DIRECTORS' REPORT

Your Directors present their Thirteenth Report, together with the Audited Financial Statements of your Company, for the year ended 31st March 2017.

(Amount in Million)

	For the year ended 31st March 2017		For the year ended 31st March 2016	
	USD	**INR**	USD	INR
Total Income	**10.49**	**680.82**	5.65	366.91
Profit before depreciation & interest	**0.44**	**28.88**	0.33	21.46
Depreciation	**0.24**	**15.67**	0.25	16.04
Profit before interest	**0.20**	**13.21**	0.08	5.42
Interest	**0.09**	**5.58**	0.03	1.80
Profit for the year	**0.12**	**7.63**	0.05	3.62
Balance of profit for earlier years	**3.93**	**255.05**	4.21	272.85
Less: Dividend	**0.19**	**12.49**	0.33	21.41
Balance carried to Balance Sheet	**3.86**	**250.19**	3.93	255.05

DIVIDEND

With a view to conserve cash resources for the future growth of your Company, the Directors deem it prudent not to recommend a dividend for the year.

OPERATIONS

The total income of your Company for the year increased to USD 10.49 million (INR 680.82 million) from USD 5.65 million (INR 366.91 million), an increase of 85 %, mainly through higher volumes and expansion of customer base.

Profit for the year was USD 0.12 million (INR 7.63 million) as compared to USD 0.05 million (INR 3.62 million) in the previous year on improved volumes.

OUTLOOK FOR THE CURRENT YEAR

The Company's performance during the current year is expected to show a modest improvement, leveraging a broader customer base.

DIRECTORS' RESPONSIBILITY STATEMENT

Your Directors state that:

(i) in the preparation of the annual financial statements for the year ended 31st March, 2017, the applicable accounting standards have been followed;

(ii) they have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year on 31st March, 2017 and of the profit of the Company for the financial year ended on that date;

(iii) they have taken proper and sufficient care for the maintenance of adequate accounting records for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

(iv) the Directors have prepared the annual financial statements on a going concern basis;

(v) the Directors have devised proper systems to ensure compliance with the provisions of applicable laws and that such systems were adequate and operating effectively.

CODES OF CONDUCT

Your Company has adopted Codes of Conduct ('Codes') for its Directors, Senior Management and Employees. These Codes enunciate the underlying principles governing the conduct of the Company's business and seek to reiterate the fundamental precept that good governance must and would always be an integral part of the Company's ethos.

The Company has for the year under review, received declarations under these Codes from members of the Board, Senior Management and Employees, affirming compliance with the respective Codes.

AUDITORS

M/s KPMG, UAE, Auditors of your Company, have expressed their willingness to accept re-appointment for the financial year ending on 31st March, 2018.

Members are requested to re-appoint Auditors for the current year and fix their remuneration.

ACKNOWLEDGEMENTS

Your Directors are pleased to take this opportunity to thank the bankers, customers, vendors, all the other stakeholders for their co-operation to the Company during the year under review.

For and on behalf of the Board

Sumit Issar

Director

Dubai, 10 April, 2017

INDEPENDENT AUDITORS' REPORT

To the Shareholders of Mahindra MiddleEast Electrical Steel Service Centre (FZC)

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Mahindra MiddleEast Electrical Steel Service Centre (FZC)** ("the Company"), which comprise the statement of financial position as at 31 March 2017, the statements of profit or loss and other comprehensive income, changes in equity and cash flows for the year then ended, and notes, comprising significant accounting policies and other explanatory information.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at 31 March 2017, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRS).

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with International Ethics Standards Board for Accountants Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRS and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with Governance are responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the shareholders regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on legal and regulatory requirements

We further report that the financial statements comply, in all materials respects, with applicable implementing rules and regulations of the Sharjah Airport International Free Zone Authority.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017

1. REPORTING ENTITY

Mahindra MiddleEast Electrical Steel Service Centre (FZC) ("the Company"), was incorporated and licensed on 8 August 2004 at Sharjah Airport International Free Zone, Sharjah (FZ) with limited liability in the United Arab Emirates (UAE). Subsequently, the Company has entered into an agreement for subscription of capital by Nippon Steel & Sumitomo Metal Corporation (NSSMC), Japan to reorganise the Company and manage it as a Free Zone Company (FZC). Consequent upon the induction of NSSMC as a shareholder, the status changed from Free Zone Establishment (FZE) to Free Zone Company (FZC) with limited liability with effect from 28 November 2005. The Company is engaged in processing of steel coils and supply of slit coils and laminations. The shareholding pattern as of 31 March 2017 is as follows:

Shareholders	Percentage
Mahindra Intertrade Limited	90%
Nippon Steel & Sumitomo Metal Corporation	10%

The ultimate holding Company is Mahindra & Mahindra Limited.

2. BASIS OF PREPARATION

(a) Statement of compliance

The financial statements have been prepared under the historical cost convention and comply with International Financial Reporting Standards issued by the International Accounting Standards Board and the rules and regulations of the Sharjah Airport International Free Zone Authority (SAIF Zone). The financials statements were authorised for issue by the Board of directors on 10 April 2017.

(b) Functional and presentation currency

These financial statements are presented in United States Dollars ("USD"), which is the Company's functional currency.

(c) Convenience translation

In addition to presenting the financial statements in USD, unaudited supplementary information in United Arab Emirates Dirham ("Dhs") and Indian Rupee ("Rs") has been prepared for the convenience of users of the financials statements.

All amounts (including previous year information) are translated from USD to Dhs. and Rs. at the closing exchange rate at 31 March 2017 based on average of the telegraphic transfer buying and selling rates quoted by the Mumbai Branch of State Bank of India of Dhs. 3.67 to USD 1 and Rs. 64.88 to USD 1 respectively.

(d) Use of estimates and judgements

The preparation of financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed by management on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in every future period affected.

The Company makes estimates and assumptions that affect the reported amounts of assets and liabilities within the next financial year. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

(i) Impairment losses on trade receivables

The Company reviews its trade receivables to assess impairment at least on an annual basis. The Company's credit risk is primarily attributable to its trade receivables. In determining whether impairment losses should be reported in the profit or loss, the Company makes judgments as to whether there is any observable data indicating that there is a measurable decrease in the estimated future cash flows. Accordingly, an allowance for impairment is made where there is an identified loss event or condition which, based on previous experience, is evidence of a reduction in the recoverability of the cash flows.

(ii) Provision for obsolete and expired inventory

The Company reviews its inventory to assess loss on account of obsolescence and expiry on a regular basis. In determining whether provision for obsolescence should be recorded in the profit or loss, the Company makes judgements as to whether there is any observable data indicating that there is any future saleability of the product and the net realisable value for such product. Accordingly, provision for impairment is made where the net realisable value is less than cost based on best estimates by the management. The provision for obsolescence of inventory is based on the aging and past movement of the inventory.

(iii) Estimated useful lives of property, plant and equipment

The Company estimates the useful lives of property, plant and equipment based on the period over which the assets are expected to be available for use. The estimated useful lives are reviewed periodically and are updated if expectations differ from previous estimates due to physical wear and tear, technical or commercial obsolescence and legal or other limits on the use of the assets. In addition, estimation of the useful lives of property, plant and equipment is based on collective assessment of industry practice, internal technical evaluation and on the historical experience with similar assets. It is possible, however, that future results of operations could be materially affected by changes in estimates brought about by changes in factors mentioned above. The amounts and timing of recorded expenses for any period would be affected by changes in these factors and circumstances.

3. Significant Accounting Policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

(a) Property, plant and equipment and depreciation

Items of property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures that are directly attributable to the acquisition of the asset. When parts of an item of Property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of Property, plant and equipment.

Depreciation is calculated over the depreciable amount, which is the cost of an asset, less its residual value. Depreciation is recognized in profit or loss on a straight-line basis over the estimated useful lives of each part of an item of property, plant and equipment. The estimated useful lives for the current and comparative periods are as follows:

Factory Building	18 years
Plant and Machinery	20 years
Vehicles	5 years
Furniture and Fixtures	10 years
Office Equipment	5 years
Computers	5 years

Any gain or loss on disposal of an item of property, plant and equipment (calculated as the difference between the net proceeds from disposal and the carrying amount of the item) is recognised in profit or loss.

Property, plant and equipment having value less than or equal to USD 136 [(Dhs. 500) (Rs. 8,824) as on 31 March 2017] each, are fully depreciated in the year of acquisition. Depreciation methods, useful lives and residual values are re-assessed at the reporting date.

(b) Inventories

Inventories are measured at the lower of cost and net realizable value, after making due allowance for any obsolete or slow moving items. Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses. Cost is determined as follows:

Raw materials

The cost of raw materials includes insurance, freight and other incidental charges incurred in acquiring the inventories and bringing them to their present location and condition. Valuation of the raw materials is determined on a weighted average cost basis.

Work in progress

The cost of work in progress includes cost of raw material and an appropriate share of production overheads based on normal operating capacity.

Finished goods

The cost of finished goods is arrived at on a weighted average cost basis and includes cost of direct materials and direct labour plus an appropriate share of production overheads based on normal operating capacity.

(c) Revenue recognition

Revenue from the sale of goods in the course of ordinary activities is measured at the fair value of the consideration received or receivable, net of returns, trade discounts and volume rebates. Revenue is recognised when persuasive evidence exists, usually in the form of an executed sales agreement, that the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, there is no continuing management involvement with the goods, and the amount of revenue can be measured reliably.

Sale of services are recognised when services are rendered.

(d) Finance income and finance costs

Finance income comprises interest income. Interest income is recognised as it accrues in profit or loss, using the effective interest method.

Finance costs comprise interest expenses on borrowings and preshipment credit. Interest costs is recognised as it accrues in profit or loss, using the effective interest method.

(e) Foreign currency transactions and balances

Transactions in foreign currencies are translated to the functional currency ("USD") at the exchange rates ruling at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies at the reporting date are retranslated to the functional currency at the exchange rate at that date. The foreign currency gain or loss on monetary items is the difference between amortised cost in the functional currency at the beginning of the year, adjusted for effective interest and payments during the year, and the amortised cost in foreign currency translated at the exchange rate at the end of the year. Non-monetary assets and liabilities denominated in foreign currencies that are measured at fair value are retranslated to the functional currency at the exchange rate at the date that the fair value was determined. Non-monetary items in a foreign currency that are measured in terms of historical cost are translated using the exchange rate at the date of the transaction. Foreign currency differences arising on retranslation are recognised in profit or loss.

(f) Employee benefit

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognized for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the obligation can be estimated reliably.

(g) Assets held for sale

Non current assets are classified as held for sale if it is highly probable that they will be recovered primarily through sale rather than through continuing use. Such assets are generally measured at lower of their carrying amount and fair value less cost to sale. Impairment losses on initial classification as held for sale and subsequent gain / losses on measurement are recognized in profit and loss. Once classified as held for sale, intangible assets and property plant and equipment are no longer amortized or depreciated.

(h) Operating lease

Leases in terms of which the substantial risks and rewards of ownership remain with the lessor are classified as operating leases. Payments made under operating leases are recognized in profit or loss on a straight-line basis over the term of the lease.

(i) Financial instruments

(i) Non-derivative financial assets

The Company initially recognizes loans and receivables and deposits on the date they are originated. All other financial assets are recognized initially on the trade date at which the Company becomes a party to the contractual provisions of the instrument.

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction in which substantially all the risks and rewards of ownership of the financial asset are transferred. Any interest in transferred financial assets that is created or retained by the Company is recognized as a separate asset or liability.

Loans and receivables

Loans and receivables are financial assets with fixed or determinable payments that are not quoted in active markets. Such assets are recognized initially at fair value, plus any directly attributable transaction costs. Subsequent to initial recognition non-derivative financial instruments are measured at amortized cost using the effective interest method, less any impairment losses.

Loans and receivables comprise trade and other receivables and cash and cash equivalents.

Cash and cash equivalents comprise cash and bank balances including fixed deposits with an original maturity of three months or less. Trust receipts and working capital demand loans form an integral part of the Group's cash management and are included as a component of cash and cash equivalents for the purpose of the statement of cash flows.

(ii) Non-derivative financial liabilities

Financial liabilities are recognized initially on the trade date at which the Company becomes a party to the contractual provisions of the instrument.

The Company derecognizes a financial liability when its contractual obligations are discharged or cancelled or expired.

Non-derivative financial liabilities of the Company comprise trade and other payables and due to related parties.

Such financial liabilities are recognized initially at fair value plus any directly attributable transaction costs. Subsequent to initial recognition these financial liabilities are measured at amortized cost using the effective interest method.

Financial assets and liabilities are offset and the net amount presented in the statement of financial position when, and only when, the Company has a legal right to offset the amounts and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

(j) Impairment

Non-derivative financial assets

A financial asset is assessed at each reporting date to determine whether there is objective evidence that it is impaired. A financial asset is impaired if objective evidence indicates that a loss event has occurred after the initial recognition of the asset, and that the loss event had a negative effect on the estimated future cash flows of that asset that can be estimated reliably.

Objective evidence that financial assets are impaired can include default or delinquency by a debtor, restructuring of an amount due to the Company on terms that the Company would not consider otherwise, indications that a debtor or issuer will enter bankruptcy.

Financial assets measured at amortised cost

The Company considers evidence of impairment for receivables at both a specific asset and collective level. All individually significant receivables are assessed for specific impairment. All individually significant receivables found not to be specifically impaired are then collectively assessed for any impairment that has been incurred but not yet identified. Receivables that are not individually significant are collectively assessed for impairment by grouping together with similar risk characteristics.

In assessing collective impairment, the Company uses relevant historical trends of the probability of default, timing of recoveries and the amount of loss incurred, adjusted for management's judgement as to whether current economic and credit conditions are such that the actual losses are likely to be greater or less than suggested by historical trends.

An impairment loss in respect of a financial asset measured at amortized cost is calculated as the difference between its carrying amount, and the present value of the estimated future cash flows discounted at the original effective interest rate. Losses are recognized in profit or loss.

Non-financial assets

The carrying amount of the Company's non-financial assets, other than inventories, is reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists then the asset's recoverable amount is estimated.

The recoverable amount of an asset or cash generating unit is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit").

An impairment loss is recognized if the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. Impairment losses are recognized in profit or loss. Impairment losses are reversed when there is an indication that the impairment loss may no longer exist and there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

(k) Provisions

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be measured reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Fair value measurement

The Company's management is responsible for performing the valuation of fair value measurement included in the financial statement, including level 3 fair values.

The valuation process and results for non recurring measurement are reviewed and approved by the Plant Head in the year in which the measurement occurs. All level 3 valuation results are discussed with the Board of Directors as part of its yearly review of the Company's financial statements. The assets were classified as assets held for sale in the year ended 31 March 2015.

18. STATUTORY RESERVE

According to the articles of association of the Company, 10% of the net profit for each year is required to be transferred to a statutory reserve. The management may resolve to discontinue such annual transfers when the reserve reaches 50% of the paid up share capital. The reserve is not available for distribution. No appropriations to the statutory reserve have been made out of current year profits (2017 : Nil) as the statutory reserve has accumulated to 50% of the paid up share capital.

19. LEASES

The Company has entered into operating lease arrangements for the custom built warehouse, the significant terms and conditions of which are as under:

The tenure of the lease agreement is generally for a period of 7 to 25 years, renewable thereafter for another equal term.

The future minimum lease payments under non-cancellable lease are as follow:

20. FINANCIAL INSTRUMENTS

Overview

The Company has exposure to the following risks from its use of financial instruments:

- Credit risk
- Liquidity risk
- Market risk

This note presents information about the Company's exposure to each of the above risks, the Company's objectives, policies and processes for measuring and managing risk, and the Company's management of capital.

The Company's Board of Directors have overall responsibility for the establishment and oversight of the Company's risk management framework. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2017 – (CONTINUED)

Credit risk

Credit risk is the risk of financial loss to the Company if counterparty to a financial instrument fails to meet its contractual obligations. Credit risk is mainly attributable to cash at bank and trade and other receivables.

Trade receivables

The exposure to credit risk on trade receivables is monitored on an ongoing basis by the management and these are considered recoverable by the Company's management. The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the Company's customer base, including the default risk of the industry and country, in which customers operate, has less of an influence on credit risk.

Management has established a credit policy under which each new customer is analyzed individually for creditworthiness before the Company's standard payment and delivery terms and conditions are offered. Purchase limits are established for each customer, which represent the maximum open amount.

The Company establishes an allowance for impairment that represents its estimate of incurred losses in respect of trade receivables. The collective loss allowance is determined taking into consideration the current economic factors.

Cash at bank

The company's cash is placed with national and international banks of good repute.

Exposure to credit risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date was:

			Unaudited Supplementary information (refer note 2 (c))			
	31 March 2017	31 March 2016	**31 March 2017**		31 March 2016	
	USD	USD	**Dhs.**	**Rs.**	Dhs.	Rs.

The maximum exposure to credit risk for trade receivables at the reporting date by geographic region was:

			Unaudited Supplementary information (refer note 2 (c))			
	31 March 2017	31 March 2016	**31 March 2017**		31 March 2016	
	USD	USD	**Dhs.**	**Rs.**	Dhs.	Rs.
Other GCC countries	**3,235,265**	1,229,019	**11,873,422**	**209,903,993**	4,510,499	79,738,752
	3,235,265	1,229,019	**11,873,422**	**209,903,993**	4,510,499	79,738,752

The age of trade receivables at the reporting date was:

			Unaudited Supplementary information (refer note 2 (c))			
	31 March 2016	31 March 2015	**31 March 2016**		31 March 2015	
	USD	USD	**Dhs.**	**Rs.**	Dhs.	Rs.
Not past due	**2,523,815**	857,619	**9,262,401**	**163,745,117**	3,147,463	55,642,320
Past due 0-180 days	**703,030**	368,965	**2,580,119**	**45,612,586**	1,354,100	23,938,449
Past due more than 180 days	**8,420**	2,435	**30,902**	**546,290**	8,936	157,983
	3,235,265	1,229,019	**11,873,422**	**209,903,993**	4,510,499	79,738,752

The allowance account in respect of trade receivables is used to record impairment losses unless the Company is satisfied that no recovery of the outstanding receivable is possible; at that point such amount is considered uncollectible and hence, written off.

Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. Liquidity risk mainly relates to amounts due to related parties, short term borrowings and trade and other payables. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due without incurring unacceptable losses or risking damage to the Company's reputation. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of letter of credit facilities.

The following are the contractual maturities of financial liabilities (including estimated interest payments).

Market risk

Currency risk

Foreign exchange risk is limited since all significant transactions are either in USD or Dhs (which is currently fixed to USD).

Interest risk

The Company has placed fixed deposits / margin money in form of fixed deposits with banks at normal commercial rates. Short term borrowings (Trust Receipts and working capital demand loans) carry interest at fixed rate linked to USD Libor. Preshipment credit from foreign banks have been availed at fixed rate linked to USD Libor.

Interest rate sensitivity analysis

A resonably possible change of 100 basis point in interest rates at the reporting date would have increased (decreased) profit or loss by the amounts shown below: The analysis assumes that all other variables, in particular foreign currency exchange rates, remain constant.

			Unaudited Supplementary information (refer note 2 (c))			
	31 March 2017	31 March 2016	**31 March 2017**		31 March 2016	
	USD	USD	**Dhs.**	**Rs.**	Dhs.	Rs.
Interest rate increase by 1%	**(26,135)**	–	**(95,915)**	**(1,695,639)**	–	–
Interest rate decrease by 1%	**26,135**	–	**95,915**	**1,695,639**	–	–

Fair value

The fair values of the Company's financial instruments approximate their carrying values.

Capital risk

The Company manages its capital to ensure that it will be able to continue as a going concern while maximising the return to the shareholders.

21. DIVIDEND

The shareholders approved the final dividend as proposed by Board of Directors for the year 2015-2016 at the rate of USD 192.50 [2016 : (Dhs. 706.44) (Rs. 12,489.40)] per share aggregating USD 192,500 [2016 : (Dhs.706,440) (Rs. 12,489,400)] at Anuual General meeting held on 20 June 2016 which has been recognised as a distribution to its shareholders during the year ended 31 March 2017.

NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2017 – (CONTINUED)

22. New standards and interpretations

New standards and interpretations not yet effective

A number of new standards, amendments to standards are effective for annual periods beginning after 1 April 2016 and early adoption is permitted; however the Company has not early adopted the following new or amended standards in preparing these financial statements. Of particular relevance to the Company are:

(i) Disclosure initiatives (Amendments to IAS 7):

The amendments require disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flow and non-cash changes. The amendments are effective for annual periods beginning on or after 1 January 2017, with early adoption permitted. The Management of the Company does not anticipate that the application of this amendment will have a material effect on the Company's consolidated financial statements.

(ii) Amendments to IAS 12: Recognition of Deferred Tax Assets for unrealized losses:

The amendments clarify the accounting for deferred tax assets for unrealized losses on debt instruments measured at fair value. The Company is assessing the potential impact on its financial statements resulting from the amendments. So far the Company does not expect any significant impact. The amendments are effective for periods beginning on or after 1 January 2017, with earlier application permitted.

(iii) IFRS 9 Financial instruments (2010), IFRS 9 Financial instruments:

IFRS 9, published in July 2014, replaces the existing guidance in IAS 39 Financial Instruments: Recognition and Measurement. IFRS 9 includes revised guidance on the classification and measurement of financial instruments, a new expected credit loss model for calculating impairment on financial assets, and new general hedge accounting requirements. It also carries forward the guidance on recognition and derecognition of financial instruments from IAS 39. IFRS 9 is effective for annual reporting periods beginning on or after 1 January 2018, with early adoption permitted.

(iv) IFRS 15 Revenue from Contracts with Customers:

IFRS 15 establishes a comprehensive framework for determining whether, how much and when revenue is recognized. It replaces existing revenue recognition guidance, including IAS 18 Revenue, IAS 11 Construction Contracts and IFRIC 13 Customer Loyalty Programmes. IFRS 15 is effective for annual reporting periods beginning on or after 1 January 2018, with early adoption permitted.

(v) IFRS 16 Leases:

IFRS 16, published in January 2016 replaces the previous guidance in IAS 17 Leases. Under this revised guidance, leases will be brought onto companies' balance sheets, increasing the visibility of their assets and liabilities. It further removes the classification of leases as either operating leases or finance leases treating all leases as finance leases from the perspective of the lessee, thereby eliminating the requirement for lease classification test. The revised guidance has an increased focus on who controls the asset and may change which contracts are leases. IFRS 16 is effective for annual periods beginning on or after 1 January 2019. Early adoption is permitted provided IFRS 15 Revenue from Contract with Customers is also applied by the Company.

Management is currently in the process of assessing the impact of these new standards to the accounting, disclosures and presentation requirement in the financial statements.

Directors

DIRECTORS' REPORT TO THE SHAREHOLDERS

Your directors present their Twenty Fourth Report, together with the audited financial statements of your Company, for the year ended March 31, 2017.

(Rs. in Lakhs)

FINANCIAL HIGHLIGHTS AND STATE OF COMPANY'S AFFAIRS

	Year ended March 31	
	2017	**2016*
Income	**24,436.21**	*21,562.43*
Profit before depreciation, interest and taxation	**1,735.45**	*2,107.86*
Less: Depreciation	**908.94**	*895.80*
Profit before interest and taxation	**826.51**	*1,212.06*
Less: Finance costs	**294.14**	*293.25*
Profit before tax	**532.37**	*918.81*
Less: Provision for taxation:		
- Current tax	**267.74**	*329.76*
- Deferred tax	**(71.50)**	*(30.23)*
Profit for the year after tax	**336.13**	*619.28*
Add: Other Comprehensive Income	**(5.34)**	*(7.29)*
Total Comprehensive Income for the year	**330.79**	*611.99*
Add: Balance of Profit of earlier years	**3,774.70**	*3,361.78*
Less: Dividend Paid for Previous year	**115.78**	*165.40*
Less: Income Tax on Dividend paid	**23.57**	*33.67*
Balance carried forward	**3,966.14**	*3,774.70*

* The aforesaid financial highlights are based on the Company's first Ind AS audited financial statements for the year ended 31st March, 2017 which are required to be prepared in accordance with the Accounting Standards as notified under section 133 of the Companies Act, 2013. Figures for the year ended 31st March, 2016 have been restated under the new Accounting Standards Ind AS to make them comparable with the figures for the year ended 31st March, 2017.

Your Company's income for the year was Rs 24,436.21 lakhs against Rs 21,562.43 lakhs in the previous year. Total Comprehensive Income (after tax) for the year was lower at Rs 330.79 lakhs against Rs 611.99 lakhs in the previous year, primarily due to lower demand for automotive steel and a sharp drop in prices of electrical grades of steel.

No material changes and commitments have occurred after the close of the year till the date of this Report which affect the financial position of your Company.

OPERATIONS

Demand from domestic auto industry was muted during the year resulting in subdued demand for processed steel from the Company's auto vertical.

Earnings from the power sector were adversely impacted by the sharp drop in prices of electrical steel.

The home appliance segment continued to show an improvement through addition of new customers.

DIVIDEND

Your directors recommend a dividend of Re 0.41 per equity share on 1,65,39,759 equity shares of Rs 10 each for the year ended March 31, 2017 payable to those shareholders whose names appear on the Register of Members of the Company as on June 23, 2017, being the record date fixed for the purpose. The dividend, including tax thereon, will absorb a sum of Rs 81.62 lakhs as against Rs 139.35 lakhs for the previous year.

CURRENT YEAR

During the current year, your Company expects an increase in demand in the auto and home appliance verticals, while sustaining performance in the electrical vertical.

HUMAN RESOURCES

Happy and enthused employees is one of the strategic goals of your Company as reflected in its employee engagement interventions.

As part of the Talent Development process, your Company continues to invest in premium learning opportunities to groom its next generation of leaders.

RISK MANAGEMENT POLICY

Your Company is exposed to a variety of risks which may impact its operations. These risks are mitigated by using an integrated risk management approach which covers the full range of risks across verticals.

Your Company has formulated a risk management policy which addresses risks which, in the opinion of the Board, may threaten the existence of the Company.

INTERNAL FINANCIAL CONTROLS

Your Company has in place, adequate internal financial controls with reference to financial statements commensurate with the size, scale and complexity of its operations. During the year under review, such controls were tested and no reportable material weaknesses in the design or operation were observed.

CORPORATE SOCIAL RESPONSIBILITY POLICY

Your Board has approved a Corporate Social Responsibility policy in accordance with the relevant provisions of the Companies Act, 2013. The same may be accessed on the Company's website: http://www.mahindraintertrade.com.

An Annual Report on Corporate Social Responsibility activities is attached as Annexure I and forms part of this Report.

POLICY ON PREVENTION OF SEXUAL HARASSMENT

Your Company has put in place a policy for prevention of sexual harassment. Your Company has also constituted an "Internal Complaints Committee" to which employees can address their complaints. During the year under review, no complaints were received by the said Committee.

POLICY FOR REMUNERATION OF DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES AND CRITERIA FOR APPOINTMENT/REMOVAL OF DIRECTORS AND SENIOR MANAGEMENT PERSONNEL

Your Board has, on the recommendation of the Nomination and Remuneration Committee, approved policies for the appointment/removal of directors and senior management personnel together with the criteria for determining qualifications, positive attributes and independence of directors, and policy for remuneration of directors, key managerial personnel and other employees.

These policies are provided as Annexure II and form part of this Report.

AWARDS

Your Company has been the recipient of the following awards during the year.

(a) TPM Excellence Award in Category A at the JIPM Award 2016, Kyoto, Japan.

(b) Runner-up for Customer Service at Manufacturing Today Awards 2016.

(c) 1st Runner-up in Mura Category at the CII 3M Competition.

(d) 5S Excellence Award at the 9th National Cluster Summit.

(e) Appreciation award at CII Kaizen Competition.

(f) Award for Organization with Innovative HR Practices at the 7th Asia Best Employer Brand Awards 2016.

(g) Awarded Bronze for cost reduction competition 2016 at the Excellence Learning Centre.

SHARE CAPITAL

As at March 31, 2017, the authorized equity share capital of your Company was Rs 17,00,00,000 divided into 1,70,00,000 equity shares of Rs 10 each and the paid up equity share capital was Rs 16,53,97,590, divided into 1,65,39,759 equity shares of Rs 10 each, fully paid up. There was no change in the share capital of your Company during the year.

CORPORATE GOVERNANCE

Constitution of the Board

The Board of your Company presently has seven directors. The directors have wide experience in business related to steel, finance and general corporate management.

Board Meetings

Six Board meetings were held during the year, i.e., on April 25, 2016, July 1, 2016, July 25, 2016, August 12, 2016, November 15, 2016 and February 7, 2017 for reviewing the operations and financial results of the Company. Senior executives of your Company attended Board meetings as invitees.

The details of attendance of the Directors at the Board meetings of the Company are as under.

Sr. No.	Name of the Director	Number of meetings attended
1	Mr. Rajeev Dubey	5
2	Mr. Sumit Issar	6
3	Mr. Vijay Arora	5
4	Mr. P. R. Barpande	6
5	Mr. Ajay Mehta	6
6	Mr. Yoshihisa Fujiwara	3
7	Mr. Toyokazu Makino – Alternate Director to Mr. Yoshihisa Fujiwara (with effect from February 7, 2017)	1
8	Mr. Yuta Furuhashi (Up to August 12, 2016)	–
9	Mr. Hajime Kimura – Alternate Director to Mr. Yuta Furuhashi (Up to August 12, 2016)	1

The 23rd Annual General Meeting of the Company was held on June 24, 2016 and an Extraordinary General Meeting was held on November 15, 2016.

Shareholding

Mahindra Intertrade Limited (MIL), a subsidiary of Mahindra Vehicle Manufacturers Limited (MVML), holds 61% of the paid up equity share capital of your Company. The balance 39% is held by Metal One Corporation, Japan.

MVML is a wholly owned subsidiary of Mahindra & Mahindra Limited (M&M). Therefore, your Company is a direct subsidiary of MIL and an indirect subsidiary of MVML and M&M.

REGISTRARS & TRANSFER AGENTS

During the year, your Directors have appointed M/s. Karvy Computershare Private Limited as its Registrars & Transfer Agents (RTA) in place of M/s. Sharepro Services (India) Private Limited.

DIRECTORS

Mr. Toyokazu Makino (DIN: 06626817) was appointed as alternate director to Mr. Fujiwara with effect from February 7, 2017.

Mr. Yuta Furuhashi (DIN: 06941121) resigned as director with effect from August 12, 2016 and consequently Mr. Hajime Kimura (DIN: 07233525) ceased to be his alternate director with effect from the said date.

Mr. Yoshihisa Fujiwara (DIN: 07181962) resigned as director with effect from April 26, 2017 and consequently Mr. Toyokazu Makino (DIN: 06626817) ceased to be his alternate director with effect from the said date.

Mr. Kenichiro Watanabe (DIN: 07246188) and Mr. Shimpei Asada (DIN: 07800080) were appointed as additional directors with effect from August 12, 2016 and April 26, 2017, respectively. They hold office as directors up to the date of the forthcoming Annual General Meeting. Your Company has received notices from Mahindra Intertrade Limited, a member of the Company, signifying their intention to propose the candidature of Mr. Watanabe and Mr. Asada for appointment as directors at the forthcoming Annual General Meeting.

Mr. Rajeev Dubey (DIN: 00104817) will retire by rotation at the forthcoming Annual General Meeting, and being eligible, has offered himself for re-appointment.

Your Board places on record its sincere appreciation of the services rendered by Mr. Furuhashi and Mr. Fujiwara during their tenure as Directors and by Mr. Makino and Mr. Kimura during their tenure as Alternate Directors of your Company.

MEETINGS OF INDEPENDENT DIRECTORS

The Independent Directors of the Company met on February 7, 2017 without the presence of the Chairman, Managing Director, other Non-Executive Directors, Chief Financial Officer, Company Secretary and any other management personnel. The meeting was conducted to discuss the matters pertaining to, inter alia, review of performance of Non-Independent Directors and of the Chairman of the Company and assess the quality, quantity and timeliness of flow of information between the Company management and the Board which is necessary for the Board to effectively and reasonably perform their duties.

EVALUATION OF PERFORMANCE OF DIRECTORS

The Nomination and Remuneration Committee (NRC) carried out an evaluation of the performance of individual directors and the Board evaluated the performance of Independent Directors through a structured questionnaire process covering various aspects such as performance, attendance, et al.

The evaluation of the performance of the Non-independent Directors and of the Board as a whole was carried out by the Independent Directors. The evaluation of the performance of the Chairman of the Company was also carried out by the Independent Directors after taking into account the views of the Managing Director and other Non-executive Directors.

The relevant information in respect of evaluation of performance as above was tabulated and presented to the NRC and to the Board.

DIRECTORS' RESPONSIBILITY STATEMENT

Pursuant to section 134(5) of the Companies Act, 2013, your directors, based on a representation received from operating management, and after due enquiry, confirm that:

(a) In the preparation of annual accounts for the year ended March 31, 2017, the applicable accounting standards have been followed and there were no material departures in following these standards;

(b) they have selected accounting policies in consultation with the statutory auditors and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at March 31, 2017 and of the profit of the Company for the year ended on that date;

(c) they have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

(d) they have prepared annual accounts on a going concern basis;

(e) they have laid down internal financial controls. They have also assessed the adequacy of the Company's internal financial controls over financial reporting as of March 31, 2017 and have found them to be adequate; and,

(f) they have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating efficiently.

CODES OF CONDUCT

Your Company has adopted Codes of Conduct for Corporate Governance ('the Codes') for its directors, and senior management and employees of your Company. These Codes enunciate the underlying principles governing the conduct of the Company's business and seek to reiterate the fundamental precept that good governance must and would always be an integral part of your Company's ethos.

Your Company has, for the year under review, received declarations from its Board members, and from senior management and employees, affirming their compliance with the respective Codes.

1	Mr. Rajeev Dubey	1
2	Mr. P. R. Barpande	1
3	Mr. Sumit Issar	1
4	Mr. Yoshihisa Fujiwara	1

KEY MANAGERIAL PERSONNEL

Pursuant to the provisions of section 2(51) and section 203 of the Companies Act, 2013 read with the Companies (Appointment and Remuneration of Managerial Personnel), Rules, 2014, the following are the Key Managerial Personnel of the Company.

(1) Mr. Sumit Issar, Managing Director.

(2) Mr. Bakul Sheth, Company Secretary.

(3) Mr. Jitendra Rahate, Chief Financial Officer.

DECLARATION BY INDEPENDENT DIRECTORS

The Company has received declarations from the Independent Directors of the Company confirming that they fulfill the criteria of Independence as prescribed under sub-section 6 of section 149 of the Companies Act, 2013.

STATUTORY AUDITORS

M/s. Deloitte Haskins & Sells, Chartered Accountants, Mumbai (Registration No.117365W), will retire as statutory auditors of the Company at the conclusion of the forthcoming Annual General Meeting.

Pursuant to the provisions of section 139(2) of the Companies Act, 2013 ('the Act') read with Companies (Audit and Auditors) Rules, 2014 (effective from April 1, 2014), an unlisted public company having paid-up share capital of Rs 10 crores or more shall not re-appoint an audit firm as auditors for more than two terms of five consecutive years.

Since M/s. Deloitte Haskins & Sells, Chartered Accountants, Mumbai (Firm Registration No. 117365W), the present statutory auditors, have completed two terms of five consecutive years as statutory auditors of the Company, they cannot be appointed as the statutory auditors for any further term.

Your Directors propose to appoint M/s. B S R & Co. LLP (a KPMG member firm), Chartered Accountants, Mumbai (Firm Registration No. 101248W/W-100022) as the statutory auditors of the Company for a period of five consecutive years to hold office from the conclusion of the 24th Annual General Meeting until the conclusion of the 29th Annual General Meeting of the Company, subject to ratification of their appointment and fixation of their remuneration by the members of the Company at each Annual General Meeting.

As required under the provisions of sections 139 and 141 of the Companies Act, 2013, the Company has obtained a written certificate from M/s. B S R & Co. LLP, to the effect that their appointment, if made, would be in conformity with the limits specified in section 139 and that they satisfy the criteria mentioned in section 141 of the Act.

Members of the Company will be required to appoint statutory auditors of the Company for a period of five consecutive years to hold office from the conclusion of the 24th Annual General Meeting until the conclusion of the 29th Annual General Meeting, and to fix their remuneration.

The Auditors' Report issued by M/s. Deloitte Haskins and Sells for the year ended March 31, 2017 does not contain any qualification, reservation or adverse remark.

COST AUDITORS

M/s. Shilpa & Co., Cost Accountants, Nashik (Firm Registration No. 100558), were appointed as Cost Auditors on April 25, 2016 to conduct the audit of cost accounts of the Company for the financial year ending March 31, 2017. Their appointment was intimated to the Central Government vide Form CRA-2 which was filed on June 9, 2016. Remuneration of Cost Auditors was ratified by the shareholders at their Twenty Third Annual General Meeting held on June 24, 2016. The due date for filing the report of the Cost Auditors for the year ended March 31, 2017 is September 27, 2017.

For the year ended March 31, 2016, the due date for filing the report of the Cost Auditors was September, 27, 2016. The same was filed on September 9, 2016.

The Board has, on recommendation of the Audit Committee, re-appointed on April 26, 2017, M/s. Shilpa & Co. as Cost Auditors, at a remuneration of Rs 1,22,000/- against Rs 1,15,500/- for the previous year, (excluding service tax, other levies and out of pocket expenses), to conduct the audit of cost accounts of the Company for the financial year ending March 31, 2018. The shareholders of the Company are required to ratify the said remuneration payable to the Cost Auditors.

As required under the provisions of sections 139, 141 and 148 of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014, the Company has obtained written confirmations from M/s. Shilpa & Co. to the effect that they are eligible for appointment as Cost Auditors and that they are an independent firm of Cost Accountants and have an arm's length relationship with your Company.

STOCK APPRECIATION RIGHTS (SARs)

Your Company has formulated a Stock Appreciation Rights Scheme to reward its employees and to provide an opportunity to them to participate in the growth of the Company. No SARs were granted during the year ended March 31, 2017.

PARTICULARS OF PUBLIC DEPOSITS, LOANS, GUARANTEES OR INVESTMENTS

Your Company has not accepted deposits from the public or its employees during the year under review.

Particulars of loans given, investments made, and guarantees and securities provided pursuant to section 186 of the Companies Act, 2013 are given under the notes to the financial statements and the same form part of this Report.

Your Company has not made any loans/advances which are required to be disclosed in the annual accounts of the Company pursuant to Regulation 34(3) and 53(f) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 applicable to the ultimate parent company Mahindra & Mahindra Limited.

PARTICULARS OF TRANSACTIONS WITH RELATED PARTIES

All transactions entered into by your Company with related parties during the year under review were in the ordinary course of business and at arm's length.

During the year under review, there were no transactions referred to in section 188(1) of the Companies Act, 2013 with related parties of the Company which are required to be disclosed in this Report.

EXTRACT OF ANNUAL RETURN

Pursuant to section 92(3) of the Companies Act, 2013 and Rule 12(1) of the Companies (Management and Administration) Rules, 2014, an extract of the Annual Return as on March 31, 2017 is attached as Annexure III and forms part of this Report.

SAFETY, HEALTH AND ENVIRONMENTAL PERFORMANCE

Your Company subscribes to guidelines on safety, health and environment, and encourages involvement of all its employees in activities related to safety standards. Employees across facilities were trained in behavioural safety at work. An innovative concept in the shape of a safety kiosk to impart safety training to visitors has been installed at the Kanhe plant of the Company. Statutory requirements relating to environmental legislations, and environment protection, have been duly complied with by your Company.

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO

Your Company believes in sustaining a green planet, and strives towards energy conservation.

The particulars relating to Energy Conservation, Technology Absorption and Foreign Exchange Earnings and Outgo, as required under section 134(3)(m) of the Companies Act, 2013 read with Rule 8(3) of the Companies (Accounts) Rules, 2014 are given as Annexure IV to this Report.

GENERAL DISCLOSURE

Your directors state that no disclosure or reporting is required in respect of the following items during the year:

(a) Details relating to deposits covered under Chapter V of the Companies Act, 2013.

(b) Issue of equity shares with differential rights as to dividend, voting or otherwise.

(c) Issue of shares (including sweat equity shares) to employees of the Company under any ESOP scheme, etc.

(d) Particulars of employees as required under Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014.

No significant or material orders were passed by the Regulators or Courts or Tribunals which impact the Company's going concern status and operations in future.

For and on behalf of the Board of Directors of
Mahindra Steel Service Centre Limited

Rajeev Dubey
Chairman

Mumbai: April 26, 2017.

ANNEXURE I TO THE DIRECTORS' REPORT FOR THE FINANCIAL YEAR ENDED MARCH 31, 2017

ANNUAL REPORT ON CSR ACTIVITIES

(1) A brief outline of the Company's CSR policy, including overview of projects or programs proposed to be undertaken and a reference to the web-link to the CSR policy and projects or programmes.

Web-link: http://www.mahindraintertrade.com

The objective of the Company's CSR policy is to–

- Promote a unified and strategic approach to CSR by incorporating under the 'Rise for Good' umbrella the diverse range of its philanthropic initiatives, and causes to work for, thereby ensuring high social impact.
- Encourage employees to participate actively in the Company's CSR activities and give back to society in an organized manner through the employee volunteering programme called ESOPs (Employee Social Options).

The Company has pledged to contribute 2% of its average net profits earned during the three immediately preceding financial years towards CSR initiatives to meet the needs of the local communities where it operates.

Our commitment to CSR will be manifested by investing resources in the following thrust areas:

(i) Eradicating hunger, poverty and malnutrition, promoting health care including preventive health care and sanitation, including contribution to the Swach Bharat Kosh set-up by the Central Government for the promotion of sanitation, and making available safe drinking water;

(ii) Promoting education, including special education and employment enhancing vocation skills especially among children, women, elderly and the differently abled, and livelihood enhancement projects;

(iii) Promoting gender equality, empowering women, setting up homes and hostels for women and orphans; setting up old age homes, day care centres, and such other facilities for senior citizens and measures for reducing inequalities faced by socially and economically backward groups;

(iv) Ensuring environmental sustainability, ecological balance, protection of flora and fauna, animal welfare, agroforestry, conservation of natural resources and maintaining the quality of soil, air and water, including contribution to the Clean Ganga Fund set-up by the Central Government for rejuvenation of river Ganga;

(v) Protection of national heritage, art and culture including restoration of buildings and sites of historical importance and works of art; setting up of public libraries; promotion and development of traditional arts and handicrafts;

(vi) Measures for the benefit of armed forces veterans, war widows and their dependents;

(vii) Training to promote rural sports, nationally recognized sports, paraolympic sports and Olympic sports;

(viii) Contribution to the Prime Minister's National Relief Fund or any other fund set up by the Central Government for socio-economic development and relief and welfare of the Scheduled Castes, the Scheduled Tribes, other backward classes, minorities and women;

(ix) Contribution or funds provided to technology incubators located within academic institutions which are approved by the Central Government;

(x) Rural development projects;

(xi) Slum area development.

The Corporate Social Responsibility Committee (CSR Committee) of the Company shall be responsible for monitoring implementation of the CSR Policy. CSR Committee shall approve and recommend to the Board projects or programmes to be undertaken, the modalities of execution, and implementation schedule thereof.

(2) The Composition of the CSR Committee is: Mr. Rajeev Dubey – Chairman, Mr. Sumit Issar, Mr. P. R. Barpande and Mr. Shimpei Asada.

(3) Average net profit of the Company for last three financial years is Rs 960.36 lakhs.

(4) Prescribed CSR Expenditure (two per cent of the amount as in item 3 above) is Rs 19.22 lakhs.

(5) Details of CSR spent during the financial year:

(a) Total amount to be spent for the financial year: Rs 19.22 lakhs.

Since its inception, the Trust has promoted education by way of scholarships and grants to deserving and needy students. The Trust has facilitated social and economic development through creating a literate, enlightened and empowered population. The Trust is registered as a Public Charitable Trust under the Bombay Public Trusts Act, 1950 and has its office at Cecil Court, Mahakavi Bhushan Marg, Mumbai - 400001.

(6) The Company has duly spent two per cent of the average net profit of the last three financial years or any part thereof.

(7) Members of the CSR Committee confirm that the implementation and monitoring of CSR Policy of the Company is in compliance with the relevant provisions of the Companies Act, 2013.

For and on behalf of the Board of Directors of
Mahindra Steel Service Centre Limited

Sumit Issar
Managing Director

Rajeev Dubey
Chairman of CSR Committee

Mumbai: April 26, 2017.

ANNEXURE II TO THE DIRECTORS' REPORT FOR THE FINANCIAL YEAR ENDED MARCH 31, 2017

POLICY ON APPOINTMENT OF DIRECTORS AND SENIOR MANAGEMENT

DEFINITIONS

The definitions of some of the key terms used in this Policy are given below.

"Board" means Board of Directors of the Company.

"Company" means Mahindra Steel Service Centre Limited (MSSCL).

"Committee(s)" means Committees of the Board for the time being in force.

"Employee" means employee of the Company whether employed in India or outside India including employees in the Senior Management team of the Company.

"HR" means the Human Resource department of the Company.

"Key Managerial Personnel" (KMP) refers to key managerial personnel as defined under the Companies Act, 2013 and includes:

(i) Managing Director (MD) or Chief Executive Officer (CEO) or Manager or Whole time Director (WTD),

(ii) Chief Financial Officer (CFO), and

(iii) Company Secretary (CS).

"Nomination and Remuneration Committee" (NRC) means Nomination and Remuneration Committee of Board of Directors of the Company for the time being in force.

"Senior Management" means personnel of the Company who are members of its core management team excluding Board of Directors comprising all members of management one level below the executive directors, including functional heads.

I. APPOINTMENT OF DIRECTORS

- NRC reviews and assesses Board composition and recommends the appointment of new directors. In evaluating the suitability of an individual Board member, NRC shall take into account the following criteria regarding qualifications, positive attributes and independence of a director as applicable:
  1. All Board appointments will be based on merit, in the context of skills, experience, independence and knowledge required for the Board as a whole to be effective.
  2. Ability of the candidate to devote sufficient time and attention to professional obligations as an Independent Director for balanced decision making.
  3. Adherence to the Code of Conduct and ensuring the highest level of corporate governance, in letter and in sprit, by Directors.
- Based on NRC's recommendation, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board, through the Managing Director, will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act, 2013 and Rules made thereunder.

REMOVAL OF DIRECTORS

If a director is disqualified as per any applicable Act, or rules and regulations thereunder, or due to non-adherence to the applicable policies of the Company, NRC may recommend to the Board, with reasons recorded in writing, removal of a director subject to compliance of the applicable statutory provisions.

SENIOR MANAGEMENT PERSONNEL

NRC shall identify persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down above.

For administrative convenience, senior management personnel will be appointed or promoted and removed/ relieved with the authority of the Managing Director based on business needs and suitability of the candidate.

Managing Director shall report details of such appointments to NRC at least twice in a year.

II. SUCCESSION PLANNING:

Purpose:

The Talent Management Policy sets out the approach to the development and management of talent in the Company to ensure implementation of the strategic business plans of the Company.

Board:

Successors for Independent Directors shall be identified by the NRC at least one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor(s) will be appointed at the earliest but not later than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

Successors for Executive Director(s) shall be identified by the NRC from Senior Management or through external sources as the Board may deem fit.

The Board may also decide at its discretion not to fill a vacancy on the Board.

Senior Management Personnel:

The Company's succession planning program aims to identify high growth individuals, and groom them in order to maintain a robust talent pipeline.

The Company has a process of identifying individuals with high potential and having ability to hold critical positions. Successors are mapped for such positions in order to ensure talent readiness.

The Company participates in the Mahindra Group's Talent Management process which is driven by a collaborative network of Talent Councils across the Group's various Sectors.

POLICY FOR REMUNERATION OF DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES

Purpose

This Policy sets out the approach to Compensation of Directors, Key Managerial Personnel and other employees in Mahindra Steel Service Centre Limited (MSSCL).

Policy Statement

Our compensation philosophy strives to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in business.

In order to effectively implement this, our compensation structure is developed through external benchmarking as appropriate, with relevant players across the industry we operate in.

NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS:

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both fixed and variable, to Non-Executive Directors, including Independent Directors, whether as commission or otherwise. NRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act, 2013 and such other factors as the NRC may deem fit for determining compensation.

The Board shall determine compensation to Non-Executive Directors within the overall limits specified in the Shareholders' resolution.

Executive Directors

The remuneration to Managing Director and Executive Director(s) shall be recommended by NRC to the Board. Remuneration will consist of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders' resolution. While fixed compensation is determined at the time of their appointment, variable compensation will be determined annually by NRC based on their performance.

Key Managerial Personnel (KMPs)

The terms of remuneration of the Chief Executive Officer (CEO), Chief Financial Officer (CFO) and the Company Secretary (CS) shall be determined either by any Director or such other person as may be authorised by the Board.

The above remuneration shall be competitively benchmarked for similar positions in the industry and aligned with their qualifications, experience, and responsibilities. Pursuant to the provisions of section 203 of the Companies Act, 2013, the Board shall approve remuneration of the above KMPs at the time of their appointment.

The remuneration to KMPs involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

Other Employees

We follow a position and level based approach for compensation benchmarking with companies in the steel/ steel service centre and related engineering industries.

We have a CTC (Cost to Company) concept which includes a fixed component (guaranteed pay) and a variable component (performance pay). The percentage of the variable component increases with increasing hierarchy levels as employees at higher positions have a greater impact and influence on the company's overall business result. CTC is reviewed once every year and the compensation strategy for positioning of individuals takes into consideration the following elements:

- Performance
- Potential
- Criticality

Remuneration for other employees will be decided by HR, and approved by the Managing Director, based on factors such as relevant job experience, last compensation drawn, skill-set of the selected candidate, internal equity and related parameters.

The Company may also grant Stock Appreciation Rights to Employees and Directors (other than Independent Directors) in accordance with the Stock Appreciation Rights Scheme of the Company and subject to compliance of the applicable statutes and regulations.

For and on behalf of the Board of Directors of
Mahindra Steel Service Centre Limited

Rajeev Dubey
Chairman

Mumbai: April 26, 2017.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF
MAHINDRA STEEL SERVICE CENTRE LIMITED

Report on the Ind AS Financial Statements

We have audited the accompanying Ind AS financial statements of **Mahindra Steel Service Centre Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2017, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit, we report, to the extent applicable that:
   (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
   (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
   (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
   (d) In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.
   (e) On the basis of the written representations received from the directors as on 31st March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164(2) of the Act.
   (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
   (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements - Refer Note 28(i) to the Ind AS financial statements.

ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

iv. The Company did not have any holdings or dealings in Specified Bank Notes as defined in the Notification S.O. 3407(E) dated the 8th November, 2016 of the Ministry of Finance, during the period from 8th November, 2016 to 30th December, 2016 – Refer Note 43 to the Ind AS financial statements.

2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date to the members of Mahindra Steel Service Centre Limited on the financial statements for the year ended 31st March, 2017)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Mahindra Steel Service Centre Limited (“the Company”) as of 31st March, 2017 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the members of Mahindra Steel Service Centre Limited on the financial statements for the year ended 31st March, 2017)

(i) In respect of its Property, Plant and Equipment:

(a) The Company has maintained proper records showing full particulars, including quantitative details and situation of the Property, Plant and Equipment.

(b) The Company has a program of verification of Property, Plant and Equipment to cover all the items in a phased manner over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on physical verification.

(c) The Company does not have any immovable properties of freehold or leasehold land which have been shown as Property, Plant and Equipment and hence reporting under clause (i)(c) of the CARO 2016 is not applicable.

(ii) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals and no material discrepancies were noticed on physical verification.

(iii) The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Companies Act, 2013.

(iv) The Company has not granted any loans, made investments or provide guarantees and hence reporting under clause (iv) of the CARO 2016 is not applicable.

(v) According to the information and explanations given to us, the Company has not accepted any deposit during the year.

(vi) We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Amendment Rules, 2014 prescribed by the Central Government under sub section (1) of Section 148 of the Companies Act, 2013 and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

(vii) According to the information and explanations given to us in respect of statutory dues:

(a) The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, cess and other material statutory dues applicable to it with the appropriate authorities.

(b) No undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, Cess and any other statutory dues were in arrears as at 31st March, 2017 for a period of more than six months from the date they became payable.

(c) Details of Excise Duty which have not been deposited as on 31st March, 2017 on account of disputes are given below:

Name of Statute	Nature of Dues	Forum where Dispute is Pending	Period to which the Amount Relates	Amount Involved (Rs. in lakhs)	Amount Unpaid (Rs. in lakhs)
Excise Duty Act, 1944	Excise Duty	Commissioner of Customs, Central Excise, Service Tax (Appeals), Bhopal	October 2011 to January 2013 & October 2014, December 2014 and January 2015	100.75	96.97

(viii) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings to banks and government.

(ix) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under clause (ix) of the CARO 2016 Order is not applicable.

(x) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no fraud on the Company by its officers or employees has been noticed or reported during the year.

(xi) In our opinion and according to the information and explanations given to us, the Company is not required to pay any managerial remuneration in respect of the "Managing Director" appointed under section 197 and other applicable provisions of the Companies Act, 2013, from time to time, as per the terms approved.

(xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the CARO 2016 Order is not applicable.

(xiii) In our opinion and according to the information and explanations given to us the Company is in compliance with section 188 and 177 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.

(xiv) During the year the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under clause (xiv) of CARO 2016 Order is not applicable to the Company.

(xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with him and hence provisions of section 192 of the Companies Act, 2013 are not applicable.

(xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

1 Corporate information:

Mahindra Steel Service Centre Limited is a public limited company domiciled in India and is incorporated on 15 January, 1993 under the erstwhile Companies Act, 1956. The registered office of the Company is located at Mahindra Towers, P.K. Kurne Chowk, Worli, Mumbai - 400018.

The Company's main activity is steel processing from the plants located at Kanhe and Bhopal. The Company is principally engaged in processing of automotive and electrical steel and manufacturing of electrical component.

The Company is the subsidiary of Mahindra Intertrade Limited, Mumbai, a Company incorporated in India. The ultimate parent Company is Mahindra and Mahindra Limited.

2 Significant accounting policies:

2.1 Statement of Compliance and Basis of preparation and presentation:

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) Rules, 2016. For all periods upto and including the financial year ended 31 March, 2016, the Company prepared its financial statements in accordance with accounting standards notified under the section 133 of the Companies Act 2013 (Previous GAAP) which includes standards notified under the Companies (Accounting Standards) Rules, 2006. These financial statements for the year ended 31 March 2017 are the Company's first Ind AS financial statements. The date of transition to Ind AS is 1 April, 2015. Refer to note 4 for information on how the Company adopted Ind AS.

All assets and liabilities are classified as current if they are expected to realise or settle within 12 months after the Balance Sheet date.

The financial statements are presented in Indian Rupees (INR) which is also the Company's functional currency. All values are rounded to the nearest lakhs.

The financial statements were approved by the Board of Directors and authorised for issue on 26th April, 2017.

2.2 Property, plant & equipment:

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation less accumulated impairment, if any. Cost includes financing cost relating to borrowed funds attributable to the construction or acquisition of qualifying tangible assets upto the date the assets are ready for use. The estimated useful lives and residual values are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

When an asset is scrapped or otherwise disposed off, the cost and related depreciation are removed from the books of account and resultant profit or loss, if any, is reflected in the Statement of Profit and Loss.

Depreciation is calculated on Straight Line method over the estimated useful life of all assets. These lives are in accordance with Schedule II to the Companies Act, 2013, other than the following asset class based on the Company's expected usage pattern:

(a) Vehicles - 5 years

2.3 Impairment of assets:

At the end of each reporting period, the Company reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing the value in use, the estimated future cash flows are discounted at their present value using the pre-tax discount rate that reflects current market assessment of time value of money and the risks specific to the assets for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit or Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the Statement of Profit or Loss.

2.4 Inventories:

Inventories, except for stores and spares which are valued at cost, are valued at the lower of cost (on weighted average basis) and the net realisable value after providing for obsolescence and other losses, where considered necessary.

Cost comprises of all costs of purchase, conversion and other costs incurred in bringing the inventories to their present location and condition.

Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

Work-in-progress and finished goods include appropriate proportion of overheads and, where applicable, excise duty.

2.5 Foreign Currencies:

Transactions in currencies other than the Company's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences on monetary items are recognised in the Statement of Profit or Loss in the period in which they arise.

2.6 Financial assets and Financial liabilities:

Financial instruments:

Financial assets and financial liabilities are recognised when a Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit or Loss.

Financial assets:

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace. All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Impairment of financial assets:

The Company applies the expected credit loss model for recognising impairment loss on financial assets. With respect to trade receivables, the Company measures the loss allowance at an amount equal to lifetime expected credit losses.

Derecognition of financial assets:

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in the Statement of Profit and Loss if such gain or loss would have otherwise been recognised in the Statement of Profit and Loss on disposal of that financial asset.

Financial liabilities and equity instruments:

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instrument:

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instrument is recognised and deducted directly in equity. No gain or loss is recognised in the Statement of Profit or Loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

Financial liabilities:

All the financial liabilities are subsequently measured at amortised cost using the effective interest method or at fair value through profit and loss.

Derecognition of financial liabilities:

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between the lender of debt instrument with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the term of an existing liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the Statement of Profit or Loss.

Derivative financial instruments:

The Company enters into a variety of derivative financial instruments to manage its exposure to foreign exchange rate risks, including foreign exchange forward contracts. Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in the Statement of Profit and Loss immediately.

2.7 Revenue recognition:

Sale of goods:

Revenue from the sale of goods is recognised when the goods are delivered and titles have passed, at which time all the following conditions are satisfied:

(i) the Company has transferred to the buyer the significant risk and reward of ownership of the goods;

(ii) the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;

(iii) the amount of revenue can be measured reliably;

(iv) it is probable that the economic benefits associated with the transaction will flow to the Company; and

(v) the cost incurred or to be incurred in respect of the transaction can be measured reliably.

Sale of services:

Sale of services are recognised on rendering of such services.

Interest and dividend income:

Interest income is accounted on time proportionate basis. Dividend income is accounted for when the right to receive it is established.

2.8 Government grants:

Government grants are not recognized until there is reasonable assurance that the Company will comply with the conditions attached to them and that the grants will be received.

Government grants that are receivable for the purpose of giving immediate financial support to the Company with no future related costs are recognized in the Statement of Profit or Loss in the year in which they become receivable.

The benefit of a government loan at a below-market rate of interest is treated as a government grant, measured as the difference between proceeds received and the fair value of the loan based on the prevailing market interest rates.

2.9 Employee benefits:

Retirement benefit costs and termination benefits:

Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.

For defined retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the return of plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in the other comprehensive income is reflected immediately in retained earnings and is not reclassified to Statement of Profit or Loss. Past service cost is recognised in Statement of Profit or Loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the defined benefit liability or asset. Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- remeasurement.

The Company presents the first two components of defined benefit costs in the Statement of Profit or Loss in the line item "Employee benefits expense". Curtailment gains and losses are accounted for as past service cost.

The retirement benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

A liability for the termination benefit is recognized at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognizes any related restructuring costs.

Short-term and other long-term employee benefits:

A liability is recognized for benefits accruing to the employees in respect of wages and salaries and annual leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange of that service.

Liabilities recognized in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange of related service.

Liabilities recognized in respect of other long-term employee benefits are measured at present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employee upto the reporting date.

2.10 Stock Appreciation Rights (SARs):

For cash-settled share-based payments, a liability is recognized for the services acquired, measured initially at the fair value of the liability. At the end of each reporting period until the liability is settled, and at the date of settlement, the fair value of the liability is remeasured, with any changes in fair value recognized in the Statement of Profit or Loss for the year.

2.11 Borrowing costs:

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. All other borrowing costs are recognised in the Statement of Profit or Loss in the period in which they are incurred.

2.12 Provisions:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event. It is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

2.13 Taxes on income:

Income Tax expense represents the sum of the tax currently payable and deferred tax.

Current Tax:

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred Tax:

Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases. Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences could be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on the tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax for the year:

Current and deferred tax are recognized in the Statement of Profit or Loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

Minimum Alternate Tax (MAT):

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax against which the MAT paid will be adjusted.

2.14 Cash and cash equivalents:

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.15 Cash Flow Statement:

Cash flows are reported using the indirect method, whereby profit/ (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating investing and financing activities of the Company are segregated based on the available information.

2.16 Earning per share:

Basic earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares outstanding during the year.

2.17 Leases:

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Company as a lessee:

Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the term of the relevant lease.

3 Use of estimates and judgments:

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses etc. at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are included in the following notes:

Note No. 2.2	Property, plant & equipment
Note No. 2.9	Employee benefits

4 First-time adoption of Ind AS – mandatory exceptions and optional exemptions:

4.1 Mandatory exceptions

4.1.1 Accounting estimates:

The Company's estimates in accordance with Ind AS at the date of transition are consistent with previous GAAP (after adjustments to reflect any difference in accounting policies) or are required under Ind AS but not under previous GAAP.

4.1.2 De-recognition of financial assets and financial liabilities:

The Company has applied the de-recognition requirements of financial assets and financial liabilities prospectively for transactions occurring on or after 1 April 2015 (the transition date).

4.1.3 Classification of debt instruments:

The Company has determined the classification of debt instruments in terms of whether they meet the amortised cost criteria or the FVTOCI criteria based on the facts and circumstances that existed as on the transition date.

4.1.4 Impairment of financial assets:

The Company has applied the impairment requirements of Ind AS 109 retrospectively; however, as permitted by Ind AS 101, it has used reasonable and supportable information that is available without undue cost or effort to determine the credit risk at the date that financial instruments were initially recognised in order to compare it with the credit risk at the transition date. Further, the Company has not undertaken an exhaustive search for information when determining, at the date of transition to Ind AS, whether there have been significant increases in credit risk since initial recognition, as permitted by Ind AS 101.

4.1.5 Government loans:

The Company has applied the requirements of Ind AS 109 prospectively to the government loans from the transition date.

4.2 Optional exemptions:

4.2.1 Share-based payments:

The Company has availed the exemption to apply Ind AS 102 to only those Share Based Payment options that remain unvested as on transition date.

4.2.2 Deemed cost for property, plant and equipment and intangible assets:

The Company has not availed the option in para D7AA of considering previous GAAP carrying amount as deemed cost of Property, Plant and Equipment. Accordingly, the Company has determined the carrying amounts as on transition date as required by Ind AS. The difference, if any, has been adjusted to opening retained earning on Ind AS transition date.

Note No. 33 Employee Benefits

(a) Defined Contribution Plan

The Company has recognized, in the Statement of Profit and Loss for the year, an amount of Rs. 38.99 lakhs (FY 2016: Rs. 36.63 lakhs) as expenses under defined contribution plans.

Particulars	For the year ended March 31, 2017 Rs. in Lakhs	For the year ended March 31, 2016 Rs. in Lakhs
Provident Fund	**28.38**	26.79
Pension Fund	**10.61**	9.84
Total	**38.99**	36.63

(b) Defined benefit plans:

(i) GRATUITY

The Company operates a gratuity plan covering qualifying employees. The benefit payable is the greater of the amount calculated as per the Payment of Gratuity Act, 1972 or the Company scheme applicable to the employee. The benefit vests upon completion of five years of continuous service and once vested it is payable to employees on retirement or on termination of employment. In case of death while in service, the gratuity is payable irrespective of vesting.

Nature of Benefits:

The gratuity benefits payable to the employees are based on the employee's service and last drawn salary at the time of leaving. The employees do not contribute towards this plan and the full cost of providing these benefits is met by the Company.

Regulatory framework:

There are no minimum funding requirements for a gratuity plan in India. The trustees of the gratuity fund have a fiduciary responsibility to act according to the provisions of the trust deed and rules. Since the fund is income tax approved, the Company and the trustees have to ensure that they are at all times fully compliant with the relevant provisions of the income tax act and rules. Besides this if the Company is covered by the Payment of Gratuity Act, 1972 then the Company is bound to pay the statutory minimum gratuity as prescribed under this Act.

Governance of Plan:

The Company has setup an income tax approved irrevocable trust fund to finance the plan liability. The trustees of the trust fund are responsible for the overall governance of the plan. The plan is funded under Group Gratuity Scheme which is administered by LIC. The Company makes annual contribution to the plan.

Inherent Risk:

The plan is of a final salary defined benefit in nature which is sponsored by the Company and hence it underwrites all the risks pertaining to the plan. In particular, there is a risk for the Company that any adverse salary growth or demographic experience or inadequate returns on underlying plan assets can result in an increase in cost of providing these benefits to employees in future. Since the benefits are lump sum in nature the plan is not subject to any longevity risks.

(ii) POST-RETIREMENT MEDICAL BENEFITS

The Company provides post-retirement medical cover to select grade of employees to cover the retiring employees and their spouse upto a specified age through mediclaim policy on which the premiums are paid by the Company. The eligibility of the employee for the benefit as well as the amount of medical cover purchased is determined by the grade of the employee at the time of retirement.

Nature of Benefits:

The Company operates a defined benefit post-retirement medical plan. The benefits payable to the employees are post their retirement from the Company. The employees do not contribute towards this plan and the full cost of providing these benefits is met by the Company.

Regulatory framework:

There are no minimum funding requirements for such a post-retirement medical plan in India. The Company has chosen not to fund the post-retirement benefit liabilities of the plan but instead carry a provision based on actuarial valuation in its books of accounts.

Governance of Plan:

The Company is responsible for the overall governance of the plan. Since the plan is unfunded, the governance of the plan is limited to employees being paid the benefits as per the terms of the plan.

Inherent Risk:

The plan is of a defined benefit in nature which is sponsored by the Company and hence it underwrites all the risks pertaining to the plan. In particular, there is a risk for the Company that any adverse increase in healthcare costs or demographic experience can result in an increase in cost of providing these benefits to employees in future. The benefits are also paid Post-retirement upto a specified age of the beneficiaries and the plan carries the longevity risks.

Life expectancy:

The majority of the plan's obligations are to provide benefits for the life of the member, so increases in life expectancy will result in an increase in the plan's liabilities. This is particularly significant in the Company's defined benefit plans, where inflationary increases result in higher sensitivity to changes in life expectancy.

(ix) Actuarial assumptions				
1) Discount rate	**7.05%**	8.00%	**7.05%**	8.00%
2) Medical premium inflation	**–**	–	**6.00%**	7.00%
3) Rate of increase in compensation levels	**10.00%**	10.00%	**10.00%**	10.00%
4) Mortality table	**IALM(2006-08) ult**			

The expected rate of return on plan assets is based on the average long term rate of return expected on investments of the fund during the estimated term of obligation.

The estimate of future salary increases, considered in actuarial valuation, takes account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

(x) Sensitivity analysis:

Gratuity

Gratuity is a lump sum plan and the cost of providing these benefits is typically less sensitive to small changes in demographic assumptions. The key actuarial assumptions to which the benefit obligation results are particularly sensitive to are discount rate and future salary escalation rate. The following table summarizes the impact on the reported defined benefit obligation at the end of the reporting period arising on account of an increase or decrease in the reported assumption by 100 basis points.

These sensitivities have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the accounting date. There have been no changes from the previous periods in the methods and assumptions used in preparing the sensitivity analyses.

The sensitivity of the gratuity benefits to changes in the weighted principal assumptions is:

Rs. in Lakhs

Principal assumption	**Year**	**Changes in assumption**	**Impact on defined benefit obligation**	
			Increase in assumption	**Decrease in assumption**
Discount rate	**2017**	**1%**	**147.65**	**175.67**
	2016	1%	121.13	143.34
	2015	1%	93.02	110.56
Salary growth rate	**2017**	**1%**	**174.02**	**148.34**
	2016	1%	142.04	121.58
	2015	1%	109.94	93.27

Post-retirement medical benefits

The benefit obligation results for the cost of paying future hospitalization premiums to insurance company in future for the employee/beneficiaries during their lifetime is sensitive to discount rate and future increase in healthcare costs.

The following table summarizes the impact on the reported defined benefit obligation at the end of the reporting period arising on account of changes in these three key parameters:

These sensitivities have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the accounting date. There have been no changes from the previous periods in the methods and assumptions used in preparing the sensitivity analyses.

The sensitivity of the post-retirement medical benefit obligation to changes in the weighted principal assumptions is:

Rs. in Lakhs

Principal assumption	**Year**	**Changes in assumption**	**Impact on defined benefit obligation**	
			Increase in assumption	**Decrease in assumption**
Discount rate	**2017**	**1%**	**5.88**	**8.01**
	2016	1%	3.58	5.00
	2015	1%	1.11	1.57
Medical inflation rate	**2017**	**1%**	**8.02**	**5.86**
	2016	1%	5.00	3.57
	2015	1%	1.59	1.09

(xi) Expected contributions for the next year:

The Company expects to contribute Rs. 10 lakhs to the gratuity trusts during the next financial year of 2018.

(xii) Maturity profile:

Gratuity **Rs. in Lakhs**

Maturity profile of defined benefit obligation:	**2017**	2016	2015
Within 1 year	**11.97**	10.44	8.47

Notes:

1) In respect of the outstanding balances recoverable, no provision for doubtful debts was made in respect of these parties.

2) During the year there were no amounts written off from such parties.

3) The sales/provision of services to and purchases/provision of services from related parties are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances at the year-end are unsecured and interest free and settlement occurs in cash. There have been no guarantees provided or received for any related party receivables or payables. During the year, the Company has not recorded any impairment of receivables relating to amounts owed by related parties (March 31, 2016: Rs. Nil, April 1, 2015: Rs. Nil). This assessment is undertaken each financial year through examining the financial position of the related party and the market in which the related party operates.

Note No. 36 Financial instruments

[I] Capital management

The Company's capital management objectives are:

- to ensure the Company's ability to continue as a going concern.
- to provide an adequate return to shareholders by pricing products and services commensurately with the level of risk.

The capital structure of the Company consists of net debt (borrowings as detailed in note 13 and 16 and offset by cash and cash equivalents) and total equity of the Company.

The Company monitors capital using a gearing ratio, which is net debt divided by total capital. The Company's policy is to keep the gearing ratio within 150%.

The Company sets the amount of capital in proportion to its overall financing structure, i.e. equity and financial liabilities. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

Rs. in Lakhs

Particulars	**As at March 31, 2017**	As at March 31, 2016	As at April 1, 2015

Equity	**9,815.71**	9,624.27	9,211.35
Gearing ratio	**32%**	33%	29%

[II] Financial risk management framework

The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk and market risk. In order to manage the aforementioned risks, the Company operates a risk management policy and a program that performs close monitoring of and responding to each risk factors.

A. CREDIT RISK

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primary trade receivables) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

(i) Trade receivables

Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on payment performance over the period of time and financial analysis including credit rating issued by credit rating agencies. Outstanding customer receivables are regularly monitored and any shipments to other small customers are generally covered by letters of credit. At March 31, 2017, the Company had 8 customers that owed the Company more than Rs. 53 lakhs each and accounted for approximately 90% of all the receivables outstanding. (At 31 March, 2016, the Company had 7 customers that owed the Company more than Rs. 78 lakhs each and accounted for approximately 94% of all the receivables outstanding).

An impairment analysis is performed at each reporting date on an individual basis for major customer. The Company does not hold collateral as security.

(ii) Financial instruments and cash deposits:

Credit risk from balances with banks and financial institutions is managed by the Company in accordance with the Company's policy. Investments of surplus funds are made only with approved mutual fund or banks and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the Company on an annual basis, and may be updated throughout the year subject to approval of the Group's Finance Committee. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

B. LIQUIDITY RISK

(i) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Company's short-term, medium-term and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

(ii) Maturities of financial liabilities

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows.

To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rate curves at the end of the reporting period. The contractual maturity is based on the earliest date on which the Company may be required to pay.

Rs. in Lakhs

Particulars	**Weighted average effective interest rate**	**Less than 1 Year**	**1-3 Years**	**3-5 Years**	**Total**	**Carrying amount**
Non-derivative financial liabilities						
As at March 31, 2017						
Non-interest bearing		**2,390.49**	**205.39**	**55.20**	**2,651.08**	**2,651.08**

Total		**7,327.65**	**275.59**	**55.20**	**7,658.44**	**7,630.65**
As at March 31, 2016						
Non-interest bearing		3,580.63	207.28	153.40	3,941.31	3,941.31
Variable interest rate instruments	5.11%	6,094.34	366.00	–	6,460.34	6,348.53
Total		9,674.97	573.28	153.40	10,401.65	10,289.84
As at April 1, 2015						
Non-interest bearing		2,500.60	208.53	253.86	2,962.99	2,962.99
Variable interest rate instruments	4.00%	6,532.40	845.83	69.64	7,447.87	7,186.01
Total		9,033.00	1,054.36	323.50	10,410.86	10,149.00

Sensitivity interest rate increase by 1%:

Profit will decrease on variable interest rate instrument by Rs. 49.80 lakhs for the year ended 31 March, 2017 (Rs. 63.49 lakhs for the year ended March 31, 2016).

Sensitivity interest rate decrease by 1%:

Profit will increase on variable interest rate instrument by Rs. 49.80 lakhs for the year ended 31 March, 2017 (Rs. 63.49 lakhs for the year ended March 31, 2016).

The following table details the Company's liquidity analysis for its derivative financial instruments. The table has been drawn up based on the undiscounted contractual net cash inflows and outflows on derivative instruments that settle on a net basis, and the undiscounted gross inflows and outflows on those derivatives that require gross settlement.

Rs. in Lakhs

Particulars	Less than 1 Year	1-3 Years	3-5 Years	5 Years and above
Derivative financial instruments				
31 March, 2017				
Gross settled:				
– foreign exchange forward contracts	**84.35**	**–**	**–**	**–**
31 March, 2016				
Gross settled:				
– foreign exchange forward contracts	41.56	–	–	–
31 March, 2015				
Gross settled:				
– foreign exchange forward contracts	14.56	–	–	–

(iii) Maturities of financial assets

The following table details the Company's expected maturity for its non-derivative financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets. The inclusion of information on non-derivative financial assets is necessary in order to understand the Company's liquidity risk management as the liquidity is managed on a net asset and liability basis.

Rs. in Lakhs

Particulars	Less than 1 Year	1-3 Years	3-4 Years	5 Years and above	Carrying amount
Non-derivative financial assets					
31 March, 2017					
Non-interest bearing.....	**5,462.10**	–	–	**6.28**	**5,468.38**

Secured working capital non–fund based facility: (LC, BG, LUT, LER)...	**4,662.80**	2,149.00	1,294.00
– Expiring within one year	**4,662.80**	2,149.00	1,294.00
Total	**5,409.84**	2,649.00	2,794.00

C. MARKET RISK

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. The Company uses derivatives to manage market risks. Derivatives are only used for economic hedging purposes and not as speculative investments. All such transactions are carried out within the guidelines set by the Board of Directors.

(i) Currency Risk

The Company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise. The Company's exposure to currency risk relates primarily to the Company's operating activities and borrowings when transactions are denominated in a different currency from the Company's functional currency.

The Company manages its foreign currency risk by hedging transactions that are expected to occur within a maximum 12 month period for hedges of forecasted sales and purchases and for 36 months period for borrowings.

When a derivative is entered into for the purpose of being a hedge, the Company negotiates the terms of those derivatives to match the terms of the hedged exposure. For hedges the derivatives cover the period of exposure from the point the cash flows of the transactions are forecasted up to the point of settlement of the resulting receivable or payable that is denominated in the foreign currency.

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows.

Figures in Lakhs

Particulars	Currency	March 31, 2017	March 31, 2016	April 1, 2015
Trade payables/acceptance	USD	**38.29**	72.26	77.82
Payable for property, plant and equipment	JYP	–	–	75.00
Foreign currency loan (import of material)	USD	**3.55**	–	–
Foreign currency loan (import of machinery)	USD	**5.69**	5.64	5.67

Of the above foreign currency exposures, the following exposures are not hedged by a derivative:

Figures in Lakhs

Particulars	Currency	March 31, 2017	March 31, 2016	April 1, 2015
Trade payables/acceptance	USD	**6.61**	45.86	27.98

(ii) Interest rate risk

Refer note B (ii) for interest rate sensitivity.

(iii) Raw material price risk

The Company does not have significant risk in raw material price variations. In case of any variation in price, same is passed on to the customer through appropriate adjustments to selling prices.

There has been no significant changes to the Company's exposure to market risk or the methods in which they are managed or measured.

Note No. 37 Fair value measurement

Fair valuation techniques and inputs used

This section explains the judgment and estimates made in determining the fair value of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair value are disclosed in financials statements. To provide an indication about the reliability of the inputs used in determining the fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standards.

Level 1 inputs:

Level 1 inputs are quoted prices in active markets for identical assets or liabilities that the entity can access at the measurement date. A quoted market price in an active market provides the most reliable evidence of fair value and is used without adjustment to measure fair value whenever available, with limited exceptions. If an entity holds a position in a single asset or liability and the asset or liability is traded in an active market, the fair value of the asset or liability is measured within Level 1 as the product of the quoted price for the individual asset or liability and the quantity held by the entity, even if the market's normal daily trading volume is not sufficient to absorb the quantity held and placing orders to sell the position in a single transaction might affect the quoted price.

Level 2 inputs:

Level 2 inputs are inputs other than quoted market prices included within level 1 that are observable for the asset or liability, either directly or indirectly.

Level 2 inputs include:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in markets that are not active
- inputs other than quoted prices that are observable for the asset or liability, for example interest rates and yield curves observable at commonly quoted interval
- implied volatilities
- credit spreads
- inputs that are derived principally from or corroborated by observable market data by correlation or other means ('market-corroborated inputs')

Level 3 inputs:

Level 3 inputs are unobservable inputs for the asset or liability. Unobservable inputs are used to measure fair value to the extent that relevant observable inputs are not available, thereby allowing for situations in which there is little, if any, market activity for the asset or liability at the measurement date. An entity develops unobservable inputs using the best information available in the circumstances, which might include the entity's own data, taking into account all information about market participant assumptions that is reasonably available.

Financial assets/financial liabilities measured at Fair value

Financial assets/ financial liabilities	**March 31, 2017**	March 31, 2016	April 1, 2015	Fair value hierarchy	**Valuation technique(s) and key input(s)**	**Significant unobservable input(s)**	**Relationship of unobservable inputs to fair value and sensitivity**
Other Financial Liabilities....................							
Foreign currency forward contracts.......	**84.35**	41.56	14.56	Level 2	Discounted cash flow. Future cash flows are estimated based on forward exchange rates (from observable forward exchange rate at the end of the reporting period) and contract forward rate that reflects the credit risk of various counter parties.	NA	NA
Total financial liabilities...................	**84.35**	41.56	14.56				

The fair values of the financial assets and financial liabilities included in the level 2 category above have been determined in accordance with generally accepted pricing models based on a discounted cash flow analysis, with the most significant inputs being the discount rate that reflects the credit risk of counterparties.

Fair value of financial assets and financial liabilities that are not measured at fair value

The Company considers that the carrying amount of financial assets and financial liabilities recognised in the financial statements approximate their fair value.

Note No. 38 Lease premium

Company has taken land situated at Bhopal, Madhya Pradesh and Kanhe, Maharashtra on lease for 99 years. The balance amount of lease premium paid for the period of lease of land has been disclosed as prepaid expenses and is being amortised over the period of lease on straight line basis. The amount charged to the Statement of Profit and Loss is Rs. 2.09 lakhs. (FY 2016: Rs. 2.09 lakhs).

