have any subsidiaries, joint ventures or associates. Accordingly, the reporting under Clauses 3(ix)(e) and 3(ix)(f) of the Order is not applicable to the Company.

10. (a) According to the information and explanations given to us, the Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under Clause 3(x)(a) of the Order is not applicable to the Company.

    (b) According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Accordingly, the reporting under Clause 3(x)(b) of the Order is not applicable to the Company.

11. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company noticed or reported during the year, nor have we been informed of any such case by the management.

    (b) There has been no report filed by us under sub-section (12) of Section 143 of the Act in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government. Accordingly, the reporting under Clause 3(xi)(b) of the Order is not applicable to the Company.

    (c) As represented to us by the management, no whistle blower complaints were received by the Company during the year.

12. According to the information and explanations given to us, the Company is not a Nidhi company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, the reporting under Clause 3(xii) of the Order is not applicable to the Company.

13. In our opinion and according to the information and explanations given to us, the Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the Financial Statements as required by Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified under Section 133 of the Act.

14. (a) In our opinion and according to the information and explanations given to us and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.

    (b) We have considered the Internal Audit reports of the Company issued till date for the period under audit.

15. According to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or directors of its holding company or persons connected with them during the year and hence, the provisions of Section 192 of the Act are not applicable to the Company. Accordingly, the reporting under Clause 3(xv) of the Order is not applicable to the Company.

16. (a) According to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under Clause 3(xvi)(a) of the Order is not applicable to the Company.

    (b) In our opinion and according to the information and explanations given to us, the Company has not conducted any Non-Banking Financial or Housing Finance activities. Accordingly, the reporting under Clause 3(xvi)(b) of the Order is not applicable to the Company.

    (c) In our opinion and according to the information and explanations given to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under Clauses 3(xvi)(c) and 3(xvi)(d) of the Order is not applicable to the Company.

17. In our opinion and according to the information and explanations given to us, the Company has not incurred cash losses in the current financial year as well as in the immediately preceding financial year. Accordingly, the reporting under Clause 3(xvii) of the Order is not applicable to the Company.

18. There has been no resignation of the statutory auditors during the year. Accordingly, the reporting under Clause 3(xviii) of the Order is not applicable to the Company.

19. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of Balance Sheet as and when they fall due within a period of one year from the Balance Sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the Balance Sheet date, will get discharged by the Company as and when they fall due.

20. According to the information and explanations given to us, the provisions of Section 135 of the Act relating to expenditure on corporate social responsibility are not applicable to the Company for the current financial year. Accordingly, the reporting under Clauses 3(xx)(a) and 3(xx)(b) of the Order is not applicable to the Company.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

[Referred to in paragraph 2(f) under 'Report on other Legal and Regulatory Requirements' section of our report of even date]

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of sub-section (3) of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of **Gromax Agri Equipment Limited** ("the Company") as of March 31, 2023 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based on the criteria for internal financial control with reference to financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2023

All amounts are in Rupees Lakhs unless otherwise stated

Note Nos. 1 and 2 : Summary of Significant Accounting Policies

1. Corporate Information

Gujarat Tractor Corporation Limited (GTCL) a Public Limited Company domiciled in India and incorporated on 31st March, 1978 under the provisions of the Companies Act, 1956 (CIN : U34100GJ1978PLC003127) and a Government of Gujarat Undertaking. As a part of Disinvestment by Government of Gujarat, the Mahindra & Mahindra Limited. acquired 60% stake in Equity Shares of the Company in 1999-2000. The name of the Company changed to Mahindra Gujarat Tractor Limited (MGTL/the Company) in the year 2000. The name of company further changed to Gromax Agri Equipment Limited with effect from 24th August, 2017.

Currently Mahindra Group holds 60% and Government of Gujarat holds 40% Equity in the Company. The Company is mainly engaged in the Manufacture and Sale of Tractors under the brand name “Shaktimaan”, “Hindustan”, “Farm Plus”, “Trakstar” and spares of the same. The Company carries out its business activities in India and Nepal. The Factory and Registered Office of the Company is located at Vishwamitri, Vadodara, Gujarat and Sales and Distribution Offices and Yards in major States of India.

2. Significant Accounting Policies

2.1 Statement of compliance

The financial statements have been prepared taking into consideration all material aspects with Indian Accounting Standards (Ind-AS) notified under section 133 of the Companies Act, 2013 (the “Act”) [Companies (Indian Accounting Standards) Rules, 2015,as amended] and the other relevant provisions of the Act.

2.2 Basis of preparation and presentation

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the value paid for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 116, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

The financial statements have been prepared on historical convention except Defined benefit plans.

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability.

The principal accounting policies are set out below:

2.3 Revenue recognition

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract. Upon satisfaction of performance obligation which is at a point in time when control of the goods is transferred to the customer, generally on delivery of the goods. Depending on the terms of the contract, which differs from contract to contract, the goods are sold on a reasonable credit term. The Revenue is excluding taxes and after deducting various Dealer Incentives and Discounts.

2.3.1. Sale of goods

1) Timing of recognition- Sales are recognized when control parameters as laid down in IND AS 115 are satisfied. Control means customer has accepted the product, legal title has been transferred, transfer of significant risk and rewards, right to receive the payment and transfer of physical possession. Sales are recognised at a point in time based on the revenue recognition standard.

2) Measurement of revenue:-

A) Revenue is measured based on the consideration specified in a contract with a customer (net of variable consideration) and excludes amounts collected on behalf of third parties. The Company recognises revenue when it transfers control of a product.

B) Any change resulting in increase or decrease in estimated revenue or cost are reflected in the profit or loss in the period in which the circumstances that give rise to the revision become known by Management.

C) Transaction price is the amount of consideration expected to be entitled to in exchange for transferring of goods and services excluding the amount collected from third party.

D) Revenue from sales is based on the price specified in the sales contracts (net of the variable consideration) and returns at the time of sale. Accumulated experience is used to estimate and provide for the discounts and returns. The volume discounts are assessed based on anticipated annual purchases.

2.3.2 Royalties

Royalty revenue is recognised on an accrual basis in accordance with the substance of the relevant agreement (provided that it is probable that the economic benefits will flow to the Company and the amount of revenue can be measured reliably). Royalties determined on a time basis are recognised on a straight-line basis over the period of the agreement. Royalty arrangements that are based on production, sales and other measures are recognised by reference to the underlying arrangement.

2.3.3 Dividend and interest income

Dividend income from investments is recognised when the shareholder’s right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset’s net carrying amount on initial recognition.

2.4 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

2.5 Employee benefits

2.5.1 Retirement benefit costs and termination benefits

Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.

For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- remeasurement

The Company presents the first two components of defined benefit costs in profit or loss in the line item ‘Employee benefits expense’. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the Company’s defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

A liability for a termination benefit is recognised at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognises any related restructuring costs.

2.5.2 Short-term and other long-term employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

2.5.3 Contributions from employees or third parties to defined benefit plans

Discretionary contributions made by employees or third parties reduce service cost upon payment of these contributions to the plan.

When the formal terms of the plans specify that there will be contributions from employees or third parties, the accounting depends on whether the contributions are linked to service, as follows:

If the contributions are not linked to services (e.g. contributions are required to reduce a deficit arising from losses on plan assets or from actuarial losses), they are reflected in the remeasurement of the net defined benefit liability (asset).

If contributions are linked to services, they reduce service costs. For the amount of contribution that is dependent on the number of years of service, the Company reduces service cost by attributing the contributions to periods of service using the attribution method required by Ind AS 19.70 for the gross benefits. For the amount of contribution that is independent of the number of years of service, the Company reduces service cost in the period in which the related service is rendered/ reduces service cost by attributing contributions to the employees’ periods of service in accordance with Ind AS 19.70.

2.6 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

2.6.1 Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from ‘profit before tax’ as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company’s current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

2.6.2 Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

Deferred tax liabilities are recognised for taxable temporary differences associated with investments in subsidiaries and associates, and interests in joint ventures, except where the Company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future. Deferred tax assets arising from deductible temporary differences associated with such investments and interests are only recognised to the extent that it is probable that there will be sufficient taxable profits against which to utilise the benefits of the temporary differences and they are expected to reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

2.6.3 Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

2.7 Property, plant and equipment

Land and buildings held for use in the production or supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses. Freehold land is not depreciated.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

Freehold land is not depreciated.

Fixtures and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Assets held under lease are depreciated over the lease term of the ROU (Right of use).

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

2.7.1 Useful lives of tangible assets

Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as prescribed in Part C of Schedule II of the Companies Act, 2013

Particulars	Life (Years)
Building -Non Factory	60
Building - Factory	30
Plant & Machineries, Jig& Fixtures and Pattern & Moulds	15
Furniture & Fixtures, Electrical Installation	10
Motor Vehicles- Cars & Tractors	8
Computer-Servers and Network	6
Office Equipment	5
Computer-End-use devices (Desktop, Laptop, Printer etc.)	3
Assets Value < Rs.5000	1

2.8 Intangible assets

2.8.1 Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

2.8.2 Internally-generated intangible assets - research and development expenditure

Expenditure on research activities is recognised as an expense in the period in which it is incurred.

An internally-generated intangible asset arising from development (or from the development phase of an internal project) is recognised if, and only if, all of the following have been demonstrated:

- the technical feasibility of completing the intangible asset so that it will be available for use or sale;
- the intention to complete the intangible asset and use or sell it;
- the ability to use or sell the intangible asset;
- how the intangible asset will generate probable future economic benefits;
- the availability of adequate technical, financial and other resources to complete the development and to use or sell the intangible asset; and
- the ability to measure reliably the expenditure attributable to the intangible asset during its development.

The amount initially recognised for internally-generated intangible assets is the sum of the expenditure incurred from the date when the intangible asset first meets the recognition criteria listed above. Where no internally-generated intangible asset can be recognised, development expenditure is recognised in profit or loss in the period in which it is incurred.

Subsequent to initial recognition, internally-generated intangible assets are reported at cost less accumulated amortisation and accumulated impairment losses, on the same basis as intangible assets that are acquired separately.

2.8.3 Useful lives of intangible assets

Estimated useful lives of the intangible assets are as follows:

Particulars	Life (Years)
Development Expenditure	5
Software	3

2.9 Impairment of tangible and intangible assets other than goodwill

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest Company of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

2.10 Inventories

Inventories are stated at the lower of cost and net realisable value after providing for obsolescence and other losses, where considered necessary. Costs of inventories are determined on a weighted average basis. Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

Cost of raw material and traded goods comprises of purchases. Cost of work-in-progress and finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure, the latter being allocated on the basis of normal operating capacity. Cost of Inventories also include all other cost incurred in bringing the inventories to their present location and condition. Cost of purchase inventory are determined after deducting rebates and discounts.

2.11 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Provisions are not recognised for future operating losses.

2.11.1 Onerous contracts

Present obligations arising under onerous contracts are recognised and measured as provisions. An onerous contract is considered to exist where the Company has a contract under which the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received from the contract.

2.11.2 Warranties

Provisions for the expected cost of warranty obligations under local sale of goods legislation are recognised at the date of sale of the relevant products, at the directors' best estimate of the expenditure required to settle the Company's obligation.

2.11.3 Contingent liabilities acquired in a business combination

A disclosure for a contingent liability is made where there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

2.12 Financial instruments

Financial assets and financial liabilities are recognised when a entity becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value plus transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

2.12.1 Cash and cash equivalents:-

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents.

2.13 Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

2.13.1 Classification of financial assets

Debt instruments that meet the following conditions are subsequently measured at amortised cost (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments that meet the following conditions are subsequently measured at fair value through other comprehensive income (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and

- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Interest income is recognised in profit or loss for FVTOCI debt instruments. For the purposes of recognising foreign exchange gains and losses, FVTOCI debt instruments are treated as financial assets measured at amortised cost. Thus, the exchange differences on the amortised cost are recognised in profit or loss and other changes in the fair value of FVTOCI financial assets are recognised in other comprehensive income and accumulated under the heading of 'Reserve for debt instruments through other comprehensive income'. When the investment is disposed of, the cumulative gain or loss previously accumulated in this reserve is reclassified to profit or loss.

All other financial assets are subsequently measured at fair value.

2.13.2 Effective interest method

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Income is recognised on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL. Interest income is recognised in profit or loss and is included in the "Other income" line item.

2.13.3 Financial assets at fair value through profit or loss (FVTPL)

Investments in equity instruments are classified as at FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investments in equity instruments which are not held for trading.

Debt instruments that do not meet the amortised cost criteria or FVTOCI criteria (see above) are measured at FVTPL. In addition, debt instruments that meet the amortised cost criteria or the FVTOCI criteria but are designated as at FVTPL are measured at FVTPL.

A financial asset that meets the amortised cost criteria or debt instruments that meet the FVTOCI criteria may be designated as at FVTPL upon initial recognition if such designation eliminates or significantly reduces a measurement or recognition inconsistency that would arise from measuring assets or liabilities or recognising the gains and losses on them on different bases. The Company has not designated any debt instrument as at FVTPL.

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any dividend or interest earned on the financial asset and is included in the 'Other income' line item. Dividend on financial assets at FVTPL is recognised when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

2.13.4 Impairment of financial assets

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, debt instruments at FVTOCI, lease receivables, trade receivables, other contractual rights to receive cash or other financial asset, and financial guarantees not designated as at FVTPL.

Expected credit losses are the weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate (or credit-adjusted effective interest rate for purchased or originated credit-impaired financial assets). The Company estimates cash flows by considering all contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) through the expected life of that financial instrument.

The Company measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses. 12-month expected credit losses are portion of the life-time expected credit losses and represent the lifetime cash shortfalls that will result if default occurs within the 12 months after the reporting date and thus, are not cash shortfalls that are predicted over the next 12 months.

If the Company measured loss allowance for a financial instrument at lifetime expected credit loss model in the previous period, but determines at the end of a reporting period that the credit risk has not increased significantly since initial recognition due to improvement in credit quality as compared to the previous period, the Company again measures the loss allowance based on 12-month expected credit losses.

When making the assessment of whether there has been a significant increase in credit risk since initial recognition, the Company uses the change in the risk of a default occurring over the expected life of the financial instrument instead of the change in the amount of expected credit losses. To make that assessment, the Company compares the risk of a default occurring on the financial instrument as at the reporting date with the risk of a default occurring on the financial instrument as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition.

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 11 and Ind AS 18, the Company always measures the loss allowance at an amount equal to lifetime expected credit losses.

Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, the Company has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

The impairment requirements for the recognition and measurement of a loss allowance are equally applied to debt instruments at FVTOCI except that the loss allowance is recognised in other comprehensive income and is not reduced from the carrying amount in the balance sheet.

2.14 Financial Liabilities

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

2.14.1 Classification of financial liabilities

The company classifies all financial liabilities as subsequently measured at amortised cost.

2.14.2 Initial recognition of financial liabilities

Financial liabilities are carried at amortised cost using the effective interest method.

2.14.3 Subsequent measurement of financial liabilities

The measurement of financial liabilities depends on their classification (Refer Note 29)

2.15 Leases

2.15.1 Initial Recognition:

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

2.15.2 Company as a lessee:

Leases, other than short term lease and low value assets, of property, plant and equipment are classified as finance leases. Finance leases are capitalized at the lease's inception at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

2.16 EPS

The Company reports basic and diluted earnings per share in accordance with Ind AS 33 on Earnings per share. Basic earnings per share is computed by dividing the net profit or loss for the period by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit or loss for the period by the weighted average number of equity shares outstanding during the period as adjusted for the effects of all diluted potential equity shares except where the results are anti-dilutive.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all years presented for any share splits and bonus shares issues including for changes effected prior to the authorization for issue of the financial statements by the Board of Directors.

2.17 Cash flow statement

The Cash Flow Statement is prepared by the indirect method set out in Ind AS 7 on Cash Flow Statements and presents cash flows by operating, investing and financing activities of the Company.

2.18 Rounding off amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

2.19 Current v/s Non-Current classification:-

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

a) Expected to be realized or intended to be sold or consumed in normal operating cycle

b) Held primarily for the purpose of trading

c) Expected to be realized within twelve months after the reporting period, or

d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

a) It is expected to be settled in normal operating cycle

b) It is held primarily for the purpose of trading

c) It is due to be settled within twelve months after the reporting period, or

d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents.

The Company has identified twelve months as its operating cycle for the purpose of current and non-current classification of assets and liabilities

2.20 Critical accounting judgements and key sources of estimation uncertainty

In the application of the Company's accounting policies, which are described in note 2.1 to 2.18, the management is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed.

Detailed information about each of these estimates and judgements included in relevant notes together with information about the basis of calculation of each different line item in the financial statements.

Areas involving judgements and estimations:

1) Provision for warranty and service coupon
2) Provision for ECL
3) Provision for Employee Benefits

STATEMENT OF CHANGES IN EQUITY FOR THE YEAR ENDED 31ST MARCH 2023

	Total Other Non Current Financial Liabilities	**391.71**	313.84
B	**Current**		
1	Unpaid dividends (Preference dividend, considered as interest)	**971.45**	928.95
2	Trade and Security Deposits	**150.97**	185.52
3	Unpaid matured preference shares	**500.00**	500.00
4	Other liabilities		
	a) Payables for purchase of fixed assets	**60.54**	3.09
	b) Contract Liabilities	**422.33**	524.26
	c) Expenses accruals	**226.86**	298.34
	d) Others	**4.57**	19.40
	Total Other Current Financial Liabilities	**2,336.71**	**2,459.55**

Note:

5,000,000 8.5% Cumulative Redeemable Preference Shares of Rs. 10 each issued solely to Government of Gujarat (GOG) as fully paid up on 23rd May, 2000 consequent upon conversion of loan of Rs. 50,000,000.

These shares were redeemable at par at the end of fours years from the date of allotment i.e. 22nd May, 2004 and the terms of the issue of the shares can be varied with the express consent of the Company and the holders of the shares at any time during the period the shares are outstanding.

The Preference Shares issued have right to receive dividend from year to year as decided by terms of Issue i.e. 8.5% per annum from the date of allotment.

The Preference share holders will not be entitled to any of the rights and privileges available to the members of the company including right to receive notice of or to attend and vote at general meeting or to receive annual reports of the company. If, however any resolution affecting the rights attached to the share is placed before the member of the Company , such resolution will first be placed before the Preference shareholders for their consideration.

Considering book losses, the Board of Directors had not declared dividend on preference share since allotment. Thus no provision was made for 8.5% dividend, amounting to Rs. 631.46 lakhs on preference shares for the period from 23rd May, 2000 (being the date of allotment) to the year ended 31st March, 2015 and additional tax thereon as per the accounting treatment under IGAAP.

Under IND AS, accrued Dividend on Preference Shares is defined as Other Current Financial Liabilities under Unpaid Dividends and are currently excluding taxes.

Note No. 18 - Provisions

Particulars	As at 31st March, 2023 Current	As at 31st March, 2023 Non-Current	As at 31st March, 2022 Current	As at 31st March, 2022 Non-Current
1. Provision for employee benefits

Profit/(loss) for the year used in the calculation of basic earnings per share	**(230.00)**	2,710.17
Profit/(loss) used in the calculation of diluted earnings per share	**(230.00)**	2,710.17

The weighted average number of ordinary shares for the purpose of diluted earnings/(loss) per share reconciles to the weighted average number of ordinary shares used in the calculation of basic earnings/(loss) per share as follows:

Particulars	Year Ended on 31st March, 2023	Year Ended on 31st March, 2022
Weighted average number of equity shares used in the calculation of Basic EPS	**543.02**	543.02
Add:		
ESOPs	**–**	–
Convertible bonds	**–**	–
Weighted average number of equity shares used in the calculation of Diluted EPS	**543.02**	543.02

Note:

The Company reports basic and diluted earnings/(loss) per share in accordance with Ind AS 33 on Earnings per share. Basic earnings/(loss) per share is computed by dividing the net profit or loss for the period by the weighted average number of equity shares outstanding during the period. Diluted earnings/(loss) per share is computed by dividing the net profit or loss for the period by the weighted average number of equity shares outstanding during the period as adjusted for the effects of all diluted potential equity shares except where the results are anti-dilutive.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all years presented for any share splits and bonus shares issues including for changes effected prior to the authorization for issue of the financial statements by the Board of Directors.

Note No. 29 - Financial Instruments

Capital management

The Company manages capital risk in order to maximize shareholders' profit by maintaining optimal capital structure through monitoring of financial ratios, such as debt-to-equity ratio and net borrowings-to-equity ratio on a monthly basis and implements capital structure improvement plan when necessary. There is no change in the overall capital risk management strategy of the Company compared to last year.

The Company uses debt ratio as a capital management index and calculates the ratio as total liabilities divided by total equity. Total liabilities and total equity are based on the amounts stated in the separate financial statements.

The Company is not subject to externally enforced capital regulation.

Debt-to-equity ratio is as follows:

Particulars	As at 31st March, 2023	As at 31st March, 2022
Debt (A)	**1,584.76**	1,564.25
Equity (B)	**4,771.74**	4,998.07
Debt Ratio (A/B)	**0.33**	0.31

Categories of financial assets and financial liabilities

Financial Risk Management Framework

The Company's activities expose it to credit risk. In order to manage the aforementioned risk, the Company operates a risk management policy and a program that performs close monitoring of and responding to risk factors.

CREDIT RISK

(i) Credit risk management

Credit risk arises when a counterparty defaults on its contractual obligations to pay resulting in financial loss to the Company. The Company has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral (As on 31 March 2023: INR 284.62 Lakhs, 31 March 2022: INR 822.72 Lakhs), where appropriate, as a means of mitigating the risk of financial loss from defaults. Credit exposure is controlled by counterparty limits that are reviewed and approved by the risk management committee periodically.

Trade receivables consist of a large number of customers, spread across diverse geographical areas. Ongoing credit evaluation is performed on the financial condition of accounts receivable. In case of Exports to Nepal credit guarantee insurance cover is purchased.

In addition, the Company is exposed to credit risk in relation to financial guarantees given to banks provided by the Company. The Company's maximum exposure in this respect is the maximum amount the Company could have to pay if the guarantee is called on as at 31 March 2023, an amount of INR 14.70 Lakhs (31 March 2022: INR 6.00 Lakhs) has been recognised as contingent.

The Company applies the simplified approach to providing for expected credit losses prescribed by Ind AS 109, which permits the use of the lifetime expected loss provision for all trade receivables. The company has computed expected credit losses based on a provision matrix which uses historical credit loss experience of the Company and individual receivable specific provision where applicable. Forward-looking information (including macroeconomic information) has been incorporated into the determination of expected credit losses. The Company has taken dealer deposit and bank guarantees of Dealer which is considered as collateral and these are considered in determination of expected credit losses, where applicable.

The financial instruments of the company mainly consist of trade receivables carried at amortised cost after providing for expected credit loss based on historical credit loss experience and adjusted for forward looking information.

In calculating expected credit loss, the Company has also considered other related credit information for its customers to estimate the probability of default in future.

There is no change in estimation techniques or significant assumptions during the reporting period.

The loss allowance provision is determined as follows:

	As at 31st March 2023		
Particulars	**Less than 6 months past due**	**More than 6 months past due**	**Total**
Expected loss rate	**–**	**0.61**	**0.33**
Gross carrying amount (Unsecured)	**1,471.01**	**1,756.96**	**3,227.97**
Loss allowance provision	–	**1,068.02**	**1,068.02**

	As at 31st March 2022		
Particulars	Less than 6 months past due	More than 6 months past due	Total
Expected loss rate	–	0.67	0.29
Gross carrying amount (Unsecured)	2,154.32	1,580.42	3,734.74
Loss allowance provision	–	1,066.02	1,066.02

Reconciliation of loss allowance provision for Trade Receivables

Particulars	**As at 31st March, 2023**	As at 31st March, 2022
Balance as at beginning of the year	**1,067.69**	1,066.02
As per ECL in Opening Provisions	**–**	–
Impairment losses recognised in the year based on lifetime expected credit losses		
- On receivables originated in the year	**220.31**	451.44
Amounts written off during the year as uncollectible	**(219.98)**	(449.77)
Balance at end of the year	**1,068.02**	1,067.69

The loss allowance provision has changed during the period due to amounts written off as uncollectible.

LIQUIDITY RISK

(i) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Company's short, medium and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

(ii) Maturities of financial liabilities

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows.

Particulars	**Less than 1 Year**	**1-3 Years**	**3 Years to 5 Years**	**5 years and above**
Non-derivative financial liabilities				
As at 31st March, 2023				
Non-interest bearing	**5,446.03**	–	–	–
Fixed interest rate instruments	**1,471.45**	–	–	–
Total	**6,917.48**	–	–	–
As at 31st March, 2022				
Non-interest bearing	4,241.23	–	–	–
Fixed interest rate instruments	1,428.95	–	–	–
Total	5,670.17	–	–	–

(iii) Financing arrangements

The Company had access to following undrawn borrowing facilities at the end of the reporting period:

Particulars	**As at 31st March, 2023**	As at 31st March, 2022
Secured Cash Credit facility		
- Expiring within one year	**2,000.00**	2,000.00
Secured Letter of Credit facility		
- Expiring within one year	**–**	**–**

Particulars	As at 31st March, 2023	As at 31st March, 2022
Secured Bank Guarantee facility		
- Expiring within one year	–	–
Working Capital Facilities with Bank	**2,000.00**	2,000.00
Commercial Card Facility		
Continuing Agreement till Termination	–	–
Credit Card Facility	–	–

(iv) Maturities of financial assets

The following table details the Company's expected maturity for its non-derivative financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets. The inclusion of information on non-derivative financial assets is necessary in order to understand the Company's liquidity risk management as the liquidity is managed on a net asset and liability basis.

Particulars	Less than 1 Year	1-3 Years	3 Years to 5 Years	5 years and above
Non-derivative financial assets				
As at 31st March, 2023				
Non-interest bearing	**4,284.38**	–	–	–
Total	**4,284.38**	–	–	–
As at 31st March, 2022				
Non-interest bearing	5,268.41	–	–	–
Total	5,268.41	–	–	–

(v) Unhedged Foreign Currency Exposure

Pursuant to the RBI guidelines on "Capital and Provisioning Requirements for Exposures to entities with Unhedged Foreign Currency Exposure" issued vide circular DBOD.No.BP.BC.85/21.06.200/2013-14 dated January 15, 2014, clarifications issued by RBI subsequently vide circular DBOD. No.BP.BC.116/21.06.200/2013-14 dated June 3, 2014 and RBI circular RBI/15-16/431 permitting writing of options dated June 23, 2016 The Company, as on March 31, 2023, does not have any Unhedged Foreign Currency Exposure (UFCE), as defined in the above mentioned RBI circulars.

Note No. 30 - Fair Value Measurement

Fair value of financial assets and financial liabilities that are not measured at fair value:

Particulars	As at 31st March, 2023 Carrying Amount	As at 31st March, 2023 Fair Value	As at 31st March, 2022 Carrying Amount	As at 31st March, 2022 Fair Value
Financial assets				
Financial assets carried at Amortised Cost:				
1) Trade and other receivables	**2,159.95**	**2,159.95**	2,428.94	2,428.94
2) Loans	–	–	–	–
3) Deposits and similar assets	**2,746.49**	**2,746.49**	1,918.31	1,918.31
Financial liabilities				
Financial liabilities held at amortised cost:				
1) Bank loans	**113.32**	**113.32**	135.30	135.30
2) Loans from Related Party	–	–	–	–

Note No. 31 - Segment information

Revenue from Major Geographic Location

Particulars	Year Ended on 31st March, 2023	Year Ended on 31st March, 2022
Revenue from India		
Revenue from External Customers	**19,234.36**	17,485.13
Revenue from Related Parties	**252.56**	784.81
	19,486.92	18,269.94
Outside India		
Nepal	**34.37**	714.59
Total revenue as per profit or loss	**19,521.29**	18,984.52

Revenue from major products and services

The following is an analysis of the company's revenue from continuing operations from its major products and services:

Particulars	Year Ended 31st March, 2023	Year Ended 31st March, 2022
Manufactured Goods	**18,781.61**	18,605.33
Traded Goods	**802.56**	446.64
Total	**19,584.17**	19,051.97

Extent of the reliance on its major customers:

There is no Dealer whose revenue is more then 10% as against the total turnover of the company for the Financial Year 2022-2023.

Note No. 32 - Employee benefits

(A) Defined Contribution Plans:

Particulars	As at 31st March, 2023	As at 31st March, 2022
(a) Providend Fund	**79.06**	80.17
(b) National Pension Fund	**0.66**	0.71
(c) Employees' State Insurance (ESI)	**5.33**	6.50
(d) Gujarat Labour Welfare Fund	**0.01**	0.02
	85.06	87.40

(B) Defined Benefit Plans:

Gratuity

The Company operates a gratuity plan covering qualifying employees. The benefit payable is the greater of the amount calculated as per the Payment of Gratuity Act, 1972 or the Company scheme applicable to the employee. The benefit vests upon completion of five years of continuous service and once vested it is payable to employees on retirement or on termination of employment. In case of death while in service, the gratuity is payable irrespective of vesting.

Through its defined benefit plans the Company is exposed to a number of risks, the most significant of which are detailed below:

Asset volatility

The plan liabilities are calculated using a discount rate set with references to government bond yields; if plan assets under perform compared to the government bonds discount rate, this will create or increase a deficit. The defined benefit plans hold a significant proportion of equity type assets, which are expected to outperform government bonds in the long-term while providing volatility and risk in the short-term.

As the plans mature, the Company intends to reduce the level of investment risk by investing more in assets that better match the liabilities.

However, the Company believes that due to the long-term nature of the plan liabilities and the strength of the supporting group, a level of continuing equity type investments is an appropriate element of the Company's long term strategy to manage the plans efficiently.

Changes in bond yields

A decrease in government bond yields will increase plan liabilities, although this is expected to be partially offset by an increase in the value of the plans' bond holdings and interest rate hedging instruments.

Inflation risk

Some of the Company's pension obligations are linked to inflation, and higher inflation will lead to higher liabilities (although, in most cases, caps on the level of inflationary increases are in place to protect the plan against extreme inflation). The plans hold a significant proportion of assets in index linked gilts, together with other inflation hedging instruments and also assets which are more loosely correlated with inflation. However an increase in inflation will also increase the deficit to some degree.

Life expectancy

The majority of the plan's obligations are to provide benefits for the life of the member, so increases in life expectancy will result in an increase in the plan's liabilities. This is particularly significant in the Company's defined benefit plans, where inflationary increases result in higher sensitivity to changes in life expectancy.

The significant actuarial assumptions used for the purposes of the actuarial valuations were as follows:

	Valuation as at	
Particulars	**31-Mar-23**	31-Mar-22
Expected Rate of Return on Assets	**N.A.**	N.A.
Discount rate	**7.36%**	6.88%
Expected rate of salary increase	**6.00%**	6.00%
Employee Turnover	**10.00%**	10.00%
Mortality Rate During Employment	**IALM (2012-14) Ultimate**	IALM (2012-14) Ultimate
Retirement Age	**60 Years**	60 Years
Average Longevity	**20**	20

Defined benefit plans – as per actuarial valuation on 31st March, 2023

	Unfunded Plan Gratuity	
Particulars	**2023**	2022
Amounts recognised in comprehensive income in respect of these defined benefit plans are as follows:		
Service Cost:		
Current Service Cost	**23.38**	19.64
Net interest expense	**9.90**	9.18
Components of defined benefit costs recognised in profit or loss	**33.28**	28.82
Remeasurement on the net defined benefit liability:		
Actuarial gains and loss arising from changes in Demographic Assumptions	**–**	2.26
Actuarial gains and loss arising from changes in financial assumptions	**(3.37)**	10.78
Actuarial gains and loss arising from experience adjustments	**(0.29)**	1.78
Components of defined benefit costs recognised in other comprehensive income	**(3.66)**	14.82
Total	**29.62**	**43.64**
I. Net Asset/(Liability) recognised in the Balance Sheet as at 31st March 2023		
1. Present value of defined benefit obligation as at 31st March 2023	**142.21**	146.84
2. Fair value of plan assets as at 31st March 2023	**–**	–
3. Surplus/(Deficit)	**142.21**	146.84
4. Current portion of the above	**30.68**	29.40
5. Non current portion of the above	**111.52**	117.44

	Unfunded Plan Gratuity	
Particulars	**2023**	2022
II. Change in the obligation during the year ended 31st March 2023		
1. Present value of defined benefit obligation at the beginning of the year	**146.84**	130.97
2. *Expenses Recognised in Profit and Loss Account*		
– Current Service Cost	**23.38**	19.64
– Interest Expense (Income)	**9.90**	9.18
3. *Recognised in Other Comprehensive Income*		
Remeasurement gains/(losses)		
– Actuarial Gain (Loss) arising from:		
i. Demographic Assumptions	**-**	2.26
ii. Financial Assumptions	**(3.37)**	10.78
iii. Experience Adjustments	**(0.29)**	1.78
4. Benefit payments	**(34.25)**	(27.78)
5. Present value of defined benefit obligation at the end of the year	**142.21**	146.84
III. Actuarial assumptions		
1. Discount rate	**7.36%**	6.88%

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

Principal assumption	Year	Changes in assumption	Impact on defined benefit obligation	
			Increase in assumption	Decrease in assumption
Discount rate	**2023**	**1.00%**	**-4.54%**	**5.09%**
	2022	1.00%	-4.77%	5.34%
Salary growth rate	**2023**	**1.00%**	**5.34%**	**-4.87%**
	2022	1.00%	5.51%	-5.04%
Withdrawal Rate	**2023**	**1.00%**	**0.14%**	**-0.18%**
	2022	1.00%	0.01%	-0.03%

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the Balance sheet.

The methods and types of assumptions used in preparing the sensitivity analyses did not change compared to previous period.

Maturity profile of defined benefit obligation:

Particulars	**2023**	2022
Within 1 year	**31.79**	30.40
1 - 2 year	**27.73**	30.73
2 - 3 year	**21.08**	21.42
3 - 4 year	**12.97**	19.23
4 - 5 year	**15.68**	12.19
5 - 10 years	**40.16**	46.06

The Company's policy is driven by considerations of maximizing returns while ensuring credit quality of the debt instruments. The asset allocation for plan assets is determined based on investment criteria prescribed under the Indian Income Tax Act, 1961, and is also subject to other exposure limitations. The Company evaluates the risks, transaction costs and liquidity for potential investments. To measure plan asset performance, the Company compares actual returns for each asset category with published benchmarks.

The weighted average duration of the defined benefit obligation as at 31 March 2023 is 7.34 years (2022: 7.42 years)

Experience Adjustments :

	Gratuity				
	Period Ended				
Particulars	**2023**	2022	2021	2020	2019
1. Defined Benefit Obligation	**142.21**	146.84	130.97	153.31	162.82
2. Fair value of plan assets	**–**	–	–	–	–
3. Surplus/(Deficit)	**142.21**	146.84	130.97	153.31	162.82
4. Experience adjustment on plan liabilities [(Gain)/Loss]	**(3.66)**	14.82	3.20	(1.61)	(24.44)
5. Experience adjustment on plan assets [Gain/(Loss)]	**–**	–	–	–	–

The estimate of future salary increases, considered in actuarial valuation, takes account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

The current service cost and the net interest expense for the year are included in the employee benefits expense in profit or loss of the expense for the year.

viii)	Currency Translation adjustments	–
	Closing Balance	**422.33**

Note No. 35 - Leases

At inception of contract, the Company assesses whether the Contract contains a lease. A contract contains a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. At inception or on reassessment of a contract that contains a lease component, the Company allocates consideration in the contract to each lease component on the basis of their relative standalone price.

i) Right-of-use assets: The Company recognises right-of-use assets at the commencement date of the lease. Right-of-use assets are measured at cost less any accumulated depreciation and impairment losses and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, lease payments made at or before the commencement date less any lease incentives received and estimate of costs to dismantle. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets, as follows:

Area Office: “Put the life” On the basis of the tenure of the lease agreement

The Company presents right-of-use assets that do not meet the definition of investment property in ‘Property, plant and equipment’.

ii) **Lease Liabilities:** At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. In calculating the present value of lease payments, the Company generally uses its incremental borrowing rate at the lease commencement date if the discount rate implicit in the lease is not readily determinable.

After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. The carrying amount is remeasured when there is a change in future lease payments arising from a change in index or rate. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments or a change in the assessment of an option to purchase the underlying asset.

The Company presents lease liabilities in ‘Financial Liabilities’ in the Balance Sheet.

iii) Short term leases and leases of low value of assets: The Company applies the short-term lease recognition exemption to its short-term leases. It also applies the lease of low-value assets recognition exemption that are considered to be low value. Lease payments on short-term leases and leases of low value assets are recognised as expense on a straight-line basis over the lease term.

A) The Company has lease contracts for area office in its operations. Details of amount recognised in profit and loss:

Amounts recognised in profit and loss	**As at 31st March, 2023**	As at 31st March, 2022
Depreciation expense on right-of-use assets	**5.57**	5.47
Interest expense on lease liabilities	**0.44**	0.75

INDEPENDENT AUDITORS' REPORT

To the members of Trringo.com Limited

Report on the audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS Financial Statements of **Trringo.com Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss including Total Comprehensive Income, the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its loss and total comprehensive income, its changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Ind AS Financial Statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the 'Auditors' Responsibilities for the Audit of the Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the Ind AS Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS Financial Statements.

Information Other than the Ind AS Financial Statements and Auditors' Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Boards Report. Our opinion on the Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Ind AS Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS Financial Statements, including the disclosures, and whether the Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Ind AS Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Ind AS Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Ind AS Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other Legal and Regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-Section (11) of Section 143 of the Act and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in Annexure I, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:

   (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

   (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

   (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this report are in agreement with the books of account.

   (d) In our opinion, the aforesaid Ind AS Financial Statements comply with the Accounting Standards specified under Section 133 of the Act.

   (e) On the basis of the written representations received from the directors as on March 31, 2023, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164(2) of the Act.

   (f) With respect to the adequacy of the internal financial controls with reference to Standalone Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure II. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Standalone Financial Statements.

   (g) In our opinion and according to the information and explanation given to us, the Company has not paid any remuneration to its directors and thus the provisions of Section 197 of the Act are not applicable to the Company. Accordingly, reporting under section 197 (16) of the Act is not applicable in case of the Company.

   (h) With respect to the other matters to be included in the Auditors' Report in accordance with the requirements of Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

   (i) the Company does not have any pending litigations which would impact its financial position.

   (ii) the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses and

   (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

   (iv) (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

   (b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

   (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clauses (a) and (b) contain any material misstatement; and

   (v) The Company has not declared /paid/declared and paid any dividend during the year.

   (vi) As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 relating to audit trail feature of the Company's accounting software is applicable to the Company only with effect from financial year beginning April 1, 2023, the reporting under Clause (g) of Rule 11 of the Companies (Audit and Auditors) Rules, 2014 is not applicable for the current year.

ANNEXURE I TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date]

I. (A) (a) According to the information and explanations given to us, the Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment and investment properties.

(b) According to the information and explanations given to us, the Company has maintained proper records showing full particulars of intangible assets.

(B) According to the information and explanations given to us, certain fixed assets have been physically verified by management, which in our opinion is reasonable having regard to the size of the Company and nature of its asset. The frequency of physical verification is reasonable and no discrepancies were noticed on such verification.

(C) The Company does not hold any immovable property and hence reporting under Clause 3(i)(c) of the Order is not applicable to the Company.

(D) According to the information and explanations given to us, the company does not have Property, Plant and Equipment hence reporting under Clause 3(i)(d) of the Order is not applicable to the company.

(E) Based on the audit procedures performed by us and according to the information, explanations and representations given to us, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

II. (a) The Company is in the business of rendering services and consequently, does not hold any inventory. Accordingly, the reporting under Clause 3(ii) (a) of the Order is not applicable to the Company.

(b) According to the information and explanations given to us, the Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets at any point of time during the year.

III. (a) According to the information and explanations given to us, the Company has not made investments in or provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year. Accordingly, the reporting under Clauses 3(iii)(a) to 3(iii)9f) of the Order is not applicable to the Company.

IV. According to the information and explanations given to us, the Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186 of the Act. Accordingly, the reporting under Clause 3(iv) of the Order is not applicable to the Company.

V. According to the information and explanations given to us, the Company has not accepted any deposits from the public within the meaning of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under, where applicable. Accordingly, the reporting under Clause 3(v) of the Order is not applicable to the Company.

VI. The Central Government has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company. Accordingly, the reporting under Clause 3(vi) of the Order is not applicable to the Company.

VII. (a) According to the information and explanations given to us and on the basis of our examination of records of the Company, the amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Goods and Services tax, and other material statutory dues have been regularly deposited during the year by the Company with the appropriate authorities. According to the information and explanations given to us and on the basis of our examination of records of the Company, there were no undisputed statutory dues payable in respect of Goods and Services tax, and other material statutory dues.

According to the information and explanations given to us and on the basis of our examination of records of the Company, there were no arrears of undisputed statutory dues in respect of Goods and Services tax, and other material statutory dues as on the last day of the year for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us and on the basis of our examination of records of the Company, there are no statutory dues in respect of Goods and Services Tax, and other material statutory dues as at March 31, 2023, which have not been deposited with the appropriate authorities on account of any dispute.

VIII. According to the information and explanations given to us, there are no transactions not recorded in the books of account which have been surrendered or disclosed as income during the year in the tax assessments under the Income-tax Act, 1961. Accordingly, the reporting under Clause 3(viii) of the Order is not applicable to the Company

IX. (a) According to the information and explanations given to us and based on the audit procedures performed by us, the Company has not availed any loans or other borrowings during the year. Accordingly, the reporting under Clause 3(ix)(a) of the Order is not applicable to the Company.

(b) According to the information and explanations given to us, the Company has not been declared a wilful defaulter by any bank or financial institution or any other lender till the date of our audit report.

(c) According to the information and explanations given to us, the company does not have any term loans. Accordingly, the reporting under Clause 3(ix) (c) of the Order is not applicable to the Company.

(d) In our opinion and according to the information and explanations given to us and on an overall examination of the Balance Sheet of the Company, we report that funds raised on short-term basis have not been utilised for long- term purposes as at the Balance Sheet date.

(e) According to the information and explanations given to us, Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.

(f) According to the information and explanations given to us and based on the audit procedures performed by us, we report that the Company has not raised any loans during the year on the pledge of securities held in its subsidiaries or associate companies. Accordingly, the reporting under Clause 3(ix)(f) of the Order is not applicable to the Company.

X. (a) According to the information and explanations given to us, the Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under Clause 3(x)(a) of the Order is not applicable to the Company.

(b) According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Accordingly, the reporting under Clause 3(x)(b) of the Order is not applicable to the Company.

XI. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company noticed or reported during the year, nor have we been informed of any such case by the management.

(b) There has been no report filed by us under sub-section (12) of Section 143 of the Act in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government. Accordingly, the reporting under Clause 3(xi)(b) of the Order is not applicable to the Company.

(c) As represented to us by the management, no whistleblower complaints were received by the Company during the year.

XII. According to the information and explanations given to us, the Company is not a Nidhi company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, the reporting under Clause 3(xii) of the Order is not applicable to the Company.

XIII. In our opinion and according to the information and explanations given to us, the Company has entered into transactions with related parties in compliance with the provisions of Section 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required by Indian Accounting Standard (Ind AS) 24, Related Party Disclosures, specified under Section 133 of the Act. Further, the Company is not required to constitute an Audit Committee under Section 177 of the Act, and accordingly, to this extent, the reporting under Clause 3(xiii) of the Order is not applicable to the Company.

XIV. In our opinion and based on our examination, the Company does not have an internal audit system and is not required to have an internal audit system as per the provisions of the Act. Accordingly reporting under clause 3(xiv)of the order is not applicable to the company.

XV. According to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or directors of its holding company or persons connected with them during the year and hence, the provisions of Section 192 of the Act are not applicable to the Company. Accordingly, the reporting under Clause 3(xv) of the Order is not applicable to the Company.

XVI. (a) According to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under Clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) In our opinion and according to the information and explanations given to us, the Company has not conducted any Non-Banking Financial or Housing Finance activities. Accordingly, the reporting under Clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) In our opinion and according to the information and explanations given to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under Clauses 3(xvi)(c) of the Order is not applicable to the Company.

Based on the information and explanations given to us and the audit procedures performed by us, we report that the Group has Four Core Investment Companies.

XVII. In our opinion and according to the information and explanations given to us, the Company has incurred cash losses of Rs. 19.45 lacs in the current financial year, there were no cash losses in last year.

XVIII. There has been no resignation of the statutory auditors during the year. Accordingly, the reporting under Clause 3(xviii) of the Order is not applicable to the Company.

XIX. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of Balance Sheet as and when they fall due within a period of one year from the Balance Sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the Balance Sheet date, will get discharged by the Company as and when they fall due.

XX. According to the information and explanations given to us, the provisions of Section 135 of the Act relating to expenditure on corporate social responsibility are not applicable to the Company for the current financial year. Accordingly, the reporting under Clauses 3(xx)(a) and 3(xx)(b) of the Order is not applicable to the Company.

ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date]

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of sub-section (3) of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of **Trringo.com Limited** ("the Company") as of March 31, 2023, in conjunction with our audit of the financial statements of the Company for year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls with reference to financial statements issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls With reference to financial statements (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls With reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls With reference to financial statements issued by the Institute of Chartered Accountants of India.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2023

1. Corporate Information

Trringo.com Limited is a 100 % subsidiary of Mahindra and Mahindra Limited and incorporated on 23rd May, 2016 under the provisions of the Companies Act, 2013 (CIN: U01409MH2016PLC281449). The Company is in the business of organized farm equipment rentals through a franchisee based model.

2. Significant accounting policies

(A) Statement of compliance

The financial statements of the Company have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended.

(B) Basis of preparation and presentation

The financial statements have been prepared on the historical cost basis, presented in Indian rupees and rounded off to nearest lacs.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/ or disclosure purposes in these financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

(C) Critical accounting judgements and key sources of estimation uncertainty

In the application of the Company's accounting policies, the management is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only the period of the revision and future periods if the revision affects both current and future periods.

(D) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

Depreciation is recognised so as to write off the cost of assets less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

(E) Intangible assets

Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

Derecognition of intangible assets

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in profit or loss when the asset is derecognised.

Useful lives of intangible assets

Estimated useful lives of the intangible assets are as follows:

IT Software 3 to 6 years

(F) Impairment of tangible and intangible assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2023

(G) Foreign exchange gains and losses

The fair value of financial assets denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of each reporting period.

- For foreign currency denominated financial assets measured at amortised cost and FVTPL, the exchange differences are recognised in profit or loss except for those which are designated as hedging instruments in a hedging relationship.
- Changes in the carrying amount of investments in equity instruments at FVTOCI relating to changes in foreign currency rates are recognised in other comprehensive income.

For the purposes of recognising foreign exchange gains and losses, FVTOCI debt instruments are treated as financial assets measured at amortised cost. Thus, the exchange differences on the amortised cost are recognised in profit or loss and other changes in the fair value of FVTOCI financial assets are recognised in other comprehensive income.

(H) Financial instruments

Financial assets and financial liabilities are recognised when a Company entity becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Impairment of financial assets

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, trade receivables, other contractual rights to receive cash and other financial asset.

Expected credit losses are the weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e. all cash shortfalls).

Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL.

Financial liabilities subsequently measured at amortised cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs' line item.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired.

(I) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable.

Sale of Services

Revenue from the rental services is recognised when the service is delivered and completed, all the following conditions are satisfied:

- the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the services rendered;
- the amount of revenue can be measured reliably;
- it is probable that the economic benefits associated with the transaction will flow to the Company; and
- the costs incurred or to be incurred in respect of the transaction can be measured reliably.

Interest income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding.

(J) Government Grants

The Company directly or indirectly is entitled to incentives from government authorities in respect of custom hiring and service centers. The Company accounts for its entitlement as income on accrual basis.

Government grants are recognized in profit or loss on a systematic basis over the periods in which the Company recognizes as expenses the related costs for which the grants are intended to compensate. When the grants relates to an asset, it is recognized as income in equal amounts over the useful life of the related asset.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2023

(K) Employee benefits

Retirement benefit costs and termination benefits

Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.

For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment. Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- re-measurement

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

Short-term and other long-term employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

(L) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

(M) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax:

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax:

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax for the year:

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

(N) Leasing

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks & rewards of ownership to the leases. All other leases are classified as operating leases.

The Company as lessee:

The assets held under finance leases are initially recongnised as assets of the company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation. Lease payments are apportioned between finance expense and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognized immediately in profit or loss, unless they are directly attributable to qualifying assets, in which case they are capitalized in accordance with the Company's general policies on borrowing cost. Contingent rentals are recognized as expense in the period in which they are incurred.

Rental expense from the operating lease is generally recognized on a straight line basis over the term of the relevant lease. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the lessors expected inflationary cost increases, such increases are recognized in the year in which such benefits accrue.

(O) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Capital management

The company's capital management objectives are:

- to ensure the company's ability to continue as a going concern
- to provide an adequate return to shareholders by pricing products and services commensurately with the level of risk.

The company monitors capital on the basis of the carrying amount of equity as presented on the face of the statement of financial position.

The capital structure is monitored on the basis of debt to equity and maturity profile of overall debt portfolio of the Company.

Financial Risk Management Framework

The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk and market risk . In order to manage the aforementioned risks, the Company operates a risk management policy and a program that performs close monitoring of and responding to each risk factor.

CREDIT RISK

Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises from cash and cash equivalents, investments carried at amortised cost, deposits with banks and financial institutions as well as credit exposures to customers including outstanding receivables.

Trade Receivables:

The Companys trade receivables include receivables on sale of residential flats. As per the Company's flat handover policy, a flat is handed over to a customer only upon payment of entire amount of consideration. Thus, the Company is not exposed to any credit risk on receivables from sale of residential flats.

Balances with Banks, mutual funds and other financial assets:

For banks and financial institutions, only high rated banks/institutions are accepted. The Company holds cash and cash equivalents with bank and financial institution counterparties, which are having highest safety ratings based on ratings published by various credit rating agencies. The Company considers that its cash and cash equivalents have low credit risk based on external credit ratings of the counterparties.

For other financial assets, the Company assesses and manages credit risk based on reasonable and supportive forward looking information. The Company does not have significant credit risk exposure for these items.

LIQUIDITY RISK

(i) *Liquidity risk management*

Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Company's short-, medium- and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

(ii) *Maturities of financial liabilities*

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows.To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rate curves at the end of the reporting period. The contractual maturity is based on the earliest date on which the Company may be required to pay.

MARKET RISK

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk and other price risk such as equity price risk and commodity price risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. All such transactions are carried out within the guidelines set by the Board of Directors.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2023

Note No. 23 - Micro Small and Medium Enterprises Development Act 2006

The amount due to Micro and Small Enterprises as defined in the "Micro, Small and Medium Enterprises Development, Act, 2006" has been determined to the extent such parties have been identified on the basis of information available with the Company. The disclosure relating to Micro and Small Enterprises as at 31 March 2023 are as under:

Disclosures required under Section22 of the Micro Small and Medium Enterprises Development Act 2006

Rs in Lakhs

Particulars	**31st March, 2023**	31st March, 2022
(i) The principal amount and the interest due thereon remaining unpaid to any supplier as at the end of each accounting year		
– Principal amount due to micro and small enterprises	–	–
– Interest due on above	–	–
(ii) The amount of interest paid by the buyer in terms of section 16 of the MSMED Act, 2006 along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year	–	–
(iii) The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act, 2006.	–	–
(iv) The amount of interest accrued and remaining unpaid at the end of each accounting year.	–	–
(v) The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act, 2006.	–	–

Note No. 24 - Segment Reporting

The Company operates in one segment namely renting of organised farm equipments, hence separate segment reporting has not been made under Indian Accounting Standard (Ind- AS 108)-"Operating Segment". The operation of company comprises a single geographical segment, India.

Note No. 25

The company's ongoing projects have got completed and management is evaluating new projects for execution in the company in upcoming years and believes the going concern assumption in preparation of these financial statements is appropriate.

Note No. 26 - Comparitives

The figures for previous year have been regrouped wherever necessary to conform to current year's classification.

In terms of our report attached.

INDEPENDENT AUDITOR'S REPORT

To the Stockholder and the Board of Directors,

Mahindra USA, Inc.

Qualified Opinion

We have audited the accompanying separate parent company financial statements of Mahindra USA, Inc. (the "Company"), a Texas Corporation, which comprise the balance sheets as of March 31, 2023, and March 31, 2022, and the related statements of comprehensive income (loss), stockholder's equity, and cash flows for the years then ended, and the related notes to the separate parent company financial statements.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying separate parent company financial statements present fairly, in all material respects, the financial position of the Company as of March 31, 2023, and March 31, 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Qualified Opinion

As discussed in Note B.1 to the separate parent company financial statements, the Company reports its investment in its wholly owned subsidiary at cost. Accounting principles generally accepted in the United States of America require all majority-owned subsidiaries be accounted for as consolidated subsidiaries. If the financial statements of the subsidiary had been consolidated with those of Mahindra USA, Inc., total assets and total liabilities and stockholder's equity would have increased by $211,166 as at March 31, 2023 (March 31, 2022: $193,810) and net income or loss would have increased by $Nil for the year ended March 31, 2023 (March 31, 2022: $Nil).

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the Separate Parent Company Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Responsibilities of Management for the Separate Parent Company Financial Statements

Management is responsible for the preparation and fair presentation of the separate parent company financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of separate parent company financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the separate parent company financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Company's ability to continue as a going concern within one year after the date that the separate parent company financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Separate Parent Company Financial Statements

Our objectives are to obtain reasonable assurance about whether the separate parent company financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the separate parent company financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional scepticism throughout the audit.
- Identify and assess the risks of material misstatement of the separate parent company financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the separate parent company financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the separate parent company financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

KNAV P.A.

NOTES TO SEPARATE PARENT COMPANY FINANCIAL STATEMENTS

NOTE A – NATURE OF OPERATIONS

Mahindra USA, Inc. (the "Company") ("MUSA") was incorporated on June 8, 1994 in the State of Texas and commenced business on March 15, 1995. The Company is owned by Mahindra and Mahindra Ltd. ("M&M"). M&M is a publicly traded corporation, headquartered in Mumbai, India, which, among other activities, manufactures farming equipment and automobiles. The Company sells tractors, parts, attachments, accessories and off-road vehicle in North America under wholesale distribution agreements.

The Company formed a subsidiary on August 9, 2016, Mahindra Mexico S de. R.L. de. C.V. ("MML"), to assemble and sell tractors, parts, attachments and accessories in Mexico and Latin America. MML commenced commercial operations in July 2018.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies are detailed below:

1. Basis of preparation

a. The accompanying separate parent company financial statements (or "financial statements") are prepared under the historical cost convention on the accrual basis of accounting in accordance with the accounting and reporting requirements of generally accepted accounting principles in the United States of America ('US GAAP'), except for investments in its wholly owned subsidiary. The Company reported its investment in Mahindra Mexico S de. R.L. de. C.V. ("MML") using the cost basis for the reporting requirements of its ultimate parent company and shareholder; Mahindra and Mahindra Ltd.

b. All amounts are stated in United States Dollars (USD), except as otherwise specified.

c. The financial statements are presented for the years ended March 31, 2023, and March 31, 2022.

d. Certain reclassifications, regroupings and reworking have been made in the financial statements of prior periods to conform to the classifications used in the current year. These changes had no impact on previously reported net income or stockholder's equity.

2. Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Management's estimates for determination of useful lives for property, plant & equipment, and long-lived assets for impairment, revenue recognition, allowance for incentives and warranties, legal and tax contingencies, provision for doubtful debts, accounting for leases and inventory valuation at the balance sheet date represent certain of these particularly sensitive estimates. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates prospectively in the current and future periods.

3. Cash and cash equivalents

The Company's cash and cash equivalents comprise of cash and bank balances. The Company does not have any cash equivalents. The carrying value of cash and cash equivalents approximates fair value because of the short maturities of those financial instruments. Cash balances in US bank accounts are insured by the Federal Deposit Insurance Corporation up to an aggregate of $250,000. The Company believes it is not exposed to any significant risk on cash and cash equivalents.

4. Revenue recognition

Financial Accounting Standards Board ('FASB') issued Accounting Standards Codification ('ASC') 606 – Revenue from Contracts with Customers in May 2014. The Company early adopted the standard during the year ended March 31, 2019, using modified retrospective method of transition to change its accounting policies.

Revenue from sale of tractors, parts, attachments, accessories and off-road vehicle is recognized when each of the following criteria is met:

1. The Company and an independent dealer approve a contract with commercial substance.
2. The sales price is determinable, and collectability of the payment is probable based on the terms outlined in the contract.
3. Control of the goods is transferred to the dealer when the ordered goods are invoiced to the dealer after credit approval and when the ordered items are ready for shipment.

Transfer of control, and therefore revenue recognition is recorded at a point in time on the date when the tractors, parts, attachments, accessories and off-road vehicles are made available to the dealers.

The Company participates in various retail sales incentives with its dealers. The Company records the estimated retail sales incentive programs offered to dealers as a reduction to revenue at the time of sale to the dealer. The estimate is based on historical data, announced incentive programs, field inventory levels, and retail sales volumes.

<u>Revenue from sale of off-road vehicle products</u>

The Company entered into a distribution agreement with Mahindra North American Technical Center, Inc. ("MNATC"), its related party, for sale of off-road vehicle and its parts and accessories manufactured by MNATC, in North America. The Company recognizes revenue from sales of these off-road vehicle and its parts and accessories on net basis as it is an agent in the transaction, in accordance with 'Principal versus Agent Considerations' guidance of ASC 606. Additionally, the Company receives reimbursements including a markup of certain directly related costs and expenses from MNATC which is recognized as 'other operating revenue' on the statements of comprehensive income (loss). The Company also has an arrangement to pass through sales incentive costs and warranty claims at actuals to MNATC.

Product warranties

The Company establishes reserves for product warranties at the time the related sale is recognized. The Company issues product warranties under which the performance of products delivered is generally guaranteed for a certain term. The accrual for product warranties includes the expected costs of warranty obligations imposed by law or contract, as well as the expected costs for policy coverage.

5. Accounts receivable and allowance for doubtful debts

Accounts receivable is stated at the amount invoiced to the dealers. The Company follows the specific identification method for recognizing allowance for doubtful debts. All amounts deemed to be uncollectible are charged against the allowance for doubtful debts in the period that determination is made. The Company charges off uncollectable amounts against the allowance for doubtful debts in the period in which it determines they are uncollectable. Allowance for doubtful debts is included in other selling, general and administrative expenses in the statements of comprehensive income.

6. Inventories

Inventories are stated at moving average price or net realizable value whichever is lower. Cost comprises all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition. Net realizable value is the estimated selling price less applicable selling expenses. The Company writes down obsolete or otherwise unmarketable inventory to its estimated realizable value.

7. Investment in subsidiary

The Company accounts for investment in its subsidiary using the cost method. During the years ended March 31, 2023, and March 31, 2022, the Company has fully impaired the value of investment in the wholly owned subsidiary considering the series of operating losses of the subsidiary, thereby resulting in absence of an ability to recover the carrying amount of the investment.

8. Property, plant and equipment, net

Property, plant and equipment are stated at cost less accumulated depreciation and impairment. Cost of items of property, plant and equipment comprise cost of purchase, improvements and other costs necessarily incurred to bring it to the condition and location necessary for its intended use. Depreciation is provided over the useful lives of the related assets using the straight-line method for financial reporting and the modified accelerated cost recovery method for tax purposes. Leasehold improvements are amortized over the shorter of the lease term or their respective estimated useful lives.

The estimated useful life used to determine depreciation is:

Buildings and building improvements	7-10 Years
Furniture and fixtures	3-10 Years
Plant & Machinery	3-7 Years
Computer and software	3-5 Years
Vehicles	3-5 Years

Deposits paid towards the acquisition of property, plant and equipment outstanding as of each balance sheet date and the cost of property, plant and equipment not ready for use before such date are disclosed under capital work-in-progress. Upon retirement or disposal of assets, the cost and accumulated depreciation are eliminated from the accounts and the resulting gain or loss is a part of net operating loss.

Development costs related to internally generated software are capitalized once a project has progressed beyond a conceptual, preliminary stage to that of the application development stage. Costs of significant improvements on existing software for internal use, both internally developed and purchased, are also capitalized. Costs related to the preliminary project stage, data conversion and post-implementation/operation stage of an internal use software development project are expensed as incurred.

9. Leases

The Company follows Accounting Standards Codification (“ASC”) 842 Leases which requires all leases to be reported on the balance sheet as operating lease right-of-use assets and lease obligations. The Company uses the practical expedients permitted under the standard that retained the lease classification and initial direct costs for any leases that existed prior to adoption of the standard. The Company has not applied the recognition and measurement requirements of ASC 842 to certain assets on lease where the Management believes it to be immaterial.

The Company’s leases are classified as operating leases, which are included in operating lease right-of-use assets and operating lease liabilities in the Company’s balance sheet. Lease arrangements, which effectively transfer control of the underlying leased item, are capitalized and recognized as finance leases.

Right-of-use (“ROU”) assets and lease liabilities are recognized based on the present value of the future minimum lease payments over the lease term at the commencement date for leases exceeding 12 months. Minimum lease payments include only the fixed lease component of the agreement, as well as any variable rate payments that depend on an index, initially measured using the index at the lease commencement date. Lease terms may include options to renew when it is reasonably certain that the Company will exercise that option.

The Company estimates its incremental borrowing rate for each lease based on the respective weighted average term of the agreements. This estimation considers the market rates of the Company’s outstanding collateralized borrowings and interpolations of rates outside of the terms of the outstanding borrowings, including comparisons to comparable borrowings of similarly rated companies with longer term borrowings.

Operating lease expense is recognized on a straight-line basis over the lease term and is included in cost of revenue or general and administrative expense. Amortization expense for finance leases is recognized on a straight-line basis over the lease term and is included in cost of revenue. Interest expense for finance leases is recognized using the effective interest method. Leases with a lease term of 12 months or less from the commencement date that do not contain a purchase option are recognized as an expense on a straight-line basis over the lease term.

10. Income taxes

In accordance with the provisions of FASB ASC Topic 740 “Income Taxes,” income taxes are accounted for using the asset and liability method. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases and operating loss carryforwards. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date. The deferred tax asset is reduced by a valuation allowance if it is more likely than not that some portion or all of the assets will not be realized.

11. Foreign currency transactions

Transactions in foreign currencies are translated into the functional currency at the rates of exchange prevailing at the date of the transaction. Monetary items denominated in foreign currency remaining unsettled at the end of the year are translated at the closing rates as at the last day of the year. Gains or losses, if any, on account of exchange difference either on settlement or translation are recognized in statements of comprehensive income, except those relating to acquisition of fixed assets which are adjusted to the cost of the respective asset.

12. Fair value measurements and financial instruments

The fair value hierarchy requires the use of observable market data when available. In instances where the inputs used to measure fair value fall into different levels of the fair value hierarchy, the fair value measurement has been determined based on the lowest level input significant to the fair value measurement in its entirety. The Company’s assessment of the significance of a particular item to the fair value measurement in its entirety requires judgment, including the consideration of inputs specific to the asset or liability. The following table sets forth by level within the fair value hierarchy, the Company’s financial assets and liabilities that are accounted for at fair value on a recurring basis at March 31, 2023 and 2022, according to the valuation techniques the Company used to determine their fair values.

- Level 1 - Quoted prices in active markets for identical assets or liabilities.
- Level 2 - Observable inputs other than quoted prices include in Level 1, such as quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.
- Level 3 - Unobservable inputs that are support by little or no market activity. This includes certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs.

The fair value of the interest rate swaps is the estimated amount that the Company would receive or pay to terminate such agreements, considering market interest rates and the remaining time to maturities or using market inputs with mid-market pricing as a practical expedient for bid-ask spread.

This hierarchy requires the Company to use observable market data, when available, and to minimize the use of unobservable inputs when determining fair value.

The Company's financial instruments consist of cash and cash equivalents, accounts receivable, accounts payable and related party dues. The estimated fair value of cash, accounts receivable, accounts payable and related party dues approximate their carrying amounts due to the short-term nature of these instruments. The Company has entered into a cash flow hedge so as to protect the variability of the cash flow stemming from the floating rate interest payments on facility arrangement. As of March 31, 2023, and March 31, 2022, the Company had no outstanding balances on account of cash flow hedges. None of these instruments are held for trading purposes.

13. Interest rate swaps

The Company has interest rate swaps with counterparties to reduce its exposure to variability in cash flows relating to interest payments on a portion of its notes payable. The Company applies hedge accounting and has designated these instruments as cash flow hedges of the risk associated with floating interest rates on designated future monthly interest payments. Management assumes the hedge is highly effective and therefore changes in the value of the hedging instrument are recorded in accumulated other comprehensive income in the balance sheets. Any ineffectiveness is recorded in earnings. Amounts in accumulated other comprehensive income are reclassified into earnings in the same period during which the hedged transactions affect earnings, or upon termination of the hedging relationship.

14. Derivative financial instruments

The Company has obtained floating rate borrowings which are linked to 1 months revolving LIBOR. For managing the interest rate risk arising from changes in LIBOR on such borrowings, the Company has entered into interest rate swap (IRS). The Company has designated the IRS (hedging instrument) and the floating rate financial liability (hedged item) into a hedging relationship and applies hedge accounting.

Under the terms of the IRS, the Company pays interest at the fixed rate to the swap counterparty in USD and receives the floating interest payments based on LIBOR in USD. As the critical terms of the hedged item and the hedging instrument (notional, interest periods, underlying and fixed rates) are matching and the interest cashflows are offset, an economic relationship exists between the two. This ensures that the hedging instrument and hedged item have values that generally move in the opposite direction.

Hedge effectiveness testing is assessed at designation date of the hedging relationship, and on an ongoing basis. The ongoing assessment is performed at a minimum at each reporting date or upon a significant change in circumstances affecting the hedge effectiveness requirements, whichever comes first.

15. Advertising and marketing expenses

The Company subsidizes product advertising carried on by dealers within each dealer's local market and conducts dealer conferences. The Company also advertises in trade magazines, at trade shows and uses various other means of promotion, including product brochures and digital media to increase brand awareness and sale of products in the market. Expenditures without extended advertising value are expensed in the year accrued. The amount of advertising and marketing costs incurred by the Company for the year ended March 31, 2023, amounting to $2,650,743 (March 31, 2022: $3,717,043) is included in 'selling, general and administrative expenses' on the statement of comprehensive income.

16. Shipping and handling cost

The Company generally classifies freight billed to dealers as sales revenue. Shipping and handling activities are considered to be a separate performance obligation.

17. Commitments and contingencies

Liabilities for loss contingencies arising from claims, assessments, litigation, fines, and penalties and other sources are recorded when it is probable that a liability has been incurred and the amount can be reasonably estimated. Legal costs incurred in connection with loss contingencies are expensed as incurred.

NOTE C – CASH AND CASH EQUIVALENTS

Cash and cash equivalents include the following:

	As at	
	March 31, 2023	March 31, 2022
Balances with banks	**14,616,696**	37,302,508
Total	**14,616,696**	37,302,508

NOTE D – ACCOUNTS RECEIVABLE, NET

Accounts receivable, net, include the following:

	As at	
	March 31, 2023	March 31, 2022
Accounts receivable from customers	**1,646,936**	12,429,712
Less: allowance for doubtful debts	**(848,250)**	(1,740,770)
Accounts receivable, net of allowances	**798,686**	10,688,942

Accounts receivable as at March 31, 2023 and March 31, 2022 are stated net of provision for doubtful debt and allowances. The Company follows the specific identification method for recognizing allowance for doubtful debts. Accordingly, the Company maintains an allowance for doubtful debts on accounts receivable, based on present and prospective financial condition of the dealer and ageing of accounts receivable after considering historical experience and the current economic environment.

NOTE E – INVENTORIES, NET

Major classes of inventories include the following:

	As at	
	March 31, 2023	March 31, 2022
Finished goods	**53,482,812**	50,759,755
Raw materials	**93,538,450**	80,190,642
Total	**147,021,262**	130,950,397

NOTE F – PROPERTY, PLANT AND EQUIPMENT, NET

Property, plant and equipment, and intangibles include the following:

	As at	
	March 31, 2023	March 31, 2022
Building and building improvements	**5,548,023**	5,442,446
Vehicles	**65,519**	42,511
Furniture and fixtures	**1,068,709**	832,457
Plant & Machinery	**1,651,074**	855,848
Computers and software	**11,274,961**	10,296,444
Less: accumulated depreciation and amortization	**(13,746,477)**	(10,995,275)
Property, plant and equipment, net	**5,861,809**	6,474,431
Capital work-in-progress	**59,008**	827,339
Property, plant and equipment, net	**5,920,817**	7,301,770

Depreciation and amortization expense for the year ended March 31, 2023, amounting to $ 2,751,202 (March 31, 2022: $3,475,768) is included in 'selling, general and administrative expenses' on the statements of comprehensive income.

During the years ended March 31, 2023, and March 31, 2022, capital work-in-progress of $ 2,138,581 and $660,003, respectively, was completed and capitalized to computer and software, building and building improvements and the other property, plant and equipment.

NOTE G – NOTES PAYABLE

As at March 31, 2023, there are no notes payable outstanding. The Company repaid all outstanding notes payable in Sep 2022. The average interest rate paid by the Company during the year on notes payable was 3.02%. Facilities from banks do not carry any restrictive covenants. The Company has an unutilized line of credit of $ 110,000,000.

As at March 31, 2022, the total notes payable outstanding amount to $5,000,000. The average interest rate during the year on these notes payable was 2.01%. The maturity date for the notes payable was in June 2022. Facilities from banks do not carry any restrictive covenants. The Company has an unutilized line of credit of $105,000,000.

As at March 31, 2023 and March 31, 2022, the Company has an irrevocable standby letter of credit for $12,000,000.

	As at	
	March 31, 2023	March 31, 2022
Current portion		
Notes payable	–	5,000,000
Total	–	5,000,000

NOTE H – ACCOUNTS PAYABLE

	As at	
	March 31, 2023	March 31, 2022
Trade payables	**31,931,335**	39,735,590
Total	**31,931,335**	39,735,590

NOTE I – OTHER CURRENT LIABILITIES

Other current liabilities comprise of:

	As at	
	March 31, 2023	March 31, 2022
Accrued payables	**78,629,182**	72,225,137
Total	**78,629,182**	72,225,137

Expenses accrued for the years ending March 31, 2023, and March 31, 2022, include advertising, marketing program costs, retail rate buy-downs, cash discounts, state franchise taxes, payroll and payroll taxes, employee bonuses, salesmen and customer bonuses, legal fees, property taxes, insurance deductibles, other expenses and warranty reserves. The Company participates in various retail incentives with its dealers and has accrued for the costs of these programs in effect as of the date of these separate parent company financial statements.

NOTE J – LEASES

General description of the lease

The Company has entered into noncancelable operating lease agreements related to facility, office equipment, and vehicles with varying terms.

Non-lease components: Leases that contain non-lease components are accounted for as a single component and recorded on the balance sheet for certain asset classes including equipment. Non-lease components include, but are not limited to, common area maintenance and service arrangements.

Package of practical expedients: The Company will not reassess whether any expired or existing contracts are leases or contain leases, the lease classification for any expired or existing leases or any initial direct costs for any expired or existing leases as of the transition date. The Company has not applied the recognition and measurement requirements of ASC 842 to certain assets on lease where the Management believes it to be immaterial.

Additional transition method: The Company adopted the standard using a modified retrospective approach, applying the standard's transition provisions at the beginning of the period of adoption and maintain previous disclosure requirements for comparative periods.

The Company used the following policies and/or assumptions in evaluating the lease population:

Lease determination: The Company considers a contract to be or to contain a lease if the contract conveys the right to control the use of identified property, plant, or equipment (an identified asset) for a period of time in exchange for consideration.

Discount rate: When the lease contracts do not provide a readily determinable implicit rate, the Company uses the estimated incremental borrowing rate based on information available at the inception of the lease. The discount rate is determined by asset class.

Variable payments: The Company includes payments that are based on an index or rate within the calculation of right of use leased assets and lease liabilities, initially measured at the lease commencement date. There are variable payments in the nature of origination fees for office equipment, machinery and equipment and therefore are not treated as a part of lease payments.

Purchase options: Certain leases include options to purchase the office equipment. The depreciable life of assets are limited by the expected lease term, unless there is a transfer of title or purchase option reasonably certain of exercise.

Renewal options: Most leases include one or more options to renew, with renewal terms that can extend the lease term from one or more years. The exercise of lease renewal options is at the Company's sole discretion.

Residual value guarantees, restrictions, or covenants: The lease agreements do not contain any material residual value guarantees or material restrictive covenants.

Short-term leases: Leases with an initial term of 12 months or less are not recorded on the balance sheet; the Company recognizes lease expense for these leases on a straight-line basis over the lease term and expense the associated operating lease costs to administrative expenses on the statements of income.

Right of use (ROU) asset relating to finance lease of $ 52,746 as of March 31, 2023 (March 31, 2022: $293,992), is included in "property, plant and equipment, net" and lease liability relating to capital lease is $Nil as of March 31, 2023 (March 31, 2022: $Nil).

The table below presents the classification of lease related expenses as reported in the statements of comprehensive income.

	For the year ended	
Particulars	**March 31, 2023**	March 31, 2022
Amortization of ROU asset on finance lease (a)	**241,246**	367,664
Interest on finance lease liability (b)	**–**	208
Operating lease expense (c)	**4,161,592**	3,600,281
Total lease expense	**4,402,838**	3,968,153

(a) Amortization of ROU asset relating to finance lease is included in 'selling, general and administrative expenses' in the statements of comprehensive income.

(b) Interest on finance lease liability is included in 'finance cost' in the statements of comprehensive income.

(c) Operating lease expenses are included in 'selling, general and administrative expenses' in the statements of comprehensive income. Operating lease expenses include short-term leases, variable lease costs and leases which did not meet the capitalization requirement of the Company.

Future minimum lease payments as of March 31, 2023, for operating leases having an initial or remaining non-cancelable lease term in excess of one year are as follows.

Year ended March 31,	**Operating lease**
2024, 2025 and 2026	11,461,322
2027 and 2028	6,476,760
2029 onwards	6,560,461
Total minimum lease payments	**24,498,543**
Less: Interest	4,635,277
Total lease liabilities	**19,863,266**

The following table presents the weighted-average remaining lease term and discount rates as of:

	March 31, 2023	**March 31, 2022**
Weighted-average remaining lease term (years)		
Operating leases	**6.34**	7.92
Weighted-average discount rate		
Operating leases	**4.36%**	4.50%

The following table presents supplemental information for operating and finance leases.

	For the year ended	
	March 31, 2023	**March 31, 2022**
Supplemental cash flow information		
Cash paid for amounts included in the measurement of lease liabilities		
Operating cash flows from operating leases	**4,196,896**	3,590,861
Financing cash flows from finance leases	**-**	10,450
Operating cash flows from finance leases	**-**	208
Non-cash lease assets obtained in exchange for new lease liabilities		
Operating leases	**796,403**	41,846

Long term finance lease obligation is calculated as:

	As at	
	March 31, 2022	March 31, 2021
Total finance lease obligation	**–**	10,450
Less: Current portion	**–**	(10,450)
Long term capital lease obligation	**–**	**–**

NOTE K – INCOME TAXES

The Company files state tax returns and federal tax returns at the standalone level. The components of the provision for income tax expense are as follows:

	For the year ended	
	March 31, 2023	March 31, 2022
Current taxes		
Federal	**834,612**	659,622
State	**1,045,278**	306,261
Deferred taxes		
Federal	**1,469,519**	2,638,488
State	**(773,875)**	500,712
Total	**2,575,534**	**4,105,083**

Deferred income taxes reflect the net tax effects of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the amounts used for income tax purposes.

As of March 31, 2023 the Company has net deferred tax assets of $ 57,954,964. This is mainly attributable to three components, deferred tax on accrued dealer incentive of $12,070,266, accrued expenses of $6,983,122 and on net operating losses $34,694,287. Other components refer to deferred taxes on various other expenses, including slow moving inventory, warranty reserves and allowance for uncollectible accounts receivable. Out of total deferred tax assets, the Company has recognized deferred tax assets of $33,531,095 and created valuation allowance on the remaining balance of $24,423,869.

As of March 31, 2022, the Company has net deferred tax assets of $58,072,080. This is mainly attributable to three components, deferred tax on accrued dealer incentive of $7,954,607, accrued expenses of $5,664,699 and on net operating losses $38,351,173. Other components refer to deferred taxes on various other expenses, including slow moving inventory, warranty reserves and allowance for uncollectible accounts receivable. Out of total deferred tax assets, the Company has recognized deferred tax assets of $34,226,738 and created valuation allowance on the remaining balance of $23,845,342.

Realization of net deferred tax assets is dependent upon generation of sufficient taxable income in future years, benefit from the reversal of taxable temporary differences and tax planning strategies. Management assesses the available positive and negative evidence to estimate whether sufficient future taxable income will be generated to permit use of the existing deferred tax assets. The amount of net deferred tax assets considered realizable is subject to adjustment in future periods if estimates of future taxable income change.

Based on the evaluation of positive and negative evidence, the Company has determined that the entire amount of deferred tax assets may not be realizable in near future and accordingly created a valuation allowance of $24,423,869 and $23,845,342 as of March 31, 2023 and March 31, 2022, respectively.

The Company has federal net operating losses of $136,543,491 and $ 148,861,293 as at March 31, 2023 and March 31, 2022, respectively. These net operating losses generated will be carried forward indefinitely. The Company has state net operating loss carryforwards of approximately $135,427,071 and $ 137,686,118 as at March 31, 2023 and March 31, 2022, which if unutilized will expire based on the statutes of various states.

Accounting for uncertain tax position

The Company recognizes the benefit of a tax position only after determining that the relevant tax authority would more likely than not sustain the position following an audit. For tax positions meeting the more-likely-than-not threshold, the amount recognized in the financial statements is the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement with the relevant tax authority. The Company has no unrecognized tax positions as at March 31, 2023 and March 31, 2022.

The tax years 2019 to 2021 remain subject to examination by the taxing authorities.

NOTE L – EMPLOYEE BENEFIT PLANS

The Company adopted a 401(k)-retirement plan effective April 1, 1998. The total expense for employee retirement contribution plans for the year ended March 31, 2023, was $339,704 (March 31, 2022 – $337,321). The amounts have been included in selling, general and administrative expenses.

NOTE M – RELATED PARTY TRANSACTIONS

The Company had transactions relating to loans, advances, issue of shares and investments with following related parties:

A. Ultimate Parent Company

1. Mahindra and Mahindra Ltd.

B. Fellow Subsidiaries

1. Mahindra Integrated Business Solution Limited
2. Bristlecone India Limited
3. Bristlecone Inc.
4. Mahindra and Mahindra Financial Services Ltd
5. Mahindra Automotive Australia Pty Ltd.
6. Mahindra Vehicle Manufacturers Limited
7. Mahindra do Brasil Industrial Ltd.
8. Mahindra Overseas Investment Company Mauritius Limited
9. Mahindra Automotive North America Inc.
10. Mahindra North American Technical Center, Inc.

C. Associates

1. Mitsubishi Mahindra Agricultural Machinery Co., Ltd
2. Mahindra Finance USA, LLC
3. Tech Mahindra (Americas) Inc

D. Subsidiary of the Company

1. Mahindra Mexico S de RL de CV

The Company purchases tractors and parts from related parties, including M&M and Mitsubishi Mahindra Agricultural Machinery Co. Ltd., on an open account, which is paid when due. Accounts payable are net of amounts the Company has paid for warranty claims and legal fees.

The Company has the following payables:

	As at	
	March 31, 2023	March 31, 2022
Mahindra and Mahindra Ltd., Farm Equipment Sector	**38,934,764**	44,342,563
Mitsubishi Mahindra Agricultural Machinery Co., Ltd	**14,933,048**	29,888,598
Mahindra and Mahindra Ltd., Auto Sector	**606,200**	–
Mahindra and Mahindra Ltd., Head Office	**124,313**	91,281
Mahindra Integrated Business Solution Limited	**16,250**	86,218
Bristlecone India Limited	**25,056**	23,077
Mahindra North American Technical Center, Inc.	**167,676**	569,852
Mahindra Automotive North America Inc.	**49,316**	46,659
Total	**54,856,623**	75,048,248

In addition, the Company conducts business and records transactions with related parties for goods and services. As a result, the Company has the following receivables:

	As at	
	March 31, 2023	March 31, 2022
Mahindra and Mahindra Ltd., Farm Equipment Sector	**24,628**	205,636
Mahindra and Mahindra Financial Services Ltd.	**44,952**	21,148
Mahindra and Mahindra Ltd., Auto Sector	**–**	–
Mahindra Automotive Australia Pty Ltd.	**183,122**	118,155
Mahindra North American Technical Center, Inc.	**606,886**	–
Tech Mahindra (Americas) Inc	**131,153**	–
Total	**990,741**	344,939

The Company entered into transactions with its related parties in the normal course of business. The Company's purchases of tractors and parts from M&M Ltd. and Mitsubishi Mahindra Agricultural Machinery Co. Ltd. for the years ended March 31, 2023, and March 31, 2022, were $172,317,114 and $ 179,391,802, respectively. The dealers of Mahindra USA, Inc. avail themselves of a financing facility from Mahindra Finance USA LLC.

The Company's net revenue from sale of off-road vehicle products amounted to $637,666 and total cost and expense reimbursements amounted to $2,169,310, with Mahindra North American Technical Center, Inc. for the year ended March 31, 2023 (March 31, 2021: NIL).

NOTE N – FINANCIAL INSTRUMENTS AND CONCENTRATION OF CREDIT RISK

Financial instruments that potentially subject the Company to significant credit risk consist principally of cash and accounts receivable. Risks associated with cash are mitigated by banking with financial institutions that management believes to be of high credit quality. The Company performs ongoing credit evaluations of its dealers and maintains reserves for potential credit losses. To date, such losses have been within management's expectations.

NOTE O – RISK AND UNCERTAINTIES

The Company's future results of operations involve several risks and uncertainties.

Factors that could affect the Company's future operating results and cause actual results to vary materially from expectations include, competitive factors, including but not limited to pricing pressures; deterioration in general economic conditions; the Company's ability to effectively manage operating costs and increase operating efficiencies; declines in revenues; technological and market changes; the ability to attract and retain qualified employees and the Company's ability to execute on its business plan.

The effects of coronavirus (COVID) and the related actions of governments and other authorities to contain COVID continue to affect the Company's operations, results, cash flows, and forecasts. The future financial effects of COVID are unknown due to many factors. The extent of the impact of coronavirus (COVID 19) outbreak on operations of the Company will depend on future developments, including the duration and spread of the outbreak, related advisories and restrictions, government actions, the impact on financial markets and the overall economy, all of which are highly uncertain and cannot be predicted.

NOTE P – ASSEMBLY AND SERVICE AGREEMENT

The Company has entered into agreements with third party assemblers for the final assembly of tractors. These agreements stipulate that assemblers are to assemble the tractors in accordance with procedures provided by the Company so that the tractors are ready for sale to dealers. The assemblers store inventory owned by the Company in a secure location.

The assemblers are paid on a piecemeal basis at various rates depending on the respective model and related accessories. These rates are reviewed and negotiated at regular intervals.

NOTE Q – STOCKHOLDER'S EQUITY

Authorized common stock

The authorized Class A common stock is 460,000,000 shares with a par value of $ 0.25 and the authorized Class B common stock is 693,750,000 shares with a par value of $0.16 as at March 31, 2023 and as at March 31, 2022.

Common stock issued

Class A common stock issued and outstanding is 456,000,000 shares at $ 0.25 par value each and Class B common stock issued and outstanding is 672,500,000 shares at $0.16 par value each.

Voting

Each holder of common stock is entitled to one vote in respect of each share held by him in the records of the Company for all matters submitted to a vote.

Liquidation

In the event of liquidation of the Company, the holders of common stock shall be entitled to receive all of the remaining assets of the Company, after distribution of all preferential amounts, if any. Such amounts will be in proportion to the number of equity shares held by the shareholders.

NOTE R – SUBSEQUENT EVENTS

Subsequent events have been evaluated through the date at which financial statements were available for issue. There were no subsequent events or transactions identified which require disclosure.

NOTE S – COMMITMENTS AND CONTINGENT LIABILITIES

The Company is involved in various legal proceedings which are considered ordinary litigation incidents to its business. In the management's opinion, adequate provisions have been made for the contingencies and none of the current litigation will have a materially adverse effect on the Company's financial position.

As of March 31, 2023, and March 31, 2022, the Company did not have any capital commitment outstanding.

INDEPENDENT AUDITORS' REPORT ON FINANCIAL STATEMENTS

To
Officers of
Mahindra do Brasil Industrial Ltda.
Dois Irmãos - RS

Opinion

We have examined the financial statements of **Mahindra do Brasil Industrial Ltda.**, which comprise the balance sheet as of March 31, 2023, and the related statements of income, changes in members' equity and cash flows for the fiscal year then ended, as well as the summary of the main accounting practices and other explanatory notes.

In our opinion, the financial statements referred to above fairly state in all material aspects the equity and financial position of **Mahindra do Brasil Industrial Ltda.** as of March 31, 2023, the performance of its operations, and its cash flows for the fiscal year ended on that date, in accordance with the accounting practices adopted in Brazil.

Foundation for Opinion

Our audit was conducted in accordance with Brazilian and international auditing standards. Our responsibilities, in accordance with such standards, are described in the following section titled "Auditor's responsibility for the financial statements audit." We are independent in regard to the Company in accordance with the relevant ethical principles set out in the Code of Ethics for Professional Accountants and professional standards laid down by the Federal Accounting Council and we comply with all the other ethical responsibilities in accordance with these standards. We believe the audit evidence we achieved is sufficient and appropriate to substantiate our opinion.

Governance and Management Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with generally accepted accounting principles in Brazil and the internal controls deemed necessary by Management for the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management is responsible for assessing the Company ability to continue operating, disclosing, when applicable, matters related to its operational continuity and the use of this accounting basis in the preparation of the financial statements, unless Management intends to liquidate the Company or cease its operations, or has no realistic alternative to avoid closing its operations.

Those responsible for the Company governance are those responsible for supervising the preparation process of the financial statements.

Auditors' Responsibility for the Audit of the Financial Statements

Our goals are to obtain reasonable assurance that the financial statements are jointly free from material misstatement, whether caused by fraud or error, and to issue an audit report containing our opinion. Reasonable assurance is a high level of assurance, but not a guarantee that an audit conducted in accordance with Brazilian and international auditing standards will always detect any material misstatements. Such misstatements may occur due to fraud or error and are considered material when, individually or jointly, they can influence, from a reasonable perspective, the economic decisions of the users based on the referred financial statements.

As part of the audit conducted in accordance with Brazilian and international auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. In addition:

- We identify and assess the risks of material misstatement in the financial statements, whether caused by fraud or error, plan and perform audit procedures in response to such risks, and obtain appropriate and sufficient audit evidence to substantiate our opinion. The risk of not detecting a material misstatement resulting from fraud is greater than that of error, as fraud may involve circumvention of internal controls, collusion, counterfeiting, omission, or willful misrepresentation.
- We obtain understandings of internal controls relevant to auditing in order to plan appropriate audit procedures in given circumstances, but not for the purpose of expressing opinion on the effectiveness of the Company's internal controls.
- We assess the adequacy of the accounting policies used and the reasonableness of the accounting estimates and respective disclosures made by Management.
- We conclude on the adequacy of the Executive Board's use of the accounting basis for operational continuity and, based on the audit evidence obtained, whether there is a relevant uncertainty in regard to events or conditions that may cause significant doubt concerning the capacity for operational continuity of the Company. If we conclude there is material uncertainty when preparing our audit report, we will highlight the relevant disclosures in the financial statements or include modification in our opinion in the event the disclosures were inadequate. Our conclusions are based on audit evidence obtained up to the date of our report. However, future events or conditions may cause the Company to no longer be in operational continuity.
- We assess the overall submission, structure, and content of financial statements, including disclosures, and whether the financial statements represent the related transactions and events in a manner consistent with the appropriate submission goal.

We communicate with governance, among other aspects, on the planned scope, timing of the audit and significant audit findings, including any significant deficiencies in the internal controls identified during our work.

EXPLANATORY NOTES TO THE FINANCIAL STATEMENTS

FOR THE FISCAL YEARS ENDED AS OF MARCH 31ST, 2023 AND 2022

IN THOUSANDS OF REAIS

1. Operational Context

Mahindra do Brasil Industrial Ltda is a company headquartered in Dois Irmãos-RS, at Rua 10 de Setembro, 1097, in Bairro Centro. The company was incorporated on January 14, 2016.

The company's main objective is the Manufacture of Agricultural Tractors, Parts, and Accessories, as well as the wholesale trade of new and used cars, vans, and utility vehicles; retail sale of new cars, vans, and SUVs; retail trade of used parts and accessories for motor vehicles; wholesale trade of machinery, apparatus, and equipment for agricultural use; parts and pieces; maintenance and mechanical repair services for motor vehicles; installation of industrial machines; manufacture of other equipment and devices not previously specified; wholesale trade of new parts and accessories for motor vehicles; other private-equity firms, except holding companies; Other service activities provided primarily to companies not previously specified; body shop or bodywork and painting services for motor vehicles.

2. Summary of the Main Accounting Policies

The main accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently in all the fiscal years presented, unless otherwise specified.

The financial statements were approved by the Management as of April 24, 2023.

