## NOTES FORMING PART OF THE FINANCIAL STATEMENTS

### 19. Corporate Information:

Mahindra Univeg Pvt. Ltd. is a Joint Venture company formed by Mahindra Agri Solutions Limited and Univeg BV with 60:40 sharing basis. It deals in sourcing, storing and distribution of fresh fruits. During this year company has started business of sourcing, storage and marketing of Domestic Apples.

### 20. Significant accounting policies:

#### (i) Basis of accounting

The financial statements have been prepared in accordance with the Generally Accepted Accounting Principles (IGAAP) under the historical cost convention as a going concern and on accrual basis and in accordance with the provisions of the Companies Act, 2013 and the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended).

#### (ii) Use of estimates

The preparation of the financial statements, in conformity with the generally accepted accounting principles, requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Differences between actual results and estimates are recognised in the period in which the results are known/materialise.

#### (iii) Revenue Recognition

Revenue from sales is recognised when the significant risks and rewards associated with ownership of goods are transferred to the buyers and no significant uncertainty exists as to the amount of consideration derived from the sales.

Interest income is recognised on time proportion basis.

#### (iv) Fixed Assets & Depreciation

All fixed assets are stated at their original cost of acquisition less accumulated depreciation. Depreciation is provided on straight-line method in the manner prescribed in Schedule II to the Companies Act, 2013.

#### (v) Inventories

Stock-in-trade comprising of goods purchased for resale and packing material is valued at the lower of cost and net realisable value. Cost includes all expenses incurred in bringing the goods to the point of sale.

#### (vi) Presentation and Disclosure of Financial Statements

Assets and Liabilities are classified as Current or Non-Current based on the company's normal operating cycle and as per the provisions of the Companies Act, 2013 and rules made thereunder. Based on the nature of business and its activities, the Company has ascertained its operating cycle as twelve months for the purpose of Current & Non-Current classification of Assets & Liabilities.

#### (vii) Employee Benefits

##### A. Short term benefits:

Short term employee benefits including performance incentives are recognised as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered.

##### B. Long term benefits:

###### Defined Contribution Plan: Provident Fund

The eligible employees of the Company are entitled to receive post employment benefits in respect of provident fund, in which both employees and the Company makes monthly contribution at a specified percentage of the employees' eligible salary. Provident Fund is classified as Defined contribution plans as the Company has no further obligations beyond making the contribution.

The Company's contributions to Defined Contribution Plan are charged to Statement of Profit and Loss as incurred.

##### Defined Benefit Plan: Gratuity

The Company has an obligation towards gratuity, a defined retirement plan covering eligible employees. The plan provides a lump sum payment to vested employees at retirement, death while in employment or on termination of employment. Vesting occurs upon completion of five years of service. The company accounts for liability of future gratuity benefits based on an external actuarial valuation on Projected Unit Credit method carried out for assessing the liability as at each balance sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur.

##### Other Long term employee benefits: Compensated Absences

The Company provides for the encashment of leave or leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment/availment. The liability is provided based on the number of days of unutilised leave at each balance sheet date on the basis of an independent actuarial valuation. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur.

#### (viii) Foreign Currency Transactions

Foreign currency transactions are recorded at the exchange rates prevailing on the date of the transaction. Gains and losses arising out of subsequent fluctuations are accounted for on actual payment or realisation. Monetary items denominated in foreign currency as at the Balance Sheet date are converted at the exchange rates prevailing on that date. Exchange differences are recognised in the Statement of Profit and Loss.

#### (ix) Taxation

Deferred tax assets and liabilities are recognised for future tax consequences attributable to the timing differences between taxable income and accounting income that are capable of reversal in one or more subsequent periods and are measured using tax rates enacted or substantively enacted as at the Balance Sheet date. Deferred Tax assets are not recognised unless, in the management judgment, there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. The carrying amount of Deferred Tax is reviewed at each Balance Sheet date.

#### (x) Provisions

A provision is recognised when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present values and are determined based on management estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current management estimates.

### 21. Employee Benefit Plans:

#### A. Defined Contribution Plan:

On account of defined contribution plans the Company's contribution to Provident Fund aggregating to Rs. 8,33,251/- (PY Rs. 2,58,600/-) has been recognized in Statement of Profit and Loss.

No material changes and commitments have occurred after the closure of the year under review till the date of this report which would affect the financial position of the Company.

### OPERATIONS

During the year under review, the higher production of potatoes in Rabi 2015, led to weak demand and lower prices of seed potatoes than previous year. Consequently, while there was 15 % higher tonnage sold, the revenue was almost 40% lower than previous year till Q3, FY 16, at Rs. 1220 lakh.

The market bounced back in Q4 FY16, as market sentiment moved up on account of lower productions reported in West Bengal, which is second largest Potato producing state in India. With this opportunity, and coupled with the strength of company's brand and its product quality, drove the performance of Company which resulted in sales of Rs. 1,000 lakh in Q4, FY 16, and overall the Company achieved all time high revenues of Rs. 2,221 lakh.

Khet-Se-Kaliyan-Tak ("KSKT") initiatives adopted by the Company over the last few years, together has resulted in a strong bonding relationship with the farmers and led to significantly improved yields of marketable grades of seed potatoes per acre. Your Company has strengthened the unique Services model and also initiated building up trading skills for leveraging the opportunities in generic varieties.

Your Company has placed strict controls on the virus levels and is continuously being managed over the season. Consequently, there have been no quality issues in the current financial year.

Your Company has taken a big leap in Technology, with steps taken in building up Aeroponics Minituber and Tissue culture facility which will get operational in FY 17. Also your

Company proceeded to expand capacity of the Palampur facility by 100%. The investment in infrastructure will lead to 400% growth in Minituber delivery capacity, which will make the company future ready to achieve exponential growth in future years, as per business plan.

Your Company has effectively conducted the trials for the 18 varieties, whose germplasm was imported from JV Partner Company, to test the same for their potential under Indian agro climatic conditions. The decision for commercialization of some of the successful varieties will be taken in FY 17, in the first batch of 10 varieties for which the 3 year multi location trials have been completed. Also the Variety registration process under PVFPR (DUS test) has progressed satisfactorily, and as per plan, during FY16.

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF MAHINDRA HZPC PRIVATE LIMITED

#### Report on the Financial Statements

1. We have audited the accompanying financial statements of **Mahindra HZPC Private Limited** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal

financial controls relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view, in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and its profit and its cash flows for the year ended on that date.

#### Report on Other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure I, a statement on the matters specified in paragraphs 3 and 4 of the Order.
10. As required by Section 143(3) of the Act, we report that:
  - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c. the Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
  - d. in our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
  - e. on the basis of written representations received from the directors as on 31<sup>st</sup> March, 2016, taken on record

by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2016, from being appointed as a director in terms of Section 164(2) of the Act.

- f. with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in '**Annexure II**'. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g. with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company does not have any pending litigations which would impact its financial position.

## ANNEXURE “II” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 9 under ‘Report on others Legal and Regulatory Requirements’ of our report of even date)

### Report on the Internal Financial Control Over Financial Reporting under clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial control over financial reporting of **Mahindra HZPC Private Limited** (“the company”) as of 31<sup>st</sup> March, 2016 in conjunction with our audit of the financial statements of the company for the year ended on that date.

### Management’s Responsibility for Internal Financial Controls

The company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India” These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditors Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conduct our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standard on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial control over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial control over financial reporting include obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures Selected depends on the auditor’s judgement, include the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the company’s internal financial controls over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A Company’s internal financial control over financial reporting is a process design to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statement in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisation of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility if collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2016, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS

### 1. Corporate Information:

Mahindra HZPC Private Limited (Joint Venture with HZPC) is engaged in the business of contract growing, corporate farming, wholesale, retail trading of potato seeds, minitubers, table potato and processing potato, tissue culture plants and services.

### 2. Significant Accounting Policies:

#### (i) Basis of accounting policies

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rule, 2014 and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

#### (ii) Operating Cycle

Assets and Liabilities are classified as Current or Non – Current as per the provisions of the Schedule III notified under the Companies Act, 2013 and Company's normal operating cycle. Based on the nature of business and its activities, the Company has ascertained its operating cycle as twelve months for the purpose of Current & Non – Current classification of Assets & Liabilities.

#### (iii) Use of estimates

The preparation of the financial statements, in conformity with the generally accepted accounting principles, requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Differences between actual results and estimates are recognised in the period in which the results are known/materialize.

#### (iv) Cash flow statement

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the company are segregated based on the available information.

#### (v) Revenue Recognition

Revenue from sale of goods are recognised when the title to the products is transferred to the buyer and are net of sales returns.

Revenue is recognised when no significant uncertainty as to collectability or realisability exists.

Interest income is recognised on Accrual basis.

#### (vi) Fixed Assets & Depreciation

All fixed assets are stated at their original cost of acquisition less accumulated depreciation and impairment losses, if any. Cost comprises of the purchase price and any other attributable costs of bringing the assets to its working condition for its intended use.

Depreciation is provided on straight-line method at the rates and in the manner specified in Part C of Schedule II to the Companies Act, 2013.

#### (vii) Impairment of Assets

The carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal/external factors. Impairment loss is provided to the extent the carrying amount of assets exceeds their recoverable amount. Recoverable amount is the higher of an asset's net selling price and value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. Net selling price is the amount obtainable from the sale of an asset in an arm's length transaction between knowledgeable, willing parties, less the cost of disposal.

#### (viii) Investments

Long-term investments are carried individually at cost less provision for diminution, other than temporary, in the value of such investments.

#### (ix) Inventories:

Stock-in-trade and packing materials are valued at the lower of cost and net realisable value. Cost includes all expenses incurred for bringing the goods to the point of sale.

#### (x) Employee Benefits

##### A. Short term benefits:

Short term employee benefits including performance incentives are recognised as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered.

##### B. Long term benefits:

###### Defined Contribution Plan: Provident Fund

The eligible employees of the Company are entitled to receive post employment benefits in respect of provident fund, in which both employees and the Company makes monthly contribution at a specified percentage of the employees' eligible salary. Provident Fund is classified as Defined contribution plans as the Company has no further obligations beyond making the contribution.

The Company's contributions to Defined Contribution Plan are charged to Statement of Profit and Loss as incurred.

###### Defined Benefit Plan: Gratuity

The Company has an obligation towards gratuity, a defined retirement plan covering eligible employees. The plan provides a lump sum payment to vested employees at retirement, death while in employment or on termination of employment. Vesting occurs upon completion of five years of service. The cost of providing benefits is determined using Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur.

###### Other Long term employee benefits: Compensated Absences

The Company provides for the encashment of leave or leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment/availment. The liability is provided based on the number of days of unutilised leave at each balance sheet date on the basis of an independent actuarial valuation. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur.

#### (xi) Foreign Currency Transactions

Foreign currency transactions are recorded at the exchange rates prevailing on the date of the transaction. Gains and losses arising out of subsequent fluctuations are accounted for on actual payment or realisation. Monetary items denominated in foreign currency as at the Balance Sheet date are converted at the exchange rates prevailing on that date. Exchange differences are recognised in the Statement of Profit and Loss.

#### (xii) Borrowing Cost

Borrowing costs, if any, that are attributable to the acquisition or construction of qualifying assets are capitalised as part of such assets. A qualifying asset is the one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to Statement of Profit and Loss.

#### (xiii) Taxation

Tax expense comprises of current tax and deferred tax. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961.

## NOTES FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED MARCH 31, 2016

Minimum Alternate Tax (MAT) credit assets is recognized only when and to the extent there is convincing evidence that the Company will pay normal income – tax during the specified period. The carrying amount of MAT credit assets is reviewed at each Balance Sheet date.

Deferred tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rate and tax laws enacted or substantially enacted at the balance sheet date. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets related to unabsorbed depreciation and carry forward losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise the assets.

### (xiv) Provisions

A provision is recognised when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present values and are determined based on management estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current management estimates.

## INDEPENDENT AUDITORS' REPORT

### TO THE MEMBERS OF AUTO DIGITECH PRIVATE LIMITED (formerly known as Mahindra Punjab Tractors Private Limited)

#### Report on the Financial Statements

1. We have audited the accompanying financial statements of **AUTO DIGITECH PRIVATE LIMITED (formerly known as Mahindra Punjab Tractors Private Limited)** ("the Company"), which comprise of the Balance Sheet as at 31<sup>st</sup> March, 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

1. Our responsibility is to express an opinion on these standalone financial statements based on our audit.
2. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
3. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.
4. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the

financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

#### Opinion

6. **ANNEXURE I TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF AUTO DIGITECH PRIVATE LIMITED (formerly known as Mahindra Punjab Tractors Private Limited)**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **AUTO DIGITECH PRIVATE LIMITED (formerly known as Mahindra Punjab Tractors Private Limited)** in conjunction with our audit of the standalone financial statements of the Company for the period from April 1, 2015 to March 31, 2016.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the Institute of Chartered Accountants of India ("ICAI") and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit

opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

### Notes VIII

#### Corporate information:

**Mahindra Punjab Tractors Private Limited was incorporated in the year 2009 under the Companies Act, 1956.**

With effect from January 22, 2016, the name of the Company was changed from 'Mahindra Punjab Tractors Private Limited' to 'Auto Digitech Private Limited'.

The company has now become a 100% subsidiary of Mahindra First Choice Services Limited (M&M Ltd's subsidiary) for carrying on an e-commerce activity including developing and operating the e-commerce website to act as an online platform for marketing and sale of spare parts and servicing of vehicles. This transfer has been effected on April 29, 2016.

#### Significant Accounting Policies:

##### a. Basis for preparation:

The financial statements have been prepared in accordance with the Generally Accepted Accounting Principles India (IGAAP) under the historical cost convention as a going concern and on accrual basis and in accordance with the provisions of the Companies Act, 2013 (the Act) and the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended).

All assets & liabilities have been classified as current & non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of services and their realisation in cash and cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current – non current classification of assets & liabilities.

##### b. Revenue recognition:

All incomes and expenses are accounted on the accrual basis and provision is made for all known losses and liabilities.

##### c. Earnings Per share:

The Company reports basic and diluted Earnings Per Share (EPS) in accordance with Accounting Standard 20 on Earning Per Share.

Basic EPS is computed by dividing the net profit or loss for the period by the weighted average number of Equity Shares outstanding during the period.

**d. Income Tax:**

Income taxes are accounted for in accordance with the Accounting Standard 22 on "Accounting for Taxes on Income". Taxes comprises of current tax, deferred tax.

Current tax is determined as the amount of tax payable in respect of taxable income for the period using the applicable tax rates and tax laws.

Deferred tax assets and liabilities are recognised, subject to consideration of prudence, on timing differences, being the difference between taxable income and accounting income, that originate in one period and are capable of reversal in one or more subsequent periods and are measured using tax rates enacted or substantively enacted as at the balance sheet date. Deferred tax assets arising from timing difference are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future tax income will be available against which such deferred tax assets can be realised and are reviewed for the appropriateness of their respective carrying values at each balance sheet date.

**e. Preliminary Expenses:**

Preliminary expenses are charged to the Statement of profit and loss account in the year of incurrence.

**f. Provisions and contingent liabilities**

Provisions are recognised in accounts in respect of present probable obligations, the amount of which can be reliably estimated. Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed only by the occurrence or non-occurrence of one or more certain future events not wholly within the control of the company.

The economy in the United States of America ('US') is positive as consumer confidence continues to increase and unemployment is at its lowest level since before the economic recession in late 2008/early 2009. In addition, US net farm income forecast outlook is projected to be lower compared to previous three years, however calendar year 2015 yields, acreage planted and farm income will post record levels in spite of lower forecasts.

In this challenging environment your Company's performance was significantly better than the tractor industry as the billing volume grew by 22.6% to 19,323 tractors as compared to 15,766 tractors in the previous year. Tractor retail volume grew consecutively second year above 16.7% to 17,525 tractors as compared to 15,016 tractors in the previous year. Both the retail as well as billing performance has been the highest ever till date in the history of the Company. The overall market share is at 10% compared to last year in US and increased to 3.9% from 3.0% compared to last year in Canada.

Correspondingly, the Revenue for the financial year 2015 was at \$504 million (Rs. 3,345 Crores) as compared to \$357 million (Rs. 2,370 Crores) in the previous financial year. The Profit after tax for the year was \$5.34 million (Rs. 35 Crores) against previous year profit after tax of \$2.29 million (Rs. 15 Crores).

Your Company stabilized its newly introduced products in the sub compact segment and also introduced US manufactured UTVs in the segment which were well received in the marketplace.

Your company continued to strengthen the dealer channel, which is reflected in substantially improved performance during financial year 2016.

Your Company's composite brand strength improved during current year to 65% from 62% in previous year. Your Company had highest Customer as Net Promoter score (CaPS) of 60 and an Employee Engagement score (mCARES) of 3.86. Your Company continues to invest in multiple CSR initiatives across North America. Your Company is at third position in the US tractor sales for 0 to 120 horse power category as per Association of Equipment Manufacturers' report.

Your Company undertook several initiatives during the year in order to further cut costs and bring in efficiency and strengthen the operating margin. Your Company continues to look towards further strengthening its Dealer channel and focus on identified regional markets, Canada and Mexico in the coming financial year 2017.

## INDEPENDENT AUDITORS' REPORT

To the Stockholder and the Board of Directors

Mahindra USA, Inc.

We have audited the accompanying financial statements of Mahindra USA, Inc., a Texas corporation, which comprise the balance sheets as of March 31, 2016 and 2015, and the related statements of income, stockholder's equity, and cash flows for the year then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

### Basis for Qualified Opinion

As discussed in Note 1 to the financial statements, the Company reports its investment in its wholly owned subsidiaries on the equity method of accounting. In our opinion, accounting principles generally accepted in the United States of America require that all majority-owned subsidiaries be accounted for as consolidated subsidiaries. If the financial statements of these subsidiaries had been consolidated with those of Mahindra USA, Inc., total assets and total liabilities would increase by \$2,095,376 (Rs. 13.90 cr) and \$5,815,715 (Rs. 38.58) as of March 31, 2016 and 2015, respectively, and revenues and expenses would have increase by \$405,083 (Rs. 2.68 cr) and \$27,602,271 (Rs. 183.14 cr), respectively, for the years then ended.

### Qualified Opinion

In our opinion, except for the effects of not consolidating majority-owned subsidiaries as discussed in the Basis for Qualified Opinion paragraph, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of Mahindra USA, Inc. as of March 31, 2016 and 2015, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### Emphasis-of-Matter for Presentation of Financial Information

The presentation of financial information in Indian rupees in the consolidated financial statements is not a required part of the basic financial statements. We have verified the arithmetic accuracy of the presentation based upon an exchange rate provided by Company's management. We did not audit and do not express an opinion on such information, and our opinion is not modified with respect to this matter.

## NOTES TO FINANCIAL STATEMENTS MARCH 31, 2016 AND 2015

### NOTE 1 – THE COMPANY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### The Company

Mahindra USA, Inc. (the “Company”) (“MUSA”) was incorporated June 8, 1994 in the State of Texas, and commenced business on March 15, 1995. The Company is owned by Mahindra and Mahindra, Ltd. (“M&M”). M&M is a publicly traded corporation headquartered in Mumbai, India which, among other activities, manufactures farming equipment and automobiles. The Company sells tractors, parts, attachments and accessories in North America under wholesale distribution agreements. The Company’s sales are to a network of more than 525 dealer locations throughout North America.

The Company formed a wholly owned subsidiary on January 25, 2013, Mahindra Tractor Assembly, Inc., (“MTA”) to sell electric powered scooters in North America under wholesale distribution agreements with a network of dealers. Effective on November 30, 2014, ownership of MTA was transferred to another M&M subsidiary, Mahindra Overseas Investment Company Mauritius Limited.

The Company formed another wholly owned subsidiary on December 18, 2013, Mahindra North American Technical Center, Inc., (“MNATC”) to design and develop prototype complete vehicle designs and related parts to facilitate M&M’s expansion in the worldwide vehicle market. Effective April 1, 2015, the assets, liabilities, and business activities of MNATC was sold to another M&M subsidiary, Mahindra Vehicle Manufacturers Limited. The Company continues to own MNATC; however, virtually no business activity took place after April 1, 2015.

The Company reported its investment in MTA and MNATC on the equity method of accounting. Accounting principles generally accepted in the United States of America require that all majority-owned subsidiaries be accounted for using consolidated financial statements.

#### Financial Presentation in U.S. Dollars and Indian Rupees

Financial information in this report is shown in U.S. dollars (“\$”) and in Indian rupees (“INR”). For both March 31, 2016 and 2015, dollar amounts are translated for convenience into Indian rupees at exchange rate of 66.35 INR per dollar which is the average of the telegraphic transfer buying and selling rates quoted by the Mumbai Branch of State Bank of India on March 31, 2016. Within the notes to the financial statements, Indian rupee amounts are shown parenthetically following the U.S. dollar amount.

#### Significant Accounting Policies

##### Accounting method -

The financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”). However, as noted above, the financial results of MTA and MNATC, both being wholly owned subsidiaries, are not included in these financial statements.

##### Use of estimates -

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

##### Receivables -

Receivables are stated at the amount invoiced for the sale to the various dealers. There is currently an allowance for uncollectible accounts of \$1,375,686 (INR 91,276,766) and \$1,206,082 (INR 80,023,541) at March 31, 2016 and March 31, 2015, respectively, which management considers sufficient to cover uncollectible accounts (see Note 2 for a discussion of dealer financing arrangements).

##### Revenue recognition -

Revenue from the sale of tractors, parts, attachments and accessories is recognized when the ordered goods are invoiced to the dealer. Invoices are issued after credit approval and when the ordered items are ready for shipment. The Company participates in various retail incentives with its dealers. At the time a sale is recognized, the Company records an estimate of the future sales

incentive costs for allowances and financing programs that will be due when a dealer sells the equipment to a retail customer. The estimate is based on historical data, announced incentive programs, field inventory levels, and retail sales volumes.

##### Inventories -

New tractors, parts, and accessories are stated at the lower of cost or market. Cost is determined by the moving average price.

##### Property and equipment -

Property and equipment are stated at cost. The cost of additions and improvements are capitalized and expenditures for repairs and maintenance are expensed in the period incurred. When items of property and equipment are sold or retired, the related costs and accumulated depreciation are removed from the accounts and any gain or loss on disposition is included in the statement of income. Property and equipment is reviewed for impairment whenever events or changes in circumstances indicate the carrying value of the asset may not be recoverable. No impairment charges were recorded during the years ended March 31, 2016 and 2015.

Depreciation is provided over the useful lives of the related assets using the straight-line method for financial reporting and the modified accelerated cost recovery method for tax purposes.

##### Income taxes -

Income for financial reporting purposes is different than income for income tax reporting purposes due principally from timing differences relating to allowances for inventory valuation, allowance for doubtful accounts, depreciation and several expense accruals. Federal and state income tax returns for the Company are subject to examination for three years from the date of filing. Years open for examination are from March 31, 2013 to present.

##### Statement of cash flows -

For purposes of the statements of cash flows, the Company considers all cash accounts, money market accounts, and certificates of deposit with maturities of less than three months to be cash and cash equivalents.

##### Supplemental disclosure of cash flow information for the years ended March 31:

	2016		2015	
	\$	INR	\$	INR
Interest Paid	671,494	44,553,627	980,695	65,069,113

##### Advertising -

The Company subsidizes product advertising carried on by dealers within each dealer’s local market, and conducts dealer conferences. The Company also advertises in trade magazines, at trade shows and uses various other means of promotions, including product brochures, to increase brand awareness and sale of products in the market. The Company capitalizes expenditures with extended advertising value and amortizes these costs over a period not exceeding twelve months. Expenditures without extended advertising value are expensed in the year incurred.

##### Reclassification of Retail Sales Incentives -

The Company reclassified retail sales incentives for March 31, 2015 totaling \$20,886,045 from other general and administrative expenses to retail sales incentives for these comparative financial statements. This reclassification did not change March 31, 2015 net income.

### NOTE 2 – ACCOUNTS RECEIVABLE – CUSTOMERS

The Company’s customers are the retail dealers authorized to sell Mahindra tractors. During the year ending March 31, 2016 and for the current fiscal year, the Company offered varying discounts for payments. There are various marketing programs throughout the year, including programs that offer all dealers interest free financing for varying number of days after date of purchase. The Company has also arranged for dealers to finance tractors purchased through commercial lenders who then remit payment directly to the Company.

**NOTE 3 – INVENTORIES**

Inventories were comprised of the following at March 31:

	2016		2015	
	\$	INR	\$	INR

**NOTE 5 – ACCRUED EXPENSES**

Expenses accrued for the years ending March 31, 2016 and March 31, 2015 include advertising, marketing program costs, retail rate buy-downs, cash discounts, state franchise taxes, payroll and payroll taxes, employee bonuses, salesmen and customer bonuses, legal fees, property taxes, insurance deductibles, and warranty reserves. The Company participates in various retail incentives with its dealers, and has accrued for the costs of these programs in effect as of the date of these financial statements.

**NOTE 6 – INCOME TAXES**

The components of the provision income tax benefit for federal income taxes is as follows for the period ended March 31:

	2016		2015	
	\$	INR	\$	INR
Current income tax expense	\$ 897,910	59,576,329	\$ 1,746,868	115,904,692

The company calculates income tax benefit based upon the maximum federal income tax rate of 34%.

At March 31, 2015, the Company had a net operating loss carryforward of approximately \$5,865,234 (INR 389,158,276). The Company fully utilized the loss carryforward at March 31, 2016. The deferred tax asset recognized at March 31, 2016 in the amount of \$1,913,282 (INR 126,946,261) represents future deferred tax deductions for various expenses, including slow moving inventory, warranty reserves, and allowance for uncollectible accounts receivable.

**NOTE 7 – RELATED PARTY TRANSACTIONS**

The Company purchases tractors and parts from related parties, including M&M and Mitsubishi Mahindra Agricultural Machinery, on an open accounts, which is paid when due. Accounts payable are net of amounts the Company has paid

for warranty claims and legal fees. The Company has the following receivables and (payables).

The Company has entered into agreements with dealerships in Chattanooga, TN, Bloomsburg, PA, Lyons, KS, and Olivehurst, CA (collectively the “Assemblers”) for the final assembly of tractors imported from various manufacturers overseas, including M&M. These agreements stipulate that the Assemblers are to assemble the tractors in accordance with procedures provided by the Company so that the tractors are ready for sale to dealers. The Assemblers are required to employ qualified personnel to perform the duties required by the Company. The Assemblers store inventory owned by the Company in a secure location. The

Assemblers are paid based on a piecemeal basis at various rates depending on the respective model and related accessories. These rates are reviewed and negotiated at regular intervals.

**NOTE 13 – CONTINGENT LIABILITY**

The State of Texas has conducted an audit of the Company’s franchise tax returns for the years 2008 through 2011. This examination has concluded and is subject to the Company’s request for independent audit review. The preliminary deficiency for the years under examination is approximately \$322,000 (INR 21,364,700). The Company believes that its filing position is supportable and is vigorously defending its position. The Company has made representations of its position, and is preparing for possible litigation of this matter. If the Company is unsuccessful the applicable rate of franchise tax in Texas would double, from .5% to 1%, which is the rate used for parties who do not qualify as wholesalers. The additional cost for years not covered by the examination would be approximately \$243,000 (INR 16,123,050).

The Company is involved in various proceedings which are considered ordinary litigation incident to its business. In management’s opinion, none of the current litigation will have a materially adverse effect on the Company’s financial position.

**NOTE 14 – DIVIDEND TO PARENT**

The Company’s Board of Directors declared a dividend on April 26, 2016 of \$280,000 payable to M&M. The dividend will be paid in June 2016.

**NOTE 15 – DATE OF MANAGEMENT’S REVIEW**

The Company’s management reviewed and evaluated subsequent events through May 25, 2016, the date the financial statements were available to be issued, and no events have occurred subsequent to the balance sheets dated March 31, 2016 and 2015 that would require adjustments to, or disclosure in, the financial statements.

#### 1. *Management's responsibility for the financial statements*

Management of Mahindra Yueda is responsible for the preparation and fair presentation of these financial statements, this responsibility includes: (1) preparing financial statements in accordance with Accounting Standards for Business Enterprises to achieve fair presentation of the financial statements; and (2) designing, implementing and maintaining internal control which is necessary to enable that the financial statements are free from material misstatement, whether due to fraud or error.

#### 2. *Auditor's responsibility*

Our responsibility is to express an audit opinion on these financial statements based on our audit. We conducted our audit in accordance with China Standards on Auditing. China Standards on Auditing require that we comply with the Code of Ethics for Chinese Certified Public Accountants and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing audit procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, Certified Public Accountants consider the internal control relevant to the preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control. An audit also includes

evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### 3. *Opinion*

In our opinion, the financial statements of Mahindra Yueda present fairly, in all material respects, the financial position as of 31 December 2015, and the results of operations and cash flows for the year then ended in accordance with Accounting Standards for Business Enterprises.

#### 4. *Other Matter*

Without qualifying our opinion, we draw attention to the fact that the supplementary information presented in INR is solely for the convenience of users, it does not form part of the audited financial statements. We have not audited the supplementary information and, accordingly, we do not express an opinion on this supplementary information. This paragraph has no impact on the audit opinion expressed in this report.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2015

### I. GENERAL

Mahindra Yueda (Yancheng) Tractor Co., Ltd. (the "Company") was a limited company incorporated in Yancheng, Jiangsu on 28 November 2008. The Company principally engages in the production, sales and after-sales service of tractors, mechanised farm implements, other farm machineries and farm machinery parts.

The Company's parent company is Mahindra Overseas Investment Company (Mauritius) Ltd. ("Mahindra Mauritius"), and the ultimate holding company is Mahindra & Mahindra Limited.

On 30 August 2015, the shareholder Jiangsu Yueda Yancheng Tractor Manufacturing Co., Ltd. ("Yueda Tractor") signed an equity transfer agreement with Jiangsu Yueda Investment Co., Ltd (Yueda Investment), Yueda Tractor agreed to transfer 49% shares to Yueda Investment. All rights and obligations relating to the original joint venture arrangement are transferred to Yueda Investment. The alteration of the articles of association, appointment of board members, and jointed operation agreement has been completed before 31 December 2015.

Details of capital contributions paid by the investing parties are set out in Note VI.18.

### II. STATEMENT OF COMPLIANCE WITH THE ASBE

The financial statements of the Company have been prepared in accordance with Accounting Standards for Business Enterprises, and present truly and completely, the Company's financial position as of 31 December 2015, and the Company's results of operations and cash flows for the year then ended.

### III. BASIS OF PREPARATION

At 31 December 2015, the Company's accumulated losses were RMB 271,192,213.44, total current liabilities exceeded total current assets RMB 80,633,629.67. The Company's management has taken into consideration of the future cash flows in preparing the financial statements. Taking into account the financial resources available, the Company believes that it has sufficient financial resources to meet the demand of future twelve month's operation. Accordingly, the financial statements have been prepared on a going concern basis.

### IV. SIGNIFICANT ACCOUNTING POLICIES AND ACCOUNTING ESTIMATES

#### 1. Accounting year

The Company has adopted the calendar year as its accounting year, i.e. from 1 January to 31 December.

#### 2. Functional currency

RMB is the currency of the primary economic environment in which the Company operates. The functional currency of the Company is RMB.

#### 3. Basis of accounting and principle of measurement

The Company has adopted the accrual basis of accounting. Except for certain financial instruments which are measured at fair value, the Company has adopted the historical cost as the principle of measurement of the financial statements. Where assets are impaired, provisions for asset impairment are made in accordance with relevant requirements.

#### 4. Cash equivalents

Cash equivalents are short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

#### 5. Financial Instruments

When the Company becomes a party to the contractual provisions of a financial instrument, related financial assets or financial liabilities are recognized. Financial assets and financial liabilities are initially recognized at fair value. For financial assets and financial liabilities classified as at fair value through profit or loss, related transaction costs are charged to the profit or loss for the current period; for financial assets and financial liabilities classified as other categories, related transaction costs are included in the initial recognition amounts.

#### 5.1 Effective interest method

The effective interest method is a method of calculating the amortized cost of a financial asset or a financial liability (or a group of financial assets or financial liabilities) and of allocating the interest income or interest expense over the relevant period, using the effective interest rate. The effective interest rate is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial asset or financial liability or, where appropriate, a shorter period to the net carrying amount of the financial asset or financial liability.

When calculating the effective interest rate, the Company estimates future cash flows considering all contractual terms of the financial asset or financial liability (without considering future credit losses), and meanwhile considers all fees paid or received between the parties to the contract giving rise to the financial asset and financial liability that are an integral part of the effective interest rate, transaction costs, and premiums or discounts etc.

#### 5.2 Classification, recognition and measurement of financial assets

On initial recognition, the Company's financial assets are classified into loans and receivables. All regular way purchases or sales of financial assets are recognized and derecognized on a trade date basis.

##### Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Financial assets classified as loans and receivables by the Company include notes receivable, accounts receivable and other receivables.

Loans and receivables are subsequently measured at amortized cost using the effective interest method. Gains or losses arising from derecognition, impairment or amortization are recognized in profit or loss for the current period.

#### 5.3 Impairment of financial assets

The Company assesses at each balance sheet date the carrying amounts of financial assets other than those at fair value through profit or loss. If there is objective evidence that a financial asset is impaired, the Company determines the amount of any impairment loss. Objective evidence that a financial asset is impaired is evidence that, arising from one or more events that occurred after the initial recognition of the asset, the estimated future cash flows of the financial asset, which can be reliably measured, have been affected.

Objective evidence that a financial asset is impaired includes evidence arising from the following events:

- (1) Significant financial difficulty of the issuer or obligor;
- (2) A breach of contract by the borrower, such as a default or delinquency in interest or principal payments;
- (3) The Company, for economic or legal reasons relating to the borrower's financial difficulty, granting a concession to the borrower;
- (4) It is becoming probable that the borrower will enter bankruptcy or other financial reorganizations;
- (5) The disappearance of an active market for that financial asset because of financial difficulties of the issuer;
- (6) Upon an overall assessment of a group of financial assets, observable data indicates that there is a measurable decrease in the estimated future cash flows from the group of financial assets since the initial recognition of those assets, although the decrease cannot yet be identified with the individual financial assets in the group, including:
  - Adverse changes in the payment status of borrowers in the group;
  - National or local economic conditions that correlate with the defaults on the assets in the group;

- (7) Significant changes with an adverse effect that have taken place in the technological, market, economic or legal environment in which the issuer operates, indicating that the cost of the investment in the equity instrument may not be recovered by the investor;
- (8) A significant or prolonged decline in the fair value of an investment in an equity instrument below its cost;
- (9) Other objective evidence indicating there is an impairment of a financial asset.

*Impairment of financial assets carried at amortised cost*

If financial assets carried at amortised cost are impaired, the carrying amounts of the financial assets are reduced to the present value of estimated future cash flows (excluding future credit losses that have not been incurred) discounted at the financial asset's original effective interest rate. The amount of reduction is recognized as an impairment loss in profit or loss. If, subsequent to the recognition of an impairment loss on financial assets carried at amortized cost, there is objective evidence of a recovery in value of the financial assets which can be related objectively to an event occurring after the impairment is recognized, the previously recognized impairment loss is reversed. However, the reversal does not result in a carrying amount of the financial asset that exceeds what the amortized cost would have been had the impairment not been recognized at the date the impairment is reversed.

For a financial asset that is individually significant, the Company assesses the asset individually for impairment. For a financial asset that is not individually significant, the Company assesses the asset individually for impairment or includes the asset in a group of financial assets with similar credit risk characteristics and collectively assesses them for impairment. If the Company determines that no objective evidence of impairment exists for an individually assessed financial asset (whether significant or not), it includes the asset in a group of financial assets with similar credit risk characteristics and collectively assesses them for impairment. Assets for which an impairment loss is individually recognized are not included in a collective assessment of impairment.

*5.4 Derecognition of financial assets*

The Company derecognizes a financial asset only when: (1) the contractual rights to receive the cash flows from the financial asset expire; or (2) it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to the transferee; or (3) it transfers the financial asset, neither transfers nor retains substantially all the risks and rewards of ownership but has not retained control of the financial asset.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership of a financial asset, and it retains control of the financial asset, it recognizes the financial asset to the extent of its continuing involvement in the transferred financial asset and recognizes an associated liability. The extent of the Company's continuing involvement in the transferred asset is the extent to which it is exposed to changes in the value of the transferred asset.

For a transfer of a financial asset in its entirety that satisfies the derecognition criteria, the difference between (1) the carrying amount of the financial asset transferred; and (2) the sum of the consideration received from the transfer and any cumulative gain or loss that has been recognized in other comprehensive income, is recognized in profit or loss.

If a part of the transferred financial asset qualifies for derecognition, the carrying amount of the transferred financial asset is allocated between the part that continues to be recognized and the part that is derecognized, based on the respective fair values of those parts. The difference between (1) the carrying amount allocated to the part derecognized; and (2) the sum of the consideration received for the part derecognized and any cumulative gain or loss allocated to the part derecognized which has been previously recognized in other comprehensive income, is recognized in profit or loss.

*5.5 Classification, recognition and measurement of financial liabilities*

The Company classifies debt instruments into financial liabilities on the basis of the substance of the contractual arrangements and definitions of financial liability.

On initial recognition, financial liabilities are classified into other financial liabilities.

*Other financial liabilities*

Other financial liabilities are subsequently measured at amortized cost using the effective interest method, with gain or loss arising from derecognition or amortization recognized in profit or loss.

*5.6 Derecognition of financial liabilities*

The Company derecognizes a financial liability (or part of it) only when the underlying present obligation (or part of it) is discharged. An agreement between the Company (an existing borrower) and an existing lender to replace the original financial liability with a new financial liability with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability.

When the Company derecognizes a financial liability or a part of it, it recognizes the difference between the carrying amount of the financial liability (or part of the financial liability) derecognized and the consideration paid (including any non-cash assets transferred or new financial liabilities assumed) in profit or loss.

*5.7 Offsetting financial assets and financial liabilities*

Where the Company has a legal right that is currently enforceable to set off the recognized amounts, and intends either to settle on a net basis, or to realize the financial asset and settle the financial liability simultaneously, a financial asset and a financial liability shall be offset and the net amount presented in the balance sheet. Except for the circumstances above, financial assets and financial liabilities shall be presented separately in the balance sheet and shall not be offset.

*5.8 Equity instruments*

Repurchase of the Company's own equity instruments is recognized and deducted directly in equity.

No gain or loss is recognized in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

**6. Inventories**

The Company's inventories mainly include raw materials, work in progress-outsourced, work in process and finished goods. Inventories are initially measured at cost. Cost of inventories comprises all costs of purchase, costs of conversion and other expenditures incurred in bringing the inventories to their present location and condition.

Inventories are accounted for using the weighted average method upon delivery.

At the balance sheet date, inventories are measured at the lower of cost and net realizable value. If the cost of inventories is higher than the net realizable value, a provision for decline in value of inventories is made.

Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale and relevant taxes. Purpose of inventories being held and effect of the post balance sheet events shall be taken into consideration in determining the net realizable value based on the conclusive evidence available.

Provision for decline in value of inventories is made based on the excess of cost of inventory compared with its net realizable value on an item-by-item basis.

After provision for decline in value of inventories is made, if the circumstances that previously caused inventories to be written down no longer exist, resulting in the cost of inventories being higher than their net realizable value, the original provision for decline in value is reversed and the reversal is included in profit or loss for the current period.

The perpetual inventory system is adopted for stock count.

7. Fixed assets and depreciation

Fixed assets are tangible assets that are held for use in the production or supply of services, for rental to others, or for administrative purposes and have useful lives more than one accounting year. A fixed asset is recognized only when it is probable that economic benefits associated with the asset will flow to the Company and the cost of the asset can be measured reliably. Fixed assets are initially measured at cost.

If it is probable that economic benefits associated with the asset will flow to the Company and the cost of the asset can be measured reliably. Subsequent expenditures incurred for the fixed asset are included in the cost of the fixed asset. Other subsequent expenditures are recognized in profit or loss in the period in which they are incurred.

Depreciation of a fixed asset is provided over its useful life using the straight-line method since the month subsequent to the one in which it is ready for intended use. The useful life, estimated net residual value rate and annual depreciation rate of each category of fixed assets are as follows:

Classes	Useful life	Estimated net residual value rates	Annual depreciation rates
Buildings	12-40 years	2%	2.5-8.2%
Plant and machinery	10 years	2%	9.8%
Electronic equipment, furniture and fixtures	6 years	2%	16.3%
Motor vehicles	6-10 years	2%	9.8-16.3%

Estimated net residual value of a fixed asset is the estimated amount that the Company would currently obtain from disposal of the asset, after deducting the estimated costs of disposal, if the asset were already of the age and in the condition expected at the end of its useful life.

If a fixed asset is on disposal or no future economic benefits are expected to be generated from its use or disposal, the fixed asset is derecognized. When a fixed asset is sold, transferred, retired or damaged, the amount of any proceeds on disposal of the asset net of the carrying amount and related taxes is recognized in profit or loss for the period.

The Company reviews the useful life and estimated net residual value of a fixed asset and the depreciation method applied at least at each financial year-end, and account for any change as a change in an accounting estimate.

8. Construction in progress

Cost of construction in progress is determined as the expenditure actually incurred for the construction, comprising all expenditure incurred for construction projects, capitalized borrowing costs incurred on a specific borrowing for the construction before it has reached working condition for its intended use, and other related expenses. No depreciation is provided for construction in progress. Construction in progress is transferred to a fixed asset when it is ready for intended use.

9. Intangible assets

Intangible assets include land use rights, trademark and software.

