## INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF MAHINDRA CONSULTING ENGINEERS LIMITED

### Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **Mahindra Consulting Engineers Limited** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under Section 143(11) of the Act.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks

of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and its profit and its cash flows for the year ended on that date.

### Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion the aforesaid standalone financial statements comply with the Accounting Standards prescribed under Section 133 of the Act.
  - (e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2016 from being appointed as a director in terms of Section 164(2) of the Act.
  - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial statements which would impact its financial position.
  - ii. The Company did not have material foreseeable losses on long term contracts and there were no derivative contracts.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

## Report on Internal Financial Controls Over Financial Reporting

### ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph (f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

#### Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Mahindra Consulting Engineers Limited (“the Company”) as of 31<sup>st</sup> March, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit

opinion on the Company’s internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2016, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## Notes forming part of the financial statements for the year ended 31<sup>st</sup> March, 2016

### 1. Corporate Information

Mahindra Consulting Engineers Limited (MACE) is a multidisciplinary engineering consultancy organization providing Engineering, Project Advisory Services and Infrastructure Consulting. The sectors of operation covers urban infrastructure, industrial infrastructure, water and wastewater, environment, transportation sector, tourism infrastructure, renewable energy, sustainable development studies, buildings and structures, industrial plants and systems, agribusiness and food infrastructure, social infrastructure, institutional studies. The company offers wide range of services in both domestic and international market right from project conceptualization, market demand, feasibility studies, planning, design, engineering, project management, Public Private Partnership (PPP) transaction advisory etc across several sectors. The clientele base includes Central Government, State Government, Public Sector Undertakings, Infrastructure Development Agencies, Private Sector, Financial Institutions, International Consulting firms, etc.

### 2. Significant Accounting Policies

#### 2.1 Basis of accounting and preparation of Financial Statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards prescribed under Section 133 of the Companies Act, 2013, as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

#### 2.2 Use of Estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialise.

#### 2.3 Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

#### 2.4 Cash flow statement

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

#### 2.5 Depreciation and amortization

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets given to employees, in whose case the life of the assets has been assessed based on "Consumer Durable Scheme" of the company taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset and past history of replacement.

- |   |           |
|---|-----------|
| a. Computers under consumer durable scheme            | – 5 years |
| b. Furniture & fixtures under consumer durable scheme | – 5 years |
| c. Office equipments under consumer durable scheme    | – 5 years |

Assets costing less than Rs. 5,000 each are fully depreciated in the year of capitalization.

Amortization on intangible fixed assets has been provided over a period of five years, being the estimated useful life, on straight line basis.

### 2.6 Revenue Recognition

- The Company recognizes revenue on the percentage of completion method, which involves technical estimates with respect to costs to completion, of each contract/activity. Such estimates, made by the Company and certified to the auditors, have been relied upon by them, as these are of a technical nature. The percentage of completion of a contract is determined considering the proportion that contract costs incurred for work performed upto the reporting date bear to the estimated total contract costs.
- Revenue from project supervision services is recognized based on agreed monthly billings and covers personnel costs of employees deputed for the project and includes appropriate overheads and margins.

### 2.7 Other income

Interest income on fixed deposits is accrued proportionately based on period for which the same is placed.

### 2.8 Fixed assets (Tangible and Intangible assets)

Fixed assets are stated at cost less accumulated depreciation and impairment losses, if any. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use. Subsequent expenditure on fixed assets after its purchase/completion is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance. When an asset is scrapped or otherwise disposed off, the cost and related depreciation are removed from the books of account and resultant profit or loss, if any, is reflected in the Statement of Profit and Loss.

### 2.9 Foreign currency transactions and translations

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction. Foreign currency monetary items of the Company, outstanding at the balance sheet date are restated at the year-end rates. Non-monetary items of the Company are carried at historical cost. Exchange differences arising on settlement/restatement of short-term foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss.

### 2.10 Investments

Non-current investments are carried at cost, less provision for diminution, other than temporary, in the value of such investments.

### 2.11 Employee Benefits

Employee benefits include provident fund, superannuation fund, gratuity fund and compensated absences.

#### a. Defined contribution plans

The Company's contribution to provident fund and superannuation fund are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

#### b. Defined benefit plans

For defined benefit plans in the form of gratuity fund, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

c. Short term employee benefit plans

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

The cost of short-term compensated absences is accounted as under:

- (a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (b) in case of non-accumulating compensated absences, when the absences occur.

d. Long term employee benefit plans

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the Balance Sheet date.

## 2.12 Employee Share Based Payments

During the year ended 31<sup>st</sup> March, 2010, the Employee Stock Option Scheme ("Scheme") was formulated by the Remuneration/Compensation Committee of the Directors of the Company. Employee Stock Options granted on or after 31<sup>st</sup> March, 2010 are accounted under the 'Intrinsic Value Method' stated in the Guidance Note on Employee Share Based Payments issued by the Institute of Chartered Accountants of India.

## 2.13 Segment reporting

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.

The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment.

Inter-segment revenue is accounted on the basis of transactions which are primarily determined based on market/fair value factors.

Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on reasonable basis have been included under "unallocated revenue/expenses/assets/liabilities".

## 2.14 Leases

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals under operating leases are recognised in the Statement of Profit and Loss on a straight-line basis over the lease term.

## 2.15 Earnings Per Share

Basic earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits/reverse share splits and bonus shares, as appropriate.

## 2.16 Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses and items relating to capital losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

Current and deferred tax relating to items directly recognised in reserves are recognised in reserves and not in the Statement of Profit and Loss.

## 2.17 Impairment of Assets

The carrying values of assets/cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists. The following intangible assets are tested for impairment each financial year even if there is no indication that the asset is impaired:

- (a) an intangible asset that is not yet available for use; and (b) an intangible asset that is amortised over a period exceeding ten years from the date when the asset is available for use.

If the carrying amount of the assets exceed the estimated recoverable amount, an impairment is recognised for such excess amount. The impairment loss is recognised as an expense in the Statement of Profit and Loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a revaluation decrease to the extent a revaluation reserve is available for that asset.

The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

When there is indication that an impairment loss recognised for an asset (other than a revalued asset) in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss. In case of revalued assets such reversal is not recognised.

## 2.18 Provisions and Contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements.

## 2.19 Service tax Input Credit

Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is reasonable certainty in availing/utilising the credits.

## 2.20 Operating Cycle

Based on the nature of products/activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

Mr. Digant Kapadia	00021310	Non-Executive, Non Independent
Mr. Jeet Kapadia	02633453	Non-Executive, Non Independent
Mr. Jayantt Manmadkar	03044559	Non-Executive, Non Independent
Mr. Ramesh Ranganathan	03118598	Non-Executive, Non Independent

The Board at its meeting held on 23<sup>rd</sup> July, 2015 has appointed Mr. Ramesh Ranganathan (DIN: 03118598) w.e.f. 1<sup>st</sup> August, 2015, as an Additional Director, in the category of Non-Executive Non-Independent Director and liable to retire by rotation. In terms of the provisions of Section 161 of the Companies Act, 2013, Mr. Ramesh ceases to hold office at the ensuing Annual General Meeting. The Company has received a notice as per the provisions of Section 161(1) of the Companies Act, 2013 from a member proposing his candidature for the office of Director alongwith requisite deposit.

Pursuant to Section 152 of the Companies Act, 2013, Mr. Digant Kapadia (DIN: 00021310) a Non-Executive Non-Independent Director retires by rotation at the 8<sup>th</sup> Annual General Meeting of the Company and being eligible has offered himself for re-appointment. Mr. Kapadia is not disqualified from being re-appointed as a Director by virtue of the provisions of Section 164 of the Companies Act, 2013.

During the year, Mr. Rajendra Joshi (DIN: 01336172) resigned as Director of the Company with effect from 31<sup>st</sup> July, 2015 due to pre-occupation. The Board places on record its deep appreciation of the valuable services rendered by Mr. Joshi during his tenure as a Director of the Company.

#### Key Managerial Personnel

As the Company does not meet threshold limit for the paid-up share capital, the provisions of the Companies Act, 2013 with respect to appointment of Key Managerial Personnel are currently not applicable to the Company.

#### Committees of the Board

##### Audit Committee

The Audit Committee comprises of two Independent Directors, namely Mr. Raghunath Murti and Mr. Vijay Khetan and one Non-Executive Non-Independent Director, Mr. Jayantt Manmadkar. Mr. Vijay Khetan is the Chairman of the Committee. All members of the Audit Committee possess strong knowledge of accounting

and financial management. The Chairman and Statutory Auditors are regularly invited to attend the Audit Committee Meetings. The Board has accepted all recommendations of the Audit Committee made from time to time.

##### Corporate Social Responsibility (CSR) Committee

As the Company meets the criteria prescribed under Section 135(1) of the Companies Act, 2013, the provisions with respect to CSR are currently applicable to the Company.

The Board of Directors at its meeting held on 16<sup>th</sup> April, 2015, constituted Corporate Social Responsibility Committee comprising Mr. Jayantt Manmadkar – Non Executive Non-Independent Director, Mr. Rajendra Joshi – Non Executive Non-Independent Director and Mr. Vijay Khetan – Independent Director. Consequent to the resignation of Mr. Rajendra Joshi, the Board at its meeting held on 23<sup>rd</sup> July, 2015, appointed Mr. Ramesh Ranganathan w.e.f. 1<sup>st</sup> August, 2015 as a member of the CSR Committee in place of Mr. Rajendra Joshi. The Role of the Committee is to formulate and recommend a CSR policy to the Board, to recommend amount of expenditure to be incurred on CSR activities, to monitor the CSR policy of the Company from time to time and to institute a transparent monitoring mechanism for implementation of the CSR projects or programs or activities undertaken by the Company.

The Company has spent Rs. 6,79,000/- as against the required CSR expenditure of Rs. 8,75,000/- calculated in the manner prescribed in the Companies Act, 2013. Of the total unspent amount of Rs. 1,96,000, Rs. 1,85,000 was earmarked for Tree Plantation (Hariyali Campaign) in approved land and Rs. 11,000 was earmarked for running expense of Gyandeeep and renovation of the School. Considering the water shortage in the approved land, the Company was uncertain on the availability of water required to maintain the saplings which the Company would plant using the balance CSR Budget on Hariyali Campaign. Rs. 11,000 remained un-utilised towards Running expense of Gyandeeep and renovation of school as the same were not required by Gyandeeep in FY 15-16. As a result, the amount of Rs. 1,96,000 which was earmarked for aforesaid contribution remained unspent as on 31<sup>st</sup> March, 2016. The Board has approved that the unspent amount of Rs. 1,96,000, out of the minimum required CSR expenditure for FY 2015-16 be carried forward to the next year provided that the carried forward amount shall be over and above the next year's CSR allocation equivalent to atleast 2% of the average net profit of the Company of the immediately preceding three years.

The annual report on the CSR activities in the prescribed format is at **Annexure 1** to this Report.

##### Nomination and Remuneration Committee

As at 31<sup>st</sup> March, 2016, the Nomination and Remuneration Committee comprised of two Independent Directors, namely Mr. Raghunath Murti and Mr. Vijay Khetan and two Non-Executive Non-Independent Directors, Mr. Ramesh Ranganathan and Mr. Digant Kapadia. Mr. Raghunath Murti is the Chairman of the Committee. Consequent to the resignation of Mr. Rajendra Joshi w.e.f. 31<sup>st</sup> July, 2015, the Board at its Meeting held on 23<sup>rd</sup> July, 2015, re-constituted the Committee by appointing Mr. Ramesh Ranganathan as a member of the Committee w.e.f. 1<sup>st</sup> August, 2015.

## **ANNEXURE 3**

### **POLICY FOR REMUNERATION OF THE DIRECTORS**

#### **I. Purpose**

This Policy sets out the approach to Compensation of Directors in Mahindra Bebanco Developers Limited.

#### **II. Policy Statement**

We have a well-defined Compensation policy for Directors including the Chairman of the Company. The overall compensation philosophy which guides us is that in order to achieve global leadership and dominance in domestic markets, we need to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in the business.

In order to effectively implement this, we have built our Compensation structure by a regular annual benchmarking over the years with relevant players across the industry we operate in.

#### **III. NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS:**

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both fixed and variable, to the Non Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as Director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act, 2013 and such other factors as the NRC may consider deem fit for determining the compensation.

The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the shareholders resolution.

#### **IV. Executive Directors:**

The remuneration to Executive Director(s) shall be recommended by NRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as approved by the Board and within the overall limits specified in the shareholders resolution. While the fixed compensation is determined at the time of their appointment, the variable compensation will be determined annually / half yearly by the NRC based on their performance.

The remuneration involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.

The Company may also grant Stock Options to the Directors (other than Independent Directors and Promoter) in accordance with the ESOP Scheme of the Company, if any, and subject to the compliance of the applicable statutes and regulations.

For and on behalf of the Board,

## ANNEXURE 4

### POLICY ON REMUNERATION OF KEY MANAGERIAL PERSONNEL AND EMPLOYEES

This Policy shall be effective from the financial year 2014 - 15.

#### Objective

To establish guidelines for remunerating employees fairly and in keeping with Statutes.

#### Standards

- All employees, irrespective of contract, are to be remunerated fairly and the remuneration is to be externally competitive and internally equitable. The remuneration will be paid in accordance with the laid down Statutes.
- Remuneration for on-roll employees will include a fixed or guaranteed component payable monthly; and a variable component which is based on performance and paid annually in the month of July following the fiscal.
- The fixed component of remuneration will have a flexible component with a bouquet of allowances to enable an employee to choose the allowances as well as the quantum based on laid down limits as per Company policy. The flexible component can be varied only once annually in the month of July, i.e., after the salary increment exercise.
- The variable component of the remuneration will vary from 10% to 25% of the Cost-to-Company (CTC) and will be a function of the employee's grade.
- The actual pay-out of variable component of the remuneration will be a function of individual performance as well as business performance. Business performance is evaluated using a Balanced Score Card (BSC) while individual performance is evaluated on Key Result Areas (KRA). Both the BSC and KRAs are evaluated at the end

of the fiscal to arrive at the BSC rating of the business and PPS rating of the individual.

- An annual compensation survey is carried out to ensure that the Company's compensation is externally competitive and is around 60<sup>th</sup> percentile. Based on the findings of the survey and the business performance, the Sector Talent Council decides:
  - a) The increment that needs to be paid for different performance ratings as well as grades.
  - b) The increment for promotions and the total maximum increment.
  - c) The maximum increase in compensation cost in % and absolute.
- Compensation corrections are made in a few cases where it is outside the band or to keep it tune with the market.

## ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF MAHINDRA BEBANCO DEVELOPERS LIMITED

### Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **MAHINDRA BEBANCO DEVELOPERS LIMITED** ("the Company") as of 31<sup>st</sup> March, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Control

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence I/we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTES ANNEXED TO AND FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016****1 CORPORATE INFORMATION**

The company is engaged in the business of development of residential complexes in MIHAN at Nagpur. Based on the nature of activity carried out by the Company and the period between the procurement and realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 5 years for the purpose of Current - Non Current classification of assets & liabilities.

**2 SIGNIFICANT ACCOUNTING POLICIES****2.1 Basis of preparation**

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Paragraph 7 of the Companies (Accounts) Rules, 2014 (as amended) and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") as applicable. The financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

**2.2 Use of estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires the management to make estimates and assumptions that affect the reported balances of assets and liabilities as of the date of the financial statements and reported amounts of income and expenses during the period. Management believes that the estimates used in the preparation of financial statements are prudent and reasonable.

**2.3 Inventories**

Inventories are stated at lower of cost and net realisable value. The cost of construction material is determined on the basis of weighted average method. Construction Work-in-Progress includes cost of land, premium for development rights, construction costs and allocated interest and expenses incidental to the projects undertaken by the Company.

**2.4 Fixed Assets**

Fixed assets are stated at cost of acquisition or construction less accumulated depreciation. Cost includes all incidental expenses related to acquisition and installation, other pre operation expenses and interest in case of construction.

The carrying amount of cash generating units/assets is reviewed at the balance sheet date to determine whether there is any indication of impairment. If such indication exists, the recoverable amount is estimated as the net selling price or value in use, whichever is higher. Impairment loss, if any, is recognized whenever carrying amount exceeds the recoverable amount.

Depreciation on tangible fixed assets has been provided on prorata basis, on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 or estimated useful life, whichever is lower.

Lease hold improvements are amortised over the period of lease/estimated period of lease.

Sales office & the sample flat/show unit cost is amortised over a period of 5 years.

**2.5 Revenue**

Income from real estate sales is recognised on the transfer of all significant risks and rewards of ownership to the buyers and it is not unreasonable to expect ultimate collection and no significant uncertainty exists regarding the amount of consideration. However if, at the time of transfer substantial acts are yet to be performed under the contract, revenue is recognised on proportionate basis as the acts are performed, i.e. on the percentage of completion basis. Revenues from real estate projects are recognised only when the actual construction and development costs incurred is at least 25% of the total estimated construction and development costs excluding land and when at least 10% of the sales consideration is realised and atleast 25% of total area is sold.

In accordance with the Guidance Note on Accounting for Real Estate Transactions (Revised 2012) issued by the Institute of Chartered Accountants of India, in case of projects commencing on or after 1<sup>st</sup> April, 2012 or in case of projects which have already commenced but where revenue is being recognised for the first time on or after 1<sup>st</sup> April, 2012, revenues will be recognized from these real estate projects only when

- i. the actual construction and development cost incurred is at least 25% of the total construction and development cost (without considering land cost) and
- ii. when at least 10% of the sales consideration is realised and
- iii. where 25% of the total saleable area of the project is secured by contracts of agreement with buyers.

Determination of revenues under the percentage of completion method necessarily involves making estimates by the Company, some of which are of a technical nature, concerning, where relevant, the percentages of completion, costs to completion, the expected revenues from the project/activity and the foreseeable losses to completion.

Interest income is accounted on accrual basis of contracted rates except where there is uncertainty of ultimate collection.

Dividend income is recognised when the right to receive the same is established.

**2.6 Investments**

Investments are classified into long term and current investments.

Long-term investments are carried at cost. Provision for diminution, if any, in the value of each long-term investment is made to recognize a decline, other than of a temporary nature.

Current investments are carried individually at lower of cost and fair value and the resultant decline, if any, is charged to revenue.

**2.7 Employee benefits**

In view of the past trends of leave availed, the amount of employee benefit in the form of compensated absences, being in the nature of short term benefit, is accounted for on accrual basis at an undiscounted value.

**2.8 Provision for Taxation**

Tax expense comprises both current and deferred tax.

Current tax is measured at the amount expected to be paid to the tax authorities, using the applicable tax rates and tax laws.

Deferred tax assets and liabilities are recognised for future tax consequences attributable to the timing differences between taxable income and accounting income that are capable of reversal in one or more subsequent periods and are measured using tax rates enacted or substantively enacted as at the Balance Sheet date. Deferred Tax assets are not recognised unless, in the management judgment, there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. The carrying amount of deferred tax is reviewed at each balance sheet date.

**2.9 Impairment of assets**

The carrying values of assets/cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognized, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognized for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognized in the Statement of Profit and Loss, except in case of revalued assets.

**NOTES ANNEXED TO AND FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016**

**2.10 Provisions and Contingent Liabilities**

Provisions are recognised in the accounts in respect of present probable obligations, the amount of which can be reliably estimated.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

**2.11 Borrowing Costs**

Borrowing costs that are directly attributable to long-term project management and development activities are capitalised as part of project cost. Other borrowing costs are recognised as expense in the period in which they are incurred.

Borrowing costs are capitalised as part of project cost when the activities that are necessary to prepare the asset for its intended use or sale are in progress. Borrowing costs are suspended from capitalisation on the project when development work on the project is interrupted for extended periods.

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF ANTHURIUM DEVELOPERS LIMITED

#### Report on the Financial Statements

1. We have audited the accompanying financial statements of Anthurium Developers Limited ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal

financial control relevant to the Company's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and its profit and cash flows for the year ended on that date.

#### Report on other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in term of Sub-section (11) of Section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure "A", a statement on the matters specified in the paragraphs 3 and 4 of the Order.
10. As required by Section 143(3) of the Act, we report that:
  - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
  - c) the Balance Sheet, the Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
  - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);
  - e) On the basis of written representations received from the directors as on 31<sup>st</sup> March, 2016, taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2016, from being appointed as a director in terms of Section 164(2) of the Act.
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure "B".

- g) With respect to the other matters included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended) in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position.

## **ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF ANTHURIUM DEVELOPERS LIMITED**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Anthurium Developers Limited (“the Company”) as of 31<sup>st</sup> March, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence I/we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016

### 1. Corporate Information

The Company was incorporated on 2<sup>nd</sup> June, 2010 and is engaged in the business of development of Residential complexes Ireo -Gurgaon. The Company is in the process of identifying lands for acquisition for its projects.

### 2. Significant Accounting Policies

#### a. Basis of Accounting

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Paragraph 7 of the Companies (Accounts) Rules, 2014 (as amended) and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") as applicable. The financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

#### b. Taxes on Income

Current tax is determined as the amount of tax payable in respect of taxable income for the year. Deferred tax is recognized, subject to consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods.

Deferred tax assets in respect of unabsorbed depreciation and carried forward losses are recognized if there is virtual certainty that there will be sufficient future taxable income available to realise such losses. Other deferred tax assets are recognised if there is reasonable certainty that there will be sufficient future taxable income available to realise such assets.

#### c. Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent Liabilities are not recognised but are disclosed in the notes. Contingent Assets are neither recognised nor disclosed in the financial statements.

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF INDUSTRIAL TOWNSHIP (MAHARASHTRA) LIMITED

#### Report on the Financial Statements

1. We have audited the accompanying financial statements of **INDUSTRIAL TOWNSHIP (MAHARASHTRA) LIMITED** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.
7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements,

give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and its profit and cash flows for the year ended on that date.

10. As required by Section 143(3) of the Act, we report that:
  - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b. In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
  - c. the Balance Sheet, the Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
  - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - e. On the basis of written representations received from the directors as on 31<sup>st</sup> March, 2016, taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2016, from being appointed as a director in terms of Section 164(2) of the Act.
  - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
  - g. With respect to the other matters included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended) in our opinion and to our best of our information and according to the explanations given to us:
    - i. The Company does not have any pending litigations which would impact its financial position.
    - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
    - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

## **ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF INDUSTRIAL TOWNSHIP (MAHARASHTRA) LIMITED**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Industrial Township (Maharashtra) Limited (“the Company”) as of 31<sup>st</sup> March, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence I/we have obtained is sufficient and appropriate to provide a basis for our audit

opinion on the Company’s internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2016 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH 2016

### 1 Corporate information

The Company was incorporated on 2<sup>nd</sup> July, 2008 and is engaged in the business of development of Industrial Park in Roha, Raigad District, Maharashtra. The Company is currently acquiring lands and carrying out preliminary surveys.

### 2 Significant Accounting Policies

#### 2.1 Basis of preparation

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Paragraph 7 of the Companies (Accounts) Rules, 2014 (as amended) and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") as applicable. The financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

#### 2.2 Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the management to make estimates and assumptions that affect the reported balances of assets and liabilities as of the date of the financial statements and reported amounts of income and expenses during the period. Management believes that the estimates used in the preparation of financial statements are prudent and reasonable. Actual results could differ from those estimates.

#### 2.3 Inventories

Inventories are stated at lower of cost and net realisable value. The cost of construction material is determined on the basis of weighted average method. Construction Work-in-Progress includes cost of land, premium for development rights, construction costs and allocated interest and expenses incidental to the projects undertaken by the Company.

#### 2.4 Revenue

Income from real estate sales is recognised on the transfer of all significant risks and rewards of ownership to the buyers and it is not unreasonable to expect ultimate collection and no significant uncertainty exists regarding the amount of consideration. However if, at the time of transfer substantial acts are yet to be performed under the contract, revenue is recognised on proportionate basis as the acts are performed, i.e. on the percentage of completion basis. Revenues from real estate projects are recognised only when the actual construction and development costs incurred is at least 25% of the total estimated construction and development costs excluding land and when at least 10% of the sales consideration is realised and atleast 10% of total area is sold.

In accordance with the Guidance Note on Accounting for Real Estate Transactions (Revised 2012) issued by the Institute of Chartered Accountants of India, in case of projects commencing on or after 1<sup>st</sup> April, 2012 or in case of projects which have already commenced but where revenue is being recognised for the first time on or after 1<sup>st</sup> April, 2012, revenues will be recognized from these real estate projects only when:

- the actual construction and development cost incurred is at least 25% of the total construction and development cost (without considering land cost) and
- when at least 10% of the sales consideration is realised and
- where 25% of the total saleable area of the project is secured by contracts of agreement with buyers.

Determination of revenues under the percentage of completion method necessarily involves making estimates by the Company, some of which are of a technical nature, concerning, where relevant, the percentages of completion, costs to completion, the expected revenues from the project/activity and the foreseeable losses to completion.

Interest income is accounted on accrual basis of contracted rates except where there is uncertainty of ultimate collection.

#### 2.5 Provision for Taxation

Tax expense comprises both current and deferred tax.

Current tax is measured at the amount expected to be paid to the tax authorities, using the applicable tax rates and tax laws.

Deferred tax assets and liabilities are recognised for future tax consequences attributable to the timing differences between taxable income and accounting income that are capable of reversal in one or more subsequent periods and are measured using tax rates enacted or substantively enacted as at the Balance Sheet date. Deferred Tax assets are not recognised unless, in the management judgment, there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. The carrying amount of deferred tax is reviewed at each balance sheet date.

#### 2.6 Provisions and contingencies

Provisions are recognised in the accounts in respect of present probable obligations, the amount of which can be reliably estimated.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

#### 2.7 Borrowing Costs

Borrowing costs that are directly attributable to long-term project management and development activities are capitalised as part of project cost. Other borrowing costs are recognised as expense in the period in which they are incurred.

Borrowing costs are capitalised as part of project cost when the activities that are necessary to prepare the asset for its intended use or sale are in progress. Borrowing costs are suspended from capitalisation on the project when development work on the project is interrupted for extended periods.

## ANNEXURE 2

### POLICY FOR REMUNERATION OF THE DIRECTORS

#### I. PURPOSE

This Policy sets out the approach to Compensation of Directors in Knowledge Township Limited.

#### II. POLICY STATEMENT

We have a well-defined Compensation policy for Directors including the Chairman of the Company. The overall compensation philosophy which guides us is that in order to achieve global leadership and dominance in domestic markets, we need to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in the business.

In order to effectively implement this, we have built our Compensation structure by a regular annual benchmarking over the years with relevant players across the industry we operate in.

#### III. NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS:

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both fixed and variable, to the Non Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and such other factors as the NRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-

Executive Directors within the overall limits specified in the Shareholder's resolution.

#### IV. EXECUTIVE DIRECTORS:

The remuneration to Executive Director(s) shall be recommended by NRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of their appointment, the variable compensation will be determined annually/half yearly by the NRC based on their performance.

The remuneration involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.

The Company may also grant Stock Options to the Directors (other than Independent Directors and Promoter) in accordance with the ESOP Scheme of the Company, if any, and subject to the compliance of the applicable statutes and regulations.

For and on behalf of the Board,

**Anita Arjundas**

## ANNEXURE 3

### POLICY ON REMUNERATION OF KEY MANAGERIAL PERSONNEL AND EMPLOYEES

This Policy shall be effective from the financial year 2014-15.

#### OBJECTIVE

To establish guidelines for remunerating employees fairly and in keeping with Statutes.

#### STANDARDS

- All employees, irrespective of contract, are to be remunerated fairly and the remuneration is to be externally competitive and internally equitable. The remuneration will be paid in accordance with the laid down Statutes.
- Remuneration for on-roll employees will include a fixed or guaranteed component payable monthly; and a variable component which is based on performance and paid annually in the month of July following the fiscal.
- The fixed component of remuneration will have a flexible component with a bouquet of allowances to enable an employee to choose the allowances as well as the quantum based on laid down limits as per Company policy. The flexible component can be varied only once annually in the month of July, i.e., after the salary increment exercise.
- The variable component of the remuneration will be a function of the employee's grade.
- The actual pay-out of variable component of the remuneration will be a function of individual performance as well as business performance. Business performance is evaluated using a Balanced Score Card (BSC) while

individual performance is evaluated on Key Result Areas (KRA). Both the BSC and KRAs are evaluated at the end of the fiscal to arrive at the BSC rating of the business and PPS rating of the individual.

- An annual compensation survey is carried out to ensure that the Company's compensation is externally competitive. Based on the findings of the survey and the business performance, the Sector Talent Council decides:
  - a) The increment that needs to be paid for different performance ratings as well as grades.
  - b) The increment for promotions and the total maximum increment.
  - c) The maximum increase in compensation cost in % and absolute.
- Compensation corrections are made in a few cases where it is outside the band or to keep it tune with the market.

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence I/we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016

### Note Particulars

#### 1 Corporate information

The company was incorporated on 16<sup>th</sup> August, 2007 and is engaged in the business of development of Knowledge City in Pune, Maharashtra.

#### 2 Significant Accounting Policies

##### 2.1 Basis of preparation

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Paragraph 7 of the Companies (Accounts) Rules, 2014 (as amended) and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") as applicable. The financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

##### 2.2 Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the management to make estimates and assumptions that affect the reported balances of assets and liabilities as of the date of the financial statements and reported amounts of income and expenses during the period. Management believes that the estimates used in the preparation of financial statements are prudent and reasonable. Actual results could differ from those estimates.

##### 2.3 Inventories

Inventories are stated at lower of cost and net realisable value. The cost of construction material is determined on the basis of weighted average method. Construction Work-in-Progress includes cost of land, premium for development rights, construction costs and allocated interest and expenses incidental to the projects undertaken by the Company.

##### 2.4 Fixed Assets

Fixed assets are stated at cost of acquisition or construction less accumulated depreciation. Cost includes all incidental expenses related to acquisition and installation, other pre operation expenses and interest in case of construction.

The carrying amount of cash generating units/assets is reviewed at the balance sheet date to determine whether there is any indication of impairment. If such indication exists, the recoverable amount is estimated as the net selling price or value in use, whichever is higher. Impairment loss, if any, is recognized whenever carrying amount exceeds the recoverable amount.

Depreciation on tangible fixed assets has been provided on prorata basis, on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 or estimated useful life, whichever is lower.

##### 2.5 Revenue

Income from real estate sales is recognised on the transfer of all significant risks and rewards of ownership to the buyers and it is not unreasonable to expect ultimate collection and no significant uncertainty exists regarding the amount of consideration. However if, at the time of transfer substantial acts are yet to be performed under the contract, revenue is recognised on proportionate basis as the acts are performed, i.e. on the percentage of completion basis. Revenues from real estate projects are recognised only when the actual construction and development costs incurred is at least 25% of the total estimated construction and development costs excluding land and when at least 10% of the sales consideration is realised and atleast 10% of total area is sold.

In accordance with the Guidance Note on Accounting for Real Estate Transactions (Revised 2012) issued by the Institute of Chartered Accountants of India, in case of projects commencing on or after 1<sup>st</sup> April 2012 or in case of projects which have already commenced but where revenue is being recognised for the first time on or after 1<sup>st</sup> April 2012, revenues will be recognized from these real estate projects only when

- the actual construction and development cost incurred is at least 25% of the total construction and development cost (without considering land cost) and
- when at least 10% of the sales consideration is realised and
- where 25% of the total saleable area of the project is secured by contracts of agreement with buyers.

Determination of revenues under the percentage of completion method necessarily involves making estimates by the Company, some of which are of a technical nature, concerning, where relevant, the percentages of completion, costs to completion, the expected revenues from the project/activity and the foreseeable losses to completion.

Interest income is accounted on accrual basis of contracted rates except where there is uncertainty of ultimate collection.

#### 2.6 Employee benefits

In view of the past trends of leave availed, the amount of employee benefit in the form of compensated absences, being in the nature of short term benefit, is accounted for on accrual basis at an undiscounted value.

#### 2.7 Provision for Taxation

Tax expense comprises both current and deferred tax.

Current tax is measured at the amount expected to be paid to the tax authorities, using the applicable tax rates and tax laws.

Deferred tax assets and liabilities are recognised for future tax consequences attributable to the timing differences between taxable income and accounting income that are capable of reversal in one or more subsequent periods and are measured using tax rates enacted or substantively enacted as at the Balance Sheet date. Deferred Tax assets are not recognised unless, in the management judgment, there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. The carrying amount of deferred tax is reviewed at each balance sheet date.

#### 2.8 Provisions and contingencies

Provisions are recognised in the accounts in respect of present probable obligations, the amount of which can be reliably estimated.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

#### 2.9 Borrowing Costs

Borrowing costs that are directly attributable to long-term project management and development activities are capitalised as part of project cost. Other borrowing costs are recognised as expense in the period in which they are incurred.

Borrowing costs are capitalised as part of project cost when the activities that are necessary to prepare the asset for its intended use or sale are in progress. Borrowing costs are suspended from capitalisation on the project when development work on the project is interrupted for extended periods.

## INDEPENDENT AUDITOR'S REPORT

### To the Members of Industrial Cluster Private Limited

#### Report on the Financial Statements

1. We have audited the accompanying financial statements of **INDUSTRIAL CLUSTER PRIVATE LIMITED** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation

of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and its profit and cash flows for the year ended on that date.

#### Report on other Legal and Regulatory Requirements

## **ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF INDUSTRIAL CLUSTER PRIVATE LIMITED**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Industrial Cluster Private Limited (“the Company”) as of 31<sup>st</sup> March, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES ANNEXED TO AND FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016

### 1. CORPORATE INFORMATION

The Company was incorporated on 29<sup>th</sup> March, 2013 and is engaged in the business of establishing, acquiring, developing and maintaining Industrial Parks, Technology Parks, Bio-tech Parks, Software Parks, Special Economic zones, Export Processing Zones, Industrial Areas, Industrial estates, Integrated Townships, Residential and/or Commercial Complexes, Housing Facility in India and outside India. Since the Holding Company is committed to extending financial support to the Company for its future projects the accounts have been prepared on a "Going Concern" basis.

### 2. SIGNIFICANT ACCOUNTING POLICIES

#### a Basis of Accounting

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Paragraph 7 of the Companies (Accounts) Rules, 2014 (as amended) and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") as applicable. The financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

#### b Taxes on Income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation, carry forward of losses and items relating to capital losses are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

#### c Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognised but are disclosed in notes contingent Assets are neither recognised nor disclosed in the financial statements.

## ANNEXURE I TO THE DIRECTORS' REPORT

### POLICY ON APPOINTMENT/REMOVAL OF DIRECTORS AND SENIOR MANAGEMENT PERSONNEL

#### I. APPOINTMENT OF DIRECTORS

- The Nomination and Remuneration Committee (NRC) of the Board of Directors (Board) of the Company reviews and assesses Board composition and recommends the appointment of new Directors. In evaluating the suitability of individual Board member, the NRC shall take into account the following criteria regarding qualifications, positive attributes and also independence of director when Independent Director is to be appointed:
  1. All Board appointments will be based on merit, in the context of the skills, experience, diversity, and knowledge, for the Board as a whole to be effective.
  2. Ability of the candidates to devote sufficient time and attention to his/her professional obligations as Director for informed and balanced decision making.
  3. Adherence to the applicable Code of Conduct and highest level of Corporate Governance in letter and in spirit by the Directors.
- Based on recommendation of the NRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board through the Chairman or Director will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new Director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act, 2013 and Rules made thereunder.

#### REMOVAL OF DIRECTORS

If a Director is attracted with any disqualification as mentioned in any of the applicable Act, Rules and Regulations thereunder or due to non-adherence to the applicable policies of the Company, the NRC may recommend to the Board with reasons recorded in writing, removal of a Director subject to the compliance of the applicable statutory provisions.

#### SENIOR MANAGEMENT PERSONNEL

The NRC shall identify persons based on merit, experience and knowledge who may be appointed in senior management team.