2.1 Basis for Preparation

The preparation of the financial statements requires the use of certain critical accounting estimates, as well as the exercise of judgment by the Company's management in the application of the accounting policies. The areas that require a higher level of judgment and are more complex, as well as those with assumptions and estimates that are significant for the financial statements, are disclosed in Note 2.15.

(a) Financial Statements

The financial statements were prepared in accordance with accounting practices adopted in Brazil, including the pronouncements, guidelines, and interpretations issued by NBC TG in accordance with Laws no. 6404/1976 and 11638/2007.

2.2 Foreign Currency Conversion

Functional and Presentation Currency

The items included in the Company's financial statements are measured using the currency of the main economic environment in which the Company operates ("functional currency"). The financial statements are presented in reais (BRL), which is the Company's functional currency.

Foreign Currency Transactions

Transactions in foreign currency are converted into reais at exchange rates on the dates of the transactions. Monetary assets and liabilities denominated and calculated in foreign currencies on the reporting date are translated into the functional currency at the exchange rate calculated on that date. The foreign exchange gain or loss on monetary items is the difference between the amortized cost in the functional currency at the beginning of the period, adjusted for interest and payments effective during the period, and the amortized cost in a foreign currency at the exchange rate at the end of the reporting period. Foreign currency differences resulting from the conversion are recognized in the income.

2.3 Balancing of Income

The income of operations is ascertained in consideration of the accounting accrual basis.

2.4 Cash and Cash Equivalents

They are comprised of financial resources held in cash, bank accounts, and financial investments. Financial investments are valued at cost, plus income earned through the balance sheet date. These financial instruments are intended for trading and are recorded at realizable values (Note 3).

2.5 Financial Instruments

Recognition and Measurement

The Company classifies its financial assets under the following categories: loans and receivables are measured at fair value through income. The classification depends on the purpose for which the financial assets were acquired. Management determines the classification of its financial assets in the initial recognition.

Loans and Receivables

This category includes receivables that are non-derivative financial assets with fixed or determinable payments, not quoted in an active market. They are included in current assets, except for those maturing more than 12 months after the balance sheet date (these are classified in noncurrent assets). The Company's receivables comprise trade accounts receivable, other trade receivables, and cash and cash equivalents, except for short-term investments. Receivables are recorded at amortized cost using the effective interest method.

Financial Assets Measured at Fair Value Through Income

Financial assets measured at fair value through income are financial assets held for active and frequent trading. Assets in this category are classified in current assets. Gains or losses arising from changes in the fair value of financial assets measured at fair value through income are presented in the statement of income under "financial statement" in the period in which they occur. They basically refer to short-term financial investments.

2.6 Non-derivative Financial Liabilities

The Company recognizes debt securities issued and subordinated liabilities initially on the date they are originated. All other financial liabilities are initially recognized on the trade date, on which the Company becomes a party to the contractual provisions of the instrument. The Company writes off a financial liability when its contractual obligations are discharged, canceled, or expired.

Financial assets and liabilities are offset, and the net amount submitted in the balance sheet only when the Company currently has a legal right to offset the amounts and intends to liquidate them on a net basis or to realize the asset and settle the liability simultaneously. The Company has the following non-derivative financial liabilities: loans with related parties, suppliers, loans, and other accounts payable.

Such liabilities are initially recognized at fair value plus any attributable transaction costs. After initial recognition, such financial liabilities are measured at amortized cost using the effective interest method.

2.7 Inventories

This cost is based on the average price principle and comprises incurred expenses from inventory purchases, as well as their respective shipping costs.

The net realizable amount is the estimated sales price in the normal course of business, deducted from the estimated costs for completion and sales expenses.

EXPLANATORY NOTES TO THE FINANCIAL STATEMENTS

FOR THE FISCAL YEARS ENDED AS OF MARCH 31ST, 2023 AND 2022

IN THOUSANDS OF REAIS

2.8 Property, Plant, and Equipment

(a) Recognition and Measurement

The Company chose to revalue property, plant, and equipment at deemed cost on October 31, 2016. The effects of deemed cost decreased property, plant, and equipment against members' equity, net of tax effects (Note 8).

After the transition of the NBC TG's, property, plant, and equipment items are now measured at the historical cost of acquisition or construction, less accumulated depreciation and accumulated impairment losses.

Cost includes expenses that are directly attributable to the purchase of an asset. Software purchased to enable the functionality of a device is capitalized as part of such equipment.

Gains and losses on the disposal of property, plant, and equipment are determined by comparing the proceeds arising from the disposal with the book value of the fixed asset, and are recognized as net within other revenues in the income.

(b) Subsequent Costs

The replacement cost of property, plant, and equipment is recognized in the carrying amount of the asset in the event it is probable that the economic benefits incorporated into the asset will flow to the Company and provided that their cost can be reliably measured. The carrying amount of the asset that has been replaced by another asset is written off. Recurring maintenance of property, plant, and equipment are recognized in the income as incurred.

(c) Depreciation

Depreciation is recognized in the income based on the straight-line method in relation to the estimated useful life of each part of property, plant, and equipment, since this is the method that most closely reflects the consumption pattern of future economic benefits incorporated into the asset.

2.9 Reduction to Impairment

The Company analyzes the existence of evidence that the carrying amount of an asset will not be recovered. If such evidence is identified, the Company estimates the recoverable amount of the asset. The recoverable amount of an asset is the highest value between: (a) its fair value less costs that would be incurred to sell it and (b) its value in use. The value in use is equivalent to the discounted cash flows (before taxes) derived from the continued use of the asset until the end of its useful life.

When the residual book value of the asset exceeds its recoverable value, the Company recognizes a reduction in the book balance of this asset (impairment or deterioration). For assets recorded at cost, the impairment is recorded in the income for the period. If the recoverable amount of an individual asset is not determined, an analysis of the recoverable amount of the cash-generating unit to which the asset belongs is performed.

2.10 Provisions

Allowance is recognized due to a past event and if the Company has a legal or constructive obligation that can be reliably estimated, and it is probable that an economic resource will be required to settle the obligation. Provisions are calculated by discounting expected future cash flows at a pre-tax rate that reflects current market assessments of the value of money at that time and specific risks for the liability.

Financial liabilities are classified as financial liabilities at fair value through the income, as the case may be. The Company determines the classification of its financial liabilities at the time of their initial recognition. The Company's financial liabilities include accounts payable to suppliers, tax and labor obligations.

2.11 Capital

The membership interests are all paid in and classified as members' equity. Mandatory minimum dividends, if any, as defined in the articles of association, are recognized as a liability.

2.12 Operating Revenue

Operating revenue from the sale of goods in the ordinary course of business is measured at the fair value of the compensation received or receivable. Operating income is recognized when there is convincing evidence that: i) the most significant risks and benefits inherent in the ownership of the goods have been transferred to the buyer, which in the Company's case is when the products are delivered to its customers, ii) that it is probable that the economic and financial benefits will flow to the Company, iii) that the associated costs and the possible return of goods can be estimated reliably, iv) that there is no ongoing involvement with the goods sold, and v) that the value of operating revenue can be measured reliably. If it is probable that discounts will be granted and the amount can be reliably measured, then the discount is recognized as a reduction in operating revenue as sales are recognized.

2.13 Financial Revenue and Expenses

Financial income basically comprises interest income, discounts, income from financial investments and gains from exchange variation.

Financial expenses include interest expenses, financial expenses, and loans and financing, as well as the respective passive exchange variations.

2.14 Income Tax and Social Contribution

Current and deferred income tax and social contribution are calculated based on the rates of 15%, plus an additional 10% on taxable income exceeding BRL 240,000 for income tax and 9% on taxable income for social contribution, and consider the offset of tax losses and negative basis of social contribution, limited to 30% of real profit.

2.15 Critical Accounting Estimates and Judgments

Estimates and accounting judgments are continuously evaluated and are based on historical experience and other factors, including expectations of future events, which are considered reasonable for the circumstances.

Based on assumptions, the Company makes estimates regarding the future. By definition, the resulting accounting estimates will rarely correspond to the actual related results. Estimates and assumptions which present significant risk and are likely to cause a material adjustment in the book values of assets and liabilities for the next fiscal year are included in the following explanatory notes.

3. Cash and Cash Equivalents

	03/31/2023	03/31/2022
Cash	**1**	1
Cash in bank account	**189**	669
Investments	**40,938**	9,945
	41,128	10,615

The Company makes financial investments in large financial institutions with the purpose of generating financial income while not using the resources. Investments in reais are made in CDBs and Investment Funds issued by the bank and repo (repurchase) operations, the repo (repurchase) is an investment in bank leasing debentures with daily liquidity and guarantee of repurchase by the bank.

EXPLANATORY NOTES TO THE FINANCIAL STATEMENTS

FOR THE FISCAL YEARS ENDED AS OF MARCH 31ST, 2023 AND 2022

IN THOUSANDS OF REAIS

4. Trade Receivables

	03/31/2023	03/31/2022
Brazilian clients	**33,500**	20,478
(-) Allowance for expected losses	**(1,346)**	(1,346)
	32,155	19,132

The Company sells its products directly to its dealers through its commercial department. The provision for expected losses is considered sufficient by management, considering the company's history of losses.

5. Inventories

	03/31/2023	03/31/2022
Raw material:	**25,099**	9,614
Inventory in transit	**47,830**	17,192
Finished products	**2,553**	1,370
Third-party inventories in our possession	**–**	27
Goods for resale	**71**	2,672
Statement tractor inventory	**2,156**	827

6. Taxes Recoverable

	03/31/2023	03/31/2022
ICMS recoverable	**528**	1,580
PIS recoverable	**1,169**	996
COFINS recoverable	**4,387**	4,000
Other taxes	**188**	257
	6,272	6,833

In March 2023, the Company recognized the final and unappealable decision related to the lawsuit filed against the Federal Revenue Service of Brazil excluding ICMS from the PIS and COFINS calculation basis. To this end, it registered the updated credit in the amount of BRL 280 and BRL 1,343 respectively.

7. Other Credits

	03/31/2023	03/31/2022
Other trade receivables	**111**	1,189
Amounts to be appropriated	**442**	477
Advance of labor funds	**37**	46
Advances to forwarding agents and suppliers	**2,565**	966
	3,155	2,678

Amounts in Accounts Receivable refer to reimbursement from the controller, in addition to consortium quotas, awaiting consideration. Advances to forwarding agents and suppliers refer to import processes in transit, as well as expenses with fairs to be appropriated, respectively.

8. Property, Plant, and Equipment

Total noncurrent	**–**	38

13. Contingencies

The Company is a party to labor and civil proceedings. For those lawsuits whose loss was considered probable, if applicable, the respective provision for losses was fully recorded. For the possible loss, 50% of the estimated amount was provisioned.

Civil provisions refer mainly to claims before representatives while labor provisions refer substantially to various labor claims involving former employees of the Company.

As of March 31, 2023, the Company has the amount of BRL 180.2 (BRL 326.6 in 2022) in labor and civil lawsuits, involving risk of possible loss as classified by Management and its legal advisors.

As mentioned in explanatory note No. 6, in March 2023, the Company recognized the final and unappealable decision of case No. 5016813-20.2019.4.04.7108, against the União da Fazenda Nacional, referring to the exclusion of ICMS from the PIS/COFINS calculation base.

14. Tax Losses and Negative Basis

The company has a balance of BRL 22,794 of tax loss and negative basis of social contribution, these credits represent a right to set up deferred tax credits in the amount of BRL 7,750, which are not activated, based on the expectation of generating future taxable income. These credits are realized by offsetting their base, limited to 30% of taxable income in subsequent fiscal years. No tax credits were recorded on temporary tax differences, which are provision for inventory losses, provision for expected losses, provision for guarantees, miscellaneous provision, and long-term provisions.

Annually, management assesses this expectation of future taxable income and, when it identifies its recoverability, it will proceed with the necessary adjustments to bring the amount of said credits recorded to their probable realizable value. Deductible temporary differences do not expire in accordance with current tax legislation.

15. Members' Equity

a) Capital

On March 31, 2023, the paid-in capital, arising from foreign participation, was represented by 60,975,100 membership interests, with a par value of one real (BRL 1.00) each, distributed among the members as follows:

	03/31/2023	03/31/2022
Mahindra & Mahindra Ltd.	**60,911**	60,911
Mahindra Overseas Investment Company (Mauritius)	**64**	64
	60,975	60,975

b) Equity Valuation Adjustment

The reserve for equity valuation adjustments includes adjustments for adopting the deemed cost of the asset on the transition date. In the fiscal year of 2023, the total amount of BRL 2,618 was reversed to the Retained Profit (Loss) Account.

c) Income Allocation

The Company's Articles of Organization determines the distribution of income in the proportion that the shareholders who hold the majority of the capital approve. The Company did not allocate the income for this fiscal year, as it must first absorb the tax loss and negative basis related to previous incomes.

16. Revenue

	03/31/2023	03/31/2022
Sale of products	**331,864**	199,932

20. Insurances

The Management of the Companies adopts the policy of taking out insurance for the headquarters of the Companies, whose coverage is considered sufficient by the Management and insurance agents to cover the occurrence of claims, and the management is responsible for defining the risk assumptions adopted.

21. Financial Risk Management

(a) Overview

The Company is exposed to the following risks arising from the use of financial instruments:

- Credit risks
- Liquidity risks
- Market risks
- Currency risks
- Operational risks

We present information on the Company's exposure to each of the aforementioned risks, the Company's objectives, policies, and processes for risk measurement and management, and the Company's capital management. Additional quantitative disclosures are included throughout these financial statements.

(b) Risk Management Structure

Management has overall responsibility for establishing and overseeing the Company's risk management framework. Risk management policies are established to identify and analyze the risks faced by the Company, to define appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are frequently revised to reflect changes in market conditions and the Company's activities. Through its training and management policies and procedures, the Company aims to develop a disciplined and constructive control environment in which all employees understand their roles and obligations.

(c) Credit Risks

Credit risk is the Company's risk of financial loss if a customer or the other party in a financial instrument fails to meet its contractual obligations, arising mainly from trade receivables and investment securities.

Trade Receivables and Other Credits

The Company's exposure to credit risk is influenced primarily by the individual characteristics of each customer. However, management also considers the demographics of the customer base, including the credit risk of the region where customers operate, as these factors can influence credit risk.

Management has established a credit policy in which all new customers have their creditworthiness analyzed individually before the Company's payment and delivery terms and conditions are offered. The analysis includes external assessments, when available, including a prior analysis of the bank records carried out by the financial institutions themselves. Purchase limits are established for each customer, guaranteed by financial institutions, which represent the maximum amount outstanding without requiring prior approval. Such limits are periodically revised. Customers who fail to meet the established credit limit may only operate with the Company on an advance payment basis. Once the transaction is approved by the financial institution, the sale is carried out and the risk becomes entirely with the financial institution.

In monitoring customers' credit risk, they are grouped according to their credit characteristics, including geographic location, maturity, and existence of previous financial difficulties.

(d) Liquidity Risks

Liquidity risk is the risk in which the Company will find it difficult to meet the obligations associated with its financial liabilities that are settled with cash payments or with another financial asset. The Company's approach in liquidity management is to ensure, as much as possible, that it always has sufficient liquidity to meet its obligations as they fall due, under normal and stress conditions, without causing unacceptable losses or risking damage to the Company's reputation.

EXPLANATORY NOTES TO THE FINANCIAL STATEMENTS

FOR THE FISCAL YEARS ENDED AS OF MARCH 31ST, 2023 AND 2022

IN THOUSANDS OF REAIS

Based on the calculation of the Liquidity ratios, the current liquidity ratio corresponds to 1.71 on March 31, 2023 (1.27 on March 31, 2022), a result that demonstrates balance in a possible settlement of short-term obligations.

(e) Market Risks

Market risk is the risk that changes in market prices, such as exchange rates, interest rates, and share prices, may have on the Company's earnings or the value of its holdings in financial instruments. The objective of market risk management is to manage and control exposures to market risks, within acceptable parameters while optimizing the return.

The Company complies with financial obligations to manage market risks. All these operations are conducted within the guidelines established by Management.

(f) Currency Risks

The Company is subject to currency risk in purchases, loans, and financing denominated in a currency other than its functional currency, the real (BRL). The currency in which these transactions are primarily denominated is the US dollar.

With respect to other monetary assets and liabilities denominated in foreign currency, the Company ensures that its net exposure is maintained at an acceptable level to address short-term instabilities.

(g) Operational Risks

Operating risks are the risks of direct or indirect losses arising from a variety of causes associated with the Company's processes, personnel, technology, and infrastructure and from external factors, except credit, market, and liquidity risks, such as those arising from legal and regulatory requirements and generally accepted standards of business behavior. Operating risks arise from all of the Company's operations.

The Company's objective is to manage operational risks to avoid the occurrence of financial losses and damage to its reputation, as well as to seek cost effectiveness and to avoid control procedures that restrict initiative and creativity.

Primary responsibility for the development and implementation of controls to address operational risks is assigned to senior management. Accountability is supported by the development of the Company's general standards for the management of operational risks in the following areas:

- Requirements for proper segregation of duties, including independent authorization of operations;
- Requirements for reconciliation and monitoring of operations;
- Compliance with regulatory and legal requirements;
- Documentation of controls and procedures;
- Requirements for the periodic assessment of operational risks faced and the adequacy of controls and procedures to address the identified risks;
- Requirements to report operating losses and proposed corrective actions;
- Development of contingency plans;
- Training and professional development;
- Ethical and business standards;
- Risk mitigation, including insurance where effective.

(h) Capital Management

The Executive Board has been monitoring the loss generated by the operation, in order to mitigate its causes and generate returns on capital, which the Company defines as income of operating activities divided by total members' equity.

Shareholders provide advances for future capital increases when necessary and/or contributions to maintain cash flow and support investments, whichever is more profitable for the Company.

INDEPENDENT AUDITOR'S REPORT

To the General Assembly of Erkunt Traktör Sanayii Anonim Şirketi;

Report on the audit of the financial statements

Opinion

We have audited the financial statements of Erkunt Traktör Sanayii Anonim Şirketi (the "Company"), which comprise the statement of financial position as at December 31, 2022, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at December 31, 2022, and its financial performance and its cash flows for the year then ended in accordance with Turkish Financial Reporting Standards ("TFRS"s)

Basis for opinion

Our audit was conducted in accordance with the Standards on Independent Auditing (the "SIA") that are part of Turkish Standards on Auditing issued by the Public Oversight Accounting and Auditing Standards Authority (the "POA"). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We here by declare that we are independent of the Company in accordance with the Ethical Rules for Independent Auditors (the "Ethical Rules") and the ethical requirements regarding independent audit in regulations issued by POA that are relevant to our audit of the financial statements. We have also fulfilled our other ethical responsibilities in accordance with the Ethical Rules and regulations. We believe that the audit evidence we have obtained during the independent audit provides a sufficient and appropriate basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. Key audit matters were addressed in the context of our independent audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matters	
Recoverability of trade receivables	**How our audit addressed the key audit matter**
Trade receivables amounting to TL 525.894.088 constitute a significant portion of the assets of the Company as of December 31, 2022. Furthermore, the assessment of the recoverability of these assets involves significant level of management estimates. Such estimation includes considering the following for each customer- the amount of guarantees/collateral held, past collection performance, credit quality and aging of receivables. The outcome of such estimates is very sensitive to changes in market conditions. Therefore, recoverability of trade receivables is a key matter for our audit.	We performed the following procedures in relation to the recoverability of trade receivables: Understanding the business process for collections from customers, evaluating the operational effectiveness of controls embedded in the business process and testing of selected controls, Comparing trade receivable turnover days to the prior period Testing collections in the subsequent period from selected customers Inquiries with management in relation to any disputes with customers and written inquiries with the Company's legal counsels on outstanding litigation in relation to trade receivables Testing receivables by obtaining confirmation letters from customers and reconciling them to the Company's accounting records

Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with TFRSs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the Company audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

B) Report on Other Legal and Regulatory Requirements

1. In accordance with paragraph 4 of Article 402 of the TCC, no significant matter has come to our attention that causes us to believe that the Company's bookkeeping activities for the period January 1- December 31, 2022 and financial statements are not in compliance with laws and provisions of the Company's articles of association in relation to financial reporting.
2. In accordance with paragraph 4 of Article 402 of the TCC, the Board of Directors submitted to us the necessary explanations and provided required documents within the context of audit.

The name of the engagement partner who supervised and concluded this audit is Emir Taşar.

NOTES TO THE FINANCIAL STATEMENTS AS OF DECEMBER 31, 2022
(Currency – TL unless otherwise indicated)

1. Organization and nature of activities

Erkunt Traktör Sanayii Anonim Şirketi ("Erkunt" or the "Company") was established on November 12, 2013.

The main activity of the Company is the production, sales, maintenance and repair of agricultural machinery, engine and transmission units, machinery and equipment.

The registered address of Company is Organize Sanayi Bölgesi, Batı Hun Caddesi, No: 2, Sincan, Ankara.

As of December 31, 2022, the number of personnel working within the Company is 450 (December 31, 2021: 295).

2. Basis of preparation of financial statements and significant accounting policies

2.1. Basis of preparation

The Company and its subsidiary maintain its books of account and prepare its statutory financial statements in accordance with accounting principles in the Turkish Commercial Code ("TCC") and tax legislation.

The accompanying financial statements are prepared in accordance with Turkish Accounting Standards/Turkish Financial Reporting Standards ("TAS/ TFRS") and its addendum and interpretations issued by Public Oversight Accounting and Auditing Standards Authority ("POA").

The financial statements are prepared in accordance with Turkish Accounting Standards for the purpose of fair presentation with booking of additional adjustments and reclassifications issued by Public Oversight Accounting and Auditing Standards Authority ("POA"). These adjustments consist of warranty provision, calculation of severance payment, useful lives and prorate of depreciation of tangible assets, provision accounting, provision of impaired inventories accounting, doubtful trade receivables and rediscount of trade payables.

Approval of financial statements

These financial statements have been approved and authorized to be published by the Board of Directors on March 7, 2023. The Board of Directors has the authority to revise the financial statements after issuance.

Functional and presentation currency

The Company's financial statements are prepared and presented in Turkish Lira ("TL"), which is the currency of the primary economic environment in which the entity operates.

Continuity of the business

The financial statements have been prepared on a going concern basis, under the assumption that the Company will benefit from its assets and fulfill its obligations in the next year and in the natural course of its activities.

Mahindra Overseas Investment Company, the partner of the Company, has declared that it will transfer all necessary resources to the Company in order to maintain the continuity of the business.

Comparative information and amendments on past year financial statements

The accompanying financial statements are prepared comparatively with the previous period in order for the determination of the Company's financial position, performance, and cash flow trends. When there is a change in the presentation and reclassification of the items of the financial statements, the Company reclassifies the financial statements of the previous period to conform the comparability and discloses information related to these matters.

The classifications made in the company's statement of financial position as of December 31, 2021 and the profit or loss statement are as follows:

- Trade receviables from third parties amounting to TL 22.771.252 were classified under trade receivables from related parties.
- Reverse balance in trade payables from third parties amounting to TL 2.573.999 were classified under advances given to related parties.
- Trade payables from related parties amounting to TL 6.675.978 were classified under trade payables to third parties.
- Other short–term liabilities amounting to TL 35.569.181 were classfied under trade receivables from third parties.
- Short –term deferred income amounting to TL 14.604.996 was classified under long–term deferred income.
- Other operating expenses amounting to TL 821.838 were classified under finance expenses.

2.2 The new standards, amendments and interpretations

The accounting policies adopted in preparation of the financial statements as of December 31, 2022 are consistent with those of the previous financial year, except for the adoption of new and amended IFRS and IFRIC interpretations effective as of 1 January 2022 and thereafter. The effects of these standards and interpretations on the Company financial position and performance have been disclosed in the related paragraphs.

i) The new standards, amendments and interpretations which are effective as of 1 January 2022 are as follows:

- Amendments to IFRS 3 – Reference to the Conceptual Framework
- Amendments to IAS 16 – Fit for Purpose
- Amendments to IAS 37 – Onerous contracts – Costs of Fulfilling a Contract
- Annual Improvements – 2018–2020 Cycle

ii) Standards issued but not yet effective and not early adopted

Standards, interpretations and amendments to existing standards that are issued but not yet effective up to the date of issuance of the consolidated financial statements are as follows. The Company will make the necessary changes if not indicated otherwise, which will be affecting financial statements and disclosures, when the new standards and interpretations become effective.

- Amendments to IFRS 10 and IAS 28: Sale or Contribution of Assets between an Investor and its Associate or Joint Venture
- IFRS 17 – The new Standard for insurance contracts
- Amendments to IAS 1 – Classification of Liabilities as Current and Non–Current Liabilities
- Amendments to IAS 8 – Definition of Accounting Estimates
- Amendments to IAS 1 – Disclosure of Accounting Policies
- Amendments to IAS 12 – Deferred Tax related to Assets and Liabilities arising from a Single Transaction
- Amendments to TFRS 16 – Lease Liability in a Sale and Leaseback

The effects of these changes on the financial position or performance of the Company are being evaluated.

2.3 Summary of significant accounting policies

Cash and cash equivalents

Cash and cash equivalents include cash on hand, cash in banks, other cash and cash equivalents, short–term deposits, highly liquid short–term investments and investments which has insignificant risk of change in fair value with maturity less than three months.

Related parties

a) A person or a member of that person's immediate family is related to reporting entity under the following conditions:

If the person;

i. Has control or joint control over the reporting entity;

ii. Has a significant impact on the reporting entity;

iii. The reporting entity or the entity reporting the case of a member of the key management personnel of the parent company

b) In the presence of any one of the following conditions entity related to the reporting entity:

i. If a firm and reporting entity are member of the same Company.

ii. If the firm is other entity's (or other entity of a member of a Company is a member), subsidiary, or the joint venture.

iii. Both entities are joint ventures of the same third party.

iv. One entity is a joint venture of a third entity and the other entity is an associate of the third entity.

v. The entity, reporting entity or the entity which is in relation to the reporting entity or an entity associated with operating employees reporting if the post–employment benefit plans is provided in. If the reporting entity has such a plan, the sponsoring employers are also related to the reporting entity.

vi. Entity is jointly controlled by a person identified in the event (a).

vii. (a) event (ii) the presence or a significant impact on a person's business as defined in the company (or of a parent of the entity) is a member of the key management personnel.

Trade receivables

Trade receivables are recognized at original invoice amount less an allowance for any uncollectible–amount and recorded at amortized cost. The amount of imputed interests is calculated by considering the effective interest rates in line with the maturity of the receivables. When the Company will not be able to collect its receivable, the estimation for provision for doubtful receivable is recognized. Provision is set when doubtful receivables have been identified. When the receivable become uncollectible, it is written–off.

Trade payables

Trade payables are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method. Maturity differences related with trade payables are presented in other income/ expense from main operations.

Prepaid expenses

Prepaid expenses are the amounts generally made to suppliers and which will be transferred to expense and cost accounts in the following period or periods.

Inventories

Inventories are valued at the lower of cost or net realizable value less costs to sell. Cost is determined by the most recent purchase method. Net realizable value represents the estimated selling price less all estimated costs of completion and costs necessary to make the sale. When the net realizable value of inventory is less than cost, the inventory is written down to the net realizable value and the expense is included in statement of income in the period the write–down or loss occurred. When the circumstances that previously caused inventories to be written down below cost no longer exist or when there is clear evidence of an increase in net realizable value because of changed economic circumstances, the amount of the write–down is reversed. The reversal amount is limited to the amount of the original write–down.

Impairment of financial assets

The Company assesses at each balance sheet date whether a financial asset is impaired. If there is objective evidence that an impairment loss on assets carried at amortized cost has been incurred, the amount of the loss is measured as the difference between the assets' carrying amount and the present value of estimated future cash flows discounted at the financial asset's original effective interest rate. The carrying amount of the asset is reduced through use of an allowance account. The amount of the loss is recognized in the statement of income. If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognized, the previously recognized impairment loss is reversed, to the extent that the carrying value of the asset does not exceed its amortized cost at the reversal date. Provision for impairment is provided when there is an objective evidence of non–collectability of trade receivables. Reserve is provided for the overdue uncollectible receivables. Also, portfolio reserve is provided for the not due receivables based on certain criteria. The carrying amount of the receivable is reduced through use of an allowance account. Changes in provision account are recorded under the comprehensive income statement.

Offsetting

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

Property, plant and equipment

Property, plant and equipment is stated at cost less accumulated depreciation and accumulated impairment loss. Depreciation is provided on cost or revalued amount of property and equipment except for land and construction in progress on a straight–line basis. For the property plant and equipment that has fixed useful life, depreciation period and method is investigated at least once a year by Company management.

The depreciation periods for property, plant and equipment, which approximate the estimated economic useful lives of such assets, are as follows:

Accounts	Useful lives
Buildings	10 – 50 years
Land improvements	5 – 15 years
Machinery and equipment	3 – 24 years
Motor vehicles	5 – 14 years
Furniture and fixtures	2 – 50 years
Other fixtures	2 – 20 years

Assets that are subject to depreciation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable and an asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. The recoverable amount is the higher of the asset's fair value less cost to sell and value in use.

The costs of major renovations are included in the carrying amount of the asset when it is probable that future economic benefits in excess of the originally assessed standard of performance of the existing asset will flow to the entity. All other repairs and maintenance are charged to the statement of profit or loss during the financial period in which they are incurred.

Gains or losses on disposals of property, plant and equipment are included in the other income and expense accounts, as appropriate.

Intangible assets

Intangible assets mainly comprise of software licenses, research and development cost and are measured initially at cost. Intangible assets are recognized if it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise; and the cost of the asset can be measured reliably. After initial recognition, intangible assets are measured at cost less accumulated amortization and any accumulated impairment losses.

Intangible assets with finite lives are amortized on a straight–line basis over the best estimate of their useful live. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at each financial year–end.

The depreciation periods for licenses and software, which approximate the estimated economic useful lives of such assets, are as follows:

	Useful life
Rights	2 – 15 years
Research and development expenses	5 – 15 years
Other intangible assets	2 – 10 years

Research and development expenses

Research expenses are recorded in the income statement in the incurred period. Expenses resulting from development activities (relating to the design and testing of new or improved products), are recorded as intangible assets when the following conditions are all met:

- It is technically feasible to complete the intangible asset so that it will be available for use;
- Management intends to complete the intangible asset and use or sell it;
- There is an ability to use or sell the intangible asset;
- It can be demonstrated how the intangible asset will generate probable future economic benefits;
- Adequate technical, financial and other resources to complete the development and to use or sell the intangible asset are available; and
- The expenditure attributable to the intangible asset during its development can be reliably measured.

Other development expenditures that do not meet these criteria are recognized as an expense as incurred. Development costs previously recognized as an expense are not recognized as an asset in a subsequent period. Capitalized development costs are recorded as intangible assets and amortized from the point at which the asset is ready for use on a straight–line basis over its useful life, not exceeding five years.

Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets:

- cash
- a contractual right to receive cash or another financial asset from another enterprise
- a contractual right to exchange financial instruments from another enterprise under conditions that are potentially favorable,
- an equity instrument of another enterprise

A financial liability that is a contractual obligation:

- to deliver cash or another financial asset to another enterprise,
- to exchange financial instruments with another enterprise under conditions that are potentially unfavorable

A financial asset or financial liability is calculated with the given (for financial asset) and uncovered (financial obligations) fair value on transaction costs by adding transaction expenses (deducting the financial liability) if any.

Fair value of financial instruments

Fair value is the amount at which a financial instrument could be exchanged in a current transaction between willing parties, other than in a forced sale or liquidation. It is best evidenced by a quoted market price, if one exists.

Impairment of assets

Whenever the carrying amount of an asset exceeds its recoverable amount, an impairment loss is recognized in the statements of comprehensive income.

On the other hand; the recoverable amount of property, plant and equipment is the greater of fair value less cost to sell and value in use. Value in use is assessed by discounting future cash flows to their present value using a pre–tax discount rate that reflects current market conditions and the risks specific to the asset.

Current income taxes and deferred tax

Tax expense for the period comprises current and deferred tax. Current taxes on income comprise tax payable calculated on the basis of expected taxable income for the period using the tax rates enacted at the balance sheet date and any adjustment in taxes payable for previous periods.

Deferred income tax is recognized, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying values in the financial statements. Deferred income tax is determined using tax laws that have been enacted or substantially enacted by the balance sheet date and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

Deferred tax liabilities are recognized for all taxable temporary differences, where deferred tax assets resulting from deductible temporary differences are recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary difference can be utilized.

Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre–tax rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Provisions are reviewed in every period end and necessary changes performed to the best estimates of Management.

Contingent assets and liabilities

Possible assets or obligations that arise from past events and whose existence will be confirmed only by the occurrence or non–occurrence of one or more uncertain future events not totally within the control of the Company are disclosed as contingent assets or liabilities.

Employee benefits

Employee termination benefit

In accordance with existing social legislation in Turkey, the Company is required to make lump–sum termination indemnity payments to each employee who has completed over one year of service and whose employment is terminated due to retirement or for reasons other than resignation or misconduct.

The Company has calculated the provision for employment termination benefits using the “Projection method” and based on the Company’s past experience in personnel’s completion of service time and entitlement to employment termination rights and recognized its discounted value as of the balance sheet date. All actuarial gains and losses calculated have been reflected to the statement of other comprehensive income.

Unused vacation

Unused vacation rights accrued in the financial statements represents estimated total provision for potential liabilities related to employees’ unused vacation days and daily gross as of the balance sheet date. These amounts are reflected in the personnel expenses when incurred.

Wages and deductions

These are the amounts owed as the scope of benefits provided to employees during the period which are wages, salaries and social security contributions. These amounts are reflected in the personnel expenses when incurred.

Foreign currency transactions

Transactions in foreign currencies during the period have been translated at the exchange rates prevailing at the dates of such transactions. Monetary assets and liabilities denominated in foreign currencies are translated into Turkish Lira at the Central Bank of the Republic of Turkey’s buying exchange rates prevailing at the balance sheet dates.

Exchange rate differences arising on reporting monetary items at rates different from those at which they were initially recorded or on the settlement of monetary items or are recognized in the comprehensive income statement in the period in which they arise. The foreign currency gain/loss related to the Company’s trade payables and receivables shown in operating income/loss account and the other foreign currency gain/loss except the Company’s operations shown in financial gain/loss account.

Revenue recognition

Company performs manufacturing and assembling of raw materials, spare parts and work–in progress of any vehicles, cars, truck, bus, tow truck, tractors, refrigerated vehicle, ambulance, forklift, railway wagon, rail vehicles, locomotives, any vehicles related with the automotive industry, all kinds of sea, air, land and rail vehicles within its own manufacturing plant and performs import, export, marketing, sales and purchasing at the same time. Agreements with customers are generally made after tenders have been won. The Company provides repair and maintenance services for the customers covered by the warranty during the period of 2 years for the vehicles for which the Company has sold. Income related to services that are not yet completed when they are billed accounted as deferred income.

Revenues are recognized on an accrual basis at the time deliveries or acceptances are made, the amount of the revenue can be measured reliably and it is probable that the economic benefits associated with the transaction will flow to the Company, at the fair value of consideration received or receivable. Net sales represent the invoiced value of goods shipped less sales returns and commission and excluding sales taxes.

Other revenues

Other revenues earned by the Company consist of rent income and interest income which is recognized on an accrual basis.

Loans

Loans are recognized initially at fair value and at directly attributable transaction costs after initial recognition. Loans are subsequently measured at amortized cost by using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the redemption value is recognized in the income statement over the period of the financial liabilities.

Financial leases

Assets acquired under finance lease agreements are capitalized at the inception of the lease at the fair value of the leased asset, net of grants and tax credits receivable, or at the present value of the lease payment, whichever is the lower. Lease payments are treated as comprising capital and interest elements, the capital element is treated as reducing the capitalized obligation under the lease and the interest element is charged as expense to the statement of income. Depreciation on the relevant asset is also charged to the statement of income over its useful life.

Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. All other borrowing costs are recognized in the statement of income/(loss) in the period in which they are incurred. Borrowing costs include other costs related to interest and funding.

Significant accounting judgments, estimates and assumptions

The preparation of the financial statement requires Company management to make judgments, estimates and assumptions that are reflected in the measurement of income and expense in the income statement and in the carrying value of assets and liabilities in the balance sheet. The actual future results from operations may be different than those estimated. Estimates are reviewed periodically, and adjustments become necessary, they are reported in the income statement in which they become known. However, the actual results may be different than those estimated.

The key assumptions concerning the future and other key resources of estimation at the balance sheet date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year and the significant judgments with the most significant effect on amounts recognized in the financial statements are as follows:

a) Provisions for employment termination benefits have been calculated according to various actuarial assumptions (discount rate, estimated future wage increase, and rate of retirement of the employees).

b) Provision for doubtful receivables is an estimated amount that management believes to reflect for possible future losses on existing receivables that have collection risk due to current economic conditions. During the impairment test for the receivables, the debtors, other than the key accounts and related parties, are assessed with their prior year performances, their credit risk in the current market, their performance after the balance sheet date up to the issuing date of the financial statements and furthermore, the renegotiation conditions with these debtors are considered.

c) Provisions for lawsuits are determining by the management with support of Company's legal advisers that can result a cash outflow for the Company in every period at the date of preparation of financial statements.

d) The Company management made significant assumptions on the useful economic lives of the tangible assets according to experiences of technical team, especially in buildings and equipment.

e) Research expenses are recorded as expense when realized. Costs incurred in development projects (related to the design and testing of new or improved products) are recorded as intangible assets if the conditions described in Note 2.3 are met.

Statement of cash flows

Cash flow for the period shown in the cash flow statements is based on operating, investing and financing activities which are classified and reported. Cash flows generated from operating activities consist of cash flows that fare generated from the Company's main operating activities. Cash flows related to investing activities consist of the Company's cash flows used and obtained in the investment activities (asset investments & financial investments).

Cash flows related to financing activities consist of the resources used in financing activities of the Company and the repayment of these sources.

Cash and cash equivalents include cash on hand, deposits at banks, short–term deposits, highly liquid short–term investments and investments which has insignificant risk of change in fair value with maturity less than three months.

Subsequent events

The Company recognizes the subsequent events that require adjustment which provide additional information to the status of the Company at the balance sheet date on its financial statements. If non–adjusting events after the balance sheet date have certain significance, then, they are disclosed in the notes to the financial statements.

3. Cash and cash equivalents

	December 31, 2022	December 31, 2021
Cash:	**34.535**	22.715
Bank:		
– Demand deposits	**57.008.500**	18.542.531
– Time deposits	**2.717.300**	–
Other (*)	**67.280.402**	9.370
Total	**120.040.737**	18.574.616

As of December 31, 2022, the Company has restricted bank deposits amounting to TL 47.084.986 (31 December 2021: TL 16.263.536).

(*) As of December 31, 2022, the Company has liquid money market mutual funds in its bank account of TL 67.271.032 measured at amortized cost (December 31, 2021: None).

4. Financial liabilities

	December 31, 2022	December 31, 2021
Short–term bank borrowings	**63.546.320**	68.219.000
Other financial liabilities	**1.383.488**	256.647

Additional provisions/ (releases), net	**4,727,245**	272,806
December 31,	**6,639,488**	1,912,243

b) Long term provisions for employee benefits

Under the Turkish Labour Law, the Company is required to pay termination benefits to each employee who has completed one year of service and whose employment is terminated without due cause, is called up for military service, or who retires or resigns. The indemnity is one month's salary for each working year and is limited to TL 19.982,83 as of December 31, 2022 (December 31, 2021: TL 10.848,59).

The Company reflected a liability calculated using the Projected Unit Credit Method and based upon factors derived using their experience of personnel terminating their services and eligible to receive retirement pay and discounted by using the current market yield on government bonds at the statement of financial position date. This provision is calculated by expecting the present value of the future liability which will be paid for the retired personnel.

	December 31, 2022	December 31, 2021
Provision for employee termination benefits	**11,052,611**	4,217,760

Losses on derivative instruments	**1,154,307**	3,473,962
Total	**54,470,931**	55,728,383

26. Taxation

Current and deferred income tax

The corporation tax rate is 23% in Turkey (2021: 22%). Corporation tax rate is applied to net income of the companies after adjusting for certain disallowable expenses, exempt income and allowances.

TAS 29 Financial Reporting in Hyperinflation Economies requires entities whose functional currency is that of a hyperinflationary economy to prepare their financial statements in terms of the measuring unit current at the end of the reporting period. TAS 29 describes characteristics that may indicate that an economy is hyperinflationary, and it requires all entities that report in the currency of the same hyperinflationary economy apply this Standard from the same date. Therefore, it is expected that TAS 29 will start to be applied simultaneously by all entities with the announcement of Public Oversight Accounting and Auditing Standards Authority to ensure consistency of the application required by TAS 29 throughout the country.

Under the Turkish taxation system, tax losses can be carried forward to be offset against future taxable income for five years. Tax losses cannot retrospectively offset against the profits of previous years.

Deferred income tax is provided in full, using the liability method, on all temporary differences arising between the tax bases of assets and liabilities and their carrying values in the financial statements. Currently enacted tax rates are used to determine deferred income tax at the balance sheet date.

Deferred tax liabilities are recognized for all taxable temporary differences, where deferred tax assets resulting from deductible temporary differences are recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary difference can be utilized.

Provided that deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority and it is legally eligible, they may be offset against one another.

Tax amounts recognized in the income statement as of December 31, 2022 and 2021 are as follows:

	January 1 – December 31, 2022	January 1 – December 31, 2021
Deferred tax income/ (expenses)	**6,149,889**	18,075,573
Total tax expenses	**6,149,889**	18,075,573

As of 31 December 2022 and 2021, the details of temporary differences and deferred tax assets and liabilities are as follows:

	Cumulative temporary differences		Deferred tax assets/(liabilities)	
	December 31, 2022	December 31, 2021	**December 31, 2022**	December 31, 2021
Property, plant and equipment	**160,775**	1,634,262	**32,155**	326,852
Revaluation differences of property, plant and equipment	**(11,207,708)**	(11,207,708)	**(1,120,771)**	(1,120,771)

Rediscount	**(10,342,429)**	(6,720,024)	**(2,068,486)**	(1,344,005)
Foreign currency valuation difference	**(12,004,704)**	–	**(2,641,035)**	–
Other	**3,075**	9,410,360	**616**	2,138,464
Deferred tax asset/ liability – net	**123,871,579**	84,774,010	**25,654,993**	18,331,965

Deferred tax liability or asset is determined by calculating the tax effects of the temporary differences between the amounts of assets and liabilities shown in the financial statements and the amounts considered in the calculation of the legal tax base according to the balance sheet method, considering. While deferred tax liabilities are calculated for all taxable temporary differences, deferred tax assets consisting of deductible temporary differences are calculated on the condition that it is highly likely to benefit from these differences by obtaining taxable profit in the future. As the company does not expect to generate taxable profit in the next 5 years in the current period, it has been evaluated that it is not possible to benefit from these differences and the deferred tax has not been recorded in the financial statements.

27. Earnings per share

Earnings per share ("EPS") are determined by dividing the net comprehensive income by the weighted average number of shares that have been outstanding during the year.

Earnings per share as of December 31, 2022 and 2021:

	December 31, 2022	December 31, 2021
Net comprehensive income or loss attributable to the equity holders of the parent	**244,263,065**	103,567,326
Weighted average number of share certificates (piece)	**437,734**	291,027
Earnings per share, (0,001)	**558**	284

29. Financial instruments and nature and extent of risks arising from financial instruments

The Company's principal financial instruments are comprised of bank loan, liabilities under finance lease, other financial liabilities, cash and short–term bank deposits. The main purpose of these financial instruments is to raise finance for the Company's operations. The Company has various other financial instruments such as trade receivables and trade payables, which arise directly from its operations.

The main risks arising from the Company's financial instruments are interest rate risk, foreign currency risk, credit risk and liquidity risk. The Company management reviews and agrees policies for managing each of the risks as summarized below. The Company also monitors the market price risk arising from all financial instruments.

Capital risk management

The management of the Company considers the cost of capital and the risks associated with each class of capital. The Company's capital structure consists of payables, cash and short–term deposits, and shareholder's equity components mentioned in Note 19 such as issued capital, capital reserves, and profit reserves for its net debt to equity ratio analysis.

The Company manages its capital structure and makes adjustments to it, in light of changes in economic conditions. To maintain or adjust the capital structure, the Company may incur new payables or repay the existing payables and adjust the dividend payment to shareholders or the shareholders may make a direct cash contribution of the needed working capital to the Company.

The Company follows equity by using the rate of liabilities/equity. This ratio is calculated by division of net liabilities to total equities. Net debt is calculated by excluding the cash and cash equivalents from total debt amount (financial liabilities include trade and other payables and short term and long-term other liabilities like as indicated on financial statement).

	December 31, 2022	December 31, 2021
Financial liabilities (Note 4)	**69,629,719**	73,806,802
Less: Cash and cash equivalents (Note 3)	**(127,040,737)**	(18,574,616)
Net debt	**(57,411,018)**	55,232,186
Total equity	**593,159,926**	295,332,598
Net debt/total equity ratio	**–**	19%

Foreign currency risk

The Company is exposed to foreign exchange risk arising from denominated foreign currency transactions. The Company exposed to foreign exchange risk primarily to USD and EUR bank loans. These exposures are managed by balancing interest rate sensitive assets and liabilities.