An intangible asset is measured initially at cost. When an intangible asset with a finite useful life is available for use, its original cost is amortized over its estimated useful life using the straight-line method.

For an intangible asset with a finite useful life, the Company reviews the useful life and amortization method at the end of the period, and makes adjustments when necessary.

9.1. Research and development expenditure

Expenditure on the research phase is recognized in profit or loss in the period in which it is incurred.

Expenditure on the development phase is recognized as an intangible asset only when the Company can demonstrate all of the following below. Otherwise, it is charged to profit or loss:

- (1) The technical feasibility of completing the intangible asset so that it will be available for use or sale;

- (2) Its intention to complete the intangible asset and use or sell it;
- (3) How the intangible asset will generate economic benefits. Among other things, the Company can demonstrate the existence of a market for the output of the intangible asset or the intangible asset itself or, if it is to be used internally, the usefulness of the intangible asset;
- (4) The availability of adequate technical, financial and other resources to complete the development and the ability to use or sell the intangible asset; and
- (5) Its ability to measure reliably the expenditure attributable to the intangible asset during its development phase.

If the expenditure on the research phase and on the development phase cannot be identified, the expenditure incurred should be recognized in full in profit or loss for the current period.

10. Impairment of non-financial assets

The Company assesses at each balance sheet date whether there is any indication that fixed assets, construction in progress, intangible assets with finite useful life may be impaired. If there is any indication that such assets may be impaired, recoverable amounts are estimated for such assets.

Recoverable amount is estimated on individual basis. If it is not possible to estimate the recoverable amount of an individual asset, the Company determines the recoverable amount of the asset group to which the asset belongs. The recoverable amount is the higher of an asset's or an asset group's fair value less costs to sell and the present value of the future cash flows expected to be derived from the asset group.

If the recoverable amount of an asset or an asset group is less than its carrying amount, the difference is recognized in profit or loss and provision for impairment loss of the asset is recognized accordingly.

Once an impairment loss on the above assets is recognized, it is not reversed in a subsequent period.

11. Estimated liabilities

An obligation related to a contingency is recognized as a provision when all of the following conditions are satisfied: (1) the obligation is a present obligation of the Company; (2) it is probable that an outflow of economic benefits will be required to settle the obligation; and (3) the amount of the obligation can be measured reliably.

At the balance sheet date, a provision is measured at the best estimate of the expenditure required to settle the related present obligation, taking into account the factors pertaining to a contingency such as the risks, uncertainties and time value of money.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

12. Employee benefits

In the accounting period in which an employee has rendered services, the Company recognizes the employee benefits payable for those services as a liability.

Expenditure related to payments for employees' social welfare system established by the State, including pensions, medical insurance, housing funds and other social welfare contributions, is included in the cost of related assets or profit or loss for the period in which they are incurred.

13. Revenue recognition

13.1 Revenue from the sale of goods

Revenue from the sale of goods is recognized only when all of the following conditions are satisfied: (1) the Company has transferred to the buyer the significant risks and rewards of ownership of the goods; (2) the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold; (3) the amount of revenue can be measured reliably;

(4) it is probable that the associated economic benefits will flow to the Company; and (5) the associated costs incurred or to be incurred can be measured reliably.

14. Government grants

Government grants are the transfer of monetary assets from the government to the Company at no consideration. A government grant is recognized when the Company complies with the conditions attaching to the grant and when the Company is able to receive the grant.

If the government grant is a monetary asset, the government grant should be recognized by the amount received or receivable.

A government grant related to an asset is recognised as deferred income, and evenly amortised to profit or loss over the useful life of the related asset.

For a government grant related to income, if the grant is a compensation for related expenses or losses to be incurred in subsequent periods, the grant is recognized as deferred income, and recognized in profit or loss over the periods in which the related costs are recognized; if the grant is a compensation for related expenses or losses already incurred, the grant is recognized immediately in profit or loss for the current period.

15. Borrowing costs

For borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset, capitalization of such borrowing costs can commence only when all of the following conditions are satisfied: (1) expenditures for the asset are being incurred; (2) borrowing costs are being incurred; and (3) activities relating to the acquisition, construction or production of the asset that are necessary to prepare the asset for its intended use or sale have commenced. Capitalization of such borrowing costs ceases when the qualifying assets being acquired, constructed or produced become ready for their intended use or sale.

The amount of other borrowing costs incurred is recognized as expenses in the period in which they are incurred.

Where funds are borrowed under a specific-purpose borrowing, the amount of interest to be capitalized is the actual interest expense incurred on that borrowing for the period less any bank interest earned from depositing the borrowed funds before being used on the asset or any investment income on the temporary investment of those funds. Where funds are borrowed under general-purpose borrowings, the amount of interest to be capitalized on such borrowings is determined by applying a capitalization rate to the weighted average of the excess amounts of cumulative expenditure on the asset over and above the amounts of specific-purpose borrowings. The capitalization rate is the weighted average of the interest rates applicable to the general-purpose borrowings.

16. Income taxes

Income taxes include current income taxes, deferred tax assets and deferred tax liabilities.

16.1. Current income taxes

At the balance sheet date, current income tax liabilities (or assets) for the current and prior periods are measured at the amount expected to be paid (or recovered) according to the requirements of tax laws.

16.2. Deferred tax assets and deferred tax liabilities

Temporary differences arising from the difference between the carrying amount of an asset or liability and its tax base, or the difference between the tax base and the carrying amount of those items that are not recognized as assets or liabilities but have a tax base that can be determined according to tax laws, are recognized as deferred tax assets and deferred tax liabilities using the balance sheet liability method.

Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets for deductible temporary differences are recognized to the extent that it is probable that taxable profits will be available against which the deductible temporary differences can be utilized. However, for temporary differences associated with the initial recognition of goodwill or the initial recognition of an asset or liability arising from a transaction that is not a business combination and does

not affect neither the accounting profit nor taxable profits (or deductible losses) at the time of transaction, no deferred tax asset or liability is recognized.

For the carry forward of deductible losses and tax credits, deferred tax assets are recognized to the extent that it is probable that future taxable profits will be available against which the deductible losses and tax credits can be utilized.

At the balance sheet date, deferred tax assets and liabilities are measured at the tax rates, which are expected to apply to the period in which the asset is realized or the liability is settled according to tax laws.

Current and deferred tax expenses or income are recognized in profit or loss for the current period, except when they arise from transactions or events that are directly recognized in other comprehensive income or in equity, in which case they are recognized in other comprehensive income or in equity, and when they arise from business combinations, in which case they adjust the carrying amount of goodwill.

At the balance sheet date, the carrying amount of deferred tax assets is reviewed and reduced if it is no longer probable that sufficient taxable profits will be available in the future to allow the benefit of deferred tax assets to be utilized. Any such reduction in amount is reversed when it becomes probable that sufficient taxable profits will be available.

16.3. Offset of deferred tax assets and deferred tax liabilities

When the Company has a legal right to settle on a net basis and intends either to settle on a net basis or to realize the assets and settle the liabilities simultaneously, current tax assets and current tax liabilities are offset and presented on a net basis.

When the Company has a legal right to settle current tax assets and liabilities on a net basis, and deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities which intend either to settle current tax assets and liabilities on a net basis or to realize the assets and liabilities simultaneously, in each future period in which significant amounts of deferred tax assets or liabilities are expected to be reversed, deferred tax assets and deferred tax liabilities are offset and presented on a net basis.

17. Translations of transactions denominated in foreign currencies

A foreign currency transaction is recorded, on initial recognition in the functional currency, by applying an exchange rate that approximates the actual spot exchange rate on the date of transaction.

At the balance sheet date, foreign currency monetary items are translated into RMB using the spot exchange rate at the balance sheet date. Exchange differences arising from the differences between the spot exchange rate prevailing at the balance sheet date and those spot rates used on initial recognition or at the previous balance sheet date are recognized in profit or loss for the current period.

Foreign currency non-monetary items measured at historical cost continue to be translated at the spot exchange rates at the dates of transactions, the amounts in functional currency remain unchanged. Foreign currency non-monetary items carried at fair value are translated using the spot exchange rates at the date when the fair value was determined. Differences between the translated amount and the original amount of functional currency are accounted for as changes in fair value (including changes in foreign exchange rates) and included in profit or loss for the period or owners' equity.

18. Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

18.1. The Company records operating leases as lessee

Operating lease payments are recognized on a straight-line basis over the term of the relevant lease, and are either included in the cost of related asset or charged to profit or loss for the current period. Initial direct costs incurred are charged to profit or loss for the period. Contingent rents are charged to profit or loss in the period in which they are actually incurred.

**V. BASIS OF DETERMINING SIGNIFICANT ACCOUNTING POLICIES AND KEY ASSUMPTIONS AND UNCERTAINTIES IN ACCOUNTING ESTIMATES**

In the application of the Company's accounting policies, which are described in Note IV, the Company is required to make judgments, estimates and assumptions about the carrying amounts of items in the financial statements that cannot be measured accurately, due to the internal uncertainty of the operating activities. These judgments, estimates and assumptions are based on historical experiences of the Company's management as well as other factors that are considered to be relevant. Actual results may differ from these estimates.

The aforementioned judgments, estimates and assumptions are reviewed regularly on a going concern basis. The effect of a change in accounting estimate is recognized in the period of the change, if the change affects that period only; or recognized in the period of the change and future periods, if the change affects both.

- Critical judgments in applying accounting policies

**Useful lives of fixed assets and intangible assets**

The Company reviews the useful lives of fixed assets and intangible assets at least at each financial year-end. When the re-estimation results regarding the useful lives of fixed assets and intangible assets differ from the existing estimate, the difference will affect the net book value of fixed assets and intangible assets in the period of the change.

**Provision for decline in value of inventories**

The Company's inventories are measured at the lower of cost and net realizable value. If the cost of inventories is higher than the net realizable value, a provision for decline in value of inventories shall be recognized. The provision for decline in value of inventories requires judgments and estimate. If re-estimation results differ from the existing estimates, the difference will affect the net book value of inventories in the period of the change.

**Impairment of accounts receivable**

The Company recognizes bad debt on the based on judgments of collectability of receivables. If there is objective evidence that account receivables could not be received, the bad debt should be recognized. The determination of bad debts requires judgments and estimates. If re-estimation results differ from the existing estimates, the difference will affect the net book value of account receivables in the period of the change.

**Recognition of Deferred tax assets**

The recognition of deferred tax assets depends on the future profit and temporary difference, also the tax rate of future years. Cause of uncertainty of when the temporary difference and deductible loss can be utilized, the Company did not recognize defer tax assets of temporary difference RMB 86,625,886.39(31 Dec 2014: RMB 40,103,943.49) and deductible losses RMB 173,336,528.77(31 Dec 2014: RMB 75,737,173.94).

**VI. TAXATION**
**VAT**

Value added tax ("VAT") on sales is calculated at 13% on revenue according to the relevant requirements of tax laws and paid after deducting input VAT on purchases.

**Income Taxes**

The Company has been recognised as a high-new technology enterprise and obtained the certificate numbered as GR201232001792 with an effective period of three years from 2012 to 2014. On November 2015, the Company has been verified for the qualification of the second batch of High Tech Enterprises (Su Gao Qi Xie 2015 No.16), and the Company enjoy the preferential tax rate of 15% from 2015 to 2018.

**IX. Financial Instruments and Risk Management**

The Company's major financial instruments include currency funds, borrowings, accounts receivable, other receivables, notes payable, account payables and other payables. Details of these financial instruments are disclosed in Note VII. The risks associated with these financial instruments and the policies on how to mitigate these risks are set out below. Management manages and monitors these exposures to ensure appropriate measures are implemented on a timely and effective manner.

## 1. Risk management objectives and policies

The Company's risk management objectives are to achieve proper balance between risks and yield, minimise the adverse impacts of risks on the Company's operation performance, and maximise the benefits of the shareholders and other equity investors. Based on these risk management objectives, the Company's basic risk management strategy is to identify and analyse the industry's exposure to various risks, establish appropriate bottom line for risk tolerance, implement risk management, and monitors these exposures to ensure appropriate measures are implemented on a timely and effective manner.

## 1.1. Market risk

## 1.1.1. Currency risk

Currency risk is the risk that losses will occur because of changes in foreign exchange rates. The Company's exposure to the currency risk is primarily associated with USD. Except for overseas sales denominated in USD, the Company's other principal activities are denominated and settled in RMB. As at 31 December 2015, except for the following assets denominated in USD, the other assets and liabilities balances are all denominated in RMB. Those assets denominated in USD are exposed to currency risk and may influence the operating results of the Company.

	2015 RMB	2014 RMB
Currency funds	<b>706,806.73</b>	<b>2,166,921.05</b>

The Company closely monitors the effects of changes in the foreign exchange rates on the Company's currency risk exposures. Currently, the Company has not taken any measurements to mitigate the currency risk.

## 1.1.2. Interest rate risk - risk of changes in cash flow

The Company's cash flow interest risk relates primarily to variable-rate borrowings through the variable-rate bank borrowings. As at 31 December 2015, variable-rate bank borrowings amounted to RMB 175,000,000.00 (2014: RMB 58,000,000.00).

## 1.2. Credit risk

As at 31 December 2015, the Company's maximum exposure to credit risk which will cause a financial loss to the Company due to failure to discharge an obligation by the counterparties.

In order to minimize the credit risk, the Company has delegated a team responsible for determination of credit limits, credit approvals and other monitoring procedures to ensure that follow-up action is taken to recover overdue debts. In addition, the Company reviews the recoverable amount of each individual trade debt at each balance sheet date to ensure that adequate impairment losses are made for irrecoverable amounts. In this regard, the management of the Company consider that the Company's credit risk is significantly reduced.

The credit risk on liquid funds is limited because the counterparties are banks with high credit ratings assigned by international credit-rating agencies.

The Company has adopted a policy of only dealing with creditworthy counterparties, and has no significant concentration of credit risk.

## 1.3. Liquidity risk

In the management of the liquidity risk, the Company monitors and maintains a level of cash and cash equivalents deemed adequate by the management to finance the Company's operations and mitigate the effects of fluctuations in cash flows. The management monitors the utilisation of bank borrowings and ensures compliance with loan covenants.

The following is the maturity analysis for financial liabilities held by the Company which is based on undiscounted remaining contractual obligations:

	Within 1 year RMB	Undiscounted cash flows RMB	Net book value RMB

2. Fair value

Fair values of the financial assets and financial liabilities are determined in accordance with generally accepted pricing models based on discounted cash flow analysis or using prices from observable current market transactions.

The management considers that the carrying amounts of financial assets and financial liabilities recorded at amortized cost in the financial statements approximate their fair values.

3. Sensitivity analysis

The Company adopts sensitivity analysis techniques to analyze how the entity's profit and loss for the period and owners' equity would have been affected by changes in the relevant risk variables that were reasonably possible. As it is unlikely that risk variables will change in an isolated manner, and the interdependence between risk variables will have significant effect on the amount ultimately influenced by the changes in a single risk variable, the following items are based on the assumption that each risk variable has changes on a stand-alone basis.

3.1 Currency risk

Where all other variables are held constant, the reasonably possible changes in the foreign exchange rate may have the following pre-tax effect on the profit or loss for the period or equity:

Item	Changes in exchange rate	2015	2014
		Effect on profits RMB	Effect on profits RMB
USD	5% increase against RMB	35,340.34	108,346.05
USD	5% decrease against RMB	(35,340.34)	(108,346.05)

3.2 Sensitivity analysis on interest rate risk

The sensitivity analyses below have been determined based on the exposure to interest rates for financial instruments at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

If interest rates had been 50 basis points higher/lower and all other variables were held constant, the Company's profit for the year ended 31 December 2015 would decrease/increase by RMB 482,397.00 (2014: RMB 290,000.00). This is mainly attributable to the Company's exposure to interest rates on its variable rate borrowing.

V. Financial Instruments and Risk Management

The Company's major financial instruments include currency funds, borrowings, accounts receivable, other receivables, notes payable, account payables and other payables. Details of these financial instruments are disclosed in Note III. The risks associated with these financial instruments and the policies on how to mitigate these risks are set out below. Management manages and monitors these exposures to ensure appropriate measures are implemented on a timely and effective manner.

1. Risk management objectives and policies

The Company's risk management objectives are to achieve proper balance between risks and yield, minimise the adverse impacts of risks on the Company's operation performance, and maximise the benefits of the shareholders and other equity investors. Based on these risk management objectives, the Company's basic risk management strategy is to identify and analyse the industry's exposure to various risks, establish appropriate bottom line for risk tolerance, implement risk management, and monitors these exposures to ensure appropriate measures are implemented on a timely and effective manner.

1.1. Market risk

1.1.1. Currency risk

Currency risk is the risk that losses will occur because of changes in foreign exchange rates. The Company's exposure to the currency risk is primarily associated with USD. Except for overseas sales denominated in USD, the Company's other principal activities are denominated and settled in RMB. As at 31 December 2015, except for the following assets denominated in USD, the other assets and liabilities balances are all denominated in RMB. Those assets denominated in USD are exposed to currency risk and may influence the operating results of the Company.

	2015 INR	2014 INR
Currency funds	<b>7,238,478.40</b>	<b>22,191,655.17</b>

The Company closely monitors the effects of changes in the foreign exchange rates on the Company's currency risk exposures. Currently, the Company has not taken any measurements to mitigate the currency risk.

1.1.2. Interest rate risk – risk of changes in cash flow

The Company's cash flow interest risk relates primarily to variable-rate borrowings through the variable-rate bank borrowings. As at 31 December 2015, variable-rate bank borrowings amounted to INR 1,792,192,500.00 (2014: INR 590,440,000.00).

1.2. Credit risk

As at 31 December 2015, the Company's maximum exposure to credit risk which will cause a financial loss to the Company due to failure to discharge an obligation by the counterparties.

In order to minimize the credit risk, the Company has delegated a team responsible for determination of credit limits, credit approvals and other monitoring procedures to ensure that follow-up action is taken to recover overdue debts. In addition, the Company reviews the recoverable amount of each individual trade debt at each balance sheet date to ensure that adequate impairment losses are made for irrecoverable amounts. In this regard, the management of the Company consider that the Company's credit risk is significantly reduced.

The credit risk on liquid funds is limited because the counterparties are banks with high credit ratings assigned by international credit-rating agencies. The Company has adopted a policy of only dealing with creditworthy counterparties, and has no significant concentration of credit risk.

## 1.3. Liquidity risk

In the management of the liquidity risk, the Company monitors and maintains a level of cash and cash equivalents deemed adequate by the management to finance the Company's operations and mitigate the effects of fluctuations in cash flows. The management monitors the utilisation of bank borrowings and ensures compliance with loan covenants.

The following is the maturity analysis for financial assets and financial liabilities held by the Company which is based on undiscounted remaining contractual obligations:

	Within 1 year INR	Undiscounted cash flows INR	Net book value INR
Financial liabilities:			
Short-term borrowings	2,873,356,349.95	2,873,356,349.95	2,826,543,600.00
Notes payable	1,132,665,660.00	1,132,665,660.00	1,132,665,660.00
Accounts payable	1,017,211,585.82	1,017,211,585.82	1,017,211,585.82
Interest payable	8,974,696.94	8,974,696.94	8,974,696.94
Other payables	791,385,975.37	791,385,975.37	791,385,975.37
	<b>5,823,594,268.09</b>	<b>5,823,594,268.09</b>	<b>5,776,781,518.14</b>

## 2. Fair value

Fair values of the financial assets and financial liabilities are determined in accordance with generally accepted pricing models based on discounted cash flow analysis or using prices from observable current market transactions.

The management considers that the carrying amounts of financial assets and financial liabilities recorded at amortized cost in the financial statements approximate their fair values.

## 3. Sensitivity analysis

The Company adopts sensitivity analysis techniques to analyze how the entity's profit and loss for the period and owners' equity would have been affected by changes in the relevant risk variables that were reasonably possible. As it is unlikely that risk variables will change in an isolated manner, and the interdependence between risk variables will have significant effect on the amount ultimately influenced by the changes in a single risk variable, the following items are based on the assumption that each risk variable has changes on a stand-alone basis.

## 3.1. Currency risk

Where all other variables are held constant, the reasonably possible changes in the foreign exchange rate may have the following pre-tax effect on the profit or loss for the period or equity:

Item	Changes in exchange rate	2015	2014
		Effect on profits INR	Effect on profits INR
USD	5% increase against RMB	361,923.96	1,109,582.73
USD	5% decrease against RMB	(361,923.96)	(1,109,582.73)

## 3.2 Sensitivity analysis on interest rate risk

The sensitivity analyses below have been determined based on the exposure to interest rates for financial instruments at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

If interest rates had been 50 basis points higher/lower and all other variables were held constant, the Company's profit for the year ended 31 December 2015 would decrease/increase by INR 4,940,275.00 (2014: INR 2,952,200.00). This is mainly attributable to the Company's exposure to interest rates on its variable rate borrowing.

## VI. COMMITMENTS

## Capital commitment

	2015 INR '000	2014 INR '000
Contracted but not provided in financial statements		
Commitment for acquisition of non-current assets	<b>20,646.06</b>	<b>13,047.16</b>

## VII. Pending litigation

One of our supplier prosecute us on a cases and the judicial action is ongoing. The impact of this litigation cannot determine till the date of this report, no more information is disclosed.

## **ECONOMY**

In 2015, global economic activity remained subdued. Growth in emerging market and developing economies – while still accounting for over 70% of global growth – declined for the fifth consecutive year, while a modest recovery continued in advanced economies. Three key transitions continue to influence the global outlook: (1) the gradual slowdown and rebalancing of economic activity in China away from investment and manufacturing towards consumption and services, (2) lower prices for energy and other commodities, and (3) a gradual tightening in monetary policy in the United States in the context of a resilient U.S. recovery as several other major advanced economy central banks continue to ease monetary policy. Monetary easing in the euro area and Japan is proceeding broadly as previously envisaged, while in December 2015 the U.S. Federal Reserve lifted the federal funds rate from the zero lower bound. Overall, financial conditions within advanced economies remain very accommodative. Prospects of a gradual increase in policy interest rates in the United States as well as bouts of financial volatility amid concerns about emerging market growth prospects have contributed to tighter external financial conditions, declining capital flows, and further currency depreciations in many emerging market economies.

Domestic economic activity lost pace in the second half of 2015-16, slowed down by muted investment and a prolonged contraction in exports. While private consumption has been the mainstay in holding up aggregate demand, it has largely been an urban phenomenon; coincident indicators of rural consumption have generally remained weak or in negative territory. Aggregate supply moderated with the impact of deficient monsoons on agriculture. Gross value added in industry benefited from the decline in input costs while services remained in expansion mode. Headline Consumer Price Index inflation is projected to moderate in 2016-17 to

around 5% while real GDP growth is projected to improve gradually to 7.6% in 2016-17.

By contrast, rural consumption remained weak in H2; with moderation in wage growth, rural incomes have been depressed by shocks to farm activity from back-to-back deficient monsoons. In Q4, however, there was a pick-up in sales of tractors and two-wheelers which could be indicative of a turning point in the rural economy. The prospects for Consumption Expenditure have been brightened by the proposal to implement the 7th Pay Commission award and one-rank-one-pension for retired defence personnel. The focus of the Union Budget 2016-17 on reviving the rural economy and doubling rural incomes could support rural consumption demand more enduringly going forward.

With easing of inflationary conditions, the Reserve Bank of India (RBI) signalled softening of the monetary policy stance by cutting policy repo rates by 25 bps in June and 50 bps in September to 6.75%. RBI through active liquidity management operations ensured that Liquidity conditions remained broadly stable and it continued to provide liquidity through overnight and term repos. Liquidity conditions are expected to be comfortable in the coming year. These conditions should augur well for a reinvigoration of private consumption demand. This coupled with a stable government, thrust on rural infrastructure and reforms, it is expected that India's growth will be strong.

Your Company has maintained its leadership position for vehicles and tractors in the rural and semi-urban markets. Despite unfavourable monsoons affecting the tractor segment, the Company maintained a healthy growth of business backed by growth in the overall auto industry. All vehicle categories were in the positive territory except for Tractors, which are gradually moving towards positive territory.

## **FINANCE**

During the year under review, the Reserve Bank of India (RBI) maintained its accommodative stance and remained focused on keeping the economy on a disinflationary glide path. The RBI remained vigilant about inflation, geo-political risks, global oil and commodity prices, monsoon, domestic demand and external volatility impacting the exchange rate. In FY15-16, the RBI intermittently cut the policy rates on the basis of available data, first by 25bps in the month of June 2015 and then a front loaded 50 bps in the month of September 2015. With this, in this rate-cutting cycle that began on January 2015, the RBI has brought down the repo rate by 125 bps (75 bps in FY 2015-16). Liquidity conditions remained in a deficit but stable mode throughout the year barring last quarter wherein the pace of Government expenditure slowed and liquidity deficit increased substantially. RBI through active liquidity management operations ensured that liquidity conditions remained broadly stable and it continued to provide liquidity through overnight and term repos. Sovereign and corporate bond yields which had started to ease ahead of the monetary policy easing cycle – got increasingly disconnected and firmed up through the second half of 2015-16. However, after the announcement of the Union Budget, yields steadily eased.

During FY 2015-16, the median base rate of Banks, declined by around 50 bps (in a late reaction to the rate cutting cycle). Your Company was able to take advantage of reduction in interest rates by having appropriate borrowing strategies and ensuring that prudent Asset Liability Management Guidelines are adhered to.

During the year under review, your Company continued with its diverse methods of sourcing funds in addition to regular borrowings like Secured and Unsecured Debentures, Term Loans, Commercial Paper, etc., and maintained prudential Asset/ Liability match throughout the year. Your Company sourced long term debentures and loans from banks and other institutions at attractive rates.

Your Company also issued Subordinated Debt amounting to Rs. 175 Crores and successfully completed four at par securitisation transactions aggregating to Rs. 855.9 Crores.

#### **PUBLIC ISSUANCE OF NON-CONVERTIBLE DEBENTURES**

During the year under the review, the Board of Directors of your Company approved the proposal of raising of funds by way of a public issue of Non-Convertible Debentures including Subordinated Debentures (NCDs) for an amount not exceeding Rs. 1,000 Crores, in one or more tranches, pursuant to the provisions of the Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 and other applicable laws.

The Company has filed the Draft Shelf Prospectus with the Securities and Exchange Board of India and the BSE Limited, being the designated Stock Exchange for the proposed NCD

issue and has received the in-principal approval for listing of the NCDs from the BSE Limited on 28<sup>th</sup> March, 2016.

#### **INVESTOR RELATIONS**

During the year under review, your Company continued to engage with investors in many ways, including one on one meetings, telepresence meetings, participation in investor conferences and quarterly earnings calls. Your Company interacted with Indian and overseas investors and analysts in a number of investor meets organised by reputed Global and Domestic Broking Houses, both in India and abroad, to communicate details of performance, important developments and exchange of information. Your Company ensures that critical information about the Company is available to all the investors by hosting all such information on the Company's website.

#### **CAPITAL ADEQUACY**

As on 31<sup>st</sup> March, 2016, the Capital to Risk Assets Ratio (CRAR) of your Company was 17.3%, which is well above 15.0% CRAR prescribed by the RBI.

#### **RBI GUIDELINES**

The Company has complied with all the applicable regulations of the Reserve Bank of India (RBI).

As a prudent practice, your Company makes accelerated provisioning for Non-Performing Assets (NPAs) than that required by RBI for NBFCs. Your Company continues to make a general provision at 0.40% on the standard assets outstanding as against 0.30% mandated by the RBI.

#### **Credit Rating**

The credit rating details of the Company as on 31<sup>st</sup> March, 2016 were as follows:

## DIRECTORS AND KEY MANAGERIAL PERSONNEL

### Directors

Mr. Bharat N. Doshi, Non-Executive Non-Independent Director of the Company, resigned as the Chairman and Member of the Board of Directors of the Company with effect from 9<sup>th</sup> March, 2016, in view of his appointment as a Director on the Central Board of Reserve Bank of India.

Mr. Doshi has been associated with the Company since its inception in 1991. He led the initiative of conceptualizing, establishing and then nurturing and growing the Company far beyond the captive status it had in its formative years. He was a Member of the Board of Directors of the Company from March 1992, and its Chairman from April 2008.

The Board Members unanimously complimented Mr. Doshi on the illustrious services rendered by him to the Company and the Financial Services Sector. The Board also acknowledged Mr. Doshi's contribution to the Company and placed on record its deep appreciation on the invaluable counsel rendered by him to the Company and his immense contribution in guiding the management during his tenure as the Chairman of the Company.

In the light of Mr. Doshi relinquishing his office as the Chairman and Director of the Company, the Board at its Meeting held on 18<sup>th</sup> March, 2016 unanimously decided to appoint Mr. Dhananjay Mungale, Independent Director, as the Chairman of the Company with effect from the date of the said Board Meeting.

Mr. Dhananjay Mungale has been a Member of the Board of Directors of the Company since 1<sup>st</sup> March, 1999 and was also the Chairman of the Audit Committee of the Board from 27<sup>th</sup> October, 2008.

Further, the Board at its Meeting held on 18<sup>th</sup> March, 2016, had on the recommendation of the Nomination and Remuneration Committee, unanimously decided to elevate Mr. Ramesh Iyer, Managing Director to the position of Vice-Chairman, designated as “Vice-Chairman & Managing Director” of the Company.

Mr. Ramesh Iyer has been associated with the Company since 1995 and was promoted to the position of Chief Executive Officer in May 1999. Mr. Iyer was then appointed as Managing Director of the Company with effect from 30<sup>th</sup> April, 2001.

Further, on the recommendation of the Nomination and Remuneration Committee, the Board at its Meeting held on 18<sup>th</sup> March, 2016 has appointed Dr. Anish Shah, as an Additional Director of the Company.

Dr. Anish Shah holds office upto the date of the ensuing AGM of the Company.

The Board at its adjourned Meeting held on 24<sup>th</sup> July, 2015 [after conclusion of the Annual General Meeting (AGM)] had appointed Mr. V. Ravi as an Additional Director with effect from 25<sup>th</sup> July, 2015 and subject to the approval of the Shareholders, appointed Mr. V. Ravi as the Whole-time Director designated as “Executive Director & Chief Financial Officer” effective from 25<sup>th</sup> July, 2015. Mr. V. Ravi holds office upto the date of the ensuing AGM of the Company.

The Board at its Meeting held on 23<sup>rd</sup> April, 2016 has decided to place the aforesaid proposals for the appointment of

Mr. V. Ravi and Dr. Anish Shah for the approval of the Members by means of a Postal Ballot.

The Company has received notices from the Members under section 160 of the Act, signifying their intention to propose Mr. V. Ravi and Dr. Anish Shah as a candidate for the office of Director of the Company to be placed for approval of the Members by way of a Postal Ballot voting process.

The term of office of Mr. Ramesh Iyer, Vice-Chairman & Managing Director of the Company, expires on 29<sup>th</sup> April, 2016.

On the recommendation of the Nomination and Remuneration Committee, the Board at its Meeting held on 23<sup>rd</sup> April, 2016, has approved the re-appointment of Mr. Ramesh Iyer, as the Vice-Chairman & Managing Director of the Company from 30<sup>th</sup> April, 2016 to 29<sup>th</sup> April, 2021, subject to the approval of the Members to be obtained by way of Postal Ballot.

As mentioned in the previous Annual Report, Mr. Uday Y. Phadke did not seek re-appointment and accordingly ceased to be a Director upon expiry of his term at the 25<sup>th</sup> Annual General Meeting held on 24<sup>th</sup> July, 2015.

Mr. V. S. Parthasarathy, Non-Executive Non-Independent Director, retires by rotation at the forthcoming Annual General Meeting and, being eligible, offers himself for re-appointment.

None of the Independent Directors are due for re-appointment.

#### **Key Managerial Personnel**

Mr. Ramesh Iyer, Vice-Chairman & Managing Director, Mr. V. Ravi, Executive Director & Chief Financial Officer and Ms. Arnavaz M. Pardiwala, Company Secretary of the Company have been designated as the Key Managerial Personnel of the Company (KMP) pursuant to the provisions of sections 2(51) and 203 of the Companies Act, 2013 read with the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014.

#### **DIRECTORS' RESPONSIBILITY STATEMENT**

Pursuant to the provisions of section 134(5) of the Companies Act, 2013, ('the Act') your Directors confirm that:

- i. In the preparation of the annual accounts for financial year ended 31<sup>st</sup> March, 2016, the applicable accounting standards have been followed and there are no material departures in adoption of these standards;
- ii. The Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as

at 31<sup>st</sup> March, 2016 and of the profit of the Company for the year ended on that date.

- iii. The Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities.
- iv. The Directors have prepared the annual accounts for financial year ended 31<sup>st</sup> March, 2016 on a going concern basis.
- v. The Directors have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and have been operating efficiently.
- vi. The Directors have devised proper systems to ensure compliance with provisions of all applicable laws and that such systems were adequate and operating effectively.

#### **PERFORMANCE EVALUATION OF THE BOARD**

The Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("the Listing Regulations") stipulate the evaluation of the performance of the Board, its Committees, Individual Directors and the Chairperson.

The Company has formulated a Policy for performance evaluation of the Independent Directors, the Board, its Committees and other individual Directors which includes criteria for performance evaluation of the Non-Executive Directors and Executive Directors.

The evaluation framework for assessing the performance of Directors comprises of various key areas such as attendance at Board and Committee Meetings, quality of contribution to Board discussions and decisions, strategic insights or inputs regarding future growth of the Company and its performance, ability to challenge views in a constructive manner, knowledge acquired with regard to the Company's business/activities, understanding of industry and global trends, etc.

The evaluation involves self-evaluation by the Board Member and subsequent assessment by the Board of Directors. A member of the Board will not participate in the discussion of his/her evaluation.

Pursuant to the provisions of the Companies Act, 2013 and Regulation 17 of the Listing Regulations, the Board has carried out an annual performance evaluation of its own performance, the Directors individually (including Independent Directors) as well as the evaluation of the working of its Committees.

Well-defined and structured questionnaires were prepared after taking into consideration inputs received from the Directors, covering various aspects of the Board's functioning such as adequacy of the composition of the Board and its Committees, Board culture, areas of responsibility, execution and performance of specific duties, obligations and governance, compliance, oversight of Company's subsidiaries, etc.

A separate exercise was carried out to evaluate the performance of individual Directors who were evaluated on several parameters

such as level of engagement and contribution, independence of judgment safeguarding the interest of the Company and its minority shareholders and knowledge acquired with regard to the Company's business/activities.

The performance evaluation of the Independent Directors was carried out by the entire Board excluding the Director being evaluated. The performance evaluation of the Chairman and the Non-Independent Directors was carried out by the Independent Directors. Qualitative comments and suggestions of Directors were taken into consideration by the Chairman of the Board and the Chairman of the Nomination and Remuneration Committee. The Directors have expressed their satisfaction with the evaluation process.

## ANNEXURE III - A TO THE DIRECTORS' REPORT FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016

### The Policy on Remuneration of Directors

#### Prelude

The Company is a non-banking financial company registered with the Reserve Bank of India, and is engaged in providing financing for new and pre-owned auto and utility vehicles, tractors, cars and commercial vehicles, providing personal loans, finance to small and medium enterprises and mutual fund distribution services.

This Policy shall be effective from the financial year 2014-15.

#### Intent of the Policy

The intent of the Remuneration Policy of Directors of Mahindra & Mahindra Financial Services Limited ("the Company") is to focus on enhancing the value and to attract and retain quality individuals with requisite knowledge and excellence as Executive and Non-Executive Directors for achieving objectives of the Company and to place the Company in a leading position.

The Nomination and Remuneration Committee (NRC) of the Board shall, while formulating the policy ensure that

- a) the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate Directors of the quality required to run the company successfully;
- b) relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- c) remuneration to Directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.

While deciding the policy on remuneration of Directors, the Committee may consider amongst other things, the duties and responsibilities cast by the Companies Act, 2013, the Listing Agreement, various Codes of Conduct, Articles of Association, restrictions on the remuneration to Directors as also the remuneration drawn by Directors of other companies in the industry, the valuable contributions and inputs from Directors based on their knowledge, experience and expertise in shaping the destiny of the Company, etc. The Policy is guided by a reward framework and set of principles and objectives as more fully and particularly envisaged under Section 178 of the Companies Act, 2013 and principles pertaining to qualifications, positive attributes, integrity and independence of Directors, etc.

#### Directors

The Managing Director is an executive of the Company and draws remuneration from the Company. The Non-Executive Chairman and Independent Directors receive sitting fees for attending the meeting of the Board and the Committees thereof, as fixed by the Board of Directors from time to time, subject to statutory provisions. The Non-Executive Chairman and

Independent Directors would be entitled to the remuneration under the Companies Act, 2013. Other Non-Executive Non-Independent Directors who receive remuneration from the holding company or a Group Company are not paid any sitting fees or any remuneration. In addition to the above, the Directors are entitled for reimbursement of expenses incurred in discharge of their duties.

Pursuant to the Employees Stock Option Scheme 2005 (ESOS 2005) the Company has granted Stock Options to Directors including Independent Directors. The Company has also granted Stock Options to the Managing Director and Non-Executive Non-Independent Director(s) pursuant to the Employees Stock Option Scheme 2010 (ESOS 2010). The vesting and exercise of these Options shall continue to be governed by ESOS 2005 and ESOS 2010 respectively and the terms of grant. However, as per Section 149(9) of the Companies Act, 2013, henceforth the Independent Directors will not be entitled to fresh grant of any Stock Options.

The NRC while determining the remuneration shall ensure that the level and composition of remuneration to be reasonable and sufficient to attract, retain and motivate the person to ensure the quality required to run the Company successfully. While considering the remuneration, the NRC shall also ensure a balance between fixed and performance-linked variable pay reflecting short and long term performance objectives appropriate to the working of the Company and its goals.

The NRC shall consider that a successful Remuneration Policy must ensure that some part of the remuneration is linked to the achievement of corporate performance targets.

#### Managing Director/Executive Directors

The term of office and remuneration of Managing Director/ Executive Directors are subject to the approval of the Board of Directors, Shareholders, and Central Government, as may be required and the limits laid down under the Companies Act, 2013 from time to time.

If, in any financial year, the Company has no profits or its profits are inadequate, the Company shall pay, subject to the requisite approvals, remuneration to its Managing Director/ Executive Directors in accordance with the provisions of Schedule V of the Companies Act, 2013.

If any Managing Director/Executive Director draws or receives, directly or indirectly by way of remuneration any such sums in excess of the limits prescribed under the Companies Act, 2013 or without the prior sanction of the Central Government, where required, he/she shall refund such sums to the Company and until such sum is refunded, hold it in trust for the Company. The Company shall not waive recovery of such sum refundable to it unless permitted by the Central Government.

Remuneration of the Managing Director/Executive Directors reflects the overall remuneration philosophy and guiding principle of the Company. While considering the appointment and remuneration of Managing Director/Executive Directors,

the NRC shall consider the industry benchmarks, merit and seniority of the person and shall ensure that the remuneration proposed to be paid is commensurate with the remuneration packages paid to similar senior level counterpart(s) in other companies.

Remuneration for Managing Director/Executive Director is designed subject to the limits laid down under the Companies Act, 2013 to remunerate them fairly and responsibly. The remuneration to the Managing Director/Executive Director comprises of salary, perquisites and performance based incentive apart from retirement benefits like Provident Fund, Superannuation, Gratuity, Leave Encashment, etc., as per Rules of the Company. Salary is paid within the range approved by the Shareholders. Increments are effective annually, as recommended/approved by the NRC/Board.

The total remuneration will have a flexible component with a bouquet of allowances to enable the Managing Director/Executive Director to choose the allowances as well as the quantum, based on laid down limits as per Company policy. The flexible component can be varied only once annually.

The actual pay-out of variable component of the remuneration will be a function of individual performance as well as business performance. Business performance is evaluated using a Balanced Score Card (BSC) while individual performance is evaluated on Key Result Areas (KRA). Both the BSC and KRAs are evaluated at the end of the fiscal to arrive at the BSC rating of the business and performance rating of the individual.

Remuneration also aims to motivate the Personnel to deliver Company's key business strategies, create a strong performance-oriented environment and reward achievement of meaningful targets over the short and long-term.

The Managing Director/Executive Directors are entitled to customary non-monetary benefits such as company cars, health care benefits, communication facilities, etc., as per policies of the Company. The Managing Director and Executive Directors are entitled to grant of Stock Options as per the approved Stock Option Schemes of the Company from time to time.

#### **Non-Executive Directors**

The Non-Executive Directors (NEDs) are paid remuneration by way of Commission and Sitting Fees. In terms of the shareholders' approval, the Commission is paid at a rate not exceeding 1% (one percent) per annum of the profits of the Company computed in accordance with the applicable provisions of the Companies Act, 2013. The distribution of Commission amongst the NEDs shall be placed before the Board.

At present, the Company pays sitting fees to the NEDs for attending the meetings of the Board and the Committees constituted by the Board from time to time.

#### **Disclosures**

Information on the total remuneration of members of the Company's Board of Directors, Managing Director/Executive Directors and Key Managerial Personnel/Senior Management Personnel may be disclosed in the Board's Report and the Company's Annual Report/Website as per statutory requirements laid down in this regard.

## REPORT ON CORPORATE GOVERNANCE

### CORPORATE GOVERNANCE PHILOSOPHY

Your Company believes that sound Corporate Governance is essential for enhancing long-term shareholder value and retaining investor trust.

Your Company manages its affairs with diligence, transparency, responsibility and accountability to generate long-term value for its stakeholders on a continuous and sustainable basis thus ensuring ethical and responsible leadership both at the Board and at the Management levels.