Senior Management personnel are appointed or promoted and removed/relieved with the authority of Managing Director & CEO based on the business need and the suitability of the candidate. The details of the appointment made and the personnel removed one level below the Key Managerial Personnel during a quarter shall be presented to the Board.

### POLICY ON THE REMUNERATION OF THE DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES

#### a. Policy for Remuneration of the Directors

##### Purpose

This Policy sets out the approach to Compensation of Directors in Mahindra Infrastructure Developers Limited.

##### Policy Statement

We have a well-defined Compensation policy for Directors including the Chairman of the Company. The overall compensation philosophy which guides us is that in order to achieve global leadership and dominance in domestic markets, we need to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in the business.

In order to effectively implement this, we have built our Compensation structure by a regular annual benchmarking over the years with relevant players across the industry we operate in.

#### NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS:

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both fixed and variable, to the Non Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and such other factors as the NRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

#### Executive Directors:

The remuneration to Executive Director(s) shall be recommended by NRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of their appointment, the variable compensation will be determined annually/half yearly by the NRC based on their performance.

The remuneration involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.

The Company may also grant Stock Options to the Directors (other than Independent Directors and Promoter) in accordance with the ESOP Scheme of the Company, if any, and subject to the compliance of the applicable statutes and regulations.

**b. Policy on Remuneration of Key Managerial Personnel and Employees**

This Policy shall be effective from the financial year 2014-15.

**Objective**

To establish guidelines for remunerating employees fairly and in keeping with Statutes.

**Standards**

- All employees, irrespective of contract, are to be remunerated fairly and the remuneration is to be externally competitive and internally equitable. The remuneration will be paid in accordance with the laid down Statutes.
- Remuneration for on-roll employees will include a fixed or guaranteed component payable monthly; and a variable component which is based on performance and paid annually in the month of July following the fiscal.
- The fixed component of remuneration will have a flexible component with a bouquet of allowances to enable an employee to choose the allowances as well as the quantum based on laid down limits as per Company policy. The flexible component can be varied only once annually in the month of July i.e. after the salary increment exercise.

- The variable component of the remuneration will be a function of the employee's grade.
- The actual pay-out of variable component of the remuneration will be a function of individual performance as well as business performance. Business performance is evaluated using a Balanced Score Card (BSC) while individual performance is evaluated on Key Result Areas (KRA). Both the BSC and KRAs are evaluated at the end of the fiscal to arrive at the BSC rating of the business and PPS rating of the individual.
- An annual compensation survey is carried out to ensure that the Company's compensation is externally competitive. Based on the findings of the survey and the business performance, the Sector Talent Council decides:
  - a) The increment that needs to be paid for different performance ratings as well as grades.
  - b) The increment for promotions and the total maximum increment.
  - c) The maximum increase in compensation cost in % and absolute.
- Compensation corrections are made in a few cases where it is outside the band or to keep it tune with the market.

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF MAHINDRA INFRASTRUCTURE DEVELOPERS LIMITED

#### Report on the Financial Statements

We have audited the accompanying financial statements of **MAHINDRA INFRASTRUCTURE DEVELOPERS LIMITED** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act, as applicable. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgements and estimates that are reasonable and prudent, and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under Section 143(11) of the Act.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit

also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and its loss and its cash flows for the year ended on that date.

#### Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards prescribed under Section 133 of the Act, as applicable.
  - (e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2016 from being appointed as a director in terms of Section 164(2) of the Act.
  - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure "A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company does not have any pending litigations which would impact its financial position.

- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the CARO 2016 Order") issued by the Central Government in terms of Section 143(11) of the Act, we

give in Annexure "B" a statement on the matters specified in paragraphs 3 and 4 of the the CARO 2016 Order.

## ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT TO THE MEMBERS OF MAHINDRA INFRASTRUCTURE DEVELOPERS LIMITED

(Referred to in paragraph 1 (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

### Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

We have audited the internal financial controls over financial reporting of MAHINDRA INFRASTRUCTURE DEVELOPERS LIMITED (“the Company”) as of 31<sup>st</sup> March, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MAHINDRA INFRASTRUCTURE DEVELOPERS LIMITED

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets.
- (b) The Company has a program of verification of fixed assets once in every three years, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. The last physical verification was carried out in March, 2015, accordingly no physical verification of fixed assets was carried out by the Management during the year.
- (c) According to the information and explanations given to us and the records examined by us, we report that the building has been constructed by the Company on the leasehold land pursuant to the lease agreement dated 17<sup>th</sup> January, 2003 between Tirumala Tirupati Devasthanams and the Company, where the Company is the lessee in the agreement, however the book value of the building as at 31<sup>st</sup> March, 2016 is Rs. Nil, refer Note 21 to the financial statements.
- (ii) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals and no material discrepancies were noticed on physical verification.
- (iii) The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Companies Act, 2013.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 186 of the Companies Act, 2013 in respect of investments made. The Company has not granted any loans or provided guarantees and security under Sections 185 and 186 of the Companies Act, 2013.
- (v) According to the information and explanations given to us, the Company has not accepted any deposit during the year.
- (vi) Having regard to the nature of the Company's business/ activities, reporting under clause (vi) of the CARO 2016 Order is not applicable.
- (vii) According to the information and explanations given to us in respect of statutory dues:
- (a) The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income-tax, Service Tax, Cess and other material statutory dues applicable to it to the appropriate authorities.
- (b) There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at 31<sup>st</sup> March, 2016 for a period of more than six months from the date they became payable.
- (c) According to the records of the Company, there are no dues of Income-tax, Sales Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax which have not been deposited as at 31<sup>st</sup> March, 2016 on account of any dispute.
- (viii) The Company has not taken any loans or borrowings from financial institutions, banks and Government or has not issued any debentures. Hence reporting under clause (viii) of the CARO 2016 Order is not applicable to the Company.
- (ix) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under clause (ix) of the CARO 2016 Order is not applicable.
- (x) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no fraud on the Company by its officers or employees has been noticed or reported during the year.
- (xi) According to the information and explanations given to us, there is no amount payable as a managerial remuneration under the provisions of Section 197 read with Schedule V to the Companies Act, 2013.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the CARO 2016 Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us, the Company is in compliance with Sections 177 and 188 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc., as required by the applicable accounting standards.
- (xiv) During the year the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under clause (xiv) of the CARO 2016 Order is not applicable to the Company.
- (xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with him and hence provisions of Section 192 of the Companies Act, 2013 are not applicable.
- (xvi) The Company is not required to be registered under Section 45-I of the Reserve Bank of India Act, 1934.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016

### Note 1 Corporate Information

Mahindra Infrastructure Developers Limited ("the Company") is a public company incorporated in India on 10<sup>th</sup> May, 2001 under the provisions of the Companies Act, 1956. The Company is in the business of development of infrastructure projects and infrastructure related services.

### Note 2 Significant accounting policies

#### a) Basis of preparation

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards prescribed under Section 133 of the Companies Act, 2013 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act"). The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

#### b) Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialise.

#### c) Fixed Assets (Tangible)

(i) All Fixed Assets are carried at cost less accumulated depreciation. Cost includes financing cost relating to borrowed funds attributable to the construction or acquisition of qualifying assets upto the date the asset is ready for use.

When an asset is scrapped or otherwise disposed off, the cost and related depreciation are removed from the books of account and resultant profit (including capital profit) or loss, if any, is reflected in the statement of Profit and Loss.

(ii) Depreciation on an asset (other than impaired assets) is calculated on Straight Line Method at the rate 11.31% p.a. which is based on useful life of 9 years determined on the basis of technical evaluation by the Management of the Company and is different from the useful life of 15 years indicated in part C of schedule II to the 2013 Act. (Refer note 21).

#### d) Impairment of assets

The carrying values of assets/cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists. If the carrying amount of the assets exceed the estimated recoverable amount, an impairment is recognised for such excess amount. The impairment loss is recognised as an expense in the Statement of Profit and Loss. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss.

#### e) Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

#### f) Cash flow statement

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

#### g) Investments

Long-term investments are valued at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of investments.

#### h) Inventories

Inventories are stated at cost and net realisable value, whichever is lower. Cost is arrived at on first-in first-out basis and includes overheads on absorption basis, where appropriate.

#### i) Revenue Recognition

Revenue on account of sale of services is recognised under the Completed Service Contract Method to the extent it is probable that the economic benefit will flow to the Company and the revenue can be reliably measured.

Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers.

Dividend income is recognised in the Statement of Profit and Loss when the right to receive payment is established.

Interest Income is accounted for on time proportion basis.

#### j) Income Taxes

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws. Deferred tax is recognised, subject to consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets arising on account of unabsorbed depreciation and carry forward of losses and items relating to capital losses are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future tax income will be available against which such deferred tax assets can be realised.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax against which the MAT paid will be adjusted.

#### k) Segment reporting

The Company has a single reportable segment namely development of infrastructure projects and infrastructure related services for the purpose of Accounting Standard 17 on Segment Reporting.

Solid Waste Treatment Agreement (“the Agreement”) executed on 17 January, 2003 with Tirumala Tirupati Devasthanams (TTD) for operating a solid waste treatment plant (“the project”) at Tirumala, has been terminated by the Company with effect from 19<sup>th</sup> June, 2009. Discussions are on with TTD for resolving all the pending issues post termination in accordance with the terms of the Agreement. The project has not been operating since the termination date. The Company has a right to claim the written down value of the fixed assets as of the termination date and an appropriate compensation from TTD in terms of the Agreement. Accordingly, no depreciation on the fixed assets of the project was provided after the date of termination and prior to impairment of fixed asset made during the previous year. The particulars of the project as on the date of termination to be transferred to TTD on acceptance of the termination by them are given below:

\* Mahindra Water Utilities Limited has become subsidiary with effect from 27<sup>th</sup> July, 2015 and therefore figures related to income and expenses for the current year are disclosed proportionately from the unaudited financial statements for the half year ended 30<sup>th</sup> September 2015.

**Note 23** The Capital of New Tirupur Area Development Corporation Limited (NTADCL) as on 31<sup>st</sup> March, 2015 has been almost fully eroded by past losses. It was exploring the option of supplying substantial volume of industrial water to a textile park proposed to be set up by the State Government which would have contributed substantially to its topline. Based on forthcoming information there are likely to be delays and the possibility of recovering the past losses of the company does not seem very promising. In view of this, the company has provided for its entire investment of ₹ 15,00,00,000 in the equity shares of NTADCL during the previous year. Based on the review, the Company would like to continue with the same position during the current year also.

**Note 24** The Company has only made provisions in respect of investment in NTADCL and the assets of the project. There is no intention of disposing off this investment. Also the Company can continue its current operations with its own cash resources for a period of atleast one year. Hence the accounts of the Company for the year ended 31<sup>st</sup> March, 2016 have been prepared on the basis of going concern.

**Note 25** Previous year's figures have been regrouped/reclassified wherever necessary to correspond with the current year's classification/disclosure.

## ANNEXURE 2 TO THE DIRECTORS' REPORT FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016

### Policy on remuneration of Directors

#### Purpose

This Policy sets out the approach to Compensation of Directors, in Mahindra Industrial Park Chennai Limited.

#### Policy Statement

We have a well-defined Compensation policy for Directors, including the Chairman of the Company. The overall compensation philosophy which guides us to focus on enhancing the value, to attract, to retain and motivate Directors for achieving objectives of the Company and to become a major player in Indian Real Estate Sector, to maintain the pioneer status in the Integrated Business City format, to be the most trusted brand in the business we operate in and focus on customer centricity through transparency, quality and on-time delivery, to be a thought leader and establish industry benchmarks in Sustainable Development.

In order to effectively implement this, we have built our Compensation structure by a regular annual benchmarking over the years with relevant players across the industry we operate in.

#### NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS:

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both Fixed and variable, to the Non-Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and such other factors as the NRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

#### Manager

Remuneration of the Manager reflects the overall remuneration philosophy and guiding principle of the Company. While considering the appointment and remuneration of Manager, the NRC shall consider the industry benchmarks, merit and seniority of the person and shall ensure that the remuneration proposed to be paid is commensurate with the remuneration packages paid to similar senior level counterpart(s) in other companies. The policy aims at a balance between fixed and variable pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

The remuneration to the Manager shall be recommended by NRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as per the policy of the Company from time to time and as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of appointment, the variable compensation will be determined annually by the NRC based on the performance of Manager.

The term of office and remuneration of Manager is subject to the approval of the Board of Directors, shareholders, and Central Government, as may be required and within the statutory limits laid down in this regard from time to time.

If, in any financial year, the Company has no profits or its profits are inadequate, the Company shall pay, subject to the requisite approvals, remuneration to its Manager in accordance with the provisions of Schedule V of the Companies Act, 2013.

If a Manager draws or receives, directly or indirectly by way of remuneration any such sums in excess of the limits prescribed under the Companies Act, 2013 or without the prior sanction of the Central Government, where required, he/she shall refund such sums to the Company and until such sum is refunded, hold it in trust for the Company. The Company shall not waive recovery of such sum refundable to it unless permitted by the Central Government.

Remuneration for Manager is designed subject to the limits laid down under the Companies Act, 2013 to remunerate him/her fairly and responsibly. The remuneration to the Manager comprises of salary, perquisites and benefits as per policy of the Company and performance based incentive apart from retirement benefits like P.F., Superannuation, Gratuity, Leave Encashment, etc. as per Rules of the Company. Salary is paid within the range approved by the Shareholders. Increments are effective annually, as recommended/approved by the Remuneration Committee/Board.

#### Directors

The Non-Executive Chairman and Independent Directors receive sitting fees for attending the meeting of the Board and the Committees thereof, as fixed by the Board of Directors from time to time subject to statutory provisions. The Non-Executive Chairman and Independent Directors would be entitled to the remuneration under the Companies Act, 2013. A Non-Executive Non-Independent Director who receives remuneration from the holding company or any other group company is not paid any sitting fees or any remuneration. In addition to the above the Directors are entitled for reimbursement of expenses incurred in discharge of their duties.

The Company may also grant Stock Options to the eligible employees and Directors (other than Independent Directors) in accordance with the ESOP Schemes of the Company from time to time and subject to the compliance of the applicable statutes and regulations.

#### Disclosures

Information on the total remuneration of members of the Company's Board of Directors, Manager and KMP/senior management personnel may be disclosed in the Board's report and the Company's annual report as per statutory requirements in this regard.

**ANNEXURE 3 TO THE DIRECTORS' REPORT FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016****Policy on Remuneration of Key Managerial Personnel and Employees**

This Policy shall be effective from the financial year 2016-17.

**Objective**

To establish guidelines for remunerating employees fairly and in keeping with Statutes.

**Standards**

- All employees, irrespective of contract, are to be remunerated fairly and the remuneration is to be externally competitive and internally equitable. The remuneration will be paid in accordance with the laid down Statutes.
- Remuneration for on-roll employees will include a fixed or guaranteed component payable monthly; and a variable component which is based on performance and paid annually in the month of July following the fiscal.
- The fixed component of remuneration will have a flexible component with a bouquet of allowances to enable an employee to choose the allowances as well as the quantum based on laid down limits as per Company policy. The flexible component can be varied only once annually in the month of July i.e. after the salary increment exercise.
- The variable component of the remuneration will vary from 10% to 25% of the Cost-to-Company (CTC) and will be a function of the employee's grade.
- The actual pay-out of variable component of the remuneration will be a function of individual performance as well as business performance. Business performance is evaluated using a Balanced Score Card (BSC) while individual performance is evaluated on Key Result Areas (KRA). Both the BSC and KRAs are evaluated at the end of the fiscal to arrive at the BSC rating of the business and PPS rating of the individual.
- An annual compensation survey is carried out to ensure that the Company's compensation is externally competitive and is around 60th percentile. Based on the findings of the survey and the business performance, the Sector Talent Council decides:
  - a) The increment that needs to be paid for different performance ratings as well as grades.
  - b) The increment for promotions and the total maximum increment.
  - c) The maximum increase in compensation cost in % and absolute.
- Compensation corrections are made in a few cases where it is outside the band or to keep it tune with the market.

## ANNEXURE 5 TO THE DIRECTORS' REPORT FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016

### WHISTLE BLOWER POLICY

#### 1. The Whistle Blower Policy shall come into effect from 13<sup>th</sup> April 2016.

#### 2. Preface

Mahindra Industrial Park Chennai Limited (MIPCL) ("the Company") is committed to conducting its business in accordance with applicable laws, rules and regulations and the highest standards of business ethics, honesty, integrity and ethical conduct. Towards this end, the Company has adopted three separate Codes of Conduct viz. for Directors, for Independent Directors and for Senior Management and Employees (collectively referred to as "Codes" or "the Codes") and various Policies under the helm of Corporate Governance which inter alia include Policy on Disaster Management, Environment & Pollution, Human Resources, Insider Trading, Investor Relations, etc. (collectively referred to as "Policies") which lays down the principles and standards that should govern the actions of the Company and its Employees. Any actual or potential violation of the Code/Policies, howsoever insignificant or perceived as such, would be a matter of serious concern for the Company. The role of the Employees/Directors in pointing out such violations of the Code/Policies cannot be undermined.

Further, as per the provisions of sub-section 9 of section 177 of Companies Act, 2013 ("the Act" or "Act"), the company has been mandated to establish a vigil mechanism for directors and employees of the company to report to the Management, instances of unethical behavior, actual or suspected, fraud or violation of the Company's Code or Policies.

Accordingly, this Whistle Blower Policy ("the Policy" or "this Policy") has been formulated with a view to provide a mechanism for Directors and Employees of the Company to approach the Audit Committee.

#### 3. Definitions

The definitions of the key terms used in this Policy are given below. [Terms not defined herein below shall have the meaning assigned to them under the Codes/Policies/Act.]

- a. "Audit Committee" means the Audit Committee constituted by the Board of Directors of the Company in accordance with Section 177 of the Companies Act, 2013 and read with Clause 49 of the Listing Agreement with the Stock Exchanges.
- b. "Codes" mean three separate Codes of Conduct viz. for Directors, for Independent Directors and for Senior Management and Employees.
- c. "Director" means a director as defined under Section 2 (34) of the Companies Act, 2013.
- d. "Employee" means every employee of the Company (whether working in India or abroad), including

the Directors in the whole time employment of the Company.

- e. "Investigators" means those persons authorised, appointed, consulted or approached by the Audit Committee and the Police.
- f. "Protected Disclosure" means any communication made in good faith that discloses or demonstrates information that may evidence illegal or unethical behaviour, actual or suspected fraud or violation of the Company's Codes or Policies or any improper activity.
- g. "Subject" means a person against or in relation to whom a Protected Disclosure has been made or evidence gathered during the course of an investigation.
- h. "Whistle Blower" means a Director or Employee making a Protected Disclosure under this Policy.

#### 4. Scope

- a. The Whistle Blower's role is that of a reporting party with reliable information. They are not required or expected to act as investigators or finders of facts nor would they determine the appropriate corrective or remedial action that may be warranted in a given case.
- b. Whistle Blowers should not act on their own in conducting any investigative activities, nor do they have a right to participate in any investigative activities other than as requested by the Audit Committee or the Investigator.
- c. Protected Disclosure will be appropriately dealt with by the Audit Committee.

#### 5. Eligibility

All the Directors and Employees of the Company are eligible to make Protected Disclosures under the Policy. The Protected Disclosures may be in relation to matters concerning the Company.

#### 6. Procedure

- a. All Protected Disclosures should be addressed to the Audit Committee.
- b. If a protected disclosure is received by any Executive(s) of the Company other than the Audit Committee member, the same should be forwarded to the Audit Committee for further appropriate action.
- c. Appropriate care must be taken to keep the identity of the Whistle Blower(s) confidential.
- d. Protected Disclosures should be reported in writing so as to ensure a clear understanding of the issues raised, be typed in English, Hindi or in the Regional Language of the place of employment of the Whistle Blower(s).

- e. The Protected Disclosure should be forwarded under a covering letter which shall bear the identity of the Whistle Blower(s). The Audit Committee shall detach the covering letter and forward only the Protected Disclosure to the Investigators for investigation.
- f. Protected Disclosures should be factual and not speculative or in the nature of a conclusion, and should contain as much specific information as possible to allow for proper assessment of the nature and extent of the concern.

## 7. Investigation

- a. All Protected Disclosures reported under this Policy would be thoroughly investigated by the Audit Committee who would investigate/oversee the investigations.
- b. The Audit Committee may at their discretion, consider involving any Investigators for the purpose of investigation.
- c. The decision to conduct an investigation taken by the Audit Committee is by itself not an accusation and is to be treated as a neutral fact-finding process. The outcome of the investigation may or may not support the conclusion of the Whistle Blower that an improper or unethical act was committed.
- d. The identity of a Subject and the Whistle Blower would be kept confidential to the extent possible given the legitimate needs of law and the investigation.
- e. Subjects would normally be informed of the allegations at the outset of a formal investigation and have opportunities for providing their inputs during the investigation.
- f. Subjects shall have a duty to co-operate with the Audit Committee or any of the Investigators during investigation to the extent that such co-operation will not compromise self-incrimination protections available under the applicable laws.
- g. Subjects have a right to consult with a person or persons of their choice, other than the Audit Committee.
- h. Subjects have a responsibility not to interfere with the investigation. Evidence shall not be withheld, destroyed or tampered with and witnesses shall not be influenced, coached, threatened or intimidated by the Subjects.
- i. Unless there are compelling reasons not to do so, Subjects would be given the opportunity to respond to material findings contained in an investigation report. No allegation of wrongdoing against a Subject shall be considered as maintainable unless there is good evidence in support of the allegation.
- j. Subjects have a right to be informed of the outcome of the investigation.

- k. The investigation shall be completed normally within 45 days of the receipt of the Protected Disclosure.

## 8. Protection

- a. For the purpose of providing protection to the Whistle Blower(s), the Whistle Blower(s) should disclose his/her identity in the covering letter forwarding such Protected Disclosure.
- b. The identity of the Whistle Blower(s) shall be kept confidential unless otherwise required by law, and in which case the Whistle Blower(s) would be informed accordingly.
- c. No unfair treatment would be meted out to a Whistle Blower(s) by virtue of his/her having reported a Protected Disclosure under this Policy. The Company, as a Policy, condemns any kind of discrimination, harassment, victimisation or any other unfair employment practice being adopted against Whistle Blower(s). Complete protection would, therefore, be given to Whistle Blower(s) against any unfair practice like retaliation, threat or intimidation of termination/suspension of service, disciplinary action, transfer, demotion, refusal of promotion or the like including any direct or indirect use of authority to obstruct the Whistle Blower's right to continue to perform his duties/functions including making further Protected Disclosure. The Company would take steps to minimise difficulties, which the Whistle Blower(s) may experience as a result of making the Protected Disclosure.
- d. A Whistle Blower(s) may report any violation of the above Clause to the Audit Committee who shall investigate into the same and advise suitable action to the Management.
- e. Any other Employee assisting in the said investigation shall also be protected to the same extent as the Whistle Blower(s).

## 9. Disqualifications

- a. While it would be ensured that genuine Whistle Blower(s) are accorded complete protection from any kind of unfair treatment as herein set out, any abuse of this protection would warrant disciplinary action.
- b. Protection under this Policy would not mean protection from disciplinary action arising out of false or bogus allegations made by a Whistle Blower(s) knowing it to be false or bogus or with a mala fide intention.
- c. Whistle Blower(s), who make any Protected Disclosures, which have been subsequently found to be mala fide or malicious or Whistle Blower(s) who make 3 or more Protected Disclosures, which have been subsequently found to be frivolous, baseless or reported otherwise than in good faith, would be disqualified from reporting further Protected Disclosures under this Policy and may be subject to disciplinary action.

## 10. Investigators

- a. Investigators are required to conduct a process towards fact-finding and analysis. Investigators shall derive their authority and access rights from the Audit Committee when acting within the course and scope of their investigation.
- b. Technical and other resources may be drawn upon as necessary to augment the investigation. All Investigators shall be independent and unbiased both in fact and as perceived. Investigators have a duty of fairness, objectivity, thoroughness, ethical behavior and observance of legal and professional standards.
- c. Investigations would be launched only after a preliminary review by the Audit Committee, as the case may be, which establishes that:
  - i. the alleged act constitutes an improper or unethical activity or conduct; and
  - ii. the allegation is supported by information specific enough to be investigated or in cases where the allegation is not supported by specific information, it is felt that the concerned matter is worthy of Management review.

## 11. Decision

If an investigation leads the Audit Committee to conclude that an illegal or unethical behaviour, actual or suspected fraud or violation of the Company's Codes or Policies or any improper activity has taken place/has been committed, the Audit Committee shall advise to the Management of the Company to take such disciplinary or corrective action as the Audit Committee may deem fit.

## 12. Reporting

A report with number of complaints received under this Policy and their outcome shall be placed before the Audit Committee on a regular basis.

## 13. Retention of documents

All Protected Disclosures in writing or documented alongwith the results of investigation relating thereto shall be retained by the Company for a minimum period of seven year.

## 14. Amendment

The Company reserves its right to amend or modify this Policy in whole or in part, at any time without assigning any reason whatsoever. However, no such amendment or modification would be binding on the Employees/Directors unless the same is notified to the Employees/Director.

## INDEPENDENT AUDITOR'S REPORT

### To The Members Of Mahindra Industrial Park Chennai Limited Report on the Financial Statements

We have audited the accompanying financial statements of **Mahindra Industrial Park Chennai Limited** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, Accounting Standards prescribed under Section 133 of the Act, as applicable.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under Section 143 (11) of the Act.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the

auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and its loss and its cash flows for the year ended on that date.

### Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Accounting Standards prescribed under Section 133 of the Act, as applicable.
- e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

(g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company did not have any pending litigation which would impact its financial position;
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

## ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph (f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

### Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Mahindra Industrial Park Chennai Limited** (“the Company”) as of 31<sup>st</sup> March, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

### Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system

over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2016, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016

### Note Particulars

#### 1 Corporate information

The Company was incorporated on 22<sup>nd</sup> December, 2014 by Mahindra World City Developers Ltd (MWCDL) as a public limited company for carrying on the business of acquiring, development and maintenance of industrial parks for industrial, residential and commercial use. During the year, MWCDL entered into a Joint Venture Agreement (JVA) with Sumitomo Corporation, Japan and consequently, the operations of the Company will be managed by the joint venturers as per the terms agreed therein.

#### 2 Significant accounting policies

##### Basis of accounting and preparation of financial statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act"). The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

##### 2.1 Inventories

Inventories are valued at lower of cost and net realisable value. Cost represents cost of land and all expenditure incurred in connection with, or attributable to the project, and, being a long-term project, includes interest.

##### 2.2 Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

##### 2.3 Cash flow statement

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

##### 2.4 Borrowing costs

Borrowing costs include interest and amortisation of ancillary costs incurred. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction/development of the qualifying asset upto the date of capitalisation of such asset are added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

##### 2.5 Segment reporting

The Company has a single reportable segment namely, lease of land for properties to be constructed thereon.

##### 2.6 Earnings per share

Basic/Diluted earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year.

##### 2.7 Service tax input credit

Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is no uncertainty in availing/utilising the credits.

## ANNEXURE 3

### POLICY FOR REMUNERATION OF THE DIRECTORS

#### I. PURPOSE

This Policy sets out the approach to Compensation of Directors in Mahindra Integrated Township Limited.

#### II. POLICY STATEMENT

We have a well-defined Compensation policy for Directors including the Chairman of the Company. The overall compensation philosophy which guides us is that in order to achieve global leadership and dominance in domestic markets, we need to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in the business.

In order to effectively implement this, we have built our Compensation structure by a regular annual benchmarking over the years with relevant players across the industry we operate in.

#### III. NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS:

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both Fixed and variable, to the Non Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as Director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of Committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and such other factors as the NRC

may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

#### IV. EXECUTIVE DIRECTORS:

The remuneration to Executive Director(s) shall be recommended by NRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of their appointment, the variable compensation will be determined annually/half yearly by the NRC based on their performance.

The remuneration involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.

The Company may also grant Stock Options to the Directors (other than Independent Directors and Promoter) in accordance with the ESOP Scheme of the Company, if any, and subject to the compliance of the applicable statutes and regulations.

Chairperson  
DIN : 00243215

**ANNEXURE 4****POLICY ON REMUNERATION OF KEY MANAGERIAL PERSONNEL AND EMPLOYEES**

This Policy shall be effective from the financial year 2014 - 15.

**OBJECTIVE**

To establish guidelines for remunerating employees fairly and in keeping with Statutes.

**STANDARDS**

- All employees, irrespective of contract, are to be remunerated fairly and the remuneration is to be externally competitive and internally equitable. The remuneration will be paid in accordance with the laid down Statutes.
- Remuneration for on-roll employees will include a fixed or guaranteed component payable monthly; and a variable component which is based on performance and paid annually in the month of July following the fiscal.
- The fixed component of remuneration will have a flexible component with a bouquet of allowances to enable an employee to choose the allowances as well as the quantum based on laid down limits as per Company policy. The flexible component can be varied only once annually in the month of July i.e. after the salary increment exercise.
- The variable component of the remuneration will be a function of the employee's grade.
- The actual pay-out of variable component of the remuneration will be a function of individual performance as well as business performance. Business performance is evaluated using a Balanced Score Card (BSC) while individual performance is evaluated on Key Result Areas

(KRA). Both the BSC and KRAs are evaluated at the end of the fiscal to arrive at the BSC rating of the business and PPS rating of the individual.

- An annual compensation survey is carried out to ensure that the Company's compensation is externally competitive. Based on the findings of the survey and the business performance, the Sector Talent Council decides:
  - a. The increment that needs to be paid for different performance ratings as well as grades.
  - b. The increment for promotions and the total maximum increment.
  - c. The maximum increase in compensation cost in % and absolute.
- Compensation corrections are made in a few cases where it is outside the band or to keep it tune with the market.

For and on behalf of the Board,

Any actual or potential violation of the Code/Policies, howsoever insignificant or perceived as such, would be a matter of serious concern for the Company. The role of the Employees/Directors in pointing out such violations of the Code/Policies cannot be undermined.

Further, as per the provisions of sub-section 9 of Section 177 of Companies Act, 2013 (“the Act” or “Act”), the Company has been mandated to establish a vigil mechanism for Directors and employees of the Company to report to the Management, instances of unethical behaviour, actual or suspected, fraud or violation of the Company’s Code or Policies.

Accordingly, this Whistle Blower Policy (“the Policy” or “this Policy”) has been formulated with a view to provide a mechanism for Directors and Employees of the Company to approach the Audit Committee.

#### 3. DEFINITIONS

The definitions of the key terms used in this Policy are given below. [Terms not defined herein below shall have the meaning assigned to them under the Codes/Policies/ Act.]

- a. **“Audit Committee”** means the Audit Committee constituted by the Board of Directors of the Company in accordance with Section 177 of the Companies Act, 2013.
- b. **“Codes”** mean three separate Codes of Conduct viz. for Directors, for Independent Directors and for Senior Management and Employees.
- c. **“Director”** means a Director as defined under Section 2(34) of the Companies Act, 2013.
- d. **“Employee”** means every employee of the Company (whether working in India or abroad), including the Directors in the whole time employment of the Company.

e. **“Investigators”** means those persons authorised, appointed, consulted or approached by the Audit Committee and the Police.

f. **“Protected Disclosure”** means any communication made in good faith that discloses or demonstrates information that may evidence illegal or unethical behaviour, actual or suspected fraud or violation of the Company’s Codes or Policies or any improper activity.

g. **“Subject”** means a person against or in relation to whom a Protected Disclosure has been made or evidence gathered during the course of an investigation.

h. **“Whistle Blower”** means a Director or Employee making a Protected Disclosure under this Policy.

#### 4. SCOPE

- a. The Whistle Blower’s role is that of a reporting party with reliable information. They are not required or expected to act as investigators or finders of facts nor would they determine the appropriate corrective or remedial action that may be warranted in a given case.
- b. Whistle Blowers should not act on their own in conducting any investigative activities, nor do they have a right to participate in any investigative activities other than as requested by the Audit Committee or the Investigator.
- c. Protected Disclosure will be appropriately dealt with by the Audit Committee.

#### 5. ELIGIBILITY

All the Directors and Employees of the Company are eligible to make Protected Disclosures under the Policy. The Protected Disclosures may be in relation to matters concerning the Company.

#### 6. PROCEDURE

- a. All Protected Disclosures should be addressed to the Audit Committee.
- b. If a protected disclosure is received by any Executive(s) of the Company other than the Audit Committee member, the same should be forwarded to the Audit Committee for further appropriate action.
- c. Appropriate care must be taken to keep the identity of the Whistle Blower(s) confidential.
- d. Protected Disclosures should be reported in writing so as to ensure a clear understanding of the issues raised, be typed in English, Hindi or in the Regional Language of the place of employment of the Whistle Blower(s).

- e. The Protected Disclosure should be forwarded under a covering letter which shall bear the identity of the Whistle Blower(s). The Audit Committee shall detach the covering letter and forward only the Protected Disclosure to the Investigators for investigation.
- f. Protected Disclosures should be factual and not speculative or in the nature of a conclusion, and should contain as much specific information as possible to allow for proper assessment of the nature and extent of the concern.

## 7. INVESTIGATION

- a. All Protected Disclosures reported under this Policy would be thoroughly investigated by the Audit Committee who would investigate/oversee the investigations.
- b. The Audit Committee may at their discretion, consider involving any Investigators for the purpose of investigation.
- c. The decision to conduct an investigation taken by the Audit Committee is by itself not an accusation and is to be treated as a neutral fact-finding process. The outcome of the investigation may or may not support the conclusion of the Whistle Blower that an improper or unethical act was committed.
- d. The identity of a Subject and the Whistle Blower would be kept confidential to the extent possible given the legitimate needs of law and the investigation.
- e. Subjects would normally be informed of the allegations at the outset of a formal investigation and have opportunities for providing their inputs during the investigation.
- f. Subjects shall have a duty to co-operate with the Audit Committee or any of the Investigators during investigation to the extent that such co-operation will not compromise self-incrimination protections available under the applicable laws.
- g. Subjects have a right to consult with a person or persons of their choice, other than the Audit Committee.
- h. Subjects have a responsibility not to interfere with the investigation. Evidence shall not be withheld, destroyed or tampered with and witnesses shall not be influenced, coached, threatened or intimidated by the Subjects.
- i. Unless there are compelling reasons not to do so, Subjects would be given the opportunity to respond to material findings contained in an investigation report. No allegation of wrongdoing against a Subject shall be considered as maintainable unless there is good evidence in support of the allegation.
- j. Subjects have a right to be informed of the outcome of the investigation.

- k. The investigation shall be completed normally within 45 days of the receipt of the Protected Disclosure.

## 8. PROTECTION

- a. For the purpose of providing protection to the Whistle Blower(s), the Whistle Blower(s) should disclose his/her identity in the covering letter forwarding such Protected Disclosure.
- b. The identity of the Whistle Blower(s) shall be kept confidential unless otherwise required by law, and in which case the Whistle Blower(s) would be informed accordingly.
- c. No unfair treatment would be meted out to a Whistle Blower(s) by virtue of his/her having reported a Protected Disclosure under this Policy. The Company, as a Policy, condemns any kind of discrimination, harassment, victimisation or any other unfair employment practice being adopted against Whistle Blower(s). Complete protection would, therefore, be given to Whistle Blower(s) against any unfair practice like retaliation, threat or intimidation of termination/suspension of service, disciplinary action, transfer, demotion, refusal of promotion or the like including any direct or indirect use of authority to obstruct the Whistle Blower's right to continue to perform his duties/functions including making further Protected Disclosure. The Company would take steps to minimise difficulties, which the Whistle Blower(s) may experience as a result of making the Protected Disclosure.
- d. A Whistle Blower(s) may report any violation of the above Clause to the Audit Committee who shall investigate into the same and advise suitable action to the Management.
- e. Any other Employee assisting in the said investigation shall also be protected to the same extent as the Whistle Blower(s).