The Company's net foreign currency position as of December 31, 2022 and 2021 is presented below:

In totals;	**December 31, 2022**	December 31, 2021
A. Foreign currency assets	**93,574,649**	88,774,074
B. Foreign currency liabilities	**(272,788,185)**	(83,530,544)
Net foreign exchange position (A+B)	**(179,213,536)**	5,243,530

As of December 31, 2022, and 2021, details of foreign currency positions of the Company are as follows:

December 31, 2022	**USD**	**EUR**	**GBP**	**Total TL equivalent (Presentation currency)**

Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation who has invested in financial instruments. The Company manages its credit risk by restricting its transactions that are carried out by third parties and reviewing those third parties credit risks continuously.

Concentrations of credit risk arise when a number of counterparties are engaged in similar business activities or activities in the same geographic region or have similar economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions.

The Company seeks to manage its credit risk exposure through diversification of sales activities to avoid undue concentrations of risks with individuals or Companies of customers in specific locations or businesses. The maximum credit risk the Company exposure is reflected by presenting all financial assets from carrying amount on financial statements.

Liquidity risk

Liquidity risk is the risk of the Company not meeting its net funding requirements. Liquidity risk is managed by cash inflows and outflows which are balanced by credit institutions in scope of the pre-determined credit limits. Remaining period to maturity as of the balance sheet date is taken into consideration when presenting the breakdown of financial liabilities according to their maturities.

The following table presents the maturity analyses of the Company's financial liabilities' contractual undiscounted cash outflows as of December 31, 2022 and 2021.

December 31, 2022

Maturities according to the agreements	**Book value**	**Total contract based cash outflow (I+II+III)**	**Up to 3 months (I)**	**3 months to 1 year (II)**	**1 to 5 years (III)**

31. Subsequent events after balance sheet date

Due to the damages caused by the earthquakes that took place in Kahramanmaraş on February 6, 2023, affecting many of our provinces and shaking our whole country, in accordance with the Official Gazette numbered 32098 on Wednesday, February 8, 2023, Adana, Adıyaman, Diyarbakır, Gaziantep, Hatay, Kahramanmaraş, Kilis, Malatya, Osmaniye, Şanlıurfa and Elazig provinces, it was decided to declare a state of emergency for three months. The economic impacts in the provinces affected by the earthquake are uncertain as of the reporting date.

The Company continues to evaluate the effects of the earthquake on its operations and financial statements.

.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Erkunt Sanayi Anonim Şirketi;

A) Report on the audit of the financial statements

1) Opinion

We have audited the financial statements of **Erkunt Sanayi A.Ş.** (the "Company"), which comprise the statement of financial position as at December 31, 2022, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at December 31, 2022, and its financial performance and its cash flows for the year then ended in accordance with the Turkish Accounting Standards ("TAS").

2) Basis for opinion

We conducted our audit in accordance with Independent Auditing Standards ("IAS"s). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants ("IESBA Code") together with the ethical requirements that are relevant to our audit of the financial statements in Turkey, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

3) Key audit matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matters	How key audit matters addressed in the audit
<u>**Trade Receivables**</u> Trade receivables are significant for the Company as it represents approximately 40% of the Company's total assets. The collectability of trade receivables is one of the most important elements of the Company's working capital management. The Company's management has used certain estimates and assumptions in the calculation of the provision for doubtful trade receivables related to trade receivables. Due to the reasonableness of the size of the amounts and the collectability of trade receivables, the existence and collectability of trade receivables is considered as a key audit matter.	– Evaluating the process regarding the collection follow-up of the Company's trade receivables and the operational effectiveness of the relevant internal controls. – Understanding, evaluating and testing the effectiveness of internal controls regarding financial reporting for credit risk – Examining the aging table of receivables analytically. – Testing trade receivable balances by sending confirmation letters through sample selections. – Testing the collections made in the subsequent period through sample selections. – Testing the collaterals received for receivables by sampling and evaluating their ability to be converted to cash. – Evaluating the compliance of the applied accounting policies with TFRS 9, the company's past performance, local and global practices, – Investigating the disputes and lawsuits related to the receivables in order for the auditing appropriateness of the special provisions and obtaining a confirmation letter from the legal advisors regarding the ongoing lawsuits. – Evaluating the adequacy of the explanations regarding the impairment of trade receivables and their compliance with TFRS. We also tested management's periodicity testing procedures and selected samples independently to test segments of revenue and purchases with verification of invoices. Details on trade receivables are given in Note 5.

<table>
<tr><th>Key audit matters</th><th>How key audit matters addressed in the audit</th></tr>
<tr><td><u>Property, plant and equipment</u>

As of December 31, 2022, property, plant and equipment amounting to TL 177.486.653 represents significant part of total assets in the statement of financial position.

Property, plant and equipment is considered as key audit matter due to their size as of the statement of financial position date.</td><td>– The appropriateness of the estimated useful lives of the tangible assets is evaluated by considering the expected economic benefits associated with each asset.

– Supporting documents for the movements of tangible assets were obtained and material accuracy tests were carried out.

– Whether the depreciation methodology reflects the profile of expected future economic benefits in the best way/accurate way was evaluated and the current year depreciation expenses were tested.

Details on tangible fixed assets are given in Note 10.</td></tr>
</table>

4) Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with TASs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so Those charged with governance are responsible for overseeing the Company’s financial reporting process.

5) Auditor’s responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with IASs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with IASs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

– Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

– Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company’s internal control.

– Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

– Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Company Management, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

B) Other legal and regulatory requirements

1) In accordance with paragraph 4 of Article 402 of the TCC, no significant matter has come to our attention that causes us to believe that the Company's bookkeeping activities for the period January 1 - December 31, 2022 and financial statements are not in compliance with laws and provisions of the Company's articles of association in relation to financial reporting.

2) In accordance with paragraph 4 of Article 402 of the TCC, the Board of Directors submitted to us the necessary explanations and provided required documents within the context of audit.

The name of the engagement partner who supervised and concluded this audit is Emir Taşar.

D. CASH AND CASH EQUIVALENTS AT THE BEGINNING OF THE YEAR		**20.811.358**	24.821.042
E. CASH AND CASH EQUIVALENTS AT THE END OF THE YEAR	3	**34.066.851**	20.811.358

EXPLANATORY NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED AT DECEMBER 31, 2022

(Amounts expressed in Turkish Lira (“TL”), unless otherwise indicated.)

1. Organization and operations of the Company

Erkunt Sanayi A.Ş. (the “Company”) was established in 1961 and its main activity is to manufacture and trade all kinds of parts, machined parts and main products based on casting technology for automotive, tractors and construction equipment.

The Company has Casting-1 and Machining-1 facilities in Etimesgut Ankara, which is its headquarters, as well as Casting-2 established in Sincan Ankara “Organized Industrial Zone” in 1996 and Processing-2 facilities at the same location.

The Company’s share capital consists of 1.512.000.000 units of shares with the nominal value of TL 0,01.

The shareholders of the Company and their shareholding structures as of December 31, 2022 and 2021 are as follows:

	December 31, 2022		December 31, 2021	
Shareholders	**Amount in TL**	Share (%)	Amount in TL	Share (%)
Mahindra Overseas Investment Company Ltd.	**9.633.788**	**%63,7**	9.633.788	%63,7
Erkunt Traktör Sanayii A.Ş.	**5.288.795**	**%35,0**	5.288.795	%35,0
Bürge Ceylan Kaleli	**110.950**	**%0,7**	110.950	%0,7
Ahmet Nalbur	**15.120**	**%0,1**	15.120	%0,1
Rezzan Oral	**147**	**-**	147	-
Other	**71.200**	**%0,5**	71.200	%0,5
Total	**15.120.000**	**100,0**	15.120.000	100,0

Total number of employees of the Company as of December 31, 2022 is 1.521 (December 31, 2021: 1.510).

2. Basis of presentation of financial statements and summary of accounting policies

2.1 Basis of presentation

The Company maintains its legal books of account and prepare its statutory financial statements (“Statutory Financial Statements”) in accordance with accounting principles issued by the Turkish Commercial Code (“TCC”) and tax legislation.

The accompanying financial statements of the Company have been prepared in accordance with the principles of Turkish Accounting Standards (“TAS”), as issued by the Public Oversight Accounting and Auditing Standards Authority (“POA”).

Financial statements and footnotes are presented in accordance with the financial statement examples and user guide announced by the POA with the principle decision dated April 15, 2019.

The financial statements have been prepared under the historical cost convention. In determining the historical cost, generally the fair value of the price paid for the assets is taken as basis.

Functional and reporting presentation currency

The currency and functional currency of the country of residence of the Company is Turkish Lira (“TL”). The Company uses Turkish Lira (“TL”) the measurement items in its financial statements.

Going concern

The Company prepared its financial statements in accordance with the going concern assumption.

Approval of the financial statements

The financial statements have been approved and authorized to be published on March 6, 2023, by the Board of Directors. The General Assembly has the authority to revise the financial statements.

2.2 Restatement and errors in the accounting policies and estimates

Any change in the accounting policies resulted from the first time adoption of a new standards, if any, is made either retrospectively or prospectively. Changes without any transition requirement, material changes in accounting policies or material errors are corrected retrospectively by restating the prior period financial statements. If changes in accounting estimates are related to only one period, they are recognized in the period applied; if changes in estimates are related to future periods, they are recognized both in the period where the change is applied and future periods prospectively.

2.3 Comparative information and restatement of financial statements with prior periods

The Company’s financial statements are prepared in comparison with the previous period in order to allow for the determination of the financial position and performance trends in accordance with a new illustrative financial statements. Comparative information is reclassified when necessary and important differences are explained in order to ensure compliance with the presentation of the current period financial statements.

2.4 The new standards, amendments and interpretations

The accounting policies adopted in preparation of the financial statements as of December 31, 2022 are consistent with those of the previous financial year, except for the adoption of new and amended TFRS and TFRS interpretations effective as of January 1, 2022 and thereafter. The effects of these standards and interpretations on the Company’s financial position and performance have been disclosed in the related paragraphs.

i) The new standards, amendments and interpretations which are effective as of January 1, 2022 are as follows:

– Amendments to TFRS 3 – Reference to the Conceptual Framework

In July 2020, POA issued amendments to TFRS 3 Business combinations. The amendments are intended to replace to a reference to a previous version of the Conceptual Framework (the 1989 Framework) with a reference to the current version issued in March 2018 (the Conceptual Framework) without significantly changing requirements of TFRS 3. At the same time, the amendments add a new paragraph to TFRS 3 to clarify that contingent assets do not qualify for recognition at the acquisition date. The amendments must be applied prospectively.

– Amendments to TAS 16 – Proceeds before intended use

In July 2020, POA issued amendments to TAS 16 Property, plant and equipment. The amendment prohibits entities from deducting from the cost of an item of property, plant and equipment (PP&E), any proceeds of the sale of items produced while bringing that asset to the location and condition necessary for it to be capable of operating in the manner intended by management. Instead, an entity recognizes the proceeds from selling such items, and costs of producing those items, in profit or loss. The amendments must be applied retrospectively only to items of PP&E made available for use on or after beginning of the earliest period presented when the entity first applies the amendment.

– Amendments to TAS 37 – Onerous contracts – Costs of Fulfilling a Contract

In July 2020, POA issued amendments to TAS 37 Provisions, Contingent Liabilities and Contingent assets. The amendments specify which costs an entity needs to include when assessing whether a contract is onerous or loss-making and also apply a "directly related cost approach". Amendments must be applied prospectively to contracts for which an entity has not fulfilled all of its obligations at the beginning of the annual reporting period in which it first applies the amendments (the date of initial application).

Annual Improvements – 2018–2020 Cycle

In July 2020, POA issued Annual Improvements to TFRS Standards 2018–2020 Cycle, amending the followings:

- TFRS 1 First-time Adoption of International Financial Reporting Standards – Subsidiary as a first-time adopter: The amendment permits a subsidiary tto measure cumulative translation differences using the amounts reported by the parent. The amendment is also applied to an associate or joint venture.
- TFRS 9 Financial Instruments – Fees in the "10 per cent test" for derecognition of financial liabilities: The amendment clarifies the fees that an entity includes when assessing whether the terms of a new or modified financial liability are substantially different from the terms of the original financial liability. These fees include only those paid or received between the borrower and the lender, including fees paid or received by either borrower or lender on the other's behalf.
- TAS 41 Agriculture – Taxation in fair value measurements: The amendment removes the requirement in paragraph 22 of TAS 41 that entities exclude cash flows for taxation when measuring fair value of assets within the scope of TAS 41.

ii) Standards issued but not yet effective and not early adopted

Standards, interpretations and amendments to existing standards that are issued but not yet effective up to the date of issuance of the financial statements are as follows. The Company will make the necessary changes if not indicated otherwise, which will be affecting the financial statements and disclosures, when the new standards and interpretations become effective.

- Amendments to TFRS 10 and TAS 28: Sale or Contribution of Assets between an Investor and its Associate or Joint Venture
- TFRS 17 - The new Standard for insurance contracts
- Amendments to TAS 1- Classification of Liabilities as Current and Non-Current Liabilities
- Amendments to TAS 8 - Definition of Accounting Estimates
- Amendments to TAS 1 - Disclosure of Accounting Policies
- Amendments to TAS 12 – Deferred Tax related to Assets and Liabilities arising from a Single Transaction
- Amendments to TFRS 16 - Lease Liability in a Sale and Leaseback

2.5 Summary of significant accounting policies

Cash and cash equivalents

Cash and cash equivalents are cash in hand, demand deposits and other short-term investments with a maturity of 3 months or less than 3 months, which are easily convertible into cash and do not carry a significant risk of change in value (Note 3). Bank deposits with a maturity of longer than 3 months and less than 1 year are classified as short-term financial investments.

Financial instruments

Financial assets and financial liabilities are recognised in the Company's statement of financial position when the Company becomes a part of the contractual provisions of the instrument. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis.

The Company classifies its financial assets as (a) Business model used for managing financial assets, (b) financial assets subsequently measured at amortised cost, at fair value through other comprehensive income or at fair value through profit or loss based on the characteristics of contractual cash flows. The Company reclassifies all financial assets effected from the change in the business model it uses for the management of financial assets. The reclassification of financial assets is applied prospectively from the reclassification date. In such cases, no adjustment is made to gains, losses (including any gains or losses of impairment) or interest previously recognized in the financial statements.

Classification of financial assets

Financial assets that meet the following conditions are measured subsequently at amortised cost:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets that meet the following conditions are measured subsequently at fair value through other comprehensive income (FVTOCI):

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling the financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

By default, all other financial assets are measured subsequently at fair value through profit or loss (FVTPL).

Despite the foregoing, the Company may make the following irrevocable election/designation at initial recognition of a financial asset; the Company may irrevocably elect to present subsequent changes in fair value of an equity investment in other comprehensive income if certain criteria are met.

(i) Amortised cost and effective interest method

Interest income on financial assets carried at amortized cost is calculated using the effective interest method. The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. This income is calculated by applying the effective interest rate to the gross carrying amount of the financial asset:

a) Credit-impaired financial assets when purchased or generated. For such financial assets, the Company applies the effective interest rate on the amortized cost of a financial asset based on the loan from the date of the recognition in the financial statements.

b) Non-financial assets that are impaired at the time of acquisition or generation but subsequently become a financial asset that has been impaired. For such financial assets, the Company applies the effective interest rate to the amortized cost of the asset in the subsequent reporting periods.

Interest income is recognised using the effective interest method for debt instruments measured subsequently at amortised cost and at FVTOCI.

Interest income is recognised in profit or loss and is included in the "finance income – interest income" line item.

(ii) Financial assets at FVTPL

Financial assets that do not meet the criteria for being measured at amortised cost or FVTOCI are measured at FVTPL.

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any fair value gains or losses recognized in profit or loss to the extent they are not part of a designated hedging relationship.

Equity instruments designated as at FVTOCI

On initial recognition, the Company may make an irrevocable election (on an instrument-by-instrument basis) to designate investments in equity instruments as at FVTOCI. Designation at FVTOCI is not permitted if the equity investment is held for trading or if it is contingent consideration recognised by an acquirer in a business combination.

A financial asset is held for trading if:

– it has been acquired principally for the purpose of selling it in the near term; or
– on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has evidence of a recent actual pattern of short-term profit-taking; or
– it is a derivative (except for a derivative that is a financial guarantee contract or a designated and effective hedging instrument).

Investments in equity instruments at FVTOCI are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognized in other comprehensive income and accumulated in the investments revaluation reserve. The cumulative gain or loss is not reclassified to profit or loss on disposal of the equity investments, instead, it is transferred to retained earnings.

Foreign exchange gains and losses

The carrying amount of financial assets that are denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of each reporting period. Specifically,

– for financial assets measured at amortized cost that are not part of a designated hedging relationship, exchange differences are recognized in profit or loss;
– for debt instruments measured at FVTOCI that are not part of a designated hedging relationship, exchange differences on the amortized cost of the debt instrument are recognized in profit or loss.

Other exchange differences are recognized in other comprehensive income in the investments revaluation reserve;

– for financial assets measured at FVTPL that are not part of a designated hedging relationship, exchange differences are recognized in profit or loss and
– for equity instruments measured at FVTOCI, exchange differences are recognized in other comprehensive income in the investments revaluation reserve.

Impairment of financial assets

The Company recognizes a loss allowance for expected credit losses on investments in debt instruments that are measured at amortized cost or at FVTOCI, lease receivables, trade receivables and contract assets, as well as financial guarantee contracts. The amount of expected credit losses is updated at each Reporting date to reflect changes in credit risk since initial recognition of the respective financial instrument.

The Company utilizes a simplified approach for trade receivables, contract assets and lease receivables that does not have significant financing component and calculates the allowance for impairment against the lifetime ECL of the related financial assets.

For all other financial instruments, the Company recognizes lifetime ECL when there has been a significant increase in credit risk since initial recognition. However, if on the other hand, the credit risk on the financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12 month ECL.

Measurement and recognition of expected credit losses

The measurement of expected credit losses is a function of the probability of default, loss given default (i.e. the magnitude of the loss if there is a default) and the exposure at default. The assessment of the probability of default and loss given default is based on historical data adjusted by forward-looking information. As for the exposure at default, for financial assets, this is represented by the assets' gross carrying amount at the reporting date.

For financial assets, the expected credit losses is estimated as the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive, discounted at the original effective interest rate.

Derecognition of financial assets

The Company derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity.

On derecognition of a financial asset measured at amortised cost, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in profit or loss. In addition, on derecognition of an investment in a debt instrument classified as at FVTOCI, the cumulative gain or loss previously accumulated in the investments revaluation reserve is reclassified to profit or loss. In contrast, on derecognition of an investment in equity instrument which the Company has elected on initial recognition to measure at FVTOCI, the cumulative gain or loss previously accumulated in the investments revaluation reserve is not reclassified to profit or loss, but is transferred to retained earnings.

<u>Financial liabilities</u>

Financial liabilities are classified as at FVTPL on initial recognition. On initial recognition of liabilities other than those that are recognised at FVTPL, transaction costs directly attributable to the acquisition or issuance thereof are also recognised in the fair value. A financial liability is subsequently classified at amortized cost except:

a) Financial liabilities at FVTPL: These liabilities including derivative instruments are subsequently measured at fair value.
b) Financial liabilities arising if the transfer of the financial asset does not meet the conditions of derecognition from the financial statements or if the ongoing relationship approach is applied: When the Company continues to present an asset based on the ongoing relationship approach, a liability in relation to this is also recognised in the financial statements. The transferred asset and the related liability are measured to reflect the rights and liabilities that the Company continues to hold. The transferred liability is measured in the same manner as the net book value of the transferred asset.
c) A contingent consideration recognized in the financial statements by the entity acquired in a business combination where TFRS 3 is applied: After initial recognition, the related contingent consideration is measured as at FVTPL.

The Entity does not reclassify any financial liability.

<u>Derecognition of financial liabilities</u>

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable, including any non-cash assets transferred or liabilities assumed, is recognized in profit or loss.

<u>Derivative financial instruments</u>

The Company enters into a variety of derivative financial instruments to manage its exposure to interest rate and foreign exchange rate risks, including foreign exchange forward contracts, options and interest rate swaps.

Derivatives are recognized initially at fair value at the date a derivative contract is entered into and are subsequently remeasured to their fair value at each reporting date. The resulting gain or loss is recognized in profit or loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in profit or loss depends on the nature of the hedge relationship.

A derivative with a positive fair value is recognized as a financial asset whereas a derivative with a negative fair value is recognized as a financial liability. Derivatives are not offset in the financial statements unless the Company has both legal right and intention to offset. A derivative is presented as a non-current asset or a non-current liability if the remaining maturity of the instrument is more than 12 months and it is not expected to be realized or settled within 12 months. Other derivatives are presented as current assets or current liabilities.

Related parties

Parties are considered related to the Company if:

a) A person or a close member of that person's family is related to a reporting entity if that;

The related person or entity that is related to the entity preparing its financial statements (for this note will be named as reporting entity'):

(i) Has control or joint control over the reporting entity;
(ii) Has significant influence over the reporting entity; or
(iii) Is a member of the key management personnel of the reporting entity or of a parent of the reporting entity

(b) An entity is related to a reporting entity if any of the following conditions applies:

(i) The entity and the reporting entity are members of the same company (which means that each Parent, subsidiary and fellow subsidiary is related to the others).
(ii) One entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a company of which the other entity is a member).

(iii) Both entities are joint ventures of the same third party.

(iv) One entity is a joint venture of a third entity and the other entity is an associate of the third entity.

(v) The entity is a post-employment benefit plan for the benefit of employees of either the reporting entity or an entity related to the reporting entity. If the reporting entity is itself such a plan, the sponsoring employers are also related to the reporting entity.

(vi) The entity is controlled or jointly controlled by a person identified in (a).

(vii) A person identified in (a)(i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity).

A related party transaction is a transfer of resources, services or obligations between a reporting entity and a related party, regardless of whether a price is charged.

Inventories

Inventories are valued at the lower of cost or net realizable value. The costs, including an appropriate portion of fixed and variable overhead expenses, are assigned to inventories held by the method most appropriate to the particular class of inventory, with the majority valued by using the monthly weighted average method. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

Property, plant and equipment

Property, plant and equipment are carried at cost less accumulated depreciation and any accumulated impairment losses. Land is not depreciated and carried at cost less accumulated impairment.

Properties in the course of construction for production, supply or administrative purposes, or for purposes not yet determined, are carried at cost, less any recognized impairment loss. Cost includes professional fees and, for qualifying assets, borrowing costs capitalized in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

Depreciation is recognized so as to write off the cost or valuation of assets, other than freehold land and properties under construction, less their residual values over their estimated useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in profit or loss.

	Useful life
Building	50 years
Machinery and equipment	2-33 years
Vehicles	4-5 years
Furniture and fixtures	2-50 years
Leasehold improvements	4-15 years

Expenses after the capitalization are added to the cost of related asset and reflected in financial statements as a separate asset if they shall mostly provide an economic benefit and their cost is measured in a trustable manner. Property, plant and equipment are reviewed for impairment if there are conditions showing that the securities are more than amount recoverable. Assets are grouped at the lowest level which is cash-generating unit in order to determine impairment (cash-generating unit).

Carrying amount of a tangible asset and recoverable value is the one which is higher than the net sales price following the deduction of commensurable value for the sale of the asset. Useful life of assets are reviewed as of date of balance sheet and adjusted, if required.

Maintenance and repair expenses are recorded as expense to the statement of profit or loss of the related period. The Company omits the carrying values of the changed pieces occurred with respect to renovations from the balance sheet without considering whether they are subject to depreciation in an independent manner from other sections. Main renovations are subject to deprecation based on the shortest of residual life of the related tangible asset or useful life of the renovation itself.

Intangible assets

Out of the purchased intangible fixed assets, those with a finite life are presented at cost less accumulated amortization and accumulated impairment losses.

Intangible assets are amortized principally on a straight-line basis over their estimated useful lives and production amounts. The estimated useful life and amortization method are reviewed at the end of each annual reporting period, and any changes in the estimate are accounted for on a prospective basis.

Investment properties

Investment properties are properties held to earn rentals and/or for capital appreciation, including property under construction for such purposes. Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at fair value.

When the use of a property changes such that it is reclassified as property, plant and equipment, its fair value at the date of reclassification becomes its cost for subsequent accounting. An investment property is derecognized upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the period in which the property is derecognized.

IFRS 16 "Leases" standard

Company - as a lessee

The Company assesses whether a contract is or contains a lease, at inception of the contract. The Company recognises a right-of-use asset and a corresponding lease liability with respect to all lease arrangements in which it is the lessee, except for short-term leases (defined as leases with a lease term of 12 months or less) and leases of low value assets. For these leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased assets are consumed.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted by using the rate implicit in the lease. If this rate cannot be readily determined, the Company uses its incremental borrowing rate.

Lease payments included in the measurement of the lease liability comprise:

– fixed lease payments (including in-substance fixed payments), less any lease incentives;

– variable lease payments that depend on an index or rate, initially measured using the index or rate at the commencement date;

– the amount expected to be payable by the lessee under residual value guarantees;

– the exercise price of purchase options, if the lessee is reasonably certain to exercise the options; and

– payments of penalties for terminating the lease, if the lease term reflects the exercise of an option to terminate the lease.

The lease liability is presented as a separate line in the statement of financial position. The lease liability is subsequently measured by increasing the carrying amount to reflect interest on the lease liability (using the effective interest method) and by reducing the carrying amount to reflect the lease payments made. The Company remeasures the lease liability (and makes a corresponding adjustment to the related right-of-use asset) whenever:

– The lease term has changed or there is a change in the assessment of exercise of a purchase option, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate.

– The lease payments change due to changes in an index or rate or a change in expected payment under a guaranteed residual value, in which cases the lease liability is remeasured by discounting the revised lease payments using the initial discount rate (unless the lease payments change is due to a change in a floating interest rate, in which case a revised discount rate is used).

– A lease contract is modified and the lease modification is not accounted for as a separate lease, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate at the effective date of the modification.

The Company did not make any such adjustments during the periods presented.

Right-of-use assets include the initial measurement of the corresponding lease liability, lease payments incurred on or before the lease actually commences, and other direct initial costs. These assets are subsequently measured at cost less accumulated depreciation and impairment losses.

The Company applies TAS 36 to determine whether a right-of-use asset is impaired and accounts for any identified impairment loss as described in the 'Property, Plant and Equipment' policy. Variable rents that do not depend on an index or rate are not included in the measurement of the lease liability and the right of- use asset. The related payments are recognized as an expense in the period in which the event or condition that triggers those payments occurs and are included in 'Other expenses' in profit or loss.

Right-of-use assets are depreciated over the shorter period of lease term and useful life of the underlying asset. If a lease transfers ownership of the underlying asset or the cost of the right-of-use asset reflects that the Company expects to exercise a purchase option, the related right-of-use asset is depreciated over the useful life of the underlying asset. The depreciation starts at the commencement date of the lease.

Revenue recognition

Company recognizes revenue when the goods or services are transferred to the customer and when performance obligation is fulfilled. Goods are counted to be transferred when the control belongs to the customer. The principal activities of the Company are production of iron and steel rolled products, alloyed and non-alloyed iron, steel and pig iron castings, cast and pressed products and their by-products.

Company recognizes revenue based on the following main principles:

a) Identification of customer contracts

b) Identification of performance obligations

c) Determination of transaction price in the contract

d) Allocation of price to performance obligations

e) Recognition of revenue when the performance obligations are fulfilled

The Company evaluates the products it has committed in each contract with customers and determines each commitment it has made to transfer the said goods or services as a separate performance obligation. Whether the performance obligation for each contract will be realized at a certain time or over time is evaluated at the beginning of the contract. If the Company realizes the transfer of control of its goods and services over time and fulfils its performance obligation over time, it measures the progress in fulfilling the performance obligation and records the revenues in the financial statements.

Employee termination benefits

According to the Turkish law, employee termination payments are made to employees in the case of retiring or involuntarily leaving. Such payments are considered as a part of defined retirement benefit plan in accordance with TAS 19 (revised) Employee Benefits ("TAS 19").

The employment termination benefit has been calculated by estimating the present value of the future probable obligation of the Company arising from the retirement of employees. TAS 19 ("Employee Benefits") requires actuarial valuation methods to be developed to estimate the Company's obligation under defined benefit plans. The actuarial assumptions used in the calculation of the present value of the future probable obligation are as follows:

	December 31, 2022	**December 31, 2021**
Interest rate (%)	22,00	21,50
Inflation rate (%)	18,00	16,90

Provisions, contingent liabilities and contingent assets

Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Contingent liabilities and contingent assets

A possible obligation or asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company have not been recognized in these financial statements and treated as contingent liabilities and contingent assets.

Taxation and deferred income taxes

Income tax expense represents the sum of the current tax and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from profit as reported in the statement of profit or loss because it excludes items of income or expense that are taxable or deductible in future and it further excludes items that are never taxable or deductible. The Company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is determined by calculating the temporary differences between the carrying amounts of assets/liabilities in the financial statements and the corresponding tax bases, used in the computation of the taxable profit, using currently enacted tax rates.

Deferred tax liabilities are generally recognized for all taxable temporary differences where deferred tax assets resulting from deductible temporary differences are recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary difference can be utilized. Such assets and liabilities are not recognized if the temporary difference arises from goodwill or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax liabilities are recognized for taxable temporary differences associated with investments in subsidiaries and associates, and interests in joint ventures, except where the Company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future. Deferred tax assets arising from deductible temporary differences associated with such investments and interests are only recognized if it is probable that there will be sufficient taxable profits against which to utilize the benefits of the temporary differences and they are expected to reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the balance sheet date.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

Current and deferred tax for the period

Current and deferred tax are recognized as an expense or income in the statement of profit or loss, except when they relate to the items credited or debited directly to the equity (in this case the deferred tax related to these items is also recognized directly in the equity), or where they arise from the initial accounting of a business combination. In the case of a business combination, the tax effect is taken into account in calculating goodwill or determining the excess of the acquirer's interest in the net fair value of the acquiree's identifiable assets, liabilities and contingent liabilities over cost.

Statement of cash flows

Cash flows during the period are classified and reported as operating, investing and financing activities in the statement of cash flows.

Cash flows arising from operating activities represent the cash flows that are used in or provided by the sales activities.

Cash flows arising from investment activities represent the cash flows that are used in or provided by the investing activities (direct investments and financial investments) of the Company.

Cash flows arising from financing activities represent the cash proceeds from the financing activities of the Company and the repayments of these funds.

Cash and cash equivalents comprises of the cash on hand, the demand deposits and highly liquid other short-term investments which their maturities are three months or less from the date of acquisition, are readily convertible to cash and are not subject to a significant risk of changes in value.

The translation difference that occurs due to translation from functional currency to presentation currency is shown as translation difference on cash flow statement.

Subsequent events

Subsequent events include all events that take place between the balance sheet date and the date of authorization for the release of the balance sheet, although the events occurred after the announcements related to the net profit/loss or even after the public disclosure of other selective financial information.

In the case that events occur requiring an adjustment, the Company adjusts the amounts recognized in its financial statements to reflect the adjustments after the balance sheet date. Post period end events that are not adjusting events are disclosed in the notes when material.

2.6 Critical accounting judgments, estimates and assumptions

The preparation of financial statements requires estimates and assumptions to be made regarding the amounts for the assets and liabilities at the balance sheet date, and explanations for the contingent assets and liabilities as well as the amounts of income and expenses realized in the reporting period. These estimates and assumptions are reviewed regularly, taking into account past experiences and factors expected to arise in the future under certain conditions. Uncertainty about these estimates and assumptions may require significant adjustments in the carrying values of assets and liabilities. Actual results may differ from estimates and assumptions.

Comments that may have a significant impact on the amounts reflected in the financial statements and the significant assumptions and evaluations made by considering the main sources of the estimates that may or may occur at the balance sheet date are as follows:

a) Provisions for employment termination benefits have been calculated according to the (discount rate, estimated future wage increase, and rate of retirement of the employees) based on actuarial assumptions.

b) Provisions for lawsuits are determined by the management with support of the Company's legal advisers that can result a cash outflow for the Company in every period at the date of preparation of financial statements.

c) The Company's management has made certain important assumptions based on experiences of their technical personnel in determining useful economic life of the property, plant and equipment.

d) The Company reviews its assets for any possible impairment if there is an indication of assets cannot be sold at their book value in accordance with current developments and changing circumstances. In case of such an indication and book value of assets exceed their estimated recoverable values, assets and cash providing units are stated at estimated recoverable values. The recoverable value of assets is stated at greater of net selling price or value in use.

3. Cash and cash equivalents

	December 31, 2022	December 31, 2021
Cash on hand	**1.645**	6.014
Cash in banks:		
– Time deposit	**2.000.000**	–
– Demand deposit	**25.704.053**	20.805.344
Other cash and cash equivalents (*)	**6.361.153**	–
Total	**34.066.851**	20.811.358

(*) It consists of money market funds that do not contain stock funds.

The details of the time deposits as of December 31, 2022 are as follows:

	Maturity	**Interest rate (%)**	**December 31, 2022**
Turkish Lira	January 2023	**11,50**	**2.000.000**
Total			**2.000.000**

The currency details of the time and demand deposits as of December 31, 2022 and 2021 are as follows:

	December 31, 2022	December 31, 2021
Euro	**19.313.720**	20.123.369
British Pound	**3.971.363**	667.211
US Dollar	**2.341.514**	10.129
Turkish Lira	**2.077.456**	4.635
Total	**27.704.053**	20.805.344

As of December 31, 2022, there are no blockage, pledges or mortgages on cash and cash equivalents (December 31, 2021: None).

4. Financial liabilities

The details of financial liabilities as of December 31, 2022 and 2021 are as follows:

	December 31, 2022	December 31, 2021
Short-term financial liabilities:		
Short-term bank loans	**10.349.000**	5.949.000
Current portion of long-term operation lease liabilities	**6.838.179**	2.148.102
Other financial liabilities (*)	**347.019**	134.312
Total	**17.534.198**	8.231.414
Long-term financial liabilities:		
Long-term operation lease liabilities	**22.421.184**	11.081.410
Total	**22.421.184**	11.081.410

(*) Other financial liabilities consist of credit card payables.

Movements of bank loans for the year ended December 31, 2022 and 2021 are as follows:

	2022	2021
January 1	**5.949.000**	7.903.316
Addition	**47.495.000**	39.780.312
Principal paid	**(43.095.000)**	(41.734.628)
December 31	**10.349.000**	5.949.000

5. Trade receivables and payables

a) Trade receivables

The details of trade receivables as of December 31, 2022 and 2021 are as follows:

	December 31, 2022	December 31, 2021
Trade receivables from third parties	**339.573.032**	251.322.194
Doubtful receivables	**329.806**	329.806
Trade receivables from related parties (Note 26)	**104.852.510**	35.449.776
Total	**444.755.348**	287.101.776
Minus: Provision for doubtful receivables	**(329.806)**	(329.806)
Minus: Expected credit loss		
Third parties	**(571.654)**	(2.055.205)
Related parties (Note 26)	**(2.318.107)**	(251.372)
Trade receivables, net	**441.535.781**	284.465.393

The maturity of the Company's trade receivables varies depends on the contracts signed. However, the average maturity for the trade receivables as of December 31, 2022 is 48 days (2021: 47 days). As of December 31, 2022, there was no calculation of unearned finance income as it had no significant influence on trade receivables.

The movement of the Company's provision for doubtful receivables as of December 31, 2022 and 2021 is as follows:

	2022	2021
January 1	**(329.806)**	(329.806)
Charge during the year (Note 22)	**–**	–
Provision no longer required (Note 22)	**–**	–
December 31	**(329.806)**	(329.806)

The movement of the Company's expected credit loss as of December 31, 2022 and 2021 is as follows:

	2022	2021
January 1	**(2.306.577)**	(1.803.250)
Charge during the year (Note 22)	**(2.889.761)**	(2.306.577)
Provision no longer required (Note 22)	**2.306.577**	1.803.250
December 31	**(2.889.761)**	(2.306.577)

b) Trade payables

The details of trade payables as of December 31, 2022 and 2021 are as follows:

	December 31, 2022	December 31, 2021
Trade payables to third parties	**446.015.287**	246.219.825
Trade payables to related parties (Note 26)	**5.476.539**	1.723.441
Total	**451.491.826**	247.943.266

The maturity of the Company's trade payables varies depends on the contracts signed. However, the average maturity for the trade payables as of December 31, 2022 is 61 days (2021: 50 days).

6. Other receivables and payables

a) Other receivables

The details of short-term other receivables as of December 31, 2022 and 2021 are as follows:

	December 31, 2022	December 31, 2021
Other receivables from third parties	**126.537**	127.072
Other receivables from related parties (Note 26)	**33.397**	73.302
Total	**159.934**	200.374

The details of long-term other receivables as of December 31, 2022 and 2021 are as follows:

	December 31, 2022	December 31, 2021
Deposits and guarantees given	**1.299.028**	674.788
Total	**1.299.028**	674.788

b) Other payables

The details of short-term other payables as of December 31, 2022 and 2021 are as follows:

	December 31, 2022	December 31, 2021
Other payables to third parties	**656.561**	2.496.227
Total	**656.561**	2.496.227

The details of long-term other payables as of December 31, 2022 and 2021 are as follows:

	December 31, 2022	December 31, 2021
Other payables to related parties (Note 26)	**8.525**	8.525
Total	**8.525**	8.525

7. Inventories

The details of inventories as of December 31, 2022 and 2021 are as follows:

	December 31, 2022	December 31, 2021
Raw materials and supplies	**163.521.220**	87.029.030
Work in process	**98.882.304**	44.197.876
Finished goods	**11.411.325**	12.591.216
Goods in transit	**524.338**	331.922
Total	**274.339.187**	144.150.044

The amount of insurance cover on inventories is TL 100.000.000 for the year ended December 31, 2022 (December 31, 2021: TL 27.500.000).

8. Prepaid expenses and deferred income

a) Prepaid expenses

The details of short-term prepaid expenses as of December 31, 2022 and 2021 are as follows:

	December 31, 2022	December 31, 2021
Prepaid expenses for next months	**2.310.777**	1.619.230
Advances given	**7.943.989**	1.309.507
Other	**9.700**	2.000
Total	**10.264.466**	2.930.737

The details of long-term prepaid expenses as of December 31, 2022 and 2021 are as follows:

	December 31, 2022	December 31, 2021
Advances given	**4.494.983**	3.631.711
Prepaid expenses	**41.192**	–
Total	**4.536.175**	3.631.711

b) Deferred income

The details of deferred income as of December 31, 2022 and 2021 are as follows:

	December 31, 2022	December 31, 2021
Income related to future months (*)	**5.253.292**	3.047.368
Advances received	**180.570**	107.852
Total	**5.433.862**	3.155.220

(*) Delivered duty paid ("DDP") is a delivery agreement whereby the seller assumes all of the responsibility, risk, and costs associated with transporting goods until the buyer receives or transfers them at the destination port. Income related to future months consist of sales which are not recorded as revenue due to delivery method.

9. Investment properties

Movement of investment properties and accumulated amortization for the year ended December 31, 2022 and 2021 are as follows:

	January 1, 2022	**Addition**	**December 31, 2022**
Cost:			
Building	**721.459**	**–**	**721.459**
Total cost	**721.459**	**–**	**721.459**
Accumulated depreciation:			
Buildings	**340.376**	**14.429**	**354.805**
Total accumulated depreciation	**340.376**	**14.429**	**354.805**
Book value	**381.083**		**366.654**

	January 1, 2021	Addition	December 31, 2021
Cost:			
Building	721.459	–	721.459
Total cost	721.459	–	721.459
Accumulated depreciation:			
Buildings	325.907	14.469	340.376
Total accumulated depreciation	325.907	14.469	340.376
Book value	395.552		381.083

The Company included the depreciation expenses from investment properties for the year ended December 31, 2022 amounting to TL 14.429 under the general administration expenses (2021: TL 14.469).

Investment properties consist of 3.550 m^2 of administrative buildings with an area of 15.461 m^2 in Ankara Sincan Organized Industrial Zone Batıhun Street.

10. Property, plant and equipment

Movement of property, plant and equipment and accumulated depreciation between January 1 - December 31, 2022 are as follows:

Cost	**Land**	**Land improvements**	**Buildings**	**Plant, machinery and equipment**	**Vehicles**	**Furniture and fixtures**	**Other tangible fixed assets**	**Leasehold improvements**	**Construction in progress**	**Total**
Opening Balance as of January 1, 2022	**1.386.469**	**7.433.733**	**15.069.597**	**327.062.590**	**432.745**	**9.760.556**	**5.134.216**	**555.012**	**37.822.274**	**404.657.192**
Additions	**–**	**826.463**	**–**	**49.093.475**	**–**	**3.184.777**	**201.406**	**1.364.696**	**15.821.967**	**70.492.784**

Long-term provision:		
Provision for employee termination benefits	**105.004.904**	39.781.255
Total	**105.004.904**	39.781.255

The movements of the provision for unused vacation are as follows:

	2022	2021
January 1	**5.188.887**	3.766.609
Addition/ (used) during year, net	**4.569.995**	1.422.278
December 31	**9.758.882**	5.188.887

The movements of the provision for bonus payments are as follows:

	2022	2021
January 1	**4.613.429**	–
Addition	**3.427.808**	4.613.429
December 31	**8.041.237**	4.613.429

According to the articles of Turkish Labor Law in force, the Company have obligation to pay the legal employee termination benefits to each employee whose are 25 years of working life by completing at least one year of service, leaving for military services and deceased.

As of December 31, 2022, the amount payable consists of one month's salary limited to a maximum of TL 15.371,40 (December 31, 2021: TL 8.284,51) for each year of service. As of January 1, 2023, the employment termination benefit has been updated to a maximum of TL 19.982,83.

The employment termination benefit legally is not subject to any funding requirement.

As of December 31, 2022 and 2021, movements of the provision for employee termination benefits are as follows:

	2022	2021
January 1	**39.781.255**	31.012.525
Service cost	1.337.396	1.478.848
Interest cost (Note 24)	8.751.876	6.667.693
Payments (-)	(4.662.709)	(4.783.860)
Actuarial loss	59.797.086	5.406.049
December 31	**105.004.904**	39.781.255

The employment termination benefit has been calculated by estimating the present value of the future probable obligation of the Company arising from the retirement of employees. IAS 19 ("Employee Benefits") requires actuarial valuation methods to be developed to estimate the Company's obligation under defined benefit plans.

The actuarial assumptions used in the calculation of the present value of the future probable obligation are as follows:

	December 31, 2022	December 31, 2021
Interest rate (%)	22,00	21,50
Inflation rate (%)	18,00	16,90
Probability of retirement (%)	97,08	93,44

The principal assumptions used in the calculation of retirement pay liability are interest rate and inflation rate. All other variables were held constant, the sensitivity analysis of the assumptions which was used for the calculation of provision for employment termination benefits as of December 31, 2022 as follows:

Sensitivity level	**Interest rate**	
Change in rate	1% increase	1% decrease
Change in employee benefits liability	(8.610.310)	8.610.310

Sensivity level		**Inflation rate**
Change in rate	1% increase	1% decrease
Change in employee benefits liability	10.311.974	(10.311.974)

14. Other assets

	December 31, 2022	December 31, 2021
VAT carried forward	**70.042.565**	33.695.212
Other VAT	**186.321**	186.321
Total	**70.228.886**	33.881.533

15. Provisions, commitments and contingencies

a) Provisions

The details of provisions for litigation as of December 31, 2022 and 2021 are as follows:

	December 31, 2022	December 31, 2021
Litigation provision	**568.520**	414.191
Total	**568.520**	414.191

As of December 31, 2022 and 2021, movements of the provision for litigation are as follows:

	2022	2021
January 1	**414.191**	671.036
Charge during the year (Note 22)	**232.530**	106.089
Provision no longer required (Note 22)	**(78.201)**	(362.934)
December 31	**568.520**	414.191

b) Commitments and contingencies

The details of the collaterals, pledges and mortgages ("CPM") as of December 31, 2022 and 2021 are as follows:

	December 31, 2022	December 31, 2021
Letters of guarantees received:		
Turkish Lira	**3.589.879**	3.049.368
Us Dollar	**-**	116.100

25. Taxation

	December 31, 2022	December 31, 2021
Current income tax expense	**35.805.384**	28.595.047
Less: Prepaid current income taxes	**(28.991.383)**	(17.001.011)
Tax asset/ liabilities, net	**6.814.001**	11.594.036

Corporate tax is applied on taxable corporate income, which is calculated from the statutory accounting profit by adding non-deductible expenses, and by deducting dividends received from resident companies, other exempt income and investment incentives utilized.