Your Company's Governance processes and practices, ensure that the interest of all stakeholders are taken into account in a balanced and transparent manner and are firmly embedded into the culture and ethos of the organisation.

Your Company has an active, experienced and a well-informed Board. The Board along with its Committees undertakes its fiduciary duties towards all its stakeholders with the Corporate Governance mechanism in place.

The Company is in compliance with the requirements mandated by the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ["the Listing Regulations"] and the erstwhile Clause 49 of the Listing Agreement. A Report on compliance with the Code of Corporate Governance as stipulated in the Listing Regulations is given below:

### BOARD OF DIRECTORS

The composition of the Board of your Company is in conformity with the provisions of the Companies Act, 2013 and the Listing Regulations, as amended from time to time.

The Board currently comprises of nine Directors. The Chairman of the Company is an Independent Director and the number of Non-Executive and Independent Directors (including a lady Director) is more than one-half of the total number of Directors.

All the Directors possess the requisite qualifications and experience in general corporate management, banking, finance, marketing and other allied fields which enable them to enhance their contribution effectively to the Company in their capacity as Directors of the Company. Detailed profile of the Directors is available on the Company's website at the web-link: <http://www.mahindrafinance.com/management.aspx>.

Mr. Bharat Doshi resigned as the Non-Executive Chairman and Member of the Board of Directors with effect from 9<sup>th</sup> March, 2016. The Board at its Meeting held on 18<sup>th</sup> March, 2016 has appointed Mr. Dhananjay Mungale, Independent Director as the Chairman of the Company and pursuant to the recommendation of the Nomination and Remuneration Committee (NRC) elevated Mr. Ramesh Iyer, Managing Director

as the 'Vice-Chairman & Managing Director' of the Company and also appointed Dr. Anish Shah as an Additional Director with effect from 18<sup>th</sup> March, 2016.

The Board of Directors at its adjourned Meeting held after the Annual General Meeting on 24<sup>th</sup> July, 2015, has pursuant to the recommendation of the NRC appointed Mr. V. Ravi, Chief Financial Officer of the Company as an Additional Director and elevated him to the position of a Whole-time Director designated as 'Executive Director & Chief Financial Officer', with effect from 25<sup>th</sup> July, 2015, subject to the approval of the Members.

Mr. Uday Y. Phadke, Non-Executive Non-Independent Director retired as Director of the Company with effect from the conclusion of the 25<sup>th</sup> Annual General Meeting held on 24<sup>th</sup> July, 2015.

The term of office of Mr. Ramesh Iyer, Vice-Chairman & Managing Director of the Company expires on 29<sup>th</sup> April, 2016.

On the recommendation of the NRC, the Board at its Meeting held on 23<sup>rd</sup> April, 2016, has approved the re-appointment of Mr. Ramesh Iyer, as the Vice-Chairman & Managing Director of the Company from 30<sup>th</sup> April, 2016 to 29<sup>th</sup> April, 2021, subject to the approval of the Members to be obtained by way of Postal Ballot.

Mr. Ramesh Iyer, Vice-Chairman & Managing Director and Mr. V. Ravi, Executive Director & Chief Financial Officer are Whole-time Directors of your Company. Mr. V. S. Parthasarathy and Dr. Anish Shah, Non-Executive Non-Independent Directors of your Company are in the whole-time employment of Mahindra & Mahindra Limited (M&M), the holding company, and draw remuneration from it. Apart from reimbursement of expenses incurred in the discharge of their duties and the remuneration that the Non-Executive Directors would be entitled to under the Companies Act, 2013, none of the Directors has any other material pecuniary relationships or transactions with the Company, its Promoters, its Directors, its Senior Management or its Subsidiaries and Associates which in their judgment would affect their independence. The Directors of the Company are not inter-se related to each other.

The Management of the Company is entrusted with the Steering Committee comprising of Senior Executives from different functions headed by the Vice-Chairman & Managing Director who operates under the supervision and control of the Board. The Board reviews and approves strategy and oversees the actions and results of Management to ensure that the long-term objectives of enhancing stakeholders' value are met.

The Senior Management have made disclosures to the Board confirming that there are no material, financial and/or commercial transactions between them and the Company which could have potential conflict of interest with the Company at large.

## NUMBER OF BOARD MEETINGS

The Board of Directors met five times during the year under review, on 23<sup>rd</sup> April, 2015, 24<sup>th</sup> July, 2015, 21<sup>st</sup> October, 2015, 21<sup>st</sup> January, 2016, and 18<sup>th</sup> March, 2016. The requisite quorum was present for all the meetings.

## REMUNERATION

### Policy on Remuneration for Directors and criteria for determining qualifications, positive attributes and independence of a director

The success of an organisation in achieving good performance and good governing practices depends on its ability to attract and retain quality individuals with requisite knowledge and excellence as Executive and Non-Executive Directors.

The Nomination and Remuneration Committee ('the NRC') reviews and assesses Board composition and recommends

the appointment of new Directors. In evaluating the suitability of individual Board member, the NRC shall take into account the following criteria regarding qualifications, positive attributes and also independence of director:

1. All Board appointments will be based on merit, in the context of the skills, experience, diversity, and knowledge, for the Board as a whole to be effective.
2. Ability of the candidates to devote sufficient time and attention to his/her professional obligations as Director for informed and balanced decision-making.
3. Adherence to the applicable Code of Conduct and highest level of Corporate Governance in letter and in spirit by the Directors.

Based on recommendation of the NRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member.

Your Company has a well-defined Remuneration Policy for its Directors. The Policy is guided by a reward framework and set of principles and objectives as more fully and particularly envisaged under Section 178 of the Companies Act, 2013 and principles pertaining to qualifications, positive attributes, integrity and independence of Directors etc.

The NRC while determining the remuneration of the Directors shall ensure that the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate the person to ensure the quality required to run the Company successfully. While considering the remuneration, the NRC shall ensure a balance between fixed and performance-linked variable pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals and it shall ascertain that some part of the remuneration is linked to the achievement of corporate performance targets.

#### **REMUNERATION POLICY FOR KEY MANAGERIAL PERSONNEL AND EMPLOYEES**

The Board and the Nomination and Remuneration Committee regularly keep track of the current and emerging market trends in terms of compensation levels and practices within the relevant industries. This information is used to review the Company's remuneration policies from time to time.

The broad structure of compensation payable to employees is as under:

- Fixed pay which has components like basic salary and other allowances/flexi pay as per the grade where the employees can chose allowances from bouquet of options.
- Variable pay (to certain grades) in the form of annual/half-yearly performance pay based on KRA's agreed.
- Incentives either monthly or quarterly based on targets in the lower grades.
- Retirals such as Provident Fund, Gratuity and Superannuation (for certain grades).
- Benefits such as car scheme, medical and dental reimbursement, loans, insurance, etc., as per grades.

The Cost to Company is reviewed annually and increment is given to eligible employees based on their position,

performance and market dynamics as decided from time to time.

#### **REMUNERATION PAID TO DIRECTORS**

The Independent Directors and eligible Non-Executive Directors are paid remuneration in the form of sitting fees and commission within the limits prescribed under the Companies Act, 2013. The remuneration payable to Non-Executive Directors is decided by the Board of Directors subject to the overall approval of Members of the Company.

The NRC while deciding the basis for determining the remuneration to the Non-Executive Directors, both fixed and variable, shall take into consideration various relevant factors, including the overall compensation policies of the Company pertaining to commission, current trends and practices in relevant industries, the market trends in terms of compensation levels, responsibilities undertaken by the Directors such as Chairpersonship of Committees, their contribution in enhancing stakeholders' value resulting in overall growth of the Company etc.

The eligible Non-Executive Directors are paid commission up to a maximum of 1% of the net profits of the Company as specifically computed for this purpose. A commission of Rs. 130.55 Lacs has been provided as payable to the eligible Non-Executive Directors in the accounts for the year ended 31<sup>st</sup> March, 2016.

In addition, the Independent Directors and eligible Non-Executive Director(s) are paid a sitting fee of Rs. 50,000 each for every Meeting of the Board, Rs. 40,000 for every Audit Committee Meeting attended, Rs. 30,000 each for attending a Meeting of the Nomination and Remuneration Committee, Corporate Social Responsibility Committee, Stakeholders Relationship Committee, Asset Liability Committee and the Risk Management Committee respectively, and Rs. 20,000 for attending a Meeting of the Strategy Committee for Acquisitions.

The Company has not granted any Stock Options to any of its Non-Executive Independent Directors.

Remuneration of Executive Directors includes salary, perquisites, allowances, benefits, amenities, retirals viz. superannuation including gratuity and provident fund (fixed component) and commission and stock options (variable component). The remuneration to the Vice-Chairman & Managing Director and Executive Director & Chief Financial Officer is fixed by the NRC which is subsequently approved by the Board of Directors and Shareholders at a General Meeting/ by means of a Postal Ballot voting process.

The NRC while deciding the basis for determining the remuneration of the Executive Directors shall take into consideration the individual performance and the business performance. The business performance is evaluated using a Balanced Score Card (BSC) while individual performance is evaluated on Key Result Areas (KRAs). Both the BSC and KRAs are evaluated at the end of the fiscal to arrive at the BSC rating of the business and performance rating of the individual.

Detailed information of Directors' remuneration for the year 2015-16 is set forth in Table 2.

Regulation 16(1)(c) of the Listing Regulations defines a “material subsidiary” to mean a subsidiary, whose income or net worth exceeds 20 percent of the consolidated income or net worth respectively, of the listed entity and its subsidiaries in the immediately preceding accounting year.

Under this definition, the Company did not have any “material subsidiary” during the year under review. The subsidiaries of the Company function independently, with an adequately empowered Board of Directors and sufficient resources. The Minutes of the Board Meetings of the Company’s subsidiaries are placed at the Board Meeting for review by the Board Members. The financial statements of the subsidiary companies are presented to the Audit Committee. The Company has also complied with the other provisions of Regulation 24 with regard to subsidiary companies.

**Policy for determining Material Subsidiaries**

The Company has formulated a policy for determining ‘material’ subsidiaries as defined in Regulation 16(1) (c) of the Listing Regulations. This policy has also been hosted on the website of the Company at the web-link: <http://www.mahindrafinance.com/policies.aspx>.

**Disclosure of Transactions with Related Parties**

All transactions entered into with Related Parties as defined under the Companies Act, 2013 and Regulation 23 of the Listing Regulations during the financial year were in the

ordinary course of business and on an arm’s length basis. The details of the transaction with related parties are placed before the Audit Committee from time to time. During the Financial Year 2015-16, there were no materially significant transactions or arrangements entered into between the Company and its Promoters, Directors or the Management, Subsidiaries or Relatives, etc., that may have potential conflict with the interests of the Company at large.

Further, details of related party transactions are presented in Note Number 40 to Standalone Financial Statements in the Annual Report.

**Policy on Materiality of and Dealing with Related Party Transactions**

The Company has formulated a policy on materiality of and dealing with Related Party Transactions pursuant to the provisions of the Companies Act, 2013 and Regulation 23 of the Listing Regulations. The Policy on Related Party Transactions is displayed on the website of the Company at the web-link: <http://www.mahindrafinance.com/policies.aspx>.

**Disclosure of Accounting Treatment in Preparation of Financial Statements**

**Details of non-compliance by the Company.**

The Company has complied with all the requirements of regulatory authorities. No penalties or strictures were imposed on the Company by Stock Exchanges or SEBI or any statutory authority on any matter related to capital market since the listing of the Company’s Equity Shares.

**Code for Prevention of Insider Trading Practices**

The Company has instituted a comprehensive Code of Conduct for Prevention of Insider Trading for its designated employees, in compliance with the Securities and Exchange Board of India [Prohibition of Insider Trading] Regulations, 2015, which came into force from 15<sup>th</sup> May, 2015.

The Company has devised and adopted the ‘Code of Practices and Procedures for Fair Disclosure of Unpublished Price Sensitive Information’ and ‘Code of Conduct for Prevention of Insider Trading in Securities of Mahindra & Mahindra Financial Services Limited’ (“the Codes”).

The Code of Conduct for Prevention of Insider Trading in Securities of Mahindra & Mahindra Financial Services Limited has been formulated to regulate, monitor and ensure reporting of Trading by the Employees and Connected Persons designated on the basis of their functional role in the Company towards achieving compliance with the new Regulations and is designed to maintain the highest ethical standards of trading in Securities of the Company by persons to whom it is applicable. The provisions of the Code are designed to prohibit Designated Persons from trading in the

Company's Securities when in possession of Unpublished Price Sensitive Information. The Code lays down guidelines for procedures to be followed and disclosures to be made while dealing with Securities of the Company and cautions them of the consequences of violations.

The Codes were made effective from 15<sup>th</sup> May, 2015.

All Board Members and designated persons have affirmed compliance with the Code.

### WHISTLE BLOWER POLICY

The Vigil Mechanism as envisaged in the Companies Act, 2013 and the Rules prescribed is implemented through the Whistle Blower Policy to provide for adequate safeguards against victimisation of persons who use such mechanism and make provision for direct access to the Chairperson of the Audit Committee.

#### **Procedure for Postal Ballot**

In compliance with Regulation 44 of the Listing Regulations and Sections 108, 110 and other applicable provisions of the Companies Act, 2013 (“the Act”) read with the Rules prescribed, the Company provides remote electronic voting (e-voting) facility to all its members to enable them to cast their votes electronically. The Company engages the services of Karvy Computershare Private Limited, its Registrar and Share Transfer Agents, for the purpose of providing e-voting facility to all its Members.

The Members have the option to vote either by physical ballot or e-voting. The Company dispatches the Postal Ballot Notices and Forms along with postage pre-paid business reply envelopes to its members whose names appear on the Register of Members/list of Beneficiaries as on the cut-off date. The Postal Ballot Notice is sent to Members in electronic form to the e-mail addresses registered with their depository participants (in case of electronic shareholding)/ the Company’s Registrar and Share Transfer Agents (in case of physical shareholding). The Company also publishes notice in the newspapers in English and Marathi languages declaring the details of completion of dispatch, and other requirements as mandated under the Act and applicable Rules and Secretarial Standard on General Meetings (SS-2). The Company also voluntarily publishes a notice in respect of declaration of results of the Postal Ballot in the newspapers for the information of its Members. The same are also posted on the website of the Company.

Voting rights are reckoned on the paid-up value of the shares registered in the names of the Members as on the cut-off date. Members desiring to exercise their votes by physical postal ballot forms are requested to return the forms duly completed and signed, to the scrutinizer on or before the close of voting period. Members desiring to exercise their votes by electronic mode are requested to vote before close of business hours on the last date of e-voting. The scrutinizer submits his report to the Chairman or any other authorised Director of the Company, after the completion of scrutiny, and the consolidated results of the voting by postal ballot are accordingly declared by the Company within the stipulated time frame. The Results and the Report of the Scrutinizer are hosted on the Company’s website [www.mahindrafinance.com](http://www.mahindrafinance.com) besides being communicated to the Stock Exchanges and Registrar and Share Transfer Agents. The Results are also published in at least one English and one vernacular newspaper circulating in Maharashtra. The last date of receipt of the duly completed Postal Ballot Forms or e-voting is deemed to be the date of passing of the resolutions, if approved by the requisite majority.

#### **Resolutions proposed to be passed by way of Postal Ballot**

The Company proposes to seek the approval of the Shareholders in respect of the following Resolutions by way of Postal Ballot including e-voting:

- i) Special Resolution for increase in the Borrowing limits of the Company from Rs. 50,000 crores to Rs. 55,000 crores

## MANAGEMENT DISCUSSION AND ANALYSIS

### GLOBAL ECONOMY

During 2015-16, global economic growth continued at a slow pace leaving the world economy more exposed to risks. Some of the factors for the lacklustre growth include a sharper-than-expected slowdown in China; return of financial turmoil in emerging markets; waning political solidarity in Europe and a persistent slump in oil prices. Global economic activity was muted with diminished growth in emerging markets for a fifth straight year even as an uncertain recovery continued in developed countries. The Eurozone's economic recovery continued although overall growth remained subdued. Solid domestic data continued to drive the recovery while the external sector dragged on the economy's performance. The Japanese economy is struggling for growth against structural headwinds including a declining and aging population, weakening productivity, low return on capital, and high debt levels.

### INDIAN ECONOMY

In 2015-16, the Indian economy emerged as one of the few large economies with an encouraging outlook. The factors contributing to this positive outlook were controlled inflation, rise in domestic demand, increase in investments, decline in oil prices and the boost to reforms, among others. According to the IMF, India is set to become the world's fastest-growing major economy by 2016, ahead of China.

The economic fundamentals are showing healthy trends, which corroborates the expected growth in the economy. Inflation has been largely tamed. The investment cycle in India is showing positive growth and expenditure on consumption is increasing, although in a fluctuating trend. This growth is likely to be sustainable considering government's focus on industrial activities, infrastructure development and ease of doing business.

Budget 2016 is a good indicator of the government's intentions and plans. With the global economy fraught with uncertainties, it is commendable that the Indian Government is sticking to

its fiscal deficit target while pursuing the growth agenda. Government targets to narrow the central fiscal deficit to 3.5% in 2016-17, after having comfortably met its 3.9% target for 2015-16. While public investment and urban consumption were the major drivers for growth last fiscal year, a reinforcement of private investment and rural consumption is critical if growth is to remain strong in 2016-17 and 2017-18.

### INDIAN FINANCIAL SERVICES INDUSTRY

According to India Brand Equity Foundation, gross national savings in India are expected to reach \$ 1,272 billion by the end of 2019. This in turn will trigger further savings and investments in Indian households, leading to their greater engagement.

Technology in financial services industry is getting dramatically transformed with several drivers responsible for the change. The willingness of consumers to use the technology for availing financial services is also a major facilitator of technological change.

In August 2015, the RBI granted licenses to 11 new payment banks. This marked a new revolution in the country's financial services sector. The move was to boost financial inclusion and up the ante of mobile revolution in the industry. The payment banking model will transform the way conventional banks approach customers. The risk to traditional banks right now is that the payment banks will track the entire transaction and customer engagement in parallel. Small and Medium Enterprises (SMEs) will have advantage going forward. SMEs play a major role in the development of economy and providing employment in developing countries. They contribute 33% of the Gross Domestic Product (GDP) in developing economies. As the barriers are being cleared, SME sector could experience substantial growth and offer expanded markets for financial services firms.

### NBFC Sector

NBFCs are emerging as an alternative to mainstream banking. They are also emerging as an integral part of Indian Financial System and are contributing commendably towards Government's agenda of financial inclusion. NBFCs in India have recorded marked growth in recent years. Between 2005 and 2015, their share of credit in India went up from 10% to 13%.

(Source: The Boston Consulting Group – NBFC 2.0).

The success of NBFCs has been driven by factors like their ability to control risks, to adapt to changes and create demand in markets that are likely to remain unexplored by bigger players. Thus the need for uniform practices and level playing field for NBFCs in India is crucial. NBFCs, in India, are today operating in a very dynamic scenario especially after the revised regulatory framework by the RBI launched with the objective of harmonizing working of NBFCs with banks and financial institutions and address regulatory gaps and arbitrage.

**NBFC Performance**

NBFC share of overall credit steadily growing

Especially in segments like home loans and CV financing

According to ICRA, retail credit of NBFCs as on 31st December 2015 stood at Rs. 4.7 trillion, showing a year-on-year growth of 18.8% as against 14.5% in 2015 and 9.5% in 2014. NBFCs are set to gather momentum in the CV segment and, given the anticipated pick-up in the overall business environment, will grow by 18-20% in 2016 and further by 19-22% in 2017, as against 14.5% in 2015. However, the segments that could see subdued growth include tractors as lenders remain watchful in view of the weak rainfalls over the past three crop cycles. Further, credit off-take in the construction equipment (CE) segment is also expected to be slow in 2017 and will only pick up a bit when the steps initiated by the Government to boost infrastructure activity start giving results.

**Key Trends**

NBFCs are likely to benefit from underlying trends and developments in the Indian market:

Key Initiatives	Highlights
E-commerce	<ul style="list-style-type: none"> <li>- India is the fastest growing e-commerce market in the world (43% CAGR).</li> <li>- Size of the market likely to be 6X in the next five years (\$130-140 bn. by 2020).</li> <li>- 43% of the SMEs participated in online sales in 2015.</li> </ul>

**Government Initiatives**

Several measures have been outlined in the Union Budget 2015-16 that aim at reviving and accelerating investment:-

- The Prime Minister of India has launched the Micro Unit Development and Refinance Agency (MUDRA) to fund and promote Micro Finance Institutions (MFIs), which would provide loans to small and vulnerable sections of the business community.
- Government of India's 'Jan Dhan' initiative for financial inclusion is gaining momentum, as the number of bank accounts opened by July 15, 2015 has more than doubled to 169 million from 68.7 million at end of October 2014. Government of India aims to extend insurance, pension and credit facilities to those excluded from these benefits under the Pradhan Mantri Jan Dhan Yojana (PMJDY).
- NBFCs shall be eligible for deduction to the extent of 5% of their income in respect of provision for bad and doubtful debts (NPAs).
- FDI will be allowed beyond the 18 specified NBFC activities in the automatic route in other activities which are regulated by financial sector regulators.
- The Pradhan Mantri Mudra Yojana (PMMY) was launched for the benefit of bottom of the pyramid entrepreneurs. Banks and NBFC-MFIs have reported that the amount sanctioned under PMMY had reached about Rs. 1 crore to over 2.5 crores borrowers by early February 2016, while the target next year is raised to Rs. 1,80,000 crores.
- Investment limit for foreign entities in Indian stock exchanges will be enhanced from 5 to 15% on par with domestic institutions.
- It is proposed to provide additional options to banking companies and financial institutions, including NBFCs, for reversal of input tax credits with respect to non-taxable services provided by them by way of extending deposits, loans and advances with effect from 1 April 2016.
- The first home buyer is given deduction for additional interest of Rs. 50,000 per annum for loans up to Rs. 35 lacs sanctioned during the next financial year provided the value of the house does not exceed Rs. 50 lacs.

## NBFC SECTOR GROWTH DRIVERS

### Automotive

Indian automobile industry is gearing up for good times after a long period of uneven and jaded performance. Indian automotive industry is expected to witness high growth in Passenger Vehicle (PV) over the period 2016-20 as the economic environment improves amid a strong reform push by the new government. This growth is predicted in view of positive GDP growth and launch of several new country specific models along with high technology adoption by automotive industry.

According to the Society of Indian Automotive Manufacturers (SIAM), Indian automotive sector today is a \$74 billion industry and by 2026, it is expected to achieve a turnover of \$300 billion clocking a CAGR of 15%. Government of India aims to make automobile manufacturing the main driver of 'Make in India' initiative as it expects passenger vehicles market to triple to 9.4 million units by 2026 as highlighted in the Auto Mission Plan (AMP) 2016-26.

### Housing Finance

India is expected to emerge as the third largest economy in the world by 2030 with an estimated 590 million people inhabiting the cities. The launch of "Housing-For-All by 2022" scheme in 2015 signalled a new era in the housing finance sector. It provided much-needed impetus to the real estate and housing finance industry by creating an enabling and supportive environment for expanding credit flow and increasing home ownership. The agenda of 'housing for all' is a key component of the government's strategy for making Indian cities inclusive and productive.

According to ICRA, the total housing credit outstanding as on 31<sup>st</sup> December 2015 crossed Rs. 11.9 trillion showing a growth of 18% in the 9 Month period of 2016 as compared to Rs. 10.5 trillion as of 31<sup>st</sup> March 2015. The growth was seen from second quarter onwards and was driven by disbursements against construction linked loans, growth in the small ticket affordable housing segment and demand from Tier II and Tier III cities.

The growth during the year 2015-16 was fairly broad based with a keen focus on affordable housing. Housing Finance companies were at the forefront in catering to the financial needs of the under-banked masses in the rural and semi-urban areas through strong linkages with these segments. Housing finance companies also gained market share during the period which can be attributed to large population base, rising income levels and rapid urbanisation.

Many new initiatives and policies focused on lending for housing were introduced in the last 12 months. The highlight was to bring housing loans of up to Rs. 50 lacs under affordable housing and bringing loans up to Rs. 28 lacs in urban and Rs. 25 lacs in other centres under Priority Sector Lending. The decision of the RBI to increase LTV ratio to 90% for loans up to Rs. 30 lacs or less was another positive step which will enable companies to lend more to customers desirous of owning a home.

### Tractor

The volumes of domestic tractor industry continued to be under pressure in 2015-16, resulting in decline of 12.1% on a year-on-year basis in April-February 2016. Some of the reasons for this low performance include weak farm sentiments, a result of stressed farm incomes on account of successive crop failures, a second consecutive year of weak south-west monsoon and a modest increase in Minimum Support Price (MSPs) of various crops. Additionally, non-agricultural demand has remained weak and a slow pick up in infrastructure and construction activities constrained demand for transport purposes.

The domestic tractor market has chiefly remained a medium HP market, with more than 80% of the total tractor sales being that of models in 31-50 HP range. The 41-50 HP segment continues to remain the most favoured segment, with about 45% of the domestic sales of tractors in the 10 month period of 2015-16 being covered by this segment alone. The inclination to medium HP tractors can be assigned to both suitability of medium HP tractors to a large addressable geographic region and their affordability vis-a-vis higher HP tractors.

### Infrastructure and Real Estate

The Indian Infrastructure and Construction Sectors have grown out of their nascent stage. For the past few decades, both government as well as private developers are targeting projects which were easy to execute and provide maximum economic benefit. Greater impetus to develop infrastructure in the country is attracting both domestic and international players. Private sector is emerging as a key player across various infrastructure segments, ranging from roads and communications to power and airports. The construction equipment industry is expected to nearly double to around \$ 5 billion by 2019-20, according to the Indian construction equipment manufacturers association (ICEMA).

2015-16 witnessed a number of government initiatives to further push the real estate and infrastructure sector in right direction:-

- Relaxation of foreign direct investment (FDI) norms.
- Clarifications about Real Estate Investment Trusts (REITs).
- Approval of the Real Estate (Regulation and Development) Bill by the Cabinet.
- Launch of Smart City campaign announcing first 20 cities to be developed under Smart Cities Mission.
- Capital expenditure outlays on the Railways and roads to touch Rs. 2,18,000 crores by 2016-17.
- Total outlay for infrastructure is Rs. 2,21,246 crores.
- Central Government to draw a plan to revive 160 un-served or underserved airports to enhance local connectivity.
- An initiative to transition infrastructure projects into a new credit rating system which will enable correct risk analysis of such projects, resulting in efficient loan funding.

### Mutual Fund Industry

The mutual fund industry continued to post gains in 2015-16, with its Assets Under Management (AUM) touching Rs. 13,58,559 crores in the quarter ended March 2016. According to Association of Mutual Funds of India (AMFI) the average AUM of Mutual Fund industry rose by Rs. 1,63,940 crores or 13.7%, primarily driven by record net inflows into equity mutual funds and strong inflows into balanced, income and liquid schemes. The retail investors continued to invest in mutual funds despite weak markets over the last year.

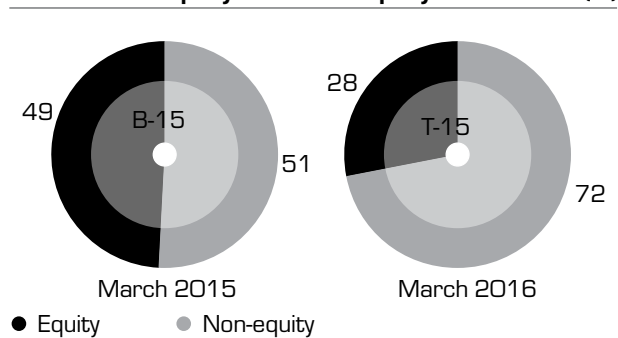

Assets (or MF business) from India's smaller cities and towns, called B-15 cities (beyond top 15 cities, or T-15), grew 15.4% in 2016 to Rs. 2.19 lacs crores from Rs. 1.9 lacs crores last year. Assets from T-15 stood at 11.3%; total asset growth was 12%.

### OUTLOOK

The outlook for the sector over the next year looks comparatively better on account of positive trend of growth in economy which is expected to boost credit demand. This, along with renewal of certain infrastructure projects which have been cleared by the cabinet committee in recent months and rise in industrial growth and corporate capital expenditure also is expected to benefit most of the commercial assets financed by the NBFCs. It is also expected to ease the pressure on the cash flows of their borrowers through improved utilisation of their assets. Going deeper across the country's unbanked regions, we at MMFSL, are optimistic that we would continue to address a wider customer base through our extensive operational network. We shall continue to expand our loan book and monitor our margins to ensure sustainable stakeholder returns.

### Company Overview

Mahindra & Mahindra Financial Services Limited (MMFSL) is a subsidiary of the Indian conglomerate, Mahindra & Mahindra (M&M). It is a leading Non-Banking Financial Company (NBFC), catering to the financing needs of the large population residing in rural and semi-urban areas of India. We provide a range of retail products and services, such as financing utility vehicles for commercial use and personal use, tractors, SME loans, and many other commercial products.

Recognising the demand in niche segments, we have introduced Mutual Fund Distribution, Fixed Deposit Schemes and Personal Loans.

Through a vast network of 1,167 offices and human resource strength of over 15,000 employees, Mahindra Finance has

established more than 4.1 million customer relationships across India. Mahindra Finance has financed assets of about 26,706 crores, generated income of 5,90,510.05 lacs and PAT (Profit after Tax) of 67,259.60 lacs.

### Credit Ratings

India Ratings has assigned 'IND AAA'/Stable, CARE Ratings has assigned CARE AAA, Brickwork has assigned BWR AAA/Stable and CRISIL has assigned "CRISIL AA+/Stable" rating to the Company's long term and subordinated debt.

### Key Competitive Advantages

**Diversified Product Portfolio:** Mahindra Finance has a large diversified product portfolio including vehicle financing, SME financing, Personal loans, mutual fund distribution, insurance broking and housing finance, serving varied needs of both rural and urban customers across the country.

**Quality service:** Mahindra Finance provides financial services through simple processes and procedures in sanction and disbursement of credit as well as timely, friendly and flexible terms of repayment aligned to the unique features of its clientele. Easy and fast appraisal and disbursements make the Company the preferred choice for many of its customers.

**Round the corner:** An established reach and network helps the Company to cater to the remotest of geographies in India. More than 90% of the unorganised sector has no link with banks and 60% of the rural consumers do not have bank accounts. The Company has significant business presence in semi-urban and rural areas.

**Customer Insight:** Focus on customer is one of the key factors that have driven the Company policies all these years. A strong business model and an insight in the needs of its customers give the Company a competitive edge. Better risk management has also contributed in Mahindra Finance achieving commendable growth.

**Strong Balance Sheet:** On the asset side, loans and advances make up nearly 92.6% of the total assets of the Company. This primarily includes auto loans. Most of these loans are retail loans, and therefore are spread over a large customer and geographic base.

**Consistent innovation:** Our technology deployment has resulted in superior sales productivity, better market coverage, improved channelisation and customer experience.

**Transparent approach:** We have always valued transparency while engaging with employees, investors, business associates and a wide fraternity of stakeholders.

### Operational Review

The key operational highlights during the year are as below:

- Opened more branches at the village level to remain close to customers, to understand their cash flows and approach the customer for recovery when he has the money. These branches will seize new opportunities when the economic cycle and farm cycle improve.
- Increased number of offices to 1,167 as on 31<sup>st</sup> March 2016, up by 5.32% from 1,108 offices as on 31<sup>st</sup> March 2015.
- Increased employee base to 15,821 as on 31<sup>st</sup> March 2016 as against 14,197 as on 31<sup>st</sup> March 2015.
- Total Income increased to Rs. 5,905.10 Crores in 2015-16 from Rs. 5,585 Crores in 2014-15, an increase of 5.73%.

- Assets Under Management (AUM) raised to Rs. 40,933 Crores from Rs. 36,878 Crores in 2014-15, an increase of 11%
- The customer base reached 4.1 million people, from 3.63 million in 2014-15, an increase of 12.95%

The Company has always been following norms that are more prudent than those prescribed by the RBI. The Company has put in place processes to meet the RBI's new regulations.

### Risk Management

MMFSL has formulated a robust Enterprise-wide Risk Management program (ERM) which involves risk identification, risk assessment and risk mitigation planning for business, strategic, operational, financial and compliance related risks. The ERM framework has been deployed across various processes in the organisation and is governed by the corporate risk office. A robust internal check process is deployed to prevent and limit risk of non-compliance.

The key Business Risks and the mitigation measures adopted by the Company are as follows:

Risk	Counter-measures
The Company is exposed to high credit risk given the unbanked rural customer base and diminishing value of collateral.	The Company manages credit risk through credit norms established through adequate experience in this line of business. Deep insight about the nature of borrowers and a strong business model reduces the risk of default significantly.
General industrial or economic slowdown affects the consumer sentiment and cash flows and may result in the slowdown of demand for vehicles consequently affecting Company's business.	The Company's diversified business portfolio coupled with customer reach enables it to sustain growth even in difficult financial conditions.
Disruption in funding could lead to liquidity crunch.	The Company gets funds from diverse sources, including Banks/FIs etc., securitization of receivables, and other credit facilities like retail Fixed Deposits.
Sharp fluctuations in interest rate may lead to a decline in the Company's net interest margin and ability to offer competitive lending rates to its customers.	The Company has prudently evolved a strategic fund mix to reduce dependence on banks that enables it to strike a balance between various sources of funding while reducing the cost of borrowing. The Company enjoys an excellent credit rating on its financial instruments which enables it to raise funds at competitive rates.
The shortage of skilled manpower in the local areas of operation pose a considerable risk given the Company's customer centric business model.	The Company strives to attract and retain the best talent from local markets; adopts a robust performance management system, employee engagement and training practices, learning and development initiatives to create an inspiring and rewarding work environment.
Competition from new entrants or unorganised sector or diversification by existing financial institutions.	The Company's extensive rural presence gives it a distinct edge. We have built trust and capabilities over three decades across India. Such an in-depth reach is not easy to build and gives us distinct edge.
Difficulty in expanding operations across new markets.	The Company, through its deep consumer insight collaborates with local business partners and adopts strategies to successfully market its products ensuring that it reaches the targeted customers.
Stringent Regulations reducing the regulatory arbitrage between Banks and NBFCs and resulting in increasing compliance costs.	The Company has put in place robust systems and processes to ensure compliance with all the applicable regulations. This has enabled the Company to earn the trust and goodwill of its stakeholders.

## HUMAN RESOURCE

MMFSL believes in taking care of its employees and ensuring that their career aspirations are met through professional growth, personal development and fair economic rewards. Thereby, giving rise to the Employee Value Proposition (EVP):

- Growth is a Way of life
- Employees are empowered
- People Matter

The Mahindra Finance Human Resource Management focuses on the following processes:

- **Talent Positioning:** It is based on the Business Plan followed by effective identification and placing of the right talent in the right position.
- **Talent Development:** The development initiatives and competency development plans leads to an increased capability and improved productivity.
- **Talent Management:** Career growth map for all roles in the organisation are defined and High Potentials are identified based on published criteria.
- **Succession Planning:** It is implemented and measured through identification and development of successors for all critical roles.
- **Employee Engagement Process:** It continuously strives to make the organisation a great place to work through creating a happy & engaged workforce. The organisation has implemented a wide range of programs, to effectively engage the employees.
- **Quality Management:** Quality is a way of life at Mahindra Finance. In line with the core Value – “Quality Focus” and the continuous quest for excellence, the organisation benchmarks itself with the best practices both at industry level and at the group level. Mahindra Finance has been certified by CMMI Institute LA at People Capability Maturity Model (PCMM) Maturity Level 3.

In addition to the above, MMFSL upholds the dignity of all its employees and enables them to flourish in an inclusive environment. The organisation believes that diversity and inclusion represents business and economic potential, therefore, it ventures out exploring opportunities to make the work environment more sensitive and inclusive towards its diverse employee composition. The organisation is currently

striving to create diversity through the spectrum of Gender, Generation, Differently Abled Diversity and Race/Religion.

## Information Technology

In the past year, MMFSL moved up the maturity curve of systems leverage. Exclusive systems training content was created and over 10,000 employees were trained in requisite systems; systems usage has increased by over 30%. Network connectivity has been enhanced to reach about 800 branches, with a large increase in bandwidth. Mobility has been leveraged through apps for customers and field processes. The usage of a new, mobility based lead capture cum loan origination system has begun in select regions and the learning has been incorporated into the subsequent phases of rollout. Technology solutions to implement smart branches, new accounting standards, collection campaigns, asset recovery etc have been launched successfully. Communication among employees has been improved by expansion of the video conferencing and webcast services. Outsourced services are being leveraged to leverage specialised skills and better service levels. Investments have been made in state-of-the-art IT infrastructure and security solutions.

## INTERNAL CONTROL

The Company has put in place an adequate internal control system to safeguard all assets and ensure operational excellence. The system also meticulously records all transaction details and ensures regulatory compliance. The Company also has a team of internal auditors to conduct internal audit. Reputed audit firms also ensure that all transactions are correctly authorised and reported. The reports are reviewed by the Audit Committee of the Board. Wherever necessary, internal control systems are strengthened and corrective actions initiated.

## CAUTIONARY STATEMENT

Certain statements in the Management Discussion and Analysis describing the Company’s objectives, predictions may be “forward-looking statements” within the meaning of applicable laws and regulations. Actual results may vary significantly from the forward looking statements contained in this document due to various risks and uncertainties. These risks and uncertainties include the effect of economic and political conditions in India, volatility in interest rates, new regulations and Government policies that may impact the Company’s business as well as its ability to implement the strategy. ### MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### AUDITOR'S RESPONSIBILITY

3. Our responsibility is to express an opinion on these standalone financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment

of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

## ANNEXURE II TO THE AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF MAHINDRA & MAHINDRA FINANCIAL SERVICES LIMITED

### Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Mahindra & Mahindra Financial Services Limited** ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the period from April 1, 2015 to March 31, 2016.

### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the Institute of Chartered Accountants of India ("ICAI") and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and may not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

**SIGNIFICANT ACCOUNTING POLICIES AND NOTES  
TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016**

**I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**

**1) Basis for preparation of financial statements:**

The financial statements have been prepared in accordance with the Generally Accepted Accounting Principles (GAAP) under the historical cost convention as a going concern and on accrual basis and in accordance with the provisions of the Companies Act, 2013 and the Accounting Standards specified under Section 133 of the Companies Act, 2013 ("the Act") read with rule 7 of the Companies (Accounts) Rules 2014 (as amended).

All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of services and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

Further, the Company follows prudential norms for Income Recognition, assets classification and provisioning for Non-performing assets as well as contingency provision for Standard assets as prescribed by The Reserve Bank of India (RBI) for Non-Banking Financial Companies. The Company has a policy of making additional provision on a prudential basis (refer note no. 29 of notes to the financial statements).

**2) Use of estimates:**

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities (including contingent liabilities) as on the date of financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in the preparation of the financial statement are prudent and reasonable. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

**3) Revenue recognition:**

**I. General:**

Revenue is recognised as earned and accrued when it is reasonably certain that its ultimate collection will be made and the revenue is measurable.

**II. Income from loans:**

- a) Interest Income from loan transactions is accounted for by applying the interest rate implicit in such contracts.
- b) Service charges, documentation charges and other fees on loan transactions are recognised at the commencement of the contract.
- c) Delayed payment charges, fee based income and interest on trade advances, are recognised when they become measurable and when it is not unreasonable to expect their ultimate collection.
- d) Income on business assets classified as Non-performing Assets, is recognised strictly in accordance with the guidelines issued by The Reserve Bank of India for Non-Banking Financial Companies. Unrealized interest recognized as income in the previous period is reversed in the month in which the asset is classified as Non-performing.

**III. Subvention income:**

Subvention received from manufacturers/dealers on vehicles financed is booked over the period of the contract.

**IV. Income from assignment/securitization transactions:**

**A. Income accounted prior to the issuance of RBI Circular dated August 21, 2012 (the Circular):**

- i. In case of receivables assigned/secured by the Company, the assets are de-recognised as all the rights, title, future receivables and interest thereof are assigned to the purchaser.

- ii. On de-recognition, the difference between book value of the receivables assigned/secured and consideration received as reduced by the estimated provision for loss/expenses and incidental expenses related to the transaction is recognised as gain or loss arising on assignment/securitisation.
- iii. On the maturity of an underlying assignment/securitisation deal, estimated provision for loss/expenses and incidental expenses in respect of the said deal are reversed as the actual losses/expenses have already been debited to the Statement of Profit and Loss over the period.

**B. Income accounted post the issuance of RBI Circular dated August 21, 2012 (the Circular):**

**i. Securitisation transactions:**

- a. Securitised receivables are de-recognized in the balance sheet when they are sold i.e. if they fully meet the true sale criteria.
- b. Gains arising on securitisation of assets are recognised over the tenure of securities issued by Special Purpose Vehicles Trust (SPV).
- c. Company's contractual rights to receive the share of future interest (i.e. interest spread) in the transferred assets from the SPV is capitalised at the present value as Interest Only (I/O) strip with a corresponding liability created for unrealised gains on loan transfer transactions. The excess interest spread on the securitisation transactions are recognised in the Statement of Profit and Loss only when it is redeemed in cash by the SPV. Losses, if any, are recognised upfront.

**ii. Assignment transactions:**

- a. Receivables under the assignment transactions are de-recognized in the balance sheet when they are sold subject to the portion of loan assets which is required under the Minimum Retention Criteria and reflected as Loans and Advances (refer note no. 13 and 18).
- b. The amount of profit in cash on such transactions is held under an accounting head styled as "Cash profit on loan transfer transactions pending recognition" maintained on an individual transaction basis. The amortisation of cash profit arising out of loan assignment transaction is done at the end of every financial year based on the formula prescribed as per the Circular. The unamortized portion is reflected as "Other long-term liabilities"/"Other current liabilities" (refer note no. 4 and 8).