## 9. DISQUALIFICATIONS

- a. While it would be ensured that genuine Whistle Blower(s) are accorded complete protection from any kind of unfair treatment as herein set out, any abuse of this protection would warrant disciplinary action.
- b. Protection under this Policy would not mean protection from disciplinary action arising out of false or bogus allegations made by a Whistle Blower(s) knowing it to be false or bogus or with a mala fide intention.
- c. Whistle Blower(s), who make any Protected Disclosures, which have been subsequently found to be mala fide or malicious or Whistle Blower(s) who make 3 or more Protected Disclosures, which have been subsequently found to be frivolous, baseless or reported otherwise than in good faith, would be disqualified from reporting further Protected Disclosures under this Policy and may be subject to disciplinary action.

## 10. INVESTIGATORS

- a. Investigators are required to conduct a process towards fact-finding and analysis. Investigators shall derive their authority and access rights from the Audit Committee when acting within the course and scope of their investigation.
- b. Technical and other resources may be drawn upon as necessary to augment the investigation. All Investigators shall be independent and unbiased both in fact and as perceived. Investigators have a duty of fairness, objectivity, thoroughness, ethical behaviour and observance of legal and professional standards.
- c. Investigations would be launched only after a preliminary review by the Audit Committee, as the case may be, which establishes that:
  - i. the alleged act constitutes an improper or unethical activity or conduct; and
  - ii. the allegation is supported by information specific enough to be investigated or in cases where the allegation is not supported by specific information, it is felt that the concerned matter is worthy of Management review.

## 11. DECISION

If an investigation leads the Audit Committee to conclude that an illegal or unethical behaviour, actual or suspected fraud or violation of the Company's Codes or Policies or any improper activity has taken place/has been committed,

the Audit Committee shall advise to the Management of the Company to take such disciplinary or corrective action as the Audit Committee may deem fit.

## 12. REPORTING

A report with number of complaints received under this Policy and their outcome shall be placed before the Audit Committee on a regular basis.

## 13. RETENTION OF DOCUMENTS

All Protected Disclosures in writing or documented along with the results of investigation relating thereto shall be retained by the Company for a minimum period of seven years.

## 14. AMENDMENT

The Company reserves its right to amend or modify this Policy in whole or in part, at any time without assigning any reason whatsoever. However, no such amendment or modification would be binding on the Employees/Directors unless the same is notified to the Employees/Director.

## INDEPENDENT AUDITORS' REPORT

### TO THE MEMBERS OF MAHINDRA INTEGRATED TOWNSHIP LIMITED

#### Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **MAHINDRA INTEGRATED TOWNSHIP LIMITED** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

#### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act, as applicable.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under Section 143(11) of the Act.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial

statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and its profit and its cash flows for the year ended on that date.

#### Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards prescribed under Section 133 of the Act, as applicable.
  - e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2016, taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2016 from being appointed as a director in terms of Section 164(2) of the Act.
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    1. The Company did not have any pending litigation which would impact its financial position.
    2. The Company did not have material foreseeable losses on long-term contracts and the Company did not have any derivative contracts.
    3. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

## ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph (f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

### Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Mahindra Integrated Township Limited (“the Company”) as of 31<sup>st</sup> March, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit

opinion on the Company’s internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2016, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

**ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT****(Referred to in paragraph 2 under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)**

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The fixed assets were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
- The Company does not have any immovable properties of freehold or leasehold land and building and hence reporting under clause (i)(c) of the CARO 2016 is not applicable.
- (ii) In our opinion and according to the information and explanations given to us, having regard to the nature of inventory, the physical verification by way of verification of lease deeds, physical verification of materials, site visits by the Management and certification of extent of work completion by competent persons, are at reasonable intervals and no material discrepancies were noticed on physical verification.
- (iii) The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Companies Act, 2013.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- (v) According to the information and explanations given to us, the Company has not accepted any deposit during the year. There are no unclaimed deposits outstanding at any time during the year.
- (vi) The maintenance of cost records has been specified by the Central Government under Section 148(1) of the Companies Act, 2013. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) According to the information and explanations given to us, in respect of statutory dues:
- (a) The Company has been regular in depositing undisputed statutory dues, including Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, cess and other material statutory dues applicable to it to the appropriate authorities.
- (b) There were no undisputed amounts payable in respect of Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, cess and other material statutory dues in arrears as at 31<sup>st</sup> March, 2016 for a period of more than six months from the date they became payable.
- (c) There are no dues of Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty and Value Added Tax as on 31<sup>st</sup> March, 2016 on account of disputes.
- (viii) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings to banks and dues to debenture holders. The Company has not taken loans or borrowings from Financial Institutions and government.
- (ix) In our opinion and according to the information and explanations given to us, the term loans have been applied by the Company during the year for the purposes for which they were raised or as per purposes revised with appropriate approvals. The Company has not raised any money from public during the year.
- (x) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no fraud on the Company by its officers or employees has been noticed or reported during the year.
- (xi) In our opinion and according to the information and explanations given to us, the Company has not paid/provided any managerial remuneration.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the CARO 2016 Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us the Company is in compliance with Section 188 and 177 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.
- (xiv) During the year the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under clause (xiv) of CARO 2016 is not applicable to the Company.
- (xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with him and hence provisions of section 192 of the Companies Act, 2013 are not applicable.
- (xvi) The Company is not required to be registered under Section 45-I of the Reserve Bank of India Act, 1934.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR YEAR ENDED 31<sup>ST</sup> MARCH, 2016

### 1. Corporate Information

The Company was incorporated on 26<sup>th</sup> June, 1996.

The Company is a Co-developer, approved under Special Economic Zone Act, 2005, engaged in development of township including residential infrastructure in Mahindra World City SEZ and giving it on perpetual lease. Accordingly the Company is entitled to 100% deduction of its income under the Income Tax Act, 1961 up to Assessment year 2019-20. The level of activity carried out by the Company depends on the number of projects handled and accordingly the revenue from operations may not be comparable on a year-to-year basis.

### 2. Significant Accounting Policies

#### a) Basis of accounting

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act"). The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

#### b) Use of Estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known/materialize.

#### c) Inventories

Inventories are valued at lower of cost and net realizable value.

The cost of construction materials is determined on the basis of the weighted average method.

Construction work in progress includes cost of land, construction costs and allocated interest and expenses attributable to the projects undertaken by the company.

#### d) Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

#### e) Cash flow statement

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

#### f) Revenue Recognition

Income from development of residential infrastructure is accounted on the percentage of completion method which necessarily involves technical estimates of the percentage of completion of each contract, and costs to completion of the contract, on the basis of which profits/losses are accounted. Such estimates, made by the management and certified to the auditors, have been relied upon by them, as these are of a technical nature.

The Company has adopted "The Guidance note for Accounting of Real Estate Transactions(Revised 2012)" applicable to all projects in

real estate which have commenced on or after 1<sup>st</sup> April, 2012 and relating to projects where revenue is being recognized for the first time on or after 1<sup>st</sup> April, 2012.

Accordingly revenues are recognized only when all the following conditions are met:

- All critical approvals necessary for commencement of the project have been obtained.
- Expenditure incurred on construction & development cost is not less than 25% of the estimated construction and development costs excluding land cost.
- Atleast 25% of the saleable project area is secured by contracts or agreements with buyers.
- Atleast 10% of the total revenue as per the agreements of lease are realized at the reporting date in respect of each of the contracts and it is reasonable to expect that the parties to such contracts will comply with the payment terms as defined in the contracts.

#### g) Other income

Interest & Guarantee Commission income are accounted on accrual basis.

Dividend income is accounted for when the right to receive it is established.

#### h) Fixed assets

Fixed assets are stated at cost less accumulated depreciation. Cost of acquisition is inclusive of purchase price, levies and any directly attributable cost of bringing the assets to its working condition for the intended use.

#### i) Depreciation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013; lease hold improvements are depreciated over the period of lease.

#### j) Investments

Long term investments are carried at cost. Diminution in the value of investments, other than temporary, is provided for.

#### k) Foreign currency transactions and translations

Foreign exchange transactions are recorded at exchange rates prevailing on the date of the transactions. The exchange gain/loss arising on settlement of such transactions is adjusted to the profit and loss account.

Monetary assets and liabilities denominated in foreign currency are translated at exchange rates prevailing at the Balance sheet date and gain or loss arising out of such translation is adjusted to the Statement of Profit and Loss.

#### l) Borrowing costs

Borrowing costs include interest, amortization of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction/development of the qualifying asset up to the date of capitalisation of such assets are added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

**NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR YEAR ENDED 31<sup>ST</sup> MARCH, 2016**

**m) Earnings per share**

Basic earnings per share is computed by dividing the profit/(loss) after tax (including the post-tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit/(loss) after tax (including the post-tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits/reverse share splits and bonus shares, as appropriate.

**n) Taxes on income**

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and provisions of the Income Tax Act, 1961 and other applicable tax laws.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognized as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses and items relating to capital losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

**o) Provisions and contingencies**

A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes.

**p) Service tax Input credit**

Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is reasonable certainty in availing/utilising the credit.

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF MAHINDRA WORLD CITY (MAHARASHTRA) LIMITED

#### Report on the Financial Statements

1. We have audited the accompanying financial statements of **Mahindra World City (Maharashtra) Limited** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making

those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and its profit and cash flows for the year ended on that date.

#### Report on other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in term of Sub-section (11) of Section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure "A" a statement on the matters specified in the paragraphs 3 and 4 of the Order.
10. As required by Section 143(3) of the Act, we report that:
  - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
  - c) the Balance Sheet, the Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
  - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);
  - e) On the basis of written representations received from the directors as on 31<sup>st</sup> March, 2016, taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2016, from being appointed as a director in terms of Section 164(2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure "B".
- g) With respect to the other matters included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended) in our opinion and to the best of our information and according to the explanations given to us:

## ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF MAHINDRA WORLD CITY (MAHARASHTRA) LIMITED

### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Mahindra World City (Maharashtra) Limited (“the Company”) as of 31<sup>st</sup> March, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016

### 1. Corporate information

The Company was incorporated in 2005 for development of Multi Product SEZ at Karla, Maharashtra as a Joint Venture with Maharashtra Industrial Development Corporation (MIDC). Owing to the issues faced in land acquisition in that region, MIDC has stated in their letter of 7<sup>th</sup> January, 2011 that the project would not be pursued at Karla but it would work with the Company to examine the possibility of a Joint Venture project elsewhere. Accordingly, the project inventory representing cost on preliminary studies, surveys and interest have been charged off resulting in the accumulated losses eroding its networth in 31<sup>st</sup> March, 2014. The company is exploring alternate locations for the project. Since the Holding Company is committed to extending financial support to the Company for its future projects the accounts have been prepared on a "Going Concern" basis.

### 2. Significant Accounting Policies

a. The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with paragraph 7 of the Companies (Accounts) Rules, 2014 (as amended) and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

#### b. Fixed Assets

Fixed Assets are stated at cost less accumulated depreciation. Cost of acquisition is inclusive of purchase price, levies and any directly attributable costs of bringing the assets to its working condition for the intended use.

#### c. Depreciation

Depreciation on tangible fixed assets has been provided on pro rata basis, on the Straight Line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 or estimated useful life, whichever is lower.

#### d. Inventories

Inventories are valued at cost which represents expenses attributable to lands to be acquired.

#### e. Taxes on Income

Current tax is determined as the amount of tax payable in respect of taxable income for the year. Deferred tax is recognized, subject to consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets in respect of unabsorbed depreciation and carried forward losses are recognized if there is virtual certainty that there will be sufficient future taxable income available to realize such losses. Other deferred tax assets are recognized if there is reasonable certainty that there will be sufficient future taxable income available to realize such assets.

#### f. Provisions and contingencies

A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent Liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF RAIGAD INDUSTRIAL AND BUSINESS PARK LIMITED

#### Report on the Financial Statements

1. We have audited the accompanying financial statements of **Raigad Industrial and Business Park Limited** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial

statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and its profit and cash flows for the year ended on that date.

#### Report on other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in term of sub-section (11) of section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure "A" a statement on the matters specified in the paragraphs 3 and 4 of the Order.
10. As required by section 143(3) of the Act, we report that:
  - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
  - c) the Balance Sheet, the Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
  - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);
  - e) On the basis of written representations received from the directors as on 31<sup>st</sup> March, 2016, taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2016, from being appointed as a director in terms of Section 164(2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure "B".
- g) With respect to the other matters included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended) in our opinion and to the best of our information and according to the explanations given to us:

## ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF RAIGAD INDUSTRIAL AND BUSINESS PARK LIMITED

### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Raigad Industrial and Business Park Limited (“the Company”) as of 31<sup>st</sup> March, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence I/we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTES FORMING PART OF ACCOUNTS FOR THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016**

**1. Corporate Information**

The Company was incorporated on 18<sup>th</sup> June, 2009 and is engaged in the business of development of Industrial Parks in Maharashtra and is in the process of identifying the lands for acquisition. Since the Holding Company is committed to extending financial support to the Company for its future projects the accounts have been prepared on a "Going Concern" basis.

**2. Significant Accounting Policies**

**a. Basis of Accounting**

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2014 (as amended) and the relevant provisions of the Companies Act, 2013 ("the 2013 act") as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

**b. Taxes on Income**

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

**c. Provisions and contingencies**

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognised but are disclosed in notes Contingent Assets are neither recognised nor disclosed in the financial statements.

Board of Directors and Shareholders  
Bristlecone Limited

We have audited the accompanying special purpose parent-only financial statements of Bristlecone Limited (the 'Company', a Cayman Island corporation and subsidiary of Mahindra & Mahindra Limited), which comprise the Statements of assets and liabilities as of March 31, 2016 and 2015, and the related Statements of revenues and expenses, cash flows and Statements of changes in stockholders' equity for each of the two years in the period ended March 31, 2016, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these special purpose parent-only financial statements in accordance with note A (3.1); this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these special purpose parent-only financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as

evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the special purpose parent-only financial statements referred to above present fairly, in all material respects, the assets and liabilities of the Company as of March 31, 2016 and 2015, and the revenues, expenses and cash flows for each of the two years in the period ended March 31, 2016, on the basis of accounting described in Note A (3).

### Basis of accounting

As discussed in Note A (3.1), the accompanying special purpose parent-only financial statements have been prepared for the purpose of consolidation with the financial statements of Mahindra & Mahindra Limited, the Holding Company on the basis of accounting described in Note A (3), and are not intended to be a presentation in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

### Restriction on use

This report is intended solely for the information and use of the Board of Directors and management of Bristlecone Limited and Mahindra & Mahindra Limited for the purpose of meeting the requirements of consolidation of the attached special purpose parent-only financial statements with the financial statements of Mahindra & Mahindra Limited, the Holding Company and is not intended to be and should not be used by anyone other than these specified parties or for any other purpose.

Yours faithfully,

**Grant Thornton India LLP**

## NOTES TO SPECIAL PURPOSE PARENT-ONLY FINANCIAL STATEMENTS

### NOTE A – BACKGROUND INFORMATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### 1. NATURE OF OPERATIONS

Bristlecone Limited (the "Company") is the Holding Company for the Bristlecone Group, which comprises of the Company and its wholly owned subsidiaries, Bristlecone India Limited, Bristlecone Inc., Bristlecone UK Ltd, Bristlecone GmbH, Bristlecone (Singapore) Pte. Limited, Bristlecone (Malaysia) SDN BHD, Bristlecone Consulting Ltd (Canada) and Bristlecone International AG (Switzerland). The Group is engaged in providing technology solutions and consulting services with principal operations in the United States of America, India, Singapore, Malaysia, Germany and Switzerland. The Group's primary focus is on providing supply chain services ranging from supply chain strategy and network design to supply chain system implementations. The Group also provides application outsourcing services, data management services and development and integration services to independent software vendors.

#### 2. GENERAL INFORMATION

The Company was incorporated under the laws of 'The Cayman Islands' on February 3, 2004. The Company commenced commercial operations on May 17, 2004 and is a subsidiary of Mahindra & Mahindra Limited ("Holding Company"), an Indian Company, which is also the Group's ultimate Holding Company.

In 2004, pursuant to a Contribution Agreement, the Company acquired the business of Mahindra Consulting Limited, Mahindra Consulting Inc., Mahindra Intertrade (UK) Limited, (all subsidiaries of Mahindra & Mahindra Limited), and Bristlecone Inc. The consideration was settled through the issue of Common Stock and Preferred Stock to Mahindra & Mahindra Limited and the issue of Common Stock, Preferred Stock and cash payments to the erstwhile shareholders of Bristlecone Inc.

The Company does not have active commercial operations. It engages in financing and treasury functions for the Group as a whole.

#### 3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies applied in the preparation of the accompanying special purpose financial statements is as follows:

##### 3.1. OVERALL CONSIDERATIONS

The accompanying financial statements have been prepared under the historical cost convention on the accrual basis of accounting in accordance with the accounting policies described in these notes to reflect the financial position, revenues and expenses and cash flows of the Company.

These special purpose financial statements have been prepared for the purpose of consolidation with the financial statements of Mahindra & Mahindra Limited, the Holding Company and are not intended to be a presentation in conformity with accounting principles generally accepted in the United States of America.

These special purpose financial statements have been prepared on a going concern basis, which assumes the realization of assets and satisfaction of liabilities in the normal course of business. These financial statements have been presented in the United States Dollars ("\$"), which is the functional and reporting currency of the Company.

##### 3.2. USE OF ESTIMATES

In preparing the Company's financial statements in conformity with the accounting policies stated herein, the Company's management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements as well as the reported amounts of other income and expenses during the reporting period. Although these estimates are based on management's best knowledge of current events and actions, actual results may ultimately differ from those estimates. The management's estimates for expected forfeitures of employee stock options and realization of carrying value of investments represent certain of these particularly sensitive estimates.

##### 3.3. CASH AND CASH EQUIVALENTS

The Company considers all highly liquid investments and deposits with an original maturity of three months or less to be cash equivalents. Cash equivalents are readily convertible into known amounts of cash and are subject to an insignificant risk of changes in value. Cash comprises cash on hand and balance with banks.

##### 3.4. INVESTMENTS

Investments in subsidiaries are carried at cost. Cost is determined based on the cash paid and other liabilities assumed by the Company. Consideration that has been settled by issue of the Company's shares is also considered in arriving at the cost of investments. Provision for impairment is made, whenever the estimated fair value of investments is expected to be lower than the carrying value of investments.

##### 3.5. INTEREST EXPENSE

Interest expense on inter corporate deposits availed from the Holding Company is recorded on accrual basis.

##### 3.6. STOCK COMPENSATION

The Company accounts for equity-settled options granted to employees in accordance with ASC 718, "Stock Compensation". ASC 718 addresses the accounting for stock payment transactions in which an enterprise receives employee services in exchange for equity instruments of the enterprise or liabilities that are based on the fair value of the enterprise's equity instruments or that may be settled by the issuance of such equity instruments.

In accordance with the provisions of ASC 718, stock compensation for the awards is recognized on a straight line basis over the requisite service period, which is generally the vesting period of the award. ASC 718 requires the use of a valuation model to calculate the fair value of stock awards. The Company elected to use the Black-Scholes-Merton pricing model to determine the fair value of stock awards on the date of grant.

### NOTE B – CASH AND CASH EQUIVALENTS

Cash and cash equivalents comprise of:

#### NOTE G – STOCK COMPENSATION

Bristlecone Limited has four Stock Option Plans:

- Bristlecone Limited 2004 Stock Option Plan (arising out of conversion of the earlier Bristlecone Inc. Existing Stock Option Plan) and Bristlecone Limited 2008 Stock Option Plan:

Pursuant to the terms of the acquisition of Bristlecone Inc. on May 17, 2004 by Bristlecone Limited (the "transaction"), the then existing outstanding options of Bristlecone Inc., aggregating to a total of 2,058,493 options were cancelled and fresh options were issued by Bristlecone Limited under 2004 stock option plan based on the exchange criteria set out in the transaction documents.

Options granted under these plans include incentive stock options and non-statutory stock options. As per these plans, 25 per cent of the Shares subject to the Option, vest on the one (1) year anniversary of the vesting commencement date, and 1/48 of the options vest each month thereafter on the same day of the month as the vesting commencement date, subject to the grantee continuing to be an employee through each such date. The term of each Option is stated in the Option Agreement; provided, however, that the term shall be no more than 10 years from the date of grant thereof. The exercise price of each option, (a) granted to an employee who at the time of grant of such option, owns stock representing more than 10 per cent of the voting power of all classes of stock of the Company or any Parent or Subsidiary, shall be no less than 110 per cent of the Fair Market Value per Share as determined by the Board on the date of grant (b) granted to any other employee, shall be no less than 100 per cent of the Fair Market Value per Share determined by the Board on the date of grant, unless otherwise ratified by the Board.

- Bristlecone Limited Amended and Restated 2004 Stock Option Plan and Bristlecone Limited 2005 Stock Option Plan for Bristlecone India employees:

Options granted under these plans include incentive stock options and non-statutory stock options. As per these plans, 25 cent of the Shares subject to the Option, vest on the completion of 12 calendar months from the vesting commencement date, and no vesting shall occur prior to the completion of such period of 12 months. Subsequently, 6.25 per cent of the options vest on the completion of each 3 month period thereafter until full vesting is completed, subject to the grantee continuing to be an employee through each such date. The term of each Option is stated in the Option Agreement; provided, however, that the term shall be no more than 10 years from the date of grant thereof. The exercise price of each option, (a) granted to an employee who at the time of grant of such option, owns stock representing more than 10 per cent of the voting power of all classes of stock of the Company or any Parent or Subsidiary, shall be no less than 110 per cent of the Fair Market Value per Share as determined by the Board on the date of grant (b) granted to any other employee, shall be no less than 100 per cent of the Fair Market Value per Share determined by the Board on the date of grant.

Stock compensation expense has been determined based on the fair values of the options estimated on the date of grant using the Black-Scholes model with the following assumptions:

	Year ended March 31, 2016	Year ended March 31, 2015
Dividend yield	0 percent	0 percent
Expected life	6.25 years	7.31 years
Risk free interest rate	1.78 percent	2.34 percent
Volatility	45.00 percent	35.00 percent

The Black-Scholes option-pricing model was developed for estimating fair value of traded options that have no vesting restrictions and are fully transferable. Since options pricing models require use of subjective assumptions, changes therein can materially affect fair value of the options. The options pricing models do not necessarily provide a reliable measure of fair value of the options.

Additional disclosures pertaining to compensation expenses, net of costs allocated to Group entities:

The Company has recognized stock compensation expense of US\$ 17,705 (INR 1,174,728) [2015: US\$ 16,091 (INR 1,067,638)] for the year ended March 31, 2016. The Company received an amount of US\$ 26,614 (INR 1,765,837) [2015: US\$ 42,387 (INR 2,812,377)] for exercise of stock options in the current year.

Unrecognized compensation expense associated under the fair value method for shares expected to vest (unvested options net of expected forfeitures) as of March 31, 2016 was approximately US\$ 565,194 (INR 37,500,622) [2015: US\$ 68,228 (INR 4,526,928)] and is expected to be recognized over a weighted average period of 2.78 years.

The aggregate fair value of all options granted during the year is US\$ 185,753 (INR 12,324,712) and weighted average grant date fair value of options vested during the year is US\$ 0.59 (INR 39).

## ANNEXURE II TO THE DIRECTORS' REPORT

### POLICY ON APPOINTMENT OF DIRECTORS AND SENIOR MANAGEMENT AND SUCCESSION PLANNING FOR ORDERLY SUCCESSION TO THE BOARD AND THE SENIOR MANAGEMENT

#### DEFINITIONS

The definitions of some of the key terms used in this Policy are given below.

“Board” means Board of Directors of the Company.

“Company” means Bristlecone India Ltd.

“Committee(s)” means Committees of the Board for the time being in force.

“Employee” means employee of the Company whether employed in India or outside India including employees in the Senior Management Team of the Company.

“HR” means the Human Resource department of the Company.

“Key Managerial Personnel” (KMP) refers to key managerial personnel as defined under the Companies Act, 2013 and includes:

- (i) Managing Director (MD), or Chief Executive Officer (CEO); or Manager; or Whole time Director (WTD)
- (ii) Chief Financial Officer (CFO); and
- (iii) Company Secretary (CS).

“Nomination and Remuneration Committee” (NRC) means Nomination and Remuneration Committee of Board of Directors of the Company for the time being in force.

“Senior Management” means personnel of the Company who are members of its Core Management Team excluding Board of Directors comprising of all members of management one level below the executive Directors including the functional heads.

#### I. APPOINTMENT OF DIRECTORS

- The NRC reviews and assesses Board composition and recommends the appointment of new Directors. In evaluating the suitability of individual Board member, the NRC shall take into account the following criteria regarding qualifications, positive attributes and independence of Director:
  1. All Board appointments will be based on merit, in the context of the skills, experience, independence and knowledge, for the Board as a whole to be effective.
  2. Ability of the candidates to devote sufficient time and attention to his professional obligations as Independent Director for informed and balanced decision making.
  3. Adherence to the Code of Conduct and highest level of Corporate Governance in letter and in spirit by the Independent Directors

- Based on recommendation of the NRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board through the Chairman or the Managing Director or any other Director will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new Director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act, 2013 and Rules made thereunder.

#### REMOVAL OF DIRECTORS

If a Director is attracted with any disqualification as mentioned in any of the applicable Act, rules and regulations thereunder or due to non - adherence to the applicable policies of the Company, the NRC may recommend to the Board with reasons recorded in writing, removal of a Director subject to the compliance of the applicable statutory provisions.

#### SENIOR MANAGEMENT PERSONNEL

The NRC shall identify persons who are qualified to become Directors and who may be appointed in senior management team in accordance with the criteria as enumerated above.

Senior Management personnel are appointed or promoted and removed/relieved with the authority of Chairman or Managing Director based on the business need and the suitability of the candidate. The details of the appointment made and the personnel removed one level below the Key Managerial Personnel during a quarter shall be presented to the Board.

#### II. SUCCESSION PLANNING:

##### Purpose

The Talent Management Policy sets out the approach to the development and management of talent in the Mahindra Group to ensure the implementation of the strategic business plans of the Group and the Group Aspiration of being among the Top 50 globally most-admired brands by 2021.

##### Board

The successors for the Independent Directors shall be identified by the NRC atleast one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor will be appointed at the earliest but not later than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

The successors for the Executive Director(s) shall be identified by the NRC from among the Senior Management or through external source as the Board may deem fit.

The NRC will accord due consideration for the expertise and other criteria required for the successor.

The Board may also decide not to fill the vacancy caused at its discretion.

### **Senior Management Personnel:**

A good succession-planning program aims to identify high growth individuals, train them and feed the pipelines with new talent. It will ensure replacements for key job incumbents in KMPs and senior management positions in the organization.

Significantly, we have a process of identifying Hi-pots and critical positions. Successors are mapped for these positions at the following levels:

1. Emergency successor
2. Ready now
3. Ready in 1 to 2 years
4. Ready in 2 to 5 years
5. Ready in more than 5 years

in order to ensure talent readiness as per a ladder approach.

The talent pipeline is maintained and developed so as to ensure that there is a seamless flow of talent. An important part of this exercise is drawing up and implementing IDAPs (Individual Development Action Plans) for every Executive concerned using the 3E approach mentioned above.

### **POLICY FOR REMUNERATION OF THE DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES**

#### **Purpose**

This Policy sets out the approach to Compensation of Directors, Key Managerial Personnel and other employees in Bristlecone India Limited (Bristlecone).

#### **Policy Statement**

We have a well-defined Compensation policy for Directors, Key Managerial Personnel and all other employees. The overall compensation philosophy which guides us is that in order to achieve global leadership and dominance in domestic markets, we need to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in the business.

In order to effectively implement this, we have built our Compensation structure by a regular benchmarking over the years with relevant players across the industry we operate in.

#### **Non-Executive Including Independent Directors**

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both Fixed and variable, to the Non-Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as Director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and such other

factors as the NRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

#### **Executive Directors**

The remuneration to Executive Director(s) shall be recommended by NRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of their appointment, the variable compensation will be determined annually by the NRC based on their performance.

#### **Key Managerial Personnel (KMPs)**

The terms of remuneration of Chief Executive Officer (CEO), Chief Financial Officer (CFO) and Company Secretary shall be determined by the Board and revised either by any Director or such other person as may be authorised by the Board from time to time. The remuneration shall be consistent with the competitive position of the salary for similar positions in the industry and their Qualifications, Experience, Roles and Responsibilities. Pursuant to the provisions of section 203 of the Companies Act 2013 the Board shall approve the remuneration at the time of their appointment.

The remuneration to Directors, KMPs and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.

#### **Employees**

We follow a differential approach in choosing the comparator basket for benchmarking, depending upon the level in the organization:

- a. For Leadership Team, we have a position-based approach and the comparator basket includes benchmarks from across relevant industries.
- b. For all other employees we benchmark with a set of comparators from the same industry.

We have a CTC (Cost to Company) concept which includes a fixed component (Guaranteed Pay) and a variable component (Performance pay). The percentage of the variable component increases with increasing hierarchy levels, as we believe employees at higher positions have a far greater impact and influence on the overall business result. The CTC is reviewed once every year and the compensation strategy for positioning of individuals takes into consideration the following elements:

- Performance
- Potential
- Criticality

Remuneration for the new employees other than KMPs and Senior Management Personnel will be decided by the HR, in consultation with the concerned business unit head at the time of hiring, depending upon the relevant job experience, last compensation and the skill-set of the selected candidate.

The Company may also grant Stock Options to the Employees in accordance with the ESOP Scheme of the Holding Company, Bristlecone Limited and subject to the compliance of the applicable statutes and regulations.

We, at all times, act in compliance with all the applicable statutory requirements regarding compensation and benefits.

## INDEPENDENT AUDITORS' REPORT

### To the members of Bristlecone India Limited

#### Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **BRISTLECONE INDIA LIMITED** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

#### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, as applicable.

This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of the appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under section 143 (11) of the Act.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether

due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and its profit and its cash flows for the year ended on that date.

#### Report on Other Legal and Regulatory Requirements

1. As required under provisions of section 143(3) of the Act, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b. In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
  - c. The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - d. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, as applicable.
  - e. On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2016, from being appointed as a director in terms of section 164(2) of the Act.
  - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our

opinion and to the best of our information and according to the explanations given to us:

- (i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 2.24 to the financial statements.
- (ii) The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
- (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

- 2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

## **ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT**

**(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)**

### **Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Bristlecone India Limited (“the Company”) as of 31<sup>st</sup> March, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor’s Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls Over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## ANNEXURE “B” TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in paragraph 2 under the heading of ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a program of verification of fixed assets to cover all the items in a phased manner over a period of two years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. In accordance with the said program, no physical verification was planned / conducted in the current year and accordingly, the question of discrepancies on physical verification does not arise.
- (c) In respect of immovable properties of land and buildings that have been taken on lease and disclosed as fixed asset in the financial statements, the lease agreements are in the name of the Company, where the Company is the lessee in the agreement.
- (ii) The Company does not have any inventory and hence reporting under clause (ii) of the CARO 2016 is not applicable.
- (iii) The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Companies Act, 2013. Therefore the requirement of clause (iii)(a) and (iii)(b) of paragraph 3 of the Order are not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Companies Act, 2013 in respect of making investments. The Company has, however, not granted any loans and provided any guarantees during the year.
- (v) According to the information and explanations given to us, the Company has not accepted any deposit during the year and hence reporting under clause (v) of the CARO 2016 is not applicable.
- (vi) Having regard to the nature of the Company’s business / activities, reporting under clause (vi) of the CARO 2016 is not applicable.
- (vii) According to the information and explanations given to us, in respect of statutory dues:
- (a) The Company has been regular in depositing undisputed statutory dues, including Provident Fund, Income-tax, Sales Tax, Service Tax, Custom Duty, Value Added Tax, cess and other material statutory dues applicable to it to the appropriate authorities.

According to the information and explanations given to us, during the year the Company was not required to deposit any amounts with respect to the Employees’ State Insurance, Excise duty and Wealth tax.

- (b) There were no undisputed amounts payable in respect of Provident Fund, Employees’ State Insurance, Income-tax, Sales Tax, Service Tax, Custom Duty, Excise Duty, Value Added Tax, cess and other material statutory dues in arrears as at 31<sup>st</sup> March, 2016 for a period of more than six months from the date they became payable.

- (c) Details of dues of Income tax, Sales Tax, Service Tax, Custom Duty, Excise Duty, and Value Added Tax which have not been deposited as on 31<sup>st</sup> March, 2016 on account of disputes, are given below:

Name of Statute	Nature of Dues	Forum where Dispute is pending	Period to which the amount relates	Amount involved (Rs. in lakhs)	Amount unpaid (Rs. in lakhs)
Income Tax Act, 1961	Income Tax	Commissioner of Income Tax (Appeals), Mumbai	A.Y. 2011-12	29.55	29.55
Income Tax Act, 1961	Income Tax	Income Tax Appellate Tribunal, Mumbai	A.Y. 2010-11	54.08	54.08

- (viii) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings to the financial institutions and banks. The Company has not taken any borrowings from the government and has not issued any debentures.
- (ix) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under clause (ix) of the CARO 2016 Order is not applicable.
- (x) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no fraud on the Company by its officers or employees has been noticed or reporting during the year.
- (xi) According to the information and explanations given to us, the Company has not paid/provided for any managerial remuneration and hence reporting under clause (xi) of the CARO 2016 Order is not applicable.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the CARO 2016 Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us the Company is in compliance with Section 188 and 177 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of the related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.
- (xiv) During the year the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under clause (xiv) of CARO 2016 is not applicable to the Company.
- (xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with him and hence provisions of section 192 of the Companies Act, 2013 are not applicable.
- (xvi) The Company is not required to be registered under section 45-I of the Reserve Bank of India Act, 1934.

## SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE FINANCIAL STATEMENTS AS AT 31<sup>ST</sup> MARCH, 2016 AND FOR THE YEAR ENDED ON THAT DATE

### 1. Significant accounting policies:

#### Basis for preparation of accounts:

The financial statements have been prepared under the historical cost convention on an accrual basis and are in accordance with the requirements of the Companies Act, 2013, and comply with the Accounting Standards (AS) specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014, as applicable.

#### Use of estimates:

The preparation of financial statements in conformity with the generally accepted accounting principles require the management to make estimates and assumptions to be considered in the reported amounts of assets and liabilities (including contingent liabilities) on the date of the financial statements and the reported amounts of revenues and expenses during the year. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Further results could differ due to these estimates and differences between the actual results and the estimates are recognised in the period in which the results are known/materialise.

#### Revenue recognition:

Revenue from software services performed on 'time and material' basis is recognised as and when services are performed.

Revenues from fixed price contracts are recognized over the life of the contract using the proportionate completion method, with man hours input determining the degree of completion. The estimation of man hours required to complete the project requires significant judgment. When adjustments in estimated project man hours are identified, anticipated losses, if any, are recognized in the period in which they are determined.

Revenue from sale of products - Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Sales excludes sales tax and value added tax.

#### Fixed assets

All fixed assets are stated at cost less depreciation. Costs comprise purchase price and any attributable costs of bringing the asset to its working condition for its intended use.

#### Depreciation on fixed assets:

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

	Previous Useful life	Revised useful life w.e.f 1 <sup>st</sup> April 2014
<b>A Owned assets</b>		
Leasehold improvement*	5 years	5 years
Furniture and fittings	15 years	10 years
Office equipment	20 years	5 years
Office equipment – mobile handset*	3 years	3 years
<b>Computer and equipment</b>		
IT equipment – server	6 years	6 years
IT equipment – non server	6 years	3 years
Vehicles	10 years	8 years
<b>B Assets under finance lease</b>		
<b>Computer and equipment</b>		
IT equipment – non server	6 years	3 years
Furniture and fittings*	5 years	5 years
Office equipment*	5 years	5 years

\* For these class of assets, based on internal assessment the management believes that the useful lives as given above best represent the period over which management expects to use these assets. Hence the useful life for these assets is different from the useful lives as prescribed under Part C of Scheduled II of the companies Act 2013.