Note No. 40 Corporate Social Responsibility (CSR)

The CSR obligation for the year as computed by the Company and relied upon by the auditors is Rs. 19.22 lakhs (FY 2016: Rs. 15.24 lakhs). CSR amount spent during the year is Rs. 19.50 lakhs (FY 2016: Rs. 15.53 lakhs).

Note No. 41 Stock Appreciation Rights (SARs)

In accordance with the directions and recommendations of the Nomination and Remuneration Committee of the Company, the Company grants SARs to eligible employees/directors. SARs granted would vest over a period of five years, or such period as stipulated by the Nomination and Remuneration Committee, from the date of grant. Upon vesting of SARs, eligible employees are entitled to earn cash benefits as prescribed.

One SAR shall be entitled to a cash benefit which would be the difference between the Fair Value of one fully-paid Equity Share of the holding company on the exercise date less the face value of the equity share of the holding company on the grant date. Provided, however, that once SARs have vested, an eligible employee will have the option to exercise the same within a maximum period of three years from the vesting date during such periods of time as determined by the Company.

Once SARs are vested and exercised by an employee, the Company would, within a period of 90 days from the exercise date, compute the cash benefit due in respect of those SARs and pay the same to the employee after deducting the applicable income tax at source. The latest available fair value of the Company's equity share would be considered for computing the said cash benefit.

If an eligible employee fails to exercise the SARs within a period of three years as aforesaid, the unexercised SARs will lapse and the Company's liability for such unexercised SARs will cease.

The Company has granted Stock Appreciation Rights ("SARs") to eligible employees in accordance with the Stock Appreciation Rights Scheme 2013 (SARS-2013) during the years ended March 31, 2013, March 31, 2014, March 31, 2015 and March 31, 2016.

IX Total comprehensive income for the year (VII + VIII)		549.00	62.99	611.99

Note: Previous GAAP figures have been regrouped/reclassified wherever necessary to correspond with the current year classification/disclosure.

(vi) Notes to Reconciliation

(1) Under previous GAAP, leasehold land was considered as tangible fixed asset and was amortised over the period of the lease. Under Ind AS, interest in leasehold land is considered as leases as per definition and classification criteria in Ind AS 17. Accordingly, in respect of net written down value of leasehold land as at March 31, 2016, Rs. 50.85 lakhs (as at April 1, 2015 Rs. 52.94 lakhs) has been classified under other non current assets Rs. 48.76 lakhs and under other current assets Rs. 2.09 lakhs (As at April 1, 2015 Rs. 50.85 lakhs and Rs. 2.09 lakhs respectively). Similarly, the amortisation of leasehold land for the year ended March 31, 2016 of Rs. 2.09 lakhs has been classified under other expenses as part of rent including lease rentals.

This change does not affect total equity as at April 1, 2015 and March 31, 2016, profit before tax or profit for the year ended March 31, 2016.

(2) Under previous GAAP, the exchange differences relating to long term foreign currency monetary items, to the extent they are used for financing and acquisition of Property, Plant and Equipment are added to or subtracted from the cost of depreciable Property, Plant and Equipment to which the monetary item relates and depreciated over the remaining useful life of such assets. Under Ind AS such exchange differences do not form part of cost of Property, Plant and Equipment in accordance with Ind AS 21. Accordingly, as on April 1, 2015 (date of first time adoption of Ind AS) exchange differences capitalized Rs. 576.67 lakhs and accumulated depreciation thereon of Rs. 114.33 lakhs has been decapitalised from Property, Plant and Equipment and Rs. 305.19 lakhs (net of deferred tax of Rs. 157.15 lakhs) has been charged to other equity (retained earnings). Similarly, the Company has for the year ended March 31, 2016, derecognised Rs. 7.78 lakhs from Property, Plant and Equipment and Rs. 74.84 lakhs from depreciation on Property, Plant and Equipment.

The net effect of this change is a decrease in total equity as at March 31, 2016 of Rs. 264.59 lakhs (as at April 1, 2015 Rs. 305.19 lakhs), and increase of Rs. 67.06 lakhs in profit before tax and increase of Rs. 40.60 lakhs in profit for the year ended March 31, 2016.

(3) Under previous GAAP, the Company adopted intrinsic value method for accounting compensation cost of Stock Appreciation Rights (SARs). Under the Ind AS, fair value has been adopted to recognize liability under SARs for the services acquired.

Due to adoption of fair value, the employee cost for the year ended March 31, 2016 is decreased by Rs. 4.16 lakhs.

The effect of this change is an increase in total equity as at March 31, 2016 of Rs. 4.75 lakhs (as at April 1, 2015 Rs. 1.97 lakhs (net of tax Rs. 1.02 lakhs)) and increase of Rs. 4.16 lakhs in profit before tax and increase of Rs. 2.78 lakhs in profit for the year ended March 31, 2016.

(4) Under previous GAAP, the Company recognised the movements in time value of forward element of forward contracts in the Statement of Profit and Loss in the year in which they arose. Under Ind AS, derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period and the resulting gain or loss is recognised in the Statement of Profit and Loss immediately.

The effect of this change is an increase in total equity as at March 31, 2016 of Rs. 1.79 lakhs (as at April 1, 2015 decrease of Rs. 17.82 lakhs), and increase of Rs. 24.35 lakhs in profit before tax and increase of Rs. 19.61 lakhs in profit for the year ended March 31, 2016.

(5) Under previous GAAP, dividends on equity shares recommended by the Board of Directors after the end of the reporting period but before the financial statements were approved for issue were recognized in the financial statements as a liability. Under Ind AS, such dividends are recognized when declared by the members in a general meeting. The effect of this change is an increase in total equity as at March 31, 2016 of Rs. 139.35 lakhs (April 1, 2015 Rs. 199.07 lakhs), but does not affect profit before tax and total profit for the year ended March 31, 2016.

(6) Under previous GAAP, actuarial gains and losses on remeasurement of net defined benefit obligation were recognized in the Statement of Profit or Loss. Under Ind AS, the actuarial gains and losses form part of remeasurement of the net defined benefit obligation which is recognised in other comprehensive income. Consequently, the tax effect of the same has also been recognized in other comprehensive income under Ind AS instead of the Statement of Profit or Loss. The actuarial loss for the year ended March 31, 2016 was Rs. 10.89 lakhs and the tax effect thereon Rs. 3.60 lakhs (current Tax of Rs. 2.76 lakhs and Deferred Tax of Rs. 0.84 lakhs). This change does not affect total equity, but there is an increase in profit before tax and in profit for the year ended March 31, 2016 of Rs. 10.89 lakhs and Rs. 7.29 lakhs respectively.

(7) Due to transition to Ind AS from previous GAAP, following adjustments were made to deferred tax liability (DTL) (net) as on March 31, 2016 and April 1, 2015.

Rs. in Lakhs

Particulars	As on March 31, 2016	As on April 1, 2015
Balance as per previous GAAP....................	998.52	1,062.17
Decrease in DTL on account of charge of foreign currency loss on foreign currency monetary items used for financing or for acquisition of Property, Plant and Equipment	(130.69)	(157.15)
Decrease in DTL on recognition of fair valuation of forward exchange contracts and derecognition of forward premium........	(4.43)	(9.17)
Increase in DTL on recognition of cash settled share based payment liability at fair value......	2.40	1.02
Balance as per Ind AS	865.80	896.87

(8) Reconciliation of Deferred Tax Expenses/(credit) for the year ended March 31, 2016.

	Rs. in Lakhs
Deferred tax credit as per previous GAAP	(63.65)
A. Charge to Profit and loss account on account of	
1) foreign currency loss on foreign currency monetary items used for financing or for acquisition of Property, Plant and Equipment	26.46
2) expenses on recognition of fair valuation of forward exchange contracts and derecognition of forward premium	4.74
3) expenses on recognition of cash settled share based payment liability at fair value	1.38
B. Deferred tax impact on remeasurements of the defined benefit liabilities has been disclosed under Other Comprehensive Income	0.84
Deferred tax income as per Ind AS	(30.23)

(9) Under previous GAAP, revenue from sale of products was presented net of excise duty under revenue from operations. Whereas, under Ind AS, revenue from sale of products includes excise duty. The corresponding excise duty expense of Rs. 2,077.79 lakhs for the year ended March 31, 2016 is presented separately on the face of the Statement of Profit and Loss as excise duty on sale of products (including scrap sale).

This change does not affect total equity as at March 31, 2016, profit before tax or profit for the year ended March 31, 2016.

Note No. 43 Details of the Specified Bank Notes (SBN) held and transacted during the period from November 8, 2016 to December 30, 2016

DIRECTORS' REPORT

Your Directors present their Eighth Report, together with the audited financial statement of your Company for the year ended 31st March, 2017.

(Amount in Rs.)

FINANCIAL HIGHLIGHTS AND STATE OF COMPANY'S AFFAIRS	**For the year ended 31st March, 2017**	#For the year ended 31st March, 2016
Income	–	74,81,599
Profit/(Loss) before taxation	**(1,04,92,189)**	(29,58,134)
Less: Provision for taxation:	**28,20,134**	15,59,904
Profit/(Loss) for the year after tax	**(76,72,055)**	(13,98,230)
Balance brought forward from earlier years	**(44,39,032)**	(30,40,802)
Loss carried forward to balance sheet	**(1,21,11,087)**	(44,39,032)
Net worth	**(91,11,087)**	(39,39,032)

 # The aforesaid financial highlights are based on the Company's first Ind AS audited financial statements for the year ended 31st March 2017 which are required to be prepared in accordance with the Accounting Standards as notified under section 133 of the Companies Act, 2013. Figures for the year ended 31st March 2016 have been restated as per the new Accounting Standards Ind AS to make them comparable with the figures for the year ended 31st March 2017.

No material changes and commitments have occurred after the close of the year till the date of this report which affect the financial position of your Company.

OPERATIONS

Your Company is currently evaluating options for its project in Western India. During the previous year, your Company had sold its land at Naini at a profit. Therefore your Company's income for the year under review was Rs. NIL as against Rs. 74.82 Lakhs in the previous year. The loss after tax for the year was Rs. 76.72 Lakhs as against a loss of Rs. 13.98 Lakhs in the previous year.

The Company does not have any Subsidiaries, Joint Ventures or Associates.

DIVIDEND

Your directors do not recommend any dividend on equity shares for the year.

SHARE CAPITAL

The authorised share capital of your Company as on 31st March, 2017 stood at Rs. 15 crores divided into 1,50,00,00 equity shares of Rs. 10/- each. The paid-up share capital of the Company as on 31st March, 2017 stood at Rs. 30 Lakhs divided into 3,00,000 equity shares of Rs. 10/- each.

BOARD OF DIRECTORS

Composition:

Presently the Board comprises of the following Directors:

Name of the Director and DIN	Designation	Executive/Non-Executive	Independent/Non-Independent
Mr. Rajeev Dubey (00104817)	Director	Non-Executive	Non-Independent
Mr. Sumit Issar (06951249)	Director	Non-Executive	Non-Independent

Mr. Rajeev Dubey retires by rotation at the forthcoming Annual General Meeting and being eligible, has offered himself for re-appointment.

There have not been any changes in Directors during the year.

The Directors have immense experience in business related to trading, finance and general corporate management.

Board Meetings and Annual General Meeting of the Company:
The Board met four times during the year under review, i.e., on 26th April, 2016, 18th July, 2016, 15th November, 2016 and 7th February, 2017. The gap between two consecutive Board Meetings did not exceed 120 days. The 7th Annual General Meeting of the Company was held on 24th June, 2016.

The attendance of the Directors at the Board Meetings of the Company were as under:-

Name of the Director	No. of Board Meetings attended
Mr. Sumit Issar	4
Mr. Rajeev Dubey	4

Your Company is not required to constitute any mandatory committees of the Board.

Provisions relating to annual evaluation of Board, Committees and individual Directors are not applicable to your Company.

DIRECTORS' RESPONSIBILITY STATEMENT

Pursuant to Section 134(3)(c) of the Companies Act, 2013, your Directors based on representation from operating management and after due enquiry confirm that:

(i) In the preparation of the annual accounts, the applicable accounting standards have been followed and there have been no material departures;

(ii) Accounting policies have been selected in consultation with the Statutory Auditors and these have been applied consistently and reasonable and prudent judgments and estimates have been made so as to give a true and fair view of the state of affairs of the Company as at 31st March, 2017 and of the Loss of the Company for the year ended on that date;

(iii) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

(iv) The annual accounts have been prepared on a going concern basis.

(v) The Company has laid down internal financial controls. The Company has also assessed the adequacy of the Company's internal controls over financial reporting as of 31st March, 2017 and have found them to be adequate.

(vi) Proper systems have been devised to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

STATUTORY AUDITORS

Pursuant to the provisions of Section 139 of the Companies Act, 2013 ("Act"), the Shareholders of the Company at their Fifth Annual General Meeting, held on 19th August, 2014 had re-appointed, M/s. Deloitte Haskins & Sells, Chartered Accountants, Mumbai (Firm Registration No. 117365W), as Auditors of the Company to hold office from the conclusion of Fifth Annual General Meeting, until the conclusion of the Tenth Annual General Meeting ("AGM") of the Company to be held in the year 2019.

As per Section 139, their appointment was required to be ratified at the ensuing AGM of the Company.

M/s. Deloitte Haskins & Sells, Chartered Accountants, Mumbai (Firm Registration No. 117365W) has given a Letter in writing under section 139(9)(b) of the Companies Act, 2013, to the Company stating that they do not wish to seek ratification of their appointment as statutory auditors at the ensuing AGM of the Company and the Members were informed about the same.

Pursuant to the above, a special notice has been received under section 140(4)(i) of the Companies Act, 2013 from Mahindra Intertrade Limited, Shareholder of the Company, holding 100% of the paid up share capital of the Company (along with nominees), in compliance with Section 115 of the Companies Act, 2013, proposing the appointment of M/s. B S R & Co. LLP (a KPMG Member Firm) Chartered Accountants, Mumbai (Firm Registration No. 101248W/W-100022) as the Statutory Auditors of the Company in place of retiring Auditors viz. M/s. Deloitte Haskins & Sells, for a period of 5 consecutive years from conclusion of the 8th AGM till the conclusion of 13th AGM of the Company to be held in the year 2022.

The written consent of the proposed auditors together with a certificate that the appointment, if made, shall be in accordance with the conditions specified in Rule 4 of the Companies (Audit and Auditors) Rules, 2014 has been received.

The Board of Directors of your Company at their Meeting held on 26th April, 2017, has considered the qualifications and experience of the proposed auditors and recommends to the Members of the Company, the appointment of M/s. B S R & Co. LLP (a KPMG Member Firm) Chartered Accountants, Mumbai (Firm Registration No. 101248W/W-100022) as the Statutory Auditors of the Company for a period of 5 consecutive years from conclusion of the 8th AGM till the conclusion of 13th AGM of the Company to be held in the year 2022, at a remuneration to be fixed by the Shareholders of the Company.

Your Directors confirm that the Auditors Report for the year ended 31st March, 2017, does not contain any qualification, reservation or adverse remark.

FRAUDS REPORTED BY AUDITORS

During the year under review, the Statutory Auditors have not reported any instance of fraud committed in the Company by its officers or employees to the Board of Directors under Section 143(12) of the Companies Act, 2013, details of which needs to be mentioned in this report.

SECRETARIAL AUDITOR, COST AUDITOR AND INTERNAL AUDITOR

During the year under review, the provisions relating to Secretarial Auditor, Cost Auditor and Internal Auditor were not applicable to your Company.

INTERNAL FINANCIAL CONTROLS

Your Company has in place, adequate internal financial controls with reference to Financial Statements, commensurate with the size, scale and complexity of its operations. During the year, such controls were tested and no reportable material weaknesses in the design or operation were observed.

RISK MANAGEMENT POLICY

Your Company has formulated a Risk Management Policy which identifies and evaluates risks and frames a response to mitigate the risks which may threaten the existence of the Company.

Implementation of the Risk Management Policy is expected to be helpful in managing the risks associated with the business of the Company.

PARTICULARS OF PUBLIC DEPOSITS, LOANS, GUARANTEES OR INVESTMENTS

Your Company has not accepted any deposits from the public or its employees during the year under review. There were no deposits which are not in compliance with the requirements of Chapter V of Companies Act, 2013.

The Company has not granted any loans, provided any securities and not made any investments pursuant to Section 186 of the Companies Act, 2013 during the year under review. Your Company has not obtained any loans/advances which are required to be disclosed in the annual accounts of the Company pursuant to Regulations 34(3) and 53(f) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with Schedule V applicable to the ultimate Parent Company, Mahindra & Mahindra Limited.

PARTICULARS OF TRANSACTIONS WITH RELATED PARTIES

There are no contracts or arrangements under Section 188(1) of the Companies Act, 2013 with related parties of the Company which require reporting under Form No. AOC-2. Details of the transactions with related parties as required to be reported in line with the applicable accounting standards may be referred to under notes to the financial statements.

EXTRACT OF ANNUAL RETURN

Pursuant to Section 92(3) of the Companies Act, 2013 read with Rule 12(1) of the Companies (Management and Administration) Rules, 2014, an extract of the Annual Return as on 31st March, 2017 is furnished as **Annexure I** and forms part of this report.

DISCLOSURE AS PER THE SEXUAL HARASSMENT OF WOMEN AT WORKPLACE (PREVENTION, PROHIBITION AND REDRESSAL) ACT, 2013

Your Company has in place a Policy on Prevention of Sexual Harassment of Women. Your Company has also constituted an “Internal Complaints Committee” to which employees can address their complaints. During the year, no complaints were received by the said Committee.

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO

Particulars relating to conservation of energy, technology absorption and foreign exchange earnings and outgo, as required under Section 134(3)(m) of the Companies Act, 2013 read with Rule 8(3) of the Companies (Accounts) Rules, 2014, are furnished in **Annexure II** and form part of this report.

DISCLOSURE OF PARTICULARS OF EMPLOYEES AS REQUIRED UNDER RULE 5(2) OF THE COMPANIES (APPOINTMENT AND REMUNERATION OF MANAGERIAL PERSONNEL) RULES, 2014

Being an unlisted company, provisions of Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 are not applicable to your Company.

GENERAL DISCLOSURES:

Your Directors state that no disclosure or reporting is required in respect of the following items as they were not applicable to your Company during the year under review:

- Issue of equity shares with differential rights as to dividend, voting or otherwise.
- Issue of shares (including sweat equity shares) to employees of the Company under any scheme.
- Shares having voting rights not exercised directly by the employees and for the purchase of which or subscription to which loan was given by the Company.
- Provisions relating to Corporate Social Responsibility enumerated under section 135 of the Companies Act, 2013 read with the Companies (Corporate Social Responsibility Policy) Rules, 2014.
- Significant or material orders were passed by the Regulators or Courts or Tribunals which impact the Company’s going concern status and operations in future.
- Provisions relating to establishment of Vigil Mechanism enumerated under Section 177 of the Companies Act, 2013 read with the Companies (Meetings of Board and its Powers) Rules, 2014.

ACKNOWLEDGEMENTS

Your Directors are pleased to take this opportunity to thank the bankers, customers, vendors, all the other stakeholders for their co-operation to the Company during the year under review.

For and on behalf of the Board

Rajeev Dubey
Director

Sumit Issar
Director

Mumbai, 26th April, 2017

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF
MAHINDRA ELECTRICAL STEEL PRIVATE LIMITED

Report on the Ind AS Financial Statements

We have audited the accompanying Ind AS financial statements of **Mahindra Electrical Steel Private Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2017, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017, and its loss, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Emphasis of Matters

We draw attention to Note 22 to the financial statements, as stated in the Note, although the net worth of the Company is negative at the year end, the financial statements have been prepared on a going concern basis for the reason stated therein.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, to the extent applicable that:

    a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

    b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

    c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.

    d) In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.

    e) The going concern matter described under the Emphasis of Matters paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.

f) On the basis of the written representations received from the directors as on 31st March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164(2) of the Act.

g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure A”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.

h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

   i. The Company does not have any pending litigations which would impact its financial position.

   ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

   iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

   iv. The Company did not have any holdings or dealings in Specified Bank Notes as defined in the Notification S.O. 3407(E) dated the 8th November, 2016 of the Ministry of Finance, during the period from 8th November, 2016 to 30th December, 2016.-Refer Note 28 to the Ind AS financial statements.

2. As required by the Companies (Auditor’s Report) Order, 2016 (CARO 2016) issued by the Central Government in terms of Section 143(11) of the Act, we give in “Annexure B” a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the members of Mahindra Electrical Steel Private Limited on the financial statements for the year ended 31 March, 2017)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Mahindra Electrical Steel Private Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the members of Mahindra Electrical Steel Private Limited on the financial statements for the year ended 31st March 2017)

(i) The Company does not have any Property, Plant and Equipment and hence reporting under clause (i) of the CARO 2016 is not applicable.

(ii) The Company does not have any inventory and hence reporting under clause (ii) of the CARO 2016 is not applicable.

(iii) The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Companies Act, 2013.

(iv) The Company has not granted any loans, made investments or provided guarantees and hence reporting under clause (iv) of the CARO 2016 is not applicable.

(v) According to the information and explanations given to us, the Company has not accepted any deposit during the year.

(vi) Having regard to the nature of the Company's business/ activities, reporting under clause (vi) CARO 2016 is not applicable.

(vii) According to the information and explanations given to us in respect of statutory dues:

(a) The Company has been regular in depositing undisputed statutory dues, including Income-tax and other material statutory dues applicable to it with the appropriate authorities and there were no undisputed amounts payable in respect of Income-tax and other material statutory dues in arrears as at 31st March, 2017 for a period of more than six months from the date they became payable.

(b) According to the records of the Company, there are no dues of Income-tax and other material statutory dues which have not been deposited as on 31st March, 2017 on account of disputes.

(viii) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loan or borrowing to banks and dues to debenture holders.

(ix) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under clause (ix) of the CARO 2016 Order is not applicable.

(x) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no fraud on the Company by its officers or employees has been noticed or reported during the year.

(xi) According to the information and explanations given to us, there is no amount payable as a managerial remuneration under the provisions of Section 197 to the Companies Act, 2013.

(xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the CARO 2016 Order is not applicable.

(xiii) The provisions of section 177 of the Companies Act, 2013 do not apply to the Company. In our opinion and according to the information and explanations given to us the Company is in compliance with the provision of section 188 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.

(xiv) During the year the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under clause (xiv) of CARO 2016 is not applicable to the Company.

(xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with him and hence provisions of section 192 of the Companies Act, 2013 are not applicable.

(xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

1 Corporate information:

Mahindra Electrical Steel Limited was incorporated in India on 10 June, 2009 as a Public Company with authorised share capital of Rs. 150,000,000. The Ministry of Corporate Affairs approved the change of name from Mahindra Electrical Steel Limited to Mahindra Electrical Steel Private Limited with effect from 13 January, 2012. The Company is a public Company by virtue of proviso to Section 2(71) of the Companies Act, 2013 ("the 2013 Act") as it is a subsidiary of Mahindra Intertrade Limited a public limited Company. The Company's main object is to trade in or process non-ferrous/ferrous materials including various grades of steel.

2 Significant Accounting Policies followed by the Company

2.1 Statement of Compliance and Basis of preparation and presentation:

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) Rules, 2016. For all periods upto and including the financial year ended 31 March, 2016, the Company prepared its financial statements in accordance with accounting standards notified under the section 133 of the Companies Act 2013 (Previous GAAP) which includes standards notified under the Companies (Accounting Standards) Rules, 2006. These financial statements for the year ended 31 March 2017 are the Company's first Ind AS financial statements. The date of transition to Ind AS is 1 April, 2015. Refer Note 3 for information on how the Company adopted Ind AS.

All assets and liabilities are classified as current if it is expected to realise or settle within 12 months after the Balance Sheet date.

The financial statements are presented in Indian Rupees (INR) which is also the Company's functional currency.

The financial statements were approved by the Board of Directors and authorised for issue on _____, 2017.

2.2 Financial assets and Financial liabilities:

Financial instruments:

Financial assets and financial liabilities are recognised when a Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit or Loss.

Financial assets:

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace. All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Financial liabilities and equity instruments:

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instrument:

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all its liabilities. Equity instrument issued by the Company are recognised at the proceeds received, net of direct issue costs. Repurchase of the Company's own equity instrument is recognised and deducted directly in equity. No gain or loss is recognised in the Statement of Profit or Loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

Financial liabilities:

All the financial liabilities are subsequently measured at amortised cost using the effective interest method or at fair value through profit and loss.

Derecognition of financial liabilities:

The Company derecognises financial liabilities when, and only when, the Company's obligation are discharged, cancelled or have expired. An exchange between the lender of debt instrument with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the term of an existing liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the Statement of Profit or loss.

Compound financial instruments

The component parts of compound financial instruments (convertible notes) issued by the Company are classified separately as financial liabilities and equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument. A conversion option that will be settled by the exchange of a fixed amount of cash or another financial asset for a fixed number of the Company's own equity instruments is an equity instrument.

At the date of issue, the fair value of the liability component is estimated using the prevailing market interest rate for similar non-convertible instruments. This amount is recognised as a liability on an amortised cost basis using the effective interest method until extinguished upon conversion or at the instrument's maturity date.

The conversion option classified as equity is determined by deducting the amount of the liability component from the fair value of the compound financial instrument as a whole. This is recognised and included in equity, net of income tax effects, and is not subsequently remeasured. In addition, the conversion option classified as equity will remain in equity until the conversion option is exercised, in which case, the balance recognised in equity will be transferred to other component of equity. When the conversion option remains unexercised at the maturity date of the convertible note, the balance recognised in equity will be transferred to retained earnings. No gain or loss is recognised in profit or loss upon conversion or expiration of the conversion option.

Transaction costs that relate to the issue of the convertible notes are allocated to the liability and equity components in proportion to the allocation of the gross proceeds. Transaction costs relating to the equity component are recognised directly in equity. Transaction costs relating to the liability component are included in the carrying amount of the liability component and are amortised over the lives of the convertible notes using the effective interest method.

2.3 Use of estimates:

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates, are recognized in the periods in which the results are known/materialize.

2.4 Cash and cash equivalents (for purposes of Cash Flow Statement):

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.5 Cash flow statement:

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.6 Earnings per share:

Basic earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year.

2.7 Taxes on income:

Income Tax expense represents the sum of the tax currently payable and deferred tax.

Current Tax:

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred Tax:

Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases. Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences could be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on the tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax for the year:

Current and deferred tax are recognized in the Statement of Profit or Loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

Minimum Alternate Tax (MAT):

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax against which the MAT paid will be adjusted.

2.8 Leases:

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Company as a lessee:

Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the term of the relevant lease.

2.9 Provisions and contingencies:

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements.

3 First-time adoption of Ind AS – mandatory exceptions and optional exemptions:

Overall principle

The Company has prepared the opening balance sheet as per Ind AS as of 1 April 2015 (the transition date) by recognising all assets and liabilities whose recognition is required by Ind AS, not recognising items of assets or liabilities which are not permitted by Ind AS, by reclassifying items from previous GAAP to Ind AS as required under Ind AS and applying Ind AS in measurement of recognised assets and liabilities. However, this principle is subject to the certain exceptions availed by the Company as detailed below.

Mandatory exceptions

3.1 Accounting estimates:

The Company's estimates in accordance with Ind AS at the date of transition are consistent with previous GAAP (after adjustments to reflect any difference in accounting policies) or are required under Ind AS but not under previous GAAP.

3.2 De-recognition of financial assets and financial liabilities:

The Company has applied the de-recognition requirements of financial assets and financial liabilities prospectively for transactions occurring on or after 1 April 2015 (the transition date).

3.3 Classification of debt instruments:

The Company has determined the classification of debt instruments in terms of whether they meet the amortised cost criteria or the FVTPL criteria based on the facts and circumstances that existed as on the transition date.

Earnings per share [Basic/Diluted] (Rs.) (A/B)	**(27.12)**	(27.96)
Nominal value of equity share (Rs.)	**10.00**	10.00

Note 22

As at March 31, 2017 the Company is having negative net worth of Rs. 9,111,087. The Company has taken Leasehold land at Dahej (Gujarat) and is currently in process of evaluating options for its project. In view of the foregoing and on account of the continuing support from the holding company, the financial statements have been prepared on a going concern basis.

Note 23 – Leasehold land held for sale

The Company had entered into a Memorandum of Agreement dated March 11, 2015, with a third party for surrendering its leasehold rights in the plot of land at Naini in favour of the said party, subject to U.P. State Industrial Development Corporation Limited (UPSIDC) granting the required permission. Accordingly the book value of land of Rs. 12,434,451 was shown as "Leasehold land held for sale" and the amount of Rs. 2,969,032 received was shown as "Advance received for sale of leasehold land-Naini" as at March 31, 2015. During the previous year approval from UPSIDC was received and accordingly leasehold rights were transferred to the said party and profit on transfer of leasehold rights of Rs. 7,481,599 has been recognised in the statement of profit and loss.

No impairment loss was recognised on reclassification of leashold rights held for sale as at April 1, 2015 as directors of the Company expect that the fair value less cost to sell is higher than the carrying amount.

Note 24 – Leases

Company has taken land situated at Dahej, Gujarat on lease for 99 years. The balance amount of lease premium paid for the period of lease of land has been disclosed as prepaid expenses and is being amortised over the period of lease on straight line basis. The amount charged to the Statement of Profit and Loss is Rs. 773,492 . (F.Y 2016 Rs. 775,612)

Note 25 – Financial Instruments

Financial Risk Management Framework

The Company's activities expose it to liquidity risk . In order to manage the aforementioned risks, the Company operates a risk management policy and a program that performs close monitoring of and responding to each risk factors.

LIQUIDITY RISK

(i) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Company's short-, medium- and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves and banking facilities by continuously monitoring forecast and actual cash flow, and by matching the monitoring profiles of financial assets and liabilities.

(ii) Maturities of financial liabilities

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flow.

Amount in Rs.

Particulars	Effective interest rate	Less than 1 Year	1-3 Years	3-4 Years	5 Years and above	Total	Carrying value
Non-derivative financial liabilities							
March 31, 2017							
Non-interest bearing		**281,905**	**–**	**–**	**–**	**281,905**	**281,905**
Variable interest rate instruments..............................	**12.35%**	**–**	**91,000,000**	**–**	**–**	**91,000,000**	**78,402,596**
Total		**281,905**	**91,000,000**	**–**	**–**	**91,281,905**	**78,684,501**
March 31, 2016							
Non-interest bearing...............		370,509	–	–	–	370,509	370,509
Fixed interest rate instruments	12.35%	1,500,000	91,000,000			92,500,000	71,003,449
Total		1,870,509	91,000,000	–	–	92,870,509	71,373,958
April 1, 2015							
Non-interest bearing...............		311,837	–	–	–	311,837	311,837
Fixed interest rate instruments	12.35%	700,000	1,025,000	91,000,000		92,725,000	74,669,459
Total		1,011,837	1,025,000	91,000,000	–	93,036,837	74,981,296

Sensitivity interest rate increase by 1%: Loss will increase on variable interest rate instrument by Rs. 7,84,025 for the year ended March 31, 2017 (Rs. 7,10,034 March 31, 2016)

Sensitivity interest rate decrease by 1%: Loss will decrease on variable interest rate instrument by Rs. 7,84,025 for the year ended March 31, 2017 (Rs. 7,10,034 March 31, 2016)

(iii) Maturities of financial assets

The following table details the Company's expected maturity for its non-derivative financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets. The inclusion of information on non-derivative financial assets is necessary in order to understand the Company's liquidity risk management as the liquidity is managed on a net asset and liability basis.

Amount in Rs.

Note 26 – Fair Value Measurement

Fair Valuation Techniques and Inputs used

This section explains the judgment and estimates made in determining the fair value of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair value are disclosed in financials statements. To provide an indication about the reliability of the inputs used in determining the fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standards.

Level 1 inputs

Level 1 inputs are quoted prices in active markets for identical assets or liabilities that the entity can access at the measurement date. A quoted market price in an active market provides the most reliable evidence of fair value and is used without adjustment to measure fair value whenever available, with limited exceptions. If an entity holds a position in a single asset or liability and the asset or liability is traded in an active market, the fair value of the asset or liability is measured within Level 1 as the product of the quoted price for the individual asset or liability and the quantity held by the entity, even if the market's normal daily trading volume is not sufficient to absorb the quantity held and placing orders to sell the position in a single transaction might affect the quoted price.

Level 2 inputs

Level 2 inputs are inputs other than quoted market prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 2 inputs include:

– quoted prices for similar assets or liabilities in active markets

– quoted prices for identical or similar assets or liabilities in markets that are not active

– inputs other than quoted prices that are observable for the asset or liability, for example

  – interest rates and yield curves observable at commonly quoted intervals

  – implied volatilities

  – credit spreads

  – inputs that are derived principally from or corroborated by observable market data by correlation or other means ('market-corroborated inputs')

Level 3 inputs

Level 3 inputs are unobservable inputs for the asset or liability. Unobservable inputs are used to measure fair value to the extent that relevant observable inputs are not available, thereby allowing for situations in which there is little, if any, market activity for the asset or liability at the measurement date. An entity develops unobservable inputs using the best information available in the circumstances, which might include the entity's own data, taking into account all information about market participant assumptions that is reasonably available.

VI	**Profit for the year (IV - V)**		4,250,374	(5,648,604)	(1,398,230)

Note - Previous GAAP figures have been regrouped/reclassified wherever necessary.

(v) Notes to Reconciliation

(1) Under previous GAAP, lease hold land was considered as tangible fixed assets and was amortised over the period of the lease. Under Ind AS,interest in lease hold land is considered as leases as per definition and classification criteria in Ind AS 17. Accordingly in respect of net written down value of leasehold land Rs. 72,536,640 as at March 31, 2016 (Rs. 73,310,132 as at April 1, 2015) has been classified under non-current assets and Rs. 773,492 as at March, 2016 (Rs. 775,612 Crores as at 1 April, 2015) to other current assets.

Similarly the amortisation of lease hold land for the year ended on March 31, 2016 of Rs. 775,612 has been classified under other expenses as lease rent.

(2) Under previous GAAP, Optionally convertible debentures were accounted under long term borrowing at transaction value. Under Ind AS, these Optionally convertible debentures are treated as compound financial instrument that contain both equity and liability component. Accordingly liability and equity component is separated at inception i.e. as on June 27, 2013. The liability component at inception is measured at fair value and resultant residual portion was recognised as equity under the head “Other equity”. The Company has recognised Rs. 48,578,175 as “Equity component of compound financial instrument” under the head “Other equity” at inception and carried as such on April 1, 2015. The deferred tax impact on this portion of Rs. 15,010,656 has been charged to retained earning as on April 1, 2015. Similarly the Company has also recognised the interest accrued till April 1, 2015 (date of first time adoption of Ind-AS) of Rs. 9,689,6410 (net of deferred tax of Rs. 4,332,994) in retained earnings on loan component of compound financial instrument.

Due to adoption of fair value at inception and subsequent measurement at amortised cost for liability component of compound financial instrument, the finance cost has increased by Rs. 7,895,751 for the year ended on March 31, 2016. During 2015-16, the Company has excercised the put option and redeemed 16,500 Optionally convertible debentures, accordingly Rs. 4,796,291 has been derecognised from Other equity and resultant loss on redemption of Rs. 366,947 has been recognised in the Statement of profit and loss. The Company has recognised the deferred tax assets on above Ind As adjustments and consequently deferred tax asset of Rs. 2,614,095 has been recognised in the Statement of profit and loss.

(3) Due to transition to Ind-AS from previous GAAP following adjustments were made to deferred tax liability (DTL) as at March 31, 2016 and April 1, 2015.

Amount in Rs.

Particulars	As at March 31, 2016	As at April 1, 2015
Balance as per previous-GAAP	–	–
Recognition of equity component of compound financial instrument at fair value on inception	15,010,656	15,010,656
Derecognition of equity component of compound financial instrument redeemed during FY 2016	(1,482,054)	–
Loss on redemption of 16,500 compound financial instrument	(113,387)	
Recognition of accrued interest on compound financial instrument	(6,833,702)	(4,332,994)
Balance as per Ind-AS	6,581,513	10,677,662

(4) Reconciliation of deferred tax expenses/(income)

Deferred tax income as per Previous GAAP		–

 # The aforesaid financial highlights are based on the Company's first Ind AS audited financial statements for the year ended 31st March, 2017 which are required to be prepared in accordance with the Accounting Standards as notified under section 133 of the Companies Act, 2013. Figures for the year ended 31st March, 2016 have been restated as per the new Accounting Standards Ind AS to make them comparable with the figures for the year ended 31st March, 2017.

No material changes and commitments have occurred after the close of the year till the date of this report which affect the financial position of your Company.

OPERATIONS

Demand from domestic automotive industry was muted during the year. During the current financial year, which marked the Company's first full year of operations, the income for the year grew to Rs. 10,746.02 lakhs as against Rs. 6,966.43 lakhs in the previous year. The total comprehensive income for the year was at Rs. 720.72 lakhs as against Rs. 680.38 lakhs in the previous year. The tax provision for the year was higher on account of certain deferred tax adjustments.

The Company does not have Subsidiaries, Joint Ventures or Associates.

DIVIDEND

Your Directors recommend a dividend @ 2.20% on its 6,85,00,000 fully paid-up equity shares of Rs. 10 each, at Rs. 0.22 per equity share, aggregating Rs. 150.70 lakhs.

If approved by the shareholders at the ensuing Annual General Meeting, the above dividend will be paid to those equity shareholders whose names appear on the Register of Members as on the record date fixed for this purpose, i.e. 23rd June, 2017, the date of the Annual General Meeting of the Company. The dividend for the year together with income tax thereon, will absorb a sum of Rs. 181.38 lakhs against Rs. 41.22 lakhs paid for the previous year.

There has been no change in the KMP's during the year under review.

STATUTORY AUDITORS

Pursuant to the provisions of Section 139 of the Companies Act, 2013 ("Act"), the Shareholders of the Company at their 1st Annual General Meeting held on 28th April, 2014 had re-appointed, M/s. Deloitte Haskins & Sells, Chartered Accountants, Mumbai (Firm Registration No. 117365W), as Auditors of the Company to hold office from the conclusion of First Annual General Meeting, until the conclusion of the Sixth Annual General Meeting ("AGM") of the Company to be held in the year 2019.

As per Section 139, their appointment was required to be ratified at the ensuing AGM of the Company.

M/s. Deloitte Haskins & Sells, Chartered Accountants, Mumbai (Firm Registration No. 117365W) has given a Letter in writing under section 139(9)(b) of the Companies Act, 2013, to the Company stating that they do not wish to seek ratification of their appointment as statutory auditors at the ensuing AGM of the Company and the shareholders were informed about the same.

Pursuant to the above, a special notice has been received under section 140(4)(i) of the Companies Act, 2013 from Mahindra Intertrade Limited, Shareholder of the Company, holding 51% of the paid up share capital of the Company, in compliance with Section 115 of the Act, proposing the appointment of M/s. B S R & Co. LLP (a KPMG Member Firm) Chartered Accountants, Mumbai (Firm Registration No. 101248W/W-100022) as the Statutory Auditors of the Company in place of retiring Auditors viz. M/s. Deloitte Haskins & Sells, for a period of 5 consecutive years from conclusion of the 4th AGM till the conclusion of 9th AGM of the Company to be held in the year 2022.

The written consent of the proposed auditors together with a certificate that the appointment, if made, shall be in accordance with the conditions specified in Rule 4 of the Companies (Audit and Auditors) Rules, 2014 has been received.

The Audit Committee has considered the qualifications and experience of the proposed auditors and has recommended their appointment. The Board of Directors has also considered the matter and recommends to the Shareholders of the Company, the appointment of M/s. B S R & Co. LLP (a KPMG Member Firm) Chartered Accountants, Mumbai (Firm Registration No. 101248W/W-100022) as the Statutory Auditors of the Company for a period of 5 consecutive years from conclusion of the 4th AGM till the conclusion of 9th AGM of the Company to be held in the year 2022, at a remuneration to be fixed by the Shareholders of the Company.

Your Directors confirm that the Auditors Report for the financial year ended 31st March, 2017 does not contain any qualification, reservation or adverse remark.

INTERNAL AUDITOR

Pursuant to Section 138 of the Companies Act, 2013 read with the Companies (Accounts) Rules, 2014, Mr. Mario Nazareth was appointed as the Internal Auditor of your Company for the year ended 31st March, 2017. The Board at its meeting held on 27th April, 2017 re-appointed Mr. Mario Nazareth as the Internal Auditor of your Company for the year ending 31st March, 2018.

SECRETARIAL AUDITOR

Pursuant to Section 204 of the Companies Act, 2013 read with the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, M/s. Martinho Ferrao & Associates, a firm of Company Secretaries in practice, was appointed as the Secretarial Auditor of your Company for the financial year ended 31st March, 2017 and onwards.

A Secretarial Audit Report for the financial year ended 31st March, 2017 issued by the Secretarial Auditor pursuant to the aforesaid provisions is provided as **Annexure II** and forms part of this report.

Your Directors confirm that the Secretarial Audit Report does not contain any qualification, reservation or adverse remark.

COST AUDITOR

During the year under review, the provisions relating to the Cost Auditor were not applicable to the Company.

FRAUDS REPORTED BY AUDITORS

During the year under review, the Statutory Auditors and Secretarial Auditors have not reported any instances of frauds committed in the Company by its officers or employees to the Audit Committee under Section 143(12) of the Companies Act, 2013, details of which needs to be mentioned in this report.

STOCK APPRECIATION RIGHTS (SARs)

Your Company has a cash settled Stock Appreciation Rights (SARs) Scheme to reward its employees and to provide an opportunity to them to participate in the growth of the Company. No employee was granted SARs for the year ended 31st March, 2017.

PARTICULARS OF PUBLIC DEPOSITS, LOANS, GUARANTEES OR INVESTMENTS

Your Company has not accepted any deposits covered under Chapter V of the Companies Act, 2013, from the public, or its employees, during the year.

Your Company has not, whether directly or indirectly, given loans, made investments, and/or provided guarantees/securities which are required to be reported under Section 186 of the Companies Act, 2013.

Your Company has not received any loans/advances which are required to be disclosed in the annual accounts of the Company pursuant to Regulations 34(3) and 53(f) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with Schedule V applicable to the ultimate Parent Company, Mahindra & Mahindra Limited.

PARTICULARS OF TRANSACTIONS WITH RELATED PARTIES

All transactions entered into by your Company with its related parties during the year were in the ordinary course of business and at arm's length.

Particulars of material contracts or arrangements or transactions with related parties referred to under Section 188(1) of the Companies Act, 2013 are furnished in Form AOC-2 as **Annexure III** and forms part of this report.

EXTRACT OF ANNUAL RETURN

Pursuant to Section 92(3) of the Companies Act, 2013 read with Rule 12(1) of the Companies (Management and Administration) Rules, 2014, an extract of the Annual Return as on 31st March, 2017 is enclosed as **Annexure IV** and forms part of this report.

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO

Particulars relating to conservation of energy, technology absorption and foreign exchange earnings and outgo, as required under Section 134(3)(m) of the Companies Act, 2013 read with the Companies Rule 8(3) of the Companies (Accounts) Rules, 2014, are provided in **Annexure V** and forms part of this report.

DISCLOSURE OF PARTICULARS OF EMPLOYEES AS REQUIRED UNDER RULE 5(2) OF THE COMPANIES (APPOINTMENT AND REMUNERATION OF MANAGERIAL PERSONNEL) RULES, 2014

Being an unlisted company, provisions of Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 are not applicable to your Company.

CORPORATE SOCIAL RESPONSIBILITY (CSR) POLICY

The Corporate Social Responsibility Committee at its 1st Meeting held on 12th August, 2016, had formulated and recommended to the Board, a Corporate Social Responsibility Policy ("CSR Policy") which was subsequently adopted by it and is being implemented by the Company.

CSR INITIATIVES

An Annual Report on Corporate Social Responsibility containing particulars specified in Annexure to the Companies (Corporate Social Responsibility Policy) Rules, 2014 is given in **Annexure VI** and forms part of this report.

GENERAL DISCLOSURES

Your directors state that no disclosure or reporting is required in respect of the following items as they were not applicable to your Company during the year:

a) Issue of equity shares with differential rights as to dividend, voting or otherwise.

b) Issue of shares (including sweat equity shares) to employees of the Company under any ESOP scheme, etc.

c) Shares having voting rights not exercised directly by the employees and for the purchase of which or subscription to which loan was given by the Company.

d) Significant or material orders were passed by regulators or courts or tribunals which impact the Company's going concern status and operations in future.

ACKNOWLEDGEMENTS

Your Directors are pleased to take this opportunity to thank the bankers, customers, vendors and all the other stakeholders for their co-operation to the Company during the year under review.

For and on behalf of the Board

Zhooben Bhiwandiwala	**Sumit Issar**
Chairman	Director

Mumbai, 27th April, 2017

ANNEXURE I TO THE DIRECTORS' REPORT

POLICY ON APPOINTMENT OF DIRECTORS AND SENIOR MANAGEMENT PERSONNEL

DEFINITIONS

The definitions of some of the key terms used in this Policy are given below.

"Board" means Board of Directors of the Company.

"Company" means Mahindra Auto Steel Private Limited (MASPL).

"Committee(s)" means Committees of the Board for the time being in force.

"Employee" means employee of the Company whether employed in India or outside India including employees in the Senior Management team of the Company.

"HR' means the Human Resource department of the Company.

"Key Managerial Personnel" (KMP) refers to key managerial personnel as defined under the Companies Act, 2013 and includes:

(i) Managing Director (MD) or Chief Executive Officer (CEO) or Manager or Whole time Director (WTD).

(ii) Chief Financial Officer (CFO), and

(iii) Company Secretary (CS).

"Nomination and Remuneration Committee" (NRC) means Nomination and Remuneration Committee of Board of Directors of the Company for the time being in force.

"Senior Management" means personnel of the Company who are members of its core management team excluding Board of Directors comprising all members of management one level below the executive directors, including functional heads.

I. APPOINTMENT OF DIRECTORS

- NRC reviews and assesses Board composition and recommends the appointment of new directors. In evaluating the suitability of an individual Board member, NRC shall take into account the following criteria regarding qualifications, positive attributes and independence of a director as applicable:

    1. All Board appointments will be based on merit, in the context of skills, experience, independence and knowledge required for the Board as a whole to be effective.

    2. Ability of the candidate to devote sufficient time and attention to professional obligations as an Independent Director for balanced decision making.

    3. Adherence to the Code of Conduct and ensuring the highest level of corporate governance, in letter and in spirit, by Directors.

- Based on NRC's recommendation, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board, through any Member of the Board, will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act, 2013 and Rules made thereunder.

REMOVAL OF DIRECTORS

If a director is disqualified as per any applicable Act, or rules and regulations thereunder, or due to non-adherence to the applicable policies of the company, NRC may recommend to the Board, with reasons recorded in writing, removal of a director subject to compliance of the applicable statutory provisions.

SENIOR MANAGEMENT PERSONNEL

NRC shall identify persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down above.

For administrative convenience, senior management personnel will be appointed or promoted and removed/relieved with the authority of the Managing Director based on business needs and suitability of the candidate.

Managing Director shall report details of such appointments to NRC at least twice in a year.

II. SUCCESSION PLANNING:

Purpose

The Talent Management Policy sets out the approach to the development and management of talent in the Company to ensure implementation of the strategic business plans of the Company.

Board

Successors for Independent Directors shall be identified by the NRC at least one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor(s) will be appointed at the earliest but not later than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

Successors for Executive Director(s) shall be identified by the NRC from Senior Management or through external sources as the Board may deem fit.

The Board may also decide at its discretion not to fill a vacancy on the Board.

Senior Management Personnel

The Company's succession planning program aims to identify high growth individuals, and groom them in order to maintain a robust pipeline.

The Company has a process of identifying individuals with high potential and having abilities to hold critical positions. Successors are mapped for such positions in order to ensure talent readiness.

The Company participates in the Mahindra Group's Talent Management process which is driven by a collaborative network of Talent Councils across the Group's various Sectors.

POLICY ON REMUNERATION OF DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES

Purpose

This Policy sets out the approach to Compensation of Directors, Key Managerial Personnel and other employees in Mahindra Auto Steel Private Limited (MASPL).

Policy Statement

Our compensation philosophy strives to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in business.

In order to effectively implement this, our compensation structure is developed through external benchmarking as appropriate, with relevant players across the industry we operate in.

NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both fixed and variable, to Non-Executive Directors, including Independent Directors, whether as commission or otherwise. NRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and such other factors as the NRC may deem fit for determining compensation.

The Board shall determine compensation to Non-Executive Directors within the overall limits specified in the Shareholders' resolution.

Executive Directors/Managing Director/Manager

The remuneration to Managing Director/Manager and Executive Director(s) shall be recommended by NRC to the Board. Remuneration will consist of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable) perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders' resolution. While fixed compensation is determined at the time of their appointment, variable compensation will be determined annually by NRC based on their performance.

Key Managerial Personnel (KMPs)

The terms of remuneration of the Chief Executive Officer (CEO), Chief Financial Officer (CFO) and the Company Secretary (CS) shall be determined either by any Director or such other person as may be authorised by the Board.

The above remuneration shall be competitively benchmarked for similar positions in the industry and aligned with their qualifications, experience and responsibilities. Pursuant to the provisions of Section 203 of the Companies Act 2013, the Board shall approve remuneration of the above KMPs at the time of their appointment.

The remuneration to directors, KMPs and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

Employees

We follow a position and level based approach for compensation benchmarking with companies in the steel/ steel service centre and related engineering industries.

We have a CTC (Cost to Company) concept which includes a fixed component (guaranteed pay) and a variable component (performance pay). The percentage of the variable component increases with increasing hierarchy levels as employees at higher positions have a greater impact and influence on the company's overall business result. CTC is reviewed once every year and the compensation strategy for positioning of individuals takes into consideration the following elements:

- Performance
- Potential
- Criticality

Remuneration for new employees other than KMPs and senior management will be decided by HR, and approved by the Managing Director, based on factors such as relevant job experience, last compensation drawn, skill-set of the selected candidate, internal equity and related parameters.

The Company may also grant Stock Appreciation Rights to Employees and Directors (other than Independent Directors) in accordance with the Stock Appreciation Rights Scheme of the Company and subject to compliance of the applicable statutes and regulations.

ANNEXURE II TO THE DIRECTORS' REPORT

SECRETARIAL AUDIT REPORT

FORM NO. MR-3

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2017

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Shareholders,
Mahindra Auto Steel Private Limited
Mahindra Towers,
P. K. Kurne Chowk, Worli,
Mumbai 400 018

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Mahindra Auto Steel Private Limited** (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of **Mahindra Auto Steel Private Limited's** books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period **covering the financial year ended on 31st March, 2017**, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the **financial year ended 31st March, 2017** according to the provisions of:

(i) The Companies Act, 2013 (the Act) and the rules made thereunder;

(ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder; **Not Applicable to the Company for the year under review**

(iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder; **Not Applicable**

(iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings. **Not Applicable to the Company for the year under review;**

(v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'): -

(a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011; **Not Applicable**

(b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992 and The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015; **Not Applicable**

(c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; **Not applicable**

(d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; **Not applicable**

(e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; **Not applicable**

(f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; - **Not applicable**

(g) The Securiti es and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; - **Not applicable** and

(h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; - **Not applicable**

(vi) As represented by the Company, there is/ are no sector specific laws applicable to the Company.

We have also examined compliance with the applicable clauses of the following:

(i) Secretarial Standards issued by The Institute of Company Secretaries of India.

(ii) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 - **Not applicable as the Company in not listed on any Stock Exchange**

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the company, its officers, agents and its authorised representatives during the conduct of Secretarial Audit we hereby report that in our opinion during the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that:

1. The Board of Directors of the Company is constituted with Non-Executive Directors and Independent Directors.
2. Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance or on a shorter notice with the consent of the Directors and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
3. As per the minutes of the meetings duly recorded and signed by the Chairman, the decisions of the Board were unanimous and no dissenting views have been recorded.

   We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

   We further report that during the audit period except the following, there were no specific events/actions having a major bearing on Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, etc.:

1. The Shareholders by way of Special Resolution passed in the 2016-2017/1st Extra-Ordinary General Meeting held on 14th December, 2016, approved the alteration of Articles of Association of the Company, in order to make the Deed of Adherence and the Waiver Agreement as the part of the Articles of Association of the Company as Schedule IIA and Schedule IIB respectively, pursuant to the transfer of shares held in the Company by M/s. Mitsui & Co. (Asia Pacific) Pte. Limited to its Holding Company M/s. Mitsui & Co., Limited, Tokyo.

'ANNEXURE A'

To,
The Shareholders,
Mahindra Auto Steel Private Limited

Our report is to be read along with this letter.

1. Maintenance of secretarial record is the responsibility of the management of the company. Our responsibility is to express an opinion on these secretarial records based on our audit.
2. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices we followed provide a reasonable basis for our opinion.
3. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the company.
4. Wherever required, we have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.
5. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of management. Our examination was limited to the verification of procedures on test basis.
6. The Secretarial Audit report is neither an assurance as to the future viability of the company nor of the efficacy or effectiveness with which the management has conducted the affairs of the company.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF
MAHINDRA AUTO STEEL PRIVATE LIMITED

Report on the Ind AS Financial Statements

We have audited the accompanying Ind AS financial statements of **MAHINDRA AUTO STEEL PRIVATE LIMITED** ("the Company"), which comprise the Balance Sheet as at 31 March, 2017, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March, 2017, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, to the extent applicable that:
   a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
   b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
   c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
   d) In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.
   e) On the basis of the written representations received from the directors as on 31 March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2017 from being appointed as a director in terms of Section 164(2) of the Act.
   f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company does not have any pending litigations which would impact its financial position.

ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

iv. The Company did not have any holdings or dealings in Specified Bank Notes as defined in the Notification S.O. 3407(E) dated the 8 November, 2016 of the Ministry of Finance, during the period from 8 November, 2016 to 30 December, 2016 - Refer Note 43 to the Ind AS financial statements.

2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the members of Mahindra Auto Steel Private Limited on the financial statements for the year ended 31 March, 2017)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Mahindra Auto Steel Private Limited ("the Company") as of 31 March, 2017 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2017, based on the internal control over financial reporting criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the members of Mahindra Auto Steel Private Limited on the financial statements for the year ended 31 March, 2017)

(i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.

(b) The Property, Plant and Equipment were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.

(c) The Company does not have any immovable properties of freehold or leasehold land which have been shown as fixed assets and hence reporting under clause (i)(c) of the Order is not applicable.

(ii) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals and no material discrepancies were noticed on physical verification.

(iii) The Company has not granted any loans, secured or unsecured, to companies or other parties covered in the register maintained under section 189 of the Companies Act, 2013.

(iv) The Company has not granted any loans, made investments or provided guarantees and hence reporting under clause (iv) of the Order is not applicable.

(v) According to the information and explanations given to us, the Company has not accepted any deposit during the year.

(vi) The maintenance of cost records has not been specified by the Central Government under section 148(1) of the Companies Act, 2013.

(vii) According to the information and explanations given to us, in respect of statutory dues:

(a) The Company has been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, Excise Duty, Value Added Tax, cess and other material statutory dues applicable to it to the appropriate authorities.

(b) There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, Excise Duty, Value Added Tax, cess and other material statutory dues in arrears as at 31 March, 2017 for a period of more than six months from the date they became payable.

(c) There are no dues of Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty and Value Added Tax as on 31 March, 2017 on account of disputes.

(viii) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings to banks. The Company has not issued any debentures.

(ix) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans during the year and hence reporting under clause (ix) of the Order is not applicable.

(x) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no fraud on the Company by its officers or employees has been noticed or reported during the year.

(xi) In our opinion and according to the information and explanations given to us, the Company has paid managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act, 2013.

(xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.

(xiii) In our opinion and according to the information and explanations given to us the Company is in compliance with Section 188 and 177 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.

(xiv) During the year the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under clause (xiv) of the Order is not applicable to the Company.

(xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with him and hence provisions of section 192 of the Companies Act, 2013 are not applicable.

(xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2017

1 Corporate information

Mahindra Auto Steel Private Limited ("the Company") is incorporated on December 12, 2013 under the Companies Act, 2013. The Company is a public company by virtue of proviso to Section 2(71) of Companies Act,2013 ("the 2013 Act") as it is a subsidiary of a public limited company. The registered office of the Company is located at Mahindra Towers, P.K. Kurne Chowk, Worli, Mumbai - 400018. The Company's main object is manufacturing, processing and trading of non-ferrous/ferrous material including various grades of steel. The Company's steel processing plant is located at Chakan.

The Company is the subsidiary of Mahindra Intertrade Limited, Mumbai, a Company incorporated in India. The ultimate parent Company is Mahindra and Mahindra Limited.

2 Significant accounting policies:

2.1 Statement of Compliance and Basis of preparation and presentation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) Rules, 2016. For all periods upto and including the financial year ended 31 March, 2016, the Company prepared its financial statements in accordance with accounting standards notified under the section 133 of the Companies Act 2013 (Previous GAAP) which includes standards notified under the Companies (Accounting Standards) Rules, 2006. These financial statements for the year ended 31 March, 2017 are the Company's first Ind AS financial statements. The date of transition to Ind AS is 1 April, 2015. Refer to note 4 for information on how the Company adopted Ind AS.

All assets and liabilities are classified as current if it is expected to realise or settle within 12 months after the Balance Sheet date.

The financial statements are presented in Indian Rupees (INR) which is also the Company's functional currency.

The financial statements were approved by the Board of Directors and authorised for issue on 27 April, 2017.

2.2 Property, plant & equipment

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation less accumulated impairment, if any. Cost includes financing cost relating to borrowed funds attributable to the construction or acquisition of qualifying tangible assets upto the date the assets are ready for use. The estimated useful lives, residual values, are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

When an asset is scrapped or otherwise disposed off, the cost and related depreciation are removed from the books of account and resultant profit or loss, if any, is reflected in the Statement of Profit and Loss.

Depreciation is calculated on Straight Line method over the estimated useful life of all assets. These lives are in accordance with Schedule II to the Companies Act, 2013, other than the following class based on the technical advise which has considered estimated usage and operating condition of the assets: (a) Blanking line (plant and equipment)-20 years(b) Vehicles - 5 years.

2.3 Impairment of assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing the value in use, the estimated future cash flows are discounted at their present value using the pre-tax discount rate that reflects current market assessment of time value of money and the risks specific to the assets for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit or Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the Statement of Profit or Loss.

2.4 Inventories

Inventories are valued at the lower of cost (on weighted average basis) and the net realisable value after providing for obsolescence and other losses, where considered necessary.

Cost comprises of all costs of purchase, conversion and other costs incurred in bringing the inventories to their present location and condition.

Net Realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

Work-in-progress and finished goods include appropriate proportion of overheads and, where applicable, excise duty.

2.5 Foreign Currencies

Transactions in currencies other than the Company's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences on monetary items are recognised in the Statement of Profit or Loss in the period in which they arise except for exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those assets when they are regarded as an adjustment to interest cost on those foreign currency borrowings.

2.6 Financial assets and Financial liabilities:

Financial instruments

Financial assets and financial liabilities are recognised when a Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit or Loss.

Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace. All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Impairment of financial assets

The Company applies the expected credit loss model for recognising impairment loss on financial assets. With respect to trade receivables the Company measures the loss allowance at an amount equal to lifetime expected credit losses.

Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial

NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2017

asset and substantially all the risks and rewards of ownership of the asset to another party. On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in the Statement of Profit and Loss if such gain or loss would have otherwise been recognised in the Statement of Profit and Loss on disposal of that financial asset.

Financial liabilities and equity instruments

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instrument

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all its liabilities. Equity instrument issued by the Company are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instrument is recognised and deducted directly in equity. No gain or loss is recognised in the Statement of Profit or Loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

Financial liabilities

All the financial liabilities are subsequently measured at amortised cost using the effective interest method or at fair value through profit and loss.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligation are discharged, cancelled or have expired. An exchange between the lender of debt instrument with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the term of an existing liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the Statement of Profit or Loss.

Derivative financial instruments:

The Company enters into a variety of derivative financial instruments to manage its exposure to foreign exchange rate risks, including foreign exchange forward contracts and cross currency swaps. Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in the Statement of Profit and Loss immediately.

2.7 Revenue recognition

Sale of goods

Revenue from the sale of goods is recognised when the goods are delivered and titles have passed, at which time all the following conditions are satisfied:

(i) the Company has transferred to the buyer the significant risk and reward of ownership of the goods;

(ii) the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;

(iii) the amount of revenue can be measured reliably;

(iv) it is probable that the economic benefits associated with the transaction will flow to the Company; and

(v) the cost incurred or to be incurred in respect of the transaction can be measured reliably.

Sale of services

Sale of services are recognised on rendering of such services.

Interest and dividend income

Interest income is accounted on time proportionate basis. Dividend income is accounted for when the right to receive it is established.

2.8 Employee benefits

Retirement benefit costs and termination benefits

Payment to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.

For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the return of plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in the other comprehensive income is reflected immediately in retained earnings and is not reclassified to Statement of profit or loss. Past service cost is recognised in Statement of profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the defined benefit liability or asset. Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- remeasurement

The Company presents the first two components of defined benefit costs in the Statement of Profit or Loss in the line item "Employee benefits expense". Curtailment gains and losses are accounted for as past service cost.

The retirement benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

A liability for the termination benefit is recognised at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognises any related restructuring costs.

Short-term and other long-term employee benefits

A liability is recognised for benefits accruing to the employees in respect of wages and salaries and annual leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange of that service.

Liabilities recognized in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange of related service.

Liabilities recognized in respect of other long-term employee benefits are measured at present value of the estimated future cash outflows expected to be made by the company in respect of services provided by employee upto the reporting date.

2.9 Stock appreciation rights (SARs)

For cash-settled share-based payments, a liability is recognized for the services acquired, measured initially at the fair value of the liability. At the end of each reporting period until the liability is settled, and at the date of settlement, the fair value of the liability is remeasured, with any changes in fair value recognized in the Statement of Profit or Loss for the year.

2.10 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. All other borrowing costs are recognised in the Statement of Profit or Loss in the period in which they are incurred.

NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2017

2.11 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

2.12 Taxes on income

Income Tax expense represents the sum of the tax currently payable and deferred tax

Current Tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred Tax

Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases. Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences could be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on the tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax for the year

Current and deferred tax are recognized in the Statement of Profit or Loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

Minimum Alternate Tax (MAT)

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax against which the MAT paid will be adjusted.

2.13 Cash and cash equivalents:

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.14 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit/ (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating investing and financing activities of the Company are segregated based on the available information.

2.15 Earning per share

Basic earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares outstanding during the year.

2.16 Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Company as a lessee:

Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the term of the relevant lease.

3.0 Use of estimates and judgments

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses etc. at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are included in the following notes:

Note No.2.2 Property, plant & equipment

Note No.2.8 Employee benefits

4.0 First-time adoption of Ind AS – mandatory exceptions and optional exemptions:

4.1 Mandatory exceptions

4.1.1 Accounting estimates

The Company's estimates in accordance with Ind AS at the date of transition are consistent with previous GAAP (after adjustments to reflect any difference in accounting policies) or are required under Ind AS but not under previous GAAP.

4.1.2 De-recognition of financial assets and financial liabilities

The Company has applied the de-recognition requirements of financial assets and financial liabilities prospectively for transactions occurring on or after 1 April 2015 (the transition date).

4.1.3 Classification of debt instruments

The Company has determined the classification of debt instruments in terms of whether they meet the amortised cost criteria or the FVTOCI criteria based on the facts and circumstances that existed as on the transition date.

4.1.4 Impairment of financial assets

The Company has applied the impairment requirements of Ind AS 109 retrospectively; however, as permitted by Ind AS 101, it has used reasonable and supportable information that is available without undue cost or effort to determine the credit risk at the date that financial instruments were initially recognised in order to compare it with the credit risk at the transition date. Further, the Company has not undertaken an exhaustive search for information when determining, at the date of transition to Ind AS, whether there have been significant increases in credit risk since initial recognition, as permitted by Ind AS 101.

4.2 Optional exemptions:

4.2.1 Share-based payments

The Company has availed the exemption to apply IND-AS 102 to only those Share Based Payment options that remain unvested as on transition date.

4.2.2 Deemed cost for property, plant and equipment and intangible assets

The Company has not availed the option in para D7AA of considering previous GAAP carrying amount as deemed cost of Property Plant and Equipment. Accordingly the Company has determined the carrying amounts as on transition date as required by Ind AS. The difference if any has been adjusted to opening retained earning on Ind AS transition date.

Note No. 33 – Employee benefits

(a) Defined Contribution Plan

The Company has recognized, in statement of profit and loss for the year, an amount of Rs. 429,219 (2016: 394,001) pertaining to defined contribution plans.

Amount (Rs.)

Benefit (Contribution to)	For the year ended 31 March, 2017	For the year ended 31 March, 2016
Provident Fund	**252,907**	238,505
Pension Fund	**176,312**	155,496
Total	**429,219**	394,001

(b) Defined Benefit Plans:

(i) GRATUITY

The Company operates a gratuity plan covering qualifying employees. The benefit payable is the greater of the amount calculated as per the Payment of Gratuity Act, 1972 or the Company scheme applicable to the employees. The benefit vests upon completion of five years of continuous service and once vested it is payable to employees on retirement or on termination of employment. In case of death while in service, the gratuity is payable irrespective of vesting.

Nature of Benefits:

The gratuity benefits payable to the employees are based on the employee's service and last drawn salary at the time of leaving. The employees do not contribute towards this plan and the full cost of providing these benefits are met by the Company.

Regulatory framework:

There are no minimum funding requirements for a gratuity plan in India. The trustees of the gratuity fund have a fiduciary responsibility to act according to the provisions of the trust deed and rules. Since the fund is income tax approved, the Company and the trustees have to ensure that they are at all times fully compliant with the relevant provisions of the income tax and rules. Besides this if the Company is covered by the Payment of Gratuity Act, 1972 then the Company is bound to pay the statutory minimum gratuity as prescribed under this Act.

Governance of Plan:

The Company has setup an income tax approved irrevocable trust fund to finance the plan liability. The trustees of the trust fund are responsible for the overall governance of the plan. The plan is funded under Group Gratuity Scheme which is administered by LIC. The Company makes annual contribution to the plan.

Inherent Risk

The plan is of a final salary defined benefit in nature which is sponsored by the Company and hence it underwrites all the risks pertaining to the plan. In particular, there is a risk for the Company that any adverse salary growth or demographic experience or inadequate returns on underlying plan assets can result in an increase in cost of providing these benefits to employees in future. since the benefits are lump sum in nature the plan is not subject to any longevity risks.

(ii) POST RETIREMENTS MEDICAL BENEFITS

The Company provides post retirement medical cover to select grade of employees to cover the retiring employee and their spouse upto a specified age through mediclaim policy on which the premiums are paid by the Company. The eligibility of the employee for the benefit as well as the amount of medical cover purchased is determined by the grade of the employee at the time of retirement.

Nature of Benefits

The Company operates a defined benefit post-retirement medical plan. The benefits payable to the employees are post their retirement from the Company. The employees do not contribute towards this plan and the full cost of providing these benefits are met by the Company.

NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2017

Regulatory framework

There are no minimum funding requirements for such a post-retirement medical plan in India. The Company has chosen not to fund the post-retirement benefit liabilities of the plan but instead carry a provision based on actuarial valuation in its books of accounts.

Governance of Plan

The Company is responsible for the overall governance of the plan. Since the plan is unfunded, the governance of the plan is limited to employees being paid the benefits as per the terms of the plan.

Inherent Risk

The plan is of a defined benefit in nature which is sponsored by the Company and hence it underwrites all the risks pertaining to the plan. In particular, there is a risk for the Company that any adverse increase in healthcare costs or demographic experience can result in an increase in cost of providing these benefits to employees in future. The benefits are also paid post retirement upto a specified age of the beneficiary and plan carries the longevity risks.

Life expectancy

The majority of the plan's obligations are to provide benefits for the life of the member, so increases in life expectancy will result in an increase in the plan's liabilities. This is particularly significant in the Company's defined benefit plans, where inflationary increases result in higher sensitivity to changes in life expectancy.

4. Contributions by employer (including benefit payments recoverable)	**9,418**	–	288,186	–
5. Benefit payments	**(101,716)**	–	–	–
6. Assets acquired/(settled)	**669,671**	–	–	–
7. Fair value of plan assets at the end of the year	**888,504**	–	288,186	–
(viii). The Major categories of plan assets				
– List the plan assets by category here				
– Insurer managed funds	**888,504**	–	288,186	–
(ix). Actuarial assumptions				
1. Discount rate	**7.05%**	**7.05%**	8.00%	8.00%
2. Attrition rate	**8.00%**	**8.00%**	8.00%	8.00%
3. Medical premium inflation	–	**6.00%**	–	7.00%
4. Rate of increase in compensation levels	**10.00%**	**10.00%**	10.00%	10.00%
5. Mortality table	**IALM(2006–08) ult**	**IALM(2006–08) ult**	IALM(2006–08) ult	IALM(2006–08) ult

The expected rate of return on plan assets is based on the average long term rate of return expected on investments of the fund during the estimated term of obligation.

The estimate of future salary increases, considered in actuarial valuation, takes account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

(x) Sensitivity analysis:

Gratuity

Gratuity is a lump sum plan and the cost of providing these benefits is typically less sensitive to small changes in demographic assumptions. The key actuarial assumptions to which the benefit obligation results are particularly sensitive to are discount rate and future salary escalation rate. The following table summarizes the impact on the reported defined benefit obligation at the end of the reporting period arising on account of an increase or decrease in the reported assumption by 100 basis points.

These sensitivities have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the accounting date. There have been no changes from the previous periods in the methods and assumptions used in preparing the sensitivity analysis.

The sensitivity of the Gratuity Benefits to changes in the weighted principal assumptions is:

Amount (Rs.)

Principal assumption	Year	Changes in assumption	Impact on defined benefit obligation: Increase in assumption	Impact on defined benefit obligation: Decrease in assumption
Discount rate	**2017**	**1%**	**1,329,147**	**1,617,212**
	2016	1%	1,038,433	1,263,608
	2015	1%	558,573	702,604
Salary growth rate	**2017**	**1%**	**1,611,250**	**1,331,351**
	2016	1%	1,260,062	1,039,315

Post retirement medical benefits

The benefit obligation results for the cost of paying future hospitalization premiums to insurance company in future for the employee/beneficiaries during their lifetime is sensitive to discount rate and future increase in healthcare costs.

The following table summarizes the impact on the reported defined benefit obligation at the end of the reporting period arising on account changes in these three key parameters:

These sensitivities have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the accounting date. There have been no changes from the previous periods in the methods and assumptions used in preparing the sensitivity analysis.

The sensitivity of the post retirement medical benefit obligation to changes in the weighted principal assumptions is:

Amount (Rs.)

Principal assumption	Year	Changes in assumption	Impact on defined benefit obligation: Increase in assumption	Impact on defined benefit obligation: Decrease in assumption
Discount rate	**2017**	**1%**	**98,970**	**138,493**
	2016	1%	49,894	72,500
	2015	1%	6,491	10,174
Medical inflation rate	**2017**	**1%**	**138,504**	**98,658**
	2016	1%	72,500	49,726
	2015	1%	10,238	6,432

(xi) Expected contributions for the next year:

The Company expects to contribute Rs. Nil to the gratuity trusts during the next financial year of 2017.

(xii) Maturity profile:

Gratuity

Maturity profile of defined benefit obligation:

Amount (Rs.)

	2017	2016	2015

* excludes provision for gratuity and compensated absences, which is determined on the basis of actuarial valuation done on overall basis for the Company.

Note:

1. The sales/provision of services to and purchases/provision of services from related parties are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances at the year-end are unsecured and interest free and settlement occurs in cash. There have been no guarantees provided or received for any related party receivables or payables. For the year ended 31 March 2017, the Company has not recorded any impairment of receivables relating to amounts owed by related parties (31 March 2016: Rs. Nil, 1 April 2015: Rs. Nil). This assessment is undertaken each financial year through examining the financial position of the related party and the market in which the related party operates.

Note No. 36 – Financial Instruments

[I] Capital management

The company's capital management objectives are:

- to ensure the company's ability to continue as a going concern
- to provide an adequate return to shareholders by pricing products and services commensurately with the level of risk.

The capital structure of the Company consists of net debt (borrowings as detailed in note 15 and 17 and offset by cash and cash equivalents and current investments) and total equity of the Company.

The Company monitors capital using a gearing ratio, which is Net Debt divided by total capital. The Company's policy is to keep the gearing ratio within 150%.

The company sets the amount of capital in proportion to its overall financing structure, i.e. equity and financial liabilities. The company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

Amount (Rs.)

	31 March, 2017	31 March, 2016	31 March, 2015
Debt	**257,879,168**	451,182,316	220,391,989
Less:- Cash and Cash Equivalent including current investments	**27,786,986**	4,716,496	131,367,065
Net Debt	**230,092,182**	446,465,820	89,024,924
Equity	**789,243,589**	721,294,284	653,256,381
Gearing ratio	**29%**	62%	14%

[II] Financial Risk Management Framework

The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk and market risk . In order to manage the aforementioned risks, the Company operates a risk management policy and a program that performs close monitoring of and responding to each risk factors.

(A) CREDIT RISK

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

Trade receivables

Customer credit risk is managed by each business unit subject to the Companies's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on payment performance over the period of time and financial analysis including credit rating issued by credit rating agencies. Outstanding customer receivables are regularly monitored and any shipments to other small customers are generally covered by letters of credit . At 31 March 2017, the Company had 5 customers that owed the Company more than INR 100 lacs each and accounted for approximately 96% of all the receivables outstanding.

An impairment analysis is performed at each reporting date on an individual basis for major customers. The Company does not hold collateral as security.

NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2017

Financial instruments and cash deposits:

Credit risk from balances with banks and financial institutions is managed by the Company in accordance with the Company's policy. Investments of surplus funds are made only with approved mutual fund or banks and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the Company on an annual basis, and may be updated throughout the year subject to approval of the Group's Finance Committee. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

[B] LIQUIDITY RISK

(i) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Company's short-, medium- and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

(ii) Maturities of financial liabilities

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows.

To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rate curves at the end of the reporting period. The contractual maturity is based on the earliest date on which the Company may be required to pay.

- Expiring beyond one year (Unsecured)	–	–	–

[C] MARKET RISK

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. The Company uses derivatives to manage market risks. Derivatives are only used for economic hedging purposes and not as speculative investments. All such transactions are carried out within the guidelines set by the Board of Directors.

(i) Currency Risk

The Company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise. The Company's exposure to currency risk relates primarily to the Company's operating activities and borrowings when transactions are denominated in a different currency from the Company's functional currency.

The Company manages its foreign currency risk by hedging transactions that are expected to occur within a maximum 12 month period for hedges of forecasted sales and purchases and for 36 months period for borrowings.

When a derivative is entered into for the purpose of being a hedge, the Company negotiates the terms of those derivatives to match the terms of the hedged exposure. For hedges the derivatives cover the period of exposure

NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2017

from the point the cash flows of the transactions are forecasted up to the point of settlement of the resulting receivable or payable that is denominated in the foreign currency.

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows.

	Currency	**31 March, 2017**	31 March, 2016	1 April, 2015
Payable for Property, Plant and Equipment	USD	**3,949,145**	3,949,145	3,509,557
	EURO	–	–	411,365
Spare parts	EURO	–	2,910	–

Of the above foreign currency exposures, the following exposures are not hedged by a derivative:

	Currency	**31 March, 2017**	31 March, 2016	1 April, 2015
Payable for Property, Plant and Equipment	USD	–	–	14,600
	EURO	–	–	–
Spare parts	EURO	–	2,910	–

(ii) Interest Rate Risk

Refer Note B (ii) for interest rate sensitivity

(iii) Raw material price risk

The Company does not have significant risk in raw material price variations. In case of any variation in price same is passed on to the customer through appropriate adjustments to selling prices

There has been no significant changes to the company's exposure to market risk or the methods in which they are managed or measured.

Note No. 37 – Fair Value Measurement

Fair Valuation Techniques and Inputs used

This section explains the judgment and estimates made in determining the fair value of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair value are disclosed in financials statements. To provide an indication about the reliability of the inputs used in determining the fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standards.

Level 1 inputs

Level 1 inputs are quoted prices in active markets for identical assets or liabilities that the entity can access at the measurement date. A quoted market price in an active market provides the most reliable evidence of fair value and is used without adjustment to measure fair value whenever available, with limited exceptions. If an entity holds a position in a single asset or liability and the asset or liability is traded in an active market, the fair value of the asset or liability is measured within Level 1 as the product of the quoted price for the individual asset or liability and the quantity held by the entity, even if the market's normal daily trading volume is not sufficient to absorb the quantity held and placing orders to sell the position in a single transaction might affect the quoted price.

Level 2 inputs

Level 2 inputs are inputs other than quoted market prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 2 inputs include:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in markets that are not active
- inputs other than quoted prices that are observable for the asset or liability, for example interest rates and yield curves observable at commonly quoted interval
- implied volatilities
- credit spreads
- inputs that are derived principally from or corroborated by observable market data by correlation or other means ('market-corroborated inputs')

Level 3 inputs

Level 3 inputs are unobservable inputs for the asset or liability. Unobservable inputs are used to measure fair value to the extent that relevant observable inputs are not available, thereby allowing for situations in which there is little, if any, market activity for the asset or liability at the measurement date. An entity develops unobservable inputs using the best information available in the circumstances, which might include the entity's own data, taking into account all information about market participant assumptions that is reasonably available.

NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2017

Amount (Rs.)

Financial assets/financial liabilities	Fair value as at 31 March, 2017	31 March, 2016	1 April, 2015	Fair value hierarchy	Valuation technique(s) and key input(s)	Significant unobservable input(s)	Relationship of unobservable inputs to fair value and sensitivity
Foreign currency forward contracts	–	–	299,744	Level 2	Discounted cash flow. Future cash flows are estimated based on forward exchange rates (from observable forward exchange rate at the end of the reporting period) and contract forward rate that reflects the credit risk of various counter parties.	NA	NA
Total financial liabilities	–	–	2,164,638				

The fair values of the financial assets and financial liabilities included in the level 2 categories above have been determined in accordance with generally accepted pricing models based on a discounted cash flow analysis, with the most significant inputs being the discount rate that reflects the credit risk of counterparties.

Fair value of financial assets and financial liabilities that are not measured at fair value

The Company considers that the carrying amount of financial assets and financial liabilities recognised in financial statements approximates their fair value.

Note 38 Lease premium:

The Company has taken land situated at Chakan on lease for 95 years. The premium paid for acquisition of these land has been disclosed as prepaid expenses and is being amortised over the period of lease on straight line basis. The amount charged to the Statement of Profit and Loss is Rs. 2,613,958 (2016: 2,786,430).

Note 39 Earnings per share

Amount (Rs.)

Particulars	For the Year ended 31 March, 2017	For the Year ended 31 March, 2016
Profit after tax (Rs.) (A)	**72,183,013**	68,119,994
Weighted average number of shares (B)	**68,500,000**	68,500,000
Earnings per share [Basic/Diluted] (Rs.) (A/B)	**1.05**	0.99
Nominal value of equity share (Rs.)	**10.00**	10.00

Note 40 Corporate Social Responsibility (CSR)

The CSR obligation for the year as computed by the Company and relied upon by the auditors is Rs. 426,518 . CSR amount spent during the year is Rs. 427,100.

Note 41 Stock Appreciation Rights:

In accordance with the directions and recommendations of the Remuneration Committee of the Company, the Company grants SARs to eligible employees/ directors. SARs granted would vest over a period of five years, or such period as stipulated by the Remuneration Committee, from the date of grant. Upon vesting of SARs eligible employees are entitled to earn cash benefits as prescribed.