In addition to corporate taxes, companies should also calculate income withholding taxes on dividends distributed, except for the dividends distributed to fully fledged taxpayer companies receiving and declaring these dividends and to Turkish branches of foreign companies. As of December 31, 2022, income tax withholding is applied as 10%. Undistributed dividends incorporated in share capital are not subject to the income withholding taxes.

In Turkey, a definite and distinct reconciliation procedure for tax assessment does not exist. Companies file their tax returns between 1 April - 25 April following the closing period of the related year's accounts. Tax returns and related accounting records may be examined and revised within five years.

75% of the gains arising from the sale of participation shares, which are in the assets of the corporations for at least two full years, and 50% of the gains arising from the sale of the intangibles that are in the assets for the same period of time, are exempt from tax, provided that they are added to the capital as stipulated in the Corporate Tax Law. .

In Turkey, provisional tax is calculated on a quarterly basis. The temporary tax rate on corporate earnings for 2022 is 23% (31 December 2021: 25%).

Pursuant to the Provisional 7316 added with the Article 11 of the Law on Corporate Income Tax, published in the Official Gazette dated 22 April 2021 and numbered 31462, the corporate tax rate for the corporate earnings for the 2021 taxation period has been determined as 25%, and the corporate tax rate for the corporate earnings for the 2022 taxation period has been determined as 23%. With the amendment added to Article 32 of the Corporate Tax Law, these rates will be applied with a discount of 1 point to the earnings from production activities and earnings from exports. In Turkey, advance tax returns are filed on a quarterly basis. The temporary tax of 2022 has been calculated over the corporate earnings using the rate 23%, during the temporary taxation period. (December 31, 2021: 25%).

Companies calculate provisional tax at the rate of 20% (22% for 2018, 2019 and 2020 taxation periods and 25% and 23% for 2021 and 2022 taxation periods, respectively) on their quarterly financial profits and declare them until the 14th day of the second month following that period. They pay until the evening of the seventeenth day. The temporary tax paid during the year belongs to that year and is deducted from the corporate tax to be calculated on the corporate tax return to be submitted in the following year. If the amount of temporary tax paid remains despite the deduction, this amount can be refunded in cash or deducted.

According to the Turkish tax legislation, financial losses shown on the declaration can be deducted from the corporate income for the period, provided that they do not exceed 5 years. However financial losses can not be offsetted from last year's profits. There is no practice in Turkey to reach an agreement with the tax authority regarding the taxes to be paid. Corporate tax returns are submitted to the relevant tax office until the evening of the last day of the fourth month following the month in which the accounting period is closed. However, the tax inspection authorities can examine the accounting records within five years, and if an incorrect transaction is detected, the tax amounts to be paid may change.

In the announcement published by the Public Oversight Accounting and Auditing Standards Authority on January 20, 2022, it is stated that TAS 29 Financial Reporting in Hyperinflationary Economies does not apply to the TFRS financial statements as of December 31, 2021, since the cumulative change in the general purchasing power of the last three years according to Consumer Price Index (CPI) is 74.41%. In this respect, financial statements as of December 31, 2021 are not adjusted for inflation in accordance with TAS 29. With the "Law Amending the Tax Procedure Law and the Corporate Tax Law", which was accepted on the agenda of the Turkish Grand National Assembly on January 20, 2022, the application of inflation accounting was postponed starting from the balance sheet dated December 31, 2023.

Movement of deferred income tax assets and liabilities for the year ended December 31, 2022 and 2021 are as follows:

	2022	2021
January 1	**8.564.361**	5.381.418
Deferred tax expense recognized in income statement	**14.265.249**	2.101.733
Deferred tax income recognized in equity	**11.959.417**	1.081.210
December 31	**34.789.027**	8.564.361

The Company recognizes deferred tax assets and liabilities based upon the temporary differences arising between its taxable statutory financial statements and its financial statements prepared in accordance with the TFRS. These differences usually result in the recognition of income and expenses tax bases in different reporting periods in the financial statements prepared according to TFRS.

The breakdown of cumulative temporary differences and the resulting deferred tax assets/ liabilities provided using effective tax rates as of December 31, 2022 and 2021 are as follows:

	Cumulative temporary differences	**Deferred tax assets/ (liabilities)**	**Cumulative temporary differences**	**Deferred tax assets/ (liabilities)**

27. Nature and level of risks arising from financial instruments

The primary financial instruments of the Company consist of cash and short-term deposits. The main objective of the related financial instruments is to finance Company’s business activities.

a) Capital risk management

The Company manages its capital to ensure that it will be able to continue as a going concern while maximizing the return to shareholders through the optimization of the equity balance.

Net financial debt calculated as total financial liabilities (including short and long-term bank borrowings) less cash and cash equivalents. This ratio is calculated as net financial debt divided by paid in capital.

	December 31, 2022	December 31, 2021
Financial liabilities	**39.955.382**	19.312.824
Less: Cash and cash equivalents	**(34.066.851)**	(20.811.358)
Net debt/ (cash)	**5.888.531**	(1.498.534)
Total paid in capital	**15.120.000**	15.120.000
Net debt/ paid in capital	**%39**	<0

b) Financial risk factors

The Company's activities expose it to a variety of financial risks: foreign exchange risk, credit risk and liquidity risk. Company Management and Board of Directors examines and approves the policies on the management of risks stated below. In addition, Company also considers the market risk of all of its financial instruments.

b.1) Credit risk management

(*) The factors that increase the credit reliability, such as guarantee received are not considered in the determination of the balance.

b.2) Liquidity risk management

Liquidity risk is the risk of Company not meeting its net funding requirements.

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The table includes both interest and principal cash flows.

Contractual Maturity Analysis December 31, 2022	**Carrying Value**	**Total Cash Outflow According To Contract (I+II+III)**	**Less Than 3 Months (I)**	**3-12 Months (II)**	**1-5 Years (III)**

AUDITOR'S REPORT

To the Annual General Meeting of Sampo-Rosenlew Oy

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Sampo-Rosenlew Oy (business identity code 0773638-7) for the year ended 31 March, 2023. The financial statements comprise the balance sheet, income statement, cash flow statement and notes.

In our opinion, the financial statements give a true and fair view of the company's financial performance and financial position in accordance with the laws and regulations governing the preparation of financial statements in Finland and comply with statutory requirements.

Basis for Opinion

We conducted our audit in accordance with good auditing practice in Finland. Our responsibilities under good auditing practice are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the company in accordance with the ethical requirements that are applicable in Finland and are relevant to our audit, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Board of Directors and the Managing Director for the Financial Statements

The Board of Directors and the Managing Director are responsible for the preparation of financial statements that give a true and fair view in accordance with the laws and regulations governing the preparation of financial statements in Finland and comply with statutory requirements. The Board of Directors and the Managing Director are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors and the Managing Director are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting. The financial statements are prepared using the going concern basis of accounting unless there is an intention to liquidate the company or cease operations, or there is no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with good auditing practice will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with good auditing practice, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

– Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

– Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.

– Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

– Conclude on the appropriateness of the Board of Directors' and the Managing Director's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.

– Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events so that the financial statements give a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Other Reporting Requirements

Other Information

The Board of Directors and the Managing Director are responsible for the other information. The other information comprises the report of the Board of Directors. Our opinion on the financial statements does not cover the other information.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. Our responsibility also includes considering whether the report of the Board of Directors has been prepared in accordance with the applicable laws and regulations.

In our opinion, the information in the report of the Board of Directors is consistent with the information in the financial statements and the report of the Board of Directors has been prepared in accordance with the applicable laws and regulations.

If, based on the work we have performed, we conclude that there is a material misstatement of the report of the Board of Directors, we are required to report that fact. We have nothing to report in this regard.

NOTES TO THE FINANCIAL STATEMENT 31 MARCH 2023

A. Basis of preparation

1. Valuation Principles

Valuation of Fixed Assets:
Fixed assets are carried at direct purchase cost with deduction of planned depreciations. Depreciation according to plan has been computed according to either the total useful lives of the fixed assets goods or with maximum reducing balance method. The depreciation principles are given in the notes in item B(4).

Valuation of Inventories:
Inventories have been entered at the amount of the acquisition cost or at a sales price if likely to be lower than the acquisition cost. Variable manufacturing expenses of goods have been included in the acquisition costs of inventories.

Receivables and Payables in Foreign Currencies:
Receivables and payables in foreign currencies have been converted into EUR using the average exchange rates of fiscal year closing date. With minor transactions, the rate of the recording date is used.

Research and Development Expenses:
The R&D expenses are entered in the year incurred.

2. Financial Statements

Sampo-Rosenlew Oy has also branch in Sweden and joint venture in Algeria. The figures for the Swedish branch have been combined with those of Sampo-Rosenlew.

B. Notes to Profit and Loss Account

1. Sales by market

	2023	2022
Market areas		
Finland	**1,08,53,622**	99,20,874
EU	**1,49,37,657**	82,64,185
Outside EU	**2,88,40,025**	3,38,86,890
Total	**5,46,31,304**	5,20,71,949

2. Materials and Services

	2023	2022
Materials and supplies		
Purchases in the fiscal year	**4,13,36,694**	4,20,23,463
Increase/decrease -/+ in stock	**1,52,828**	(19,29,451)
Materials and supplies	**4,14,89,522**	4,00,94,012
Services bought from outside	**11,35,820**	8,97,707
Total materials, supplies and services	**4,26,25,342**	4,09,91,719

3. Personnel expenses and average no of personnel

	2023	2022
Wages and salaries	**84,38,913**	83,50,058
Pension expenses	**12,42,925**	12,86,653
Other personnel expenses	**3,18,350**	3,98,756
Personnel expenses, total	**1,00,00,188**	1,00,35,467

The average number of personnel employed by the Group and the Parent Company during the fiscal year

	2023	2022
White collars	**52**	56
Blue collars	**145**	166
Personnel, total	**197**	222

4. Depreciations

Depreciation plan prepared in advance has been used for determining the depreciation of the depreciable assets. The amounts of depreciation are based on estimated useful lives as follows:

intangible rights	5 and 10 years
machinery and equipment	25% reducing-balance method
other tangible assets	10 years

Depreciations according to plan	2023	2022
Intangible rights	**2,688**	1,203
Buildings and constructions	**0**	3,571
Machinery and equipment	**2,46,001**	3,10,403
Other tangible assets	**5,19,625**	5,13,792
Depreciations according to plan, total	**7,68,314**	8,28,969

5. Financing income and expenses

Dividends received	2023	2022
From other companies	**52,268**	1,600
Dividends received, total	**52,268**	1,600
Interests and other financial income		
Other interests and financial income	**216**	34,989
Interest and other financial income, total	**216**	34,989
Interest and other financing expenses		
Interest expenses for other companies	**(8,99,701)**	(6,13,897)
Currency exchange losses	**(16,325)**	(28,854)
Other financing expenses	**(73,171)**	(2,10,255)
Interest and other financing expenses, total	**(9,89,197)**	(8,53,006)
Financing income and expenses, total	**(9,36,713)**	(8,16,417)

Exchange gains and losses are netted.

6. During financial period the company deducted 0 Euro prior year's taxes

NOTES TO THE FINANCIAL STATEMENT 31 MARCH 2023

C. Notes to Balance Sheet

1. Fixed Assets

1.1. Acquisition Costs of Fixed Assets (excluding investments)

	Intangible assets Intangible rights and other long term expenditure	Tangible assets Buildings	Machinery and equipment	Other tangible assets	Tangible assets total

Separate Auditor’s report has today been given regarding audit performed.

INDEPENDENT AUDITORS' REPORT

To the Members of
Swaraj Engines Limited

Report on the audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of **Swaraj Engines Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit and total comprehensive income, its changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the 'Auditors' Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements for the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matter to be communicated in our report:

KAM on Related Party Transactions	
Key Audit Matter	As a part of the business activity, the Company deals with entities which are related parties and significant revenue sources are from related parties only. The Arm's length pricing of the transactions with Related Parties, risks of material misstatement associated with related party relationships and transactions may have a significant impact on the interest of the Company, and true and fair presentation of related party relationships and transactions in the financial statements of the Company.
Principal Audit Procedures	We performed the following audit procedures relating to related party relationships and transactions. We inquired of management regarding: The identity of the Company's related parties, including changes from the prior period; The nature of the relationships between the Company and related parties; and the type and purpose of the transactions with related parties; Identify, account for, and disclose related party relationships and transactions in accordance with the applicable financial reporting framework; Confirmations obtained from related parties for an outstanding balances as part of our audit procedures; Performed appropriate substantive audit procedures relating to identified related parties and related party transactions; Evaluate the terms of the related party transactions that these are consistent with management's explanations; Ensured that all Related Party Transactions are placed before the Audit Committee for approval. Prior omnibus approval of the Audit Committee is obtained for the transactions which are repetitive in nature; Inquired that the Company has adopted a Related Party Transactions Policy approved by the Board and transactions are as per the policy.

Information other than the Financial Statements and Auditors' Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report, and the related annexures, but does not include the financial statements and our Auditors' Report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current year and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in Annexure B, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
   (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
   (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

(c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this report are in agreement with the books of account.

(d) In our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act.

(e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164(2) of the Act.

(f) With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure A. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Financial Statements.

(g) In our opinion, the managerial remuneration for the year ended March 31, 2023 has been paid/provided by the Company to its directors in accordance with the provisions of Section 197 read with Schedule V to the Act.

(h) With respect to the other matters to be included in the Auditors' Report in accordance with the requirements of Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

(i) The Company does not have any pending litigations which would impact its financial position;

(ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and

(iii) There was no delay in transferring the amounts to the Investor Education and Protection Fund by the Company;

(iv) (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement; and

(v) The final dividend proposed in the previous year, declared, and paid by the Company during the year is in accordance with Section 123 of the Act, as applicable.

The Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable

(vi) As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 relating to audit trail feature of the Company's accounting software is applicable to the Company only with effect from financial year beginning April 1, 2023, the reporting under Clause (g) of Rule 11 of the Companies (Audit and Auditors) Rules, 2014 is not applicable for the current year.

Annexure A to the Independent Auditors' Report

[Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date]

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of sub-section (3) of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of **Swaraj Engines Limited** ("the Company") as of March 31, 2023 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based on the criteria for internal financial control with reference to financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure B to the Independent Auditors' Report

[Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date]

i. (a) (A) According to the information and explanations given to us, the Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant, and equipment.

(B) According to the information and explanations given to us, the Company has maintained proper records showing full particulars of intangible assets.

(b) The Company has a regular programme of physical verification of its property, plant and equipment and investment property by which the property, plant and equipment, and investment property are verified by the management according to a phased programme designed to cover all the items over a period of three years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its property, plant and equipment and investment property. In accordance with the programme, the Company has physically verified property, plant and equipment, and investment property during the year and no material discrepancies were noticed on such verification.

(c) According to the information and explanations given to us, the title deeds of immovable properties are held in the name of the Company.

(d) According to the information and explanations given to us, the Company has not revalued any of its Property, Plant and Equipment and investment property or intangible assets or both during the year.

(e) Based on the audit procedures performed by us and according to the information, explanations, and representations given to us, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

ii. (a) According to the information and explanations given to us, the inventory comprising of finished goods, raw materials, stores & spares, components, and work-in-progress has been physically verified at reasonable intervals by the management during the year. Stock-in-transit as on March 31, 2023 has been verified by the management on subsequent receipt of the goods. In our opinion, the coverage and procedure of such verification by the management is appropriate and no discrepancies of 10% or more in the aggregate for each class of inventory were noticed on such verification between the physical inventory and the book records. We have relied on confirmations and representations from third parties in case of inventory lying in their locations, wherever applicable.

(b) According to the information and explanations given to us, the Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets at any point of time during the year.

iii. According to the information and explanations given to us, the Company has not made investments in or provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year. Accordingly, the reporting under Clauses 3(iii)(a) to 3(iii)(f) of the Order is not applicable to the Company.

iv. According to the information and explanations given to us, the Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186 of the Act. Accordingly, the reporting under Clause 3(iv) of the Order is not applicable to the Company.

v. According to the information and explanations given to us, the Company has not accepted deposits under the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder. Accordingly, the reporting under Clause 3(v) of the Order is not applicable to the Company.

vi. The maintenance of cost records has been specified by the Central Government under sub-section (1) of Section 148 of the Act for the products of the Company. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended, specified by the Central Government under sub-section (1) of Section 148 of the Act and are of the opinion that prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

vii. (a) According to the information and explanations given to us and on the basis of our examination of records of the Company, the amounts deducted/accrued in the books of account in respect of undisputed statutory dues including Goods and Services Tax, Provident Fund, Employees' State Insurance, Income-tax, Cess and other material statutory dues have been regularly deposited during the year by the Company with the appropriate authorities. According to the information and explanations given to us and on the basis of our examination of records of the Company, there were no undisputed statutory dues payable in respect of Sales tax, Service tax, Duty of Customs, Duty of Excise and Value Added Tax.

According to the information and explanations given to us and on the basis of our examination of records of the Company, there were no arrears of outstanding statutory dues in respect of Goods and Services tax, Provident fund, Employees' State Insurance, Income-tax, Sales tax, Service tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and other material statutory dues as on the last day of the financial year for a period of more than six months from the date they became payable.

(b) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31, 2023 on account of disputes are given below:

Statute	Nature	Forum where dispute is Pending	Period to which the Amount relates	Amount involved (In Lakhs)
Central Excise Act, 1944	Excise Duty	Appellate Authority - Tribunal Level	F.Y. 2004-05 to FY 2008-09	95.53
		Appellate Authority - Tribunal Level	F.Y. 2015-16 to FY 2017-18	90.93
Income Tax Act, 1961	Income Tax	Commissioner Income Tax (Appeal)	A.Y. 2018-19	77.78
Punjab Value Added Tax Act 2005	Sales Tax	Punjab VAT Tribunal	A.Y. 2012-13	53.39
		Dy. Excise & Taxation Commissioner (Appeal) Mohali	A.Y. 2013-14	30.77

viii. According to the information and explanations given to us, there are no transactions not recorded in the books of account which have been surrendered or disclosed as income during the year in the tax assessments under the Income-tax Act, 1961. Accordingly, the reporting under Clause 3(viii) of the Order is not applicable to the Company.

ix. (a) According to the information and explanations given to us and based on the audit procedures performed by us, the Company has not obtained any loans or other borrowings. Accordingly, the reporting under Clause 3(ix)(a) of the Order is not applicable to the Company.

(b) According to the information and explanations given to us, the Company has not been declared a willful defaulter by any bank or financial institution, or any other lender till the date of our audit report.

(c) According to the information and explanations given to us and based on the audit procedures performed by us, the Company has not obtained term loan during the year. Accordingly, the reporting under Clause 3(ix)(c) of the Order is not applicable to the Company.

(d) In our opinion and according to the information and explanations given to us and on an overall examination of the Balance Sheet of the Company, we report that no short-term loan is obtained by the Company during the year. Accordingly, the reporting under Clause 3(ix)(d) of the Order is not applicable to the Company.

(e) According to the information and explanations given to us and on an overall examination of the Financial Statements of the Company, we report that the Company has no subsidiaries, associates or joint ventures. Accordingly, the reporting under Clause 3(ix)(e) of the Order is not applicable to the Company.

(f) According to the information and explanations given to us and based on the audit procedures performed by us, we report that the Company has no subsidiaries, associates or joint ventures. Accordingly, the reporting under Clause 3(ix)(f) of the Order is not applicable to the Company.

x. (a) According to the information and explanations given to us, the Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under Clause 3(x)(a) of the Order is not applicable to the Company.

(b) According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Accordingly, the reporting under Clause 3(x)(b) of the Order is not applicable to the Company.

xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company noticed or reported during the year, nor have we been informed of any such case by the management.

(b) There has been no report filed by us under sub-section (12) of Section 143 of the Act in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government. Accordingly, the reporting under Clause 3(xi)(b) of the Order is not applicable to the Company.

(c) As represented to us by the management, no whistle-blower complaints were received by the Company during the year.

xii. According to the information and explanations given to us, the Company is not a Nidhi company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, the reporting under Clause 3(xii) of the Order is not applicable to the Company.

xiii. In our opinion and according to the information and explanations given to us, the Company has entered into transactions with related parties in compliance with the provisions of Section 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required by Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified under Section 133 of the Act.

xiv. (a) In our opinion and according to the information and explanations given to us and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.

(b) We have considered the Internal Audit reports of the Company issued till date for the period under audit.

xv. According to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with them during the year and hence, the provisions of Section 192 of the Act are not applicable to the Company. Accordingly, the reporting under Clause 3(xv) of the Order is not applicable to the Company.

xvi. (a) According to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under Clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) In our opinion and according to the information and explanations given to us, the Company has not conducted any Non-Banking Financial or Housing Finance activities. Accordingly, the reporting under Clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) In our opinion and according to the information and explanations given to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under Clauses 3(xvi)(c) and 3(xvi)(d) of the Order is not applicable to the Company.

xvii. In our opinion and according to the information and explanations given to us, the Company has not incurred cash losses in the current financial year as well as in the immediately preceding financial year. Accordingly, the reporting under Clause 3(xvii) of the Order is not applicable to the Company.

xviii. There has been no resignation of the statutory auditors during the year. Accordingly, the reporting under Clause 3(xviii) of the Order is not applicable to the Company.

xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of Balance Sheet as and when they fall due within a period of one year from the Balance Sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the Balance Sheet date, will get discharged by the Company as and when they fall due.

xx. (a) According to the information and explanations given to us, in respect of other than ongoing projects, the Company has no unspent amount that needs to be transferred to a Fund specified in Schedule VII to the Act in compliance with second proviso to sub-section (5) of Section 135 of the Act.

(b) According to the information and explanations given to us, in respect of ongoing projects, the Company has no unspent amount which needs to be transferred to a special account in compliance with sub-section (6) of Section 135 of the Act.

S.A.S. Nagar (Mohali), April 27, 2023

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

1. COMPANY'S OVERVIEW AND SIGNIFICANT ACCOUNTING POLICIES

1.1 Company's Overview

Swaraj Engines Limited (SEL) is a public limited company incorporated and domiciled in India. SEL has its works / principal place of business at Plot No. 2, Phase-IX, Industrial Area, S.A.S. Nagar (Mohali), Punjab, India and registered office at Phase-IV, Industrial Area, S.A.S. Nagar (Mohali), Punjab, India.

SEL is in the business of manufacturing diesel engines and hi-tech engine components. Diesel Engines are specifically designed for tractor application.

The Shares of the Company are listed on both BSE Limited and National Stock Exchange of India Limited.

1.2 Basis of Preparation and Presentation

These financial statements are prepared in accordance with Indian Accounting Standards ('Ind AS') under the historical cost convention on the accrual basis except for certain financial instruments, which are measured at fair values. The financial statements of the Company have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013 as amended.

The financial statements are approved by the Company's Board of Directors and authorised for issue on 27th April, 2023.

1.3 Current and Non-Current Classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is treated as current when it is:

i) expected to be realised or intended to be sold or consumed in normal operating cycle,

ii) held primarily for the purpose of trading,

iii) expected to be realised within twelve months after the reporting period,

iv) cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period, or

v) carrying current portion of non-current financial assets.

All other assets are classified as non-current.

A liability is current when:

i) it is expected to be settled in normal operating cycle,

ii) it is held primarily for the purpose of trading,

iii) it is due to be settled within twelve months after the reporting period,

iv) there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period, or

v) it includes current portion of non-current financial liabilities.

All other liabilities are classified as non-current

1.4 Property, Plant and Equipment

i) Property, plant and equipment are stated at cost of construction or acquisition, less accumulated depreciation and impairment losses, if any. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

ii) When an asset is scrapped, or otherwise disposed off, the cost and related depreciation are removed from the books of account and resultant profit (including capital profit) or loss, if any, is reflected in Profit and Loss Account.

iii) Depreciation on Tangible Assets (except Land) is provided on Straight Line Method, pro-rata monthly rests, as per the life prescribed in Schedule II of the Companies Act, 2013 except for fixed assets mentioned in para (iv) below, based on the Company's expected usage Pattern supported by technical assessment

Nature of Assets	Life adopted in Accounts
a. Patterns, Blocks and Dies	4 Years
b. Vehicles	4 Years

iv) The assets' residual value, useful lives and methods of depreciation are reviewed at each financial year end, and adjustment if any, is made prospectively.

1.5 Investment Properties

Investment Properties are properties held to earn rentals and/or for capital appreciation. Investment properties are measured at cost and the same is derecognized upon disposal or when it is permanently withdrawn from use with no future economic benefits are expected from the disposal.

Depreciation is provided on Straight Line Method, pro-rata monthly rests, as per the life prescribed for Building in Schedule II of the Companies Act, 2013.

1.6 Inventories

Inventories are valued at cost or net realizable value, whichever is lower. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads and is ascertained on weighted

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

average basis, net of recoverable taxes incurred in bringing them to their respective present location and condition. Cost of raw materials and stores and spares are determined on weighted average basis.

1.7 Foreign Currency Transactions

Foreign currency transactions are recorded at the rates of exchange prevailing on the date of transaction. Monetary foreign currency assets and liabilities outstanding at the close of the financial year are revalued at the exchange rates prevailing on the balance sheet date. Exchange differences arising on account of fluctuation in the rate of exchange is recognised in the statement of profit and loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

1.8 Employee Benefit

Company's contributions paid/payable during the year to Employee's State Insurance Corporation and Labour Welfare Fund are recognized in the Statement of Profit and Loss.

Company contributes to the appropriate authorities its share of the Members Provident Fund Account as per the Employees' Provident Fund Act, 1952.

Company contributes to a trust, which has taken Master Policy with the Life Insurance Corporation of India to cover its liability towards employees' gratuity. Provisions in respect of liabilities of gratuity and leave encashment are made based on actuarial valuation made by an independent actuary as at the balance sheet date. Gains and Losses through re-measurements of the net defined benefit liability are recognized in other comprehensive income. The actual return of the plan assets, in excess of the yields computed by applying the discount rate used to measure the defined benefit obligation is recognized in other comprehensive income.

In respect of Employee Stock Option Scheme:

The compensation cost of stock options granted to employees is measured by the Fair Value Method. The fair value, determined at the grant date of the underlying equity shares, is recognized and amortised on straight line basis over the vesting period.

1.9 Revenue Recognition

The Company's revenue recognition policy is aligned to the principles enunciated in Ind AS 115. The company recognises revenue from contracts with customers when it satisfies a performance obligation by transferring a promised good or service to a customer. Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price allocated to the performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract, if any.

Transaction price is the amount of a consideration to which the Company expects to be entitled in exchange for transferring good or service to a customer. Payment terms agreed with a customer are as per business practice and there is no financing component involved in the transaction price.

Sale of goods

Revenue from sale of goods is recognised when the control of the same is transferred to the customer and it is probable that the Company will collect the consideration to which it is entitled in exchange of goods.

Rendering of services

Revenue from rendering services is recognised when performance obligation is satisfied and customer obtains the control of the transferred services. Following criteria is required to be met for transfer of control of services:

i) the customer simultaneously receives and consumes the benefits from the services transferred.

ii) the Company has an enforceable right to payment for services transferred.

Other Operational Revenue

Other operational revenue represents income earned from the activities incidental to the business and is recognized when the right to receive the income is established as per the terms of the contract.

Other Income

Dividend income from investments is recognised when the right to receive payment has been established.

Interest income is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the deposits and at the interest rate settled with the Banks/ Financial Institutions.

1.10 Intangible Assets

Intangible assets are carried at cost and amortized on Straight line method, so as to reflect the pattern in which the assets economic benefits are consumed.

Intangible Asset under Development

The expenses incurred on development phase are initially recognized as Intangible assets under development until the development phase is complete, upon which the amount is capitalized as intangible asset.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

Other Intangible Assets

i) Development expenditure:

Development expenditure incurred on technical services and other project/product related expenses are amortized over the estimated period of benefit, not exceeding five years. Amortization commences as and when the asset is available for use.

ii) Software Expenditure:

Software Expenditure incurred is amortized on pro-rata basis over a period not exceeding four years, commencing from the year in which the expenditure is incurred.

1.11 Taxes on Income

Current tax is determined as the amount of tax payable in respect of the taxable income for the year.

Deferred tax is recognised on temporary differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

1.12 Financial Instruments

Financial Assets

Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition.

Subsequent measurement

Financial assets carried at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. For financial assets maturing within one year from the balance sheet date, the carrying amounts are approximate to fair value due to the short maturity of these instruments. Trade receivables that do not contain a significant financing component are measured at transaction price.

Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

Financial liabilities

Initial recognition and measurement

All financial liabilities are recognized at fair value.

Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Derecognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

1.13 Impairment of Assets

The carrying value of assets at each balance sheet date are reviewed for Impairment. If any indication exists, the recoverable amount of such assets is estimated and impairment is recognized if the carrying amount of these assets exceeds their recoverable amount.

1.14 Provisions, contingent liabilities and contingent assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

In respect of warranty on sale of engines, the estimated cost of warranty is accrued at the time of sale. The estimate for accounting of warranty is periodically reviewed and revisions are made as and when required.

1.15 Use of estimates and judgments

The preparation of the Company's financial statements requires management to make judgement, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Depreciation / amortisation and useful lives of property plant and equipment/ intangible assets:

Property, plant and equipment / intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

Fair value measurement of financial instruments

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Provision for product warranty

The Company recognizes provision for product warranties in respect of its products that it sells. Provisions are discounted, where necessary to its present value based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjust to reflect the current best estimates.

1.16 Earnings per share

Basic EPS is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the year.

1.17 Cash and cash equivalents

Cash and cash equivalents includes cash in hand and deposits with any qualifying financial institution repayable on demand or maturing within three months from the date of acquisition and which are subject to an insignificant risk of change in value.

1.18 Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate which is generally based on the interest rate specific to the lease being evaluated or if that cannot be easily determined the incremental borrowing rate for similar term is used.

The Company recognises the lease payments associated with these leases as per expense on a straight-line basis over the lease term.

The Company as a lessee

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payment made at or before the commencement date, plus any initial direct costs incurred and restoration cost, less any lease incentives received.

The right-of-use assets are subsequently depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. In addition, the right-of-use asset is reduced by impairment losses, if any.

The lease liability is initially measured at amortised cost at the present value of the future lease payments.

1.19 Accounting Policies not specifically referred above are consistent with generally accepted Accounting practices.

	1214.59	1214.40

The Company has issued only one class of shares referred to as Equity Shares having a par value of Rs. 10/-. Each Equity Shareholder is entitled to one vote per share.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

(i) Equity Shareholders holding more than 5% shares:

Name	As at 31st March, 2023		As at 31st March, 2022	
	Number of shares held	% of Shareholding	Number of shares held	% of Shareholding
Mahindra & Mahindra Limited (M&M)	**6331141**	**52.13%**	4216792	34.72%
Kirloskar Industries Limited (KIL)	**–**	**–**	2114349	17.41%
DSP Small Cap Fund	**799266**	**6.58%**	799266	6.58%

(ii) Reconciliation of the number of shares outstanding and the amount of share capital:

Particulars	As at 31st March, 2023		As at 31st March, 2022	
	Number of shares held	Share Capital (Rs. in Lakhs)	Number of shares held	Share Capital (Rs. in Lakhs)
Issued, Subscribed and Paid-up:				
At the beginning of the year	**12143996**	**1214.40**	12138375	1213.84
Movement in equity during the year				
Add: Equity shares issued in pursuance to Employee Stock Option Plan	**1920**	**0.19**	5621	0.56
Number of equity shares at the closing	**12145916**	**1214.59**	12143996	1214.40

In the last 5 years, the Company has not:

- allotted any shares as fully paid up pursuant to contract(s) without payment being received in cash;
- allotted any bonus shares.

(iii) Disclosure of Shareholding of Promoters:

Promoter Name	As at 31st March, 2023		As at 31st March, 2022		% Change during the year
	Number of shares held	% of Shareholding	Number of shares held	% of Shareholding	
Mahindra & Mahindra Limited (M&M)	**6331141**	**52.13%**	4216792	34.72%	17.41%
Kirloskar Industries Limited (KIL)	**–**	**–**	2114349	17.41%	(17.41%)

Pursuant to the inter-se transfer of shares amongst the promoters of Swaraj Engines Limited (“the Company”), Mahindra & Mahindra Limited (“M&M”) acquired 21,14,349 equity shares constituting 17.41% of the paid up equity share capital of the Company from Kirloskar Industries Limited (“KIL”) on 27th September, 2022. Post this acquisition, the shareholding and voting rights of M&M in the Company has increased from 34.72% to 52.13% of the equity share capital of the Company. Consequently, the Company, which was earlier an associate of M&M, has now become a subsidiary of M&M with effect from 27th September, 2022.

(iv) Employee Stock Option

Under the Employee Stock Option Scheme - 2015 (ESOS-2015), 31,000 Equity Shares of the face value of Rs. 10/- are available for being granted to eligible employees on the recommendation of the Nomination and Remuneration Committee. Under the first cycle (Dec. 2015 - Dec. 2019), options granted were vested in four instalments on the expiry of 18 months, 30 months, 42 months and 54 months respectively. Options granted effective January 2020 & onwards are vested in 3 instalments on the expiry of 12 months, 24 months and 36 months. These options may be exercised on any day over a period of 5 years from the date of vesting. Numbers of vested options are exercisable subject to minimum of 50 or number of options vested whichever is lower.

Further to grant given till previous financial years, the Company during the current financial year has given grant of 1647 Equity Shares at face value to the eligible employees.

Financial Risk Management Framework

Company's activities expose it to financial risks viz credit risk and liquidity risk.

Credit Risk

Majority of Company's receivables pertain to Mahindra & Mahindra Limited, a holding company. Based on the overall credit worthiness of Receivables, coupled with their past track record, Company expect No / Minimum Risk with regard to its outstanding receivables. Also, there is mechanism in place to periodically track the outstanding amount and assess the same with regard to its realisation. Company expect all the debtors to be realised in full, accordingly no provision has been made in the books of account.

Credit risk on cash and cash equivalents is limited as Company generally invest in deposits with banks, high rating financial institutions & debt based Mutual Funds. Ratings are monitored periodically for re-adjustment of Portfolio , if any required. Investment as on date of financial statement are as per latest available ratings.

Liquidity Risk

(i) Liquidity Risk Management

The Company manages liquidity risk by maintaining adequate reserves, banking facilities and by continuously monitoring forecast & actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

(ii) Maturities of Financial Liabilities

The following tables specifies the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The amounts disclosed in the tables have been drawn up based on the earliest date on which the Company can be required to pay. Financial Liabilities includes Trade Payables, Capital Purchases, Unpaid/Unclaimed Dividend etc. which are in the normal course of business having maturity plan of less than 1 year and lease liabilities having maturity more than 1 year.

Accordingly, company do not perceive any liquidity risk.

(iii) Financing arrangements

The Company had access to the following undrawn borrowing facilities at the end of the reporting period:

Rs. in Lakhs

Particulars	2023	2022
Secured Bank Overdraft facility		
- Expiring within one year	**450.00**	350.00
- Expiring beyond one year	**–**	–
Un-Secured Working Capital facility		
- Expiring within one year	**–**	2000.00
- Expiring beyond one year	**–**	–

2.28 Fair Value Measurement

The fair values of the Financial Assets and Liabilities are included in the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique

Level 1 - Quoted (unadjusted prices) in active markets for identical assets or liabilities.

Level 2 - Other Techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3 - Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

Fair Valuation Techniques and Inputs used - recurring Items

2.37 Dividends

The Board of Directors, in their meeting held on 27th April, 2022, proposed a total dividend of Rs. 80/- per equity share and the same was approved by the shareholders at the Annual General Meeting held on 25th July, 2022, this has resulted in a cash outflow of Rs. 9715.57 lakhs during 2022-23.

The Board of Directors, in their meeting held on 27th April 2023, proposed a total dividend of Rs.92/- per equity share for the financial year ended on 31st March 2023, subject to the approval of shareholders at the Annual General Meeting and if approved, would result in a cash outflow of approximately Rs. 11174.24 lakhs.

2.38 Previous year's figures have been regrouped, wherever necessary, so as to correspond with those of the current year.

INDEPENDENT AUDITORS' REPORT

To The Board Of Directors

Carnot Technologies Private Limited

Report on the Standalone Financial Statements

We have audited the accompanying Standalone Financial statements of **Carnot Technologies Private Limited**, which comprise the Balance Sheet as at March 31, 2023, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended, and a summary of the significant accounting policies and other explanatory information **(hereinafter referred to as"the standalone financial statements")**.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the IND AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation and presentation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Board of Directors, as well as evaluating the overall presentation of the standalone financial statements. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st March 2023, its Profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Report on other Legal and Regulation requirements

1. As required by the companies (Auditor's Report) Order, 2020, as amended, issued by the Central Government of India in term of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in the paragraph 3 and 4 of the Order.
2. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
3. The Balance sheet, the Statement of Profit and Loss, and the Cash Flow Statement deal with by this report are in agreement with the books of account.
4. In our opinion, the aforesaid IND AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015 as amended.
5. On the basis of the written representations received from the directors as on March 31, 2023, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023, from being appointed as a director in terms of Section 164(2) of the Act.
6. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
7. With respect to the other matters to be included in the Auditor's Reporting accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
   - I. The Company does not have pending litigation which would not impact its financial position.
   - II. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
   - III. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the company

"ANNEXURE A" TO THE INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CARNOT TECHNOLOGIES PVT LTD ON THE ACCOUNTS OF THE COMPANY FOR THE YEAR ENDED 31ST MARCH, 2023.

(i) a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property Plant and equipment;

b) Company is maintaining proper records showing full particulars of intangible assets.

c) The Property plant and equipment have been physically verified by the management at regular intervals; as informed to us and no material discrepancies between the books records and the physical Property plant and equipment have been noticed.

d) There are no immovable properties in the name of the company during the year under report.

e) Company has not revalued its property, plant and equipment and intangible assets during the year.

f) No proceedings have been initiated or are pending against the company for holding any Benami property under the Benami Transactions (Prohibitions) Act ,1988.

(ii) a) During the year, the Inventories have been physically verified by the management. In our opinion, the frequency of verification is reasonable. Also, there are no discrepancies of 10% or more in the aggregate of each class of inventory, however in our opinion the control over inventory management system needs to be strengthened.

b) The Company has not been sanctioned working capital limits in excess of ₹ 5 crores, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.

(iii) The Company has not made any investments in, granted any loans, secured or unsecured guarantees to companies, firms, Limited Liability partnerships or other parties covered in the Register maintained under section 189 of the Act. Accordingly, the provisions of clause 3 (iii) (a) to (f) of the Order are not applicable.

(iv) In our opinion and according to the information and explanations given to us, the company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 In respect of loans, investments, guarantees, and security.

(v) The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.

(vi) As informed to us, the maintenance of Cost Records has not been specified by the Central Government under sub-section (1) of Section 148 of the Act, in respect of the activities carried on by the company

(vii) a) According to the information and explanations given to us and on the basis of our examination of the records of the company, the Company has been generally regular subject to certain delay in depositing undisputed statutory dues, including Income-Tax, Service Tax, Goods & Service Tax, Cess and other material statutory dues, as applicable, with the appropriate authorities.

(viii) According to the information and explanations given to us, no undisputed amounts are payable as on 31st March 2023.

b) According to the information and explanations given to us and based on the records of company examined by us, there are no dues of Income Tax, Service Tax, Goods & Service Tax and Cess which have not been deposited on account of any disputes.

(ix) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

(x) a) The Company has not taken any loans or other borrowings from any lender. Hence reporting under clause 3(ix)(a) of the Order is not applicable.

b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.

c) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.

d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.

e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.

f) The Company has not raised any loans during the year and hence reporting on clause 3(ix)(f) of the Order is not applicable.

(xi) a) According to the information and explanations given to us, the company has not raised moneys by way of initial public offer or further public offer including debt instruments and term Loans.

b) During the year, the Company has not made any preferential allotment of preference shares.

(xii) a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form

ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.

c) We have taken into consideration the whistle blower complaints received by the Company during the year (and up to the date of this report), while determining the nature, timing and extent of our audit procedures.

(xiii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.

(xiv) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.

(xv) The company does not have any internal audit system in place and hence provisions of clause 3 (xiv) (a) and (xiv) (b) are not applicable.

(xvi) In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.

(xvii) a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.

b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2020) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.

(xviii) The Company has not incurred cash losses during the year, Cash losses for the previous year (2021-22) amounted to Rs.1,14,08,871/-

(xix) There has been no resignation of statutory auditor during the year. The provisions of this clause are hence not applicable.

(xx) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xxi) The provisions of CSR are not applicable to the company. Hence provisions of clause 3 (XX) (a) and (b) are not applicable.

(xxii) The provisions of consolidated financials and consolidated CARO report are not applicable to the company and hence the aforementioned clause is not applicable.

"ANNEXURE B" TO INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act").

We have audited the internal financial controls over financial reporting of Carnot technologies Private Limited as at the year 31st March 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over Financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future years are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31-March-2023, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE PERIOD ENDED MARCH 31ST 2023

1 OVERVIEW

1.1 Company overview

CARNOT Technologies Private Limited was incorporated in India as private limited company under the Companies Act , 2013 on 24th August, 2015. The company is engaged in the business of the following:

I. Service Sector- Technology enabled applications in different fields including automobiles products both in India & Overseas.

II. Trading Sector- Retail in information technology products and applications”

1.2 Basis of Preparation of financial statement

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of the Companies Act, 2013 (the “Act”) and other relevant provisions of the Act.

The financial statements up to and for the year ended March 31, 2017 were prepared in accordance with accounting standards notified under Companies (Accounting Standards) Rules, 2006, as amended and the relevant provisions of the Act (Previous GAAP).

These are the first Ind AS financial statements of the Company prepared in accordance with Ind AS. Ind AS 101, First-time Adoption of Indian Accounting Standards has been applied for the pupose of transition to Ind AS from previous GAAP

These financial statements have been prepared on a historical cost and accrual basis.

All assets and liabilities have been classified as current or non-current as per the Company’s operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current non- current classification of assets and liabilities.

1.3 Use of Estimates

The preparation of the financial statements in conformity with IndAS requires the management to make estimates, judgments and assumptions.The seestimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets a nd liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period.The application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in the sefinancial statements have been disclosed in Note no.1.4.Accounting estimates could change from period to period.Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates.Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements

1.4 Significant accounting policies

a. Property plant and equipment (including Capital Work-in-Progress)

All items of property, plant and equipment are stated at historical cost less depreciation. Historical cost are stated at cost of acquisition inclusive of all attributable cost of bringing the assets to their working condition, accumulated depreciation and accumulated impairment losses, if any.

Subsequent expenditure related to an item of property plant and equipment are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

The Company provides depreciation on all assets on written down value basis over its useful life of asset which is in line with Schedule II of Comapnies Act,2013.

Gains or losses arising from the retirement or disposal of property plant and equipment are determined as the difference between the net disposal proceeds and the carrying amount of the property plant and equipment and recognised as income or expense in the Statement of Profit and Loss.

Assets not yet ready for use are recognised as capital work in progress.

On transition to Ind AS, the company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1 April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

b. Intangible Assets

Intangible assets are accounted at actual cost incurred less accumulated amortisation and impairment, if any.

Intangible assets i.e. software are amortised on a straight line basis over their estimated useful life of approximately five years, so as to effectively depreciate the assets over the specified useful life.

Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the Statement of Profit and Loss.

On transition to Ind AS, the company has elected to continue with the carrying value of all of its intangible assets recognised as at 1 April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the intangible assets

c. Impairment of non-financial assets

The carrying amount of the non-financial assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal /external factors. An impairment loss is recognised whenever the carrying amount of an asset or a cash generating unit exceeds its recoverable amount. The recoverable amount of the assets (or where applicable, that of the cash generating unit to which the asset belongs) is estimated as the higher of its net selling price and its value in use. Impairment loss is recognised in the statement of profit and loss.

After impairment, depreciation / amortisation is provided on the revised carrying amount of the asset over its remaining useful life.

A previosuly recognised impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation / amortisation if there were no impairment.

d Investments and financial assets

Classification

The company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

The classification depends on the entity’s business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The company reclassifies debt investments when and only when its business model for managing those assets changes.

e Inventories

The stock of raw materials and components, goods in process, finished goods and stores, spares, property under development etc. are stated at lower of cost or net realisable value (NRV).

In determining the cost of the raw materials and components FIFO method is used. Cost of goods in process and manufactured finished products includes the cost of materials, labour and other manufacturing overhead. Average cost method is used to determine cost of work in progress and finished goods.

Obsolete slow moving and defective inventories are identified at the time of physical verification of inventories and where necessary, provision is made for such inventories.(a) Traded goods, raw materials and packing materials: At cost or net realisable value, whichever is lower. (b)Process stock: At cost or estimated realisable value, whichever is lower. (c) Finished goods: At cost or net realisable value, whichever is lower and are inclusive of input tax credit thereon.

f Revenue Recognition

Revenue is recognised based on fair value of consideration receive or receivable and to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Turnover, which represents invoiced value of goods sold is recognized net of goods and service tax, trade and volume discounts or rebates, etc. The following specific recognition criteria must also be met before revenue is recognised:

Supply contracts - Sale of products

Revenue from supply contract is recognized when the substantial risk and rewards of ownership is transferred to the buyer. Revenue from product sales are shown as net of all applicable taxes and discounts.