Intangible assets are amortised on a straight line basis over their useful life of 5 years, which reflects the pattern in which the asset's economic benefits are consumed. The estimated useful life of the intangible assets and the amortisation period are reviewed at the end of each financial year and the amortisation period is revised to reflect the change in pattern if any.

#### Investments:

Investments are valued at cost. Provision for diminution in the value is made to recognise a decline, other than temporary, in the value of the investments.

#### Borrowing costs:

Borrowing costs that are attributable to acquisition or construction of the qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use or sale. All other borrowing costs are charged to revenue.

#### Employee benefits:

1. Short term employee benefits are recognised as an expense at the undiscounted amount in the statement of Profit and Loss for the year in which the related service is rendered.

2. Long term benefits:

a. Defined contribution plan

i. Provident and family pension fund

The eligible employees of the Company are entitled to receive post employment benefits in respect of provident and family pension fund, in which both employees and the Company make monthly contribution at a specified percentage of the employees' eligible salary (currently 12% of employees' eligible salary). The contributions are made to Regional Provident Fund Commissioner. Provident fund and family pension fund are classified as defined contribution plans as the Company has no further obligations beyond making the contribution.

ii. Superannuation

The eligible employees of the Company are entitled to receive post employment benefits in respect of superannuation fund in which the Company makes yearly contribution at a specified percentage of the employees' eligible salary (currently 13% of employees' eligible salary). The contributions are made to the Life Insurance Corporation of India. Superannuation is classified as defined contribution plan as the Company has no further obligations beyond making the contribution.

The Company's contributions to defined contribution plans are charged to the Statement of Profit and Loss as incurred.

b. Defined benefit plan – Gratuity

The Company has obligation towards gratuity, a defined benefit retirement plan, covering eligible employees. The plan provides a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 days salary payable for each completed year of service or part thereof in excess of six months. Vesting occurs upon completion of five years of service. The Company accounts for gratuity benefits payable in future based on an independent actuarial valuation carried out as at the year end. Actuarial gain or loss is recognised in the statement of Profit and Loss.

c. Other long term benefits - Compensated absences

The Company provides for the encashment of leave or leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment/availment. The liability is provided based on the number of days of unutilised leave at each Balance Sheet date on the basis of an independent actuarial valuation carried out as at the year end. Actuarial gain or loss is recognised in the statement of Profit and Loss.

#### Foreign currency transactions:

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary items denominated in foreign currencies are revalued at the exchange rate prevailing as at the year end. The exchange differences arising out of settlement or on conversion at the closing rate are recognised in the Statement of Profit and Loss.

#### Income taxes:

Tax expense comprises of current tax and deferred tax. Current tax is measured at the amount expected to be paid to the tax authorities using the applicable tax rate. Deferred tax is recognised for timing differences between taxable income and accounting income that are capable of reversal in one or more subsequent years and are measured

## SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE FINANCIAL STATEMENTS AS AT 31<sup>ST</sup> MARCH, 2016 AND FOR THE YEAR ENDED ON THAT DATE (contd.)

using enacted/substantially enacted tax rate. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. In situations where the Company has unabsorbed depreciation or carry forward tax losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

### Minimum alternative tax credit:

Minimum alternative tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal tax during the specified period as per the Income-tax Act, 1961. In the year, in which MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in the guidance note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the Statement of Profit and Loss and shown as MAT credit entitlement. MAT credit is reviewed at each balance sheet date and the carrying amount of MAT credit is written down to the extent there is no longer convincing evidence to the effect that the Company will pay normal income tax during such specified period i.e. presently ten succeeding years from the year in which MAT credit becomes allowable.

### Impairment of assets:

At each Balance Sheet date, the Company assesses whether there is any indication of impairment based on internal / external factors. If any of such indication exists impairment loss is provided to the extent the carrying amount of assets exceed their recoverable amount. Recoverable amount is the higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. Net selling price is the amount obtainable from the sale of an asset in an arm's length transaction between knowledgeable, willing parties, less the cost of disposal.

### Provision and contingencies:

A provision is recognised when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation in respect of which reliable estimates can be made. Provisions are not discounted to their present values and are determined based on the management estimates of amount required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates. Contingent liabilities are disclosed in the notes.

### Leases:

#### a. Operating lease:

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased assets are classified as operating leases. Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

#### b. Finance lease:

Lease arrangements whereby the company essentially assumes the same rights as ownership of the assets are classified as finance lease.

Assets taken under finance lease are capitalized at fair value or present value of the minimum lease payments, whichever is lower.

Depreciation on the assets taken under finance lease is charged at the rate applicable to similar type of the fixed assets as per the Company's accounting policy for depreciation as stated above.

Lease liability is recognized at present value of the minimum lease payment considering interest rate implicit in the lease.

Lease payments made are apportioned between the finance charges and reduction of the outstanding lease liabilities in respect of the assets taken under lease.

### Cash flow statement:

Cash flows are reported using the indirect method, whereby profit for the year is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

### Earnings per share:

Basic earnings per share is computed by dividing the profit for the year by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit for the year as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

### Segment reporting:

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the executive management in deciding how to allocate resources and in assessing performance.

## A. Audit engagement

After appointment as auditor at the shareholder meeting of

### **Bristlecone GmbH, Frankfurt am Main,**

(hereinafter also referred to "the Company") the management of the Company has assigned us to audit the annual financial statements for the year ended 31<sup>st</sup> March, 2016, including the accounting records.

The terms governing this assignment are set out in the General Terms of Engagement for public accountants and firms of public accountants in the version of 1<sup>st</sup> January, 2002, which are attached as Annexure 5 to this report.

The performance and results of our audit are included in this report to which the audited financial statements (consisting of balance sheet, income statement and Notes) are enclosed as annexures 1 - 3. This report includes remarks in connection with HGB § 321 (1) sentence 3 (German Commercial Code) as well as a summary of the other results of the audit and the audit opinion. The performance and the results of the audit are specified in chapter C. and D. of this report in detail.

According to § 321 (4a) HGB we confirm that we have followed the independence rules for the audit.

Prepared this report in accordance with the German standard of auditing No. 450, which is published by the IDW (Institut der Wirtschaftsprüfer; German Institute of Public Accountants).

## B. Basic conclusions

Though the year end audit is not aimed to detect criminal liabilities and breach of by law outside the accounting, we are bound by law to indicate such facts, which represent serious violations of the legal representatives or of employees against the law or the bylaw of the company. Our audit has not revealed any such facts.

## C. Objects, nature and scope of the audit

We have audited the annual financial statements, including the accounting records, of Bristlecone GmbH for the financial year ended 31<sup>st</sup> March, 2016. The bookkeeping and the preparation of the annual financial statements is the responsibility of the Company's management. Our responsibility is to express an opinion on the annual financial statements based on our audit.

The audit of the compliance of other legal regulations is only part of the annual year end audit, if the regulations have usually an impact on the financial statements.

We have conducted the audit of the annual financial statements in accordance with § 316 HGB considering the German generally accepted standard on auditing No 200: "Objectives and general principles of orderly performance of financial statements audits". The standard requires to plan and perform the audit, that reasonable assurance can be obtained, that the accounting records and the financial statements are free of material misstatements. The audit includes the assessment of the

accounting-, valuation- and classification-principles as well as the evaluation of the overall presentation of the annual financial statements. We believe that our audit provides a reasonable basis for our opinion.

Within the audit the following main audit procedures were carried out:

- Reconciliation statements for trade debtors
- Reconciliation of liabilities due to shareholder
- Reconciliation statements of the banks
- Completeness and valuation of accruals
- Check of the significant expenses and income positions with regard to completeness as well as consistency in classification and presentation compared to last year

We have carried out the audit within April 2016.

All requested information and verifications were given to us. The management supplied us with a letter of representation confirming the completeness of the accounting records and the financial statements.

## D. Observations and explanations of the financial accounting

### I. Accuracy of the accounting

#### 1. Accounting records and further documents

The Company's accounting records are properly maintained. The function of the accounting documents comply with requirement. The accounting records and further documents audited, comply with German legal regulations and the supplementary articles of the association.

#### 2. Financial statements

The financial statements as of 31 March, 2016, are orderly developed from the accounting records and other necessary records of the Company.

The balance sheet and the income statement are prepared in accordance with the regulations in German Commercial Code for the accounting of private limited companies [GmbH]. The notes to the financial statements include all legally required information.

We have no knowledge of significant matters that happened after the end of the financial year 2015 / 2016, which should be reported.

### II. Overall statement of financial statements

#### 1. Observation to overall statement of the financial statements

In our opinion, the financial statements show a true and fair view of the Company in accordance with the German principles of proper accounting.

#### 2. Essential valuation methods

The essential valuation methods are specified correctly by the company in the Notes. Essential changes of the valuation methods in comparison with the year before cannot be recorded.

**E. Replication of the Audit Opinion**

We have granted the following audit opinion as stated below to the financial statements as of 31<sup>st</sup> March, 2016 of Bristlecone GmbH, Frankfurt am Main:

“Audit Opinion

*To Bristlecone GmbH:*

We have audited the annual financial statements, comprising the balance sheet, the income statement and the notes to the financial statements, together with the bookkeeping system of Bristlecone GmbH, Frankfurt am Main, for the business year from 1<sup>st</sup> April, 2015 until 31<sup>st</sup> March, 2016. The maintenance of the books and records and the preparation of the annual financial statements in accordance with German Commercial Code and supplementary provisions in the articles of incorporation are the responsibility of the Company’s management. Our responsibility is to express an opinion on the annual financial statements including the bookkeeping system based on our audit.

We conducted our audit of the annual financial statements in accordance with § 317 HGB [“Handelsgesetzbuch: German Commercial Code”] and the German generally accepted standards for the audit of financial statements promulgated by the Institut der Wirtschaftsprüfer in Deutschland (IDW). Those standards require that we plan and perform the audit, such that misstatements materially affecting the presentation of the net assets, financial position and results of operations in the annual financial statements are detected with reasonable assurance.

Knowledge of the business activities and the economic and legal environment of the company and expectations as to possible misstatements are taken into account in the determination of audit procedures. The evidence supporting the disclosures in the books and records and the annual financial statements are examined primarily on a test basis within the framework of the audit. The audit includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall presentation of the annual financial statements. We believe that our audit provides a reasonable basis for our opinion.

Our audit has not led to any reservations.

In our opinion, based on the findings of our audit, the annual financial statements comply with the legal requirements and supplementary provisions of the articles of incorporation and give a true and fair view of the net assets, financial position and results of operations of the company in accordance with German principles of proper accounting.”

**Audit Opinion**

*To Bristlecone GmbH:*

We have audited the annual financial statements, comprising the balance sheet, the income statement and the notes to the financial statements, together with the book keeping system of Bristlecone GmbH, Frankfurt am Main, for the business year from 1<sup>st</sup> April, 2015 until 31<sup>st</sup> March, 2016. The maintenance of the books and records and the preparation of the annual financial statements in accordance with German Commercial Code and supplementary provisions in the articles of incorporation are the responsibility of the Company's management. Our responsibility is to express an opinion on the annual financial statements including the bookkeeping system based on our audit.

We conducted our audit of the annual financial statements in accordance with § 317 HGB ["Handelsgesetzbuch: German Commercial Code"] and the German generally accepted standards for the audit of financial statements promulgated by the Institut der Wirtschaftsprüfer in Deutschland (IDW). Those standards require that we plan and perform the audit, such that misstatements materially affecting the presentation of the net assets, financial position and results of operations in the annual financial statements are detected with reasonable assurance. Knowledge of the business activities and the economic and legal environment of the company and expectations as to possible misstatements are taken into account in the determination of audit procedures. The evidence supporting the disclosures in the books and records and the annual financial statements are examined primarily on a test basis within the framework of the audit. The audit

includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall presentation of the annual financial statements. We believe that our audit provides a reasonable basis for our opinion.

Our audit has not led to any reservations.

In our opinion, based on the findings of our audit, the annual financial statements comply with the legal requirements and supplementary provisions of the articles of incorporation and give a true and fair view of the net assets, financial position and results of operations of the company in accordance with German principles of proper accounting.

### Report on the Financial Statements

We have audited the accompanying financial statements of Bristlecone, Inc. (a California Corporation and wholly owned subsidiary of Bristlecone Limited), which comprise the balance sheets as of March 31, 2016 and 2015, and the statements of comprehensive income, changes in stockholders' equity and cash flows for each of the two years in the year ended March 31, 2016, and the related notes to the financial statements.

### Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's

judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Bristlecone, Inc. as of March 31, 2016 and 2015, and its financial performance and its cash flows for each of the two years in the year ended March 31, 2016, in accordance with accounting principles generally accepted in the United States of America.

Mahindra & Mahindra Limited, an Indian Company is the Company's ultimate parent.

#### 3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies applied in the preparation of the accompanying financial statements is as follows:

##### 3.1 OVERALL CONSIDERATIONS

The accompanying financial statements have been prepared on a going concern basis under the historical cost convention and on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

These financial statements have been presented in United States Dollars ('US\$'), which is the functional and reporting currency of the Company.

##### 3.2 USE OF ESTIMATES

In preparing the Company's financial statements in conformity with accounting principles generally accepted in the United States of America, the Company's management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Although these estimates are based on management's best knowledge of current events and actions, actual results may ultimately differ from those estimates. The management's estimates for allowance for uncollectible amounts, useful lives of assets, efforts to completion for fixed price projects and realization of deferred tax assets, provision for variable pay represent certain of these particularly sensitive estimates.

##### 3.3 FOREIGN CURRENCY TRANSACTIONS AND TRANSLATION

Transactions in foreign currencies are translated at the rate of exchange prevailing on the date of the transaction. Monetary assets and liabilities in foreign currencies are translated at the rate of exchange prevailing at the balance sheet date. All foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities at year-end are recorded in the statement of comprehensive income.

##### 3.4 CASH AND CASH EQUIVALENTS

The Company considers all highly liquid investments with an original maturity of three months or less to be cash equivalents. Cash equivalents are readily convertible into known amounts of cash and are subject to an insignificant risk of changes in value. Cash comprises balance held with banks.

##### 3.5 ACCOUNTS RECEIVABLE

Accounts receivable that management has the intent and ability to hold for the foreseeable future, or until maturity or payoff, are reported in the balance sheets at outstanding amount less any charge-offs and the allowance for doubtful accounts. The Company performs ongoing credit evaluations of

its customers, and generally extends credit without requiring collateral. The Company maintains an allowance for doubtful accounts based on management's expectations of future losses, which is determined based on historical experience and current economic environment.

Accounts are charged to bad debt expense when they are deemed uncollectible based upon management's periodic review of the accounts.

#### 3.6 EQUIPMENT AND SOFTWARE

Equipment and software are stated at historical cost less accumulated depreciation and amortization.

Assets under capital lease obligations are recorded at lower of the present value of the minimum lease payments or the fair market value of the leased asset, at the inception of the lease.

Depreciation/amortization is calculated on the straight-line method over the estimated useful life of the respective assets. Assets under capital leases and leasehold improvements are amortized over lower of their estimated useful lives and the term of the lease.

The Company has determined the estimated useful lives of assets for depreciation/amortization purposes as follows:

Computer	3 – 5 years
Furniture and fixtures	5 – 7 years
Office equipment	3 – 5 years
Software	3 years
Leased furniture and fixtures	6 years
Leased computers	3 years
Leased office equipment	3 years
Leasehold improvements	Over the shorter of primary lease period and the useful life of the asset

Expenditure for maintenance and repairs are expensed as incurred. When assets are retired or otherwise disposed of, the cost of the asset and related accumulated depreciation are eliminated from the financial records. Any gain or loss on disposal is credited or charged to the statement of comprehensive income.

#### 3.7. IMPAIRMENT OF LONG LIVED ASSETS

Long-lived assets to be held and used are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of such assets may not be recoverable. Such assets are considered to be impaired if the carrying amount of the assets is higher than the future undiscounted net cash flows expected to be generated from the assets. The impairment amount to be recognized is measured at the amount by which the carrying value of the assets exceeds its fair value. Management has performed its impairment review and concludes that the Company's long lived assets are not impaired as of March 31, 2016.

#### 3.8 REVENUE RECOGNITION

Revenue is recognized when the provision of services is complete and there are either no unfulfilled obligations on the Company or any obligations are inconsequential or perfunctory and will not affect the customer's final acceptance of the services including the satisfaction of the following criteria: (i) persuasive evidence of an arrangement exists; (ii) delivery has occurred; (iii) the fee is fixed and determinable; and (iv) collectability is reasonably assured.

##### Revenue from Services

Revenues with respect to time and material contracts are recognized as related costs are incurred and services are performed in accordance with the terms of the specific contracts.

Revenues from fixed-price contracts are recognized in accordance with percentage of completion method measured by the percentage of man-days incurred to date in relation to the estimated total man-days for each of such contracts. This method is used because the management considers man-days to be the best available measure of progress on these contracts. Provisions for estimated losses on uncompleted contracts are recorded in the period in which such losses become probable based on current contract estimates.

Amounts included in the financial statements, which relate to recoverable costs and accrued margins, if any, not yet billed on contracts are classified as "Unbilled revenue". Billings on uncompleted contracts in excess of accrued cost and accrued margins, if any, are classified as "Unearned revenue".

#### Revenue from Multiple element arrangements

The Company also derives revenues from projects involving multiple-element revenue arrangements, which may include any combination of services, software, hardware and/or financing. The revenue from such projects is accounted for in accordance with the Financial Accounting Standards Board's ("FASB") Accounting Standard Codification ("ASC") 605-25, "Multiple-Element Arrangements." To the extent that a deliverable in a multiple-element arrangement is subject to specific guidance, such as software which is subject to ASC 985-605, "Software: Revenue recognition" on whether and/or how to separate multiple deliverable arrangements into separate units of accounting (separability) and how to allocate the arrangement consideration among those separate units of accounting (allocation), that deliverable is accounted for in accordance with such specific guidance. For all other deliverables in multiple-element arrangements, the separability and allocation is assessed on the basis of principles enumerated in ASC 605-25.

#### Revenue from Hosting arrangements

Hosting arrangements entered into by the Company typically do not have a software element. After the arrangement consideration has been allocated to each unit of accounting, the Company applies the appropriate revenue recognition method for each unit based on the nature of the arrangement and the services included in each unit of accounting. All deliverables that do not meet the separation criteria of ASC 605-25 are combined into one unit of accounting and the most appropriate revenue recognition method is applied. The Company has adopted a policy of combining the setup fee and related services together and recognizing them over the contractual life.

#### Revenue from Gross versus Net

The Company evaluates the criteria outlined in ASC 605-45, "Principal Agent Considerations", in determining whether it is appropriate to record the gross amount of software consulting revenues and related costs or the net amount of consultancy charges earned as a sub-contractor. In contracts with customers, the Company is not the primary obligor and hence does not take contractual risk and the amounts earned as consultancy charges are based on a fixed rate. Accordingly, the Company does not reflect the revenues or the cost of sales for acting as the flow-through entity for providing these services, and instead presents these amounts on a net basis. During the years ended March 31, 2016 and March 31, 2015, the Company has not entered into any such transactions that will require recognition of revenue on net basis in accordance with ASC 605-45 "Principal Agent Considerations".

#### Reimbursements

In accordance with ASC 605-45, "Principal Agent Considerations", the Company has accounted for reimbursements received for out of pocket expenses incurred, on a gross basis in the statements of comprehensive income. The Company typically incurs travel related costs that are billed to and reimbursed by customers. Accordingly, revenues include reimbursements of out-of-pocket expenses amounting to US\$ 2,626,232 (INR 174,250,520) [2015: US\$ 1,654,404 (INR 109,769,705)].

### 3.9 COST OF REVENUES

Cost of revenues comprises salaries and employee benefits, stock compensation expense, sub-contractor fees, off-shore consultancy charges, project related travel and other costs, including those reimbursed by customers.

### 3.10 EMPLOYEE BENEFITS

Contributions to defined contribution plans are charged to statements of comprehensive income in the year in which they accrue.

The Company's liability towards compensated absences is determined on an arithmetical basis for the entire unavailed vacation balance standing to the credit of each employee as at year-end.

The Company has a 401(k) plan that provides defined contribution retirement benefits for all the employees. Participants may contribute a

portion of their compensation to the plan, subject to the limitations under the Internal Revenue Code. The Company's contributions to the plan are at the discretion of the Board and expense is recorded in the year to which such contributions pertain.

### 3.11 STOCK COMPENSATION

The employees of the Company participate in various stock compensation plans which are operated by the Holding Company, based on which the employees of the Company have been granted stock options of the Holding Company. The Company accounts for stock compensation in accordance with ASC 718, "Stock Compensation".

The Company applies the same accounting principles as the Holding Company for recording stock compensation in respect of stock of the Holding Company granted to employees of the Company for the purposes of reporting in the separate financial statements of the Company. An amount equal to such compensation expense for the year is recorded as a capital contribution in stockholders' equity in the separate financial statements of the Company.

The Company accounts for the equity-settled options granted to its employees in accordance with ASC 718, "Stock Compensation". ASC 718 addresses the accounting for stock based compensation transactions in which an enterprise receives employee services in exchange for equity instruments of the enterprise or liabilities that are based on the fair value of the enterprise's equity instruments or that may be settled by the issuance of such equity instruments.

In accordance with the provisions of ASC 718, stock compensation for all awards granted, modified or settled, that the Company expects to vest is recognized on a straight line basis over the requisite service period, which is generally the vesting period of the award.

ASC 718 requires the use of a valuation model to calculate the fair value of stock-based awards. The Company elected to use the Black-Scholes-Merton pricing model to determine the fair value of stock-based awards on the date of grant.

### 3.12 INCOME TAXES

The Company applies the asset and liability method of accounting for income taxes as described in ASC 740, "Income Taxes". Under this method, deferred tax assets and liabilities are recognized for future tax consequences attributable to differences between the financial statements' carrying amounts of existing assets and liabilities and their respective tax bases and operating loss and tax credit carry forwards.

Deferred tax assets and liabilities are measured using tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date. Valuation allowances are recognized to reduce the deferred tax assets to an amount that is more likely than not to be realized. In assessing the likelihood of realization, management considers estimates of future taxable income and the effect of temporary differences.

In November 2015, the FASB issued ASU 2015-17, *Income Taxes (Topic 740): Balance Sheet Classification of Deferred Taxes*. The amendments in this update simplify the presentation of deferred income taxes and require that deferred tax liabilities and assets be classified as noncurrent in a classified statement of financial position. The amendments are effective for financial statements issued for annual periods beginning after December 15, 2017. Early adoption is allowed for any annual financial statements that have not been issued. The Company has elected to early adopt this ASU for the year ended March 31, 2016 on a retrospective basis. The early adoption of this ASU did not have a material effect on the financial statements.

Further, ASC 740-10 requires the Company to recognize a provision for uncertainty in income taxes based on minimum recognition threshold. The Company applies a two-step approach for recognizing and measuring uncertain tax positions. The first step is to evaluate the tax position for recognition by determining, based on the technical merits, that the position will be more likely than not sustained upon examination. The second step is to measure the tax benefit as the largest amount of the tax benefit that is greater than 50% likely of being realized upon settlement.

**3.13 LEASES**

The Company classifies all leases at the inception date as either a capital lease or an operating lease. Lease of assets under which there is transfer of substantially the entire risk and rewards incident to ownership as per ASC 840 "Leases" are classified as capital leases, otherwise all leases are classified as operating lease.

Assets under capital leases are capitalized and lease payments are appropriated towards the lease obligation and interest on the obligation amount.

Lease rental expenses on operating leases are charged to expense over the lease term as they become payable. Certain operating lease agreements provide for scheduled rent increases over the lease term. Rental expense for these leases is recognized on a straight-line basis over the primary lease term.

**NOTE B - CASH AND CASH EQUIVALENTS**

Cash and cash equivalent comprises of:

	As at March 31, 2016 US\$	As at March 31, 2016 INR (refer Note Q)	As at March 31, 2015 US\$	As at March 31, 2015 INR (refer Note Q)

	<b>1,000,000</b>	<b>66,350,000</b>	500,000	33,175,000

The Company has a revolving line of credit amounting to US\$ 1,500,000 (INR 99,525,000) from State Bank of India (California) which is due for renewal in one year from the last renewal date i.e. February 18, 2016. The terms of the Line of Credit provide a ceiling for the total limit at the lower of US\$ 1,500,000 or aggregate of eligible receivables. It bears an interest rate of 4.50%, which is 100 basis points above WSJ Prime with a floor rate of 3.50% p.a. [WSJ Prime as at March 31, 2016] and also carried a commitment charge of 0.25% on the unutilized portion of the facility, if the unutilized portion exceeds 60% during any month up till February 17, 2016.

As of March 31, 2016, the Company has drawn US\$ 1,000,000 (INR 66,350,000) [2015: US\$ 500,000 (INR 33,175,000)] against the said line of credit.

The line of credit is secured by a charge on the current assets of the Company and requires the bank's approval, prior to distribution of dividends during any year, in excess of 50 % of the net income for the year. The agreement does not contain any financial covenants.

The remaining availability on the line of credit was US\$ 500,000 (INR 33,175,000) as at March 31, 2016 and US\$ 1,000,000 (INR 66,350,000) as at March 31, 2015.

Interest expense for the year ended March 31, 2016 towards the line of credit was US\$ 39,674 (INR 2,632,370) [2015: US\$26,503 (INR 1,758,474)].

#### NOTE H - INCOME TAXES

Income tax expense for the year comprises of the following:

	Year ended March 31, 2016 US\$	Year ended March 31, 2016 INR (refer Note Q)	Year ended March 31, 2015 US\$	Year ended March 31, 2015 INR (refer Note Q)
Current tax	(139,544)	(9,258,744)	(135,000)	(8,957,250)
Deferred tax credit	4,723,529	313,406,149	-	-
	4,583,985	304,147,405	(135,000)	(8,957,250)

The difference between the amount of income tax expense that would result from applying domestic federal statutory income tax rates to the net profit and the net deferred tax assets is related to certain nondeductible expenses, state income taxes and the change in the valuation allowance. Permanent differences are primarily on account of non-deductible meals and entertainment expenses. During the year, the Company utilised carry forward Net Operating Losses (NOL) of US\$ 3,097,278 (INR 205,504,395).

Following is the summary of deferred tax assets and liabilities:

	As at March 31, 2016 US\$	As at March 31, 2016 INR (refer Note Q)	As at March 31, 2015 US\$	As at March 31, 2015 INR (refer Note Q)

As at March 31, 2016, the Company had US\$ 10,686,318 (INR 709,037,199) [2015: US\$ 14,026,111 (INR 930,632,465)] in US Federal Net Operating Loss ("NOL") carryovers, which can be carried forward for future utilization within 20 years from the year in which such losses are generated subject to certain limitations under US tax laws.

As at March 31, 2016, the Company also had US\$ 9,763,922 (INR 647,836,225) [2015: US\$ 13,778,034 (INR 914,172,556)] in State Operating Losses carried forward, which can be carried forward for future utilization within 5-17 years.

Additionally, the Company has federal and state tax credit carry forwards of approximately US\$ 254,583 (INR16,891,582) and US\$ 149,858 (INR 9,943,078) [2015: US\$ 254,583 (INR16,891,582) and US\$ 149,858 (INR 9,943,078)]. The federal tax credit carry forward expire beginning in 2023 and state tax credit carry forward have no expiration.

The carry forward of the NOLs prior to the date of change of ownership will be impacted by Sec 382 limitation under the International Revenue Code. In terms of this limitation, while the carry forward of any of the NOL's will not be restricted, there will be a limitation on the annual amounts available for set-off

under the Code, (currently computed as the value of Bristlecone Inc. prior to the Transaction \* 4.45%).

During the year ended March 31, 2016, the Company has reversed valuation allowances of US\$ 3,535,511 (INR 234,581,155) [2015: US\$ Nil (INR Nil)] considering consistent profitability earned for more than three years as at the Balance Sheet date. During the year, the net change in valuation allowances is US\$ 5,984,511 (INR 397,072,305) [2015: US\$ 1,311,626 (INR 87,026,385)]. In evaluating the Company's ability to recover deferred tax assets, the Company considers all available positive and negative evidence, including scheduled reversals of deferred tax liabilities, Company's future plans and results of recent operations. In evaluating the objective evidence that historical results provide, the Company considers three years of cumulative operating income. Using all available evidence, the Company determined that it was uncertain that it will realize the deferred tax asset for certain of these carryforwards within the carryforward period.

No statutes have been extended on any of the Company's federal income tax filings. The statute of limitation on the Company's March 2013, March 2014 and March 2015 Federal income tax returns will expire on December 15, 2016, December 15, 2017 and December 15, 2018, respectively.

The Company is currently not under examination by any state authority for income tax purposes and no statutes of limitation for state income tax filings have been extended.

As of March 31, 2016, the Company does not have any uncertain tax position in respect of unrecognized tax positions as per ASC 740-10.

#### NOTE I - STOCKHOLDERS' EQUITY

The Company in the current year made a contribution of US\$ 151,580 (INR 10,057,333) to 401(k) plan. The Company did not make any contribution to the 401(k) plan in the previous year.

#### NOTE K - STOCK COMPENSATION

Bristlecone Limited, the Holding Company has three Stock Option Plans under which the options are granted to the employees of the Company:

1. Bristlecone Limited 2004 Stock Option Plan (arising out of conversion of the earlier Bristlecone Inc. Existing Stock Option Plan) and Bristlecone Limited 2008 Stock Option Plan:

Pursuant to the terms of the acquisition of Bristlecone Inc. on May 17, 2004 by Bristlecone Limited (the "transaction"), the then existing outstanding options of Bristlecone Inc., aggregating to a total of 2,058,493 options were cancelled and fresh options were issued by Bristlecone Limited under 2004 stock option plan based on the exchange criteria set out in the transaction documents.

Features of these plans are as under:

Options granted under these plans include incentive stock options and non-statutory stock options. As per these plans, 25 per cent of the Shares subject to the Option, vest on the one (1) year anniversary of the vesting commencement date, and 1/48 of the options vest each month thereafter on the same day of the month as the vesting commencement date, subject to the grantee continuing to be an employee through each such date. The term of each Option is stated in the Option Agreement; provided, however, that the term shall be no more than 10 years from the date of grant thereof. The exercise price of each option, (a) granted to an employee who at the time of grant of such option, owns stock representing more than 10 per cent of the voting power of all classes of stock of the Company or any Parent or Subsidiary, shall be no less than 110 per cent of the Fair Market Value per Share as determined by the Board on the date of grant (b) granted to any other employee, shall be no less than 100 per cent of the Fair Market Value per Share determined by the Board on the date of grant, unless otherwise ratified by the Board.

2. Bristlecone Limited Amended and Restated 2004 Stock Option Plan:

Options granted under this plan include incentive stock options and non-statutory stock options. As per this plan, 25 cent of the Stocks subject to the Option vest on the completion of 12 calendar months from the vesting commencement date, and no vesting shall occur prior to the completion of such period of 12 months. Subsequently, 6.25 per cent of the options vest on the completion of each 3 month period thereafter until full vesting is completed, subject to the grantee continuing to be an employee through each such date. The term of each Option is stated in the Option Agreement; provided, however, that the term shall be no more than 10 years from the date of grant thereof. The exercise price of each option, (a) granted to an employee who at the time of grant of such option, owns stock representing more than 10 per cent of the voting power of all classes of stock of the Company or any Parent or Subsidiary, shall be no less than 110 per cent of the Fair Market Value per Stock as determined by the Board on the date of grant (b) granted to any other employee, shall be no less than 100 per cent of the Fair Market Value per Stock determined by the Board on the date of grant.

Stock based compensation expense has been determined based on the fair values of the options estimated on the date of grant using the Black-Scholes model with the following assumptions:

	Year ended March 31, 2016	Year ended March 31, 2015
Dividend yield	0 percent	0 percent
Expected life	6.25 years	7.31 years
Risk free interest rate	1.78 percent	2.34 percent
Volatility	45.00 percent	35.00 percent

The Black-Scholes option-pricing model was developed for estimating fair value of traded options that have no vesting restrictions and are fully transferable. Since options pricing models require use of subjective assumptions, changes therein can materially affect fair value of the options. The options pricing models do not necessarily provide a reliable measure of fair value of the options.

The Company has recognized stock compensation expense of US\$176,589 (INR 11,716,680) [2015: US\$ 7,081 (INR 469,824)] for the year ended March 31, 2016.

Unrecognized compensation expense associated under the fair value method for shares expected to vest (unvested options net of expected forfeitures) as of March 31, 2016 was approximately US\$519,355 (INR 34,459,204) [2015: US\$ 38,384 (INR 2,546,778)] and is expected to be recognized over a weighted average period of 2.78 years.

The aggregate fair value of all options granted during the year is US\$ 672,972 (INR 44,651,692) and weighted average grant date fair value per option that vested during the year is US\$ 0.59 (INR 39).

There have been no modifications or cancellations of these plans during the current or preceding year.

#### NOTE L - CONTINGENCIES

The Company evaluates contingencies as per its assessments of probable, reasonably possible and remote, as per ASC 450 "Contingencies". It is subject to legal claims in the normal course of business. However, based on its evaluation, management believes that there are no claims or contingencies, potential outcomes of which could be material to the financial condition or results of operations of the Company.

**NOTE M - OPERATING LEASES**

The Company uses office space under operating lease expiring through the financial year 2020-21 which contains an annual rent escalation clause. The rental expense on this lease is recognized on a straight line basis. Total rent expense was US\$353,585 (INR 23,460,365) [2015: US\$ 285,462 (INR 18,940,404)] for the year ended March 31, 2016.

**NOTE O - CONCENTRATION OF CREDIT RISK**

Financial instruments that potentially subject the Company to concentrations of credit risk consist principally of cash equivalents, trade receivables and bank deposits. By their nature, all such financial instruments involve risk including the credit risk of non-performance by counter parties.

The Company's cash equivalents and bank deposits are invested with banks with high investment grade credit ratings.

Trade receivables (primarily denominated in US\$) are typically unsecured and are derived from revenues earned from large multinational customers. The Company monitors the credit worthiness of its customers to which it grants credit terms in the normal course of the business. In the current year, Company had 5 major customers. Revenues from these customers amounted to US\$ 17,511,955 (INR 1,161,918,234) or 44.96% of the total revenue. Revenue from 5 major customers in 2015 amounted to US\$ 21,012,405 (INR 1,394,173,083) or 59.44% of total revenue. Total accounts receivable from such customers are US\$ 1,447,575 (INR 96,046,601) [2015: US\$ 2,718,555 (INR 180,376,124)] at March 31, 2016 or 28.5% [2015: 50.3%] of total receivables.

During the year ended March 31, 2016, the sales in North America including Canada accounted for 97.14% of the total sales (2015: 98.80%).

**NOTE P - FAIR VALUE OF FINANCIAL INSTRUMENTS**

The carrying amount of the Company's cash equivalents, accounts payable and accrued expenses approximated their fair values due to their short maturities. The carrying value of short term borrowings and lease obligations approximates fair value based upon the market interest rate available to the Company for debt with similar risk and maturities.

**NOTE Q - CONVENIENCE TRANSLATION**

For the convenience of the readers, the financial statements for the year ended March 31, 2016 along with comparatives for the year ended March 31, 2015 have been translated into Indian Rupees ("INR") at the average of the telegraphic transfer buying and selling rates quoted by the Mumbai Branch of State Bank of India on March 31, 2016 of 1 US\$ = 66.35 INR. The convenience translation should not be construed as a representation that the US\$ amounts or the Indian Rupee amounts referred to in these financial statements have been, could have been, or could in the future be, converted into INR or US\$, as the case may be, at this or at any other rate of exchange, or at all.

**NOTE R - SUBSEQUENT EVENTS**

In accordance with ASC 855-10 "Subsequent events", the Company has evaluated subsequent events through May 6, 2016, the date these financial statements were available to be issued. The Company is not aware of any additional subsequent events that would require recognition or disclosure in the financial statements.

