Media Statement

Mumbai, March 22, 2020: Mahindra and Mahindra Limited, today announced proactive, preventive and pre-emptive measures at all their offices and manufacturing locations in India, to ensure employee safety and contain the spread of the CoronaVirus (Covid-19).

In light of heightened concern on spread of CoronaVirus in the State of Maharashtra, we have decided to suspend the manufacturing operations at our Nagpur Plant with immediate effect and Chakan (Pune) and Kandivali (Mumbai) from Monday night onwards. None of the plants are working today, Sunday March 22, 2020.

Employee well-being and safety are matters of utmost priority. We are carefully monitoring the rapidly evolving Covid-19 pandemic and will continue to take swift and appropriate action on other plants in the State of Maharashtra and across the nation should the situation change. Meanwhile, all our offices across the country have already implemented Work from Home. Several other measures including highest standards of hygiene and promoting social distancing at all the offices and Manufacturing locations across the country have been taken.

About Mahindra

The Mahindra Group is a USD 20.7 billion federation of companies that enables people to rise through innovative mobility solutions, driving rural prosperity, enhancing urban living, nurturing new businesses and fostering communities. It enjoys a leadership position in utility vehicles, information technology, financial services and vacation ownership in India and is the world's largest tractor company, by volume. It also enjoys a strong presence in agribusiness, aerospace, commercial vehicles, components, defense, logistics, real estate, renewable energy, speedboats and steel, amongst other businesses. Headquartered in India, Mahindra employs over 2,40,000 people across 100 countries.
