## **Mahindra Offers Proactive Inspection of Axle in Imperio**

- Proactive check, in keeping with the company's customer centric approach
- To be carried out free of cost, for Imperio users, with immediate effect

**Mumbai, February 4, 2019:** Mahindra & Mahindra Ltd. (M&M Ltd.), a part of the USD 20.7 billion Mahindra Group, today announced the proactive inspection of Rear Axles on its Imperio vehicles manufactured between April 2018 and June 2018. This is in keeping with the company's customer centric approach.

The inspection and subsequent rectification will be carried out free of cost for Imperio customers, who will be individually contacted by the company. To ensure a hassle free experience for its customers, the company is proactively carrying out this activity. This action is also in compliance with SIAM's voluntary code on vehicle recall.

Customers can also visit the website (Service Action section) and check if their vehicles are part of the service action.

### **About Mahindra**

The Mahindra Group is a USD 20.7 billion federation of companies that enables people to rise through innovative mobility solutions, driving rural prosperity, enhancing urban living, nurturing new businesses and fostering communities. It enjoys a leadership position in utility vehicles, information technology, financial services and vacation ownership in India and is the world's largest tractor company, by volume. It also enjoys a strong presence in agribusiness, aerospace, commercial vehicles, components, defense, logistics, real estate, renewable energy, speedboats and steel, amongst other businesses. Headquartered in India, Mahindra employs over 2,40,000 people across 100 countries.