**V. Income from investments:**

- a) Dividend from investments is accounted for as income when the right to receive dividend is established.
- b) Interest income is accounted on accrual basis.
- c) Interest income from investments made in structured instruments are accounted based on implicit rate built in such instruments.

**4) Fixed assets, depreciation and amortization:**

**a) Tangible assets:**

- i. Tangible assets are stated at cost of acquisition (including incidental expenses), less accumulated depreciation.
- ii. Assets held for sale or disposals are stated at the lower of their net book value and net realisable value.

**b) Depreciation on Tangible assets:**

Depreciation on tangible assets is charged on Straight Line Method (SLM) in accordance with the useful lives specified in Schedule II to the Companies Act, 2013 on a pro-rata basis except for following assets in respect of which useful life is taken as estimated by the management based on the actual usage pattern of the assets:

- a) Assets costing less than Rs. 5000/- are fully depreciated in the period of purchase.
- b) Vehicles used by employees are depreciated over the period of 48 months considering this period as the useful life of vehicle for the Company.
- c) Repossessed assets, which are primarily used vehicles, that have been capitalised for own use are depreciated at the rate of 15% on SLM over the remaining useful life of these assets. The same have been grouped under the head 'Vehicles' forming part of Company's Tangible assets in note no.10.
- d) Residual value of the assets is considered as nil reflecting the estimate of realisable values at the end of the useful life of an asset.

**c) Intangible assets:**

Intangible assets are stated at cost less accumulated amortization and impairment loss, if any.

**d) Amortization of Intangible assets:**

Intangible assets comprises of computer software which is amortized over the estimated useful life. The maximum period for such amortization is taken as 36 months based on management's estimates of useful life.

**5) Foreign exchange transactions and translations:**

**i. Initial recognition**

Transactions in foreign currencies are recognised at the prevailing exchange rates between the reporting currency and a foreign currency on the transaction dates.

**ii. Conversion**

- a. Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of Profit and Loss.
- b. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

**iii. Exchange differences**

The Company accounts for exchange differences arising on translation/settlement of foreign currency monetary items as below:

- a. Realized gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.
- b. Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of Profit and Loss.

**iv. Forward exchange and other derivative contracts entered into to hedge foreign currency risk of an existing asset/liability**

- a. In case of forward contracts with underlying assets or liabilities, the difference between the forward rate and the exchange rate which is either a premium or discount arising at the inception of a forward contract is amortised

over the life of the contract. Unamortised forward premium as at the year end is reflected as Other long-term/short-term liabilities depending on the period over which the premium is amortised.

- b. Exchange differences on such contracts are recognised in the Statement of Profit and Loss in the period in which the exchange rate changes.
- c. Any profit or loss arising on cancellation or renewal of forward exchange contracts is recognised as income or expense for the period.
- d. As per the risk management policy, the Company has taken foreign currency swap to cover the risk exposure on account of foreign currency loans. These transactions are structured in such a way that the Company's foreign currency liability is crystallized at a rate of exchange prevailing on the date of taking the swap. Accordingly, no loss or gain is expected on the settlement of swap as compared to the rate of exchange prevailing on the date of the swap. In such cases, foreign currency gain/losses on currency swap contracts are recognised to the extent of loss/gain on the underlying loan liabilities.
- e. Interest rate swaps in the nature of hedge, taken to manage interest rate risk on foreign currency liabilities, whereby variable interest rate is swapped for fixed interest rate, are recognized on accrual basis at fixed interest rate and charged to the Statement of Profit and Loss.

**6) Investments:**

In terms of Non-Banking Financial Companies Prudential Norms (Reserve Bank) Directions, 1998, Investments held as long-term investments are generally carried at cost comprising of acquisition and incidental expenses. Long-term investments in structured instruments are carried at cost less principal repayments till reporting date. Provision for diminution in value of investments, if any, is made if in the opinion of management, such diminution is other than temporary. Any premium on acquisition is amortised over the remaining maturity of the security on a constant yield to maturity basis. Such amortisation of premium is adjusted against interest income from investments. The book value of the investments is reduced to the extent of amount amortised during the relevant accounting period.

Investments other than long-term investments are classified as current investments and valued at lower of cost or fair value.

**7) Loans against assets:**

Loans against assets are stated at agreement value net of instalments received less unamortised finance charges.

**8) Employee benefits:**

**(a) Contribution to Provident Fund -**

Company's contribution paid/payable during the year to Provident Fund is recognised in the Statement of Profit and Loss.

**(b) Gratuity -**

The Company provides for gratuity, a defined benefit retirement plan covering all employees. The plan provides for lump sum payments to employees upon death while in employment or on separation from employment after serving for the stipulated period mentioned under 'The Payment of Gratuity Act, 1972'. The Company accounts for liability of future gratuity benefits based on an external actuarial valuation on projected unit credit method carried out for assessing liability as at the reporting date. Actuarial gains/losses are immediately taken to the Statement of Profit and Loss and are not deferred.

**MAHINDRA & MAHINDRA FINANCIAL SERVICES LIMITED  
(FORMERLY KNOWN AS MAHINDRA HOUSING PRIVATE LIMITED)**

**(c) Superannuation -**

The Company makes contribution to the Superannuation scheme, a defined contribution scheme, administered by Life Insurance Corporation of India. Contributions are charged to Statement of Profit and Loss. The Company has no obligation to the scheme beyond its contributions.

**(d) Leave encashment/compensated absences/sick leave -**

The Company provides for the encashment/availment of leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment/availment. The liability is provided based on the number of days of unutilized leave at each balance sheet date on the basis of an independent actuarial valuation.

**9) Borrowing costs:**

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use or sale. All other borrowing costs are charged to the Statement of Profit and Loss. Ancillary expenditure incurred in connection with the arrangement of borrowings is amortised over the tenure of the respective borrowings.

**10) Current and deferred tax:**

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods is accounted for using the tax rates and tax laws enacted or substantively enacted as on the balance sheet date. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised. Other deferred tax assets are recognised only when there is a reasonable certainty of their realisation.

**11) Share issue expenses:**

Expenses incurred in connection with fresh issue of Share capital are adjusted against Securities premium reserve in the year in which they are incurred.

**12) Impairment of assets:**

The carrying value of assets/cash generating units at each balance sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life to their present value based on an appropriate discount factor.

**13) Provisions and contingent liabilities:**

Provisions are recognised when there is a present obligation as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more

uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

**14) Employee Stock Compensation Costs:**

Measurement and disclosure of the Employee Share-based Payment plans is done in accordance with SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and the Guidance Note on Accounting for Employee Share-based Payments, issued by ICAI. The Company measures compensation cost relating to employee stock options using the Intrinsic value method (i.e. excess of market value of shares over the exercise price of the option at the date of grant). Compensation cost is amortized over the vesting period of the option on a straight line basis. The options which have lapsed are reversed by a credit to Employee compensation cost, equal to the amortised portion of value of lapsed portion and credit to Deferred employee compensation cost equal the unamortised portion.

**15) Lease:**

Lease rentals in respect of assets taken on operating lease arrangements are recognized as per the terms of the lease.

**16) Earnings Per Share:**

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, sub-division of shares etc. that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

# The Board of Directors have recommended a dividend of Rs. 4/- per share on equity shares of face value of Rs. 2/- each (March 31, 2015: Rs. 4.00 per share on equity shares of face value Rs. 2/- each) for the current financial year. The dividend will absorb a sum of Rs. 27,126.87 Lacs (March 31, 2015: Rs. 27,174.62 Lacs) including corporate dividend distribution tax.

The Central Government in consultation with National Advisory Committee on Accounting Standards has amended Companies (Accounting Standards) Rules, 2006 ('principal rules'), vide notification issued by Ministry of Corporate Affairs dated March 30, 2016. The Companies (Accounting Standards) Rules, 2016 is effective March 30, 2016. According to the amended rules, the proposed dividend mentioned above need not be recorded as a liability as at March 31, 2016. (Refer Para 8.5 of AS-4 - Contingencies and Events occurring after Balance Sheet date). The Company believes that the Rule 3(2) of the principal rules has not been withdrawn or replaced and accordingly, the Companies (Accounting Standards) Rule, 2016 will apply for the accounting periods commencing on or after March 30, 2016. Therefore, the Company has recorded Rs. 27,126.87 lacs as liability for proposed dividend (including corporate dividend distribution tax) as at March 31, 2016.

g) Method used for accounting for share based payment plan

The Company has elected to use intrinsic value method to account for the compensation cost of stock options to employees of the Company. Intrinsic value is the amount by which the quoted market price of the underlying share exceeds the exercise price of the option. Employee stock compensation cost is amortized over the vesting period.

h) Fair value of options

The fair value of options used to compute proforma net profit and earnings per share in note 28 (i) have been estimated on the date of grant using the black-scholes model. The key assumptions used in black-scholes model for calculating fair value as on the date of grant are:

**Grants covered under Scheme 2005:**

b) Exchange Traded Interest Rate (IR) Derivatives

The Company is not carrying out any activity of providing Derivative cover to third parties.

c) Disclosures on Risk Exposure in Derivatives

Qualitative Disclosures –

- i) The Company undertakes the derivatives transaction to prudently hedge the risk in context of a particular borrowing or to diversify sources of borrowing and to maintain fixed and floating borrowing mix. The Company does not indulge into any derivative trading transactions. The Company reviews, the proposed transaction and outlines any considerations associated with the transaction, including identification of the benefits and potential risks (worst case scenarios); an independent analysis of potential savings from the proposed transaction. The Company evaluates all the risks inherent in the transaction viz., counter party risk, market risk, operational risk, basis risk etc.
- ii) Credit risk is controlled by restricting the counterparties that the Company deals with, to those who either have banking relationship with the Company or are internationally renowned or can provide sufficient information. Market/Price risk arising from the fluctuations of interest rates and foreign exchange rates or from other factors shall be closely monitored and controlled. Normally transactions entered for hedging, will run till its life, irrespective of profit or loss. However in case of exceptions it has to be un-winded only with prior approval of M.D/CFO/Treasurer. Liquidity risk is controlled by restricting counterparties to those who have adequate facility, sufficient information, and sizable trading capacity and capability to enter into transactions in any markets around the world.
- iii) The respective functions of trading, confirmation and settlement should be performed by different personnel. The front office and back-office role is well defined and segregated. All the derivatives transactions are quarterly monitored and reviewed by CFO and Treasurer. All the derivative transactions have to be reported to the board of directors on every quarterly board meetings including their financial positions.

This is in compliance with the Companies (Accounting Standards) Amendment Rules, 2016, issued by the Ministry of Corporate Affairs, vide its Notification No. G.S.R.364 (E) dated 30<sup>th</sup> March, 2016.

There have been no material changes and commitments, affecting the financial position of the Company which occurred between the end of the Financial Year 2015-16 and the date of this Report.

**INDUSTRY OVERVIEW**

A report published by KPMG (“Decoding Housing for All by 2022”), pegs the current shortage of Housing units at 5.9 crore units. Of this, the shortage in rural areas is 4 crore units while the shortage in urban areas is placed at 1.9 crore units. Estimates made by other bodies indicate a similar large shortage of housing units. Recognising this issue, the Government has launched an ambitious program to implement “Housing For All.” The large unmet demand for housing is unlikely to be met without adequate housing finance assistance being extended and this represents an opportunity for your Company. Your Company is uniquely placed to help in addressing this crying social need because of the reach and more importantly the knowledge your Company has acquired about the customer

segment the Company serves. Your Company will continue to focus on serving the underserved rural customers and grow the business. In addition, your Company will now begin focusing on the affordable housing segment in smaller towns as well. The Government’s focus on this segment and the large unmet demand would combine to make this initiative develop into another growth engine for the Company.

**OPERATIONS**

During the year under review, the total income was Rs. 495.45 crores as against Rs. 328.44 crores for the Financial Year 2014-15, registering a growth of 51% over the previous year. Profit before tax was 44% higher at Rs. 96.70 crores as compared to Rs. 67.32 crores for the previous year. Profit after tax was 42% higher at Rs. 62.68 crores as compared to Rs. 44.17 crores for the previous year.

Your Company has disbursed loans aggregating Rs. 1,552.48 crores (previous year Rs. 989.57 crores) achieving a growth of 57% over the previous year. The outstanding loan portfolio

as at 31<sup>st</sup> March, 2016 stood at Rs. 3,264.52 crores. Your Company continued its focus on serving customers in rural India. Majority of the loans disbursed were to customers in villages with an average annual household income of less than Rs. 1.50 lacs. During the year under review, around 1,25,000 households were given home loans (in addition to around 2,63,000 existing households as on 31<sup>st</sup> March, 2015). Your Company has been expanding its geographical presence to provide affordable services for rural households.

During the year under review, operations were strengthened in the states of Maharashtra, Gujarat, Rajasthan, Tamilnadu, Andhra Pradesh, Kerala, Karnataka, Madhya Pradesh, Uttar Pradesh and Bihar.

#### **TRANSFER TO RESERVES**

The Company proposes to transfer an amount of Rs. 23.25 crores to the Statutory Reserve. No amount is proposed to be transferred to General Reserve and an amount of Rs. 78.42 crores is proposed to be retained in the Statement of Profit and Loss.

#### **DIVIDEND**

Your Directors recommend a dividend of Rs. 1.40 per Equity Share on 7,57,29,181 Equity Shares of the face value of Rs. 10 each, aggregating to Rs. 10.60 crores.

The above dividend, if approved, will be paid to those Members whose names appear in the Register of Members as on the Record Date fixed for this purpose.

The dividend, including dividend distribution tax, surcharge and education cess, will absorb a sum of Rs. 12.76 crores [as against Rs. 10.29 crores (including tax) on account of dividend of Rs. 1.30 per Equity Share, paid for the previous year].

#### **FINANCE**

During the year under review, your Company has been sanctioned Term Loans of Rs. 947 crores from banks for tenures of three to five years.

As on 31<sup>st</sup> March, 2016 the outstanding borrowings from Banks stood at Rs. 1,953.66 crores (of Long Term Loans) and the outstanding borrowings from National Housing Bank cumulatively amounted to Rs. 212.95 crores.

During the year under review, your Company has raised an amount of Rs. 60.00 crores by issue of 600 Unsecured Subordinated Redeemable Non-Convertible Debentures (NCDs) of Rs. 10,00,000 each for cash at par on a Private Placement basis. The Company has been regular in repayment of its borrowings and payment of interest due thereon. There were no NCDs which have not been claimed by the investors or not paid by the Company after the date on which the NCDs became due for redemption.

#### **LISTING**

During the year under review, your Company's NCDs have been listed on the BSE Limited and the Company has paid the requisite listing fees in full.

#### **CREDIT RATING**

During the year under review, India Ratings & Research Private Limited has reaffirmed the rating to the Company's Bank facilities, Non-Convertible Debentures and Subordinated Debt

as 'IND AA+' with stable outlook and has assigned 'IND A1+' rating to the Commercial Paper issued by the Company.

Credit Analysis & Research Limited has assigned the 'CARE AA+' Rating to the Company's Non-Convertible Debentures and reaffirmed the rating as 'CARE AA+' to the Subordinated Debt of the Company.

#### **ACHIEVEMENTS**

Your Company won the prestigious Porter Prize Award for 'Industry Architectural Shift' during the year under review. The award recognizes your Company's outstanding performance in the industry and its contribution in re-defining the industry structure by challenging the very basis of competition, creating new business models, challenging the status quo and exploiting change. It is one of the most prestigious awards in the industry given for company strategy.

During the year under review, your Company was recognised by the Ross School of Business' Positive Business Project. The Company was showcased in their handbook of "Positive Business".

#### **SHARE CAPITAL**

During the year under review, 99,92,044 Equity Shares of the face value of Rs. 10 each were allotted to the existing Shareholders of the Company on a Rights basis for cash at a premium of Rs. 30 per Share aggregating to Rs. 39.97 crores. Your Company has duly utilised the issue proceeds to augment its capital base, meet its capital requirements and for other general corporate purposes. Post allotment of Equity Shares as aforesaid, the issued, subscribed and paid-up Share Capital of the Company stands at Rs. 75.73 crores comprising of 7,57,29,181 Equity Shares of Rs. 10 each fully paid-up.

During the year under review, the Company has neither issued shares with differential voting rights as to dividend, voting or otherwise, nor has issued sweat equity. The Company has not formulated any Employees' Stock Option Scheme during the year under review. There were no Shares having voting rights not exercised directly by the employees and for the purchase of which or subscription to which, loan was given by the Company.

As on 31<sup>st</sup> March, 2016, none of the Directors of the Company holds instruments convertible into Equity Shares of the Company.

#### **DEPOSITORY SYSTEM**

Your Company's Equity Shares are available for dematerialisation through National Securities Depository Limited. As on 31<sup>st</sup> March, 2016, 86.81% of the Equity Shares of your Company were held in dematerialised form.

#### **CAPITAL ADEQUACY**

Consequent upon the allotment of Equity Shares on a Rights basis, the paid-up Share Capital of the Company has increased to Rs. 75.73 crores as on 31<sup>st</sup> March, 2016 from Rs. 65.74 crores as on 31<sup>st</sup> March, 2015. The securities premium account has also been credited with Rs. 29.98 crores.

As a result of the increased net worth, the Capital to Risk Assets Ratio (CRAR) of your Company enhanced to 23.65 per cent as on 31<sup>st</sup> March, 2016 which is well above the 12 per cent CRAR prescribed by the National Housing Bank.

## NON-PERFORMING ASSETS AND PROVISIONS FOR CONTINGENCY

Your Company scrupulously adheres to the prudential guidelines for Non-Performing Assets (NPAs) issued by the National Housing Bank under its Housing Finance Companies (NHB) Directions, 2010, as amended from time to time. Your Company has made adequate provision for the assets on which instalments are overdue for more than 90 days and on other assets, as required. Inclusion of Housing Companies with an asset size of Rs. 500 crores and above under the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (SARFAESI Act) will give a boost to the recovery efforts and reduce asset quality problems in future.

## INSPECTION BY NATIONAL HOUSING BANK (NHB)

During the Financial Year 2015-16, NHB has carried out the Inspection of your Company for the financial position as at 31<sup>st</sup> March, 2014. NHB had advised the Company to calculate the impact of re-classification of assets based on the date of NPAs as against number of days overdue on Net Owned Funds/CRAR as on 31<sup>st</sup> March, 2014. Accordingly, your Company has re-classified the assets which resulted in the requirement of additional provision of Rs. 11.12 lacs. As mentioned in the Note No. 2.2 to the Audited Financial Statements for the Financial Year ended 31<sup>st</sup> March, 2014, your Company has made an additional provision of Rs. 140.91 lacs over and above the norms prescribed by NHB. After considering the re-classification impact of Rs. 11.12 lacs, the additional provision would stand reduced to Rs. 129.79 lacs. Accordingly, there is no impact of the said re-classification on the Net Owned Funds/CRAR as at 31<sup>st</sup> March, 2014.

## INSURANCE PROTECTION TO BORROWERS

Your Company has tied up with Kotak Mahindra Old Mutual Life Insurance Limited and Cholamandalam MS General Insurance Company Limited for insurance of its housing loan products alongwith life insurance called Sampoorna Suraksha Plan which covers the borrowers of the Company.

## DIRECTORS

On the recommendation of the Nomination and Remuneration Committee and the Board of Directors, the Shareholders at their Extraordinary General Meeting held on 13<sup>th</sup> August, 2015, have appointed Mr. Narendra Mairpady (DIN : 00536905) as an Independent Director of the Company for a period of five consecutive years commencing from 13<sup>th</sup> August, 2015.

## ANNEXURE II TO THE DIRECTORS' REPORT POLICY ON REMUNERATION OF DIRECTORS

### Prelude

The Company is a housing finance company registered with the National Housing Bank, and is engaged in providing Home Loans primarily in rural areas for construction or purchase of a new property or for repairs, modernization or extension of an existing home.

This Policy shall be effective from the financial year 2014-15.

### Intent of the Policy

The intent of the Remuneration Policy of Directors of Mahindra Rural Housing Finance Limited ("the Company") is to focus on enhancing the value and to attract and retain quality individuals with requisite knowledge and excellence as Executive and Non-Executive Directors for achieving objectives of the Company and to place the Company in a leading position.

The Nomination and Remuneration Committee (NRC) of the Board shall, while formulating the policy ensure that —

- a) the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate Directors of the quality required to run the company successfully;
- b) relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- c) remuneration to Directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

While deciding the policy on remuneration of Directors the Committee may consider amongst other things, the duties and responsibilities cast by the Companies Act, 2013, various Codes of Conduct, Articles of Association, restrictions on the remuneration to Directors as also the remuneration drawn by Directors of other companies in the industry, the valuable contributions and inputs from Directors based on their knowledge, experience and expertise in shaping the destiny of the Company etc. The Policy is guided by a reward framework and set of principles and objectives as more fully and particularly envisaged under Section 178 of the Companies Act, 2013 and principles pertaining to qualifications, positive attributes, integrity and independence of Directors etc.

### Directors

The Managing Director is an executive of the Company and draws remuneration from the Company. The Non-Executive Chairman and Independent Directors may receive sitting fees for attending the meeting of the Board and the Committees thereof, if fixed by the Board of Directors from time to time subject to statutory provisions. The Non-Executive Chairman and Independent Directors would be entitled to the remuneration under the Companies Act, 2013. A Non-Executive Non-Independent Director who receives remuneration from the Holding Company or a Group Company will not be paid any sitting fees or any remuneration. In addition to the above, the Directors are entitled for reimbursement of expenses incurred in discharge of their duties. Payment of Remuneration to Nominee

Directors shall be governed by the agreement with the Financial Institution/Bank appointing the Nominee Director and by the Articles of Association of the Company.

The Managing Director and other eligible Director(s) as per extant statutory provisions may be granted Employees Stock Options, Stock Appreciation Rights or any other Share based Employee benefits pursuant to any scheme that may be approved by the Board of Directors and shareholders of the Company subject to such other approvals as may be required.

Non Executive Directors may be paid remuneration either by way of monthly payment or at a specified percentage of net profits of the Company or partly by one way and partly by another, subject to the provisions of the Companies Act, 2013.

The NRC while determining the remuneration shall ensure the level and composition of remuneration to be reasonable and sufficient to attract, retain and motivate the person to ensure the quality required to run the Company successfully. While considering the remuneration, the NRC shall also ensure a balance between fixed and performance-linked variable pay reflecting short and long term performance objectives appropriate to the working of the Company and its goals.

The NRC shall consider that a successful Remuneration Policy must ensure that some part of the remuneration is linked to the achievement of corporate performance targets.

### Managing Director/Executive Directors

The term of office and remuneration of Managing Director/Executive Directors are subject to the approval of the Board of Directors, shareholders, and Central Government, as may be required and the limits laid down under the Companies Act, 2013, from time to time.

If, in any financial year, the Company has no profits or its profits are inadequate, the Company shall pay, subject to the requisite approvals, remuneration to its Managing Director/Executive Directors in accordance with the provisions of Schedule V of the Companies Act, 2013.

If any Managing Director/Executive Director draws or receives, directly or indirectly by way of remuneration any such sums in excess of the limits prescribed under the Companies Act, 2013 or without the prior sanction of the Central Government, where required, he/she shall refund such sums to the Company and until such sum is refunded, hold it in trust for the Company. The Company shall not waive recovery of such sum refundable to it unless permitted by the Central Government.

Remuneration of the Managing Director/Executive Directors reflects the overall remuneration philosophy and guiding principle of the Company. While considering the appointment and remuneration of Managing Director/Executive Directors, the NRC shall consider the industry benchmarks, merit and seniority of the person and shall ensure that the remuneration proposed to be paid is commensurate with the remuneration packages paid to similar senior level counterpart(s) in other companies.

Remuneration for Managing Director/Executive Director is designed subject to the limits laid down under the Companies Act, 2013 to remunerate them fairly and responsibly. The

remuneration to the Managing Director/Executive Director comprises of salary, perquisites and performance based incentive apart from retirement benefits like Provident Fund, Superannuation, Gratuity, Leave Encashment etc., as per the Rules of the Company. Salary is paid within the range approved by the Shareholders. Increments are effective annually, as recommended/approved by the NRC/Board. In terms of the shareholders' approval, the Commission may be paid to Managing Director in any Financial Year at a rate not exceeding 1/4% (one fourth percent) per annum of the profits of the Company computed in accordance with the applicable provisions of the Companies Act, 2013 as may be recommended by the NRC and approved by the Board.

The total remuneration will have a flexible component with a bouquet of allowances to enable the Managing Director/Executive Director to choose the allowances as well as the quantum based on laid down limits as per the Company policy. The flexible component can be varied only once annually.

The actual pay-out of variable component of the remuneration will be a function of individual performance as well as business performance. Business performance is evaluated using a

Balanced Score Card (BSC) while individual performance is evaluated on Key Result Areas (KRA). Both the BSC and KRAs are evaluated at the end of the fiscal year to arrive at the BSC rating of the business and performance rating of the individual.

Remuneration also aims to motivate the Personnel to deliver Company's key business strategies, create a strong performance-oriented environment and reward achievement of meaningful targets over the short and long-term.

The Managing Director/Executive Directors are entitled to customary non-monetary benefits such as company cars, health care benefits, leave travel, communication facilities etc., as per the policies of the Company. The Managing Director and Executive Directors are entitled to grant of Stock Options as per the approved Stock Options Schemes of the Company from time to time.

#### **Disclosures**

Information on the total remuneration of members of the Company's Board of Directors, Managing Director/Executive Directors and Key Managerial Personnel/Senior Management Personnel may be disclosed in the Board's Report as per statutory requirements laid down in this regard.

## **REMUNERATION POLICY FOR KEY MANAGERIAL PERSONNEL AND EMPLOYEES**

This Policy shall be effective from the financial year 2014-15.

#### **Objective**

## INDEPENDENT AUDITOR'S REPORT

To the Members of **MAHINDRA RURAL HOUSING FINANCE LIMITED**

### Report on the Financial Statements

1. We have audited the accompanying financial statements of Mahindra Rural Housing Finance Limited ("the Company"), which comprise the balance sheet as at March 31, 2016, and the statements of profit and loss and cash flow for the year then ended, and a summary of the significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial

statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2016, and its profit and its cash flows for the period from April 1, 2015 to March 31, 2016.

## ANNEXURE I TO THE AUDITOR'S REPORT

Referred to in paragraph 9 of our report of even date on the financial statements of **Mahindra Rural Housing Finance Limited** for the year ended March 31, 2016.

- I. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The fixed assets are physically verified by the Management according to a programme of phased verification, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the Management during the year and no material discrepancies have been noticed in respect of assets verified during the year.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- II. The Company is in the business of providing housing finance and consequently, does not hold any inventory. Hence, para 3(ii) of the Companies (Auditor's Report) Order, 2016 is not applicable to the company.
- III. There are no companies, firms or other parties covered in the register maintained under Section 189 of Companies Act, 2013. Therefore, para 3(iii) (a), (b) & (c) of the Companies (Auditor's Report) Order, 2016 is not applicable to the company.
- IV. The Company has not granted any loans or made any investments, or provided any guarantees or security to the parties covered under Section 185 and Section 186. Therefore, para 3(iv) of the Order is not applicable to the company.
- V. The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified. Therefore, para 3(v) of the Order is not applicable to the company.
- VI. The Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act, for any of the services rendered by the Company.
- VII. (a) According to the records of the Company and information and explanations given to us, the Company is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income tax, service tax, duty of customs, value added tax, cess and other applicable statutory dues with the appropriate authorities.

## **ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF MAHINDRA RURAL HOUSING FINANCE LIMITED**

### **Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Mahindra Rural Housing Finance Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that :

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE ACCOUNTS

### Note I

## NOTES FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED MARCH 31<sup>st</sup>, 2016.

#### SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

##### 1.1 Basis for Preparation of Financial Statements

The financial statements have been prepared in accordance with the Generally Accepted Accounting Principles (IGAAP) under the historical cost convention as a going concern and on accrual basis and in accordance with the provisions of the Companies Act, 2013 and the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended).

All assets and liabilities have been classified as current and non – current as per the Company's normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of services and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – noncurrent classification of assets and liabilities.

Further, the Company follows prudential norms for Income Recognition, Assets classification and provisioning for Non-performing Assets as well as contingency provision for Standard Assets as prescribed by The National Housing Bank for Housing Finance Companies.

##### 1.2 Use of Estimates

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities (including contingent liabilities) as on the date of financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

##### 1.3 Revenue Recognition

###### a. General:

Revenue is recognised when it is reasonably certain that it is measurable and further that it would not be unreasonable to expect its ultimate collection.

###### b. Income from Loans:

- i. Interest Income from loan transactions is accounted for by applying the interest rate implicit in such contracts.
- ii. Service charges, documentation charges and other fees on loan transactions are recognised at the commencement of the contract.
- iii. Delayed payment charges and fee based income are recognised when they become measurable and when it is not unreasonable to expect their ultimate collection.
- iv. Income on business assets classified as Non-performing Assets, is recognised strictly in accordance with the guidelines issued by The National Housing Bank for Housing Finance Companies. Unrealized interest recognized as income in the previous period is reversed in the month in which the asset is classified as Non-performing.

###### c. Income From Investments:

- i. Dividend from investments is accounted for as income when the right to receive dividend is established.
- ii. Interest income is accounted on accrual basis.

##### 1.4 Fixed Assets, Depreciation and Amortization

###### a. Tangible Assets:

Tangible assets are stated at cost of acquisition (including incidental expenses), less accumulated depreciation. Assets held for sale or disposals are stated at the lower of their net book value and net realizable value.

###### b. Depreciation on Tangible Assets

Depreciation on fixed assets is charged on the basis of the useful life of the assets as specified in Schedule II to The Companies Act, 2013 except for:

- i. Vehicles used by employees are depreciated over the maximum period of 48 months based on the useful life of vehicle for the Company.

- ii. Assets costing less than Rs. 5000/- are fully depreciated in the period of purchase.

##### 1.5 Foreign Exchange Transactions and Translations

###### a. Initial recognition:

Transactions in foreign currencies are recognised at the prevailing exchange rates between the reporting currency and a foreign currency on the transaction dates.

###### b. Conversion

- i. Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of profit and loss.
- ii. Non-monetary items, which are measured in terms of historical Cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

###### c. Exchange differences

The Company accounts for exchange differences arising on translation/settlement of foreign currency monetary items as below:

- i. Realized gains and losses on settlement of foreign currency transactions are recognised in the Statement of profit and loss.
- ii. Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of profit and loss.

##### 1.6 Investments

Investments held as long-term investments are carried at cost comprising of acquisition and incidental expenses less permanent diminution in value, if any. Investments other than long-term investments are classified as current investments and valued at cost or fair value whichever is less.

Provision for diminution in value of investments is made if management perceives that there is permanent diminution in value of investments or in accordance with the norms prescribed by National Housing Bank and Accounting Standard on 'Accounting for Investments' (AS 13) notified by Companies (Accounting Standards) Rules, 2006.

##### 1.7 Loan Against Assets

Loan against assets are stated at agreement value net of installments received less unmatured finance charges.

##### 1.8 Share Issue Expenses

Expenses incurred in connection with fresh issue of share capital are adjusted against Securities premium reserve in the year in which they are incurred.

##### 1.9 Lease

Lease rentals in respect of assets taken on operating lease arrangements are recognized as per the terms of the lease.

##### 1.10 Earnings per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, sub-division of shares etc. that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted

average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

### 1.11 Current and Deferred Tax

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods is accounted for using the tax rates and tax laws enacted or substantively enacted as on the balance sheet date. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised. Other deferred tax assets are recognised only when there is a reasonable certainty of their realisation.

### 1.12 Employee Benefits

#### a. Contribution to provident fund

Company's contribution paid/payable during the year to provident fund and labour welfare fund are recognised in the Statement of profit and loss.

#### b. Gratuity

The Company provides for the gratuity, a defined benefit retirement plan covering all employees. The plan provides for lump sum payments to employees upon death while in employment or on separation from employment after serving for the stipulated period mentioned under 'The Payment of Gratuity Act, 1972'. The Company accounts for liability of future gratuity benefits based on an external actuarial valuation on projected unit credit method carried out for assessing liability as at the reporting date. Actuarial gains/losses are immediately taken to the Statement of profit and loss and are not deferred.

#### c. Superannuation

The Company makes contribution to the Superannuation scheme, a defined contribution scheme, administered by Life Insurance Corporation of India, which are charged to the Statement of profit and loss. The Company has no obligation to the scheme beyond its monthly contributions.

#### d. Leave encashment/compensated absences/sick leave

The Company provides for the encashment/availment of leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment/availment. The liability is provided based on the number of days of unutilized leave at each balance sheet date on the basis of an independent actuarial valuation.

### 1.13 Borrowing Cost

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use or sale. All other borrowing costs are charged to the Statement of profit and loss. Ancillary expenditure incurred in connection with the arrangement of borrowings is amortized over the tenure of the respective borrowings.

### 1.14 Impairment of Assets

The carrying value of assets/cash generating units at each balance sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life to their present value based on an appropriate discount factor.

### 1.15 Provisions for Non Performing Assets (NPA)

Housing loans are classified into "Performing" and "Non Performing" assets in terms of guidelines laid down by the National Housing Bank.

The provisioning policy of the Company covers the minimum provisioning required as per the NHB guidelines.

### 1.16 Provisions and Contingent Liabilities

Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

**2.3** In accordance with Accounting Standard 29 (AS-29) "Provisions, Contingent Liabilities and Contingent Assets", the following are the details of the movement in provisions for the period ending 31<sup>st</sup> March, 2016:

Rs. in Lacs				
Particulars	As at April 01, 2015	Additional Provision	Utilizations/ Reversals	As at March 31, 2016
Provision on Standard Assets	791.65	422.75	-	<b>1,214.40</b>
Provision for Non Performing Assets	<b>2,786.38</b>	3,555.26	442.62	<b>5,899.02</b>

**2.4** Loan receivable includes Rs. 6,959.07 Lacs outstanding towards financing of insurance as of March 31, 2016 and Rs. 5,025.67 Lacs as of March 31, 2015.

**2.5** As per Section 29C (i) of the National Housing Bank Act, 1987, the Company is required to transfer at least 20% of its net profits every year to a Reserve before any dividend is declared. For this purpose a Special Reserve created by the Company under Section 36(1)(viii) of the Income Tax Act, 1961 is considered to be an eligible transfer. The Company has transferred an amount to Special Reserve in terms of 36(1)(viii) of the Income Tax Act, 1961 and Section 29C of the National Housing Bank Act,

1987, as amended, at year end. The Company does not anticipate any withdrawal from Special Reserve in foreseeable future.

**2.6** In the previous year in terms of requirements of Circular NHB(ND)/DRS/Policy Circular No. 62/2014 issued by NHB, the Company has created deferred tax liability on the Special Reserve. Further Vide another circular NHB(ND)/DRS/Policy Circular 65/2014 dated August 22, 2014, the National Housing Bank ("NHB") has directed Housing Finance Companies (HFCs) to provide for a deferred tax liability in respect of amount transferred to "Special Reserve" created under Section 36(1)(viii) of the Income Tax Act, 1961. As per above circular, NHB has advised HFCs to create deferred tax liability in respect of accumulated balance of Special Reserve as on April 1, 2014 from the reserves over a period of 3 years starting with current financial year, in a planned manner in the ratio of 25:25:50. However the Company had created 100% of deferred tax liability (as per Circular No. 62/2014) of Rs. 706.08 Lacs on accumulated Special Reserve as on April 1, 2014 out of opening balance of surplus in Profit and Loss as on April 1, 2014.

**2.7** In the previous year consequent to the enactment of The Companies Act, 2013, the Company had charged depreciation on its fixed assets as per the useful life prescribed in Schedule II to the Act or useful life as assessed by the management (refer Accounting Policies note 1.4). Consequently, depreciation charged for the previous period is increased by Rs. 55.52 Lacs. Further additional depreciation of Rs. 21.68 Lacs, on the fixed assets in respect of which useful life was fully exhausted as at April 1, 2014, was adjusted against the opening balance of surplus in the Profit and Loss.

**2.8** The Company is not required to make provision for diminution in value of investments, as per NHB norms, as the Company does not hold any investment.

**2.9** The Company has not granted any loans or advances against collateral of gold jewellery.

**2.10** During the year the Company has incurred CSR expenses of Rs. 109.43 Lacs (Previous year provision Rs. 66.85 Lacs) as per the requirement of Section 135 of The Companies Act, 2013. The said expenditure represents contribution made to trust which are engaged in the activity prescribed under the said section read with Schedule VII to the Act.

**2.11** Bad Debts and Write offs includes loss on termination of Rs. 48.53 Lacs (March 2015 Rs. 22.78 Lacs) which mainly represents shortfall on settlement of certain contracts due to lower realization from such loan assets on account of poor financial position of such customers. Bad Debts recovery of Rs. 12.07 Lacs (Previous year NIL) was made in current year.

**2.12** In the opinion of the Board, Current assets, Loans and Advances are of the value stated, if realized, in the ordinary course of business.

**2.13** Employee Benefits:

#### 12. Performance Evaluation of the Board

The Companies Act, 2013 states that a formal annual evaluation needs to be made by the Board of its own performance and that of its committees and individual

directors. Further, Schedule IV of the Companies Act, 2013, states that the performance evaluation of independent directors shall be done by the entire Board of Directors, excluding the director being evaluated.

Well-defined and structured questionnaires were used in the evaluation process. These questionnaires were prepared after taking into consideration inputs received from the Directors and cover various aspects of the Board's functioning such as adequacy of the composition of the Board and its Committees, Board culture, areas of responsibility, execution and performance of specific duties, obligations, governance and compliance perspective etc.

The evaluation process involves self-evaluation by each of the Board Members and subsequent assessment by the Nomination and Remuneration Committee and the Board of Directors based on the inputs received from all the Directors through the questionnaires.

In a separate meeting on independent directors, performance of non-independent directors, performance of board as a whole and performance of the chairman was evaluated, taking into account views of executive directors and non-executive directors. The same was also discussed in the board meeting, at which the performance of the board, its committees and individual directors was also discussed. Performance evaluation of independent directors was done by the entire board excluding the independent directors being evaluated.

In general, the Directors have expressed their satisfaction with the evaluation process.

### 13. Declaration by Independent Directors

The Company has received declarations from each Independent Director of the Company under Section 149(7) of the Companies Act, 2013, that he/she meets the criteria of independence as prescribed under sub-section (6) of Section 149 of the Companies Act, 2013.

### 14. Directors' Responsibility Statement

## 23. Change in the nature of business

There was no change in nature of business carried on by the Company during the year under review.

## 24. Risk Management

The Company has a well-defined risk management framework in place. Your Company has established procedures to periodically review risk assessment and steps taken by it to mitigate these risks. The key business risks identified by the Company and its mitigation plans are as under:

### i) **Competitive Risks**

*Overall slowdown in economic activity could have an adverse effect on the financial condition and operational results of the Company.*

As the overall levels of economic activity increase, the demand for insurance generally rises, and vice-versa. This impacts both, the brokerage as well as fees, generated by the business. Softening of the insurance market i.e. downward trends in the year-over-year insurance premium charged by insurers to offer protection against the same risk, could adversely affect the business as a large portion of the earnings are brokerage which is determined as a percentage of premium charged to the customers.

*Significant competitive pressures in each of the business lines*

The Company competes with a large number of insurance companies and other insurance intermediaries. Some of the competitors may have or may develop a lower cost structure or distribution model, adopt or provide services that gain greater market acceptance. Large and well-established

competitors may be able to respond to the need for technological changes and innovate faster, or price their services more aggressively. They may also compete hard for skilled professionals, finance acquisitions, fund internal growth and compete for customers. To respond to increased competition, we may have to lower the pricing of the services.

**ii) Legal and Regulatory Risks**

*The Company is subject to professional indemnity claims made against it, as well as other legal proceedings, some of which, if determined against the Company, could have a material adverse effect on the financial condition or results of operations of a particular business line or the Company as a whole.*

The Company traditionally has procured, and intends to continue to procure, insurance to cover professional indemnity claims and other insurance to provide protection against certain claims or losses that arise in such matters.

*The business is subject to extensive regulation, which could reduce profitability, limit growth, or increase competition*

The business is subject to extensive legal and regulatory oversight, including the IRDA (Insurance Brokers) Regulations, 2013 and the rules and regulations promulgated by the Insurance Regulatory and Development Authority of India (IRDAI) and a variety of other laws, rules and regulations. This legal and regulatory oversight could reduce profitability or limit growth by limiting or restricting the products or services the Company sells, by increasing the costs of legal and regulatory compliance, limiting the distribution methods by which it sells products and services, or capping the brokerage it can charge for the services, limiting the amount and form of compensation it can accept from the customers, insurers and third parties, or by subjecting the business to the possibility of legal and regulatory actions or proceedings.

Though the Company employees and authorized representatives exercise due care so not to violate these laws and regulations, there can be no assurances as regards the same.

**iii) Operational and Commercial Risks**

*The Company's success depends on its ability to retain and attract experienced and qualified personnel, including the senior management and operating team and other professional personnel.*

The business depends, to a large extent, upon the members of the senior management team and senior operating team, who possess extensive knowledge and a deep understanding of the business and strategy. The unexpected loss of services of any of the senior executives or key professionals could have a

disruptive effect, thereby impacting ability to manage the business effectively till such time as an able replacement is in place. The Company is constantly working to retain and attract these professionals through various people development initiatives.