One SAR shall be entitled to a cash benefit which would be the difference between the Fair Value of one fully-paid Equity Share of the holding company on the exercise date less the Face Value of the Equity Share of the holding company on the grant date. Provided, however, that once SARs have vested, an eligible employee will have the option to exercise the same within a maximum period of three years from the vesting date during such periods of time as determined by the Company.

Once SARs are vested and exercised by an employee, the Company would, within a period of 90 days from the exercise date, compute the cash benefit due in respect of those SARs and pay the same to the employee after deducting the applicable income tax at source. The latest available Fair Value of the Company's Equity Share would be considered for computing the said cash benefit.

If an eligible employee fails to exercise the SARs within a period of three years as aforesaid, the unexercised SARs will lapse and the Company's liability for such unexercised SARs will cease.

The Company has granted Stock Appreciation Rights ("SARs") to eligible employees in accordance with the Stock Appreciation Rights Scheme 2015 (SARS-2015) during the year ended 31st March, 2015 and 31st March, 2016.

Details of stock appreciation rights outstanding as on 31st March 2017

F'16 grant	1,407	15/03/2017	155.13

NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2017

The inputs used in the measurement of the fair values at grant date of the cash-settled share-based payment plans were as follows.

		Cash settled Share Appreciation Rights
1.	Share price	155.13
2.	Exercise price	10
3.	Expected volatility (weighted-average)	12.09%
4.	Expected life/Option Life (weighted-average)	4.91
5.	Expected dividends yield	6.54%
6.	Risk-free interest rate (based on government bonds)	6.84%

Note No. 42 - First-time adoption of In-AS

First Time In AS adoption reconciliations

(i) Reconciliation of total equity as at 31 March, 2016 and 1 April, 2015:

Amount (Rs.)

Particulars	As at 31 March, 2016 (End of last period presented under previous GAAP)	As at 1 April, 2015 (Date of transition)
Equity as reported under previous GAAP	748,264,244	687,012,664
In AS: Adjustments increase (decrease):		
Net impact of Recognition of fair valuation of forward exchange contracts & derecognition of forward premium (net of tax)	–	(359,127)
Property, plant and equipment/ Capital work in progress: Decapitalisation of exchange differences and adjustment on account of interest rate swap element of derivative instrument (net of tax)	(29,808,577)	(31,528,349)
Recognition of cash settled share based payment liability at fair value (net of tax)	381,672	–
Adjustment on account of interest rate swap element of derivative instrument (net of tax)	1,284,599	519,929
Net impact of recognition of mutual fund investments at fair value (net of tax)	4,431	18,861
Net impact of recognition of fair valuation of Cross currency interest rate swap (net of tax)	(2,954,335)	(2,407,597)
Dividends not recognised as liability until declared (including tax on dividend)	4,122,250	–
Equity as reported under IND AS	721,294,284	653,256,381

(ii) Reconciliation of Total Comprehensive Income for the year ended 31 March 2016:

Particulars	Year Ended 31 March, 2016
Profit or Loss as per previous GAAP	65,373,830
Ind AS: Adjustments increase (decrease):	
Net impact of Recognition of fair valuation of forward contracts & Derecognition of forward premium (net of tax)	359,127
Property, plant and equipment/Capital work in progress: Decapitalisation of exchange differences and adjustment on account of interest rate swap element of derivative instrument (net of tax)	1,719,772
Recognition of cash settled share based payment liability at fair value (net of tax)	381,672
Adjustment on account of interest rate swap element of derivative instrument (net of tax)	764,670
Net impact of recognition of mutual fund investments at fair value (net of tax)	(14,430)
Net impact of recognition of fair valuation of Cross currency interest rate swap (net of tax)	(546,738)
Remeasurements of the defined benefit liabilities/(asset) (net of tax)	(82,091)
Total adjustment to profit or loss	2,581,982
Profit under Ind AS	67,955,812
Other comprehensive income (net of tax)	82,091
Total comprehensive income under Ind AS	68,037,903

Note: No statement of comprehensive income was produced under previous GAAP. Therefore the reconciliation starts with profit under previous GAAP.

(iii) Adjustments to the Statement of Cash Flows - No material adjustment with respect to previous GAAP cash flow.

(iv) Effect of Ind AS adoption on the balances sheet as at 31 March, 2016 and 1 April, 2015

(vi) Notes to Reconciliation

(1) Under previous GAAP, lease hold land was considered as tangible fixed asset and was amortised over the period of the lease. Under Ind AS, interest in lease hold land is considered as leases as per definition and classification criteria in IND AS 17. Accordingly in respect of net written down value of leasehold land as at 31 March, 2016 Rs. 241,421,943 (As at 1 April, 2015 Rs. 228,481,147) has been classified under other non current assets Rs. 238,635,512 and under other current assets Rs. 2,786,430 (As at 1 April, 2015 Rs. 225,694,717 and Rs. 2,786,432 respectively). Similarly the amortisation of lease hold land for the year ended 31 March, 2016 of Rs. 2,786,430 has been classified under other expenses as Rent.

This change does not affect total equity as at 1 April, 2015 and 31 March, 2016, profit before tax or profit for the year ended 31 March, 2016.

(2) Under previous GAAP, the exchange differences relating to long term foreign currency monetary items, to the extent they are used for financing and acquisition of Property, Plant and Equipment are added to or subtracted from the cost of depreciable Property, Plant and Equipment to which the monetary item relates and depreciated over the remaining useful life of such assets. Under Ind-As such exchange differences do not form part of cost of Property, Plant and Equipment in accordance with Ind-As 21. further, adjustment has been carried out on account of interest rate swap element of derivative instrument. Accordingly as on 1 April, 2015 (date of first time adoption of IND-AS) exchange differences and borrowing cost of Rs. 47,762,989 has been decapitalised from Capital Work-in-progress and Rs. 31,528,349 (net of deferred tax of Rs. 16,234,640) charged to equity (retained earnings). Similarly, The Company has for the year ended 31 March, 2016 added Rs. 476,742 to Property, Plant and Equipment and derecognised Rs. 2,101,879 (net) from depreciation on Property, Plant and Equipment.

The net effect of this changes is a decrease in total equity as at 31 March, 2016 of Rs. 29,808,577 (Rs. 31,528,349 as at 1 April, 2015), and increase of Rs. 2,578,619 in profit before tax and increase of Rs. 1,719,772 in profit for the year for the year ended 31 March, 2016.

(3) Under previous GAAP, current investments were measured at lower of cost or fair value. Under IND AS, these financial assets have been classified as FVTPL on the date of transition. The fair value changes are recognized in profit or loss. On transitioning to IND AS, these financial assets have been measured at their fair values which is higher than cost as per previous GAAP, resulting in an increase in carrying amount by Rs. 7,016 as at 31 March, 2016 (Rs. 28,574 as at 1 April, 2015).

The net of this change is an increase in total equity as at 31 March, 2016 of Rs. 4,431 (As at 1 April, 2015 increase of Rs. 18,861), and decrease of Rs. 21,558 in profit before tax and decrease of Rs. 14,430 in profit for the year ended 31 March, 2016.

(4) Under previous GAAP, the Company recognised the movements in time value of forward element of forward contracts in Statement of Profit and Loss in the year in which they arose. Under Ind AS, derivatives are initially recognised at fair value at the date the derivative contract are entered into and are subsequently remeasured to their fair value at the end of each reporting period and resulting gain or loss is recognized in the Statement of Profit and Loss immediately.

The net effect of this change is an increase in total equity as at 31 March, 2016 of Rs. Nil (As at 1 April, 2015 decrease of Rs. 359,127), and increase of Rs. 544,049 in profit before tax and increase of Rs. 359,127 in profit for the year ended 31 March, 2016.

(5) Under previous GAAP the Company adopted intrinsic value method for accounting compensation cost of stock Appreciation Rights (SARs). Under the IND-AS fair value has been adopted to recognise liability under SAR for the service acquired.

Due to adoption of fair value the employee cost for the year ended 31 March, 2016 is decreased by Rs. 570,196.

The effect of this change is an increase in total equity as at 31 March, 2016 is Rs. 381,672 and increase of Rs. 570,196 in profit before tax and increase of Rs. 381,672 in profit for the year ended 31 March, 2016.

(6) Under previous GAAP, dividends on equity shares recommended by the Board of Directors after the end of the reporting period but before the financial statements were approved for issue were recognized in the financial statements as a liability. Under IND AS, such dividends are recognized when declared by the members in a general meeting. The effect of this change is an increase in total equity as at 31 March 2016 of Rs. 4,122,250 (1 April 2015 Rs. Nil) but does not affect profit before tax and total profit for the year ended 31 March 2016.

(7) Under previous GAAP, actuarial gains and losses on remeasurement of net defined benefit liabilities/ (asset) were recognized in statement of Profit or Loss. Under IND AS, the actuarial gains and losses form part of remeasurement of the net defined benefit liabilities/ (asset) which is recognised in other comprehensive income. Consequently, the tax effect of the same has also been recognized in other comprehensive income under IND AS instead of Statement of Profit and Loss. The actuarial loss for the year ended 31 March, 2016 was Rs. 122,639 and the tax effect thereon Rs. 40,548. This change does not affect total equity, but there is an increase in profit before tax and in profit for the year ended 31 March, 2016 of Rs. 122,639 and Rs. 82,091 respectively.

NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2017

(8) Under previous GAAP, the Company recognised Cross currency interest rate swap at exchange rate prevailing as at balance sheet date . Under Ind AS, Cross currency interest rate swap are initially recognised at fair value at the date the derivative contract are entered into and are subsequently remeasured to their fair value at the end of each reporting period and resulting gain or loss is recognized in the Statement of Profit and Loss immediately.

The net effect of this change is an decrease in total equity as at 31 March, 2016 of Rs. 2,954,335 (As at 1 April, 2015 decrease of Rs. 2,407,597), and decrease of Rs. 790,968 in profit before tax and decrease of Rs. 546,738 in profit for the year ended 31 March, 2016.

Under previous GAAP Interest expenses on long term foreign currency monetary items were recognised at fixed interest rate as per cross currency interest rate swap. Under Ind-AS interest expense on the same are recognised at floating interest rate and the difference between fixed interest rate and floating interest rate is treated as derivative cost. The net effect of this change is an increase in total equity as at 31 March, 2016 of Rs. 1,284,599 (As at 1 April, 2015 increase of Rs. 519,929), and increase of Rs. 1,129,608 in profit before tax and increase of Rs. 764,670 in profit for the year ended 31 March, 2016.

(9) Due to transition to IND-AS from previous GAAP following adjustments were made to deferred tax Assets(DTA) (net) as on 31 March 2016 and 1 April 2015.

Particulars	As on 31 March 2016	As on 1 April 2015
Balance as per previous-GAAP	17,361,858	–
Increase in DTA on recognition of fair valuation of forward contracts & Derecognition of forward premium	–	184,922
Net increase in DTA on account of charge of net foreign currency loss on foreign currency monetary items used for financing or for acquisition of Property, Plant and Equipment and adjustment on account of interest rate swap element of derivative instrument	15,375,791	16,234,640
Decrease in DTA on recognition of cash settled share based payment liability at fair value	(188,524)	–
Decrease in DTA on adjustment on account of interest rate swap element of derivative instrument	(632,660)	(267,722)
Decrease in DTA on recognition of mutual fund investments at fair value	(2,584)	(9,712)
Increase in DTA on recognition of fair valuation of cross currency interest rate swap	1,483,954	1,239,723
Balance as per IND-AS	33,397,835	17,381,851

(10) Reconciliation of Deferred Tax Expenses/(income)

Deferred tax credit as per Previous GAAP	(17,361,858)
A. Charge/(credit) to Profit and loss account on account of:	
1) Expense on recognition of fair valuation of forward exchange contracts and Derecognition of forward premium	184,922
2) Foreign currency loss/gain on foreign currency monetary items used for financing or for acquisition of Property, Plant and Equipment and adjustment on account of interest rate swap element of derivative instrument	858,849
3) Credit on recognition of cash settled share based payment liability at fair value	188,524
4) Adjustment on account of interest rate swap element of derivative instrument	364,938
5) Income on recognition of mutual fund investments at fair value	(7,128)
6) recognition of fair valuation of Cross currency interest rate swap	(244,230)
B. Deferred tax impact on Remeasurements of the defined benefit liabilities/(asset) has been disclosed under Other Comprehensive Income.	40,548
Deferred tax income as per IND-AS	(15,975,435)

(11) Under previous GAAP, revenue from sale of product was presented net of excise duty under revenue from operations. Whereas, under Ind AS, revenue from sale of products includes excise duty. The corresponding excise duty expense of Rs. 78,490,512 for the year ended 31 March, 2016 is presented separately on the face of the statement of profit and loss as excise duty on sale of products (including scrap sale), however there is no impact of this change on the profit of the Company.

Profit/(Loss) carried to Balance Sheet	(15,536.66)	(14,985.30)
Net Worth	47,548.76	29,100.12

The aforesaid financial highlights are based on audited financial statements for the year ended 31st March, 2017, which are Company's first Ind AS financial statements which are required to be prepared in accordance with the Accounting Standards as notified under section 133 of the Companies Act, 2013. Figures for the year ended 31st March, 2016 have been restated under the new Accounting Standards Ind AS to make them comparable with the figures for the year ended 31st March, 2017.

No material changes and commitments have occurred after the closure of the financial year under review till the date of this report which would affect the financial position of the Company.

Operations:

Aircraft Division

GippsAero

The year FY 17 was a challenging year for General Aviation Aircraft as the market continued to soften. The Company's step-down subsidiary M/s. GippsAero Pty Ltd (GA) concentrated on a few successful regions, coupled with first sales into China to maintain market share. The Company continues to work with the regulator in India to take advantage of the growing demand for General Aviation aircraft in this region.

During the year GA finished all airworthiness, performance, and certification flight testing on the Airvan 10 program. Furthermore all type design reports have been submitted to the Civil Aviation Safety Authority (CASA) for approval and expecting to get the Type Certification from Civil Aviation Safety Authority, Australia (CASA) during first quarter FY18 and Federal Aviation Administration (FAA) in the second quarter.

CNM-5

Following the successful test flights of the CNM5 prototype in 2011, the Company and its development partner, National Aerospace Laboratories (NAL) had decided to approach the Civil Aviation Safety Authority in Australia (CASA) for Type Certification of the aircraft. Since this was a different approach to certification than was originally planned, National Aerospace Laboratories (NAL) was required to obtain formal clearance from its parent body, Council of Scientific and Industrial Research and other Government agencies. This approval was not forthcoming and therefore the certification program in Australia could not start. However, in the current financial year a new management team at CSIR and at NAL have restarted discussions on the project with the Company. The preferred plan given the elapsed time is to pursue certification in India. Once the final decision is taken by both parties and their respective parents, the program will be relaunched.

Aerostructures Division

During the year, the Company's subsidiary Mahindra Aerostructures Private Limited (MASPL) has ramped up significantly on serial production for various customers. The production volumes have increased from 20,000 parts per month in the beginning of the year to 100,000 parts per month by the end of the year. During the year MASPL has also been awarded its first direct contracts by Boeing and Airbus, making it a Tier 1 to both major OEMs. The Airbus contract will transition the Company from its existing soft metal (aluminum alloys) capabilities to hard metals (Titanium, aerospace steels, etc.). The MASPL also signed new work packages with three existing customers (PAG, Saab and Triumph) during the year, and has moved into delivery of control surface assemblies to GippsAero. The MASPL continues to pursue various opportunities in India and abroad for larger value work and these efforts are expected to yield results in the coming years.

Dividend

In view of the losses, your Directors have not considered declaration of dividend for the year under review.

Subsidiaries

As on 31st March, 2017, your company has the following subsidiaries.

A report on the performance and financial position of each of the subsidiaries, associates and joint venture companies and their contribution to the overall performance of the Company, is provided in Form AOC-1 which is attached to the Financial Statement and forms part of this Annual Report.

1. **Mahindra Aerostructures Private Limited:**

   The Company was incorporated in 2011 for the purpose of manufacture of aerospace components and aerostructures.

   Your Company holds 100 % of the share capital and voting power in the Company. During the year the Company incurred loss of Rs. 5238.00 Lakhs.

2. **Mahindra Aerospace Australia Pty Limited:**

   The Company was incorporated in 2010 for the purpose of holding the investments in Australian companies.

   Your Company holds 100 % of the share capital and voting power in the Company. During the year the Company incurred loss of Rs. 17.73 Lakhs.

All the Directors of your Company have given requisite declarations pursuant to Section 164 of the Companies Act, 2013 that they are not disqualified for appointment/ reappointment as Directors.

Meetings of the Board of Directors and Annual General Meeting

Your Board of Directors met four times during the year under review i.e. on 17th May, 2016, 13th September, 2016, 11th November, 2016 and 1st March, 2017.

The 9th Annual General Meeting of the Shareholders was held on 13th September, 2016.

The attendance at the meetings of the Board was as under:-

Name of Directors	No. of meetings attended
Mr. S P Shukla	4
Mr. V S Parthasarathy	2
Mr. Sudhir Yagnik	3
Mr. S. Ramkrishna	2
Mr. Arvind Mehra	3
Mr. K V Ramakrishna	4
Mr. R Laxman*	2
Mrs. Rajyalakshmi Rao Meka	4
Dr. Devi Singh	3

* Resigned with effect from 11th April, 2017.

Directors' Responsibility Statement

Pursuant to section 134(3)(c) of the Companies Act, 2013, your Directors, based on the representation received from operating management, and after due enquiry, confirm that:

(i) in the preparation of the annual accounts, the applicable accounting standards have been followed;

(ii) they have, in the selection of the accounting policies, consulted the Statutory Auditors and these have been applied consistently and reasonable and prudent judgments and estimates have been made so as to give a true and fair view of the state of affairs of the Company as at 31st March, 2017 and of the Loss of the Company for the year ended on that date;

(iii) proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

(iv) the annual accounts have been prepared on a going concern basis.

(v) Proper systems have been devised to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Evaluation of Performance

Pursuant to the provisions of the Companies Act, 2013 the Board carried out an annual evaluation of performance of its own, its committees and individual Directors, including independent Directors. Questionnaires/Feedback templates for annual evaluation were circulated to each Board member and duly filled in questionnaires/responses were submitted to the Chairman of the Board for facilitating the formal annual evaluation at the meeting held on 28th April, 2017.

Codes of Conduct

Your Company has, adopted Codes of Conduct for Corporate Governance ("the Codes") for its Directors and Senior Management Personnel and Employees. These Codes enunciate the underlying principles governing the conduct of your Company's business and seek to reiterate the fundamental precept that good governance must and would always be an integral part of your Company's ethos.

Your Company has for the year under review, received declarations from the Board Members and Senior Management Personnel and Employees affirming compliance with respective Code of Conduct.

Meeting of Independent Directors

The Independent Directors of the Company met on 28th December, 2016 without the presence of the Chairman or Executive Director or other Non-Independent Directors or Chief Financial Officer or any other Management Personnel. The Meeting was conducted in an informal and flexible manner to enable the Independent Directors to discuss matters pertaining to, inter alia, review of performance of Non-Independent Directors and the Board as a whole, review the performance of the Chairman of the Company (taking into account the views of the Executive and Non-Executive Directors), assess the quality, quantity and timeliness of flow of information between the Company Management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

Committees of the Board:

Audit Committee

The Committee consists of Mrs. Rajyalakshmi Rao Meka, Independent Woman Director, Dr. Devi Singh, Independent Director and Mr. V.S.Parthasarathy, Director.

Mrs. Rajyalakshmi Rao Meka is the Chairperson of the Audit Committee.

The Committee met three times during the year under review i.e. on 17th May, 2016, 13th September, 2016 and 1st March, 2017 and complied with the terms of reference assigned to the Committee from time to time.

The attendance at the meetings of the Audit Committee was as under:-

Name of Directors	No. of meetings attended
Mr. V S Parthasarathy	2
Mrs. Rajyalakshmi Rao Meka	3
Dr. Devi Singh	3

Nomination and Remuneration Committee

The Nomination and Remuneration Committee consists of Dr. Devi Singh, Independent Director, Mrs. Rajyalakshmi Rao Meka, Independent Woman Director, Mr. S. P. Shukla and Mr. Dhiraj Rajendran, Directors. Dr. Devi Singh is the Chairman of the Nomination and Remuneration Committee.

The committee was reconstituted on 25th April, 2017 following the resignation of Mr. R Laxman w.e.f 11th April, 2017 and induction of Mr. Dhiraj Rajendran as director with effect from 25th April, 2017.

During the year under review, the Committee met four times during the year under review i.e., on 17th May, 2016, 13th September, 2016, 11th November, 2016 and 1st March, 2017.

The attendance at the meetings of the Nomination and Remuneration Committee was as under:-

Name of Directors	No. of meetings attended
Mr. S P Shukla	4
Mr. R Laxman *	2
Dr. Devi Singh	3
Mrs. Rajyalakshmi Rao Meka	4

* Resigned as Director with effect from 11th April, 2017.

The Committee members at their meeting held on 28th April, 2017 carried out an evaluation of the performance of individual directors through a structured questionnaire process.

Key Managerial Personnel (KMP)

During the year under review, Mr. T Subrahmanya Sharma was appointed as Chief Financial Officer of the Company with effect from 18th May, 2016. Mr. Vilas Chaubal was appointed as Company Secretary with effect from 13th September, 2016.

Mr. Arvind Kumar Mehra has been reappointed as Whole Time Director designated as Executive Director and Chief Executive Officer for a further period of three years with effect from 10th May, 2017. His Reappointment is subject to approval of the shareholders at the ensuing Annual General Meeting.

Policy for Remuneration of Directors, Key Managerial Personnel, and other Employees and Criteria for appointment/ removal of Directors and Senior Management Personnel

Policies for the remuneration of Directors, Key Managerial Personnel and other Employees and the appointment/removal of Directors and Senior Management Personnel are in place. The same had been formulated keeping in view the principles of transparency and consistency and were approved by the Board as per recommendation of Nomination and Remuneration Committee.

These policies are furnished as **Annexure I** and form part of this Report.

Risk Management Policy

The Board has a Risk Management Policy in place. The Policy helps in identifying elements of risk, if any, which may threaten the existence of the Company and managing the risks associated with the business of the Company.

Internal Financial Controls

Your Company has an adequate system of internal controls and monitoring procedures as well as internal financial controls on financial statements commensurate with the size and the nature of its business. The internal control system is supplemented by documented policies, guidelines and procedures. Besides the Company regularly conducts reviews to assess the adequacy of financial and operating controls for various businesses of the Company. Significant issues, if any, are brought to the attention of the Audit Committee. The Internal Audit function submits detailed reports periodically to the management and the Audit Committee. The Audit Committee reviews these reports with the operating management with a view to provide oversight of the internal control systems.

For and on behalf of the Board

Mr. S P Shukla
Chairman

Mumbai, 28th April, 2017

ANNEXURE I TO THE DIRECTORS' REPORT FOR THE YEAR ENDED 31ST MARCH, 2017.

POLICY FOR REMUNERATION OF DIRECTORS, KEY MANAGERIAL PERSONNEL

Purpose

This Policy sets out the approach to compensation of Directors and Key Managerial Personnel in Mahindra Aerospace Private Limited.

Policy Statement

Our compensation philosophy strives to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in business.

In order to effectively implement this, our compensation structure is developed through external benchmarking as appropriate, with relevant players across the industry we operate in.

Non-Executive Including Independent Directors

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both Fixed and variable, to the Non-Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and such other factors as the NRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

Key Managerial Personnel (KMPs)

The terms of remuneration of Chief Executive Officer (CEO), Chief Financial Officer (CFO) and Company Secretary (CS) shall be determined by the Board and revised, from time to time, either by any Director or such other person as may be authorised by the Board. The remuneration shall be consistent with the competitive position of the salary for similar positions in the industry and their Qualifications, Experience, Roles and Responsibilities. Pursuant to the provisions of section 203 of the Companies Act 2013 the Board shall approve the remuneration at the time of their appointment.

The remuneration to directors, KMPs and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

Employees

We follow a differential approach based on industry benchmarking and statutory requirement, depending upon the level in the organization i.e. for all employees from Technician to Senior Management Band, we benchmark with competition from the same industry.

We have a CTC (Cost to Company) concept. In Managerial and Senior Managerial band starting from Grade M3 and above CTC includes a fixed component (Guaranteed Pay) and a variable component (Performance pay). The percentage of the variable component increases with increasing hierarchy levels, as we believe employees at higher positions have a far greater impact and influence on the overall business result. The CTC is reviewed once every year and the compensation strategy for positioning of individuals takes into consideration the following elements:

- Performance
- Potential
- Criticality
- Longevity in grade

Remuneration for the new employees other than KMPs and Senior Management Personnel will be decided by the HR, in consultation with the concerned business unit head at the time of hiring, depending upon the relevant job experience, last compensation and the skill-set of the selected candidate.

The Company may also grant Stock Appreciation Rights and/or Stock Options/Long Term Incentive and Retention benefits to Employees and Directors (other than Independent Directors) in accordance with any Scheme of the Company and subject to compliance of the applicable statutes and regulations.

POLICY ON APPOINTMENT OF DIRECTORS AND SENIOR MANAGEMENT PERSONNEL

DEFINITIONS

The definitions of some of the key terms used in this Policy are given below.

"Board" means Board of Directors of the Company.

"Company" means Mahindra Aerospace Private Limited

"Committee(s)" means Committees of the Board for the time being in force.

"Key Managerial Personnel" (KMP) refers to key managerial personnel as defined under the Companies Act, 2013 and includes:

(i) Managing Director (MD), or Chief Executive Officer (CEO); or Manager; or Whole time Director (WTD)

(ii) Chief Financial Officer (CFO); and

(iii) Company Secretary (CS).

"Nomination and Remuneration Committee" (NRC) means Nomination and Remuneration Committee of Board of Directors of the Company for the time being in force.

"Senior Management" means personnel of the Company who are members of its Core Management Team excluding Board of Directors comprising of all members of management one level below the executive directors including the functional heads.

I. APPOINTMENT OF DIRECTORS

- The NRC reviews and assesses Board composition and recommends the appointment of new Directors. In evaluating the suitability of individual Board member, the NRC shall take into account the following criteria regarding qualifications, positive attributes and independence of director:
    1. All Board appointments will be based on merit, in the context of the skills, experience, independence and knowledge, for the Board as a whole to be effective.
    2. Ability of the candidates to devote sufficient time and attention to his professional obligations as Independent Director for informed and balanced decision making
    3. Adherence to the Code of Conduct and highest level of Corporate Governance in letter and in sprit by the Independent Directors
- Based on recommendation of the NRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board through the Chairman/Managing Director will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new Director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act 2013 and Rules made thereunder.

Removal of Directors

If a Director is attracted with any disqualification as mentioned in any of the applicable Act, rules and regulations thereunder or due to non - adherence to the applicable policies of the company, the NRC may recommend to the Board with reasons recorded in writing, removal of a Director subject to the compliance of the applicable statutory provisions.

Senior Management Personnel

The NRC shall identify persons who may be appointed in senior management team in accordance with the criteria laid down above.

Senior Management personnel are appointed or promoted and removed/relieved with the authority of Chairman based on the business need and the suitability of the candidate. The details of the appointment made and the personnel removed one level below the Key Managerial Personnel during a quarter shall be presented to the Board.

II. SUCCESSION PLANNING:

Purpose

The Talent Management Policy sets out the approach to the development and management of talent in the Mahindra Group to ensure the implementation of the strategic business plans of the Group and the Group Aspiration of being among the Top 50 globally most-admired brands by 2021.

Board:

The successors for the Independent Directors shall be identified by the NRC at least one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor will be appointed at the earliest but not later than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

The NRC will accord due consideration for the expertise and other criteria required for the successor.

The Board may also decide not to fill the vacancy caused at its discretion.

Senior Management Personnel:

A good succession-planning program aims to identify high growth individuals, train them and feed the pipelines with new talent. It will ensure replacements for key job incumbents in KMPs and senior management positions in the organization.

Significantly, we have a process of identifying Hi-pots and critical positions. Successors are mapped for these positions at the following levels:

1. Emergency successor
2. Ready now
3. Ready in 1 to 2 years
4. Ready in 2 to 5 years
5. Ready in more than 5 years

in order to ensure talent readiness as per a laddered approach.

Policy Statement

The Talent Management framework of the Mahindra Group has been created to address three basic issues:

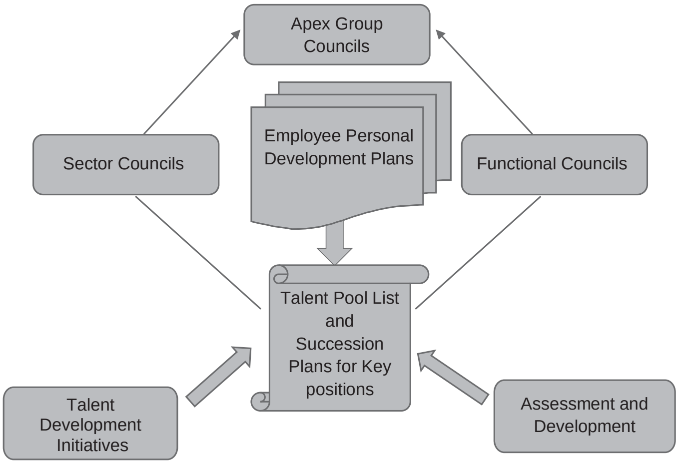
1) Given the strategic business plans, do we have the skills and competencies required to implement them? If not, how do we create them – by developing them internally or through lateral induction from outside?
2) For critical positions, what is the succession pipeline?
3) What are the individual development plans for individuals both in the succession pipeline as well as others?

The framework lays down an architecture and processes to address these questions using the **3E** approach:

a) **Experience** i.e. both long and short-term assignments. This has 70% weightage
b) **Exposure** i.e. coaching and mentoring – 20% weightage
c) **Education** i.e. learning and development initiatives – 10% weightage

The Talent Management process is applicable to all employees. Over the years, the Talent Management framework has become a well-structured and process-oriented system which is driven by an interactive and collaborative network of Talent Councils at the Group and Sector Levels. These Talent Councils, which consist mainly of senior business leaders supported by HR, are a mix of Sector (Business) and Functional Councils coordinated by an Apex Talent Council, headed by the Group Chairman. The Apex Council reviews the work done by the Talent Councils and facilitates movement of talent across Sectors. The Sector/Functional Councils meet regularly throughout the year and the Apex Council interacts with each one of them separately once a year, and in addition conducts an integrated meeting where the Chairpersons of all the Councils are present.

The Talent Management process can be represented pictorially as under:



The talent pipeline is maintained and developed so as to ensure that there is a seamless flow of talent. An important part of this exercise is drawing up and implementing IDAPs (Individual Development Action Plans) for every Executive concerned using the 3E approach mentioned above.

ANNEXURE II TO THE DIRECTORS' REPORT FOR THE YEAR ENDED 31ST MARCH, 2017

Form No. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2017

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Mahindra Aerospace Private Limited
Mumbai

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Mahindra Aerospace Private Limited (hereinafter called the "Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on March 31, 2017 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2017 according to the applicable provisions of:

(i) The Companies Act, 2013 (the Act) and the rules made thereunder;

(ii) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment and Overseas Direct Investment; and

(iii) As confirmed by the management, there are no other laws specifically applicable in relation to the business of the Company.

Other major Statutes, Acts, Laws, Rules, Regulations, Guidelines and Standards etc., as applicable to the Company are given below:

(i) Labour Laws and other incidental laws related to employees and labour appointed by the Company either on its payroll or on contractual basis as related to wages, gratuity, provident fund, ESIC, compensation etc.;

(ii) Acts as prescribed under Direct Tax and Indirect Tax;

(iii) Land revenues Act;

(iv) Labour Welfare Act; and

(v) Such other Local laws etc. as may be applicable in respect of the office of the Company.

We have also examined compliance with the applicable clauses of the following:

1. Secretarial Standards issued by The Institute of Company Secretaries of India, w.e.f. July 1, 2015; and
2. The Company is an unlisted Company and therefore compliance with listing agreement is not applicable.

During the period under review the Company has complied with the provisions of the Act, Old Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

During the period under review, decisions were carried through unanimously and no dissenting views are observed, while reviewing the minutes.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period the Company has undertaken following major corporate events/actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc. referred to above:

(i) At the Extraordinary General Meeting held on September 27, 2016, inter-alia, the following resolutions were passed:

 (a) Increase in Authorised Share Capital of the Company from Rs. 2,750,000,000 (Rupees Two Hundred and Seventy Five Crores) to Rs. 6,050,000,000 (Rupees Six Hundred and Five Crores), thereby altering the Memorandum of Association of the Company; and

(b) Approved the issue of 19,00,00,000 (Nineteen Crores) 0.1% Cumulative Compulsorily Convertible Preference Shares of Rs. 10 each on right basis.

(ii) At the Board Meeting held on November 11, 2016, inter-alia, the following resolutions were passed:

(a) Approved the allotment of 10,00,00,000 (Ten Crores) 0.1% Cumulative Compulsorily Convertible Preference Shares of Rs. 10 each on Right Basis; and

(iii) At the Meeting of Right Issue Committee of Directors held on December 22, 2016, the following resolution was passed:

(a) Approved the allotment of 9,00,00,000 (Nine Crores) 0.1% Cumulative Compulsorily Convertible Preference Shares of Rs. 10 each on Right Basis.

This report is to be read with our letter of even date which is annexed as **Annexure A** and forms an integral part of this report.

ANNEXURE A

To,
The Members,
Mahindra Aerospace Private Limited

Our report of even date is to be read along with this letter.

1. Maintenance of secretarial record is the responsibility of the management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit.
2. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion.
3. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company.
4. Wherever required, we have obtained the Management's representation about the compliance of laws, rules and regulations and happening of events etc.
5. The compliance of the Corporate and other applicable laws, rules, regulations, standards is the responsibility of the management. Our examination was limited to the verification of the procedures on test basis.
6. The Secretarial Audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT

To the Members of **Mahindra Aerospace Private Limited**

Report on the Financial Statements

1. We have audited the accompanying Standalone financial statements of Mahindra Aerospace Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss, the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and Companies (Indian Accounting Standards) Rules, 2015 , as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these Standalone financial statements based on our audit.

4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

5. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Standalone financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone financial statements give the information required by the Act in the manner so required and give a true and fair view, in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2017, and its loss and its cash flows for the year ended on that date.

Emphasis of Matter

9. We draw your attention to Note 37 of the financial statements wherein the Management has detailed the status of the Commercial launch of the prototype developed of the 5-seater aircraft jointly with NAL (National Aerospace Laboratories) in respect of which the approvals from the government and other statutory authorities is pending/ delayed but will not impact the technical or commercial feasibility of the project. Being a technical matter we have relied upon such representation.

   Our opinion is not qualified in respect of this matter.

10. We draw your attention to Note 38 of the financial statements wherein the Management has detailed the status of impairment of Investment in its wholly owned subsidiary Mahindra Aerospace Australia Pty. Limited (MAAPL). Based on the management estimates, impairment loss already provided in books is sufficient.

    Our opinion is not qualified in respect of this matter.

Report on Other Legal and Regulatory Requirements

11. As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure I, a statement on the matters specified in paragraphs 3 and 4 of the Order.

12. As required by Section 143(3) of the Act, we report that:

    a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

    b. in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and proper returns;

    c. the Balance Sheet, the Statement of Profit and Loss, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;

    d. in our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Indian Accounting Standards) Rules, 2015, as amended;

    e. On the basis of written representations received from the directors as on March 31, 2017, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2017, from being appointed as a director in terms of Section 164(2) of the Act.

    f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure II". Our report expresses and unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

    g. with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

        i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements- Refer Note 32 to the financial statements.

        ii. The Company did not have any long-term contracts including derivate contracts for which there were any material foreseeable losses.

        iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

        iv. The Company has provided requisite disclosures in the financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8th November, 2016 to 30th December, 2016. Based on audit procedures and relying on the management representation we report that the disclosures are in accordance with books of account maintained by the Company and as produced to us by the Management – Refer Note 35.

ANNEXURE I TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 11 under 'Report on others Legal and Regulatory Requirements' of our report of even date)

1. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets.

   (b) The fixed assets of the Company have been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.

   (c) There are no immovable properties held by the Company.

2. The Company does not hold any inventory. Therefore, the provisions of Clause 3(ii) of the said Order is not applicable to the Company.

3 The Company has not granted any loans, secured or unsecured, to companies, firms or other parties covered in the register maintained under Section 189 of the Act. Therefore, the provisions of Clause 3(iii), (iii)(a), (iii)(b) and (iii)(c) of the said Order are not applicable to the Company.

4 In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities, as applicable.

5 The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 and the Rules framed thereunder to the extent notified.

6 The Central Government of India has not prescribed the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company.

7. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing the undisputed statutory dues, including provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities.

   (b) According to the information and explanations given to us and records of the Company examined by us, there are no disputed dues of income tax or sales tax, wealth tax, service tax, duty of customs, duty of excise, value added tax and cess which have not been deposited on account of any dispute except for:

Nature of statute	Nature of dues	Amount (Rs in lakhs)	Period to which the amount relates	Forum where dispute is pending
Service Tax	Service Tax	98.96	2011-12	Commissioner of Service Tax

8 The Company has not taken any loans or borrowings from banks,financial institutions and government and has not issued any debentures. Therefore, the provisions of Clause 3(viii) of the said Order are not applicable to the company.

9 The Company has not raised any money from initial public offer or further offer (including debt instruments). In our opinion, and according to the information and explanations given to us, the term loan has been applied for the purposes for which it was obtained.

10 To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no fraud on the Company by its officers or employees has been noticed or reported during the year.

11 In our opinion and according to the information and explanations given to us, The Company has complied with the provisions of Section 197 read with Schedule V to the Companies Act,2013.

12 The Company is not a Nidhi Company and hence reporting under clause (xii) of the said Order is not applicable.

13 In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 188 and 177 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.

14 During the year the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under clause (xiv) of the Order is not applicable to the Company.

15 In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with him and hence provisions of Section 192 of the Companies Act, 2013 are not applicable.

16 To the best of our knowledge and as explained, the company is not required to be registered under Section 45-I of the Reserve Bank of India Act, 1934.

ANNEXURE "II" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 12(f) under 'Report on others Legal and Regulatory Requirements' of our report of even date)

Report on the Internal Financial Control Over Financial Reporting under clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial control over financial reporting of **Mahindra Aerospace Private Limited** ("the company") as of March 31, 2017 in conjunction with our audit of the financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India" These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conduct our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standard on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial control over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial control over financial reporting include obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures Selected depends on the auditor's judgement, include the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the company's internal financial controls over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process design to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

(1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statement in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisation of management and directors of the company; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility if collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control Over Financial Reporting issued by the Institute of Chartered Accountants of India".

Notes to Financial Statements for the year ended 31st March, 2017

1. Corporate Information

Mahindra Aerospace Private Limited (the ‘Company’) was incorporated on 28th February, 2008 with an objective of exploring various opportunities available in the Aerospace Sector. Presently the Company is engaged in design and development of 5 seat aircraft in technical collaboration with National Aerospace Laboratories (NAL). Also the company is exporting design services. The company is a private company domiciled in India and is incorporated under the provisions of the Companies Act, 1956 applicable in India. The registered office of the company is located at Mahindra Towers, P.K Kurne Chowk, Worli, Mumbai - 400018.

The financial statements were authorised for issue in accordance with a resolution of the directors on 28th April 2017.

2. Significant accounting policies

2.1 Basis of preparation

The standalone financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015.

For all periods, up to and including the year ended 31 March 2016, the Company prepared its financial statements in accordance with accounting standards notified under the section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP).

These financial statements for the year ended 31 March 2017 are the first the company has prepared in accordance with Ind AS. Refer to Note 31 for information on how the Company adopted Ind AS.

These financial statements have been prepared on the historical cost basis as explained in the accounting policies below except for certain financial instruments which are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

The financial statements are presented in INR.

2.2 Significant accounting estimates and assumptions

The preparation of the company’s financial statements requires management to make estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amounts of assets or liabilities affected in future periods.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the company. Such changes are reflected in the assumptions when they occur.

Impairment of non-financial assets

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm’s length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a DCF model. The cash flows are derived from the budget for the next five years and do not include restructuring activities that the company is not yet committed to or significant future investments that will enhance the asset’s performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used for extrapolation purposes.

Taxes

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

Defined benefit plans (gratuity benefits)

The present value of the defined benefit gratuity plan and Long term leave en-cashable at retirement /cessation are provided for based on Actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation.

The mortality rate is based on publicly available mortality tables for the specific countries. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates for the respective countries.

The Company fully contributes all ascertained liabilities to the “Employee Group Gratuity Assurance Scheme” Trustee administer contributions made to the Trusts and contributions are invested in a scheme with Life Insurance Corporation of India as permitted by law of India

The company recognises the net obligation of a defined benefit plan in its Balance sheet as an asset or liability.

Gains or losses through re-measurements of the net defined benefit liability/assets are recognised in other comprehensive income.

Further details about gratuity obligations are given in Note 24.

2.3 Summary of significant accounting policies

a. Current versus non-current classification

The Company presents assets and liabilities in balance sheet based on current/non-current classification.

An asset is current when it is:

(i) Expected to be realised or intended to be sold or consumed in normal operating cycle

(ii) Held primarily for the purpose of trading

(iii) Expected to be realised within twelve months after the reporting period, or

(iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

(i) It is expected to be settled in normal operating cycle

(ii) It is held primarily for the purpose of trading

(iii) It is due to be settled within twelve months after the reporting period, or

(iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The company has identified twelve months as its operating cycle.

b. Foreign currencies

The company determined the functional currency and items included in the financial statements are measured using the functional currency. The company's financial statements are presented in INR, which is the company's functional currency.

Transactions and balances

Transactions in foreign currencies are translated into the functional currency using the spot rates at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Exchange difference arising on settlement or translation of monetary items are recognized in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognized in other comprehensive income or profit or loss are also recognized in other comprehensive income or profit or loss, respectively).

c. Fair Value Measurement

The Company measures financial instruments, such as current investments at fair value at each balance sheet date. Fair-value related disclosures for financial instruments and non-financial assets that are measured at fair value or where fair values are disclosed, are summarised in the following notes:-

Disclosure for fair valuation methods, significant estimates and judgements - Note 26

Financial Instruments (including at carrying Cost) – Note 26

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible to by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset considers a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between Levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company's operating team determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for distribution in discontinued operations.

d. Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

The specific recognition criteria described below must also be met before revenue is recognized.

Rendering of services

Revenue from the rendering of services is recognized upon the delivery of service to the customers. In contracts involving the rendering of services, revenue is recognized pro-rata over the period of contract as and when services are rendered.

Interest income

For all financial instruments measured at amortized cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses. Interest income is included in finance income in the statement of profit and loss.

Dividends

Revenue is recognised when the company's right to receive the payment is established, which is generally when shareholders approve the dividend.

e. Government grants

Government grants are recognized where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognized as income on a systematic basis over the periods that the related costs, which it is intended to compensate, are expensed. Where the grant relates to an asset, it is recognized as income in equal amounts over the expected useful life of the related asset.

When the company receives grants of non-monetary assets, the asset and the grant are recorded at fair value amounts and released to profit or loss over the expected useful life in a pattern of consumption of the benefit of the underlying asset i.e. by equal annual instalments. When loans or similar assistance are provided by governments or related institutions, with an interest rate below the current applicable market rate, the effect of this favorable interest is regarded as a government grant. The loan or assistance is initially recognized and measured at fair value and the government grant is measured as the difference between the initial carrying value of the loan and the proceeds received. The loan is subsequently measured as per the accounting policy applicable to financial liabilities.

f. Taxes

Current Income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the company operates and generates taxable income.

Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred Tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized except when the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The net amount of tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet.

g. Property, plant and equipment

Property plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by management. The company depreciates property, plant and equipment over the estimated useful life using the straight-line method.

Capital work in progress, property, plant and equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of property, plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful life. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in profit or loss as incurred.

The residual values, useful life and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances and cost of assets not ready for use at the balance sheet date are disclosed under capital work- in- progress.

Depreciation is calculated on a straight-line basis over the estimated useful life of the assets as follows:

Asset Type	Useful Life
Plant and Equipment	5 years
Office Equipment	2 years, 5 years, 10 years, 15 years
Furniture	3 years
Vehicles	5 years
Computers	3 years

The company, based on technical assessment made by technical expert and management estimate, depreciates certain items of building, plant and equipment over estimated useful life which are different from the useful life prescribed in Schedule II to the Companies Act, 2013. The management believes that these estimated useful life are realistic and reflect fair approximation of the period over which the assets are likely to be used.

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognized.

The residual values, useful life and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

h. Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Internally generated intangibles, excluding capitalized development costs, are not capitalized and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred.

The useful life of intangible assets are assessed as either finite or indefinite. The company does not have intangible asset whose useful life is assumed as indefinite.

Intangible assets with finite life are amortized over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortization period or method, as appropriate, and are treated as changes in accounting estimates. The amortization expense on intangible assets with finite life is recognized in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

A summary of the policies applied to the Company's intangible assets is, as follows:

	Software
Useful life	3-5 years
Amortisation method used	Amortised on a straight-line basis

i. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

j. Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception date. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

For arrangements entered into prior to 1 April 2015, the company has determined whether the arrangement contain lease on the basis of facts and circumstances existing on the date of transition.

Company as a Lessee

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the company is classified as a finance lease.

Finance leases are capitalized at the commencement of the lease at the inception date fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognized in finance costs in the statement of profit or loss.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating lease payments are recognized as an expense in the statement of profit or loss on a straight-line basis over the lease term.

k. Impairment

Financial assets
Trade receivables

The company's customers are reputed Aerospace industry companies having good financial position and there is no past default experience of the counter parties

Non-financial assets

The company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

For assets an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the company estimates the asset's or CGU's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the statement of profit or loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

l. Retirement and other employee benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The company has no obligation, other than the contribution payable to the provident fund. The company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

The company operates a defined benefit gratuity plan in India, which requires contributions to be made to a separately administered fund. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods.

Past service costs are recognized in profit or loss on the earlier of the date of the plan amendment or curtailment, and the date that the company recognizes related restructuring costs

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The company recognizes the following changes in the net defined benefit obligation as an expense in the consolidated statement of profit and loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Net interest expense or income

m. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets
Initial recognition and measurement
All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date that the company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortized cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)

  Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)

  Equity instruments measured at fair value through other comprehensive income (FVTOCI)

Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the company. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the profit or loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade and other receivables. For more information on receivables.

Debt instrument at FVTOCI

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the P&L. On derecognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified from the equity to P&L. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The company has not designated any debt instrument as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

Equity investments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognized by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL. For all other equity instruments, the company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a company of similar financial assets) is primarily derecognized (i.e. removed from the company's consolidated balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either (a) the company has transferred substantially all the risks and rewards of the asset, or (b) the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the company continues to recognize the transferred asset to the extent of the company's continuing involvement. In that case, the company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the company could be required to repay.

Impairment of financial assets

In accordance with Ind AS 109, the company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance
- Financial assets that are debt instruments and are measured as at FVTOCI
- Lease receivables under Ind AS 17
- Loan commitments which are not measured as at FVTPL
- Financial guarantee contracts which are not measured as at FVTPL

The company follows 'simplified approach' for recognition of impairment loss allowance on:

- Trade receivables or contract revenue receivables; and
- All lease receivables resulting from transactions within the scope of Ind AS 17

The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider:

- All contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss (P&L). This amount is reflected under the head 'other expenses' in the P&L. The balance sheet presentation for various financial instruments is described below:

- Financial assets measured as at amortized cost, contractual revenue receivables and lease receivables: ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the company does not reduce impairment allowance from the gross carrying amount.
- Loan commitments and financial guarantee contracts: ECL is presented as a provision in the balance sheet, i.e. as a liability.

- Debt instruments measured at FVTOCI: Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as 'accumulated impairment amount' in the OCI.

For assessing increase in credit risk and impairment loss, the company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

The company does not have any purchased or originated credit-impaired (POCI) financial assets, i.e., financial assets which are credit impaired on purchase/ origination.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Loans and borrowings

This is the category most relevant to the company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

This category generally applies to borrowings. For more information refer Note 13.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

Reclassification of financial assets

The company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The company's senior management determines change in the business model as a result of external or internal changes which are significant to the company's operations. Such changes are evident to external parties. A change in the business model occurs when the company either begins or ceases to perform an activity that is significant to its operations. If the company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The company does not restate any previously recognized gains, losses (including impairment gains or losses) or interest.

The following table shows various reclassification and how they are accounted for:

Original Classification	Accounting Treatment
Amortised Cost	Fair value is measured at reclassification date. Difference between previous amortized cost and fair value is recognised in P&L
FVTPL	Fair value at reclassification date becomes its new gross carrying amount. EIR is calculated based on the new gross carrying amount
Amortised Cost	Fair value is measured at reclassification date. Difference between previous amortized cost and fair value is recognised in OCI. No change in EIR due to reclassification.
FVOCI	Fair value at reclassification date becomes its new amortised cost carrying amount. However cumulative gain or loss in OCI is adjusted against fair value. Consequently, the asset is measured as if it had always been measured at amortised cost.
FVTPL	Fair value at reclassification date becomes its new carrying amount. No other adjustment is required.

Compound Financial Instruments (Compulsorily Convertible cumulative preference shares):

Convertible preference shares are treated as equity instrument based on the terms of the contract. On issue of convertible preference shares.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the consolidated balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

2.4 Recent Accounting Pronouncements

a) Standards issued but not yet effective

In March 2017, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) (Amendments) Rules, 2017, notifying amendments to Ind AS 7, 'Statement of cash flows' and Ind AS 102, 'Share-based payment.' These amendments are in accordance with the recent amendments made by International Accounting Standards Board (IASB) to IAS 7, 'Statement of cash flows' and IFRS 2, 'Share-based payment,' respectively. The amendments are applicable to the company from April 1, 2017.

Amendment to Ind AS 7:

The amendment to Ind AS 7 requires the entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the balance sheet for liabilities arising from financing activities, to meet the disclosure requirement. The company is evaluating the requirements of the amendment and the effect on the financial statements is being evaluated.

Amendment to Ind AS 102:

The amendment to Ind AS 102 provides specific guidance to measurement of cash-settled awards, modification of cash-settled awards and awards that include a net settlement feature in respect of withholding taxes. It clarifies that the fair value of cash-settled awards is determined on a basis consistent with that used for equity-settled awards. Market-based performance conditions and non-vesting conditions are reflected in the 'fair values', but non-market performance conditions and service vesting conditions are reflected in the estimate of the number of awards expected to vest. Also, the amendment clarifies that if the terms and conditions of a cash-settled share-based payment transaction are modified with the result that it becomes an equity-settled share-based payment transaction, the transaction is accounted for as such from the date of the modification. Further, the amendment requires the award that include a net settlement feature in respect of withholding taxes to be treated as equity-settled in its entirety. The cash payment to the tax authority is treated as if it was part of an equity settlement. The company is evaluating the requirements of the amendment and the impact on the financial statements is being evaluated.

3) Rights, preferences and restrictions attached to shares:

a) Equity Shares:

The company has one class of equity shares having a par value of Rs.10 per share. Each shareholder is eligible for one vote per share held. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting, except in case of interim dividend. In the event of liquidation, the equity shareholders are eligible to receive the remaining assets of the Company after distribution of all preferential amounts, in proportion to their shareholding.

b) 5% Non-Cumulative Compulsorily Convertible Preference shares (compound financial instruments):

50,00,000, 5% Non-Cumulative Compulsorily Convertible Preference shares (NCCCPS) of Rs.10 each were issued in March 2015 to the holding Company, Mahindra & Mahindra Ltd. The NCCCPS holders will not entitled to any of the rights and privileges available to the members of the company including the right to receive notices of or to attend and vote at General Meetings or to receive annual reports of the company. The NCCCPS holders shall not have the rights of participation in surplus assets and profits, on winding up which may remain after the entire capital has been repaid. The NCCCPS of Rs. 10 each shall have a preferential right to payment of divided and repayment, in the case of winding up or repayment of capital. The NCCCPS are convertible in to equity shares within a period of 3 years at a price to be determined as per terms of the issue.

c) 0.10% Cumulative Compulsorily Convertible Preference shares:

190,000,000, 0.1% Cumulative Compulsorily Convertible Preference shares(CCCPS) of Rs.10 each were issued during September 2016 & December 2016 to the holding Company, Mahindra & Mahindra Ltd. The CCCPS holders will not entitled to any of the rights and privileges available to the members of the company including the right to receive notices of or to attend and vote at General Meetings or to receive annual reports of the company. The CCCPS holders shall not have the rights of participation in surplus assets and profits, on winding up which may remain after the entire capital has been repaid. The CCCPS of Rs.10 each shall have a preferential right to payment of divided and repayment, in the case of winding up or repayment of capital. The CCCPS are convertible in to equity shares as of 30th June 2017 at a price higher of (i) Rs.14.50 or (ii) 8 times 'earnings before interest, tax, depreciation and amortization' based on the audited financial results of the Company less total debt as on 31st March 2017.

(a) Defined Contribution Plan

The Company's contribution to Provident Fund aggregating Rs. 2,07,705/- (2016 : Rs. 5,34,406/-) has been recognised in the Statement of Profit or Loss under the head Employee Benefits Expense.

(b) Defined Benefit Plans:

Gratuity

The Company operates a gratuity plan covering qualifying employees. The benefit payable is the greater of the amount calculated as per the Payment of Gratuity Act, 1972 or the Company scheme applicable to the employee. The benefit vests upon completion of five years of continuous service and once vested it is payable to employees on retirement or on termination of employment. In case of death while in service, the gratuity is payable irrespective of vesting. The Company makes annual contribution to the group gratuity scheme administered by the Life Insurance Corporation of India through its Gratuity Trust Fund.

Note 32 a) The fair value of current Investment carried out based on quoted market prices or dealer quotes for similar instruments

Note 32 b) The fair values of the unquoted equity shares have been estimated using a DCF model. The valuation requires a management to make certain assumptions about the model inputs. The fair value of investments were calculated based on cash flow discounted using a current lending rate, they are classified as level 3 fair value hierarchy due to inclusion of unobservable inputs including counterparty credit risk. The probabilities of various estimates Within the range can be reasonably assessed and used in management's estimate of fair value for these unquoted equity Investments refer note below ***

Note 32 c) The management assessed that carrying value of trade receivables, trade payables, Interest accrued on deposits, security deposit and cash and cash equivalents are considered to be the same as their fair value, due to there short term in nature.

Note 32 d) NCCCPS are to be converted into equity shares within 3 years from the date of issue (i.e, within 29th March 2018). The interest rate is 13%

Note 32 e) Compulsorily convertible Preference Shares are equity instruments

*** The significant unobservable inputs used in the fair value measurement categorised within Level 3 of the fair value hierarchy together with a quantitative sensitivity analysis as at 31 March 2017, 31 March 2016 and 1 April 2015 are as shown below:

Description of significant unobservable inputs to valuation:

	Valuation Techniques	Significant unobservable inputs	Range (weighted average)	Sensitivity of the input to fair value
Unquoted Equity Shares	DCF Method	Average growth rate of sale price	March 2016: 0% to 3% March 2015: 3% to 3.5%	Increase in sales value, discount rate and foreign currency exchange rate can change the valuation.
		Average cost of sales	March 2016: (2.8%) to 4.1% March 2015: (0.5%) to (4.1%)	
		Terminal Value Growth	March 2016: 2.5% March 2015: 2.%	
		USD vs AUD exchange rate	March 2016: 0.8 March 2015: 1.0	
		Discount Rate	March 2016: 15% March 2015: 15% -17%	
		Sales volume	As anticipated by the management	
NCCCPS	Amortized cost	Discount rate	March 2016: 13.0% March 2017: 13.0%	Fixed discount rate as per Terms & conditions

Note 27: Fair value hierarchy

The following table provides the fair value measurement hierarchy of the Company's assets and liabilities.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

Quantitative disclosures for fair value measurement hierarchy of the company's assets as at April 1, 2015

Note 28: Financial risk management objectives and policies

The Company's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations to support its operations. The Company's principal financial assets include investments, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Company is exposed to market risk and credit risk. The Company's senior management oversees the management of these risks. The Company's senior management is supported by a concerned employees that advises on financial risks and the appropriate financial risk governance framework for the Company. The concerned employees provides assurance to the Company's senior management that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. All derivative activities for risk management purposes are carried out by specialist teams that have the appropriate skills, experience and supervision. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below.

i. Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include borrowings. The sensitivity analyses in the following sections relate to the position as at 31 March 2017 and 31 March 2016. The sensitivity analyses have been prepared on the basis that the amount of net debt, the ratio of fixed to floating interest rates of the debt and derivatives and the proportion of financial instruments in foreign currencies. The analysis exclude the impact of movement in market variables on: the carrying values of gratuity and other post retirement obligations; provisions.

ii. Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (when revenue or expense is denominated in a foreign currency).

Foreign currency sensitivity

The following tables demonstrate the sensitivity to a reasonably possible change in USD exchange rates, with all other variables held constant. The impact on the Company's profit before tax is due to changes in the fair value of monetary assets and liabilities. The Company's exposure to foreign currency changes for all other currencies is not material.

	Increase/ decrease in basis points	Rupees Effect of profit before tax
March 31, 2016		
AUD	+50	3,40,911
AUD	-60	4,09,093
March 31, 2017		
AUD	**+50**	**42,055**
AUD	**–60**	**50,467**

iii. Credit risk

Credit risk is the risk that counterparty will not meet the obligations under financial instruments or customer contract leading to a financial loss. The company is exposed to credit risks from its investing activities and foreign exchange transactions.

Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to clients, including outstanding accounts receivable. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

Trade Receivable

The average credit period on sale of goods is 30 days. No interest is charged on trade receivables. Trade receivables as of March 2017 is Nil (2016: Rs. 14,629,063, 2015: 6,503,847) The company's customers are its subsidiaries and accordingly amounts were considered recoverable and subsequently collected also.

Financial Instrument and Cash Deposit

Credit risk from balances with banks and financial institutions is managed by the Company's operating management in accordance with the Company's policy. Investments of surplus funds are made only with approved Banks and Mutual funds within limits assigned. These limits are reviewed by the Company's Board of Directors as and when required. The limits are set to minimise the concentration of risks and therefore mitigate financial loss and potential failure to make payments. The Company's maximum exposure to credit risk for the components of the statement of financial position at 31st March 2017 and 2016 is the carrying amounts.

iv. Liquidity risk

The Group monitors its risk of a shortage of funds using a liquidity planning tool.

The Group's objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdrafts, bank loans, preference shares, finance leases and hire purchase contracts.

The table below summarises the maturity profile of the company's financial liabilities based on contractual undiscounted payments.

	On demand	Less than 1 year	1 to 2 years	> 3 years	Total
Year ended 31st March 2017					
Convertible preference shares		**1,95,00,00,000**		**–**	**1,95,00,00,000**
Trade and other payables	**–**	**1,60,86,336**	**–**	**–**	**1,60,86,336**
	–	**1,96,60,86,336**	**–**	**–**	**1,96,60,86,336**
Year ended 31st March 2016

Trade and other payables	–	4,68,77,490	–	–	4,68,77,490
	–	4,68,77,490	–	5,00,00,000	9,68,77,490

Note 29: Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, convertible preference shares, share premium and all other equity reserves attributable to the equity holders of the parent. The primary objective of the Company's capital management is to maximise the shareholder value. The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. 'The Company manages capital risk in order to maximize shareholders' profit by maintaining sound/optimal capital structure through monitoring of financial ratios, such as gearing ratio, debt-to-equity ratio and net borrowings-to-equity ratio on a monthly basis and implements capital structure improvement plan when necessary. There is no change in the overall capital risk management strategy of the Company compared to last year.

	March 31, 2017	March 31, 2016	April 1, 2015
Borrowings	**–**	–	–
Trade payables	**1,60,86,336**	3,08,21,592	4,68,77,490
Less: cash and cash equivalents	**(1,12,85,178)**	(24,04,411)	(5,24,88,179)
	48,01,158	2,84,17,181	(56,10,689)
Equity share capital	**2,30,29,41,250**	2,30,29,41,250	2,30,29,41,250
Share Premium	**2,09,02,53,074**	2,09,02,53,074	2,09,02,53,074
Equity portion of NCCCPS	**1,53,47,492**	1,53,47,492	1,53,47,492
CCCPS	**1,90,00,00,000**	–	–
	6,30,85,41,816	4,40,85,41,816	4,40,85,41,816
Gearing ratio	**0%**	1%	0%

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest bearing laons, if any. During the year, there are no interest bearing loans No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2017 and 31 March 2016.

Note 30: First time Ind AS adoption reconciliations

a) Reconciliation of retained earnings

Profit/(Loss) after tax as reported under previous GAAP	(1,40,08,10,347)
Fair value changes of current investments (other than equity instruments designated as at FVTOCI)	10,49,888
Interest recognized on 5% Non-cumulative compulsorily convertible preference shares	(45,04,826)
Total comprehensive income as reported under Ind AS......	(1,40,42,65,285)

c) The transition from Indian GAAP to Ind AS has not had a material impact on the statement of cash flows.

Note 31: First time adoption

These financial statements, for the year ended 31 March 2017, are the first the Company has prepared in accordance with Ind AS. For periods up to and including the year ended 31 March 2016, the Company prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP). Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for periods ending on 31 March 2017, together with the comparative period data as at and for the year ended 31 March 2016, as described in the summary of significant accounting policies. In preparing these financial statements, the Company's opening balance sheet was prepared as at 1 April 2015, the Company's date of transition to Ind AS. This note explains the principal adjustments made by the Company in restating its Indian GAAP financial statements, including the balance sheet as at 1 April 2015 and the financial statements as at and for the year ended 31 March 2016.

Exemption applied

I The Company has elected to apply exemption related to classification of financial assets. Under Ind AS 109, all financial assets are classified into three principal categories for measurement purpose. There categories are:

Amortized cost.

Fair value through profit and loss account.

Fair value through Other Comprehensive Income

Amortized cost measurement is applicable only for debt instruments. An entity may use FVTPL and FVOCI categories both for debt and equity instruments. The classification depends on the following two criteria:

The entity's business model for managing the financial assets, and The contractual cash flow characteristics of the financial assets. Ind AS 109 requires an entity to decide classification on initial recognition. The Company is allowed to designate a financial assets as at FVTPL on the basis of facts and circumstances existing on the date of transition to Ind AS.

II Appendix C to Ind AS 17 requires an entity to assess whether a contract or arrangement contains a lease. In accordance with Ind AS 17, this assesement should be carried out at the inception of the contract or arrangement. Ind AS 101 provides an option to make this assesement on the basis of the facts and circumstances existing at the date of transtion to Ind AS.

III An entity estimates in accordance with Ind AS at the date of tranastion to Ind AS shall be consisitant with estimate made for the same date in accordance with previouse GAAP, Unless there is objective evidence that those estimates were in error.

IV Ind AS 101 requires a first time adopters to apply the de-recognistion provission of Ind AS 109 prospectively for transactions occurring on or after the date of transtion to Ind AS 101 allows a first time adopter to apply the derecognitation requirements in Ind AS 109 retrospetivly from the date of the entitiy choosing, provided that the information needed to apply Ind AS109 to financial liabilities derecognised as as result of past transactions was obtained at the time of intially accounting for those transactions.

32. Contingent Liabilities

a. Corporate Guarantees issued in respect of borrowings availed by subsidiary companies – Rs. 104,00,00,000 (2016: Rs. 104,00,00,000)

b. Guarantee given to Banks in consideration of the Standby Letter of Credit (SBLC) opened by them in favor of certain overseas banks as security for loan granted by such overseas banks to the Australian subsidiaries of the Company – Rs. 23,53,62,500 (2016: Rs. 23,53,62,500) [equivalent to AUD 4.75 mn (2016: AUD 4.75 mn)]

c. Service tax matter – During the year 2010, th eCompany had placed a PO on Gipps Aero Pty Ltd to build prototype of NM5 aircraft as per design provided by MAPL. MAPL has incurred Rs. 960,81,659 for this activity. Department contends that the building prototype of aircraft is a service and company has to pay service tax of Rs. 98,96,411 (2016: Rs. 98,96,411) on reverse charge mechanism. The company contends that there is no service tax applicability on manufacture hence there is no liability and reply to SCN filed with Commissioner of Service Tax. The matter is pending with the service tax authorities.

d. Income tax matters under appeal – Rs. 5,08,480/- (2016: NIL)

33. Earnings Per Share

Basic earnings per share amounts are calculated by dividing the profit/loss for the year attributable to equity holders by the weighted average number of Equity Shares outstanding during the year.

Earnings per Share-basic and diluted

Particulars	**March 2017**	Rupees March 2016
Earnings attributable to Equity holders of the Company	**(5,51,21,975)**	(1,40,47,08,211)
Weighted Average Number of Equity Shares used as the denominator in calculating the Basic Earnings Per share	**23,02,94,125**	23,02,94,125
Basic Earnings per Share- Earnings attributable to Equity holders of the Company	**(0.24)**	(6.10)
Basic and Diluted Earnings per Share	**(0.24)**	(6.10)

34. Dues to micro and small enterprises

There are no micro and small enterprises to which the Company owes dues, which are outstanding for more than 45 days as at 31st March, 2017. This information as required under the Micro, Small and Medium Enterprises Development Act, 2006 has been determined to the extent such parties have been identified on the basis of information available with the Company. This information has been relied upon by the Auditors.

35. Specified Bank Notes

Disclosure of details of Specified Bank Notes and notes of other denominations, held and transacted during the period from 8 November 2016 to 31 December 2016, required to be given as per amendment to Schedule III of Companies Act 2013:

Particulars	**SBNs**	**Other denomination notes**	**Rupees** **Total**
Closing Cash in hand as on 8 November 2016	7,500	2	7,502.00
(+) permitted Receipts	–	10,000	10,000
(-) permitted Payments	–	–	–
(-) Amount Deposited in Banks	7,500	–	7,500
Closing Cash in hand as on 30 December 2016	–	10,002	10,002

36. Dividend on 0.10% Cumulative Compulsorily Convertible Preference shares amounting to Rs. 627,672/- was not provided for on account of loss during the year.

37. NM5 Project

During November 2008, erstwhile M/S. Plexion Technologies India Pvt. Ltd., which was later on merged with Mahindra Engineering Services Limited (MESL), had entered into a Collaboration Agreement with Council of Scientific Industrial Research (CSIR), represented by National Aerospace Laboratories (NAL) for Joint Development, Commercial Production and Marketing of a 4-Seater Aircraft (NM 5 Project). By virtue of a Deed of Assignment dated 28th May, 2008, signed between MESL, the Company and Council of Scientific Industrial Research (CSIR), the rights, obligations and benefits of MESL under the said Collaboration Agreement was assigned to the Company by MESL and duly affirmed by CSIR. As per the Collaboration Agreement, the Company jointly owns the Intellectual Property Rights arising from joint development of the aircraft. Such Intellectual Property Rights arising from joint development of the aircraft will be a jointly held intangible asset.

The Company has built a prototype of the aircraft which has carried out a successful test flight. The Company is in the process of obtaining the required certification.

The Company had so far incurred an expenditure of Rs. 20,98,63,011/- (2016: Rs. 20,98,63,011/-, 2015: Rs. 20,98,63,011/-) towards the design & development and building one prototype aircraft and included in 'Intangibles under development'. During the year, the Management has evaluated the carrying value of this project and recognized an impairment of Rs. 3,95,00,000 in the Statement of Profit and Loss.

38. During the current year, the management assessed the carrying value of the investments made in wholly owned subsidiaries. Based such assessment, no impairment is recognised during the current year. (2016: Rs. 139,17,52,855).

39. Deferred tax asset on the business loss of Rs. 319,84,258 (2016: Rs. 319,84,258) is not recognized as the Company neither has any taxable temporary difference nor any tax planning opportunities available that could partly support the recognition of these losses as deferred tax assets. On this basis, the company has determined that it cannot recognise deferred tax assets on the tax losses carried forward.

40. Previous year figures have been regrouped/reclassified wherever required to conform to current year classification/grouping.

DIRECTORS' REPORT

The directors present their report together with the financial report of Mahindra Aerospace Australia Pty Ltd (the "company") for the year ended 31 March 2017 and auditor's report thereon.

Directors names

The names of the directors in office at any time during or since the end of the year are:

Shriprakash Shukla

Arvind Mehra (appointed 27 April 2017)

Partha Mukherjee

Ajay Mantry

The directors have been in office since the start of the year to the date of this report unless otherwise stated.

Results

The loss of the company for the year after providing for income tax amounted to AUD$35,782 (Rs 1,772,998) (2016: AUD$27,440,617 Loss, Rs 1,359,682,573).

Review of operations

The company continued to engage in its principal activity, the results of which are disclosed in the attached financial statements.

Significant changes in state of affairs

There were no significant changes in the company's state of affairs that occurred during the financial year, other than those referred to elsewhere in this report.

Principal activities

The principal activity of the company during the year was holding of investments in subsidiaries.

No significant change in the nature of these activities occurred during the year.

After balance date events

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the company, the results of those operations, or the state of affairs of the company in future financial years.

Likely developments

The company expects to maintain the present status and level of operations.

Environmental regulation

The company's operations are not regulated by any significant environmental regulation under a law of the Commonwealth or of a State or Territory.

Dividends paid, recommended and declared

No dividends were paid or declared since the start of the year. No recommendation for payment of dividends has been made.

Options

No options over unissued shares or interests in the company were granted during or since the end of the year and there were no options outstanding at the end of the year.

Indemnification of officers

During or since the end of the year, the company has given indemnity or entered an agreement to indemnify, or paid or agreed to pay insurance premiums in order to indemnify the directors of the company against liabilities arising as result of the performance of their duties as directors.

Further disclosure required under section 300(9) of the corporations law is prohibited under the terms of the contract.

Indemnification of auditors

No indemnities have been given or insurance premiums paid, during or since the end of the year, for any person who is or has been an auditor of the company.

Auditor's independence declaration

A copy of the auditor's independence declaration under section 307C of the *Corporations Act 2001* in relation to the audit for the financial year is provided with this report.

Proceedings on behalf of the company

No person has applied for leave of Court to bring proceedings on behalf of the company or intervene in any proceedings to which the company is a party for the purpose of taking responsibility on behalf of the company for all or any part of those proceedings.

Signed on behalf of the board of directors.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF MAHINDRA AEROSPACE AUSTRALIA PTY LTD

Report on the Audit of the Financial Report

Opinion

We have audited the financial report, being a special purpose financial report of Mahindra Aerospace Australia Pty Ltd (the "company"), which comprises the statement of financial position as at 31 March 2017, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of Mahindra Aerospace Australia Pty Ltd, is in accordance with the *Corporations Act 2001*, including:

(a) giving a true and fair view of the company's financial position as at 31 March 2017 and of its financial performance for the year then ended; and

(b) complying with Australian Accounting Standards and the *Corporations Regulations 2001*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the Corporations Act 2001, which has been given to the directors of the company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Directors for the Financial Report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation. We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared for use by the directors and members of the company. The directors have determined that the company is not a reporting entity. Mahindra Aerospace Australia Pty Ltd is a for profit entity for the purpose of preparing the financial statements.

The financial report was approved by the directors as at the date of the directors' report.

The financial report has been prepared in accordance with all applicable Accounting Standards, with the exception of:

AASB 7:	Financial Instruments: Disclosures
AASB 10:	Consolidated Financial Statements
AASB 101:	Presentation of Financial Statements
AASB 107:	Cash Flow Statements
AASB 101:	Presentation of Financial Statements
AASB 107:	Cash Flow Statements
AASB 112:	Income Taxes
AASB 124:	Related Party Disclosures
AASB 1054:	Australian Additional Disclosures

The following specific accounting policies have been adopted in the preparation of this report:

(a) Basis of preparation of the financial report

Historical Cost Convention

The financial report has been prepared under the historical cost convention, as modified by revaluations to fair value for certain classes of assets and liabilities as described in the accounting policies.

Significant accounting estimates

The preparation of the financial report requires the use of certain estimates and judgements in applying the entity's accouting accounting policies. Those estimates and judgements significant to the financial report are disclosed in Note 3.

(b) Foreign currency translations and balances

Functional and presentation currency

The functional currency of the company is measured using the currency of the primary economic environment in which the company operates. For disclosure purposes at year end this has been converted into the currency of the ultimate parent company, Indian Rupees, at a pre determined 'convenient rate'. This is displayed as comparative balances for both the current and prior years.

All Foreign currency amounts, including comparatives are translated for convenience into Indian Rupees at the exchange rate of Rs 49.55 = AUD$1.00 as advised by the ultimate parent entity.

(c) Going concern

The financial report has been prepared on a going concern basis, which contemplated continuity of normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business.

The company incurred a loss from ordinary activities of AUD$35,782 (Rs 1,772,998) during the year ended 31 March 2017, however this was primarily due to a non-cash write back of deferred consideration (note 12).

The company is dependant on ongoing financial support of the ultimate parent entity to meet its financial obligations at 31 March 2017. As at the date of signing the company has received confirmation of ongoiing financial support from its ultimate parent company.

At this time, the directors believe that the ongoing financial support of the ultimate parent entity will be continued.

(d) Revenue

Interest revenue is recognised when it becomes receivable on a proportional basis taking in to account the interest rates applicable to the financial assets.

All revenue is measured net of the amount of goods and services tax (GST).

(e) Cash and cash equivalents

Cash and cash equivalents include cash on hand and at banks, short term deposits with an original maturity of three months or less held at call with financial institutions, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the statement of financial position.

(f) Investments in subsidiaries

Non-current investments are recorded at cost. The carrying amount of the investments is reviewed annually by directors to ensure it is not in excess of the recoverable amount of these investments.

(g) Impairment of non-financial assets

Goodwill, intangible assets not yet ready for use and intangible assets with indefinite useful lives are not subject to amortisation and are therefore tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired.

For impairment assessment purposes, assets are generally grouped at the lowest levels for which there are largely independent cash flows ('cash generating units'). Accordingly, most assets are tested for impairment at the cash generating unit level. Because it does not generate cash flows independently of other assets or groups of assets, goodwill is allocated to the cash generating unit or units that are expected to benefit from the synergies arising from the business combination that gave rise to the goodwill.

Assets other than goodwill, intangible assets not yet ready for use and intangible assets with indefinite useful lives are assessed for impairment whenever events or circumstances arise that indicate the asset may be impaired.

An impairment loss is recognised when the carrying amount of an asset or cash generating unit exceeds the asset's or cash generating unit's recoverable amount. The recoverable amount of an asset or cash generating unit is defined as the higher of its fair value less costs to sell and value in use. Refer to Note 2 for a description of how management determines value in use.

Impairment losses in respect of individual assets are recognised immediately in profit or loss unless the asset is carried at a revalued amount such as property, plant and equipment, in which case the impairment loss is treated as a revaluation decrease in accordance with the applicable Standard. Impairment losses in respect of cash generating units are allocated first against the carrying amount of any goodwill attributed to the cash generating unit with any remaining impairment loss allocated on a pro rata basis to the other assets comprising the relevant cash generating unit.

The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to present values in determining recoverable amounts.

For an asset measured at cost, an impairment loss is recognised in profit or loss where the carrying amount of the asset exceeds its recoverable amount.

(h) Comparatives

Where necessary, comparative information has been reclassified and repositioned for consistency with current period disclosures.

NOTE 2: ACCOUNTING STANDARDS ISSUED BUT NOT YET EFFECTIVE

The AASB has issued a number of new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods, some of which are relevant to the company. The company has decided not to early adopt any of these new and amended pronouncements. Management has assessed that none of these standards will have a material impact on the company's financial statements in the period of initial application.

NOTE 3: SIGNIFICANT ACCOUNTING ESTIMATES AND JUDGEMENTS

Certain accounting estimates include assumptions concerning the future, which, by definition, will seldom represent actual results. Estimates and assumptions based on future events have a significant inherent risk, and where future events are not as anticipated there could be a material impact on the carrying amounts of the assets and liabilities discussed below:

(a) *Investment in Subsidiaries*

All investments in subsidiaries are assessed for impairment by evaluating whether indicators of impairment exist in relation to their carrying values.

For the purposes of impairment assessment, the investments in subsidiaries are regarded as a single cash generating unit (CGU), relating primarily to the manufacturing and sale of aircraft.

A formal valuation has been prepared by management in order to test for any impairment to the value of investments in subsidiaries. In performing the valuation, management has soughta review from our independent internal expert on the appropriateness of the discount rate for the CGU. The recoverable amount of the CGU is based on management's projected cashflows covering a period of 10 years.

The present value of the future cashflows has been calculated using the following key assumptions:

- average growth rate between 0% and 3% for the sale price of aircraft (2016: 0% 3%);
- average cost of sales growth rate between 2.1% to 4.0% (2016: 2.8% 4.1%);
- terminal value growth rate of 2.5% (2016: 2.5%);
- the USD/AUD exchange rate to be at 0.74 throughout the projection period (2016: 0.80);
- discount rate to be 14.3%, (2016: 15%) and;
- sales volumes as anticipated by management following its analysis of the aerospace industry.

Total financial assets at fair value through profit or loss	**43,959,004**	**2,178,168,648**	18,779,004	930,499,648

The recoverable amount of the carrying value of investment in subsidiaries has been assessed on the basis of projected cash flows approved by management covering a period of 10 years. The present value of the future cash flows has been calculated using the following key assumptions:

- average growth rate between 0% and 3% for the sale price of aircraft (2016: 0% 3%);
- average cost of sales growth rate between 2.1% to 4.0% (2016: 2.8% 4.1%);
- terminal value growth rate of 2.5% (2016: 2.5%);
- the USD/AUD exchange rate to be at 0.74 throughout the projection period (2016: 0.80);
- discount rate to be 14.3%, (2016: 15%) and;
- sales volumes as anticipated by management following its analysis of the aerospace industry.

A formal valuation has also been completed by management for the investments in the subsidiary companies which has used as its assessment of impairment. In performing the valuation, management has soughta review from our independent internal expert on the appropriateness of the discount rate for the CGU. No further impairment was raised in the current financial year.

NOTE 13: EVENTS SUBSEQUENT TO REPORTING DATE

There has been no matter or circumstance, which has arisen since 31 March 2017 that has significantly affected or may significantly affect:

(a) the operations, in financial years subsequent to 31 March 2017, of the company, or

(b) the results of those operations, or

(c) the state of affairs, in financial years subsequent to 31 March 2017, of the company.

NOTE 14: COMPANY DETAILS

The registered office of the entity is:

Mahindra Aerospace Australia Pty Ltd
Pitcher Partners
Level 19, 15 William Street
MELBOURNE VIC 3000

DIRECTORS' REPORT

The directors present their report together with the financial report of Aerostaff Australia Pty Ltd (the "company"), for the year ended 31 March 2017 and auditor's report thereon.

Directors names

The names of the directors in office at any time during or since the end of the year are:

Keith Douglas (CEO)

Nikhil Sohoni (appointed 13 May 2016)

Ajay Mantry

The directors have been in office since the start of the year to the date of this report unless otherwise stated.

Results

The profit of the company for the year after providing for income tax amounted to AUD$20,695 (Rs 1,025,437), (2016: AUD$216,017 loss, Rs 10,703,643 loss).

Review of operations

The company continued to engage in its principal activity, the results of which are disclosed in the attached financial statements.

Significant changes in state of affairs

There were no significant changes in the company's state of affairs that occurred during the financial year, other than those referred to elsewhere in this report.