Interest Income

Interest Income is accounted on accrual basis.

Dividend Income

Dividend is recognized when the right to receive the payment is established.

g Employee Benefits

Short term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognised during the period when the employee renders the services. These benefits include compensated absences such as paid annual leave, bonuses and performance incentives.

ii. Long term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability at the present value of the defined benefit obligation determined actuarially by using Projected Unit Credit Method at the Balance Sheet date.

iii. Post-employment benefit plan

Payments to defined contribution retirement benefit plans are recognized as an expense when employees have rendered the service entitling them to the contribution.

The Company's contribution to the Provident Fund is remitted to provident fund authorities and are based on a fixed percentage of the eligible employee's salary and debited to Statement of Profit and Loss.

h Current and Deferred Tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period.

Deferred income tax is provided in full, using the balance sheet approach, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

i Foreign Currency Transactions

Foreign currency transactions are recorded at the exchange rates prevailing on the date of such transactions. Monetary assets and liabilities as at the Balance Sheet date are translated at the rates of exchange prevailing at the date of the Balance Sheet. Gains and losses arising on account of differences in foreign exchange rates on settlement/ translation of monetary assets and liabilities are recognised in the Statement of Profit and Loss. Non-monetary foreign currency items are carried at cost.

j Provisions and Contingent Liabilities

Provisions are recognised when the company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

k Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss (excluding other comprehensive income) for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for events such as bonus issue, bonus element in a right issue, shares split and reserve share splits (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss (excluding other comprehensive income) for the year attributable to equity share holders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

l Cash flow statement

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

m Critical estimates and judgements

The preparation of Financial Statements in conformity with Ind AS which requires management to make estimates, assumptions and exercise judgement in applying the accounting policies that affect the reported amount of assets, liabilities and disclosure of contingent liabilities at the date of financial statements and the reported amounts of income and expenses during the year.

The Management believes that these estimates are prudent and reasonable and are based upon the Management's best knowledge of current events and actions. Actual results could differ from these estimates and differences between actual results and estimates are recognised in the periods in which the results are known or materialised.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed.

b). Terms/rights attached to equity shares/Preference Shares

1) The Company has only one class of equity shares having a par value of Rs 10 per share. Each holder of equity shares is entitled to one vote per share. The Company declares and pays dividends in Indian Rupees. The dividend, if proposed by the Board of Directors, is subject to the approval of the shareholders in the ensuing Annual General Meeting, except interim dividend.

   In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts, if any. The distribution will be in proportion to the number of equity shares held by the shareholders.

2) 4,480 Compulsary Convertible Participating Preference shares having par value of Rs 100/- each issued at a premium of Rs. 6,581.51/- each in FY 2016-2017 & 6,663 Compulsary Convertible Participating Preference shares having par value of Rs 100/- each issued at a premium of Rs. 8131.81- each during the financial year 2017-2018.

Each Seed CCCPS may be converted into Equity Shares at any time at the option of the holder of that Seed CCCPS. Subject to compliance with applicable Laws, each Seed CCCPS shall automatically be converted into Equity Shares upon the earlier of (i) one day prior to the expiry of 20 years from the First Closing Date; or (ii) in connection with a IPO (or any subsequent IPO), prior to the filing of a prospectus (or equivalent document, by whatever name called) by the Company with the competent authority or such later date as may be permitted under applicable Laws.

3) 2,298 Compulsary Convertible Participating Preference shares having par value of Rs 100/- each issued at a premium of Rs. 12,954.42/- IN FY 2020-21.

Each Seed CCCPS may be converted into Equity Shares at any time at the option of the holder of that Seed CCCPS. Subject to compliance with applicable Laws, each Seed CCCPS shall automatically be converted into Equity Shares upon the earlier of (i) one day prior to the expiry of 20 years from the First Closing Date; or (ii) in connection with a IPO (or any subsequent IPO), prior to the filing of a prospectus (or equivalent document, by whatever name called) by the Company with the competent authority or such later date as may be permitted under applicable Laws.

4) 1613 Compulsary Convertible Participating Preference shares having par value of Rs 100/- each issued at a premium of Rs. 15,391.65/- IN FY 2021-22.

Each Seed CCCPS may be converted into Equity Shares at any time at the option of the holder of that Seed CCCPS. Subject to compliance with applicable Laws, each Seed CCCPS shall automatically be converted into Equity Shares upon the earlier of (i) one day prior to the expiry of 20 years from the First Closing Date; or (ii) in connection with a IPO (or any subsequent IPO), prior to the filing of a prospectus (or equivalent document, by whatever name called) by the Company with the competent authority or such later date as may be permitted under applicable Laws.

INDEPENDENT AUDITORS' REPORT

To the members of

M.I.T.R.A. Agro Equipments Private Limited

Report on the audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of M.I.T.R.A. Agro Equipments Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit and total comprehensive income, its changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the 'Auditors' Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Information other than the Financial Statements and Auditors' Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Directors Report and the related annexures, but does not include the Financial Statements and our Auditors' Report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has an adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and contents of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

   (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

   (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

   (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this report are in agreement with the books of account.

   (d) In our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act.

   (e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164(2) of the Act.

   (f) With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure B. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Financial Statements.

   (g) The Company has not paid/provided any remuneration to managerial personnel as defined in the Act. Accordingly, the provisions of Section 197 of the Act related to the managerial remuneration are not applicable to the Company.

   (h) With respect to the other matters to be included in the Auditors' Report in accordance with the requirements of Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

      (i) The company does not have any pending litigations which will impact its financial positions;

      (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

      (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company;

      (iv) (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clauses (a) and (b) contain any material misstatement; and

(v) The Company has not declared/paid/declared and paid any dividend during the year.

(vi) As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 relating to audit trail feature of the Company's accounting software is applicable to the Company only with effect from financial year beginning April 1, 2023, the reporting under Clause (g) of Rule 11 of the Companies (Audit and Auditors) Rules, 2014 is not applicable for the current year.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

[Referred to in paragraph 1 under 'Report on other Legal and Regulatory Requirements' section of our report of even date]

1. (a) (A) According to the information and explanations given to us, the Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.

   (B) According to the information and explanations given to us, the Company has maintained proper records showing full particulars of intangible assets.

   (b) The Company has a regular programme for physical verification of its property, plant and equipment by which the property, plant and equipment are verified by the management according to a phased programme designed to cover all the items over a period of 3 years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its property, plant and equipment. In accordance with the programme, the Company has physically verified property, plant and equipment during the current year and no material discrepancies were noticed on such verification.

   (c) According to the information and explanations given to us, the Company has no immoveable properties registered in its name. Accordingly, the reporting under Clause 3(i)(c) of the Order is not applicable to the Company.

   (d) According to the information and explanations given to us, the Company has not revalued any of its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.

   (e) Based on the audit procedures performed by us and according to the information, explanations and representations given to us, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

2. (a) According to the information and explanations given to us, the inventory comprising of raw materials, work-in-progress, finished goods, stores and spares and stock-in-trade has been physically verified at reasonable intervals by the management during the year. In our opinion, the coverage and procedure of such verification by the management is appropriate and no discrepancies of 10% or more in the aggregate for each class of inventory were noticed on such verification between the physical inventory and the book records.

   (b) According to the information and explanations given to us, the Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets at any point of time during the year.

3. According to the information and explanations given to us, the Company has not made investments in or provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year. Accordingly, the reporting under Clauses 3(iii)(a) to 3(iii)(f) of the Order is not applicable to the Company.

4. According to the information and explanations given to us, the Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186 of the Act. Accordingly, the reporting under Clause 3(iv) of the Order is not applicable to the Company.

5. According to the information and explanations given to us, the Company has not accepted deposits under the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder. Accordingly, the reporting under Clause 3(v) of the Order is not applicable to the Company.

6. The Central Government has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company. Accordingly, the reporting under Clause 3(vi) of the Order is not applicable to the Company.

7. (a) According to the information and explanations given to us and on the basis of our examination of records of the Company, the amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Goods and Services Tax, Provident Fund, Employees' State Insurance, Income-tax, Cess and other material statutory dues have been regularly deposited during the year by the Company with the appropriate authorities. According to the information and explanations given to us and on the basis of our examination of records of the Company, there were no undisputed statutory dues payable in respect of Sales tax, Service tax, Duty of Customs, Duty of Excise and Value Added Tax.

   According to the information and explanations given to us and on the basis of our examination of records of the Company, there were no arrears of undisputed statutory dues in respect of Goods and Services Tax, Provident fund, Employees' State Insurance, Income-tax, Sales tax, Service tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and other material statutory dues as on the last day of the financial year for a period of more than six months from the date they became payable.

   (b) According to the information and explanations given to us and on the basis of our examination of records of the Company, there are no statutory dues in respect of Goods and Services Tax, Provident Fund, Employees' State Insurance, Sales tax, Service tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and any other material statutory dues as at March 31, 2023, which have not been deposited with the appropriate authorities on account of any dispute.

8. According to the information and explanations given to us, there are no transactions not recorded in the books of account which have been surrendered or disclosed as income during the year in the tax assessments under the Income-tax Act, 1961. Accordingly, the reporting under Clause 3(viii) of the Order is not applicable to the Company.

9. (a) According to the information and explanations given to us and based on the audit procedures performed by us, the Company has not availed any loans or other borrowings during the year. Accordingly, the reporting under Clause 3(ix)(a) of the Order is not applicable to the Company.

   (b) According to the information and explanations given to us, the Company has not been declared a wilful defaulter by any bank or financial institution or any other lender till the date of our audit report.

   (c) According to the information and explanations given to us and based on the audit procedures performed by us, the Company has not availed any term loans during the year. Accordingly, the reporting under Clause 3(ix)(c) of the Order is not applicable to the Company.

   (d) In our opinion and according to the information and explanations given to us and on an overall examination of the Balance Sheet of the Company, we report that funds raised on short-term basis have not been utilised for long- term purposes as at the Balance Sheet date.

   (e) The Company does not have any subsidiaries, joint ventures or associates. Accordingly, the reporting under Clauses 3(ix)(e) and 3(ix)(f) of the Order is not applicable to the Company.

10. (a) According to the information and explanations given to us, the Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under Clause 3(x)(a) of the Order is not applicable to the Company.

   (b) According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Accordingly, the reporting under Clause 3(x)(b) of the Order is not applicable to the Company.

11. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company noticed or reported during the year, nor have we been informed of any such case by the management.

   (b) There has been no report filed by us under sub-section (12) of Section 143 of the Act in Form ADT- 4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government. Accordingly, the reporting under Clause 3(xi)(b) of the Order is not applicable to the Company.

   (c) As represented to us by the management, no whistleblower complaints were received by the Company during the year.

12. According to the information and explanations given to us, the Company is not a Nidhi company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, the reporting under Clause 3(xii) of the Order is not applicable to the Company.

13. In our opinion and according to the information and explanations given to us, the Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the Financial Statements as required by Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified under Section 133 of the Act.

14. In our opinion and based on our examination, the Company does not have an internal audit system and is not required to have an internal audit system as per the provisions of the Act.

15. According to the information and explanations given to us, the Company has not entered into any non- cash transactions with its directors or directors of its holding company or persons connected with them during the year and hence, the provisions of Section 192 of the Act are not applicable to the Company. Accordingly, the reporting under Clause 3(xv) of the Order is not applicable to the Company.

16. (a) According to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under Clause 3(xvi)(a) of the Order is not applicable to the Company.

   (b) In our opinion and according to the information and explanations given to us, the Company has not conducted any Non-Banking Financial or Housing Finance activities. Accordingly, the reporting under Clause 3(xvi)(b) of the Order is not applicable to the Company.

   (c) In our opinion and according to the information and explanations given to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under Clauses 3(xvi)(c) of the Order is not applicable to the Company.

   (d) Based on the information and explanation given to us and the audit procedures performed by us, we report that the group has 4 core investment companies.

17. In our opinion and according to the information and explanations given to us, the Company has not incurred cash losses in the current financial year as well as in the immediately preceding financial year. Accordingly, the reporting under Clause 3(xvii) of the Order is not applicable to the Company.

18. There has been no resignation of the statutory auditors during the year. Accordingly, the reporting under Clause 3(xviii) of the Order is not applicable to the Company.

19. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of Balance Sheet as and when they fall due within a period of one year from the Balance Sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the Balance Sheet date, will get discharged by the Company as and when they fall due.

20. (a) According to the information and explanations given to us, in respect of other than ongoing projects, the Company has no unspent amount that needs to be transferred to a Fund specified in Schedule VII to the Act in compliance with second proviso to sub-section (5) of Section 135 of the act.

(b) According to the information and explanations given to us, in respect of ongoing projects, the Company has no unspent amount which needs to be transferred to a special account in compliance with sub-section (6) of Section 135 of the the act.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

[Referred to in paragraph 2(f) under 'Report on other Legal and Regulatory Requirements' section of our report of even date]

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of sub-section (3) of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of M.I.T.R.A. Agro Equipments Private Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based on the criteria for internal financial control with reference to financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2023

1 **Significant Accounting Policies**

The financial statements have been prepared in accordance with Ind AS as notified under the Companies (Indian Accounting Standards) Rules, 2015.

(a) **Basis of preparation, presentation and measurement**

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

(b) **Measurement of fair values**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. In addition, for the financial reporting purposes, fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to fair value measurement in its entirety, which are described as follows :

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included with in Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

(c) **Use of Estimates & Judgements**

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates on assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses etc. at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected.

Key source of estimation of uncertainty at the date of the financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of useful lives of property, plant and equipment, obligations relating to employee defined benefits etc. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known/ materialize.

(d) **Basis of measurement**

The financial statements have been prepared on the historical cost basis except for certain financial instruments which are measured at fair values.

(e) **Property Plant & Equipment**

Property Plant & Equipment are stated at cost of acquisition or construction less accumulated depreciation and accumulated impairment, if any for use.

Depreciation is provided on straight line basis for property, plant and equipments so as to expense the depreciable aamount, i.e the cost less estimated residual value, over its estimated useful lives. The estimated useful lives and residual values are reviewed annually and the effect of any changes in estimate is accounted for on a prospective basis.

When an asset is scrapped or otherwise disposed off, the cost and related depreciation are removed from the books of account and resultant profit or loss, if any, is reflected in the Statement of Profit and Loss.

The management's estimate of useful lives are in accordance with Schedule II to the Companies Act, 2013.

(f) **Intangible Assets**

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses, if any. Amortization is recognized on a straight-line basis over their estimated useful lives. The estimated useful life and amortization method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Software Expenditure:

The expenditure incurred is amortized over five financial years equally commencing from the year in which the expenditure is incurred.

Internally-generated intangible assets – Development expenditure:

Expenditure on research activities is recognized as an expense in the period in which it is incurred.

An internally-generated intangible asset arising from development (or from the development phase of an internal project) is recognized if, and only if, all of the following have been demonstrated:

- the technical feasibility of completing the intangible asset so that it will be available for use or sale;
- the intention to complete the intangible asset and use or sell it;
- the ability to use or sell the intangible asset;
- how the intangible asset will generate probable future economic benefits;
- the availability of adequate technical, financial and other resources to complete the development and to use or sell the intangible asset; and
- the ability to measure reliably the expenditure attributable to the intangible asset during its development.

The amount initially recognized for internally-generated intangible assets is the sum of the expenditure incurred from the date when the intangible asset first meets the recognition criteria listed above. Where no internally generated intangible asset can be recognized, development expenditure is recognized in profit or loss in the period in which it is incurred.

Subsequent to initial recognition, internally-generated intangible assets are reported at cost less accumulated amortization and accumulated impairment losses, on the same basis as intangible assets that are acquired separately.

(g) **Derecognition of Intangible Assets**

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognized in profit or loss when the asset is derecognized.

Impairment

The carrying amounts of assets are reviewed at each balance sheet date to determine whether there is any indication of impairment based on internal/external factors. Impairment loss is provided to the extent the carrying amount of assets exceeds their recoverable amount. Recoverable amount is the higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. Net selling price is the amount obtainable from the sale of an asset in an arm's length transaction between knowledgeable, willing parties, less the cost of disposal.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2023

(h) Inventories

Inventories comprise all costs of purchase, conversion and other costs incurred in bringing the inventories to their present location and condition.

Raw Material and bought out components are valued at the lower of cost and net realizable value after providing for obsolescence and other losses, where considered necessary. In determining the cost of purchased materials, First In First Out is used.

Cost of manufactured finished goods and work-in-progress are valued on absorption costing basis and includes appropriate proportion of overheads.

Obsolete and slow moving items are valued at cost or estimated net realisable value, whichever is lower.

(i) Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition).

(j) Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made are classified as current investments. All other investments are classified as non-current investments.

(k) Financial Instruments

Financial assets and financial liabilities are recognized when a Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

(l) Financial Assets

All regular way purchases or sales of financial assets are recognized and derecognized on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place. All recognized financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

Financial assets at Fair value through profit or loss are measured at fair value at the end of each reporting period, with any gains or losses arising on re measurement recognized in profit or loss, The net gain or loss recognized in profit or loss incorporates any dividend or interest earned on the financial asset and is included in the ‘Other income’ line item.

(m) Financial liabilities and equity instruments

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

(n) Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced for rebates and other similar allowances.

Sale of goods

Revenue from the sale of goods is recognized when the goods are delivered and titles have passed, at which time all the following conditions are satisfied:

a) The Company has transferred to the buyer the significant risks and rewards of ownership of the goods;

b) The Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;

c) The amount of revenue can be measured reliably;

d) It is probable that the economic benefits associated with the transaction will flow to the company; and

e) The costs incurred or to be incurred in respect of the transaction can be measured reliably.

Rendering of services

Sale of services are recognised on rendering of such services.

(o) Interest income

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding.

(p) GST

Goods & Service Tax payable on finished goods is accounted for upon transfer of goods to the customers. GST recovered is excluded from the sale of products and services. Purchases and Expenses are accounted net of GST when GST is recoverable.

(q) Custom Duty

Custom duty payable on imported goods is accounted for when the goods enter the Indian shores.

(r) Foreign exchange transactions

Transactions in foreign currencies (Other than company’s functional currency) are recorded at the exchange rates prevailing on the date of transaction. Monetary items are translated at the year-end rates. The exchange difference between the rate prevailing on the date of transaction and on the date of settlement as also on translation of Monetary items at the end of the year, is recognized as income or expense, as the case maybe.

(s) Employee Benefits

Providend Fund, ESIC and Labour Welfare Fund

The Group’s contribution paid / payable during the year to Superannuation Fund, ESIC and Labour Welfare Fund are recognised in profit or loss.

Other Benefits

The undiscounted amount of short-term employee benefit expected to be paid in exchange for the services rendered by employees is recognized during the period when the employee renders the service.

Gratuity

Company’s liability towards gratuity are determined by independent actuaries, using the projected unit credit method.

Remeasurement gains/losses

Remeasurement of defined benefit plans, comprising of actuarial gains or losses, return on plan assets excluding interest income are recognised immediately in balance sheet with corresponding debit or credit to other comprehensive income. Remeasurements are not reclassified to profit or loss in subsequent period.

Employee Stock Option

The Company accounts for compensation expense under the Employee Stock Option Plan as per the Indian Accounting Standards and as permitted by the Guidance Note on “Accounting for Employee Share-based Payments” issued by The Institute of Chartered Accountants of India. The difference between the fair value and the exercise price of option as at the date of the grant is treated as compensation expenses and charged over the vesting period.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2023

(t) Taxes on Income

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Financial statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Current and deferred tax for the year

Current and deferred tax are recognized in profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

(u) Warranty

Provision for warranty represents present value of management's best estimate of the future outflow of economic benefits that will be required in respect of sale of certain products, the estimated cost of which is accrued at the time of sale. Management estimates the related provision for future warranty claims based on historical warranty claim information and is adjusted regularly to reflect new information.

(v) Segment Reporting

The Company's business activity falls within a primary business segment namely manufacturing of different kinds of agricultural machines and related components.

(w) Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that the company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Contingent liabilities are not recognized but are disclosed in the notes. Contingent assets are neither recognized nor disclosed in the financial statements.

(x) Leasing

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

The Company as lessee

Rental expense from operating leases is generally recognised on a straight-line basis over the term of the relevant lease. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases, such increases are recognised in the year in which such benefits accrue.

Note No. 24 - Capital Management

The company's capital management objectives are:

– to ensure the company's ability to continue as a going concern

– to provide an adequate Return to shareholders by pricing products commensurately with the level of risk.

The company monitors capital on the basis of the carrying amount of equity less cash and cash equivalents as presented on the face of the statement of financial position.

The company sets the amount of capital in proportion to its overall financing structure, i.e. equity and financial liabilities. The company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

Rs. In thousands

Particulars	**As at 31st March 2023**	As at 31st March 2022
Equity	**3,44,932**	2,95,452
Less: Cash and cash equivalents	**15,862**	14,964
	3,29,070	2,80,488

Note No. 25 - Financial Risk Management Framework

In the course of its business, the Company is exposed to a certain financial risks namely interest risk, currency risk & liquidity risk. The Company's primary focus is to achieve better predictability of financial markets and seek to minimize potential adverse effects on its financial performance.

(a) Market Risk

Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates etc. could affect the Company's income or the value of its holdings of financial instruments including cash flow. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while maximising the return.

(b) Currency Risk

The Company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise. The Company's exposure to currency risk relates primarily to the Company's operating activities when transactions are denominated in a different currency from the Company's functional currency.

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follow

Particulars	**Currency**	**As at 31st March 2023**	31st March 2022
Trade Payable	**USD**	**–**	128
	INR	**–**	9,662
	EUR	**171**	337
	INR	**15,280**	28,307

the above foreign currency exposures are not hedged by a derivative.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2023

Foreign Currency Sensitivity

The following tables demonstrate the sensitivity to a reasonably possible change in foreign currency fluctuation in exchange rates, with all other variables held constant. The impact on the Company's profit before tax is due to changes in the fair value of monetary assets and liabilities is as under.

Rs. In thousands

Particulars	Currency	Change in Rate	Effect on profit/(loss) before tax
As at March 31, 2023	**EUR**	**6.08%**	929
	USD	**0%**	-
As at March 31, 2022	**EUR**	**10%**	2,831
	USD	**10%**	966

In management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

(c) Interest rate risk

Interest rate sensitivity

Considering the fact that the interest component is insignificant, the company do not consider the interest rate as risk at all.

(d) Credit Risk Management

Credit Risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collatarel, where appropriate, as a means of mitigating the risk of financial loss from defaults.. The Company's exposure are continuously monitored.

Rs. In thousands

Particulars	Not due	Less than 6 months past due	More than 6 months past due	Total
As at March 31, 2023				
Expected loss rate	**0%**	**0%**	**0%**	
Gross carrying amount	**–**	**26,994**	**943**	**27,937**
Loss allowance provision	**–**	**–**	**–**	
As at March 31, 2022				
Expected loss rate	0%	0%	0%	
Gross carrying amount	–	12,040	549	12,589
Loss allowance provision	–	–	–	–

Compared to the size, the credit risk is insignificant and that no significant loss has has arisen during these years.

e) LIQUIDITY RISK

(i) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Company's short-, medium- and longterm funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

(ii) Maturities of financial liabilities

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company / Company can be required to pay. The tables include both interest and principal cash flows.

To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rate curves at the end of the reporting period. The contractual maturity is based on the earliest date on which the Company may be required to pay.

Rs. In thousands

As at March 31, 2022				
Non-interest bearing	4,334	–	–	–
Variable interest rate instruments	–	–	–	–
Fixed interest rate instruments	–	–	–	–

(iii) Maturities of financial assets

The following table details the Company's expected maturity for its non-derivative financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets. The inclusion of information on non-derivative financial assets is necessary in order to understand the Company's liquidity risk management as the liquidity is managed on a net asset and liability basis.

Note No. 26) - Employee Benefits

a) Defined Contribution Plan:

The Company makes Provident Fund contributions to defined contribution plans for qualifying employees. Under the Schemes, the Company is required to contribute a specified percentage of the payroll costs to fund the benefits.

b) Defined Benefit Plans:

The Company operates a gratuity plan covering qualifying employees. The benefit payable is the greater of the amount calculated as per the Payment of Gratuity Act, 1972 or the Company scheme applicable to the employee. The benefit vests upon completion of five years of continuous service and once vested it is payable to employees on retirement or on termination of employment. In case of death while in service, the gratuity is payable irrespective of vesting.

Through its defined benefit plans the Company is exposed to a number of risks, the most significant of which are detailed below:

c) Liability Risks

a. Asset-Liability Mismatch Risk:

Risk which arises if there is a mismatch in the duration of the assets relative to the liabilities. By matching duration with the defined benefit liabilities, the company is successfully able to neutralize valuations wings caused by interest rate movements. Hence companies are encouraged to adopt asset-liability management.

b. Discount Rate Risk:

Variations in the discount rate used to compute the present value of the liabilities may seem small, but in practise can have a significant impact on the defined benefit liabilities.

c. Future Salary Escalation and Inflation Risk:

Since price inflation and salary growth are linked economically, they are combined for disclosure purposes. Rising salaries will often result in higher future defined benefit payments resulting in a higher present value of liabilities especially unexpected salary increases provided at management's discretion may lead to uncertainties in estimating this increasing risk.

Details of defined benefit plans as per Actuarial Valuation are as below.

Independent Auditors' Report

To the Members of
Mahindra & Mahindra Financial Services Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Mahindra & Mahindra Financial Services Limited (the "Company"), which comprise the Balance Sheet as at 31 March 2023, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2023, and its profit , total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the *Auditor's Responsibility for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current year. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key audit matter	Auditor's Response
1	Allowances for Expected Credit Losses ("ECL"): As at 31 March 2023, the carrying value of loan assets measured at amortized cost, aggregated ₹79,454.73 crore (net of allowance of expected credit loss ₹3,287.83 crore) constituting approximately 83% of the Company's total assets. Significant judgement is used in classifying these loan assets and applying appropriate measurement principles. ECL on such loan assets measured at amortized cost is a critical estimate involving greater level of management judgement. As part of our risk assessment, we determined that the ECL on such loan assets has a high degree of estimation uncertainty, with a potential range of reasonable outcomes for the Standalone Financial Statements. The elements of estimating ECL which involved increased level of audit focus are the following: • Qualitative and quantitative factors used in staging the loan assets measured at amortized cost; • Basis used for estimating Probabilities of Default ("PD"), Loss Given Default ("LGD") and Exposure at Default ("EAD") at product level with past trends;	We have examined the policies approved by the Board of Directors of the Company that articulate the objectives of managing each portfolio and their business models. We have also verified the methodology adopted for computation of ECL ("ECL Model") that addresses policies approved by the Board of Directors, procedures and controls for assessing and measuring credit risk on all lending exposures measured at amortized cost. Additionally, we have confirmed that adjustments to the output of the ECL Model is consistent with the documented rationale and basis for such adjustments and that the amount of adjustment has been approved by the Audit Committee of the Board of Directors. Our audit procedures related to the allowance for ECL included the following, among others: Testing the design and operating effectiveness of the following: • completeness and accuracy of the EAD and the classification thereof into stages consistent with the definitions applied in accordance with the policy approved by the Board of Directors including the appropriateness of the qualitative factors to be applied;

Sr. No.	Key audit matter	Auditor's Response
	• Judgements used in projecting economic scenarios and probability weights applied to reflect future economic conditions; and • Adjustments to model driven ECL results to address emerging trends. (Refer Note 2.5 (ii), 2.11 (h), 7 and 49.2 to the Standalone Financial Statements)	• completeness, accuracy and appropriateness of information used in the estimation of the PD and LGD for the different stages depending on the nature of the portfolio; and • accuracy of the computation of the ECL estimate including reasonableness of the methodology used to determine macro-economic overlays and adjustments to the output of the ECL Model. Test of details on a sample in respect of the following: • accuracy and completeness of the input data such as period of default and other related information used in estimating the PD; • the mathematical accuracy of the ECL computation by using the same input data as used by the Company; • completeness and accuracy of the staging of the loans and the underlying data based on which the ECL estimates have been computed; • evaluating the adequacy of the adjustment made to the output as per the ECL Model to ensure that the adjustment was in conformity with the policy approved by the Audit Committee of the Company.
2	Information Technology and General Controls: The Company is dependent on its Information Technology ("IT") systems due to the significant number of transactions that are processed daily across such multiple and discrete IT systems. Also, IT application controls are critical to ensure that changes to applications and underlying data are made in an appropriate manner and under controlled environments. Appropriate controls contribute to mitigating the risk of potential fraud or errors as a result of changes to applications and data. On account of the pervasive use of its IT systems, the testing of the general computer controls of the IT systems used in financial reporting was considered to be a Key Audit Matter.	With the assistance of our IT specialists, we obtained an understanding of the Company's IT applications, databases and operating systems relevant to financial reporting and the control environment. For these elements of the IT infrastructure the areas of our focus included access security (including controls over privileged access), program change controls, database management and network operations. In particular: • We tested the design, implementation, and operating effectiveness of the Company's general IT controls over the IT systems relevant to financial reporting. This included evaluation of Company's controls over segregation of duties and access rights being provisioned / modified based on duly approved requests, access for exit cases being revoked in a timely manner and access of all users being recertified during the period of audit. • We also tested key automated business cycle controls and logic for the reports generated through the IT infrastructure that were relevant for financial reporting or were used in the exercise of internal financial controls with reference to financial statements. Our tests included testing of the compensating controls or alternate procedures to assess whether there were any unaddressed IT risks that would materiality impact the Financial Statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report (including annexures thereto), Business Responsibility and sustainability report and Management Discussion and Analysis ("MD&A") (collectively referred to as "other information"), but does not include the financial statements and our auditor's report thereon. The Other Information is expected to be made available to us after the date of our auditor's report.

- Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the other information included in the above reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and determine the actions under the applicable laws and regulations.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate The Company's or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in respect of Standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone financial statements made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
   a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
   b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
   c. The standalone Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
   d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
   e. On the basis of the written representations received from the directors as on 31 March, 2023 taken on record by the Board of Directors, none of the directors are disqualified as on 31 March, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
   f. With respect to the adequacy of the internal financial controls over standalone financial statements reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
   g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended,
      - In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
   h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
      i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
      ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
      iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
      iv. (a) The Management has represented that, to the best of it's knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

         (b) The Management has represented that, to the best of it's knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. The final dividend proposed with respect to previous year, declared and paid by the Company during the year is in compliance with section 123 of the Act, as applicable.

As stated in Note no. 23(ii) to the standalone financial statements, the Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members in the ensuing Annual General Meeting. The amount of the dividend proposed is in accordance with the section 123 of the Act, as applicable.

vi. Proviso of Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of accounts using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.

2. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls with reference to Standalone Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the Internal Financial Controls with reference to Standalone financial statements of Mahindra & Mahindra Financial Services Limited (the "Company") as of March 31, 2023, in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining Internal Financial Controls based on the internal control with reference to Standalone Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's Internal Financial Controls with reference to Standalone Financial Statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls with reference to Standalone Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls system with reference to Standalone Financial Statements and their operating effectiveness. Our audit of Internal Financial Controls with reference to Standalone Financial Statements included obtaining an understanding of Internal Financial Controls with reference to Standalone Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A Company's Internal Financial Controls with reference to Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's Internal Financial Controls with reference to Standalone Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of Internal Financial Controls with reference to Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Controls with reference to

Standalone Financial Statements to future periods are subject to the risk that the Internal Financial Controls with reference to Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate Internal Financial Controls system with reference to Standalone Financial Statements and such Internal Financial Controls with reference to Standalone Financial Statements were operating effectively as at March 31, 2023, based on the criteria for Internal Financial Controls with reference to Standalone Financial Statements established by the respective Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the members of Mahindra & Mahindra Financial Services Limited on the financial statements as at and for the year ended March 31, 2023)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

(i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.

(B) The Company has maintained proper records showing full particulars of intangible assets.

(b) The Property, Plant and Equipment, were physically verified during the year by the management, in accordance with a regular programme of verification, which in our opinion, provides for physical verification of all the property, plant and equipment at reasonable intervals. No material discrepancies were noticed on such verification.

(c) Based on the examination of the documents provided to us, we report that, the title deeds of all the immovable properties (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company), disclosed in the financial statements included in Property, Plant and Equipment are held in the name of the Company as at the balance sheet date.

(d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) and intangible assets. Accordingly, paragraph 3(i)(d), of the Order is not applicable to the Company.

(e) No proceedings have been initiated during the year or are pending against the Company as at 31 March 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

(ii) (a) The Company is engaged primarily in lending activities and consequently does not hold any physical inventories. Accordingly, paragraph 3(ii)(a) of the Order is not applicable to the Company.

(b) According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of Rs. 5 crore, in aggregate, at points of time during the year, from banks on the basis of security of loans (assets). We have observed reconciliation items in the quarterly returns or statements filed by the Company with such banks or financial institutions as compared to the books of account maintained by the Company. However, we have not carried out a specific audit of such statements. The details of such differences / reconciliation items are given in note no. 17 of the standalone financial statements of the Company.

(iii) As explained in note 1 to the standalone financial statements, the Company is a deposit-taking non-banking financial company ("NBFC") registered with the Reserve Bank of India ("RBI") and as a part of its business activities is engaged in the business of lending across various types of customers which include retail and SMEs.

During the year, in the ordinary course of its business, the Company has made investments in, provided guarantee/ security to and granted loans and advances in the nature of loans, secured and unsecured, to companies, firms, limited liability partnerships and other parties. With respect to such investments, guarantees / security and loans and advances:

(a) The principal business of the Company is to give loans and hence reporting under clause (iii)(a) of the Order is not applicable;

(b) In our opinion, having regard to the nature of the Company's business, the investments made, guarantees provided, security given and the terms and conditions of the grant of all loans and advances in the nature of loans and guarantees provided are not prejudicial to the Company's interest;

(c) In respect of loans and advances in the nature of loans (together referred to as "loan assets"), the schedule of repayment of principal and payment of interest has been stipulated. Note 2.5(ii) and 2.11(h) to the standalone financial statements explains the Company's accounting policy relating to impairment of financial assets which include loans assets. In accordance with that policy, loan assets with balances as at 31 March 2023, aggregating ₹3,717.10 crore were categorised as credit impaired ("Stage 3") and ₹4,928.18 crore were categorised as those where the credit risk has increased significantly since initial recognition ("Stage 2"). Disclosures in respect of such loans have been provided in Note 62 to the standalone financial statements. Additionally, out of loans and advances in the nature of loans with balances as at 31 March 2023 aggregating ₹74,124.59 crore, where credit risk has not significantly increased since initial recognition (categorised as "Stage 1"), delinquencies in the repayment of principal and payment of interest aggregating ₹7,391.24 crore were also identified, albeit of less than 31 days. In all other cases, the repayment of principal and interest is regular as at 31 March 2023. Having regard to the nature of the Company's business and the volume of information involved, it is not practicable to provide an itemised list of loan assets where delinquencies in the repayment of principal and interest have been identified.

(d) The total amount overdue for more than ninety days, in respect of loans and advances in the nature of loans, as at 31 March 2023 is ₹1,721 crore. Reasonable steps are been taken by the Company for recovery of the principal and interest.

(e) The principal business of the Company is to give loans and hence reporting under clause (iii)(e) of the Order is not applicable.

(f) The Company has not granted any loans or advances in the nature of loans that were either repayable on demand or without specifying any terms or period of repayment.

(iv) The Company has not advanced loans or made investments in or provided guaranty or security to parties covered by section 185 of the Act and the provisions of Section 186 of the Act are not applicable to the Company. Hence reporting under clause 3 (iv) of the Order is not applicable.

(v) In our opinion, the Company had complied with the directives issued by the Reserve Bank of India with regards to the deposits accepted and amounts deemed to be deposits during the year. According to the information and explanations given to us, the Company being Non-banking finance company registered with RBI, provisions of section 73 to 76 or any other relevant provisions of the Companies Act, 2013 & the Companies (Acceptance of deposits) Rules, 2014, as amended, are not applicable. We are informed by the management that no order has been passed by the Company Law Board, National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal against the Company in this regard.

(vi) The maintenance of cost records has not been specified by the Central Government under Section 148(1) of the Companies Act, 2013 for the business activities carried out by the Company. Hence reporting under clause 3 (vi) of the Order is not applicable.

(vii) In respect of statutory dues:

(a) The Company has been regular in depositing undisputed statutory dues, including Goods and Service Tax, Provident Fund, Employees' State Insurance, Income-tax, Cess and other material statutory dues applicable to it, to the appropriate authorities. As explained to us, the Company does not have any dues on account of sales tax, service tax, duty of customs, duty of excise and value added tax.

There were no undisputed amounts payable in respect of Goods and Service Tax, Provident Fund, Employees' State Insurance, Income-tax, Cess and other material statutory dues in arrears as at 31st March, 2023, for a period of more than six months from the date they became payable.

(b) Details of dues of Income-tax, Value Added Tax and Service Tax Act which have not been deposited as on 31st March, 2023, on account of disputes are given below:

Rs. in crores

Name of the statute	Nature of dues	Amount Involved	Amount Unpaid	Period to which the amount relates	Forum where dispute is pending
Income Tax Act, 1961	Income Tax	71.26	71.26	For FY 2002-03; 2013-14; 2014-15; 2015-16; 2016-17; 2017-18; 2018-19	Commissioner of Income Tax (Appeals)
Andhra Pradesh VAT	Value Added Tax	1.24	1.24	April 2008-October 2013	Andhra Pradesh High Court
Madhya Pradesh VAT	Value Added Tax	0.09	0.06	FY 2013-14; 2014-15; 2015-16; 2016-17	Appellate Authority of Commercial Taxes, Bhopal
Maharashtra VAT	Value Added Tax	5.24	0.87	2010-11	Maharashtra Sales Tax Tribunal
Maharashtra VAT	Value Added Tax	38.26	7.08	FY 2011-12; 2012-13; 2013-14; 2014-15; 2015-16	Dy Comm. of Sales Tax (Appeal)
Rajasthan VAT	Value Added Tax	1.16	–	FY 2007-2013; 2013-14; 2014-15	Supreme Court
Maharashtra - Service Tax	Service Tax	86.92	85.24	FY 2008-2015	CESTAT, Mumbai

(viii) There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.

(ix) (a) The Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.

(b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(c) In our opinion, term loans availed by the Company during the year, were applied by the Company for the purposes for which the loans were obtained.

(d) On an overall examination of the standalone financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.

(e) On an overall examination of the standalone financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.

(f) The Company has not raised any loans during the year on the pledge of securities held in its subsidiaries or joint ventures or associate companies. Accordingly, paragraph 3 (ix)(f) of the Order is not applicable.

(x) (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause (x)(a) of the Order is not applicable.

(b) The Company has not made preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) during the year under review and hence reporting under clause 3(x)(b) of the Order is not applicable to the Company.

(xi) (a) To the best of our knowledge, no material fraud on the Company and no fraud by the Company has been noticed or reported during the year.

(b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year by the Statutory Auditors and upto the date of this report.

(c) We have taken into consideration, the whistle blower complaints received by the Company during the year and provided to us while determining the nature, timing and extent of audit procedures.

(xii) The Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable.

(xiii) In our opinion, the Company is in compliance with Section 188 and 177 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements, etc., as required by the applicable accounting standards.

(xiv) (a) In our opinion and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business. The company needs to enhance the coverage / scope of the internal audit in certain areas.

(b) We have taken into consideration, the reports of the Internal Auditors received by the company during the year and provided to us while determining the nature, timing and extent of audit procedures.

(xv) In our opinion, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with them and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.

(xvi) (a) The Company is required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and it has obtained the registration.

(b) The Company has conducted the Non-Banking Financial activities with a valid Certificate of Registration (CoR) from the Reserve Bank of India (RBI) as per the Reserve Bank of India Act, 1934. The Company has not conducted any Housing Finance activities and is not required to obtain CoR for such activities from the RBI.

(c) The Company is not a Core Investment Company (CIC) and hence reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) The Group (as defined under Master Direction DNBR. PD.008/03.10.119/2016-17 - Non-Banking Financial Company - Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016) has more than one CIC as part of the group. There are 4 CIC forming part of the group.

(xvii) The Company has not incurred cash losses during the financial year covered by our audit and in the immediately preceding financial year.

(xviii) There has been no resignation of the statutory auditors of the Company during the year. Hence, the provisions of clause 3(xviii) of the Order are not applicable.

(xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) The Company has fully spent the required amount towards Corporate Social Responsibility (CSR) and there is no unspent CSR amount for the year requiring a transfer to a Fund specified in Schedule VII to the Companies Act or special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Accordingly, reporting under clause 3(xx) of the Order is not applicable for the year.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

for the year ended 31 March 2023

1 COMPANY INFORMATION

Mahindra & Mahindra Financial Services Limited ('the Company') with Corporate ID No.: L65921MH1991PLC059642, incorporated on 1 January 1991 and domiciled in India, is a public limited company, headquartered in Mumbai. The Company is a Non-Banking Financial Company ('NBFC'), primarily engaged in financing new and pre-owned auto, utility vehicles, tractors, passenger cars and commercial vehicles through its pan India branch network. The Company has a diversified lending portfolio across retail, small and medium enterprises and commercial customers with a significant presence in rural and semi-urban India.

The Company is registered as a Systemically Important Deposit Accepting NBFC as defined under Section 45-IA of the Reserve Bank of India ('RBI') Act, 1934 with effect from 4 September 1998, with registration no. 13.00996 and classified as NBFC-Investment and Credit Company (NBFC-ICC) pursuant to circular DNBR (PD) CC.No.097/03.10.001/2018-19 dated 22 February 2019. The equity shares of the Company are listed on the National Stock Exchange of India Limited ("NSE") and the BSE Limited ("BSE") in India. The Company is a subsidiary of Mahindra & Mahindra Limited.

The Company's registered office is at Gateway Building, Apollo Bunder, Mumbai 400001, India.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

2.1 Statement of compliance and basis for preparation and presentation of financial statements

These standalone or separate financial statements of the Company have been prepared in accordance with the Indian Accounting Standards ("Ind AS") as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under section 133 of the Companies Act, 2013 ("the Act"), and is in conformity with the accounting principles generally accepted in India and other relevant provisions of the Act. Further, the Company has complied with all the directions related to Implementation of Indian Accounting Standards prescribed for Non-Banking Financial Companies (NBFCs) in accordance with the RBI notification no. RBI/2019-20/170 DOR NBFC).CC.PD.No.109/22.10.106/2019-20 dated 13 March 2020.

Any application guidance/ clarifications/ directions/ expectations issued by RBI or other regulators are implemented as and when they are issued/ applicable.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

These standalone or separate financial statements have been approved by the Company's Board of Directors and authorized for issue on 28 April 2023.

2.2 Functional and presentation currency

These financial statements are presented in Indian Rupees ('INR' or 'Rs.') which is also the Company's functional currency. All amounts are rounded-off to the nearest crore, unless indicated otherwise.

2.3 Basis of measurement

The financial statements have been prepared on a historical cost convention and on an accrual basis, except for certain financial instruments which are measured at fair values as required by relevant Ind AS.

2.4 Measurement of fair values

The Company's certain accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has established policies and procedures with respect to the measurement of fair values. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

– Level 1: Quoted prices (unadjusted) in active markets for identical assets and liabilities.

– Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.

– Level 3: Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

2.5 Use of estimates and judgements and Estimation uncertainty

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of the Company's accounting policies and the reported amounts of assets, liabilities, income, expenses and the disclosures of contingent liabilities. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions of estimates are recognized prospectively.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were issued. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Following are areas that involved a higher degree of estimate and judgement or complexity in determining the carrying amount of some assets and liabilities.

i) Effective Interest Rate (EIR) Method

The Company recognizes interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the expected life of the loans given / taken. This estimation, by nature, requires an element of judgement regarding the expected behaviour and life-cycle of the instruments, as well as expected changes to other fee income/ expense that are integral parts of the instrument.

ii) Impairment of Financial Assets

The measurement of impairment losses on loan assets and commitments, requires judgement, in estimating the amount and timing of future cash flows and recoverability of collateral values while determining the impairment losses and assessing a significant increase in credit risk.

The Company's Expected Credit Loss (ECL) calculation is the output of a complex model with a number of underlying assumptions regarding the choice of variable inputs and their interdependencies. Elements of the ECL model that are considered accounting judgements and estimates include:

– The Company's criteria for assessing if there has been a significant increase in credit risk

– The segmentation of financial assets when their ECL is assessed on a collective basis

– Development of ECL model, including the various formulae and the choice of inputs

– Selection of forward-looking macroeconomic scenarios and their probability weights, to derive the economic inputs into the ECL model

– Management overlay, if any, used in circumstances where management judges that the existing inputs, assumptions and model techniques do not capture all the risk factors relevant to the Company's lending portfolios.