*Business performance and growth plans could be affected if the Company is not able to effectively apply technology in driving value for its customers through technology-based solutions or gain internal efficiencies through the effective application of technology and related tools. Conversely, investments in innovative technology-based solutions may fail to yield sufficient return to cover their investments.*

The Company's success depends, in part, on its ability to apply and implement technology-based solutions that anticipate and keep pace with rapid and continuing changes in customer preferences. Response to these preferences needs to be timely and cost-effective. This also entails the business to incur considerable investment. In order to acquire and retain customers, the Company continuously strives to offer newer and cost-effective technologies to its customers, ahead of its competitors.

*Other factors, outside of the Company's control.*

The Company has no control over premium rates. The brokerage rates, too, are capped by the current regulations.

In addition to movements in premium rates, the ability to generate premium-based brokerage revenue may be challenged by:

- the level of compensation, as a percentage of premium, that insurers are willing to compensate brokers for placement activity, which in any case, is capped by the current regulations;
- competition from insurers seeking to sell their products directly to consumers without the involvement of an insurance broker with or without the use of technology.
- increasing willingness on the part of customers to "self-insure", which would increase competition and put pressure on pricing;
- fluctuation in the need for insurance as the economic downturn continues, as customers prioritize their need and willingness to procure insurance accordingly.

**25. Auditors**

The Board of Directors at its meeting held on 14<sup>th</sup> April, 2014 had appointed M/s. B. K. Khare and Co., as the Statutory Auditors of the Company for a period of 5 years from the conclusion of the Annual General Meeting (AGM) held on 14<sup>th</sup> July, 2014 till the conclusion of the thirty-second AGM of the Company to be held in the year

## **ANNEXURE III-A TO THE DIRECTORS' REPORT**

### **POLICY ON REMUNERATION OF DIRECTORS**

#### **Prelude**

Mahindra Insurance Brokers Limited ("Company") is a composite insurance broking company registered with the Insurance Regulatory and Development Authority of India ('IRDAI'), and is engaged in providing direct insurance broking for Corporate and Retail customers and offers a range of products for the Non-Life and Life segments. The Company is also engaged in the business of reinsurance broking wherein it caters to insurance requirements of Insurance Companies.

This Policy shall be effective from the Financial Year 2014-15.

#### **Intent of the Policy**

The intent of the Remuneration Policy of Directors of the Company is to focus on enhancing the value and to attract and retain quality individuals with requisite knowledge and excellence as Executive and Non-Executive Directors for achieving objectives of the Company and to place the Company in a leading position.

The Nomination and Remuneration Committee (NRC) of the Board shall, while formulating the policy ensure that —

- a) the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate Directors of the quality required to run the company successfully;
- b) relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- c) remuneration to Directors, Key Managerial Personnel and Senior Management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.

While deciding the policy on remuneration of Directors the Committee may consider amongst other things, the duties and responsibilities cast by the Companies Act, 2013, various Codes of Conduct, Articles of Association, restrictions on the remuneration to Directors as also the remuneration drawn by Directors of other companies in the industry, the valuable contributions and inputs from Directors based on their knowledge, experience and expertise in shaping the destiny of the Company etc. The Policy is guided by a reward framework and set of principles and objectives as more fully and particularly envisaged under Section 178 of the Companies Act, 2013 and principles pertaining to qualifications, positive attributes, integrity and independence of Directors, etc.

#### **Directors**

The Managing Director is an executive of the Company and draws remuneration from the Company. The Non-Executive Chairman and Independent Directors may receive sitting fees for attending the Meeting of the Board and the Committees thereof, if fixed by the Board of Directors from

time to time subject to statutory provisions. The Non-Executive Chairman and Independent Directors would be entitled to the remuneration under the Companies Act, 2013. A Non-Executive Chairman and Non-Executive Non-Independent Directors who receive remuneration from the Holding Company or a Group Company will not be paid any sitting fees or any remuneration. In addition to the above, the Directors are entitled for reimbursement of expenses incurred in discharge of their duties. Payment of Remuneration to Nominee Directors shall be governed by the agreement with the Financial Institution/ Bank appointing the Nominee Director and by the Articles of Association of the Company.

The Managing Director and other eligible Director(s) as per extant statutory provisions may be granted Employees Stock Options, Stock Appreciation Rights or any other Share based Employee benefits pursuant to any scheme that may be approved by the Board of Directors and Shareholders of the Company subject to such other approvals as may be required.

Non Executive Directors may be paid remuneration either by way of monthly payment or at a specified percentage of net profits of the Company or partly by one way and partly by another, subject to the provisions of Companies Act, 2013.

The NRC while determining the remuneration shall ensure that the level and composition of remuneration to be reasonable and sufficient to attract, retain and motivate the person to ensure the quality required to run the Company successfully. While considering the remuneration, the NRC shall also ensure a balance between fixed and performance-linked variable pay reflecting short and long term performance objectives appropriate to the working of the Company and its goals.

The NRC shall consider that a successful Remuneration Policy must ensure that some part of the remuneration is linked to the achievement of corporate performance targets.

#### **Managing Director/Executive Directors**

The term of office and remuneration of Managing Director/ Executive Directors are subject to the approval of the Board of Directors, Shareholders, Central Government and other Statutory Authorities as may be required and the limits laid down under the Companies Act, 2013 from time to time.

If, in any Financial Year, the Company has no profits or its profits are inadequate, the Company shall pay, subject to the requisite approvals, remuneration to its Managing Director/ Executive Directors in accordance with the provisions of Schedule V of the Companies Act, 2013.

If any Managing Director/Executive Director draws or receives, directly or indirectly by way of remuneration any such sums in excess of the limits prescribed under the Companies Act, 2013 or without the prior sanction of the Central Government, where required, he/she shall refund such sums to the Company and

until such sum is refunded, hold it in trust for the Company. The Company shall not waive recovery of such sum refundable to it unless permitted by the Central Government.

Remuneration of the Managing Director/Executive Directors reflects the overall remuneration philosophy and guiding principle of the Company. While considering the appointment and remuneration of Managing Director/Executive Directors, the NRC shall consider the industry benchmarks, merit and seniority of the person and shall ensure that the remuneration proposed to be paid is commensurate with the remuneration packages paid to similar senior level counterpart(s) in other companies.

Remuneration for Managing Director/Executive Director is designed subject to the limits laid down under the Companies Act, 2013 to remunerate them fairly and responsibly. The remuneration to the Managing Director/Executive Director comprises of salary, perquisites and performance based incentive apart from retirement benefits like Provident Fund, Superannuation, Gratuity, Leave Encashment, etc., as per Rules of the Company. Salary is paid within the range approved by the Shareholders. Increments are effective annually, as recommended/approved by the NRC/Board. In terms of the shareholders' approval, the Commission may be paid to Managing Director in any Financial Year at a rate not exceeding 1/4% (one fourth percent) per annum of the profits of the Company computed in accordance with the applicable provisions of the Companies Act, 2013 as may be recommended by NRC and approved by the Board.

The total remuneration will have a flexible component with a bouquet of allowances to enable the Managing Director/Executive Director to choose the allowances as well as the quantum based on laid down limits as per Company Policy. The flexible component can be varied only once annually.

The actual pay-out of variable component of the remuneration will be a function of individual performance as well as business performance. Business performance is evaluated using a Balanced Score Card (BSC) while individual performance is evaluated on Key Result Areas (KRA). Both the BSC and KRAs are evaluated at the end of the fiscal year to arrive at the BSC rating of the business and performance rating of the individual.

Remuneration also aims to motivate the Personnel to deliver Company's key business strategies, create a strong performance-oriented environment and reward achievement of meaningful targets over the short and long-term.

The Managing Director/Executive Directors are entitled to customary non-monetary benefits such as company cars, health care benefits, leave travel, communication facilities, etc., as per policies of the Company. The Managing Director and Executive Directors are entitled to grant of Stock Options as per the approved Stock Options Schemes of the Company from time to time.

#### **Disclosures**

Information on the total remuneration of members of the Company's Board of Directors, Managing Director/Executive Directors and Key Managerial Personnel/Senior Management Personnel may be disclosed in the Board's Report as per statutory requirements laid down in this regard.

## INDEPENDENT AUDITOR'S REPORT

To

**The Members of MAHINDRA INSURANCE BROKERS LIMITED**

### Report on the Financial Statements

1. We have audited the accompanying financial statements of **Mahindra Insurance Brokers Limited** ("the Company"), which comprise the balance sheet as at 31<sup>st</sup> March, 2016, and the statements of profit and loss and cash flow for the year then ended, and a summary of the significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.
7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2016, and its profit and its cash flows for the year ended on that date.

### Report on Other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure I a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
10. As required by Section 143(3) of the Act, we report that:
  - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c. the Balance Sheet, the Statement of Profit and Loss and Cash Flow dealt with by this Report are in agreement with the books of account;
  - d. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);
  - e. On the basis of written representations received from the directors as on March 31, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016, from being appointed as a director in terms of Section 164(2) of the Act.
  - f. With respect to the adequacy of internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure II.
  - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

## ANNEXURE I TO THE AUDITOR'S REPORT

Referred to in paragraph 9 of our report of even date on the financial statements of **Mahindra Insurance Brokers Limited** for the year ended March 31, 2016

1. (i) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (ii) The fixed assets of the Company have been physically verified by the Management during the year. The discrepancies noticed on such verification were not material and have been properly dealt with in the books of account. In our opinion, the frequency of verification is reasonable.
- (iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company does not have any immovable property.
2. The Company is in the business of providing insurance broking services and consequently, does not hold any inventory. Therefore, the provisions of Clause 3(ii) of the said order are not applicable to the Company.
3. The Company has not granted any loans, secured or unsecured to companies, firms or other parties covered in the register maintained under Section 189 of the Act. Accordingly, the provisions of clause (iii), (iii)(a), (iii)(b) and (iii)(c) of the Order are not applicable to the Company.
4. The Company has not granted any loans or made any investments, or provided any guarantees or security to the parties covered under Section 185. In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of Section 186 of the Companies Act, 2013 in respect of the loans and investments made, and guarantees and security provided by it.
5. The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified. Therefore the provisions of Clause 3(v) of the Order are not applicable to the company.
6. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company.
7. (i) According to the records of the Company and information and explanations given to us, the Company is regular in depositing with the appropriate authorities undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Excise Duty, Service Tax, Customs Duty, value added tax, and other statutory dues applicable to it with the concerned authorities.
- (ii) According to the information and explanations given to us, there are no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income tax, Sales Tax, Wealth Tax, Excise Duty, Service Tax, Customs Duty and Value Added Tax that were outstanding, at the year-end for a period of more than six months from the date they became payable.
- (iii) According to the information and explanations given to us and records of the Company examined by us, there are no dues of income-tax, sales tax, service tax, excise duty, customs duty and value added tax and cess which have not been deposited on account of any dispute.
8. Based on the records examined by us and according to the information and explanations given to us, the Company has not borrowed any money from financial institution or banks or debenture holders during the year under audit.
9. In our opinion and according to the information and explanations given to us, during the year, no term loans were obtained by the Company. During the year, there were no moneys raised by way of initial public offer or further public offer.
10. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, except for two instances aggregating Rs. 7.05 lakhs, we have neither come across any instance of fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of such case by the Management.
11. The Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
12. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the provisions of Clause 3(xii) of the Order are not applicable to the Company.
13. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required under Accounting Standard (AS) 18, Related Party Disclosures specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
14. The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly, the provisions of Clause 3(xiv) of the Order are not applicable to the Company.
15. The Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the provisions of Clause 3(xv) of the Order are not applicable to the Company.
16. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the provisions of Clause 3(xvi) of the Order are not applicable to the Company.

## ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF MAHINDRA INSURANCE BROKERS LIMITED

### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Mahindra Insurance Brokers Limited** ("the Company") as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date

#### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit

opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016

### I. Summary of Significant Accounting Policies:

#### 1) Basis for Preparation of Financial Statements:

The financial statements have been prepared in accordance with the Generally Accepted Accounting Principles (GAAP) under the historical cost convention as a going concern and on accrual basis and in accordance with the provisions of the Companies Act, 2013 and the Accounting Standards notified under the said Act.

All assets & liabilities have been classified as current & non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of services and their realization in cash and cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current & non-current classification of assets & liabilities.

#### 2) Use of Estimates:

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities (including contingent liabilities) as on the date of financial statements and the reported income and expenses during the reporting year. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future years.

#### 3) Revenue Recognition:

##### a) General:

The Company generally follows the accrual method of accounting for its income and expenditure.

##### b) Brokerage Income:

Brokerage Income, Handling Charges & Broker Retainer Fees is accounted for net of Service Tax amount on rendition of services. Brokerage income is recognized on receiving details of the policy issued by the insurance company or receipt of brokerage whichever is earlier.

##### c) Insurance Consultancy Fees:

Revenue from Insurance Consultancy is recognised net of service tax on rendition of service in accordance with the terms of the contract with customer.

#### 4) Investments:

Investments held as long-term investments are stated at cost comprising of acquisition and incidental expenses less permanent diminution in value, if any. Investments other than long-term investments are classified as current investments and valued at cost or fair value whichever is less.

Provision for diminution in value of investments is made if management perceives that there is permanent diminution in value of investments in accordance with the Accounting Standard on 'Accounting for Investments' (AS 13) notified by Companies (Accounting Standards) Rules, 2006.

#### 5) Share Issue Expenses:

Expenses incurred in connection with fresh issue of share capital are adjusted against Securities premium reserve in the year in which they are incurred.

#### 6) Fixed Assets:

Fixed assets are stated at cost of acquisition (including incidental expenses), less depreciation.

#### 7) Depreciation:

Depreciation on fixed assets is calculated by the straight line method at rates determined with reference to the useful life of fixed assets

and in the manner provided for in Schedule II to the Companies Act 2013 except:

- (i) Motor cars where useful life is estimated at 4 years as against 8 years per Schedule II since the employees to whom these cars have been allotted as part of their terms of employment are entitled to change their vehicles every four years, and
- (ii) Fixed assets having value individually less than INR 5000 where useful life is estimated at less than one year having regard to the nature of these assets and the difficulty in estimating the useful life.

Further, residual value for all assets is considered Nil having regard to the difficulty in reasonably estimating the same and, in the case of motor cars, having regard to terms of employment under which these are allotted to the employees.

Accordingly, useful life of assets is estimated as follows:

Vehicles	– 4 Years
Computer	– 3 Years
Server	– 6 Years
Furniture	– 10 Years
Office Equipment	– 5 Years
Assets costing less than INR 5000	– < 1 Year

#### 8) Foreign exchange transactions and translations:

##### i. Initial recognition

Transactions in foreign currencies are recognised at the prevailing exchange rates between the reporting currency and a foreign currency on the transaction dates.

##### ii. Conversion

- a. Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of Profit and Loss.
- b. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

##### iii. Exchange differences

The Company accounts for exchange differences arising on translation/settlement of foreign currency monetary items as below:

- a. Realized gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.
- b. Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of Profit and Loss.

#### 9) Employee Benefits:

Retirement Benefits in respect of gratuity at retirement/cessation are provided for based on valuations, as the Balance Sheet date, made by independent actuaries.

##### a. Defined Contribution Plans –

Company's contribution paid/payable during the year to Provident Fund, Superannuation and Labour Welfare Fund are recognised in Statement of Profit & Loss.

**b. Defined Benefit Plan –**

Company's liabilities towards gratuity & leave encashment is determined using the Projected Unit Credit Method which considers each period of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation. Actuarial gains and losses are recognized immediately in the statement of Profit and Loss as income or expense. Obligation is measured at the present value of estimated future cash flow using a discount rate that is determined by reference to market yields at the Balance Sheet date on government bonds where the currency and terms of the government bonds are consistent with the currency and estimated terms of the defined benefit obligation.

**10) Impairment of assets:**

The carrying value of assets/cash generating units at each balance sheet date is reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life to their present value based on an appropriate discount factor

**11) Segment Reporting:**

The company has single reportable segment namely insurance auxiliary services for the purpose of Accounting Standard 17 on Segment Reporting.

**12) Taxes on Income:**

Current tax is determined as the amount of tax payable in respect of taxable income for the year. Deferred tax is recognised, subject to consideration of prudence, on timing differences, being the difference between taxable incomes and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future tax income will be available against which such deferred tax assets can be realised.

**13) Provisions and Contingent Liabilities:**

- a) Provision for doubtful debts is made on the basis of standard norms and also, where required, on actual evaluation.
- b) Provisions are recognised in accounts in respect of present probable obligations, the amount of which can be reliably estimated. Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company.

**14) Earnings Per Share:**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, sub-division of shares etc. that have changed the number of equity shares outstanding, without corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average numbers of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

### DIVIDEND

In view of losses incurred by the Company, your Directors do not recommend any dividend for the year under review.

### TRANSFER TO RESERVES

In view of the losses incurred by the Company for the year under review, no amount has been transferred to reserves.

### OPERATIONS

Your Company was incorporated with an objective to act as managers, consultants, advisors for mutual funds, unit trusts, venture Capital funds, etc. On 4<sup>th</sup> February, 2016, your Company received license from Securities and Exchange Board of India (SEBI) to act as an Asset Manager for Mahindra Mutual Fund. However, the approval to various Mutual Fund products is still awaited from SEBI. Considering the pending regulatory approvals, your Company could not commence business activities during the year under consideration. However, the whole superstructure of the business including all systems, processes, policies and personnel are in place and the Company is fully geared to enter the markets as soon as the necessary regulatory approvals are received.

Your Directors would like to present the overview of the Economy and Financial Markets in general and the Mutual Funds Industry in particular.

#### Indian Economy

Despite global turmoil and a truant monsoon, the Indian Economy registered a robust growth of 7.60 percent in the

F.Y. 2015-16, thus becoming the fastest growing major economy in the world. The Budget had set fiscal deficit target of 3.90 per cent which was achieved.

With global commodity prices remaining benign, the previous year witnessed a continued moderation in general price levels. Headline Inflation based on Consumer Price Index (CPI) dipped to 4.91 percent (5.97 percent in the F.Y. 2014-2015) showing a persistent pressure on oil and commodity prices. Exchange rate movements and Current Account deficits too reflected a stable environment. The movement of exchange rate measured against the US dollar was orderly and the INR depreciated about 6.50 percent during the year under consideration.

The second year of the present government witnessed some policy actions like liberalization of FDI regime, including the much awaited Insurance Bill, crop insurance measures, financial inclusion through Jan Dhan Yojna and transferring subsidies through the Direct Benefit Transfer (DBT) platform.

However, stretched corporate balance sheets, asset quality constraints, delays in the passage of GST Bill and non-passage of Land Acquisition Bill negatively affected the mood in equity markets.

#### Equity Markets

As at 31<sup>st</sup> March, 2016, the S&P BSE Sensex ended 9.1% lower at 25,341, while the Nifty 50 closed 8.8% lower at 7,738 compared to their respective closing figures as on 31<sup>st</sup> March, 2015.

With corporate performance failing market expectation, the year 2015-16 did not bring much happiness to investors. The

momentum started to fade further after the announcement of the budget; actual earnings trajectory turned out to be flat or negative, contrasting the projections by consensus estimates.

The silver lining however was the continued flows received by domestic institutions, particularly mutual funds, from retail participants who saw great opportunity in exploiting the valuation arbitrage created from the earlier run-up in the benchmark indices and large cap stocks.

Among the emerging market (EM) peers, India remained in a bright spot amid a slowdown in global economy on the back of multiple rate cuts by the Reserve Bank of India (RBI) and its efforts to keep inflation under check and also due to the capital infusion by the domestic investors. Foreign Institutional Investors were however net sellers in Indian equities to the tune of Rs. 14,172 Crores, in the F.Y. 2015-16.

### Fixed Income Markets

The Reserve Bank of India (RBI) continued its accommodative stance through the last fiscal year and cut the benchmark repo rate by 75 basis points. In response to the cumulative reduction of around 125 basis points (bps) cut since January 2015, banks have reduced their median deposit rate by 72 bps and median base rates by around 60 bps.

Long term benchmark 10 year Gilt rates however eased marginally by around 30 bps and closed around 7.45 per cent. A part of the reason for the muted fall in long term gilt rates could be on account of uncertainty on US rates, and also partly because of relatively robust incremental credit off take.

### Global events

China's benchmark index, Shanghai Composite, decreased by nearly 24 per cent in this year and hit 2,655, its lowest level for the year. Meanwhile, the Greek crisis had a ripple effect on Indian equities in a reaction to the global risk-off trade. Another major event for the year was the 25 basis point hike in interest rates by the US Federal Reserve. The interest rates, which were maintained at zero, were raised for the first time in almost a decade since the Global Financial Crisis of 2008 indicating signs of a pickup in the world's biggest economy.

### Overview of the Mutual Fund Industry

During the year under consideration, the mutual fund industry continued to witness robust growth. The total Assets Under Management (AUM) as on 31<sup>st</sup> March, 2016 were INR 12,32,824 crores as compared to INR 10,82,757 crores as on 31<sup>st</sup> March, 2015, thereby witnessing a growth of around 14 per cent.

What was remarkable was the resilience of the equity oriented schemes, which saw net inflows of around INR 93,000 crores (previous year INR 80,855 crores) despite a fall in the benchmark equity indices.

The value of assets held by individual investors in mutual funds also increased to Rs. 6.16 lakh crores, a rise of around 10.11 per cent.

As the nation becomes more financially inclusive and with financial literacy gaining traction, the adoption of technology lowering barriers to the last mile access, with benefits of low

cost and transparency, the Indian Mutual Fund industry has the possibility of becoming the primary vehicle of savings in the capital markets.

### Looking ahead

It is evident that India is still oozing potential. The Country's long run potential growth rate is still around 8-10 per cent.

The Economic survey had portrayed a latent growth potential. The Meteorological Department has predicted a normal monsoon this year. The right mix of reforms, governance and push from the rain gods, could witness the foundation for a stronger economy.

### SHARE CAPITAL

During the year under review, the Authorised Share Capital was increased from Rs. 5,00,00,000 (Rupees Five Crores) divided into 50,00,000 (Fifty Lacs) Equity Shares of Rs. 10 (Rupees Ten) each to Rs. 76,00,00,000 (Rupees Seventy-Six Crores) divided into 7,60,00,000 (Seven Crores Sixty Lacs) Equity Shares of Rs. 10 (Rupees Ten) each. The increase in the Authorised Share Capital was pursuant to the approval of the Members granted at their Extraordinary General Meeting held on 15<sup>th</sup> June, 2015.

During the year under review, 5,95,00,000 (Five Crores Ninety-five Lacs) Equity Shares of the face value of Rs. 10 each aggregating to Rs. 59,50,00,000 (Rupees Fifty Nine Crores Fifty Lacs) were issued and allotted for cash at par to the existing Shareholders of the Company on a Rights basis. Post allotment of Equity Shares as aforesaid, the issued, subscribed and paid-up Share Capital of the Company stands at Rs. 60,55,00,000 (Rupees Sixty Crores Fifty-five Lacs) comprising of 6,05,50,000 (Six Crores Five Lacs Fifty Thousand) Equity Shares of Rs. 10 each, fully paid-up.

During the year under review, the Company has neither issued shares with differential voting rights as to dividend, voting or otherwise nor has issued any sweat equity. The Company has not formulated any Employees' Stock Option Scheme during the year under review. There were no Shares having voting rights not exercised directly by the employees and for the purchase of which or subscription to which loan was given by the Company.

As on 31<sup>st</sup> March, 2016, none of the Directors of the Company holds instruments convertible into Equity Shares of the Company.

## ANNEXURE I TO THE DIRECTORS' REPORT

### Policy on Remuneration of Directors and Remuneration Policy for Key Managerial Personnel and Employees of the Company

#### POLICY ON REMUNERATION OF DIRECTORS

##### Prelude

The Company will be engaged as an investment manager to the Mahindra Mutual Fund and is currently in the process of obtaining regulatory approval for mutual fund products from the Securities and Exchange Board of India (SEBI).

This Policy shall be effective from the Financial Year 2015 - 16.

##### Intent of the Policy

The intent of the Remuneration Policy of Directors of Mahindra Asset Management Company Private Limited ("the Company") is to focus on enhancing the value and to attract and retain quality individuals with requisite knowledge and excellence as Executive and Non-Executive Directors for achieving objectives of the Company and to place the Company in a leading position.

The Nomination and Remuneration Committee (NRC) of the Board shall, while formulating the policy ensure that —

- a) the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate Directors of the quality required to run the company successfully;
- b) relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- c) remuneration to Directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

While deciding the policy on remuneration of Directors, the Committee may consider, amongst other things, the duties and responsibilities cast by the Companies Act, 2013, various Codes of Conduct, Articles of Association, restrictions on the remuneration to Directors as also the remuneration drawn by Directors of other companies in the industry, the valuable contributions and inputs from Directors based on their knowledge, experience and expertise in shaping the destiny of the Company etc. The Policy is guided by a reward framework and set of principles and objectives as more fully and particularly envisaged under Section 178 of the Companies Act, 2013 and principles pertaining to qualifications, positive attributes, integrity and independence of Directors etc.

##### Directors

The Managing Director/Executive Director is an executive of the Company and draws remuneration from the Company. The Non-Executive and Independent Directors may receive sitting fees for attending the meetings of the Board and the Committees thereof, if fixed by the Board of Directors from time to time subject to statutory provisions. The Non-Executive and Independent Directors would be entitled to the remuneration

under the Companies Act, 2013. A Non-Executive Non-Independent Director who receives remuneration from the Holding Company or a Group Company will not be paid any sitting fees or any remuneration. In addition to the above, the Directors are entitled for reimbursement of expenses incurred in discharge of their duties. Payment of Remuneration to Nominee Directors, if any, shall be governed by the agreement with the Financial Institution/Bank appointing the Nominee Director and by the Articles of Association of the Company.

The Managing Director/Executive Director and other eligible Director(s) as per extant statutory provisions may be granted Employees Stock Options, Stock Appreciation Rights or any other Share based Employee benefits pursuant to any scheme that may be approved by the Board of Directors and Shareholders of the Company subject to such other approvals as may be required.

Non Executive Directors may be paid remuneration either by way of monthly payment or at a specified percentage of net profits of the Company or partly by one way and partly by another, subject to the provisions of Companies Act, 2013.

The NRC while determining the remuneration shall ensure that the level and composition of remuneration to be reasonable and sufficient to attract, retain and motivate the persons to ensure the quality required to run the Company successfully. While considering the remuneration, the NRC shall also ensure a balance between fixed and performance-linked variable pay reflecting short and long term performance objectives appropriate to the working of the Company and its goals.

The NRC shall consider that a successful Remuneration Policy must ensure that some part of the remuneration is linked to the achievement of corporate performance targets.

##### Managing Director/Executive Director

The term of office and remuneration of Managing Director/Executive Director are subject to the approval of the Board of Directors, Shareholders and the Central Government, as may be required, and the limits laid down under the Companies Act, 2013, from time to time.

If, in any financial year, the Company has no profits or its profits are inadequate, the Company shall pay, subject to the requisite approvals, remuneration to its Managing Director/Executive Director in accordance with the provisions of Schedule V of the Companies Act, 2013.

If any Managing Director/Executive Director draws or receives, directly or indirectly by way of remuneration any such sums in excess of the limits prescribed under the Companies Act, 2013 or without the prior sanction of the Central Government, where required, he/she shall refund such sums to the Company and until such sum is refunded, hold it in trust for the Company. The Company shall not waive recovery of such sum refundable to it unless permitted by the Central Government.

Remuneration of the Managing Director/Executive Director reflects the overall remuneration philosophy and guiding principle of the Company. While considering the appointment and remuneration of Managing Director/Executive Director, the NRC shall consider the industry benchmarks, merit and seniority of the person and shall ensure that the remuneration proposed to be paid is commensurate with the remuneration packages paid to similar senior level counterpart(s) in other companies.

Remuneration for Managing Director/Executive Director is designed subject to the limits laid down under the Companies Act, 2013, to remunerate them fairly and responsibly. The remuneration to the Managing Director/Executive Director comprises of salary, perquisites and performance based incentive apart from retirement benefits like Provident Fund, Superannuation, Gratuity, Leave Encashment etc., as per the Rules of the Company. Salary is paid within the range approved by the Shareholders. Increments are effective annually, as recommended/approved by the NRC/Board. In terms of the Shareholders' approval, the Commission may be paid to Managing Director/Executive Director in any Financial Year at a rate not exceeding 1/4% (one fourth percent) per annum of the profits of the Company computed in accordance with the applicable provisions of the Companies Act, 2013 as may be recommended by NRC and approved by the Board.

The total remuneration will have a flexible component with a bouquet of allowances to enable the Managing Director/

Executive Director to choose the allowances as well as the quantum based on laid down limits as per the Company policy. The flexible component can be varied only once annually.

The actual pay-out of variable component of the remuneration will be a function of individual performance as well as business performance. Business performance is evaluated using a Balanced Score Card (BSC) while individual performance is evaluated on Key Result Areas (KRA). Both the BSC and KRAs are evaluated at the end of the fiscal year to arrive at the BSC rating of the business and performance rating of the individual. Remuneration also aims to motivate the Personnel to deliver Company's key business strategies, create a strong performance-oriented environment and reward achievement of meaningful targets over the short and long-term.

The Managing Director/Executive Director is entitled to customary non-monetary benefits such as company cars, health care benefits, leave travel, communication facilities etc., as per the policies of the Company. The Managing Director/Executive Director is entitled to grant of Stock Options as per the approved Stock Options Schemes of the Company from time to time.

#### **Disclosures**

Information on the total remuneration of members of the Company's Board of Directors, Managing Director/Executive Director and Key Managerial Personnel/Senior Management Personnel may be disclosed in the Board's Report as per statutory requirements laid down in this regard.

## **REMUNERATION POLICY FOR KEY MANAGERIAL PERSONNEL AND EMPLOYEES**

This Policy shall be effective from the Financial Year 2015-16.

### **Objective**

To establish guidelines for remunerating employees fairly and in keeping with Statutes.

### **Definition(s)**

"Key Managerial Personnel" (KMP) as defined in Section 2(51) of the Companies Act, 2013 means:

- i) the Chief Executive Officer or the Managing Director or Manager;

**ANNEXURE IV TO THE DIRECTORS' REPORT****SECRETARIAL AUDIT REPORT**

**[Pursuant to Section 204(1) of the Companies Act, 2013 read with Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]**

**For the Financial Year ended 31<sup>st</sup> March, 2016**

To,  
The Members,  
Mahindra Asset Management Company Private Limited  
4th Floor, A-Wing, Mahindra Towers,  
Dr. G. M. Bhosale Marg, P. K. Kurne Chowk, Worli.  
Mumbai- 400 018.

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Mahindra Asset Management Company Private Limited (hereinafter called "the Company"). Secretarial Audit was conducted for the financial year ended on 31<sup>st</sup> March, 2016 in a manner that provided me reasonable basis for evaluating the corporate conduct/statutory compliances and expressing my opinion thereon.

On the basis of the above and on my verification of documents, books, papers, minutes, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of the Audit, I hereby report that in my opinion, the Company has, during the period covered under the Audit as aforesaid, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended 31<sup>st</sup> March, 2016 according to the provisions of the Companies Act, 2013 and the Rules made there under.

I have also examined compliance with the applicable clauses of the Secretarial Standards issued by The Institute of Company Secretaries of India.

The Company being an unlisted company, Regulations and Guidelines prescribed under Securities and Exchange Board of India Act, 1992 does not apply. However, during the period under review, the company has made an application to Securities and Exchange Board of India (hereinafter referred to as "SEBI") for grant of registration to Mahindra Mutual Fund in accordance with the Securities and Exchange Board of India (Mutual Fund) Regulations, 1996 as amended from time to time. Consequently, the Company was granted Registration Certificate by SEBI vide its letter dated 4th February, 2016. Further, the provisions of the Securities Contracts (Regulation) Act, 1956 and the Rules made there under do not apply to the company.

During the period under review, the Company has complied with the provisions of the applicable Act/ Rules/Regulations/ Guidelines/Circulars/Standards etc mentioned above.

I further report that

The Board of Directors of the Company is duly constituted with the proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period covered under the Audit were carried out in compliance with the provisions of the Act.

Adequate notice was given to all Directors at least seven days in advance to schedule the Board Meetings. Agenda and detailed notes on Agenda were sent in advance, and a system exists for seeking and obtaining further information and clarifications on the Agenda items before the Meeting and for meaningful participation at the Meeting. Majority decision is carried through and recorded as part of the minutes. I understand that there were no dissenting members' views requiring to be captured in the minutes.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the period covered under the Audit, the Company has made the following specific actions having a major bearing on the company's affairs in pursuance of the above referred laws, rules, regulations, guidelines etc:

- i) Members, in their Extraordinary General Meeting held on 15<sup>th</sup> June, 2015 have consented to increase the Authorised Capital of the Company from Rs. 5,00,00,000 (Rupees Five Crores only) to Rs. 76,00,00,000 (Rupees Seventy-Six Crores only) pursuant to Section 61 and all other applicable provisions of the Companies Act, 2013 (the 'Act') read with Companies (Share Capital and Debentures) Rules, 2014. The Members have also given their consent for amendment of clause V(A) of the Memorandum of Association and Clause 2(A) of the Articles of Association w.r.t. the increase in the Authorised Capital of the Company as referred above.

- ii) Members, in their Annual General Meeting held on 8<sup>th</sup> July, 2015 have given their consent to adopt new set of Articles of Association of the Company in substitution, and to the entire exclusion, of the regulations contained in the existing Articles of Association of the Company.
- iii) The Board of Directors in their meeting dated 8<sup>th</sup> July, 2015 resolved to offer/issue/allot 5,67,00,000 Equity Shares of Rs. 10 each for cash at par aggregating Rs. 56,70,00,000 on a rights basis to the existing Members of the Company, in the ratio of 54 new Equity Shares for every 1 Equity Share held in the Company. Consequently, 5,25,00,000 equity shares were allotted raising the paid up capital of the Company to Rs. 53,55,00,000.
- iv) The Board of Directors in their meeting dated 11<sup>th</sup> January, 2016 resolved to offer/issue/allot 1,78,50,000 Equity Shares of Rs. 10 each for cash at par aggregating Rs. 17,85,00,000 on a rights basis to the existing Members of the Company, in the ratio of 1 new Equity Share for every 3 Equity Shares held in the Company. Consequently, 70,00,000 equity shares were allotted raising the paid up capital of the Company to Rs. 60,55,00,000.

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF MAHINDRA ASSET MANAGEMENT COMPANY PRIVATE LIMITED

#### Report on the Standalone Financial Statements

1. We have audited the accompanying standalone financial statements of **Mahindra Asset Management Company Private Limited** ("the Company"), which comprise the balance sheet as at March 31, 2016, and the statements of profit and loss and cash flow for the period from April 1, 2015 to March 31, 2016, and a summary of the significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

3. Our responsibility is to express an opinion on these standalone financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend

on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

#### Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2016, and its profit and its cash flows for the period from April 1, 2015 to March 31, 2016.

#### Report on Other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in terms of Sub-section (11) of Section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure I a statement on the matters specified in paragraphs 3 and 4 of the Order.
10. As required by Section 143(3) of the Act, we report that:
  - (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - (b) in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - (c) the Balance Sheet, the Statement of Profit and Loss and Cash Flow dealt with by this Report are in agreement with the books of account;
  - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);
  - (e) on the basis of written representations received from the directors as on March 31, 2015 taken on record by the Board of Directors, none of the directors

is disqualified as on March 31, 2015, from being appointed as a director in terms of Section 164(2) of the Act.

- (f) With respect to the adequacy of internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure II.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014(as amended), in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company does not have any pending litigations.

- (b) According to the records of the company and information and explanations given to us there are no disputed dues of income tax or sales tax or service tax or duty of customs or duty of excise or value added tax which have not been deposited with the relevant authority.
- VIII. On the basis of examination of relevant records and according to the information and explanations given to us,

the Company has not borrowed any money from financial institution or bank or debenture holders as at the Balance Sheet date.

- IX. On the basis of examination of relevant records and according to the information and explanations given to us, the Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) and term loans.
- X. On the basis of our examination of the relevant records of the Company, carried out in accordance with generally accepted auditing practices and according to the information and explanations given to us, no fraud by the company or any fraud on the Company by its officers or employees has been noticed or reported during the year.
- XI. On the basis of examination of relevant records and according to the information and explanations given to us, the Company has paid or provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Companies Act, 2013.
- XII. The Company is not a 'Nidhi Company', therefore, clause 3(xii) of the Companies (Auditor's Report) Order, 2016 is not applicable to the Company.
- XIII. On the basis of examination of relevant records and according to the information and explanations given to us, all transactions with the related parties are in compliance with Sections 177 and 188 of Companies Act, 2013 where applicable. The Company has disclosed the details of transactions with related parties in the Financial Statements as required by the applicable accounting standards.
- XIV. The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under audit; therefore, clause 3(xiv) of the Companies (Auditor's Report) Order, 2016 is not applicable to the company.
- XV. On the basis of examination of relevant records and according to the information and explanations given to us, in our opinion, the Company has not entered into any non-cash transactions with directors or persons connected with them.
- XVI. On the basis of examination of relevant records and according to the information and explanations given to us, in our opinion, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

## ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF MAHINDRA ASSET MANAGEMENT COMPANY PRIVATE LIMITED

### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Mahindra Asset Management Company Private Limited** ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the period from April 1, 2015 to March 31, 2016.

### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the Institute of Chartered Accountants of India ("ICAI") and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the

Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

## SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

### I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

#### 1) BASIS OF PREPARATION OF ACCOUNTS

The financial statements have been prepared in accordance with the Generally Accepted Accounting Principles (IGAAP) under the historical cost convention as a going concern and on accrual basis and in accordance with the provisions of the Companies Act, 2013 and the Accounting Standards notified under section 133 of the Companies Act 2013.

All assets & liabilities have been classified as current & non – current as per the Company's normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of services and their realization in cash and cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current – non current classification of assets & liabilities.

#### 2) USE OF ESTIMATES

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including Contingent liabilities) as on the date of the financial statements and the reported income and expenses during the reporting year. Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future years.

#### 3) INVESTMENTS

Investments held as Long –Term Investments are stated at cost comprising of acquisition and incidental expenses less permanent diminution in value, if any. Investments other than Long Term investments are classified as current Investments and valued at cost or fair value whichever is less.

Provision for diminution in value of investments is made if management perceives that there is permanent diminution in value of investments in accordance with the Accounting Standard on 'Accounting for Investments' (AS 13) notified by Companies (Accounting Standards) Rules, 2006.

#### 4) PROVISIONS AND CONTINGENT LIABILITIES

Provisions are recognized in accounts in respect of present probable obligations, the amount of which can be reliably estimated. Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed only by the occurrence or non-occurrence of one or more certain future events not wholly within the control of the company.

#### 5) REVENUE RECOGNITION

- (i) Dividend from investments is accounted for as income when the right to receive dividend is established.
- (ii) Interest income is accounted on accrual basis.

#### 6) SHARE ISSUE EXPENSES

Expenses incurred in connection with fresh issue of share capital is charged to Profit and Loss account in the year in which they are incurred.

#### 7) FIXED ASSETS

Fixed assets are stated at cost of acquisition (including incidental expenses), less depreciation.

#### 8) DEPRECIATION

Depreciation on fixed assets is calculated by the straight line method at rates determined with reference to the useful life of fixed assets and in the manner provided for in Schedule II to the Companies Act 2013 except:

- (i) Motor cars where useful life is estimated at 4 years as against 8 years per Schedule II since the employees to whom these cars have been allotted as part of their terms of employment are entitled to change their vehicles every four years, and
- (ii) Fixed assets having value individually less than INR 5000 where useful life is estimated at less than one year having regard to the nature of these assets and the difficulty in estimating the useful life.

Further, residual value for all assets is considered Nil having regard to the difficulty in reasonably estimating the same and, in the case of motor cars, having regard to terms of employment under which these are allotted to the employees.

Accordingly, useful life of assets is estimated as follows:

Employee Vehicles	– 4 Years
Computer	– 3 Years
Furniture	– 10 Years
Office Equipment	– 5 Years
Assets costing less than INR 5000	– < 1 year

Intangible assets are stated at cost less accumulated amortization and impairment loss, if any. Intangible assets comprises of computer software which is amortized over the estimated useful life. The maximum period for such amortization is 36 months based on estimates of useful life.

#### 9) EMPLOYEE BENEFITS

Retirement Benefits in respect of gratuity at retirement/cessation are provided for based on valuations, as the Balance Sheet date, made by independent actuaries.

##### a) Defined Contribution Plans –

Company's contribution paid/payable during the year to Provident Fund, Superannuation and Labour Welfare Fund are recognised in Statement of Profit & Loss.

##### b) Defined Benefit Plan –

Company's liabilities towards gratuity & leave encashment is determined using the Projected Unit Credit Method which considers each period of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation. Actuarial gains and losses are recognized immediately in the statement of Profit and Loss as income or expense. Obligation is measured at the present value of estimated future cash flow using a discount rate that is determined by reference to market yields at the Balance Sheet date on government bonds where the currency and terms of the government bonds are consistent with the currency and estimated terms of the defined benefit obligation.

#### 10) IMPAIRMENT ASSETS

The carrying value of assets/cash generating units at each balance sheet date is reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognized, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life to their present value based on an appropriate discount factor.

#### 11) TAXES ON INCOME

Current tax is determined as the amount of tax payable in respect of taxable income for the year. Deferred tax is recognized, subject to consideration of prudence, on timing differences, being the difference between taxable incomes and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognized only to the extent that there is virtual certainty supported by convincing evidence that sufficient future tax income will be available against which such deferred tax assets can be realized

#### 12) PROVISIONS AND CONTINGENT LIABILITIES

- a) Provision for doubtful debts is made on the basis of standard norms and also, where required, on actual evaluation.
- b) Provisions are recognized in accounts in respect of present probable obligations, the amount of which can be reliably estimated. Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company.