Principal activities

The principal activity of the company during the year was aircraft sheet metal manufacture and assembly.

No significant change in the nature of these activities occurred during the year.

After balance date events

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the company, the results of those operations, or the state of affairs of the company in future financial years.

Likely developments

The company expects to maintain the present status and level of operations.

Environmental regulation

The company's operations are not regulated by any significant environmental regulation under a law of the Commonwealth or of a State or Territory.

Dividends paid, recommended and declared

No dividends were paid or declared since the start of the year. No recommendation for payment of dividends has been made.

Options

No options over unissued shares or interests in the company were granted during or since the end of the year and there were no options outstanding at the end of the year.

Indemnification of officers

During or since the end of the year, the company has given indemnity or entered an agreement to indemnify, or paid or agreed to pay insurance premiums in order to indemnify the directors of the company against liabilities arising from performance of their duties as directors.

Further disclosure required under section 300(9) of the corporations law is prohibited under the terms of the contract.

Indemnification of auditors

No indemnities have been given or insurance premiums paid, during or since the end of the year, for any person who is or has been an auditor of the company.

Proceedings on behalf of the company

No person has applied for leave of Court to bring proceedings on behalf of the company or intervene in any proceedings to which the company is a party for the purpose of taking responsibility on behalf of the company for all or any part of those proceedings.

Signed on behalf of the board of directors.

DIRECTORS' DECLARATION

The directors have determined that the company is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

The directors of the company declare that:

1. The financial statements and notes presents fairly the company's financial position as at 31 March 2017 and performance for the year ended on that date of the company in accordance with the accounting policies outlined in Note 1 to the financial statements.
2. In the directors' opinion there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

Keith Douglas	**Ajay Mantry**

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF AEROSTAFF AUSTRALIA PTY LTD

Report on the Audit of the Financial Report

Opinion

We have audited the financial report, being a special purpose financial report of Aerostaff Australia Pty Ltd (the company) which comprises the statement of financial position as at 31 March 2017, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of Aerostaff Australia Pty Ltd, is in accordance with the Corporations Act 2001, including:

(a) giving a true and fair view of the company's financial position as at 31 March 2017 and of its financial performance for the year then ended; and

(b) complying with Australian Accounting Standards and the Corporations Regulations 2001.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the company in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the Corporations Act 2001, which has been given to the directors of the company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Report

Management is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the applicable legislation and for such internal control as management determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation. We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared for use by the directors and members of the company. The directors have determined that the company is not a reporting entity. Aerostaff Australia Pty Ltd is a for-profit entity for the purpose of preparing the financial statements.

The financial report was approved by the directors as at the date of the directors' report.

The financial report has been prepared in accordance with the measurement and recognition requirements of all applicable Accounting Standards, with the exception of the disclosure requirements of:

AASB 7:	Financial Instruments: Disclosures
AASB 101:	Presentation of Financial Statements
AASB 107:	Statement of Cash Flows
AASB 112:	Income Taxes
AASB 124:	Related Party Disclosures
AASB 1054:	Australian Additional Disclosures

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report:

(a) Basis of preparation of the financial report

Historical Cost Convention

The financial report has been prepared under the historical cost convention, as modified by revaluations to fair value for certain classes of assets and liabilities as described in the accounting policies.

(b) Going concern

The financial report has been prepared on a going concern basis.

The company earned a profit from ordinary activities of AUD$20,695 (Rs: 1,025,437) during the year ended 31 March 2017, and as at that date the company's total liabilities exceeded total assets by AUD$560,817 (Rs: 26,591,157).

The company is dependent on the ongoing financial support at of its ultimate parent entity to meet its financial obligations 31 March 2017. At this time, the directors believe that the ongoing financial support of the ultimate parent entity will be continued.

(c) Foreign currency translations and balances

Functional and presentation currency

The financial statements of the entity are measured using the currency of the primary economic environment in which that entity operates (the functional currency). The financial statements are presented in Australian dollars which is the entity's functional and presentation currency.

Transactions and Balances

The functional currency of the company is measured using the currency of the primary economic environment in which the company operates. For disclosure purposes at year end this has been converted into the currency of the ultimate parent company, Indian Rupees, at a pre-determined 'convenient rate'. This is displayed as comparative balances for both the current and prior years.

All foreign currency amounts, including comparatives are translated for convenience into Indian Rupees at the exchange rate of Rs. 49.55 = AUD$1.00 as advised by the ultimate parent entity.

(d) Revenue

Revenue from sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer and the costs incurred or to be incurred in respect of the transaction can be measured reliably. Risks and rewards of ownership are considered passed to the buyer at the time of delivery of the goods to the customer.

Interest revenue is recognised when it becomes receivable on a proportional basis taking in to account the interest rates applicable to the financial assets.

All revenue is measured net of the amount of goods and services tax (GST).

(e) Income tax

Current income tax expense or revenue is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities.

Deferred tax assets and liabilities are recognised for temporary differences at the applicable tax rates when the assets are expected to be recovered or liabilities are settled.

Deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting nor taxable profit or loss.

(f) Cash and cash equivalents

Cash and cash equivalents include cash on hand and at banks, short-term deposits with an original maturity of three months or less held at call with financial institutions, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the statement of financial position.

(g) Inventories

Inventories are measured at the lower of cost and net realisable value. The cost of manufactured products includes direct material, direct labour and a proportion of manufacturing overheads based on normal operating capacity. Inventories include raw materials, work in progress and finished goods.

Raw materials are valued at moving average cost price.

(h) Work in progress

Work in progress is valued at cost, which includes both variable and fixed costs relating to specific items, and those costs that are attributable to the WIP activity in general that can be allocated on a reasonable basis.

(i) Plant and equipment

Each class of plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and any accumulated impairment losses.

Plant and equipment

Plant and equipment is measured on a cost basis.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to present values in determining recoverable amounts.

Depreciation

The depreciable amount of all property, plant and equipment is depreciated over their estimated useful lives commencing from the time the asset is held ready for use. Land and the land component of any class of property, plant and equipment is not depreciated.

Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

Class of fixed asset	Depreciation rates	Depreciation basis
Leasehold improvements at cost	4%	Diminishing value
Plant and equipment at cost	10-40%	Diminishing value
Motor vehicles at cost	22.5%	Diminishing value
Office equipment at cost	10-50%	Diminishing value

(j) Provisions

Provisions are recognised when the company has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

(k) Leases

Leases are classified at their inception as either operating or finance leases based on the economic substance of the agreement so as to reflect the risks and benefits incidental to ownership.

Finance leases

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the company are classified as finance leases. Finance leases are capitalised, recording an asset and a liability equal to the present value of the minimum lease payments, including any guaranteed residual values. The interest expense is calculated using the interest rate implicit in the lease and is included in finance costs in the statement of comprehensive income. Leased assets are depreciated on a straight line basis over their estimated useful lives where it is likely that the company will obtain ownership of the asset, or over the term of the lease. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Operating leases

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are recognised as an expense on a straight line basis over the term of the lease.

Lease incentives received under operating leases are recognised as a liability and amortised on a straight line basis over the life of the lease term.

(l) Employee benefits

(i) Short-term employee benefit obligations

Liabilities arising in respect of wages and salaries, annual leave and any other employee benefits expected to be settled within twelve months of the reporting date are measured at their nominal amounts based on remuneration rates which are expected to be paid when the liability is settled. The expected cost of short-term employee benefits in the form of compensated absences such as annual leave is recognised in the provision for employee benefits. All other short-term employee benefit obligations are presented as payables.

(ii) Long-term employee benefit obligations

Liabilities arising in respect of long service leave and annual leave which is not expected to be settled within twelve months of the reporting date are measured at the present value of the estimated future cash outflow to be made in respect of services provided by employees up to the reporting date.

Employee benefit obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting date, regardless of when the actual settlement is expected to occur.

(m) Borrowing costs

Borrowing costs including interest expense calculated using the effective interest method, finance charges in respect of finance leases, and exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs.

Borrowing costs are expensed as incurred, except for borrowing costs incurred as part of the cost of the construction of a qualifying asset are capitalised until the asset is ready for its intended use or sale.

(n) Goods and services tax (GST)

Revenues, expenses and purchased assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the statement of cash flows on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

(o) Comparatives

Where necessary, comparative information has been reclassified and repositioned for consistency with current year disclosures.

NOTE 13: EVENTS SUBSEQUENT TO REPORTING DATE

There has been no matter or circumstance, which has arisen since 31 March 2017 that has significantly affected or may significantly affect:

(a) the operations, in financial years subsequent to 31 March 2017, of the company, or

(b) the results of those operations, or

(c) the state of affairs, in financial years subsequent to 31 March 2017, of the company.

NOTE 14: COMPANY DETAILS

The registered office of the company is:

Aerostaff Australia Pty Ltd
Latrobe Regional Airport
43 Airfield Road
TRARALGON VIC 3844

DIRECTORS' REPORT

The directors present their report together with the financial report of GippsAero Pty Ltd (the "company") for the year ended 31 March 2017 and auditor's report thereon.

Directors names

The names of the directors in office at any time during or since the end of the year are:

Keith Douglas (CEO)
Partha Mukherjee
George Morgan
Nikhil Sohoni (appointed 13 May 2016)
Ajay Mantry

The directors have been in office since the start of the year to the date of this report unless otherwise stated.

Results

The loss of the company for the year after providing for income tax amounted to AUD$5,594,023, (Rs. 277,183,840) (2016: AUD$14,174,275 Loss, Rs. 702,335,326).

Review of operations

The company continued to engage in its principal activity, the results of which are disclosed in the attached financial statements.

Significant changes in state of affairs

There were no significant changes in the company's state of affairs that occurred during the financial year, other than those referred to elsewhere in this report.

Principal activities

The principal activity of the company during the year was the manufacture and sale of aircraft.

No significant change in the nature of these activities occurred during the year.

After balance date events

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the company, the results of those operations, or the state of affairs of the company in future financial years.

Likely developments

The company expects to maintain the present status and level of operations.

Environmental regulation

The company's operations are not regulated by any significant environmental regulation under a law of the Commonwealth or of a State or Territory.

Dividends paid, recommended and declared

No dividends were paid or declared since the start of the year. No recommendation for payment of dividends has been made.

Options

No options over unissued shares or interests in the company were granted during or since the end of the year and there were no options outstanding at the end of the year.

Indemnification of officers

During or since the end of the year, the company has given indemnity or entered an agreement to indemnify, or paid or agreed to pay insurance premiums in order to indemnify the directors of the company against liabilities arising as a result of the performance of their duties as directors.

Further disclosure required under section 300(9) of the corporations law is prohibited under the terms of the contract.

Indemnification of auditors

No indemnities have been given or insurance premiums paid, during or since the end of the year, for any person who is or has been an auditor of the company.

Auditor's independence declaration

A copy of the auditor's independence declaration under section 307C of the Corporations Act 2001 in relation to the audit for the financial year is provided with this report.

Proceedings against the company

In February 2016, a lawsuit was filed against the company for breach of contract. The board of directors and the company's legal representative are of the opinion that the claim is unlikely to result in any damages and the company is confident of success.

Signed on behalf of the board of directors.

DIRECTORS' DECLARATION

The directors have determined that the company is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

The directors of the company declare that:

1. The financial statements and notes are in accordance with the *Corporations Act 2001*: and
   (a) comply with Accounting Standards in Australia and the *Corporations Regulations 2001*; and
   (b) give a true and fair view of the financial position as at 31 March 2017 and performance for the year ended on that date of the company.
2. In the directors' opinion there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF GIPPSAERO PTY LTD — IND STAT

Report on the Audit of the Financial Report

Opinion

We have audited the financial report, being a special purpose financial report of GippsAero Pty Ltd Ind Stat (the "company"), which comprises the statement of financial position as at 31 March 2017, the statement of profit or loss and other comprehensive income, statements of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of GippsAero Pty Ltd — Ind Stat, is in accordance with the *Corporations Act 2001*, including:

(a) giving a true and fair view of the company's financial position as at 31 March 2017 and of its financial performance for the year then ended; and

(b) complying with Australian Accounting Standards and the *Corporations Regulations 2001*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Directors for the Financial Report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation. We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared in order to satisfy the financial report preparation requirements of the *Corporations Act 2001*. The directors have determined that the company is not a reporting entity.

The financial report was approved by the directors as at the date of the directors' report.

The financial report has been prepared in accordance with the requirements of the all applicable Accounting Standards, with the exception of:

AASB 7:	Financial Instruments: Disclosures
AASB 101:	Presentation of Financial Statements
AASB 107:	Statement of Cash Flows
AASB 112:	Income Taxes
AASB 124:	Related Party Disclosures
AASB 1054:	Australian Additional Disclosures

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report:

(a) Basis of preparation of the financial report

Historical Cost Convention

The financial report has been prepared under the historical cost convention, as modified by revaluations to fair value for certain classes of assets and liabilities as described in the accounting policies.

Significant accounting estimates

The preparation of the financial report requires the use of certain estimates and judgements in applying the entity's accouting accounting policies. Those estimates and judgements significant to the financial report are disclosed in Note 2.

(b) Going concern

The financial report has been prepared on a going concern basis, which contemplated continuity of normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business.

The company incurred a loss from ordinary activities of AUD$5,594,023 (Rs. 277,183,840) during the year ended 31 March 2017, and as at that date the company's current liabilities exceeded current assets by AUD$6,434,066 (Rs. 318,807,970).

The company is dependant on the ongoing financial support of its ultimate parent entity at 31 March 2017. As at the date of signing the company has received confirmation of on going financial support from its ultimate parent company.

The going concern basis above assumes the continued support of its ultimate parent entity, the ability to source alternative finance if required, and the Company's ability to generate sufficient cash flows from future trading. If the going concern basis is found to no longer be appropriate the recoverable amounts of the assets shown in the Statement of Financial Position are likely to be significantly less than the amounts disclosed and the extent of the liabilities may differ significantly from those reflected.

At this time, directors believe that the ongoing financial support of the ultimate parent entity will be continued.

(c) Foreign currency translations and balances

Functional and presentation currency

The functional currency of the company is measured using the currency of the primary economic environment in which the company operates. For disclosure purposes at year end this has been converted into the currency of the ultimate parent company, Indian Rupees, at a pre-determined 'convenient rate'. This is displayed as comparative balances for both the current and prior years.

All Foreign currency amounts, including comparatives are translated for convenience into Indian Rupees at the exchange rate of Rs. 49.55 = AUD$1.00 as advised by the ultimate parent entity.

(d) Revenue

Revenue from sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer and the costs incurred or to be incurred in respect of the transaction can be measured reliably. Risks and rewards of ownership are considered passed to the buyer at the time of delivery of the goods to the customer.

Revenue from the rendering of services is recognised upon the delivery of the service to the customers.

Revenue from sale and lease back transactions is deferred and amortised over the term of the lease.

When the outcome of a construction contract cannot be estimated reliably, revenue is recognised only to the extent of contract costs incurred that it is probable will be recoverable and contract costs are recognised as an expense in the period in which they are incurred.

All expected loss are recognised as an expense immediately when it is probable that total contract costs will exceed total contract revenue.

Interest revenue is recognised when it becomes receivable on a proportional basis taking in to account the interest rates applicable to the financial assets.

All revenue is measured net of the amount of goods and services tax (GST).

(e) Income tax

Current income tax expense or revenue is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities.

Deferred tax assets and liabilities are recognised for temporary differences at the applicable tax rates when the assets are expected to be recovered or liabilities are settled. Deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting nor taxable profit or loss.

Deferred tax assets are recognised for deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Current and deferred tax balances attributable to amounts recognised directly in equity are also recognised directly in equity.

(f) Cash and cash equivalents

Cash and cash equivalents include cash on hand and at banks, short-term deposits with an original maturity of three months or less held at call with financial institutions, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the statements of financial position.

(g) Inventories

Inventories are measured at the lower of cost and net realisable value. The cost of manufactured products includes direct material, direct labour and a proportion of manufacturing overheads based on normal operating capacity. Inventories include raw materials, work in porgress and finished goods.

Raw materials are valued at a moving average cost price.

(h) Work in progress

Work in progress is valued at cost, which includes both variable and fixed costs relating to specific items, and those costs that are attributable to the WIP activity in general that can be allocated on a reasonable basis.

(i) Plant and equipment

Each class of plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and any accumulated impairment losses.

Plant and equipment

Plant and equipment is measured on a cost basis.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets employment and subsequent disposal.

Depreciation

The depreciable amount of all fixed assets is depreciated over their estimated useful lives commencing from the time the asset is held ready for use.

Class of fixed asset	Depreciation rates	Depreciation basis
Hangar at cost	5-20%	Straight line
Leasehold improvements at cost	9-11%	Straight line

(j) Intangibles

Goodwill

Goodwill represents the future economic benefits arising from other assets acquired in a business combination that are not individually identifiable or separately recognised.

Goodwill is not amortised, but is tested for impairment annually, or more frequently if events or changes in circumstances indicate that it might be impaired, and is carried at cost less any accumulated impairment losses.

Patents

Patents are recognised at cost and are not amortised. Patents are carried at cost less any impairment losses.

Intangibles are carried at their fair value at the date of revaluation less any subsequent accumulated amortisation and any subsequent accumulated impairment losses. At each balance date the carrying amount of each asset is reviewed to ensure that it does not differ materially from the asset's fair value at reporting date. Where necessary or with sufficient regularity but at least triennial, the asset is revalued by an independent valuer to reflect its fair value.

The net revaluation Increase in the carrying amount of the intangible asset is recognised in other comprehensive income and accumulated in equity as a revaluation reserve. To the extent that the net revaluation increase reverses a net revaluation decrease of the same intangible previously recognised in profit or loss, the net revaluation increase is recognised in profit or loss.

A decrease in the carrying amount of the intangible asset is recognised in profit or loss. To the extent a credit balance exists in a revaluation surplus in respect of the same asset, the net revaluation decrease is recognised in other comprehensive income and reduces the amount accumulated in equity as a revaluation reserve.

(k) Research and development expenditure

Expenditure on research activities is recognised as an expense when incurred.

Development costs are capitalised when the entity can demonstrate all of the following: the technical feasibility of completing the asset so that is will be available for use or sale; the intention to complete the asset and use or sell it; the ability to use or sell the asset; how the asset will generate probable future economic benefits; the availability of adequate technical, financial and other resources to complete the development and to use or sell the asset; and the ability to measure reliably the expenditure attributable to the asset during it development. Capitalised development expenditure is carried at cost less any accumulated amortisation and any accumulated impairment losses. Amortisation is calculated using the straight-line method to allocate the cost of the intangible asset over its estimated useful life, which range from 5 to 10 years. Amortisation commences when the intangible asset is available for use.

Other development expenditure is recognised as an expense when incurred.

Project expenses are capitalised as incurred once identified as relating to a project that will deliver future economic benefits than can be measured reliably.

(l) Impairment of non financial assets

Goodwill, intangible assets not yet ready for use and intangible assets with indefinite useful lives are not subject to amortisation and are therefore tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired.

For impairment assessment purposes, assets are generally grouped at the lowest levels for which there are largely independent cash flows ('cash generating units'). Accordingly, most assets are tested for impairment at the cash generating unit level. Because it does not generate cash flows independently of other assets or groups of assets, goodwill is allocated to the cash generating unit or units that are expected to benefit from the synergies arising from the business combination that gave rise to the goodwill.

Assets other than goodwill, intangible assets not yet ready for use and intangible assets with indefinite useful lives are assessed for impairment whenever events or circumstances arise that indicate the asset may be impaired.

An impairment loss is recognised when the carrying amount of an asset or cash generating unit exceeds the asset's or cash generating unit's recoverable amount. The recoverable amount of an asset or cash generating unit is defined as the higher of its fair value less costs to sell and value in use. Refer to Note 2 for a description of how management determines value in use.

Impairment losses in respect of individual assets are recognised immediately in profit or loss unless the asset is carried at a revalued amount such as property, plant and equipment, in which case the impairment loss is treated as a revaluation decrease in accordance with the applicable Standard. Impairment losses in respect of cash generating units are allocated first against the carrying amount of any goodwill attributed to the cash generating unit with any remaining impairment loss allocated on a pro rata basis to the other assets comprising the relevant cash generating unit.

(m) Provisions

Provisions are recognised when the company has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

(n) Leases

Leases are classified at their inception as either operating or finance leases based on the economic substance of the agreement so as to reflect the risks and benefits incidental to ownership.

Finance Leases

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the company are classified as finance leases. Finance leases are capitalised, recording an asset and a liability equal to the fair value or, if lower, the present value of the minimum lease payments, including any guaranteed residual values. The interest expense is calculated using the interest rate implicit in the lease and is included in finance costs in the statement of profit or loss. Leased assets are depreciated on a straight-line basis over their estimated useful lives where it is likely that the company will obtain ownership of the asset, or over the term of the lease. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Operating leases

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are recognised as an expense on a straight-line basis over the term of the lease.

Lease incentives received under operating leases are recognised as a liability and amortised on a straight-line basis over the life of the lease term.

(o) Employee benefits

(i) Short-term employee benefit obligations

Liabilities arising in respect of wages and salaries, annual leave, accumulated sick leave and any other employee benefits (other than termination benefits) expected to be settled wholly before twelve months after the end of the annual reporting period are measured at the (undiscounted) amounts based on remuneration rates which are expected to be paid when the liability is settled. The expected cost of short-term employee benefits in the form of compensated absences such as annual leave and accumulated sick leave is recognised in the provision for employee benefits. All other short-term employee benefit obligations are presented as payables in the statements of financial position.

(ii) Long-term employee benefit obligations

The provision for other long-term employee benefits, including obligations for long service leave and annual leave, which are not expected to be settled wholly before twelve months after the end of the reporting period, are measured at the present value of the estimated future cash outflow to be made in respect of the services provided by employees up to the reporting date. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee turnover, and are discounted at rates determined by reference to market yields at the end of the reporting period on high quality corporate bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the change occurs.

Other long-term employee benefit obligations are presented as current liabilities in the statements of financial position if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting date, regardless of when the actual settlement is expected to occur. All other long-term employee benefit obligations are presented as non-current liabilities in the statements of financial position.

(p) Borrowing costs

Borrowing costs including interest expense calculated using the effective interest method, finance charges in respect of finance leases, and exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs.

Borrowing costs are expensed as incurred, except for borrowing costs incurred as part of the cost of the construction of a qualifying asset, in which case the costs are capitalised until the asset is ready for its intended use or sale.

(q) Goods and Services Tax (GST)

Revenues, expenses and purchased assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statements of financial position are shown inclusive of GST.

Cash flows are presented in the statement of cash flows on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

(r) Comparatives

Where necessary, comparative information has been reclassified and repositioned for consistency with current year disclosures.

NOTE 2: SIGNIFICANT ACCOUNTING ESTIMATES AND JUDGEMENTS

Certain accounting estimates include assumptions concerning the future, which, by definition, will seldom represent actual results. Estimates and assumptions based on future events have a significant inherent risk, and where future events are not as anticipated there could be a material impact on the carrying amounts of the assets and liabilities discussed below:

(a) Intangible assets

All intangible assets are assessed for impairment by evaluating whether indicators of impairment exist in relation to their carrying values.

For the purposes of impairment assessment, all of the company's intangible assets are regarded as a single cash generating unit (CGU), relating primarily to the manufacturing and sale of aircraft.

A formal valuation has been prepared by management in order to test for any impairment to the value of the intangible assets. In performing the valuation, management has sought a review from our independent internal expert on the appropriateness of the discount rate for the CGU. The recoverable amount of the CGU is based on management's projected cashflows covering a period of 10 years.

The present value of the future cashflows has been calculated using the following key assumptions:

- average growth rate between 0% and 3% for the sale price of aircraft (2016: 0%–3%);
- average cost of sales growth rate between -2.1% to 4.0% (2016: 2.8% – 4.1%);
- terminal value growth rate of 2.5% (2016: 2.5%);
- the USD/AUD exchange rate to be at 0.74 throughout the projection period (2016: 0.80);
- discount rate to be 14.3%, (2016: 15%) and;
- sales volumes as anticipated by management following its analysis of the aerospace industry.

NOTE 3: ACCOUNTING STANDARDS ISSUED BUT NOT YET EFFECTIVE

The AASB has issued a number of new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods, some of which are relevant to the company. The company has decided not to early adopt any of these new and amended pronouncements. The company's assessment of the new and amended pronouncements that are relevant to the company but applicable in future reporting periods is set out below.

AASB 15: Revenue from Contracts with Customers, AASB 2014–5: Amendments to Australian Accounting Standards arising from AASB 15, AASB 2015 8: Amendments to Australian Accounting Standards Effective Date of AASB 15 and AASB 2016 3: Amendments to Australian Accounting Standards Clarifications to AASB 15 (applicable for annual reporting periods commencing on or after 1 January 2018).

AASB 15 will provide (except in relation to some specific exceptions, such as lease contracts and insurance contracts) a single source of accounting requirements for all contracts with customers, thereby replacing all current accounting pronouncements on revenue.

These Standards provide a revised principle for recognising and measuring revenue. Under AASB 15, revenue is recognised in a manner that depicts the transfer of promised goods or services to customers in an amount that reflects the consideration to which the provider of the goods or services expects to be entitled. To give effect to this principle, AASB 15 requires the adoption of the following 5 step model:

- identify the contract(s) with a customer;
- identify the performance obligations under the contract(s);
- determine the transaction price;
- allocate the transaction price to the performance obligations under the contract(s); and
- recognise revenue when (or as) the entity satisfies the performance obligations.

AASB 15 also provides additional guidance to assist entities in applying the revised principle to licences of intellectual property, warranties, rights of return, principal/agent considerations and options for additional goods and services.

Although the directors anticipate that the adoption of AASB 15 may have an impact on the company's reported revenue, it is impracticable at this stage to provide a reasonable estimate of such impact.

Total intangible assets	**31,805,389**	**1,575,957,025**	26,076,515	1,292,091,318

All intangible assets are assessed for impairment by evaluating whether indicators of impairment exist in relation to their carrying values.

For the purposes of impairment assessment, intangible assets are regarded as a single cash generating unit (CGU), relating primarily to the manufacturing and sale of aircraft.

The recoverable amount of the carrying value of investment in subsidiaries has been assessed on the basis of projected cash flows approved by management covering a period of 10 years. The present value of the future cash flows has been calculated using the following key assumptions:

– average growth rate between 0% and 3% for the sale price of aircraft (2016: %0–3%);
– average cost of sales growth rate between -2.1% to 4.0% (2016: 2.8%–4.1%);
– terminal value growth rate of 2.5% (2016: 2.5%);
– the USD/AUD exchange rate to be at 0.74 throughout the projection period (2016: 0.80);
– discount rate to be 14.3%, (2016: 15%) and;
– sales volumes as anticipated by management following its analysis of the aerospace industry.

A formal valuation has been prepared by management in order to test for any impairment to the value of the intangible assets. In performing their valuation management has sought a review from our independent internal expert on the appropriateness of the discount rate for the CGU.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GA8 AIRVAN PTY LTD

Report on the Audit of the Financial Report

Opinion

We have audited the financial report, being a special purpose financial report of GA8 Airvan Pty Ltd, which comprises the statement of financial position as at 31 March 2017, the statements of profit or loss and other comprehensive income, statement of changes in equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report presents fairly, in all material respects, the financial position of GA8 Airvan Pty Ltd as at 31 March 2017, and its financial performance for the year then ended in accordance with applicable accounting standards.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of GA8 Airvan Pty Ltd in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Report

Management is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the applicable legislation and for such internal control as management determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the GA8 Airvan Pty Ltd's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the GA8 Airvan Pty Ltd or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the GA8 Airvan Pty Ltd's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the GA8 Airvan Pty Ltd's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the GA8 Airvan Pty Ltd's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the GA8 Airvan Pty Ltd to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation. We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared for use by the directors and members of the company. The directors have determined that the company is not a reporting entity. GA8 Airvan Pty Ltd is a for profit entity for the purpose of preparing the financial statements.

The financial report was approved by the directors as at the date of the directors' report.

The financial report has been prepared in accordance with the recognition and measurement criteria of all applicable Accounting Standards, with the exception of the disclosure requirements of:

AASB 101: Presentation of Financial Statements
AASB 112: Income Taxes
AASB 124: Related Party Disclosures
AASB 1054: Australian Additional Disclosures

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report:

(a) Basis of preparation of the financial report

Historical Cost Convention

The financial report has been prepared under the historical cost convention, as modified by revaluations to fair value for certain classes of assets and liabilities as described in the accounting policies.

(b) Going concern

The financial report has been prepared on a going concern basis.

The company incurred a loss from ordinary activities of AUD$3,850 (Rs: 190,768) during the year ended 31 March 2017, and as at that date the company's total liabilities exceeded total assets by AUD$7,697 (Rs: 381,437).

The company is dependent on the ongoing financial support of its ultimate parent entity to meet its financial obligations at 31 March 2017. At this time, there is no reason for the directors to believe that the ongoing financial support of the ultimate parent entity will not be continued.

(c) Foreign currency translations and balances

Functional and presentation currency

The financial statements are measured using the currency of the primary economic environment in which that entity operates (the functional currency). For disclosure purposes at period end this has been converted into the currency of the ultimate parent company, Indian Rupees, at a pre-determined 'convenient rate'. This is displayed as comparative balances for both the current and prior years.

Foreign currency amounts are translated for convenience into Indian Rupees at the exchange rate of Rs 49.55 = AUD$1 as advised by the ultimate parent entity.

(d) Comparatives

Where necessary, comparative information has been reclassified and repositioned for consistency with current year disclosures.

NOTE 2: PAYABLES

CURRENT				
Unsecured liabilities				
Sundry creditors and accruals	7,700	381,536	3,850	190,768

NOTE 3: SHARE CAPITAL

Issued and paid-up capital

NOTE 4: ACCUMULATED LOSSES

Accumulated losses at beginning of year	(3,850)	(190,768)	–	–
Net profit	(3,850)	(190,768)	(3,850)	(190,768)
Accumulated losses at end of year	(7,700)	(381,536)	(3,850)	(190,768)

NOTE 5: EVENTS SUBSEQUENT TO REPORTING DATE

There has been no matter or circumstance, which has arisen since 31 March 2017 that has significantly affected or may significantly affect:

(a) the operations, in financial years subsequent to 31 March 2017, of the company, or

(b) the results of those operations, or

(c) the state of affairs, in financial years subsequent to 31 March 2017, of the company.

NOTE 6: COMPANY DETAILS

The registered office of the company is:

TRARALGON VIC 3844

DIRECTORS' REPORT

The directors present their report together with the financial report of GA 200 Pty Ltd (the "company") and the company, for the year ended 31 March 2017 and auditor's report thereon. The financial report has been prepared in accordance with Australian Accounting Standards.

Directors names

The names of the directors in office at any time during or since the end of the year are:

Arvind Mehra

Keith Douglas (CEO)

George Morgan

The directors have been in office since the start of the year to the date of this report unless otherwise stated.

Results

The loss of the company for the year after providing for income tax amounted to AUD$3,850 (Rs. 190768) (2016: AUD$3,850 Loss, Rs. 190768).

Review of operations

The company continued to engage in its principal activity, the results of which are disclosed in the attached financial statements.

Significant changes in state of affairs

There were no significant changes in the company's state of affairs that occurred during the financial year, other than those referred to elsewhere in this report.

Principal activities

The principal activity of the company during the year was holder of a CASA type certificate.

No significant change in the nature of these activities occurred during the year.

After balance date events

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the company, the results of those operations, or the state of affairs of the company in future financial years.

Likely developments

The company expects to maintain the present status and level of operations.

Environmental regulation

The company's operations are not regulated by any significant environmental regulation under a law of the Commonwealth or of a State or Territory.

Dividends paid, recommended and declared

No dividends were paid or declared since the start of the year. No recommendation for payment of dividends has been made.

Options

No options over unissued shares or interests in the company were granted during or since the end of the year and there were no options outstanding at the end of the year.

Indemnification of officers

During or since the end of the year, the company has given indemnity or entered an agreement to indemnify, or paid or agreed to pay insurance premiums in order to indemnify the directors of the company against liabilities arising as a result of the performance of their duties as directors.

Indemnification of auditors

No indemnities have been given or insurance premiums paid, during or since the end of the year, for any person who is or has been an auditor of the company.

Proceedings on behalf of the company

No person has applied for leave of Court to bring proceedings on behalf of the company or intervene in any proceedings to which the company is a party for the purpose of taking responsibility on behalf of the company for all or any part of those proceedings.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GA 200 PTY LTD

Report on the Audit of the Financial Report

Opinion

We have audited the financial report, being a special purpose financial report of GA200 Pty Ltd, which comprises the statement of financial position as at 31 March 2017, the statements of profit or loss and other comprehensive income, statement of changes in equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report presents fairly, in all material respects, the financial position of GA8 Airvan Pty Ltd as at 31 March 2017, and its financial performance for the year then ended in accordance with applicable accounting standards.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of GA200 Pty Ltd in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Report

Management is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the applicable legislation and for such internal control as management determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the GA200 Pty Ltd's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the GA200 Pty Ltd or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the GA200 Pty Ltd's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the GA200 Pty Ltd's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the GA200 Pty Ltd's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the GA200 Pty Ltd to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation. We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2016

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared for use by the directors and members of the company. The directors have determined that the company is not a reporting entity. GA 200 Pty Ltd is a for-profit entity for the purpose of preparing the financial statements.

The financial report was approved by the directors as at the date of the directors' report.

The financial report has been prepared in accordance with the recognition and measurement criteria of all applicable Accounting Standards, with the exception of the disclosure requirements of:

AASB 101: Presentation of Financial Statements

AASB 112: Income Taxes

AASB 124: Related Party Disclosures

AASB 1054: Australian Additional Disclosures

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report:

(a) Basis of preparation of the financial report

Historical Cost Convention

The financial report has been prepared under the historical cost convention, as modified by revaluations to fair value for certain classes of assets and liabilities as described in the accounting policies.

(b) Going concern

The financial report has been prepared on a going concern basis.

The company incurred a loss from ordinary activities of AUD$3,850 (Rs: 190,768) during the year ended 31 March 2017, and as at that date the company's total liabilities exceeded total assets by AUD$7,697 (Rs: 381,437).

The company is dependent on the ongoing financial support of its ultimate parent entity to meet its financial obligations at 31 March 2017. At this time, there is no reason for the directors to believe that the ongoing financial support of the ultimate parent entity will not be continued.

(c) Foreign currency translations and balances

Functional and presentation currency

The financial statements are measured using the currency of the primary economic environment in which that entity operates (the functional currency). For disclosure purposes at period end this has been converted into the currency of the ultimate parent company, Indian Rupees, at a pre-determined 'convenient rate'. This is displayed as comparative balances for both the current and prior years.

Foreign currency amounts are translated for convenience into Indian Rupees at the exchange rate of Rs 49.55 = AUD$1 as advised by the ultimate parent entity.

(d) Comparatives

Where necessary, comparative information has been reclassified and repositioned for consistency with current year disclosures.

DIRECTORS' REPORT

The directors present their report together with the financial report of Airvan Flight Services Pty Ltd (the "company") for the year ended 31 March 2017 and auditor's report thereon. This financial report has been prepared in accordance with Australian Accounting Standards.

Directors names

The names of the directors in office at any time during or since the end of the year are:

Arvind Mehra (resigned 27 April 2017)
Keith Douglas (CEO)
George Morgan
Ajay Mantry (appointed 26 April 2017)

The directors have been in office since the start of the year to the date of this report unless otherwise stated.

Results

The loss of the company for the year after providing for income tax amounted to AUD$3,850 (Rs. 190768) (2016: AUD$3,850 Loss, Rs. 190768).

Review of operations

The company continued to engage in its principal activity, the results of which are disclosed in the attached financial statements.

Significant changes in state of affairs

There were no significant changes in the company's state of affairs that occurred during the financial year, other than those referred to elsewhere in this report.

Principal activities

The principal activity of the company during the year was to hold the Air Operators Certificate. .

No significant change in the nature of these activities occurred during the year.

After balance date events

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the company, the results of those operations, or the state of affairs of the company in future financial years.

Likely developments

The company expects to maintain the present status and level of operations.

Environmental regulation

The company's operations are not regulated by any significant environmental regulation under a law of the Commonwealth or of a State or Territory.

Dividends paid, recommended and declared

No dividends were paid or declared since the start of the year. No recommendation for payment of dividends has been made.

Options

No options over unissued shares or interests in the company were granted during or since the end of the year and there were no options outstanding at the end of the year.

Indemnification of officers

During or since the end of the year, the company has given indemnity or entered an agreement to indemnify, or paid or agreed to pay insurance premiums in order to indemnify the directors of the company against liabilities arising as a result of the performance of their duties as directors

Indemnification of auditors

No indemnities have been given or insurance premiums paid, during or since the end of the year, for any person who is or has been an auditor of the company.

Proceedings on behalf of the company

No person has applied for leave of Court to bring proceedings on behalf of the company or intervene in any proceedings to which the company is a party for the purpose of taking responsibility on behalf of the company for all or any part of those proceedings.

Signed on behalf of the board of directors.

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF AIRVAN FLIGHT SERVICES PTY LTD

Report on the Audit of the Financial Report

Opinion

We have audited the financial report, being a special purpose financial report of Airvan Flight Services Pty Ltd, which comprises the statement of financial position as at 31 March 2017, the statements of profit or loss and other comprehensive income, statement of changes in equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report presents fairly, in all material respects, the financial position of Airvan Flight Services Pty Ltd as at 31 March 2017, and its financial performance for the year then ended in accordance with applicable accounting standards.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of Airvan Flight Services Pty Ltd in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Report

Management is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the applicable legislation and for such internal control as management determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the Airvan Flight Services Pty Ltd's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Airvan Flight Services Pty Ltd or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Airvan Flight Services Pty Ltd's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Airvan Flight Services Pty Ltd's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Airvan Flight Services Pty Ltd's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Airvan Flight Services Pty Ltd to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation. We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared for use by the directors and members of the company. The directors have determined that the company is not a reporting entity. Airvan Flight Services Pty Ltd is a for profit entity for the purpose of preparing the financial statements.

The financial report was approved by the directors as at the date of the directors' report.

The financial report has been prepared in accordance with the recognition and measurement criteria of all applicable Accounting Standards, with the exception of the disclosure requirements of:

AASB 101:	Presentation of Financial Statements
AASB 112:	Income Taxes
AASB 124:	Related Party Disclosures
AASB 1054:	Australian Additional Disclosures

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report:

(a) Basis of preparation of the financial report

Historical Cost Convention

The financial report has been prepared under the historical cost convention, as modified by revaluations to fair value for certain classes of assets and liabilities as described in the accounting policies.

(b) Going concern

The financial report has been prepared on a going concern basis.

The company incurred a loss from ordinary activities of AUD$3,850 (Rs: 190,768) during the year ended 31 March 2017, and as at that date the company's total liabilities exceeded total assets by AUD$7,698 (Rs: 381,437).

The company is dependent on the ongoing financial support of its ultimate parent entity to meet its financial obligations at 31 March 2017. At this time, there is no reason for the directors to believe that the ongoing financial support of the ultimate parent entity will not be continued.

(c) Foreign currency translations and balances

Functional and presentation currency

The financial statements are measured using the currency of the primary economic environment in which that entity operates (the functional currency). For disclosure purposes at period end this has been converted into the currency of the ultimate parent company, Indian Rupees, at a pre determined 'convenient rate'. This is displayed as comparative balances for both the current and prior years.

Foreign currency amounts are translated for convenience into Indian Rupees at the exchange rate of Rs 49.55 = AUD$1 as advised by the ultimate parent entity

(d) Comparatives

Where necessary, comparative information has been reclassified and repositioned for consistency with current year disclosures.

No options over unissued shares or interests in the company were granted during or since the end of the year and there were no options outstanding at the end of the year.

Indemnification of officers

During or since the end of the year, the company has given indemnity or entered an agreement to indemnify, or paid or agreed to pay insurance premiums in order to indemnify the directors of the company against liabilities arising as a result of the performance of their duties as directors.

Further disclosure required under Section 300(9) of the corporations law is prohibited under the terms of the contract.

Indemnification of auditors

No indemnities have been given or insurance premiums paid, during or since the end of the year, for any person who is or has been an auditor of the company.

Proceedings on behalf of the company

No person has applied for leave of Court to bring proceedings on behalf of the company or intervene in any proceedings to which the company is a party for the purpose of taking responsibility on behalf of the company for all or any part of those proceedings.

Signed on behalf of the board of directors.

Keith Douglas Director

Ajay Mantry Director

Dated: 27th April, 2017

DIRECTORS' DECLARATION

The directors have determined that the company is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

The directors of the company declare that:

1. The financial statements and notes are in accordance with the *Corporations Act 2001*: and
   (a) comply with Accounting Standards in Australia as detailed in Note 1 to the financial statements and the Corporations Regulations 2001; and
   (b) give a true and fair view of the financial position as at 31 March 2017 and performance for the year ended on that date of the entity in accordance with the accounting policies described in Note 1 to the financial statements.
2. In the directors' opinion there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF GIPP AERO INVESTMENTS PTY LTD – INDIAN STAT

Report on the Audit of the Financial Report

Opinion

We have audited the financial report, being a special purpose financial report of Gipp Aero Investments Pty Ltd (the "company"), which comprises the statement of financial position as at 31 March 2017, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of Gipp Aero Investments Pty Ltd, is in accordance with the Corporations Act 2001, including:

(a) giving a true and fair view of the company's financial position as at 31 March 2017 and of its financial performance for the year then ended; and

(b) complying with Australian Accounting Standards and the Corporations Regulations 2001.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the Corporations Act 2001, which has been given to the directors of the company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Directors for the Financial Report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation. We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

AUDITOR'S INDEPENDENCE DECLARATION
TO THE DIRECTORS OF GIPP AERO INVESTMENT PTY LTD

In relation to the independent audit for the year ended 31 March 2017, to the best of my knowledge and belief there have been:

(i) no contraventions of the auditor independence requirements of the *Corporations Act 2001*; and

(ii) no contraventions of APES 110 *Code of Ethics for Professional Accountants*.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017

This financial report is a special purpose financial report prepared for use by the directors and members of the company. The directors have determined that the company is not a reporting entity. Gipp Aero Investments Pty Ltd is a for profit entity for the purpose of preparing the financial statements.

The financial report was approved by the directors as at the date of the directors' report.

The financial report has been prepared in accordance with all applicable Accounting Standards, with the exception of:

AASB 7:	Financial Instruments: Disclosures
AASB 10:	Consolidated Financial Statements
AASB 101:	Presentation of Financial Statements
AASB 107:	Cash Flow Statements
AASB 112:	Income Taxes
AASB 124:	Related Party Disclosures
AASB 1054:	Australian Additional Disclosures

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report:

(a) Basis of preparation of the financial report

Historical Cost Convention

The financial report has been prepared under the historical cost convention, as modified by revaluations to fair value for certain classes of assets and liabilities as described in the accounting policies.

Significant accounting estimates

The preparation of the financial report requires the use of certain estimates and judgements in applying the entity's accouting accounting policies. Those estimates and judgements significant to the financial report are disclosed in Note 3.

(b) Going concern

The financial report has been prepared on a going concern basis, which contemplated continuity of normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business.k

The company incurred a loss from ordinary activities of AUD$10,459 (` 518,244) during the year ended 31 March 2017.

The company is dependent on the ongoing financial support of the ultimate parent entity to meet its financial obligations at 31 March 2017. As at the date of signing the company has received confirmation of ongoing financial support from its ultimate parent company.

At this time, the directors believe that the ongoing financial support of the ultimate parent entity will be continued.

(c) Foreign currency translations and balances

Functional and presentation currency

The functional currency of the company is measured using the currency of the primary economic environment in which the company operates. For disclosure purposes at year end this has been converted into the currency of the ultimate parent company, Indian Rupees, at a pre determined 'convenient rate'. This is displayed as comparative balances for both the current and prior years.

All Foreign currency amounts, including comparatives are translated for convenience into Indian Rupees at the exchange rate of ` 49.55 = AUD$1.00 as advised by the ultimate parent entity.

(d) Revenue

Interest revenue is recognised when it becomes receivable on a proportional basis taking in to account the interest rates applicable to the financial assets.

All revenue is measured net of the amount of goods and services tax (GST).

(e) Cash and cash equivalents

Cash and cash equivalents include cash on hand and at banks, short term deposits with an original maturity of three months or less held at call with financial institutions, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the statement of financial position.

(f) Investments in subsidiaries

Non current investments are recorded at cost. The carrying amount of the investments is reviewed annually by directors to ensure it is not in excess of the recoverable amount of these investments.

(g) Impairment of non financial assets

Goodwill, intangible assets not yet ready for use and intangible assets with indefinite useful lives are not subject to amortisation and are therefore tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired.

For impairment assessment purposes, assets are generally grouped at the lowest levels for which there are largely independent cash flows ('cash generating units'). Accordingly, most assets are tested for impairment at the cash generating unit level. Because it does not generate cash flows independently of other assets or groups of assets, goodwill is allocated to the cash generating unit or units that are expected to benefit from the synergies arising from the business combination that gave rise to the goodwill.

Assets other than goodwill, intangible assets not yet ready for use and intangible assets with indefinite useful lives are assessed for impairment whenever events or circumstances arise that indicate the asset may be impaired.

An impairment loss is recognised when the carrying amount of an asset or cash generating unit exceeds the asset's or cash generating unit's recoverable amount. The recoverable amount of an asset or cash generating unit is defined as the higher of its fair value less costs to sell and value in use. Refer to Note 2 for a description of how management determines value in use.

Impairment losses in respect of individual assets are recognised immediately in profit or loss unless the asset is carried at a revalued amount such as property, plant and equipment, in which case the impairment loss is treated as a revaluation decrease in accordance with the applicable Standard. Impairment losses in respect of cash generating units are allocated first against the carrying amount of any goodwill attributed to the cash generating unit with any remaining impairment loss allocated on a pro rata basis to the other assets comprising the relevant cash generating unit.

The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to present values in determining recoverable amounts.

For an asset measured at cost, an impairment loss is recognised in profit or loss where the carrying amount of the asset exceeds its recoverable amount.

(h) Comparatives

Where necessary, comparative information has been reclassified and repositioned for consistency with current year disclosures.

NOTE 2: ACCOUNTING STANDARDS ISSUED BUT NOT YET EFFECTIVE

The AASB has issued a number of new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods, some of which are relevant to the company. The company has decided not to early adopt any of these new and amended pronouncements. Management has assessed that none of these standards will have a material impact on the company's financial statements in the period of initial application.

NOTE 3: CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

Certain accounting estimates include assumptions concerning the future, which, by definition, will seldom represent actual results. Estimates and assumptions based on future events have a significant inherent risk, and where future events are not as anticipated there could be a material impact on the carrying amounts of the assets and liabilities discussed below:

(a) *Investment in Subsidiaries*

All investments in subsidiaries are assessed for impairment by evaluating whether indicators of impairment exist in relation to their carrying values.

For the purposes of impairment assessment, the investments in subsidiaries are regarded as a single cash generating unit (CGU), relating primarily to the manufacturing and sale of aircraft.

A formal valuation has been prepared by management in order to test for any impairment to the value of investments in subsidiaries. In performing the valuation, management has soughta review from our independent internal expert on the appropriateness of the discount rate for the CGU. The recoverable amount of the CGU is based on management's projected cashflows covering a period of 10 years.

The present value of the future cashflows has been calculated using the following key assumptions:

– average growth rate between 0% and 3% for the sale price of aircraft (2016: 0% 3%);

– average cost of sales growth rate between 2.1% to 4.0% (2016: 2.8% 4.1%);

– terminal value growth rate of 2.5% (2016: 2.5%);

– the USD/AUD exchange rate to be at 0.74 throughout the projection period (2016: 0.80);

– discount rate to be 14.3%, (2016: 15%) and;

– sales volumes as anticipated by management following its analysis of the aerospace industry

Total financial assets at fair value through profit or loss	**42,546,028**	**2,108,155,689**	19,346,028	958,595,689

All intangible assets are assessed for impairment by evaluating whether indicators of impairment exist in relation to their carrying values.

For the purposes of impairment assessment, intangible assets are regarded as a single cash generating unit (CGU), relating primarily to the manufacturing and sale of aircraft.

The recoverable amount of the carrying value of investment in subsidiaries has been assessed on the basis of projected cash flows approved by management covering a period of 10 years. The present value of the future cash flows has been calculated using the following key assumptions:

– average growth rate between 0% and 3% for the sale price of aircraft (2016: 0% 3%);

– average cost of sales growth rate between 2.1% to 4.0% (2016: 2.8% 4.1%);

– terminal value growth rate of 2.5% (2016: 2.5%);

– the USD/AUD exchange rate to be at 0.74 throughout the projection period (2016: 0.80);

– discount rate to be 14.3%, (2016: 15%) and;

– sales volumes as anticipated by management following its analysis of the aerospace industry.

A formal valuation has also been completed by management for the investments in the subsidiary companies which has used as its assessment of impairment. In performing the valuation, management has soughta review from our independent internal expert on the appropriateness of the discount rate for the CGU. No further impairment was raised in the current financial year.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF NOMAD TC PTY LTD

Report on the Audit of the Financial Report

Opinion

We have audited the financial report, being a special purpose financial report of Nomad TC Pty Ltd, which comprises the statement of financial position as at 31 March 2017, the statements of profit or loss and other comprehensive income, statement of changes in equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report presents fairly, in all material respects, the financial position of the Nomad TC Pty Ltd as at 31 March 2017, and its financial performance for the year then ended in accordance with applicable accounting standards.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Nomad TC Pty Ltd in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Report

Management is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the applicable legislation and for such internal control as management determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing Nomad TC Pty Ltd's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate Nomad TC Pty Ltd or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing Nomad TC Pty Ltd's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Nomad TC Pty Ltd's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Nomad TC Pty Ltd's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Nomad TC Pty Ltd to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation. We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared for use by the directors and members of the company. The directors have determined that the company is not a reporting entity. Nomad TC Pty Ltd is a for-profit entity for the purpose of preparing the financial statements.

The financial report was approved by the directors as at the date of the directors' report.

The financial report has been prepared in accordance with the recognition and measurement criteria of all applicable Accounting Standards, with the exception of the disclosure requirements of:

AASB 101: Presentation of Financial Statements

AASB 112: Income Taxes

AASB 124: Related Party Disclosures

AASB 1054: Australian Additional Disclosures

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report:

(a) Basis of preparation of the financial report

Historical Cost Convention

The financial report has been prepared under the historical cost convention, as modified by revaluations to fair value for certain classes of assets and liabilities as described in the accounting policies.

(b) Going concern

The financial report has been prepared on a going concern basis.

The company incurred a loss from ordinary activities of AUD$3,850 during the year ended 31 March 2017, and as at that date the company's total liabilities exceeded total assets by AUD$9,350.

The company is dependent on the ongoing financial support of its ultimate parent entity to meet its financial obligations at 31 March 2017. At this time, there is no reason for the directors to believe that the ongoing financial support of the ultimate parent entity will not be continued.

(c) Foreign currency translations and balances

Functional and presentation currency

The financial statements are measured using the currency of the primary economic environment in which that entity operates (the functional currency). For disclosure purposes at period end this has been converted into the currency of the ultimate parent company, Indian Rupees, at a pre determined 'convenient rate'. This is displayed as comparative balances for both the current and prior years.

Foreign currency amounts are translated for convenience into Indian Rupees at the exchange rate of Rs 49.55 = AUD$1 as advised by the ultimate parent entity.

(d) Comparatives

Where necessary, comparative information has been reclassified and repositioned for consistency with current year disclosures.

NOTE 5: EVENTS SUBSEQUENT TO REPORTING DATE

There has been no matter or circumstance, which has arisen since 31 March 2017 that has significantly affected or may significantly affect:

(a) the operations, in financial years subsequent to 31 March 2017, of the company, or

(b) the results of those operations, or

(c) the state of affairs, in financial years subsequent to 31 March 2017, of the company.

The aforesaid financial highlights are based on audited financial statements for the year ended 31st March, 2017, which are Company's first Ind AS financial statements which are required to be prepared in accordance with the Accounting Standards as notified under section 133 of the Companies Act, 2013. Figures for the year ended 31st March, 2016 have been restated under the new Accounting Standards Ind AS to make them comparable with the figures for the year ended 31st March, 2017.

No material changes and commitments have occurred after the closure of financial year under review till the date of this report which would affect the financial position of your Company.

Operations

During the year, the Company has ramped up production significantly on serial production for various customers. The production volumes have increased from 20,000 parts per month in the beginning of the year to 100,000 parts per month by the end of the year. During the year your Company has also been awarded its first direct contracts by Boeing and Airbus, making it a Tier 1 to both major OEMs. The Airbus contract will transition the Company from its existing soft metal (aluminum alloys) capabilities to hard metals (Titanium, aerospace steels, etc.). Your Company has also signed new work packages with three existing customers (PAG, Saab and Triumph) during the year, and has moved into delivery of control surface assemblies to GippsAero. The Company continues to pursue various opportunities in India and abroad for larger value work and these efforts are expected to yield results in the coming years.

Dividend

In view of the continuing losses, your Directors have not considered declaration of dividend for the year under review.

Share Capital

During the year under review, the Authorized Share Capital of the Company was increased from Rs. 275,00,00,000 divided into 27,50,00,000 Equity Shares of the face value Rs. 10/- each to Rs. 300,00,00,000/- divided into 30,00,00,000 Equity Shares of the face value Rs. 10/- each by creating a 2,50,00,000 additional Equity Shares of Rs. 10/- each.

During the year under review, your company issued 7,50,00,000 Equity Shares of Rs. 10/- each on Rights Basis at par and the paid up share capital of the Company stood at Rs. 235,36,00,000/- as at the end of the year under review.

Board of Directors

The Composition of the Board of Directors of the Company is as under:

Sl. No.	Name of the Director	Designation	Executive/Non-Executive	Independent/ Non Independent
1	Mr. Shriprakash Shukla (DIN: 00007418)	Chairman	Non-Executive	Non Independent
2	Mr. Sudhir Yagnik (DIN: 07340019)	Director	Non-Executive	Non Independent
3	Mr. Arvind Kumar Mehra (DIN: 01039769)	Director	Non-Executive	Non Independent
4	Mrs. Rajyalakshmi Rao Meka (DIN: 00009420)	Director	Non-Executive	Independent
5	Rear Admiral Sanjiv Kapoor AVSM (Retd.) (DIN: 07138582)	Director	Non-Executive	Independent
6	Dr. Krishnamurthy Karthik (DIN: 07130799)	Whole Time Director	Executive	Non Independent
7	Mr. Dhiraj Rajendran* (DIN: 06884408)	Director	Non-Executive	Non Independent

* Mr. Dhiraj Rajendran was appointed as Additional Director on 28th April, 2017.

Mr. R Laxman resigned as Director with effect from 17th April, 2017. Your Board takes this opportunity to place on record the valuable contribution made by Mr. R Laxman during his association with the Company.

Mr. Dhiraj Rajendran (DIN: 06884408) was appointed as Additional Director and holds office up to the ensuing Annual General Meeting only. Your Company has received notice from a member intimating its intention to propose, at the ensuing Annual General Meeting, the appointment of Mr. Dhiraj Rajendran. The Board recommends to the shareholders his appointment as Director.

Mr. S P Shukla (DIN: 00007418) Director retires by rotation and being eligible has offered himself for reappointment.

Your Company has received declarations from Mrs. Rajyalakshmi Rao Meka and Rear Admiral Sanjiv Kapoor AVSM (Retd.) to the effect that they meet the criteria of independence as laid down under Section 149(6) of the Companies Act, 2013.

Pursuant to the formation of opinion by the Board that Mrs. Rajyalakshmi Rao Meka and Rear Admiral Sanjiv Kapoor AVSM (Retd.) are persons with integrity and possess relevant expertise and experience and receipt of declarations from them to the effect that they meet the criteria of independence as laid down under Section 149(6) of the Companies Act, 2013, Mrs. Rajyalakshmi Rao Meka (DIN:00009420) and Rear Admiral Sanjiv Kapoor AVSM (Retd.)(DIN: 07138582), have been re-appointed as Independent Directors, subject to the approval of Shareholders, for a period of three years and one year respectively with effect from 30th March, 2017.

Meetings of the Board of Directors and Annual General Meeting

Your Board of Directors met four times during the year under review i.e. on 17th May, 2016, 13th September, 2016, 11th November, 2016 and 1st March, 2017.

6th Annual General Meeting of the shareholders was held on 13th September, 2016.

The attendance at the meetings of the Board during the year under review was as under:-

Name of Directors	No. of meetings attended
Mr. S P Shukla	4
Mr. Sudhir Yagnik	3
Mr. Arvind Mehra	3
Dr. Karthik Krishnamurthy	3
Mr. R Laxman*	2
Mrs. Rajyalakshmi Rao Meka	4
Rear Admiral Sanjiv Kapoor AVSM (Retd.)	4

** Resigned with effect from 17th April, 2017.*

Directors' Responsibility Statement

Pursuant to section 134(3)(c) of the Companies Act, 2013, your Directors, based on the representation received from operating team, and after due enquiry, confirm that:

(i) in the preparation of the annual accounts, the applicable accounting standards have been followed;

(ii) they have, in the selection of the accounting policies, consulted the Statutory Auditors and these have been applied consistently and reasonable and prudent judgments and estimates have been made so as to give a true and fair view of the state of affairs of the Company as at 31st March, 2017 and of the Loss of the Company for the year ended on that date;

(iii) proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

(iv) the annual accounts have been prepared on a going concern basis.

(v) Proper systems have been devised to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Evaluation of Performance

Questionnaires/Feedback templates for annual evaluation were circulated to each Board member and duly filled in questionnaires/responses were submitted to the Chairman of the Board for facilitating the formal annual evaluation. Based on the feedback the Board carried out the annual evaluation of performance of its own, its committees and individual Directors including independent directors at the meeting of the Board held on 28th April, 2017.

Codes of Conduct

Your Company has, adopted Codes of Conduct for Corporate Governance ("the Codes") for its Directors and Senior Management Personnel and Employees. These Codes enunciate the underlying principles governing the conduct of your Company's business and seek to reiterate the fundamental precept that good governance must and would always be an integral part of your Company's ethos.

Your Company has for the year under review, received declarations from the Board Members and Senior Management Personnel and employees affirming compliance with respective Code of Conduct.

Meeting of Independent Directors

The Independent Directors of the Company met on 11th November, 2016 without the presence of the Chairman or Executive Director or other Non-Independent Directors or Chief Financial Officer or any other Management Personnel. The Meeting was conducted in an informal and flexible manner to enable the Independent Directors to discuss matters pertaining to, inter alia, review of performance of Non-Independent Directors and the Board as a whole, review the performance of the Chairman of the Company (taking into account the views of the Executive and Non-Executive Directors), assess the quality, quantity and timeliness of flow of information between the Company Management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

Committees of the Board:

Audit Committee

The Committee consists of Mrs. Rajyalakshmi Rao Meka, Independent Woman Director, Rear Admiral Sanjiv Kapoor AVSM (Retd.), Independent Director and Mr. Sudhir Yagnik, Director.

Mrs. Rajyalakshmi Rao Meka is the Chairperson of the Audit Committee.

The Committee met three times during the year under review i.e., on 17th May, 2016, 13th September, 2016 and 1st March, 2017 and complied with the terms of reference assigned to the Committee from time to time.

The attendance at the meetings of the Audit Committee was as under:-

Name of Directors	No. of meetings attended
Mr. Sudhir Yagnik	2
Mrs. Rajyalakshmi Rao Meka	3
Rear Admiral Sanjiv Kapoor AVSM (Retd.)	3

Nomination and Remuneration Committee

The Nomination and Remuneration Committee consists of Rear Admiral Sanjiv Kapoor AVSM (Retd.), Independent Director, Mrs. Rajyalakshmi Rao Meka, Independent Woman Director, Mr. S P Shukla and Mr. Arvind Mehra, Directors.

Rear Admiral Sanjiv Kapoor AVSM (Retd.) is the Chairman of the Nomination and Remuneration Committee.

The Committee met three times during the year under review i.e. on 17th May, 2016, 13th September, 2016 and 11th November, 2016.

The attendance at the meetings of the Nomination and Remuneration Committee was as under:-

Name of Directors	No. of meetings attended
Mr. S P Shukla	3
Mr. Arvind Mehra	3
Mrs. Rajyalakshmi Rao Meka	3
Rear Admiral Sanjiv Kapoor AVSM (Retd.)	3

The Committee members at their meeting held on 28th April, 2017 carried out an evaluation of the performance of individual directors through a structured questionnaire process.

Key Managerial Personnel (KMP)

Mr. T Subrahmanya Sharma resigned as Chief Financial Officer with effect from 18th May, 2016 and was re-appointed as Chief Financial Officer of the Company with effect from 13th September, 2016. Mr. Vilas Chaubal was appointed as Company Secretary with effect from 13th September, 2016.

During the year under review, Dr. Karthik Krishnamurthy was reappointed as Whole Time Director for a further period of two years with effect from 23rd March, 2017. His reappointment is subject to the approval of the shareholders at the ensuing Annual General Meeting.

Policy for Remuneration of Directors, Key Managerial Personnel, and other Employees and Criteria for appointment/removal of Directors and Senior Management Personnel

Policies for the remuneration of Directors, Key Managerial Personnel and other employees and appointment/removal of Directors and Senior Management Personnel together with the criteria for determining qualifications, positive attributes and independence of Directors which are in line with the principles of transparency and consistency, are in place. The same have been formulated upon recommendation of Nomination and Remuneration Committee.

These policies are furnished in **Annexure I** and the same forms part of this Report.

Risk Management Policy

Your Company has a Risk Management Policy in place. The Policy helps in identifying elements of risk, if any, which may threaten the existence of the Company and managing the risks associated with the business of the Company.

Vigil Mechanism

The Vigil Mechanism is implemented through the Company's Whistleblower Policy to enable the Directors and Employees of the Company to report genuine concerns. The mechanism provides for adequate safeguards against victimization of persons reporting/disclosing and makes a provision for easy access to the Chairperson of the Audit Committee for reporting, if any.

Internal Financial Controls

Your Company has an adequate system of internal controls and monitoring procedures as well as internal financial controls on financial statements commensurate with the size and the nature of its business. The internal control system is supplemented by documented policies, guidelines and procedures. Besides the Company regularly conducts reviews to assess the adequacy of financial and operating controls for various businesses of the Company. Significant issues, if any, are brought to the attention of the Audit Committee. The Internal Audit function submits detailed reports periodically to the management and the Audit Committee. The Audit Committee reviews these reports with the operating management with a view to provide oversight of the internal control systems.

Corporate Social Responsibility

The provisions relating to Corporate Social Responsibility were not applicable to your Company for the year under review.

Safety, Health and Environmental Performance

Your Company's commitment towards safety, health and environment is being continuously enhanced and persons working at all locations are given adequate training on safety and health. The requirements relating to various environmental legislations and environment protection have been duly complied with by your Company.

Sustainability

Your Company continues with its journey on sustainable development with conscious efforts to minimize the environmental impact caused by its operations and simultaneously taking responsibility to enable communities to Rise without losing focus on economic performance.

The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

During the year under review, no complaints were received under the Sexual Harassment of Women at Work Place (Prevention, Prohibition and Redressal) Act, 2013 and Rules made thereunder.

Statutory Auditors & Audit Report

The Existing Auditors M/s. B K Khare & Co, Chartered Accountants, hold office until the conclusion of the 7th Annual General Meeting. Your company has received a letter from them expressing their unwillingness to continue as Statutory Auditors of the company.

In view of the above, your Board has recommended to the shareholders the appointment of M/s. B S R & Co., LLP Chartered Accountants (Registration No: 101248 W/W-100022 as statutory auditors of the Company.

The shareholders are requested to appoint Auditors for a term of 5 consecutive years from the conclusion of forthcoming Annual General Meeting until the conclusion of 12th Annual General Meeting to be held in the year 2022 and fix their remuneration.

As required under the provisions of section 139 of the Companies Act, 2013, your Company has obtained a written consent and certificate from the above Auditors to the effect that their reappointment, if made, would be in conformity with the conditions and criteria specified therein.

The Report of the existing Statutory Auditors, B K Khare & Co (ICAI Registration No. 105102W) does not contain any qualification, reservation or adverse remark.

Secretarial Auditor & Secretarial Audit Report

Pursuant to Section 204 of the Companies Act, 2013 read with the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, your Company had appointed M/s. M Siroya & Co, Practicing Company Secretaries, as the Secretarial Auditor of your Company for the financial year ended 31st March 2017.

The Secretarial Audit Report for the financial year ended 31st March 2017, issued by the Secretarial Auditor, pursuant to the aforesaid provisions, is provided as **Annexure II** and the same forms part of this report.

The Secretarial Auditors' Report does not contain any qualification, reservation or adverse remark.

Reporting on Frauds by Auditors

During the year under review, the Statutory Auditors and Secretarial Auditors had not reported any instances of frauds committed in the Company by its officers or employees to the Audit Committee under section 143 (12) of the Companies Act 2013 and Rules made thereunder, details of which are required to be furnished in this report.

Conservation of Energy, Technology Absorption and Foreign Exchange Earnings and Outgo

The particulars relating to the Energy Conservation, Technology Absorption and Foreign Exchange Earnings and Outgo, as required under section 134(3)(m) of the Companies Act, 2013 read with the Companies Rule 8 (3) of The Companies (Accounts) Rules, 2014 are given as **Annexure III** and the same forms part of this Report.

Particulars of loans, guarantees or investments under Section 186 of the Companies Act, 2013

During the year under review, Your Company had not made any investment or given loans/guarantees particulars in respect of which are required to be given under section 186 of the Companies Act, 2013.

Public Deposits and Loans/Advances

Your Company had not accepted any deposits from the public, or its employees, within the meaning of Section 73 of the Companies Act, 2013 and the Companies (Acceptance of Deposits) Rules, 2014 during the year under review and there was no amount which qualified as deposit outstanding as on the date of balance sheet.

Your Company had not made any loans/advances which are required to be disclosed in the annual accounts of the Company pursuant to Regulations 34 (3) and 53 (f) of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 read with Schedule V thereto applicable to ultimate parent company Mahindra and Mahindra Limited.

Particulars of Transactions with Related Parties

All the contracts/arrangements/transactions entered, during the year under review, with related parties referred to in sub section 1 of Section 188 of Companies Act, 2013, and Rules made thereunder were in ordinary course of business and on arm's length basis.

Particulars of material contracts or arrangements or transactions with related parties, required to be furnished in terms of Section 134 of Companies Act, 2013 are furnished in form AOC – 2 as **Annexure IV** and the same forms part of this Report.

Extract of Annual Return

Pursuant to Section 92(3) of the Companies Act, 2013 and Rule 12(1) of the Companies (Management and Administration) Rules, 2014 an extract of the Annual return as on 31st March, 2017 is attached herewith as **Annexure V** and the same forms part of this report.

General

Your Directors state that no disclosure or reporting is required in respect of the following items as there were no transactions/events on these items during the year under review:

1. Issue of equity shares with differential rights as to dividend, voting or otherwise.
2. Issue of Shares (Including Sweat Equity Shares) to employees of the Company under any Scheme.
3. Significant or material orders by Regulators or Courts or Tribunals which impact the going concern status and the Company's operations in future.
4. Loan by the Company to purchase or subscribe shares having voting rights and not exercised directly by the employees.
5. Particulars of employees, since the provisions of Section 197 (12) of the Companies Act, 2013 and the Rule 5 (2) of The Companies (Appointment and Remuneration of Managerial Personnel) Rules 2014, are not applicable to an unlisted Company.

Acknowledgements

Your Directors are pleased to take this opportunity to thank the bankers, customers, vendors, all the other stakeholders for their co-operation to the Company during the year under review.

For and on behalf of the Board

S. P. Shukla
Chairman

Mumbai, 28th April, 2017

ANNEXURE I TO THE DIRECTORS' REPORT FOR THE YEAR ENDED 31ST MARCH, 2017.

POLICY FOR REMUNERATION OF DIRECTORS KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES

Purpose

This Policy sets out the approach to compensation of Directors and Key Managerial Personnel in Mahindra Aerostructures Private Limited.

Policy Statement

Our compensation philosophy strives to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in business.

In order to effectively implement this, our compensation structure is developed through external benchmarking as appropriate, with relevant players across the industry we operate in.

Non-Executive Including Independent Directors

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both Fixed and variable, to the Non-Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and such other factors as the NRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

Key Managerial Personnel (KMPs)

The terms of remuneration of Chief Executive Officer (CEO), Chief Financial Officer (CFO) and Company Secretary (CS) shall be determined by the Board and may be revised, from time to time, either by any Director or such other person as may be authorised by the Board. The remuneration shall be consistent with the competitive position of the salary for similar positions in the industry and their Qualifications, Experience, Roles and Responsibilities. Pursuant to the provisions of section 203 of the Companies Act 2013 the Board shall approve the remuneration at the time of their appointment.

The remuneration to directors, KMPs and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

Employees

We follow a position and level based approach for compensation benchmarking with aerospace component manufacturing companies.

We have a CTC (Cost to Company) concept which includes a fixed component (guaranteed pay) and a variable component (performance pay). The percentage of the variable component increases with increasing hierarchy levels as employees at higher positions have a greater impact and influence on the company's overall business result. CTC is reviewed once every year and the compensation strategy for positioning of individuals takes into consideration the following elements:

- Performance
- Potential
- Criticality
- Longevity in grade

Remuneration for new employees other than KMPs and Senior Management Personnel will be decided by HR, and approved by the Managing Director/Whole Time Director/Executive Director, based on factors such as relevant job experience, last compensation drawn, skill-set of the selected candidate, internal equity and related parameters.

The Company may also grant Stock Appreciation Rights and/or Stock Options/Long Term Incentive and Retention benefits to Employees and Directors (other than Independent Directors) in accordance with any Scheme of the Company and subject to compliance of the applicable statutes and regulations.

POLICY ON APPOINTMENT OF DIRECTORS AND SENIOR MANAGEMENT PERSONNEL

DEFINITIONS

The definitions of some of the key terms used in this Policy are given below.

"**Board**" means Board of Directors of the Company.

"**Company**" means Mahindra Aerostructures Private Limited

"**Committee(s)**" means Committees of the Board for the time being in force.

"**Key Managerial Personnel**" (KMP) refers to key managerial personnel as defined under the Companies Act, 2013 and includes:

(i) Managing Director (MD), or Chief Executive Officer (CEO); or Manager; or Whole time Director (WTD)

(ii) Chief Financial Officer (CFO); and

(iii) Company Secretary (CS).

"**Nomination and Remuneration Committee**" (NRC) means Nomination and Remuneration Committee of Board of Directors of the Company for the time being in force.

"**Senior Management**" means personnel of the Company who are members of its Core Management Team excluding Board of Directors comprising of all members of management one level below the executive directors including the functional heads.

I. APPOINTMENT OF DIRECTORS

- The NRC reviews and assesses Board composition and recommends the appointment of new Directors. In evaluating the suitability of individual Board member, the NRC shall take into account the following criteria regarding qualifications, positive attributes and independence of director:
  1. All Board appointments will be based on merit, in the context of the skills, experience, independence and knowledge, for the Board as a whole to be effective.
  2. Ability of the candidates to devote sufficient time and attention to his professional obligations as Independent Director for informed and balanced decision making.
  3. Adherence to the Code of Conduct and highest level of Corporate Governance in letter and in sprit by the Independent Directors.
- Based on recommendation of the NRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board through the Chairman/ Managing Director will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new Director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act 2013 and Rules made thereunder.

Removal of Directors

If a Director is attracted with any disqualification as mentioned in any of the applicable Act, rules and regulations thereunder or due to non - adherence to the applicable policies of the company, the NRC may recommend to the Board with reasons recorded in writing, removal of a Director subject to the compliance of the applicable statutory provisions.

Senior Management Personnel

The NRC shall identify persons who may be appointed in senior management team in accordance with the criteria laid down above.

Senior Management personnel are appointed or promoted and removed/relieved with the authority of Chairman based on the business need and the suitability of the candidate. The details of the appointment made and the personnel removed one level below the Key Managerial Personnel during a quarter shall be presented to the Board.

II. SUCCESSION PLANNING:

Purpose

The Talent Management Policy sets out the approach to the development and management of talent in the Mahindra Group to ensure the implementation of the strategic business plans of the Group and the Group Aspiration of being among the Top 50 globally most-admired brands by 2021.

Board:

The successors for the Independent Directors shall be identified by the NRC at least one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor will be appointed at the earliest but not later than the immediate next Board meeting or three months from the date of such vacancy, whichever is later. The NRC will accord due consideration for the expertise and other criteria required for the successor.

The Board may also decide not to fill the vacancy caused at its discretion.

Senior Management Personnel:

A good succession-planning program aims to identify high growth individuals, train them and feed the pipelines with new talent. It will ensure replacements for key job incumbents in KMPs and senior management positions in the organization.

Significantly, we have a process of identifying Hi-pots and critical positions. Successors are mapped for these positions at the following levels:

1. Emergency successor
2. Ready now
3. Ready in 1 to 2 years
4. Ready in 2 to 5 years
5. Ready in more than 5 years

in order to ensure talent readiness as per a laddered approach.

Policy Statement

The Talent Management framework of the Mahindra Group has been created to address three basic issues:

1) Given the strategic business plans, do we have the skills and competencies required to implement them? If not, how do we create them – by developing them internally or through lateral induction from outside?
2) For critical positions, what is the succession pipeline?
3) What are the individual development plans for individuals both in the succession pipeline as well as others?

   The framework lays down an architecture and processes to address these questions using the **3E** approach:

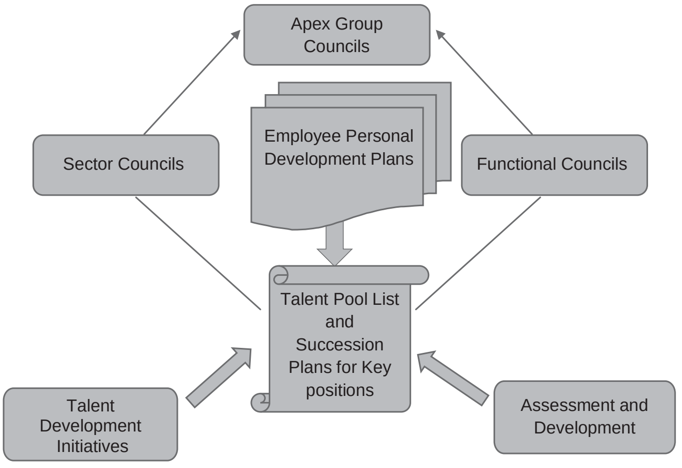
a) **Experience** i.e. both long and short-term assignments. This has 70% weightage
b) **Exposure** i.e. coaching and mentoring – 20% weightage
c) **Education** i.e. learning and development initiatives – 10% weightage

The Talent Management process is applicable to all employees. Over the years, the Talent Management framework has become a well-structured and process-oriented system which is driven by an interactive and collaborative network of Talent Councils at the Group and Sector Levels.

These Talent Councils, which consist mainly of senior business leaders supported by HR, are a mix of Sector (Business) and Functional Councils coordinated by an Apex Talent Council, headed by the Group Chairman.

The Apex Council reviews the work done by the Talent Councils and facilitates movement of talent across Sectors. The Sector/ Functional Councils meet regularly throughout the year and the Apex Council interacts with each one of them separately once a year, and in addition conducts an integrated meeting where the Chairpersons of all the Councils are present.

The Talent Management process can be represented pictorially as under:



The talent pipeline is maintained and developed so as to ensure that there is a seamless flow of talent. An important part of this exercise is drawing up and implementing IDAPs (Individual Development Action Plans) for every Executive concerned using the 3E approach mentioned above.

ANNEXURE II TO THE DIRECTORS' REPORT FOR THE YEAR ENDED 31ST MARCH, 2017

Form No. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2017

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Mahindra Aerostructures Private Limited
Mumbai

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Mahindra Aerostructures Private Limited (hereinafter called the "Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on March 31, 2017 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2017 according to the relevant and applicable provisions of:

(i) The Companies Act, 2013 (the Act) and the rules made thereunder, as may be applicable;

(ii) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder are not applicable to the Company during the year;

(iii) As confirmed by the management, there are no other laws specifically applicable in relation to the business of the Company.

Other statutes, Acts, laws, Rules, Regulations, Guidelines and Standards etc., as applicable to the Company are given below:

1. Labour Laws and other incidental laws related to employees appointed by the Company either on its payroll or on contractual basis as related to wages, gratuity, provident fund, ESIC, compensation etc.;
2. Acts as prescribed under Direct Tax and Indirect Tax;
3. Stamp Acts and Registration Acts;
4. Labour Welfare Act; and
5. Such other Local laws etc. as may be applicable.

We have also examined compliance with the applicable clauses of the following:

1. Secretarial Standards issued by The Institute of Company Secretaries of India, and
2. Listing Agreement: The Company is an unlisted Company and therefore compliance with listing agreement is not applicable.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above, to the extent applicable.

We further report that the Board of the Company is duly constituted with proper balance of Executive Director, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice was given to all the Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation & deliberations at these meeting.

During the period under review, decisions were carried through unanimously and no dissenting views were observed, while reviewing the minutes.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company in order to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period the Company has undertaken following significant & material corporate events/actions having a bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc. referred to above:

(i) At the Extraordinary General Meeting of the members held on September 27, 2016, inter-alia, the following resolutions were passed:

    (a) Increase in Authorised Share Capital of the Company from Rs. 2,750,000,000 (Rupees Two Hundred and Seventy Five Crores) to Rs. 3,000,000,000 (Rupees Three Hundred Crores), thereby altering the Memorandum of Association of the Company; and

(b) Pursuant to the special resolution under Section 180(1)(a) and 180(1)(c) of the Companies Act, 2013, the Board of Directors have been authorised to create charges subject to a maximum limit of Rs. 250 crores and borrow moneys (apart from temporary loans from the Company's bankers in the ordinary course of business) subject to maximum limit of Rs. 250 crores;

(ii) At the Extraordinary General Meeting of the members held on October 10, 2016, the following resolution was passed:

(a) Noting/approval of the report of the Board of Directors, pursuant to Section 23 (1)(b) of the Sick Industrial Companies (Special Provisions) Act, 1985, about the erosion of 50% or more of Company's peak net-worth during the immediately preceding four years by its accumulated losses as per the audited accounts for the financial year ended 31st March, 2016 and consequential reporting thereof to the Board for Industrial and Financial Reconstruction (BIFR).

(iii) At the Board Meeting held on November 11, 2016, inter-alia, the following resolution was passed:

(a) Approved the allotment of 2,50,00,000 (Two Crore and Fifty Lakhs) Equity Shares of Rs. 10 each on Right basis.

(iv) At the Meeting of Right Issue Committee of Directors held on December 22, 2016, the following resolution was passed:

(a) Approved the allotment of 5,00,00,000 (Five Crores) Equity Shares of Rs. 10 each on Right basis.

INDEPENDENT AUDITOR'S REPORT

To the Members of **Mahindra Aerostructures Private Limited**

Report on the Standalone Financial Statements

1. We have audited the accompanying financial statements of **Mahindra Aerostructures Private Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss, the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.

4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view, in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2017, and its loss and its cash flows for the year ended on that date.

Emphasis of Matter

9. We draw your attention to Note 40 of the financial statements wherein the Management has detailed the status of impairment of amounts appearing in Capital work-in-progress.

   Our opinion is not qualified in respect of this matter.

Report on Other Legal and Regulatory Requirements

10. As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the **Annexure I,** a statement on the matters specified in paragraphs 3 and 4 of the Order.