It has been the Company's policy to regularly review its model in the context of actual loss experience and adjust when necessary (refer note 49).

iii) Provisions and contingent liabilities

The Company does not recognise a contingent liability but discloses its existence in the financial statements.

`

Contingent assets are neither recognised nor disclosed in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs. Contingent Liabilities in respect of show cause notices are considered only when converted into demands.

The reliable measure of the estimates and judgments pertaining to litigations and the regulatory proceedings in the ordinary course of the Company's business are disclosed as contingent liabilities.

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

iv) Provision for income tax and deferred tax assets:

The Company uses estimates and judgements based on the relevant rulings in the areas of allocation of revenue, costs, allowances and disallowances which is exercised while determining the provision for income tax, including the amount expected to be paid / recovered for uncertain tax positions. A deferred tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses, if any, can be utilized. Accordingly, the Company exercises its judgement to reassess the carrying amount of deferred tax assets at the end of each reporting period.

v) Defined Benefit Plans:

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

vi) Estimation uncertainty relating to the global health pandemic from COVID-19 and current Macro-economic scenario:

The COVID-19 outbreak and its effect on the economy has impacted our customers and our performance during the prior years until the year ended 31 March 2022, though the pandemic's spread remains curtailed by the roll out of vaccines through out the world and as a result the economies around the world have returned to normalcy which had a favourable impact on business and financial performance of the Company during the current financial year ended 31 March 2023.

Economic forecasts are still subject to a varied degree of uncertainty in the current environment which directly / indirectly linked to long lasting disruptions caused by outbreak of COVID-19. Limitations of forecasts and economic models require a greater reliance on management judgement in addressing both the error inherent in economic forecasts and in assessing associated ECL outcomes.

The calculation of ECL under Ind AS 109 involves significant judgements, assumptions and estimates. The level of estimation uncertainty and judgement is moderately low during financial year due to the curtailed impact of the pandemic spread, including significant judgements relating to:

– the selection and weightage of economic scenarios, given rapidly changing economic conditions in an unprecedented manner, uncertainty as to the effect of government and RBI support measures designed to alleviate adverse economic impacts, and a wider distribution of economic forecasts than before the pandemic. The key judgements are the length of time over which the economic effects of the pandemic would occur, the speed and shape of spread and recovery. The main factors include the effectiveness of pandemic containment measures, effectiveness of vaccines, and the emergence of new variants of the virus, plus a range of geopolitical uncertainties, which together may represent a high degree of estimation uncertainty, particularly in assessing worst case scenario;

– estimating the economic effects on the scenarios on ECL, though the historical trends now include a little history post the outbreak of the pandemic that can be reflected in the models to represent the effects of the economic changes of the severity and speed brought about by the COVID-19 outbreak. Modelled assumptions and linkages between economic factors and credit losses may underestimate or overestimate ECL in these conditions, and there is significant uncertainty in the estimation of parameters such as collateral values and loss severity; and

– the identification of customers experiencing significant increases in credit risk and credit impairment, particularly where those customers have accepted payment deferrals and other reliefs designed to address short-term liquidity issues given muted default experience to date.

Judgements (including overlays, if any) in relation to credit impairments and the impact of macro-economic risks on the credit environment, including those long lasting adverse impact arising from the COVID-19 pandemic, are continuously subjected to review throughout the year. The management focused on the key assumption, methodologies and in-model and post model adjustments applied to provisions under Ind AS 109. The economic uncertainty and unprecedented conditions not experienced since the implementation of Ind AS 109 challenged the usefulness of model outputs. While the use of judgemental overlays and post-model adjustments should ideally be limited, their use was considered necessary, where applicable, during the financial year, and might likely to continue to be required in future reporting periods.

As a result of government and bank support / relief measures implemented during previous years, significant credit deterioration has not yet occurred. This delay increases uncertainty on the timing of the stress and the realisation of defaults. Management has applied certain parameter driven adjustments to modelled outputs to reflect the uncertainty in relation to the timing of stress and the degree to which economic consensus has yet captured the range of economic uncertainty. As a result, ECL is higher than would be the case if it were based on the forecast economic scenarios alone.

The Company has developed various accounting estimates in these Financial Statements based on forecasts of economic conditions which reflect expectations and assumptions as at 31 March 2023 about future events that the management believe are reasonable in the circumstances. There is a considerable degree of judgement involved in preparing forecasts. The underlying assumptions are also subject to uncertainties which are often outside the control of the Company. Accordingly, actual economic conditions are likely to be different from those forecast since anticipated events frequently do not occur as expected, and the effect of those differences may significantly impact accounting estimates included in these financial statements.

The significant accounting estimates impacted by these forecasts and associated uncertainties are predominantly related to expected credit losses, fair value measurement, and recoverable amount assessments of non-financial assets.

vii) Going Concern

Although COVID 19 has had an adverse impact on the functioning of the financial sector companies until the year ended 31 March 2022, the financial statements of the Company are prepared on a going concern basis for the year ended 31 March 2023.

Management is of the view that it is considered appropriate to prepare these financial statements on a going concern basis as the Company expects to generate sufficient cash flows from operating activities and unused lines of credit to meet its obligations in the foreseeable future (refer note 49 and note 49.3).

2.6 Revenue recognition:

a) Recognition of interest income on loans

Interest income is recognized in Statement of profit and loss using the effective interest method for all financial instruments measured at amortized cost, debt instruments measured at FVOCI and debt instruments designated at FVTPL. The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument.

The calculation of the effective interest rate includes transaction costs and fees that are an integral part of the contract. Transaction costs include incremental costs that are directly attributable to the acquisition of financial asset.

If expectations regarding the cash flows on the financial asset are revised for reasons other than credit risk, the adjustment is recorded as a positive or negative adjustment to the carrying amount of the asset in the balance sheet with an increase or reduction in interest income. The adjustment is subsequently amortized through interest income in the Statement of profit and loss.

The Company calculates interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets.

When a financial asset becomes credit-impaired, the Company calculates interest income by applying the effective interest rate to the net amortized cost of the financial asset. If the financial asset cures and is no longer credit-impaired, the Company reverts to calculating interest income on a gross basis.

Additional interest and interest on trade advances, are recognized when they become measurable and when it is not unreasonable to expect their ultimate collection.

Income from bill discounting is recognized over the tenure of the instrument so as to provide a constant periodic rate of return.

b) Recognition of interest income on securitized loans

The Company securitizes certain pools of loan receivables in accordance with applicable RBI guidelines. The Company, being Originator of these loan receivables, also acts as Servicer with a responsibility of collection of receivables from its borrowers and depositing the same in Collection and Pay-out Account maintained by the SPV Trust for making scheduled pay-outs to the investors in Pass Though Certificates (PTCs) issued by the SPV Trust. These securitization transactions also requires the Company to provide for first loss credit enhancement in various forms, such as corporate guarantee, cash collateral, subscription to subordinated PTCs as credit support in the event of shortfall in collections from underlying loan contracts. By virtue of existence of credit enhancement, the Company is exposed to credit risk, being the expected losses that will be incurred on the transferred loan receivables to the extent of the credit enhancement provided.

In view of the above, the Company has retained substantially all the risks and rewards of ownership of the financial asset and thereby does not meet the de-recognition criteria as set out in Ind AS 109. Consideration received in this transaction is presented as "Associated liability related to Securitization transactions" and the loan receivables securitized are continued to be reflected as loan assets. These loan assets are carried at amortized cost and the interest income is recognized by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets.

When a financial asset becomes credit-impaired, the Company calculates interest income by applying the effective interest rate to the net amortized cost of the financial asset. If the financial asset cures and is no longer credit-impaired, the Company reverts to calculating interest income on a gross basis.

c) Subvention income

Subvention income received from manufacturer / dealers at the inception of the loan contracts which is directly attributable to individual loan contracts in respect of vehicles financed is recognized in the Statement of profit and loss using the effective interest method over the tenor of such loan contracts measured at amortized cost.

In case of subvention income which is subject to confirmation from manufacturer and received later than inception date is recognized in the Statement of profit and loss using straight line method over the tenor of such loan contracts.

d) Rental Income

Income from operating leases is recognized in the Statement of profit and loss on a straight-line basis over the lease term. In certain lease arrangements, variable rental charges are also recognized over and above minimum commitment charges based on usage pattern and make/model of the asset.

e) Fees, charges and commission income:

Fee based income are recognized when they become measurable and when it is probable to expect their ultimate collection.

Commission and brokerage income earned for the services rendered are recognized as and when they are due.

f) Dividend and interest income on investments:

– Dividends are recognized in Statement of profit and loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company and the amount of the dividend can be measured reliably.

– Interest income from investments is recognized when it is certain that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

2.7 Property, Plant and Equipments (PPE)

PPE are stated at cost of acquisition (including incidental expenses), less accumulated depreciation and accumulated impairment loss, if any.

Cost of acquisition consists of purchase price or construction cost which is the amount paid and the fair value of any other consideration issued, if any, to acquire the asset.

Advances paid towards the acquisition of PPE outstanding at each balance sheet date are disclosed separately under other non-financial assets. Capital work in progress comprises the cost of PPE that are not ready for its intended use at the reporting date. Capital work-in-progress is stated at cost, net of impairment loss, if any.

Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured.

Depreciation on PPE is provided on straight-line basis in accordance with the useful lives specified in Schedule II to the Companies Act, 2013 on a pro-rata basis subject to exceptions listed here below. Depreciation methods, useful lives and residual values are reviewed in each financial year, and changes, if any, are accounted for prospectively.

In accordance with Ind AS 116 - Leases, the Right-Of-Use assets (Leasehold premises) are initially recognized at cost which comprises of initial amount of lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. These are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-Of-Use assets (Leasehold premises) are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The estimated useful lives used for computation of depreciation are as follows:

Buildings	60 years
Computers and Data processing units	3 to 6 years
Furniture and fixtures	10 years
Office equipments	5 years
Vehicles	8 years and 10 years
Vehicles under lease	Over the lease term of the respective agreements
Right-Of-Use assets (Leasehold premises)	Over the lease term of the respective agreements

Exceptions to useful lives specified in Schedule II to the Companies Act, 2013 -

– Assets costing less than Rs.5000/- are fully depreciated in the period of purchase.

– Vehicles provided to employees as part of Cost-To-Company (CTC) scheme are depreciated using estimated useful life of 4 years.

PPE is derecognized on disposal or when no future economic benefits are expected from its use. Assets retired from active use and held for disposal are generally stated at the lower of their carrying amount & fair value less costs to sell. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the net carrying amount of the asset) is recognized in other income / netted off from any loss on disposal in the Statement of profit and loss in the year the asset is derecognized.

2.8 Intangible assets :

Intangible assets are stated at cost less accumulated amortization and accumulated impairment loss, if any.

Subsequent expenditure is capitalized only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure is recognized in profit or loss as incurred.

Intangible assets comprises of computer software. The amortization period is lower of license period or 36 months which is based on management's estimates of useful life. Amortization is calculated using the straight line method to write down the cost of intangible assets over their amortization period. Amortization methods, useful lives and residual values are reviewed in each financial year, and changes, if any, are accounted for prospectively.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset are recognised in the Statement of Profit and Loss when the asset is derecognised.

2.9 Investments in subsidiaries, associate and joint ventures :

Investments in subsidiaries, associate and joint ventures are measured at cost less accumulated impairment, if any.

The Company reviews the carrying amounts of its investments in subsidiaries, associate and joint ventures at the end of each reporting period, to determine whether there is any indication that those investments have impaired. If any such indication exists, the recoverable amount of the investment is estimated in order to determine the extent of the impairment loss (if any).

2.10 Foreign exchange transactions and translations:

a) Initial recognition

Transactions in foreign currencies are recognized at the prevailing exchange rates between the reporting currency and a foreign currency on the transaction date.

b) Translation

Transactions in foreign currencies are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognized in Statement of profit and loss.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented in the Statement of profit and loss on a net basis.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss. Thus, translation differences on non-monetary assets and liabilities such as equity instruments held at fair value through profit or loss are recognized in profit or loss as part of the fair value gain or loss and translation differences on non-monetary assets such as equity investments classified as FVOCI are recognized in other comprehensive income.

Non-monetary items that are measured at historical cost in foreign currency are not retranslated at reporting date.

2.11 Financial instruments :

a) Initial Recognition

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognized immediately in Statement of profit and loss.

b) Classification and Subsequent measurement of financial assets

On initial recognition, a financial asset is classified as measured at

– Amortized cost;

– FVOCI - debt instruments;

– FVOCI - equity instruments;

– FVTPL

Amortized cost -

The Company's business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios being the level at which they are managed. The financial asset is held within a business model of collecting contractual cash flows as per the contractual terms that give rise on specified dates to cash flows that are solely payment of principal and interest ('SPPI') on the principal amount outstanding. Accordingly, the Company measures Bank balances, Loans, Trade receivables and other financial instruments that meet the SPPI criterion at amortized cost.

FVOCI - debt instruments -

The Company measures its debt instruments at FVOCI when the instrument is held within a business model, the objective of which is achieved by both collecting contractual cash flows and selling financial assets; and the contractual terms of the financial asset meet the SPPI test.

FVOCI - equity instruments -

The Company subsequently measures all equity investments at fair value through profit or loss, unless the Company's management has elected to classify irrevocably some of its equity instruments at FVOCI, when such instruments meet the definition of Equity under Ind AS 32 Financial Instruments and are not held for trading.

If the Company elects to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in other comprehensive income. This cumulative gain or loss is not reclassified to statement of profit and loss on disposal of such instruments. Investments representing equity interest in subsidiary, joint venture and associate are carried at cost less any provision for impairment.

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

All financial assets not classified as measured at amortized cost or FVOCI are measured at FVTPL. This includes all derivative financial assets unless designated as effective hedge instrument which are accounted as per hedge accounting requirements discussed below.

Subsequent measurement of financial assets

Financial assets at amortized cost are subsequently measured at amortized cost using effective interest method. The amortized cost is reduced by impairment losses. Interest income, and impairment provisions are recognized in Statement of profit and loss. Any gain and loss on derecognition is recognized in Statement of profit and loss.

Debt investment at FVOCI are subsequently measured at fair value. Interest income at coupon rate and impairment provision, if any, are recognized in Statement of profit and loss. Net gains or losses on fair valuation are recognized in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to Statement of profit and loss.

For equity investments, the Company makes an election on an instrument-by-instrument basis to designate equity investments as measured at FVOCI. These elected investments are measured at fair value with gains and losses arising from changes in fair value recognized in other comprehensive income and accumulated in the reserves. The cumulative gain or loss is not reclassified to Statement of profit and loss on disposal of the investments. These investments in equity are not held for trading. Instead, they are held for strategic purpose. Dividend income received on such equity investments are recognized in Statement of profit and loss.

Equity investments that are not designated as measured at FVOCI are designated as measured at FVTPL and subsequent changes in fair value are recognized in Statement of profit and loss.

Financial assets at FVTPL are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognized in Statement of profit and loss.

c) Financial liabilities and equity instruments:

Classification as debt or equity -

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments -

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by Company are recognized at the proceeds received. Transaction costs of an equity transaction are recognized as a deduction from equity.

Financial liabilities -

Financial liabilities are classified and measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading or it is a derivative (that does not meet hedge accounting requirements) or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in Statement of profit and loss. Any gain or loss on derecognition is also recognized in Statement of profit and loss.

d) Financial guarantee contracts:

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument.

Financial guarantee contracts issued by a Company are initially measured at their fair values and, if not designated as at FVTPL, are subsequently measured at the higher of:

– the amount of loss allowance determined in accordance with impairment requirements of Ind AS 109 - Financial Instruments; and

– the amount initially recognized less, when appropriate, the cumulative amount of income recognized in accordance with the principles of Ind AS 115 Revenue from Contracts with Customers.

e) Derecognition

Financial assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognized on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized.

Financial liabilities

A financial liability is derecognized when the obligation in respect of the liability is discharged, cancelled or expires. The difference between the carrying value of the financial liability and the consideration paid is recognized in Statement of profit and loss.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value.

f) Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realize the asset and settle the liability simultaneously.

The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the group or the counterparty.

g) Derivative financial instruments and hedge accounting

The Company enters into derivative financial instruments, primarily foreign exchange forward contracts, currency swaps and principal & interest rate swaps, to manage its borrowing exposure to foreign exchange and interest rate risks.

Derivatives embedded in non-derivative host contracts are treated as separate derivatives when their risks and characteristics are not closely related to those of the host contracts and the host contracts are not measured at FVTPL.

Derivatives are initially recognized at fair value at the date the contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain/loss is recognized in Statement of profit and loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in profit or loss depends on the nature of the hedging relationship and the nature of the hedged item.

The Company designates certain hedging instruments, which include derivatives in respect of foreign currency risk, as either fair value hedges or cash flow hedges. Hedges of foreign exchange risk on firm commitments are accounted for as cash flow hedges.

At the inception of the hedge relationship, the Company documents the relationship between the hedging instrument and the hedged item, along with its risk management objectives and its strategy for undertaking various hedge transactions. Furthermore, at the inception of the hedge and on an ongoing basis, the Company documents whether the hedging instrument is highly effective in offsetting changes in fair values or cash flows of the hedged item attributable to the hedged risk.

Changes in fair value of the designated portion of derivatives that qualify as fair value hedges are recognised in profit or loss immediately, together with any changes in the fair value of the hedged asset or liability that are attributable to the hedged risk.

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognised in other comprehensive income and accumulated under hedging reserve. The gain or loss relating to the ineffective portion is recognised immediately in the profit or loss.

Amounts previously recognised in other comprehensive income and accumulated in equity (relating to effective portion as described above) are reclassified to profit or loss in the periods when the hedged item affects profit or loss.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. Any gain or loss recognised in other comprehensive income and accumulated in equity at that time remains in equity and is recognised when the forecast transaction is ultimately recognised in profit or loss. When a forecast transaction is no longer expected to occur, the gain or loss accumulated in equity is recognised immediately in profit or loss.

h) Impairment of financial instruments

Equity instruments are not subject to impairment under Ind AS 109.

The Company recognizes lifetime expected credit losses (ECL) when there has been a significant increase in credit risk since initial recognition and when the financial instrument is credit impaired. If the credit risk on the financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12 month ECL. The assessment of whether lifetime ECL should be recognized is based on significant increases in the likelihood or risk of a default occurring since initial recognition. 12 month ECL represents the portion of lifetime ECL that is expected to result from default events on a financial instrument that are possible within 12 months after the reporting date.

When determining whether credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, including on historical experience and forward-looking information. (refer note 49).

Management overlay is used to adjust the ECL allowance in circumstances where management judges that the existing inputs, assumptions and model techniques do not capture all the risk factors relevant to the Company's lending portfolios. Emerging local or global macroeconomic, micro economic or political events, and natural disasters that are not incorporated into the current parameters, risk ratings, or forward looking information are examples of such circumstances. The use of management overlay may impact the amount of ECL recognized.

The Company recognizes lifetime ECL for trade advances, lease and other receivables. The expected credit losses on these financial assets are estimated using a provision matrix based on the Company's historical credit loss experience, adjusted for factors that are specific to the debtors, general economic conditions and an assessment of both the current as well as the forecast direction of conditions at the reporting date, including time value of money where appropriate. Lifetime ECL represents the expected credit losses that will result from all possible default events over the expected life of a financial instrument.

Loss allowances for financial assets measured at amortized cost are deducted from the gross carrying amount of the assets. For debt securities at FVOCI, the loss allowance is recognized in OCI and carrying amount of the financial asset is not reduced in the balance sheet.

Loan contract renegotiation and modifications:

Loans are identified as renegotiated and classified as credit impaired when the Company modifies contractual payment terms due to significant credit distress of the borrower. Renegotiated loans remain classified as credit impaired until there is sufficient evidence to demonstrate a significant reduction in the risk of non-payment of future cash flows and retain the designation of renegotiated until maturity or derecognition.

A loan that is renegotiated is derecognised if the existing agreement is cancelled and a new agreement is made on substantially different terms, or if the terms of an existing agreement are modified such that the renegotiated loan is a substantially different financial instrument. Any new loans that arise following derecognition events in these circumstances are considered to be originated credit impaired financial asset and continue to be disclosed as renegotiated loans.

Other than originated credit-impaired loans, all other modified loans could be transferred out of stage 3 if they no longer exhibit any evidence of being credit impaired and, in the case of renegotiated loans, there is sufficient evidence to demonstrate a significant reduction in the risk of non-payment of future cash flows over the minimum observation period, and there are no other indicators of impairment. These loans could be transferred to stage 1 or 2 based on the risk assessment mechanism by comparing the risk of a default occurring at the reporting date (based on the modified contractual terms) and the risk of a default occurring at initial recognition (based on the original, unmodified contractual terms). Any amount written off as a result of the modification of contractual terms would not be reversed.

Loan modifications that are not identified as renegotiated are considered to be commercial restructuring. Where a commercial restructuring results in a modification (whether legalised through an amendment to the existing terms or the issuance of a new loan contract) such that the Company's rights to the cash flows under the original contract have expired, the old loan is derecognised and the new loan is recognised at fair value. The rights to cash flows are generally considered to have expired if the commercial restructure is at market rates and no payment-related concession has been provided. Mandatory and general offer loan modifications that are not borrower-specific, for example market-wide customer relief programmes announced by the Regulator or other statutory body, have not been classified as renegotiated loans and so have not resulted in derecognition, but their stage allocation is determined considering all available and supportable information under the Company's ECL policy.

i) Collateral repossessed -

Based on operational requirements, the Company's policy is to determine whether a repossessed asset can be best used for its internal operations or should be sold. Assets determined to be useful for the internal operations are transferred to their relevant asset category for capitalization at their fair market value.

In the normal course of business, the Company does not physically repossess assets/properties in its loan portfolio, but engages external agents to repossess and recover funds, generally by selling at auction, to settle outstanding debt. Any surplus funds are returned to the customers/ obligors. As a result of this practice, the assets / properties under legal repossession processes are not separately recorded on the balance sheet.

j) Write offs -

The gross carrying amount of a financial asset is written off when there is no realistic prospect of further recovery. This is generally the case when the Company determines that the debtor/borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write- off as per the Company's policy. However, financial assets that are written off could still be subject to enforcement activities under the Company's recovery procedures, taking into account legal advice where appropriate. Any recoveries made from written off assets are netted off against the amount of financial assets written off during the year under "Bad debts and write offs" forming part of "Impairment on financial instruments" in the Statement of profit and loss.

2.12 Employee benefits:

a) Short-term employee benefits

All employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, bonus and ex-gratia. Short-term employee benefit obligations are measured on an undiscounted basis and these are expensed as the related service is provided. A liability is recognized for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

b) Contribution to provident fund, Superannuation fund, ESIC and National Pension Scheme -

The defined contribution plans i.e. provident fund (administered through Regional Provident Fund Office), superannuation scheme and employee state insurance corporation and National Pension Scheme are post-employment benefit plans under which a Company pays fixed contributions and will have no legal and constructive obligation to pay further amounts beyond its contributions. The Superannuation scheme, a defined contribution scheme, administered by Life Insurance Corporation of India and the Company has no obligation to the scheme beyond its contributions.

Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

Company's contribution paid/payable during the year to provident fund, Superannuation scheme, ESIC and National Pension Scheme is recognized in the Statement of profit and loss.

c) Gratuity -

The Company's liability towards gratuity scheme is determined by independent actuaries, using the projected unit credit method. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. Past services are recognized at the earlier of the plan amendment / curtailment and recognition of related restructuring costs/termination benefits.

The Company determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in the Statement of Profit and Loss.

When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contribution to the plan. To calculate the present value of economic benefits, consideration is given to any applicable minimum funding requirements.

Remeasurement gains/losses -

Remeasurement of defined benefit plans, comprising of actuarial gains / losses, return on plan assets excluding interest income are recognized immediately in the balance sheet with corresponding debit or credit to Other Comprehensive Income (OCI). Remeasurements are not reclassified to Statement of profit and loss in the subsequent period.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in Statement of profit and Loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

Remeasurement gains or losses on long-term compensated absences that are classified as other long-term benefits are recognized in Statement of profit and loss.

d) Leave encashment / compensated absences / sick leave -

The Company provides for the encashment / availment of leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment/ availment. The liability is provided based on the number of days of unutilized leave at each balance sheet date on the basis of an independent actuarial valuation.

e) Employee stock options:

Equity-settled share-based payments to employees are recognized as an expense at the fair value of equity stock options at the grant date. The fair value determined at the grant date of the equity-settled share-based payments is expensed on a straight-line basis over the graded vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity.

2.13 Finance costs:

Finance costs include interest expense computed by applying the effective interest rate on respective financial instruments measured at Amortized cost. Financial instruments include bank term loans, associated liabilities in respect of securitization transactions, non-convertible debentures, fixed deposits mobilized, commercial papers, subordinated debts and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Finance costs are charged to the Statement of profit and loss.

Interest expense on lease liabilities computed by applying the Company's weighted average incremental borrowing rate has been included under finance costs.

2.14 Taxation - Current and deferred tax:

Income tax expense comprises of current tax and deferred tax. It is recognized in Statement of profit and loss except to the extent that it relates to an item recognized directly in equity or in other comprehensive income.

a) Current tax:

Current tax comprises amount of tax payable in respect of the taxable income or loss for the year determined in accordance with Income Tax Act, 1961 and any adjustment to the tax payable or receivable in respect of previous years. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period. Significant judgments are involved in determining the provision for income taxes including judgment on whether tax positions are probable of being sustained in tax assessments. A tax assessment can involve complex issues, which can only be resolved over extended time periods.

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Current tax is recognised in statement of profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current tax is also recognised in other comprehensive income or directly in equity respectively.

The management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

b) Deferred tax:

Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequence that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary difference could be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax is recognised in statement of profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the deferred tax is also recognised in other comprehensive income or directly in equity respectively.

Deferred tax assets and liabilities are offset only if there is a legally enforceable right to set off current tax assets against current tax liabilities and the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities which intend either to settle current tax liabilities on a net basis or simultaneously.

2.15 Securities issue expenses:

Expenses incurred in connection with fresh issue of Share capital are adjusted against Securities premium.

2.16 Impairment of assets other than financial assets:

The Company reviews the carrying amounts of its tangible (including assets given on operating lease) and intangible assets at the end of each reporting period, to determine whether there is any indication that those assets have impaired. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Recoverable amount is determined for an individual asset, unless the asset does not generate cash flows that are largely independent of those from other assets or group of assets.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount and the impairment loss is recognized in the Statement of profit and loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount such that the increased carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had been recognized for the asset (or cash-generating unit) in prior years. The reversal of an impairment loss is recognized in Statement of profit and loss.

2.17 Provisions and contingent liabilities:

Provisions are recognized when there is a present obligation as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed. Provisions are not recognised for future operating losses.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision is made. The disclosure of contingent liability is made when there is a possible obligation or present obligation that may, but probably will not, require an outflow of resources. The Company also discloses present obligation for which a reliable estimate cannot be made as a contingent liability.

2.18 Leases:

The Company as a lessee -

As a lessee, the Company's lease asset class primarily consist of buildings or part thereof taken on lease for office premises, certain IT equipments and general purpose office equipments used for operating activities. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that option to extend will be exercised and option to terminate will not be exercised.

The right-of-use assets are initially recognized at cost which comprises of initial amount of lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. These are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at amortized cost at the present value of the future lease payments that are not paid at the commencement date, discounted using the Company's incremental average borrowing rate. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment of whether it will exercise an extension or a termination option.

In the Balance Sheet, ROU assets have been included in property, plant and equipment and Lease liabilities have been included in Other financial liabilities and the principal portion of lease payments have been classified as financing cash flows. The Company has used a single discount rate to a portfolio of leases with similar characteristics.

Where the Company is the lessor -

At the inception of the lease, the Company classifies each of its leases as either a finance lease or an operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

The Company has given certain vehicles on lease where it has substantially retained the risks and rewards of ownership and hence these are classified as operating leases. These assets given on operating lease are included in PPE. Lease income is recognized in the Statement of profit and loss as per contractual rental unless another systematic basis is more representative of the time pattern in which the benefit derived from the leased asset is diminished. Costs including depreciation are recognized as an expense in the Statement of profit and loss. Initial direct costs are recognized immediately in Statement of profit and loss.

In accordance with Ind AS 116, Leases, the financial information has been presented in the following manner.

a) ROU assets and lease liabilities have been included within the line items "Property, plant and equipment" and "Other financial liabilities" respectively in the Balance sheet;

b) Interest expenses on the lease liability and depreciation charge for the right-to-use asset have been included within the line items "Finance costs" and "Depreciation, amortization and impairment" respectively in the statement of profit or loss;

c) Short-term lease payments and payments for leases of low-value assets, where exemption as permitted under this standard is availed, have been recognized as expense on a straight line basis over the lease term in the statement of profit or loss.

d) Cash payments for the principal of the lease liability have been presented within "financing activities" in the statement of cash flows;

The disclosures as required in accordance with Ind AS 116, Leases, are set out under note no. 41.

2.19 Cash and cash equivalents:

Cash and cash equivalents in the balance sheet comprise cash on hand, cheques and drafts on hand, balance with banks in current accounts and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of change in value.

2.20 Earnings Per Share:

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends, if any, for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, sub-division of shares etc. that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of equity shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares. Diluted earnings per share reflects the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year.

2.21 Dividend:

The Company recognises a liability to make cash distributions to equity holders when the distribution is authorised and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

2.22 New standards or amendments to the existing standards and other pronouncements:

Recent pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Rules, 2015 by issuing the Companies (Indian Accounting Standards) Amendment Rules, 2023, applicable from April 1, 2023, as below:

Ind AS 1 – Presentation of Financial Statements

The amendments require companies to disclose their material accounting policies rather than their significant accounting policies. Accounting policy information, together with other information, is material when it can reasonably be expected to influence decisions of primary users of general purpose financial statements. The Company does not expect this amendment to have any significant impact in its financial statements.

Ind AS 12 – Income Taxes

The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences. The Company is evaluating the impact, if any, in its financial statements.

Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors

The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are "monetary amounts in financial statements that are subject to measurement uncertainty". Entities develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty. The Company does not expect this amendment to have any significant impact in its financial statements.

Other Equity

Description of the nature and purpose of Other Equity (refer Statement of Changes in Equity) :

Statutory reserve as per Section 45–IC of the RBI Act, 1934

Statutory reserve represents reserve fund created pursuant to Section 45-IC of the RBI Act, 1934 through transfer of specified percentage of net profit every year before any dividend is declared. The reserve fund can be utilized only for limited purposes as specified by RBI from time to time and every such utilization shall be reported to the RBI within specified period of time from the date of such utilization.

Capital redemption reserve (CRR)

Capital redemption reserve represents reserve created pursuant to Section 55 (2) (c) of the Companies Act, 2013 by transfer of an amount equivalent to nominal value of the Preference shares redeemed. The CRR may be utilized by the Company, in paying up unissued shares of the Company to be issued to the members of the Company as fully paid bonus shares in accordance with the provisions of the Companies Act, 2013.

Securities premium

Securities premium is used to record the premium on issue of shares. The reserve can be utilized only for limited purposes such as issuance of bonus shares in accordance with the provisions of the Companies Act, 2013.

General reserve

General reserve is created through annual transfer of profits at a specified percentage in accordance with applicable regulations under the erstwhile Companies Act, 1956. Consequent to introduction of the Companies Act, 2013, the requirement to mandatorily transfer specified percentage of net profits to General reserve has been withdrawn. However, the amount previously transferred to the General reserve can be utilized only in accordance with the specific requirements of the Companies Act, 2013.

Employee stock options outstanding

The Employee Stock Options outstanding represents amount of reserve created by recognition of compensation cost at grant date fair value on stock options vested but not exercised by employees and unvested stock options in the Statement of profit and loss in respect of equity-settled share options granted to the eligible employees of the Company and its subsidiaries in pursuance of the Employee Stock Option Plan.

Retained earnings

Retained earnings or accumulated surplus represents total of all profits retained since Company's inception. Retained earnings are credited with current year profits, reduced by losses, if any, dividend pay-outs, transfers to General reserve or any such other appropriations to specific reserve.

Dividend distributions made and proposed

36 Employee Stock Option Plan

The Company had allotted 48,45,025 Equity shares (face value of Rs. 2/- each) under Employee Stock Option Scheme 2010 at par on 3 February 2011 to Mahindra and Mahindra Financial Services Limited Employees' Stock Option Trust ("the Trust") set up by the Company. The Trust holds these shares for the benefit of the employees and issues them to the eligible employees as per the recommendation of the Compensation Committee.

Pursuant to the Rights issue of one equity share for every equity share held as on record date, at an issue price of Rs. 50 per Equity Share (including a premium of ₹ 48 per Equity Share), made by the Company, 20,63,662 equity shares have been allotted to the Trust in respect of its rights entitlement on 17 August 2020. All the option holders (beneficiaries) under existing grants have automatically became entitled to additional options at Rs. 50/- per option as rights adjustment and accordingly, the number of outstanding options stand augmented in the same ratio as the rights issue. All the terms and conditions applicable to these additional options issued under rights issue shall remain same as original grant.

Upon exercise of stock options, including additional options issued as per Rights issue, under the scheme by eligible employees, the Trust had issued 57,62,513 equity shares to employees up to 31 March 2023 (31 March 2022: 51,19,799 equity shares), of which 6,42,714 equity shares (31 March 2022: 9,90,139 equity shares) were issued during the current year. This has resulted in an increase in equity share capital by Rs. 0.13 crore for the year ended 31 March 2023 (31 March 2022 : Rs. 0.20 crore).

a) The terms and conditions of the Employees Stock Option Scheme 2010 are as under:

Particulars	Terms and conditions
Type of arrangement	Employees share based payment plan administered through ESOS Trust
Contractual life	3 years from the date of each vesting
Number of vested options exercisable	Minimum of 50 or number of options vested whichever is lower
Method of settlement	By issue of shares at exercise price
Vesting conditions	20% on expiry of 12 months from the date of grant
	20% on expiry of 24 months from the date of grant
	20% on expiry of 36 months from the date of grant
	20% on expiry of 48 months from the date of grant
	20% on expiry of 60 months from the date of grant

b) Options granted during the year:

During the year ended 31 March 2023, the Company has not granted any stock options (31 March 2022: nil) to the employees under the Employees' Stock Option Scheme 2010.

c) Summary of stock options:

Particulars	As at 31 March 2023 No. of stock options	As at 31 March 2023 Weighted average exercise price (Rs.) #	As at 31 March 2022 No. of stock options	As at 31 March 2022 Weighted average exercise price (Rs.) #
Options outstanding at the beginning of the year	**2,167,340**	**26.91**	3,354,484	2.00
Options granted during the year	**–**	**–**	–	–
Adjustment pertaining to Rights Issue	**–**	**–**	–	–
Options forfeited / lapsed during the year	**47,783**	**26.46**	189,050	26.00

Options exercised during the year	**642,714**	**26.63**	990,139	25.20
Options outstanding at the end of the year	**1,434,983**	**26.91**	2,167,340	26.91
Options vested but not exercised at the end of the year	**696,553**	**27.87**	611,688	29.21

Adjusted for additional options issued in the ratio of one equity share for every one equity share held under Rights issue made by the Company during August 2020. The options issued under ESOP scheme 2010 are exercisable at Rs. 2/- per option and adjustment options issued under Rights issue are exercisable at Rs. 50/- each, including premium of Rs. 48/- per option (being the issue price under Rights allotment).

d) Information in respect of options outstanding:

Exercise price	As at 31 March 2023 No. of stock options	As at 31 March 2023 Weighted average remaining life	As at 31 March 2022 No. of stock options	As at 31 March 2022 Weighted average remaining life
i) At Rs. 2.00 per option	**690,412**	35 months	1,042,783	43 months
ii) At Rs. 50.00 per option	**744,571**	34 months	1,124,557	42 months
	1,434,983		2,167,340	

e) Average share price at recognized stock exchange on the date of exercise of the option is as under:

Year ended 31 March 2023 Date of Exercise	Year ended 31 March 2023 Weighted average share price (Rs.) #	Year ended 31 March 2022 Date of Exercise	Year ended 31 March 2022 Weighted Average share price (Rs.)
01 April 2022 to 31 March 2023	**215.21**	01 April 2021 to 31 March 2022	158.78

f) Determination of expected volatility

The measure of volatility used in the Black-Scholes option pricing model is the annualized standard deviation of the continuously compounded rates of return on the stock over a period of time.

The determination of expected volatility is based on historical volatility of the stock over the most recent period that is generally commensurate with the expected life of the option being valued. The period considered for volatility is adequate to represent a consistent trend in the price movements and the movements due to abnormal events are evened out.

Accordingly, since each vest has been considered as a separate grant, the model considers the volatility for periods, corresponding to the expected lives of different vests, prior to the grant date. Volatility has been calculated based on the daily closing market price of the Company's stock price on NSE over these years. Similar approach was followed in determination of expected volatility based on historical volatility for all the grants under the scheme.

In respect of stock options granted under Employee Stock Option Scheme 2010, the accounting is done as per the requirements of Ind AS 102 - Share-based payment. Consequently, Rs. 4.55 crore (31 March 2022: Rs. 9.20 crore) has been included under 'Employee Benefits Expense' as 'Share-based payment to employees' based on respective grant date fair value, after adjusting for reversals on account of options forfeited. The amount includes cost reimbursements to the holding company of Rs. 1.05 crore (31 March 2022: Rs. 2.70 crore) in respect of options granted to employees of the Company and excludes net recovery of Rs. 0.22 crore (31 March 2022: Rs. 0.30 crore) from its subsidiaries for options granted to their employees.

37 Employee benefits

General description of defined benefit plans

Gratuity

The Company provides for the gratuity, a defined benefit retirement plan covering qualifying employees. The plan provides for lump sum payments to employees upon death while in employment or on separation from employment after serving for the stipulated period mentioned under The Payment of Gratuity Act, 1972. The Company makes annual contribution to the Gratuity scheme administered by the Life Insurance Corporation of India through its Gratuity fund.

Post retirement medical cover

The Company provides for post retirement medical cover to select grade of employees to cover the retiring employee and their spouse up to a specified age through Mediclaim policy on which the premiums are paid by the Company. The eligibility of the employee for the benefit as well as the amount of medical cover purchased is determined by the grade of the employee at the time of retirement.

Through its defined benefit plans the Company is exposed to a number of risks, the most significant of which are detailed below:

Asset volatility –

The plan liabilities are calculated using a discount rate set with references to government bond yields; if plan assets underperform compared to this yield, this will create or increase a deficit. The defined benefit plans may hold equity type assets, which may carry volatility and associated risk.

Change in bond yields –

A decrease in government bond yields will increase plan liabilities, although this is expected to be partially offset by an increase in the value of the plan's investment in debt instruments.

Variability in withdrawal rates –

If actual withdrawal rates are higher than assumed withdrawal rate assumption then the gratuity benefits will be paid earlier than expected. The impact of this will depend on whether the benefits are vested as at the resignation date.

Regulatory Risk –

Gratuity Benefit must comply with the requirements of the Payment of Gratuity Act, 1972 (as amended up-to-date). There is a risk of change in the regulations requiring higher gratuity payments (e.g. raising the present ceiling of Rs. 20,00,000, raising accrual rate from 15/26 etc.).

Inflation risk –

The present value of some of the defined benefit plan obligations are calculated with reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability. The post retirement medical benefit obligation is sensitive to medical inflation and accordingly, an increase in medical inflation rate would increase the plan's liability.

Life expectancy –

The present value of defined benefit plan obligation is calculated by reference to the best estimate of the mortality of plan participants, both during and after the employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

If actual mortality rates are higher than assumed mortality rate assumption than the gratuity benefits will be paid earlier than expected. Since there is no condition of vesting on the death benefit, the acceleration of cashflow will lead to an actuarial loss or gain depending on the relative values of the assumed salary growth and discount rate.

Details of defined benefit plans as per actuarial valuation are as follows:

		Funded Plan Gratuity Year ended 31 March	
Particulars		**2023**	2022
I.	**Amounts recognised in the Statement of Profit & Loss**		
	Current service cost	**13.21**	11.21

Actuarial assumptions and Sensitivity

Particulars	Funded Plan Gratuity Year ended 31 March 2023	2022
I. Actuarial assumptions		
Discount Rate (p.a.)	**7.50%**	7.32%
Attrition rate	**22.00 for age up to 30, 16.00for age 31-44, 8.00 for 45 and above**	25.52 for age up to 30, 16.17 for age 31-44, 5.98 for 45 and above
Expected rate of return on plan assets (p.a.)	**7.32%**	6.91%
Rate of Salary increase (p.a.)	**7.00%**	7.00%
In–service Mortality	**Indian Assured Lives Mortality (2012-14) Ultimate**	Indian Assured Lives Mortality (2012-14) Ultimate
II. Quantitative sensitivity analysis for impact of significant assumptions on defined benefit obligation are as follows:		
One percentage point increase in discount rate	**(7.04)**	(8.47)
One percentage point decrease in discount rate	**7.16**	5.65
One percentage point increase in Salary growth rate	**7.16**	5.60
One percentage point decrease in Salary growth rate	**(7.14)**	(8.55)
III. Maturity profile of defined benefit obligation		
Within 1 year	**24.23**	19.24
Between 1 and 5 years	**120.21**	95.92

The estimate of future salary increases, considered in actuarial valuation, considers inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

The plan assets have been primarily invested in government securities and corporate bonds.

The cost of the defined benefit plans and other long term benefits are determined using actuarial valuations. Actuarial valuations involve making various assumptions that may differ from actual developments in the future. These includes the determination of the discount rate, future salary increases and mortality rate. Due to these complexity involved in the valuation it is highly sensitive to the changes in these assumptions. All assumptions are reviewed at each reporting date. The present value of the defined benefit obligation and the related current service cost and planned service cost were measured using the projected unit cost method.

The Company's contribution to provident fund, superannuation fund and national pension scheme aggregating to Rs 70.23 crore (31 March 2022: Rs. 59.17 crore) has been recognized in the Statement of profit and loss under the head Employee benefits expense.

38 Additional disclosures

i) During the financial years ended 31 March 2023 and 31 March 2022, the Company has not granted any loans or advances in the nature of loans to promoters, directors, KMPs and the related parties (as defined under the Companies Act, 2013), either severally or jointly with any other person (a) repayable on demand or (b) without specifying any terms or period of repayment.

ii) There is no Benami Property held by the Company and there is no proceedings have been initiated or pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

iii) Disclosure of transactions with the companies struck off under section 248 of Companies Act, 2013 or section 560 of Companies Act, 1956

* Number of Equity Shares

iv) There is no charges or satisfaction in relation to any debt / borrowings yet to be registered with ROC beyond the statutory period.

v) The Company has complied with the number of layers prescribed under clause (87) of section 2 of the Act read with Companies (Restriction on number of Layers) Rules, 2017.

vi) Utilisation of Borrowed funds and share premium:

A) The Company has not advanced or loaned or invested funds (either borrowed funds or share premium or any other sources or kind of funds) to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding (whether recorded in writing or otherwise) that the Intermediary shall-

(i) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (Ultimate Beneficiaries) or

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

(ii) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries;

B) The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the company shall -

(i) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or

(ii) provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

vii) The Company has not traded or invested in Crypto currency or Virtual Currency during the financial year.

viii) There are no transactions which have not been recorded in the books of accounts and has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961. Also, there are no previously unrecorded income and related assets.

ix) All the secured non-convertible debentures of the Company including those issued during the year ended 31 March 2023 are fully secured by pari-passu charge on Aurangabad office (wherever applicable) and / or exclusive charge on present and/or future receivables under Loan contracts/Hire Purchase/Lease, owned Assets and book debts. Further, the Company in respect of secured listed non-convertible debt securities maintains 100% security cover or higher security cover as per the terms of Term Sheet/ Offer document/Information Memorandum and/or Debenture Trust Deed, sufficient to discharge the principal amount and the interest thereon.

The asset cover available as on 31 March 2023 in respect of listed secured debt securities is 1.09 (March 2022: 1.09).

39 Transactions in the nature of change in ownership in other entities

Transactions pertaining to previous year ended 31 March 2022:

Pursuant to the Share Subscription, Share Purchase and Shareholders' Agreement dated 20 August, 2019 with Ideal Finance Limited, Sri Lanka ("Ideal Finance") and its existing shareholders for investment of the third and final tranche for acquisition of shares of Ideal Finance from its existing shareholders, the Company had completed the acquisition of the balance 20% of the Equity Share Capital aggregating 2,91,29,032 Equity Shares of Ideal Finance from its existing shareholders for Rs. 33.97 crore on 8 July 2021, resulting in an increase in the Company's stake in Ideal Finance from 38.20% to 58.20% with a cumulative investment of Rs. 77.97 Crore. Consequent to this investment, Ideal Finance has become a Subsidiary of the Company effective 8 July, 2021 and the name was changed to Mahindra Ideal Finance Limited.