**13) EARNING PER SHARE**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, sub-division of shares etc. that have changed the number of equity shares outstanding, without corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average numbers of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

**14) FOREIGN EXCHANGE TRANSACTIONS AND TRANSLATIONS**

**a. Initial recognition:**

Transactions in foreign currencies are recognised at the prevailing exchange rates between the reporting currency and a foreign currency on the transaction dates.

**b. Conversion:**

- i. Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognized in Statement of profit and loss.
- ii. Non-monetary items, which are measured in terms of historical Cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

**c. Exchange differences**

The Company accounts for exchange differences arising on translation/settlement of foreign currency monetary items as below:

- i. Realized gains and losses on settlement of foreign currency transactions are recognized in Statement of profit and loss.
- ii. Foreign currency monetary assets and liabilities at the year-end are translated at the year –end exchange rate and the resultant exchange differences are recognized in the Statement of profit and loss

**15) BORROWING COST**

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use or sale. All other borrowing costs are charged to the Statement of profit and loss. Ancillary expenditure incurred in connection with the arrangement of borrowings is amortized over the tenure of the respective borrowings

**16) LEASE**

Lease rentals in respect of assets taken on operating lease arrangements are recognized as per the terms of the lease.

**I) GENERAL INFORMATION:**

The Company Mahindra Asset Management Company Private Limited ('the Company') was incorporated under the Companies Act, 1956 on June 20, 2013. The company is a subsidiary of Mahindra & Mahindra Financial Services

Ltd. The company is incorporated to function as an Investment Manager to "Mahindra Mutual Fund". The company has received license from SEBI on 4th February 2016 and is awaiting product approvals from SEBI.

### 2. Dividend

In view of losses incurred by the Company, your Directors do not recommend any dividend for the year under review.

### 3. Reserves

The Company did not transfer any amount to reserves in view of the losses incurred by the Company during the year under review.

### 4. Operations

The Securities and Exchange Board of India vide its letter dated 4<sup>th</sup> February, 2016 has granted the certificate of registration to 'Mahindra Mutual Fund' ("the Fund"). Your Company will be engaged as a Trustee to the Fund. During the year under review, the Company has not commenced any business activities.

The Board of Directors of the Company in their role of trustees have assured that all the systems, policies, procedures, etc., are in place and have ensured that all the start-up activities of the asset management company are in accordance with the provisions of the SEBI (Mutual Fund) Regulations, 1996.

Your Directors would like to present an overview of the Indian Economy with the backdrop of the Equity Markets, Fixed Income Markets and Global events.

### 5. Indian Economy

Despite global turmoil and a truant monsoon, the Indian Economy registered a robust growth of 7.60 percent in the F.Y. 2015-16, thus becoming the fastest growing major

economy in the world. The Budget had set fiscal deficit target of 3.90 per cent which was achieved.

With global commodity prices remaining benign, the previous year witnessed a continued moderation in general price levels. Headline Inflation based on Consumer Price Index (CPI) dipped to 4.91 percent (5.97 percent in the F. Y. 2014-2015) showing a persistent pressure on oil and commodity prices. Exchange rate movements and Current Account deficits too reflected a stable environment. The movement of exchange rate measured against the US dollar was orderly and the INR depreciated about 6.50 percent during the year under consideration.

The second year of the present government witnessed some policy actions like liberalization of FDI regime, including the much awaited Insurance Bill, crop insurance measures, financial inclusion through Jan Dhan yojana and transferring subsidies through the Direct Benefit Transfer (DBT) platform.

However, stretched corporate balance sheets, asset quality constraints, delays in the passage of GST Bill and non-passage of Land Acquisition Bill negatively affected the mood in equity markets.

### 6. Equity Markets

As at 31<sup>st</sup> March, 2016, the S&P BSE Sensex ended 9.1% lower at 25,341, while the Nifty50 closed 8.8% lower at 7,738 compared to their respective closing figures as on 31<sup>st</sup> March, 2015.

With corporate performance failing markets expectation, the year 2015-16 did not bring much happiness to investors. The momentum started to fade further after the announcement of the budget; actual earnings trajectory turned out to be flat or negative, contrasting the projections by consensus estimates.

The silver lining however was the continued flows received by domestic institutions, particularly mutual funds, from retail participants who saw great opportunity in exploiting the valuation arbitrage created from the earlier run-up in the benchmark indices and large cap stocks.

Among the Emerging Market (EM) peers, India remained in a bright spot amid a slowdown in global economy on the back of multiple rate cuts by the Reserve Bank of India (RBI) and its efforts to keep inflation under check and also due to the capital infusion by the domestic investors. Foreign institutional investors were however net sellers in Indian equities to the tune of Rs 14,172 Cr, in the F. Y. 2015-16.

## 7. Fixed Income Markets

The RBI continued its accommodative stance through the last fiscal year and cut the benchmark repo rate by 75 basis points. In response to the cumulative reduction of around 125 basis points (bps) cut since January 2015, banks have reduced their median deposit rate by 72 bps and median base rates by around 60 bps.

Long term benchmark 10 year Gilt rates however eased marginally by around 30 bps and closed around 7.45 per cent. A part of the reason for the muted fall in long term gilt rates could be on account of uncertainty on US rates, and also partly because of relatively robust incremental credit off take.

## 8. Global events

China's benchmark index, Shanghai Composite, decreased by nearly 24% in this year and hit 2,655, its lowest level for the year. Meanwhile, the Greek crisis had a ripple effect on Indian equities in a reaction to the global risk-off trade. Another major event for the year was the 25 bps hike in interest rates by the US Federal Reserve. The interest rates, which were maintained at zero, were raised for the first time in almost a decade since the Global Financial Crisis of 2008 indicating signs of a pickup in the world's biggest economy.

## 9. Looking Ahead

"It is incontrovertible that India is still oozing potential. The country's long run potential growth rate is still around 8-10 per cent."

The Economic survey had portrayed a latent growth potential. The Indian Meteorological Department (IMD) has predicted a normal monsoon this year. A right mix of reforms, governance and push from the rain Gods may lay the foundation to a stronger economy.

## 10. Overview of the Mutual Fund Industry

During the year under consideration, the mutual fund industry continued to witness robust growth. The total Assets Under Management (AUM) as on 31<sup>st</sup> March, 2016 were INR 12,32,824 crores as compared to INR 10,82,757 crores as on 31<sup>st</sup> March, 2015, thereby witnessing a growth of around 14%.

What was remarkable was the resilience of the equity oriented schemes, which saw net inflows of around INR 93,000 crores (previous year INR 80,855 crores) despite a fall in the benchmark equity indices.

The value of assets held by individual investors in mutual funds also increased to Rs. 6.16 lakh crores, a rise of around 10.11%.

As the nation becomes more financially inclusive and with financial literacy gaining traction, the adoption of technology lowering barriers to the last mile access, with benefits of low cost and transparency, the Indian Mutual Fund industry has the possibility of becoming the primary vehicle of savings in the capital markets.

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF MAHINDRA TRUSTEE COMPANY PRIVATE LIMITED

#### Report on the Standalone Financial Statements

1. We have audited the accompanying standalone financial statements of **Mahindra Trustee Company Private Limited** ("the Company"), which comprise the balance sheet as at March 31, 2016, and the statements of profit and loss and cash flow for the period from April 1, 2015 to March 31, 2016, and a summary of the significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

3. Our responsibility is to express an opinion on these standalone financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks

of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

#### Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2016, and its profit and its cash flows for the period from April 1, 2015 to March 31, 2016.

#### Report on Other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in terms of Sub-section (11) of Section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure I a statement on the matters specified in paragraphs 3 and 4 of the Order.
10. As required by Section 143(3) of the Act, we report that:
  - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c. the Balance Sheet, the Statement of Profit and Loss and Cash Flow dealt with by this Report are in agreement with the books of account;
  - d. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);
  - e. on the basis of written representations received from the directors as on March 31, 2015 taken on record

by the Board of Directors, none of the directors is disqualified as on March 31, 2015, from being appointed as a director in terms of Section 164(2) of the Act.

- f. With respect to the adequacy of internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure II.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has no pending litigation.
  - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any on long-term contracts. The Company did not have any derivative contracts.

- iii. The Company has been in existence for a period less than seven years and hence there is no requirement to transfer any amounts to the Investor Education and Protection Fund.

## **ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF MAHINDRA TRUSTEE COMPANY PRIVATE LIMITED**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **Mahindra Trustee Company Private Limited** ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the period from April 1, 2015 to March 31, 2016.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the Institute of Chartered Accountants of India ("ICAI") and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that :

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

## SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016

### I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

#### 1) BASIS OF PREPARATION OF ACCOUNTS

The financial statements have been prepared in accordance with the Generally Accepted Accounting Principles (IGAAP) under the historical cost convention as a going concern and on accrual basis and in accordance with the provisions of the Companies Act, 2013 and the Accounting Standards notified under Section 133 of the Companies Act 2013.

All assets & liabilities have been classified as current & non – current as per the Company's normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of services and their realization in cash and cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current – non current classification of assets & liabilities.

#### 2) USE OF ESTIMATES

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including Contingent liabilities) as on the date of the financial statements and the reported income and expenses during the reporting year. Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future years.

#### 3) INVESTMENTS

Investments held as Long –Term Investments are stated at cost comprising of acquisition and incidental expenses less permanent diminution in value, if any. Investments other than Long Term investments are classified as current Investments and valued at cost or fair value whichever is less.

Provision for diminution in value of investments is made if management perceives that there is permanent diminution in value of investments in accordance with the Accounting Standard on 'Accounting for Investments' (AS 13) notified by Companies (Accounting Standards) Rules, 2006.

#### 4) SHARE ISSUE EXPENSES

Expenses incurred in connection with fresh issue of share capital is charged to Profit and Loss account in the year in which they are incurred.

#### 5) PROVISIONS AND CONTINGENT LIABILITIES

a) Provision for doubtful debts is made on the basis of standard norms and also, where required, on actual evaluation.

b) Provisions are recognized in accounts in respect of present probable obligations, the amount of which can be reliably estimated. Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company.

#### 6) EARNING PER SHARE

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, sub-division of shares etc. that have changed the number of equity shares outstanding, without corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average numbers of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

**DIVIDEND**

For the Financial Year 2015-16, your Directors have recommended a Dividend of ₹ 6 per equity share of the face value of ₹ 10 each of the Company, i.e. 60 per cent.

The equity dividend (including tax on distributed profits) aggregates ₹ 2,799 lakh (previous year ₹ 5,475 lakh, aggregate of Special Dividend by way of an Interim Dividend and Final Dividend). The Dividend shall be paid out of the profits of the current year.

**RESERVES**

Out of the profits available for appropriation, an amount of ₹ 3,135 lakh has been transferred to the Debenture Redemption Reserve and the balance has been carried forward to the Profit & Loss Account.

**OPERATIONS/STATE OF THE COMPANY'S AFFAIRS**

In a subdued global economic environment, and the ongoing slowdown in China, India's macroeconomic performance remained stable during financial year 2015-16. According

to the advance estimates released by the Central Statistical Organisation (CSO), India's GDP growth is expected to be 7.6 per cent in financial year 2015-16, marginally higher than 7.2 per cent recorded in the previous year.

An equally important aspect was the stability in retail inflation around 5 per cent mark, which allowed the RBI to continue with its accommodative policy stance. However, the rate cuts to the tune of 100 basis points during the year did not translate into desired reduction in lending rates. Consequently, the improvements in business and consumer confidence during the year were weak. As far as the real estate industry is concerned, the overall performance continued to be subdued – housing prices, rents and offtake of housing loans continued to be sluggish during the year.

The Company's performance needs to be evaluated in the context of this Industry Environment.

In the residential segment, the Company sold over 1,000 residential units aggregating to 1.16 million square feet of saleable area in 2015-16 across its ongoing and newly

launched projects, including projects of its subsidiary companies. The Company launched two new projects – ‘Vivante’ and ‘Windchimes’, marking its entry in the Bangalore market with the latter. In addition, fresh inventory in four of its existing projects was also launched during the year.

In the large format developments, the Company’s subsidiary Mahindra World City Developers Limited (MWCDL) signed a JV Agreement with Sumitomo Corporation, Japan to develop an industrial park in North Chennai on the NH-5 (Chennai – Kolkata highway). The first phase of the project of approximately 300 acres will be implemented by Mahindra Industrial Park Chennai Limited (MIPCL), a 60:40 JV between MWCDL and Sumitomo Corporation, respectively.

The consolidated total income of your Company decreased from ₹ 114,757 lakh in 2014-15 to ₹ 87,743 in 2015-16. The consolidated Profit before tax (PBT) stood at ₹ 14,745 lakh in 2015-16 as compared to ₹ 42,102 lakh in 2014-15, whereas the consolidated profit after tax and minority interest (PAT) was ₹ 9,309 lakh in 2015-16 as compared to ₹ 26,620 lakh during 2014-15. This Performance of the Company over the previous year needs to be looked in the context of the land sale transaction in respect of a delayed project in Mumbai, which contributed ₹ 268 crore to the total income and ₹ 245 crore to the profit before tax (PBT) during 2014-15.

Total income of your Company as a standalone entity was ₹ 60,015 lakh as compared to ₹ 76,003 lakh in 2014-15. PBT was ₹ 14,174 lakh as compared to ₹ 33,771 lakh in 2014-15, whereas PAT was ₹ 10,449 as compared to ₹ 23,330 lakh in 2014-15. Total income includes dividend income of ₹ 629 lakh and ₹ 178 lakh received from its subsidiaries Mahindra World City (Jaipur) Limited and Mahindra World City Developers Limited, respectively, as compared to ₹ 727 lakh received from its subsidiary Mahindra World City Developers Limited, ₹ 740 lakh received from its subsidiary Mahindra World City (Jaipur) Limited and ₹ 740 lakh received from its subsidiary Mahindra Integrated Township Limited in 2014-15.

No material changes and commitments have occurred after the close of the year till the close of this Report, which affects the financial position of the Company.

## SUSTAINABLE DEVELOPMENT

Your Company has been at the forefront of the real estate industry in India to achieve the mission of 'Transforming urban landscapes by creating sustainable communities'. The Company has done this by putting sustainability as a core agenda for the Company. The details of Company's approach to sustainability are covered in the Sustainability Report at pages herein of this Report.

The Business Responsibility Reporting (BRR) as part of the Annual Report as required by Regulation 34(2)(f) of SEBI LODR is not applicable to your Company for the financial year ended on 31<sup>st</sup> March, 2016.

## CORPORATE SOCIAL RESPONSIBILITY (CSR)

The Company's guiding principle for CSR is to build its relationship with stakeholders and the community at large, and contribute to their long term social good and welfare. The Company, in every financial year, in line with the new Companies Act, 2013, pledges to spend, two per cent of the average net profits made during the three immediately preceding financial years specifically towards CSR initiatives.

The Company has constituted Corporate Social Responsibility Committee comprising Mr. Arun Nanda – Non Executive Non-Independent Director, Mr. Shailesh Haribhakti – Non Executive Independent Director and Ms. Anita Arjundas – Managing Director & CEO. The Role of the Committee is to formulate and recommend a CSR policy to the Board, to recommend amount of expenditure to be incurred on CSR activities, to monitor the CSR policy of the Company from time to time and to institute a transparent monitoring mechanism for implementation of the CSR projects or programs or activities undertaken by the Company.

The Company's CSR Policy lays out the vision, objectives and implementation mechanisms. The Company's CSR policy is available on the Company's web link at <http://www.mahindralifespaces.com/pdf/mlDI%20csr%20policy-final-cln.pdf>. The Company's CSR activities have traditionally focussed on education, skill development, health, environment and promoting sustainable practices.

The objective of the CSR policy is to:

- Promote a unified approach to CSR to incorporate under one umbrella the diverse range of the Company's philanthropic activities, thus enabling maximum impact of the CSR initiatives;
- Ensure an increased commitment at all levels in the organisation, to operate in an economically, socially and environmentally responsible manner while recognising the interests of all its stakeholders;
- Encourage employees to participate actively in the Company's CSR and give back to the society in an organised manner through the employee volunteering programme called Esops.

The Company's commitment to CSR will be manifested by investing resources in any of the areas stipulated in Schedule VII to the Companies Act, 2013. The Company gives preference

to the local area and area around it where it operates for spending the amounts earmarked for CSR activities.

Of the total budget of ₹ 377.26 lakh for FY 2015-16, the Company had earmarked an amount of ₹ 132.73 lakh towards contribution as corpus by the Company to support the establishment of a Centre of Excellence (CoE) for Sustainable Habitats by TERI with the objective of improving energy efficiency in India's residential buildings sector. The discussion and requisite documentation with TERI, although was at an advanced stage, could not be completed by 31<sup>st</sup> March, 2016. As a result, the amount of ₹ 132.73 lakh which was earmarked for aforesaid contribution remained unspent as on 31<sup>st</sup> March, 2016. The Board has approved that any unspent amount, out of the minimum required CSR expenditure of the FY 2015-16 be carried forward to the next year provided that the carried forward amount shall be over and above the next year's CSR allocation equivalent to atleast 2% of the average net profit of the Company of the immediately preceding three years.

The annual report on the CSR activities in the prescribed format is at **Annexure 1** to this Report.

Details of the Company's approach towards CSR including overview of projects or programmes undertaken/proposed to be undertaken are covered in the Sustainability Report at pages herein of this Report.

## ANNEXURE 3

### POLICY FOR REMUNERATION OF THE DIRECTORS

(Modified w.e.f. 1<sup>st</sup> April, 2015)

#### Purpose

This Policy sets out the approach to Compensation of Directors, in Mahindra Lifespace Developers Limited.

#### Policy Statement

We have a well-defined Compensation policy for Directors, including the Chairman of the Company. The overall compensation philosophy guides us to focus on enhancing the value of the Company by attracting and retaining Directors for achieving objectives of the Company.

In order to effectively implement this, we have built our Compensation structure by a regular annual benchmarking over the years with relevant players across the industry we operate in.

#### NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS:

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both Fixed and variable, to the Non-Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act, 2013, and Part D of Schedule II of the SEBI LODR with Stock Exchanges and such other factors as the NRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

#### MANAGING DIRECTOR & CHIEF EXECUTIVE OFFICER (MD & CEO) AND EXECUTIVE DIRECTORS

Remuneration of the MD & CEO and Executive Directors reflects the overall remuneration philosophy and guiding principle of the Company. While considering the appointment and remuneration of Managing Director and Executive Directors, the NRC shall consider the industry benchmarks, merit and seniority of the person and shall ensure that the remuneration proposed to be paid is commensurate with the remuneration packages paid to similar senior level counterpart(s) in other companies. The policy aims at a balance between fixed and variable pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

The remuneration to the MD & CEO shall be recommended by NRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as per the policy of the Company from time to time and as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of appointment, the variable compensation will be determined annually by the NRC based on the performance of MD & CEO.

The term of office and remuneration of MD & CEO is subject to the approval of the Board of Directors, shareholders, and Central Government, as may be required and within the statutory limits laid down in this regard from time to time.

If, in any financial year, the Company has no profits or its profits are inadequate, the Company shall pay, subject to the requisite approvals, remuneration to its MD & CEO in accordance with the provisions of Schedule V of the Companies Act, 2013.

If a MD & CEO draws or receives, directly or indirectly by way of remuneration any such sum in excess of the limits prescribed under the Companies Act, 2013 or without the prior sanction of the Central Government, where required, he/she shall refund such sum to the Company and until such sum is refunded, hold it in trust for the Company. The Company shall not waive recovery of such sum refundable to it unless permitted by the Central Government.

Remuneration for MD & CEO is designed subject to the limits laid down under the Companies Act, 2013 to remunerate him/her fairly and responsibly. The remuneration to the MD & CEO comprises of salary, perquisites and benefits as per policy of the Company and performance based incentive apart from retirement benefits like P.F., Superannuation, Gratuity, Leave Encashment, etc. as per Rules of the Company. Salary is paid within the range approved by the Shareholders. Increments are effective annually, as recommended/approved by the Nomination and Remuneration Committee/Board. The MD & CEO is entitled for grant of Stock Options as per the approved Stock Options Schemes of the Company from time to time.

#### Directors

The Managing Director & Chief Executive Officer is an executive of the Company and draws remuneration from the Company. The Non-Executive Chairman and Independent Directors receive sitting fees for attending the meeting of the Board and the Committees thereof, and meetings of Independent Directors, as fixed by the Board of Directors from time to time subject to statutory provisions. The Non-Executive Chairman and Independent Directors would be entitled to the remuneration under the Companies Act, 2013. A Non-Executive Non-Independent Director who receives remuneration from the holding company or any other group company is not paid any sitting fees or any remuneration. In addition to the above, the Directors are entitled for reimbursement of expenses incurred in discharge of their duties.

The Company may also grant Stock Options to the eligible employees and Directors (other than Independent Directors) in accordance with the ESOP Schemes of the Company from time to time and subject to the compliance of the applicable statutes and regulations.

#### Disclosures

Information on the total remuneration of members of the Company's Board of Directors, Managing Director and Executive Directors and KMP/senior management personnel may be disclosed in the Board's report and the Company's annual report/website as per statutory requirements in this regard.

**ANNEXURE 4**  
**POLICY ON REMUNERATION OF KEY MANAGERIAL PERSONNEL AND EMPLOYEES**  
**(Modified w.e.f. 1<sup>st</sup> April, 2015)**

**Objective**

To establish guidelines for remunerating employees fairly and in keeping with Statutes.

**Standards**

- All employees, irrespective of contract, are to be remunerated fairly and the remuneration is to be externally competitive and internally equitable. The remuneration will be paid in accordance with the laid down Statutes.
- Remuneration for on-roll employees will include a fixed or guaranteed component payable monthly; and a variable component which is based on performance and is payable quarterly/annually.
- The fixed component of remuneration will have a flexible component with a bouquet of allowances to enable an employee to choose the allowances as well as the quantum based on laid down limits as per Company policy. The flexible component can be varied only once annually in the month of July i.e. after the salary increment exercise.
- The variable component of the remuneration will vary from 10% to 25% of the Cost-to-Company (CTC) and will be a function of the employee's grade.
- The actual pay-out of variable component of the remuneration will be a function of individual performance as well as business performance. Business performance is evaluated using a Balanced Score Card (BSC) while individual performance is evaluated on Key Result Areas (KRA). Both BSC and KRA are evaluated at the end of the fiscal to arrive at the BSC rating of the business and Performance Pay Scheme (PPS) rating of the individual.
- An annual compensation survey is carried out to ensure that the Company's compensation is externally competitive. Based on the findings of the survey and the business performance, the Sector Talent Council decides:
  - a) The increment that needs to be paid for different performance ratings as well as grades;
  - b) The increment for promotions and the total maximum increment;
  - c) The maximum increase in compensation cost in % and absolute;
- Compensation corrections are made, if required, in a few cases based on the inputs from the Survey, so as to address significant gaps, if any.

## Management Discussion and Analysis

Mahindra Lifespace Developers Limited ('Mahindra Lifespaces' or 'the Company') is one of the leading real estate development companies in India. Over the years, the Company has created a reputation for itself by delivering an array of highly successful projects and establishing industry benchmarks in environment friendly and sustainable developments.

Mahindra Lifespaces, along with its subsidiary companies, is engaged in the development of residential projects and large format developments such as integrated cities and industrial clusters. This chapter presents an overview of the operational and financial performance of the Company during 2015-16 and its strategy for future growth.

### INTRODUCTION AND PERFORMANCE HIGHLIGHTS

Mahindra Lifespaces is one of the few real estate companies in India serving both consumer households and businesses through its two segments of operations – residential developments and large format integrated cities and industrial clusters. This continued to be the strategic direction in which the Company moved in 2015-16. Here are the key highlights of the Company's performance:

- In the residential segment, the Company sold over 1,000 residential units aggregating to 1.16 million square feet of saleable area in 2015-16 across its ongoing and newly launched projects, including projects of its subsidiary companies. The Company launched two new projects – 'Vivante' and 'Windchimes', marking its entry in the Bangalore market with the latter. In addition, fresh inventory in four of its existing projects was also launched during the year.
- Another important aspect of the Company's performance in the residential segment was the success it achieved on the execution front — in reducing the project life cycle i.e. time taken from procuring land to delivery of the projects. During 2015-16, the Company completed construction of 3.3 million square feet which is more than twice of what it had achieved in 2014-15. Equally important, it handed over around 820 residential units to its customers as compared to around 540 units in the previous year. This has been a direct result of building capability and scalable systems: improving pace of project execution with renewed focus on quality and safety, augmenting the customer relationship function and deployment of IT solutions. These have been discussed in greater detail in subsequent sections of the report.
- In the large format developments, the Company's subsidiary Mahindra World City Developers Limited ('MWCDL') signed a Joint Venture ('JV') agreement with Sumitomo Corporation, Japan to develop an industrial park in North Chennai on the NH-5 ('Chennai – Kolkata highway'). The first phase of the project of approximately 300 acres will be implemented by Mahindra Industrial Park Chennai Limited ('MIPCL'), a 60:40 JV between MWCDL and Sumitomo Corporation, respectively. The Company

is in the process of considering similar opportunities to create a network of industrial clusters in other upcoming industrial destinations.

- In its existing projects in the large format developments, there was a moderation in leasing activity – 28.66 acres in 2015-16 as compared to 68 acres in 2014-15 – partly because of the increase in the decision making cycle of customers. Within the segment, demand was better for businesses servicing the domestic market as compared to exports. Given this scenario, focus during the year was to unlock leasing potential in the domestic tariff area (DTA), where considerable progress was made during the year. Progress was also made to secure multi-product SEZ status at Mahindra World City, Jaipur, which is expected to improve the demand by broad-basing the target industries. These developments have been discussed in greater detail in the section on 'Operations'.

Despite the headwinds faced by the Company in its integrated cities business, it registered a creditable performance during 2015-16. Moreover, the financial performance of the Company over the previous year needs to be looked in the context of the land sale transaction, in respect of a delayed project in Mumbai, which contributed ₹ 268 crore to the total income and ₹ 245 crore to the profit before taxes (PBT) during 2014-15. The highlights of Mahindra Lifespaces' financial performance are given below:

- Consolidated Income of the Company in 2015-16 was ₹ 877 crore as compared to ₹ 1,148 crore in 2014-15. Excluding the impact of the land sale transaction mentioned above, consolidated total income for the year remained flat whereas the total income of the standalone entity registered an increase of 22 per cent during the year;
- Profit before taxes (PBT) of the consolidated entity stood at ₹ 147 crore in 2015-16 as compared to ₹ 421 crore in 2014-15. Excluding the impact of the land sale transaction, the consolidated PBT for the previous year was ₹ 176 crore;
- Profit after taxes and minority interest, of the consolidated entity was ₹ 93 crore in 2015-16 and diluted earnings per share (EPS) was ₹ 22.61;

In the remainder of the report, we will present the operational and financial performance of the Company, which is followed by a discussion on risks and concerns and the outlook for the future. We begin with an overview of the macroeconomic and industry environment.

### MARKETS AND OPPORTUNITIES

In a subdued global economic environment, India's macroeconomic performance remained stable in 2015-16. According to the advance estimates released by the Central Statistical Organisation (CSO), India's GDP growth is expected to be 7.6 per cent in 2015-16, marginally higher than 7.2 per cent recorded in the previous year.

An equally important aspect was the stability in retail inflation around the 5 per cent mark, which allowed the RBI to continue with its accommodative policy stance. However, the rate cuts to the tune of 100 basis points during the year did not translate into desired reduction in lending rates. Consequently, the improvements in business and consumer confidence during the year were weak. As far as the real estate industry is concerned, the overall performance continued to be subdued – housing prices, rents and offtake of housing loans continued to be sluggish during the year.

The Government has laid out a comprehensive plan to reinvigorate the rural economy, invest in social and physical infrastructure, and improve the environment for doing business. At the same time, focus on manufacturing sector and programmes such as affordable housing and smart cities are expected to benefit the real estate industry directly. Also, adhering to the path of fiscal consolidation is expected to keep the inflationary expectations in check, enabling the RBI to maintain its accommodative stance. These augur well for the macroeconomic environment in the near term.

### Residential Development

During 2015-16, the demand situation in the residential development space remained muted. Among the markets where the Company operates, Delhi-NCR market was the most affected in terms of both absorption and prices. Demand was also weak in Mumbai and Chennai, but the pricing pressure was less pronounced in these markets. In comparison, the demand situation was better in Bangalore, Pune and Hyderabad. The situation resulted in changes in product-mix on offer in these markets — units with fewer rooms and smaller area — to make it attractive for potential home buyers to enter the market. At the same time, there was a clear premium commanded by branded real estate players in the organised sector, who found it relatively easier to sell in the current environment.

Mahindra Lifespaces, too, benefited in this respect. The 'Mahindra' brand – a name associated with honesty, transparency, fairness and trust – coupled with its track record of executing projects in time as well as its reputation as a professionally managed real estate player helped the Company gain market share in the micro markets that it operates in. At the same time, completion of the first phase of its affordable housing project, 'Happinest' Avadi at Chennai, in just 20 months from launch has vindicated the business model, which relies on faster turnaround as a key element of competitive advantage in the segment.

As far as growth opportunities for the immediate future are concerned, the Company will continue to focus on cities such as Mumbai, Pune, Bangalore, NCR, Chennai and Hyderabad. In terms of market segments, the Company will continue to concentrate on its core strengths, even as it gears up to expand its presence in the affordable housing space.

### Large Format Integrated Cities & Industrial Clusters

The market for industrial land remained subdued during the year. The sluggishness was more pronounced in the

Special Economic Zone ('SEZ') as compared to demand from businesses servicing the domestic market, which evinced greater interest from potential buyers.

The government's ('Make in India') initiative and focus on smart cities is a favourable development for growth opportunities in this segment. Given the interest from businesses aimed at servicing the domestic market, the Company is in the process of expanding the domestic traffic area ('DTA') in its Jaipur project through area re-allocation.

In the near term, this will allow the Company to release additional saleable inventory in the segments where the demand situation is more stable in comparison. At the same time, focus will be on the sales and marketing efforts to benefit from the opportunities presented by the government's manufacturing push as well as gradual turnaround in the macroeconomic situation.

In terms of its long-term strategy, the Company is actively considering upcoming industrial destinations to diversify its portfolio and create a network of smaller industrial clusters. The first such industrial park, spread over 300 acres is being planned in North Chennai on the NH-5 ('Chennai – Kolkata highway'). This project will be implemented by Mahindra Industrial Park Chennai Limited ('MIPCL'), a 60:40 JV between the Company's subsidiary Mahindra World City Developers Limited ('MWCDL') and Sumitomo Corporation, Japan, respectively.

## OPERATIONS

### Residential Development

Mahindra Lifespaces' residential business has its presence across the value chain of real estate development that covers identifying a suitable piece of land, conducting thorough due-diligence on its title and development potential, acquiring the land, product conceptualisation and design management, obtaining requisite statutory approvals, project management and quality assurance. The Company also undertakes the project's branding, marketing and sales while ensuring timely delivery and upkeep of the property until it is handed over to the society of home owners. During the year, Mahindra Lifespaces won the Mint-Institute for Competitiveness – 'Strategy Award' in the Construction, Real Estate and Steel Segment.

As of 31<sup>st</sup> March 2016, the Company along with its subsidiaries has completed projects covering 12.19 million square feet in the residential segment. It is currently developing 3.94 million square feet (Ongoing). Besides, another 5.51 million square feet are available in the form of new phases of ongoing projects or fresh projects that are at different stages of planning and will be launched in the near future (Forthcoming). A snapshot of the Company and its subsidiaries' project portfolio is presented below.

### Completed and Ongoing Projects

During 2015-16, the Company launched two new projects, including its first project in Bengaluru. In addition, fresh inventory in 4 of its existing projects was also launched during the year. Construction activity was also completed in different phases of 8 of its projects. The total completed area during the year was 3.3 million square feet as compared to 1.22 million square feet in 2014-15. The Company also handed over around 820 units to its customers during the year. The project-wise details are provided below.

**‘Aquality’** is a premium project within Mahindra World City, Chennai. This project is being implemented by Mahindra Residential Developers Limited, a subsidiary of the Company. Spread across 55 acres of land, the project offers villas and apartments covering an estimated saleable area of 1.57 million square feet, of which 1.39 million square feet has been launched in multiple phases. During 2015-16, construction activity was completed in Phase 2C1 and progressed as per schedule in Phase 2C2. Besides, handing over of units took place in Phase 2B, which was completed in the previous year. 73 per cent of the total units launched in this project have been sold upto March 2016.

**‘Iris Court’** located in Mahindra World City, Chennai, is spread over 18 acres with an estimated saleable area of 0.86 million square feet. This project is being implemented by Mahindra Integrated Township Limited, a subsidiary of the Company. During 2015-16, construction activity was completed for the final phase of the project (IIB). Handing over of units for this phase will take place in 2016-17. Handing over of a large number of units took place in all phases completed in the previous year (II & IIIA). 95 per cent of the total units launched in this project have been sold upto March 2016.

**‘Nova’** in Mahindra World City, Chennai is spread over 7.26 acres with an estimated saleable area of 0.54 million square feet. This project is being implemented by Mahindra Integrated Township Limited, a subsidiary of the Company. During the year, construction work was completed in Phase I and is progressing as per schedule in the second and final phase, which was launched towards the end of the previous year. Handing over of units for Phase I will take place in 2016-17. 61 per cent of the total units launched in this project have been sold upto March 2016.

**‘Aura’** in Gurgaon, National Capital Region, is spread over 17 acres and has an estimated saleable area of 1.39 million square feet. During 2015-16, construction of the final two phases of the project (IV and V) was completed. Handing

over of units to customers was also completed in Phase I and Phase II, and is progressing in the next two phases (III and IV). For the final phase (V), handing over of units is expected to start in 2016-17. 96 per cent of the total units launched in this project have been sold upto March 2016.

**‘Luminare’** in Gurgaon, is the Company’s first project in the luxury homes segment in the National Capital Region. It is spread across 6.8 acres, with an estimated saleable area of 1.14 million square feet, and has received Gold Rating Pre-certification from IGBC Green Homes. The project is being implemented in collaboration with the developer and the land owners by Mahindra Homes Private Limited which is a 50:50 JV with SCM Real Estate (Singapore) Private Limited. The second phase of the project comprising 120 units was launched during the year. Construction is progressing as per schedule in the two phases launched so far. 36 per cent of the total units launched in this project have been sold upto March 2016.

**‘Bloomdale’** in Nagpur, Maharashtra, is conceived as a gated community spanning over 25.2 acres and has an estimated saleable area of 1.55 million square feet, offering a choice of low-rise apartments, row houses and duplex homes. It is being implemented by Mahindra Bebanco Developers Limited (‘MBDL’), a subsidiary of the Company which is a 70:30 JV with B.E. Billimoria & Co. Ltd. During 2015-16, the Company launched a new phase ‘IIIA’, taking the total saleable area launched to 0.97 million square feet. Construction activity was completed for the first phase of the project ‘IA, IB and IC’, during the year and is progressing well in the remaining phases. Handing over of units in the first phase will take place in 2016-17. 83 per cent of the total units launched in this project have been sold upto March 2016.

**‘Antheia’** in Pimpri, Pune, is spread over 16 acres with an estimated saleable area of 1.60 million square feet. During the year, the Company completed construction of Phase I of the project comprising 512 units, which is expected to be handed over to customers in 2016-17. Including Phase II C, which was launched during the year, the total saleable area launched under the project is 1.07 million square feet. Construction of Phase II of the project, where 49 per cent of the total units have been sold upto March 2016, is progressing as per schedule. 75 per cent of the total units launched in this project have been sold upto March 2016.

**‘L’Artista’** in Pune is a luxury project located in the heart of the city, which offers spacious three and four bedroom flats with ultra-modern amenities and common spaces amidst green surroundings. It has received Gold Rating Pre-certification from IGBC Green Homes. Out of the total estimated saleable area of around 0.09 million square feet, the Company’s share in the project is an estimated saleable area of around 0.06 million square feet. The construction activity is progressing as per schedule.

**‘Ashvita’** in Kukatpally, Hyderabad, is spread over 9.28 acres with an estimated saleable area of 1.1 million square feet. The project is being developed in the joint development format with the Company’s share at 80 per cent and the land

owners' share at 20 per cent. During the year, construction activity was completed for the first three phases of the project (Phase I, II & III). In the final two phases (IV & V), which were launched during the previous year, construction is in progress as per schedule. 74 per cent of the total saleable units in the Company's share of 80 per cent, have been sold as of March 2016.

'**Vivante**' in Andheri, Mumbai, is the Company's premium residential project, which was launched during 2015-16. This centrally located project offers a wide range of amenities, and is built on the Company's philosophy of sustainable urbanisation, for which it has received Platinum Rating Pre-certification from IGBC Green Homes. It is spread across 2.9 acres with an estimated saleable area of 0.37 million square feet. Out of the 104 units launched in the first phase, 66 per cent have been sold as of March 2016.

'**The Serenes**' in Alibaug, Mumbai, is conceived as a weekend home project. Spread across 11.8 acres of land just 0.7 kilometres away from the beach, the project will offer 3 and 4 BHK patio and courtyard villas in a gated community with club and common amenities. It has received Platinum Rating Pre-certification from IGBC Green Homes. The project will offer 47 villas with an estimated saleable area of 0.16 million square feet. Construction is on for the first phase of the project, which comprises 20 villas with a saleable area of 0.06 million square feet. 45 per cent of the total units launched in this project have been sold upto March 2016.

'**Windchimes**', Bangalore, is the first residential development of the Company in the city. Located on Bannerghata Road, the project is being implemented by Mahindra Homes Private Limited which is a 50:50 JV with SCM Real Estate (Singapore) Private Limited. Spread across 5.8 acres and an estimated saleable area of 0.87 million square feet, the project offers luxurious 3-4 BHK apartments with all modern amenities amidst a green surrounding. During the year, the Company launched the first two phases (I & II) of the project, comprising 229 apartments with a total saleable area of 0.44 million square feet. 54 per cent of the total units launched in this project have been sold upto March 2016. Construction is progressing as per schedule in both phases.

'**Happinest Avadi**' near Chennai is the first pilot project of the Company in the affordable housing segment. Spread across 13.22 acres with an estimated saleable area of 0.73 million square feet, the project has 1BHK and 2BHK apartments, ranging from 396 square feet to 677 square feet. During 2015-16, the Company launched the second phase of the project which has 176 units. The first phase of the project comprising 604 units was also completed during the year, and will be handed over to customers in 2016-17. 61 per cent of the total units launched in this project have been sold upto March 2016.

'**Happinest Boisar**' near Mumbai is the Company's second project in affordable housing segment. Spread across 14.66 acres with an estimated saleable area of 0.52 million square feet, the project will have 1RK, 1BHK and 2BHK apartments ranging from 351 square feet to 675 square feet. Construction is progressing as per schedule in the first two phases of the

project comprising 597 units with an estimated saleable area of 0.33 million square feet. 95 per cent of total units in Phase I and 74 per cent of the total units in Phase II have been sold as of March 2016.

### New Projects

The Company is in various stages of planning new residential developments – projects for which design development or approvals are underway:

- **Kandivili, Mumbai:** This will be a premium residential development with an estimated saleable area of 0.10 million square feet.
- **Sakinaka, Mumbai:** This will be a mid segment residential development with an estimated saleable area of 0.34 million square feet.
- **Palghar, Mumbai Metropolitan Region:** This will be the Company's third affordable housing project with an estimated saleable area of 0.89 million square feet.

Besides these, the Company is in early stages of planning for residential projects in its existing land at Pune (4.5 acres) and Chennai (9.33 acres). It has an additional landbank of around 11.04 million square feet of estimated development potential across locations, 86% of which within Mahindra World City, Chennai

### Large Format Integrated Cities & Industrial Clusters

Mahindra Lifespaces is the first company in the private sector to have successfully developed an integrated business city in India – 'Mahindra World City', Chennai. This is also the first operational Special Economic Zone 'SEZ' from the corporate sector. Besides this project, the Company has another operational project in this segment in Rajasthan – 'Mahindra World City', Jaipur – and is planning another 300 acre industrial park in North Chennai in joint venture with Sumitomo Corporation, Japan.

### Mahindra World City, Chennai

Mahindra World City, Chennai, is implemented by Mahindra World City Developers Limited (MWCDL), an 89:11 joint venture between the Company and the Tamil Nadu Industrial Development Corporation Limited (TIDCO), respectively. It is the first township in India to receive Green Township Certification (Stage I Gold certification) from IGBC. During the year, Mahindra World City, Chennai was adjudged winner in the category of Best Township (more than 200 acres in size) at the NDTV Property Awards 2015.

Mahindra World City, Chennai, currently has three sector specific Special Economic Zones (SEZs) – IT (services and manufacturing), Apparel and Fashion Accessories and Auto Ancillaries, and a Domestic Tariff Area (DTA) for businesses catering to the Indian market. Integrated to the business zone is a Residential and Social Infrastructure zone.

At the end of 2015-16, the project had a total area of 1,524 acres. It has 64 Industrial Customers, of which 27 are in the SEZ and 37 are in the DTA. Including one company which started operations

during the year, 51 companies operate out of Mahindra World City, Chennai. Direct employment in the business city increased during the year to around 38,000 persons. Exports crossed ₹ 6,875 crore in the 9 months between April to December, 2015 as against ₹ 7,800 during 2014-15.