11. As required by Section 143(3) of the Act, we report that:

    a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

    b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

    c. the Balance Sheet, the Statement of Profit and Loss, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;

d. in our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Indian Accounting Standards) Rules, 2015, as amended ;

e. On the basis of written representations received from the directors as on March 31, 2017, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2017, from being appointed as a director in terms of Section 164(2) of the Act.

f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure II". Our report expresses and unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

g. with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

   i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements- Refer Note 36 to the financial statements.

   ii. The Company did not have any long-term contracts including derivate contracts for which there were any material foreseeable losses.

   iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

   iv. The Company has provided requisite disclosures in the financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8th November 2016 to 30th December 2016. Based on audit procedures and relying on the management representation we report that the disclosures are in accordance with books of account maintained by the Company and as produced to us by the Management – Refer Note 39.

ANNEXURE "I" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 10 under 'Report on others Legal and Regulatory Requirements' of our report of even date)

1. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets.

   (b) The fixed assets of the Company have been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.

   (c) Title deed of the land acquired during the year is held in the name of the company.

2. The inventory has been physically verified by the management during the year and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.

3 The Company has not granted any loans, secured or unsecured, to companies, firms or other parties covered in the register maintained under Section 189 of the Act. Therefore, the provisions of Clause 3(iii), (iii)(a), (iii)(b) and (iii)(c) of the said Order are not applicable to the Company.

4 In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities, as applicable.

5 The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 and the Rules framed thereunder to the extent notified.

6 The Central Government of India has not prescribed the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company.

7. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing the undisputed statutory dues, including provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities.

   (b) According to the information and explanations given to us and records of the Company examined by us, there are no dues of income tax, sales tax, wealth tax, service tax, duty of excise, duty of customs, value added tax, and cess which have not been deposited on account of any dispute except for :

Nature of statute	Nature of dues	Amount (Rs in lakhs)	Period to which the amount relates	Forum where dispute is pending
Customs Duty	Customs Duty and Penalty (excluding interest)	2,598.85	2014-15	Customs,Excise and Service Tax Appellate Tribunal
Customs Duty	Customs Duty (excluding interest)	41.36	2014-15	Joint Commissioner of Customs

8. In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings to banks. The Company has not taken any loans or borrowings from financial institutions and government. The Company has not issued debentures.

9 The Company has not raised any money from initial public offer or further offer (including debt instruments). In our opinion, and according to the information and explanations given to us, the term loan has been applied for the purposes for which it was obtained.

10 To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no fraud on the Company by its officers or employees has been noticed or reported during the year.

11 In our opinion and according to the information and explanations given to us, The Company has complied with the provisions of Section 197 read with Schedule V to the Companies Act, 2013.

12 The Company is not a Nidhi Company and hence reporting under clause (xii) of the said Order is not applicable.

13 In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 188 and 177 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.

14 During the year the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under clause (xiv) of the Order is not applicable to the Company.

15 In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with him and hence provisions of Section 192 of the Companies Act, 2013 are not applicable.

16 To the best of our knowledge and as explained, the company is not required to be registered under Section 45-I of the Reserve Bank of India Act, 1934.

ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF MAHINDRA AEROSTRUCTURES PRIVATE LIMITED

(Referred to in paragraph 11(f) under 'Report on others Legal and Regulatory Requirements' of our report of even date)

Report on the Internal Financial Control Over Financial Reporting under clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Mahindra Aerostructures Private Limited** ("the Company") as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the period from April 1, 2015 to March 31, 2016.

Management's Responsibility for Internal Financial Controls

The company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India" These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conduct our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standard on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial control over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial control over financial reporting include obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures Selected depends on the auditor's judgement, include the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the company's internal financial controls over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process design to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

(1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statement in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisation of management and directors of the company; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility if collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control Over Financial Reporting issued by the Institute of Chartered Accountants of India".

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

1. Corporate Information:

Mahindra Aerostructures Private Limited (the 'Company') was incorporated on 27th January, 2011 with an objective of manufacturing and sale of aircraft components, assemblies and Aerostructures. The company is a private company domiciled in India and is incorporated under the provisions of the Companies Act, 1956 applicable in India. The registered office of the company is located at Mahindra Towers, P.K Kurne Chowk, Worli, Mumbai - 400018.

The financial statements were authorised for issue in accordance with a resolution of the directors on 28th April 2017.

2. Significant accounting policies

2.1 Basis of preparation

The standalone financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015.

For all periods, up to and including the year ended 31 March 2016, the Company prepared its financial statements in accordance with accounting standards notified under the section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP). These financial statements for the year ended 31 March 2017 are the first the company has prepared in accordance with Ind AS. Refer to Note 35 for information on how the Company adopted Ind AS.

These financial statements have been prepared on the historical cost basis as explained in the accounting policies below.

The financial statements are presented in INR.

2.2 Significant accounting estimates and assumptions

The preparation of the company's financial statements requires management to make estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The company based on its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the company. Such changes are reflected in the assumptions when they occur.

Impairment of non-financial assets

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a DCF model. The cash flows are derived from the budget for the next five years and do not include restructuring activities that the company is not yet committed to or significant future investments that will enhance the asset's performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used for extrapolation purposes.

Taxes

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

The company has carry forwarded tax losses, these losses will expire in 8 years. The company neither has any taxable temporary difference nor any tax planning opportunities available that could partly support the recognition of these losses as deferred tax assets. On this basis, the company has determined that it cannot recognise deferred tax assets on the tax losses carried forward.

Defined benefit plans (gratuity benefits)

The cost of the defined benefit gratuity plan and other post-employment medical benefits and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation.

The mortality rate is based on publicly available mortality tables for the specific countries. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates for the respective countries.

2.3 Summary of significant accounting policies

a. Current versus non-current classification

The Company presents assets and liabilities in balance sheet based on current/non-current classification. An asset is current when it is:

(i) Expected to be realised or intended to be sold or consumed in normal operating cycle

(ii) Held primarily for the purpose of trading

(iii) Expected to be realised within twelve months after the reporting period, or

(iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

(i) It is expected to be settled in normal operating cycle

(ii) It is held primarily for the purpose of trading

(iii) It is due to be settled within twelve months after the reporting period, or

(iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The company has identified twelve months as its operating cycle.

b. Foreign currencies

The company determined the functional currency and items included in the financial statements are measured using the functional currency. The company's financial statements are presented in INR, which is the company's functional currency.

Transactions and balances

Transactions in foreign currencies are translated into the functional currency using the spot rates at the date of the transaction Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Exchange difference arising on settlement or translation of monetary items is recognised in profit or loss. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in other comprehensive income or profit or loss are also recognised in other comprehensive income or profit or loss, respectively).

Fair Value Measurement

The Company measures financial instruments, such as current investments at fair value at each balance sheet date. Fair-value related disclosures for financial instruments and non-financial assets that are measured at fair value or where fair values are disclosed, are summarised in the following notes:-

(I) Disclosure for fair valuation methods, significant estimates and judgements- Note 32

(II) Financial Instruments (including at carrying Cost)-Note 32

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

(i) In the principal market for the asset or liability, or

(ii) In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible to by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

(i) Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

(ii) Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

(iii) Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between Levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company's treasury team determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for distribution in discontinued operations.

d. Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. The Company has concluded that it is the principal in all of its revenue arrangements since it is the primary obligor in all the revenue arrangements as it has pricing latitude and is also exposed to inventory and credit risks. The company has assumed that recovery of excise duty flows to the company on its own account. This is for the reason that it is a liability of the manufacturer which forms part of the cost of production, irrespective of whether the goods are sold or not. Since the recovery of excise duty flows to the company on its own account, revenue includes excise duty. However, sales tax/ value added tax (VAT) is not received by the company on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue.

The specific recognition criteria described below must also be met before revenue is recognised.

Sale of Goods

Sales are recognised when products are delivered to customer and when the significant risks/rewards of ownership of the goods have passed to the buyer, usually on delivery of the goods. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

Rendering of services

Revenue from the rendering of services is recognised upon the delivery of service to the customers. In contracts involving the rendering of services, revenue is recognised pro-rata over the period contract as and when services are rendered.

Interest income

For all financial instruments measured at amortised cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses. Interest income is included in finance income in the statement of profit and loss.

Dividends

Revenue is recognised when the company's right to receive the payment is established, which is generally when shareholders approve the dividend.

e. Government grants

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, which it is intended to compensate, are expensed. Where the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related assets.

When the company receives grants of non-monetary assets, the asset and the grant are recorded at fair value amounts and released to profit or loss over the expected useful life in a pattern of consumption of the benefit of the underlying asset i.e. by equal annual instalments. When loans or similar assistance are provided by governments or related institutions, with an interest rate below the current applicable market rate, the effect of this favourable interest is regarded as a government grant. The loan or assistance is initially recognised and measured at fair value and the government grant is measured as the difference between the initial carrying value of the loan and the proceeds received. The loan is subsequently measured as per the accounting policy applicable to financial liabilities.

f. Taxes

Current Income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the company operates and generates taxable income. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred Tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised except when the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Sales/value added taxes paid on acquisition of assets or on incurring expenses

Expenses and assets are recognised net of the amount of sales/ value added taxes paid, except:

– When the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item, as applicable

– When receivables and payables are stated with the amount of tax included. The net amount of tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet.

g. Property, plant and equipment

Property plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use as intended by management. The company depreciates property, plant and equipment over the estimated useful life using the straight-line method. Capital work in progress, property, plant and equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of property, plant and equipment are required to be replaced at intervals, the Company depreciates these assets separately based on their specific useful life. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred.

The residual values, useful life and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate. Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances and cost of assets not ready for use at the balance sheet date are disclosed under capital work- in- progress.

Depreciation is calculated on a straight-line basis over the estimated useful life of the assets as follows:

Asset	Life in Years
Buildings – Roads, Compound Wall	5 Years to 30 years
Certain Plant & Machinery	2 years, 5 years, 10 years, 15 years
Production & Assembly Tools	3 Years
Vehicles	5 Years

The company, based on technical assessment made by technical expert and management estimate, depreciates certain items of building, plant and equipment over estimated useful life which are different from the useful life prescribed in Schedule II to the Companies Act, 2013. The management believes that these estimated useful life are realistic and reflect fair approximation of the period over which the assets are likely to be used.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised.

The residual values, useful life and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

h. Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred. The useful life of the Intangible assets are assessed as either finite or indefinite. The company does not have intangible asset whose useful life is assumed as indefinite. Intangible assets with finite life are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite life is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

A summary of the policies applied to the Company's intangible assets is, as follows:

	Software
Useful life	3-5 years
Amortisation method used	Amortised on a straight-line basis

i. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

J. Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception date. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

For arrangements entered prior to 1 April 2015, the company has determined whether the arrangement contain lease based on facts and circumstances existing on the date of transition.

Company as a Lessee

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the company is classified as a finance lease. Finance leases are capitalised at the commencement of the lease at the inception date fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the statement of profit or loss. A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term. Operating lease payments are recognised as an expense in the statement of profit or loss on a straight-line basis over the lease term.

k. Inventories

Inventories are valued at the lower of cost and net realisable value. Costs incurred in bringing each product to its present location and condition are accounted for as follows:

Raw materials, consumables, stores, spares and packing materials: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on a weighted average basis.

Finished goods and work in progress: cost includes cost of direct materials and labour and a proportion of manufacturing overhead s based on the normal operating capacity, but excluding borrowing costs. Finished goods are valued on standard cost basis the approximates to actual cost.

Traded goods: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. It is valued at standard cost that approximates to actual cost.Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

l. Impairment

a. Financial assets

Trade receivables:

The company's customers are reputed Aerospace industry companies having good financial position and there is no past default experience of the counter parties

b. Non-financial assets

The company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or company's assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. To assess value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators. For assets an assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit or loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

m. Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made with an amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

n. Retirement and other employee benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The company has no obligation, other than the contribution payable to the provident fund. The company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund. The company operates a defined benefit gratuity plan in India, which requires contributions to be made to a separately administered fund. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Past service costs are recognised in profit or loss on the earlier of:

The date of the plan amendment or curtailment, and - The date that the company recognises related restructuring costs Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The company recognises the following changes in the net defined benefit obligation as an expense in the consolidated statement of profit and loss

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Net interest expense or income

o. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

a) Debt instruments at amortised cost

b) Debt instruments at fair value through other comprehensive income (FVTOCI)

c) Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)

d) Equity instruments measured at fair value through other comprehensive income (FVTOCI)

Debt instruments at amortised cost

A ‘debt instrument’ is measured at the amortised cost if both the following conditions are met:

a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the company. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade and other receivables. For more information on receivables.

Debt instrument at FVTOCI

A ‘debt instrument’ is classified as at the FVTOCI if both of the following criteria are met:

a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and

b) The asset’s contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the P&L. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to P&L. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as amortized cost or as FVTOCI, is classified as at FVTP In addition, the company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as ‘accounting mismatch’). The company has not designated any debt instrument as at FVTPL Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

Equity investments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL. For all other equity instruments, the company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable If the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the company may transfer the cumulative gain or loss within equity. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a company of similar financial assets) is primarily derecognised (i.e. removed from the company's consolidated balance sheet) when:

– The rights to receive cash flows from the asset have expired, or

– The company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay

the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the company has transferred substantially all the risks and rewards of the asset, or (b) the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the company continues to recognise the transferred asset to the extent of the company's continuing involvement. In that case, the company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the company has retained. Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the company could be required to repay.

Impairment of financial assets

In accordance with Ind AS 109, the company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance b) Financial assets that are debt instruments and are measured as at FVTOCI

c) Lease receivables under Ind AS 17

d) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 11 and Ind AS 18 (referred to as 'contractual revenue receivables' in these illustrative financial statements

e) Loan commitments which are not measured as at FVTPL

f) Financial guarantee contracts which are not measured as at FVTPL

– The company follows 'simplified approach' for recognition of impairment loss allowance on: Trade receivables or contract revenue receivables; and All lease receivables resulting from transactions within the scope of Ind AS 17 The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

– ECL is the difference between all contractual cash flows that are due to the company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider: All contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument

– Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss (P&L). This amount is reflected under the head 'other expenses' in the P&L. The balance sheet presentation for various financial instruments is described below:

– Financial assets measured as at amortised cost, contractual revenue receivables and lease receivables: ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the company does not reduce impairment allowance from the gross carrying amount. Loan commitments and financial guarantee contracts: ECL is presented as a provision in the balance sheet, i.e. as a liability.

– Debt instruments measured at FVTOCI: Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as 'accumulated impairment amount' in the OCI. For assessing increase in credit risk and impairment loss, the company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

The company does not have any purchased or originated credit-impaired (POCI) financial assets, i.e., financial assets which are credit impaired on purchase/ origination. Financial liabilities Initial recognition and measurement Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments. Subsequent measurement The measurement of financial liabilities depends on their classification, as described below:

Loans and borrowings This is the category most relevant to the company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss. This category generally applies to borrowings.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Initial recognition and measurement All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Group's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Loans and borrowings This is the category most relevant to the group. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Reclassification of financial assets

The company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The company's senior management determines change in the business model as a result of external or internal changes which are significant to the company's operations. Such changes are evident to external parties. A change in the business model occurs when the company either begins or ceases to perform an activity that is significant to its operations. If the company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

The following table shows various reclassification and how they are accounted for:

Original Classification	Accounting Treatment
Amortised Cost	Fair value is measured at reclassification date. Difference between previous amortized cost and fair value is recognised in P&L
FVTPL	Fair value at reclassification date becomes its new gross carrying amount. EIR is calculated based on the new gross carrying amount
Amortised Cost	Fair value is measured at reclassification date. Difference between previous amortized cost and fair value is recognised in OCI. No change in EIR due to reclassification.
FVOCI	Fair value at reclassification date becomes its new amortised cost carrying amount. However cumulative gain or loss in OCI is adjusted against fair value. Consequently, the asset is measured as if it had always been measured at amortised cost.
FVTPL	Fair value at reclassification date becomes its new carrying amount. No other adjustment is required.
FVTOCI	Assets continue to be measured at fair value. Cumulative gain or loss previously recognised in OCI is reclassified to P&L at the reclassification date.

Offsetting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the consolidated balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

p. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

2.4 Recent Accounting Pronouncements

a) Standards issued but not yet effective

In March 2017, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) (Amendments) Rules, 2017, notifying amendments to Ind AS 7, 'Statement of cash flows' and Ind AS 102, 'Share-based payment.' These amendments are in accordance with the recent amendments made by International Accounting Standards Board (IASB) to IAS 7, 'Statement of cash flows' and IFRS 2, 'Share-based payment,' respectively. The amendments are applicable to the company from April 1, 2017.

Amendment to Ind AS 7:

The amendment to Ind AS 7 requires the entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the balance sheet for liabilities arising from financing activities, to meet the disclosure requirement. The company is evaluating the requirements of the amendment and the effect on the financial statements is being evaluated.

Amendment to Ind AS 102:

The amendment to Ind AS 102 provides specific guidance to measurement of cash-settled awards, modification of cash-settled awards and awards that include a net settlement feature in respect of withholding taxes. It clarifies that the fair value of cash-settled awards is determined on a basis consistent with that used for equity-settled awards. Market-based performance conditions and non-vesting conditions are reflected in the 'fair values', but non-market performance conditions and service vesting conditions are reflected in the estimate of the number of awards expected to vest. Also, the amendment clarifies that if the terms and conditions of a cash-settled share-based payment transaction are modified with the result that it becomes an equity-settled share-based payment transaction, the transaction is accounted for as such from the date of the modification. Further, the amendment requires the award that include a net settlement feature in respect of withholding taxes to be treated as equity-settled in its entirety. The cash payment to the tax authority is treated as if it was part of an equity settlement. The company is evaluating the requirements of the amendment and the impact on the financial statements is being evaluated.

Note 30: Employee benefits

(a) Defined Contribution Plan

The Company's contribution to Provident Fund aggregating Rs. 65,33,828 (2016 : Rs. 45,77,644) has been recognised in the Statement of Profit or Loss under the head Employee Benefits Expense.

(b) Defined Benefit Plans:

Gratuity

The Company operates a gratuity plan covering qualifying employees. The benefit payable is the greater of the amount calculated as per the Payment of Gratuity Act, 1972 or the Company scheme applicable to the employee. The benefit vests upon completion of five years of continuous service and once vested it is payable to employees on retirement or on termination of employment. In case of death while in service, the gratuity is payable irrespective of vesting. The Company makes annual contribution to the group gratuity scheme administered by the Life Insurance Corporation of India through its Gratuity Trust Fund.

Plan Assets:

The details with respect to the investment made by Fund manager (Life Insurance Corporation) into major categories of plan assets have not been disclosed, as the same has not been provided by the Fund manager to the Company.

Acturial Assumptions:

The principal assumptions used in determining defined benefit obligations and fair value of asset for gratuity and leave encashment are:

Particulars	**31-Mar-17**	31-Mar-16
Discount rate	**6.86%**	8.08%
Future salary increases	**8.50%**	10.00%
Employee turnover	**15.00%**	7.50%
Estimated rate of return on plan assets	**6.86%**	8.08%

A quantitative sensitivity analysis for significant assumption as at 31 March 2017 is as shown below:

	Gratuity			
Assumptions	**Discount Rate**		**Further Salary Increase**	
Sensitivity Level	1% Increase	1% Decrease	1% Increase	1% Decrease
	INR	INR	INR	INR
Impact on defined benefit obligation - Gratuity	41,06,441	48,72,769	48,12,742	41,44,146

The sensitivity analyses above have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable changes in key assumptions occurring at the end of the reporting period.

The following payments are expected contributions by the Company to the defined benefit plan in future years:

	Gratuity	
Particulars	**31-Mar-17**	31-Mar-16
Within the next 12 months	**3,00,914**	1,09,621
Between 2 and 5 years	**8,45,833**	5,22,313
Between 6 and 10 years	**6,89,508**	5,38,010

Note 32 a) The fair value of current Investment carried out based on quoted market prices or dealer quotes for similar instruments

Note 32 b) The management assessed that carrying value of trade receivables, trade payables, Interest accrued on deposits, and cash and cash equivalents are considered to be the same as there fair value, due to there short term in nature.

Note 32 c) Borrowings measured at fair value, the carrying amount is equal to the fair values.

Note 32 d) Finacial Assets measured at fair value, the carrying amount is equal to the fair values.

Note 32 c) The fair value of borrowings is determined by using the EIR borrowing rate as at the end of the reporting period.

Note 33: Fair value hierarchy

The following table provides the fair value measurement hierarchy of the Company's assets and liabilities.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

Note 34: Financial risk management objectives and policies

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Company is exposed to market risk and credit risk. The Company's senior management oversees the management of these risks. The Company's senior management is supported by a financial risk committee that advises on financial risks and the appropriate financial risk governance framework for the Company. The financial risk committee provides assurance to the Company's senior management that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. All derivative activities for risk management purposes are carried out by specialist teams that have the appropriate skills, experience and supervision. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below.

i. Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings. The sensitivity analyses in the following sections relate to the position as at 31 March 2017 and 31 March 2016. The sensitivity analyses have been prepared on the basis that the amount of net debt, the ratio of fixed to floating interest rates of the debt and derivatives and the proportion of financial instruments in foreign currencies. The analyses exclude the impact of movement in market variables on: the carrying values of gratuity and other postretirement obligations and provisions.

The following assumptions have been made in calculating the sensitivity analyses:

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at 31 March 2017 and 31 March 2016.

a. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The Company manages its interest rate risk by having variable rate loans and borrowings.

b. Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the company's profit before tax is affected through the impact on floating rate borrowings, as follows:

	Average Interest Rate	**Increase/ decrease in basis points**	**Effect of profit before tax**
March 31, 2017			
Interest Rates increased by 50 bps	**9.36%**	**+50**	**Increase in interest by Rs. 40.91 Lakhs**
Interest Rates reduced by 30 bps	**9.36%**	**-30**	**Reduction in interest by Rs. 24.30 Lakhs**
March 31, 2016			
Interest Rates increased by 50 bps	9.85%	+50	Increase in interest by Rs. 27.87 Lakhs
Interest Rates reduced by 30 bps	9.85%	-30	Reduction in interest of Rs. 46.46 Lakhs

The assumed movement in basis points for the interest rate sensitivity analysis is based on the currently observable market environment, showing a significantly higher volatility than in prior years.

c. Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (when revenue or expense is denominated in a foreign currency).

d. Foreign currency sensitivity

The following tables demonstrate the sensitivity to a reasonably possible change in USD,GBP,AUD and EUR exchange rates, with all other variables held constant. The impact on the Company's profit before tax is due to changes in the fair value of monetary assets and liabilities including non-designated foreign currency derivatives and embedded derivatives. The Company's exposure to foreign currency changes for all other currencies is not material.

		Rupees
	Increase/ decrease in basis points	**Effect of profit before tax-Rs**
March 31, 2017

USD	**-60**	**74,073.40**
	Effect on profit before tax	Effect on pre-tax equity Rs
March 31, 2016		
AUD	+50	(12,635)
EUR	+50	2,179
GBP	+50	30,817
USD	+50	4,47,095
AUD	-60	15,162
EUR	-60	(2,615)
GBP	-60	(36,981)
USD	-60	(5,36,514)

The movement in the pre-tax effect is a result of a change in the fair value of monetary assets and liabilities denominated in US dollars, where the functional currency of the entity is a currency other than US dollars.

ii. Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

a. Trade Receivable

Trade Receivables: The average credit period on sale of goods is 30 to 90 days. No interest is charged on trade receivables. The company's customers are reputed Aerospace industry companies having good financial position and there is no past default experience of the counter parties. Trade receivables disclosed below includes the amounts that are past due at the end of the reporting period for which the company has not recognised an allowance for doubt full debts because there has not been a significant change in credit quality and amounts are still considered recoverable.

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are Companyed into homogenous Companys and assessed for impairment collectively. The calculation is based on actual incurred historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets . The Company does not hold collateral as security. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets.

Sl No	**Particulars**	**Rupees Amount**
1	Not Due	6,69,36,906
2	< 30 days	1,32,96,807
3	30-60 days	3,36,36,534
4	90-180 days	23,64,025
5	> 180 days	11,72,274
6	> 360 days	2,36,630
Total		11,76,43,176

b. Financial Instrument and Cash Deposit

Credit risk from balances with banks and financial institutions is managed by the Company's operation department in accordance with the Company's policy. Investments of surplus funds are made only with approved Banks and Mutual funds within credit limits assigned. These credit limits are reviewed by the Company's Board of Directors as and when required. The limits are set to minimise the concentration of risks and therefore mitigate financial loss and potential failure to make payments.The Company's maximum exposure to credit risk for the components of the statement of financial position at 31st March 2017 and 2016 is the carrying amounts.

iii. Liquidity risk

The company monitors its risk of a shortage of funds using a liquidity planning tool.

The company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank loans and finance leases. The company has access to a sufficient variety of sources of funding and debt maturing within 12 months can be rolled over with existing lenders.

The table below summarises the maturity profile of the company's financial liabilities based on contractual undiscounted payments.

Amortization of upfront term loans	40,79,890	40,79,890
Retained earnings as reported under Ind AS	(1,29,43,37,012)	(76,86,72,733)

b) Reconciliation of total comprehensive income

Particulars	Year ended March 31, 2016
Profit/(Loss) after tax as reported under previous GAAP	(52,26,62,726)
Fair value changes of current investments (other than equity instruments designated as at FVTOCI)	(30,01,553)
Total comprehensive incomeas reported under Ind AS	(52,56,64,279)

c) The transition from Indian GAAP to Ind AS has not had a material impact on the statement of cash flows.

First time adoption

These financial statements, for the year ended 31 March 2017, are the first the Company has prepared in accordance with Ind AS. For periods up to and including the year ended 31 March 2016, the Company prepared its financial statements in accordance with generally accepted accounting principle in India (Indian GAAP).

Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for periods ending on or after 31 March 2017, together with the comparative period data as at and for the year ended 31 March 2016, as described in the summary of significant accounting policies. In preparing these financial statements, the Company's opening statement of financial position was prepared as at 1 April 2015, the Company's date of transition to Ind AS. This note explains the principal adjustments made by the Company in restating its Indian GAAP financial statements, including the statement of financial position as at 1 April 2015 and the financial statements as at and for the year ended 31 March 2016.

Exemptions applied

Ind AS 101 allows first time adopters certain exemptions from the retrospective application of certain requirements under Ind AS:

The Company has applied the following exemptions:

1 Ind AS 101 permites a first time adopter to elect to continue with the carrying value for all of its property plant and equipment as recognised in the financial statements as at the date of transtion to Ind AS, meassured as per the previouse GAAP and use that as its deemed cost as at the date of transtion.

2 The Company has elected to apply exemption related to classification of financial assets. Under Ind AS 109, all financial assets are classified into three principal categories for measurement purpose. There categories are: Amortized cost.

Fair value through profit and loss account.

Fair value through Other Comprehensive Income

Amortized cost measurement is applicable only for debt instruments. An entity may use FVTPL and FVOCI categories both for debt and equity instruments. The classification depends on the following two criteria:

The entity's business model for managing the financial assets, and The contractual cash flow characteristics of the financial assets. Ind AS 109 requires an entity to decide classification on initial recognition. The Company is allowed to designate a financial assets as at FVTPL on the basis of facts and circumstances existing on the date of transition to Ind AS.

3 An entity estimates in accordance with Ind AS at the date of tranastion to Ind AS shall be consisitant with estimate made for the same date in accordance with previouse GAAP, Unless there is objective evidence that those estimates were in error.

4 Appendix C to Ind AS 17 requires an entity to assess whether a contract or arrangement contains a lease. In accordance with Ind AS 17, this assessment should be carried out ate the inception of the contract or arrangement. Ind AS 101 provides an option to make this assessment on the basis of the facts and circumstances existing at the date of transition to Ind AS.

5 Ind AS 101 requires a first time adopters to apply the de-recognition provision of Ind AS 109 prospectively for transactions occuring on or after the date of transition to Ind AS 101 allows a first time adopter to apply the derecognition requirements in Ind AS 109 retrospectively from the date of the entity choosing, provided that the information needed to apply Ind AS109 to financial liabilities derecognised as as result of past transactions was obtained at the time of intially accounting for those transactions.

Note 36: Commitments and contingent liabilities

a) The Company entered into a lease-cum-sale agreement for a period of 10 years with KIADB for 20 acres of land allotted in Narasapura Industrial area, Kolar District, Karnataka, for the setting up of aerospace component manufacturing facility. The title of the land will be transferred to the Company during the currency of the lease term or at the end of 10 year or extended period, if any, after fulfilling all conditions stipulated in the said Agreement.

During the year ended March 31, 2012, the company incurred Rs. 8,70,51,200 towards allotment consideration and other related expenses in connection with the said lease-cum-sale agreement. The said amount is disclosed under non-current assets.

As per the agreement, an amount of Rs. 134,00,000 is payable to KIADB towards implementation of water supply scheme. However, during 2015 the KIADB raised a demand for Rs. 410,00,000, i.e an increase of Rs. 276,00,000. The Company disputed the amount and the same is pending with KIADB.

b) The estimated amount of contracts remaining to be executed on Capital account and not provided for Rs. 1,22,75,807 (2016: Rs. 81,60,000)

c) Corporate Guarantees issued in respect of SBLC facilities availed by the holding company – Rs. 23,53,62,500 (2016: Rs. 23,53,62,500) [equivalent to AUD 4.75 Million (2016: AUD 4.75 Million)]

d) Customs duty & penalty of Rs.25,98,85,476 along with the applicable interest payable (2016: 25,98,85,476) against the order issued by the Commissioner of Customs in the matter of import of certain pre-owned equipment. The Company has filed an appeal and the same is pending with the CESTAT.

e) Customs duty of Rs.41,35,795 along with the applicable interest (2016: Rs. 41,35,795) payable against the Demand Cum show cause notice issued by the Directorate of Revenue Intelligence in the matter of certain imports relating to installation of certain equipment, for which the company has submitted reply and the same is pending with Joint Commissioner of Customs.

Note 37: Earnings Per Share

Basic earnings per share amounts are calculated by dividing the profit/loss for the year attributable to equity holders by the weighted average number of Equity Shares outstanding during the year.

Earnings per Share-basic and diluted

Particulars	March 2017	March 2016
		Rupees
Earnings attributable to Equity holders of the Company	**(52,38,00,404)**	(52,56,64,279)
Weighted Average Number of Equity Shares used as the denominator in calculating the Basic Earnings Per share	**18,37,16,164**	16,03,60,000
Basic Earnings per Share- Earnings attributable to Equity holders of the Company	**(2.85)**	(3.28)
Dilutive Earnings per Share	**(2.85)**	(3.28)

Note 38: Dues to micro and small enterprises

The information as required under the Micro, Small and Medium Enterprises Development Act, 2006 has been determined to the extent such parties have been identified on the basis of information available with the Company. This information has been relied upon by the Auditors. The disclosures relating to Micro, Small and Medium Enterprises as at March 31, 2017 are as under: -

S. No.	Particulars	2016-17	2015-16
			Rupees
A	The principal amount remaining unpaid to supplier as at the end of the year	**3,22,208**	5,85,473
B	The interest due thereon remaining unpaid to supplier as at the end of the year	**–**	–
C	The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under this Act	**2,03,460**	1,02,694
D	The amount of interest accrued during the year and remaining unpaid at the end of the year	**8,77,554**	6,74,094

Note 39: Disclosure on Specified Bank Notes

Disclosure of details of Specified Bank Notes and notes of other denominations, held and transacted during the period from 8 November 2016 to 30th December 2016, required to be given as per amendment to Schedule III of Companies Act 2013:

Particulars	SBNs	Other denomination notes	Total
			Rupees
Closing Cash in hand as on 8 November 2016	10,500	7,051	17,551
(+) permitted Receipts	–	1,90,601	1,90,601
(-) permitted Payments	–	1,94,976	1,94,976
(-) Amount Deposited in Banks	10,500	–	10,500
Closing Cash in hand as on 30 December 2016	–	2,676	2,676

Note 40: Impairment of capital work-in-progress

During the year, the Management has evaluated impairment for certain assets recorded as Capital work in progress and as at Balance sheet date has provided an impairment loss of Rs 3,25,00,000/- (31 March 2016:Rs Nil).

Note 41: Deferred tax asset on the tax losses of Rs. 203,95,38,580 (2016: Rs. 147,74,30,343) is not recognized as the Company is not projecting any taxable income in near future and do not envisage any tax planning opportunities available that could partly support the recognition of these losses as deferred tax assets. On this basis, the group has determined that it cannot recognise deferred tax assets on the tax losses carried forward.

Note 42: Previous year figures have been regrouped/reclassified wherever required to conform to current year classification/grouping.

DIRECTORS' REPORT

The directors present their report together with the financial report of Airvan 10 Pty Ltd (the "company"), for the period ended 31 March 2017 and auditor's report thereon.

Directors names

The names of the directors in office at any time during or since the end of the period are:

Arvind Mehra

Keith Douglas (CEO)

George Morgan

The directors have been in office since incorporation to the date of this report unless otherwise stated.

Results

The loss of the company for the period after providing for income tax amounted to AUD$3,850 (Rs. 190768) (2016: AUD$3,850 Loss, Rs. 190768).

Review of operations

The company continued to engage in its principal activity, the results of which are disclosed in the attached financial statements.

Significant changes in state of affairs

There were no significant changes in the company's state of affairs that occurred during the financial period, other than those referred to elsewhere in this report.

Principal activities

The principal activity of the company during the period was to apply for the Airvan 10 CASA type certificate.

No significant change in the nature of these activities occurred during the period.

After balance date events

No matters or circumstances have arisen since the end of the financial period which significantly affected or may significantly affect the operations of the company, the results of those operations, or the state of affairs of the company in future financial years.

Likely developments

The company expects to maintain the present status and level of operations.

Environmental regulation

The company's operations are not regulated by any significant environmental regulation under a law of the Commonwealth or of a State or Territory.

Dividends paid, recommended and declared

No dividends were paid or declared since the start of the period. No recommendation for payment of dividends has been made.

Options

No options over unissued shares or interests in the company were granted during or since the end of the period and there were no options outstanding at the end of the period.

Indemnification of officers

During or since the end of the period, the company has given indemnity or entered an agreement to indemnify, or paid or agreed to pay insurance premiums in order to indemnify the directors of the company against liabilities arising as a result of the performance of their duties as directors.

Indemnification of auditors

No indemnities have been given or insurance premiums paid, during or since the end of the period, for any person who is or has been an auditor of the company.

Proceedings on behalf of the company

No person has applied for leave of Court to bring proceedings on behalf of the company or intervene in any proceedings to which the company is a party for the purpose of taking responsibility on behalf of the company for all or any part of those proceedings.

Signed on behalf of the Board of Directors.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF AIRVAN 10 PTY LTD

Report on the Audit of the Financial Report

Opinion

We have audited the financial report, being a special purpose financial report of Airvan 10 Pty Ltd, which comprises the statement of financial position as at 31 March 2017, the statements of profit or loss and other comprehensive income, statement of changes in equity for the period then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report presents fairly, in all material respects, the financial position of Airvan 10 Pty Ltd as at 31 March 2017, and its financial performance for the period then ended in accordance with applicable accounting standards.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Airvan 10 Pty Ltd in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Report

Management is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the applicable legislation and for such internal control as management determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the Airvan 10 Pty Ltd's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Airvan 10 Pty Ltd or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Airvan 10 Pty Ltd's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Airvan 10 Pty Ltd's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Airvan 10 Pty Ltd's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Airvan 10 Pty Ltd to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation. We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The accompanying notes form part of these financial statements.

NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 MARCH 2017

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared for use by the directors and members of the company. The directors have determined that the company is not a reporting entity. Airvan 10 Pty Ltd is a for profit entity for the purpose of preparing the financial statements.

The financial report was approved by the directors as at the date of the directors' report.

The financial report has been prepared in accordance with the recognition and measurement criteria of all applicable Accounting Standards, with the exception of the disclosure requirements of:

AASB 101: Presentation of Financial Statements

AASB 112: Income Taxes

AASB 124: Related Party Disclosures

AASB 1054: Australian Additional Disclosures

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report:

(a) Basis of preparation of the financial report

Historical Cost Convention

The financial report has been prepared under the historical cost convention, as modified by revaluations to fair value for certain classes of assets and liabilities as described in the accounting policies.

(b) Going concern

The financial report has been prepared on a going concern basis.

The company incurred a loss from ordinary activities of AUD$3,850 (Rs: 190,768) during the year ended 31 March 2017, and as at that date the company's total liabilities exceeded total assets by AUD$7,690 (Rs: 381,040).

The company is dependent on the ongoing financial support of its ultimate parent entity to meet its financial obligations at 31 March 2017. At this time, there is no reason for the directors to believe that the ongoing financial support of the ultimate parent entity will not be continued.

(c) Foreign currency translations and balances

Functional and presentation currency

The financial statements are measured using the currency of the primary economic environment in which that entity operates (the functional currency). For disclosure purposes at period end this has been converted into the currency of the ultimate parent company, Indian Rupees, at a pre determined 'convenient rate'. This is displayed as comparative balances for both the current and prior years.

Foreign currency amounts are translated for convenience into Indian Rupees at the exchange rate of Rs 49.55 = AUD$1 as advised by the ultimate parent entity.

(d) Comparatives

Where necessary, comparative information has been reclassified and repositioned for consistency with current year disclosures.

NOTE 2: CASH AND CASH EQUIVALENTS

Cash on hand	10	496	10	496

NOTE 3: PAYABLES

CURRENT

Unsecured liabilities

Sundry creditors and accruals	7,700	381,536	3,850	190,768

NOTE 4: SHARE CAPITAL

Issued and paid-up capital

NOTE 5: ACCUMULATED LOSSES

Accumulated losses at beginning of period	(3,850)	(190,768)	–	–
Net profit	(3,850)	(190,768)	(3,850)	(190,768)
Accumulated losses at end of period	(7,700)	(381,536)	(3,850)	(190,768)

NOTE 6: EVENTS SUBSEQUENT TO REPORTING DATE

There has been no matter or circumstance, which has arisen since 31 March 2017 that has significantly affected or may significantly affect:

(a) the operations, in financial years subsequent to 31 March 2017, of the company, or

(b) the results of those operations, or

(c) the state of affairs, in financial years subsequent to 31 March 2017, of the company.

The aforesaid financial highlights are based on audited financial statements for the year ended 31st March, 2017, the Company's first Ind AS financial statements which are required to be prepared in accordance with the Accounting Standards as notified under Section 133 of the Companies Act, 2013. Figures for the year ended 31st March, 2016 have been restated under the new Accounting Standards Ind AS to make them comparable with the figures for the year ended 31st March, 2017.

No material changes and commitments have occurred after the closure of financial year under review till the date of this report which would affect the financial position of your Company.

STATE OF THE COMPANY'S AFFAIRS

India is currently the world's fourth largest producer of crude steel. Steel industry derives its demand from other important sectors like infrastructure, aviation, engineering, construction, automobile, pipes and tubes etc. With the Indian economy poised for its next wave of growth under the reforms being unleashed in the last one year, there lies tremendous opportunity for the Indian steel industry to prosper and grow exponentially.

During the year under review, the Company has recorded highest volume dispatch since its inception in the financial year 2011-12. Due to intense competition and pressure on pricing in the special steel market and low realisation the Company continued to incur losses for the year under review.

The major challenges which the Company had to face during the year under review were:

a) Pressure on contribution margin.

b) Sales realization due to price recovery from its customers.

c) Higher working capital utilisation i.e. WIP & receivables.

d) Q4 F 17 onwards, firming up in price of scrap, ferro alloys & furnace oil.

The Company is continuously striving to improve its quality, process efficiency & productivity, reduce power & fuel consumption and, reduce cost of production. The Company is successful in developing new grades and also getting new businesses. The Company is continuously focusing on growth in sales in auto, premium bearing & rings businesses with improved product mix.

With the technical support from joint venture partners, management continues to undertake initiatives in the above areas.

SUMMARY OF OPERATIONS:

During the year under review company had registered sales volume of 129 KT, i.e. growth of 11.21 % over previous year level of 116 KT.

The Company recorded sales revenue of Rs. 914 crores during the year, i.e. growth of 6.90 % over previous year level of Rs.855 crores.

Earnings before interest, depreciation, tax & amortization for the year under review was Rs. 10.0 crores against Rs. (-) 2.3 crores for the previous year.

Loss after tax for the year under review was Rs. (-) 46.1 crores against Rs. (-) 49.6 crores for the previous year.

Dividend

In view of losses your directors do not recommend any dividend for the period under review.

Transfer to Reserves

The Company has not transferred any amount to reserves account.

DIRECTORS' RESPONSIBILITY STATEMENT:

Pursuant to sub section (5) of Section 134 of the Companies Act, 2013, based on the representation received from the operating Management, and after due enquiry your Directors confirm that:

(a) In the preparation of the annual accounts, the applicable accounting standards have been followed along with the proper explanation relating to material departures;

(b) the directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the profit and loss of the company for that period;

(c) the directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;

(d) the directors had prepared the annual accounts on a going concern basis; and

(e) the directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

MEETING OF INDEPENDENT DIRECTORS AND EVALUATION OF PERFORAMNCE:

The Board of Directors has adopted a formal policy for annual evaluation of its own performance and individual directors and the same was done based on the criteria approved by the Board. As required under Schedule IV of the Companies Act, the Independent Directors at their meeting held on 20th May, 2016 reviewed the performance of Non-Independent Directors, Chairman and the Board as a whole.

The Questionnaires/Feedback templates for annual evaluation were circulated to each Board member and duly filled in questionnaires/responses were submitted to the Chairman of the Nomination and Remuneration Committee for facilitating the formal annual evaluation. The Questionnaires/Feedback templates duly filled in by all the directors' in respect to the evaluation of Independent Directors were sent to the Chairman of the Board for facilitating the formal annual evaluation. The evaluation report was discussed/reviewed at the respective meetings of the Nomination and Remuneration committee and the Board.

AUDITORS, THEIR REPORT AND NOTES TO FINANCIAL STATEMENTS:

In the last Annual General Meeting of the Company held on 22nd July, 2016, M/s. Deloitte Haskins & Sells LLP (DHS), Chartered Accountants (ICAI Firm Registration Number 117366W/W-100018) have been appointed as the Statutory Auditors of the Company, and hold office till the conclusion of the ensuing Annual General Meeting (AGM) of the Company and being eligible, given their consent for re-appointment.

Pursuant to the provisions of Section 139 of the Companies Act, 2013 and the Rules made thereunder, on the recommendation of the Audit Committee, the board of Directors proposed to appoint M/s. Deloitte Haskins & Sells LLP as the Statutory Auditors of the Company for remaining term of 4 years from the conclusion of the forthcoming AGM until the conclusion of the 10th Annual General Meeting of the Company to be held in the year 2021, subject to ratification by the Members at every AGM.

The appointment of Deloitte Haskins & Sells LLP, Chartered Accountants as the Statutory Auditors will be placed before the ensuing AGM. The members are requested to consider the appointment of statutory auditors as aforesaid and to fix their remuneration.

The Company has received a Certificate from M/s. Deloitte Haskins & Sells LLP, Statutory Auditors of the Company, to the effect that if their re-appointment is made which would be within the prescribed limits under section 141(3) (g) of the Companies Act, 2013 and that they are not disqualified for re-appointment.

Further, the Statutory Auditors Report on the Financial Statements for the year ended 31st March, 2017 is unmodified and it does not contain any qualification reservation or adverse remark and notes thereto self –explanatory and therefore do not call for any further comments.

INTERNAL AUDITORS:

Pursuant to Section 138 of the Companies Act, 2013, M/s. Mahajan & Aibara, Chartered Accountants, has been re-appointed as the Internal Auditors of the Company for the Financial Year 2017-18 by the Board of the Directors of the Company.

COST AUDIT REPORT:

Mr. Kishore Bhatia, a qualified practicing Cost Accountant holding valid Membership No. 8241, carried out the Audit of cost accounting records maintained by the Company for the financial year 2015-16. The Cost Auditor has filed the Cost Audit Report for the financial year 2015-16 on 20.08.2016 to the Central Government, Ministry of Corporate Affairs, New Delhi. The due date for filing the said Cost Report was 27.09.2016. Mr. Kishore Bhatia, Cost Accountant has been appointed as Cost Auditors to conduct the audit of cost records of your company for the financial year 2016-17. The Cost Auditor will forward their report to the Central Government, Ministry of Corporate Affairs, New Delhi for Financial Year 2016-17 within prescribed time.

It is proposed to re-appoint Mr. Kishore Bhatia, Cost Accountant as Cost Auditor of the Company to conduct the Audit of Cost Accounting records of the Company for the Financial Year 2017-18. The Cost Auditor has confirmed that their appointment is within the limit of section 141(3) (g) of the Companies Act, 2013 and has also certified that they are free from any disqualifications specified under section 141(3) and provisions under section 148(3) read with section 141 (4) of the Companies Act, 2013.

The Audit Committee has also received a certificate from the Cost Auditor certifying his independence and arm's length relationship with the Company. The remuneration proposed to be paid to them requires ratification of the shareholders of the Company. In view of this, your ratification for payment of remuneration to Cost Auditors is being sought at the ensuing Annual General Meeting.

SECRETARIAL AUDIT REPORT:

In terms of Section 204 of the Act Companies Act, 2013, and the Rules made there under, M/s. GMJ & Associates, Practicing Company Secretaries have been appointed as Secretarial Auditors of the Company and they have carried out the Audit for the year 2016-17. The report of the Secretarial Auditors is enclosed as **Annexure 4** forming part of this report. The report does not contain any qualification, reservation or adverse remark and do not call for any further comments.

AUDITORS REPORT ON FRAUDS:

During the year under review, the Statutory Auditors and Secretarial Auditors and Cost Auditor have not reported any instances of frauds committed in the Company by its officers or employees to the Audit Committee under section 143 (12) of the Companies Act 2013 and Rules made thereunder, details of which are required to be furnished in this report.

PARTICULARS OF CONTRACTS OR ARRANGEMENTS WITH RELATED PARTIES:

The Company has entered into transactions with the related parties as per section 188(1) of the Companies Act, 2013, which are on arm's length basis. However, there was no contracts/arrangements or transactions entered into by the Company which are not on arm's length basis and there was no material contracts or arrangement or transactions at arm's length basis entered into by the Company with the related parties which are required to be disclosed in this report. The criteria for materiality of the transactions was considered as per the notification dated 14th August, 2014 issued by the Ministry of Corporate Affairs. New Delhi.

POLICY FOR REMUNERATION OF DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES AND CRITERIA FOR APPOINTMENT/REMOVAL OF DIRECTORS AND SENIOR MANAGEMENT PERSONNEL:

Your Board has, on the recommendation of Nomination and Remuneration Committee, approved policies on the appointment/removal of directors and senior management personnel, together with the criteria for determining qualifications, positive attributes and independence of directors, and on the remuneration of directors, key managerial personnel and other employees. These policies are provided as **Annexure 3** and form part of this report.

RISK MANAGEMENT POLICY:

In terms of the requirement of the Act, the Company has developed and implemented the Risk Management Policy and the Audit Committee as well as the Board reviews the same periodically. The risk management policy sets out the objectives and elements of risk management within the organization and helps to promote risk awareness amongst employees and to integrate risk management within the organization's culture. The formulation and authorization of the risk policy illustrates executive management's commitment to implement and continuously develop risk management within the Company.

DECLARATION BY INDEPENDENT DIRECTORS:

Mr. Daljit Mirchandani and Ms. Jayashree Vaidhyanathan are independent Directors on the Board of your Company. In the opinion of the Board and as confirmed by these Directors, they fulfils the conditions specified in section 149 of the Act and the Rules made thereunder about their status as Independent Directors of the Company.

INTERNAL FINANCIAL CONTROLS:

The Company uses the SAP ERP system as business enabler and also to maintain its books of accounts. The transactional controls built in SAP ERP system ensure appropriate segregation of duties and level of authorisation/approvals and maintenance of supporting documents. The System, Standard Operating Procedures are reviewed by the Management. These Systems and Controls are audited by the Internal Auditors and their findings are reviewed by the Audit Committee along with the action taken report on the same.

The internal financial controls with reference to the Financial Statements are commensurate with the size and nature of business of the Company. Your Company has adequate internal controls for its business processes across departments to ensure efficient operations, compliance with internal policies, applicable laws and regulations, protection of resources and assets, and accurate reporting of financial transactions. The Company also has an internal audit system which is conducted by an independent firm of Chartered Accountants so as to cover various operations on continuous basis. Summarized Internal Audit Observations/Reports are reviewed by the Audit Committee on a regular basis. The internal controls are complemented, on an on-going basis, by an extensive program of internal audits being implemented through-out the year. The Company uses an Enterprise Resource Planning (ERP) package, which enhances the internal control mechanism. The internal controls are designed to ensure that the financial and other records of the Company are reliable for preparing financial statement and other data for maintaining the accountability of assets.

HOLDING AND SUBSIDIARY COMPANY:

Your Company continues to be the subsidiary of Mahindra & Mahindra Limited (M&M), which holds 51% of the shares in the share Capital of the Company.

PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS UNDER SECTION 186 OF THE COMPANIES ACT, 2013:

During the year under review, there were no loans, guarantees or investments, particulars in respect of which are required to be furnished under Section 186 of the Companies Act, 2013.

PUBLIC DEPOSITS AND LOANS/ADVANCES:

Your Company had not accepted any deposits from the public, or its employees, within the meaning of Section 73 of the Companies Act, 2013 and the Companies (Acceptance of Deposits) Rules, 2014 during the year under review and there was no amount which qualified as deposit outstanding as on the date of balance sheet.

Your Company had not made any loans/advances which are required to be disclosed in the annual accounts of the Company pursuant to Regulations 34 (3) and 53 (f) of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 read with Schedule V applicable to the Parent Company Mahindra and Mahindra Limited.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT:

A detailed analysis of the Company's performance is mentioned in the Management Discussion and Analysis Report, which forms part of this Directors Report.

- Nearly 5% of power requirement is fulfilled through renewable energy sources.
- The Company bagged National Energy Management award conferred by CII in Sept' 2016 for being "Energy Efficient Unit" in metal and steel sector and also "Most useful presentation Award" which was an audience choice award.
- Fresh water consumption per ton of production reduced by 25% compare to F 16.
- MSSSPL got recertified to revised ISO 14001 : 2015 & OHSAS 18000 : 2015 standard.
- MSSSPL becomes 1st steel company in India to commit for "Science Based Target" initiative.
- Published 3rd party assured MSSSPL Sustainability Report of F 16 as per GRI G4 reporting framework.
- As a part of advisory board member of "Alliance for Integrity" (AFIN), there has been a successful representation in the anti-corruption campaigns.
- Achieved Stage 4 at The Mahindra Way TMW.
- Became advisory board member on "Steel Stewardship Council – Responsible Steel."

Way ahead

- To announce Science Based Target of MSSSPL by March 2018.
- To sign and implement WBCSD's pledge for access to safe water, sanitation and hygiene (WASH) at the workplace.
- To evaluate "Carbon Pricing" for MSSSPL.

POLICY FOR PREVENTION OF SEXUAL HARASSMENT:

The Company has rolled out a policy for prevention of sexual harassment in line with the requirements of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013, in which it formalized a free and fair enquiry process with clear timeline. The Company has also constituted an internal complaints committee to which employees can write their complaints. All employees permanent, contractual or temporary are covered under this policy. There was no case/complaint of discrimination and harassment including sexual harassment reported under the act during the financial year 2016-17.

INDUSTRIAL RELATIONS:

The relations with the workers and their respective unions remained cordial.

SAFETY, HEALTH AND ENVIRONMENTAL PERFORMANCE:

Your Company has a defined policy on general health, safety and environmental conservation through which every employee is responsible for the observance of the measures designed to prevent accidents, damage to health and to avoid environmental pollution.

The safety committee members comprising representatives of workers and executives from various departments meet periodically to review the situation.

DETAILS CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO:

Particulars required to be disclosed under the Rules 8(3) of Companies (Accounts) Rules 2014 are set out in **Annexure I** to this Report.

GENERAL:

Your Directors state that no disclosure or reporting is required in respect of the following items as there were no transactions/events during the year under review.

1. Issue of equity shares with differential rights as to dividend, voting or otherwise.
2. Issue of shares (including sweat equity shares) to employees of the Company under any scheme.
3. Receipt of any remuneration or commission by the whole time Director from any of its subsidiaries.
4. Significant or material orders by Regulators or Courts or Tribunals which impact the going concern status and the Company's operations in future.
5. Particulars of employees, since Rule 5(2) of The Companies (Appointment and Remuneration of Managerial Personnel) Rules 2014, are not applicable to an unlisted Company.

ACKNOWLEDGEMENTS:

Your Directors wish to express their appreciation of the continued support and co-operation received from the Banks, Stakeholders, and Government Departments.

For and on behalf of the Board

Shripakash Shukla
Chairman

Mumbai, 23rd May, 2017

ANNEXURE I

STATEMENT PARTICULARS OF THE DIRECTORS' REPORT UNDER RULES 8(3) OF THE COMPANIES (ACCOUNTS) RULES 2014 AND FORMING PART OF THE DIRECTORS' REPORT FOR THE PERIOD ENDED 31ST MARCH, 2017.

A. CONSERVATION OF ENERGY

(a) Energy conservation measures taken:

(i) The steps taken or impact on conservation of energy:

- **Process Improvement:-**
  1. Optimization of scrap mix & early foaming started through use of lump coke through direct reduced iron belt conveyer in arc furnace.
  2. Reduction of power in ladle furnace through better insulation practice to avoid temperature drop after vacuum degassing.
- **Energy Efficient Equipment:-**
  1. Replacement of old equipment with new energy efficient equipment – transformer.
  2. Procurement of energy efficient equipment like 5 Star AC's, IE 3 motors & LED lights.
  3. Installed variable frequency drive in rolling mill for roller table.
- **Improvement Activities: -**
  1. Transparent sheets on plant roof tops for natural light during day time in remaining shops.
  2. Reduction in oil consumption by burner block modification in forge shop.
  3. Revamping of 4 furnaces in heat treatment shop (HTFS).

(ii) The steps taken by the company for utilizing alternate sources of energy:

1. Procurement of 7.68 MU clean energy through wind & solar power to fulfil renewable power obligation.

(iii) The capital investment on energy conservation equipments:

The capital investment on procurement of energy efficient equipment & in improvement activities is around Rs. 42 lacs.

(b) Impact of the measures taken at (a) & (b) above for reduction of energy consumption and consequent impact on the cost of production of goods:

There has been overall energy saving of around 3.5 MU during the year due to various energy saving initiatives and measures taken by the company as stated above. This has resulted in saving energy cost to the company.

B. TECHNOLOGY ABSORPTION:

i) The efforts made on Technology absorption and benefits derived as result of the same:-

Sr. No.	Product, process improvement, Product development & cost reduction	Benefits derived
A	**New Products developed**	
1	New AISI 440 grade successfully developed.	High alloy steel grade with good contribution, enhancing product portfolio.
2	Various new grades like SAE8822H, 30Mn5, 34CrNiMo6, VS43C and SAE8620- M developed for engineering and auto sector.	New grade developed to enhance business.
3	A very critical grade D2 developed in existing set up.	Capture new market as import substitute. Product stabilized.
B	**Process Improvement**	
1	New magna spray mass developed.	To improve the cleanliness of bearing grade.
2	Started using 74% alumina bricks.	To improve cleanliness in ingot steel.
3	Low oxygen bearing steels development.	8 ppm oxygen level achieved in bearing steels.

Sr. No.	Product, process improvement, Product development & cost reduction	Benefits derived
C.	**Enhancement in Testing Capability**	
1	Installed auto polishing machine in metallography.	More accuracy in microstructure and sample preparation lead time reduction.
2	Installed auto HRC hardness machine for testing Jominy sample.	Precise testing of jominy hardenability samples. Alignment with customer inspection facilities.
3	Procured portable XRF spectrometer.	Increase in flexibility of testing and reduction in inspection time at shop floor.

ii) Future Plan of action:-

- Tensile testing machine with advanced testing software and extensometer.
- Installation of casting trolley for quality improvement of bottom pouring route products.
- Two roller straightening machine for finished product straightness improvement.
- Blm. mill chamber furnace, 1 No. – modification & revamping as per new design for reduction in fuel consumption.
- Replacement of furnace oil by natural gas for furnaces.
- MFLT machine for finished product quality inspection purpose and customer satisfaction.

iii) Expenditure on R&D:

Sr. No.	Expenditure	2016-17 (Rs. in lakhs)	2015-16 (Rs. in lakhs)
a)	Capital	**95.22**	53.46
b)	Recurring	**133.30**	107.36
c)	Total	**228.52**	160.82
d)	Total R&D expenditure as percentage of total turnover	**0.28%**	0.21%

iv) Technology Absorption, Adaptation:

(Efforts in brief towards technology absorption, adaptation and benefits derived as a result of the above efforts.)

Sr. No.	Technology	Benefits
1	Installed advanced AMLC	Continuous casting process modernization and bloom quality improvement.
2	Installation of automatic ultrasonic testing set up.	For enhancement in capacity and quality of ultrasonic testing.
3	X Ray Fluorescence Spectrometer (XRF)	For precise raw material analysis. Reduced the testing lead time and avoided use of hazardous chemicals.

V Import of Technology for the last five years:

1. Oxy fuel technology to reduce oil consumption.
2. Auto UST machine for internal defect detection and improving productivity.
3. XRF equipment for raw material testing.

C. FOREIGN EXCHANGE EARNINGS AND OUTGO

The Company continues to strive to improve its export earnings. Further details in respect of exports are set out elsewhere in the Report.

Particulars with regard to Foreign Exchange Earnings and outgo are given in the notes to Accounts.

For and on behalf of the Board

Date: 23rd May, 2017

ANNEXURE - 3

A. POLICY ON APPOINTMENT OF DIRECTORS AND SENIOR MANAGEMENT

DEFINITIONS

The definitions of some of the key terms used in this Policy are given below.

"Board" means Board of Directors of the Company.

"Company" means Mahindra Sanyo Special Steel Private Limited.

"Committee(s)" means Committees of the Board for the time being in force.

"Employee" means employee of the Company whether employed in India or outside India including employees in the Senior Management Team of the Company.

"HR' means the Human Resource department of the Company.

"Key Managerial Personnel" (KMP) refers to key managerial personnel as defined under the Companies Act, 2013 and includes:

(i) Managing Director (MD), or Chief Executive Officer (CEO); or Manager; or Whole Time Director (WTD).

(ii) Chief Financial Officer (CFO); and

(iii) Company Secretary (CS).

"Nomination and Remuneration Committee" (NRC) means Nomination and Remuneration Committee of Board of Directors of the Company for the time being in force.

"Senior Management" means personnel of the Company who are members of its Core Management Team excluding Board of Directors comprising of all members of management one level below the executive directors including the functional heads.

I. APPOINTMENT OF DIRECTORS

- The NRC reviews and assesses Board composition and recommends the appointment of new Directors. In evaluating the suitability of individual Board member, the NRC shall take into account the following criteria regarding qualifications, positive attributes and independence of director :
  1. All Board appointments will be based on merit, in the context of the skills, experience, independence and knowledge, for the Board as a whole to be effective.
  2. Ability of the candidates to devote sufficient time and attention to his professional obligations as Independent Director for informed and balanced decision making.
  3. Adherence to the Code of Conduct and highest level of Corporate Governance in letter and in sprit by the Independent Directors.
- Based on recommendation of the NRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board through the Chairman and/or Managing Director will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new Director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act 2013 and Rules made thereunder.

REMOVAL OF DIRECTORS

If a Director is attracted with any disqualification as mentioned in any of the applicable Act, rules and regulations thereunder or due to non - adherence to the applicable policies of the company, the NRC may recommend to the Board with reasons recorded in writing, removal of a Director subject to the compliance of the applicable statutory provisions.

SENIOR MANAGEMENT PERSONNEL

The NRC shall identify persons who are qualified to become directors and who may be appointed in senior management team in accordance with the criteria laid down above.

Senior Management personnel are appointed or promoted and removed/relieved with the authority of Chairman and/ or Managing Director based on the business need and the suitability of the candidate. The details of the appointment made and the personnel removed one level below the Key Managerial Personnel during a quarter shall be presented to the Board.

II. SUCCESSION PLANNING:

Purpose

The Talent Management Policy sets out the approach to the development and management of talent in the Mahindra Group to ensure the implementation of the strategic business plans of the Group and the Group Aspiration of being among the Top 50 globally most-admired brands by 2021.

Board:

The successors for the Independent Directors shall be identified by the NRC at least one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor will be appointed at the earliest but not later than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

The successors for the Executive Director(s) shall be identified by the NRC from among the Senior Management or through external source as the Board may deem fit.

The NRC will accord due consideration for the expertise and other criteria required for the successor.

The Board may also decide not to fill the vacancy caused at its discretion.

Senior Management Personnel:

A good succession-planning program aims to identify high growth individuals, train them and feed the pipelines with new talent. It will ensure replacements for key job incumbents in KMPs and senior management positions in the organization.

Significantly, we have a process of identifying Hi-pots and critical positions. Successors are mapped for these positions at the following levels:

1. Emergency successor
2. Ready now
3. Ready in 1 to 2 years
4. Ready in 2 to 5 years
5. Ready in more than 5 years

in order to ensure talent readiness as per a laddered approach.

Policy Statement

The Talent Management framework of the Mahindra Group has been created to address three basic issues:

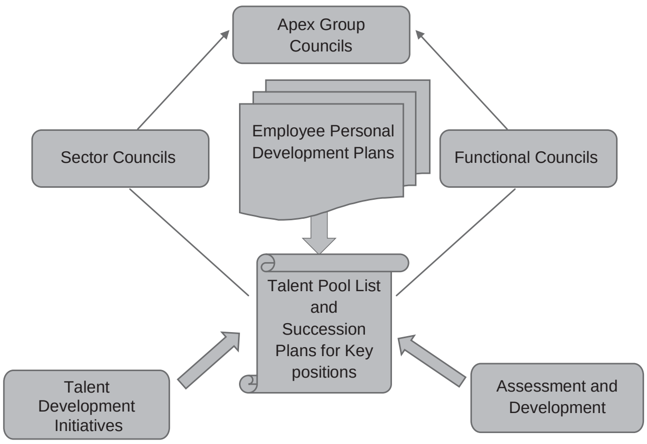
1) Given the strategic business plans, do we have the skills and competencies required to implement them? If not, how do we create them – by developing them internally or through lateral induction from outside?
2) For critical positions, what is the succession pipeline?
3) What are the individual development plans for individuals both in the succession pipeline as well as others?

The framework lays down an architecture and processes to address these questions using the **3E** approach:

a) **Experience** i.e. both long and short-term assignments. This has 70% weightage
b) **Exposure** i.e. coaching and mentoring – 20% weightage
c) **Education** i.e. learning and development initiatives – 10% weightage

The Talent Management process is applicable to all employees. Over the years, the Talent Management framework has become a well-structured and process-oriented system which is driven by an interactive and collaborative network of Talent Councils at the Group and Sector Levels. These Talent Councils, which consist mainly of senior business leaders supported by HR, are a mix of Sector (Business) and Functional Councils coordinated by an Apex Talent Council, headed by the Group Chairman. The Apex Council reviews the work done by the Talent Councils and facilitates movement of talent across Sectors. The Sector / Functional Councils meet regularly throughout the year and the Apex Council interacts with each one of them separately once a year, and in addition conducts an integrated meeting where the Chairpersons of all the Councils are present.

The Talent Management process can be represented pictorially as under:



The talent pipeline is maintained and developed so as to ensure that there is a seamless flow of talent. An important part of this exercise is drawing up and implementing IDAPs (Individual Development Action Plans) for every Executive concerned using the 3E approach mentioned above.

B. POLICY FOR REMUNERATION OF THE DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES.

Purpose

This Policy sets out the approach to Compensation of Directors, Key Managerial Personnel and other employees in Mahindra Sanyo Special Steel Private Limited.

Policy Statement

We have a well-defined Compensation policy for Directors, Key Managerial Personnel and all employees, including the Chairman, Managing Director and other Members of Executive Committee who are employees of the Company. The overall compensation philosophy which guides us is that in order to achieve global leadership and dominance in domestic markets, we need to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in the business.

In order to effectively implement this, we have built our Compensation structure by a regular annual benchmarking over the years with relevant players across the industry we operate in.

Non - executive including Independent Directors:

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both Fixed and variable, to the Non-Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and such other factors as the NRC may consider deem fit for determining the compensation to Non-executive Directors within the overall limits specified in the Shareholders resolution.

Executive Directors:

The remuneration to Managing Director/Executive Director(s) shall be recommended by NRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of their appointment, the variable compensation will be determined annually by the NRC based on their performance.

Key Managerial Personnel (KMPs)

The terms of remuneration of KMPs including Managing Director (MD), Chief Financial Officer (CFO), Company Secretary shall be determined by the NRC from time to time. The terms of remuneration of the Company Secretary shall be finalised/ revised either by any Director or such other person as may be authorised by the Board from time to time. The remuneration shall be consistent with the competitive position of the salary for similar positions in the industry and their Qualifications, Experience, Roles and Responsibilities. Pursuant to the provisions of section 203 of the Companies Act 2013 the Board shall approve the remuneration at the time of their appointment.

The remuneration to directors, KMPs and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

Employees

We follow a differential approach in choosing the comparator basket for benchmarking, depending upon the level in the organization:

a. For all employees from Operational to Executive Band, we benchmark with a set of comparators from the same industry.

b. For Strategic band and above, we have a position-based approach and the comparator basket includes benchmarks from across relevant industries.

We have a CTC (Cost to Company) concept which includes a fixed component (Guaranteed Pay) and a variable component (Performance pay). The percentage of the variable component increases with increasing hierarchy levels, as we believe employees at higher positions have a far greater impact and influence on the overall business result. The CTC is reviewed once every year and the compensation strategy for positioning of individuals takes into consideration the following elements:

- Performance
- Potential
- Criticality
- Longevity in grade

Remuneration for the new employees other than KMPs and Senior Management Personnel will be decided by the HR of the Department of the Company, and approved by the Managing Director/Whole Time Director/Executive Director, based on factors such as relevant job experience, last compensation drawn, skill-set of the selected candidate, internal equity and related parameters.

The Company may also grant Long Term Incentive and Retention benefits to Employees and Directors in accordance with any Scheme of the Company and subject to compliance of the applicable statutes and regulations.

For and on behalf of the Board

Shriprakash Shukla

Mumbai, 23rd May, 2017 *Chairman*

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED MARCH 31, 2017

Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014

To,
The Members,
MAHINDRA SANYO SPECIAL STEEL PRIVATE LIMITED
74, Ganesh Apartment,
Opp: Sitaladevi Temple, L.J. Road,
Mahim [West], Mumbai – 400 016.

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Mahindra Sanyo Special Steel Private Limited** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on **March 31, 2017** complied with the statutory provisions of the applicable Acts listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by **Mahindra Sanyo Special Steel Private Limited** for the financial year ended on March 31, 2017 according to the provisions of:

i. The Companies Act, 2013 (the Act) and the rules made thereunder.

ii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder.

iii. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent applicable.

iv. Secretarial Standards I and II issued by The Institute of Company Secretaries of India.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that, having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof on test check basis, except some other acts which are not specifically applicable to the Company during the year under review, the Company has complied with the following laws applicable specifically to the Company.

i. The Factories Act, 1948 and Maharashtra Factories Rules, 1963.

ii. The Environment (Protection Act), 1986.

iii. The Air (Prevention and Control of Pollution) Act, 1981.

iv. The Water (Prevention and Control of Pollution) Act, 1974.

v. The Hazardous Wastes (Management & Handling) Rules, 1986.

vi. The Employees' Provident Funds and Miscellaneous Provisions Act, 1952; Employees Provident fund Scheme.

vii. The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

viii. The Minimum Wages Act, 1948.

ix. The Payment of Bonus Act, 1965.

x. The Payment of Gratuity Act, 1972.

xi. The Payment of Wages Act, 1936.

xii. The Industrial Disputes Act, 1947.

xiii. The Central Excise Act, 1944.

xiv. The Customs Act, 1962.

xv. The Income Tax Act, 1961.

xvi. The Sales Tax & VAT Act.

xvii. Chapter V of the Finance Act, 1994.

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors and the changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, Board Committee Meetings, agenda and detailed notes on agenda were sent well in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. Majority decisions are carried through while the dissenting members' views, if any, are captured and recorded as part of Minutes.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

Note: This report is to be read with our letter of even date which is annexed as '**ANNEXURE A**' and forms an integral part of this report.

ANNEXURE A

To,
The Members,
MAHINDRA SANYO SPECIAL STEEL PRIVATE LIMITED
74, Ganesh Apartment, Opp Sitaladevi Temple, L.J. Road,
Mahim [West], Mumbai - 400 016.

Our report of even date is to be read along with this letter:

1. Maintenance of secretarial records is the responsibility of management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit.
2. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion.
3. We have not verified the correctness and appropriateness of financial records and books of accounts of the Company.
4. Wherever required, we have obtained the Management Representation about the compliance of laws, rules and regulations and happening of events, etc.
5. The compliance of the provisions of corporate and other applicable laws, rules and regulations, standards is the responsibility of the management. Our examination was limited to the verification of procedures on test basis.
6. The Secretarial Audit Report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

MANAGEMENT DISCUSSION AND ANALYSIS (MDA)

COMPANY OVERVIEW

Mahindra Sanyo Special Steel Private Limited (MSSSPL), is a subsidiary of Mahindra & Mahindra Ltd. (M&M). The Company is a manufacturer of Alloy steel products and rings (Bearing Races) at its plant, located in Khopoli, District Raigad, Maharashtra.

ANALYSIS OF STEEL BUSINESS

OVERVIEW

The Company produces special alloy steel through Electric Furnace (EAF) route where steel scrap is the main raw material. The company caters steel requirements for capital goods industries mainly in Automotive, Engineering, Oil & Gas, Tool & Die, Power Generation & Bearing sectors. Some of the end uses of the Alloy Steel is in making of Transmission parts, Bearings, Axles, Gears, Crankshafts, Fuel Injection pumps etc.

The Ring Rolling business is forward integration for Steel business. It caters to the Bearing industry (especially antifriction bearings) and also Auto parts manufacturing industries both in “as forged” and/or “green machined condition”. The company manufactures rings through closed die forging as well as seamless ring rolling processes.

INDUSTRY STRUCTURE & DEVELOPMENT

Steel is crucial to the development of any modern economy and is considered to be the backbone of human civilization. The level of per capita consumption of steel is treated as an important index of the level of socio-economic development and living standards of the people in any country. It is a product of a large and technologically complex industry having strong forward and backward linkages in terms of material flows and income generation. All major industrial economies are characterized by the existence of a strong steel industry and the growth of many of these economies has been largely shaped by the strength of their steel industries in their initial stages of development.

India’s economic growth is contingent upon the growth of the Indian steel industry. India is currently the world’s fourth largest producer of crude steel. Consumption of steel is taken to be an indicator of economic development. While steel continues to have a stronghold in traditional sectors such as construction, housing and ground transportation, special steels are increasingly being used in engineering industries such as power generation, petrochemicals and fertilizers. India occupies a central position on the global steel map, with the establishment of new state-of-the-art steel mills, acquisition of global scale capacities by players, continuous modernization and up gradation of older plants, improving energy efficiency and backward integration into global raw material sources.

Steel industry derives its demand from other important sectors like infrastructure, aviation, engineering, construction, automobile, pipes and tubes etc. With the Indian economy poised for its next wave of growth under the reforms being unleashed in the last one year, there lies tremendous opportunity for the Indian steel industry to prosper and grow exponentially.

The Company has recorded highest volume dispatch in FY 17 in the history of the Company. However, due to intense competition and pressure on pricing in the special steel market, the Company continued to incur losses for the year under review.

The major challenges which the Company had to face during the year under review were:

a) Pressure on contribution margin.
b) Sales realization due to price recovery from its customers.
c) Higher working capital utilisation i.e. WIP & receivables.
d) Q4 F 17 onwards, firming up in price of scrap, ferro alloys & furnace oil.

The Company is continuously striving to improve its quality, process efficiency & productivity, reduce power & fuel consumption and, reduce cost of production. The Company is successful in developing new grades and also getting new businesses. The Company is continuously focusing on growth in sales in auto, premium bearing & rings businesses with improved product mix.

With the technical support from joint venture partners, management continues to undertake initiatives in the above areas.

SUSTAINABILITY & ENVIRONMENT REFORMS

As part of sustainability initiatives the Company has undertaken several measures to optimum use of available natural resources and achieved the following results:

- Reduction in Specific Electricity consumption by 2% compare to F 16.
- Reduction in Specific oil consumption by 1% compare to F 16.
- Nearly 5% of power requirement is fulfilled through renewable energy sources.
- Fresh water consumption per ton of production reduced by 25% compare to F 16.
- The Company becomes the 1st steel company in India to commit for Science Based Target initiative.
- As a part of advisory board member of Alliance for Integrity (AFIN), there has been a successful representation in the anti-corruption campaigns.
- Achieved Stage 4 at The Mahindra Way TMW.

FINANCIAL PERFORMANCE

Summary of financial performance of the Company is presented below:

	(Rs in millions)
Particulars	**FY 2016-17**
Sales Volume (MT)	**128,711**
Sales	**9,141**
Other Income	**44**
Total Income	**9,185**
EBIDTA	**100**
Loss before Tax	**(461)**
Loss after Tax	**(461)**

During the year under review company had registered sales volume of 129 KT, i.e. growth of 11.21% over previous year.

The Company recorded Sales revenue of Rs.914 crores during the year, i.e. growth of 6.90% over previous year.

Earnings before Interest, Depreciation, Tax & Amortization for the year under review was Rs. 10.0 crores against Rs. (-) 2.3 crores for the previous year. Loss after Tax for the year under review was Rs. (-) 46.1 crores against Rs. (-) 49.6 crores for the previous year.

With the technical support of our joint venture partners, management continue to undertake initiatives for increasing margin by way of rationalisation of product mix and processes and further improvements in operating efficiencies and yield.

OPPORTUNITIES & STRATEGIC OUTLOOK

The automotive sector has been the top performer among key steel using sectors thanks to the consumption driven recovery in the developed economies, low oil prices and the government stimuli programmes supporting automobile purchases in several countries. However, this may now be approaching a peak.

The construction, building and infrastructure sector, which accounts for 50% of global steel use, has been showing a divided picture between the developing and developed economies. This sector has been a major driver for steel demand in the developing countries driven by urbanisation, but activity in the developed economies since the 2008 financial crisis has been more subdued. This appears to be about to change with a recovery in construction activities apparent in the EU through the improving economic conditions and the potential renewal initiatives for infrastructure in the US.

The machinery sector could also benefit from rising investment activities if the uncertainties surrounding the global economy can be contained. On the other hand, depression in shipbuilding activities is expected to continue for some time given the global glut in shipping capacity.

The economic rebalancing and reform agenda of the Chinese economy continued for the first half of 2016, only to be interrupted by the government's mini stimulus measures designed to reduce the speed of the decline. This produced a short term boom in infrastructure investment and the housing market, which stimulated demand for steel and other commodities. While the Chinese economic outlook appears stable and steel demand continues to remain strong in the early part of 2017, this is expected to gradually decelerate as the government tries to retighten its real estate policies. China's steel demand is expected to remain flat in 2017 and then decline by -2% in 2018.

Benefiting from strong fundamentals, newly announced measures related to fiscal stimuli and rising infrastructure spending, the United States is expected to continue to lead growth in the developed world in 2017-18. However, despite a recovery in oil prices, a rebound of investments in the oil and gas sector may be limited given the increased efficiency of shale producers.

The EU recovery is solidifying with many positive developments. Eurozone monetary policy is expected to remain on its current path, at least in 2017, while fiscal tightening is not expected to strengthen further and risk of disinflation has significantly receded. If political stability can be maintained, investment is expected to pick up to provide a further boost to the recovery. Benefiting from the improving global economy and weak yen, Japan's steel demand is expected to show a stable recovery.

Having dealt with the structural problems and fall in commodity prices, the Russian and Brazilian economies are stabilising and expected to show modest growth in 2017. Russian growth will continue to pick up in 2018 as structural reforms take more effect.

After the demonetisation shock, the Indian economy is expected to resume growth, although on a slightly weakened basis. The ASEAN countries are expected to demonstrate solid growth in 2017-18. However, the region remains vulnerable to currency volatilities associated with US interest rate hikes and dollar appreciation. Steel demand in the emerging and developing economies excluding China, which accounts for 30% of world total, is expected to grow by 4.0% in 2017.

There are a number of critical success factors, enablers and building blocks that can support competitive growth of the steel industry in India which includes, Government support and regulatory framework, Infrastructure and logistics, raw materials security, sustainability and environmental reforms, Trade agreements and barriers — ensuring a level playing field, Technological innovation, Supply chain optimization, Hedging through financial derivatives.

THREATS & RISKS

The most critical risk facing the global steel industry is excess capacity which may lead one to believe there is no good case for further capacity addition anywhere. The ability to produce high quality value added products for emerging needs at a competitive cost is an imperative for success in such a strategy. The steel industry, for most countries, was in many ways seen as a tool for domestic economic development and has been built around national priorities for being self-dependent for this critical input for physical development.

Therefore, this industry often found support from national and provincial governments. In light of this, it is normal to tag the capacity development to domestic demand. Hence, boosting domestic demand is a critical enabler for Indian steel to multiply in size. With the forces of market economy gaining ground in recent decades, balancing capacity to target consumption has yielded to concepts of economies of scale, open trade flows and manufacturing competitiveness, thereby increasing the global trade of steel. Despite that, it is imperative to have a long-term plan to boost domestic demand to drive new build in steel capacity. This is where immense opportunity lies ahead for steel in India. The steel-intensity curve that follows reflects India at the very low end of the per capita consumption of steel as compared with its peer groups in BRICs or with developed countries. The long-term drivers for steel use both over time and across countries at a point of time will clarify India is still at the bottom end of the steel intensity curve and only has one way to go for a couple of decades.

There is enormous scope for increasing steel consumption in almost all sectors, e.g., infrastructure, automobiles, Packaging, irrigation and water supply, engineering and capital goods, real estate and transportation. As steel is a capital-intensive industry, unrealistic targets could lead to excessive allocation of resources, which could prove to be counterproductive for both the domestic steel industry and the economy. Therefore, it becomes crucial for the benefit of all stakeholders that multiple scenarios of growth be considered before choosing the optimal path for steel industry growth in the country.

The company has identified several initiatives towards mitigation of emerging risks and threats initiatives like increasing its exposure to non-auto sector in domestic market, focusing on Oil & Gas and Renewable energy sector, switching to alternate source energy like natural gas as substitute to furnace oil. With the support of joint venture partners the company is expected to receive the technical expertise to improve process, quality and efficiency and reduction cost. This will make the steel products more competitive. The marketing strategies and reach of the steel business is also expected to receive a thrust due to the expertise of the joint venture partners.

The complete dependence on outsourced machining vendors in the ring business continues to be a risk in the supply chain. The in house machining facility through third party Vendor at the premises of the steel business being installed.

SAFETY, HEALTH AND ENVIRONMENT

The Company has an effective policy framework; of highest standard, on Safety, Health & Environment (SHE) for protecting the safety, health and welfare of its employees and workers. The Company accords sufficient priority to the objectives of preserving and developing the environment, maintaining a safe work place, enhancing work conditions and health aspects of its employees. The company's SHE policy not only meets all applicable statutory requirements but also focuses on motivation, learning and training of employees in these areas. The process defined under the SHE Policy ensures leadership from the top management in laying down norms for improving safety, environment and health aspects in operations. It also lays down norms for participation from across the management and workforce hierarchy. External audits are conducted to ensure effectiveness of the SHE policy and initiatives and recommendations are considered for further improvements in SHE process. SHE issues are addressed proactively and effectively in terms of ISO standards and guidelines.

