Dear Sir(s),

Sub: Clarification regarding point no. IV (i)(d)-Break-up of paid-up share capital

Re.: eForm MGT-7 for the financial year ended on 31st March, 2024

The Ministry of Corporate Affairs had introduced a revised format of e-Form MGT-7. In clause IV (i)(d) of the Form (on page nos. 7 & 8 thereof), the “**Break-up of paid-up share capital**” table is given wherein it requires a company to enter number of shares in physical and demat mode at the beginning and end of the year. The number of physical and demat shares (with reference to equity shares of the Company) at the end of a financial year changes from that of the numbers at the beginning of the year, inter-alia, upon conversion of physical shares into demat mode, although there is no increase/decrease in share capital during the year.

However, there is no such tab/option given in the table to correctly present such conversions between physical and demat mode leading to inaccurate numbers at the end of the financial year. To avoid this, we have entered the details of net increase in demat shares (with corresponding net decrease in physical shares), in sub-clause [(x) Others] under the head “Increase during the year” of the said Table as “**Increase due to conversion of physical shares into demat (Net)**”.

Similarly, we have entered the details of net decrease in physical shares, upon conversion from physical mode to demat mode, in sub-clause [(iv) Others] under the head “Decrease during the year” of the said Table as “**Decrease due to conversion of physical shares into demat (Net)**”.

You may therefore note that the increase and the decrease mentioned in the table is as a result of conversion of physical shares into demat mode, the details of which have been mentioned in the form itself under the category “Others”.

Kindly take the same on record.

Yours faithfully,
For **MAHINDRA & MAHINDRA LIMITED**