To The Shareholder of  
**Bristlecone Consulting Ltd.**

We have audited the accompanying financial statements of Bristlecone Consulting Ltd., which comprise the balance sheet as at March 31, 2016 and the statements of earnings and retained earnings and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for private enterprises, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the company's preparation and fair presentation of the financial statements in order to design audit

procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Bristlecone Consulting Ltd. as at March 31, 2016, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for private enterprises.

### Other Matter

Our audit was conducted for the purposes of forming an opinion on the financial statements taken as a whole. The Supplementary Information is presented for purposes of additional information and is not a required part of the financial statements. Such information has not been subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

## Notes to the Financial Statements March 31, 2016

### 1. Nature of operations

Bristlecone Consulting Ltd. ("the Company") is engaged in providing technology solutions and consulting services primarily with operations in North America. The Company's primary focus is on providing supply chain services ranging from supply chain strategy and network design to supply chain system implementations. The Company also provides application outsourcing services, data management services and development and integration services to independent software vendors. The Company was incorporated under the laws of Canada on June 1, 2010.

### 2. Summary of significant accounting policies

These financial statements have been prepared in accordance with Canadian accounting standards for private enterprises ("ASPE").

#### Use of estimates

In preparing the Company's financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the period. Actual results could differ from these estimates.

#### Financial instruments

Financial assets and financial liabilities are initially recognized at fair value when the Company becomes a party to the contractual provisions of the financial instrument. Subsequently, all of the Company's financial instruments are measured at amortized cost.

With respect to financial assets, the Company recognizes in net earnings an impairment loss, if any, when it determines that a significant adverse change has occurred during the period in the expected timing or amount of future cash flows. When the extent of impairment of a previously written-down asset decreases and the decrease can be related to an event occurring after the impairment was recognized, the previously recognized impairment loss shall be reversed in net earnings in the period the reversal occurs.

#### Cash

Cash includes cash on hand and balances with banks.

#### Capital assets

Rates and bases of amortization applied to write-off the cost less estimated salvage value of capital assets over their estimated lives are as follows:

Computer equipment 33%, straight-line

#### Revenue recognition

Revenue is recognized under the percentage of completion method, whereby work-in-process represents the net realizable value of unbilled professional time and related charges. Unbilled disbursements are recorded at cost and included in work-in-process. Revenue is recognized as services are provided.

#### Foreign currency translation

The functional currency of the Company is the Canadian dollar. When using the Canadian dollar as the reporting currency, monetary assets and liabilities denominated in foreign currencies are translated at the year end rate of exchange. Revenue and expenses denominated in foreign currencies are translated at the rate of exchange in effect on the dates on which such items are recognized in earnings during the year. The translation adjustment is included in the determination of earnings for the current year.

#### Income taxes

The Company has elected to apply the taxes payable method of accounting. The taxes payable and provision for income taxes are based on the corporate income tax return filed. There is no adjustment for income taxes related to temporary differences and no recognition of the benefit of income tax losses carried forward.

### 3. Payables and accruals

### Directors' benefits

Since the end of the previous financial year, no Director has received or become entitled to receive a benefit by reason of a contract made by the Company or a related corporation with any Director or with a firm of which the Director is a member, or with a company in which the Director has a substantial financial interest.

Neither during nor at the end of the financial year was the Company a party to any arrangement whose object was to enable the Directors to acquire benefits by means of the acquisition of shares in, or debentures of, the Company or any other body corporate.

### Other statutory information

Before the financial statements of the Company were made out, the Directors took reasonable steps:

- to ascertain that proper action had been taken in relation to the writing off of bad debts and the making of allowance for doubtful debts and had satisfied themselves that all known bad debts had been written off and that adequate allowance had been made for doubtful debts; and

- (b) to ensure that any current assets which were unlikely to realise their values as shown in the accounting records in the ordinary course of business had been written down to an amount to which they might be expected so to realise.

At the date of this report, the Directors are not aware of any circumstances:

- (a) which would render the amounts written off for bad debts or the amount of the allowance for doubtful debts in the financial statements of the Company inadequate to any substantial extent; or
- (b) which would render the values attributed to current assets in the financial statements of the Company misleading; or
- (c) which have arisen which render adherence to the existing method of valuation of assets or liabilities of the Company misleading or inappropriate; or
- (d) not otherwise dealt with in this report or the financial statements which would render any amount stated in the financial statements misleading.

In the opinion of the Directors:

- (a) the results of the Company's operations during the financial year were not substantially affected by any item, transaction or event of a material and unusual nature; and
- (b) no contingent or other liability of the Company has become enforceable or is likely to become enforceable within the period of twelve months after the end of the financial year which will or may affect the ability of the Company to meet its obligations when they fall due.

In the interval between the end of the financial year and the date of this report:

- (a) no item, transaction or event of a material and unusual nature has arisen which, in the opinion of the Directors, would affect substantially the results of the operations of the Company for the financial year in which this report is made; and
- (b) no charge has arisen on the assets of the Company which secures the liability of any other person nor has any contingent liability arisen in the Company.

Before me,

**Independent Auditors' Report to the Members of Bristlecone (Malaysia) Sdn. Bhd.**  
(Company No: 772033-T)  
(Incorporated in Malaysia)

**Report on the Financial Statements**

We have audited the financial statements of Bristlecone (Malaysia) Sdn. Bhd., which comprise the statement of financial position as at 31<sup>st</sup> March 2016, and the statement of comprehensive income, statement of changes in equity and statement of cash flows, and a summary of significant accounting policies and other explanatory information.

*Directors' Responsibility for the Financial Statements*

The Directors of the Company are responsible for the preparation of financial statements that give a true and fair view in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act 1965 in Malaysia. The Directors are also responsible for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

*Auditors' Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with approved standards on auditing in Malaysia. Those standards require that we comply with ethical requirements and plan and perform our audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

Our audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgement, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the Company's preparation of financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Our audit also

includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

*Opinion*

In our opinion, the financial statements give a true and fair view of the financial position of the Company as at 31<sup>st</sup> March 2016 and of its financial performance and cash flows for the year then ended in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of Companies Act 1965 in Malaysia.

**Report on Other Legal and Regulatory Requirements**

In accordance with the requirements of the Companies Act 1965 in Malaysia, we also report that in our opinion, the accounting and other records and the registers required by the Act to be kept by the Company have been properly kept in accordance with the provisions of the Act.

**Other Matters**

This report is made solely to the Members of the Company, as a body, in accordance with Section 174 of the Companies Act 1965 in Malaysia and for no other purpose. We do not assume responsibility to any other person for the content of this report.

## Notes to the Financial Statements for the year ended 31<sup>st</sup> March 2016

### 1. Corporate information

The Company is a private limited liability company, incorporated and domiciled in Malaysia. The registered office of the Company is located at Unit 30-01, Level 30, Tower A, Vertical Business Suite, Avenue 3, Bangsar South, No. 8, Jalan Kerinchi, 59200 Kuala Lumpur. The principal place of business of the Company is located at 41/F, Vista Tower, The Intermark, 348 Jalan Tun Razak, 50400 Kuala Lumpur, Malaysia.

The principal activities of the Company are to act as information technology service advisors, business consultants and implementers of computerised systems and to render a full range of information technology services including application and programming services, computer networks and other forms of computer and electronic technology services, administration and management control, technical, scientific and operational assistance, systems design, project management and technical training of personnel, management of a computer and electronic service facility and generally, any type of business or activity relating to the information technology and electronic industry and to provide support and training in connection therein. There have been no significant changes in the nature of these activities during the financial year.

The Directors regard Bristlecone Limited, a corporation incorporated in Cayman Island, as the immediate holding corporation, and Mahindra & Mahindra Ltd, a corporation incorporated in India, as the ultimate holding corporation.

There were no employees in the Company at the end of the current and previous financial years.

The financial statements were authorised for issue by the Board of Directors in accordance with a resolution of the Directors dated 20<sup>th</sup> April, 2016.

### 2. Basis of preparation of the financial statements

The financial statements comply with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act 1965 in Malaysia.

The financial statements of the Company have been prepared under the historical cost convention, unless otherwise indicated in the summary of significant accounting policies (Note 3).

The preparation of financial statements in conformity with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act 1965 in Malaysia requires the Directors to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reported period. Actual results could differ from those estimates.

The financial statements are presented in Ringgit Malaysia (RM).

### 3. Significant accounting policies

All significant accounting policies set out below are consistent with those applied in the previous financial year.

#### (a) Property, plant and equipment and depreciation

All items of property, plant and equipment is initially recorded at cost. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance are charged to profit and loss as incurred.

Subsequent to recognition, property, plant and equipment are stated at cost less accumulated depreciation and any accumulated impairment losses.

Depreciated is provided for on a straight line basis to write off the cost of each asset to its residual value over the estimated useful life, at the following annual rates:

	%
Computer	25

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual values, useful lives and depreciation methods are reviewed at each financial yearend, and adjusted prospectively, if appropriate to ensure that the amount, method and period of

depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodied in the items of property, plant and equipment.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. The difference between the net disposal proceeds, if any, and the net carrying amount is recognised in profit or loss in the year the property, plant and equipment is derecognised, and any unutilised portion of the revaluation surplus on that item is taken directly to retained earnings.

#### (b) Receivables

Receivables are carried at anticipated realisable value. Bad debts are written off in the period in which they are identified. An estimate is made for doubtful debts on a review of all outstanding amounts at the year end.

#### (c) Cash and cash equivalents

Cash and cash equivalents comprise cash in hand, bank balances, fixed deposits and other short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

#### (d) Payables

Payables are stated at cost, which is the fair value of the consideration to be paid in the future for goods and services costs.

#### (e) Provision for liabilities

Provision for liabilities is recognised when the Company has a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate of the amount can be made. Provisions are reviewed at each financial year end and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. Where the effect of the time value of money is material, the amount of a provision is the present value of the expenditure expected to be required to settle the obligation.

#### (f) Equity instruments

Ordinary shares are classified as equity instruments. Dividends on ordinary shares are recognised in equity in the period in which they are declared.

#### (g) Revenue recognition

Revenue from service income is recognised upon delivery of services and customers' acceptances, if any, or performance of services.

Revenue recognised on work completed but not invoiced is classified as "accrued billings" under trade receivables.

#### (h) Income tax

Income tax on the profit or loss for the year comprises current and deferred tax. Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the tax authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted by the financial year end.

Current taxes are recognised in profit or loss except to the extent that the tax relates to items recognised outside profit or loss, either in other comprehensive income or directly in equity.

Deferred tax is provided for, using the liability method on temporary differences at the financial year end between the tax bases of assets and liabilities and their carrying amounts in the financial statements. In principle, deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are recognised for all deductible temporary differences, unused tax losses and unused tax credits, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, unused tax losses and unused tax credits can be utilised. Deferred tax is not recognised if the temporary difference arises from goodwill or negative goodwill or from the initial recognition of an asset or liability in a transaction which is not a business combination, and at the time of the transaction, affects neither accounting profit or loss nor taxable profit or loss.

The carrying amount of deferred tax assets are reviewed at each financial year end and reduced to the extent that it has become probable that sufficient taxable profit will be available to allow all or part of the deferred tax assets to be utilised.

Unrecognised deferred tax assets are reassessed at each financial year end and are recognised to the extent that it has become probable that future taxable profit will allow the deferred tax assets to be utilised.

Deferred tax is measured at the tax rates that are expected to apply in the period when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the financial year end.

Deferred tax is recognised in profit or loss, except when it arises from a transaction which is recognised directly in equity, in which case the deferred tax is also charged or credited directly in equity.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

**(i) Impairment of assets**

The carrying amounts of assets, other than investment property, construction contract assets, property development costs, inventories, deferred tax assets and non-current assets (or disposal groups) held for sale, are reviewed at each financial year end to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated to determine the amount of impairment loss.

For the purpose of impairment testing of these assets, recoverable amount is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. If this is the case, recoverable amount is determined for the cash-generating unit (CGU) to which the asset belongs to.

An asset's recoverable amount is the higher of an asset's or CGU's fair value less costs to sell and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. Impairment losses recognised in respect of a CGU or groups of CGUs are allocated first to reduce the carrying amount of any goodwill allocated to those units or groups of units and then, to reduce the carrying amount of the other assets in the unit or groups of units on a pro-rata basis.

An impairment loss is recognised in profit or loss in the period in which it arises, except for assets that were previously revalued where the revaluation was taken to other comprehensive income. In this case, the impairment is also recognised in other comprehensive income up to the amount of any previous revaluation.

An impairment loss for an asset is reversed if, and only if, there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised. The carrying amount of an asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of amortisation or depreciation) had no impairment loss been recognised for the asset in prior years. A reversal of impairment loss for an asset is recognised in profit or loss unless the asset is measured at revalued amount, in which case the reversal is treated as a revaluation increase.

**(j) Foreign currency**

**i Reporting currency**

The financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates ("the functional currency").

**ii Foreign currency transactions and balances**

Foreign currency transactions in the Company are accounted for at exchange rates prevailing at the transactions dates, unless hedged by forward foreign exchange contracts, in

which case the rates specified in such forward contracts are used. Foreign currency monetary assets and liabilities are translated at exchange rates prevailing at the financial year end, unless hedged by forward foreign exchange contracts, in which case the rates specified in such forward contracts are used. Exchange differences arising from the settlement of foreign currency transactions and from the translation of foreign currency monetary assets and liabilities are included in the income statement.

The principal closing rates used in translation of foreign currency amounts are as follows:

	2016	2015
	RM	RM
1 Singapore Dollar (SGD)	2.87	Not applicable
1 United States Dollar (USD)	3.88	3.71
1 Euro (EUR)	4.39	4.01

**(k) Financial instruments**

Financial instruments carried on the statement of financial position include cash and bank balances, investments, receivables, payables and borrowings. The recognition methods adopted are disclosed in the respective accounting policy statements.

Financial instruments are classified as assets, liabilities or equity in accordance with the substance of the contractual arrangement. Interests, dividends and gains and losses relating to a financial instrument classified as a liability, are reported as expense or income. Distributions to holders of financial instruments classified as equity are recognised directly in equity. Financial instruments are offset when the Company has a legally enforceable right to offset and intends to settle either on a net basis or to realise the asset and settle the liability simultaneously.

**Financial assets**

Financial assets are recognised in the statement of financial position when the Company becomes a party to the contractual provisions of the instrument. Regular way purchases and sales of financial assets are recognised and derecognised using trade date accounting.

On initial recognition, financial assets are measured at fair value, plus transaction costs for financial assets not at 'fair value through profit or loss'. Effective interest method is a method of calculating the amortised cost of financial assets and of allocating the interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimate future cash receipts through the expected life of the financial assets or a shorter period to the net carrying amount of the financial assets.

After initial recognition, financial assets are classified into one of four categories: financial assets at 'fair value through profit or loss', 'held-to-maturity' investments, loans and receivables and 'available-for-sale' financial assets.

**i Financial assets at 'fair value through profit or loss'**

Financial assets are classified as at 'fair value through profit or loss' when the financial assets are either 'held for trading', or upon initial recognition, financial assets are designated as financial assets at 'fair value through profit or loss'.

A financial asset is classified as 'held for trading' if:

- it is acquired principally for the purpose of selling it in the near term; or
- on initial recognition, it is part of a portfolio of identified financial instruments that are managed together and for which there is evidence of a recent actual pattern of short-term profit-taking; or
- it is a derivative that is not designated and effective hedging instrument.

Financial assets (other than 'held for trading') are designated as at 'fair value through profit or loss' upon initial recognition if:

- it eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise from measuring assets or recognising the gains and losses on them on different bases; or
- a group of financial assets is managed and its performance is evaluated on a fair value basis, in accordance with a

documented risk management or investment strategy, and information about the grouping is provided internally on that basis; or

- a contract contains one or more embedded derivatives, the entire hybrid contracts are designated as at 'fair value through profit or loss'.

After initial recognition, financial assets at 'fair value through profit or loss' are measured at fair value. Gains or losses on the financial assets at 'fair value through profit or loss' are recognised in profit or loss.

## ii 'Held-to-maturity' investments

'Held-to-maturity' investments are non-derivative financial assets with fixed or determinable payments and fixed maturity that and the Company has the positive intention and ability to hold the investments to maturity.

After initial recognition, 'held-to-maturity' investments are measured at amortised cost using the effective interest method less any accumulated impairment losses. Gains or losses are recognised in profit or loss when 'held-to-maturity' investments are derecognised or impaired.

## iii Loans and receivables

Loans and receivables are non-derivative financial assets (such as trade receivables, loans assets, unquoted debt instruments and deposits held in banks) with fixed or determinable payments that are not quoted in an active market.

After initial recognition, loans and receivables are measured at amortised cost using the effective interest method less any accumulated impairment losses. Gains or losses are recognised in profit or loss when loans and receivables are derecognised or impaired.

## iv Available-for-sale' financial assets

Financial assets are classified as 'available-for-sale' financial assets when the financial assets are either designated as such upon initial recognition or are not classified in any of the three preceding categories.

Investment in quoted equity and debt instruments that are traded in active market and certain unquoted equity instruments (when the fair value can be determined using a valuation technique) are classified as 'available-for-sale' financial assets. 'Available-for-sale' financial assets are measured at fair value.

Gains or losses on 'available-for-sale' financial assets are recognised in other comprehensive income, except for impairment losses and foreign exchange gains or losses on monetary instruments, until the 'available-for-sale' financial assets are derecognised.

The cumulative gain or loss previously recognised in other comprehensive income are reclassified from equity to profit or loss as a reclassification adjustment when the financial assets are derecognised.

Interest calculated using the effective interest method is recognised in profit or loss. Dividends on 'available-for-sale' equity instruments are recognised in profit or loss when the Company's right to receive payment is established.

## v Investment in unquoted equity instruments carried at cost

Investment in equity instruments which do not have a quoted market price in an active market and whose fair value cannot be reliably measured and derivatives that are linked to and must be settled by delivery of such an unquoted equity instruments, are measured at cost less any accumulated impairment losses.

## vi Reclassifications of financial assets

The Company does not reclassify derivative out of the financial assets at 'fair value through profit or loss' category while they are held or in issue. Equally, the Company does not reclassify other financial assets out of the financial assets at 'fair value through profit or loss' category if upon initial recognition, those financial assets were designated as financial assets at 'fair value through profit or loss'. Other financial assets are

not reclassified into the financial assets at 'fair value through profit or loss' category after initial recognition under another category.

When it is no longer appropriate to classify an investment as 'held-to-maturity' as a result of a change in intention and ability, the investment is reclassified as held for sale and re-measured at fair value. Any difference between the carrying amount and fair value of the investment is recognised in other comprehensive income.

## vii Impairment of financial assets

At the end of each reporting year, the Company assesses whether there is any objective evidence that financial assets held, other than financial assets at 'fair value through profit or loss', are impaired. Financial assets are impaired if there is objective evidence of impairment as a result of one or more events that occurred after the initial recognition of the financial assets which have an impact on the estimated future cash flows of the financial assets that can be reliably measured.

For investment in equity instruments classified as 'available-for-sale' financial assets, objective evidence that the financial assets are impaired include the disappearance of an active trading market for the financial assets because of, significant financial difficulties, and a significant and/or prolonged decline of the market price below the cost.

For other financial assets, objective evidence could include:

- significant financial difficulties of the issuer; or
- default or significant delay in payments and delinquency in interest or principal payments; or
- a breach of contract; or
- the lender granting to the borrower a concession that the lender would not otherwise consider; or
- it becoming probable that the borrower will enter bankruptcy or other financial re-organisation; or
- observable data indicating that there is a measurable decrease in the estimated future cash flows from the financial assets since the initial recognition of those assets.

Impairment losses, in respect of 'held-to-maturity' investments carried at amortised cost are measured as the differences between the assets' carrying amounts and the present values of their estimated future cash flows discounted at the 'held-to-maturity' investments' original effective interest rate.

For certain category of financial assets, such as trade receivables, if it is determined that no objective evidence of impairment exists for an individually assessed financial asset, whether significant or not, the assets are included in a group with similar credit risk characteristics and collectively assessed for impairment. Objective evidence of impairment for a portfolio of receivables could include the Company's past experience of collecting payments, an increase in the number of delayed payments in the portfolio past the average credit period and observable changes in national or local economic conditions that correlate with default on receivables.

The carrying amounts of the financial assets are reduced directly, except for the carrying amounts of trade and other receivables, and staff loan receivables which are reduced through the use of an allowance account, and when these becomes uncollectible. Any impairment loss is recognised in profit or loss immediately.

If, in later periods, the amount of any impairment loss decreases, the previously recognised impairment losses are reversed directly, except for the amounts related to trade receivables which are reversed to write back the amount previously provided in the allowance account. The reversal is recognised in profit or loss immediately.

If there is objective evidence that impairment losses have been incurred on financial assets carried at cost, the amount of any impairment loss is measured as the differences between the carrying amounts of the financial assets and the present value of their estimated future cash flows discounted at the current market rate of return for a similar financial assets. Such impairment losses are not reversed.

For 'available-for-sale' financial assets, if a decline in fair value has been recognised in other comprehensive income and there is objective evidence that the assets are impaired, the cumulative losses that have been recognised are reclassified to profit or loss.

Impairment losses recognised in profit or loss for an investment in an equity instrument classified as 'available-for-sale' financial assets are not reversed through profit or loss. If the fair value of a debt instrument classified as an 'available-for-sale' financial asset subsequently increases, and the increase can be objectively related to an event occurring after the impairment losses were recognised in profit or loss, the impairment losses are reversed and recognised in profit or loss.

#### viii Derecognition of financial assets

Financial assets are derecognised when the contractual rights to the cash flows from the financial assets expire or the Company transfers the financial assets and the transfer qualifies for derecognition.

On derecognition of financial assets in their entirety, the differences between the carrying amounts and the sum of the consideration received and any cumulative gains or losses that have been recognised in other comprehensive income are recognised in profit or loss.

#### Financial liabilities

Financial liabilities are recognised on the statements of financial position when the Company becomes a party to the contractual provisions of the instrument. On initial recognition, financial liabilities are measured at fair value, plus transaction costs for financial liabilities not at 'fair value through profit or loss'. After initial recognition, financial liabilities are either classified as at 'fair value through profit or loss' or amortised cost using the effective interest method.

##### i Financial liabilities at 'fair value through profit or loss'

Financial liabilities are classified as financial liabilities at 'fair value through profit or loss' when the financial liabilities are either 'held for trading' or upon initial recognition, the financial liabilities are designated as financial liabilities at 'fair value through profit or loss'.

A financial liability is classified as 'held for trading' if:

- it is incurred principally for the purpose of repurchasing it in the near term; or
- on initial recognition, it is part of a portfolio of identified financial instruments that are managed together and for which there is evidence of a recent actual pattern of short-term profit-taking; or
- it is a derivative that is not designated and effective hedging instrument.

Financial liabilities (other than 'held for trading') are designated as financial liabilities at 'fair value through profit or loss' upon initial recognition if:

- it eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise from measuring liabilities or recognising the gains and losses on them on different bases; or
- a group of financial liabilities is managed and its performance is evaluated on a fair value basis, in accordance with a documented risk management or investment strategy, and information about the grouping is provided internally on that basis; or
- a contract contains one or more embedded derivatives, the entire hybrid contracts are designated as financial liabilities at 'fair value through profit or loss'.

After initial recognition, financial liabilities at 'fair value through profit or loss' are measured at fair value. Gains or losses on the financial liabilities at 'fair value through profit or loss' are recognised in profit or loss.

##### ii Financial liabilities at amortised cost using the effective interest method

Effective interest method is a method of calculating the amortised cost of financial liabilities and allocating the interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liabilities or a shorter period to the net carrying amount of the financial liabilities.

After initial recognition, financial liabilities other than financial liabilities at 'fair value through profit or loss' are measured at amortised cost using the effective interest method. Gains or losses are recognised in profit or loss when the financial liabilities are derecognised or impaired.

##### iii Derecognition of financial liabilities

Financial liabilities are derecognised when the obligation specified in the contract is discharged, cancelled or expires.

Any difference between the carrying amounts of financial liabilities derecognised and the consideration paid is recognised in profit or loss.

#### (l) Leases

##### i Classification

A lease is recognised as a finance lease if it transfers substantially to the Company all the risks and rewards incidental to ownership. Leases of land and buildings are classified as operating or finance lease in the same way as leases of other assets and the land and buildings elements of a lease of land and buildings are considered separately for the purposes of lease classification. All leases that do not transfer substantially all the risks and rewards are classified as operating leases, with the following exceptions:

- Property held under operating leases that would otherwise meet the definition of an investment property is classified as an investment property on a property-by-property basis and, if classified as investment property, is accounted for as if held under a finance lease; and
- Land held for own use under an operating lease, the fair value of which cannot be measured separately from the fair value of a building situated thereon at the inception of the lease, is accounted for as being held under a finance lease, unless the building is also clearly held under an operating lease.

##### ii Finance lease

Assets acquired by way of hire purchase or finance lease are stated at an amount equal to the lower of their fair values and the present value of the minimum lease payments at the inception of the leases, less accumulated depreciation and accumulated impairment losses. The corresponding liability is included in the statement of financial position as borrowings.

In calculating the present value of the minimum lease payments, the discount factor used is the interest rate implicit in the lease, when it is practicable to determine; otherwise, the Company's incremental borrowing rate is used. Any initial direct costs are also added to the carrying amount of such assets.

Lease payments are apportioned between the finance cost and the reduction of the outstanding liabilities. Finance costs, which represent the difference between the total leasing commitments and the fair value of the assets acquired, are recognised in profit or loss over the term of the relevant lease so as to produce a constant periodic rate of charge on the remaining balance of the obligations for each accounting period.

The depreciation policy for leased assets is in accordance with the depreciation for property, plant and equipment as described in Note 3(a)

##### iii Operating lease

Operating lease payments are recognised as an expense on a straight-line basis over the terms of the relevant lease. The aggregate benefit of incentives provided by the lessor is recognised as a reduction of rental expense over the lease term on a straight-line basis.

In the case of lease of land and buildings, the minimum lease payments or up-front payments made are allocated, whenever necessary, between the land and the buildings elements in proportion to the relative fair values for leasehold interests in the land element and buildings elements of the lease at the inception of the lease. The up-front payments represent prepaid lease payments and are amortised on a straight-line basis over the lease term.

**(m) Employee benefits**

**i Short term benefits**

Wages, salaries, bonuses and social security contributions are recognised as an expense in the year in which the associated services are rendered by employees of the Company. Short term accumulating compensated absences such as paid annual leave are recognised when services are rendered by employees that increase their entitlement to future compensated absences, and short term non-accumulating compensated absences such as sick leave are recognised when the absences occur.

**ii Defined contribution plan**

Defined contribution plans are post-employment benefit plans under which the Company pays fixed contributions into separate entities or funds and will have no legal or construction obligation to pay further contributions if any of the funds do not hold sufficient assets to pay all employee benefits relating to employee services in the current and preceding financial years.

As required by law, the Company makes contributions to the statutory provident fund, the Employees Provident Fund. Such contributions are recognised as an expense in profit or loss in the period as incurred.

**iii Termination benefits**

Termination benefits are payable when employment is terminated before the normal retirement date or whenever an employee accepts voluntary redundancy in exchange for these benefits. The Company recognises termination benefits as a liability and an expense when it is demonstrably committed to either terminate the employment of current employees according to a detailed plan without possibility of withdrawal or providing termination benefits as a result of an offer made to encourage voluntary redundancy. In the case of an offer made to encourage voluntary redundancy, the measurement of termination benefits is based on the number of employees expected to accept the offer. Benefits falling due more than twelve months after the financial year end are discounted to present value.

**(n) Related parties**

Parties are considered to be related to the Company if the Company has the ability, directly or indirectly, to control the party or exercise significant influence over the party in making financial and operating decisions, or vice versa, or where the Company and the party are subject to common control or common significant influence. Related parties may be individual or other entities.

Key management personnel are defined as those persons having authority and responsibility for planning, directing and controlling the activities of the Company either directly or indirectly.

**4. Adoption of new and revised Malaysian Financial Reporting Standards and interpretations**

During the financial year, the Company has adopted the following new and revised Malaysian Financial Reporting Standards and amendments to certain standards (collectively referred to as 'MFRSs'), issued by the Malaysian Accounting Standards Board ('MASB') which are effective for the financial year of the Company beginning on 1<sup>st</sup> April 2015:

MFRSs that have been issued and effective which do not have any significant impact on these financial statements

The following revised MFRSs issued by the MASB, effective for financial year of the Company beginning 1<sup>st</sup> April 2015, have been adopted, but the adoptions do not have any or significant impact to the financial statements:

Amendments to MFRS 2: Share-based Payment  
Amendments to MFRS 3: Business Combinations  
Amendments to MFRS 8: Operating Segments  
Amendments to MFRS 13: Fair Value Measurement

Amendments to MFRS 116: Property, Plant and Equipment  
Amendments to MFRS 119: Employee Benefits  
Amendments to MFRS 124: Related Party Disclosures  
Amendments to MFRS 138: Intangible Assets  
Amendments to MFRS 140 Investment Property

MFRSs that have been issued but not effective

The following new and revised MFRSs issued by MASB, effective for financial periods beginning on or after 1<sup>st</sup> January 2016, have not been adopted, and the adoptions are not expected to have any or significant impact to the financial statements:

MFRS 14: Regulatory Deferral Accounts  
Amendments to MFRS 5: Non-current Assets Held for Sale and Discontinued Operations  
Amendments to MFRS 7: Financial Instruments: Disclosures  
Amendments to MFRS 10: Consolidated Financial Statements  
Amendments to MFRS 11: Joint Arrangements  
Amendments to MFRS 12: Disclosure of Interests in Other Entities  
Amendments to MFRS 101: Presentation of Financial Statements  
Amendments to MFRS 116: Property, Plant and Equipment  
Amendments to MFRS 119: Employee Benefits  
Amendments to MFRS 127: Separate Financial Statements  
Amendments to MFRS 128: Investment in Associates and Joint Ventures  
Amendments to MFRS 134 Interim Financial Reporting  
Amendments to MFRS 138 Intangible Assets  
Amendments to MFRS 141 Agriculture

The following new and revised MFRSs issued by MASB, effective for financial periods beginning on or after 1<sup>st</sup> January 2018, have not been adopted, and the adoptions are not expected to have any or significant impact to the financial statements:

MFRS 15: Revenue from Contracts with Customers  
Amendments to MFRS 9: Financial Instruments

MFRS 9 requires all recognised financial assets that are within the scope of MFRS 139 Financial Instruments: Recognition and Measurement to be subsequently measured at amortised cost or fair value. Specifically, debt investments that are held within a business model whose objective is to collect the contractual cash flows, and that have contractual cash flows that are solely payments of principal and interest on the principal outstanding are generally measured at amortised cost at the end of subsequent accounting periods. All other debt investments and equity investments are measured at their fair values at the end of subsequent accounting periods.

The most significant effect of MFRS 9 regarding the classification and measurement of financial liabilities relates to the accounting for changes in the fair value of a financial liability (designated as at 'fair value through profit or loss') attributable to changes in the credit risk of that liability. Specifically, under MFRS 9, for financial liabilities that are designated as at 'fair value through profit or loss', the amount of change in the fair value of the financial liability that is attributable to changes in the credit risk of that liability is presented in other comprehensive income, unless the recognition of the effects of changes in the liability's credit risk in other comprehensive income would create or enlarge an accounting mismatch in profit or loss. Changes in fair value attributable to a financial liability's credit risk are not subsequently reclassified to profit or loss.

**5. Significant accounting estimates**

**Key Sources of Estimation Uncertainty**

Estimates, assumptions concerning the future and judgements are made in the preparation of the financial statements. They affect the application of the Company's accounting policies, reported amounts of assets, liabilities, income and expenses, and disclosures made. They are assessed on an on-going basis and are based on historical experience and other relevant factors, including expectations of future events that are believed to be reasonable under the circumstances.

The key assumptions concerning the future and other key sources of estimation uncertainty at the financial year end that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:

**(a) Allowances for doubtful debts**

The collectability of receivables is assessed on an ongoing basis. An allowance for doubtful debt is made for any account considered to be doubtful for collection. The allowance for doubtful debt is made

based on a review of all outstanding accounts at the end of the reporting period. A considerable amount of judgement is required in assessing the ultimate realisation of these receivables, including the creditworthiness and the past collection history of each customer.

**(b) Income taxes**

Significant judgement is involved in determining the provision for income taxes. There are certain transactions and computations for which the ultimate tax determination is uncertain during the ordinary course of business. Where the final tax outcome of these matters is different from the amounts that were initially recognised, such differences will impact the income tax and deferred tax provisions in the period in which such determination is made.

**(c) Fair value estimates of certain financial instruments**

The Company carries certain financial assets and liabilities at fair value, which required extensive use of accounting estimates and judgement. While significant components of fair value measurement were determined using verifiable objective evidence, the amount of changes in fair value will differ if the Company uses different valuation methodologies. Any changes in fair value of these assets and liabilities would affect profit or loss/equity.

## 18. Financial risk management policies

The Company's financial risk management policy seeks to ensure that adequate financial resources are available for the development of the Company's businesses whilst managing its risks. The Board reviews and agrees policies for managing each of these risks and they are summarised below. It is, and has been throughout the year under review, the Company's policy that no trading in derivative financial instruments shall be undertaken.

The main areas of financial risks faced by the Company and the policy in respect of the major areas of treasury activity are set out as follows:

### (a) Credit risk

The credit risk is controlled by the application of credit approvals, limits and monitoring procedures. An internal credit review is conducted if the credit risk is material.

The Company's concentration of credit risks relates to the amount owing by two (2015: two) major customers which constituted 75% (2015: 67%) of its trade receivables at the end of the reporting period.

The exposure of credit risks for trade receivables as at the end of the reporting period by geographical region is as follows:

	2016		2015	
	RM	INR	RM	INR
Domestic	3,891,220	66,500,950	1,772,506	30,292,128
Europe	137,250	2,345,602	393,564	6,726,009
Thailand	-	-	24,695	422,037
	<u>4,028,470</u>	<u>68,846,552</u>	<u>2,190,765</u>	<u>37,440,174</u>

As at the end of the reporting period, the maximum exposure of credit risk arising from trade receivables is represented by the carrying amount in the statement of financial position.

**(b) Foreign currency risk**

The Company is exposed to transactional currency risk primarily through sales and purchases that are denominated in a currency other than the functional currency of the operations to which they relate. The currency giving rise to this risk is mainly Euro (EUR) and United States Dollar (USD). Foreign exchange exposures in transactional currencies other than functional currencies of the operating entities are kept to an acceptable level.

**Foreign currency risk sensitivity analysis**

Amounts are translated for convenience into Indian Rupees at the exchange rate of INR 17.09 = RM1 which is the Bloomberg rate as on 31st March 2016. Comparative figures are also translated at this rate.

The sensitivity analysis to a reasonably possible change in the foreign currencies as at the end of the reporting period with all other variables held constant is as follows:

	Increase/(decrease) in the Company's results		Increase/(decrease) in the Company's results	
	2016 RM	2016 INR	2015 RM	2015 INR
<b>Effects on profit before taxation:</b>

- weakened by 5% (2015: 5%)	-	-	(1,235)	(21,106)

**(c) Liquidity and cash flow risks**

The Company relies on its management of working capital to ensure that the cash flow within the operating cycle are sustainable. In the event of additional funds required to operate the Company, the financial support from its holding company and related companies is necessary to meet its short term funding needs.

**(d) Capital management**

The Company's objectives when managing capital are to safeguard the Company's ability to continue as a going concern in order to provide returns for shareholders and benefits for other stakeholders and to maintain an optimal capital structure to reduce the cost of capital.

## **INDEPENDENT AUDITOR'S REPORT TO THE SHAREHOLDER OF BRISTLECONE (SINGAPORE) PTE. LTD.**

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Bristlecone (Singapore) Pte. Ltd. (the "Company") set out herein, which comprise the balance sheet as at 31<sup>st</sup> March 2016, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the financial year then ended, and a summary of significant accounting policies and other explanatory information.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Singapore Companies Act (the "Act") and Singapore Financial Reporting Standards, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Singapore Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material

misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements of the Company are properly drawn up in accordance with the provisions of the Act and Singapore Financial Reporting Standards so as to give a true and fair view of the financial position of the Company as at 31<sup>st</sup> March 2016, and of the financial performance, changes in equity and cash flows of the Company for the financial year ended on that date.