The Company accords the highest importance to adopting safety measures for preventing accidents. In case of any accident, a thorough investigation is carried out to identify the root cause and immediate steps are taken to eliminate the root cause to ensure it does not recur. The Company regularly conducts counselling and safety review meetings for employees to appraise and educate them on the adoption of safety measures and avoidance of unsafe practices. Awareness and first aid trainings are conducted regularly along with mock drills as an exercise in disaster management readiness. The Company is in compliance with the regulations pertaining to safety. The objective is to achieve zero accident, zero incidents and a safe work environment.

The Company periodically conducts health check ups and health awareness programmes for all employees and if necessary provides prompt medical assistance to it's employees. The Company has an internal plant dispensary which operates round the clock and is manned by qualified doctors supported by staff who are available for addressing health issues of employees. The Company maintains high hygienic and housekeeping standards across the work places. The goal of all occupation health and safety measures is to encourage a safe work environment.

MATERIAL DEVELOPMENT IN HUMAN RESOURCES/ INDUSTRIAL RELATIONS

The total employee strength of the Company at the end of the financial year 2016-17 was 963 employees comprised of 551 Officers and 412 regular workmen employees. Apart from above employee strength, the Company hires Apprentice, Trainees and Contract workers from time to time.

The Company conducts regular training programs for officers and workmen through internal and external professionals, experts in various areas of operations and selectively sends officers to attend Business Education Programs of reputed Institutions to improve their skills and knowledge.

The Company involves its employees in all HR Activities to develop them and recognize them from time to time to increase the Employee Morale and Motivation. It also takes regular feedback from employees on Employee Engagement activities (through MCARES Survey) to assess the effectiveness and to improve overall engagement. The Company has adopted the concept of The Mahindra Way (formerly known as the Mahindra Quality Way) and works closely with the Mahindra Management Development Centre and Mahindra Institute of Quality (MIQ) by actively participating in the programmes organised by them.

The Human Resources policies are comprehensive and based on the best of the prevailing HR practice. The performance evaluation and management process continues to be the backbone of all HR activities and is based on an appropriate goal-setting process. The Company encourages all employees and workers to participate in a fair and transparent feedback system called "Bindass Bol" (talk candidly) for sharing views, concerns and opinions. The Company also formulated the Whistle Blower Policy/Mechanism with view to provide a mechanism for employees, directors and other stakeholders of the Company to approach the Chairman of the Audit Committee of the Company or Chairman of the Company to redress their relevant concerns. The relationship of the Company with its Human Resources was cordial in the financial year 2016-17.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Your Company has adequate internal controls for its business processes across departments to ensure efficient operations, compliance with internal policies, applicable laws and regulations, protection of resources and assets, and accurate reporting of financial transactions. The Company also has an internal audit system which is conducted by an independent firm of Chartered Accountants so as to cover various operations on continuous basis. Summarized Internal Audit Observations/

Reports are reviewed by the Audit Committee on a regular basis. The finance and accounts functions of the Company are well staffed with qualified and experienced members. The internal controls are complemented, on an on-going basis, by an extensive program of internal audits being implemented through-out the year. The Company uses an Enterprise Resource Planning (ERP) package, which enhances the internal control mechanism. The internal controls are designed to ensure that the financial and other records of the Company are reliable for preparing financial statement and other data for maintaining the accountability of assets.

SYNERGIES WITH PARENTS

RELATIONSHIP WITH MAHINDRA GROUP

Mahindra & Mahindra Ltd. (M&M), Company's parent company and the flagship company of the Mahindra group is one of the leading automotive manufacturers in India. There is an arms-length relationship between M&M and Mahindra Sanyo Special Steel Pvt. Ltd. (MSSSPL). Association with the Mahindra Group aids MSSSPL in winning new businesses and obtaining financial assistance. MSSSPL also adheres to the corporate values, principles and established corporate governance practices of the Mahindra Group.

In January 2011, the Mahindra Group launched a new brand identity "Rise" which rests on three brand pillars: accepting no limits, alternative thinking, and driving positive change. MSSSPL is using the idea of 'RISE' to invigorate its employees and achieve its long term goals. RISE provides a clear guide for business decisions by catalyzing ambitious and innovative internal growth.

SYNERGIES WITH SANYO SPECIAL STEEL

Sanyo Special Steel Co., Ltd. (Sanyo), which holds 29% equity stake in the Company is a leading Japanese Specialty Steel manufacturer established in 1933 with a $ 2 billion turnover in 2012 and approximately 1.5 million tons of steel making capacity. Globally, it is renowned as one of the best special steel manufacturers. Sanyo manufactures and sells various special steel products, capitalizing on its high cleanliness steel manufacturing technology, including bearing steel, engineering steel, stainless steel, heat resistant steel and tool steel.

Sanyo aims to make Mahindra Sanyo Special Steel Pvt. Ltd. a successful entity by unlocking the value of this company and making it the best in India in its chosen segments with respect to quality, productivity and customer satisfaction. Sanyo has already placed a dedicated team for providing the requisite technical expertise and leading the manufacturing function. The local team enjoys a full back-up support from all the Sanyo Group.

SYNERGIES WITH MITSUI

Mitsui & Co., Ltd. (Mitsui), holding a 20% stake in the Company, is one of the most diversified and comprehensive trading, investment and service enterprises in the world, with 139 offices in 66 countries as of May, 2017. Mitsui's enormous global network covering a wide spectrum of activities and many years of experience in the field of iron & steel business can enhance the Company's customer base. Mitsui's commitment to the Indian market since 1893 assists the Company to increase its business volume by developing the growing alloy steel market in India. The synergies with Mitsui will contribute toward:

- Comprehensive and precise market analysis to derive optimum product mix & customer portfolio.
- Development of new customers in India and overseas markets, leveraging Mitsui's global customer base.
- Sourcing of raw materials at competitive rates from reliable overseas suppliers.
- Improvement of the Company's operational efficiency in terms of customer service and logistics.

Cautionary Statement

Certain statements in the Management Discussion & Analysis describing the Company's objectives, projections, estimates, expectations or predictions may be "forward looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ from those express or implied. Important factors that could make a difference to the Company's operations include raw material availability and prices, cyclical demand and pricing in the Company's principal markets, changes in Government regulations, tax regimes, economic developments within India and the countries in which the Company conducts business and other incidental factors.

For and on behalf of the Board

Shripraksh Shukla
Chairman

Mumbai, 23rd May, 2017

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF MAHINDRA SANYO SPECIAL STEEL PRIVATE LIMITED

Report on the Ind AS Financial Statements

We have audited the accompanying Ind AS financial statements of **Mahindra Sanyo Special Steel Private Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2017, and the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2017, and its loss, total comprehensive loss, its cash flows and the statement of changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit, we report to the extent applicable that:
   a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
   b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
   c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
   d) In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.
   e) On the basis of the written representations received from the directors as on March 31, 2017 taken on record by the Board of Directors, none of the directors

is disqualified as on March 31, 2017 from being appointed as a director in terms of Section 164(2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

   i. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements – Refer Note 38;

   ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;

   iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

   iv. The Company has provided requisite disclosures in the Ind AS financial statements as regards its holding and dealings in Specified Bank Notes as defined in Notification S.O. 3407(E) dated November 8, 2016 of the Ministry of Finance, during the period from November 8, 2016 to December 30, 2016. Based on audit procedures performed and the representations provided to us by the management, we report that the disclosures are in accordance with the books of account maintained by the Company and as produced to us by the Management.

2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **MAHINDRA SANYO SPECIAL STEEL PRIVATE LIMITED** ("the Company") as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

(i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.

(b) The fixed assets were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.

(c) According to the information and explanations given to us, the title deeds comprising all the immovable properties of land and buildings thereon have been pledged as security for cash credit and working capital demand loans and are held in the name of the Company based on the confirmation directly received by us from the lending bank.

(ii) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals and no material discrepancies were noticed on physical verification. In respect of inventories lying at third parties, significant portion of inventory items has been confirmed by them.

(iii) The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013 ("the Act").

(iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 186 of the Act in respect of making investments. According to the information and explanations given to us, the Company has not granted any loans or provided guarantees and hence reporting under clause 3(iv) of the Companies (Auditor's Report) Order, 2016 ("CARO 2016"), to the extent it relates to loans and guarantees, is not applicable.

(v) According to the information and explanations given to us, the Company has not accepted any deposit and the provisions of Sections 73 to 76 of the Act are not applicable and hence reporting under clause 3(v) of CARO 2016 is also not applicable.

(vi) The maintenance of cost records has been specified by the Central Government under section 148(1) of the Act. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended, prescribed by the Central Government under sub-section (1) of section 148 of the Act, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

(vii) According to the information and explanations given to us, in respect of statutory dues:

(a) The Company has been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, cess and other material statutory dues applicable to it, to the appropriate authorities.

(b) There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, cess and other material statutory dues in arrears as at March 31, 2017 for a period of more than six months from the date they became payable.

(c) Details of dues of Service tax and Value Added Tax which have not been deposited as on March 31, 2017 on account of disputes are given below:

Name of Statute	Nature of Dues	Forum where Dispute is Pending	Period to which the Amount Relates	Amount Involved (Rs in lakhs)	Amount Unpaid (Rs in lakhs)
Chapter V of the Finance Act, 1994	Service Tax	Central Excise and Sales Tax Appellate Tribunal	July 2012 to November 2013	125.92	118.35
Chapter V of the Finance Act, 1994	Service Tax	Additional Commissioner*	February 2015 to October 2015	68.32	68.32
Chapter V of the Finance Act, 1994	Service Tax	Central Excise and Sales Tax Appellate Tribunal	July 2011 to May 2014	76.14	76.14
Maharashtra Value Added Tax, 2002	Value Added Tax	Joint Commissioner (Appeal)*	April 2012 to March 2013	94.19	94.19

* The Company is in the process of filing appeals with the respective appellate authority.

There are no dues of Income tax, Sales tax, Customs Duty and Excise Duty as at March 31, 2017 on account of disputes.

(viii) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings to financial institutions and banks. The Company has not issued any debentures and has not taken any loans or borrowings from government.

(ix) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under clause 3(ix) of CARO 2016 is not applicable.

(x) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company by its officers or employees has been noticed or reported during the year.

(xi) In our opinion and according to the information and explanations given to us, the Company has paid/ provided managerial remuneration in accordance with the provisions of section 197 read with Schedule V to the Act.

(xii) The Company is not a Nidhi Company and hence reporting under clause 3(xii) of CARO 2016 is not applicable.

(xiii) In our opinion and according to the information and explanations given to us, the Company is in compliance with sections188 and 177 of the Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.

(xiv) During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under clause 3(xiv) of CARO 2016 is not applicable.

(xv) In our opinion and according to the information and explanations given to us, during the year, the Company has not entered into any non-cash transactions with its directors or persons connected with him and hence provisions of section 192 of the Act are not applicable.

(xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

NOTES TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED MARCH 31, 2017

General Information

Mahindra Sanyo Special Steel Private Limited is a private limited company incorporated in Mumbai, India on November 08, 2011 under the Companies Act, 1956. The registered office of the Company is situated at 74, GANESH APARTMENT, OPP: SITALADEVI TEMPLE, L.J. ROAD, MAHIM WEST, MUMBAI - 400016, Maharashtra, INDIA. The Company's plant is located in Khopoli, District Raigad, Maharashtra, India. The Company's main activity is manufacturing, processing and marketing of alloy steel products and rings. The Company is a joint venture of Mahindra & Mahindra Limited, India, Sanyo Special Steel Company Ltd., Japan and Mitsui and Company Ltd., Japan.

1. Significant accounting policies

1.1 Statement of compliance

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the Act) read with the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

The financial statements upto year ended March 31, 2016 were prepared in accordance with the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended) (Previous GAAP) and other relevant provisions of the Act.

These financial statements are the first financial statements of the Company under Ind AS. The date of transition to Ind AS is April 1, 2015. Refer Note 33,34 and 35 for an explanation on how the transition from Previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows.

1.2 Basis of preparation and presentation

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

1.3 Property, plant and equipment

1.3.1 Freehold land is carried at historical cost and is not depreciated.

1.3.2 Buildings held for use in the production or supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses.

1.3.3 Assets in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such assets are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

1.3.4 All other tangible assets are stated at cost less accumulated depreciation and accumulated impairment losses.

1.3.5 The Company provides depreciation on straight line method based on the useful lives prescribed in Schedule II of the Companies Act, 2013, after retaining 5% of the original cost as residual value for each class of asset, except in respect of machineries used at Steel Melting Shop, Blooming Mill, Continuous Mill, Rolling Mill and Rings where useful life has been considered at 20 years based on an independent technical evaluation of such machineries.

Estimated useful lives of the assets are as follows:

Buildings	30 years
Plant and Equipment	15-20 years
Office Equipment	5 years
Furniture and Fixtures	10 years
Computers	3 years
Vehicles	8 years

The depreciation charge for the assets used on double and triple shift basis during the year is increased by 50% and 100% respectively. The estimated useful lives and residual values are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

1.3.6 An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

1.4 Intangible assets

1.4.1 Intangible assets acquired separately:

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life is reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

1.4.2 Useful lives of intangible assets:

Estimated useful lives of the intangible assets are as follows:

Software 3 years

1.4.3 Derecognition of intangible assets:

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in profit or loss when the asset is derecognised.

1.5 Impairment of tangible and intangible assets other than goodwill

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of

NOTES TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED MARCH 31, 2017

allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

1.6 Non-current assets held for sale

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use. This condition is regarded as met only when the asset is available for immediate sale in its present condition subject only to terms that are usual and customary for sales of such asset and its sale is highly probable. Management must be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

Non-current assets classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell.

1.7 Financial instruments

The Company recognises financial assets and financial liabilities when it becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

1.7.1 Financial assets at amortised cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost.

1.7.2 Financial assets at fair value through profit and loss:

Assets that do not meet the creteria for amortised cost are measured at fair value through Profit and Loss.

1.7.3 Classification as debt or equity:

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument. An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the company are recognised at the proceeds received, net of direct issue costs.

1.7.4 Financial liabilities:

All financial liabilities are subsequently measured at amortised cost using the effective interest method.

1.7.5 Derecognition of financial liabilities:

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

1.7.6 Derivative financial instruments:

The Company uses derivative financial instruments such as forward currency contracts option contracts, primarily to hedge its foreign currency risks. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value at the end of each reporting period. The resulting gain or loss is recognised in profit or loss immediately.

Derivatives embedded in non-derivative host contracts that are not financial assets within the scope of Ind AS 109 are treated as separate derivatives when their risks and characteristics are not closely related to those of the host contracts and the host contracts are not measured at FVTPL.

1.7.7 Off-setting financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

1.8 Inventories

Inventories are stated at the lower of cost and net realisable value. Costs of inventories are determined on a weighted average cost basis and is inclusive of overheads based on the normal operating capacity, wherever required. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

1.9 Foreign currencies

The Company's financial statements are presented in Indian Rupees (INR), which is also Company's functional currency. In preparing the financial statements, transactions in currencies other than the Company's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

1.10 Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Revenue is inclusive of excise duties and net of returns and allowances, trade discounts, cash discounts and volume rebates.

1.10.1 Sale of goods:

Revenue from the sale of goods is recognised when the goods are delivered and titles have passed, at which time all the following conditions are satisfied:

- the Company has transferred to the buyer the significant risks and rewards of ownership of the goods;
- the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- the amount of revenue can be measured reliably;
- it is probable that the economic benefits associated with the transaction will flow to the Company; and
- the costs incurred or to be incurred in respect of the transaction can be measured reliably.

NOTES TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED MARCH 31, 2017

1.10.2 Interest income:

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

1.11 Employee benefits

1.11.1 Retirement benefit costs and termination benefits:

Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.

For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- remeasurement

The Company presents the first two components of defined benefit costs in profit or loss in the line item Employee benefits expense. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

1.11.2 Short-term and other long-term employee benefits:

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

1.12 Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

1.13 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

1.13.1 Current tax:

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

1.13.2 Deferred tax:

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

1.13.3 Current and deferred tax for the year:

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively

1.13.4 Minimum Alternate tax:

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the balance sheet when it is probable that future economic benefit associated with it will flow to the Company

1.14 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

1.15 Earnings Per Share

(i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the company
- by the weighted average number of equity shares outstanding during the financial year

NOTES TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED MARCH 31, 2017

(ii) Diluted earnings per share

- Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account
- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

1.16 First-time adoption – mandatory exceptions, optional exemptions

1.16.1 Overall principle:

The Company has prepared the opening balance sheet as per Ind AS as of April 1, 2015 (the transition date) by recognising all assets and liabilities whose recognition is required by Ind AS, not recognising items of assets or liabilities which are not permitted by Ind AS, by reclassifying items from Previous GAAP to Ind AS as required under Ind AS, and applying Ind AS in measurement of recognised assets and liabilities. However the principle is subject to certain exception and certain optional exemptions availed by the Company as detailed below.

1.16.2 Estimates:

Ind AS estimates as at April 1, 2015 are consistent with the estimates as at the same date made in conformity with Previous GAAP. The Company made estimates for impairment of financial assets in accordance with Ind AS at the date of transition as these were not required under Previous GAAP based on expected credit losses method.

1.16.3 Derecognition of financial assets and financial liabilities:

The Company has applied the recognition requirements of financial assets and financial liabilities prospectively for transactions occurring on or after April 1, 2015.

2. Critical accounting judgements and key sources of estimation uncertainty

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

1. Provision for quality and other claims:

   Provision is made for estimated quality claims in respect of products sold. These provision for claims are expected to be settled within one year. Management estimates the provision based on the past trends of quality and other claims and also considers any recent trends or developments that may suggest that future claims could differ from the past trends.

2. Expected credit loss

   Provision is made for expected credit loss in respect of credit loss on account of payments received from debtors later than when contractually due. Management estimates such provision by applying the interest rates applicable to the borrowings of the Company to the past trends of delayed payment from debtors. Management also considers any recent developments that may suggest different payment trends in future and incorporates the same for the purpose of estimations.

Total Other Expenses	**30,847.67**	28,297.81

* includes Rs. 1.25 lakhs (March 31, 2016 - Rs. 1.00 lakh) for cost audit fees.

includes Rs. 23.00 lakhs (March 31, 2016 - Rs. 13.00 lakhs) on account of credit loss due to receipt of payments later than when contractually due.

NOTES TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED MARCH 31, 2017

Note No. 27 - Earnings per Equity Share

Particulars	For the year ended March 31, 2017	For the year ended March 31, 2016
(a) Basic earnings per equity share	**(41.69)**	(46.20)
(b) Diluted earnings per equity share	**(41.69)**	(46.20)

Basic and diluted earnings per equity share

The earnings and weighted average number of ordinary shares used in the calculation of basic earnings per share are as follows:

Particulars	For the year ended March 31, 2017	For the year ended March 31, 2016
(a) Loss as per Statement of Profit and Loss (Rs in lakhs)	**(4,607.65)**	(4,963.26)
(b) Weighted average number of equity shares (Nos)	**11,051,793**	10,744,034
– 10,853,656 equity shares outstanding for the period from April 1, 2016 to January 26, 2017		
– 11,983,656 equity shares outstanding for the period from January 27, 2017 to March 31, 2017		
(c) Earnings per equity share - Basic and Diluted	**(41.69)**	(46.20)

Note No. 28 - Financial Instruments

(i) Capital management

The Company's capital management objectives are:

– to ensure the company's ability to continue as a going concern

– to provide an adequate return to shareholders by pricing products and services commensurately with the level of risk.

The Company manages capital risk in order to maximize shareholders' return by maintaining sound/optimal capital structure through monitoring of financial ratios, such as net debt-to-equity ratio and implements capital structure improvement plan when necessary through infusion of additional equity share capital. There is no change in the overall capital risk management strategy of the Company compared to last year.

Net debt to Equity ratio

The ratio at the end of the respective reporting periods, is as follows:

Rs in lakhs

Particulars	As at March 31, 2017	As at March 31, 2016	As at April 1, 2015
Debt (See note below)	**23,471.82**	22,372.66	22,788.49
Cash and Cash equivalents	**(5,178.97)**	(2,402.67)	(3,159.39)
Net debt	**18,292.85**	19,969.99	19,629.10
Total equity	**17,886.69**	17,729.54	19,194.27
Net debt to equity ratio	**1.02**	1.13	1.02

Note: Debt includes non - current and current borrowings and current maturities of non - current borrowings as disclosed in notes 13, 18 and 19

(iii) Financial Risk Management Framework

The Company's activities expose it to a variety of financial risks: market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk. In order to manage the aforementioned risks, the Company operates a risk management policy and a program that performs close monitoring of and responding to each risk factors.

1 MARKET RISK

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. The Company uses derivatives to manage market risks. Derivatives are only used for economic hedging purposes and not for speculation. All such transactions are carried out within the guidelines set by the Board of Directors.

There has been no significant changes to the Company's exposure to market risk or the methods in which they are managed or measured.

(a) Currency Risk

The Company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise. The Company's exposure to currency risk relates primarily to the Company's operating activities when transactions are denominated in a different currency from the Company's functional currency.

When a derivative is entered into for the purpose of being a hedge, the Company negotiates the terms of those derivatives to match the amounts, maturity and other terms of the hedged exposure.

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows.

Rs. in lakhs

Particulars	**Currency**	**As at March 31, 2017**	As at March 31, 2016	As at April 1, 2015
Trade Receivables	USD	**2.29**	1.83	0.28
	EUR	**3.09**	3.84	9.02
Trade Payables	USD	**121.43**	80.87	101.66
	EUR	**3.12**	–	–
Secured Bank Loans	USD	**22.27**	–	–

Of the above foreign currency exposures, the following exposures are not hedged by a derivative:

Rs. in lakhs

Particulars	**Currency**	**As at March 31, 2017**	As at March 31, 2016	As at April 1, 2015
Trade Receivables	USD	**0.73**	0.41	0.02
	EUR	–	–	0.13
Trade Payables	USD	**51.23**	39.48	18.19
	EUR	–	–	–
Secured Bank Loans	USD	–	–	–

Foreign Currency Sensitivity

The following tables demonstrate the sensitivity to a reasonably possible change in USD exchange rates, with all other variables held constant. The impact on the Company's loss before tax and equity can be due to changes in the fair value of monetary assets and liabilities The Company's exposure to foreign currency changes for all other currencies is not material.

Particulars	**Currency**	**Change in rate**	**Effect on loss before tax and equity (Rs in lakhs)**
March 31, 2017	**USD**	**+7%**	**(229.26)** @
	USD	**–7%**	**229.26**
	USD	**+10%**	**(327.51)** @
	USD	**–10%**	**327.51**
March 31, 2016	USD	+7%	(181.21) @
	USD	–7%	181.21
	USD	+10%	(258.87) @
	USD	–10%	258.87

@ negative amounts indicate increase in loss before tax.

(b) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term and current debt obligations with floating interest rates.

NOTES TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED MARCH 31, 2017

Interest rate sensitivity

The sensitivity analysis for floating rate liabilities, is prepared assuming the amount of liability outstanding at the end of the reporting period was outstanding for the whole year. The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected, after the impact of changes in market interest rates. With all other variables held constant, the Company's loss before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	Currency	Increase/ (decrease) in basis points	Effect on loss before tax and equity (Rs in lakhs)
March 31, 2017	**INR**	**100**	**(180.53)**#
	INR	**(100)**	**180.53**
March 31, 2016	INR	100	(204.02)#
	INR	(100)	204.02

The assumed movement in basis points for the interest rate sensitivity analysis is based on the currently observable market environment.

negative amounts indicate increase in loss before tax

(c) Other price risk:

The Company is not exposed to any other price risks.

2 CREDIT RISK

Credit risk management

(a) Credit risk arises when a counterparty defaults on its contractual obligations to pay resulting in financial loss to the Company. The Company has adopted a policy of only dealing with creditworthy counterparties, as a means of mitigating the risk of financial loss from defaults. The Company's exposures are continuously monitored and the aggregate value of transactions concluded is spread amongst approved counterparties.

The Company's credit management policy is driven to assess the credit risk of the customers and assign specific credit limit based on the different criteria stipulated in the policy. The committee will also review the performance of the customers periodically in order to control the deviations if any. Trade receivables consist of a large number of customers, spread across diverse industries. Ongoing credit evaluation is performed on the financial condition of accounts receivable.

(b) Apart from three of its largest customers, the Company does not have significant credit risk exposure to any single counterparty. Concentration of credit risk related to these three parties did not exceed 40% - 45% of trade receivables at any time during the year. Concentration of credit risk to any other counterparty did not exceed 5% of gross trade receivables at any time during the year.

(c) The credit risk on derivative financial instruments is limited because the counterparties are banks with high credit-ratings.

(d) There is no change in estimation techniques or significant assumptions during the reporting period.

(e) The Company has in its past history not experienced credit losses on account of cash shortfall except for few parties where legal cases have been filed or are in the process of being filed and the amount has been fully provided for and does not expect significant credit losses on account of cash shortfall in future. However, Company receives delayed payment from some debtors without any compensation which results in credit losses to the Company.

(f) Ageing of Trade Receivables

Rs in Lakhs

Ageing buckets	As at March 31, 2017	As at March 31, 2016	As at April 1, 2015
Not Due	**16,076.41**	13,105.53	15,604.19
0 - 6 months	**3,655.55**	3,006.31	2,848.47
6 months - 12 months	**169.01**	147.17	580.20
12 months - 36 months	**434.87**	107.88	203.26
Beyond 36 months	**424.37**	411.56	312.73

The loss allowance provision for such expected credit loss on account of payments later than when contractually due is determined as follows:

As at March 31, 2017

Particulars	Trade receivables not due	Not due trade receivables expected to be realised within 00-90 Days after due date	Not due trade receivables expected to be realised within 91-180 Days after due date	Not due trade receivables expected to be realised within 181-365 days after due date	Total

Allowance for delay in payments later than when contractually due	**23.00**	13.00
Balance at end of the year	**790.13**	491.42

3 **LIQUIDITY RISK**

(a) **Liquidity risk management**

The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

(b) **Maturities of financial liabilities**

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows. To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rate prevailing at the end of the reporting period. The contractual maturity is based on the earliest date on which the Company may be required to pay.

NOTES TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED MARCH 31, 2017

The following table details the Company's liquidity analysis for its derivative financial instruments. The table has been drawn up based on the undiscounted gross inflows and outflows on those derivatives that require gross settlement. There are no derivative contracts where the contractual cash flows are settled on a net basis.

Rs in lakhs

Particulars	Less than 1 Year
Derivative financial instruments	
March 31, 2017	
Gross settled:	
– foreign exchange forward contracts outflow	**(147.98)**
– foreign exchange forward contracts inflow	**40.64**
– foreign exchange options contracts inflow	**0.53**
Total	**(106.81)**
March 31, 2016	
Gross settled:	
– foreign exchange forward contracts outflow	(33.15)
– foreign exchange forward contracts inflow	1.92
– foreign exchange options contracts inflow	0.13
Total	(31.10)
April 01, 2015	
Gross settled:	
– foreign exchange forward contracts outflow	(22.17)
– foreign exchange forward contracts inflow	59.96
– foreign exchange options contracts inflow	20.90
Total	58.69

(c) Financing arrangements

The Company had access to the following undrawn borrowing facilities at the end of the respective reporting periods which expire within one year:

Rs in lakhs

Particulars	**As at March 31, 2017**	As at March 31, 2016	As at April 1, 2015
Secured Bank Overdraft facility (includes sub limit for CC/ WCDL, EBD, EPC)	**3,357.69**	2,679.31	2,623.15
Non-Fund based Bill Acceptance facility (includes sub limit for LC, BG, Buyers credit)	**7,064.07**	12,133.71	10,445.85
	10,421.76	14,813.02	13,069.00

(d) Maturities of financial assets

The following table details the Company's expected maturity for its non-derivative financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets, if material. The inclusion of information on non-derivative financial assets is necessary in order to understand the Company's liquidity risk management as the liquidity is managed on a net asset and liability basis.

Rs in lakhs

Particulars	Less than 1 Year	1-3 Years	3-5 Years	5 years and above	Total
Non-derivative financial assets					
March 31, 2017					
Non-interest bearing	**20,521.07**	**17.00**	**–**	**99.43**	**20,637.50**
Fixed interest rate instruments	**5,642.23**	**5.20**	**1.95**	**0.07**	**5,649.45**
Total	**26,163.30**	**22.20**	**1.95**	**99.50**	**26,286.95**
March 31, 2016					
Non-interest bearing	16,654.09	17.00	–	55.59	16,726.68
Fixed interest rate instruments	2,524.15	6.64	2.77	–	2,533.56
Total	19,178.24	23.64	2.77	55.59	19,260.24

NOTES TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED MARCH 31, 2017

Rs in lakhs

Particulars	Less than 1 Year	1-3 Years	3-5 Years	5 years and above	Total
April 1, 2015					
Non-interest bearing	21,147.46	–	17.00	49.60	21,214.06
Fixed interest rate instruments	3,843.74	7.56	2.50	–	3,853.80
Total	24,991.20	7.56	19.50	49.60	25,067.86

(e) Transferred financial assets that are not derecognised in their entirety

Rs in lakhs

Particulars	Financial assets at amortised cost	
	Trade Receivable March 31, 2017	Trade Receivable March 31, 2016
Carrying amount of assets	**714.19**	555.35
Carrying amount of associated liabilities	**707.62**	551.85
For those liabilities that have recourse only to the transferred assets:		
– Fair value of assets	**714.19**	555.35
– Fair value of associated liabilities	**707.62**	551.85
Net position	**6.57**	3.50

(f) OFFSETTING OF FINANCIAL ASSETS AND FINANCIAL LIABILITIES

Certain financial assets and financial liabilities are subject to offsetting where there is currently a legally enforceable right to set off recognized amounts and the Company intends to either settle on a net basis, or to realize the asset and settle the liability, simultaneously.

The following table discloses the amounts that have been offset, in arriving at the balance sheet presentation and the amounts that are available for offset only under certain conditions as follows:

March 31, 2017

Rs in lakhs

Particulars	Gross amount recognised	Gross amount recognized as set off in the balance sheet	Net amount presented in the balance sheet
Financial assets			
– Trade receivables	**21,474.40**	**(246.68)**	**21,227.72**

March 31, 2016

Rs in lakhs

Particulars	Gross amount recognised	Gross amount recognized as set off in the balance sheet	Net amount presented in the balance sheet
Financial assets			
– Trade receivables	17,333.82	(205.20)	17,128.62

April1, 2015

Rs in lakhs

Particulars	Gross amount recognised	Gross amount recognized as set off in the balance sheet	Net amount presented in the balance sheet
Financial assets			
– Trade receivables	21,444.33	(31.45)	21,412.88

Offsetting arrangement

Trade Receivables and Trade Payables:

The Company accrued liability for the price variation clause agreed with customers, presented as trade payables, for which the settlement was done by issuing issuing credit notes and the customers remitted net payment to the Company. Accordingly, the amount accrued for price variation clause has been netted off against trade receivables.

NOTES TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED MARCH 31, 2017

Note No. 29 - Fair Value Measurement

(i) Fair Valuation Techniques and Inputs used - recurring Items

Rs in lakhs

Financial assets/ liabilities measured at fair value	Fair value as at [see foot note (a)]			Fair value hierarchy	Valuation technique(s) and key input(s)
	March 31, 2017	March 31, 2016	April 1, 2015		
Financial assets					
Other financial assets					
– Foreign currency forward contracts	**40.64**	1.92	59.96	Level II	Fair value for forward and option contracts of similar maturities as provided by counter parties which are banks.
– Foreign currency option contracts	**0.53**	0.13	20.90	Level II	
Total financial assets	**41.17**	2.05	80.86		
Financial liabilities					
Other financial liabilities					
– Foreign currency forward contracts	**147.98**	33.15	22.17	Level II	Fair value for forward and option contracts of similar maturities as provided by counter parties which are banks.
Total financial liabilities	**147.98**	33.15	22.17		

Note:

(a) These figures reflect the mark to market impact of forward and option contracts accounted at fair value.

(b) There were no transfers between level 1 and level 2 for recurring fair value measurements during the year.

(ii) Fair value of financial assets and financial liabilities that are not measured at fair value

Rs in lakhs

Particulars	March 31, 2017		March 31, 2016		April 1, 2015	
	Carrying amount	**Fair value**	Carrying amount	Fair value	Carrying amount	Fair value
Financial assets						
Financial assets carried at amortised cost						
– Deposits placed	**116.43**	**116.43**	72.59	72.59	66.60	66.60
– Loans to employees	**22.02**	**10.81**	25.43	15.09	27.15	16.63
Total	**138.45**	**127.24**	98.02	87.68	93.75	83.23
Financial liabilities						
Financial liabilities not carried at fair value						
– Term loan from bank	**7,354.98**	**7,359.42**	8,169.12	8,519.60	8,163.28	8,163.28
– Security deposit from customers	**500.00**	**489.99**	500.00	480.90	500.00	465.43
– Trade and other payables (including current portion)	**3,119.11**	**3,171.25**	2,459.61	2,498.18	1,013.21	981.76
Total	**10,974.09**	**11,020.66**	11,128.73	11,498.68	9,676.49	9,610.47

Note:

The carrying amounts of trade receivables, trade payables, cash and cash equivalents and other current financial assets and liabilities are considered to be the same as their fair values, due to their short-term nature.

NOTES TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED MARCH 31, 2017

Rs in lakhs

– Trade and other payables	–	981.76	–	981.76
Total	–	9,610.47	–	9,610.47

Valuation techniques and inputs used to determine fair value:

(a) **Term loan from bank:**

The fair value of term loan from bank is computed using the discounted cash flow (DCF) method, where the future cash flows are discounted using a market interest rate, that reflects the credit risk of the Company.

(b) The fair value of security deposit from customer, non current trade and other payables and loan to employees are determined using the DCF method, where the future cash flows are discounted using market interest rate.

(c) The deposits placed approximate their fair value.

Note No. 30 - Employee benefits

A) Defined Contribution Plan

The Company's contribution to Provident Fund and Superannuation Fund for the year ended March 31, 2017 of Rs. 262.44 lakhs (March 31, 2016 - Rs. 266.14 lakhs) has been recognised in the Statement of Profit or Loss under the head Employee Benefits Expense.

B) Defined Benefit Plans:

Gratuity

The scheme provides for lump sum payment to vested employees at retirement or on termination of employment of an amount equivalent to 15 days salary for each completed year of service or part thereof in excess of six months. In case of death of the employee while in service, gratuity is paid for an amount equivalent to 30 days salary for each completed year of service or part thereof in excess of six months.

The Company makes annual contributions to the Employees' Group Gratuity-cum-Life Assurance Scheme of the Life Insurance Corporation of India, a funded defined benefit plan for qualifying employees.

The ceiling limit for gratuity payment is restricted to 20 months' salary. Vesting occurs upon completion of five years of service.

Asset volatility

The plan liabilities are calculated using a discount rate set with references to government bond yields; if plan assets under perform compared to the government bonds discount rate, this will create or increase a deficit. The Company has taken a group gratuity scheme from Life Insurance Corporation of India which manages the assets.

Changes in bond yields

A decrease in government bond yields will increase plan liabilities, although this is expected to be partially offset by an increase in the amount of plan returns.

Inflation risk and Life expectancy

The Company does not have any defined benefit plans which will be impacted by inflation or life expectancy risk.

C) The significant actuarial assumptions used for the purposes of the actuarial valuations are as follows:

Particulars	As at	
	March 31, 2017	March 31, 2016
Discount rate(s)	**6.90%**	7.60%
Expected rate(s) of increase in salary considered for gratuity entitlement and leave encashment	**3.75%**	7.50%
Expected rate(s) of increase in salary considered for leave availment	**7.50%**	7.50%
Average Longevity	**2006-08 Mortality base**	2006-08 Mortality base
Expected rate of returns on plan assets	**9.00%**	9.40%

Notes :

(i) The expected rate of return on plan assets is based on the average long term rate of return expected on investments of the fund during the estimated term of obligation.

(ii) The estimate of future salary increases, considered in actuarial valuation, takes account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market and the salary increase that will form part of salary base on which gratuity entitlement is available.

NOTES TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED MARCH 31, 2017

D) Detailed disclosures for defined benefit plan - Gratuity are as follows:

Rs in lakhs

Particulars	Funded Plan for Gratuity March 31, 2017	Funded Plan for Gratuity March 31, 2016
Amounts recognised in Total Comprehensive Income in respect of these defined benefit plans are as follows:		
Current Service Cost	**92.60**	92.72
Net interest expense	**4.97**	20.35
Components of defined benefit costs recognised in profit or loss	**97.57**	113.07
Remeasurement for (gain)/loss during the year due to:		
Actual return on plan assets (less interest on plan assets)	**(26.32)**	(45.51)
Actuarial gains and loss arising form changes in financial assumptions	**(161.75)**	21.92
Actuarial gains and loss arising form experience adjustments	**(76.28)**	27.87
Changes in demographic assumptions	**6.06**	(6.31)
Adjustment to recognise the effect of asset ceiling	**8.97**	–
Components of defined benefit costs recognised in other comprehensive income	**(249.32)**	(2.03)
Total Expenses/(Income)	**(151.75)**	111.04
I. Net Asset/(Liability) recognised in the Balance Sheet as at year end		
1. Present value of defined benefit obligation as at	**1,215.79**	1,563.22
2. Fair value of plan assets as at	**1,376.51**	1,447.83
3. Adjustment to recognise the effect of asset ceiling	**(8.97)**	–
4. Surplus/ (Deficit)	**151.75**	(115.39)
5. Current portion of the above	**–**	–
6. Non current portion of the above	**151.75**	(115.39)
II. Change in the obligation during the respective year ends		
1. Present value of defined benefit obligation at the beginning of the year	**1,563.22**	1,554.25
2. Expenses Recognised in Profit and Loss Account		
– Current Service Cost	**92.60**	92.72
– Interest Expense	**98.21**	106.07
3. Recognised in Other Comprehensive Income		
Remeasurement gains/(losses)		
– Actuarial Gain (Loss) arising from:		
i. Demographic Assumptions	**6.06**	(6.31)
ii. Financial Assumptions	**(161.75)**	21.92
iii. Experience Adjustments	**(76.28)**	27.87
4. Benefit payments	**(306.27)**	(233.30)
5. Present value of defined benefit obligation at the end of the year	**1,215.79**	1,563.22
III. Change in fair value of assets during the respective year ends		
1. Fair value of plan assets at the beginning of the year	**1,447.83**	1,249.90
2. Expected return on plan assets	**93.24**	85.72
3. Recognised in Other Comprehensive Income		
Remeasurement gains / (losses)		
– Actual Return on plan assets in excess of the expected return	**26.32**	45.51
4. Contributions by employer (including benefit payments recoverable)	**115.39**	300.00
5. Benefit payments	**(306.27)**	(233.30)
6. Fair value of plan assets at the end of the year	**1,376.51**	1,447.83
IV. The major categories of plan assets		
Insures Manager Funds (100%)	**1,376.51**	1,447.83

E) Movement in Asset Ceiling :

A reconciliation of the asset ceiling during the inter-valuation period is given below:

Rs in lakhs

Principal assumption	Year ended March 31, 2017	Year ended March 31, 2016
Opening value of asset ceiling	**–**	–
Interest on opening balance of asset ceiling	**–**	–
Remeasurements due to change in surplus/(deficit):	**8.97**	–
Total	**8.97**	–

F) Funding arrangements:

The trustees of the plan have outsourced the investment management of the fund to LIC of India. The LIC of India in turn manages theses funds as per the mandate provided to them by the trustees and the asset allocation which is within the permissible limits prescribed in the insurance regulations. Due to restrictions in the type of investments that can be held by the fund, it is not possible to explicitly follow an asset-liability matching strategy to manage risk actively.

NOTES TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED MARCH 31, 2017

There is no compulsion on the part of the Company to fully pre fund the liability of the plan. The Company's philosophy is to fund the benefits based on its own liquidity and tax position as well as level of under funding of the plan.

The Company expects no contribution to the gratuity funds during the next financial year.

G) The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

Principal assumption	Year ended March 31	Changes in assumption	Impact on defined benefit obligation due to Increase	Decrease
Discount rate	**2017**	**50 bps**	**-1.79%**	**1.88%**
	2016	50 bps	-1.74%	1.83%
Salary growth rate	**2017**	**50 bps**	**1.93%**	**-1.85%**
	2016	50 bps	1.82%	-1.75%

The above sensitivity analysis are based on a change in an assumption while holding all other assumptions constant. In practice this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as and when calculating the defined benefit liability recognised in the Balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to previous period.

H) Maturity profile of defined benefit obligation:

Rs in lakhs

Particulars	March 31, 2017	March 31, 2016
Within 1 year	**469.25**	542.10
1 - 2 year	**223.35**	302.74
2 - 3 year	**182.47**	245.37
3 - 4 year	**143.42**	206.36
4 - 5 year	**68.58**	168.65
5 - 10 years	**607.83**	757.28

The weighted average duration of the defined benefit obligation as at March 31, 2017 is 3.67 years (2016: 3.64 years)

Note No. 31 - Segment information

For management purposes, the Company is organised into business units based on its products and has two reportable segments, as follows:

– Steel

– Ring

The Managing Director, the chief operating decision maker (CODM), has chosen to organise the Company in to the above mentioned segments and which is also the basis for the purposes of resource allocation and assessment of segment performance. No aggregation has been done in arriving at the reportable segments of the Company.

The CODM primarily uses Earnings before Finance Cost, Treasury Costs, Other Income and Tax as a measure to assess the performance of the segments. Treasury costs, finance costs and other income are not allocated to segments as these income and expenses are considered to be corporate activities. Treasury costs includes foreign exchange (gain)/ loss, fair valuation impact of derivative instruments and bank charges on Letter of Credits, bill discounting, etc.

Year ended March 31, 2017

Rs in lakhs

Particulars	Steel Business	Ring Business	Eliminations	Total Segment
Revenue from operations	**82,249.20**	**9,158.30**	**–**	**91,407.50**

Segment results	**(1,254.17)**	**(746.65)**	**–**	**(2,000.82)**
Total assets				**66,228.11**
Total liabilities				**48,341.42**

Year ended March 31, 2016

Rs in lakhs

Particulars	Steel Business	Ring Business	Eliminations	Total Segment
Revenue				
Revenue from operations	78,618.44	6,829.79	–	85,448.23
Inter-segment sales	4,013.09	–	(4,013.09)	–
Total revenue	82,631.53	6,829.79	(4,013.09)	85,448.23
Segment expenses				
Segment Expenses before depreciation and amortisation	(82,031.12)	(7,488.84)	4,013.09	(85,506.87)
Depreciation and amortisation	(1,821.32)	(517.72)	–	(2,339.04)
Segment results	(1,220.91)	(1,176.77)	–	(2,397.68)
Total assets	–	–	–	59,754.70
Total liabilities	–	–	–	42,025.16

Adjustments and eliminations:

Inter-segment revenues are eliminated upon consolidation and reflected in the 'Eliminations' column.

Other disclosures:

– Disclosure of operating segment assets and liabilities are not made as such measures are not provided to the CODM.

– The accounting policies of the reportable segments are the same as the Company's Accounting Policies described in Note 1 significant accounting polices.

– All Inter-segment transactions are done based on market pricing.

NOTES TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED MARCH 31, 2017

- Revenue and expenses have been identified to the segment based on their relationship to the business activity of the segment. Income and expenses relating to the enterprise as a whole and not allocable on a reasonable basis are included as part of steel business.
- Disclosure for interest revenue and interest expense are not made as the specified amounts are not included in the measure of segment profit or loss reviewed by CODM.

The amounts of additions to non-current assets other than financial instruments, deferred tax assets, net defined benefit assets (see Ind AS 19, Employee Benefits) and rights arising under insurance contracts are as follows:

Rs in lakhs

Particulars	**Year ended March 31, 2017**	Year ended March 31, 2016
Steel Business	**1,952.01**	2,432.70
Ring Business	**305.96**	1,538.25
Total	**2,257.97**	3,970.95

Effects of exchange rate changes on the balance of cash held in foreign currencies	–	–	–
Cash and cash equivalents at end of period	2,402.67	(7,321.72)	(4,919.05)

(iv) Analysis of cash and cash equivalents as at March 31, 2016 and April 1, 2015 for the purpose of Statement of Cash flows under Ind AS

Rs in lakhs

Particulars	Notes	As at March 31, 2016	As at April 1, 2015
Cash and cash equivalents for the purpose of Statement of Cash flows as per Previous GAAP		2,402.67	3,159.39
Bank Overdrafts which forms integral part of cash management system	n	(7,321.72)	(8,218.92)
Cash and cash equivalents for the purpose of Statement of Cash flows as per Ind AS		(4,919.05)	(5,059.53)

(v) Notes explaining 'Effect of transition to Ind AS' :

a) Under Ind AS, all spares which meet the definition of property, plant and equipment can be capitalised. In the preparation of financial statements under previous GAAP, only those spares which could be used only in connection with an item of fixed asset and whose use is expected to be irregular were capitalised. Accordingly, certain items charged as spares consumed in the preparation of financial statements under Previous GAAP have been capitalised resulting in the reduction of loss for the year ended March 31, 2016 by Rs. 140.78 lakhs (April 1, 2015 - Rs. 146.47 lakhs credited to equity). Further, the depreciation charge on all such spares for the year ended March 31, 2016 is Rs. 81.84 lakhs (April 1, 2015 - Rs. 9.08 lakhs debited to equity).

Further the amount of spares which meet the definition of Property, Plant and Equipment as per Ind AS but classified as inventory in the preparation of financial statements under Previous GAAP have been regrouped from inventory to Capital work-in-progress.

The above adjustments have resulted in increase in property, plant and equipment, capital work-in progress and equity balance and decrease in inventory as at March 31, 2016 by Rs. 196.33 lakhs (April 1, 2015 - Rs. 137.39 lakhs).

b) Under Ind AS, the equity and preference share investment of Rs. 1,400.00 lakhs in Sai Wardha Power Company Ltd. is a prepaid expense considering that the value of such investment will be Re. 1 on expiry of a period of twenty five years as per the terms contained in the power purchase agreement. Accordingly, the amortization of Rs. 1,400.00 lakhs over a period of twenty five years till May 2037 has resulted in an increase in loss for the year ended March 31, 2016 by Rs. 56 lakhs (April 1, 2015 - Rs. 163.33 lakhs debited to equity).

The above adjustments have resulted in decrease in non-current investments as at March 31, 2016 by Rs. 1,400.00 lakhs (April 1, 2015 – Rs. 1,400.00 lakhs) and increase in other non-current assets (prepaid expense) as at March 31, 2016 by Rs. 1,124.67 lakhs (April 1, 2015 – Rs. 1,180.67 lakhs) and increase in other current assets (prepaid expense) as at March 31, 2016 by Rs. 56.00 lakhs (April 1, 2015 – Rs. 56.00 lakhs).

c) Under Ind AS, the Company is required to apply expected credit loss model for recognising the allowance for doubtful trade receivables. Accordingly, the Company has calculated and recognized such credit loss allowance which has resulted in an increase in loss and decrease in equity for the year ended March 31, 2016 by Rs. 13.00 lakhs (April 1, 2015 – Rs. 73.00 lakhs debited to Equity).

The above adjustment has resulted in decrease in trade receivables as at March 31, 2016 by Rs. 86.00 lakhs (April 1, 2015 – Rs. 73.00 lakhs).

d) Under Ind AS, trade receivables discounted with banks, are not derecognised until the derecognition criterias are met but a corresponding financial liability is recognized to the extent of amounts received on discounting. In the preparation of financial statements under Previous GAAP, trade receivables were derecognized on discounting even when bank had recourse to the Company in case of non realisation from debtors and the amount was disclosed as contingent liability. Consequently, the Company has recognised trade receivables and secured current borrowing as at March 31, 2016 of Rs. 555.35 lakhs and Rs. 546.97 lakhs respectively (April 1, 2015 - Rs.1,895.49 lakhs and Rs.1,834.60 lakhs respectively). Further, the prepaid interest on bill discounting, in the preparation of financial statements under Previous GAAP, has been reversed as at March 31, 2016 amounting to Rs. 3.50 lakhs (April 1, 2015 - Rs. 34.85 lakhs) and interest on the secured current borrowings recognized as at March 31, 2016 amounting to Rs. 4.88 lakhs (April 1, 2015 – Rs. 26.04 lakhs) is included in such borrowings.

The above adjustments have resulted in an increase in trade receivables and secured current borrowings as at March 31, 2016 by Rs. 555.35 lakhs and Rs. 551.85 lakhs respectively (April 1, 2015 – Rs. 1,895.49 lakhs and Rs. 1,860.64 lakhs respectively) and a decrease in other current assets (prepaid expense) as at March 31, 2016 by Rs. 3.50 lakhs (April 1, 2015 – Rs. 34.85 lakhs).

NOTES TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED MARCH 31, 2017

e) Under Ind AS, financial assets can be set off against financial liabilities only if there is a legal right to set off and the parties intend either to settle on a net basis or to realise the asset and settle the liability simultaneously. In the preparation of financial statements under Previous GAAP, the Company presented trade receivables from and payables to (including deposits received from) same party on a net basis. Consequently, trade receivables and trade payables (including deposit) which in the preparation of financial statements under Previous GAAP had been presented on net basis are presented on a gross basis under Ind AS.

The above adjustment has resulted in an increase in trade receivables by Rs. 896.71 lakhs (April 1, 2015 - Rs. 1,654.93 lakhs), increase in trade payable by Rs. 396.71 lakhs (April 1, 2015 - Rs. 1,154.93 lakhs) and an increase in other non-current financial liabilities (deposit received) by Rs. 500.00 lakhs (as at April 01, 2015 - Rs. 500.00 lakhs).

f) Under Ind AS, financial assets can be set off against financial liabilities only if there is a legal right to set off and the parties intend either to settle on a net basis or to realise the asset and settle the liability simultaneously. In the preparation of financial statements under Previous GAAP, the Company accrued liability for the price variation clause agreed with customers, presented as trade payables, for which the settlement was done by issuing credit notes and the customers remitted net payment to the Company. Accordingly, the amount accrued for price variation clause has been netted off against trade receivables.

The above adjustment has resulted in decrease in trade receivables and trade payables as at March 31, 2016 by Rs. 205.20 lakhs (April 1, 2015 - Rs. 31.45 lakhs).

g) Under Ind AS, the derivatives which are not designated as hedging instruments are fair valued through Statement of profit and loss and the premium or discount arising at the inception of a forward exchange contract is not amortised as expense over the life of the contract. In the preparation of financial statements under Previous GAAP, mark to market loss on derivatives were recognized and mark to market gains were ignored and the premium or discount arising at the inception of a forward exchange contract was amortised as expense over the life of the contract. Accordingly, the unamortised premium as at March 31, 2016 of Rs. 14.12 lakhs is reversed and debited to the Statement of Profit and Loss (as at April 1, 2015 – premium of Rs. 32.01 lakhs debited to equity). The loss on fair valuation of derivatives as at March 31, 2016 of Rs. 31.10 lakhs is debited to the Statement of Profit and Loss (as at April 1, 2015 - profit on fair valuation of derivatives of Rs. 58.69 lakhs credited to equity).

The above adjustments have resulted in decrease in other current assets as at March 31, 2016 by Rs. 14.12 lakhs (as at April 1, 2015 – by Rs. 32.01 lakhs) and increase in other current financial assets as at March 31, 2016 by Rs. 2.05 lakhs (as at April1, 2015 – Rs. 80.86 lakhs) and increase in other current financial liabilities as at March 31, 2016 by Rs. 33.15 lakhs (as at April 1, 2015 – Rs. 22.17 lakhs).

Further the difference between the exchange gain/ loss on revaluation of trade payables, for which forward contracts have been entered into, at closing exchange rate instead of forward rates has, for the year ended March 31, 2016, resulted in an exchange loss of Rs. 0.72 lakhs (April 1, 2015 – Rs. 11.32 lakhs debited to equity).

h) Under Ind AS, the transaction costs incurred towards origination of borrowings are to be deducted from the carrying amount of borrowings on initial recognition. These costs are recognised in the Statement of profit and loss over the tenure of the borrowing as part of finance cost by applying the Effective Interest Rate (EIR) method. In the preparation of financial statements under Previous GAAP, these transaction costs were charged to Statement of profit and loss as and when incurred. The Company had incurred a transaction cost of Rs. 41.00 lakhs on origination of borrowings prior to April 1, 2015 which has been reduced from borrowings and credited to equity as at April 1, 2015. The charge of such transaction cost as per the EIR method debited to finance cost for the year ended March 31, 2016 is Rs. 5.84 lakhs (as at April 1, 2015 – Rs. 4.28 lakhs debited to equity).

The above adjustment has resulted in a decrease in borrowings as at March 31, 2016 by Rs. 30.88 lakhs (as at April 1, 2015 – Rs. 36.72 lakhs).

i) Under Ind AS, financial liabilities are to be initially recognised at fair value. Non-current financial liabilities are discounted to present value, if the effect of time value of money is material. In the preparation of financial statements under Previous GAAP, non-current liabilities were not discounted and were recorded at amounts required to settle the liability. The Company has discounted the non-current financial liability relating to Technical Assistance Agreement (TAA) fees to its present value which has resulted in reduction of legal and professional fee for the year ended March 31, 2016 by Rs. 435.97 lakhs (April 1, 2015 – Rs. 86.47 lakhs credited to Equity). Further the unwinding of discount has resulted in an increase in finance cost for the year ended March 31, 2016 by Rs. 162.25 lakhs (April 1, 2015 - Rs. 5.95 lakhs debited to equity).

The above adjustments have resulted in reduction of total trade payables (current and non-current) as at March 31, 2016 by Rs. 354.24 lakhs (April 1, 2015 – Rs. 80.52 lakhs).

j) Under Ind AS, revenue from sale of products includes excise duty since the recovery of excise duty flows to the entity on its own account. In the preparation of financial statements under Previous GAAP, revenue from sale of products was presented net of excise duty. Accordingly, the excise duty recovered is included as a part of Revenue from operations and also disclosed as an expense in the Statement of profit and loss.

The above adjustment has resulted in increase in revenue from operations and expenses for the year ended March 31, 2016 by Rs. 9,110.12 lakhs. The excise duty expense as disclosed in Statement of Profit and Loss of Rs. 9,155.28 lakhs also includes Rs. 45.16 lakhs (in the preparation of financial statements under Previous GAAP included in other expenses) of excise duty payments on other accounts.

k) Under Ind AS, the freight charged to customer in invoices, where sales terms are CIF, are included as a part of revenue from operations and cash discount are to be deducted from the same. In the preparation of financial statements under Previous GAAP, the freight charged to the customers in invoices, where the sales terms were CIF, were netted off against the freight expenses incurred by the Company and cash discount given to customer was disclosed as an expense. Consequently, the billing for freight, where sales terms are CIF, have been included as part of revenue and the cash discount given to customers is netted off from revenue from operations.

The above adjustment have resulted in increase in revenue for the year ended March 31, 2016 by Rs. 543.16 lakhs, increase in outward freight expenses by Rs. 559.79 lakhs and decrease in other expenses by Rs. 16.63 lakhs.

l) Under Ind AS, the actuarial gains or losses on remeasurement of the net defined benefit obligation or asset is recognised in Other comprehensive income. In the preparation of financial statements under Previous GAAP, the actuarial gains and losses were recognised in the Statement of profit and loss. Consequently, the remeasurement gain for the year ended March 31, 2016 of Rs. 2.03 lakhs is transferred from Statement of profit and loss (employee benefits expense) to other comprehensive income.

m) Under Ind AS, share issue expenses are adjusted against securities premium reserve whereas in the preparation of financial statements under Previous GAAP, equity share issue expenses were debited to Statement of Profit and Loss.

The above adjustment has resulted in decrease in loss and securities premium reserve for the year ended March 31, 2016 by Rs. 3.50 lakhs.

n) Under Ind AS, bank overdrafts repayable on demand and which form an integral part of the cash management process are included in cash and cash equivalents for the purpose of presentation of statement of cash flows. In the preparation of financial statements

NOTES TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED MARCH 31, 2017

under Previous GAAP, bank overdrafts were considered as part of borrowings and movements in bank overdrafts were shown as part of financing activities. Consequently, cash and cash equivalents as at March 31, 2016 have reduced by Rs. 7,321.72 lakhs (as at April 1, 2015 – Rs. 8,218.92 lakhs) and cash flows from financing activities for the year ended March 31, 2016 have also reduced by Rs. 897.20 lakhs to the extent of the movements in bank overdrafts.

(vi) Regrouping adjustments in the amounts reported in the column 'Previous GAAP'

o) Provision for quality and other claims as at March 31, 2016 amounting to Rs. 273.43 lakhs (April 1, 2015 - Rs. 292.79 lakhs) were treated as provision for doubtful trade receivables and disclosed as a deduction from trade receivables. The amount relating to Provision for quality and other claims is now disclosed as provision under current liabilities and not as provision for doubtful trade receivables. Accordingly, the amounts reported for provisions (under current liabilities) and trade receivables (under current financial assets) as at March 31, 2016 and April 1, 2015 have been presented after giving effect to the regrouping adjustment stated above.

p) Amounts recoverable from employee salaries as at March 31, 2016 of Rs. 31.38 lakhs (April 1, 2015 - Rs. 23.11 lakhs) were reported under other current assets in the financial statements. The same is now netted off against salary payable to employees and hence, the amounts reported for other current assets and trade payables as at March 31, 2016 and as at April 1, 2015 have been presented after giving effect to such regrouping adjustment.

q) The exchange loss relating to non-current portion of Technical Assistance Agreement (TAA), disclosed as other long term liability in the financial statements for the year ended March 31, 2016, was not included therein and was instead included in the current portion of TAA liability grouped under current trade payables. An exchange loss of Rs. 92.23 lakhs has now been regrouped from current trade payables to non-current trade payable due to which the amount of non-current TAA liability disclosed as other non-current financial liabilities is now reported as Rs. 1,414.11 lakhs instead of the earlier amount of Rs. 1,321.88 lakhs.

r) Purchase bill discounted outstanding as at March 31, 2016 was Rs. 1,329.97 lakhs (April 1, 2015 - Rs. 45.65 lakhs) was disclosed as acceptances under the heading trade payables. This amount has now been disclosed as a part of current borrowings and accordingly the amounts reported for trade payable and current borrowings as at March 31, 2016 and April 1, 2015 have been presented after giving effect to the regrouping adjustment stated above.

s) Under Previous GAAP, Total Comprehensive Income was not reported and hence the reconciliation of Total Comprehensive Income starts from Loss under Previous GAAP.

Note No. 36 - Disclosures required under Section 22 of the Micro, Small and Medium Enterprises Development Act, 2006

Rs in Lakhs

	Particulars	As at March 31, 2017	As at March 31, 2016

The aforesaid financial highlights are based on audited financial statements for the year ended 31st March, 2017, which are Company's first Ind AS financial statements required to be prepared in accordance with the Accounting Standards as notified under Section 133 of the Companies Act, 2013. Figures for the year ended 31st March, 2016 have been restated under the new Accounting Standards Ind AS to make them comparable with the figures for the year ended 31st March, 2017.

No material changes and commitments have occurred after the close of the year till the date of this report which affect the financial position of your Company.

2) Operations

During the year, your Company has started the product development activity. Your Company has bought 100% stake in BSA Company Limited. Post-acquisition of BSA, your Company has the worldwide rights for BSA brand.

3) Outlook for the current year

In the current year, your Company will continue to engage in product development activity.

4) Dividend

In view of losses, your Directors do not recommend any dividend.

5) Consolidated Financial Statements

Subsidiary

BSA Company Limited, U. K., in which your Company acquired 100% stake on 20th October, 2016 is the subsidiary of your Company.

A report on the performance and financial position of the subsidiary and its contribution to the overall performance of the Company is provided in Form AOC-1, which is attached to the Financial Statements of the Company and forms part of this Report.

6) Share Capital

The authorised share capital of your Company as on 31st March, 2017 stood at Rs. 10 crore, divided into 1 crore equity shares of Rs. 10 each.

During the year, your Company allotted 99,90,000 equity shares of Rs. 10/- each, aggregating Rs. 9,99,00,000/- for cash at par on Preferential basis.

Changes in the equity share capital of your Company during the year were as under:

Share-holder	As at 1st April 2016		Equity Shares Allotted during the Year	As at 31st March 2017	
	Equity Shares	% to Capital		Equity Shares	% to Capital
Mahindra & Mahindra Ltd.	0	0.00%	6,000,000	6,000,000	60.00%
Mr. Boman Irani	5,000	50.00%	3,990,000	3,995,000	39.95%
Mr. Anupam Thareja	5,000	50.00%	0	5,000	0.05%
Total	**10,000**	**100%**	**9,990,000**	**10,000,000**	**100%**

The issued, subscribed and paid-up share capital of your Company as on 31st March, 2017 stood at Rs. 10,00,00,000 divided into 1,00,00,000 equity shares of Rs. 10/- each.

7) Holding Company

Mahindra & Mahindra Limited is the holding company of your Company.

8) Board of Directors

The Board comprises of the following directors:

Director (DIN)	Designation	Executive/ Non-Executive Director	Independent/ Non-Independent Director
Mr. Vijay Paradkar (DIN:00149410)	Director	Non-Executive Director	Non-Independent Director
Mr. Vincent Rodrigues (DIN:006587755)	Director	Non-Executive Director	Non-Independent Director
Mr. Amit Goyal (DIN:002557166)	Director	Non-Executive Director	Non-Independent Director
Mr. Nikhilesh Panchal (DIN: 00041080)	Director	Non-Executive Director	Independent Director
Mr. Naveen Kumar Kshatriya (DIN: 00046813)	Director	Non-Executive Director	Independent Director

Mr. Vijay Paradkar was appointed as a director of your Company w.e.f. 18th October, 2016.

Mr. Vincent Rodrigues and Mr. Amit Goyal were appointed as directors of your Company w.e.f. 13th October, 2016.

Mr. Anupam Thareja (DIN: 01091533) and Mr. Boman Irani (DIN: 00057453) resigned from the directorship of your Company w.e.f. 13th October, 2016.

Mr. Nikhilesh Panchal and Mr. Naveen Kumar Kshatriya were appointed as Independent Directors w.e.f. 29th May, 2017, subject to approval of the shareholders.

9) Number of Board Meetings

During the year under review, seven meetings of the Board of Directors were held on 12th May, 2016, 18th August, 2016, 7th October, 2016, 13th October, 2016, 18th October, 2016, 27th December, 2016 and 13th February, 2017.

10) Directors' Responsibility Statement

Pursuant to section 134(3) (c) of the Companies Act, 2013, your Directors, based on the representation from the operating management, and after due enquiry, confirm that:

(i) In the preparation of the annual financial statements for the year ended 31st March, 2017, the applicable accounting standards have been followed along with proper explanation relating to material departures;

(ii) They have, in the selection of the accounting policies, consulted the Statutory Auditors and these have been applied consistently and reasonable and prudent judgments and estimates have been made so as to give a true and fair view of the state of affairs of the Company as at 31st March, 2017 and of the loss of the Company for the year ended on that date;

(iii) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

(iv) The annual accounts have been prepared on a going concern basis;

(v) Proper systems have been devised to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

11) Committees of the Board

Audit Committee

The Audit Committee was constituted at the Board Meeting held on 29th May, 2017.

The Composition of the Audit Committee is as follows:

Committee Member	Designation
Mr. Nikhilesh Panchal	Member
Mr. Naveen Kshatriya	Member
Mr. Vijay Paradkar	Member

Nomination and Remuneration Committee

The Nomination and Remuneration Committee was constituted at the Board Meeting held on 29th May, 2017.

The composition of the Nomination and Remuneration Committee is as follows:

Committee Member	Designation
Mr. Nikhilesh Panchal	Member
Mr. Naveen Kshatriya	Member
Mr. Vijay Paradkar	Member

12) Attendance of directors at the meetings of the Board

Type of meeting and no. of meetings held during FY 2016-17	Mr. Vijay Paradkar	Mr. Vincent Rodrigues	Mr. Amit Goyal	Mr. Anupam Thareja	Mr. Boman Irani
Board meetings (Seven)	2 (Appointed w.e.f. 18th October, 2016)	2 (Appointed w.e.f. 13th October, 2016)	3 (Appointed w.e.f. 13th October, 2016)	4 (Resigned w.e.f. 13th October, 2016)	4 (Resigned w.e.f. 13th October, 2016)

13) Key Managerial Personnel (KMP)

Pursuant to Section 203 of the Companies Act, 2013 read with the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, given below are the Key Managerial Personnel of your Company:-

1. Mr. Ashish Joshi as the Chief Executive Officer (with effect from 29th May, 2017);
2. Mrs. Mangala Savla (ACS – 28089) as Company Secretary (with effect from 15th April, 2017).
3. Mr. Yogesh Shah (Membership No. 118525) as the Chief Financial Officer (with effect from 29th May, 2017).

14) Auditors

Statutory Auditors

The Members of the Company had, at the 1st Annual General Meeting (AGM) held on 29th September, 2016 appointed MSKA & Co., Chartered Accountants, (Firm Registration No: 117035W) to hold office till the conclusion of the 6th AGM, subject to ratification at every AGM.

The aforesaid Auditors have resigned from their office with effect from the conclusion of the forthcoming AGM.

It is proposed to appoint B. K. Khare & Co. (Firm Registration No. 105102W) as the Statutory Auditors of the Company to hold office from the conclusion of the 2nd AGM, till the conclusion of the 7th AGM, subject to ratification by members at every AGM.

As required by the provisions of section 139 of the Companies Act, 2013, the Company has received a written certificate from B. K. Khare & Co. that their appointment, if made, would be in conformity with the limits specified in Section 141 of the Act and that they satisfy the criteria provided in that Section.

There were no qualifications, reservations or adverse remarks made by the Statutory Auditors in their report.

Reporting of frauds by Auditors:

During the year under review, the Statutory Auditors have not reported to the Board/Audit Committee, any instances of frauds committed in the Company by its officers or employees details of which are required to be mentioned in this Report pursuant to Section 143(12) of the Companies Act 2013.

15) Internal Financial Controls

Your Company has implemented a system of internal controls and monitoring procedures as well as internal financial controls on financial statements and the same are in the opinion of the Board, commensurate with the Company's size and operations. Your Company regularly conducts reviews to assess the adequacy of financial and operating controls for the business of the Company. Significant issues, if any, are brought to the attention of the Board of Directors.

16) Risk Management Policy

Your Company is exposed to a variety of risks which may impact its operations. These risks are mitigated by using an integrated risk management approach which covers the full range of risks.

Your Company has formulated a risk management policy which addresses risks which, in the opinion of the Board, may threaten the existence of the Company.

17) Human Resources

Keeping employees happy and enthused is one of the strategic goals of your Company. Your Company continues to invest in capability building of its people and creating a future-ready talent pool.

18) Particulars of public deposits, loans, guarantees or investments

Your Company has not accepted deposits from the public or its employees during the year under review.

Your Company has not made any loans/advances and investments which are required to be disclosed in the financial statements of the Company pursuant to Regulations 34(3) and 53(f) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with Schedule V thereto, applicable to the ultimate Parent company, Mahindra & Mahindra Limited.

No loans have been granted under Section 186 of the Act and details of investments made are given in Note No. 12 of the Financial Statements.

19) Particulars of Transactions with Related Parties

All the related party transactions were in ordinary course of business and at arm's length.

Particulars of contracts or arrangements with related parties referred to in Sub Section 1 of section 188 are given in the prescribed Form AOC-2 as **Annexure I** and the same forms part of this report.

20) Extract of Annual Return

Pursuant to Section 92(3) of the Act and Rule 12(1) of the Companies (Management and Administration) Rules, 2014, an extract of the Annual Return as on 31st March, 2017 in Form No. MGT 9 is attached herewith as **Annexure II** and forms part of this report.

21) The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act 2013

During the year under review, no complaints were received under The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act 2013.

22) Safety, Health and Environment Performance

Your Company is committed towards safety, health and environment. Your Company encourages involvement of all its employees in activities related to safety, health & environment including promotion of safety standards.

23) Corporate Social Responsibility(CSR)

The provisions relating to CSR enumerated under Section 135 of the Companies Act, 2013 are not applicable to your Company.

24) Conservation of Energy, Technology Absorption and Foreign Exchange Earnings and Outgo

The Particulars relating to energy conservation, Technology Absorption and Foreign Exchange Earnings and outgo, as required under section 134(3)(m) of Companies Act, 2013 read with companies rule 8(3) of The Companies (Accounts) rules, are given in Annexure III to this report.

25) General

Your Directors state that no disclosure or reporting is required in respect of the following items as there were no transactions/events on these items during the year under review:

- Issue of equity shares with differential rights as to dividend, voting or otherwise or issue of sweat equity.
- No significant or material orders were passed by the Regulators or Courts or Tribunals which impact the ‘going concern’ status and the Company’s operations in future.
- There were no Shares having voting rights not exercised directly by the employees and for the purchase of which or subscription to which loan was given by the Company.

26) Acknowledgements

Your Directors are pleased to take this opportunity to thank the bankers, customers, vendors and all the other stakeholders for their co-operation to the Company during the year under review.

For and on behalf of the Board

Vijay Paradkar
Chairman

Mumbai, 29th May, 2017

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF
CLASSIC LEGENDS PRIVATE LIMITED

Report on the Ind AS Financial Statements

We have audited the accompanying Ind AS financial statements of **Classic Legends Private Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2017, and the Statement of Profit and Loss (including Other Comprehensive Income), Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017, and its loss, total comprehensive income/loss and the changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report, to the extent applicable that:

   a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

   b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

   c) [The reports on the accounts of the branch offices of the Company audited under Section 143(8) of the Act by branch auditors have been sent to us and have been properly dealt with by us in preparing this report.]

   d) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account [and with the returns received from the branches not visited by us].

   e) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.

   f) On the basis of the written representations received from the directors as on 31st March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164(2) of the Act.

g) With respect to the adequacy of the internal financial controls over financial reporting of the Company, its branches and joint operations which are companies incorporated in India and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting [or] qualified/adverse opinion on the operating effectiveness of the Company's internal financial controls over financial reporting [or] qualified/adverse opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting [or] disclaimer of opinion on the Company's internal financial controls over financial reporting.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

  i. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.

  ii. There are no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Company.

  iii. The Company has provided requisite disclosures in the standalone Ind AS financial statements as regards its holding and dealings in Specified Bank Notes as defined in the Notification S.O. 3407(E) dated the 8th November, 2016 of the Ministry of Finance, during the period from 8th November, 2016 to 30th December, 2016. Based on audit procedures performed and the representations provided to us by the management we report that the disclosures are in accordance with the books of account maintained by the Company and as produced to us by the Management.

2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

"ANNEXURE A" TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF CLASSIC LEGENDS PRIVATE LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Classic Legends Private limited ("the Company") as of 31st March, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

"ANNEXURE B" TO THE INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 1 under the heading 'Report on Other Legal & Regulatory Requirement' of our report of even date to the financial statements of the Company for the year ended 31st March, 2017:

1) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets;

   (b) The Fixed Assets have been physically verified by the management in a phased manner, designed to cover all the items over a period of three years, which in our opinion, is reasonable having regard to the size of the company and nature of its business. Pursuant to the program, a portion of the fixed asset has been physically verified by the management during the year and no material discrepancies between the books records and the physical fixed assets have been noticed.

   (c) The title deeds of immovable properties are held in the name of the company.

2) The Company does not hold any physical inventories.

3) The Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability partnerships or other parties covered in the Register maintained under section 189 of the Act. Accordingly, the provisions of clause 3 (iii) (a) to (C) of the Order are not applicable to the Company and hence not commented upon.

4) In our opinion and according to the information and explanations given to us, the company has complied with the provisions of section 185 and I86 of the Companies Act, 2013 In respect of loans, investments, guarantees, and security.

5) The Company has not accepted any deposits from the public and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2015 with regard to the deposits accepted from the public are not applicable.

6) As informed to us, the maintenance of Cost Records has not been specified by the Central Government under sub-section (1) of Section 148 of the Act, in respect of the activities carried on by the company.

7) (a) According to information and explanations given to us and on the basis of our examination of the books of account, and records, the Company has been generally regular in depositing undisputed statutory dues including Provident Fund, Employees State Insurance, Income-Tax, Sales tax, Service Tax, Duty of Customs, Duty of Excise, Value added Tax, Cess and any other statutory dues with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2017 for a period of more than six months from the date on when they become payable.

   b) According to the information and explanation given to us, there are no dues of income tax, sales tax, service tax, duty of customs, duty of excise, value added tax outstanding on account of any dispute.

8) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of dues to banks. The Company has not taken any loan either from financial institutions or from the government and has not issued any debentures.

9) Based upon the audit procedures performed and the information and explanations given by the management, the company has not raised moneys by way of initial public offer or further public offer including debt instruments and term Loans. Accordingly, the provisions of clause 3 (ix) of the Order are not applicable to the Company and hence not commented upon.

10) Based upon the audit procedures performed and the information and explanations given by the management, we report that no fraud by the Company or on the company by its officers or employees has been noticed or reported during the year.

11) Based upon the audit procedures performed and the information and explanations given by the management, the managerial remuneration has been paid or provided in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act;

12) In our opinion, the Company is not a Nidhi Company. Therefore, the provisions of clause 4 (xii) of the Order are not applicable to the Company.

13) In our opinion, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the Financial Statements as required by the applicable accounting standards.

14) Based upon the audit procedures performed and the information and explanations given by the management, the company has made preferential allotment to promoters and others during the year under review. Accordingly, the provisions of clause 3 (xiv) of the Order have been complied with.

15) Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, the provisions of clause 3 (xv) of the Order are not applicable to the Company and hence not commented upon.

16) In our opinion, the company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions of clause 3 (xvi) of the Order are not applicable to the Company and hence not commented upon.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

1. **Corporate Information:**

Company details

Classic Legends Private Limited (CLPL) is subsidiary of Mahindra and Mahindra Ltd (w.e.f 18th October'2016). CLPL is engaged in the development of motorized two-wheeler vehicles for selling at future date.

2. **Statement of Compliance**

These financial statements have been prepared in accordance with Indian Accounting Standards (IND AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) Rules, 2016. The Company adopted IND AS from 1st April, 2016.

The financial statements are presented in Indian Rupees (INR) which is also the Company's functional currency.

Up to the year ended 31st March, 2016, the Company prepared its financial statements in accordance with the requirements of previous GAAP, which includes Standards notified under the Companies (Accounting Standards) Rules, 2006. These are the Company's first Ind AS financial statements.

3. **Significant Accounting Policies**

3.01 Basis of accounting preparation and presentation

These financial statements have been prepared on the historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

3.02 Use of estimate

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expense for the periods presented.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected.

Key source of estimation of uncertainty at the date of the financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of impairment of assets, useful lives of property, plant and equipment, valuation of deferred tax assets and provisions and contingent liabilities. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known/materialize.

Useful lives of property, plant and equipment

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

Provisions and contingent liabilities

A provision is recognized when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which the reliable estimate can be made. Provisions (excluding retirement benefits and compensated absences) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date adjusted to reflect the current best estimates. Contingent liabilities are not recognized in the financial statements. A contingent asset is neither recognized nor disclosed in the financial statements.

3.03 Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced for estimated customer returns, rebates and other similar allowances.

(i) Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

3.04 Employee benefits

1. **Defined Benefit Plan:**

For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding interest), is reflected immediately in the statement of financial position with a charge or credit recognized in other comprehensive income in the period in which they occur. Re-measurement recognized in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to profit or loss. Past service cost is recognized in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorized as follows:

– service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);

– net interest expense or income; and

– re-measurement.

(i) **Gratuity:** The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides for a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15/26 days salary payable for each completed year of service. Vesting occurs upon completion of five years of service. The Company accounts for the liability for gratuity benefits payable in future based on an independent actuarial valuation.

(ii) **Compensated Absences:** The Company provides for the encashment of compensated absences with pay subject to certain rules. The employees are entitled to accumulate compensated absences subject to certain limits, for future encashment. Accumulated leave, which is expected to be utilized within the next twelve months, is treated as short-term employee benefit and the accumulated leave expected to be carried forward beyond twelve month is treated as long-term employee benefit which are provided based on the number of days of un utilized compensated absence on the basis of an independent actuarial valuation.

3.05 Property Plant and Equipment

Property Plant and Equipment (PPE) are stated at cost of acquisition or construction where cost includes amount added/deducted on revaluation less accumulated depreciation/amortization and impairment loss, if any. All costs relating to the acquisition and installation of property plant and equipment are capitalized and include borrowing costs relating to funds attributable to construction or acquisition of qualifying assets, up to the date the asset/plant is ready for intended use. The cost of replacing a part of an item of property, plant and equipment is recognized in the carrying amount of the item of property, plant and equipment, if it is probable that the future economic benefits embodies within the part will flow to the Company and its cost can be measured reliably with the carrying amount of the replaced part getting derecognized. The cost for day-to-day servicing of property, plant and equipment are recognized in Statement of Profit and Loss as and when incurred.

Depreciation is calculated on straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc:

i) Plant and machinery – 5 years/7 years/8 years/10 years

ii) Vehicles – 3 years for R&D vehicles and 8 years for other vehicles

iii) Office equipment – 2 years

iv) Assets costing less than Rs. 5000 each – 1 year

3.06 Inventories

Inventories are stated at the lower of cost and net realizable value after providing for obsolescence and other losses, where considered necessary. Net realizable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale. In determining the cost of inventories the moving weighted average method is used in respect of “raw materials”, “stores and spares” and “spares for resale”. Cost of work-in-progress and manufactured finished goods include material cost, labor and manufacturing overheads on the basis of full absorption costing. Excise duty in respect of inventory of finished goods manufactured is shown separately as an item of expense and included in valuation of inventory of finished goods.

3.07 Financial instruments

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

Financial assets at amortized cost

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless it is measured at amortized cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognized in profit or loss.

Financial liabilities

Financial liabilities are measured at amortized cost using the effective interest method.

Equity instruments

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Equity instruments recognised by the Company are recognised at the proceeds received net off direct issue cost.

3.08 Earning Per Share

The Company reports basic and diluted earnings per share in accordance with Ind AS 33 on Earnings per share. Basic earnings per share is computed by dividing the net profit or loss for the period by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit or loss for the period by the weighted average number of equity shares outstanding during the period as adjusted for the effects of all diluted potential equity shares except where the results are anti-dilutive.

3.09 Cash flow statement

The Cash Flow Statement is prepared by the indirect method set out in Ind AS 7 on Cash Flow Statements and presents cash flows by operating, investing and financing activities of the Company.

3.10 Current Non-Current Classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is classified as current when it satisfies any of the following criteria:

- It is expected to be realized or intended to sold or consumed in normal operating cycle
- It is held primarily for the purpose of trading
- It is expected to be realized within 12 months after the date of reporting period, or
- Cash and cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after reporting period.

Current assets include the current portion of non-current financial assets.

All other assets are classified as non-current.

A liability is current when it satisfies any of the following criteria:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within 12 months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period

Current liabilities include the current portion of long term financial liabilities. The Company classifies all other liabilities as non-current.

The operating cycle is the time between the acquisition of assets and their realization in cash and cash equivalents. The Company has identified 12 months as its operating cycle.

