

WHISTLE-BLOWER POLICY

1. The whistle-blower policy ("Whistle-blower Policy" or "the Policy") came into effect on 1st of August, 2011 and was amended in May 2014, August 2014 and December 2015 to align it with the provisions of the Companies Act 2013, the Companies Rules 2014 and SEBI (Listing Obligation and Disclosure Regulations) 2015.

2. **Preface**

Mahindra and Mahindra Limited ("the Company") is committed to conduct its business in accordance with applicable laws, rules, regulations, highest standards of business ethics, honesty, integrity and ethical conduct. Towards this end, the Company has adopted two separate Codes of Conduct viz. one for directors and the other for employees (collectively referred to as "Codes" or "the Codes") and various Corporate Governance policies (collectively referred to as "CG Policies") which lays down the principles and standards that should govern the actions of the Company, its directors and employees. Any actual or potential violation of the Codes or CG Policies, howsoever insignificant or perceived as such, would be a matter of serious concern for the Company. The role of the directors or employees in pointing out such violations of the Codes or CG Policies cannot be undermined.

The vigil mechanism as envisaged in the Companies Act 2013 and prescribed in the Companies Rules is implemented through the Whistle-blower Policy to provide a mechanism for directors and employees to report their genuine concerns. The Policy has been implemented to provide adequate safeguards against victimization of persons who use such mechanism and make provision for direct access to the Chairperson of the Audit Committee.

Further, the changes to the clause 49 of the listing agreement in April 2015 inter alia provides for all listed companies to establish a mechanism enabling all stakeholders including individual employees and their representative bodies to report to the Management, instances of unethical behaviour, actual or suspected, fraud or violation of the Company's Codes or CG Policies.

Accordingly, this Whistle-blower Policy has been formulated with a view to provide a mechanism for directors, employees and all stakeholders of the Company to approach the Ethics Helpline Provider or the Chairperson of the

Audit Committee to report events of unethical conduct. For any clarifications related to this Policy, you may reach out to Chief Ethics Officer of the Company.

This Policy is in addition to the Codes and CG Policies, and is to be read alongwith the existing Codes and CG Policies which will continue to remain effective.

Complete protection would, therefore, be given to the Whistle-blower(s) against any unfair practice like retaliation, threat or intimidation of termination or suspension of service, transfer, demotion, refusal of promotion etc., including any direct or indirect use of authority to obstruct the Whistle-blower's right to continue to perform his duties or functions including making further Protected Disclosure. The Whistle-blower will be provided protection during the course of investigation and protection will not be extended if the allegation is proved to be false or frivolous.

- c. Any other Director or Employee assisting in the said investigation shall also be protected to the same extent as the Whistle-blower(s).
- d. The identity of the Whistle-blower(s) shall be kept confidential unless otherwise required by law, and in which case the Whistle-blower(s) would be informed accordingly.