40 Capital management

The Reserve Bank of India vide its circular reference RBI/2019-20/170 DOR (NBFC).CC.PD.No.109/22.10.106/2019-20 dated 13 March 2020 outlined the regulatory guidance in relation to Ind AS financial statements from financial year 2019-20 onwards. This included guidance for computation of 'owned funds', 'net owned funds' and 'regulatory capital'. Accordingly, effective from the financial year ended 31 March 2020, the 'regulatory capital' has been computed in accordance with these requirements read with the requirements of the Master Direction DNBR. PD. 008/03.10.119/2016-17 dated September 01, 2016 (as amended).

The Company's capital management strategy is to effectively determine, raise and deploy capital so as to create value for its shareholders. The same is done through a mix of either equity and/or convertible and/or combination of short term /long term debt as may be appropriate.

The Company determines the amount of capital required on the basis of operations, capital expenditure and strategic investment plans. The capital structure is monitored on the basis of net debt to equity and maturity profile of overall debt portfolio.

The Company is subject to the capital adequacy requirements of the Reserve Bank of India (RBI). Under RBI's capital adequacy guidelines, the Company is required to maintain a capital adequacy ratio consisting of Tier I and Tier II Capital. The total of Tier II Capital at any point of time, shall not exceed 100 percent of Tier I Capital. The minimum capital ratio as prescribed by RBI guidelines and applicable to the Company, consisting of Tier I and Tier II capital, shall not be less than 15 percent of its aggregate risk weighted assets on-balance sheet and of risk adjusted value of off-balance sheet.

Regulatory capital

		Rs. in crores
	As at 31 March 2023	As at 31 March 2022
Tier – I capital	**15,307.93**	13,694.10
Tier – II capital	**2,045.12**	1,982.55
Total Capital	**17,353.05**	15,676.65
Aggregate of Risk Weighted Assets	**77,061.91**	56,482.56
Tier – I capital ratio	**19.87%**	24.24%
Tier - II capital ratio	**2.65%**	3.51%
Total Capital ratio	**22.52%**	27.75%

"Tier I Capital" means owned fund as reduced by investment in shares of other non-banking financial companies and in shares, debentures, bonds, outstanding loans and advances including hire purchase and lease finance made to and deposits with subsidiaries and companies in the same group exceeding, in aggregate, ten per cent of the owned fund.

"owned fund" means paid up equity capital, preference shares which are compulsorily convertible into equity, free reserves, balance in share premium account and capital reserves representing surplus arising out of sale proceeds of asset, excluding reserves created by revaluation of asset, as reduced by accumulated loss balance, book value of intangible assets and deferred revenue expenditure, if any.

"Tier II capital" includes the following –

(a) preference shares other than those which are compulsorily convertible into equity;

(b) revaluation reserves at discounted rate of fifty five percent;

(c) General provisions (including that for Standard Assets) and loss reserves to the extent these are not attributable to actual diminution in value or identifiable potential loss in any specific asset and are available to meet unexpected losses, to the extent of one and one fourth percent of risk weighted assets. 12 month expected credit loss (ECL) allowances for financial instruments i.e. where the credit risk has not increased significantly since initial recognition, shall be included under general provisions and loss reserves in Tier II capital within the limits specified by extant regulations. Lifetime ECL shall not be reckoned for regulatory capital (numerator) while it shall be reduced from the risk weighted assets.

(d) hybrid debt capital instruments; and

(e) subordinated debt to the extent the aggregate does not exceed Tier I capital.

Aggregate Risk Weighted Assets –

Under RBI Guidelines, degrees of credit risk expressed as percentage weightages have been assigned to each of the on–balance sheet assets and off- balance sheet assets. Hence, the value of each of the on-balance sheet assets and off-balance sheet assets requires to be multiplied by the relevant risk weights to arrive at risk adjusted value of assets. The aggregate shall be taken into account for reckoning the minimum capital ratio.

41 Leases

I) In the cases where assets are taken on operating lease (as lessee) –

As a lessee, the Company's lease asset class primarily consist of buildings or part thereof taken on lease for office premises, certain IT equipments and general purpose office equipments used for operating activities.

In accordance with the requirements under Ind AS 116, Leases, the Company has recognized the lease liability at the present value of the future lease payments discounted at the incremental borrowing rate at the date of initial application as at 1 April 2019, and thereafter, at the inception of respective lease contracts, ROU asset equal to lease liability is recognized at the incremental borrowing rate prevailed during that relevant period subject to certain practical expedients as allowed by the standard.

The weighted average incremental borrowing rate of 7.85% has been applied to lease liabilities recognised in the balance sheet at the date of initial application.

a) Maturity Analysis – Contractual Undiscounted Cash Flow:

Rs. in crores

	As at 31 March 2023	As at 31 March 2022
Less than 1 year	**86.22**	54.53
1 – 3 years	**126.98**	84.02
3 – 5 years	**105.37**	51.87
More than 5 years	**129.18**	34.17
Total undiscounted lease liabilities	**447.75**	224.59

b) Other disclosures:

Following table summarizes other disclosures including the note references for the expense, asset and liability heads under which certain expenses, assets and liability items are grouped in the financial statements.

Rs. in crores

		Amount for the year ended/ As at	
		31 March 2023	31 March 2022
i)	Depreciation charge for Right-Of-Use assets for Leasehold premises (presented under note - 31 “Depreciation, amortization and impairment”)	**70.11**	47.47
ii)	Interest expense on lease liabilities (presented under note - 28 “Finance costs”)	**21.79**	14.36
iii)	Expense relating to short-term leases (included in Rent expenses under note 32 “Other expenses”)	**5.74**	10.83
iv)	Expense relating to leases of low-value assets (included in Rent expenses under note 32 “Other expenses”)	**8.73**	8.99
v)	Payments for principal portion of lease liability	**55.57**	40.45
vi)	Additions to right-of-use assets during the year (refer note 11)	**227.34**	46.24
vii)	Carrying amount of right-of-use assets at the end of the reporting period by class of underlying asset - - Property taken on lease for office premises (presented under note - 11 “Property, plant and equipments”)	**316.47**	165.43
viii)	Lease liabilities (presented under note - 20 “Other financial liabilities”)	**349.61**	185.26

Pursuant to amendments brought in by the Ministry of Corporate Affairs through the Companies (Indian Accounting Standards) Amendment Rules, 2021 vide notification dated 18 June 2021, Ind AS 116 - Leases paragraph 46B was amended to extend the application of practical expedient related to Covid-19-Related Rent Concessions to lease payments originally due on or before 30th June 2022. The Company had applied this practical expedient to all such rent concessions received during the year ended 31 March 2023 (up to 30 June 2022) from certain Lessors that meet the conditions specified in paragraph 46B. The amount of rent concessions recognized in the statement of profit or loss for the year ended 31 March 2023 is Rs. 0.15 crore.

II) In the cases where assets are given on operating lease (as lessor) –

Key terms of the lease are as below:

i) Both New and Used vehicles are offered on Lease for a tenure ranging from 24 to 60 months.

ii) Customised leasing solutions are offered with value–added services like Fleet Management with regards to vehicle maintenance, Insurance management including claim settlement, pick–up and drop, replacement vehicle etc

iii) The consideration payable is the monthly lease rental which varies based on the make / model of the vehicle and tenure leased.

Rental income arising from these operating leases is accounted for on a straight–line basis over the lease terms and is included in rental income in the Statement of profit and loss. Costs, including depreciation, incurred in earning the lease income are recognized as an expense.

Other details are as follows:

Rs. in crores

Particulars	**Year ended 31 March 2023**	Year ended 31 March 2022
i) New vehicles to retail customers on operating lease –		
Gross carrying amount	**321.13**	144.44
Depreciation for the year	**49.25**	23.42
Accumulated Depreciation	**73.91**	36.60
ii) Used and refurbished vehicles to travel operators/taxi aggregators –		
Gross carrying amount	**2.71**	2.71
Depreciation for the year	**0.24**	1.56
Accumulated Depreciation	**1.38**	2.32

The total future minimum lease rentals receivable for the non–cancellable lease period as at the Balance sheet date is as under:

Rs. in crores

Particulars	**As at 31 March 2023**	As at 31 March 2022
i) New vehicles to retail customers on operating lease –		
Not later than one year	**87.95**	43.20
Later than one year but not later than five years	**169.72**	89.15
	257.67	**132.35**
ii) Used and refurbished vehicles to travel operators/taxi aggregators –		
Not later than one year	**0.20**	**0.20**
Later than one year but not later than five years	**0.12**	**0.12**
	0.32	0.32

Since there is no contingent rent applicable in respect of these lease arrangements, the Company has not recognized any income as contingent income during the year.

III) In the cases where assets are given on finance lease (as lessor) –

Rentals receivable on finance lease:

Particulars	**As at 31 March 2023**	As at 31 March 2022
Gross Rental Receivable	**297.95**	33.88
Less: Unearned Income	**77.00**	7.18
Net Receivable before charging allowance for Impairment loss	**220.95**	26.70
Less: Allowance for Impairment losses	**6.48**	0.25
Total Net Receivables	**214.47**	26.45

Particulars	Within 1 year	1 to 5 years	Over 5 years	Total
Gross Rental Receivables	98.62	199.33	–	297.95
Less: Unearned Income	23.23	53.77	–	77.00
Net Receivable before charging allowance for Impairment loss	75.39	145.56	–	220.95

42(i) Operating segments

There is no separate reportable segment as per Ind AS 108 on 'Operating Segments' in respect of the Company.

The Company operates in single segment only. There are no operations outside India and hence there is no external revenue or assets which require disclosure.

No revenue from transactions with a single external customer amounted to 10% or more of the Company's total revenue in year ended 31 March 2023 or 31 March 2022.

42(ii) Frauds reported during the year

There were 91 cases (31 March 2022: 178 cases) of frauds amounting to Rs. 2.68 crore (31 March 2022: Rs. 5.13 crore) reported during the year. The Company has recovered an amount of Rs. 0.65 crore (31 March 2022: Rs. 2.24 crore) and has initiated appropriate legal actions against the individuals involved. The claims for the un-recovered losses have been lodged with the insurance companies on merit basis.

43 Contingent liabilities and commitments (to the extent not provided for)

		31 March 2023	31 March 2022
i)	**Contingent liabilities**		
	Claims against the Company not acknowledged as debts	**179.31**	170.99
	Guarantees	**1,983.72**	1,720.34
		2,163.03	1,891.33
ii)	**Commitments**		
	Estimated amount of contracts remaining to be executed on capital account and not provided for	**201.00**	**58.17**
	Commitment towards Share Purchase Agreement with Inclusion Resources Private Limited (IRPL) to acquire balance 20% equity stake in its subsidiary Mahindra Insurance Brokers Ltd (MIBL)	**206.39**	**–**
	Other commitments - loan sanctioned but not disbursed	**154.30**	**44.77**
		561.69	102.94
Total		**2,724.72**	1,994.27

The Company's pending litigations comprise of claims against the Company primarily by the customers and proceedings pending with Income Tax, Sales Tax / VAT and other authorities. The Company has reviewed all its pending litigations and proceedings and has adequately provided for where provisions are required and disclosed the contingent liabilities where applicable, in its financial statements. The amount of provisions / contingent liabilities is based on management's estimate, and no significant liability is expected to arise out of the same.

The Company has reviewed all its pending litigations and proceedings and has adequately provided for where provisions are required. The Company does not expect the outcome of these proceedings to have a materially adverse effect on its financial performance and financial position regarding the amounts disclosed above, it is not practicable to disclose information on the possibility of any reimbursements as it is determinable only on the occurrence of uncertain future events.

44 Transfer of financial assets

Transferred financial assets that are not derecognized in their entirety

The Company has transferred certain pools of fixed rate loan receivables backed by underlying assets in the form of tractors, vehicles, equipments etc. by entering in to securitization transactions with the Special Purpose Vehicle Trusts ("SPV Trust") sponsored by Commercial banks for consideration received in cash at the inception of the transaction.

The Company, being Originator of these loan receivables, also acts as Servicer with a responsibility of collection of receivables from its borrowers and depositing the same in Collection and Payout Account maintained by the SPV Trust for making scheduled payouts to the investors in Pass Though Certificates (PTCs) issued by the SPV Trust. These securitization transactions also requires the Company to provide for first loss credit enhancement in various forms, such as corporate guarantee, cash collateral, subscription to subordinated PTCs. as credit support in the event of shortfall in collections from underlying loan contracts. By virtue of existence of credit enhancement, the Company is exposed to credit risk, being the expected losses that will be incurred on the transferred loan receivables to the extent of the credit enhancement provided.

In view of the above, the Company has retained substantially all the risks and rewards of ownership of the financial asset and thereby does not meet the recognition criteria as set out in Ind AS 109. Consideration received in this transaction is presented as "Associated liability related to Securitization transactions" under Note no. 17.

The following table provide a summary of financial assets that have been transferred in such a way that part or all of the transferred financial assets do not qualify for derecognition, together with the associated liabilities:

Rs. in crores

Particulars	As at 31 March 2023	As at 31 March 2022
Securitizations –		
Carrying amount of transferred assets measured at amortized cost	**6,726.19**	8,319.61
Carrying amount of associated liabilities	**6,718.60**	8,089.20
	–	
Fair value of transferred assets (A)	**6,511.34**	8,120.33
Fair value of associated liabilities (B)	**6,781.18**	8,209.70
Net position (A–B)	**(269.84)**	(89.37)

45 Corporate Social Responsibility (CSR)

The Corporate Social Responsibility Committee ('CSR Committee' Board level) is responsible to formulate and recommend to the Board the CSR Policy indicating the activities falling within the purview of Schedule VII to the Companies Act, 2013, to be undertaken by the Company, to recommend the amount to be spent on CSR activities presented by the Financial Services Sector CSR Council ('FSS CSR Council') and to monitor the CSR Policy periodically.

Funding and Allocation: For achieving the CSR objectives through implementation of meaningful and sustainable CSR Projects, the CSR Committee will allocate for its Annual CSR Budget, 2% of the average net profits of the Company made during the three immediately preceding financial years, calculated in accordance with the relevant Sections of the Companies Act, 2013 read with the Companies (Corporate Social Responsibility Policy) Rules, 2014.

The Company may spend up to 5% of the total CSR expenditure in one financial year on building CSR capabilities. The Company may also make contributions to its Corporate Foundations/Trusts i.e. K. C. Mahindra Education Trust and Mahindra Foundation, towards its corpus for projects approved by the Board. The CSR Committee will approve the CSR budget annually on receiving the recommendations from FSS CSR Council.

Any unspent amount at the end of the financial year will be treated as per the provisions of the existing CSR Law. Any surplus arising out of the CSR Projects or Programs or activities shall not form part of the business profit of the Company.

The Company has set up the Mahindra Finance CSR Foundation (incorporated on 2nd April, 2019) as a wholly-owned subsidiary company registered under Section 8 of the Companies Act, 2013 to promote and support CSR projects and activities of the Company and its subsidiary companies. The Company implements its CSR programs through the Mahindra Finance CSR Foundation.

The Company has identified CSR Thrust Areas for undertaking CSR Projects/ programs/activities in India. The actual distribution of the expenditure among these thrust areas will depend upon the local needs as may be determined by the need identification studies or discussions with local government/ Gram panchayat/ NGOs. The Company shall give preference to the local area and areas around which the Company operates for CSR spending. Thrust areas include health, education, environment and other activities.

The amount spent or contribution / donations made towards CSR activities is charged to Corporate Social Responsibility (CSR) expenses, in the statement of Profit and Loss.

The CSR activities of the Company shall include, but not limited to any or all of the sectors/activities as may be prescribed by Schedule VII of the Companies Act, 2013 amended from time to time. Further, the Company reviews the sectors/ activities from time to time and make additions/ deletions/ clarifications to the above sectors/activities.

During the year ended 31 March 2023, the Company has incurred an expenditure of Rs. 41 crore (31 March 2022: Rs. 28.69 crore) towards CSR activities which includes contribution / donations made to the trusts which are engaged in activities prescribed under section 135 of the Companies Act, 2013 read with Schedule VII to the said Act and expense of Rs. 3.50 crore (31 March 2022: Rs. 0.79 crore) towards the CSR activities undertaken by the Company. The amount includes Rs. 7.79 crore towards unspent amount of the previous financial year

The CSR activities of the Company shall include, but not limited to any or all of the sectors/activities as may be prescribed by Schedule VII of the Companies Act, 2013 amended from time to time. Further, the Company will review the sectors/ activities from time to time and make additions/ deletions/ clarifications to the above sectors/activities.

Detail of amount spent towards CSR activities :

a) Gross amount required to be spent by the Company during the year is Rs. 37.13 crore (31 March 2022: Rs. 37.51 crore).

b) Amount spent by the Company during the year :

Rs. in crores

Particulars		For the year ended 31 March 2023			For the year ended 31 March 2022	
		In cash	**Yet to be paid in cash**	**Total**	Yet to be paid in In cash	Total
i)	Construction/acquisition of any asset	**–**	**–**	**–**	–	–
ii)	On purpose other than (i) above*	**45.07**	**–**	**45.07**	29.72	29.72

* The above expenditure includes **Rs. 7.79 crore** of unspent amount for previous financial year.

The current year expenditure includes **Rs. 0.57 crore** (31 March 2022: Rs. 0.24 crore) as salary cost in respect of certain employees who have been exclusively engaged in CSR administrative activities which qualifies as CSR expenditure under section 135 of the Companies Act, 2013.

c) Amount of shortfall at the end of the year: Nil

d) Nature of CSR activities: Contributions / donations made to the trusts which are engaged in activities prescribed under section 135 of the Companies Act, 2013 read with Schedule VII to the said Act and CSR activities undertaken by the Company.

e) Provision made with respect to a liability already incurred by entering into a contractual obligation : Nil

46 There was no Scheme of Arrangements approved by the Competent Authority in terms of sections 230 to 237 of the Companies Act, 2013 during the year.

47 The Company has a process whereby periodically all long term contracts (including derivative contracts) are assessed for material foreseeable losses. At the year end, the Company has reviewed and ensured that adequate provision as required under any law / accounting standards for material foreseeable losses on such long term contracts (including derivative contracts) has been made in the books of accounts.

48 Reconciliation of movement of liabilities to cash flows arising from financing activities

Year ended 31 March 2023 **Rs. in crores**

Particulars	**1 April 2022**	**Cash flows (net)**	**Exchange difference**	**Amortization of loan origination costs**	**New leases**	**31 March 2023**
Debt securities	18,252.71	6,496.00	–	(3.64)	–	**24,745.07**
Borrowings (Other than debt securities)	26,005.17	15,328.39	(96.85)	(2.65)	–	**41,234.06**
Deposits	8,426.19	(2,905.23)	–	3.64	–	**5,524.60**
Subordinated liabilities	3,129.85	309.99	–	2.29	–	**3,442.13**
Lease liabilities	185.26	(56.80)	–	–	221.15	**349.61**
Total	55,999.18	19,172.35	(96.85)	(0.36)	221.15	**75,295.47**

Year ended 31 March 2022

Particulars	1 April 2021	Cash flows (net)	Exchange difference	Amortization of loan origination costs	New leases	31 March 2022
Debt securities	16,834.57	1,405.70	–	12.44	–	18,252.71
Borrowings (Other than debt securities)	29,142.08	(3,061.65)	(90.38)	15.11	–	26,005.17
Deposits	9,450.66	(1,034.09)	–	9.62	–	8,426.19
Subordinated liabilities	3,149.37	(22.25)	–	2.73	–	3,129.85
Lease liabilities	190.10	(44.14)	–	–	39.30	185.26
Total	58,766.77	(2,756.43)	(90.38)	39.90	39.30	55,999.18

49 Financial Risk Management Framework

In the course of its business, the Company is exposed to certain financial risks namely credit risk, interest risk, currency risk & liquidity risk. The Company's primary focus is to achieve better predictability of financial markets and seek to minimize potential adverse effects on its financial performance.

The financial risks are managed in accordance with the Company's risk management policy which has been approved by its Board of Directors.

Board of Directors of the Company have established Asset and Liability Management Committee (ALCO), which is responsible for developing and monitoring risk management policies for its business. The Company's financial services business is exposed to high credit risk given the unbanked rural customer base and diminishing value of collateral. The credit risk is managed through credit norms established based on historical experience.

49.1 Market Risk

Market risk is the risk that the fair value or future cash flows of financial instruments will fluctuate due to changes in market variables such as interest rates, foreign exchange rates, etc. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while maximizing the return.

a) Pricing Risk

The Company's Investments in Commercial Papers, Certificate of Deposits with Banks and Mutual Funds are exposed to pricing risk. A 5 percent increase in market price would increase profit before tax by approximately Rs 103.36 crore (31 March 2022 : Rs 41.72 crore). A similar percentage decrease would have resulted equivalent opposite impact.

b) Currency Risk

Currency Risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates. Foreign currency risk arise majorly on account of foreign currency borrowings. The Company's foreign currency exposures are managed in accordance with its derivative Risk Management Policy which has been approved by its Board of Directors. The Company manages its foreign currency risk by entering into forward contract, cross currency swaps, principal and interest rate swaps. Other derivative Instruments may be used if deemed appropriate.

The carrying amounts of the Company's foreign currency exposure at the end of the reporting period are as follows :

Rs. in crores

	JPY	US Dollar	Total
As at 31 March 2023			
Financial Assets	**–**	**–**	**–**
Financial Liabilities	**1732.32**	**818.39**	**2,550.71**
As at 31 March 2022			
Financial Assets	–	–	–
Financial Liabilities	928.75	1,248.77	2,177.52

Foreign Currency Sensitivity

The following tables demonstrate the sensitivity to a reasonably possible change in exchange rates, with all other variables held constant.

Rs. in crores

	Currency	Change in rate	Effect on Profit Before Tax
Year ended 31 March 2023	**INR/JPY**	**(+/-) 1.00%**	**(+/-) 17.38**
	INR/USD	**(+/-) 1.00%**	**(+/-) 8.22**
Year ended 31 March 2022	INR/JPY	(+/-) 1.00%	(+/-) 9.29
	INR/USD	(+/-) 1.00%	(+/-) 12.49

c) Interest Rate Risk

The Company uses a mix of cash and borrowings to manage the liquidity & fund requirements of its day-to-day operations. Further, certain interest bearing liabilities carry variable interest rates.

Interest Rate risk on variable rate borrowings is managed by way of interest rate swaps, wherever necessary.

Interest Rate sensitivity

The sensitivity analysis below have been determined based on exposure to interest rate for both derivative and non-derivative instruments at the end of reporting period. For floating rate liabilities, analysis is prepared assuming the amount of liability outstanding at the end of the reporting period was outstanding for the whole year.

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

Rs. in crores

	Currency	Increase / decrease in basis points	Effect on profit before tax
Year ended 31 March 2023	**INR**	**100**	**228.78**
Year ended 31 March 2022	INR	100	123.29

d) Off-setting of balances

The table below summarizes the financial liabilities offsetted against financial assets and shown on a net basis in the balance sheet:

Financial assets subject to offsetting

Rs. in crores

Particulars	Offsetting recognized on the balance sheet		
	Gross assets before offset	Financial liabilities netted	Assets recognized in balance sheet
Loan assets			
At 31 March' 2023	**79,557.32**	**102.59**	**79,454.73**
At 31 March' 2022	60,542.37	97.73	60,444.64

Financial liabilities subject to offsetting

Rs. in crores

Particulars	Offsetting recognized on the balance sheet		
	Gross liabilities before offset	Financial assets netted	Liabilities recognized in balance sheet
Other financial liabilities			
At 31 March' 2023	**2,486.87**	**102.59**	**2,384.28**
At 31 March' 2022	2,413.90	97.73	2,316.17

49.2 Credit Risk Management

Credit risk is the risk that the Company will incur a loss because its customers fail to discharge their contractual obligations. The Company has a comprehensive framework for monitoring credit quality of its retail and other loans primarily based on Days past due monitoring at period end. Repayment by individual customers and portfolio is tracked regularly and required steps for recovery are taken through follow ups and legal recourse.

Credit Quality of Financial Loans and Investments

The following table sets out information about credit quality of loans and investments measured at amortized cost primarily based on days past due information. The amount represents gross carrying amount.

Rs. in crores

Particulars	31 March 2023	31 March 2022
Gross carrying value of Retail loans including Finance Lease		
Neither Past due nor impaired	**62,401.65**	42,798.40
Past Due but not impaired:		
- 1-30 days past due	**4,835.98**	4,222.47
- 31-90 days past due	**4,852.73**	9,112.22
Impaired (more than 90 days)	**3,655.10**	4,864.19
Total Gross carrying value as at reporting date	**75,745.46**	60,997.28

Rs. in crores

Particulars	31 March 2023	31 March 2022
Gross carrying value of SME loans including Bills of exchange		
Neither Past due nor impaired	**4,331.40**	1,912.31
Past Due but not impaired:		
- 1-30 days past due	**55.05**	102.78
- 31-90 days past due	**20.54**	80.42
Impaired (more than 90 days)	**49.69**	44.97
Total Gross carrying value as at reporting date	**4,456.68**	2,140.48

Rs. in crores

Particulars	31 March 2023	31 March 2022
Gross carrying value of Trade Advances		
Less than 60 days past due	**2,480.06**	1,682.21
61-90 days past due	**53.43**	64.55
Impaired (more than 90 days)	**6.93**	60.66
Total Gross carrying value as at reporting date	**2,540.42**	1,807.42

Rs. in crores

Particulars	31 March 2023	31 March 2022
Gross carrying value of Financial Investments measured at amortized cost		
Neither Past due nor impaired	**1,436.11**	1,531.82
Past Due but not impaired:		
- 1-30 days past due	**–**	–
- 31-90 days past due	**–**	–
Impaired (more than 90 days)	**–**	–
Total Gross carrying value as at reporting date	**1,436.11**	1,531.82

The Company reviews the credit quality of its loans based on the ageing of the loan at the period end. Since the company is primarily into retail lending business, there is no significant credit risk of any individual customer that may impact company adversely, and hence the Company has calculated its ECL allowances on a collective basis.

Inputs considered in the ECL model

In assessing the impairment of financial loans under Expected Credit Loss (ECL) Model, the assets have been segmented into three stages. The three stages reflect the general pattern of credit deterioration of a financial instrument. The differences in accounting between stages, relate to the recognition of expected credit losses and the measurement of interest income.

The Company categorizes loan assets (except Trade advances) into stages primarily based on the Days Past Due status.

Stage 1 : 0-30 days past due
Stage 2 : 31- 90 days past due
Stage 3 : More than 90 days

The Company categorizes Trade advances into stages primarily based on the Days Past Due status.

Stage 1 : 0-60 days past due
Stage 2 : 61- 90 days past due
Stage 3 : More than 90 days

The Company applies the simplified approach to providing for expected credit losses prescribed by Ind AS 109, which permits the use of the lifetime expected loss provision for trade advances, lease and other receivables. The Company has computed expected credit losses based on a provision matrix which uses historical credit loss experience of the Company.

(i) RBI measures to relieve COVID-19 related stress - Resolution Frameworks Assessment of loan modifications on credit risk:

During the previous years ended 31 March 2021 and year ended 31 March 2022, the Company had implemented resolution plans in order to provide relief to borrowers adversely impacted due to onslaught of multiple waves / variants of COVID-19 Pandemic under the resolution framework 1.0 vide circular no. RBI/2020-21/16 DOR. No.BP.BC/3/21.04.048/2020-21 dated 6 August 2020 for personal loan customers and resolution framework 2.0 vide circular No. RBI/2021-22/32 DOR.STR.REC.12/21.04.048/2021-22 dated 5 May 2021. The loan modifications executed under both these schemes have not been classified as renegotiated as they are as a result of market-wide customer relief programme and not borrower-specific. The Company continues to monitor the recoverability of loans granted in accordance with these circulars and is continue to carry higher provisioning over and above the model provisioning based on the repayment behaviour on these loan accounts. (refer Note 57 for detailed disclosure as per formats provided by the RBI).

(ii) Impact of COVID-19 related uncertainties

The outbreak of COVID-19 led to nationwide lockdown from March 2020, which gradually phased out over the next few months basis the local level spread of the pandemic. The nation was impacted by the second wave of the pandemic in the first half of the fiscal year 2022 which again slowed down the economic activities to a limited extent. Despite the successful roll out of vaccines around the world, a varying degree of uncertainty remained through out the year ended 31 March 2022. This was caused by new variants of COVID -19, varying vaccine effectiveness and the need for reimposing of government - imposed restrictions. This uncertainty is reflected in the Company's assessment of impairment loss allowance on its loans which are subject to a number of management judgements and estimates. In relation to COVID-19, judgements and assumptions include the extent and duration of the pandemic, the changes in the macro economic outlook and its associated impact on the impairment calculations.

The methodologies and assumptions applied in the impairment loss allowance calculations have primarily remained unchanged from those applied while preparing the financial results for the year ended 31 March 2022. The Company has been updating the ECL model with the latest set of data on reasonable periodic intervals and continued the same for the year ended 31 March 2023, to capture the significant changes in macro-economic growth prospects and shifts in market drivers and changes in risk profile of customer credit exposures. Output of ECL model refresh is also factored in computation of provisions. The Company holds provision towards expected credit loss on financial assets as at 31 March 2023 aggregating to Rs.3,294.71 crore (as at 31 March 2022: Rs. 4,508.83 crore).

(iii) Definition of default

The Company considers a financial asset to be in "default" and therefore Stage 3 (credit impaired) for ECL calculations when the borrower account becomes more than 90 days past due on its contractual payments.

(iv) Exposure at default

"Exposure at Default" (EAD) represents the gross exposure balance when default had occurred. EAD is subject to impairment calculation for Stage 3 assets. Future Expected Cash flows (Principal and Interest) for future years has been used as exposure for Stage 2.

(v) Estimations and assumptions considered in the ECL model

The Company has made the following assumptions in the ECL Model:

a) Loss Given Default (LGD):

- LGD represents expected losses on the EAD given the event of default, taking into account, among other attributes, the mitigating effect of collateral value at the time it is expected to be realized and the time value of money determined based on appropriate discount rate. It is an estimate of the loss from a transaction given that a default occurred.

Generally, common LGD is applied on the exposures in all the three stages.

While, the general approach / methodology remains the same, the measurement of ECL on retail vehicle loans is done on a slightly differentiated approach as mentioned here below.

- For Stage 3 assets with an ageing more than 18 months (540 DPD) (stressed portfolio), provision is calculated by applying LGD at higher rate. Higher LGD rate is determined based on the historical loss that has occurred during the tenor of individual assets forming part of specific portfolio of contracts with an ageing of more than 18 months (540 DPD) at the historical period end date (i.e. 42 months from the reset /reporting date) based on the average life of the portfolio and is considered as model provision for ECL calculation;
- For Stage 3 assets with an ageing up to 18 months (540 DPD), provision is calculated by applying the Composite LGD rate#;
- For Stage 1 and Stage 2 assets, continue to derive and apply Composite LGD rate in calculation of loss allowances.

\# Composite LGD rate : It is an estimate of the loss from a transaction given that a default occurs. It is based on the historical loss on the portfolio that has occurred during the tenor of the individual assets forming part of the portfolio. For calculating LGD, the Company takes into consideration the Stage 2 assets that have reached 90+ DPD in the past and Stage 3 cases of historical period end date (i.e. 42 months from the reset /reporting date) based on the average life of the portfolio. Actual cash flows pertaining to this portfolio from the first default date to current reset/ reporting date are then discounted at Loan EIR rate for arriving at this loss rate.

b) Probability of Default (PD):

- It is an estimate of likelihood or risk of default occurring over a particular time horizon.
- The measurement of risk of defaults is computed on homogenous portfolios, generally by nature of loans, tenors, underlying collateral, geographies and borrower profiles.The default risk is assessed using PD (probability of default) derived from past behavioural trends of default across the identified homogenous portfolios. These past trends factor in the past customer behavioural trends, credit transition probabilities and macroeconomic conditions. The assessed PDs are then aligned considering future economic conditions that are determined to have a bearing on ECL.
- For Stage 1 assets, 12 months PD is considered which represents default events that are possible within 12 months after the reporting date.
- For Stage 2 assets , life time PD is considered which represents default events that are possible over the expected life / tenor of the financial instrument.
- PD is applied on Stage 1 and Stage 2 assets on a portfolio basis;
- For Stage 3 assets, PD is always at 100% as these are impaired assets.

(vi) Measurement of ECL

ECL is measured as follows:

- **Financial assets that are not credit impaired at the reporting date:**

  ECL for Stage 1 : Gross exposure is multiplied by PD and Composite LGD percentage to arrive at the ECL allowance;

- **Financial assets that have had a significant increase in credit risk (SICR) since initial recognition (unless they have low credit risk at the reporting date) but that do not have objective evidence of impairment:**

  ECL for Stage 2: Future Expected Cash flows (Principal and Interest) for respective future years is multiplied by respective years Marginal PDs and Composite LGD percentage and thus arrived ECL allowance is then discounted with the respective loan EIR to calculate the present value of ECL allowance. In addition, in case of Bills discounting and Channel finance, as the average lifetime is of 90 days, a time to maturity factor of 0.25 is used in the ECL computation.

- **Financial assets that are credit impaired at the reporting date:**

  ECL for Stage 3: Difference between the gross exposure at reporting date and computed carrying amount considering EAD net of LGD and PV of actual cash flows till reporting date including compounded interest at loan EIR on net carrying value.

  For Stage 3 assets in retail portfolio, ECL allowance is calculated separately as follows:

  - Stage 3 assets with ageing up to 18 months (< =540 DPD) ECL allowance = (Gross exposure on reporting date less Required Carrying value-A)

  Required Carrying value-A ={EAD less ECL allowance at Composite LGD rate less PV of actual cashflows till reporting date plus interest compounded @ loan EIR}

  - Stage 3 assets with ageing more than 18 months (>540 DPD)

  ECL allowance = (Gross exposure on reporting date less Required Carrying value-B)

  Required Carrying value-B ={EAD less ECL allowance at Higher LGD rate less PV of actual cashflows till reporting date plus interest compounded @ loan EIR}

  - Undrawn loan commitments:

  ECL on undrawn loan commitments is calculated basis the Stage in which that particular customer already exists."

(vii) Forward Looking Information

Historical PDs has been converted into forward looking PD which incorporates the forward looking economic outlook. Considering that major chunk of borrowers in the retail portfolio is from rural area, Agriculture (real change % p.a.) is used as a macroeconomic variable. Agriculture (real change % p.a.) stands for Percentage change in real agricultural value-added, including livestock, forestry and fishing, over previous year). In case of SME and Bills Discounting portfolio, Real GDP (% change p.a.) is used as the macroeconomic variable.

The macroeconomic variables considered by the Company are robust reflections of the state of economy which result into systematic risk for the respective portfolio segments.

Additionally, three different scenarios have been considered for ECL calculation. Along with the actual numbers (considered for Base case scenario), other scenarios take care of the worsening as well as improving forward looking economic outlook.

(viii) Assessment of significant increase in credit risk

When determining whether the credit risk has increased significantly since initial recognition, the Company considers both quantitative and qualitative information and analysis based on the Company's historical experience, including forward-looking information. The Company considers reasonable and supportable information that is relevant and available without undue cost and effort. The Company's accounting policy is not to use the practical expedient that the financial assets with 'low' credit risk at the reporting date are deemed not to have had a significant increase in credit risk. As a result, the Company monitors all financial assets and loan commitments that are subject to impairment for significant increase in credit risk.

Based on the assessment by the Company, the RBI resolution framework for loan restructuring and moratorium relaxation announced in previous years to the borrowers recognising the detrimental impact of COVID-19 has not been deemed to be automatically triggering significant increase in credit risk. The Company continued to recognize interest income during the current and previous year on such cases and in the absence of other credit risk indicators, the granting of a stress resolution framework and moratorium period did not result in accounts becoming past due and automatically triggering Stage 2 or Stage 3 classification criteria.

As a part of the qualitative assessment of whether a customer is in default, the Company also considers a variety of instances that may indicate unlikeliness to pay. In such instances, the Company treats the customer at default and therefore assesses such loans as Stage 3 for ECL calculations. Such qualitative factors include:

- A Stage 3 customer having other loans which are in Stage 1 or 2.
- Not to consider Uncleared cheques as on reporting date for outstanding DPD calculation for retail vehicle loans
- Retail vehicle loans, where asset has been repossessed.
- Cases where Company suspects fraud and legal proceedings are initiated.
- SME loans where the Company has resorted to its rights under the SARFAESI Act.

Further, the Company classifies certain category of exposures in to Stage 3 and makes accelerated provision up to 100% based on qualitative assessment implying the significant deterioration in asset quality or increase in credit risk on selective basis. The Company regularly reviews it's ECL model based on actual loss experience and update the parameters used for ECL calculations.

(ix) Policy for write off of Loan Assets

The gross carrying amount of a financial asset is written off when there is no realistic prospect of further recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write- off. However, financial assets that are written off could still be subject to enforcement activities under the Company's recovery procedures, taking into account legal advice where appropriate. Any recoveries made from written off assets are netted off against the amount of financial assets written off during the year under "Bad debts and write offs" forming part of "Impairment on financial instruments" in Statement of profit and loss.

(x) Analysis of inputs to the ECL model with respect to macro economic variable

The below table shows the values of the forward looking macro economic variable used in each of the scenarios for the ECL calculations. For this purpose, the Company has used the data source of Economist Intelligence Unit. The upside and downside % change has been derived using historical standard deviation from the base scenario based on previous 8 years change in the variable.

ECL scenario for Macro Economic Variable	Year	Upside %	Base %	Downside %
Probability Assigned		0	85	15
Agriculture (% real change p.a)	**2023**	**6.9**	**4.7**	**1.6**
	2024	**7.7**	**5.3**	**2.4**
	2025	**7.1**	**4.8**	**1.8**
	2026	**7.6**	**5.2**	**2.3**
	2027	**6.7**	**4.5**	**1.4**
Real GDP (% change p.a)	**2023**	**10.9**	**6.0**	**1.1**
	2024	**11.1**	**6.2**	**1.3**
	2025	**11.4**	**6.5**	**1.6**
	2026	**11.5**	**6.6**	**1.7**
	2027	**11.0**	**6.1**	**1.2**

Impairment loss

The expected credit loss allowance provision for **Retail Loans including Finance lease** is determined as follows:

Rs. in crores

	Performing Loans - 12 month ECL	Underperforming loans - 'lifetime ECL not credit impaired'	Impaired loans - 'lifetime ECL credit impaired'	Total
Gross Balance as at 31 March 2023	**67,237.63**	**4,852.73**	**3,655.10**	**75,745.46**
Expected credit loss rate	**0.79%**	**10.69%**	**59.12%**	
Carrying amount as at 31 March 2023 (net of impairment provision)	**66,704.76**	**4,334.15**	**1,494.32**	**72,533.23**
Gross Balance as at 31 March 2022	47,020.87	9,112.22	4,864.19	60,997.28
Expected credit loss rate	0.91%	12.72%	57.56%	
Carrying amount as at 31 March 2022 (net of impairment provision)	46,592.65	7,953.28	2,064.33	56,610.26

The expected credit loss allowance provision for **SME Loans including Bills of exchange** is determined as follows:

Rs. in crores

	Performing Loans - 12 month ECL	Underperforming loans - 'lifetime ECL not credit impaired'	Impaired loans - 'lifetime ECL credit impaired'	Total
Gross Balance as at 31 March 2023	**4,386.46**	**20.53**	**49.69**	**4,456.68**
Expected credit loss rate	**0.36%**	**9.58%**	**57.10%**	
Carrying amount as at 31 March 2023 (net of impairment provision)	**4,370.63**	**18.56**	**21.32**	**4,410.51**
Gross Balance as at 31 March 2022	2,015.09	80.42	44.97	2,140.48
Expected credit loss rate	0.37%	13.70%	51.93%	
Carrying amount as at 31 March 2022 (net of impairment provision)	2,007.67	69.40	21.62	2,098.69

The expected credit loss allowance provision for **Trade Advances** is determined as follows:

Rs. in crores

	Less than 60 days past due	61-90 days past due	Credit impaired (more than 90 days)	Total
Gross Balance as at 31 March 2023	**2,480.06**	**53.43**	**6.93**	**2,540.42**
Expected credit loss rate	**0.40%**	**5.96%**	**100.00%**	
Carrying amount as at 31 March 2023 (net of impairment provision)	**2,470.14**	**50.25**	**–**	**2,520.39**
Gross Balance as at 31 March 2022	1,682.21	64.55	60.66	1,807.42
Expected credit loss rate	0.40%	6.73%	100.00%	
Carrying amount as at 31 March 2022 (net of impairment provision)	1,675.48	60.21	–	1,735.68

The contractual amount outstanding for trade advance that has been written off by the Company during the year ended 31 March 2023 and that were still subject to enforcement activity was Rs 56.64 crore (31 March 2022: Nil).

The expected credit loss allowance provision for **Financial Investments measured at amortized cost** is determined as follows:

Rs. in crores

	Performing Loans - 12 month ECL	Underperforming loans - 'lifetime ECL not credit impaired'	Impaired loans - 'lifetime ECL credit impaired'	Total
Gross Balance as at 31 March 2023	**1,436.11**	**–**	**–**	**1,436.11**
Expected credit loss rate	**0.07%**			
Carrying amount as at 31 March 2023 (net of impairment provision)	**1,435.13**	**–**	**–**	**1,435.13**
Gross Balance as at 31 March 2022	1,531.82	–	–	1,531.82
Expected credit loss rate	0.11%			
Carrying amount as at 31 March 2022 (net of impairment provision)	1,530.21	–	–	1,530.21

Level of Assessment - Aggregation Criteria

The Company recognizes the expected credit losses (ECL) on a collective basis that takes into account comprehensive credit risk information.

Considering the economic and risk characteristics, pricing range, sector concentration (e.g. vehicle loans in unorganized sectors) the Company calculates ECL on a collective basis for all stages - Stage 1, Stage 2 and Stage 3 assets.

An analysis of changes in the gross carrying amount and the corresponding ECLs in relation to Retail Loans including Finance Lease is, as follows :

Gross exposure reconciliation

As at 31 March 2022

Rs. in crores

Particulars	Stage 1	Stage 2	Stage 3	Total
Gross carrying amount balance as at 1 April 2021	48,010.22	7,947.59	5,681.06	61,638.86
Changes due to loans recognized in the opening balance that have:	0.40%	5.96%	100.00%	
- Transfers to Stage 1	1,780.81	(1,366.89)	(413.92)	–
- Transfers to Stage 2	(4,850.04)	5,070.06	(220.02)	0.00

Reconciliation of ECL balance

As at 31 March 2022

Rs. in crores

Particulars	Stage 1	Stage 2	Stage 3	Total
ECL allowance balance as at 1 April 2021	410.72	864.91	3,268.98	4,544.61
Changes due to loans recognized in the opening balance that have:				
- Transfers to Stage 1	386.93	(148.75)	(238.18)	–
- Transfers to Stage 2	(41.49)	168.10	(126.61)	–
- Transfers to Stage 3	(10.09)	(122.48)	132.57	–
- Loans that have been derecognized during the period	(65.35)	(335.99)	(788.36)	(1,189.70)
New loans originated during the year	216.84	491.58	291.00	999.42
Write-offs	(0.04)	(5.76)	(860.46)	(866.26)
Impact of changes on items within the same stage	(469.30)	247.33	1,120.92	898.95
ECL allowance balance as at 31 March 2022	428.22	1,158.94	2,799.86	4,387.02

As at 31 March 2023

Rs. in crores

Particulars	Stage 1	Stage 2	Stage 3	Total
ECL allowance balance as at 1 April 2022	**428.22**	**1,158.94**	**2,799.86**	**4,387.02**
Changes due to loans recognized in the opening balance that have:				
- Transfers to Stage 1	**423.51**	**(295.80)**	**(127.71)**	**–**
- Transfers to Stage 2	**(22.51)**	**84.24**	**(61.73)**	**–**
- Transfers to Stage 3	**(7.26)**	**(153.27)**	**160.53**	**–**
- Loans that have been derecognized during the period	**(62.42)**	**(277.73)**	**(909.65)**	**(1,249.80)**
New loans originated during the year	**322.20**	**71.09**	**135.69**	**528.98**
Write-offs	**(0.08)**	**(3.78)**	**(780.88)**	**(784.74)**
Impact of changes on items within the same stage	**(547.84)**	**(65.27)**	**953.23**	**340.12**
ECL allowance balance as at 31 March 2023	**533.82**	**518.42**	**2,169.34**	**3,221.58**

The contractual amount outstanding on financial assets that has been written off by the Company during the year ended 31 March 2023 and that were still subject to enforcement activity was **Rs 1395.13** crore (31 March 2022: Rs 1638.80 crore).

The overall decrease in ECL allowance on the portfolio was driven by movements between stages and higher amount of write offs.

An analysis of changes in the gross carrying amount and the corresponding ECLs in relation to SME Loans including Bills of exchange is, as follows :

Gross exposure reconciliation

As at 31 March 2022

Rs. in crores