### **Report on Other Legal and Regulatory Requirements**

In our opinion, the accounting and other records required by the Act to be kept by the Company have been properly kept in accordance with the provisions of the Act.

## NOTES TO FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 31<sup>ST</sup> MARCH, 2016

These notes form an integral part of and should be read in conjunction with the accompanying financial statements.

These financial statements were authorised for issue in accordance with a resolution of the directors of Bristlecone (Singapore) Pte. Ltd. on 20<sup>th</sup> April 2016.

### 1. GENERAL INFORMATION

The Company is incorporated and domiciled in the Republic of Singapore. The registered office is at 3, Anson Road, #27-01, Springleaf Tower, Singapore 079909 and the principal place of business is at 3, Temasek Avenue, #21-00 Centennial Tower, Singapore 039190.

The principal activity of the Company is those of providing software related consulting services.

The Company's immediate holding corporation is Bristlecone India Limited., incorporated in India. The Company's penultimate holding corporation is Bristlecone Ltd., incorporated in Cayman Islands. The Company's ultimate holding corporation is Mahindra & Mahindra Limited, incorporated in India.

### 2. SIGNIFICANT ACCOUNTING POLICIES

#### 2.1 Basis of preparation

These financial statements have been prepared in accordance with Singapore Financial Reporting Standards ("FRS") under the historical cost convention, except as disclosed in the accounting policies below.

The preparation of financial statements in conformity with FRS requires management to exercise its judgement in the process of applying the Company's accounting policies. It also requires the use of certain critical accounting estimates and assumptions. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in Note 3.

#### *Interpretations and amendments to published standards effective in 2015*

On 1 April 2015, the Company adopted the new or amended FRS and Interpretations of FRS ("INT FRS") that are mandatory for application for the financial year. Changes to the Company's accounting policies have been made as required, in accordance with the transitional provisions in the respective FRS and INT FRS.

The adoption of these new or amended FRS and INT FRS did not result in substantial changes to the accounting policies of the Company and had no material effect on the amounts reported for the current or prior financial years.

#### 2.2 Trade and other receivables

Trade and other receivables are initially recognised at their fair values plus transaction costs and subsequently carried at amortised cost using the effective interest method, less accumulated impairment losses.

The Company assesses at each balance sheet date whether there is objective evidence that these financial assets are impaired and recognises an allowance for impairment when such evidence exists. Significant financial difficulties of the debtor, probability that the debtor will enter bankruptcy and default or significant delay in payments are objective evidence that these financial assets are impaired.

The carrying amount of these assets is reduced through the use of an impairment allowance account which is calculated as the difference between the carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate.

These assets are presented as current assets except for those that are expected to be realised later than 12 months after the balance sheet date, which are presented as non-current assets.

#### 2.3 Trade and other payables

Trade and other payables represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. They are classified as current liabilities if payment is due within one year or less (or in the normal operating cycle of the business if longer). Otherwise, they are presented as non-current liabilities.

Trade and other payables are initially recognised at fair value, and subsequently carried at amortised cost using the effective interest method.

#### 2.4 Revenue recognition

Sales comprise the fair value of the consideration received or receivable for the rendering of services in the ordinary course of the Company's activities. Sales are represented, net of goods and services tax, rebates and discounts, if any.

The Company recognises revenue when the amount of revenue and related cost can be reliably measured, it is probable that the collectability of the related receivables is reasonably assured and when the specific criteria for each of the Company's activities are met as follows:

##### Rendering of services

Revenue from a contract to provide services is recognised by reference to the stage of completion of the contract. The stage of completion of the contract is determined as follows:

- installation fees are recognised by reference to the stage of completion of the installation, determined as the proportion of the total time expected to install that has elapsed at the balance sheet date;
- servicing fees are recognised by reference to the proportion of the total cost of providing the servicing;
- revenue from time and material contracts is recognised at the contractual rates as labour hours are delivered and direct expenses are incurred; and
- where the outcome of a contract cannot be estimated reliably, contract revenue is recognised to the extent of contract costs incurred that is probable will be recoverable. Contract costs are recognised as expenses in the period in which they are incurred.

#### 2.5 Employee compensation

Employee benefits are recognised as an expense, unless the cost qualifies to be capitalised as an asset.

##### (a) Defined contribution plans

Defined contribution plans are post-employment benefit plans under which the Company pays fixed contributions into separate entities such as the Central Provident Fund on a mandatory, contractual or voluntary basis. The Company has no further payment obligations once the contributions have been paid.

##### (b) Employee leave entitlement

Employee entitlements to annual leave are recognised when they accrue to employees. A provision is made for the estimated liability for annual leave as a result of services rendered by employees up to the balance sheet date.

#### 2.6 Leases

When the Company is the lessee – Operating lease

The Company lease office under operating leases from non-related party.

Leases where substantially all risks and rewards incidental to ownership are retained by the lessors are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessors) are recognised in profit or loss on a straight-line basis over the period of the lease.

#### 2.7 Income taxes

Current income tax for current and prior periods is recognised at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Deferred income tax is recognised for all temporary differences arising between the tax bases of assets and liabilities and their

carrying amounts in the financial statements except when the deferred income tax arises from the initial recognition of an asset or liability that affects neither accounting nor taxable profit or loss at the time of the transaction.

A deferred income tax liability is recognised on temporary differences where the Company is able to control the timing of the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

A deferred income tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised.

Deferred income tax is measured:

- (i) at the tax rates that are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date; and
- (ii) based on the tax consequence that will follow from the manner in which the Company expects, at the balance sheet date, to recover or settle the carrying amounts of its assets and liabilities.

Current and deferred income taxes are recognised as income or expense in profit or loss.

## 2.8 Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash on hand and deposits with financial institutions which are subject to an insignificant risk of change in value.

## 2.9 Provisions for other liabilities and charges

Provisions for other liabilities and charges are recognised when the Company has a present legal or constructive obligation as a result of past events, it is more likely than not that an outflow of resources will be required to settle the obligation and the amount has been reliably estimated. Provisions are not recognised for future operating losses.

## 2.10 Currency translation

### (a) Functional and presentation currency

The financial statements are presented in Singapore Dollar, which is the functional currency of the Company.

Amounts are translated for convenience into Indian Rupees at the exchange rate of INR 49.10 = SGD1 which is the average of the telegraphic transfer buying and selling rates quoted by the Mumbai Branch of State Bank of India on 31st March 2016. Comparative figures are also translated at this rate.

### (b) Transactions and balances

Transactions in a currency other than the functional currency ("foreign currency") are translated into the functional currency using the exchange rates at the dates of the transactions. Currency exchange differences resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at the closing rates at the balance sheet date are recognised in profit or loss.

All other foreign exchange gains and losses impacting profit or loss are presented in the income statement within "Other gains/(losses)".

Non-monetary items measured at fair values in foreign currencies are translated using the exchange rates at the date when the fair values are determined.

## 2.11 Share capital

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares are deducted against the share capital account.

## 2.12 Fair value estimation of financial assets and liabilities

The fair values of current financial assets and liabilities carried at amortised cost approximate their carrying amounts.

## 3. Critical accounting estimates, assumptions and judgements

Estimates, assumptions and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

### Critical accounting estimates and assumptions

#### Impairment of loans and receivables

Management reviews its loans and receivables for objective evidence of impairment once every quarter. Significant financial difficulties of the debtor, the probability that the debtor will enter bankruptcy, and default or significant delay in payments are considered objective evidence that a receivable is impaired.

In determining this, management has made judgements as to whether there is observable data indicating that there has been a significant change in the payment ability of the debtor, or whether there have been significant changes with adverse effect in the technological, market, economic or legal environment in which the debtor operates in.

The carrying amounts of trade receivables are disclosed in Note 5.

The tax losses have no expiry date.

**15. RELATED PARTY TRANSACTIONS**

In addition to the information disclosed elsewhere in the financial statements, the following transactions took place between the Company and related parties at terms agreed between the parties:

**(a) Sales and purchase of goods and services**

	2016	2016	2015	2015
	\$	INR	\$	INR
<i>Holding corporation</i>				
Consultation fees	33,765	16,57,862	-	-
Subcontracting fees	-	-	77,865	38,23,172
	33,765	16,57,862	77,865	38,23,172

Related parties comprise mainly companies which are controlled or significantly influenced by the Group's key management personnel and their close family members.

Outstanding balances as at 31 March 2016 and 2015, arising from sales and purchases of goods and services, are unsecured and receivable/payable within 12 months from balance sheet date and are disclosed in Notes 5 and 7 to the financial statements.

**(b) Key management compensation**

Except for the directors of the Company, there are no other key management personnel. Among the three directors, other than Mr Lim TiongBeng (Note 13), remuneration for the two of them is paid by its immediate holding corporation/Ultimate holding corporation.

**16. FINANCIAL RISK MANAGEMENT**

The Company's activities expose it to market risk (including currency risk, price risk and interest rate risk), credit risk, liquidity risk and capital risk. The financial risk management is handled by the immediate holding corporation as part of the operations of the Group.

**(a) Market risk****(i) Currency risk**

The Company's business operations is not exposed to significant foreign currency risks as it has no significant transactions denominated in foreign currencies.

**(ii) Interest rate and price risks**

The Company has insignificant financial assets or liabilities that are exposed to interest rate and price risks.

**(b) Credit risk**

Credit risk refers to the risk that counter party will default on its contractual obligations resulting in financial loss to the Company. The major class of financial assets of the Company are cash and cash equivalent and trade receivables. For other financial assets,

the Company adopts the policy of dealing only with customers of appropriate credit history, and obtaining sufficient security where appropriate to mitigate credit risk.

As the Company does not hold any collateral, the maximum exposure to credit risk for each class of financial instruments is the carrying amount of that class of financial instruments presented on the balance sheet.

(i) Financial assets that are neither past due nor impaired

Cash and bank balances that are neither past due nor impaired are mainly deposited with banks which have high credit-ratings as determined by international credit-rating agencies.

Trade receivables that are neither past due nor impaired are substantially companies with good collection track record with the Company.

(ii) Financial assets that are past due and/or impaired

The carrying amount of trade receivables individually determined to be impaired and the movements in the related allowance for impairment are as follows:

	2016		2015	
	\$	INR	\$	INR
Gross amount	-	-	54,000	26,51,400
Less: Allowance for impairment	-	-	(54,000)	(26,51,400)
	-	-	-	-
Beginning of financial year	54,000	26,51,400	-	-
Allowance of impairment (Note 12)	-	-	54,000	26,51,400
Allowance utilised	(54,000)	(26,51,400)	-	-
End of financial year (Note 6)	-	-	54,000	26,51,400

The impaired trade receivables arise from customer that the management is of the opinion that payments are not forthcoming.

(c) Liquidity risk

The Company monitors and maintains a level of cash and bank balances deemed adequate by management to finance the Company's operations and to mitigate effects of fluctuations in cash flows.

All financial liabilities of the Company are current for the financial years ended 31 March 2016 and 2015.

(d) Capital risk

The Company's objectives when managing capital are to safeguard the Company's ability to continue as a going concern and to maintain an optimal capital structure so as to maximise shareholder value. In order to maintain or achieve an optimal capital structure, the Company may adjust the amount of dividend payout to shareholder or obtain borrowings.

The Company reviews its capital structure at least annually to ensure that the Company will be able to continue as a going concern. The capital structure of the Company comprises only of issued capital. The Company's overall strategy remains unchanged from 2015.

The Company is not subject to any externally imposed capital requirements for the financial years ended 31 March 2016 and 2015.

(e) Fair value measurement

The fair values of financial assets and liabilities approximate their carrying amounts.

(f) Financial instruments by category

The carrying amount of the different categories of financial instruments is as disclosed on the face of the balance sheet, except for the following:

	2016		2015	
	\$	INR	\$	INR
Loans and receivables	24,243	11,90,331	63,274	31,06,753
Financial liabilities at amortised cost	5,058	2,48,348	15,455	7,58,841

17. NEW OR REVISED ACCOUNTING STANDARDS AND INTERPRETATIONS

Certain new standards, amendments and interpretations to existing standards that have been published and are mandatory for accounting periods beginning on or after 1 April 2016 or later periods and which the Company has not early adopted. The management anticipates that the adoption of the new standards, amendments and interpretations in the future periods will not have a material impact on the financial statements of the Company in the period of their initial adoption.

## REPORT OF THE DIRECTORS FOR THE YEAR ENDED 31 MARCH 2016

The directors present their report with the financial statements of the company for the year ended 31 March 2016.

### DIRECTORS

The directors shown below have held office during the whole of the period from 1 April 2015 to the date of this report.

Krishnadas Chillara

Kulashekar Raghavan

Other changes in the directors holding office are as follows:

Harsh Vaish appointed on 20 October 2015

### STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

### AUDITORS

The auditors, Butler & Co LLP, will be proposed for re-appointment at the forthcoming Annual General Meeting.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

### ON BEHALF OF THE BOARD:

## REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF BRISTLECONE UK LIMITED

We have audited the financial statements of Bristlecone UK Limited for the year ended 31<sup>st</sup> March, 2016 on pages herein. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### Respective responsibilities of directors and auditors

As explained more fully in the Statement of Directors' Responsibilities set out on pages herein, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

### Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Report of the Directors to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies, we consider the implications for our report.

### Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31<sup>st</sup> March, 2016 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Report of the Directors for the financial year for which the financial statements are prepared is consistent with the financial statements.

### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies' exemption from the requirement to prepare a Strategic Report or in preparing the Report of the Directors.

## REPORT OF THE STATUTORY AUDITOR ON THE LIMITED STATUTORY EXAMINATION OF THE FINANCIAL STATEMENTS FOR THE YEAR 2015/16

(for the period of 1 April 2015 until 31 March 2016)

### Report of the statutory auditor on the limited statutory examination to the general shareholders' meeting of Bristlecone International AG, Schaffhausen

As statutory auditor, we have examined the financial statements (balance sheet, income statement and notes) of Bristlecone International AG for the year ended 31 March 2016.

These financial statements are the responsibility of the board of directors. Our responsibility is to perform a limited statutory examination on these financial statements. We confirm that we meet the licensing and independence requirements as stipulated by Swiss law.

We conducted our examination in accordance with the Swiss Standard on the Limited Statutory Examination. This standard requires that we plan and perform a limited statutory examination to identify material misstatements in the financial statements. A limited statutory examination consists primarily of inquiries of company personnel and analytical procedures

as well as detailed tests of company documents as considered necessary in the circumstances. However, the testing of operational processes and the internal control system, as well as inquiries and further testing procedures to detect fraud or other legal violations, are not within the scope of this examination.

Based on our limited statutory examination, nothing has come to our attention that causes us to believe that the accompanying financial statements and the proposed appropriation of available earnings do not comply with Swiss law and the company's articles of incorporation.

## COMMENTARY OF THE DIRECTORS

### FOR THE YEAR ENDED 31 MARCH 2016

The directors are pleased to present the audited financial statements of **Mahindra - BT Investment Company (Mauritius) Limited**, the ("Company"), for the year ended 31 March 2016.

### PRINCIPAL ACTIVITY

The principal activity of the Company is to hold investments.

### RESULTS

The results for the year are shown in the statement of comprehensive income and related notes.

The directors did not recommend the payment of dividend for the year under review.

### DIRECTORS

The present membership of the Board is set out in this report. There has been no change during the year under review.

### STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE FINANCIAL STATEMENTS

Company law requires the directors to prepare financial statements for each financial year, which present fairly the financial position, financial performance and cash flows of the Company. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether International Financial Reporting Standards ("IFRS") have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors have confirmed that they have complied with the above requirements in preparing the financial statements.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Mauritius Companies Act 2001. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### AUDITORS

The auditors, **Grant Thornton**, have indicated their willingness to continue in office until the next Annual Meeting.

### CERTIFICATE FROM THE SECRETARY UNDER SECTION 166 (d) OF THE MAURITIUS COMPANIES ACT 2001

We certify, to the best of our knowledge and belief, that we have filed with the Registrar of Companies all such returns as are required of **Mahindra - BT Investment Company (Mauritius) Limited** under the Mauritius Companies Act 2001 during the financial year ended 31 March 2016.

## INDEPENDENT AUDITORS' REPORT

### TO THE MEMBERS OF MAHINDRA – BT INVESTMENT COMPANY (MAURITIUS) LIMITED

#### Report on the Financial Statements

We have audited the accompanying financial statements of **Mahindra - BT Investment Company (Mauritius) Limited**, the "Company", which comprise the statement of financial position as at 31 March 2016, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### Directors' Responsibilities for the Financial Statements

The directors are responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards and in compliance with the requirements of the Mauritius Companies Act 2001, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements on pages herein give a true and fair view of the financial position of the Company as at 31 March 2016 and of its financial performance and cash flows for the year then ended in accordance with International Financial Reporting Standards and the requirements of the Mauritius Companies Act 2001.

#### Report on Other Legal and Regulatory Requirements

In accordance with the requirements of the Mauritius Companies Act 2001, we report as follows:

- we have no relationship with, or any interests in, the Company other than in our capacity as auditors;
- we have obtained all the information and explanations we have required; and
- in our opinion, proper accounting records have been kept by the Company as far as appears from our examination of those records.

#### Other Matters

This report is made solely to the members of the Company as a body in accordance with Section 205 of the Mauritius Companies Act 2001. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinion we have formed.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2016

### 1. GENERAL INFORMATION AND STATEMENT OF COMPLIANCE WITH INTERNATIONAL FINANCIAL REPORTING STANDARDS ("IFRS")

Mahindra– BT Investment Company (Mauritius) Limited, the "Company", was incorporated in the Republic of Mauritius under the Mauritius Companies Act 2001 on 09 May 2005 as a private company with liability limited by shares and holds a Category 1 Global Business Licence issued by the Financial Services Commission. The Company's registered office is IFS Court, Bank Street, TwentyEight, Cybercity, Ebene 72201, Republic of Mauritius.

The principal activity of the Company is to hold investments.

The financial statements of the Company have been prepared in accordance with International Financial Reporting Standards ("IFRS") as issued by the International Accounting Standards Board ("IASB").

Indian Rupee ("INR") amounts are included solely for convenience. These transactions should not be construed as representations that the USD amounts actually represent, or have been or could be converted into INR. As the amounts shown in INR are for convenience only, the rate of 1 USD = INR 66.345 has been used for the purpose of presentation of the INR amounts in the accompanying financial statements for the two years ended 31 March 2015 and 31 March 2016 respectively.

### 2. APPLICATION OF NEW AND REVISED IFRS

#### 2.1 New and revised standards that are effective for the annual year beginning on 01 April 2015

The Company has applied the following new and revised standards issued by the International Accounting Standards Board ("IASB") that are mandatory for the first time for the financial year beginning on 01 April 2015:

IAS 19	Defined Benefit Plans: Employee Contributions (Amendments to IAS 19)
Various	Annual Improvements to IFRSs 2010-2012 cycle and 2011-2013 cycle

The directors have assessed the impact of these revised standards and amendments and concluded that only IAS 24, *Related Party Disclosure*, as defined in Annual Improvements to IFRSs 2010-2012 cycle has an impact on the disclosures of these financial statements.

#### 2.2 Standards, Amendments and Interpretations to existing Standards that are not yet effective and have not been adopted early by the Company

At the date of authorisation of these financial statements, certain new standards, amendments and interpretations to existing standards have been published by the IASB but are not yet effective, and have not been adopted early by the Company.

Management anticipates that all of the relevant pronouncements will be adopted in the Company's accounting policies for the first year beginning after the effective date of the pronouncements. Information on new standards, amendments and interpretations is provided below.

IAS 7	Disclosure Initiative (Amendments to IAS 7)
IAS 12	Recognition of Deferred Tax Assets for Unrealised Losses (Amendments to IAS 12)

IFRS 14	Regulatory Deferral Accounts
Various	Annual Improvements to IFRSs 2012-2014 Cycle

### 3. SUMMARY OF ACCOUNTING POLICIES

#### 3.1 Overall considerations

The financial statements have been prepared using the significant accounting policies and measurement bases summarised below.

#### 3.2 Revenue

Dividend income is recognised when the Company's right to receive such dividend is established.

Interest income is recognised on the accrual basis using the effective interest method, unless collectability is in doubt.

#### 3.3 Expenses

All expenses are accounted for in the statement of comprehensive income on the accrual basis.

#### 3.4 Taxation

Tax expense recognised in the statement of comprehensive income comprises the sum of deferred tax and current tax not recognised in other comprehensive income or directly in equity.

Current income tax assets and/or liabilities comprise those obligations to, or claims from, fiscal authorities relating to the current or prior reporting years, that are unpaid at the reporting date. Current tax is payable on taxable profit, which differs from profit or loss in the financial statements.

Calculation of current tax is based on tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting date.

Deferred income taxes are calculated using the liability method on temporary differences between the carrying amounts of assets and liabilities and their tax bases.

#### 3.5 Financial instruments

##### Recognition, initial measurement and derecognition

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted by transactions costs. Subsequent measurement of financial assets and financial liabilities is described below.

Financial assets are derecognised when the contractual rights to the cash flows from the financial assets expire, or when the financial asset and all substantial risks and rewards are transferred. A financial liability is derecognised when it is extinguished, discharged, cancelled or expired.

##### Classification and subsequent measurement of financial assets

For the purpose of subsequent measurement, financial assets are classified into available-for-sale financial assets and loans and receivables.

All financial assets are reviewed for impairment at least at each reporting date to identify whether there is any objective evidence that a financial asset or a group of financial assets is impaired. Different criteria to determine impairment are applied for each category of financial assets.

All income and expenses relating to financial assets are recognised in the statement of comprehensive income.

*Available-for-sale financial assets*

An available-for-sale financial asset is a non-derivative financial asset that is either designated to this category or does not qualify for inclusion in any of the other categories of financial assets.

The Company's main financial asset comprises an investment in a listed company which is classified as an available-for-sale financial asset. This category determines subsequent measurement and whether any resulting income and expense is recognised in the statement of comprehensive income.

The investment is measured at fair value and the resulting temporary unrealised gains/(losses) (including unrealised foreign exchange gains/(losses) on retranslation at the closing rate, if any) are reported as a separate component of equity in "Fair Value Reserves", until the underlying investment is sold or permanently written off, when the total realised gains/(losses) are included in the statement of comprehensive income.

The valuation of investments may not necessarily represent the amounts that may eventually be realised from sales or other dispositions.

*Loans and receivables*

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. After initial recognition, these are measured at amortised cost using the effective interest method, less provision for impairment. Discounting is omitted where the effect of discounting is immaterial. The Company's cash and cash equivalents fall into this category of financial instruments.

**Classification and subsequent measurement of financial liabilities**

The Company's financial liabilities consist of accruals.

Financial liabilities are measured subsequently at amortised cost using the effective interest method.

**Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount reported in the statement of financial position when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

**3.6 Cash and cash equivalents**

Cash and cash equivalents comprise cash at bank. Cash equivalents are short term, highly liquid investments maturing within 90 days from the date of acquisition that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

**3.7 Equity and reserves**

Stated capital is determined using the value of shares that have been issued.

Retained earnings include all current and prior years' results as disclosed in the statement of comprehensive income.

Fair value reserves relate to the unrealised gains/losses arising out from the re-measurement of an available-for-sale financial asset to its fair value.

**3.8 Related parties**

A related party is a person or company where that person or company has control or joint control of the reporting company; has significant influence over the reporting company; or is a member of the key management personnel of the reporting company or of a parent of the reporting company.

**3.9 Foreign currency translation**

*Functional and presentation currency*

The financial statements are presented in United States Dollar ("USD"), which is also the functional currency of the Company.

*Foreign currency transactions and balances*

Foreign currency transactions are translated into the functional currency of the Company using the exchange rates prevailing at the dates of the transactions (spot exchange rate). Foreign exchange gains and losses resulting from the settlement of such transactions and from the re-measurement of monetary items denominated in foreign currency at year-end exchange rates are recognised in the statement of comprehensive income.

Non-monetary items are not retranslated at year-end and are measured at historical cost (translated using the exchange rates at the transaction date), except for non-monetary items measured at fair value which are translated using the exchange rates at the date when fair value was determined.

**3.10 Provisions**

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation and the amount can be estimated reliably. Timing or amount of the outflow may still be uncertain.

Provisions are measured at the estimated expenditure required to settle the present obligation, based on the most reliable evidence available at the reporting date, including the risks and uncertainties associated with the present obligation. The increase in the provision due to passage of time is recognised as interest expense in the statement of comprehensive income.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole.

**3.11 Comparatives**

Where necessary, comparative figures have been adjusted to conform to changes in presentation in the current year.

**4. SIGNIFICANT MANAGEMENT JUDGEMENT IN APPLYING ACCOUNTING POLICIES AND ESTIMATION CERTAINTY**

When preparing the financial statements, management undertakes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses.

**Significant management judgement**

Significant management judgement in applying the accounting policies of the Company that has the most significant effect on the financial statements is set below.

*Determination of functional currency*

The determination of the functional currency of the Company is critical since recording of transactions and exchange differences arising therefrom are dependent on the functional currency selected. The directors have considered those factors and have determined that the functional currency of the Company is the USD.

**Estimation uncertainty**

There are no estimates that would affect the recognition and measurement of assets, liabilities, income and expenses.

**5. FINANCIAL INSTRUMENT RISK**

**Risk management objectives and policies**

The Company is exposed to various risks in relation to financial instruments. The main types of risks are market risk, credit risk and liquidity risk.

The Company's financial assets and financial liabilities by category are summarised below.

The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate measures and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and in the Company's activities.

The Company does not actively engage in the trading of financial assets and derivatives for speculative purposes nor does it write options. The most significant financial risks to which the Company is exposed to are described below.

### 5.1 Market risk analysis

The Company is exposed to market risk through its use of financial instruments and specifically to currency risk, interest rate risk and other price risk, which result from both its operating and investing activities.

#### Foreign currency sensitivity

Foreign currency risk, as defined in IFRS 7: *Financial Instruments: Disclosures*, arises as the value of future transactions, recognised monetary assets and monetary liabilities denominated in other currencies fluctuate due to changes in foreign exchange rates.

The Company is exposed to foreign exchange risk on account of its available-for-sale financial asset denominated in the Indian Rupee (INR).

The currency profile of its financial assets and financial liabilities is as follows:

	Financial assets 2016	Financial liabilities 2016	Financial assets 2015	Financial liabilities 2015
	USD	USD	USD	USD
<b>Long term exposure</b>				
Indian Rupee (INR)	1,739,216	-	2,443,756	-
<b>Short term exposure</b>				
United States Dollar (USD)	22,469,348	8,759	22,408,995	8,593
<b>Total exposure</b>	<b>24,208,564</b>	<b>8,759</b>	24,852,751	8,593
	Financial assets 2016	Financial liabilities 2016	Financial assets 2015	Financial liabilities 2015
	INR	INR	INR	INR
	(Note 1)	(Note 1)	(Note 1)	(Note 1)
<b>Long term exposure</b>				
Indian Rupee (INR)	115,388,286	-	162,130,992	-
<b>Short term exposure</b>				
United States Dollar (USD)	1,490,728,893	581,116	1,486,724,773	570,102
<b>Total exposure</b>	<b>1,606,117,179</b>	<b>581,116</b>	1,648,855,765	570,102

The following analysis illustrates the sensitivity of profit and equity in regard to the Company's financial assets and financial liabilities and the USD/INR exchange rate, "all other things being equal".

It assumes a 6% change of the USD/INR exchange rate for the year ended 31 March 2016 (31 March 2015: 4%). The sensitivity analysis is based on the Company's foreign currency financial instruments held at each reporting date.

If the USD had strengthened against the INR by 6%, other comprehensive income and equity would have decreased by **USD 98,450** (2014: USD 97,750). If the USD had weakened against the INR by 6%, then other comprehensive income and equity would have increased by **USD 98,450** (2014: USD 97,750). There would be no impact on profit or loss for the year as the investments denominated in INR are listed securities classified as available-for-sale financial asset.

#### Interest rate sensitivity

The Company's exposure to interest rate risk is limited to its bank balance and the interest thereon is based on market interest rates. At 31 March 2016, the bank balance stood at USD 22,434,906 (2015: USD 22,391,133) and bank interest income earned during the year was USD 118,575 (2015: USD 108,588). A change in the market interest rate would only impact marginally on the Company's operating cash flows.

#### Other price sensitivity

The Company is exposed to other price risk in respect of its available-for-sale financial asset, which is listed on the Bombay Stock Exchange and the National Stock Exchange of India. The average volatility observed in the share prices during the year ended 31 March 2016 is shown in the table below:

Name of investee company	% decrease in share price 2016	% increase in share price 2015
Tech Mahindra Limited	25%	38%

If the quoted stock prices for these securities increased or decreased by the above percentages, other comprehensive income and equity would have changed as shown below at 31 March 2016:

	Other comprehensive income and equity			
	2016 USD	2016 INR	2015 USD	2015 INR
		(Note 1)		(Note 1)
Increase	434,804	28,847,071	928,627	61,609,758
Decrease	(434,804)	(28,847,071)	(928,627)	(61,609,758)

The listed securities are classified as an available-for-sale financial asset and therefore no effect on profit or loss has occurred.

### 5.2 Credit risk analysis

Credit risk is the risk that a counterparty fails to discharge an obligation to the Company.

The Company's exposure to credit risk is limited to the carrying amount of financial assets recognised at the reporting date, as summarised below:

	2016 USD	2016 INR	2015 USD	2015 INR
		(Note 1)		(Note 1)
<b>ASSETS</b>				
<b>Non-current</b>				
Available-for-sale financial asset	1,739,216	115,388,286	2,443,756	162,130,992
<b>Current</b>				
Cash and cash equivalents	22,469,348	1,490,728,893	22,408,995	1,486,724,773
<b>Total assets</b>	<b>24,208,564</b>	<b>1,606,117,179</b>	24,852,751	1,648,855,765

The Company holds an investment in Tech Mahindra Limited, a listed company incorporated in the Republic of India and whose fair value exceeds its cost (Note 9 to these financial statements).

The credit risk for the bank balance is considered negligible, since the counterparty is a reputable bank with high quality external credit ratings. None of the Company's financial assets are secured by collateral or other credit enhancements.

### 5.3 Liquidity risk analysis

Liquidity risk is the risk that the Company might be unable to meet its obligations.

The Company manages its liquidity risk by carefully monitoring all its cash inflows and outflows. Cash inflows during the year mainly relate to dividend income and cash outflows mainly relate to operating expenses.

At 31 March 2016, the Company's financial liabilities have contractual maturities which are summarised below:

	Within 1 year	More than 1 year	Within 1 year	More than 1 year
	USD	USD	INR (Note 1)	INR (Note 1)
Accruals	8,759	–	581,116	–

This compares with the maturity of the Company's financial liabilities in the previous reporting year as follows:

	Within 1 Year	More than 1 year	Within 1 year	More than 1 year
	USD	USD	INR (Note 1)	INR (Note 1)
Accruals	8,593	–	570,102	–

## 6. FAIR VALUE MEASUREMENT

### 6.1 Fair value measurement of financial instruments

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

- **Level 1:** quoted prices (unadjusted) in active markets for identical assets or liabilities;
- **Level 2:** inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly; and
- **Level 3:** unobservable inputs for the asset or liability.

The following table shows the Levels within the hierarchy of financial assets measured at fair value on a recurring basis at 31 March 2015 and 31 March 2016:

31 March 2016	Note	Level 1	Level 2	Level 3	Total
		USD	USD	USD	USD
<b>Assets</b>					
Listed investment	(i)	1,739,216	–	–	1,739,216

		USD	USD	USD	USD
<b>Assets</b>					
Listed investment	(i)	2,443,756	–	–	2,443,756

31 March 2015	Note	Level 1	Level 2	Level 3	Total
		INR (Note 1)	INR (Note 1)	INR (Note 1)	INR (Note 1)

### Assets

Listed investment	(i)	162,130,992	–	–	162,130,992
-------------------	-----	-------------	---	---	-------------

There has been no transfer between Level 1 and Level 2 in 2016 and 2015.

### Measurement of fair value

The methods used for the purpose of measuring fair value are unchanged compared with the previous reporting year.

#### (i) Listed investment

The listed equity investment is denominated in INR and is publicly traded on the Bombay Stock Exchange and the National Stock Exchange of India. Fair values have been determined by reference to its quoted closing share price at the reporting date.

The Company's other financial assets and financial liabilities are measured at their carrying amounts, which approximate to their fair values.

### 6.2 Fair value measurement of non-financial assets and non-financial liabilities

The Company's non-financial assets consist of prepayments only, for which fair value measurement is not applicable since it is not measured at fair value on a recurring or non-recurring basis in the statement of financial position. At the reporting date, the Company did not have any non-financial liabilities.

## 7. CAPITAL MANAGEMENT POLICIES AND PROCEDURES

The Company's objectives when managing capital are to safeguard the Company's ability to continue as a going concern in order to provide returns to its shareholders.

In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to its members, buy back shares or issue new shares.

The Company monitors capital on the basis of the gearing ratio. This ratio is calculated as net debt divided by total capital. For the years ended 31 March 2015 and 31 March 2016 respectively, the Company was not geared.

## 8. TAXATION

### (i) Income tax

Under current laws and regulations, the Company is liable to pay income tax on its net income at a rate of 15%. The Company is, however, entitled to a tax credit equivalent to the higher of actual foreign tax suffered or 80% of Mauritius tax payable in respect of its foreign source income, thus reducing its maximum effective tax rate to 3%. Capital gains from sales of units and securities are exempt from income tax in the Republic of Mauritius.

The Company has received a tax residence certificate from the Mauritian authorities, confirming that the Company is a tax resident of the Republic of Mauritius, which is renewable on an annual basis, subject to meeting certain conditions and under which the Company is eligible to obtain benefits under the Double Taxation Avoidance Agreement between the Republic of Mauritius and the Republic of India.

At 31 March 2016, the Company has accumulated tax losses of USD 131,101 which will be carried forward and available for set off against future taxable profits as follows:

	USD	INR (Note 1)
Up to the year ending 31 March 2017	71,778	4,762,111
Up to the year ending 31 March 2018	50,821	3,371,719
Up to the year ending 31 March 2019	8,502	564,065
	131,101	8,697,895

During the year under review, part of tax losses incurred in the year ended 31 March 2011 has been utilised against the chargeable income earned and the balance of USD 14,551 has lapsed.

(ii) **Deferred taxation**

Deferred income taxes are calculated on all temporary differences under the liability method at the rate of 3%. At 31 March 2016, the Company had no temporary differences and hence no deferred taxation is to be recognised in the financial statements.

(iii) **Income tax reconciliation**

The income tax on the Company's profit/(loss) before tax differs from the theoretical amount that would arise using the effective tax rate of the Company as follows:

	2016	2016	2015	2015
	USD	INR	USD	INR
Profit before tax	60,188	3,993,173	100,502	6,667,805
Tax calculated at the rate of 3%	1,806	119,819	3,015	200,030
Exempt income not subject to tax	(3,557)	(235,989)	(3,258)	(216,152)
Expenses not allowable for tax purposes	2,043	135,543	704	46,707

**14. CONTINGENT ASSETS AND LIABILITIES**
Contingent assets

On 22 March 2010, the Company disposed of part of its shareholding in Tech Mahindra Limited, a listed company incorporated in India, to AT&T International, Inc. ("AT&T"). Following the withholding tax order received from the Indian Tax Authorities, AT&T withheld an amount of INR 190,061,898 as 'withholding tax' under Section 195 of the Indian Income Tax Act and paid the same into the treasury of the Government of India. In the opinion of the Company, there is no tax liability on this transaction as the Company is a resident of Mauritius and capital gains realised in India on this disposal are therefore exempt from tax in India under the Republic of Mauritius-Republic of India Double Taxation Avoidance Agreement. Accordingly, in line with the decision of its Board of Directors, the Company filed an application before the Authority for Advance Rulings in India on the taxability of capital gains in India under the said Double Taxation Avoidance Agreement. Recovery of the withholding tax suffered is contingent upon the Authority of Advance Rulings pronouncing a ruling in favour of the Company.