3.11 Share Capital

Ordinary Shares

Ordinary shares are classified as equity. Incremental costs, if any, directly attributable to the issue of ordinary shares are recognized as a deduction from equity, net of any tax effects.

3.12 First-time adoption of Ind AS:

These financial statements, for the period ended 31st March, 2017, has been prepared in accordance with Ind AS. For periods, up to and including the year ended 31st March, 2016, the Company prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP. This note explains the principal adjustments made by the Company in restating its Indian GAAP financial statements, including the balance sheet as at 1st April, 2016.

Exceptions from full retrospective application:

- De-recognition of financial assets and liabilities exception – Financial assets and liabilities de-recognized before transition date are not re-recognized under Ind AS.
- Estimates exception – On an assessment of the estimates made under the Previous GAAP financial statements, the Company has concluded that there is no necessity to revise the estimates under Ind AS, as there is no objective evidence that those estimates were in error. However, estimates, that were required under Ind AS but not required under Previous GAAP, are made by the Company for the relevant reporting dates, reflecting conditions existing as at that date without using any hindsight.
- The remaining mandatory exceptions either do not apply or are not relevant to the Company.

NOTE 20 - Financial Instruments

Capital management

The company's capital management objectives are:

The Board policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The board of directors monitors the return on capital employed.

The Company manages capital risk by maintaining sound/optimal capital structure through monitoring of financial ratios, such as debt-to-equity ratio and net borrowings-to-equity ratio on a monthly basis and implements capital structure improvement plan when necessary.

The Company uses debt ratio as a capital management index and calculates the ratio as total liabilities divided by total equity. Total liabilities and total equity are based on the amounts stated in the separate financial statements.

Debt-to-equity ratio (including liabilities directly associated with assets held for sale) is as follows:

Rs. in Lacs.

	31st March, 2017	31st March, 2016
Debt (A)	**2,300.70**	–
Equity (B)	**853.64**	0.92
Debt Ratio (A/B)	**2.70**	0.00

Fair Value

Set out below is the comparison by class of the carrying amounts and fair value of the Company's financials instruments

Rs. in Lacs.

	Carrying Amount		Fair Value

b) Loans	**6.10**	–	6.10	–
Total Financial Assets	**2,886.46**	0.97	**2,886.46**	**0.97**
FINANCIAL LIABILITIES				
Financial liabilities measured at amortised cost				
Current Liabilities				
a) Borrowings	**2,200.00**	–	2,200.00	–
b) Trade Payables	**240.04**	–	240.04	–
Total Financial Liabilities	**2,440.04**	–	**2,440.04**	–

At the end of the reporting period, there are no significant concentrations of credit risk for financial assets designed at Fair Value Through Profit & Loss. The carrying amount reflected above represents the company's maximum exposure to credit risk to such financial assets.

Financial Risk Management Framework

The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk and market risk. In order to manage the aforementioned risks, the Company operates a risk management policy and a program that performs close monitoring of and responding to each risk factors.

CREDIT RISK

(i) Credit risk management

Credit risk is the risk of financial loss arising from counterparty failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks. Credit risk is controlled by analyzing credit limits and creditworthiness of customers on a continuous basis to whom the credit has been granted after obtaining necessary approvals for credit.

Financial instruments that are subject to concentrations of credit risk principally consist of trade receivables, investments, derivative financial instruments, cash and cash equivalents, bank deposits and other financial assets. None of the financial instruments of the Company result in material concentration of credit risk.

The credit risk on liquid funds and derivative financial instruments is limited because the counterparties are banks with high credit-ratings.

There is no change in estimation techniques or significant assumptions during the reporting period.

LIQUIDITY RISK

(i) Liquidity risk management

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities. Refer note no. 21 for going concern.

(ii) Maturities of financial liabilities

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows.

Rs. in Lacs.

Particulars	**31st March, 2017** Less than 1 Year	**31st March, 2017** 1-3 Years	31st March, 2016 Less than 1 Year	31st March, 2016 1-3 Years

Borrowings	2,200.00	–	–	–
Trade payables	240.04	–	–	–
Total	**2,440.04**	**–**	**–**	**–**

(iii) Maturities of financial assets

The following table details the Company's expected maturity for financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets & interest that will be earned on those assets.

Rs. in Lacs.

Particulars	**31st March, 2017** Less than 1 Year	**31st March, 2017** 1-3 Years	31st March, 2016 Less than 1 Year	31st March, 2016 1-3 Years
Non-derivative financial assets				
Loans	6.00	0.10	–	–
Total	**6.00**	**0.10**	**–**	**–**

MARKET RISK

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in the foreign currency exchange rates, interest rates, credit, liquidity and other market changes. Non of financial asset of CLPL is having such risk at present.

NOTE 21 - Employee benefits

(a) Defined Contribution Plan

Amount recognized as an expense in the Statement of Profit and Loss in respect of Defined Contribution Plans is Rs. INR 0.47 Lacs (31st March, 2016 NIL)

(b) Defined Benefit Plans:

Gratuity

The Company operates a gratuity plan covering qualifying employees. The benefit payable is the amount calculated as per the Payment of Gratuity Act, 1972, Gratuity is a benefit to an employee based on 15 days last drawn salary for each completed year of service. The benefit vests upon completion of five years of continuous service and once vested it is payable to employees on retirement or on termination of employment. In case of death while in service, the gratuity is payable irrespective of vesting.

Actuarial gains and losses in respect of defined benefit plans are recognised in the Financial statements through other comprehensive income.

Through its defined benefit plans the Company is exposed to a number of risks, the most significant of which are detailed below:

Life expectancy

The majority of the plan's obligations are to provide benefits for the service life of the member, so increases in service life expectancy will result in an increase in the plan's liabilities. This is particularly significant in the Company's defined benefit plans, where inflationary increases result in higher sensitivity to changes in service life expectancy.

The significant actuarial assumptions used for the purposes of the actuarial valuations were as follows:

	Valuation as at 31st March, 2017
Discount rate(s) (%)	6.8
Expected rate(s) of salary increase(%)	
– Staff	10
– Workers	NA
Average Longevity	6.02
Medical inflation	NA

Defined benefit plans – as per actuarial valuation on 31st March, 2017

Rs. in Lacs.

Particulars	**Unfunded Plan Gratuity 2017**
Amounts recognised in comprehensive income in respect of these defined benefit plans are as follows:	
Service Cost	
Current Service Cost	0.47
Net interest expense	–
Components of defined benefit costs recognised in profit or loss	0.47
I. Net Asset/(Liability) recognised in the Balance Sheet as at 31st March	
1. Present value of defined benefit obligation as at 31st March	–
2. Fair value of plan assets as at 31st March	–
3. Surplus/(Deficit)	–
4. Current portion of the above	–
II. Change in the obligation during the year ended 31st March	
1. Present value of defined benefit obligation at the beginning of the year	–
2. Expenses Recognised in Profit and Loss Account	
– Current Service Cost	0.47
– Interest Expense (Income)	–
3. Recognised in Other Comprehensive Income	
Remeasurement gains/(losses) - Actuarial Gain (Loss) arising from:	
i. Financial Assumptions	–
ii. Experience Adjustments	–
4. Benefit payments	–
5. Present value of defined benefit obligation at the end of the year	0.47
III. Change in fair value of assets during the year ended 31st March	
1. Fair value of plan assets at the beginning of the year	–
2. Add/(Less) on account of Scheme of Arrangement/Business Transfer	–
3. Expenses Recognised in Profit and Loss Account	–
– Expected return on plan assets	–
4. Recognised in Other Comprehensive Income	
Remeasurement gains/(losses) - Actual Return on plan assets in excess of the expected return	–
5. Contributions by employer (including benefit payments recoverable)	–
6. Benefit payments	–
7. Fair value of plan assets at the end of the year	–
IV. The Major categories of plan assets	
Debt instruments (quoted)	0%

Rs. in Lacs.

Particulars		Unfunded Plan Gratuity
		2017
V.	**Actuarial assumptions**	
	1. Discount rate (%)	6.80
	2. Expected rate of return on plan assets (%)	10.00
	3. Attrition rate (%)	15.00

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the Balance sheet.

The methods and types of assumptions used in preparing the sensitivity analyses did not change compared to previous period.

Maturity profile of defined benefit obligation:

Rs. in Lacs.

	2017
Within 1 year	–
1 - 2 year	0.01
2 - 3 year	0.01
3 - 4 year	0.02
4 - 5 year	0.02
5 - 10 years	5.46

The estimate of future salary increases, considered in actuarial valuation, takes account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

DIRECTORS' REPORT

FOR THE YEAR ENDED 31 MARCH 2017

The directors present their annual report and financial statements for the year ended 31 March 2017.

Principal activities

The principal activities of the Company continued to be that of the design, assembly and marketing of motorcycles and related spare parts and licensing arrangements related thereto.

Directors

The directors who held office during the year and up to the date of signature of the financial statements were as follows:

Mr D A Bennett	(Resigned 31 December 2016)
Mr C Bennett	(Resigned 31 December 2016)
Mr D S Gill	(Appointed 20 October 2016)
Mr A Joshi	(Appointed 20 October 2016)

Auditors

The auditors, Wilkins Kennedy LLP, are deemed to be reappointed under Section 487(2) of the Companies Act 2006.

Statement of directors' responsibilities

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement of disclosure to auditor

So far as each person who was a director at the date of approving this report is aware, there is no relevant audit information of which the Company's auditor is unaware. Additionally, the directors individually have taken all the necessary steps that they ought to have taken as directors in order to make themselves aware of all relevant audit information and to establish that the Company's auditor is aware of that information.

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

On behalf of the board

Mr A Joshi
Director

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF BSA COMPANY LIMITED

We have audited the financial statements of BSA Company Limited for the year ended 31 March 2017 which comprise the Profit And Loss Account, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2017 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of our audit, the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements, and the Directors' Report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtain,ed in the course of the audit, we have not identified material misstatements in the Directors' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemption in preparing the Directors' Report and take advantage of the small companies exemption from the requirement to prepare a Strategic Report.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH '2017

Note 1: Accounting Policies

Company information:

BSA Company Limited is a private company limited by shares incorporated in England and Wales. The registered office is Speedwell House, West Quay Road, Southampton, Hampshire, SO15 1GY.

1.1 Accounting convention

These financial statements have been prepared in accordance with FRS 102 “The Financial Reporting Standard applicable in the UK and Republic of Ireland” (“FRS 102”) and the requirements of the Companies Act 2006 as applicable to companies subject to the small companies regime. The disclosure requirements of section 1A of FRS 102 have been applied other than where additional disclosure is required to show a true and fair view.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest GBP.

The financial statements have been prepared on the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Turnover

Turnover is recognised at the fair value of the consideration received or receivable for goods and services provided in the normal course of business, and is shown net of VAT and other sales related taxes. The fair value of consideration takes into account trade discounts, settlement discounts and volume rebates.

1.3 Intangible fixed assets other than goodwill

Intangible assets acquired separately from a business are recognised at cost and are subsequently measured at cost less accumulated amortisation and accumulated impairment losses. Intangible assets acquired on business combinations are recognised separately from goodwill at the acquisition date if the fair value can be measured reliably.

Amortisation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Patents and licences: Straight line over 15 years

1.4 Cash and cash equivalents

Cash and cash equivalents are basic financial assets and include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.5 Financial instruments

Financial instruments are recognised in the company’s statement of financial position when the company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Other financial assets

Other financial assets, including investments in equity instruments which are not subsidiaries, associates or joint ventures, are initially measured at fair value, which is normally the transaction price. Such assets are subsequently carried at fair value and the changes in fair value are recognised in profit or loss, except that investments in equity instruments that are not publicly traded and whose fair values cannot be measured reliably are measured at cost less impairment.

Classification of financial liabilities

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Basic financial liabilities

Basic financial liabilities, including creditors, bank loans, loans from fellow group companies and preference shares that are classified as debt, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

1.6 Equity instruments

Equity instruments issued by the company are recorded at the proceeds received, net of direct issue costs. Dividends payable on equity instruments are recognised as liabilities once they are no longer at the discretion of the company.

1.7 Taxation

The tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the profit and loss account because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The company’s liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the reporting end date.

Deferred tax

Deferred tax liabilities are generally recognised for all timing differences and deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Such assets and liabilities are not recognised if the timing difference arises from goodwill or from the initial recognition of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

1.8 Employee benefits

The costs of short-term employee benefits are recognised as a liability and an expense, unless those costs are required to be recognised as part of the cost of stock or fixed assets.

The cost of any unused holiday entitlement is recognised in the period in which the employee’s services are received.

Termination benefits are recognised immediately as an expense when the company is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.9 Foreign exchange

Transactions in currencies other than pounds sterling are recorded at the rates of exchange prevailing at the dates of the transactions. At each reporting end date, monetary assets and liabilities that are denominated in foreign currencies are retranslated at the rates prevailing on the reporting end date. Gains and losses arising on translation are included in the profit and loss account for the period.

Net worth	**14,019**	27,151

The aforesaid financial highlights are based on audited financial statements for the year ended 31st March, 2017, which are the Company's first Ind AS financial statements prepared in accordance with the Accounting Standards as notified under Section 133 of the Companies Act, 2013 ('the Act'). Figures for the year ended 31st March, 2016 have been restated under the new Accounting Standards Ind AS to make them comparable with the figures for the year ended 31st March, 2017.

**Considering the scheme of demerger is approved by respective Boards. The financials were stated in the audited accounts after considering the requirement of Ind AS 105. The above financial highlights of P&L will match with the audited P&L read in conjunction with note no. 25 (b).*

No material changes and commitments have occurred after the close of the year till the date of this Report which would affect the financial position of your Company, except the following: -

Demerger of Two-Wheeler Business of the Company and its merger into Mahindra & Mahindra Limited

Your Company is engaged in the businesses of manufacturing and selling of two wheelers ("Two Wheelers Business") and trading in spare parts and accessories ("Spares Business").

The Company's past business strategy was focused on addressing the mass two wheeler market. Given the market response, the Company has decided to make a strategy shift by focusing on the niche premium two wheeler segment.

Considering the present business environment, a Scheme of Arrangement between the Company and Mahindra & Mahindra Limited ('M & M'), the ultimate holding company and their respective Shareholders and Creditors ("Scheme") was announced on 3rd December, 2016, whereby the Company would demerge the Two Wheeler Business and merge it into M & M. The appointed date of the Scheme is 1st October, 2016. In accordance with the Scheme, M & M shall allot 4,63,287 Ordinary (Equity) Shares of Rs. 5 each to Aay Kay Global and 40,601 Shares to Emerging India Fund, the shareholders of the Company, other than Mahindra Vehicle Manufacturers Limited, the holding company of your Company which is a subsidiary of M & M, in the share exchange ratio of 1 fully paid-up Ordinary (Equity) Share of Rs. 5 each for every 461 fully paid-up shares of Rs. 10 each held in the Company. The proposed demerger would enable your Company to streamline its operations by focusing on the Spares Business.

Subsequent to the year end, pursuant to the directions of the National Company Law Tribunal, Mumbai Bench by its Order dated 5th April, 2017 a meeting of the Equity Shareholders of the Company has been convened on 13th June, 2017, for seeking approval of the shareholders to the aforesaid Scheme.

2) Operations

During the year, your Company sold 71,994 vehicles registering de-growth of 56% as compared to previous year. In domestic Scooter segment the Company registered de-growth of 58% while motorcycle segment registered de-growth of 77%. Overall, the Industry grew by 7% for the year (Motorcycles by about 4% and Scooters by about 11%).

While you Company was the only OEM to register de-growth in domestic market, it registered the best ever numbers for Exports market (despite industry facing de-growth of about 6%), ending FY17 with 23,079 units.

For Motorcycles, The 100-110 cc segment (in which Mahindra Centuro is present), remained almost the same as that of previous year. The growth in Motorcycles came from >250cc Category (which saw about 30% growth as compared to previous year). With the improving infrastructure, female literacy levels and disposable income in rural areas, a visible shift is happening from the motorcycle segment to the scooter segment in rural markets (From 28% contribution to total two wheelers in FY15, scooter contribution stands at 32% for FY17).

The Company was focused on right sizing the resources and reducing costs for the entire financial year. Right sizing the resources to the business also saw marketing spends reduced significantly. The challenge was to reduce the inventory levels of the Company and reduce the market exposure, which was achieved by persistent efforts. Following Hon'ble Supreme Court's verdict on 29th March 2017 to disallow registration of BSIII vehicles from 1st April, 2017, the entire dealer inventory was liquidated in flash sale for 3 days. The switchover to BSIV manufacturing happened from 1st of April, 2017 as planned.

Export markets saw continued challenges – internally as well as externally. Because of the business uncertainties and reduction of volumes in the domestic market, the production output was very volatile. This affected the planned output because of break in order cycles and also saw market stock out in a few months. The strategy was to consolidate in focus markets, which was best achieved in key markets like Nigeria (Which saw a cumulative FY17 retails of 10000+), Sri Lanka, Bangladesh & Uganda. The crash in crude and other commodities' prices has led to alarming levels of currency depreciation in African countries, making imports very expensive. For example, Nigerian Naira has depreciated more than 100% in 2 years. The situation in other African markets is also not encouraging. In countries like Ethiopia and Nigeria, foreign currency is being rationed for priority sectors. In Bangladesh and Sri Lanka, regulatory changes to duty structure and financing norms have shrunk overall market. In spite of this, exports showed remarkable growth over previous year by 28%, which amongst the serious players is the best growth after Honda & Suzuki.

MOJO: Mojo continued its unconventional go-to-market approach, which had a strong focus on digital and social platforms to create a viral impact and amplify the customer experiences. From the launch in October 2015 with 4 towns and 11 dealerships, Mojo network grew to 40 cities and 59 dealerships. The retails for the year crossed 1400 units in FY17. The network of Mojo also saw an innovation in 1st ever Mojo Exclusive Dealership in Bangalore – a one stop shop for all bike enthusiasts in the biggest Mojo market.

Mojo saw a new variant (Mojo Tourer – Completely accessorized Mojo) as well as two new colors (Matte Red & Sunburst Yellow) introduced during the year. On the brand front, Mojo's 1st ATL (TV) burst reached to almost 2.8 million of the Company's TG in 6000 spots. Mojo born for the road digital campaign also received a very encouraging response by marking 1 lakh+ website views as well as 2 million views on YouTube. The Mojo Book - which captures the journey of Mojo since launch along with the passion of Mojo Owners was also launched during the year.

Mojo conquered all the 4 terrains in its trails that were planned for the year, making a strong stake to the claim of being one of the best tourers in the market. Mountain, Coastal, Jungle & Desert Trail – All saw a very good participation from media, ride enthusiasts & customers alike. Actor Rannvijay Singh & Actor-Director Nagesh Kukunoor participated in the Mountain Trail, making it a memorable event for all the attendees.

3) Outlook for the current year

As per the research report published by Nomura, Scooter industry is expected to grow at a CAGR of 20% over next 5 years based on prediction of higher GDP growth, higher urbanisation and woman empowerment. Motor cycle industry seeing polarisation between low cost entry level products and premium motor cycles is expected to grow in range of 0%-6% over next 5 years. The Company is working towards containing losses by improving efficiencies, focussed market approach & cost management. The Company will focus on improving sales of MOJO & expects to bring a few MOJO variants in FY 18.

4) Dividend

In view of losses, your Directors do not recommend any dividend.

5) Consolidated Financial Statements

The following were the subsidiary/Joint Venture companies of your Company till 26th September, 2016:

- Mahindra Two Wheelers Europe Holdings S.à r.l., Luxembourg (subsidiary)
- Peugeot Motocycles S.A.S., Mandeure (PMTC) (subsidiary)
- Peugeot Motocycles Italia S.p.A (subsidiary)

- Peugeot Motocycles Deutshland GmbH (subsidiary)
- Jinan Qingqi Peugeot Motocycles Co Ltd. (Joint Venture of Peugeot Motocycles S.A.S., Mandeure).

Your Company sold its entire stake in Mahindra Two Wheelers Europe Holdings S.à r.l., Luxembourg to Mahindra & Mahindra Limited on 27th September, 2016, consequent to which, all the above entities ceased to be the subsidiaries/Joint Venture of your Company and became the step-down subsidiaries/Joint Venture of Mahindra & Mahindra Limited.

Consequent to the above, your Company is not required to prepare consolidated financial statements for the year ended 31st March 2017.

6) **Share Capital**

The authorised share capital of your Company as on 31st March, 2017 stood at Rs. 3,500 crore, divided into 350 crore equity shares of Rs. 10 each.

During the year, your Company allotted 34,00,00,000 equity shares of Rs. 10/- each, aggregating Rs. 3,40,00,00,000/- to the shareholders for cash at par on right basis.

Changes in the equity share capital of your Company during the year were as under:

	As at 1st April 2016			As at 31st March 2017	
Shareholder	Equity Shares held	% to Capital	Equity Shares Allotted during the Year	Equity Shares held	% to Capital
Mahindra Vehicle Manufacturers Limited	2,42,60,97,350	91.26%	34,00,00,000	2,76,60,97,350	92.25%
Aay Kay Global	21,35,75,006	8.03%	0	21,35,75,006	7.12%
Emerging India Fund	1,87,16,860	0.70%	0	1,87,16,860	0.62%
Total	**2,65,83,89,216**	**100%**	**34,00,00,000**	**2,99,83,89,216**	**100%**

The paid-up share capital of your Company as on 31st March, 2017 stood at Rs. 29,98,38,92,160 divided into 2,99,83,89,216 equity shares of Rs 10/- each.

7) **Holding Company**

Mahindra Vehicle Manufacturers Limited is the holding company and Mahindra & Mahindra Limited is your Company's ultimate holding company.

8) **Board of Directors**

The Board comprises of the following directors:

Director (DIN)	Designation	Executive/Non-Executive Director	Independent/Non-Independent Director
Dr. Pawan Kumar Goenka (00254502)	Chairman	Non-Executive Director	Non-Independent Director
Mr. Rajesh Jejurikar (00046823)	Director	Non-Executive Director	Non-Independent Director
Mr. V. S. Parthasarathy (00125299)	Director	Non-Executive Director	Non-Independent Director
Mr. Shirish Saraf (01918219)	Director	Non-Executive Director	Non-Independent Director
Dr. Punita Kumar Sinha (05229262)	Director	Non-Executive Director	Independent Woman Director
Mr. Naveen Kumar Kshatriya (00046813)	Director	Non-Executive Director	Independent Director

Mr. V. S. Parthasarathy retires by rotation at the forthcoming Annual General Meeting ('AGM') and is eligible for re-appointment.

Mr. Ramesh Venkatraman (DIN: 03545080), a nominee director of Aay Kay Global, resigned from the directorship of your Company w.e.f. 28th June, 2016.

Mr. Shirish Saraf was nominated by Aay Kay Global as an additional director of your Company w.e.f. 27th July, 2016 and holds office till the date of the forthcoming AGM. A notice pursuant to the provisions of Section 160 of the Act was received from Aay Kay Global, proposing the appointment of Mr. Shirish Saraf as a Director at the forthcoming AGM.

Mr. Anand Mahindra (DIN: 0004695), the Chairman of the Board, resigned from the directorship w.e.f. 17th March, 2017.

Dr. Pawan Kumar Goenka was appointed as the Chairman of the Board with effect from 27th April, 2017.

Mr. Ranjan Pant, who had not attended any meeting of the Board of Directors during a period of 12 months, vacated his office as a Director with effect from 27th April, 2017, as per the provisions of Section 167 (1) (b) of the Act.

Evaluation of Performance of Directors

Pursuant to the provisions of the Companies Act, 2013, the Board carried out an annual evaluation of its own performance and that of its Committees as well as performance of the Directors individually. Feedback was sought by way of a structured questionnaire covering various aspects of the Board's functioning and the evaluation was carried out based on responses received from Directors.

A separate exercise was carried out by the Nomination and Remuneration Committee of the Board to evaluate the performance of individual Directors.

The performance evaluation of the Non-Independent Directors and the Board as a whole was carried out by the Independent Directors including chairman.

9) **Number of Board Meetings**

During the year under review, five meetings of the Board of Directors were held on 25th April, 2016, 27th July, 2016, 2nd November, 2016, 3rd December, 2016 and 25th January, 2017.

10) **Directors' Responsibility Statement**

Pursuant to section 134(3) (c) of the Act, your directors, based on the representation from the operating management, and after due enquiry, confirm that:

(i) In the preparation of the annual financial statements for the year ended 31st March, 2017, the applicable accounting standards have been followed along with proper explanation relating to material departures;

(ii) They have, in the selection of the accounting policies, consulted the Statutory Auditors and these have been applied consistently and reasonable and prudent judgments and estimates have been made so as to give a true and fair view of the state of affairs of the Company as at 31st March, 2017 and of the loss of the Company for the year ended on that date;

(iii) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

(iv) The annual accounts have been prepared on a going concern basis;

(v) Proper systems have been devised to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

11) Codes of Conduct

Your Company had adopted Codes of Conduct for its Directors and senior management employees ("the Codes"). These Codes enunciate the underlying principles governing the conduct of the Company's business and seek to reiterate the fundamental precept that good governance must and would always be an integral part of the Company's ethos.

The Company has, for the year, received declarations from directors and senior management employees, affirming compliance with the respective Codes.

12) Policy for remuneration of Directors, Key Managerial Personnel and Other Employees and Criteria for Appointment/Removal of Directors and Senior Management Personnel

Your Board had, on the recommendation of the Nomination and Remuneration Committee, approved policies for the appointment/removal of directors and senior management personnel, together with the criteria for determining qualifications, positive attributes and independence of Directors, and the remuneration of directors, key managerial personnel and other employees.

These policies are furnished as Annexure I and form part of this Report.

13) Vigil Mechanism

Your Company has established a vigil mechanism for directors and employees to facilitate reporting of genuine concerns/ make protected disclosures to the Chairman of the Audit Committee in respect of actual or suspected fraud or violation of the Company's Codes or Policies or genuine grievances or concerns or any improper activity. The mechanism also provides for adequate safeguards against victimization of persons reporting/disclosing, and makes a provision for direct access to the Chairman of the Audit Committee.

14) Committees of the Board

i) Audit Committee

The composition of the Audit Committee is as follows:

Committee Member	Designation
Mr. V. S. Parthasarathy	Chairman
Dr. Punita Kumar Sinha	Member

16) **Key Managerial Personnel (KMP)**

Pursuant to Section 203 of the Act, read with the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, given below are the Key Managerial Personnel for your Company:

1. Mr. Prem Rathi, Manager;
2. Mr. Vinod Sahay, Chief Executive Officer (w.e.f. 2nd November, 2016);
3. Mr. Mahendra Bhalerao, Chief Financial Officer and
4. Ms. Poonam Vaze, Company Secretary.

17) **Auditors**

i) **Statutory Auditors**

M/s. Deloitte Haskins & Sells LLP, Chartered Accountants, Mumbai (ICAI Registration Number: 117366W/W-100018), Statutory Auditors, hold office up to the conclusion of the forthcoming AGM.

As recommended by the Audit Committee, the Board had approved and recommended for your consideration, the appointment of M/s. B. K. Khare & Co., Chartered Accountants, Mumbai (Firm Registration Number: 105102W) in place of M/s. Deloitte Haskins & Sells LLP for a period of 5 years subject to ratification at every AGM.

As required by the provisions of Section 139 read with Section 141 of the Act, your Company has received a written consent and certificate from M/s. B. K. Khare & Co., Chartered Accountants, to the effect that their appointment, if made, would be in conformity with the conditions and criteria specified in the said sections.

The Auditors' Report for the year does not contain any qualification, reservation or adverse remark.

ii) **Internal Auditor**

Pursuant to Section 138 of the Act, read with the Companies (Accounts) Rules, 2014, Mr. Mario Nazareth was appointed as the Internal Auditor of your Company for the year ended 31st March, 2017. The Board at its meeting held on 27th April, 2017 re-appointed Mr. Mario Nazareth as the Internal Auditor of your Company for the Financial Year ending on 31st March, 2018.

iii) **Secretarial Auditor**

Pursuant to Section 204 of the Act, read with the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, Mr. Sachin Bhagwat, a Company Secretary in practice (Certificate of Practice No. 6029) was appointed as the Secretarial Auditor of your Company for the Financial Year ended 31st March, 2017. The Board at its meeting held on 27th April, 2017 re-appointed Mr. Sachin Bhagwat as the Secretarial Auditor of your Company for the Financial Year ending on 31st March, 2018.

Secretarial Audit Report for the Financial Year ended 31st March, 2017 issued by the Secretarial Auditor pursuant to the aforesaid provisions is provided as Annexure II and forms part of this Report.

There were no qualifications, reservations or adverse remarks made by the Secretarial Auditor in his report.

iv) **Cost Auditor**

For the purpose of sub-section (1) of section 148 of the Act, as per the Companies (Cost Records & Audit) Rules, 2014 issued by the Ministry of Corporate Affairs vide notification dated 30th June 2014, the requirement for maintenance of cost records & Audit was not applicable to the Company. Accordingly, cost audit was not required for the year under review.

Reporting of frauds by Auditors:

During the year under review, the Statutory Auditors and Secretarial Auditor have not reported to the Board/ Audit Committee any instances of frauds committed in the Company by its officers or employees.

18) **Internal Financial Controls**

Your Company has implemented a system of internal controls and monitoring procedures as well as internal financial controls on financial statements and the same is in the opinion of the Board, commensurate with the Company's size and operations. Your Company regularly conducts reviews to assess the adequacy of financial and operating controls for various businesses of the Company. Significant issues, if any, are brought to the attention of the Audit Committee. Statutory Auditors and Internal Auditor are invited to attend Audit Committee meetings.

19) **Risk Management Policy**

Your Company is exposed to a variety of risks which may impact its operations. These risks are mitigated by using an integrated risk management approach which covers the full range of risks across verticals.

Your Company has formulated a risk management policy which addresses risks, inter-alia which, in the opinion of the Board, may threaten the existence of the Company.

20) **Human Resources**

Keeping employees happy and enthused is one of the strategic goals of your Company as reflected in its employee engagement interventions. Your Company continues to invest in capability building of its people and creating a future-ready talent pool.

21) **Particulars of public deposits, loans, guarantees or investments**

Your Company has not accepted deposits from the public or its employees during the year under review.

Your Company has not made any loans/advances and investment which are required to be disclosed in the financial statements of the Company pursuant to

Regulations 34(3) and 53(f) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with Schedule V thereto, applicable to the ultimate Holding company, Mahindra & Mahindra Limited.

No loans have been granted under Section 186 of the Act and details of investments made are given in Note No. 6 of the Financial Statements.

22) Contracts or Arrangement with Related Parties

All Related Party Transactions entered during the year were in the ordinary course of business and on Arm's length basis. There are no transactions which are required to be disclosed in Form AOC- 2 pursuant to section 188 of the Companies Act, 2013.

23) Extract of Annual Return

Pursuant to Section 92(3) of the Act and Rule 12(1) of the Companies (Management and Administration) Rules, 2014, an extract of the Annual Return as on 31st March, 2017 in Form No. MGT 9 is attached herewith as Annexure III and forms part of this report.

24) The Sexual Harassment of Women at Workplace (prevention, prohibition and Redressal) Act, 2013

During the year under review, no complaints were received under the sexual Harassment of Women at Workplace (Prevention, prohibition and Redressal) Act, 2013.

25) Industrial Relations

Industrial relations remained cordial during the year under review.

26) Safety, Health and Environment Performance

Your Company is committed towards safety, health and environment. Your Company encourages involvement of all its employees in activities related to safety, health & environment including promotion of safety standards. The various initiatives and measures taken in this area have started yielding results. The requirements relating to various environmental legislations and environment protection have been duly complied with by your Company. Your Company has received the **OHSAS 18001 certification** for Safety and Health Management System **& ISO 14001 certification** for Environment Management.

27) Sustainability Initiatives

Your Company undertakes various energy saving projects including use of Solar power purchased as an alternative source of power. Treated waste water utilization for garden and toilet flushing and upgrading from conventional lighting to energy efficient LED lighting.

28) Corporate Social Responsibility(CSR)

The provisions relating to Corporate Social Responsibility ('CSR') enumerated under Section 135 of the Act are not applicable to your Company. Despite this, the Company undertakes various activities and projects and contributes towards the community and the environment through a series of CSR activities.

29) Conservation of Energy, Technology Absorption and Foreign Exchange Earnings and Outgo

The particulars relating to Energy Conservation, Technology Absorption and Foreign Exchange Earnings and Outgo, as required under section 134(3)(m) of the Act read with the Companies Rule 8 (3) of The Companies (Accounts) Rules, 2014 are given as Annexure VI to this Report.

30) Disclosure of Particulars of Employees as required under Rule 5(2) of The Companies (Appointment and Remuneration of Managerial Personnel) Rules 2014

Being an unlisted company, provisions of Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 are not applicable to your Company.

31) General

Your Directors state that no disclosure or reporting is required in respect of the following items as there were no transactions/events on these items during the year under review:

- Issue of equity shares with differential rights as to dividend, voting or otherwise or issue of sweat equity.
- No significant or material orders were passed by the Regulators or Courts or Tribunals which impact the 'going concern' status and the Company's operations in future.
- There were no Shares having voting rights not exercised directly by the employees and for the purchase of which or subscription to which loan was given by the Company.

32) Acknowledgements

Your Directors are pleased to take this opportunity to thank the bankers, customers, vendors and all the other stakeholders for their co-operation to the Company during the year under review.

For and on behalf of the Board

Dr. Pawan Kumar Goenka
Chairman

Mumbai, 27th April, 2017

ANNEXURE I

POLICY ON APPOINTMENT OF DIRECTORS AND SENIOR MANAGEMENT AND SUCCESSION PLANNING FOR ORDERLY SUCCESSION TO THE BOARD AND THE SENIOR MANAGEMENT

DEFINITIONS

The definitions of some of the key terms used in this Policy are given below.

"Board" means Board of Directors of the Company.

"Company" means Mahindra Two Wheelers Limited.

"Committee(s)" means Committees of the Board for the time being in force.

"Employee" means employee of the Company whether employed in India or outside India including employees in the Senior Management Team of the Company.

"HR" means the Human Resource department of the Company.

"Key Managerial Personnel" (KMP) refers to key managerial personnel as defined under the Act and includes:

(i) Managing Director (MD), or Chief Executive Officer (CEO); or Manager; or Whole time Director (WTD)

(ii) Chief Financial Officer (CFO); and

(iii) Company Secretary (CS).

"Nomination and Remuneration Committee" (NRC) means Nomination and Remuneration Committee of Board of Directors of the Company for the time being in force.

"Senior Management" means personnel of the Company who are members of its Core Management Team excluding Board of Directors comprising of all members of management one level below the executive directors including the functional heads.

I. APPOINTMENT OF DIRECTORS

- The NRC reviews and assesses Board composition and recommends the appointment of new Directors. In evaluating the suitability of individual Board member, the NRC shall take into account the following criteria regarding qualifications, positive attributes and independence of director:

  1. All Board appointments will be based on merit, in the context of the skills, experience, independence and knowledge, for the Board as a whole to be effective.

  2. Ability of the candidates to devote sufficient time and attention to his professional obligations as Independent Director for informed and balanced decision making.

  3. Adherence to the Code of Conduct and highest level of Corporate Governance in letter and in sprit by the Independent Directors.

- Based on recommendation of the NRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board through the Chairman & Managing Director will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new Director will be co-opted by the Board in accordance with the applicable provisions of the Act and Rules made thereunder.

REMOVAL OF DIRECTORS

If a Director is attracted with any disqualification as mentioned in any of the applicable Act, rules and regulations thereunder or due to non - adherence to the applicable policies of the Company, the NRC may recommend to the Board with reasons recorded in writing, removal of a Director subject to the compliance of the applicable statutory provisions.

SENIOR MANAGEMENT PERSONNEL

The NRC shall identify persons who are qualified to become directors and who may be appointed in senior management team in accordance with the criteria laid down above.

Senior Management personnel are appointed or promoted and removed/relieved with the authority of Chairman & Managing Director based on the business need and the suitability of the candidate. The details of the appointment made and the personnel removed one level below the Key Managerial Personnel during a quarter shall be presented to the Board.

II. SUCCESSION PLANNING:

Purpose

The Talent Management Policy sets out the approach to the development and management of talent in the Mahindra Group to ensure the implementation of the strategic business plans of the Group and the Group Aspiration of being among the Top 50 globally most-admired brands by 2021.

Board

The successors for the Independent Directors shall be identified by the NRC atleast one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor will be appointed at the earliest but not later than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

The successors for the Executive Director(s) shall be identified by the NRC from among the Senior Management or through external source as the Board may deem fit.

The NRC will accord due consideration for the expertise and other criteria required for the successor.

The Board may also decide not to fill the vacancy caused at its discretion.

Senior Management Personnel

A good succession-planning program aims to identify high growth individuals, train them and feed the pipelines with new talent. It will ensure replacements for key job incumbents in KMPs and senior management positions in the organization.

Significantly, we have a process of identifying Hi-pots and critical positions. Successors are mapped for these positions at the following levels:

1. Emergency successor
2. Ready now
3. Ready in 1 to 2 years
4. Ready in 2 to 5 years
5. Ready in more than 5 years

in order to ensure talent readiness as per a laddered approach.

Policy Statement

The Talent Management framework of the Mahindra Group has been created to address three basic issues:

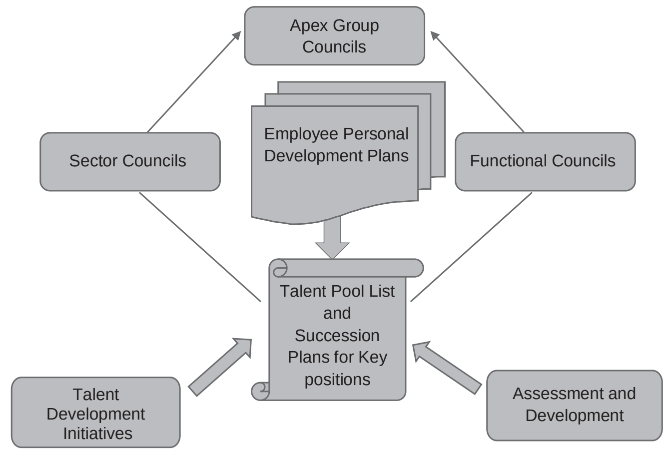
1) Given the strategic business plans, do we have the skills and competencies required to implement them? If not, how do we create them – by developing them internally or through lateral induction from outside?
2) For critical positions, what is the succession pipeline?
3) What are the individual development plans for individuals both in the succession pipeline as well as others?

The framework lays down an architecture and processes to address these questions using the **3E** approach:

a) **Experience** i.e. both long and short-term assignments. This has 70% weightage
b) **Exposure** i.e. coaching and mentoring – 20% weightage
c) **Education** i.e. learning and development initiatives – 10% weightage

The Talent Management process is applicable to all employees. Over the years, the Talent Management framework has become a well-structured and process-oriented system which is driven by an interactive and collaborative network of Talent Councils at the Group and Sector Levels. These Talent Councils, which consist mainly of Senior business leaders supported by HR, are a mix of Sector (Business) and Functional Councils coordinated by an Apex Talent Council, headed by the Group Chairman. The Apex Council reviews the work done by the Talent Councils and facilitates movement of talent across Sectors. The Sector / Functional Councils meet regularly throughout the year and the Apex Council interacts with each one of them separately once a year, and in addition conducts an integrated meeting where the Chairpersons of all the Councils are present.

The Talent Management process can be represented pictorially as under:



The talent pipeline is maintained and developed so as to ensure that there is a seamless flow of talent. An important part of this exercise is drawing up and implementing IDAPs (Individual Development Action Plans) for every Executive concerned using the 3E approach mentioned above.

POLICY FOR REMUNERATION OF THE DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES

Purpose

This Policy sets out the approach to Compensation of Directors, Key Managerial Personnel and other employees in Mahindra Two Wheelers Limited.

Policy Statement

We have a well-defined Compensation policy for Directors, Key Managerial Personnel and all employees, including the Chairman, Presidents and other Members of the Group Executive Board who are employees of the Company. The overall compensation philosophy which guides us is that in order to achieve global leadership and dominance in domestic markets, we need to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in the business.

In order to effectively implement this, we have built our Compensation structure by a regular annual benchmarking over the years with relevant players across the industry we operate in.

NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS:

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both Fixed and variable, to the Non-Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Act and Clause 49 of the Listing Agreement with Stock Exchanges and such other factors as the NRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders' resolution.

Executive Directors:

The remuneration to Chairman & Managing Director and Executive Director(s) shall be recommended by NRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders' resolution. While the fixed compensation is determined at the time of their appointment, the variable compensation will be determined annually by the NRC based on their performance.

Key Managerial Personnel (KMPs)

The terms of remuneration of Chief Executive Officer (CEO), Chief Financial Officer (CFO), Manager of the Company & the Company Secretary shall be determined by the NRC from time to time. The remuneration shall be consistent with the competitive position of the salary for similar positions in the industry and their Qualifications, Experience, Roles and Responsibilities. Pursuant to the provisions of section 203 of the Act the Board shall approve the remuneration at the time of their appointment.

The remuneration to directors, KMPs and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.

Employees

We follow a differential approach in choosing the comparator basket for benchmarking, depending upon the level in the organization:

a. For all employees from Operational to Executive Band, we benchmark with a set of comparators from the same industry.

b. For Strategic band and above, we have a position-based approach and the comparator basket includes benchmarks from across relevant industries.

We have a CTC (Cost to Company) concept which includes a fixed component (Guaranteed Pay) and a variable component (Performance pay). The percentage of the variable component increases with increasing hierarchy levels, as we believe employees at higher positions have a far greater impact and influence on the overall business result. The CTC is reviewed once every year and the compensation strategy for positioning of individuals takes into consideration the following elements:

- Performance
- Potential
- Criticality
- Longevity in grade

Remuneration for the new employees other than KMPs and Senior Management Personnel will be decided by the HR, in consultation with the concerned business unit head at the time of hiring, depending upon the relevant job experience, last compensation and the skill-set of the selected candidate.

The Company may also grant Stock Options to the Employees and Directors (other than Independent Directors and Promoter) in accordance with the ESOP Scheme of the Company and subject to the compliance of the applicable statutes and regulations.

For and on behalf of the Board

Dr. Pawan Kumar Goenka
Chairman

Mumbai, 27th April, 2017

ANNEXURE II

Form No. MR 3
SECRETARIAL AUDIT REPORT

For the financial year ended 31st March, 2017

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,
Mahindra Two Wheelers Limited
Mahindra Towers, P. K. Kurne Chowk
Worli
Mumbai 400 018

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Mahindra Two Wheelers Limited. (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conduct/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorised representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31 March, 2017, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31 March, 2017 according to the provisions of:

(i) The Companies Act, 2013 (the Act) and the rules made thereunder;

(ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder; **(Not applicable to the Company)**

(iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder; **(Not applicable to the Company)**

(iv) Foreign Exchange Management Act, 1999 and the rules and regulations framed thereunder to the extent of overseas direct investment. The provisions of external commercial borrowings and foreign direct investment were not applicable to the Company.

(v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-

(a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011; **(Not applicable to the Company)**

(b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015; **(Not applicable to the Company)**

(c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; **(Not applicable to the Company during)**

(d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; **(Not applicable to the Company)**

(e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; **(Not applicable to the Company)**

(f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; **(Not applicable to the Company)**

(g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; **(Not applicable to the Company)** and

(h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; **(Not applicable to the Company)**

(vi) According to the information provided by the Company, no other law was specifically applicable to the Company.

I have also examined compliance with the applicable clauses of the following:

(i) Secretarial Standards issued by the Institute of Company Secretaries of India.

(ii) Listing Agreements entered into by the Company with Stock Exchanges, if applicable. **(Not applicable to the Company)**

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the

Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the minutes of the meetings duly recorded and signed by the Chairman, the decisions of the Board were unanimous and no dissenting views have been recorded.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period, the following events took place having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards etc. referred to above:

a) The Board of Directors of the Company approved a Scheme of Arrangement (Demerger) for demerging the entire undertaking of the Company dealing with Two-wheeler business, into Mahindra and Mahindra Ltd.; and

b) The Board of Directors allotted on rights basis to the Company's holding Company, Mahindra Vehicle Manufacturers Limited, 340,000,000 equity shares of Rs. 10 each at par aggregating to Rs. 3,400,000,000.

ANNEXURE IV

PARTICULARS AS PER THE COMPANIES (ACCOUNTS) RULES, 2014

A. CONSERVATION OF ENERGY

(i) The steps taken or impact on conservation of energy: After acquiring business assets from Kinetic Motor Company Limited, the Company has started operations to scale up the production of two wheelers at the Pithampur plant. Specific Power and Fuel consumption for F-17 has maintained 36 KWH/eq. veh. as compared the 29 kwh/eq. veh. of F16. However, fuel cost is reduced by 8% as compared to F16. The Company is continuously focusing on measures for saving power and fuel consumption through improved operational methods by optimization of process, sequential operation of different plant loads to reduce the electricity demand from 2000 kva to 1350 kva, recovery of waste solvent, hot washing to cold washing, better house-keeping and awareness programs both to the employees & suppliers resulting in reduced energy consumption & emissions.

(ii) The steps taken by the Company for optimization of fuel by implementing of indirect heating to direct heating technology in paint shop oven and pre-treatment line. There is approx. 30% fuel saving will be reflecting in FY 18.

(iii) The capital investment on energy conservation equipment: Rs. 12 Lakh (Energy & fuel).

B. TECHNOLOGY ABSORPTION Research & Development (R & D)

i) The efforts made towards technology absorption: The Company has developed in-house skills in the area of product design & development through investments in human resource, software, hardware & lab / validation facilities.

ii) The benefits derived like product improvement, cost reduction, import substitution: Company has designed and developed BSIV upgrades of models, Mojo, GUSTO110, GUSTO 125 & Centuro. Also there are significant efforts toward working on Mojo variants like M103 – Low cost Mojo, M104 – Mojo ABS, M105 – Mojo Scrambler & driving the material cost reduction on Mojo platform.

Your Company has till date filed for 83 provisional patents and a few of them are being introduced in our products.

iii) In case of imported technology (imported during the last three years reckoned from the beginning of the financial year) –

(a) the details of technology imported: Nil

(b) the year of import: Nil

(c) whether the technology been fully absorbed: Nil

(d) if not fully absorbed, areas where absorption has not taken place, and the reasons thereof: Nil

iv) Expenditure incurred on Research and Development:

1. Capital -- Rs. 71.67 Lakh
2. Recurring -- Rs. 1,433 Lakh

Percentage of total R & D expenditure to Total turnover: 4.51 %

C. FOREIGN EXCHANGE EARNINGS AND OUTGO

Total Foreign Exchange earnings and outgo during the year under review is as follows:

Rs. In Lakh

	Financial Year 2016-17	Financial Year 2015-16
Total Foreign Exchange earned	**8,499**	6,973
Total Foreign Exchange used	**2,368**	5,172

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF MAHINDRA TWO WHEELERS LIMITED

Report on the Ind AS Financial Statements

We have audited the accompanying Ind AS financial statements of Mahindra Two Wheelers Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2017, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us,the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2017, and its loss, total comprehensive loss, its cash flows and the changes in equity for the year ended on that date.

Emphasis of Matters

We draw attention to Note 25 to the accompanying IND AS financial statements regarding the Scheme of Arrangement for demerger of 'Two Wheelers' business on a going concern basis. The company is in the process of taking necessary steps for obtaining the requisite approvals as may be required for implementation of the scheme.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report, to the extent applicable that:

   a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

   b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

   c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.

   d) In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.

   e) On the basis of the written representations received from the directors as on March 31, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2017 from being appointed as a director in terms of Section 164(2) of the Act.

   f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

   g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

      i. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements; Refer Note- 33 to the Ind AS financial statements.

      ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

iv. The Company has provided requisite disclosures in the Ind AS financial statements as regards its holding and dealings in Specified Bank Notes as defined in the Notification S.O. 3407(E) dated the 8th November, 2016 of the Ministry of Finance, during the period from 8th November 2016 to 30th December 2016; Based on audit procedures performed and the representations provided to us by the management we report that the disclosures are in accordance with the books of account maintained by the Company and as produced to us by the Management. Refer Note- 33(iii) to the Ind AS financial statements.

2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Mahindra Two Wheelers Limited ("the Company") as of March 31, 2017 in conjunction with our audit of Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtainedis sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind ASfinancial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind ASfinancial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

(i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situationof fixed assets.

(b) The fixed assets have not been physically verified during the year but the Company has a system of verifying the fixed assets once in every three years. In our opinion, the frequency of physical verification of fixed assets is reasonable having regard to the size of the Company and the nature of the assets.

(c) In respect of immovable property of buildings included in Property, Plant and Equipment in the financial statements, have been constructed on land taken on lease, in respect of which the lease agreements are in the name of the Company.

(ii) As explained to us, the inventories were physically verified during the year by the management (except for stock lying with third parties for which confirmations have been received) at reasonable intervals and no material discrepancies were noticed on physical verification.

(iii) The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Act.

(iv) In our opinion and according to the information and explanations given to us, the Company has not granted any loans, made investments or provided guarantees and hence reporting under clause 3 (iv) of the Order is not applicable.

(v) According to the information and explanations given to us, the Company has not accepted any deposit within the meaning of provisions of section 73 to 76 or any other relevant provision of the Act and the rules framed thereunder. Hence reporting under clause 3 (v) of the Order is not applicable.

(vi) The maintenance of cost records has not been specified by the Central Government under section 148(1) of the Act. Hence reporting under clause 3(vi) of the Order is not applicable.

(vii) According to the information and explanations given to us, in respect of statutory dues:

(a) The Company has been generally regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax,Customs Duty, Excise Duty, Value Added Tax, cess and other material statutory dues applicable to it to the appropriate authorities. Based on our audit procedure and according to the information and explanation given to us, there are no arrears of statutory dues which had remained outstanding as at March 31, 2017 for a period of more than six months from the date they become payable.

(b) According to the information and explanation given to us and records of the Company, the details of dues of the Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, and Value Added Tax which have not been deposited as on March 31, 2017 on account of disputes are given below:

Name of Statute	Nature of Dues	Forum where Dispute is Pending	Period to which the Amount Relates	Amount Involved (Rs. Lacs)	Amount Unpaid (Rs. Lacs)
Central Sales Act and Local Tax Laws	Sales Tax	Appellate Tribunal Board, Ernakulum	2010-11	5.93	5.93
		Deputy Commissioners (Appeals - I), Ernakulum	2013-14	4.14	4.14

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

1. CORPORATE INFORMATION

Mahindra Two Wheelers Ltd. (MTWL) is subsidiary of Mahindra Vehicle Manufacturers Limited (w.e.f 17 February 2016). MTWL is engaged in the business of manufacturing & selling motorized two-wheeler vehicles.

MTWL has a manufacturing plant located at Pithampur near Indore and an assembly unit at SUPA near Ahmednagar. MTWL also has R&D center at Chinchwad, Pune.

2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with Indian Accounting Standards (IND AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) Rules, 2016. The Company adopted IND AS from 1st April, 2016.

The financial statements are presented in Indian Rupees (INR) which is also the Company's functional currency.

Upto the year ended 31 March 2016, the Company prepared its financial statements in accordance with the requirements of previous GAAP, which includes Standards notified under the Companies (Accounting Standards) Rules, 2006. These are the Company's first Ind AS financial statements.

3. SIGNIFICANT ACCOUTING POLICIES

3.01 Basis of accounting preparation and presentation

These financial statements have been prepared on the historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

3.02 Use of estimate

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expense for the periods presented.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected.

Key source of estimation of uncertainty at the date of the financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of impairment of assets, useful lives of property, plant and equipment, valuation of deferred tax assets and provisions and contingent liabilities. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known/materialize.

Useful lives of property, plant and equipment

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

Provisions and contingent liabilities

A provision is recognized when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which the reliable estimate can be made. Provisions (excluding retirement benefits and compensated absences) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date adjusted to reflect the current best estimates. Contingent liabilities are not recognized in the financial statements. A contingent asset is neither recognized nor disclosed in the financial statements.

Product warranty expenses

The estimated liability for product warranties is accounted when products are sold. These estimates are established using historical information on the nature, frequency and average cost of warranty claims and management estimates regarding possible future incidence based on corrective actions on product failures.

3.03 Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced for estimated customer returns, rebates and other similar allowances.

(i) Sale of goods

Sale of products including export benefits thereon are recognized, net of discounts and sales incentives, when the products are shipped, after following conditions are satisfied:

- the Company has transferred to the buyer the significant risks and rewards of ownership of the goods;
- the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- the amount of revenue can be measured reliably;
- it is probable that the economic benefits associated with the transaction will flow to the Company; and the costs incurred or to be incurred in respect of the transaction can be measured reliably.

Revenue from operation includes Excise Duty but excludes Sales Tax and Value Added Tax.

(ii) Benefit on account of entitlement of export benefits like Duty drawback scheme & Focus Market scheme is accounted in the year of export.

(iii) Dividend income from investments is recognized when the right to receive payment has been established.

(iv) Royalty revenue is recognized on an accrual basis in accordance with the substance of the relevant agreement.

(v) Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

3.04 Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Operating Lease

Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognized on a straight-line basis over the lease term. Operating lease payments are recognized as an expense on a straight-line basis over the lease term.

3.05 Foreign Currency

Transactions in currencies other than the Company's functional currency (foreign currencies) are recognized at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated. Exchange differences on monetary items are recognized in profit or loss in the period in which they arise except for exchange differences on transactions entered into in order to hedge certain foreign currency risks.

3.06 Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognized in profit or loss in the period in which they are incurred.

3.07 Employee benefits

1. Defined Contribution Plan:

Provident Fund: The eligible employees of the Company are entitled to receive benefits under the provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employee's salary. The contributions as specified under the law are paid to the Central Government Provident Fund and the Family Pension Fund and the same is charged to the Statement of Profit and Loss of the year when the contributions to the respective funds are due and when services are rendered by the employees.

2. Defined Benefit Plan:

For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding interest), is reflected immediately in the statement of financial position with a charge or credit recognized in other comprehensive income in the period in which they occur. Re-measurement recognized in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to profit or loss. Past service cost is recognized in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorized as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- re-measurement.

(i) Gratuity:

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides for a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15/26 days salary payable for each completed year of service. Vesting occurs upon completion of five years of service. The Company accounts for the liability for gratuity benefits payable in future based on an independent actuarial valuation. The gratuity plan is funded plan and the Company makes the contributions to the recognized funds.

(ii) Compensated Absences:

The Company provides for the encashment of compensated absences with pay subject to certain rules. The employees are entitled to accumulate compensated absences subject to certain limits, for future encashment. Accumulated leave, which is expected to be utilized within the next twelve months, is treated as short-term employee benefit and the accumulated leave expected to be carried forward beyond twelve month is treated as long-term employee benefit which are provided based on the number of days of un utilized compensated absence on the basis of an independent actuarial valuation.

3.09 Taxation

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred tax are recognized in profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity, respectively. Income tax expense represents the sum of the tax currently payable and deferred tax.

Current income tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit or loss and other comprehensive income because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible.

The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred income taxes

Deferred tax is recognized using the balance sheet approach. Deferred tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount.

Deferred income tax asset are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized. The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled. Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis.

3.10 Property Plant and Equipment

Property Plant and Equipment (PPE) are stated at cost of acquisition or construction where cost includes amount added/deducted on revaluation less accumulated depreciation / amortization and impairment loss, if any. All costs relating to the acquisition and installation of property plant and equipment are capitalized and include borrowing costs relating to funds attributable to construction or acquisition of qualifying assets, up to the date the asset / plant is ready for intended use. The cost of replacing a part of an item of property, plant and equipment is recognized in the carrying amount of the item of property, plant and equipment, if it is probable that the future economic benefits embodies within the part will flow to the Company and its cost can be measured reliably with the carrying amount of the replaced part getting derecognized. The cost for day-to-day servicing of property, plant and equipment are recognized in Statement of Profit and Loss as and when incurred.

Depreciation is calculated on straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc:

i) Plant and machinery - 5 - 10 years

ii) Vehicles - 3 years for R&D vehicles and 8 years for other vehicles

iii) Office equipment - 2 years

iv) Assets costing less than Rs 5000 each - 1 year

3.11 Intangible Assets

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Following summarizes the nature of intangible and the estimated useful life:

(a) Technical Know-how - 5 years

(b) Software Costs - 3 years

(c) Product development expenditure - 5 years

3.12 Impairment

(i) Financial assets (other than at fair value)

The Company assesses at end of each reporting period whether a financial asset or a group of financial assets is impaired.

Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

(ii) Non-financial assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in the statement of profit or loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in the statement of profit or loss.

3.13 Inventories

Inventories are stated at the lower of cost and net realizable value after providing for obsolescence and other losses, where considered necessary. Net realizable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale. In determining the cost of inventories the moving weighted average method is used in respect of “raw materials”, “stores and spares” and “spares for resale”. Cost of work-in-progress and manufactured finished goods include material cost, labor and manufacturing overheads on the basis of full absorption costing. Excise duty in respect of inventory of finished goods manufactured is shown separately as an item of expense and included in valuation of inventory of finished goods.

3.14 Financial instruments

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

Financial assets at amortized cost

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless it is measured at amortized cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognized in profit or loss.

Financial liabilities

Financial liabilities are measured at amortized cost using the effective interest method.

Equity instruments

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Equity instruments recognised by the Company are recognised at the proceeds received net off direct issue cost.

3.15 Earning Per Share

The Company reports basic and diluted earnings per share in accordance with Ind AS 33 on Earnings per share. Basic earnings per share is computed by dividing the net profit or loss for the period by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit or loss for the period by the weighted average number of equity shares outstanding during the period as adjusted for the effects of all diluted potential equity shares except where the results are anti-dilutive.

3.16 Research and development expenses

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products are also charged to the Statement of Profit and Loss unless a product’s technical feasibility has been established, in which case such expenditure is capitalized. The amount capitalized comprises expenditure that can be directly attributed or allocated on a reasonable and consistent basis to creating, producing and making the asset ready for its intended use. Property plant & equipment & Intangible assets utilized for research and development are capitalized and depreciated/amortized in accordance with the policies stated for Property plant & equipment & Intangible assets.

3.17 Operating Segments

Information reported to the chief operating decision maker (CODM) for the purposes of resource allocation and assessment of segment performance focuses on the types of goods or services delivered or provided. The Company is in the business of manufacture and sale of two wheelers, which in the context of Indian Accounting Standard 108 ‘Segment Information’ represents single reportable business segment. The accounting policies of the reportable segments are the same as the accounting policies disclosed in Note 3. The revenues, total expenses and net profit as per the Statement of profit and loss represents the revenue, total expenses and the net profit of the sole reportable segment. This is the measure reported to the chief operating decision maker for the purposes of resource allocation and assessment of segment performance.

3.18 Cash flow statement

The Cash Flow Statement is prepared by the indirect method set out in Ind AS 7 on Cash Flow Statements and presents cash flows by operating, investing and financing activities of the Company.

3.19 Current Non-Current Classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is classified as current when it satisfies any of the following criteria:

- It is expected to be realized or intended to sold or consumed in normal operating cycle
- It is held primarily for the purpose of trading
- It is expected to be realized within 12 months after the date of reporting period, or
- Cash and cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after reporting period.

Current assets include the current portion of non-current financial assets.

All other assets are classified as non-current.

A liability is current when it satisfies any of the following criteria:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within 12 months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period

Current liabilities include the current portion of long term financial liabilities. The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets and their realization in cash and cash equivalents. The Company has identified 12 months as its operating cycle.

3.20 Share Capital

Ordinary Shares

Ordinary shares are classified as equity. Incremental costs, if any, directly attributable to the issue of ordinary shares are recognized as a deduction from equity, net of any tax effects.

3.21 Fair Value Measurement

Fair value is the price that would be received from the sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell an asset or transfer the liability takes place either:

- In the principle market for the asset or liability
- In the absence of principle market, in the most advantageous market for the asset or liability.

The principle or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 – Quoted (Unadjusted) Market prices in active markets for incidental assets or liabilities
- Level 2 –Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 – Valuation Techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers that have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

Determination of Fair Value

1) Financial Assets

The fair value of financial assets is estimated as the present value of future cash flows, discounted at the market rate of interest at the reporting date. This fair value is determined for disclosure purpose.

2) Non-Derivative financial liabilities

Fair Value, which is determined for disclosure purposes, is calculated based on the present value of future principle and interest cash flows, discounted at the market rate of interest at the reporting date.

3) Investments in Mutual Funds

The fair value of available mutual funds held for trading is determined with reference to their net asset value as at the reporting date and is recorded as other income/expense. The Company invests its surplus funds in mutual funds. These investments have been classified as FVTPL by the management.

3.22 First-time adoption of Ind AS:

These financial statements, for the period ended March 31, 2017, has been prepared in accordance with Ind AS. For periods, up to and including the year ended March 31, 2016, the Company prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP). In preparing these financial statements, the Company's opening balance sheet was prepared as at April 01, 2015, the Company's date of transition to Ind AS. This note explains the principal adjustments made by the Company in restating its Indian GAAP financial statements, including the balance sheet as at April 01, 2015.

Exceptions from full retrospective application:

- De-recognition of financial assets and liabilities exception - Financial assets and liabilities de-recognized before transition date are not re-recognized under Ind AS.
- Estimates exception - On an assessment of the estimates made under the Previous GAAP financial statements, the Company has concluded that there is no necessity to revise the estimates under Ind AS, as there is no objective evidence that those estimates were in error. However, estimates, that were required under Ind AS but not required under Previous GAAP, are made by the Company for the relevant reporting dates, reflecting conditions existing as at that date without using any hindsight.
- The remaining mandatory exceptions either do not apply or are not relevant to the Company.

Note - 4 Property, Plant and Equipment

– Scheme of Arrangement

The Board of Directors of the Company in their meeting held on December 3, 2016, approved the Scheme of Arrangement between the Company and Mahindra & Mahindra Limited ("the Resulting Company") and their respective Shareholders and Creditors ("the Scheme") for demerger of the Two Wheelers Business, inter alia, consisting of entire undertaking, business, activities and operations pertaining to the Two Wheelers Business ("Demerged Undertaking") of the Company and its transfer as a going concern to the Resulting Company with effect from October 1, 2016 or such other date as may be directed or approved by the High Court ("the Appointed Date"), in consideration of allotment of 1 (One) Ordinary (Equity) Shares of Rs. 5 each fully paid-up of the Resulting Company to the shareholders of the Company for every 461 (Four Hundred Sixty One) equity shares fully paid-up held by them in the Company, based on an independent joint valuation report. Fractional entitlements to be rounded-off to the next higher whole number.

Further in terms of the Scheme, the aggregate of balance in Retained Earnings as at September 30, 2016 and the additional amount debited to Reserves (balance in Retained Earnings), if any, arising due to excess of assets over liabilities transferred under the Scheme is to be written off against the Securities Premium Account and the Share Capital of the Company, resulting in reduction of Securities Premium Account, as on close of business hours on September 30, 2016, aggregating Rs. 741.73 Lakhs and reduction of the paid-up equity share capital of the Company by Rs. 299,239.24 Lakhs being effect of reduction in face value and paid-up value of each equity share from Rs. 10/- (Rupees Ten only) to Rs. 0.02 (Two Paisa only) per share.

The company is in the process of taking necessary steps for obtaining the requisite approvals (shareholders\ creditors\ authorities\Honorable High Court\ National Company Law Tribunal) as may be required for implementation of the scheme, pending which no adjustments thereof has been made in these financial statements.

25(a) - Further, the Vehicles undertaking has been classified as " Discontinued Operations" in financial statements of the Company. The major classes of assets and liabilities of the vehicle undertaking at the end of the year are as follows:

Note 25(c) - The amount pertaining to continuing and discontinued operations have been segregated considering specific assets and liabilities identified to the respective operations and interchangeable assets and liabilities allocated on the following basis -

- **Cash and Cash equivalents:** Based on the specific designated bank accounts identified by the Management.
- **Employee Benefits:** In proportionate of the salary cost of the employee identified to the respective operation.
- **Trade payables and advances to suppliers:** In proportionate of the cost of goods sold of the respective business.
- **VAT liabilities, VAT input credits:** In proportionate of the cost of goods sold of the respective business.

Note 25(d) - 'During the current year the Company has continued to incur losses and as at the year end it's net-worth is substantially eroded with the accumulated losses aggregating to Rs 286,706.25 Lacs. The Company is in the process of demerging its two wheeler business and has filed "Scheme of Arrangement" as explained in detail in note no. 25. Accordingly, considering the demerger of the two wheeler business, continued support from the holding company and business plan of the continuing operations, in the opinion of the management, the Company will be able to generate profits in the future in excess of its accumulated losses and continue to operate as a going concern.

Note - 26 Reconciliation with previous GAAP

Notes to reconciliation of equity as at April 01, 2015 & March 31 2016

i Leasehold Land:

Company has leasehold land in its books of accounts. As per Ind AS, leasehold land is considered as operating lease. Accordingly, premium paid is considered as prepayment, March 31,16 Rs. 1556.61 Lacs, (April 1, 2015 Rs 1,652.40 Lacs) of lease charges and same is charged to Statement of Profit and Loss over the period of lease. The prepayment is disclosed under Other non current assets/Other current assets.

ii Financial Assets:

Company has recognized derivative assets of call option PMTC (Europian subsidiary) amounted to Rs 1,475.38 under IND AS and original I GAAP investment value has been reducedto that extent.

iii Borrowings

IND AS 109, requires transaction cost incurred towards origination of borrowings to be deducted from the carrying amount of borrowings on initial recognition. These cost are recognized in the profit or loss over the tennure of borrowing as a part of interest expenses by applying the effective interest rate method. Under previous GAAP, these transaction cost were charged to profit or loss as and when incurred. Accordingly, borrowing as on March 31,2016 have been reduced by Rs. 0.91 Lac March 31, 2016 (Apri 01, 2015 Rs 5.07 Lacs).

iv Security Deposits

Under the previous GAAP, interest free security deposits (that are refundable in cash on completion of the lease term) are recorded at their transaction value. Under Ind AS, all financial assets are required to be recognised at fair value. Accordingly, the company has fair valued these security deposits under Ind AS. Difference between the fair value and transaction value of the security deposit has been recognised as prepaid rent. Consequent to this change, the amount of security deposits decreased by Rs 9.20 Lacs as at March 31,2016 (April 01, 2015 - Rs 10.59 Lacs). The prepaid rent increased by Rs 8.87 Lacs as at March 31, 2016 (April 01, 2015 Rs 9.68 Lacs).

v Provision

Under Indian GAAP, the Company has accounted for provisions (warranty & free service coupon), including long term provision, at the undiscounted amount. Ind AS 37 requires that where the effect of time value of money is material, the amount of provision should be the present value of the expenditures expected to be required to settle the obligation. Ind-AS 37 also provides that where discounting is used, the carrying amount of a provision increases in each period to reflect the passage of time. This change reduced the provision by Rs 46.55 Lacs as at March 31, 2016 (April 01, 2015 Rs 39.46 Lacs).

vi Effects of transition to Ind AS on retained earnings:

Retained earnings as at April 01, 2015 has been adjusted consequent to the above Ind AS transition adjustments.

V	**Loss before tax**		(61,517.42)	239.96	(61,198.49)	(78.97)

Notes to reconciliation with previous GAAP as on March 31, 2016.

i Provisions

Under Indian GAAP, the Company has accounted for provisions (warranty & free service coupon), including long term provision, at the undiscounted amount. Ind AS 37 requires that where the effect of time value of money is material, the amount of provision should be the present value of the expenditures expected to be required to settle the obligation. Ind-AS 37 also provides that where amount is discounted, the carrying amount of a provision increases in each period to reflect the passage of time which is Rs 10.50 lacs reported under other income in IND AS.

ii Foreign currency term loan

Foreign Currency Term Loan- Forward Cover – impact of Mark to Market - of Rs. 186.58 Lacs & reversal of forward premium Rs. 110.74 Lacs. I GAAP other income consist of Net gain on foreign currency transaction of Rs 98.50 lac which is reversed due to mark to market loss impact reversal on foreign currency term loan.

iii Employee benefits expense

Acturial valuation losses recognized through other comprehensive income of Rs 298.76 lacs. Employee stock options fair valuation - difference between intrinsic value and fair value of Rs 2.56 lacs.

iv Depreciation & Amortization

Under Indian GAAP, leasehold land was considered as part of property plant and equipment, the same was amortised over the period of lease whereas under Ind AS leasehold land is treated as operating lease and reclassified under prepayment. The amount is charged to Lease rental on systematic basis over the period of lease

v Excise Duty

Under the previous GAAP, revenue from sale of products was presented exclusive of excise duty. Under Ind AS, revenue from sale of goods is presented inclusive of excise duty. The excise duty paid is presented on the face of the statement of profit & loss as a part of expenses. This change has resulted in an increase in total revenue and total expenses for the year ended 31st March 2016 by INR 7290.50 Lacs. Their is no impact on the total equity and Profit.

Note - 27 Financial Instruments

Capital management

The company's capital management objectives are:

The Board policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The board of directors monitors the return on capital employed.

The Company manages capital risk by maintaining sound/optimal capital structure through monitoring of financial ratios, such as debt-to-equity ratio and net borrowings-to-equity ratio on a monthly basis and implements capital structure improvement plan when necessary.

The Company uses debt ratio as a capital management index and calculates the ratio as total liabilities divided by total equity. Total liabilities and total equity are based on the amounts stated in the separate financial statements.

Debt-to-equity ratio (including liabilities directly associated with assets held for sale) is as follows:

	March 31, 2017	March 31, 2016	April 01, 2015
Debt (A)	**3,543.97**	19,957.31	13,819.93
Equity (B)	**14,018.71**	27,151.04	32,383.27
Debt Ratio (A / B)	**0.25**	0.74	0.43

At the end of the reporting period, there are no significant concentrations of credit risk for financial assests designed at FVTPL. The carrying amount reflected above represents the company's maximum exposure to credit risk to such financial assets.

Financial Risk Management Framework

The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk and market risk. In order to manage the aforementioned risks, the Company operates a risk management policy and a program that performs close monitoring of and responding to each risk factors.

CREDIT RISK

(i) Credit risk management

Credit risk is the risk of financial loss arising from counterparty failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks. Credit risk is controlled by analyzing credit limits and creditworthiness of customers on a continuous basis to whom the credit has been granted after obtaining necessary approvals for credit.

Financial instruments that are subject to concentrations of credit risk principally consist of trade receivables, investments, derivative financial instruments, cash and cash equivalents, bank deposits and other financial assets. None of the financial instruments of the Company result in material concentration of credit risk.

The credit risk on liquid funds and derivative financial instruments is limited because the counterparties are banks with high credit-ratings.

There is no change in estimation techniques or significant assumptions during the reporting period.

Movement in the expected credit loss allowance: (Including assets classified as held for sale)

Particulars	March 31, 2017	March 31, 2016	March 31, 2015
	Rs. In Lacs		
Balance as at beginning of the year	381.47	324.33	218.56
Movement in the expected credit loss allowance on trade receivables calculated at lifetime expected credit losses	59.07	83.62	148.63
Amounts recovered during the year	(62.85)	(26.48)	(42.86)
Balance at end of the year	377.70	381.47	324.33

LIQUIDITY RISK

(i) Liquidity risk management

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities. Refer note no. 25(d) for going conern.

(ii) Maturities of financial liabilities

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows.

MARKET RISK

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in the foreign currency exchange rates, interest rates, credit, liquidity and other market changes. The Company's exposure to market risk is primarily on account of foreign currency exchange rate risk

a) Foreign Currency exchange rate risk

The Company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise. Exposure to currency risk relates primarily to the Company's operating activities and borrowings when transactions are denominated in a different currency from the Company's functional currency.

The fluctuation in foreign currency exchange rates may have potential impact on the statement of profit or loss and other comprehensive income and equity, where any transaction references more than one currency or where assets / liabilities are denominated in a currency other than the functional currency of the respective entities.The Company evaluates the impact of foreign exchange rate fluctuations by assessing its exposure to exchange rate risks. It hedges a part of these risks by using derivative financial instruments in line with its risk management policies. The information on derivative instruments is as follows.

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows.

			177.84		**225.34**		**340.33**

Foreign Currency Sensitivity

The following tables demonstrate the sensitivity to a reasonably possible change in foreign currency exchange rates, with all other variables held constant. The impact on the Company's profit before tax is due to changes in the fair value of monetary assets and liabilities.

	Currency	**Change in rate**	**Effect on profit before tax (Loss)**	**Effect on pre-tax equity (Loss)**
March 31, 2017	USD	+10%	139.23	139.23
Based on YOY change between F16 & F17	USD	-10%	(139.23)	(139.23)
Based on YOY change between F16 & F17	EUR	+10%	(15.92)	(15.92)
	EUR	-10%	15.92	15.92
	GBP	+10%	(0.01)	(0.01)
	GBP	-10%	0.01	0.01
	CHF	+10%	(0.05)	(0.05)
	CHF	-10%	0.05	0.05
March 31, 2016	USD	+10%	38.08	38.08
Based on YOY change between F15 & F16	USD	-10%	(38.08)	(38.08)
Based on YOY change between F15 & F16	EUR	+10%	(13.02)	(13.02)
	EUR	-10%	13.02	13.02
	GBP	+10%	(0.65)	(0.65)
	GBP	-10%	0.65	0.65

In management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's short-term debt obligations with floating interest rates.

Interest rate sensitivity

The sensitivity analyses below have been determined based on exposure to interest rate. For floating rate liabilities, analysis is prepared assuming the amount of liability outstanding at the end of the reporting period was outstanding for the whole year. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

Rs. In Lacs

	Currency	Increase/ decrease in basis points	Effect on profit before tax (Loss)
March 31, 2017	INR	+100	(20.44)
	INR	-100	20.44
March 31, 2016	INR	+100	(121.58)
	INR	-100	121.58

Note - 28 Fair Value Measurement

Fair Valuation Techiques and Inputs used - recurring Items

Level 1 - Quoted (Unadjusted) Market prices in active markets for incidental assets or liabilities

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 - Valuation Techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

a) Continuing operations Rs. Nil (P.Y. 2016 - Rs. Nil, (P.Y. 2015 -Rs. Nil)

b) Discontinued operation:-

Rs. In Lacs

Note - 30 Employee benefits (Including related to assets classified as held for sale and liabilities directly associated with asset held for sale)

(a) Defined Contribution Plan

Amount recognized as an expense in the Statement of Profit and Loss in respect of Defined Contribution Plans is Rs. INR 300.51 Lacs (March 31, 2016 Rs 471.21 Lacs)

(b) Defined Benefit Plans:

Gratuity

The company provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972, Gratuity is a benefit to an employee based on 15 days last drawn salary for each completed year of service. The benefit vests upon completion of five years of continuous service and once vested it is payable to employees on retirement or on termination of employment. In case of death while in service, the gratuity is payable irrespective of vesting. The gratuity is funded plan and the compamy makes contribution to recognised funds in India.

Actuarial gains and losses in respect of defined benefit plans are recognised in the Financial statements through other comprehensive income.

Through its defined benefit plans the Company is exposed to a number of risks, the most significant of which are detailed below:

Asset volatility

The plan liabilities are calculated using a discount rate set with references to government bond yields; if plan assets under perform compared to the government bonds discount rate, this will create or increase a deficit.

As the plans mature, the Company intends to reduce the level of investment risk by investing more in assets that better match the liabilities.

Changes in bond yields

A decrease in government bond yields will increase plan liabilities, although this is expected to be partially offset by an increase in the value of the plans' bond holdings.

Life expectancy

The majority of the plan's obligations are to provide benefits for the service life of the member, so increases in servie life expectancy will result in an increase in the plan's liabilities. This is particularly significant in the Company's defined benefit plans, where inflationary increases result in higher sensitivity to changes in service life expectancy.

The significant actuarial assumptions used for the purposes of the actuarial valuations were as follows:

Particulars	Valuation as at March 31, 2017	Valuation as at March 31, 2016	Valuation as at March 31, 2015
Discount rate(s) (%)	**6.9**	7.6	8
Expected rate(s) of salary increase(%)			
– Staff	**10**	10	10
– Workers	**10**	10	7.5
Average Longevity	**4.21**	4.15	4.33
Medical inflation	**NA**	NA	NA

Rs. In Lacs

Particulars	Funded Plan Gratuity		
	2017	2016	2015
IV. The Major categories of plan assets			
Debt instruments (quoted)	**87%**	95%	70%
V. Actuarial assumptions			
1. Discount rate (%)	**6.90**	7.60	8.00
2. Expected rate of return on plan assets (%)	**7.60**	8.00	8.90
3. Attrition rate (%)	**20.00**	20.00	20.00

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

Rs. In Lacs

Principal assumption		Changes in assumption	Impact on defined benefit obligation: Increase in assumption	Decrease in assumption
Discount rate				
	2017	**1.00%**	**45.37**	**(48.95)**
	2016	1.00%	50.45	(54.11)
	2015	1.00%	52.18	(56.15)
Salary growth rate				
	2017	**1.00%**	**(36.66)**	**34.76**
	2016	1.00%	(40.15)	38.29
	2015	1.00%	(42.24)	40.07
Life expectancy				
	2017	**1.00%**	**4.90**	**(5.23)**
	2016	1.00%	5.85	(6.25)
	2015	1.00%	0.95	(1.05)

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the Balance sheet.

The methods and types of assumptions used in preparing the sensitivity analyses did not change compared to previous period.

To provide an indication of the effect of the defined benefit plan on the entity's future cash flows, an entity shall disclose:

a description of any funding arrangements and funding policy that affect future contributions

The Company expects to contribute Rs. 120 lac to the gratuity trusts during the next financial year of 2018. (Previous year Rs. 480.00 lacs).

Maturity profile of defined benefit obligation:

Rs. In Lacs

Particulars	2017	2016	2015
Within 1 year	**374.24**	433.52	308.68
1 - 2 year	**199.88**	355.91	261.75
2 - 3 year	**202.95**	340.42	254.85
3 - 4 year	**176.76**	330.68	241.84
4 - 5 year	**174.59**	306.10	245.22
5 - 10 years	**715.61**	1,190.21	969.43

Plan Assets

The fair value of Company's gratuity plan asset as of 31 March 2017,2016 and 2015 by category are as follows:

Asset category:	2017	2016	2015
Cash and cash equivalents/ Money market instruments/ Others	**13%**	5%	30%
Debt instruments (quoted)	**87%**	95%	70%
	100%	100%	100%

The Company's policy is driven by considerations of maximizing returns while ensuring credit quality of the debt instruments. The asset allocation for plan assets is determined based on investment criteria prescribed under the Indian Income Tax Act, 1961, and is also subject to other exposure limitations. The Company evaluates the risks, transaction costs and liquidity for potential investments. To measure plan asset performance, the Company compares actual returns for each asset category with published benchmarks. Bench mark return for corporate bond fund was 11.09%, actual fund in which company funds are invested has generated return of 9.45%.

The weighted average duration of the defined benefit obligation as at March 31, 2017 is 4.67 years. (March 31, 2016 is 5.14 years,2015: 5.5 years)

Rs. In Lacs

VIII. Experience Adjustments :	Period Ended 2017	2016	2015
		Gratuity	
1. Defined Benefit Obligation	**1,264.52**	1,919.60	1,414.22
2. Fair value of plan assets	**1,144.53**	1,439.16	1,387.03
3. Surplus/(Deficit)	**(119.99)**	(480.44)	(27.19)
4. Experience adjustment on plan liabilities [(Gain)/Loss]	**(47.63)**	145.50	(88.39)
5. Experience adjustment on plan assets [Gain/(Loss)]	**63.87**	(7.88)	(4.13)

The expected rate of return on plan assets is based on the average long term rate of return expected on investments of the fund during the estimated term of obligation.