Mahindra World City, Chennai, has allocated 289 acres for the development of residential and social infrastructure that will eventually cater to the requirements of over 7,000 families. The city has three operational residential projects. Occupancy during the year increased from around 500 families to 700 families. This is expected to increase significantly, with completion and handover of around 500 units in 2016-17. Further, details of the current residential projects have already been provided in the previous section on Residential developments.

On the retail and social infrastructure, considerable progress was made during the year. 'The Canopy' – the city's commercial centre, added a variety of service providers, enhancing the convenience and quality of life of its residents. The MWC Club, which was inaugurated in March 2015, was well received by the community. The Club also received Gold certification under IGBC LEED India Rating System. JSP Hospitals, which started functioning in the previous year, expanded its range of services during 2015-16 to include 24x7 services. The construction of Phase I of the hostel for working professionals with 200 rooms by a third party developer cum operator, progressed well and is nearly complete. Also, Mahindra World School has taken up plans to expand its operations by an additional section from LKG to Class XII. During the year, the School received Platinum rating from the IGBC.

In another development, the post office at Mahindra World City, Chennai, was upgraded to a delivery post office and exclusively serves the companies and residential communities. It has its own pin code, and has the distinction of being the first all-women delivery post office in the Chennai circle.

On the sustainability front, Mahindra World City, Chennai, has taken initiatives to maximise the use of grey water. During the year, a bio-gas plant was installed to fully utilise food waste and convert the same to CNG for running internal shuttles and tractors. The city continued to build on its community development and engagement initiatives during the year. This included fresh editions of its flagship programmes: the marathon run in aid of 'Nanhi Kali' which had over 1,200 participants, 'Champions Trophy' an inter-company sports tournament with 40 teams, 'Mindquest' – the annual MWC quiz competition with over 70 teams and 'Courtyard Performances', which featured street theatre and other forms of performing arts. These were received well by the participants and residents.

### **Mahindra World City, Jaipur**

Mahindra World City, Jaipur, which is being implemented by Mahindra World City (Jaipur) Limited (MWCJL), is a 74:26 joint venture between Mahindra Lifespaces and Rajasthan State Industrial Development & Investment Corporation Limited (RIICO), a Government of Rajasthan enterprise, respectively. It is proposed to be developed as a multi-product Special

Economic Zone and a Domestic Tariff Area across 3,000 acres, of which 2,949 acres have already been acquired.

During 2015-16, even as the prices remained firm, demand was subdued, especially in the SEZ, the total land leased out during the year was 28.66 acres, which includes companies across diverse industry segments. The company added four new customers, and three existing customers leased additional land. At the end of the year, the Company had 69 customers in its industrial zones – 25 in DTA and 44 in SEZ.

Seven companies started their development activities during the year and are expected to become operational in the near future. Nine new companies became operational in the city during 2015-16, taking the total number of operational companies to 33. These companies have created direct employment for over 8,000 people. Exports by clients during the year stood at ₹ 1,128 crore.

The Company has installed a 210 KW solar power plant in 'Evolve' – the multi-tenanted IT Park which is spread over approximately 25 acres. This plant is generating 20,000 units of power per month since February 2016, which is being utilised by MWC, Jaipur and customers in 'Evolve'. During the year, MWC, Jaipur, reached the prestigious Stage 2 Certification for C40 Climate Positive Development Program, in recognition of plans and commitment to achieve net negative carbon emissions outcome. It is Asia's first and world's largest project to achieve this distinction.

Going forward, the focus will continue to be sale of industrial land in the project. To achieve this, the Company is in the process of expanding its DTA by 500 acres through area re-allocation, for which it has already secured the product-mix approval from the government. Master planning for this phase is currently in progress, after which it will be submitted for final approvals before it is launched. At the same time, it is working on enabling the multi-product SEZ to benefit from emerging opportunities in other industries. Apart from this, the Company has initiated economic land use planning for the residential and social infrastructure area, which will enable development of the same as the project matures.

### **Mahindra Industrial Park, Chennai**

Mahindra Industrial Park Chennai Limited (MIPCL) was established as a subsidiary of MWCDL in 2014-15. In May 2015, MWCDL signed a JV agreement with Sumitomo Corporation, Japan to develop an industrial park in North Chennai on the NH-5 (Chennai – Kolkata highway). This Project will be implemented by Mahindra Industrial Park Chennai Limited (MIPCL), a 60:40 JV between the Company's subsidiary Mahindra World City Developers Limited (MWCDL) and Sumitomo Corporation, Japan, respectively. A state support agreement was signed with the Government of Tamil Nadu in September, 2015 at the Global Investors Meet (GIM) to provide facilitation support to the project.

The location of the project is in close proximity to Ponneri, one of the cities in Tamil Nadu shortlisted for smart cities. It

is situated in the influence zone of the Chennai – Bangalore Industrial Corridor (CBIC) and Chennai – Vizag Industrial Corridor (CVIC). The first phase of the project comprises of approximately 300 acres. MIPCL is currently in the process of planning and securing necessary approvals, which will be followed by infrastructure development and related works.

### **CUSTOMER RELATIONS (CR)**

The Customer Relations (CR) function at Mahindra Lifespaces endeavours to service the customers through their entire lifecycle – right from the time of booking to the handover of the property. During 2015-16, focus was on implementing processes aimed at achieving differentiation in terms of the Company's core philosophy of customer centricity. Some of these were:

- Stringent service interaction standards with clear audit parameters to measure performance in terms of both turnaround time as well as quality;
- Robust on-boarding templates for training new hires and providing them with knowledge base and support;
- Continuous training to upgrade technical knowledge and enhance service levels;

In our last year's report, we had reported on the plans to improve the handover experience. This is especially important as the Company gears-up for a substantial increase in the number of handovers. Several such initiatives were implemented during the year:

- Defined standards in important areas of pre-handover preparedness such as documentation, minimum readiness, personnel and resource budgeting;
- Improved communication to customers on handover timelines, processes and livability;
- Detailed 'Resident Assist Manual' for customers to enable a smoother transition and enhanced post-handover experience.

Going forward, the focus will be on further streamlining CR processes, increase capabilities and at the same time use best in class technology solutions to upgrade the customer's experience. Towards this end, the Company is in advanced stages of implementing an IT solution which enables a single view of the customer, right from the prospecting stage to post-handover. This is expected to be operational in 2016-17.

### **INTEGRATED MANAGEMENT SYSTEM (IMS)**

Mahindra Lifespaces has embraced an Integrated Management System covering three International Standards – ISO 9001:2008 (Quality Management System), ISO 14001:2004 (Environmental Management System) and OHSAS 18001:2007 (Occupational Health and Safety Management System) for both its business segments.

The main thrust of this approach is to build and institutionalise project execution capabilities through scalable systems and processes that aid in timely delivery, quality of product and

safety during construction, with the ultimate goal of adding value to our customers.

### **QUALITY**

Mahindra Lifespaces has adopted the principles of Total Quality Management (TQM) under the banner of 'The Mahindra Way' (TMW) – the Mahindra Group's integrated approach to promote excellence in all spheres of its operations. During 2015-16, the Integrated Cities business moved one step ahead from Level 3 to Level 4, whereas the Residential business maintained its position at Level 4.

The Company's strong quality management system, has been instrumental in improving the quality of its products and processes, and at the same time enhancing the productivity of its operations to make them more competitive. In 2015-16, the focus was on delivering a 'Zero-Snag Product' to customers. Key initiatives included:

- Standardisation of designs, construction technologies, waterproofing methodologies and other critical items in bill of quantities and tender documents;
- Introduction of mock-up for each construction activity to ensure they are performed right the first time, improving the quality as well as the speed of construction;
- Weekly on-site quality reviews by the project and contractors' teams, followed by quality circle meetings for quicker resolution of challenges;
- Implementation of a multi-check handing over process for units across all projects.

To institutionalise a culture of quality and continuous improvement throughout the organisation, the Company has identified business excellence champions, who encourage and guide all employees to undertake improvement projects in their respective areas. The best projects are recognised and awarded.

During the year, the Company tied up with certified training agencies to carry out skill upgradation programs for workers of its contractors with primary focus on improving the quality of product finish. This contractor is scheduled to commence in 2016-17.

### **SAFETY**

Since 2009, the Company has an established 'Safety Policy' which underscores its commitment to take measures to prevent accidental injuries and occupational ill health of all employees and associates working at its offices and project sites. During the year, the Company implemented several initiatives to sensitise workers on safety and achieve its ultimate goal of "zero tolerance to accidents".

The Company had launched "Safe Methods and Risk Reduction Techniques" (SMARRT) in the previous year, which implements international best practices and aims to eliminate unsafe acts and conditions by proactive and immediate reporting of such incidents. Significant progress was made on this front during 2015-16. Training programs were organised

on risk mitigation, roles and responsibility, technical, legal and statutory requirements. SMARRT has evolved to a level where it is crafting great trainers and risk managers at the operatives' level.

In recognition of its efforts, Mahindra Lifespaces received the 'CIDC Vishwakarma Award' for 'Health, Safety & Environment' by Construction Industry Development Council (CIDC) established by Planning Commission, Government of India, and the Construction Industry. The Company also received 'Shreshtha Suraksha Puraskar' (runner-up) for 'Best Safety Practices in the Construction Industries Group' by National Safety Council – Maharashtra Chapter & Directorate Industrial Safety and Health, Government of Maharashtra.

The Company is planning to use a user friendly software for Environment, Health & Safety, which will incorporate all permits and check lists related to safety processes, providing real-time information on their implementation and reducing paperwork by as much as 95 per cent. This software is expected to be rolled-out in 2016-17.

### **SUSTAINABLE DEVELOPMENT**

Mahindra Lifespaces has been at the forefront of the real estate industry in India to achieve the mission of 'Transforming urban landscapes by creating sustainable communities'. The Company has done this by putting sustainability as a core agenda for the Company.

The Company was awarded the "Investor Relations Society Awards 2015" for the Best Environment, Social & Governance (ESG) Disclosures in Small Cap category.

The details of the Company's approach towards sustainability are covered in the Sustainability Report at Pages 169 to 180 of this Annual Report.

### **CORPORATE SOCIAL RESPONSIBILITY (CSR)**

Mahindra Lifespaces' guiding principle for CSR is to build its relationship with stakeholders and the community at large, and contribute to their long term social good and welfare. The Company, in every financial year commencing from 1<sup>st</sup> April, 2014, in line with the new Companies Act, 2013, pledges to spend, two per cent of the average net profits made during the three immediately preceding financial years specifically towards CSR initiatives.

The Company has formulated a CSR Policy which lays out the vision, objectives and implementation mechanisms. The Board of Directors of the Company has constituted a Committee of Directors on CSR. The Company's CSR activities have traditionally focussed on education, skill development, health, environment and promoting sustainable practices.

Of the total budget of ₹ 377.26 lakh for FY 2015-16, the Company had earmarked an amount of ₹ 132.73 lakh towards contribution as corpus by the Company to support the establishment of a Centre of Excellence (CoE) for Sustainable Habitats by TERI with the objective of improving energy efficiency in India's residential buildings sector. The discussion

and requisite documentation with TERI, although was at an advanced stage, could not be completed by 31<sup>st</sup> March, 2016. As a result, the amount of ₹ 132.73 lakh which was earmarked for aforesaid contribution remained unspent as on 31<sup>st</sup> March, 2016. The Board has approved that any unspent amount, out of the minimum required CSR expenditure of the FY 2015-16 be carried forward to the next year provided that the carried forward amount shall be over and above the next year's CSR allocation equivalent to atleast 2% of the average net profit of the Company of the immediately preceding three years.

Details of the Company's approach towards CSR are covered in the Sustainability Report at Pages 169 to 180 of this Annual Report.

### **HUMAN RESOURCES**

Mahindra Lifespaces recognises that its people are the key to the success of the organisation and in meeting its aspirations. During the year, the Company continued its efforts to strengthen its HR policies and processes to attract and retain the best talent in the industry.

In pursuit of attracting the best talent available both from within and outside the sector, the Company has undertaken various initiatives linked to higher visibility in social media, referral schemes, internal job posting and partnering in excellence programmes where consultants fine tune their approach in talent identification. To achieve this, the Company built relationships with specialised institutions in the construction industry such as National Institute of Construction Management and Research and RICS School of Built Environment for entry level positions in project management and sales.

Catering to the learning and development needs of its employees continues to be a key focus area for the Company. It regularly carries out structured training initiatives in the key functional areas such as sales and marketing, customer service and project management to meet the requirements of its employees. During the year, the Company carried out specialised programme on project management in collaboration with RICS.

As a part of its flagship programme 'My Customer, My Valentine', which aims to make the organisation more customer centric, several initiatives were carried out to engage employees and reward customer centric behaviour. The Company carries out two employee engagement surveys every year namely MCARES for internal benchmarking within the Group and the Great Place to Work survey for external benchmarking. Both surveys showed a significant improvement in employee engagement levels during the year. In particular, the 'Great Place to Work' survey rated Mahindra Lifespaces among the 'Top 5 in the Industry'.

Mahindra Lifespaces endeavours to keep its workplaces safe, transparent and friendly for people to work in. It has a 'Diversity Council' with the objective of creating an inclusive environment to leverage the unique talents of diverse individuals in the workplace. Its gender diversity as of 31<sup>st</sup> March, 2016 was 20 per cent. It also has a policy which is aligned to the Act

on Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

As of 31<sup>st</sup> March, 2016, the Company had 350 employees and its subsidiary companies had 67 employees on its roll. Employee relations remained cordial during the year.

### INFORMATION TECHNOLOGY (IT)

Mahindra Lifespaces sees IT not just as a tool for increasing efficiency, but also as an important source of competitive advantage. The Company has consistently invested significant resources in developing a strong IT and communication infrastructure which encompasses all key business and administrative functions as well as project sites.

The Company's IT infrastructure includes a SAP ERP for its core and peripheral business functions, primary and disaster recovery data centres, best-in-class communication and productivity tools, and access to specialised industry-specific software.

During 2015-16, the Company implemented several initiatives leveraging its IT infrastructure to improve efficiencies and optimise costs:

- SAP document management system which includes digitisation of physical documents and automatic storage of system generated documents;
- Enabling e-commerce transactions by online blocking of inventory; online payment facility for customers through internet banking, credit and debit cards;
- Strengthening the HR module: online test for talent acquisition, automation of LTA and medical claims, and learning management solution;
- Supplier relationship management portal covering registration, online tendering and contract award and payments;
- Risk management system.

The Company is at advanced stages of implementing two major systems in the areas of Customer Relations, and Environment, Health and Safety. These have already been discussed in the respective sections of the report.

Mahindra Lifespaces registered a creditable financial performance during 2015-16, despite a subdued performance of its integrated cities and industrial clusters segment. Moreover, the financial performance of the Company over the previous year needs to be looked in the context of the land sale transaction, in respect of a delayed project in Mumbai, which contributed ₹ 268 crore to the total income and ₹ 245 crore to the profit before taxes (PBT) during 2014-15. Key metrics of financial performance ignoring this transaction in 2014-15 is presented in Table 3.

**Table 3: Comparative Performance Ignoring Land Sale Transaction in 2014-15**

(₹ in crore)

	Standalone		Consolidated	
	2015-16	2014-15	2015-16	2014-15
Total Income	600.15	491.91	877.43	879.42
Total Expenditure	458.41	399.40	729.98	703.61
PBT	141.74	92.51	147.45	175.82

Consolidated Income of the Company was ₹ 877 crore in 2015-16 as compared to ₹ 1,148 crore in 2014-15. Excluding the impact of the land sale transaction, consolidated total income for the year remained practically unchanged whereas the total income of the standalone entity registered an increase of 22 per cent, from ₹ 492 crore in 2014-15 to ₹ 600 crore 2015-16.

Most of the increase in expenditure was due to higher project and operating expenses on account of greater project activity during the year. Employee and finance related costs remained stable during the year.

Profit before taxes (PBT) of the consolidated entity stood at Regular 147 crore in 2015-16 as compared to ₹ 421 crore in 2014-15. Excluding the impact of the land sale transaction, the consolidated PBT for the previous year was ₹ 176 crore. The PBT for the standalone entity (Table 3) increased by 53 per cent from ₹ 92.7 crore in 2014-15 to ₹ 142 crore in 2015-16.

Net profit (PAT) of the standalone entity was ₹ 104.5 crore in 2015-16. After accounting for minority interest, the consolidated PAT of the Company was ₹ 93 crore during the year. As a result, diluted EPS during the year was ₹ 25.38 and ₹ 22.61 for the standalone and consolidated entities respectively.

As of 31<sup>st</sup> March, 2016, Mahindra Lifespaces has standalone debt equity ratio of 0.49:1 and consolidated debt equity ratio of 1.15:1. The liquidity situation of the Company during the year remained comfortable and surplus funds generated during the year have been invested in credit worthy instruments, including money market instruments, mutual funds and deposits with banks.

### **THREATS, RISKS AND CONCERNS**

Mahindra Lifespaces has appropriate risk management systems in place for identification and assessment of risks, measures to mitigate them, and mechanisms for their proper and timely monitoring and reporting. Mahindra Lifespaces has constituted a "Risk Management Committee" consisting of two Directors and the Chief Financial Officer, for monitoring and reviewing of the risk assessment, mitigation and risk management plan from time to time. The Board periodically reviews implementation and monitoring of the risk management plan for the Company.

### **ECONOMIC RISKS**

Even as the RBI has reduced the policy rates, this has not resulted in desired reduction in interest rates for home loans. This can have a direct impact on the performance of the real estate sector and the Company. Secondly, even as there are signs of revival in the advanced economies, it is yet to translate into investment outlays in Indian businesses, especially those in export oriented industries.

Mahindra Lifespaces is conscious of these risks and is taking measures to mitigate them. For instance, the Company's focus on both residential and integrated developments has been a significant source of comfort during periods of subdued economic performance. Besides, the Company's prudent financial management has also kept it relatively insulated from the economic downturn and the Company is well placed to raise capital at competitive rates.

### **OPERATIONAL RISKS**

Key operational risks faced by the Company include longer gestation period for procurement of land, time taken for approvals, inability to sell the project as per plan, inability

to complete and deliver projects according to the schedule leading to additional cost of construction and maintenance, erosion of brand value, appointment and retention of quality contractors, inability to attract and retain talent, poor customer satisfaction, fraud and unethical practices, failure to comply with laws and regulations leading to fines, penalties and lengthy litigations.

The Company addresses these issues within a well-structured framework which identifies desired controls and assigns ownership to monitor and mitigate risks. The Company has also invested significant resources in an Enterprise Resource Planning (ERP) solution and transparent customer friendly processes, which are expected to go a long way to address some of these risks. The Company also has a Code of Conduct for all its Employees. The Company's Corporate Governance policies ensure transparency in operations, timely disclosures and adherence to regulatory compliances, leading to enhanced stakeholder value.

### **POLICY AND REGULATORY RISKS**

The real estate industry is easily affected by changes in government policies and regulations. There are considerable procedural delays with respect to approvals related to acquisition and use of land. This problem is accentuated as this is an industry which has traditionally been quite unorganised.

The Company, with its approach towards acquisition of land based on thorough due diligence and its transparent processes in developing the projects, has effectively mitigated these risks. For instance, the Company is already in compliance with provisions of the Real Estate (Regulation & Development) Act, 2016 related to prior approvals before the launch of its projects. Besides, its focus on environment friendly and sustainable practices also help in mitigating risks associated with environmental regulations.

### **INTERNAL CONTROLS**

The Company has adequate internal control systems, commensurate with the size and nature of its business. The system is supported by documented policies, guidelines and procedures to monitor business and operational performance including an ERP solution, all of which are aimed at ensuring business integrity and promoting operational efficiency.

An independent internal audit firm appointed by the Company conducts periodical audits to ensure adequacy of internal control systems, adherence to management policies and compliance with the applicable laws and regulations. Their scope of work also includes internal controls on accounting, efficiency and economy of operations. The internal auditors also report on the implementation of their recommendations.

Reports of the internal auditors are regularly reviewed at the Audit Committee meetings. The Audit Committee of the Board reviews the adequacy and effectiveness of the internal control systems and suggests improvements for strengthening them.

## **OUTLOOK**

Global economic environment continued to be subdued in 2015-16. While a modest recovery continued in advanced economies, growth in emerging markets and developing economies—which together account for 70 per cent of global growth — has been declining for the last few years. Growth has also decelerated in China, which is gradually rebalancing its economic activity away from investment and manufacturing towards consumption and services.

India is the only large economy that has maintained a steady growth rate. In addition, the fiscal situation has been stable and there has been a broad-based decline in inflation, allowing the RBI to maintain an accommodative monetary policy stance. But, the investment-growth cycle is yet to kick-in, given the weak global outlook and low capacity utilisation levels across industries. Persisting corporate sector stress and risk aversion in the Indian banking system has meant that the rate cuts by the RBI have not translated into the much needed reduction in interest rates for both businesses and consumers, which can spur both demand and confidence.

Given the capital intensive nature of the business, the real estate industry in India has also been affected by this situation. Mahindra Lifespaces believes that it is well positioned to benefit from the opportunities that will emerge as the economic situation improves further. So, the outlook for 2016-17 is cautiously optimistic.

## **CAUTIONARY STATEMENT**

Certain statements in the Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectations or predictions may be forward-looking statements within the meaning of applicable securities laws and regulations. Actual results could differ from those expressed or implied. Important factors that could make a difference to the Company's operations include labour and material availability, and prices, cyclical demand and pricing in the Company's principal markets, changes in government regulations, tax regimes, economic development within India and other incidental factors.

**ANNEXURE-A**

## 7. REMUNERATION PAID TO DIRECTORS

### Remuneration Policy

The objective of the Remuneration Policy of the Company for Directors and Senior Management is to focus on enhancing the value of the Company by attracting and retaining Directors for achieving objectives of the Company and to place the Company in leading position. The Policy is guided by a reward framework and set of principles and objectives as more fully and particularly envisaged under Section 178 of the Act and principles pertaining to qualifications, positive attributes, integrity and independence of Directors, etc.

While reviewing the Company's remuneration policies and deciding on the remuneration for Directors, the Board and the Nomination and Remuneration Committee (NRC) considers the performance of the Company, the current trends in the industry, the qualifications of the appointee(s), their experience, past performance, responsibilities shouldered by them, the Statutory provisions and other relevant factors.

The Non-Executive Chairman and Independent Directors are paid sitting fees and reimbursement of expenses incurred in attending the Board, Committee meetings and meeting of Independent Directors. The Directors have voluntarily waived sitting fees for attending Corporate Social Responsibility Committee meetings. The Board determines the remuneration, if any, of Non-Executive Directors, subject to requisite approvals, if any.

At the 16<sup>th</sup> Annual General Meeting of the Company held on 31<sup>st</sup> July, 2015, the shareholders had approved payment of commission in a manner that commission may be distributed without any sub-limits amongst and paid to such Directors in such proportions as the Directors may decide from time to time from 1<sup>st</sup> April, 2015 onwards. Accordingly, the Board at its meeting held on 26<sup>th</sup> April, 2016 has approved payment of commission for the year ended on 31<sup>st</sup> March, 2016.

### Performance Evaluation

Pursuant to the provisions of the Act and Part D of Schedule II of SEBI LODR, evaluation of every Director's performance was done by Nomination and Remuneration Committee. The performance evaluation of Non-Independent Directors and the Board as a whole, Committees thereof and Chairman of the Company was carried out by the Independent Directors. Evaluation of

Independent Directors was carried out by the entire Board of Directors, excluding the Director being evaluated. Structured questionnaires, covering various aspects of the evaluation such as adequacy of the size and composition of the Board and Committee thereof with regard to skill, experience, independence, diversity, attendance and adequacy of time given by the Directors to discharge their duties, Corporate Governance practices, etc. were circulated to the Directors for the evaluation process. The Directors expressed their satisfaction with the evaluation process.

### Criteria for making payments to Non-Executive Directors

The Non-Executive Directors shall be entitled to receive remuneration by way of sitting fees, reimbursement of expenses for participation in the Board/Committee meetings and commission as detailed hereunder:

- i. A Non-Executive Director shall be entitled to receive sitting fees for each meeting of the Board, Committee of the Board (except CSR Committee) and meeting of Independent Directors attended by him of such sum as may be approved by the Board of Directors within the overall limits prescribed under the Act and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014;

Mahindra Lifespace Developers Limited - Unclaimed Suspense Account

The unclaimed/undelivered shares lying in the possession of the Company are required to be dematerialized and transferred into a "Unclaimed Suspense Account" held by the Company. The Company had sent three reminder letters to such shareholders whose share certificates are returned undelivered and hence remained unclaimed, by requesting them to update correct details viz. postal addresses, PAN details, etc. registered with the Company in order to avoid transfer of such unclaimed shares to the "Unclaimed Suspense Account." The Company has in March, 2014 transferred 49,854 such unclaimed shares to the "Mahindra Lifespace Developers Limited - Unclaimed Suspense Account". These shares are being credited to the aforesaid Suspense Account. Any corporate benefits in terms of securities accruing on such shares viz. bonus shares, split, etc., shall also be credited to such Demat Suspense Account. The Suspense Account shall be held by the Company on behalf of the allottees who are entitled for the shares and the shares held in such Suspense Account shall not be transferred in any manner whatsoever except for the purpose of allotting/delivering the shares as and when the shareholders approach the Company. The voting rights on such shares shall remain frozen till the rightful owner claims the shares. As and when the allottee

approaches the Company, the Company shall credit the shares lying in the Suspense Account to the demat account of the allottee to the extent of the allottee's entitlement, after proper verification of the identity of the allottee.

No penalties/strictures were imposed on the Company by Stock Exchanges or SEBI or any Statutory Authority on any matter related to capital market since the listing of the Company's equity shares. The Company has also complied with the requirements of Corporate Governance Report of sub Paras (2) to (10) mentioned in Para C of Schedule V of SEBI LODR and disclosed necessary information as specified in Regulations 17 to 27 and clauses (b) to (i) of Regulation 46(2) of SEBI LODR at the respective places in this report.

#### **Code for Prevention of Insider Trading Practices**

In compliance with the Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015, the Company has, on 30<sup>th</sup> April, 2014 approved the "Code for Prohibition of Insider Trading and to regulate, monitor and report trading by Insiders and designated persons" and "Code for Practices and Procedures for Fair Disclosure of Unpublished Price Sensitive Information (UPSI)" ("these Codes") which are effective from 15<sup>th</sup> May, 2015. The Code for Prohibition of Insider Trading and to regulate, monitor and report trading by Insiders and designated persons was further modified to align with the amendments/clarifications to the Regulations. These Codes supersede the Code of Conduct for Prevention of Insider Trading in shares of Mahindra Lifespace Developers Limited formulated under the Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992.

These Codes lay down guidelines, which advise them on procedures to be followed and disclosures to be made while dealing with shares of the Company and caution them of the consequences of violations. These Codes have been formulated to regulate, monitor and ensure reporting of trading by the Employees and Connected Persons designated on the basis of their functional roles in the Company towards achieving compliance with the Regulations and is designed to maintain the highest ethical standards of trading in Securities of the Company by persons to whom it is applicable.

#### **Risk Assessment and Minimization**

The Company has appropriate risk management systems in place for identification and assessment of risks, measures to mitigate them, and mechanisms for their proper and timely monitoring and reporting. Presently, in terms of Regulation 21 of the SEBI LODR, the requirement of Risk Management Committee is not applicable to your Company. However, the Board has constituted Risk Management Committee comprising of two Directors and the Chief Financial Officer, for monitoring and reviewing of the risk assessment, mitigation and risk management

plan from time to time. The Board periodically reviews implementation and monitoring of the risk management plan for the Company.

#### **Foreign Exchange**

In compliance with the Reserve Bank of India guidelines, the Company proactively manages foreign exchange risk to protect value of exposures, if any, with an objective to manage financial statement volatility. Currently, the Company is only an importer and has in place appropriate risk hedging strategy. Foreign exchange exposures are periodically reviewed and if necessary, hedged while avoiding trading and speculative positions. The Board periodically review foreign exchange exposure, if any and hedges undertaken by the Company.

#### **Material Non-Listed Subsidiary Company**

The Company has formulated a "Policy for determining Material Subsidiaries" and such policy is uploaded on the Company's website and a web link for the same is: <http://www.mahindralifespaces.com/investors/disclosures-sebi>.

As of 31<sup>st</sup> March, 2016, none of the subsidiary company was a 'material non-listed subsidiary company' under Regulation 16(c) of SEBI LODR. However, based on the criteria specified in the 'Policy for determining material subsidiaries', Mahindra World City Developers Limited is a material non-listed subsidiary company effective 1<sup>st</sup> April, 2016.

The Audit Committee of the Company periodically reviews the financial statements of subsidiary companies and in particular, the investments made by the unlisted subsidiary company. The management periodically brings to the attention of the Board of Directors of the Company, a statement of all significant transactions and arrangements, if any, entered into by the unlisted subsidiary company.

#### **Means of Communication**

The quarterly, half-yearly and yearly results are published in daily English and daily Marathi newspapers within prescribed timelines. The Company also informs stock exchanges in a prompt manner, about all price sensitive information or such other matters which in its opinion, are material and relevant to the shareholders and subsequently issues a press release on the said matters. Further, the Company has also been complying with the listing requirement for filing of its financial results with BSE and NSE. ## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MAHINDRA LIFESPACE DEVELOPERS LIMITED

### Report on the Financial Statements

1. We have audited the accompanying standalone financial statements of **MAHINDRA LIFESPACE DEVELOPERS LIMITED** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

3. Our responsibility is to express an opinion on these standalone financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal

financial control relevant to the Company's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### Opinion

## **ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT of Even Date on the Standalone Financial Statements of Mahindra Lifespace Developers Limited**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Mahindra Lifespace Developers Limited (“the Company”) as of 31<sup>st</sup> March, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence I/we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Mumbai, 26<sup>th</sup> April, 2016

**Notes to the Financial Statements as at and for the year ended 31<sup>st</sup> March, 2016****1) SIGNIFICANT ACCOUNTING POLICIES:****a) Basis of Preparation:**

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards applicable under Section 133 of the Companies Act, 2013, read with Paragraph 7 of the Companies (Accounts) Rules, 2014 (as amended) and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") as applicable. The financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

**b) Presentation and Disclosure of Financial Statements:**

Assets & liabilities have been classified as current & non – current as per the Company's normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of activity carried out by the company and the period between the procurement and realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 5 years for the purpose of Current – Non Current classification of assets & liabilities.

**c) Use of Estimates:**

The preparation of financial statements in conformity with generally accepted accounting principles requires the management to make estimates and assumptions that affect the reported balances of assets and liabilities as of the date of the financial statements and reported amounts of income and expenses during the period. Management believes that the estimates used in the preparation of financial statements are prudent and reasonable. Actual results could differ from those estimates.

**d) Fixed Assets:**

Fixed assets are stated at cost of acquisition or construction less accumulated depreciation. Cost includes all incidental expenses related to acquisition and installation, other pre operation expenses and interest in case where the asset takes a substantial period of time to be ready for its intended use.

The carrying amount of cash generating units/assets is reviewed at the balance sheet date to determine whether there is any indication of impairment. If such indication exists, the recoverable amount is estimated as the net selling price or value in use, whichever is higher. Impairment loss, if any, is recognized whenever carrying amount exceeds the recoverable amount.

Depreciation on tangible fixed assets has been provided on pro-rata basis, on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except for certain assets as indicated below: Lease hold improvements are amortised over the period of lease/estimated period of lease.

Plant & Machinery includes Plant and Machinery used in civil construction – Others and amortised over a period of 5 years.

Vehicles used by employees are depreciated over the period of 48 months considering this period as the useful life of the vehicle for the Company.

Sales office and the sample flat/show unit cost at site is amortised over 5 years or the duration of the project (as estimated by management) whichever is lower.

**e) Intangible Assets:**

All Intangible Assets are initially measured at cost and amortised so as to reflect the pattern in which the assets' economic benefits are consumed.

Software expenses are treated as an intangible asset and amortised over the useful life of the asset. The maximum period for such amortization is 36 months.

**f) Investments:**

Investments are classified into Non-Current and Current Investments.

Non-current investments are carried at cost less diminution other than temporary. Provision for diminution, if any, in the value of each long-term investment is made to recognize a decline, other than of a temporary nature.

Current Investments are carried individually at lower of cost and fair value and the resultant decline, if any, is charged to revenue.

**g) Inventories:**

Inventories are stated at lower of cost and net realisable value. The cost of construction material is determined on the basis of weighted average method. Construction Work-in-Progress includes cost of land, premium for development rights, construction costs and allocated interest & manpower costs and expenses incidental to the projects undertaken by the Company.

**h) Revenue Recognition:**Income from Projects

Income from real estate sales is recognised on the transfer of all significant risks and rewards of ownership to the buyers and it is not unreasonable to expect ultimate collection and no significant uncertainty exists regarding the amount of consideration. However if, at the time of transfer substantial acts are yet to be performed under the contract, revenue is recognised on proportionate basis as the acts are performed, i.e. on the percentage of completion basis. Up to 31<sup>st</sup> March, 2012, revenue from real estate projects is recognized only when actual project cost incurred is atleast 25% of the total estimated project costs including land and when atleast 10% of the sales consideration is received.

In accordance with the Guidance Note on Accounting for Real Estate Transactions (Revised 2012) issued by the Institute of Chartered Accountants of India, in case of projects commencing on or after 1<sup>st</sup> April 2012 or in case of projects which have already commenced but where revenue is being recognised for the first time on or after 1<sup>st</sup> April 2012, revenues will be recognized from these real estate projects only when:

- i. the actual construction and development cost incurred is at least 25% of the total construction and development cost (without considering land cost) and
- ii. when at least 10% of the sales consideration is realised and
- iii. where 25% of the total saleable area of the project is secured by contracts of agreement with buyers.

Income from long term contracting assignments is also recognised on the percentage of completion basis. As the long term contracts necessarily extend beyond one year, revision in costs and revenues estimated during the course of the contract are reflected in the accounting period in which the facts requiring the revision become known. Any expected loss on a project is recognised in the year in which costs incurred together with the balance costs to completion are likely to be in excess of the estimated revenues from project. Unbilled costs are carried as construction work-in-progress.

Determination of revenues under the percentage of completion method necessarily involves making estimates by the Company, some of which are of a technical nature, concerning, where relevant, the percentages of completion, costs to completion, the expected revenues from the project/activity and the foreseeable losses to completion.

Income from sale of land and other rights

Revenue from sale of land and other rights are considered upon transfer of all significant risks and rewards of ownership of such real estate/property as per the terms of the contract entered into with the buyers, which generally with the firmity of the sale contracts/agreements.

Income from Project Management

Project Management Fees receivable on fixed period contracts is accounted over the tenure of the contract/agreement. Where the fee is linked to the input costs, revenue is recognised as a proportion of the work completed based on progress claims submitted. Where the management fee is linked to the revenue generation from the project, revenue is recognised on the percentage of completion basis.

Income from operation of commercial complexes is recognised over the tenure of the lease/service agreement.

Interest and dividend income

Interest income is accounted on an accrual basis at contracted rates except where there is uncertainty of ultimate collection. Dividend income is recognised when the right to receive the same is established.

**i) Employee benefits:**

(i) Defined contribution Plans

Company's contributions paid/payable during the year to Provident Fund and Superannuation Fund are recognised in the Statement of Profit and Loss.

(ii) Defined Benefit Plan

Company's liabilities towards gratuity and leave encashment are determined on actuarial basis using the projected unit credit method, which consider each period of service as giving rise to an additional unit of benefit and measures each unit separately to build up the final obligation. Past services are recognised on straight-line basis over the average period until the amended benefits become vested. Actuarial gain and losses are recognised immediately in the Statement of Profit and Loss Account as income or expense. Obligation is measured at the present value of estimated future cash flow using a discount rate that is determined by reference to market yields at the Balance Sheet date on government bonds where the currency and terms of the government bonds are consistent with the currency and estimated terms of the defined benefit obligation.

(iii) In view of the past trends of leave availed, the amount of employee benefit in the form of compensated absences, being in the nature of short term benefit, is accounted for on accrual basis at an undiscounted value.

**j) Borrowing Costs:**

Borrowing costs that are directly attributable to long-term project management and development activities are capitalised as part of project cost. Other borrowing costs are recognised as expense in the period in which they are incurred.

Borrowing costs are capitalised as part of project cost when the activities that are necessary to prepare the asset for its intended use or sale are in progress. Borrowing costs are suspended from capitalisation on the project when development work on the project is interrupted for extended periods.

**k) Provision for taxation:**

Tax expense comprises both current and deferred tax.

Current tax is measured at the amount expected to be paid to the tax authorities, using the applicable tax rates and tax laws.

Deferred tax assets and liabilities are recognised for future tax consequences attributable to the timing differences between taxable income and accounting income that are capable of reversal in one or more subsequent periods and are measured using tax rates enacted or substantively enacted as at the Balance Sheet date. Deferred Tax assets are not recognised unless, in the management judgment, there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized except in case of deferred tax asset arising from unabsorbed depreciation, brought forward tax losses and items relating to capital losses wherein deferred tax asset is only recognized when there is virtual certainty. The carrying amount of deferred tax is reviewed at each balance sheet date.

**l) Segment Information:**

The Company operates in two main segments; namely "Projects, Project Management and Development activities" and "Operating of commercial complexes". The segments have been identified and reported taking into account the differing risks and returns and the internal business reporting systems. Revenues and expenses have been identified to the segments based on their relationship to the business activity of the segment. Income/expenses relating to the enterprise as a whole and not allocable on a reasonable basis to business segments are reflected as unallocated corporate income/expenses.

**m) Provisions and Contingent Liabilities:**

Provisions are recognized in the financial statements in respect of a present obligation arising from a past event, the amount of which can be reliably estimated.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

**n) Employee stock compensation costs:**

Measurement and disclosure of the employee share-based payment plans is done in accordance with SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and the Guidance Note on Accounting for Employee Share-based Payments, issued by ICAI. The company measures compensation cost relating to employee stock options using the intrinsic value method. Compensation expense is amortized over the vesting period of the option on a straight line basis.

Less : Provision for diminution in value of investments				

- a) The Company's investment in the equity shares of New Tirpur Area Development Corporation Limited ("NTADCL") aggregates ₹ 1,550.63 lakh comprising ₹ 50.63 lakh invested directly by the Company and ₹ 1,500 lakh by its wholly owned subsidiary Mahindra Infrastructure Developers Limited ("MIDL"). Other than the investment in NTADCL, MIDL has no other operations. The net worth of NTADCL and MIDL is substantially eroded.

NTADCL was exploring the option of supplying industrial water to a textile park proposed to be set up by the state government of Karnataka which would have contributed substantially to its revenues. Consequent, to the finalization of the financial statements for the year ended 31st March, 2014 it was expected that there were likely to be delays in setting up the same and the probability of the whole project being set up was significantly lower as compared to the previous year. As a result, MIDL during the previous year has made a provision for diminution of its investment in NTADCL of ₹ 1,500 lakh. The Company has also made a provision for diminution of its investment in MIDL of ₹ 1,800 lakh and ₹ 50.63 lakh of its investment in NTADCL in previous year ending 31st March, 2015.

\* Construction Work in Progress represents materials at site and unbilled costs on the projects. Based on projections and estimates by the Company of the expected revenues and costs to completion, provision for losses to completion and/or write off of costs carried to inventory are made on projects where the expected revenues are lower than the estimated costs to completion. In the opinion of the management, the net realisable value of the construction work in progress will not be lower than the costs so included therein.

# The Company had during the previous year entered into mutually agreed consent terms with a land-owner in respect of the project, commencement of which had been delayed and in accordance with the consent terms, the Company during the previous year completed the sale of land in relation thereto. Accordingly, the provision for losses to project completion for ₹ 1,023.00 lakh in respect was no longer required and reversed during the previous year. Further, revenue from operations for the previous year ended 31st March, 2015 includes ₹ 25,263 lakh on sale thereof, net of the advances given and interest thereon. Operating expenses included in the previous year ₹ 2,263 lakh of costs incurred in relation thereto. Other income included in the previous year ₹ 1,550 lakh pertaining to write back of the provision for the interest on the aforesaid advance no longer required.

Consequent to the above, construction work-in-progress of ₹ 765.87 lakh and short term loans and advances and interest accrued on project advances included in other current assets of ₹ 4,205.26 lakh and ₹ 2,174.98 lakh, respectively, at 31<sup>st</sup> March, 2014 have been realized during the previous year.

# During the previous year Other Loans and advances included project advances of ₹ 10,000 lakh pending for over 3 years relating to a project whose commencement had been delayed due to non-performance with respect to the agreed condition precedents by Vendors. The Company had taken legal action against the vendors to protect the interest of the Company where in the H'ble High Court at Mumbai had given order restraining the vendors from creating any third party rights in respect of the suit property or part with possession thereof.

During the current year, the company has received an award in terms of the consent terms filed by the Company and the Vendors before the H'ble Arbitral Tribunal and the Company has acquired the property. The Company shall be undertaking the redevelopment of the property on completion of all obligation by the Vendors.

Consequently the amount of ₹ 10,000 lakh now stands transferred to Construction Work in Progress in the current year.

## ANNEXURE-4

### REMUNERATION POLICY FOR KMPS AND EMPLOYEES

This Policy shall be effective from the financial year 2014 - 15.

#### Objective

To establish guidelines for remunerating employees fairly and in keeping with Statutes.