Contingent liabilities

At 31 March 2016, the Company had no material litigation claims outstanding, pending or threatened against it, which could have a material adverse effect on its financial position or results.

**15. EVENTS AFTER REPORTING DATE**

There have been no events after the reporting date, which require disclosure or adjustment to the 31 March 2016 financial statements.

**16. HOLDING COMPANIES**

The directors regard Mahindra Overseas Investment Company (Mauritius) Ltd, a company incorporated in the Republic of Mauritius, as the Company's immediate holding company and Mahindra and Mahindra Limited, a listed company incorporated in India, as the Company's ultimate holding company.

No material changes and commitments have occurred after the close of the year till the date of this Report which affect the financial position of your Company.

**OPERATIONS**

The slowdown in the domestic auto industry resulted in lower demand for processed steel. The demand from transformer industry continued to be robust resulting in better capacity utilization and margins.

Your Company's income for the year was Rs. 1019.03 crores compared to Rs. 1213.69 crores in the previous year. The decline is owing to the subdued performance of auto industry. The power vertical continued to perform well during the year. Profit before tax for the year was at Rs. 95.02 crores as compared to Rs. 110.24 crores in the previous year.

**DIVIDEND**

Your Directors recommend a dividend @ 120% on its equity shares, i.e. Rs. 12 per equity share on 1,21,00,007 fully paid-up equity shares of Rs. 10 each and pro rata dividend of Rs. 3.60 per equity share on 1,50,00,000 partly paid-up equity shares of Rs. 10 each, Rs. 3 per equity share paid-up, aggregating Rs. 19.92 crores.

If approved by the shareholders at the ensuing Annual General Meeting, the above equity dividend will be paid to those equity shareholders whose names appear on the Register of Members as on the record date fixed for this purpose, i.e. 24<sup>th</sup> June, 2016, the date of the Annual General Meeting of the Company.

Equity dividend for the year, together with income tax thereon, will absorb a sum of Rs. 23.98 crores as against Rs. 19.98 crores paid for the previous year.

**CURRENT YEAR**

Your Company expects an improvement in auto demand which would help to improve its overall performance, during the current year.

**SUBSIDIARIES****Mahindra Steel Service Centre Limited (MSSCL):**

## ANNEXURE III TO THE DIRECTORS' REPORT

### POLICY ON APPOINTMENT/REMOVAL OF DIRECTORS AND SENIOR MANAGEMENT

#### DEFINITIONS

The definitions of some of the key terms used in this Policy are given below.

“**Board**” means Board of Directors of the Company.

“**Company**” means Mahindra Intertrade Limited (MIL).

“**Committee(s)**” means Committees of the Board for the time being in force.

“**Employee**” means employee of the Company whether employed in India or outside India including employees in the Senior Management team of the Company.

“**HR**” means the Human Resource department of the Company.

“**Key Managerial Personnel**” (**KMP**) refers to key managerial personnel as defined under the Companies Act, 2013 and includes:

- (i) Managing Director (MD) or Chief Executive Officer (CEO) or Manager or Whole time Director (WTD)
- (ii) Chief Financial Officer (CFO), and
- (iii) Company Secretary (CS).

“**Nomination and Remuneration Committee**” (**NRC**) means Nomination and Remuneration Committee of Board of Directors of the Company for the time being in force.

“**Senior Management**” means personnel of the Company who are members of its core management team excluding Board of Directors comprising all members of management one level below the executive directors, including functional heads.

#### I. APPOINTMENT OF DIRECTORS

- NRC reviews and assesses Board composition and recommends the appointment of new directors. In evaluating the suitability of an individual Board member, NRC shall take into account the following criteria regarding qualifications, positive attributes and independence of a director as applicable:
  - 1) All Board appointments will be based on merit, in the context of skills, experience, independence and knowledge required for the Board as a whole to be effective.
  - 2) Ability of the candidate to devote sufficient time and attention to professional obligations as an Independent Director for balanced decision making.
  - 3) Adherence to the Code of Conduct and ensuring the highest level of corporate governance, in letter and in spirit, by Directors.
- Based on NRC's recommendation, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board, through the

Managing Director, will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act 2013 and Rules made thereunder.

#### REMOVAL OF DIRECTORS

If a director is disqualified as per any applicable Act, or rules and regulations thereunder, or due to non-adherence to the applicable policies of the company, NRC may recommend to the Board, with reasons recorded in writing, removal of a director subject to compliance of the applicable statutory provisions.

#### SENIOR MANAGEMENT PERSONNEL

NRC shall identify persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down above.

For administrative convenience, senior management personnel will be appointed or promoted and removed/relieved with the authority of the Managing Director based on business needs and suitability of the candidate.

Managing Director shall report details of such appointments to NRC at least twice in a year.

#### II. SUCCESSION PLANNING:

##### Purpose

The Talent Management Policy sets out the approach to the development and management of talent in the Company to ensure implementation of the strategic business plans of the Company.

##### Board:

Successors for Independent Directors shall be identified by the NRC at least one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor(s) will be appointed at the earliest but not later than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

Successors for Executive Director(s) shall be identified by the NRC from Senior Management or through external sources as the Board may deem fit.

The Board may also decide at its discretion not to fill a vacancy on the Board.

##### Senior Management Personnel:

The Company's succession planning program aims to identify high growth potential individuals, and groom them in order to maintain a robust talent pipeline.

The Company has a process of identifying individuals with high potential and having abilities to hold critical positions. Successors are mapped for such positions in order to ensure talent readiness.

The Company participates in the Mahindra Group's Talent Management process which is driven by a collaborative network of Talent Councils across the Group's various Sectors.

## **POLICY FOR REMUNERATION OF DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES**

### **Purpose**

This Policy sets out the approach to Compensation of Directors, Key Managerial Personnel and other employees in Mahindra Intertrade Limited (MIL).

### **Policy Statement**

Our compensation philosophy strives to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in business.

In order to effectively implement this, our compensation structure is developed through external benchmarking as appropriate, with relevant players across the industry we operate in.

### **NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS:**

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both fixed and variable, to Non-Executive Directors, including Independent Directors, whether as commission or otherwise. NRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and such other factors as the NRC may deem fit for determining compensation.

The Board shall determine compensation to Non-Executive Directors within the overall limits specified in the Shareholders' resolution.

### **Executive Directors:**

The remuneration to Managing Director and Executive Director(s) shall be recommended by NRC to the Board. Remuneration will consist of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where

applicable), perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders' resolution. While fixed compensation is determined at the time of their appointment, variable compensation will be determined annually by NRC based on their performance.

### **Key Managerial Personnel (KMPs)**

The terms of remuneration of the Chief Executive Officer (CEO), Chief Financial Officer (CFO) and the Company Secretary (CS) shall be determined either by any Director or such other person as may be authorised by the Board.

The above remuneration shall be competitively benchmarked for similar positions in the industry and aligned with their qualifications, experience, and responsibilities. Pursuant to the provisions of section 203 of the Companies Act 2013, the Board shall approve remuneration of the above KMPs at the time of their appointment.

The remuneration to directors, KMPs and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

### **Employees**

We follow a position and level based approach for compensation benchmarking with companies in the steel/ steel service centre and related engineering industries.

We have a CTC (Cost to Company) concept which includes a fixed component (guaranteed pay) and a variable component (performance pay). The percentage of the variable component increases with increasing hierarchy levels as employees at higher positions have a greater impact and influence on the company's overall business result. CTC is reviewed once every year and the compensation strategy for positioning of individuals takes into consideration the following elements:

- Performance
- Potential
- Criticality

Remuneration for new employees other than KMPs and senior management will be decided by HR, and approved by the Managing Director, based on factors such as relevant job experience, last compensation drawn, skill-set of the selected candidate, internal equity and related parameters.

The Company may also grant Stock Appreciation Rights to Employees and Directors (other than Independent Directors) in accordance with the Stock Appreciation Rights Scheme of the Company and subject to compliance of the applicable statutes and regulations.

**ANNEXURE IV TO THE DIRECTORS' REPORT****Form No. MR-3****SECRETARIAL AUDIT REPORT**FOR THE FINANCIAL YEAR ENDED 31<sup>ST</sup> MARCH 2016

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under Section 143(11) of the Act.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements

give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and its profit and its cash flows for the year ended on that date.

### Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards prescribed under Section 133 of the Act, as applicable.
  - (e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2016 from being appointed as a director in terms of Section 164(2) of the Act.
  - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 25.1(i) to the financial statements.
    - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
    - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

## ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

**(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date to the members of Mahindra Intertrade Limited on the financial statements for the year ended 31<sup>st</sup> March, 2016)**

**Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Mahindra Intertrade Limited (“the Company”) as of 31<sup>st</sup> March, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditor’s Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit

opinion on the Company’s internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the members of Mahindra Intertrade Limited on the financial statements for the year ended 31<sup>st</sup> March, 2016)

- (i) In respect of its fixed assets:
- The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets.
  - The Company has a program of verification of fixed assets to cover all the items in a phased manner over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets.
  - According to the information and explanations given to us and the records examined by us and based on the examination of registered sale deeds provided to us, we report that, the title deeds, of land and building which are freehold, are held in the name of the Company as at the balance sheet date. In respect of the immovable property of land which has been taken on lease and the building constructed thereon by the Company, disclosed as fixed assets in the financial statements, the lease agreement is in the name of the Company, where the Company is the lessee in the agreement.
- (ii) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals and no material discrepancies were noticed on physical verification.
- (iii) The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Companies Act, 2013.
- (iv) The Company has not granted any loans, made investments or provide guarantees and hence reporting under clause (iv) of the CARO 2016 is not applicable.
- (v) According to the information and explanations given to us, the Company has not accepted any deposit during the year.
- (vi) We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Amendment Rules, 2014 prescribed by the Central Government under Sub-section (1) of Section 148 of the Companies Act, 2013 and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) According to the information and explanations given to us in respect of statutory dues:
- The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund,

Employees' State Insurance, Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, cess and other material statutory dues applicable to it with the appropriate authorities.

- No undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, Cess and any other statutory dues were in arrears as at 31<sup>st</sup> March, 2016 for a period of more than six months from the date they became payable.
- Details of dues of Sales Tax and Value Added Tax which have not been deposited as on 31<sup>st</sup> March, 2016 on account of disputes are given below:

Name of Statute	Nature of Dues	Forum where Dispute is Pending	Period to which the Amount Relates	Amount Involved (Rs.) (in crores)	Amount Unpaid (Rs.) (in crores)
The Maharashtra Value Added Tax 2002	VAT	The Joint Commissioner of Sales Tax (Appeal) V	2010-2011 & 2011-2012	2.65	2.60
The Central Sales Tax Act 1956 (Maharashtra)	CST	The Joint Commissioner of Sales Tax (Appeal) V	2010-2011 & 2011-2012	0.10	0.10
The Gujarat Value Added Tax 2003	VAT	The Joint Commissioner of Commercial Tax [Appeals]	2010-2011	.01	*
The Central Sales Tax Act 1956 (Gujarat)	CST	The Joint Commissioner of Commercial Tax [Appeals]	2010-2011	1.15	.25

\* Represents amount less than Rs. 50,000

- In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings to banks. The Company has not issued any debentures.
- The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under clause (ix) of the CARO 2016 Order is not applicable.
- To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no fraud on the Company by its officers or employees has been noticed or reported during the year.
- In our opinion and according to the information and explanations given to us, the Company has paid/provided managerial remuneration in accordance with the requisite

approvals mandated by the provisions of Section 197 read with Schedule V to the Companies Act, 2013.

(xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the CARO 2016 Order is not applicable.

(xiii) In our opinion and according to the information and explanations given to us the Company is in compliance with Sections 188 and 177 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.

(xiv) During the year the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under clause (xiv) of CARO 2016 Order is not applicable to the Company.

(xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with him and hence provisions of Section 192 of the Companies Act, 2013 are not applicable.

(xvi) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS

### 1. Corporate information:

Mahindra Intertrade Limited is a public limited company incorporated on 21 May, 1998 under the Companies Act, 1956. The Company's main activity is steel processing and it has service centres at Nashik and Vadodara. The Company processes automotive and electrical steel.

### 2. Significant Accounting Policies followed by the Company:

#### 2.1 Basis of accounting and preparation of financial statements:

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under section 133 of the Companies Act, 2013 read with rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 (The Act). The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

All assets and liabilities are classified as current if it is expected to realise or settle within 12 months after the Balance Sheet date.

#### 2.2 Use of estimates:

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates, are recognized in the periods in which the results are known/materialize.

#### 2.3 Inventories:

Inventories are stated at cost or net realizable value, whichever is lower. Cost is arrived at on a weighted average method and includes, where appropriate, manufacturing overheads and excise duty.

#### 2.4 Cash and cash equivalents (for purposes of Cash Flow Statement):

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

#### 2.5 Cash flow statement:

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

#### 2.6 Fixed Assets:

(a) Fixed Assets are stated at cost less accumulated depreciation/amortization. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses. Borrowing costs that are attributable to the acquisition, construction or production of a qualifying asset are included in the cost of asset upto the date the asset is ready for its intended use.

- (b) (i) Leasehold land is amortised over the period of lease.  
(ii) Depreciation on tangible fixed assets has been provided on straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013, except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under, taking into account the estimated usage of the asset in case of Motor Vehicle and based on technical advice in case of Blanking line.

Motor Vehicles: 5 years  
Blanking Line (Nashik): 20 years

- (c) Goodwill arising on acquisition of business is being amortised equally over a period of ten years.

#### 2.7 Revenue Recognition:

Sale of products are recognized, when the significant risks and rewards of ownership are transferred to the Buyer. Sales include excise duty, but excludes sales tax and value added tax.

Sales of services are recognised when services are rendered.

#### 2.8 Other Income:

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive it is established.

#### 2.9 Foreign Currency Transactions:

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. All foreign currency monetary items outstanding at the year end (excluding long term liability) are translated at the relevant rates of exchange prevailing at the year end. Exchange differences arising on settlement/restatement of foreign currency monetary assets & liabilities of the Company are recognized as income or expense in the Statement of Profit and Loss. In respect of forward exchange contracts, the premium or discount arising at the inception of such a contract is amortized as expense or income over the life of the contract.

Exchange differences relating to long term foreign currency monetary items, to the extent they are used for financing and acquisition of fixed assets are added to or subtracted from the cost of depreciable fixed assets to which the monetary item relates and depreciated over the remaining useful life of such assets.

#### 2.10 Investments:

Long term Investments are valued at cost less provision, if any, for decline other than temporary, in value of such investments. Current investments are valued at the lower of cost and fair value, determined by category of investment.

#### 2.11 Employee Benefits:

- i) Defined Contribution Plan:

Company's contributions paid/payable during the year to the provident fund, superannuation fund, employee state insurance corporation and labour welfare fund are recognized in the Statement of Profit and Loss based on the amount of contribution required to be made and when services are rendered by the employees.

- ii) Defined Benefit Plan/Long Term Compensated Absences:

Company's liability towards gratuity, compensated absence and post retirement medical benefit schemes are determined by an independent actuary using the projected unit credit method at each Balance Sheet date. Past service cost are recognised on a straight line basis over the average period until the benefits become vested. Actuarial gains and losses are recognised immediately in the statement of Profit and Loss as income or expense. Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to market yields at the Balance Sheet date on Government Bonds where the currency and terms of the Government Bonds are consistent with the currency and estimated terms of the defined benefit obligation, as reduced by the fair value of Scheme assets.

#### 2.12 Taxes on Income:

Tax expense comprises current and deferred tax. Current Tax is determined as either (i) the amount of tax payable in respect of taxable income after considering usual allowances and disallowances under the Income-tax Act, 1961 or (ii) Minimum Alternate Tax for the year. Credit in respect of Minimum Alternate Tax paid is recognised only if there is convincing evidence of realisation of the same.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realized. However, if there

are unabsorbed depreciation and carry forward of losses, deferred tax assets are recognized only if there is virtual certainty that there will be sufficient future taxable income available to realize the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

**2.13 Earnings per share:**

Basic earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year.

**2.14 Provisions and contingencies:**

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow

of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements.

**2.15 Stock Appreciation Rights (SARs):**

The compensation cost of SARs granted to employees is accounted by the Company using the intrinsic value method. The fair value of the equity shares is based on valuation obtained from an independent valuer. Difference between market value and face value of the equity shares, being the intrinsic value, is recognised as compensation cost over the vesting period.

### 32. Stock Appreciation Rights:

The Company has granted Stock Appreciation Rights ("SARs") to eligible employees in accordance with the Stock Appreciation Rights Scheme 2013 (SARS-2013) during the years ended 31st March 2013, 31st March 2014, 31st March, 2015 and 31st March 2016. Under the scheme, eligible employees are entitled to receive appreciation in value of equity shares over its face value on exercise of the SARs. The SARs may be exercised up to a period of three years from the date of vesting.

The compensation cost of SARs granted to employees is accounted by the Company using the intrinsic value method. The fair value of the equity shares is based on valuation obtained from an independent valuer. Difference between market value and face value of the equity shares, being the intrinsic value, has been recognised as compensation cost over the vesting period. The related expenses for SARs amounting to Rs. 1.26 crores (2015: Rs. 0.81 crores) has been recognised as employee cost.

#### Summary of SARs:

SARs outstanding on 1st April 2015	357,277
SARs granted during the year	31,677
SARs exercised during the year	123,747
SARs outstanding on 31st March 2016	265,207

The fair value of SARs granted during the year is Rs. 84.51 per SARs.

Had the Company adopted fair value method as described in the Guidance note on Accounting for Employee Share - based Payments issued by the Institute of Chartered Accountants of India, the employee compensation cost would have been lower by Rs. 0.39 crore, profit after tax higher by Rs. 0.25 crore and the earnings per share would have been higher by Re. 0.15

The fair value has been calculated using the Black Scholes Options Pricing Model and the significant assumptions made in this regard are as follows:

	Grant dated 28 <sup>th</sup> January, 2016	Grant dated 28 <sup>th</sup> January, 2015
Risk free interest rate	Annualised continuously compounded rate on safe asset with same maturity	
Expected volatility	15.94%	13.51%
Expected dividend yield	7.04%	8.95%

#### Note 33 Excise duty:

Excise duty disclosed under "Other Expenses" (Note 24) represents the difference between the excise duty on opening stock and closing stock of finished goods.

#### Note 34 Corporate social responsibilities (CSR):

The CSR obligation for the year as computed by the Company and relied upon by the auditors is Rs. 1.84 cr (FY 2015: Rs. 1.88). CSR amount spent during the year is Rs. 1.92 cr (FY 2015 : Rs. 1.87 cr).

#### Note 35 Previous year's figures:

Previous year's figures have been regrouped/reclassified wherever necessary to correspond with the current year's classification/disclosure.

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF MAHINDRA ELECTRICAL STEEL PRIVATE LIMITED

#### Report on the Financial Statements

We have audited the accompanying financial statements of **MAHINDRA ELECTRICAL STEEL PRIVATE LIMITED** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act, as applicable.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under Section 143(11) of the Act.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the

Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and its profit and its cash flows for the year ended on that date.

#### Emphasis of Matter

We draw attention to Note 19 to the financial statements, as stated in the Note, although the accumulated losses as at the year end has wiped out the net worth of the Company, the financial statements have been prepared on a going concern basis for the reason stated therein.

Our opinion is not modified in respect of this matter.

#### Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards prescribed under Section 133 of the Act, as applicable.
  - e) The going concern matter under the Emphasis of Matters paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.
  - f) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2016 from being appointed as a director in terms of Section 164(2) of the Act.
  - g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer

to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position.
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

## ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1 (g) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date to the members of Mahindra Electrical Steel Private Limited on the financial statements for the year ended 31<sup>st</sup> March, 2016)

### **Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Mahindra Electrical Steel Private Limited (“the Company”) as of 31<sup>st</sup> March, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditor’s Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Mahindra Electrical Steel Limited was incorporated in India on 10 June, 2009 as a Public Company with authorised share capital of Rs. 150,000,000. The Ministry of Corporate Affairs approved the change of name from Mahindra Electrical Steel Limited to Mahindra Electrical Steel Private Limited with effect from 13 January, 2012. The Company is a public Company by virtue of proviso to Section 2(71) of the Companies Act, 2013 ("the 2013 Act") as it is a subsidiary of a public limited Company. The Company's main object is to trade in or process non-ferrous/ferrous materials including various grades of steel.

### 2 Significant Accounting Policies followed by the Company

#### 2.1 Basis of accounting:

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the 2013 Act read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the 2013 Act. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

All assets and liabilities are classified as current if it is expected to realise or settle within 12 months after the Balance Sheet date.

#### 2.2 Use of estimates:

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates, are recognized in the periods in which the results are known/materialize.

#### 2.3 Cash and cash equivalents (for purposes of Cash Flow Statement):

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

#### 2.4 Cash flow statement:

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

#### 2.5 Fixed Assets:

(a) Fixed Assets are stated at cost less accumulated depreciation/amortization. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses. Borrowing costs that are attributable to the acquisition, construction or production of a qualifying asset are included in the cost of asset upto the date the asset is ready for its intended use.

(b) Leasehold land is amortized over the balance period of the lease.

#### 2.6 Earnings per share:

Basic earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year.

### 2.7 Taxes on income:

Tax expense consists of current tax and deferred tax. Current tax is determined as either (i) the amount of tax payable in respect of taxable income after considering usual allowances and disallowances under the Income-tax, 1961 or (ii) Minimum Alternate Tax for the year. Credit in respect of Minimum Alternate Tax paid is recognised only if there is convincing evidence of realisation of the same. Deferred tax reflects the impact of current year timing differences between taxable income and accounting income and reversal of timing differences of the earlier years.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses and items relating to capital losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

### 2.8 Provisions and contingencies:

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements.

## ANNEXURE II TO THE DIRECTORS' REPORT FOR THE FINANCIAL YEAR ENDED MARCH 31, 2016

### POLICY ON APPOINTMENT OF DIRECTORS AND SENIOR MANAGEMENT

#### DEFINITIONS

The definitions of some of the key terms used in this Policy are given below.

“**Board**” means Board of Directors of the Company.

“**Company**” means Mahindra Steel Service Centre Limited (MSSCL).

“**Committee(s)**” means Committees of the Board for the time being in force.

“**Employee**” means employee of the Company whether employed in India or outside India including employees in the Senior Management team of the Company.

“**HR**” means the Human Resource department of the Company.

“**Key Managerial Personnel**” (**KMP**) refers to key managerial personnel as defined under the Companies Act, 2013 and includes:

- (i) Managing Director (MD) or Chief Executive Officer (CEO) or Manager or Whole time Director (WTD),
- (ii) Chief Financial Officer (CFO), and
- (iii) Company Secretary (CS).

“**Nomination and Remuneration Committee**” (**NRC**) means Nomination and Remuneration Committee of Board of Directors of the Company for the time being in force.

“**Senior Management**” means personnel of the Company who are members of its core management team excluding Board of Directors comprising all members of management one level below the executive directors, including functional heads.

#### I. APPOINTMENT OF DIRECTORS

- NRC reviews and assesses Board composition and recommends the appointment of new directors. In evaluating the suitability of an individual Board member, NRC shall take into account the following criteria regarding qualifications, positive attributes and independence of a director as applicable:
  1. All Board appointments will be based on merit, in the context of skills, experience, independence and knowledge required for the Board as a whole to be effective.
  2. Ability of the candidate to devote sufficient time and attention to professional obligations as an Independent Director for balanced decision making.
  3. Adherence to the Code of Conduct and ensuring the highest level of corporate governance, in letter and in spirit, by Directors.
- Based on NRC's recommendation, the Board will evaluate the candidate(s) and decide on the

selection of the appropriate member. The Board, through the Managing Director, will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act, 2013 and Rules made thereunder.

#### REMOVAL OF DIRECTORS

If a director is disqualified as per any applicable Act, or rules and regulations thereunder, or due to non-adherence to the applicable policies of the Company, NRC may recommend to the Board, with reasons recorded in writing, removal of a director subject to compliance of the applicable statutory provisions.

#### SENIOR MANAGEMENT PERSONNEL

NRC shall identify persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down above.

For administrative convenience, senior management personnel will be appointed or promoted and removed/relieved with the authority of the Managing Director based on business needs and suitability of the candidate.

Managing Director shall report details of such appointments to NRC at least twice in a year.

#### II. SUCCESSION PLANNING:

##### Purpose:

The Talent Management Policy sets out the approach to the development and management of talent in the Company to ensure implementation of the strategic business plans of the Company.

##### Board:

Successors for Independent Directors shall be identified by the NRC at least one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor(s) will be appointed at the earliest but not later than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

Successors for Executive Director(s) shall be identified by the NRC from Senior Management or through external sources as the Board may deem fit.

The Board may also decide at its discretion not to fill a vacancy on the Board.

##### Senior Management Personnel:

The Company's succession planning program aims to identify high growth individuals, and groom them in order to maintain a robust talent pipeline.

The Company has a process of identifying individuals with high potential and having ability to hold critical positions.

Successors are mapped for such positions in order to ensure talent readiness.

The Company participates in the Mahindra Group's Talent Management process which is driven by a collaborative network of Talent Councils across the Group's various Sectors.

## **POLICY FOR REMUNERATION OF DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES**

### **Purpose**

This Policy sets out the approach to Compensation of Directors, Key Managerial Personnel and other employees in Mahindra Steel Service Centre Limited (MSSCL).

### **Policy Statement**

Our compensation philosophy strives to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in business.

In order to effectively implement this, our compensation structure is developed through external benchmarking as appropriate, with relevant players across the industry we operate in.

### **NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS:**

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both fixed and variable, to Non Executive Directors, including Independent Directors, whether as commission or otherwise. NRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act, 2013 and such other factors as the NRC may deem fit for determining compensation.

The Board shall determine compensation to Non-Executive Directors within the overall limits specified in the Shareholders' resolution.

### **Executive Directors**

The remuneration to Managing Director and Executive Director(s) shall be recommended by NRC to the Board. Remuneration will consist of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders' resolution. While fixed compensation is determined at the time of their appointment, variable compensation will be determined annually by NRC based on their performance.

### **Key Managerial Personnel (KMPs)**

The terms of remuneration of the Chief Financial Officer (CFO) shall be determined by the Audit Committee.

The terms of remuneration of the Company Secretary shall be determined either by any Director or such other person as may be authorised by the Board.

The above remuneration shall be competitively benchmarked for similar positions in the industry and aligned with their qualifications, experience, and responsibilities. Pursuant to the provisions of Section 203 of the Companies Act, 2013, the Board shall approve remuneration of the above KMPs at the time of their appointment.

The remuneration to directors, KMPs and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.

### **Employees**

We follow a position and level based approach for compensation benchmarking with companies in the steel/steel service centre and related engineering industries.

We have a CTC (Cost to Company) concept which includes a fixed component (guaranteed pay) and a variable component (performance pay). The percentage of the variable component increases with increasing hierarchy levels as employees at higher positions have a greater impact and influence on the Company's overall business result. CTC is reviewed once every year and the compensation strategy for positioning of individuals takes into consideration the following elements:

- Performance
- Potential
- Criticality

Remuneration for new employees other than KMPs and senior management will be decided by HR, and approved by the Managing Director, based on factors such as relevant job experience, last compensation drawn, skill-set of the selected candidate, internal equity and related parameters.

The Company may also grant Stock Appreciation Rights to Employees and Directors (other than Independent Directors) in accordance with the Stock Appreciation Rights Scheme of the Company and subject to compliance of the applicable statutes and regulations.

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF MAHINDRA STEEL SERVICE CENTRE LIMITED

#### Report on the Financial Statements

We have audited the accompanying financial statements of **MAHINDRA STEEL SERVICE CENTRE LIMITED** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act, as applicable.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under Section 143(11) of the Act.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements

give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and its profit and its cash flows for the year ended on that date.

#### Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards prescribed under Section 133 of the Act, as applicable.
  - (e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2016 from being appointed as a director in terms of Section 164(2) of the Act.
  - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements. – Refer Note 23 to the financial statements.
    - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
    - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

## ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1 (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date to the members of Mahindra Steel Service Centre Limited on the financial statements for the year ended 31<sup>st</sup> March, 2016)

### **Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Mahindra Steel Service Centre Limited (“the Company”) as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor’s Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls Over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' Section of our report of even date to the members of Mahindra Steel Service Centre Limited on the financial statements for the year ended 31<sup>st</sup> March, 2016)

- (i) In respect of its fixed assets:
- (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets.
- (b) The Company has a program of verification of fixed assets to cover all the items in a phased manner over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain fixed assets were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on physical verification.
- (c) According to the information and explanations given to us and the records examined by us in respect of immovable property of land that has been taken on lease and buildings constructed thereon by the Company, disclosed as fixed asset in the financial statements, the lease agreements are in the name of the Company, where the Company is the lessee in the agreement.
- (ii) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals and no material discrepancies were noticed on physical verification.
- (iii) The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Companies Act, 2013.
- (iv) The Company has not granted any loans, made investments or provided guarantees and hence reporting under clause (iv) of the CARO 2016 is not applicable.
- (v) According to the information and explanations given to us, the Company has not accepted any deposit during the year.
- (vi) We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Amendment Rules, 2014 prescribed by the Central Government under sub-Section (1) of Section 148 of the Companies Act, 2013 and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) According to the information and explanations given to us in respect of statutory dues:
- (a) The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, cess and other material statutory dues applicable to it with the appropriate authorities.
- (b) No undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, Cess and any other statutory dues were in arrears as at 31<sup>st</sup> March, 2016 for a period of more than six months from the date they became payable.
- (c) There are no dues of Income-tax, Sales Tax, Wealth Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax and Cess which have not been deposited as on March 31, 2016 on account of disputes.
- (viii) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings to banks and government.
- (ix) In our opinion and according to the information and explanations given to us, the term loans have been applied by the Company during the year for the purposes for which they were raised.
- (x) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no fraud on the Company by its officers or employees has been noticed or reported during the year.
- (xi) In our opinion and according to the information and explanations given to us, the Company is not required to pay any managerial remuneration in respect of the "Managing Director" appointed under Section 197 and other applicable provisions of the Companies Act, 2013, from time to time, as per the terms approved.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the CARO 2016 Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us the Company is in compliance with Section 188 and 177 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.
- (xiv) During the year the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under clause (xiv) of CARO 2016 Order is not applicable to the Company.
- (xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with him and hence provisions of Section 192 of the Companies Act, 2013 are not applicable.
- (xvi) The Company is not required to be registered under Section 45-I of the Reserve Bank of India Act, 1934.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS

### 1. Corporate information:

Mahindra Steel Service Centre Limited is a public limited company incorporated on 15 January, 1993 under the Companies Act, 1956. The Company's main activity is steel processing from the plants located at Kanhe and Bhopal. The Company processes automotive and electrical steel.

### 2. Significant Accounting Policies followed by the Company:

#### 2.1 Basis of accounting and preparation of financial statements:

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013 read with rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 (The Act). The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

All assets and liabilities are classified as current if it is expected to realise or settle within 12 months after the Balance Sheet date.

#### 2.2 Use of estimates:

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates, are recognized in the periods in which the results are known/materialize.

#### 2.3 Inventories:

Inventories are stated at cost and net realizable value, whichever is lower. Cost is arrived at on a weighted average method and includes, where appropriate, manufacturing overheads and excise duty.

#### 2.4 Cash and cash equivalents (for purposes of Cash Flow Statement):

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

#### 2.5 Cash flow statement:

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

#### 2.6 Fixed Assets:

- (a) Fixed Assets are stated at cost less accumulated depreciation/amortization. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses. Borrowing costs that are attributable to the acquisition, construction or production of a qualifying asset are included in the cost of asset upto the date the asset is ready for its intended use.
- (b) (i) Leasehold land is amortized over the period of the lease.
- (ii) Depreciation on other fixed assets is calculated on Straight Line Method as per the useful life prescribed in Schedule II to the Companies Act, 2013, except in respect of vehicles where the life has been assessed as five years taking into account the estimated usage of such vehicles. (Refer note 24)

#### 2.7 Revenue Recognition:

Sales of products are recognized, when the significant risks and rewards of ownership are transferred to the Buyer. Sales include excise duty, but excludes sales tax and value added tax.

Sales of services are recognised when services are rendered.

#### 2.8 Other Income:

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive it is established.

#### 2.9 Foreign Currency Transactions:

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. All foreign currency monetary items outstanding at the year end (excluding long term liability) are translated at the relevant rates of exchange prevailing at the year end. Exchange difference arising on settlement/restatement of foreign currency monetary assets & liabilities of the Company are recognized as income or expense in the Statement of Profit and Loss. In respect of forward exchange contracts, the premium or discount arising at the inception of such a contract is amortized as expense or income over the life of the contract.

Exchange differences relating to long term foreign currency monetary items, to the extent they are used for financing and acquisition of fixed assets are added to or subtracted from the cost of depreciable fixed assets to which the monetary item relates and depreciated over the remaining useful life of such assets.

#### 2.10 Investments:

Long term Investments are valued at cost less provision, if any, for decline other than temporary, in value of such investments. Current investments are valued at the lower of cost and fair value determined by category of investment.

#### 2.11 Employee Benefits:

- i) Defined Contribution Plan:  
Company's contributions paid/payable during the year to the provident fund, superannuation fund, Employee State Insurance Scheme and labour welfare fund are recognized in the Statement of Profit and Loss based on the amount of contribution required to be made and when services are rendered by the employees.
- ii) Defined Benefit Plan/Long Term Compensated Absences:  
Company's liability towards gratuity, compensated absence and post retirement medical benefit schemes are determined by an independent actuary using the projected unit credit method at each balance sheet date. Past service cost are recognized on a straight-line basis over the average period until the benefits become vested. Actuarial gains and losses are recognized immediately in the statement of Profit and Loss as income or expense. Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to market yields at the Balance Sheet date on Government Bonds where the currency and terms of the Government Bonds are consistent with the currency and estimated terms of the defined benefit obligation, as reduced by the fair value of scheme assets.

#### 2.12 Provisions and contingencies:

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements.

#### 2.13 Taxes on Income:

Tax expense comprises current and deferred tax. Current Tax is determined as either (i) the amount of tax payable in respect of taxable income after considering usual allowances and disallowances under the Income-tax Act, 1961 or (ii) Minimum Alternate Tax for the year. Credit in respect of Minimum Alternate Tax paid is recognised only if there is convincing evidence of realisation of the same. Deferred tax reflects the impact of current year timing differences between taxable income and accounting income and reversal of timing differences of the earlier years.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses, deferred tax assets are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

**2.14 Earnings per share:**

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year.

**2.15 Stock Appreciation Rights (SARs):**

The compensation cost of SARs granted to employees is accounted by the Company using the intrinsic value method. The fair value of the equity shares is based on valuation obtained from an independent valuer. Difference between market value and face value of the equity shares, being the intrinsic value, is recognised as compensation cost over the vesting period.

Basis used to determine the discount rate:

The discount rate is based on the prevailing market yields of Indian Government securities as at the balance sheet date for the estimated term of the obligation.

Basis used to determine the expected rate of return:

Based on expectation of the average long term rate of return expected on investment of the fund, during the estimated term of obligation.

The estimates of future salary increases take into account inflation, seniority, promotion and the other relevant factors.

**Note 36 Stock Appreciation Rights**

The Company has granted Stock Appreciation Rights ("SARs") to eligible employees in accordance with the Stock Appreciation Rights Scheme 2013 (SARs-2013) during the years ended 31<sup>st</sup> March 2013, 31<sup>st</sup> March 2014, 31<sup>st</sup> March 2015 and 31<sup>st</sup> March 2016. Under the scheme, eligible employees are entitled to receive appreciation in value of equity shares over its face value on exercise of the SARs. The SARs may be exercised up to a period of three years from the date of vesting.