The estimate of future salary increases, considered in actuarial valuation, takes account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

Note - 31 Operating Lease

The Company has entered into operating lease arrangements for land at Pithampur (MP) and Supa (MH). The leases are non-cancellable and are for a period of 75 years & 83 years respectively and may be renewed for a further period on mutual agreement of the parties.

DIRECTORS' REPORT

Your Directors present their Report together with the audited accounts of the Company for the period ended 31st March 2017.

Company Operations

Your Company was primarily focused on marketing and sales of the GenZe 2.0 electric scooter and the e101 and e102 electric bike to consumers and fleet customers in the United States. Having commenced shipments on December 1, 2015, the Company shipped over 833 scooters and 1291 e-bikes to consumers and fleet customers primarily in the United States in this fiscal year. This represents a 3X rate of sales over the last fiscal year. Key shipments include 600 scooters to Scoot Networks in San Francisco. These vehicles have amassed over a million miles on the road making GenZe the largest scooter fleet in the United States. It is our pleasure to report that the Genze 2.0 shipped to customers have been operating with minimal downtime and service rates. In addition, continual data on the scooters is being received from the telematics unit on the vehicle. In addition, the Genze e-bike is being sold through road shows in Costco, the second largest big-box retailer in the United States. Over 700 e-bikes were sold in Costco in this fiscal year. In addition, your company continued its rapid pace of product development activities and launched its own version of the electric scooters for fleets (named 2.0e & 2.0f), a lower handle bar version for consumers (named 2.0s) and is rapidly expanding its product offering in the e-bike category in this fiscal year with the introduction of the 200 series GenZe designed e-bikes. Through these efforts your company will continue to be the leader in electric scooters and e-bikes in the United States.

INDEPENDENT AUDITORS' REPORT

Board of Directors

Mahindra Tractor Assembly, Inc.

We have audited the accompanying financial statements of Mahindra Tractor Assembly, Inc. ('the Company') which comprise of balance sheets as of March 31, 2017 and March 31, 2016 and the related statements of loss, stockholder's equity and cash flows for the years then ended and the related notes to the financial statements.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly in all material respects, the financial position of Mahindra Tractor Assembly, Inc. as of March 31, 2017 and March 31, 2016 and the results of its operations and its cash flows for the years then ended, in accordance with the accounting principles generally accepted in the United States of America.

Emphasis of matter

The presentation of financial information in Indian rupees in the financial statements is not a required part of the basic financial statements. We have verified the arithmetic accuracy of the presentation based upon exchange rate provided by the Company's management. We did not audit and do not express an opinion on such information, and our opinion is not modified with respect to this matter.

NOTES TO FINANCIAL STATEMENTS

NOTE A - NATURE OF OPERATIONS

Mahindra Tractor Assembly, Inc. ("MTAI" or the "Company"), a company incorporated in the State of Delaware on January 25, 2013, commenced business on April 1, 2013. The Company was owned by Mahindra USA, Inc. ("MUSA"), a Texas Corporation. MUSA is a subsidiary of Mahindra & Mahindra Limited ("M&M"); a public listed Indian company ("the ultimate parent company").

Ownership of MTAI was transferred from Mahindra USA, Inc. to Mahindra Overseas Investment Company Mauritius Limited ("MOICM") in November 2014, by issuance of 5,600,000 additional shares of $1 each. Further 10,000 shares held by Mahindra USA, Inc. were also transferred to the new parent company, MOICM.

The Company was formed to manufacture or assemble and sell electric powered bikes and scooters (hereinafter the "Mahindra GenZe Product" or "the Product").

On April 1, 2013, MTAI, entered into an agreement with M&M., to develop the Product, establish the component supply chain and determine the marketing channels for future sales of the Product. The scope of services that the Company rendered to M&M per the agreement included –

1. Engaging the services of design, prototyping, engineering experts for development of the Product.
2. Engaging with state level and other authorities for testing of product and other statutory and other approvals as may be necessary for development of the Product.
3. Registering the use of intellectual property resulting out of the services engagement.
4. Establish a reliable supply chain for the entire bill of materials developed for the Product.
5. Determine and develop alternative marketing channels for the Product.

The above agreement however has been discontinued with effect from April 1, 2015.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies applied in the preparation of the accompanying financial statements is as follows:

1. *Basis of preparation*
   a. The accompanying financial statements are prepared under the historical cost convention on the accrual basis of accounting in accordance with the accounting and reporting requirements of generally accepted accounting principles in the United States ('US GAAP') to reflect the financial position, results of operation and cash flows of the Company. The Company meets the definition of a non-public entity and accordingly, relaxations from specific disclosures have been considered wherever available.
   b. The financial statements are for the year April 1, 2016 to March 31, 2017 and April 1, 2015 to March 31, 2016.
   c. The financial information in this report is shown in both US Dollars (USD) and in Indian Rupees (INR). For March 31, 2017 and March 31, 2016, dollar amounts are translated for convenience into Indian rupees at exchange rate of 64.88 INR per dollar. These rates are average of the telegraphic transfer buying and selling rates quoted by the Mumbai branch of State Bank of India on March 31, 2017. Within the notes to the financial statements, Indian rupee amounts are shown parenthetically following the U.S. dollar amount.
   d. Certain reclassifications, regroupings and reworking have been made in the financial statements of prior periods to conform to the classifications used in the current year. These changes had no impact on previously reported net loss or stockholder's equity.
2. *Use of estimates*

   The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. The management's estimates for realization of deferred tax assets, useful life of fixed assets and intangible assets, allowance for discounts and rebates, inventory reserve, valuation of acquired intangibles, allowance for doubtful debts and estimation relating to unsettled transactions and events at the balance sheet date represent certain of these particularly sensitive estimates. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Any revision to accounting estimates is recognized prospectively in the current and future periods.
3. *Cash and cash equivalents*

   The Company considers all cash accounts, money market accounts, and certificates of deposit with maturities of less than three months to be cash and cash equivalents. Cash balances in bank accounts are insured by the Federal Deposit Insurance Corporation up to an aggregate of $250,000 (INR 16,220,000). The Company believes it is not exposed to any significant risk on cash and cash equivalents.
4. *Revenue recognition*

   <u>Sale of products</u>

   The Company recognizes revenues from sale of assembled E-Bikes and manufactured GenZe 2.0 Electric Scooters (collectively known as "GenZe Products") and their related accessories. Sales through distributors are recognized as revenue upon sale to the distributor as these sales are considered to be final and no right of return or price protection exists. Sales to customers, when not made on consignment, are recognized upon shipment.

   Revenue from sale of goods is recognized specifically when all the following conditions are met:

   a. There is a persuasive evidence that an arrangement exists.
   b. Delivery has occurred or services have been rendered.
   c. The sales price is fixed or determinable.
   d. Collectability is reasonably assured.

   Deposits received in advance from the customers are recognized as deferred revenue.

   <u>Sales on capital lease</u>

   For GenZe Products sold on capital lease, the Company recognizes the total minimum lease payments receivable from the lessee, the estimated unguaranteed residual value of the equipment at lease termination, the initial direct costs related to the lease, and the related unearned income at inception of a finance lease. Unearned income represents the total minimum lease payments receivable plus the estimated unguaranteed residual value minus the cost of the leased equipment. Unearned income is recognized as finance income over the term of the lease using the effective interest rate method.

   <u>Sale on consignment basis</u>

   The products delivered to the purchaser pursuant to a consignment arrangement are not considered sales, and do not qualify for revenue recognition, as the Company retains the risks and rewards of ownership of the product, and title usually does not pass to the consignee.

   The Company recognizes revenues when it is determined that substantial risk of loss, rewards of ownership, as well as control of the asset have transferred to the consignee and when all other criteria for revenue recognition have been satisfied i.e. the Company recognizes product sales on consignment basis when the consignee resells the products to the customer.

   <u>Sale under bill-and-hold arrangement</u>

   The Company recognizes revenue from sales under bill-and-hold arrangement when the product is billed rather than on delivery if all the following criteria are met by the arrangement:

   a. risks of ownership have passed to the customer,

b. the customer has made a fixed commitment,

c. the arrangement has substantial business purpose,

d. there is a fixed schedule for delivery,

e. there are no other performance obligations of the seller,

f. the product is identified separately as belonging to the customer, and,

g. the product is ready for shipment in its present condition.

Sub-lease income

The Company has sub-leased a part of its office premises during the year on operating lease. The Company continues to account for the head lease under operating lease. It recognizes sub-lease rent income on a straight-line basis over the term of lease as other income in the statement of loss.

Government incentive

The Company receives incentive from the Michigan Economic Development Council in the form of grants. Grants are recognized at their fair values in the statement of loss where there is a reasonable assurance that grant is received and all attaching conditions will be complied with. The Company recognizes grant income received as other income in the statement of loss.

5. *Shipping and handling costs*

The Company classifies shipping and handling costs as selling expenses. Amounts billed to a customer in sales transaction related to shipping and handling are credited to shipping and handling costs.

6. *Provision for warranty costs*

The Company generally provides for the estimated cost of product warranties at the time the related revenue is recognized. The Company estimates the warranty cost as a percentage of cost of goods sold. The Company assesses the adequacy of its accrued warranty liabilities and adjusts the amounts as necessary based on actual experience and changes in future estimates.

7. *Intangibles*

Intangible assets are stated at cost of acquisition, less accumulated amortization and impairment losses, if any. Cost of intangible assets comprises of purchase price, non-refundable taxes, levies and any directly attributable cost of making the asset ready for its intended use. The Company amortizes intangible assets over their estimated useful lives unless such lives are determined to be indefinite. Amortizable intangible assets are amortized over their estimated useful lives in proportion to the economic benefits consumed in each period. Intangible assets with indefinite lives are tested at least annually for impairment and written down to the fair value as required. The estimated useful lives of the amortizable intangible assets are as follows:

Class of asset	Useful life
Intellectual property rights	15 years

The estimated useful life of an intangible asset is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry, and known technological advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.

8. *Property, plant and equipment*

Property, plant and equipment are stated at cost less accumulated depreciation and impairment. Cost of items of property, plant and equipment comprise cost of purchase and other costs necessarily incurred to bring it to the condition and location necessary for its intended use. The Company depreciates property, plant and equipment over the estimated useful life using the straight-line method except for production tools. Upon retirement or disposal of assets, the cost and accumulated depreciation will be eliminated from the accounts and the resulting gain or loss will be credited or charged to operations.

The estimated useful life used to determine depreciation is:

Class of asset	Useful life
Engineering equipment	3 years
Machinery & equipment	5 to 7 years
Production tools	60,000 units
Computer software	2 to 3 years
Computer equipment	3 years
Furniture equipment	3 years
Vehicles	2 to 5 years
Leasehold improvements	Lease term

The cost of property, plant and equipment not ready for use before such date are disclosed under capital work-in-progress.

9. *Impairment of long-lived assets*

Long-lived assets, including certain identifiable intangible assets, to be held and used are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of such assets may not be recoverable. Such assets are considered to be impaired if the carrying amount of the assets is higher than the future undiscounted net cash flows expected to be generated from the assets. The impairment amount to be recognized is measured by the amount by which the carrying value of the assets exceeds its fair value.

10. *Accounts receivable & allowance for doubtful accounts*

Accounts receivable from parent company represent service fee receivable. The Company does not maintain an allowance for doubtful account for the parent company receivable.

Trade receivables represents receivable on sale of GenZe Products and accessories. For the trade receivables, the Company follows the specific identification method for recognizing allowance for doubtful debts. Management analyzes composition of the accounts receivable aging, historical bad debts, current economic trends and customer credit worthiness of each accounts receivable when evaluating the adequacy of the allowance for doubtful accounts. Allowance for doubtful debt is included in selling, distribution and administration expenses in the statements of loss.

11. *Research and development costs*

Revenue expenditure on research and development is expensed as incurred. Capital expenditure incurred on equipment and facilities that are acquired or constructed for research and development activities and having alternative future uses is capitalized as tangible assets when acquired or constructed.

12. *Income taxes*

In accordance with the provisions of Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) Topic 740 “Income Taxes,” income taxes are accounted for using the asset and liability method. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases and operating loss carry-forwards. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date. The deferred tax asset is reduced by a valuation allowance if it is more likely than not that some portion or all of the asset will not be realized.

The Company recognizes liabilities for uncertain tax positions based on a two-step process. The first step is to evaluate the tax position for recognition by determining if the weight of available evidence indicates it is more likely than not that the position will be sustained on audit, including resolution of related appeals or litigation processes, if any. The second step is to measure the tax benefit as the largest amount which is more than 50% likely of being realized upon ultimate settlement. The Company recognizes interest and penalties related to uncertain tax positions within the provision for income taxes.

13. *Inventories*

Inventories are stated at the lower of cost and market value. Cost is determined using the standard costing method. Cost in the case of raw materials comprises the purchase price and attributable direct costs, less trade discounts. Cost in the case of work-in-progress and finished goods comprise direct labour, material cost and production overheads. A write down of inventory to the lower of cost or market value at the close of a fiscal period creates a new cost basis and is not marked up based on changes in underlying facts and circumstances. Inventories are reviewed on a periodic basis for identification and write-off of slow moving, obsolete and impaired inventory. Such write-downs, if any, are included in cost of revenues.

The Company makes adjustments to its inventory reserve based on the identification of specific situations and increases its inventory reserves accordingly. As further changes in future economic or industry conditions occur, the Company will revise the estimates that were used to calculate its inventory reserves.

If actual conditions are less favourable than those the Company has projected, the Company will increase its reserves for lower of cost or market ("LCM"), excess and obsolete inventory accordingly. Any increase in the Company's reserves will adversely impact its results of operations. The establishment of a reserve for LCM, excess and obsolete inventory establishes a new cost basis in the inventory. Such reserves are not reduced until the product is sold.

Finished goods include the products that remain unsold and held by the customer on consignment basis.

14. *Fair value measurements and financial instruments*

The Company applies fair value measurements to certain assets, liabilities and transactions that are periodically measured at fair value.

Assets and liabilities recorded at fair value in the financial statements are categorized based upon the level of judgment associated with the inputs used to measure their fair value. Hierarchical levels which are directly related to the amount of subjectivity associated with the inputs to the valuation of these assets or liabilities are as follows:

Level 1 – unadjusted quoted prices in active markets for identical assets or liabilities that the Company has the ability to access as of the measurement date.

Level 2 – inputs other than quoted prices included within Level 1 that are directly observable for the asset or liability or indirectly observable through corroboration with observable market data.

Level 3 – unobservable inputs for the asset or liability only used when there is little, if any, market activity for the asset or liability at the measurement date.

This hierarchy requires the Company to use observable market data, when available, and to minimize the use of unobservable inputs when determining fair value.

The Company's financial instruments consist of cash and cash equivalents, accounts receivable, accounts payable and accrued liabilities. The estimated fair value of cash, accounts receivable, accounts payable and accrued liabilities approximate their carrying amounts due to the short-term nature of these instruments. None of these instruments are held for trading purposes.

15. *Equity based compensation payment to employees*

The Company accounts for stock based compensation expense relating to stock options that have been issued by the Company to the employees. The Company computes the fair value of options granted using the Black Scholes option pricing model. An amount equal to such compensation expense for the year is credited to additional paid in capital of the Company.

The Company has used guidance in ASC 718; "Compensation-Stock Compensation" to account for employee share based payments. ASC 718 requires share-based payments to employees, including grants of employee stock options and purchases under employee stock purchase plans, to be recognized in statements of operations based on their fair values.

In accordance with ASC 718, the Company recognized stock based compensation for awards granted, that the Company expects to vest on a straight-line basis over the requisite service period of the awards. In respect of awards that have a graded vesting schedule and with only service conditions, compensation cost is recognized on straight line basis over the requisite service period for each separately vesting portion of the award as if the award was-in-substance, multiple awards. In determining whether an award is expected to vest, the Company uses an estimated forfeiture rate based on historical rates. The estimated forfeiture rate is updated for actual forfeitures annually.

16. *Advertising*

Advertising costs are presented as part of selling, general, and administrative expenses in the statement of loss. Advertising costs are expensed as incurred. The amount of advertising and marketing cost incurred by the Company for the years ended March 31, 2017 and March 31, 2016 is $ 611,778 (INR 39,692,157) and $ 1,738,452 (INR 112,790,766), respectively

17. *Operating leases*

Lease rent expenses on operating leases are charged to expense over the lease term. Certain operating lease agreements provide for scheduled rent increases over the lease term. Rent expense for such leases is recognized on a straight-line basis over the lease term.

18. *Capital leases*

Leases in which the Company has substantially all the risk and rewards of ownership are classified as capital leases. Capital leases are capitalized at the lease's commencement at the lower of the fair value of the leased property and the present value of the minimum lease payments.

19. *Commitments and contingencies*

Liabilities for loss contingencies arising from claims, assessments, litigation, fines, and penalties and other sources are recorded when it is probable that a liability has been incurred and the amount can be reasonably estimated. Legal costs incurred in connection with loss contingencies are expensed as incurred.

NOTE C - CASH AND CASH EQUIVALENTS

Cash and cash equivalents comprise of the following:

	As at March 31, 2017		As at March 31, 2016	
	USD	**INR**	USD	INR
Balances with banks	**114,764**	**7,445,888**	88,211	5,723,130

PayPal account	**–**	**–**	4,311	279,698
	114,935	**7,456,983**	92,623	6,009,380

NOTE D - ACCOUNTS RECEIVABLE, NET OF ALLOWANCES

Accounts receivable comprise of:

	As at March 31, 2017		As at March 31, 2016	
	USD	**INR**	USD	INR
Receivable from parent company	**4,054**	**263,024**	1,499,795	97,306,700
Trade receivables	**1,859,747**	**120,660,385**	125,820	8,163,201
Accounts receivable, net of allowances	**1,863,801**	**120,923,409**	1,625,615	105,469,901

The activities in provision for doubtful debts account are as given below-

	Year ended March 31, 2017		Year ended March 31, 2016	
	USD	**INR**	USD	INR
Balance at beginning of the year	**–**	**–**	–	–
Provisions made during the year	**429**	**27,834**	1,799	116,719
Bad debts written-off during the year	**(429)**	**(27,834)**	(1,799)	(116,719)
Balance at end of the year	–	–	**–**	**–**

NOTE E – INVENTORIES

Inventories comprise of the following:

	As at March 31, 2017		As at March 31, 2016	
	USD	**INR**	USD	INR
Raw material*	**3,683,377**	**238,977,500**	2,332,567	151,336,947
Finished goods	**1,959,211**	**127,113,610**	1,464,196	94,997,037
Work in progress	**774,107**	**50,224,062**	467,886	30,356,444
Inventory reserve	**(393,741)**	**(25,545,916)**	(211,254)	(13,706,160)
	6,022,954	**390,769,256**	4,053,395	262,984,268

* Raw materials include inventory in transit amounting to $ 202,059 (INR 13,109,588) as at March 31, 2017 (March 31, 2016 $ 316,883 (INR 20,559,369).

During the year ended March 31, 2017 and March 31, 2016, the Company recognized an expense for inventories that were carried at net realisable value amounting to $ 393,741 (INR 25,545,916) and $ 211,254 (INR 13,706,160) respectively. This is recognized in cost of goods sold.

NOTE F – PREPAID AND OTHER CURRENT ASSETS

Prepaid and other current assets comprise of the following:

	As at March 31, 2017		As at March 31, 2016	
	USD	**INR**	USD	INR
Prepaid expenses	**401,976**	**26,080,203**	186,847	12,122,633
Other receivables	**290**	**18,815**	7,128	462,465

Mahindra and Mahindra Limited ("M&M"), the ultimate parent company, developed Intellectual Property Rights ("IPR") for the design and development of GenZe Product. During the year ended March 31, 2017, M&M assigned all the intellectual property rights including any technical know-how in the GenZe Product in favour of the Company and waived its ownership or rights on the same vide an agreement dated July 25, 2016. The IPR were transferred by M&M at a total consideration of INR 123.5 crores and the Company recognized the intangible asset as at the transaction date amounting to $ 18,323,524 (INR 1,188,830,237).

Amortization expense for the year ended March 31, 2017 is $ 814,379 (INR 52,836,909).

NOTE I – FAIR VALUE MEASUREMENT NOTE

The Company's financial instruments consist of cash and cash equivalents, accounts receivable, accounts payable, loans and accrued liabilities. The estimated fair value of cash, accounts receivable, accounts payable, and accrued liabilities approximate their carrying amounts due to the short-term nature of these instruments. None of these instruments are held for trading purposes.

The following table presents assets as of March 31, 2017 and that are measured and recognized at fair value on a recurring and non-recurring basis:

(Amounts in USD)

		Quoted price in active markets for identical Assets	**Significant other observable Inputs**	**Significant other unobservable inputs**
Assets				
Intellectual property rights acquired	$	–	–	18,323,524
Total		–	–	**18,323,524**

(Amounts in INR)

		Quoted price in active markets for identical Assets	**Significant other observable Inputs**	**Significant other unobservable inputs**
Assets				
Intellectual property rights acquired	$	–	–	1,188,830,237
Total		–	–	**1,188,830,237**

Quantitative information about level 3 fair value measurements

The table below presents information about the significant unobservable inputs used for recurring fair value measurements for certain Level 3 instruments, and includes only those instruments for which information about the inputs is reasonably available to us.

Asset	**Fair value on March 31, 2017**	**Valuation technique**	**Unobservable input**
Intellectual property rights	20.9 Million USD	Relief from royalty method	Royalty rate

NOTE J – OTHER ASSETS

Other non-current assets comprise of:

	As at March 31, 2017		As at March 31, 2016	
	USD	**INR**	USD	INR
Deposits- security	**57,648**	**3,740,202**	55,883	3,625,689
Deposits- general	**24,000**	**1,557,120**	20,000	1,297,600
Total	**81,648**	**5,297,322**	75,883	4,923,289

NOTE K – SHORT TERM BORROWINGS

Short term borrowings comprise of:

	As at March 31, 2017		As at March 31, 2016	
	USD	**INR**	USD	INR
Demand credit facility	**16,400,000**	**1,064,032,000**	7,775,000	504,442,000
Total	**16,400,000**	**1,064,032,000**	7,775,000	504,442,000

During the year ended March 31, 2015, the Company obtained a demand credit facility by way of current account bank overdraft agreement wherein the Company can utilize amount up to $ 2,000,000 (INR 129,760,000). This credit facility was obtained for the purpose of working capital requirements and for general corporate purposes. All current assets of the Company serve as collateral for this credit arrangement.

During the year ended March 31, 2016, the credit facility agreement was amended to increase limit of the facility up to $ 15,000,000 (INR 973,200,000). Further, during the year ended March 31, 2017, the credit facility agreement was amended to increase limit of the facility up to $ 18,000,000 (INR 1,167,840,000).

The average rate of interest charged by the bank during the year ended March 31, 2017 is 4.25% and March 31, 2016 is 4.08% p.a., respectively. The interest is payable on the daily closing balance of the loan which is calculated and payable monthly. The credit facility is repayable upon demand.

For the year ended March 31, 2017, finance charges of $ 594,002 (INR 38,538,850) (March 31, 2016: $ 213,145 (INR 13,828,848)) have been included in interest expense in the statement of loss.

Closing balance	**119,518**	**7,754,328**	12,719	825,209

NOTE R – INCOME TAXES

For the year ended March 31, 2017, the Company will file federal and state tax returns as per regulations applicable to Chapter C corporations in the United States.

The components of the provision for income taxes are as follows:

	As at March 31, 2017		As at March 31, 2016	
	USD	**INR**	USD	INR
Current taxes				
Federal	**–**	**–**	–	–
State	**1,606**	**104,197**	2,306	149,613
Deferred taxes				
Federal	**–**	**–**	242,479	15,732,037
State	**–**	**–**	42	2,725
Total	**1,606**	**104,197**	244,827	15,884,375

The items accounting for the difference between income taxes computed at the federal statutory rate and the provision for income taxes are as follows:

	For the year ended March 31, 2017		For the year ended March 31, 2016	
	USD	**INR**	USD	INR
Income tax at federal rate	**(5,792,929)**	**(375,845,234)**	(4,842,973)	(314,212,088)
State tax, net of federal effect	**(715,661)**	**(46,432,086)**	1,803	116,979
Permanent differences	**98,161**	**6,368,686**	2,794	181,275
True-up	**–**	**–**	(178,170)	(11,559,670)
Change in NOLs	**96,234**	**6,243,662**		
Change in R&D credit	**(554,591)**	**(35,981,864)**	(6,052)	(392,654)
Change in FTC credit	**–**	**–**	178,364	11,572,255
Change in valuation allowance	**6,870,392**	**445,751,033**	5,089,061	330,178,278
Total	**1,606**	**104,197**	244,827	15,884,375

Deferred income taxes reflect the net tax effects of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the amounts used for income tax purposes. Significant components of the Company's net deferred income taxes are as follows:

	March 31, 2017		March 31, 2016	
	USD	**INR**	USD	INR
Non-current deferred tax liability				
Plant, property and equipment	**(585,289)**	**(37,973,550)**	(145,759)	(9,456,844)

Inventory reserve	**154,037**	**9,993,920**	72,105	4,678,172
Less: Valuation allowance	**(542,085)**	**(35,170,475)**	(286,929)	(18,615,953)
Current deferred tax assets, net	**–**	**–**	–	–

	March 31, 2017		March 31, 2016	
	USD	**INR**	USD	INR
Deferred taxes	**13,814,960**	**896,314,605**	6,944,568	450,563,572
Less: Deferred tax asset valuation allowance	**(13,814,960)**	**(896,314,605)**	(6,944,568)	(450,563,572)
Net deferred taxes	–	–	**–**	**–**

Realization of net deferred tax assets is dependent upon generation of sufficient taxable income in future years, benefit from the reversal of taxable temporary differences and tax planning strategies. Management assesses the available positive and negative evidence to estimate whether sufficient future taxable income will be generated to permit use of the existing deferred tax assets. The amount of net deferred tax assets considered realizable is subject to adjustment in future periods if estimates of future taxable income change.

Based on the history of losses and current year significant losses, the management believes that it is more likely than not that the deferred tax assets may not be realized during foreseeable future and accordingly, a valuation allowance of $ 13,814,960 (INR 896,314,605) and $ 6,944,568 (INR 450,563,572) was recognized as at March 31, 2017 and March 31, 2016 respectively.

No deferred tax assets were recognized as at March 31, 2017 and March 31, 2016. The Company has federal net operating losses of $ 31,374,863 (INR 2,035,601,111) and $ 14,139,900 (INR 917,396,712) as at March 31, 2017 and March 31, 2016, respectively, which if unutilized will begin to expire from the year 2035.

The Company has state net operating loss carryforwards of approximately $ 33,372,437 (INR 2,165,203,713) and $15,210,581 (INR 986,862,495) as at March 31, 2017 and March 31, 2016, respectively, which if unutilized will expire based on the various state statutes. The Company has R&D credit carryforwards and FTC carryforwards of $ 777,592 (INR 50,450,169) and $ 1,658,095 (107,577,204) as on March 31, 2017.

Accounting for uncertain tax position

The Company recognizes the benefit of a tax position only after determining that the relevant tax authority would more likely than not sustain the position following an audit. For tax positions meeting the more-likely-than-not threshold, the amount recognized in the financial statements is the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement with the relevant tax authority. The Company has no unrecognized tax positions as at March 31, 2017 and March 31, 2016.

The tax years of 2013 through 2015 remain subject to examination by the taxing authorities.

NOTE S – STOCK BASED COMPENSATION

In 2016, the Company adopted the incentive stock option plan for the employees of the Company. Under the Plan, incentive stock options to purchase the Company's common stock may be granted to employees at prices not lower than fair value at the date of grant. Stock options have a maximum term of 10 years.

Activity under the plan to the extent related to employees of the Company:

	Number of options	Weighted-average exercise price	Weighted average remaining contractual life (Years)
Balance as at April 1, 2016	–	–	–
Granted	7,240,000	0.20	9.00
Exercised	–	–	–
Cancelled	–	–	–
Balance as at March 31, 2017	**7,240,000**	**0.20**	**9.00**

The grant date fair value of options has been estimated using the Black-Scholes single option pricing model. The Company has recognized $ 283,629 (INR 18,401,850) as stock based compensation expenses for the year ended March 31, 2017. The Company during the year ended March 31, 2017 issued 7,240,000 options to its employees having an exercise price of $ 0.20 each.

These related party transactions are in the normal course of business operations and have been valued in these financial statements at the exchange amount which is the amount of consideration established and agreed to by the related parties.

NOTE U – SHIPPING AND HANDLING COST

The shipping and handling cost for the year ended March 31, 2017 is $ 222,540 (INR 14,438,395) (March 31, 2016: $ 289,772 (INR 18,800,407).

NOTE V – CONCENTRATIONS

Financial instruments that have a potential to subject the Company to concentrations of credit risk comprise principally of cash equivalents and accounts receivable. The fair values of these financial instruments approximate their book values.

During the year ended March 31, 2017, the Company has recognized 79% of its revenue from single customer which also accounts for 51% of the total accounts receivable as at March 31, 2017.

NOTE W – STOCKHOLDER'S EQUITY

Common stock

Ownership of the Company was transferred from Mahindra USA, Inc. to Mahindra Overseas Investment Company Mauritius Limited ("MOICM") on November 30, 2014, by issuance of 5,600,000 additional shares of $1 each. Further 10,000 shares held by Mahindra USA, Inc. were also transferred to the new parent company, MOICM.

The authorized share capital of the Company was changed and increased to 6,800,000 common shares of a par value of $ 1 each and issued share capital as at March 31, 2015 is 5,610,000 shares at $ 1 each.

During the year ended March 31, 2016, the Company increased the authorized share capital of the Company to $ 15,610,000 vide Board meeting held on October 29, 2015. The management further resolved for 5 for 1 stock split of the shares of common stock, thus changing their par value from $1 per share to $0.20 per share. Thereby, the authorized number of shares changed to 78,050,000 shares at par value of $0.2 per share. During the year, the Company issued additional 50,000,000 shares at par value of $0.2 per share totalling to $10,000,000 to MOICM.

Further during the year ended March 31, 2017, the Company increased the authorized share capital and issued additional 171,950,000 shares at par value of $0.2 per share totalling to $ 34,390,000.

Voting

Each holder of common stock is entitled to one vote in respect of each share held by him in the records of the company for all matters submitted to a vote.

Liquidation

In the event of liquidation of the Company, the holders of common stock shall be entitled to receive all of the remaining assets of the Company, after distribution of all preferential amounts, if any. Such amounts will be in proportion to the number of equity shares held by the shareholders.

NOTE X – SUBSEQUENT EVENTS

The Company evaluated all events and transactions that occurred after March 31, 2017 through May 10, 2017; the date the financial statements are issued. Further, based on its evaluation, the Company is not aware of any events or transactions that would require recognition or disclosure in the financial statements.

Report of the Directors

Operation

Your Company was incorporated on 8th December, 2014 in Luxembourg as a wholly owned subsidiary of Mahindra Two Wheelers Limited. Your company acquired 51% stake in Peugeot Motorcycles SAS (“PMTC) on 19th January 2015.

During the year your company has received equity contribution of Euro 11.25 million without issuance of shares (Rs. 856.67 million) from parent company Mahindra Two Wheelers Limited and same is utilized for making payment of deferred consideration payable to Peugeot S.A. (“PSA”).

On 27th September, 2016 Mahindra Two Wheelers Limited sold 100% stake in your Company to Mahindra & Mahindra Limited. Consequently, Mahindra & Mahindra Limited became the Parent & ultimate holding Company.

Directors

Composition of the Board of Directors of your company is as below:

Name of Directors	Nationality	Change
Mr. Rajesh Jejurikar	Indian	Appointed since inception
Mr. Mahendra Bhalerao	Indian	Appointed since inception

REPORT FROM THE PRESIDENT ON THE YEAR ENDING 31 DECEMBER 2016

Dear Shareholders,

According to the law and the articles of association of the Company, we report on the state of the Company, its activity during the accounting period ending on the 31 December 2016 and we present the financial statements of that period as they have been established.

The Auditors of the Company shall provide all required explanations on the annual financial statements as far as the accuracy and compliance with accounting rules are concerned.

We remain available for any precision or additional question you may have related to the legal documents which have been made available to you within the prescribed timeline.

I. Activity of the Company for the period 2016

1. Markets and market shares evolution during the financial period

European markets of the 6 major countries saw volumes rise by 4.63% compared to 2015. The situation is contrasted between countries and displacements. The less than 50cc segment falls by 0.3% (to be compared with a drop of 4.6% in 2015) while the more than 50cc segment increase reaches 8.7%.

France is the first market in Europe to declines 1.21% because of the high proportion of less than 50cc. Italy wins 6.5% while Germany loses 0.3%. Strong recovery is brought by Spain with a more than 10.98% growth compared to last year.

In the less than 50cc category, all markets are oriented downwards, except Spain and The Netherlands earning 7.6% and 3.3% respectively. The upturn comes from the above than 50cc category, especially from United Kingdom, Spain, Italy and Germany, while France loses 2%.

Peugeot Scooters' volumes wins 3.72%, owing to the highest share of the more than 50cc segment in the Peugeot Sales.

2. Other events since the closing of the accounts

The beginning of 2017 confirms the good prospects of volume.

II. Financial Statements presentation

1. Annual Financial statements

Statutory annual financial statement is made of a Balance Sheet a Profit and Loss account and an appendix that details the explanations required for the proper understanding of the statements.

Accounting rules and evaluation methods used for the annual financial statements are compliant with the regulations and have not changed compared to the last period.

INDEPENDENT AUDITORS' REPORT

Peugeot Motocycles

Year ended December 31, 2016

Statutory auditors' report
on the financial statements

To the Shareholders,

In compliance with the assignment entrusted to us by your annual general meeting, we hereby report to you, for the year ended December 31, 2016, on:

- the audit of the accompanying financial statements of Peugeot Motocycles;
- the justification of our assessments;
- the specific verifications and information required by law.

These financial statements have been approved by the president. Our role is to express an opinion on these financial statements based on our audit.

I. Opinion on the financial statements

We conducted our audit in accordance with professional standards applicable in France; those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit involves performing procedures, using sampling techniques or other methods of selection, to obtain audit evidence about the amounts and disclosures in the financial statements. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made, as well as the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

In our opinion, the financial statements give a true and fair view of the assets and liabilities and of the financial position of the company as at December 31, 2016 and of the results of its operations for the year then ended in accordance with French accounting principles.

II. Justification of our assessments

In accordance with the requirements of article L. 823-9 of the French Commercial Code (code de commerce) relating to the justification of our assessments, we bring to your attention the following matters:

- Based on our work and the information communicated to us to date, and as part of our assessment of the accounting policies followed by the company, we believe that the notes to the financial statements provide appropriate information on the situation of your company under the going concern assumption.
- Your company has recorded impairment of assets as described in item 7 of note 2 to the financial statements. Our work consisted in assessing the data and assumptions on which the company's estimates are based, reviewing the calculations made by the company, comparing the accounting estimates of prior periods with the corresponding results and examining approval procedures of these estimates by management. As part of our assessments, we verified the reasonableness of these estimates.

These assessments were made as part of our audit of the financial statements taken as a whole, and therefore contributed to the opinion we formed which is expressed in the first part of this report.

III. Specific verifications and information

We have also performed, in accordance with professional standards applicable in France, the specific verifications required by French law.

We have no matters to report as to the fair presentation and the consistency with the financial statements of the information given in the management report of the president and in the documents addressed to the shareholders with respect to the financial position and the financial statements.

Peugeot Motocycle

Collective Decision of Shareholders to approve the financial statements for the year ended December 31, 2016.

Statutory auditor's report
on related party agreements

To the Shareholders,

In our capacity as statutory auditor of your Company, we hereby report on certain related party agreements.

We are required to inform you, on the basis of the information provided to us, of the terms and conditions of those agreements indicated to us, or that we may have identified in the performance of our engagement. We are not required to comment as to whether they are beneficial or appropriate or to ascertain the existence of any such agreements. It is your responsibility to evaluate the benefits resulting from these agreements prior to their approval

We performed those procedures which we considered necessary to comply with professional guidance issued by the national auditing body (Compagnie nationale des commissaires aux comptes) relating to this type of engagement.

Agreements submitted for approval by the Community of Shareholders

We hereby inform you that we have not been advised of any agreements authorized in the course of the year to be submitted to the Community of Shareholders for approval in accordance with Article L. 227-10 of the French Commercial Code (*Code de commerce*).

Notes to Financial Statements

The information below forms the Notes to the Balance Sheet for the year ended December 31, 2016 which amounts to Euros 4,83,14,788, INR 33,462.82 lacs, and to the Profit and Loss account that present a loss of Euros 2,49,91,875, INR 17,309.37 lacs.

The financial statements cover the 12-month period from January 1 to December 31, 2016.

The notes and tables below form an integral part of the company accounts.

These financial accounts were closed by the President.

1) ACCOUNTING RULES AND METHODS

The general accounting conventions below have been applied in accordance with the principle of prudence, and in compliance with legal and regulatory requirements in France and the basic assumptions that are intended to provide an accurate picture of the company's assets and liabilities, financial position and results:

- going concern,
- consistency of accounting methods from one period to the next,
- matching of costs and revenues.

The annual accounts comply in particular with the provisions of the Accounting Standards Authority N°2016-07, dated 4th November 2016 and amending the regulation n°2014-03 relating to the General Chart of Accounts, approved by decree on 26 December 2016.

The basic method used to value accounting entries is the historic cost method.

The main accounting rules and methods used are the following:

a) Tangible Fixed Assets:

Tangible fixed assets are assessed at their acquisition cost (purchase price and incidental expenses), or at their production cost.

Interest on loans specifically for the production of fixed assets is not include in the assets production cost.

Depreciation is recognized as an expense on a straight-line basis, based on the estimated useful life of each component, as described here below:

• Heavy component of industrial plants	40 years
• Buildings improvement	16 years
• Industrial equipment of production	16 years
• Machinery and equipment	16 years
• Special machine-tool	16 years
• Specific tooling	6 years
• Die cast moulds	3 years

Intangible Fixed Assets :

The intangible assets are evaluated according to their acquisition cost (purchase price and related expenses)

The depreciation rules are applied according to the straight-line method following the useful lives below :

- Software : 1 year
- Leasehold right : non-depreciable
- Land : non-depreciable
- Business premises : non-depreciable

b) Participating interests, other long-term investments, short-term investments:

The gross book value of long-term investments is their acquisition price, net of acquisition expenses. When their balance sheet value is less than their cost of acquisition, a provision for depreciation is set aside for the amount of the difference. The economic value of these stacks is estimated according to the relevant share acquired of the carrying value of net assets of the subsidiary.

c) Inventories

Inventories are measured using the FIFO method.

The gross value of goods and supplies includes the purchase price and the incidental expenses.

Manufactured goods are valued at production cost including supplies consumed, direct and indirect production expenses and allowances to depreciation of assets used in production. Idle capacity costs are excluded from inventories valuation.

Financial interests are always excluded from inventories valuation.

A provision for impairment is recorded when the book value is higher than the market value or the liquidation value.

d) Receivables

Receivables are stated at their nominal value. A provision for impairment is recorded when the fair value is lower than the net book value.

e) Transactions in foreign currencies

Expenses and incomes in foreign currencies are accounted for their amount in euros to the date of the transaction.

Payables, receivables and cash in foreign currencies, are accounted at their fair value at closing date or at the guaranteed exchange rate if hedged.

f) Research and development expenses

Expenses of research and development that are related to the development of new products or to the improvement of previously existing products, are included in the general expenses. In 2016, these expenses amount to Euros 1,09,99,800, INR 7,618.46 lacs.

2. SIGNIFICANT EVENTS DURING THE YEAR

1. Accrued expenses on 31/12/2016 related to social and tax charges on holiday to pay, the PPS premium, the exceptional bonus, the time modulation, the incentive plan, are accounted in the liabilities for an amount of Euros 12,72,129, INR 881.08 lacs.

2. Provision for employee profit-sharing amount to , Euros 0.00, INR 0.00 lacs.

3. Use of a licence for the production and the sales of magnetic steering wheels. The related fees paid are depreciated over a five-year period.

4. Goods in transit on sea from Asia on December 31, 2016 (FOB) are valued to 1,914 thousands in euros, INR 1,325.64 lacs. These goods are made of assembled vehicles for 1,218 thousands in euros, INR 843.59 lacs and of spare parts for 696 thousands in euros, INR 482.05 lacs.

5. 1% construction scheme (French social construction tax) is applied as a loan that amounts to Euros 74,624, INR 51.68 lacs. For 2016, the subscription to theses scheme will be made as a loan too. A depreciation of this loan is accounted for Euros 45,416 INR, 31.46 lacs.

6. Our company pays retirement benefits to the employees and guarantees under conditions a minimum level of pensions.

   On December 31, 2016, the discounted value of the acquired future benefits that amounts to 7,979 thousands in euros, INR 5,526.26 lacs is not recognized as a provision. This amount is partially covered by payments to external funds for an amount of 2,256 thousands in euros, INR 1,562.51 lacs.

   The main actuarial assumptions: discount rate of 1,1% and inflation rate of 1,80%.

   During 2016 period, no payment was made to the external funds.

7. A depreciation is accounted on the fixed assets owned by Peugeot Motocycles. The full depreciation of intangible and tangible assets amounts to Euros 2,01,71,430, INR 13,970.73 lacs on December 31, 2016.

8. On December 31, 2016, the provision for customer warranties amounts to 2,279 thousands in euros, INR 1,578.44 lacs.

This provision is made of a provision for parts and labour warranties based on historical data that amount to 1,968 thousands in euros, INR 1,363.04 lacs and of a provision for recall campaigns identified before December 31, 2015 for an amount of 151 thousands in euros, INR 104.58 lacs, and of a new provision for an amount of 155 thousands in euros, INR 107.35 lacs.

9. A conversion plan of the company began in 2011:

The provision for restructuring accounted on 31/12/2016 amounts to Euros 2,85,455, INR 197.71 lacs.

This provision corresponds to the amount that remains to be paid related to the revitalisation agreement signed with local authorities.

10. On 31/12/2016, a provision of Euros 32,87,736, INR 2,277.09 lacs is accounted related to DAEC scheme (an scheme to match jobs and abilities).

This provision is related to:

- Redeployment of staff related to mobility;
    - Senior leave : 66 people
    - Leave for reclassification/external jobs/business start-up : 29 people
    - Retirement : 11 people
    - Group mobility : 2 people
- Restructuring of the following operating areas: frame welding, powder painting and spare parts.

11. Equity investments in a Chinese JV

    Shares owned in the JV are accounted for a gross amount of 6,836 thousands in euros, INR 4,734.61 lacs on December 31, 2016.

    A full depreciation was accounted in 2011 so that the net value is equal to zero since 2011.

12. In application of the recommendations published on 28/02/2013 by ANC (French accounting authority), the French tax credit based on payroll (CICE) is accounted a payroll reduction in P&L.

    For 2016, a tax credit of Euros 4,90,252, INR 339.55 lacs is accounted in reduction of 2016 payroll.

13. The individual right to training was established by Act of May 4, 2004. As of 1 January 2015, the professional account Training (CPF) has replaced the DIF. The hours DIF acquired to 31 December 2014 must be used before 31 December 2020 the same way as if it was hours granted under the CPF.

14. The annual accounts show a net loss of Euros 2,49,91,875, INR 17,309.37 lacs and equity of Euros -1,65,56,338, INR -11,466.92 lacs fell below the share capital of Euros 98,09,472, INR 6,794.04 lacs. The company reports net losses for several years and the situation does not improve in 2015. The company has implemented corrective measures that will produce their first effects in 2017 but which will be fully effective in the medium term. The going concern for the coming 12 months is based on the assumption of a support from majority shareholder. The continuation of the operations within the next 12 months is based upon the assumption of a support from the major shareholder.

15. The shareholder of the company, Peugeot SA, has received a firm offer from the Group Mahindra & Mahindra to take a majority stake in Peugeot Motocycle SAS, by the company Mahindra Two-Wheelers Europe S.à.r.l.. This acquisition of a 51% stake was effected as of January 19, 2015 and was realised by the acquisition of shares held by Peugeot SA and by the subscription to a reserved capital increase of Euros 26,67,072, INR 1,847.21 lacs with an issue premium of Euros 1,23,32,928, INR 8,541.79 lacs.

    After this transaction, the share capital of the company Peugeot Motocycle SAS amounts to Euros 98,09,472, INR 6,794.04 lacs and is made of 6,13,092 shares with a par value of Euros 16, INR 0.01 lacs.

3. SUBSEQUENT EVENTS

16. No significant subsequent event occurred since December 31, 2016 year-end.

In accordance with art. 2428 it should be noted that the activity is carried out at the headquarters in Milan, via Gallarate 199, and there are no branches.

Operating performance

Market analysis

The 2016 confirms itself as a year of significant recovery with over 22,600 registrations thanks to the remarkable increase of motorcycle and scooter to the good result. 50 cc also have stabilized although on a lower level in the past. We are still far from pre-crisis levels, but we are on track to recover volumes and customers for 2 wheels.

The Grand total of two wheeled motor italiane (motorcycles and scooters from + 50 cm^3 vehicles) in 2016 reaches 2,17,157 Unit + 11.6% from last year.

Of which:

vehicles 50 cc.

- Minimum decrease for vehicles 50 cc. with 0.6% compared to units registered 23,249-2015

19	YAMAHA	XENTER 150	Scooter	1,797
20	PIAGGIO	MEDLEY 125	Scooter	1,752

The year 2016 has seen a particularly good December thanks to the fact that many dealers have encouraged (km 0) sales of Euro3 vehicles still in stock by virtue of the changeover to Euro4 to January 2017. Even the 50 cc. stabilized recording, compared to 140 units in 2015, only less. It is still far from pre-crisis levels, but the road to retrieve volumes and customers for 2 wheels seems to have been undertaken. Remains the unknown factor economic scenario, which however show moderately positive factors through a revival in domestic demand and greater confidence in the financial markets. There are structural problems related to youth unemployment still too high and credit difficulties.

The high cost of insurance continues to be an important brake for the sales of scooters (particularly of 50 cc.).

Your company has seen an improvement in market share compared to 2015 thanks to volumes from Tweet.

The overall market share has increased from 3.4% in 2015 to 3.5% in 2016 (+ 0.1 percentage points).

As for the 50 cc. Your company has maintained market shares, despite the continuing difficulties of this continuous segment, although minor, 4.7% in 2016, confirming the decrease registered in 2015.

Also regarding the registered, your company has maintained its market share by confirming in 2016 the 3.2% already realized in 2015. Excellent result taking into account the difficulties linked to the lack, in the last months of the year, Euro 4 products, particularly of the top model tweets, and the strong commercial and advertising pressure implementation by competitors ready with products that meet the new regulations.

Operating performance in the sectors in which the company operates

With regard to your company, the preceding financial year shall be substantially positive.

The following table shows the consequential results over the past three financial years in terms of production value, EBITDA and profit before tax.

	12/31/2016		12/31/2015		12/31/2014

A better description of the financial situation are shown in the table below some financial ratios, compared with the same indices related to the budgets of the previous years.

	12/31/2016	12/31/2015	12/31/2014
Primary liquidity	1.03	1.04	1.03
Secondary liquidity	1.05	1.06	1.04
Indebtedness	15.55	18.38	20.39
Coverage rate of fixed assets	1.66	1.85	1.57

The primary liquidity ratio is equal to 1.03. The financial situation of the company is to be considered good.

The secondary liquidity ratio amounted to 1.05. The value of the net working capital is definitely satisfactory in relation to the amount of current Payables.

The debt ratio is equal to 15.55. The amount of debts has now gone decidedly significant depending on the existing equity, but there was still a slight improvement over previous years debt

The coverage rate of fixed assets amounted to 1.66, it appears that the amount of own funds and consolidated debt is considered appropriate in relation to the amount of fixed assets. Equity in conjunction with consolidated debts are to be considered by the appropriate amount in relation to the amount of fixed assets.

Information relating to the environment and staff

Taking into account the social role of the company as is also indicated by the document on the annual report of the National Council of Chartered Accountants, it is considered appropriate to provide the following information concerning the environment and personnel.

Own shares and shares of parent companies

Your company does not have, nor has bought or sold during the year, Treasury shares or shares of the parent, either directly or indirectly.

Information related to the risks and uncertainties pursuant to art. 2428, paragraph 2, point 6-bis of the Italian civil code

In accordance with art. 2428, paragraph 2, point 6-bis of the Italian civil code below will provide information about the use of financial instruments, as relevant for the assessment of the financial position.

Are provided, then a series of quantitative information aimed at providing information on the size of the exposure to risk by the company.

Credit risk

Credit risk represents the company's exposure to potential losses resulting from non-performance of obligations undertaken by commercial counterparts.

In order to limit this risk, the company performs constant monitoring of positions of individual clients, analyzes expected cash flows and those flushed in order to undertake timely recovery action if necessary.

In addition, the company has taken out an insurance policy of the claim to further limit the risk.

Impairment losses on receivables are calculated on the basis of the risk of default of the counterparty, determined by considering the available information on the solvency of the counterpart, the histories and the coverage provided by the policy of credit insurance. The carrying amount of the receivables is reduced indirectly by recognition in a provision.

The significant single positions, for which there is an objective condition of partial or total uncollectibility are subject to individual impairment. The amount of the write-down is determined taking into account the available credit information counterpart, historical data, the estimate of future recoverable flows and the relative date of collection and recovery costs and burdens.

The positions that are not written down individually are included in groups with similar characteristics in terms of credit risk and written down on a collective basis according to percentage that increases as the temporal range of expired.

Liquidity risk

Liquidity risk represents the risk that available financial resources will not be sufficient to cope with the financial and commercial obligations within the prescribed time and predetermined deadlines.

Specifically, the company manages this risk through corporate credit lines and manages its liquidity through a system of centralized Treasury that is responsible for the centralized management of Treasury and finance.

Enrico Pelligrino,
Director

Accounting policy

The financial statement, consisting of balance sheet, income statement, cash flow statement and explanatory notes, have been prepared in accordance with the provisions of the civil code, as amended by Legislative Decree 139/2015 (the "Decree"), interpreted and supplemented by the Italian accounting standards issued by the Italian accounting Organisation (OIC) and in force for financial statements with financial year starting from 1 January 2016. About it should be noted that during the 2016 were modified and upgraded many accounting standards within the OIC-initiated review process following the transposition into national legislation, through the Decree of Directive 2013/34/EC (the "Directive Accounting").

The financial statements include the balance sheet (prepared in accordance with the scheme foreseen by articles 2424 and 2424-bis of the Civil Code), the income statement (prepared in accordance with the scheme foreseen by articles and 2425 2425-bis of the Civil Code), the statement of cash flows (the contents of which, in accordance with art. 2425-ter of the Italian civil code, is presented in accordance with accounting principles the OIC 10) and these explanatory notes disciplined, prepared in accordance with the requirements of art. 2427-2427 andbis of the civil code.

Below is a list of the principles in force that have been revised or that were introduced from scratch by the OIC and that are applicable to this appraisal:

#	Title	#	Title
OIC 9	Writedowns for impairment losses on intangible assets	OIC 19	Debts
OIC 10	Statement Of Cash Flows	OIC 21	Investments
OIC 12	Composition and balance sheets	OIC 24	Intangible assets
OIC 14	Cash and cash equivalents	OIC 25	Income taxes
OIC 15	Credits	OIC 28	Shareholders' Equity
OIC 16	Tangible fixed assets	OIC 29	Changes, predictions, bug fixes, ...
OIC 18	Accrued expenses and deferred income	OIC 31	Provisions for contingencies and TFR

No longer applies, since repealed, the OIC 22 "memorandum accounts".

The legislative amendments came into force from 1 January 2016. The effects of changes were detected by the company, in accordance with the OIC 29, the opening balance of equity at 1 January 2015. The company should restate the effects of changes that would have had in the budget at 31 December 2015, as if the accounting reform was already applied in the year 2015. Nevertheless, given the correctness of the balance sheet and income statement for the year 2015, it was still necessary to proceed with no adjustments; Therefore, the patterns of the balance sheet and the income statement do not differ from the budget approved by the shareholders' meeting of 28 April 2016.

The notes below form an integral part of the financial statements with the additional information deemed necessary for a true and fair representation of the data shown. Items not specifically listed in the balance sheet and income statement, provided for by art. 2424 2425 and of the civil code, and in the cash flow statement presented in accordance with the accounting policy OIC 10, are at zero balance. The right not to indicate those items means the same have a zero amount in both the current year and in the previous year.

With regard to the additional information on the situation of the company and on trends and on the outcome of the management, as a whole and in the various fields in which it has operated, particularly with regard to costs, revenue and investments, as well as a description of the principal risks and uncertainties to which the company is exposed, reference is made to what is stated in the report on operations.

The items shown in the balance sheet was made with a view to the continuation of the activity of the company; It followed the principle of prudence and competence, and took account of the substance of the transaction or contract.

The application of the principle of prudence resulted in the individual assessment of the components of the individual items of assets and liabilities to avoid compensations between losses that had to be recognized and not recognized as income. In particular, the gains were recognised only if realised by the closing date of the financial year, while taking account of the risks and losses of the period, although known after the closing of the same.

The application of accrual basis meant that the effect of the operations has been detected for accounting recognition and attributed to the financial year to which such operations relate, not when they made their receipts and payments.

Evaluation criteria

Derogations

In the financial year there were no exceptional circumstances that have necessitated the use of the exemption to the evaluation criteria, as per art. 2423, paragraph 4 of the civil code, as incompatible with the true and fair view of the financial position of the company and of the profit or loss. Were not made in the year reevaluations of activities under special laws.

In particular, the evaluation criteria adopted in the financial statements were as follows.

Fixed assets

Tangible assets

Are stated at acquisition cost and adjusted by the corresponding accumulated depreciation.

The value includes incidental costs incurred for purchase and/or construction of fixed assets.

Depreciation, charged to the income statement, were calculated on the basis the use, destination and duration of economic assets, on the basis of the criterion of residual period of utilisation, policy that we felt well represented by the following rates, unchanged from the previous year and reduced by half in the performance of duties of property:

– signs: 10%
– Office machinery: 20%
– computing machinery: 20%
– furniture and fixtures: 12%
– materials equipment: 15%
– Office equipment costs: 20%

In case the fixed assets are impaired, regardless of the depreciation already accounted for, fixed assets are correspondingly devalued. Impairment, if any, is reviewed every year.

No discretionary or voluntary revaluations were made and the valuations carried out have their maximum limit in the objectively determined amount of the asset's disposal.

Receivables

Are stated at expected salvage value. The adjustment of the nominal value of receivables at the estimated value of realization is obtained by registration of a specific allowance for impairment, taking into consideration the general economic conditions, industry and even the country risk.

At amortized cost was not applied because the effects are irrelevant in order to give a true and fair view. Therefore receivables are shown probable realizable value, unless the application of the process of actualization.

Discounting of receivables was not made for claims with a maturity of less than 12 months since the effects are irrelevant compared to the value not discounted.

With reference to the credits accounted before the financial year beginning 1 January 2016, since they are enrolled at their presumed realizable value because, as foreseen by the OIC accounting standard 15, it was decided not to apply at amortized cost and discounting.

The adjustment of the nominal value of receivables at the estimated value is obtained by special salvage bad debt, taking into account the existence of indicators of lasting loss receivables originally cashable within the year and subsequently turned into long-term receivables have been shown in the balance sheet among financial fixed assets.

Receivables are removed from the balance sheet when the contractual cash flows arising from the credit expire in case that were transferred all risks inherent to credit the subject of retirement.

Debts

Are stated at their nominal value, amended on the occasion of Returns or to billing adjustments.

At amortized cost was not applied because the effects are irrelevant in order to give a true and fair view. Therefore the debts are stated at nominal value, unless the application of the process of actualization.

Discounting the debts was not made for debts with maturities of less than 12 months since the effects are irrelevant compared to the value not discounted.

With regard to debts accounted before the financial year beginning 1 January 2016, since they are recorded at their nominal value, as envisaged by OIC accounting standard 19, it was decided not to apply at amortized cost and discounting.

Accrued expenses and deferred income

Were determined according to the criterion of bendixson of the exercise.

Inventories stock

Inventories are stated at the lower of cost, determined using the weighted average cost method, and the value realisable from market trends.

As regards the cost configuration adopted for each category of goods present in the storage area, it should be noted that:

- the new vehicles were entered at cost;
- demonstration vehicles are registered for the specific acquisition cost, adjusted, where the market value be derived from Eurotax.

Provisions for liabilities and charges

Are allocated to cover losses or debts of existence or suspected, of which however at the end of the financial year were not determined the amount or the date of the occurrence.

In the evaluation of these funds have been met the general criteria of prudence and competence and has not proceeded to the creation of generic risks without economic justification.

Contingent liabilities were recognized in the balance sheet and listed in the funds as it deems likely to and being reasonably predictable amount of its burden.

Severance Obligations

Represents the whole accumulated liability to employees in accordance with the law and employment contracts in force, considering any form of remuneration having continuous nature.

The Fund is the total of the individual accrued bonuses for employees at the balance sheet date, net of the advances paid, and is equal to what would have had to pay to employees in the event of termination of employment on that date.

Income taxes

Taxes are allocated according to the principle of responsibility; are therefore:

- provisions for taxes paid or to be paid for the year, determined in accordance with the rates and regulations;
- the amount of deferred or prepaid in respect of temporary differences chance or cancelled during the financial year;
- adjustments to deferred tax balances to accommodate variations in rates occurring during the year.

Expected net of debt payments, is found under the heading “taxes payable”, while any net credit is listed under “receivables” future tax effects related to temporary differences between the value attributed to an asset or a liability based on statutory criteria and the value attributed to the same asset or liability for tax purposes are determined on the basis of the foreseeable burden/tax benefit calculated taking into account the tax base and tax rates for the period in which these differences will cancel. The tax consequences so determined shall be reviewed at each financial year on the basis of new events or more reliable forecasts. The deferred tax assets, if applicable, are recognized in accordance with the principle of prudence and only if there is a reasonable certainty of the existence, in the exercises that will spill the deductible temporary differences which have led to the inclusion of deferred tax, of non-taxable income less than the amount of the differences that will cancel. Deferred tax assets are recorded in the balance sheet under the item "deferred tax assets", while deferred tax liabilities, if any, are recorded in the "provisions for risks and charges".

Revenue recognition

Revenues from the sale of goods are recognised upon the transfer of risks and benefits, which normally coincides with the delivery or shipment of goods.

Financial revenues and those arising from the supply of services are recognised on an accruals basis.

Revenues and income, costs and charges related to foreign exchange transactions are determined at the current exchange rate on the date on which its task is accomplished.

Research and development costs

Are fully expensed in the income statement when incurred.

Conversion criteria values denominated in foreign currencies

Receivables and liabilities denominated in foreign currency, originally enrolled in accordance with changes in force on the date on which have arisen, are aligned to the current exchange rates at the end of the reporting period.

In particular, the assets and liabilities that constitute monetary assets in foreign currency are recorded at the spot exchange rate at the end of the financial year and aggregate gains and losses are credited and debited to the income statement under 17 bis exchange gains and losses.

Any net profit resulting from the adjustment at year-end Exchange rates currency contributes to the formation of the post operating income and, in approving the budget and subsequent destination of the result to the legal reserve, is entered, not absorbed by operating loss, non-distributable reserve until later.

Information on financial instruments issued by the company

In accordance with art. 2427-bis of the Italian civil code, it should be noted that the company has not issued financial instruments.

Employment data

The average business, broken down by category, has undergone the following changes as compared to the previous year.

Organic	**12/31/2016**	12/31/2015	Variations
Executives	**1**	1	–
Executives and Employees	**12**	14	(2)
	13	15	(2)

Description	Within 12 months	Over 12 months	Over 5 years	Total
From customers	37,60,343			37,60,343
For receivables	47,891			47,891
Deferred tax assets		2,22,395		2,22,395
To other	40,116			40,116
	38,48,350	2,22,395		40,70,745

INR IN LACS

Description	Within 12 months	Over 12 months	Over 5 years	Total
From customers	2,604.41			2,604.41
For receivables	33.17			33.17
Deferred tax assets		154.03		154.03
To other	27.78			27.78
	2,665.37	154.03		2,819.40

The company has made use of the option of not using the amortized cost and/or not to actualize the credits as the failure to apply the amortized cost for credits with maturities of less than 12 months is of little importance.

The credits are then valued at estimated realizable value.

Deferred tax assets for deductible temporary differences are related to Euros 2,22,937, INR in lacs 154.41 for a description of which refer to the relevant paragraph in the latter part of these explanatory notes.

The adjustment of the nominal value of receivables was obtained by means of a specific allowance for impairment who suffered during the year, the following movements:

The first paragraph under article 2427 # 14, C.c. will highlight the required information on the deferred tax and advance:

Advance/deferred taxes

Deferred tax assets have been recognised as there is reasonable certainty of the existence, in the periods in which the deductible temporary differences will be reversed, against which the deferred tax assets have been entered, a taxable income not less than the amount of the differences that will cancel.

The main temporary differences that have led to the recognition of deferred tax assets and liabilities are shown in the following table along with its effects.

Recognition of deferred tax and assets and effects:

Date : 23 May 2017

Enrico Pelligrino,
Director

INTERNAL MANAGEMENT REPORT FOR THE FINANCIAL YEAR 2016

1. Basis of the company

The PEUGEOT MOTOCYCLES DEUTSCHLAND GmbH (Peugeot Motocycles or PMD) is a subsidiary of PEUGEOT MOTOCYCLES S.A. (PMTC), Valen-tigney/France. The German subsidiary was set up on September 1, 1997 and sells two-/three-wheeled cycles(scooters and bikes) as well as parts and accessory products through a network of authorized dealers.

As at 31st December 2016, PMD employed a total workforce of 17 employees in three departments:

a) Sales, marketing, finance & administration

b) Customer service, parts & accessories

c) Field force: The five regional managers live within their respective sales regions, where they serve approx. 340 dealers altogether.

Peugeot Motocycles operates the following website in Germany:

www.peugeot-scooters.de

The vehicles sold on the German market are built by PMTC in France as well as by our partner Qingqi and by the joint venture company with Qingqi in China. The scooters are transported by GEFCO Deutschland GmbH. The vehicles are delivered directly to the dealers from the central warehouse in France without interim storage by PMD.

As a rule, the prices at which PMD purchases the scooters are defined by the parent company once per year. The same applies to the selling prices for customers (recommended retail price - RRP) which are normally defined by headquarters for the entire year in consultation with the German subsidiary.

2. Overall economic and branch-conditioned framework

All in all, the German economy growth slightly over the year 2016. According to the Federal Statistical Office, gross domestic product was 1.9% higher than in the prior year (after adjustment for price changes). The German economy was able above all to profit from a high level of domestic demand. Unemployment totalled 6,1% in Germany in 2016.

Competitive pressure in the German market in which Peugeot Motocycles operates has been considerable in recent years, due to the large number of new products.

Due to the arrival of a new homologation standard (€ 4; till January 2018), many brands were obliged to do self-registrations at the end of the year 2016. So the figures of the 2-/3- wheeler markets +50 cc don't reflect the real demand of final customers.

The market can be broken down into the following segments (refer to the below mentioned table of market shares as per December 2016):

- Motorized two-wheeled cycles <= 50 cc

According to the industry association Industrieverband Motorrad e.V (IVM), the sales of motorized cycles (altogether 30,093) are 7.8% less than in the prior year (based on self-declarations of brands).

- Scooters > 50 cc for which licensing is mandatory

With a total of 31,232 vehicles sold, the market volume was 8.0% higher in 2016 than in the prior year.

Table: Market shares (main competitors) <= 50 and > 50 cc

Total	**31,232**		28,907		+8.0%

Business size

Table: Sales volume PMD 2010 to 2016

Source: PMD sales statistics (sell-in; as per December 2016)

	2010	2011	2012	2013	2014	2015	**2016**
Large/small mopeds	205	212	184	85	0	0	**0**
Scooters up to 50 cc	11,858	11,349	10,187	9,235	9,088	8,548	**7,584**
Light motor cycles from 51 to 500 cc	1,364	1,288	1,609	1,380	1,653	1,474	**1,614**
Speed-change vehicles	91	77	2	0	0	0	**0**
Total	13,518	12,926	11,982	10,700	10,741	10,022	**9,198**
Development y/y-1	-16.8%	-4.4%	-7.3%	-10.7%	+0.4%	-6.7%	**-8.2%**

At first, PMD grew rapidly after being founded in 1997. In recent years, however, the number of units sold has declined considerably. This decline in sales volume was halted for the first time in 2014 – but in 2015 and 2016 the number of invoices decreased again (TOTAL: 9,198 units). The brand Peugeot Scooters continues to rank **first** among the brand suppliers in the 50 cc segment in Germany.

The 50 cc market as a whole is shrinking, as this special sales channel for so-called "cheap scooters" is dwindling more and more and younger people loose more and more interest on scooters.

With regard to the light motor cycles (scooters) for which licensing is mandatory, Peugeot Scooters could improve the results of 2015: 9.5% more sell-in volume than the year before.

In addition, PMD realized a TO of € 157,641 (Rs 109.18 L) with bicycles including e-bikes of the brand Peugeot Cycles (prior year: € 4,244) (Rs 2.942 L) – the bikes were sold to the motorized two-wheelers dealers in 2016. The company Cycleurope is licensee here and responsible for producing the bicycle collection on behalf of the French parent.

The scooter-business of PMD in generally is ones more behind the results of the prior year.

3. Position of assets, finance and profit

Due to the slightly lower sales volume, sales revenue in the 2016 financial year was lower than in 2015, decreasing 5.7% to € 15.1 million (Rs 10458.262 L).

The financial year's profit was € 22.1k (Rs 15.32 L) lower than the prior year. A net profit of € 36,331.95 (Rs 25.162 L) is reported.

The financial statements are reflected in the following key figures:

- EBIDTA: € 66.7k (Rs 46.22 L) (prior year: € 103.1k (Rs 71.4 L))
- EBIT: € 62.2k (Rs 43.1 L) (prior year: € 100.6k (Rs 69.68 L))
- The turnover rate calculated as the ratio of sales to trade receivables equal 63.0 (prior year: € 55.9). Receivables management has again improved considerably as a result.
- The return on sales, calculated as the ratio of sales to earnings from current operations, reached a value of 0.42% in 2016 and was lower than the prior year's value (0.48%).

Total assets of PMD amounted to € 1,108k (Rs 76.74 L) in 2016 (prior year: € 1,170k) (Rs 81.03 L). Shareholders' equity now totals € 507.0k (Rs 35.4 L) (prior year: € 470.7k) (Rs 32.6 L). The capital ratio, calculated as-the ratio of shareholders' equity to total capital, has increased from 40.2% in 2015 to 45.7% in 2016.

At € 239.4k (Rs 165.8 L), trade receivables are € 46.8k (Rs 32.42 L) lower than in the prior year; they now account for 21.6% of total assets (prior year: 24.5%).

Of the total assets, 0.0% comprise sums payable to affiliated companies (prior year: also 0.0%).

Our company's liquidity is assured through the provision of funds by the parent company.

The cash flow (net income for the year + depreciation) decreased by € 20.1k (Rs 13.92 L) from € 60.9k (prior year) to € 40.8k (Rs 28.3 L). This development has not affected our liquidity position.

All in all the business development in 2016 has shown some improvements, but regarding the financial situation the results are less satisfying.

4. Workforce

On average, the company employed 17 men and women in the financial year 2016 (prior year: 17).

In the financial year 2016, the company provided and realized regular information and further training programmes, such as the following:

- Internal computer training courses
- Product training on new models
- Weekly ZM conference call
- Monthly team discussions
- Quarterly staff meetings

5. Risk management, opportunities and risks of future development

Both the motorcycle industry association Industrieverband Motorrad e.V. (IVM) and Peugeot Motocycles Deutschland GmbH expect the year 2017 to develop as follows:

- 50 cc segment: continuing (slight) decrease
- Scooters > 50 cc: slower market than 2015 (-14%) – due to push at the end of 2015 (before arrival of € 4 standards).

PMD increased its recommended retail prices beginning 2017 (January and May), among other things to take into account higher costs. Several new models like the Metropolis ABS, the sport scooter Speedfight4 125 cc and the high-wheel-scooter Belville will become an important source of sales for PMD.

With the new range, Peugeot Motocycles expects to defend the leadership in the 50 cc market and to enlarge its share of the +50 cc market, even if there will be a lack of availability of some models beginning of the year 2017 (delay for € 4-production).

This forecast is based on the strict respect of the announced delivery and production time.

Financial risks exist as a matter of principle due to the low capital base. Here, PMD is reliant on support from the parent company PMTC when necessary.

PMD's receivables management is designed and organized in such a way that there are no significant unsecured risks in this sector. With only a few exceptions, receivables from dealers are secured against risk of default through the SANTANDER Consumer Bank. A standardized dunning process is not implemented, as the control system in combination with weekly direct debits ensures that PMD is always in a position to identify potential solvency problems among the dealers before they arise.

With regard to the future development of our business and company, we do not see any risks threatening the company's survival, nor risks with a major impact on its position of assets, finance and profit.

6. Outlook 2017

Taking into account the first market results, we expect a sales volume of around 9,200 units for the whole year 2017.

The first results of the markets show a more stable 50 cc-market than expected; the + 50 cc-market is at the beginning of the year much weaker than forecasted. The sales aggressiveness in the market is quite high (discounts sell-in/sell-out) in the fist months of 2017.

The commercial focus is given on high margin scooters, like Speedfight, Django and Metropolis.

The net profit before taxes is expected to reach around € 70k and an expected sales revenue of € 15 million (scooters, parts, cycles) as a result of the improved model mix and stronger focus on margins and discounts.

Mörfelden-Walldorf, 23rd May 2017

NOTES FOR THE FINANCIAL YEAR 2016

1. General declarations

PEUGEOT MOTOCYCLES DEUTSCHLAND GmbH is located in 64546 Mörfelden-Walldorf, Kurhessenstraße 13. It is registered in the Commercial Register of the district court of Darmstadt under HRB 53925.

The PEUGEOT Motocycles Deutschland GmbHfulfils the size criteria for a small corporation. The available annual financial statements have been prepared in accordance with §§ 242 et seq. and §§ 264 et seq. of the German Commercial Code (HGB), as well as with the relevant regulations pursuant to the German Limited Liability Companies Act.

The financial year is identical to the calendar year.

The income statement has unchanged been prepared according to the nature of expense method.

In these annual financial statements, the regulations of Bilanzrichtlinienumsetzungsgesetz (BilRUG) had been taken into account for the first time. A change in the report card did not result from this for our company.

To make the presentation clearer, we have reported the remaining term of receivables and accounts payable in the notes instead of in the balance sheet.

2. Accounting and valuation principles

As in the prior year, the following accounting and valuation principles were applied when preparing the annual financial statements.

2.1. Fixed assets

Tangible assets are balanced at acquisition cost less scheduled depreciation. They are am-ortized in accordance with their expected useful life.

Since the financial year 2008, minor-value assets with acquisition cost of between € 150.00, INR 0,1 Rs Lakhs and € 1,000.00,INR 0,69 Rs Lakhs have been capitalized and written off at 20% of their acquisition cost p.a. over a period of five years. Minor-value assets with acquisition cost of less than € 150.00 are expensed in the year of purchase.

In the case of financial assets, the profit participation rights are valued at the lower of acquisition cost or fair value.

2.2. Inventories

Merchandise are balanced at acquisition cost. Write-downs to the lower market value have been made where necessary.

2.3. Receivables, other assets and liquid funds

Receivables, other assets and liquid funds are balanced at face value. Default risks associated with trade accounts receivable have been duly taken into account through individual valuation allowances as at the balance sheet date.

2.4. Accruals

The accruals take account of all identifiable risks and uncertain liabilities; they are formed on the basis of anticipated requirements according to reasonable commercial judgement. There are no pension commitments and pre-retirement part-time working agreements.

2.5. Liabilities

Accounts payable are shown at their repayment value.

2.6. Currency translation

There are no accounts receivable and payable in foreign currency as at the balance sheet date. No transactions were undertaken in foreign currencies during the financial year.

3. Notes to the balance sheet

3.1. Fixed assets

Development of the individual asset items with indication of write-downs over the financial year can be seen from the enclosed schedule of fixed asset movements (appended to the Notes).

3.2. Receivables and other assets

As in the prior year, all receivables and other assets have a remaining term of less than one year.

Receivables from affiliated companies exist only towards the shareholder. These receivables don't include trade receivables.

3.3. Accruals

Other accruals in the amount of € 508k,INR 352.12 Rs Lakhs (prior year: € 586k, INR 405.72 Rs Lakhs) primarily comprise the following:

- Volume and loyalty bonuses for the dealership: € 310k, INR 214.7 Rs Lakhs (prior year: € 467k,INR 323.44 Rs Lakhs)
- Recycling costs, batteries: € 45k, INR 31.17 Rs Lakhs (prior year: € 45k, INR 31.17 Rs Lakhs)
- Holidays not yet taken: € 11k, INR 7.61 Rs Lakhs (prior year: € 12k, INR 8.31 Rs Lakhs)
- Other personnel costs: € 32k, INR 22.16 Rs Lakhs (prior year: € 33k, INR 22.86 Rs Lakhs)
- Unpaid invoices: € 110k, INR 76.19 Rs Lakhs (prior year: € 28k, INR 19.39 Rs Lakhs)

3.4. Liabilities

As in the prior year, all accounts payable have a remaining term of less than one year. The liabilities are not secured.

4. Notes to the income statement

4.1. Sales revenue

The sales (€ 15,084k, INR 10,447.38 Rs Lakhs)are essentially attributable to the sale of scooters to dealers (€ 13,288k, INR 9,203.27 Rs Lakhs), as well as to the sale of spare parts (€ 1,148k, INR 795.10 Rs Lakhs) and bicycles (€ 158k, INR 109.43 Rs Lakhs).

4.2. Other operating income

Other operating income in the amount of € 220k, INR 152.74 Rs Lakhsprimarily comprises guarantee costs charged to the parent company PEUGEOT Motocyles S.A. ("PMTC") (€ 197k, INR 136.44 Rs Lakhs), insurance compensation (€ 1k, INR 0,69 Rs Lakhs) and income from the reversal of accruals (€ 1k, INR 0,69 Rs Lakhs).

4.3. Income/expenses relating to other periods

The result for the financial year 2016 includes income from reversing accruals in the amount of € 1k, INR 0,69 Rs Lakhs.

5. Other declarations

5.1 Other financial com.mitments and contingent liabilities

The company has concluded leases and leasing arrangements. These commitments total € 174k, INR 120.51 Rs Lakhs as at the balance sheet date. A bank guarantee in the amount of € 23k, INR 15.93 Rs Lakhs exists to the benefit of the landlord. The advantage of leases and leasing arrangements lies in the optimization of liquidity. There are no identifiable significant risks.

5.2 Workforce

On average, the company employed 17 women and men in the financial year (prior year: 18).

5.3. Management

The company's managing directors in the financial year 2016 were:

- Mr. Volker Klein (Diplom-Ingenieur (graduate in engineering science)), Oppenheim
- Mr. Xavier Delpech de Saint Guilhem (Finance Director, Peugeot Motocycles S.A.), Man-deure (France)

Concerning the remuneration of the management the option permitted by § 286 (4) of the German Commercial Code (HGB) is exercised.

5.4. Parent company

PMD is a wholly owned (100%) subsidiary of **Peugeot Motocyles S.A., Valentigney Man-deure/France**, and included in their (sub-) consolidated financial statements. The company belongs to the group **Mahindra & Mahindra Limited, Mumbai/India**, which prepares the top-level consolidated financial statements.

These consolidated financial statements are available at the companies' head office.

Mörfelden-Walldorf, 23rd May 2017

Volker Klein

DIRECTORS' REPORT TO THE SHAREHOLDERS

Your Directors present their Fourth Report together with the audited financial statements of your Company for the year ended 31st March, 2017.

FINANCIAL RESULTS **(Rs. in lakhs)**

The aforesaid financial highlights are based on audited financial statements for the year ended 31st March, 2017, which are Company's first Ind AS financial statements which are required to be prepared in accordance with the Accounting Standards as notified under Section 133 of the Companies Act, 2013. Figures for the year ended 31st March, 2016 have been restated under the new Accounting Standards Ind AS to make them comparable with the figures for the year ended 31st March, 2017.

No material changes and commitments have occurred after the closure of the year under review till the date of this report which would affect the financial position of the Company.

OPERATIONS

The year under review started with a good demand for table potatoes, on account of lower production in West Bengal which is the second largest state in Potato Production in India. However due to the sudden decision of Government on 8th Nov, 2016 (the peak seed potato planting season in the country) to demonetize, there was a dramatic halt to the buoyancy in ware potato prices. With the immediate withdrawal of cash in the business system the consumption of fruits and vegetables dropped by more than 30% in November itself. Table potato prices crashed within a week of the announcement of demonetization as mandis were overloaded with supplies and the demand nosedived. This led to Farmers planting their own ware stocks as seeds, rather than buying new seeds, and this consequently resulted in simultaneous crash in seed potato prices as well. Seed Industry was badly affected and many seed dealers had to dump stocks to clear out of cold storages. The Rabi Crop area planted was higher than usual and the crop performed well due to favorable weather. Needless to conclude that the potato crop production is estimated to be at all-time high. Consequently, the price sentiment continues to be dull, and farmers and dealers are hesitant to buy seed at Farmgate for the next season. Due to above events brought on by demonetization, successive developments as described above has led to a drop in your company's revenue which is (45.65%) lower than previous year.

While the demonetization had big surprises for the seed potato industry overall, as its timing unfortunately coincided with sales season. On other fronts, the year has been a landmark for your company as during the year your company constructed and successfully commissioned in October, a world class Tissue culture and Aeroponics facility at a total phase 1 cost of Rs 16.63 Crores at village Giga Majra, District Mohali, Punjab. The Administrative office of the company shifted to the same location. The investment in infrastructure led to 400% growth in Minituber delivery capacity, which has assisted the company in becoming future ready to achieve exponential growth in years ahead and as as per business plan.

The differentiator of the company, in terms of new varieties, has got a good first response from farmers and Industry during the showcase events organised in Punjab, Gujarat and West Bengal, the key markets. International Potato majors like McCains and Simplot have confirmed their orders for supply of Minitubers/Seeds from the new facility , showing the trust they have on the company's commitment to technology and quality.

Khet-Se-Khaliyan-Tak ("KSKT") initiatives adopted by the Company to deliver Farmer Prosperity, led to significantly improved yields of marketable grades of seed potatoes per acre. The learnings captured through HZPC's support on nutrient and irrigation management were adopted by our farmers, which resulted in their cost reduction by approximately 3-5%, resulting in extra income for the farmers. Your Company has strengthened their signature Services model and also built on trading skills for leveraging the opportunities in generic varieties.

The company has strengthened its systems and processes for the envisaged growth, and has undergone audits during the year for ISO 9001:2005, as well as registration of our new facilities with Department of Biotechnology, Government of India.

DIVIDEND

Your Directors do not recommend any dividend for the year under review.

SHARE CAPITAL

The authorized share capital of your Company as on 31st March, 2017 stood at Rs. 8,00,00,000 divided into 80,00,000 equity shares of Rs. 10/- each.

The paid-up share capital of your Company as on 31st March, 2017 stood at Rs. 7,89,00,000 divided into 78,90,000 equity shares of Rs. 10/- each.

During the year under review, your Company has appointed Karvy Computershare Private Limited in place of Sharepro Service (India) Private Limited as the Registrar and Transfer Agents of the Company.