#### Standards

- All employees, irrespective of contract, are to be remunerated fairly and the remuneration is to be externally competitive and internally equitable. The remuneration will be paid in accordance with the laid down Statutes.
- Remuneration for on-roll employees will include a fixed or guaranteed component payable monthly; and a variable component which is based on performance and paid annually in the month of July following the fiscal.
- The fixed component of remuneration will have a flexible component with a bouquet of allowances to enable an employee to choose the allowances as well as the quantum based on laid down limits as per Company policy. The flexible component can be varied only once annually in the month of July i.e. after the salary increment exercise.
- The variable component of the remuneration will vary from 10% to 25% of the Cost-to-Company (CTC) and will be a function of the employee's grade.
- The actual pay-out of variable component of the remuneration will be a function of individual performance as well as business performance. Business performance is evaluated using a Balanced Score Card (BSC) while

individual performance is evaluated on Key Result Areas (KRA). Both the BSC and KRAs are evaluated at the end of the fiscal to arrive at the BSC rating of the business and PPS rating of the individual.

- An annual compensation survey is carried out to ensure that the Company's compensation is externally competitive and is around 60<sup>th</sup> percentile. Based on the findings of the survey and the business performance, the Sector Talent Council decides:
  - o The increment that needs to be paid for different performance ratings as well as grades.
  - o The increment for promotions and the total maximum increment.
  - o The maximum increase in compensation cost in % and absolute.
- Compensation corrections are made in a few cases where it is outside the band or to keep it tune with the market.
- There are no mid-term compensation increments.

## INDEPENDENT AUDITORS' REPORT

### TO THE MEMBERS OF MAHINDRA WORLD CITY (JAIPUR) LIMITED

#### Report on the Financial Statements

We have audited the accompanying financial statements of **MAHINDRA WORLD CITY (JAIPUR) LIMITED** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

#### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act, as applicable.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under Section 143(11) of the Act.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due

to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances.

An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and its profit and its cash flows for the year ended on that date.

#### Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards prescribed under Section 133 of the Act, as applicable.
  - (e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
  - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements (Refer Note 28 to the financial statements).
  - ii. The Company did not have material foreseeable losses on long-term contracts and the Company did not have any derivative contracts.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

## ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph f under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

### Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Mahindra World City (Jaipur) Limited** (“the Company”) as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

## ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- (i) In respect of Fixed assets:
- (a) The company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The fixed assets were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
- (c) With respect to the leasehold land on which the properties are constructed by the company, based on examination of the registered lease deeds provided to us, we report that the lease agreements are in the name of the Company as at the balance sheet date where the company is the lessee in the agreement.
- (ii) In respect of its inventories, in our opinion and according to the information and explanations given to us, having regard to the nature of inventories, the physical verification by way of verification of lease deeds, physical verification of materials, site visits by the Management and certification of extent of work completion by competent persons, are at reasonable intervals and no material discrepancies were noticed on physical verification.
- (iii) The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013.
- (iv) The Company has not granted any loans, made investments or provide guarantees and hence reporting under clause (iv) of the CARO 2016 is not applicable.
- (v) According to the information and explanations given to us, the Company has not accepted any deposit during the year. There were no unclaimed deposits outstanding at any time during the year.
- (vi) We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) According to the information and explanations given to us in respect of statutory dues:
- (a) The Company has been regular in depositing undisputed statutory dues, including Provident Fund,

Employees' State Insurance, Income-tax, Sales Tax, Customs Duty, Excise Duty, Value Added Tax, cess and other material statutory dues applicable to it to the appropriate authorities.

- (b) There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, cess and other material statutory dues in arrears as at March 31, 2016 for a period of more than six months from the date they became payable.
- (c) Details of statutory dues which have not been deposited as on March 31, 2016 on account of disputes are given below:

Name of Statute	Nature of dues	Forum where dispute is pending	Period to which the Amount Relates	Amount involved (Rs. in lakhs)	Amount unpaid (Rs. in Lakhs)
Jaipur Development Authority Act 1982 (JDA Act)	Urban assessment/ Shahri Jamabandi	Jaipur Development Authority	2006-16	32,179	31,729

- (viii) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of dues to debenture holders.
- (ix) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under clause (ix) of the CARO 2016 Order is not applicable.
- (x) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company has been noticed or reported during the year; we have been informed that a minor fraud committed by an employee on the Company has been noticed and reported during the year.
- (xi) In our opinion and according to the information and explanations given to us and based on the Company's confirmation that they are covered under Para d, Section III (Remuneration payable by companies having no profit or inadequate profit without Central Government approval in certain special circumstances), Part II of Schedule V to the Companies Act 2013, relating to company in a Special Economic Zone as notified by Department of Commerce, the managerial remuneration paid/provided by the Company is in accordance with Section 197 read with the above Schedule V of the Companies Act 2013.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the CARO 2016 is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us the Company is in compliance

with Section 188 and 177 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.

(xiv) During the year the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under clause (xiv) of CARO 2016 is not applicable to the Company.

(xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with

its directors or persons connected with him and hence provisions of section 192 of the Companies Act, 2013 are not applicable.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016

### Note 1. Corporate information

The Company is engaged in the business of development of an Industrial park with Special Economic Zone (SEZ) and Domestic Tariff Area (DTA). The Company acquires land under lease, incurs expenditure on its development and related infrastructure facilities and gives them on a long term lease for industrial, commercial and residential use. The Company also maintains the Industrial Park for which it collects operation and maintenance charges from the lessees.

### Note 2. Significant accounting policies

#### 2.1 Basis of accounting and preparation of financial statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

#### 2.2 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the period. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known/materialize.

#### 2.3 Inventories

Inventories are valued at the lower of cost and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost represents cost of land and all expenditure incurred in connection with, or attributable to the project, and, being a long-term project, includes interest.

#### 2.4 Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

#### 2.5 Cash flow statement

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

#### 2.6 Depreciation and amortization

Depreciation is provided on straight line method from the date the assets are put to use in accordance with Schedule II to Companies Act, 2013 based on estimated useful life of tangible assets.

Leasehold land is amortized over the period of lease i.e. 99 years.

Cost of Interiors of building given on lease is amortized over the period of lease.

Assets costing less than ₹ 5,000 is depreciated fully in the year of purchase.

Motor Vehicle provided to employees by the company is depreciated over a period of 48 months.

Life of DG and HVAC Plant and Machinery has been depreciated over 12 years.

Intangible assets are amortized over their estimated useful life as follows:

Software expenditure incurred is amortized over three years.

The estimated useful life of the intangible assets and the amortization period are reviewed at the end of each financial year and the amortization method is revised to reflect the changed pattern.

#### 2.7 Revenue recognition

- a) Land lease premium is recognized as income upon creation of leasehold rights in favor of the lessee or upon an agreement to create leasehold rights with handing over of possession.
- b) Income from properties and other assets given under operating lease is recognised based on the terms of lease agreement on a straight line basis over the non cancellable lease period.
- c) Income from operation & maintenance charges and water charges are recognized on an accrual basis as per terms of the agreement with the lessees.

#### 2.8 Other income

Interest income is accounted on accrual basis. Dividend income is accounted for, when the right to receive it is established.

#### 2.9 Fixed assets (Tangible and Intangible assets)

Fixed assets, are carried at cost less accumulated depreciation and impairment losses, if any. The cost of fixed assets includes interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use and other incidental expenses incurred up to that date. Subsequent expenditure relating to fixed assets is capitalized only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

#### Capital work-in-progress:

Projects under which assets are not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

#### 2.10 Foreign currency transactions and translations

Foreign currency transactions are recorded at exchange rates prevailing on the date of transaction. Monetary assets/liabilities are translated at exchange rates prevailing on the date of settlement or at the year end as applicable, and gain/loss arising out of such translation is adjusted to the profit and loss account.

#### 2.11 Investments

Long-term investments (excluding investment properties), are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties.

#### 2.12 Employee benefits

Employee benefits include provident fund, superannuation fund, employee state insurance scheme, gratuity fund, compensated absences, long service awards and post-employment medical benefits.

#### Defined contribution plans

The Company's contribution to provident fund are considered as defined contribution plans and are charged as an expense as they fall due based on the amount of contribution required to be made and when services are rendered by the employees.

#### Defined benefit plans

For defined benefit plans in the form of gratuity fund, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each Balance Sheet date. Actuarial gains and losses are recognized in the Statement of Profit and Loss in the period in which they occur. Past service cost is recognized immediately to the extent that the benefits are already vested and otherwise is amortized on a straight-line basis over the average period until the benefits become vested.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016

The retirement benefit obligation recognized in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognized past service cost.

### Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognized during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service. The cost of such compensated absences is accounted as under:

- in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- in case of non-accumulating compensated absences, when the absences occur.

### Long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognized as a liability at the present value of the defined benefit obligation as at the Balance Sheet date.

### 2.13 Borrowing costs

Borrowing costs include interest and amortization of ancillary costs incurred. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilized for qualifying assets, pertaining to the period from commencement of activities relating to construction/development of the qualifying asset up to the date of capitalization of such assets are added to the cost of the assets. Capitalization of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

### 2.14 Segment reporting

The Company has a single reportable segment namely, lease of land and properties constructed thereon.

### 2.15 Leases

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. The assets given by the Company on operating leases are capitalised in the books as fixed assets. Lease rentals under operating leases are recognised in the Statement of Profit and Loss on a straight-line basis over the lease term.

### 2.16 Earnings per share

Basic/Diluted earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) and after reducing the dividend obligation (including Dividend Distribution Tax) on Preference Shares by the weighted average number of equity shares outstanding during the year.

### 2.17 Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognized as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

Deferred tax is recognized on timing differences, being the differences between the taxable income and the accounting income that

originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognized for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognized only if there is virtual certainty that there will be sufficient future taxable income available to realize such assets. Deferred tax assets are recognized for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realized. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

### 2.18 Impairment of assets

The carrying values of assets/cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognized, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognized for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognized in the Statement of Profit and Loss, except in case of revalued assets.

### 2.19 Provisions and contingencies

A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes.

### 2.20 Insurance claims

Insurance claims are accounted for on the basis of claims admitted/expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

### 2.21 Service tax input credit

Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is reasonable certainty in availing/utilising the credits.

## INDEPENDENT AUDITORS' REPORT

### TO THE MEMBERS OF

### MAHINDRA WATER UTILITIES LIMITED

#### Report on the Financial Statements

1. We have audited the accompanying financial statements of **Mahindra Water Utilities Limited** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act, as applicable. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under Section 143(11) of the Act. We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
4. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal

financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Opinion

6. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and its profit and its cash flows for the year ended on that date.

#### Report on Other Legal and Regulatory Requirements

7. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards prescribed under Section 133 of the Act, as applicable.
  - (e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2016 from being appointed as a director in terms of Section 164(2) of the Act.
  - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

- (g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 21 to the financial statements.
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
8. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

We have audited the internal financial controls over financial reporting of **Mahindra Water Utilities Limited** (“the Company”) as of 31<sup>st</sup> March, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditor’s Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors’ judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit

opinion on the Company’s internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls Over Financial Reporting**

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS

### Note 1. Corporate information:

Mahindra Water Utilities Limited (the Company) is a public company incorporated in India on 10<sup>th</sup> August, 1999 under the provisions of Companies Act, 1956. The Company is engaged in operation & maintenance of water and sewage system for M/s. New Tirupur Area Development Corporation Limited, Tirupur. The Company is a subsidiary of Mahindra Infrastructure Developers Limited.

### Note 2. Significant accounting policies:

#### a. Basis for preparation of financial statements:

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act 2013, read with the relevant Rules thereunder and the relevant provisions of the Companies Act, 2013 as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

#### b. Use of estimates:

The preparation of financial statements, in conformity with Indian GAAP, requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of financial statements and the reported amounts of revenues and expenses during the reported period. Differences between the actual results and estimates are recognised in the period in which the results are known/materialised.

#### c. Fixed assets and depreciation:

- Fixed Assets are carried at cost less depreciation and impairment losses, if any. Costs comprise purchase price and attributable costs, if any.
- Depreciation on assets is calculated on Straight Line Method as per the useful life prescribed in Schedule II to the Companies Act, 2013. Assets costing individually less than ₹ 5,000 is fully depreciated in the year of purchase.

#### d. Investments:

Current investments are carried at lower of cost and fair value.

#### e. Revenue recognition:

- Income for services is accounted for as and when services are rendered as per terms of the agreement and there exists no significant uncertainty as to ultimate realisation.
- Interest income is accounted on time proportion basis, and there exists no significant uncertainty as to ultimate realisation. Dividend income is accounted for when the right to receive it, is established.

#### f. Translation of foreign currency:

Transactions in foreign currencies are recorded at the exchange rates prevailing on the date of transaction. Monetary items are translated at the year-end rates. The exchange difference between the rate prevailing on the date of transaction and on the date of settlement as also on translation of monetary items at the end of the year, is recognized as income or expense, as the case may be, in the Statement of Profit and Loss.

#### g. Employee benefits:

Defined contribution plan – Company's contributions paid/payable during the year to Provident Fund, ESIC and Labour Welfare Fund are recognised in the statement of profit & loss.

Defined benefit plan – Company's liability towards gratuity and compensated absences are determined by an independent actuary using the projected unit credit method. Actuarial gains & losses are recognised immediately in the statement of profit & loss as income or expense. Obligation is measured at the present value of estimated future cash flows using the discounted rate that is determined by reference to the market yields at the balance sheet date on government bonds where

the currency and the terms of the government bonds are consistent with the currency and the estimated terms of the defined benefit obligation.

#### h. Lease:

In respect of operating lease, lease payments are recognised as expense on a straight line basis over the lease term.

#### i. Taxes on income:

Tax expense comprises current tax and deferred tax. Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Deferred tax is recognised, subject to consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future tax income will be available against which such deferred tax assets can be realised.

#### j. Contingent liabilities:

Contingent liabilities, if any, are disclosed in the notes to the financial statements. Provision is made in the accounts if it becomes probable that an outflow of resources embodying economic benefits will be required to settle the obligation.

**Note 28.** Trade receivables include amounts due from New Tirupur Area Development Corporation Limited (NTADCL).

As per the operation and maintenance agreement with NTADCL, the Company has been raising invoices on NTADCL for the services rendered to them. The Company and NTADCL have been re-discussing the arrangement and these discussions have reached an advanced stage at which the company is very confident that the outstanding receivable including the invoices currently being raised at ₹ 135 lakhs per month except for the amount already provided in the books of the Company, will be settled in instalments as mutually agreed over a period of 36 months. In view of this understanding, the dues outstanding, barring the amounts already provided for in the books, are expected to be fully recovered over a period of time. Accordingly, some portion of the outstanding has been reflected under "Other non-current assets" in Note 10 to the financial statements, and no further provision towards receivable is considered necessary in the view of the management.

The Company has incurred expenses towards certain specified categories of maintenance of plant and facilities. As per the terms of the aforementioned agreement with NTADCL, the Company is entitled to reimbursement of the aforesaid expenses, which the Company has also claimed from NTADCL. Pending conclusion of discussions on the subject with NTADCL, out of abundant caution, the Company has written off such expenses incurred in the current year aggregating ₹ 2,020,406/- (Previous year ₹ 1,545,818/-) to the Statement of Profit and Loss.

**Note 29.** The Company's business activity is that of an Operations and Maintenance (O&M) Contractor. All activities of the company revolve around its main business. The Company operates only in India. Hence, there are no separate reportable primary and secondary segments as defined by Accounting Standard 17 on "Segment Reporting".

**Note 30.** The Company has entered into operating lease arrangements for warehouse. The lease is cancellable and for a period of 11 months, renewable by mutual consent. Lease payments recognised in the Statement of Profit and loss is ₹ 299,100.

**Note 31.** The Employee benefits expenses include ₹ 1,664,709 towards provision for leave encashment relating to prior period.

**Note 32.** Previous year's figures have been regrouped/reclassified wherever necessary to correspond with the current year's classification/disclosure.

**ANNEXURE 3 TO THE DIRECTORS' REPORT FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016****Policy on remuneration of Directors****Purpose**

This Policy sets out the approach to Compensation of Directors, in Mahindra World city Developers Limited.

**Policy Statement**

We have a well-defined Compensation policy for Directors, including the Chairman of the Company. The overall compensation philosophy which guides us to focus on enhancing the value, to attract, to retain and motivate Directors for achieving objectives of the Company and to become a major player in Indian Real Estate Sector, to maintain the pioneer status in the Integrated Business City format, to be the most trusted brand in the business we operate in and focus on customer centricity through transparency, quality and on-time delivery, to be a thought leader and establish industry benchmarks in Sustainable Development.

In order to effectively implement this, we have built our Compensation structure by a regular annual benchmarking over the years with relevant players across the industry we operate in.

**NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS:**

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both Fixed and variable, to the Non-Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and such other factors as the NRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

**Manager**

Remuneration of the Manager reflects the overall remuneration philosophy and guiding principle of the Company. While considering the appointment and remuneration of Manager, the NRC shall consider the industry benchmarks, merit and seniority of the person and shall ensure that the remuneration proposed to be paid is commensurate with the remuneration packages paid to similar senior level counterpart(s) in other companies. The policy aims at a balance between fixed and variable pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

The remuneration to the Manager shall be recommended by NRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as per the policy of the Company from time to time and as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of appointment, the variable compensation will be determined annually by the NRC based on the performance of Manager.

The term of office and remuneration of Manager is subject to the approval of the Board of Directors, shareholders, and Central Government, as may be required and within the statutory limits laid down in this regard from time to time.

If, in any financial year, the Company has no profits or its profits are inadequate, the Company shall pay, subject to the requisite approvals, remuneration to its Manager in accordance with the provisions of Schedule V of the Companies Act, 2013.

If a Manager draws or receives, directly or indirectly by way of remuneration any such sums in excess of the limits prescribed under the Companies Act, 2013 or without the prior sanction of the Central Government, where required, he/she shall refund such sums to the Company and until such sum is refunded, hold it in trust for the Company. The Company shall not waive recovery of such sum refundable to it unless permitted by the Central Government.

Remuneration for Manager is designed subject to the limits laid down under the Companies Act, 2013 to remunerate him/her fairly and responsibly. The remuneration to the Manager comprises of salary, perquisites and benefits as per policy of the Company and performance based incentive apart from retirement benefits like P.F., Superannuation, Gratuity, Leave Encashment, etc. as per Rules of the Company. Salary is paid within the range approved by the Shareholders. Increments are effective annually, as recommended/approved by the Remuneration Committee/Board.

**Directors**

The Non-Executive Chairman and Independent Directors receive sitting fees for attending the meeting of the Board and the Committees thereof, as fixed by the Board of Directors from time to time subject to statutory provisions. The Non-Executive Chairman and Independent Directors would be entitled to the remuneration under the Companies Act, 2013. A Non-Executive Non-Independent Director who receives remuneration from the holding company or any other group company is not paid any sitting fees or any remuneration. In addition to the above the Directors are entitled for reimbursement of expenses incurred in discharge of their duties.

The Company may also grant Stock Options to the eligible employees and Directors (other than Independent Directors) in accordance with the ESOP Schemes of the Company from time to time and subject to the compliance of the applicable statutes and regulations.

**Disclosures**

Information on the total remuneration of members of the Company's Board of Directors, Manager and KMP/senior management personnel may be disclosed in the Board's report and the Company's annual report/website as per statutory requirements in this regard.

## ANNEXURE 4 TO THE DIRECTORS' REPORT FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016

### Policy on Remuneration of Key Managerial Personnel and Employees

This Policy shall be effective from the financial year 2014 - 15.

#### Objective

To establish guidelines for remunerating employees fairly and in keeping with Statutes

#### Standards

- All employees, irrespective of contract, are to be remunerated fairly and the remuneration is to be externally competitive and internally equitable. The remuneration will be paid in accordance with the laid down Statutes.
- Remuneration for on-roll employees will include a fixed or guaranteed component payable monthly; and a variable component which is based on performance and paid annually in the month of July following the fiscal.
- The fixed component of remuneration will have a flexible component with a bouquet of allowances to enable an employee to choose the allowances as well as the quantum based on laid down limits as per Company policy. The flexible component can be varied only once annually in the month of July i.e. after the salary increment exercise.
- The variable component of the remuneration will vary from 10% to 25% of the Cost-to-Company (CTC) and will be a function of the employee's grade.
- The actual pay-out of variable component of the remuneration will be a function of individual performance as well as business performance. Business performance

is evaluated using a Balanced Score Card (BSC) while individual performance is evaluated on Key Result Areas (KRA). Both the BSC and KRAs are evaluated at the end of the fiscal to arrive at the BSC rating of the business and PPS rating of the individual.

- An annual compensation survey is carried out to ensure that the Company's compensation is externally competitive and is around 60th percentile. Based on the findings of the survey and the business performance, the Sector Talent Council decides:
  - a) The increment that needs to be paid for different performance ratings as well as grades.
  - b) The increment for promotions and the total maximum increment.
  - c) The maximum increase in compensation cost in % and absolute.
- Compensation corrections are made in a few cases where it is outside the band or to keep it tune with the market.

## INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF  
MAHINDRA WORLD CITY DEVELOPERS LIMITED

### Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **Mahindra World City Developers Limited** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, Accounting Standards prescribed under Section 133 of the Act, as applicable.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under Section 143 (11) of the Act.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances.

An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and its profit and its cash flows for the year ended on that date.

### Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards prescribed under Section 133 of the Act, as applicable.
- (e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements (Refer Note 26.1 to the financial statements).
  - ii. The Company did not have material foreseeable losses on long-term contracts and the Company did not have any derivative contracts.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

## **ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT**

**(Referred to in paragraph f under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)**

### **Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Mahindra World City Developers Limited (“the Company”) as of 31<sup>st</sup> March, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor’s Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016

### 1 Corporate information

The Company is in the business of land development for industrial, commercial and residential use. The Company acquires land and incurs expenditure on its development and related infrastructure facilities for lease/sale. The Company also maintains the Industrial Park for which it collects operation and maintenance charges from the lessees.

### 2 Significant accounting policies

#### 2.1 Basis of accounting and preparation of financial statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act"). The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

#### 2.2 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialise.

#### 2.3 Inventories

Inventories are valued at lower of cost and net realisable value. Work in progress represents cost of land and all expenditure incurred in connection with, or attributable to the project, and, being a long-term project, includes interest.

#### 2.4 Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

#### 2.5 Cash flow statement

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

#### 2.6 Depreciation and amortisation

Depreciation is provided on straight line method from the date the assets are put to use in accordance with Schedule II to Companies Act, 2013 with effect from 1<sup>st</sup> April, 2014.

Intangible assets are amortised over their estimated useful life as follows:  
Software expenditure incurred is amortised over three years.

The estimated useful life of the intangible assets and the amortisation period are reviewed at the end of each financial year and the amortisation method is revised to reflect the changed pattern.

#### 2.7 Revenue recognition

- Land lease premium is recognised as income upon creation of leasehold rights in favour of the lessee or upon an agreement to create leasehold rights with handing over of possession.
- Property lease rentals, income from operation & maintenance charges and water charges are recognised on an accrual basis as per terms of the agreement with the lessees.
- Club membership fee is recognized equally over the tenure of membership. In case of life membership, the fee is recognized over the estimated usage period of 20 years. Annual membership fee due from members are recognised over the period of subscription as per terms agreed with the members.

Membership fee and annual subscription fee relating to the periods beyond the date of Balance Sheet is grouped under Deferred Income

- Income from services is recognised upon rendering of services.

#### 2.8 Other income

Interest income is accounted on time-proportion basis. Dividend income is accounted for, when the right to receive it is established.

#### 2.9 Tangible fixed assets

Fixed assets, are carried at cost less accumulated depreciation and impairment losses, if any. The cost of fixed assets includes interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use and other incidental expenses incurred up to that date.

Fixed assets acquired and put to use for project purpose are capitalised and depreciation thereon is included in the project cost till commissioning of the project.

#### Capital work-in-progress:

Projects under which assets are not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

#### 2.10 Intangible assets

Intangible assets are carried at cost less accumulated amortisation and impairment losses, if any. The cost of an intangible asset comprises its purchase price, including any import duties and other taxes (other than those subsequently recoverable from the taxing authorities), and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates. Subsequent expenditure on an intangible asset after its purchase/completion is recognised as an expense when incurred unless it is probable that such expenditure will enable the asset to generate future economic benefits in excess of its originally assessed standards of performance and such expenditure can be measured and attributed to the asset reliably, in which case such expenditure is added to the cost of the asset.

#### 2.11 Foreign currency transactions and translations

Foreign currency transactions are recorded at exchange rates prevailing on the date of transaction. Monetary assets/liabilities are translated at exchange rates prevailing on the date of settlement or at the year end as applicable, and gain/loss arising out of such translation is adjusted to the profit and loss account.

#### 2.12 Government grants, subsidies and export incentives

Government grants and subsidies are recognised when there is reasonable assurance that the Company will comply with the conditions attached to them and the grants/subsidy will be received. Government grants whose primary condition is that the Company should purchase, construct or otherwise acquire capital assets are adjusted to the carrying value of the assets.

#### 2.13 Investments

Long-term investments (excluding investment properties), are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties.

#### 2.14 Employee benefits

Employee benefits include provident fund, superannuation fund, gratuity fund and compensated absences

#### Defined contribution plans

The Company's contribution to provident fund and superannuation fund are considered as defined contribution plans and are charged as an expense as they fall due based on the amount of contribution required to be made as and when services are rendered by the employees.

#### Defined benefit plans

For defined benefit plans in the form of gratuity fund, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each Balance

**NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2015**

Sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

**Short-term employee benefits**

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service. The cost of such compensated absences is accounted as under:

- (a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (b) in case of non-accumulating compensated absences, when the absences occur.

**Long-term employee benefits**

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the Balance Sheet date less the fair value of the plan assets out of which the obligations are expected to be settled. Long Service Awards are recognised as a liability at the present value of the defined benefit obligation as at the Balance Sheet date.

**2.15 Borrowing costs**

Borrowing costs include interest and amortisation of ancillary costs incurred. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction/development of the qualifying asset upto the date of capitalisation of such asset are added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

**2.16 Segment reporting**

The company has a single reportable segment namely, lease of land and properties constructed thereon.

**2.17 Earnings per share**

Basic/Diluted earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year.

**2.18 Taxes on income**

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more

subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

**2.19 Impairment of assets**

The carrying values of assets/cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets.

**2.20 Provisions and contingencies**

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes.

**2.21 Service tax input credit**

Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is no uncertainty in availing/utilising the credits.

## ANNEXURE 3

### POLICY FOR REMUNERATION OF THE DIRECTORS

#### A. PURPOSE

This Policy sets out the approach to Compensation of Directors in Mahindra Residential Developers Limited.

#### B. POLICY STATEMENT

We have a well-defined Compensation policy for Directors including the Chairman of the Company. The overall compensation philosophy which guides us is that in order to achieve global leadership and dominance in domestic markets, we need to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in the business.

In order to effectively implement this, we have built our Compensation structure by a regular annual benchmarking over the years with relevant players across the industry we operate in.

#### C. NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both Fixed and variable, to the Non Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and such other factors as the NRC may consider deem fit for determining the compensation.

The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

#### D. EXECUTIVE DIRECTORS

The remuneration to Executive Director(s) shall be recommended by NRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of their appointment, the variable compensation will be determined annually/half yearly by the NRC based on their performance.

The remuneration involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.

The Company may also grant Stock Options to the Directors (other than Independent Directors and Promoter) in accordance with the ESOP Scheme of the Company, if any, and subject to the compliance of in the applicable statutes and regulations.

## ANNEXURE 4

### POLICY ON REMUNERATION OF KEY MANAGERIAL PERSONNEL AND EMPLOYEES

This Policy shall be effective from the financial year 2014-15.

#### Objective

To establish guidelines for remunerating employees fairly and in keeping with Statutes.

#### Standards

- All employees, irrespective of contract, are to be remunerated fairly and the remuneration is to be externally competitive and internally equitable. The remuneration will be paid in accordance with the laid down Statutes.
- Remuneration for on-roll employees will include a fixed or guaranteed component payable monthly; and a variable component which is based on performance and paid annually in the month of July following the fiscal.
- The fixed component of remuneration will have a flexible component with a bouquet of allowances to enable an employee to choose the allowances as well as the quantum based on laid down limits as per Company policy. The flexible component can be varied only once annually in the month of July i.e. after the salary increment exercise.
- The variable component of the remuneration will be a function of the employee's grade.
- The actual pay-out of variable component of the remuneration will be a function of individual performance as well as business performance. Business performance is evaluated using a Balanced Score Card (BSC) while

individual performance is evaluated on Key Result Areas (KRA). Both the BSC and KRAs are evaluated at the end of the fiscal to arrive at the BSC rating of the business and PPS rating of the individual.

- An annual compensation survey is carried out to ensure that the Company's compensation is externally competitive. Based on the findings of the survey and the business performance, the Sector Talent Council decides:
  - a. The increment that needs to be paid for different performance ratings as well as grades.
  - b. The increment for promotions and the total maximum increment.
  - c. The maximum increase in compensation cost in % and absolute.
- Compensation corrections are made in a few cases where it is outside the band or to keep it in tune with the market.

For and on behalf of the Board,

## ANNEXURE 5

### WHISTLE BLOWER POLICY

**1. The Whistle Blower Policy shall come into effect from 1<sup>st</sup> April 2014.**

**2. Preface**

Mahindra Residential Developers Limited (MRDL) (“the Company”) is committed to conducting its business in accordance with applicable laws, rules and regulations and the highest standards of business ethics, honesty, integrity and ethical conduct. Towards this end, the Company has adopted three separate Codes of Conduct viz. for Directors, for Independent Directors and for Senior Management and Employees (collectively referred to as “Codes” or “the Codes”) and various Policies under the helm of Corporate Governance which inter alia include Policy on Disaster Management, Environment & Pollution, Human Resources, Insider Trading, Investor Relations, etc. (collectively referred to as “Policies”) which lays down the principles and standards that should govern the actions of the Company and its Employees. Any actual or potential violation of the Code/Policies, howsoever insignificant or perceived as such, would be a matter of serious concern for the Company. The role of the Employees/Directors in pointing out such violations of the Code/Policies cannot be undermined.

Further, as per the provisions of sub-section 9 of section 177 of Companies Act, 2013 (“the Act” or “Act”), the company has been mandated to establish a vigil mechanism for directors and employees of the company to report to the Management, instances of unethical behavior, actual or suspected, fraud or violation of the Company’s Code or Policies.

Accordingly, this Whistle Blower Policy (“the Policy” or “this Policy”) has been formulated with a view to provide a mechanism for Directors and Employees of the Company to approach the Audit Committee.

**3. Definitions**

The definitions of the key terms used in this Policy are given below. [Terms not defined herein below shall have the meaning assigned to them under the Codes/Policies/ Act.]

- a. “Audit Committee” means the Audit Committee constituted by the Board of Directors of the Company in accordance with Section 177 of the Companies Act, 2013.
- b. “Codes” mean three separate Codes of Conduct viz. for Directors, for Independent Directors and for Senior Management and Employees.
- c. “Director” means a director as defined under Section 2 (34) of the Companies Act, 2013.

- d. “Employee” means every employee of the Company (whether working in India or abroad), including the Directors in the whole time employment of the Company.
- e. “Investigators” means those persons authorised, appointed, consulted or approached by the Audit Committee and the Police.
- f. “Protected Disclosure” means any communication made in good faith that discloses or demonstrates information that may evidence illegal or unethical behaviour, actual or suspected fraud or violation of the Company’s Codes or Policies or any improper activity.
- g. “Subject” means a person against or in relation to whom a Protected Disclosure has been made or evidence gathered during the course of an investigation.
- h. “Whistle Blower” means a Director or Employee making a Protected Disclosure under this Policy.

**4. Scope**

- a. The Whistle Blower’s role is that of a reporting party with reliable information. They are not required or expected to act as investigators or finders of facts nor would they determine the appropriate corrective or remedial action that may be warranted in a given case.
- b. Whistle Blowers should not act on their own in conducting any investigative activities, nor do they have a right to participate in any investigative activities other than as requested by the Audit Committee or the Investigator.
- c. Protected Disclosure will be appropriately dealt with by the Audit Committee.

**5. Eligibility**

All the Directors and Employees of the Company are eligible to make Protected Disclosures under the Policy. The Protected Disclosures may be in relation to matters concerning the Company.

**6. Procedure**

- a. All Protected Disclosures should be addressed to the Audit Committee.
- b. If a protected disclosure is received by any Executive(s) of the Company other than the Audit Committee member, the same should be forwarded to the Audit Committee for further appropriate action.
- c. Appropriate care must be taken to keep the identity of the Whistle Blower(s) confidential.

- d. Protected Disclosures should be reported in writing so as to ensure a clear understanding of the issues raised, be typed in English, Hindi or in the Regional Language of the place of employment of the Whistle Blower(s).
- e. The Protected Disclosure should be forwarded under a covering letter which shall bear the identity of the Whistle Blower(s). The Audit Committees shall detach the covering letter and forward only the Protected Disclosure to the Investigators for investigation.
- f. Protected Disclosures should be factual and not speculative or in the nature of a conclusion, and should contain as much specific information as possible to allow for proper assessment of the nature and extent of the concern.

## 7. Investigation

- a. All Protected Disclosures reported under this Policy would be thoroughly investigated by the Audit Committee who would investigate/oversee the investigations.
- b. The Audit Committee may at their discretion, consider involving any Investigators for the purpose of investigation.
- c. The decision to conduct an investigation taken by the Audit Committee is by itself not an accusation and is to be treated as a neutral fact-finding process. The outcome of the investigation may or may not support the conclusion of the Whistle Blower that an improper or unethical act was committed.
- d. The identity of a Subject and the Whistle Blower would be kept confidential to the extent possible given the legitimate needs of law and the investigation.
- e. Subjects would normally be informed of the allegations at the outset of a formal investigation and have opportunities for providing their inputs during the investigation.
- f. Subjects shall have a duty to co-operate with the Audit Committee or any of the Investigators during investigation to the extent that such co-operation will not compromise self-incrimination protections available under the applicable laws.
- g. Subjects have a right to consult with a person or persons of their choice, other than the Audit Committee.
- h. Subjects have a responsibility not to interfere with the investigation. Evidence shall not be withheld, destroyed or tampered with and witnesses shall not be influenced, coached, threatened or intimidated by the Subjects.
- i. Unless there are compelling reasons not to do so, Subjects would be given the opportunity to respond to material findings contained in an investigation

report. No allegation of wrongdoing against a Subject shall be considered as maintainable unless there is good evidence in support of the allegation.

- j. Subjects have a right to be informed of the outcome of the investigation.
- k. The investigation shall be completed normally within 45 days of the receipt of the Protected Disclosure.

## 8. Protection

- a. For the purpose of providing protection to the Whistle Blower(s), the Whistle Blower(s) should disclose his/her identity in the covering letter forwarding such Protected Disclosure.
- b. The identity of the Whistle Blower(s) shall be kept confidential unless otherwise required by law, and in which case the Whistle Blower(s) would be informed accordingly.
- c. No unfair treatment would be meted out to a Whistle Blower(s) by virtue of his/her having reported a Protected Disclosure under this Policy. The Company, as a Policy, condemns any kind of discrimination, harassment, victimisation or any other unfair employment practice being adopted against Whistle Blower(s). Complete protection would, therefore, be given to Whistle Blower(s) against any unfair practice like retaliation, threat or intimidation of termination/suspension of service, disciplinary action, transfer, demotion, refusal of promotion or the like including any direct or indirect use of authority to obstruct the Whistle Blower's right to continue to perform his duties/functions including making further Protected Disclosure. The Company would take steps to minimise difficulties, which the Whistle Blower(s) may experience as a result of making the Protected Disclosure.
- d. A Whistle Blower(s) may report any violation of the above Clause to the Audit Committee who shall investigate into the same and advise suitable action to the Management.
- e. Any other Employee assisting in the said investigation shall also be protected to the same extent as the Whistle Blower(s).

## 9. Disqualifications

- a. While it would be ensured that genuine Whistle Blower(s) are accorded complete protection from any kind of unfair treatment as herein set out, any abuse of this protection would warrant disciplinary action.
- b. Protection under this Policy would not mean protection from disciplinary action arising out of false or bogus allegations made by a Whistle Blower(s) knowing it to be false or bogus or with a mala fide intention.
- c. Whistle Blower(s), who make any Protected Disclosures, which have been subsequently found to

be mala fide or malicious or Whistle Blower(s) who make 3 or more Protected Disclosures, which have been subsequently found to be frivolous, baseless or reported otherwise than in good faith, would be disqualified from reporting further Protected Disclosures under this Policy and may be subject to disciplinary action.

#### 10. Investigators

- a. Investigators are required to conduct a process towards fact-finding and analysis. Investigators shall derive their authority and access rights from the Audit Committee when acting within the course and scope of their investigation.
- b. Technical and other resources may be drawn upon as necessary to augment the investigation. All Investigators shall be independent and unbiased both in fact and as perceived. Investigators have a duty of fairness, objectivity, thoroughness, ethical behavior and observance of legal and professional standards.
- c. Investigations would be launched only after a preliminary review by the Audit Committee, as the case may be, which establishes that:
  - i. the alleged act constitutes an improper or unethical activity or conduct; and
  - ii. the allegation is supported by information specific enough to be investigated or in cases where the allegation is not supported by specific information, it is felt that the concerned matter is worthy of Management review.

#### 11. Decision

If an investigation leads the Audit Committee to conclude that an illegal or unethical behaviour, actual or suspected

fraud or violation of the Company's Codes or Policies or any improper activity has taken place/has been committed, the Audit Committee shall advise to the Management of the Company to take such disciplinary or corrective action as the Audit Committee may deem fit.

#### 12. Reporting

A report with number of complaints received under this Policy and their outcome shall be placed before the Audit Committee on a regular basis.

#### 13. Retention of documents

All Protected Disclosures in writing or documented alongwith the results of investigation relating thereto shall be retained by the Company for a minimum period of seven year.

#### 14. Amendment

The Company reserves its right to amend or modify this Policy in whole or in part, at any time without assigning any reason whatsoever. However, no such amendment or modification would be binding on the Employees/ Directors unless the same is notified to the Employees/ Director.

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF MAHINDRA RESIDENTIAL DEVELOPERS LIMITED

#### Report on the Financial Statements

We have audited the accompanying financial statements of **MAHINDRA RESIDENTIAL DEVELOPERS LIMITED** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

#### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under section 133 of the Act, as applicable.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under section 143 (11) of the Act.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements

give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and its profit and its cash flows for the year ended on that date.

#### Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards prescribed under section 133 of the Act, as applicable.
  - (e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
  - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements (Refer Note 21 to the financial statements).
    - ii. The Company did not have material foreseeable losses on long-term contracts and the Company did not have any derivative contracts.
    - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

## ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph (f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

### Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Mahindra Residential Developers Limited (“the Company”) as of 31<sup>st</sup> March, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2016, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES FORMING PART OF THE FINANCIAL STATEMENT FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016

### 1. Corporate Information

The Company was incorporated on 1<sup>st</sup> February, 2008.

The Company is a Co-developer approved under Special Economic Zone Act, 2005, engaged in development of residential infrastructure in Mahindra World City SEZ and giving it on perpetual lease. Accordingly the Company is entitled to a 100% deduction of its income under the Income Tax Act, 1961 up to Assessment year 2019-20. The level of activity carried out by the Company depends on the number of projects handled and accordingly the revenue from operations may not be comparable on a year-to-year basis.

### 2. Significant Accounting Policies

#### a) Basis of accounting:

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act"). The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

#### b) Use of Estimates:

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known/materialize.

#### c) Inventories:

Inventories are valued at lower of cost and net realizable value.

The cost of construction materials is determined on the basis of the weighted average method.

Construction work in progress includes cost of land, construction costs and allocated interest and expenses attributable to the projects undertaken by the Company.

#### d) Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

#### e) Cash flow statement

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

#### f) Revenue Recognition:

Income from development of residential infrastructure is recognized on the percentage of completion method which necessarily involves technical estimates of the percentage of completion of each contract, and costs to completion of the contract, on the basis of which profits/losses are accounted. Such estimates, made by the management and certified to the auditors have been relied upon by them, as these are of a technical nature.

The Company has adopted "The Guidance note for Accounting of Real Estate Transactions (Revised 2012)" applicable to all projects in real estate which have commenced on or after 1<sup>st</sup> April, 2012 and relating to projects where revenue is being recognized for the first time on or after 1<sup>st</sup> April, 2012.

Accordingly revenues are now recognized only when all the following conditions are met:

- All critical approvals necessary for commencement of the project have been obtained.
- Expenditure incurred on construction & development cost is not less than 25% of the estimated construction and development costs excluding land cost.
- At least 25% of the saleable project area is secured by contracts or agreements with buyers.
- At least 10% of the total revenue as per the agreements of lease are realised at the reporting date in respect of each of the contracts and it is reasonable to expect that the parties to such contracts will comply with the payment terms as defined in the contracts.

#### g) Other income

Interest income is accounted on accrual basis.

#### h) Foreign currency transactions and translations

Foreign exchange transactions are recorded at exchange rates prevailing on the date of the transactions. The exchange gain/loss arising on settlement of such transactions is adjusted to the profit and loss account.

Monetary assets and liabilities denominated in foreign currency are translated at exchange rates prevailing at the Balance sheet date and gain or loss arising out of such translation is adjusted to the Statement of Profit and Loss.

#### i) Earnings per share

Basic earnings per share is computed by dividing the profit/(loss) after tax (including the post-tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit/(loss) after tax (including the post-tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits/reverse share splits and bonus shares, as appropriate.

#### j) Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and provisions of the Income Tax Act, 1961 and other applicable tax laws.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognized as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

## NOTES FORMING PART OF THE FINANCIAL STATEMENT FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2016

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses and items relating to capital losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

### k) Provisions and contingencies

A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes.

### l) Service tax input credit

Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is reasonable certainty in availing/utilising the credit.