The related expenses for SARs amounting to Rs. 24.31 lakhs (2015: Rs. 15.15 lakhs) have been recognised as employee cost.

**Summary of SARs:**

SARs outstanding on 1 <sup>st</sup> April 2015	65,060
SARs granted during the year	6,555
SARs forfeited during the year	–
SARs exercised during the year	21,840
SARs outstanding on 31 <sup>st</sup> March 2016	49,775

The fair value of SARs granted during the year is Rs. 84.70 per SAR.

Had the Company adopted fair value method as described in the Guidance note on Accounting for Employee Share - based Payments issued by the Institute of Chartered Accountants of India, the employee compensation cost would have been lower by Rs. 7.15 lakhs, profit after tax higher by Rs. 4.79 lakhs and the earnings per share would have been higher by Re 0.03.

The fair value has been calculated using the Black Scholes Options Pricing Model and the significant assumptions made in this regard are as follows:

	Grant dated 26 <sup>th</sup> February, 2016	Grant dated 26 <sup>th</sup> February, 2015
Risk free interest rate	Annualised continuously compounded rate on safe asset with same maturity	
Expected volatility	16.68%	13.51%
Expected dividend yield	7.04%	6.68%

**Note 37 Managerial Remuneration:**

The Company is not required to pay any managerial remuneration in respect of the “Managing Director” appointed under Section 197 and other applicable provisions of the Companies Act, 2013, from time to time, as per the terms approved.

**Note 38 Industrial Investment Promotion Assistance:**

In terms of Madhya Pradesh Industrial Investment Promotion Assistance Scheme, the Company in respect of Plant set up in an earlier year at Bhopal is entitled for Industrial Investment Promotion Assistance (IIPA) equivalent to 75%

of amount deposited as VAT or CST during each of the 10 years ending March 2020. In the earlier years in view of uncertainty about the receipt of IIPA amount the Company had not recognised the amount receivable in the respective years beginning 2010-2011. Considering the sanction orders received for the year 2010-2011 during FY 2014 and for the year 2011-2012 during FY 2015, the Company had accrued IIPA of Rs. 721.64 Lakhs relating to the years 2012-2015 (including Rs. 453.28 Lakhs upto the year ended 31<sup>st</sup> March 2014) during FY 2015.

**Note 39 Corporate Social Responsibility (CSR):**

The CSR obligation for the year as computed by the Company and relied upon by the auditors is Rs. 15.24 Lakhs (FY 2015 Rs. 11.73 Lakhs). CSR amount spent during the year is Rs. 15.53 Lakhs (FY 2015 Rs. 11.80 Lakhs).

**Note 40 Previous year's figures:**

Previous year's figures have been regrouped/reclassified wherever necessary to correspond with the current year's classification/disclosure.

The said dividend will be paid to those shareholders whose names appear in the Register of Members as on 21<sup>st</sup> April, 2016, the Record Date fixed for this purpose.

### OPERATIONS

The total income of your Company for the year decreased to USD 5.65 million (INR 376.59 million) from USD 6.08 million (INR 380.71 million), a decrease of nearly 6%.

Profit for the year was USD 0.05 million (INR 3.70 million) as compared to USD 0.00 million (INR 0.25 million) in the previous year through improved cost efficiencies.

The transformer core line remained under-utilised during the year under review.

### OUTLOOK FOR THE CURRENT YEAR

The Company's performance during the current year is expected to remain modest in line with the continuing general economic slowdown in the middleeast region.

### DIRECTORS' RESPONSIBILITY STATEMENT

Your directors state that:

- (i) in the preparation of the annual accounts for the year ended 31<sup>st</sup> March, 2016, the applicable accounting standards have been followed;
- (ii) they have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year on 31<sup>st</sup> March, 2016 and of the profit of the Company for the financial year ended on that date;
- (iii) they have taken proper and sufficient care for the maintenance of adequate accounting records for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

- (iv) the Directors have prepared the annual accounts on a going concern basis;
- (v) the Directors have devised proper systems to ensure compliance with the provisions of applicable laws and that such systems were adequate and operating effectively.

### CODES OF CONDUCT

Your Company has adopted Codes of Conduct ('Codes') for its directors and senior management and employees. These Codes enunciate the underlying principles governing the conduct of the Company's business and seek to reiterate the fundamental precept that good governance must and would always be an integral part of the Company's ethos.

The Company has, for the year under review, received declarations under these Codes from members of the Board, and senior management and employees, affirming compliance with the respective Codes.

### AUDITORS

M/s KPMG, UAE, Auditors of your Company, have expressed their willingness to accept re-appointment for the financial year ending on 31<sup>st</sup> March, 2017.

Members are requested to re-appoint Auditors for the current year and fix their remuneration.

### ACKNOWLEDGEMENTS

Your Directors are pleased to take this opportunity to thank the bankers, customers, vendors, all the other stakeholders for their co-operation to the Company during the year under review.

## INDEPENDENT AUDITORS' REPORT

The Shareholders  
Mahindra MiddleEast Electrical Steel Service Centre (FZC)

### Report on the financial statements

We have audited the accompanying financial statements of Mahindra Middle East Electrical Steel Service Centre (FZC) ("the Company"), which comprise the statement of financial position as at 31<sup>st</sup> March 2016, statements of profit or loss and other comprehensive income, changes in equity and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

### Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the

effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of 31<sup>st</sup> March 2016, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards.

### Emphasis of a matter

Without qualifying our opinion above, as discussed in note 2(c) to the financial statements, we draw attention to the fact that the amounts presented in United Arab Emirates Dirham and Indian Rupees in the accompanying financial statements are supplementary information solely for the convenience of users. Such supplementary information does not form part of the audited financial statements. We have not audited this supplementary information and accordingly, we do not express an opinion on this supplementary information.

### Report on other legal and regulatory requirements

We further confirm that the financial statements comply, in all material respects, with the Implementing Regulations of Sharjah Airport International Free Zone Authority.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2016

### 1. REPORTING ENTITY

Mahindra MiddleEast Electrical Steel Service Centre (FZC), was incorporated and licensed on 8 August 2004 at Sharjah Airport International Free Zone, Sharjah (FZ) with limited liability in the United Arab Emirates (UAE). Subsequently, the Company has entered into an agreement for subscription of capital by Nippon Steel & Sumitomo Metal Corporation (NSSMC), Japan to reorganise the Company and manage it as a FZC. Consequent upon the induction of NSSMC as a shareholder, the status changed from Free Zone Establishment (FZE) to Free Zone Company (FZC) with limited liability with effect from 28 November 2005. The Company is engaged in processing of steel coils and supply of slit coils and laminations. The shareholding pattern as of 31 March 2016 is as follows:

Shareholders	Percentage
Mahindra Intertrade Limited	90%
Nippon Steel & Sumitomo Metal Corporation	10%

The ultimate holding Company is Mahindra & Mahindra Limited.

### 2. BASIS OF PREPARATION

#### (a) Statement of compliance

The financial statements have been prepared under the historical cost convention and comply with International Financial Reporting Standards issued by the International Accounting Standards Board and the rules and regulations of the Sharjah Airport International Free Zone Authority (SAIF Zone). The financials statements were authorised for issue by the Board of directors on 21 April 2016.

#### (b) Functional and presentation currency

These financial statements are presented in United States Dollars ("USD"), which is the Company's functional currency.

#### (c) Convenience translation

In addition to presenting the financial statements in USD, supplementary information in United Arab Emirates Dirham ("Dhs") and Indian Rupee ("Rs.") has been prepared for the convenience of users of the financials statements.

All amounts (including previous year information) are translated from USD to Dhs. and Rs. at the closing exchange rate at 31 March 2016 based on average of the telegraphic transfer buying and selling rates quoted by the Mumbai Branch of State Bank of India of Dhs. 3.67 to USD 1 and Rs. 66.35 to USD 1 respectively.

#### (d) Use of estimates and judgements

The preparation of financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed by management on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in every future period affected.

The Company makes estimates and assumptions that affect the reported amounts of assets and liabilities within the next financial year. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

##### (i) Impairment losses on trade receivables

The Company reviews its trade receivables to assess impairment at least on an annual basis. The Company's credit risk is primarily attributable to its trade receivables. In determining whether impairment losses should be reported in the profit or loss, the Company makes judgments as to whether there is any observable data indicating that there is a measurable decrease in the estimated future cash flows. Accordingly, an allowance for impairment is made where there is an identified loss event or condition which, based on previous experience, is evidence of a reduction in the recoverability of the cash flows.

##### (ii) Provision for obsolete and expired inventory

The Company reviews its inventory to assess loss on account of obsolescence and expiry on a regular basis. In determining whether provision for obsolescence should be recorded in the profit or loss, the Company makes judgements as to whether there is any observable data indicating that there is any future saleability of the product and the net realisable value for such product. Accordingly, provision for impairment is made where the net realisable value is less than cost based on best estimates by the management. The provision for obsolescence of inventory is based on the aging and past movement of the inventory.

##### (iii) Estimated useful lives of property, plant and equipment

The Company estimates the useful lives of property, plant and equipment based on the period over which the assets are

expected to be available for use. The estimated useful lives are reviewed periodically and are updated if expectations differ from previous estimates due to physical wear and tear, technical or commercial obsolescence and legal or other limits on the use of the assets. In addition, estimation of the useful lives of property, plant and equipment is based on collective assessment of industry practice, internal technical evaluation and on the historical experience with similar assets. It is possible, however, that future results of operations could be materially affected by changes in estimates brought about by changes in factors mentioned above. The amounts and timing of recorded expenses for any period would be affected by changes in these factors and circumstances.

#### (e) Impairment losses on non-current assets

The Company classifies certain non-current assets as assets held for sale and records the carrying value of each asset at lower of its carrying value or its estimated fair value, less estimated costs. Impairment losses on initial classification as held-for-sale and subsequent losses on remeasurement is recognised in profit or loss.

### 3. SIGNIFICANT ACCOUNTING POLICIES

The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

#### (a) Property, plant and equipment and depreciation

Items of property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures that are directly attributable to the acquisition of the asset. When part of an item of Property, plant and equipment have different useful lives, they are accounted for as separate item (major components) of Property, plant and equipment.

Depreciation is calculated over the depreciable amount, which is the cost of an asset, less its residual value. Depreciation is recognized in profit or loss on a straight-line basis over the estimated useful lives of each part of an item of property, plant and equipment. The estimated useful lives for the current and comparative periods are as follows:

Factory Building	18 years
Plant and Machinery	20 years
Vehicles	5 years
Furniture and Fixtures	10 years
Office Equipment	5 years
Computers	5 years

Any gain or loss on disposal of an item of property, plant and equipment (calculated as the difference between the net proceeds from disposal and the carrying amount of the item) is recognised in profit or loss.

Property, plant and equipment having value less than or equal to USD 136 [(Dhs. 500) (Rs. 9,024)] as on 31 March 2016] each, are fully depreciated in the year of acquisition. Depreciation methods, useful lives and residual values are re-assessed at the reporting date.

#### (b) Inventories

Inventories are measured at the lower of cost and net realizable value, after making due allowance for any obsolete or slow moving items. Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses. Cost is determined as follows:

##### Raw materials

The cost of raw materials includes insurance, freight and other incidental charges incurred in acquiring the inventories and bringing them to their present location and condition. Valuation of the raw materials is determined on a weighted average cost basis.

##### Work in progress

The cost of work in progress includes cost of raw material and an appropriate share of production overheads based on normal operating capacity.

##### Finished goods

The cost of finished goods is arrived at on a weighted average cost basis and includes cost of direct materials and direct labour plus an appropriate share of production overheads based on normal operating capacity.

#### (c) Cash and cash equivalents

Cash and cash equivalents comprise of cash on hand and balance with banks in current accounts, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

#### (d) Revenue recognition

Revenue from the sale of goods in the course of ordinary activities is measured at the fair value of the consideration received or receivable, net of returns, trade discounts and volume rebates. Revenue is recognised when persuasive evidence exists, usually

in the form of an executed sales agreement, that the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, there is no continuing management involvement with the goods, and the amount of revenue can be measured reliably.

Sale of services are recognised when services are rendered.

**(e) Finance income and finance costs**

Finance income comprises interest income. Interest income is recognised as it accrues in profit or loss, using the effective interest method.

Finance costs comprise interest expenses on borrowings and pre-shipment credit. Interest costs is recognised as it accrues in profit or loss, using the effective interest method.

**(f) Foreign currency transactions and balances**

Transactions in foreign currencies are translated to the functional currency ("USD") at the exchange rates ruling at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies at the reporting date are retranslated to the functional currency at the exchange rate at that date. The foreign currency gain or loss on monetary items is the difference between amortised cost in the functional currency at the beginning of the year, adjusted for effective interest and payments during the year, and the amortised cost in foreign currency translated at the exchange rate at the end of the year. Non-monetary assets and liabilities denominated in foreign currencies that are measured at fair value are retranslated to the functional currency at the exchange rate at the date that the fair value was determined. Non-monetary items in a foreign currency that are measured in terms of historical cost are translated using the exchange rate at the date of the transaction. Foreign currency differences arising on retranslation are recognised in profit or loss.

**(g) Employee benefit**

Provision for gratuity is made for amounts payable under the labour law in force in Sharjah Airport International Free Zone, Sharjah (FZ), applicable to the employees' accumulated periods of service at the reporting date.

**(h) Assets held for sale**

Non current assets are classified as held for sale if it is highly probable that they will be recovered primarily through sale rather than through continuing use. Such assets are generally measured at lower of their carrying amount and fair value less cost to sale. Impairment losses on initial classification as held for sale and subsequent gain / losses on measurement are recognized in profit and loss. Once classified as held for sale intangible assets and property plant and equipment are no longer amortized or depreciated.

**(i) Operating lease**

Leases in terms of which the substantial risks and rewards of ownership remain with the lessor are classified as operating leases. Payments made under operating leases are recognized in profit or loss on a straight-line basis over the term of the lease.

**(j) Financial instruments**

*(i) Non-derivative financial assets*

The Company initially recognizes loans and receivables and deposits on the date they are originated. All other financial assets are recognized initially on the trade date at which the Company becomes a party to the contractual provisions of the instrument.

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction in which substantially all the risks and rewards of ownership of the financial asset are transferred. Any interest in transferred financial assets that is created or retained by the Company is recognized as a separate asset or liability.

Financial assets and liabilities are offset and the net amount presented in the statement of financial position when, and only when, the Company has a legal right to offset the amounts and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

*Loans and receivables*

Loans and receivables are financial assets with fixed or determinable payments that are not quoted in active markets. Such assets are recognized initially at fair value, plus any directly attributable transaction costs. Subsequent to initial recognition non-derivative financial instruments are measured at amortized cost using the effective interest method, less any impairment losses.

Loans and receivables comprise trade and other receivables and cash and cash equivalents.

Cash and cash equivalents comprise cash and bank balances including fixed deposits with an original maturity of three months or less.

*(ii) Non-derivative financial liabilities*

Financial liabilities are recognized initially on the trade date at which the Company becomes a party to the contractual provisions of the instrument.

The Company derecognizes a financial liability when its contractual obligations are discharged or cancelled or expired.

Financial assets and liabilities are offset and the net amount presented in the statement of financial position when, and only when, the Company has a legal right to offset the amounts and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

Non-derivative financial liabilities of the Company comprise trade and other payables and due to related parties.

Such financial liabilities are recognized initially at fair value plus any directly attributable transaction costs. Subsequent to initial recognition these financial liabilities are measured at amortized cost using the effective interest method.

**(k) Impairment**

*Non-derivative financial assets*

A financial asset is assessed at each reporting date to determine whether there is objective evidence that it is impaired. A financial asset is impaired if objective evidence indicates that a loss event has occurred after the initial recognition of the asset, and that the loss event had a negative effect on the estimated future cash flows of that asset that can be estimated reliably.

Objective evidence that financial assets are impaired can include default or delinquency by a debtor, restructuring of an amount due to the Company on terms that the Company would not consider otherwise, indications that a debtor or issuer will enter bankruptcy.

*Financial assets measured at amortised cost*

The Company considers evidence of impairment for receivables at both a specific asset and collective level. All individually significant receivables are assessed for specific impairment. All individually significant receivables found not to be specifically impaired are then collectively assessed for any impairment that has been incurred but not yet identified. Receivables that are not individually significant are collectively assessed for impairment by grouping together with similar risk characteristics.

In assessing collective impairment, the Company uses relevant historical trends of the probability of default, timing of recoveries and the amount of loss incurred, adjusted for management's judgement as to whether current economic and credit conditions are such that the actual losses are likely to be greater or less than suggested by historical trends.

An impairment loss in respect of a financial asset measured at amortized cost is calculated as the difference between its carrying amount, and the present value of the estimated future cash flows discounted at the original effective interest rate. Losses are recognized in profit or loss.

*Non-financial assets*

The carrying amount of the Company's non-financial assets, other than inventories, is reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists then the asset's recoverable amount is estimated.

The recoverable amount of an asset or cash generating unit is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit").

An impairment loss is recognized if the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. Impairment losses are recognized in profit or loss. Impairment losses are reversed when there is an indication that the impairment loss may no longer exist and there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

**(l) Provisions**

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be measured reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

**17. STATUTORY RESERVE**

According to the articles of association of the Company, 10% of the net profit for each year is required to be transferred to a statutory reserve. The management may resolve to discontinue such annual transfers when the reserve reaches 50% of the paid up share capital. The reserve is not available for distribution. No appropriations to the statutory reserve have been made out of current year profits (2016: Nil) as the statutory reserve has accumulated to 50% of the paid up share capital.

**18. LEASES**

The Company has entered into operating lease arrangements for the custom built warehouse, the significant terms and conditions of which are as under:

The tenure of the lease agreement is generally for a period of 7 to 25 years, renewable thereafter for another equal term.

The future minimum lease payments under non-cancellable lease are as follow:

- Less than one year: USD 85,220 (2015: USD 85,220) [2016:(Dhs. 312,757) (Rs. 5,654,347)] [2015: (Dhs. 312,843) (Rs. 5,654,347)]
- Between one and five years: USD 340,880 (2015: 340,880) [2016: (Dhs. 1,251,030) (Rs. 22,617,388)] [2015: (Dhs. 1,251,030) (Rs. 22,617,388)]
- Above five years: USD 766,980 (2015: 852,200) [2016: (Dhs. 2,814,817) (Rs. 50,899,123)] [2015: (Dhs. 3,127,574) (Rs. 56,543,470)]

During the year an amount of USD 85,220 (2015: USD 85,220) [2016: (Dhs. 312,757) (Rs. 5,654,347)] [2015: (Dhs. 312,843) (Rs. 5,654,347)] was recognised as an expense in profit or loss in respect of operating leases.

**19. FINANCIAL INSTRUMENTS**
**Overview**

The Company has exposure to the following risks from its use of financial instruments:

- Credit risk
- Liquidity risk
- Market risk

This note presents information about the Company's exposure to each of the above risks, the Company's objectives, policies and processes for measuring and managing risk, and the Company's management of capital.

The Company's Board of Directors have overall responsibility for the establishment and oversight of the Company's risk management framework. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

**Credit risk**

Credit risk is the risk of financial loss to the Company if counterparty to a financial instrument fails to meet its contractual obligations. Credit risk is mainly attributable to cash at bank and trade and other receivables.

**Trade receivables**

The exposure to credit risk on trade receivables is monitored on an ongoing basis by the management and these are considered recoverable by the Company's management. The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the Company's customer base, including the default risk of the industry and country, in which customers operate, has less of an influence on credit risk.

Management has established a credit policy under which each new customer is analyzed individually for creditworthiness before the Company's standard payment and delivery terms and conditions are offered. Purchase limits are established for each customer, which represent the maximum open amount.

The Company establishes an allowance for impairment that represents its estimate of incurred losses in respect of trade receivables. The collective loss allowance is determined taking into consideration the current economic factors.

**Cash at bank**

The company's cash is placed with national and international banks of good repute.

**NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2016 – (CONTINUED)**
**Exposure to credit risk**

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date was:

The allowance account in respect of trade receivables is used to record impairment losses unless the Company is satisfied that no recovery of the outstanding receivable is possible; at that point such amount is considered uncollectible and hence, written off.

**Liquidity risk**

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. Liquidity risk mainly relates to amounts due related parties, short term borrowings and trade and other payables. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due without incurring unacceptable losses or risking damage to the Company's reputation. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of letter of credit facilities.

The following are the contractual maturities of financial liabilities (including estimated interest payments).

**21. NEW STANDARDS AND INTERPRETATIONS**

***New standards and interpretations not yet effective***

A number of new standards, amendments to standards and interpretations are effective for the annual periods beginning after 1 April 2015, and have not been applied in preparing these financial statements.

*(i) IFRS 9 Financial instruments (2010), IFRS 9 Financial instruments:*

IFRS 9 (2009) introduces new requirements for the classification and measurement of financial assets. Under IFRS 9 (2009), financial assets are classified and measured based on the business model in which they are held and the characteristics of their contractual cash flows. IFRS 9 (2010) introduces additions relating to financial liabilities. The IASB currently has an active project to make limited amendments to the classification and measurement requirements of IFRS 9 and add new requirements to address the impairment of financial assets and hedge accounting. IFRS 9 (2010 and 2009) are effective for annual periods beginning on or after 1 January 2018 with early adoption permitted.

*(ii) IFRS 15 Revenue from Contracts with Customers:*

IFRS 15 establishes a comprehensive framework for determining whether, how much and when revenue is recognised. It replaces existing revenue recognition guidance, including IAS 18 Revenue, IAS 11 Construction contracts and IFRIC 13 Customer Loyalty Programmes. IFRS 15 is effective for annual reporting periods beginning on or after 1 January 2017, with early adoption permitted.

*(iii) IFRS 16 Leases:*

On January 13, 2016, the International Accounting Standards Board issued the final version of IFRS 16, Leases. IFRS 16 will replace the existing leases Standard, IAS 17 Leases, and related Interpretations. The Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. IFRS 16 introduces a single lessee accounting model and requires a lessee to recognise assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. Currently, operating lease expenses are charged to the statement of comprehensive income. The Standard also contains enhanced disclosure requirements for lessees. IFRS 16 substantially carries forward the lessor accounting requirements in IAS 17.

The effective date for adoption of IFRS 16 is annual periods beginning on or after January 1, 2019, though early adoption is permitted for companies applying IFRS 15 Revenue from Contracts with Customers.

Management is in the process of assessing the impact of the new standards, amendments to standards on the financial statements of the Company.

**22. PRIOR YEAR COMPARATIVES**

Prior year's figures have been regrouped and rearranged wherever necessary to conform to current year's classification.

## ANNEXURE I TO THE DIRECTORS' REPORT

### POLICY ON APPOINTMENT OF DIRECTORS AND SENIOR MANAGEMENT

#### DEFINITIONS

The definitions of some of the key terms used in this Policy are given below.

“**Board**” means Board of Directors of the Company.

“**Company**” means Mahindra Auto Steel Private Limited (MASPL).

“**Committee(s)**” means Committees of the Board for the time being in force.

“**Employee**” means employee of the Company whether employed in India or outside India including employees in the Senior Management team of the Company.

“**HR**” means the Human Resource department of the Company.

“**Key Managerial Personnel**” (**KMP**) refers to key managerial personnel as defined under the Companies Act, 2013 and includes:

- (i) Managing Director (MD) or Chief Executive Officer (CEO) or Manager or Whole time Director (WTD).
- (ii) Chief Financial Officer (CFO), and
- (iii) Company Secretary (CS).

“**Nomination and Remuneration Committee**” (**NRC**) means Nomination and Remuneration Committee of Board of Directors of the Company for the time being in force.

“**Senior Management**” means personnel of the Company who are members of its core management team excluding Board of Directors comprising all members of management one level below the executive directors, including functional heads.

#### I. APPOINTMENT OF DIRECTORS

- NRC reviews and assesses Board composition and recommends the appointment of new directors. In evaluating the suitability of an individual Board member, NRC shall take into account the following criteria regarding qualifications, positive attributes and independence of a director as applicable :
  1. All Board appointments will be based on merit, in the context of skills, experience, independence and knowledge required for the Board as a whole to be effective.
  2. Ability of the candidate to devote sufficient time and attention to professional obligations as an Independent Director for balanced decision making.
  3. Adherence to the Code of Conduct and ensuring the highest level of corporate governance, in letter and in spirit, by Directors.

- Based on NRC's recommendation, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board, through any Member of the Board, will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act, 2013 and Rules made thereunder.

#### REMOVAL OF DIRECTORS

If a director is disqualified as per any applicable Act, or rules and regulations thereunder, or due to non-adherence to the applicable policies of the company, NRC may recommend to the Board, with reasons recorded in writing, removal of a director subject to compliance of the applicable statutory provisions.

#### SENIOR MANAGEMENT PERSONNEL

NRC shall identify persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down above.

For administrative convenience, senior management personnel will be appointed or promoted and removed/relieved with the authority of the Managing Director based on business needs and suitability of the candidate.

Managing Director shall report details of such appointments to NRC at least twice in a year.

#### II. SUCCESSION PLANNING:

##### Purpose

The Talent Management Policy sets out the approach to the development and management of talent in the Company to ensure implementation of the strategic business plans of the Company.

##### Board:

Successors for Independent Directors shall be identified by the NRC at least one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor(s) will be appointed at the earliest but not later than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

Successors for Executive Director(s) shall be identified by the NRC from Senior Management or through external sources as the Board may deem fit.

The Board may also decide at its discretion not to fill a vacancy on the Board.

##### Senior Management Personnel:

The Company's succession planning program aims to identify high growth individuals, and groom them in order to maintain a robust talent pipeline.

The Company has a process of identifying individuals with high potential and having abilities to hold critical positions. Successors are mapped for such positions in order to ensure talent readiness.

The Company participates in the Mahindra Group's Talent Management process which is driven by a collaborative network of Talent Councils across the Group's various Sectors.

## **POLICY FOR REMUNERATION OF DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES**

### **Purpose**

This Policy sets out the approach to Compensation of Directors, Key Managerial Personnel and other employees in Mahindra Auto Steel Private Limited (MASPL).

### **Policy Statement**

Our compensation philosophy strives to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in business.

In order to effectively implement this, our compensation structure is developed through external benchmarking as appropriate, with relevant players across the industry we operate in.

### **NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS:**

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both fixed and variable, to Non Executive Directors, including Independent Directors, whether as commission or otherwise. NRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and such other factors as the NRC may deem fit for determining compensation.

The Board shall determine compensation to Non-Executive Directors within the overall limits specified in the Shareholders' resolution.

### **Executive Directors/Managing Director/Manager**

The remuneration to Managing Director/Manager and Executive Director(s) shall be recommended by NRC to the Board. Remuneration will consist of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable) perquisites and fringe benefits as approved by the

Board and within the overall limits specified in the Shareholders' resolution. While fixed compensation is determined at the time of their appointment, variable compensation will be determined annually by NRC based on their performance.

### **Key Managerial Personnel (KMPs)**

The terms of remuneration of the Chief Executive Officer (CEO), Chief Financial Officer (CFO) and the Company Secretary (CS) shall be determined either by any Director or such other person as may be authorised by the Board.

The above remuneration shall be competitively benchmarked for similar positions in the industry and aligned with their qualifications, experience and responsibilities. Pursuant to the provisions of Section 203 of the Companies Act 2013, the Board shall approve remuneration of the above KMPs at the time of their appointment.

The remuneration to directors, KMPs and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

### **Employees**

We follow a position and level based approach for compensation benchmarking with companies in the steel/ steel service centre and related engineering industries.

We have a CTC (Cost to Company) concept which includes a fixed component (guaranteed pay) and a variable component (performance pay). The percentage of the variable component increases with increasing hierarchy levels as employees at higher positions have a greater impact and influence on the company's overall business result. CTC is reviewed once every year and the compensation strategy for positioning of individuals takes into consideration the following elements:

- Performance
- Potential
- Criticality

Remuneration for new employees other than KMPs and senior management will be decided by HR, and approved by the Managing Director, based on factors such as relevant job experience, last compensation drawn, skill-set of the selected candidate, internal equity and related parameters.

The Company may also grant Stock Appreciation Rights to Employees and Directors (other than Independent Directors) in accordance with the Stock Appreciation Rights Scheme of the Company and subject to compliance of the applicable statutes and regulations.

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under Section 143(11) of the Act.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give

the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and its profit and its cash flows for the year ended on that date.

**Report on Other Legal and Regulatory Requirements**

1. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards prescribed under Section 133 of the Act, as applicable.
  - (e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2016 from being appointed as a director in terms of Section 164(2) of the Act.
  - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company does not have any pending litigations which would impact its financial position.
    - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
    - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

## ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

**(Referred to in paragraph 1 (f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date to the members of Mahindra Auto Steel Private Limited on the financial statements for the year ended 31<sup>st</sup> March, 2016)**

**Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Mahindra Auto Steel Private Limited (“the Company”) as of 31<sup>st</sup> March, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditor’s Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS

### 1. CORPORATE INFORMATION:

Mahindra Auto Steel Private Limited ("the Company") is incorporated in India on 12 December, 2013 with authorised share capital of Rs. 760,000,000. The Company is a public company by virtue of proviso to Section 2(71) of the Companies Act, 2013 ("the 2013 Act") as it is a subsidiary of a public limited company. The Company's main object is manufacturing, processing and trading of non-ferrous/ferrous material including various grades of steel. The Company has commenced its manufacturing operations from 15 July, 2015.

### 2. SIGNIFICANT ACCOUNTING POLICIES FOLLOWED BY THE COMPANY

#### 2.1 Basis of accounting and preparation of financial statements:

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the 2013 Act. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

All assets and liabilities are classified as current if it is expected to realise or settle within 12 months after the Balance Sheet date.

#### 2.2 Use of estimates:

The preparation of the financial statements in conformity with the Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates, are recognized in the periods in which the results are known/materialize.

#### 2.3 Inventories:

Inventories are stated at cost or net realizable value, whichever is lower. Cost is arrived at on a weighted average method and includes, where appropriate cost of purchase, manufacturing overheads and excise duty.

#### 2.4 Cash and cash equivalents (for purposes of Cash Flow Statement):

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

#### 2.5 Cash flow statement:

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

#### 2.6 Fixed Assets:

- (a) Fixed Assets are stated at cost less accumulated depreciation/amortization. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses. Borrowing costs that are attributable to the acquisition, construction or production of a qualifying asset are included in the cost of asset upto the date the asset is ready for its intended use.
- (b)
  - (i) Leasehold land is amortized over the period of the lease.
  - (ii) Depreciation on other fixed assets is calculated on Straight Line Method as per the useful life prescribed in Schedule II to the Companies Act, 2013, except in respect of vehicles where the life has been assessed as five years and Blanking line (plant and equipment) where the life has been assessed as twenty years, based on technical advice taking into account the nature of asset, the estimated usage and operating condition of the asset.

#### Capital work-in-progress:

Projects under which tangible fixed assets are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

#### 2.7 Revenue Recognition:

Sale of products are recognized, when the significant risks and rewards of ownership are transferred to the Buyer. Sales include excise duty, but excludes sales tax and value added tax.

Sales of services are recognised when services are rendered.

#### 2.8 Other Income:

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive it is established.

#### 2.9 Foreign Currency Transactions:

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. All foreign currency monetary items outstanding at the year end (excluding long term liability) are translated at the relevant rates of exchange prevailing at the year end. Exchange differences arising on settlement/restatement of foreign currency monetary assets & liabilities of the Company are recognized as income or expense in the Statement of Profit and Loss. In respect of forward exchange contracts, the premium or discount arising at the inception of such a contract is amortized as expense or income over the life of the contract.

Exchange differences relating to long term foreign currency monetary items, to the extent they are used for financing and acquisition of fixed assets are added to or subtracted from the cost of depreciable fixed assets to which the monetary item relates and depreciated over the remaining useful life of such assets.

#### 2.10 Investments:

Long term Investments are valued at cost less provision, if any, for decline other than temporary, in value of such investments. Current investments are valued at the lower of cost and fair value, determined by category of investment.

#### 2.11 Employee Benefits:

- (i) Defined Contribution Plan:  
Company's contributions paid/payable during the year to the provident fund, superannuation fund, Employee State Insurance Scheme and labour welfare fund are recognized in the Statement of Profit and Loss based on the amount of contribution required to be made and when services are rendered by the employees.
- (ii) Defined Benefit Plan/Long Term Compensated Absences:  
Company's liability towards gratuity, compensated absence and post retirement medical benefit schemes are determined by independent actuary using the projected unit credit method at each balance sheet date. Past service cost are recognized on a straight-line basis over the average period until the benefits become vested. Actuarial gains and losses are recognized immediately in the Statement of Profit and Loss. Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to market yields at the Balance Sheet date on Government Bonds where the currency and terms of the Government Bonds are consistent with the currency and estimated terms of the defined benefit obligation as reduced by the fair value of scheme assets.

#### 2.12 Earnings per share:

Basic earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year.

#### 2.13 Taxes on income:

Tax expense consists of current tax and deferred tax. Current tax is determined as either (i) the amount of tax payable in respect of taxable income after considering usual allowances and disallowances under the Income-tax, 1961 or (ii) Minimum Alternate Tax for the year. Credit in respect of Minimum Alternate Tax paid is recognised only if there is convincing evidence of realisation of the same. Deferred tax reflects the impact of current year timing differences between taxable income and accounting income and reversal of timing differences of the earlier years.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses and items relating to capital losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

### 2.14 Provisions and contingencies:

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements.

### 2.15 Stock Appreciation Rights (SARs):

The compensation cost of SARs granted to employees is accounted by the Company using the intrinsic value method. The fair value of the equity shares is based on valuation obtained from an independent valuer. Difference between market value and face value of the equity shares, being the intrinsic value, is recognised as compensation cost over the vesting period.

### 2.16 Derivative contracts:

The Company enters into derivative contracts in the nature of foreign currency swaps, currency options, forward contracts with an intention to hedge its existing assets and liabilities, firm commitments and highly probable transactions in foreign currency. Derivative contracts which are closely linked to the existing assets and liabilities are accounted as per the policy stated for Foreign currency transactions and translations.

### Note 36 Excise duty

Excise duty disclosed under “Other Expenses” Note No. 24 represents excise duty on closing stock of finished goods.

### Note 37 Stock Appreciation Rights

The Company has granted Stock Appreciation Rights (“SARs”) to eligible employees in accordance with the Stock Appreciation Rights Scheme 2015 (SARS-2015) during the year ended 31<sup>st</sup> March, 2015 and 31<sup>st</sup> March, 2016 which are outstanding as on that date. Under the scheme, eligible employees are entitled to receive appreciation in value of equity shares over its face value on exercise of the SARs. The SARs may be exercised up to a period of three years from the date of vesting.

The related expenses for SARs amounting to Rs. 1,584,891 (2015: Rs. 104,035) have been recognised as employee cost in the Statement of Profit and Loss.

### Summary of SARs:

SARs outstanding on 1 <sup>st</sup> April, 2015	17,531
SARs granted during the year	7,037
SARs forfeited during the year	–
SARs exercised during the year	4,913
SARs outstanding on 31 <sup>st</sup> March, 2016	19,655

The fair value of SARs granted during the year is Rs. 84.70 per SAR.

Had the Company adopted fair value method as described in the Guidance note on Accounting for Employee Share – based Payments issued by the Institute of Chartered Accountants of India, the employee compensation cost would have been lower by Rs. 570,196, profit after tax higher by Rs. 453,939 and the earnings per share would have been higher by Rs. 0.01.

The fair value has been calculated using the Black Scholes Option Pricing Model and the significant assumptions made in this regard are as follows:

	Grant dated 26 <sup>th</sup> February, 2016	Grant dated 18 <sup>th</sup> February, 2015
Risk free interest rate	Zero coupon yield	Zero coupon yield
Expected volatility	16.68%	13.51%
Expected dividend yield	7.04%	6.68%
